

AMATEUR ROPING CLUB PROPOSED; ORGANIZATION MEETING IS CALLED

GOOD PROGRESS MADE IN PREPARATION FOR STAGING RODEO

Construction Of Grandstand Let To G. M. Moore

Publicity Committee At Work Advertising Rodeo For Sept. 19-20-21

The regular meeting of the Junior Chamber of Commerce was held Tuesday night at Pope's Cafe. In the absence, through illness, of Jack Pope, president, Wayne Brown, first vice president, presided at the meeting.

Chairmen of various rodeo committees made their reports, following which the booster group endorsed the organization of a roping club, to be organized by local men who may be interested in the forming of such a group, and operated by those men who are interested in a roping club. It was also decided that after a roping club was organized that the Junior Chamber of Commerce would allow the use of the local rodeo arena by mutual agreement of the booster group and the roping club.

The rodeo publicity committee is at work, with E. E. Wesley, chairman. A streamer advertising the rodeo, which will be staged September 19, 20 and 21, has been hung on Phelps Avenue, at the First National Bank corner, and another will be put up at the corner of Phelps Avenue and the highway.

Weekly letters are being sent out to weekly newspapers over the North and South Plains advertising the rodeo; 600 window placards have been distributed, and windshield stickers will also be distributed.

A series of booster trips under the direction of G. M. Shaw, starting September 16, will be carried out. Fifteen hundred dollars in cash prizes will be offered at the rodeo, plus entry fees.

Construction of the grandstand on the rodeo grounds was let Monday to G. M. Moore, and work got started at once.

It is expected that construction will be completed in about two weeks, which will complete the rodeo grounds and bleachers.

Progress Reported On Clinic Building

Good progress is being made in the construction of the Drs. Ira Woods and B. W. Armistead clinic building under construction at the corner of LFD and South Twitchell Street.

According to Dr. Woods, all the materials are now on the ground for completion of the structure. The general construction is completed, including the electrical work, plumbing, etc., and there remains only the finishing to the interior of the building.

Dr. Woods stated Tuesday that they hoped to have it completed so that they might move their practice to the new location in October, though he was not sure.

The beautiful building is of brick and tile construction, 101x36 feet, and containing at least 30 rooms, besides bathrooms, clothes closets, etc.

Plans Complete for Loyalty Grove Trip to Denver

Members of Loyalty Grove No. 2178 of the Supreme Forest, Woodmen Circle, met in regular session Tuesday night at the American Legion hall.

Mrs. Marjorie Beisel of Lubbock, district manager for the Woodmen Circle, was present for the meeting, and gave a wonderful talk on fraternalism.

Four new members were initiated, Mrs. Pearl Farrell, Mrs. Irene Kyzer, Miss Mary Kathryn Farrell and Miss Marge Mae Williams, in a very impressive ceremony by the drill team and officers of the Grove.

Plans were completed for the trip to Denver. Members will leave by bus Saturday morning, September 23, and will stop for the night in Pueblo, Colo., leaving early Sunday morning and will arrive in Denver some time that afternoon. A stop will be made at Colorado Springs to

CLUBS TO RAISE FUNDS FOR SWIMMING POOL

CHURCH SCHOOL TO CLOSE FRIDAY

The vacation church school being held at the First Presbyterian Church will close a successful two week's session on Friday night with a program showing the things learned by the children during the school, and an exhibit of handicrafts will be displayed in the basement of the church. Thirty-one children have been enrolled and interest has grown each day of the school. The theme of the entire school is "Learning to Live as Jesus Lived." Each of the four departments have made scrapbooks relating to the special theme and study of its department. Posters for worship centers have been the service projects and will be used in the church for the various departments.

Leaders for the school are Mrs. Emil Onstott and Miss Katherine Lewis in the kindergarten; Mrs. Ben Porcher and Miss Delphine Covington in the primary department; Mrs. Pete Owens taught the juniors; and Mrs. Arbie Joplin the junior high; Miss Erna Douglass assisted Mr. and Mrs. Haynes in the handcraft work, and Mrs. Ira E. Woods has served as pianist.

The program will start at 8 o'clock Friday night, and the public is very cordially invited to attend. On Saturday morning at 9 o'clock a party will be given at the church for all the children enrolled during the school, and for the leaders. At this time the handwork will be taken home by each child who has made it.

Gy. Sgt. Loyd Chapman En Route Home

Gy. Sgt. Loyd Chapman, who has been stationed at Tsingtao, China, sent a wire recently to Robert A. Skeele of Glendale, Calif., over short wave, to the effect that he was on his way home. Skeele picked up the message and sent Sergeant Chapman's parents a letter advising them of the message.

Cousin of G. M. Shaw Dies Suddenly As Result of Heart Attack

G. M. Shaw of this city received a telegram Monday afternoon to the effect that his cousin, A. N. McInnes, had passed away at Gainesville, Fla. Mr. McInnes, 55, died suddenly as the result of a heart attack at 1:30 o'clock Monday afternoon. He had suffered a previous attack some time ago.

Funeral services were held at Moss Point, Miss., Wednesday, with burial in Moss Point Cemetery.

Miss Mrytle Marion Shaw of Jacksonville attend the funeral services. Mrs. McInnes visited here in the G. M. Shaw home when Mr. Shaw's mother was ill.

Texas Marines Are Re-United for Recruiting Duty

A war and imprisonment by the Japanese during 41 long months did not dull the attraction of Marine Corps life for these Texans, reunited in Dallas for recruiting duty, after re-enlisting in the office where they were originally sworn in as leathernecks. They are, from left, Platoon Sgt. George T. Awalt, Sgt. John Bryan Lippard, Sgt. Bobby Terrie Bacon, and Gunnery Sgt. Raymond Hufstutler.

The United States Marine Corps, like the world, is small when it comes to meeting former buddies.

S/Sgt. John Lippard, 25, son of Mr. and Mrs. John H. Lippard, Littlefield, recently proved that when he was re-united with three other Texas Marines, ex-captives of the Japs, who had served with him in Company "M" of the Fourth Marine Regiment on Corregidor at the time of their capture, May 6, 1942. An additional re-

The local Rotary and Lions clubs are making plans to raise funds to complete construction of the swimming pool.

Officials of the clubs were not prepared to say Wednesday just how the necessary funds would be raised, but it is expected they will complete their plans soon. About \$2500 is needed.

Work on the swimming pool was held up a few days on account of lack of copper material, but this was received Tuesday and work has been resumed.

In an interview with Joe Wells, contractor, Wednesday he stated it would be over a month before it could be completed.

Ray Walker Goes To Sweetwater

Ray Walker resigned this week as vocational agricultural teacher of the local high school, to go to Sweetwater, where he will serve in a like capacity with the Sweetwater High School.

Mr. and Mrs. Walker are leaving Friday for their new location.

Funeral Services For L. O. O'Dell Conducted Sunday

Passes Away Friday After Two Weeks' Serious Illness

Leonard Odonald O'Dell, 53, passed away Friday morning at 9:40 o'clock, at the South Plains Cooperative Hospital.

Mr. O'Dell, who lived five miles north and 1 1/2 miles east of Littlefield, had been in poor health for the past year and a half. He had been seriously ill for the past two weeks. Leukemia was given as the cause of death.

Funeral services were conducted Sunday afternoon at 4 o'clock at the First Baptist Church, Littlefield, with Rev. Lee Hemphill, pastor, officiating.

Interment, in charge of Hammons Funeral Home, took place in the Littlefield Cemetery.

pallbearers were Dean Brown, Thurman Brown, Merleen Pickrell, John Thomas Ellis, Malcolm Bales and Harry Woody.

Flower bearers were Mrs. O. K. Yantis Jr., Mrs. Jimmie Zed Robinson, Miss Dorothy Perry, Mrs. Billy Holder, Miss Rose Sandefer, Mrs. Ted Sandefer, Miss Norma Jo Chisholm, Miss Ramona Eagan, Mrs. Neil Landrum, Miss Betty Jean Cary.

Mr. O'Dell was born October 13, 1892, at DeKalb, Texas. He married Miss Annie Mabel Coffey January 8, 1922, at Chillicothe, Texas, to which union there were born three sons and a daughter, all of whom survive their father.

The O'Dell family lived at Chillicothe and vicinity until 1935, when they moved to the Littlefield area.

Mr. O'Dell had been a member of the Baptist Church since 29 years of age, and at the time of his death was a member of the First Baptist Church, Littlefield.

Surviving deceased are his widow and three sons, Paul H. and Darrell R. O'Dell, of Littlefield, and Leonard Odonald O'Dell Jr., of five miles north and 1 1/2 miles east of Littlefield and a daughter, Mrs. Overton Phillips, of five miles north and 2 miles east of the city.

He is also survived by a brother, R. J. O'Dell, of Eldorado, Okla.; and four sisters, Mrs. Lula Simpson and Miss Ada O'Dell of Tatum, N. M., Mrs. Aileen Henderson of Albuquerque, N. M., and Mrs. Claudie Barrett of Morton, Texas.

The large attendance at the funeral services and the elaborate floral offering indicated the great regard felt for the deceased by relatives and his large circle of friends over the South Plains area.

All members of the family and above relatives were present at the funeral services, as well as the following: P. H. Coffey, of Eldorado, Okla.; Mr. and Mrs. Buster Harmon and twin daughters, Genelle and Genevieve, daughter, Juanita, and a granddaughter, of Roaring Springs, Texas, and Mr. and Mrs. Ray Coffey, of Eldorado, Okla.

A large number of friends from out of town were also present from Muleshoe, Morton, Sudan and Amherst.

Proposition To Be Discussed At Meeting Tonight

All Persons Interested Are Urged To Attend Session At Courthouse

Considerable interest has been expressed in the proposal to form an amateur roping club in Littlefield.

A meeting has been called for 8:30 tonight (Thursday) at the courthouse to discuss the proposed club, T. G. Shaw announced Wednesday.

The roping club has no connection with the rodeo, which is to be held in Littlefield late in September, but the arena, chutes and other facilities at the fair grounds site would be available for such a club.

The roping club would be strictly an amateur organization with contests between local ropers and contests between Littlefield ropers and followers of this sport representing towns in Lamb County and adjacent territory.

All persons who are interested in a roping club are urged to attend the meeting at the courthouse.

Tuesday Hottest Day of Past Week

The hottest day of the past week was Tuesday, when the thermometer recorded 106 at 3 o'clock in the afternoon. The low for Tuesday was 72.

Other readings for the week were: Thursday, low 74 and high 102; Friday, low 72 and high 100; Saturday, low 82 and high 96; Sunday, low 70 and high 100; Monday, low 72 and high 100; Wednesday, low 72 and high 105.

Wednesday afternoon a light shower fell over the Littlefield area with heavy clouds hanging, and prospects looked bright for additional showers.

E. C. Caldwell Attends Meeting

E. C. Caldwell, State Department of Public Welfare agent, attended a staff meeting of the North and South Plains at Amarillo Thursday and Friday.

He also visited his brother, Bill Caldwell, at Amarillo.

Legion Auxiliary To Meet Monday

American Legion Auxiliary will meet at the Legion Hut Monday evening, August 19, at 8 o'clock. Every member is urged to be present as there is important business to be attended to.

Daughter Born To Mr. And Mrs. R. C. Floyd

Mr. and Mrs. R. C. Floyd are the parents of a daughter, born at 1 a.m. Friday at the Payne-Shotwell Hospital. The young lady weighed six pounds and 14 ounces, and has been named Lanny La Trecee.

Junior Red Cross Closes Successful Year

The annual report for the Junior Red Cross was sent in from Lamb County Chapter the first of August, and shows a successful year's work which closed July 31.

A total of 10,436 items were sent to headquarters distributing center in St. Louis to be sent to various parts of the world. These figures also in-

clude holiday articles that were sent to various camp hospitals and veterans' hospital centers.

A total of 128 garments were made in the homemaking departments of the schools. Fifty gift boxes were filled by the schools over the county at a cost of approximately \$3.50 for each box. These were sent to children in war areas and included articles for school use and toilet articles for health use.

The money gifts received from the Junior Red Cross members during the enrollment campaign in November amounted to \$301.53, and \$140 of this amount has been sent to the national children's fund to be used for underprivileged children in various parts of our country as well (Continued on back page)

SOLDIER HEALTH

The health of American soldiers during the last war was better than during the World War I, latest figures from the Army surgeon general's office show.

Statistics on disease for the Army up to the first of this year were shown to reporters in a preview of an exhibit to be presented to the American Medical Association in San Francisco next month.

Figured on a basis of per thousand troop-strength each year, the record shows:

The overall disease rate was 649 in World War II, compared with 852 in World War I. The death rate from disease was 0.62 as compared with 41.6 in the last war.

Battle wounds and injuries took the same toll in each war—112 out of every 1,000 combat troops per year.

The statistics for diseases were as follows:

Common respiratory diseases, 167 cases per 1,000 men a year, compared to 325 in the last war; venereal diseases, 43 to 87; mumps, 4.3 to 56;

measles, 3.1 to 24; diarrheal diseases, 21.4 to 22; pneumonia, 10.9 to 19; tuberculosis, 1.1 to 9.4; scarlet fever, 1.2 to 2.1.

The incidence of malaria was much higher in the recent war than in the first war, the figures showing 18.9 to 3.8.

Surgeon General Norman I. Kirk, at a news conference held during the exhibit, disclosed proposed plans of his department to establish an "Army medical research and graduate training center" at Forest Glen, Md.

He said he envisioned it as a "national research institute" which would give the general public, the Veterans' Administration and the medical profession—as well as the Army itself—the benefits of Army medical research. The program must first be approved by the War Department and Congress.

Kirk said his department also hopes for ultimate establishment of a school of "global medicine"—a science born of global warfare as American troops pushed into remote corners of the Arctic and the Tropics and encountered little-known maladies.

REPRESENTATIVES AT POLICY CONFERENCE . . . Three members of the National league ball clubs, left to right, Marty Marion, St. Louis; Dixie Walker, Brooklyn, and Bill Herman, Boston, who will represent players at policy meet to discuss reforms and adjustments, including pensions and expenses, pay and other contract provisions. The movement was started following attempts to unionize ball players and do away with some objectionable practices.

Last Rites Held For Sudan Pioneer

Francis Elba Miller, 48, one of Sudan's most beloved and prominent citizens died Friday night, August 2, at 11:40, at Trinidad, Colo., where he had been attending business at his ranch there. Afflicted with a heart ailment, he had been ill since last October.

Funeral services were conducted Monday, August 5, in the Sudan First Methodist Church, where Mr. Miller had served as a member of the board of stewards. Rev. M. A. Walker, pastor, officiated, while a community choir offered songs by request. Mr. Miller had requested before his death that "Abide With Me" and "O Come All Ye Faithful" be sung, and Mrs. Miller asked that the choir sing "God Be With You Till We Meet Again." Huge floral offerings banked around the casket attested to the high esteem in which Mr. Miller was held by his many friends and fellow citizens.

Interment was made in the Sudan cemetery. Hammons Funeral Home of Littlefield was in charge of arrangements.

Honorary pallbearers were: H. G. Boyles, J. R. Dean, B. P. Wiseman and J. B. Foster.

Active pallbearers were: Dr. H. E. Grupe, C. M. Furneaux, S. D. Hay,

R. P. Markham, M. H. Greathouse, Joe T. Salem, O. W. Ribble and W. V. Terry.

Mr. Miller is survived by his wife; one daughter, Mrs. Dorothy DuLaney; three sons, Francis Jr., Robert William (Bill), and John; one grandson, Jimmie DuLaney; one brother, Carl Miller, Amarillo; and four sisters, Mrs. J. M. McKeslan, Amarillo; Mrs. Elma Miller, Amarillo; Mrs. Paul Armstrong, Albany; and Mrs. Arthur Martin, Santa Ana, Calif.

Francis Miller was born in Laural, Neb., on Sept. 24, 1898. He spent one year, 1919, in Sudan before his marriage to Edyth Harris of Amarillo, on June 20, 1923. The Millers located in Sudan in October, 1924, and would have been there 22 years this coming fall.

Up until ill health prevented active membership, the deceased was a member of the Rotary Club, and was also a member of the Masonic lodge.

Because Mr. Miller had been making frequent trips to his cabin at Red River for the past 11 years, and was well known and liked, special memorial services were conducted by the community surrounding his residence there. The only favorite songs that his friends could remember was "The Little Church in the Wildwood."

Mr. Miller and one of his brothers-in-law were the first to build resort cabins in Northern Red River. They bought the land and broke it up into lots several years back.

Among the friends from out of town attending the services were Supt. and Mrs. Joe C. Hutchinson and son, Brodie, of Littlefield.

ANTON SCHOOL TO OPEN SEPTEMBER 2

The Anton public schools will open for the fall term on Monday, September 2, according to information released by Supt. Orian Dennis this week.

The following teachers have been employed:

High School—Orian Dennis, superintendent; A. A. Mitchell, principal; J. S. Bridges, vocational agriculture; Mrs. Irma Dora Haile, homemaking; Mrs. Orian Dennis, high school English; John Pyburn, commercial and boys' coach. History teacher is yet to be supplied.

Grade School—O. A. Burk, principal and sixth grade; Mrs. Pat Byrum, seventh grade; Mrs. E. R. Williams, fifth grade; Mrs. Alma Tate, fourth grade; third grade is to be supplied; Mrs. Burk, second grade; Mrs. Paul Easter, first grade.

Mr. Pyburn is the boys' coach. He was formerly Junior High coach at Kermit.

IN NEW MEXICO

Mr. and Mrs. Frank X. Tolbert have gone to Eagle Nest, N. M., where they will visit his aunt, Mrs. Homer Tepe. Mr. Tolbert is to go to Gallup to witness the inter-tribal Indian dances and write a story for the *Leatherneck*, official magazine on whose staff he served as writer during the war.

Used Motor Vehicles To Be Sold At Camp Hood Aug. 21-22-23

The Veterans' Division of the Fort Worth regional office of War Assets Administration has announced a special sale of used motor vehicles to take place at Camp Hood, August 21, 22 and 23. The offering, which will make available to ex-servicemen 219 motor vehicles recently declared surplus by the Army. Inspection may be made daily, with the exception of Saturdays and Sundays from now through August 23.

Departing from previous sales methods, WAA officials announced that while sales will be made to veterans in strict chronological order of date of certification, designated half day periods will be allotted within which the veterans will be waited on.

Veterans certified prior to September 1, 1945, will be able to purchase from 9 to 12:30 on Wednesday, August 21. Those certified prior to January 1, 1946, will be served from 1:30 to 4:30 on August 21.

On August 22, veterans certified prior to May 1, 1946 will be waited on in the morning from 9 to 12:30, while in the afternoon veterans certified prior to August 1, 1946, will have their buying opportunity.

On August 23, from 9 to 12:30, any veterans, regardless of date of certification, may make his selection. Passenger sedans, motorcycles, jeeps, scooters, ambulances and various truck tractors are included in the offering.

1945, to apply for National Service policies or to increase the amount of policies already in force.

4. More endowment types of policies offered.

5. Removal of many restrictions in the naming of beneficiaries.

"Holders of about six million NSLI policies now in force are eligible for the many new benefits provided by these amendments," Sisson pointed out.

"In addition, those veterans who formerly held some ten million policies that have lapsed may still be entitled to reinstate them and take advantage of the low cost protection provided for their families by GI insurance."

Excellent Character Essential For Entry Into Naval Service

As a result of several applications received for enlistment in the Navy, of men with juvenile police records, Commander W. T. Zink, officer in charge of the Dallas Navy recruiting district, has made public the following statement of the Navy Department's policy in connection with recruiting:

"In order that the efficiency of the Navy may be unimpaired, it is vital that only young men of the highest type physically, mentally and morally, be accepted for the service.

The very close associations and contacts necessitated by the service of young men in vessels of the Navy require that all men be of unquestionable character.

"Thousands of young men are enlisting in the Navy each year and the very high requirements are being stressed constantly. Parents, school officials, the clergy and the public in general are informed that the associations met in the service will be clean and honorable, and the assurance, I believe, is directly responsible for many parents consenting to the enlistment of their sons.

"Out of consideration for the parents of these fine young men, many of whom are at their most impressionable age, there can be no lowering of our high standards in the interest of any one group or individual."

Veterans' Insurance Benefits Extended

Insurance benefits to veterans were materially extended when the President signed a liberalized GI insurance bill last Friday, Robert W. Sisson, Lubbock Veterans Administration regional manager, has said.

Discussing the amendments to the National Service Life Insurance Act which became law this week, Sisson said GI insurance benefits are now in line with those of commercial insurance companies at a great saving to the veteran.

"As originally enacted, National Service Life Insurance was designed to meet the needs of men and women at war," Sisson explained. "The new amendments provide for liberalization to make it more attractive in peace time."

Principal changes in the amended act include:

1. Lump sum payments to beneficiaries if desired.
2. Total disability protection upon payment of a slight additional premium.
3. Entitlement of all persons who served in the armed forces between October 8, 1940, and September 2,

Ex-Waves Now May Re-enlist In V-10 Program

It has been announced by Commander W. T. Zink, U. S. Navy, officer in charge of Navy recruiting, Dallas, Texas, that women who served on active duty in the Women's Re-

serve, USNR, in an enlisted status in Class V-10, during World War II who have been honorably discharged may re-enlist in Class V-10, U. S. Naval Reserve for inactive duty. The qualifications are that all former Waves must be between the ages of 20 and 64 years, be citizens of the United States or its insular possessions. Married women or those with dependents (other than children

under 18 years of age) are acceptable. No physical examination or GCT test is necessary. In the past there have been numerous inquiries regarding enlistments in the Waves and it is felt that Texas will stand high in the nation in this V-10 program. Any ex-Wave who is interested in this program may phone or call at the recruiting office located in the

post office building at Lubbock for further information. **NAMED DIRECTOR OF WOMANS' DEPT. AT SOUTH PLAINS FAIR** LUBBOCK, Aug. 14.—Mrs. O. R. Copeland, Route 4, Lubbock, has been chosen director of the Women's Department of the Panhandle South

Plains Fair, officials of the fair have announced. Dates for the fair are October 7-12.

Seven other women have been selected to work with Mrs. Copeland as superintendents of the various women's divisions. Mrs. C. L. Murray, Lynn County, will be superintendent of the textile division; Mrs. J. N. Smithee, Hockley County, will be in charge of the culinary division. Superintendent of the Women's Home Demonstration Clubs division is Mrs. John Redwine of Shallowater. Mrs. Chester Gilmore, Idalou, will superintend the 4-H Girls Club division. All the above, including Mrs. Copeland, are home demonstration workers.

Mrs. J. C. Levens, Mrs. J. C. Alenworth, and Mrs. J. L. Barstow, all of Lubbock, will head the plants and cut flowers division, the arts division and the relics, antiques and curiours divisions, respectively.

Vocational agriculture premiums will be increased this year. Fair officials say they hope to announce the new premiums within the next week.

Texas Marines—

(Continued from page one)

they were co-incidentally assigned to recruiting duty at the same time. Now they are again scattered, although working for the same office.

S/Sgt. John Lippard, because of his flare for writing, was assigned duty in the Public Information Section, Southern Recruiting Division, Dallas. Sergeant Hufstutler, of Hamilton, Texas, was assigned to duty in Longview. Sergeant Bobby Terriel Bacon, 26, of Cisco, is in the Fort Worth office. Staff Sergeant George T. Awalt, 27, also of Cisco, is recruiting in Abilene.

But, before they were assigned to their respective offices, there was ample time to brief each other on their experiences during their pris-

oner-of-war days.

In swapping yarns, it was discovered that Staff Sergeant Lippard had an ugly red scar at the base of his neck which was a mute reminder of the price he paid for silence in prison camp. During an interrogation in which the Japanese were trying to discover who was smuggling a Japanese newspaper into their quarters, burning punk was placed on the shoulders of 14 prisoners, after assuming the position for "push-ups." If they shook off the maddening, slow burning punk, they were beaten until the "push-up" position, with arms slightly bent, was again attained.

Bacon twice escaped death because of a court-martial by his captors. It was customary to pass the death sentence on captives, but because the Japanese court-martialing officer was a "Christian" who said he was educated in the United States, Bacon's sentence—instead of death—was solitary confinement on bread and water.

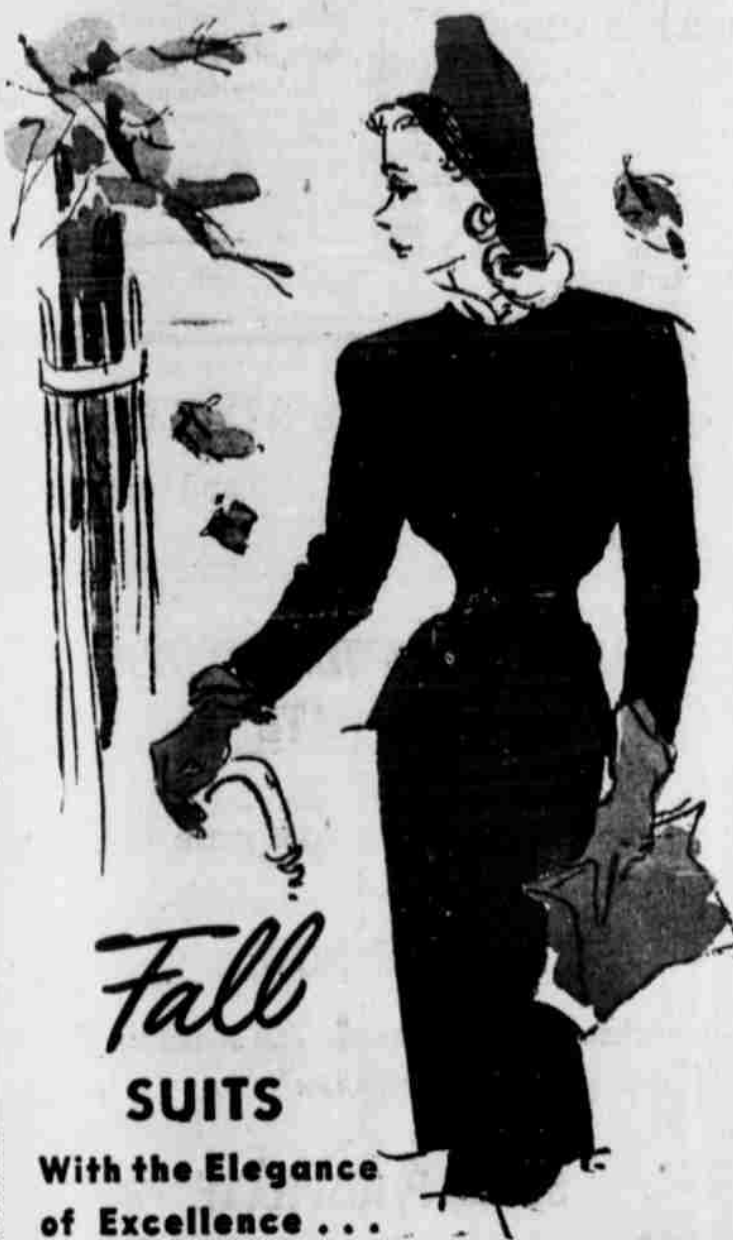

His second escape he wasn't aware of until after release from confinement. He discovered then that at the Palawan airfield, where he had been caught stealing food and court-martialed, 150 fellow-prisoners had been massacred in a gasoline inferno with machine guns blazing away at them.

Released from his 30 days' solitary confinement, Bacon was sent to the Bilbid prison hospital to recover strength. It was there he ran into Staff Sergeant Awalt, who had been interned because malnutrition had blinded him. Bacon led him around by the hand until his eyesight improved.

Sergeant Hufstutler was non-committal on his experiences, but it is known he was a member of the Marine defense units at Corregidor which entered into hand-to-hand combat and, with the aid of Army artillery units, time and again repulsed attempted barge landings by Japanese during the four-month siege.

With the rigors and ordeals of prison camp behind them and the duty of enlisting men in the Marine Corps all four are cognizant of the type man needed to serve as leather-necks. They full well know that physical standards of the Marines are high to permit leathernecks to meet any emergency call upon their endurance and perseverance.

Personals

Mr. and Mrs. A. P. Stokes of Af-ton, Texas, visited their son and daughter-in-law, Mr. and Mrs. J. M. Stokes, and family Monday and Tuesday.

Mr. and Mrs. Jeff Perkins and sons, Billy and Douglas, returned Sunday afternoon from visiting Red River, Colorado Springs, Pike's Peak, Seven Falls, and other scenic points. They had been gone a week.

Mr. and Mrs. Roy McQuatters, after spending ten days at Denver, Rocky Mountain National Park, and other scenic points, returned home Monday. They were accompanied on the trip by Misses Fannie Pillow and Catherine Allison of Plainview.

Mr. and Mrs. E. W. Jones and son, Ward, and daughter, Mary, of Livingston, Texas, visited Mr. and Mrs. Tom Matthews Wednesday, en route home from Bula, Texas, where they had been visiting Mrs. Jones' sister, Mrs. A. B. Simmons. Mr. Jones is a cousin of Mr. Matthews.

Mr. and Mrs. Tom Matthews attended the graduating exercises at West Texas State College, Canyon, Tuesday, when their daughter, Jean, received her BS degree. Miss Matthews accompanied her parents home.

Jack Pope was admitted to the hospital Tuesday for treatment. He will be confined a few days. He underwent an appendicitis operation while in the service, and is suffering from complications.

A son was born to Mr. and Mrs. W. F. Williamson Thursday, August 8, at the Amherst Hospital. He has been named Ronnie Dean.

L. E. Key of Hobbs, N. M., returned home Thursday after spending the week with his son and daughter-in-law, Mr. and Mrs. Otha Key, and his daughter and son-in-law, Mr. and Mrs. B. W. Lindley.

Mr. and Mrs. Otha Key had as guests Saturday and Sunday night Mr. and Mrs. Bill Langford of Bakersville, Calif. Mr. Langford is a cousin of Mrs. Key.

Mrs. Perry Allen and daughter, Wanda, of Fort Worth, returned home Thursday after spending two weeks in the home of Mr. and Mrs. Henry Banks.

Mr. and Mrs. B. W. Yeary spent Sunday night in Amarillo, returning home Monday afternoon. They accompanied home to Amarillo Mr. and Mrs. James L. Witcher from Littlefield, where they had been visiting Mr. Witcher's mother, Mrs. B. J. Witcher, and her parents, Mr. and Mrs. Marion Brewer.

Mr. and Mrs. Jim D. Rich of Moss, Tenn., and Mr. and Mrs. Charles Kindall and children of Tompkinsville, Ky., visited Mr. Rich's sister, Mrs. B. J. Witcher, last week.

Mr. and Mrs. Tom Pinkerton and sons, of Turkey, Texas, visited Mr. and Mrs. E. W. Yeary and Mrs. B. J. Witcher over the past weekend.

Mr. and Mrs. James L. Witcher of Amarillo visited his mother, Mrs. B. J. Witcher, over the past weekend.

Mr. and Mrs. Nath Griffin returned Friday night from Garland, Texas, where they visited their daughter and son-in-law, Mr. and Mrs. Bill Smith. They had spent since Sunday at Garland.

Archie Dale, local manager of Perry's Variety Store, is at Shamrock, assisting in the opening of a new store there.

Mrs. O. B. Gardner of McGregor and Mrs. Eula Driskol of Waco left Sunday after spending two weeks with their daughter and sister, Mrs. T. S. Sales.

Mrs. Hershel Carthell and daughter, Barbara, arrived Thursday to visit Mrs. Carthell's sisters, Mrs. J. I. Carrell and Mrs. E. J. Fount. They also visited in the home of Mr. and Mrs. Billy Holder.

Miss Wanda Gray was a weekend guest in the home of Mr. and Mrs. L. A. Preley. She also attended a luncheon at camp.

Mr. and Mrs. Dalton Blovins of Lubbock visited in the Jack Fore home over the weekend.

Mr. and Mrs. I. D. Onstead and Mr. and Mrs. Norris Onstead left Monday for a week's vacation trip. They went by way of Graham, where their daughter, Jean, had been visiting her aunt and uncle, Mr. and Mrs. Kissinger, and who accompanied them on the remainder of the trip. They went to San Marcos, Texas, where their second son, Ronnie, has been attending San Marcos Academy. He will accompany the family, who are expected to return to Littlefield this weekend.

Mr. and Mrs. Otto Jones and son, Jodye, left Friday for Possum Kingdom Lake, near Graham, Texas, on a week's vacation trip.

Mr. and Mrs. L. L. Dunn and family returned Monday after a ten days' visit to various points in New Mexico, including Eagle Nest Lake, Raton, etc.

Dr. and Mrs. Wm. N. Orr and children left Friday on a two weeks' vacation trip to points in Arkansas. They will return about Aug. 25.

Mr. and Mrs. Wilbert Harms of Wellsburg, Iowa, are spending their two weeks' vacation in the home of her parents, Mr. and Mrs. J. P. Veach, and brother, Kennedy, of Amherst, Texas.

Mr. and Mrs. J. P. Veach of Am-

herst, Texas, have heard that their son, Adrian, had arrived in England on July 27.

Miss Emma Stalbird left Saturday to visit relatives at Lockney, Texas.

Ernest Wren has arrived home on a 12-day leave to visit his parents, Mr. and Mrs. W. C. Wren.

Misses Thelma Lunsford and Inez Dow left Monday of last week for Amarillo to visit in the home of Mrs. Ernest Finch and Mr. and Mrs. A. L. McCarty.

Dr. and Mrs. B. W. Armistead left recently for Los Angeles, Calif., on a two weeks' vacation trip. They were accompanied by Dr. Armistead's brother, Davis Armistead, who will attend school of optometry at Los Angeles, and Mrs. Armistead. En route to Los Angeles they visited Santa Fe and other points of interest.

Mr. and Mrs. Bob Cox, Mr. and Mrs. Bill Taylor and sons, Bob and Bruce, Mrs. Sam Lambert and two daughters, Nelda and LaQuita, and Mr. and Mrs. Connie Powell and children are spending their vacation camping in the Holy Ghost Canyon, on the Pecos River, near Pecos, N. M. They left here about August 1, and are spending two weeks.

Lavender Opening Is Great Success

The formal opening of the Lavender Motor Company, which took place Saturday last, was an outstanding success.

Large numbers called all day and late into the evening, when it was estimated about 4,000 had visited the Lavender Motor Company, extending greetings and congratulations on the building of the beautiful new structure, and viewing the five new 1946 model Chrysler and Plymouth cars on display.

In an interview with W. E. Lavender, manager, he stated:

"I have attended a number of openings, but have never seen such an appreciative crowd of people. They were anxious to see our place, and seemed to enjoy being there. We appreciate very much the interest shown, and the large attendance; and want to thank one and all for their kind expressions of commendation, and the friendship and cooperation shown."

Miss Larue Clark and Miss Smith registered the visitors.

Assisting Mr. Lavender in the welcoming and entertainment of the guests were Mrs. Lavender, her daughter, Mrs. Ray Martin of Burdette, Kans., and Mrs. Bill Kelly, book-keeper for the organization.

The large number of baskets of lovely flowers sent by friends expressed the high regard in which the Lavender Motor Company and Mr. Lavender are held.

M. L. Aycock, service manager, and other members of the service department escorted the visitors around the shop.

T. W. Goss, Chrysler and Plymouth specialist, who recently joined the Lavender organization, demonstrated the fluid drive and automatic clutch. Mr. Goss, formerly of Lubbock but recently of California, has been specializing in the repairing of Chrysler and Plymouth automobiles for the past several years, and has attended all Chrysler schools ever put on by the Chrysler corporation.

The two new 1946 Chryslers and the three 1946 Plymouths on display were sold during the opening.

Dr. I. T. Shotwell purchased the Chrysler New Yorker four-door black sedan; the Windsor Chrysler four-door maroon sedan was delivered to Pryor Hammons Sr.; the Plymouth Special DeLuxe Club maroon coupe was purchased by Pryor Hammons Jr.; the four-door Plymouth DeLuxe gray sedan was sold to C. F. Harrington of Anton; and the two-door Special DeLuxe beige Plymouth was delivered to Dr. B. W. Armistead.

L. M. Tuttle, regional Chrysler manager, of Dallas, and Mrs. Tuttle were visitors at the opening.

All ladies attending the opening received favors in the form of corsages.

NOBODY CAN DO THIS FOR YOU!

38 CARLOADS OF CHICKENS SHIPPED

Thirty-eight carloads of chickens were shipped from Texas in June, 1946, compared with 16 carloads in June, 1945, the University of Texas Bureau of Business Research reports.

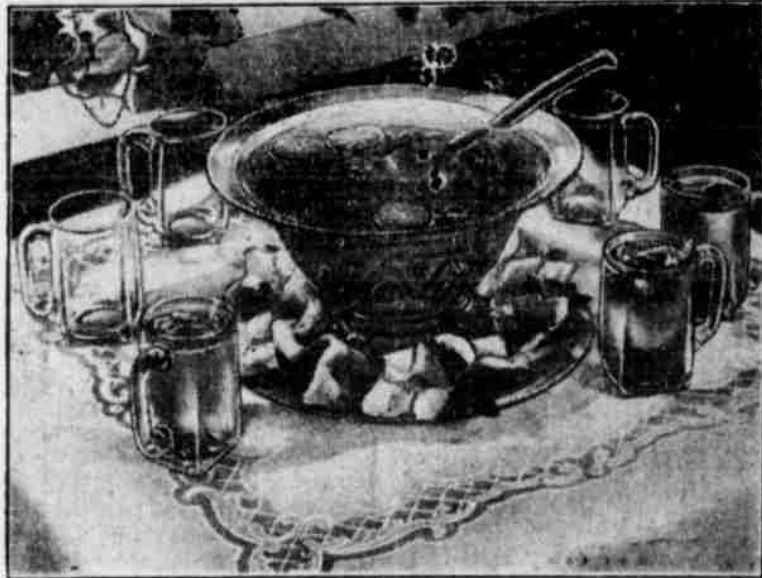

A study of rail shipments on poultry and eggs was made by the bureau in cooperation with the U. S. Department of Agriculture.

Egg shipments in June totaled 589 carloads, compared with 716 for June, 1945, and 1,036 in May, 1946.

Turkeys shipped during June totaled 15 carloads, compared with 17 carloads shipped in June, 1945. One carload of turkey eggs was shipped in June, 1946.

It Looks Colder Served On Irish Linen

A CHILLED summer punch tastes colder if poured over a jagged berg of ice. It looks colder and more refreshing if the bowl is circled with white gladiolas and sprigs of tender green mint and placed on a separate small table that's covered with a frost-crisp, snow-white Irish handkerchief linen cloth. This one, with an inset tracery of organfy, is typical of the new lingerie type of handmade Irish linens that will soon be shown in better linen stores.

BLIND VETERAN NOW A PIANO TUNER—If all of the "sour" notes emitting from pianos is a true criterion, Francis Chambers (right), New York, would enjoy a lucrative business after completing training as a piano tuner. A Technical Sergeant with the 79th Division at the time he was wounded, Chambers' clerk before the war—is training under Public Law 10, which provides for the vocational rehabilitation of disabled veterans.

EARTH STAGES 2ND ANNUAL RODEO EVENT

Earth's second annual rodeo was staged this year on Saturday and Sunday last. Spectators were treated to such thrills as bronc riding, ribbon roping, bull riding and calf roping, in which all amateurs were invited to participate. Performances started each day at 8 p.m. Calf roping drew \$100 in prize money each day, and cash prizes were awarded to the best Western-dressed ladies, boys under 14 years of age, and to winners of ladies' figure "8" barrel race.

SOCIETY

Miss Della Mae Ball And Jimmie Chapman Wed Tuesday Night

Miss Della Mae Ball became the bride of Jimmie W. Chapman, Tuesday evening, at 8:30 o'clock, at the home of the officiating minister, Rev. J. R. Hicks, Tenth Street, Littlefield.

The bride was becomingly attired in a black crepe dress trimmed with pink sequins, and wore a corsage of pink gladioli.

The couple was attended by Mr. and Mrs. Jimmie Zed Robinson. Mrs. Robinson is a cousin of the bridegroom.

Mrs. Chapman is the daughter of Mr. and Mrs. Owen Ball, and a graduate of the 1945 class of the Littlefield High School.

Mr. Chapman is the third son of Mr. and Mrs. W. D. Chapman. He spent 26 months in the service of his country during World War No. 2, 20 months of which were spent overseas, in the Southwest Pacific.

He received his discharge from the Marine Corps on May 9 of this year, and is employed by the County Wide News.

After a short honeymoon trip to Ruidosa, N. M., the couple will be at home in the Broadmoor Courts, Littlefield.

Allan Shivers Opposes Sales Tax

AUSTIN, Aug. 14.—"I want the people of Texas to know there are certain types of taxes to which I am opposed, both personally and as shown by my record of 12 years in the senate," Allan Shivers, who led the runoff opponent in the lieutenant-governor's race by approximately 100,000 votes in the first primary, said here this week.

"I oppose a general sales tax, and I oppose a state income tax, because I feel that it will place undue burdens on the people. I oppose a state income tax, because that field is pre-empted by the federal government."

"If any additional taxes do become

necessary, and I don't think they will in the near future, the burden should be spread on as broad a tax paying base as is possible," he continued.

"I have always considered myself a conservative, both in expenditures and in taxation, and on many occasions have opposed appropriations of the taxpayers' money because I thought the expenditure was unwise and unnecessary. I have also opposed many tax bills because I thought they were levied on the wrong principle or that they were unnecessary."

"I have had to work hard all my life and that is probably the reason that I am conservative about the expenditure of tax money. I feel the same way about expending my own funds."

Spade School Will Open With Full Faculty Aug. 19

E. W. Jackson, superintendent of Spade schools, stated Tuesday that they would open the fall term on Monday, August 19, with a full corps of teachers.

Besides Superintendent Jackson, the faculty is composed of Miss Anna Neal, Miss C. C. Byars, Mrs. E. W. Jackson, Mrs. Haas Lynch, Miss Evelyn Stanfield, Miss Hazel Miller, Mrs. Audie Collins, Mrs. Roy Minchey, Mrs. Roy McQuatters, and possibly Mr. Bridges, who is attending A&M College at present, will be vocational agricultural teacher.

ROPING A DATE IN HAWAII

WANT A DATE IN A STRANGE TOWN? For a million and a half men in service, that's a moot question. For hundreds of thousands on duty overseas, it's highly imaginative. In Honolulu, where the ratio of men in uniform and date-able women is still discouraging to the GI heart, the palatial Army-Navy USO Club has a system that provides a date for the guy who gets the gal and an evening's fun for a couple of hundred others who watch him do it. Working by telephone on the stage of the huge auditorium, fast-talking sailors and soldiers try to convince the pick of the club's junior hostesses—from whom they are separated by screens—that the best way to spend the evening is with them. They have three minutes to do it in and brother, has this man's Army developed a gift of gab! Soldier Frank Paruch of Johnstown, Pa., shown claiming his date after a hectic three minutes on the phone, did better than all right. He not only won the gal—for the duration of a USO sightseeing tour and dinner dance—but she turned out to be from his home state. Pretty Nancy Burkland seems satisfied with the whole thing, too.

Miss Mary F. Shaver Honored At Shower

Miss Mary Frances Shaver, bride-elect of Ray Dickinson, was honored with a miscellaneous shower Saturday, August 4th, in the home of Mrs. Bob Crawford, with Mmek. N. A. Vaughter, Arvil Blair, B. McSpadden, Jimmy Heartly, David Crisp and Mrs. B. P. Harrison as co-hostesses. The afternoon was spent in a friendly get-together for those present.

Delicious refreshments of punch and cookies were served. The table was laid with a beautiful lace cloth, centered with a lovely bouquet of dahlias.

Many friends were there to view the beautiful gifts, and a number sent gifts that could not attend.

Miss Nelma Chappell Is Bride of Malcolm Gaston Monday

Miss Nelma Joyce Chappell, daughter of Mr. and Mrs. C. N. Chappell of Silverton, Texas, became the bride of Malcolm Gaston, of Nocona, Texas, in a beautiful double-ring ceremony in the home of Rev. and Mrs. B. P. Harrison, pastor of the First Baptist Church, Amherst, Texas, Monday, August 12, 1946.

The bride was lovely in a taupe gray dress with black accessories. For something old she wore a chate-laine pin of her mother's and for something borrowed she wore an identification bracelet.

The groom is connected with the Justin Boot Shop in Nocona. Those attending the wedding were Mr. and Mrs. C. M. Chappell, parents of the bride, and Miss Bonnie Dell Chappell, all of Silverton, and Mr. Raymond White of Gatesville, Texas.

Immediately after the ceremony the happy couple will be at home in Nocona, Texas, after September 1.

DUAL INSTRUCTIONS OWN NEW 1946 TAYLOR-CRAFT PLANE

INSTRUCTIONS WILL BE GIVEN BY

JIM MCGUIRE

WHO IS AN EXPERT IN TEACHING

Ladies, here is your chance to learn to fly . . . numerous ladies now taking instruction.

WHEN NERVOUS HEADACHES PESTER ME I FIND THAT MILES NERVINE HELPS NERVOUS TENSION TO RELAX AND LEAVES ME CALM, SERENE

WHEN Functional Nervous Disturbances such as Sleeplessness, Crankiness, Excitability, Restlessness or Nervous Headache interfere with your work or spoil your good times, take

Dr. Miles Nervine
 (Liquid or Effervescent Tablets)

Nervous Tension can make you Wakeful, Jittery, Irritable. Nervous Tension can cause Nervous Headache and Nervous Indigestion. In times like these, we are more likely than usual to become overwrought and nervous and to wish for a good sedative. Dr. Miles Nervine is a good sedative—mild but effective.

If you do not use Dr. Miles Nervine you can't know what it will do for you. It comes in Liquid and Effervescent Tablet form, both equally soothing to tense and over-wrought nerves. WHY DON'T YOU TRY IT?

Get it at your drug store. Effervescent tablets 35c and 75c. Liquid 25c and \$1.00. Read directions and use only as directed.

SOCIAL EVENTS

MRS. CLAUDE THOMAS HONORED AT SHOWER

Honoring Mrs. Claude Thomas, a recent bride, friends entertained with a lovely bridal shower in the home of Mrs. Will Servatuis.

Miss Catherine Foltyn gave several beautiful piano selections. Mrs. Joe Foltyn sang "Your Heart Belongs to Me."

Games were the entertainment. Mrs. Joe Rietman gave two readings, "The Mother Tells Her Story" and "Father Gives His Version," after which gifts were presented to the honoree.

Refreshments were served to Mr. and Mrs. O. L. Schlottman, Mr. and Mrs. Rudolph Brenek, Mr. and Mrs. Herman Miller, Mr. and Mrs. W. R. Geistman, Mr. and Mrs. Andrew Cable, Mr. and Mrs. Herbert Dalle, Mrs. Al L. Hargrove, Mr. and Mrs. Joe Macha, Mrs. Joe Rietman, Mrs. Wesley Rezinck, Mrs. Joe Foltyn, Mrs. Lee Holtcamp, Mr. and Mrs. Bob Servatuis, Mrs. Lena Martin, Mrs. Catherine Wiche; Misses Mary and Dorothy Servatuis, Mary Rietman and Catherine Foltyn.

Those unable to attend were Mrs. Ruth Zoth, Mrs. Winnie Zoth, Mrs. Robert Tibey, Mr. and Mrs. G. G. Wilson, Mr. and Mrs. W. H. Hunen, Mrs. John Dubec, Mrs. Ann McClannahan, Mrs. John Praeglika, Mr. and Mrs. R. L. Schommman, Miss Bertha Hargrove, Mr. and Mrs. C. A. Duffy, Miss Mary Ellen Duffy, Mr. and Mrs. Dee Myers, Mrs. Kathryn Johnson, Mrs. Rogers Willet and Ruben Miuler.

Rebekahs Plan Membership Drive

Littlefield Rebekah Lodge No. 61 met in regular session Monday evening at 8 o'clock, when everyone enjoyed a pleasant social evening.

Plans were discussed, also an amendment drafted and read, whereby meeting nights are to be changed from the second and fourth Mondays to every Monday night.

Plans also got under way for a membership drive in the form of a contest, to be more fully explained at the next regular meeting, on August 21; also, all members are urged to be present on Monday, August 19, at 8 p.m. for practice of the drill team. Jess Williams is team captain and Mrs. Nuel Kirk is co-captain. All members are urged to be present.

Walker Family Move To Littlefield

Mr. and Mrs. Bob Walker and son, Bobby, of Dallas, moved to Littlefield this week, and are living at the Rumback Hotel until they can find a suitable home.

Mr. Walker is business manager for the Great American Reserve Insurance Company. He has spent his entire life in insurance work, with the exception of three years spent in the armed service.

L. V. PIERCE RETURNS FROM SERVICE

L. V. Pierce, after spending 13 months in the service, arrived home Tuesday. He had been stationed at Fort Dix, N. J., and was discharged at that station.

Mr. Pierce is in partnership with his brother, Darwin, in the Panhandle Oil Company, wholesale and retail.

RETURN FROM CONDUCTING REVIVAL MEETINGS

Rev. J. B. Jennings, pastor of the Cumberland Presbyterian Church, Orlton, who has been holding revival meetings in North Central Arkansas, arrived home Wednesday. Rev. Jennings was accompanied by Mrs. Jennings. They also visited Mrs. Jennings' parents, Mr. and Mrs. P. S. Roberts, at Salem, Ark.

Vic Vet says

VETERANS CAN GO TO SCHOOL ABROAD. - CHECK YOUR NEAREST VA OFFICE FOR DETAILS.

MR. AND MRS. R. T. BADGER VISIT CITY

Mr. and Mrs. R. T. Badger of Austin arrived Sunday and are spending this week visiting relatives and friends. This was their first visit to Littlefield since they left here to make their home at Austin.

Mr. and Mrs. Badger have a host of friends in Littlefield who missed this fine couple when they left here to make their home in Austin, and welcome them to this city.

Mr. Badger commended on the great growth of Littlefield recently, and the changes that had taken place since they left here.

Mrs. Horace Henry Is Much Improved

Mrs. Horace Henry of Lubbock, formerly of Littlefield, who sustained a serious back injury in an automobile accident about three weeks ago, is much improved, according to a telephone message received Monday by Mrs. Ralph Smith from Mr. Henry, who is employed at the Union Compress at Lubbock.

It was first reported by Mrs. Henry's physician that she could not live. She was taken to Dallas, where she underwent an operation, and was taken last Sunday to Rotan to the home of her parents, where she is reported recovering. She will be required to remain in bed and not even sit up, according to Mrs. Smith, for three months.

Mr. Henry also received a head and chest injury in the same accident. He has recovered and returned to his duties at the Union Compress, Lubbock, Monday.

FALL REGISTRATION TO START SEPTEMBER 16

Fall registration for the long session at the University of Texas will be Sept. 16-21, the registrar's office reports. Bulletins of courses and schedules of classes will not be available until Sept. 14.

The registration schedule, according to students' surnames, will be as follows: Sept. 16, A through L; Sept. 17, M through Z; Sept. 18, new students who have never attended the university; Sept. 19-21, late comers, new and old.

LESS FLOUR USED

AUSTIN, Aug. 14.—Texas used 2,754,000 bushels of wheat during May, 1946, for the production of flour, according to statistics released by the University of Texas Bureau of Business research at the U. S. Bureau of Census. Total number of sacks of flour produced was 1,296,000, a decrease of 24 per cent under May, 1945.

Mr. and Mrs. Frank Cummings and family, Mr. and Mrs. Buck Ross, and Mr. and Mrs. Lon Campbell spent last week at Red River, N. M.

Henry Bellinghause of Panhandle, Texas; Mr. and Mrs. Joe Albers and children of Pep, visited Mr. and Mrs. Joe Rietman Sunday. They were en route home from Lubbock, where they attended a reunion at MacKenzie Park.

Joe Dennis and Francis Brenek of Temple, Texas, visited recently with Mr. and Mrs. Rudolph Brenek and family, and Mr. and Mrs. E. L. Schlottman and family, of Pep. They were accompanied home by their sister, Miss Beattie Brenek.

Allan Shivers Is People's Favorite

Senator Allan Shivers, in thanking the voters of Texas for the heavy vote they gave him in the July primary to make him the favorite candidate for lieutenant governor, also warned citizens that attempts will be made by "scheming minority pressure groups" to defeat him in the August 24 run-off.

The Jefferson County legislator, lawyer and farmer, pointed with pride to the overwhelming support which he received in his present home county and in the county where he was reared to manhood. Shivers, a World War II combat war veteran (the only veteran in this race), polled approximately 75 per cent of the votes in Jefferson County, his present home, and was a 25 to 1 favorite over his runoff opponent in Tyler County, where he spent his youth. Senator Shivers led his runoff opponent by approximately 100,000 votes in Texas.

"I am deeply grateful for the confidence the people of Texas have shown in me and the progressive program for Texas which I advocate," Shivers said. "I shall strive even harder to work for the welfare of Texas."

"Because I represent the masses of the people, there will be those in the runoff campaign who will conspire to defeat me," Shivers predicted. "I will not be swayed by these radical, minority groups—the CIO noisemakers in particular. My opponent is welcome to the support which they are giving him. I will continue to fight for the right and welfare and progress of our people who make up the backbone of Texas." (Political Adv.)

Mrs. Chassie Duke visited in Abilene from Thursday until Sunday last.

INCREASE IN COTTON CONSUMPTION IS 3%

AUSTIN, Aug. 14.—Consumption of cotton by Texas mills totaled 16,559 bales in June, compared with 18,783 bales in May, the University of Texas Bureau of Business Research

reports. However, for the June, 1945, to June, 1946, period, there was an increase of 3 per cent in consumption.

Use of cotton linters in the state totaled 1,890 bales for June, an amount 42 per cent higher than that used in June, 1945.

Compared with figures for the country as a whole, Texas consumption of cotton declined 12 per cent from May to June, while the decline for the United States was 9 per cent. The increase for the 12-month period was approximately 3 per cent for Texas and 1 per cent for all states.

Miss Maurine Johnson and Dan Holladay Wed

Mr. and Mrs. G. C. Johnson of Lowerwater have announced the marriage of their daughter, Miss Maurine Johnson, of 1708 Fifteenth Street, Littlefield, to Dan W. Holladay, of Avenue Y, Lubbock, son of Mr. Mrs. D. W. Holladay, Littlefield, which took place Thursday, July 25, at their home at Shallowater. Rev. G. W. Bryant, Shallowater Methodist minister, read a prayer and performed the wedding ceremony. The bride and groom were dressed with flowers. Miss Molly Man of Shallowater furnished the music. The bride wore a white crepe dress with black accessories and a black corsage. She was given in marriage by her father. Mrs. Olen sister of the bride and matron of honor, wore a gray dress with black accessories and a gardenia corsage.

Bill Burnett of Lubbock was best man. At the reception which followed the ceremony, the refreshment table was laid with a lace cloth and decorated with pink tapers and a two-tiered wedding cake. The mother of the bride wore a black crepe dress, and the bridegroom's mother wore a navy blue crepe dress. Both had corsages of pink carnations. The couple will be at home in Lubbock following a wedding trip to New Mexico. The bride is a graduate of Lamesa High School, and the bridegroom graduated from the Littlefield High School. He served with the Army Air Forces during the war. Out-of-town wedding guests were Mrs. J. R. Johnson of Lamesa, grandmother of the bride; and Mr. and Mrs. Ralph Huff of Earth.

Miss Ruth Dugal and James Stokes to be Married Tonight

A wedding of considerable interest will take place this evening (Thursday) at 7:45 o'clock at the First Baptist Church, Littlefield, when Miss Ruthie Dugal, daughter of the late Mr. and Mrs. A. L. Dugal, of Baton Rouge, La., and James Stokes, son of Mr. and Mrs. J. M. Stokes, of this city, will exchange wedding vows before an altar decorated with white gladioli and Petita palms, and flanked by candelabra holding white tapers. Rev. Lee Hemphill, pastor, will read the single-ring ceremony. The bride will wear a light gray wool dress, trimmed in gold, and brown and gold accessories, and will carry a brown orchid, centered in a puff bouquet. Attending the bride will be Miss Ruth Griffin, maid of honor, who will wear a beige crepe dress with brown accessories, and Miss Ranell Chaney, bridesmaid, who will be dressed in a dusty rose crepe dress with brown accessories, and will both carry fan-shaped blue delphinium bouquets. The groom's attendant will be his father, and ushers will be the groom's brother, Malcolm Stokes, who will light the candles; and Pryor Hammons, Jr., of Littlefield, and Earl Neil and Jason Allen, both of Lubbock. The bride is a graduate of Baton Rouge High School; she attended the University of Louisiana, and received her medical technology degree from the Fort Smith, Ark., Medical Technological School. She has been employed as medical technologist at the Payne-Shotwell Hospital for the past two years. The bride is accomplished and very popular among the younger set of this city. Mr. Stokes is a member of one of the most prominent and highly regarded families of the South Plains. They are pioneers of this city, Mr. and Mrs. Stokes having owned and operated the Stokes Drug Store for the past 22 years. James has always taken an active interest in the business whenever in the city. He is a young man of sterling character, pleasing personality, and wins friends wherever he is. The groom is a graduate of Littlefield High School with the class of 1940, and attended Texas Tech College three years, majoring in government. He served three years in the Navy, with two years in the Southwest Pacific. When discharged recently he was serving as captain. He was awarded two bronze stars for outstanding service on Okinawa and Luzon. He was also awarded the American Defense, the Asiatic-Pacific and the Philippines Liberation ribbons. Mr. Stokes will return to Tech College this fall and complete his work to secure his BA degree, after which he will enroll in the State University and study pharmacy. Immediately following the ceremony a reception will be held at the home of the groom's parents, on East Eighth Street. With Mr. and Mrs. Stokes as host and hostess, other members of the house party will be: Mmes. Linda Beth Hurt, L. C. Griason, Minnie Kate Jones, W. C. Thaxton, W. G. Street, T. Wade Potter, and Oscar Wilemon. The refreshment table will be laid with lace cloth and centered with a three-tiered white wedding cake, topped by a miniature bride and groom, with candelabra holding white tapers on either side, and vases of white gladioli. Punch and cake will be served. Miss Billie Marie Hopping will preside at the piano during the reception. The happy couple will leave following the ceremony on a two weeks' trip to the mountains of New Mexico, and will visit Tres Ritos, Taos, and

other scenic points. The bride's going-away costume will be a black wool suit with black and turquoise accessories.

Demonstration Clubs Stage Picnic At Rocky Ford Friday

The demonstration clubs of Lamb County held a picnic Friday last at 6 p.m. at the Rocky Ford picnic grounds, on the farm of Mr. and Mrs. Balford Rochelle.

The older folk enjoyed visiting and meeting new friends. The young people and children played and lolled on the grass. A delicious supper was spread later. Families were present from the Lums Chapel community, Oklahoma Avenue Circle, and Rocky Ford.

This union picnic was enjoyed by everyone, and it is hoped to have one each summer in the future.

EDGAR WALTERS VISITS RELATIVES IN LITTLEFIELD

Edgar Walters, who is employed as a pilot for the TWA, and now stationed at Washington, D. C., arrived in Littlefield Tuesday of last week, and left again Tuesday of this week for Abilene to visit his parents, Mr. and Mrs. Oscar Walters.

While here he visited his brother and sister-in-law, Mr. and Mrs. Joe Walters, and another sister, Mrs. Ealen Gage of Chico, Calif., who arrived here Thursday for a few days' visits in Littlefield.

Mr. Walters made a recent trip to Paris and return by airliner.

Shower Given Monday For Friday Family

Mrs. Joe Wells, Mrs. E. Gollightly and Mrs. Phil Adkins were hostesses for a miscellaneous shower for Mr. and Mrs. Freddy Friday, Monday afternoon, at the home of Mrs. Adkins. A beautiful array of useful and lovely gifts were presented to Mr. and Mrs. Friday.

Those calling or sending gifts during the afternoon were: Mr. and Mrs. Bob Taylor, Mr. and Mrs. Keithley, Mrs. M. E. Lowe, Mr. and Mrs. Walker, Mrs. Gus Friday, Woodmen Circle, Mr. and Mrs. H. J. Arends, Mr. and Mrs. Lean Stansell, Dick Stansell, Mr. and Mrs. Bill Yearly, Mr. and Mrs. Vic Bullman, Mr. and Mrs. W. D. Chapman, Mrs. Bruce Melton, Mr. and Mrs. R. V. Armstrong, Mrs. R. A. Bergman of Lubbock, Mr. and Mrs. Bill Friday, Mr. and Mrs. Alex Kraushar, Mr. and Mrs. L. M. Goolsby, Mrs. A. J. Sisson, Mrs. Bertha Smyth, Mr. and Mrs. Ross Morgan, Mr. and Mrs. Lige Cook, and the hostesses.

Miss Bradshaw and B. W. Yeary Wed in Double Ring Ceremony

In a double-ring ceremony performed last Sunday evening at the Progress community hall, Jean Bradshaw, daughter of Mr. and Mrs. Russell Braden of the Progress community, became the bride of B. W. Yeary, son of Mr. and Mrs. E. W. Yeary of Littlefield.

The bride is a graduate of Muleshoe High School, class of 1945, and attended Draughon's Business College in Lubbock. Recently she has been employed as receptionist at the Payne-Shotwell hospital in Littlefield. The groom graduated from Littlefield High School in 1942, and joined the Air Forces, with which he served 38 months, 14 in the European Theater. He is associated with his father in the operation of the Littlefield Service Station. Out-of-town guests for the wedding were Mr. and Mrs. J. L. Yeager, Mr. and Mrs. E. W. Yeary, and Noel Turner, all of Littlefield; Mr. and Mrs. Jack Wright, of Dimmitt; and Helen Strickland, of Lubbock.

The ceremony was read by Rev. J. P. Cole before an altar banked with greenery and garden flowers. The services were lighted by white tapers. Mrs. H. L. Lowry sang "I Love You Truly" and "Always." Joyce Gwynn accompanied the soloist and played during the ceremony.

The bride, given in marriage by her step-father, wore a street length dress of white eyelet with a shoulder-length veil. She carried a bouquet of sweetpeas and a white Bible. For something old she wore an heirloom pin.

MR. AND MRS. KLINE SPEND FEW DAYS AT TAOS, N. M.

Mr. and Mrs. Harry Kline and their house guests, Mr. and Mrs. W. H. Chalmers, of Houston, spent from Thursday until Monday at Taos, N.M.

Mr. Chalmers, a brother-in-law of Mr. Kline, has recently been discharged after 43 months in the service, with 11 months spent in the Southwest Pacific. When discharged he was serving as first lieutenant. He served overseas as a liaison pilot with the field artillery.

Engagement of Miss Dugal and James Stokes Announced at Tea

BRIDE-ELECT IS HONORED AT SUPPER

Mrs. C. E. Payne and Mrs. I. T. Shotwell Sr. were hostesses at a supper given in the patio at the Dr. residence Monday evening at 8 o'clock, honoring Miss Ruthie Dugal, bride-elect of James Stokes. The supper was served buffet style about 45 guests, following which number of bridal gifts were presented to the honoree. Besides hospital employees and families, present were: the honoree, Miss Dugal; Mr. and Mrs. J. M. Stokes, and Mr. Stokes' parents, Mr. Mrs. A. P. Stokes, of Afton; Mrs. Linda Beth Hurt, Malheur, Stokes, James Stokes, Misses Ruth Griffin, Ruth Griffin and Dan Chaney; Dr. and Mrs. O. W. Dr. and Mrs. Ralph Maurer and Ralph; Mr. and Mrs. Charles Sig- and two children; Mrs. C. E. Cooper, and Mrs. W. G. Morris.

Announcing the engagement and approaching marriage of Miss Ruthie Dugal, daughter of the late Mr. and Mrs. A. L. Dugal of Baton Rouge, La., and J. M. Stokes, son of Mr. and Mrs. J. M. Stokes, of this city, Mrs. C. O. Griffin and daughter, Miss Ruth Griffin, entertained at a tea Friday evening at the Griffin home on the Pep highway. The ceremony will take place tonight (Thursday) at the First Baptist Church of this city, with Rev. Lee Hemphill, pastor, officiating. In the receiving line were Mrs. Griffin, Mrs. Stokes, and the bride-elect, Miss Dugal. Miss Helen Heathman presided at the register, where guests autographed their names with a wood-burning pen on a salad bowl. Mrs. Charles Signor directed the guests to the dining room. A basket, fashioned of lace dollies, tied with white satin ribbon, with streamers bearing the names Ruthie and James, in which cornflowers were attractively arranged over a mirror reflector centered the refreshment table. Plate favors were tiny baskets of flowers. Delicious refreshments with punch were served, Miss Ranell Chaney presiding over the crystal punch bowl. Miss Billie Marie Hopping played the piano during the tea hour. Besides members of the house party, present were: Mmes. Chaney, E. J. Newgent, C. E. Cooper, W. G. Morris, I. T. Shotwell Jr., I. T. Shotwell Sr., C. E. Payne, Virgil Zoth, Floyd Coffman, Byron Lindley, Linda Beth Hurt, Byron Lindley, Margaret Jones, Misses Margaret Coffman and Gladys Price.

The coffee table was centered with a crystal bowl of garden flowers over a mirror reflector. Following the coffee guests were seated into the apartment of Mr. Mrs. W. G. Morris, next door, where a large array of beautiful miscellaneous gifts were presented the table, including crystalware, linens, etc. Baskets and vases of beautiful gerberas and purple dahlias added the attractive entertaining rooms to the Morris home.

Present at the coffee and shower were the honoree, Miss Dugal, and Mrs. C. E. Payne, I. T. Shotwell Jr., Virgil Signor, Virgil Zoth, Linda Beth Hurt, J. M. Stokes, W. G. Morris, and Misses Margaret Coffman, Dorothy Newent, Helen Heathman, Ranell Chaney and Ruth Griffin, and Mrs. Cooper and Mrs. Morris.

The meal was served on foursome tables laid with Madeira linen. Bridal place cards were used. The guest list included the honoree, Miss Dugal, and Misses Ranell Chaney, Ruth Griffin, Helen Heathman, and Mmes. J. M. Stokes, Linda Beth Hurt, I. T. Shotwell Jr., and C. E. Payne.

MRS. CHARLES SIGNOR HONORS MISS DUGAL AT BREAKFAST

Miss Ruthie Dugal, bride-elect of James Stokes, was honoree at a breakfast given by Mrs. Charles Signor at the Signor residence on the Pep highway, Wednesday morning.

The refreshment table will be laid with lace cloth and centered with a three-tiered white wedding cake, topped by a miniature bride and groom, with candelabra holding white tapers on either side, and vases of white gladioli. Punch and cake will be served. Miss Billie Marie Hopping will preside at the piano during the reception. The happy couple will leave following the ceremony on a two weeks' trip to the mountains of New Mexico, and will visit Tres Ritos, Taos, and

C. H. Morrow and H. R. Bilderback returned Saturday morning after having spent three days at Artesia, Cloudcroft, Albuquerque, Alamogordo, Pecos, N. M., etc, looking for lumber.

HONORED AT COFFEE AND MISCELLANEOUS SUPPER TUESDAY

Mrs. C. E. Cooper was hostess Monday morning at 10 o'clock at a coffee and miscellaneous bridal shower honoring Miss Ruthie Dugal, bride-elect of James Stokes, at the apartment on East Fifth Street. The coffee table was centered with a crystal bowl of garden flowers over a mirror reflector. Following the coffee guests were seated into the apartment of Mr. Mrs. W. G. Morris, next door, where a large array of beautiful miscellaneous gifts were presented the table, including crystalware, linens, etc. Baskets and vases of beautiful gerberas and purple dahlias added the attractive entertaining rooms to the Morris home.

WOMEN'S HOME FOLLOWING REUNION

Mr. and Mrs. J. N. Bowen and Mrs. Alvis and James, returned to Littlefield Tuesday night after a vacation trip, spent in Fort Smith and points in Oklahoma. While in Oklahoma the Bowsens had a family reunion in Manhattan, and report a delightful time.

Junior Red Cross . . .

(Continued from page one)
 as in foreign areas; \$94.96 was spent for production materials, and \$61 was sent for enrollment fees. The balance will be used for purchasing materials for the coming year. It will take much more than the balance for materials, but the amounts that will be received during the November enrollment campaign will more than purchase materials. We hope to have a large amount this year to send to the national children's fund.

We are looking forward to a very successful year for the Junior Red Cross in Lamb County this coming school year in the various activities offered by the Red Cross. A varied program of activities will be offered to the schools and will be very helpful in its educational features. All teachers will want to avail themselves of these opportunities offered.

Home Orphanage Unique Institution

The Christian Home Orphanage of Council Bluffs, Iowa, is a unique institution, being more like a private home than an orphanage. It was founded sixty-three years ago by the Rev. and Mrs. J. G. Lemen.

This institution has grown from one small frame building to its now beautiful brick and stone buildings, which include a hospital, main building, school rooms, laundry, dormitories, office building and various other buildings, covering some three city blocks. Those now in charge of the work have been with it during all these years, and have virtually given their lives to the work. They take homeless children from infancy to 14 years, and if possible a family group is kept together.

In a great many cases, when the parents can, after a time provide a proper home for the children, they are returned to them. The Home will, however, keep the children until such time as the family can be maintained. Where the children are doubly orphaned, the Home cares for them until someone wishes to adopt them, or in cases where they are not adopted, they are cared for and sent to school, until they can support and care for themselves.

This is indeed a Christian home. The children are lovingly cared for and trained in the principles of Christian living. The great aim of the Christian home is to so train these homeless children, that they may in the years to come be a strong factor in the destiny of America.

Left on their own they would rapidly fall into evil ways, a menace to America and the world; but sheltered at the Christian Home, given love and Christian training, they will develop into strong Christian men and women, the hope of America.

The Christian Home is supported by the freewill offerings of charitably inclined men and women all over our land. These men and women realize that if we save the children today, we have the nation tomorrow.

For information in regard to this remarkable home, write to the Christian Home Orphanage, Council Bluffs, Iowa, and literature will be sent to you.

All contributions sent to the Home are duly acknowledged and credited in the official publication, CHRISTIAN HOME, a sample copy of which will be sent to you upon request.

FINDS NEW PENICILLIUM STRAIN—Wayne Simmonds (right), 29, war veteran and graduate assistant in the University of Wichita's department of botany and bacteriology, has discovered a new strain of penicillium (similar to penicillin) and here shows a plate with the mold to Dr. C. C. McDonald, department head. Simmonds, an arthritis case, is attending the Kansas school under provisions of Public Law 14. Professors report the mold unique in its pigmentation and unlike any similar strain yet recorded in bacteriological literature. The new strain is now undergoing varied tests.

LAMB COUNTY LEADER

AT THE LOCAL THEATRES

Symbolizing the fighting spirit of the American cotton industry in its battle for markets against artificial fibers, paper, and foreign growths, the poster reproduced above is the theme piece of the National Cotton Council's industry-wide campaign for a battle fund to meet the threat of cotton's competition. The poster will be prominently displayed in Lamb County cotton gins, warehouses, oil mills, and cotton buyers' offices during the current ginning season.

Cotton Climbs To Highest Point In Last 23 Years

Cotton reached another peak and wool strengthened during the first ten days of August, but most other Southwest farm products reacted slightly from the recent high price trends, according to USDA's Production and Marketing Administration.

Cotton climbed \$10 a bale to the highest point in 23 years. Most of the gain followed the Crop Reporting Board's low estimate of only 9,290,000 bales for the 1946 crop. Strength developed in the Southwest on indications of drouth damage and a good demand for limited offerings. First bales ginned in several North Texas counties brought record prices.

Wools from both Texas and Colorado were represented in increased Boston sales this week. Large weights of Texas wools also sold directly from the producing area. The fall mohair now being shorn is bringing Texas growers 59 cents a pound for adult hair, 69 cents for yearling, and 79 cents for kid mohair.

Livestock marketing continued liberal and prices were very irregular. Demand was the principal factor. Fort Worth and San Antonio reported steady to strong steer prices, but calves were sharply lower and some other classes were weak. Houston, with the largest cattle receipts of the season, had lower prices on nearly all classes. Oklahoma City, on the other hand, reported a strong to higher market on both cattle and lambs, though ewes declined there and in Texas. Poor quality lambs also declined at Texas markets. On hogs, there was some reaction from the recent high level, but good and choice butchers closed the week around \$23 to \$24 a hundred throughout the Southwest.

Increased movement resulted in lower prices for San Luis Valley peas and cauliflower and northern Colorado potatoes during the past week. Louisiana sweet potatoes also declined with heavy haulings in slow demand. Watermelons and cantaloupes are at the lowest point of the season.

More liberal supplies of other meats reduced demand for poultry, but offerings continued liberal as farmers continued to cull out their flocks. Markets generally developed irregularities and slight easiness but most Southwest buyers paid fairly steady prices. Eggs strengthened under good demand, shrinking receipts and moderate export shipment.

Grain eased slightly with most weakness on sorghums. Uncertainty regarding price control regulations after August 20 restricted trade in all grains. Prospects for record-breaking crops of corn and wheat also tempered the demand somewhat, though some anxiety developed over the continued drouth in Southwest areas. Early rice, about ready to harvest in the Louisiana-Texas area, is expected to meet a good demand with old stocks practically exhausted.

Oklahoma and Kansas growers sold a good volume of prairie hay to feeders throughout the Southwest seeking supplies to supplement drying pastures. Where possible, however, farmers did without mixed feeds. This intensive resistance to the recent high price level, together with uncertainty about future ceilings, resulted in some downward adjustments.

To Open Veterans' Class At Sudan

An effort is being made to organize a veterans' vocational school in Sudan.

According to Stillwell Russell, of Littlefield, the minimum number of students with which a class may be started is 15, and 20 is the maximum for any one class. Mr. Russell is making special efforts to obtain at least the minimum number in time to start a class on Sept. 1, and urges all eligible veterans interested to either contact him or Art Mueller, county service officer, at Littlefield. To be eligible, it is necessary that a veteran be farming for himself, Russell said.

The class will be taught in the agricultural room at the Sudan school at night.

A business executive says the greatest asset of the working girl is personality. Competence, willingness, and punctuality are just old-fashioned virtues.—Peoria Star.

Beverly Tyler and Tom Drake, new romantic team, are pictured in a scene from "The Green Years," filmed from the novel by A. J. Cronin. Showing at the Palace Sunday, Monday and Tuesday.

Myrna Loy shows Don Ameche how they give a haircut in the country, in "So Goes My Love," with Bobby Driscoll. Showing at the Palace tonight (Thursday) and Friday.

Jester Defines Main Issue of Present Campaign

With an expression of sincere gratitude to the more than 435,000 Texas Democrats who voted for him in the first primary, Beuford Jester this week defined the main issue of the gubernatorial campaign as a choice for Texas between Democracy and left-wing radicalism.

"The principal issue in this campaign," Jester declared, "is whether the government of Texas shall be conducted according to Texas tradition, or according to the tactics of outside forces unfamiliar with our heritage and ignorant of our beliefs and personal freedom."

"The time has come, and right now, when Texas must choose between Democracy and left-wing radicalism. During the first primary, my opponent was supported by the CIO Political Action Committee, and he still is."

WEST TEXAS OLD SETTLERS' REUNION SET FOR AUG. 15-16

Approximately 15,000 persons are expected to attend the West Texas Old Settlers' Reunion at the Hank Smith Memorial Park north of Crosbyton Thursday and Friday, Aug. 15 and 16.

The reunion was held annually before the war, but the one this year will be the first since 1941.

Will F. Ezell, president of the association, announces that plans are underway for a carnival, barbecue, dance and "plenty of entertainment for old and young" for the two-day celebration.

WILL BE JUDGE

James Box of the Sand Springs Home Farm, Sand Springs, Okla., will be judge of the Dual Purpose Milking Shorthorn Cattle division at the 29th Annual Panhandle South Plains Fair in Lubbock, October 7-12.

Box is well known as a cattle breeder throughout the Southwest. His appointment rounds out the list of fair superintendents and judges.

A. & M. College Will Reorganize Geology Department

COLLEGE STATION, Aug. 14.—A comprehensive reorganization of department of geology of Texas A&M College has been announced by Dr. T. D. Brooks, dean of the school of arts and sciences. Call of staff members to military service and small

wartime enrollment during the past three years necessitated employment of four new staff members, to be ready for the expected record-breaking enrollment at the college next September.

Heading the geology department will be S. A. Lynch, who has headed the department at North Texas Agricultural College at Arlington and who has done extensive consulting work in association with DeGolyer and MacNaughton of Dallas. As professor and head of the department, Mr. Lynch will continue his consulting and maintain his close contacts with the petroleum and other industries which depend on geologists in their operations, Dean Brooks announced.

Mr. Lynch graduated with a bachelor of science degree from the Missouri School of Mines in 1929, received his master of science degree there in 1931, and his profession engineering degree in 1935. He also did graduate work in geology at the University of Texas. He has been on the staff of North Texas Agricultural College since 1929, having previously served on the staff of the Missouri School of Mines while completing his education.

Joseph J. Graham, since 1945 a lecturer on paleontology at the University of California, joins the Texas A&M geology staff as associate professor. He is a graduate of the University of Alabama, attended Ohio State University and received his master of science degree at Northwestern University in 1939, and has done graduate work at the University of California, where since his release from military duty he has been putting the finishing touches on a Ph.D. dissertation. From 1942 to 1944, Mr. Graham was a micro-paleontologist for the Standard Oil Company of California. He will have charge of the department's courses in paleontology.

Another associate professor added to the geology staff is William C. Rasmussen, who received his training at the University of Chicago. His master of science degree was awarded in 1939 with research and thesis work in heavy mineral sedimentation. Prior to the war he served in the U.S. Geological Survey, and since his discharge has been an assistant geologist with that service in the groundwater division. His teaching assignments will be largely in petrology.

The fourth new staff member in geology is acting assistant professor Stewart Bevan, graduate of the Texas College of Mines and Metallurgy in mining engineering in 1933, and who received his master of science degree in geology at Texas A&M College in 1938. When the war came, Bevan was with the geophysical division of Standard Oil Company in the Netherlands East Indies, where he was inducted into the Corps of Engineers at Batavia, Java, in 1942. He was discharged with the rank of major in

1946, and since has worked for the Carter Oil Company.

All will report for duty at the college September 1. Professor Frederick A. Burt, who has been acting head of the department, will remain on the staff, as will A. A. L. Mathews, Dean Brooks announced.

Some of us feel that we must be good because we are poor. In this way we make poverty seem a terrible curse.

WAS "The Fountain of Youth" AN ABSURD DREAM?

Indian legends of its existence fired Ponce de Leon's imagination. But though he searched patiently, he never found the wonderful fountain. We smile at the old explorer's gullibility. . . . Yet the idea of extended youth and vigor, per se, is no longer considered fantastic or ridiculous. Modern medical science is taking amazing strides towards the postponement of old age . . . the SAME goal that Ponce de Leon, with 16th century superstition, sought so hopelessly. . . . And that's ANOTHER reason why your doctor and we eagerly anticipate science's future developments, and their benefits to you.

Information For Veterans

Q. How can a veteran get assistance with his unemployment problems?
A. The veteran may consult a veterans employment representative in a local office or in the state central office, a local service organization, a school or a community veterans center.

Q. If a veteran is unable to find work, where can he obtain specific information concerning unemployment allowances?
A. Inquire at the public employment office or the office of the unemployment compensation agency in the state or territory in which the veteran resides.
Q. Are there any penalties in case the veteran accepts readjustment allowances to which he is not entitled?
A. Any veteran who knowingly accepts an allowance to which he is not entitled shall be ineligible to receive further readjustment allowances. Al-

so, the law provides for fine and imprisonment for anyone who fraudulently obtains payment or makes a false statement in order to cause allowances to be issued under the act.
Q. Does a veteran who is partially unemployed have a right to readjustment allowances?
A. Yet, a veteran who works less than his normal number of hours and who receives less than \$23 per week should inquire at the nearest public employment office of the state unemployment compensation agency as to his eligibility for partial readjustment allowances.
Q. Can a veteran have a loan guaranteed or insured to buy or construct more than a single-family home?
A. Yes, but one veteran cannot get a guaranteed or insured loan to buy or build more than a four-family home. If more than one veteran is buying, then the basic four-family home is allowed for the group and this may be increased by one additional family unit for each veteran participating; thus two veterans can buy or build a six-family home, three veterans a seven-family home, etc.

Q. Must a veterans put any of his money into a business, a home, or a farm in order to get the guaranty?
A. No. This is not a requirement for guaranty or insurance. It is a question which is settled with the lender. The only bearing it has on the guaranty or insurance of a loan is that in the case of a firm or a business it may affect the likelihood of the veteran's success in the venture.
Q. May a loan to buy an automobile or truck be guaranteed or insured?
A. Yes; but only if the automobile or truck is necessary to the conduct of the veteran's own business or farming operations, or the condition of his employment require that he have such a vehicle for use in carrying on his work, but not merely for transportation.

court and styled J. H. Wells, Plaintiff, vs. W. H. Melius, Lena Melius, the Heirs and the Unknown Heirs of W. H. Melius, deceased, the Heirs and Unknown Heirs of Lena Melius, deceased, and the Unknown Stockholders of American Mortgage Corporation, a defunct corporation, Defendants.
A brief statement of the nature of this suit is as follows, to-wit:
J. H. Wells sues defendants in Trespass to Try Title to recover the title and possession of all Lots Numbers 4 and 5 in Block No. 7 of the R. E. Cole Addition to the City of Littlefield, Lamb County, as is more fully shown by Plaintiff's Petition on file in this suit.
The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.
Issued and given under my hand and the Seal of said Court, at office in Littlefield, Texas, this 30th day of July, A. D. 1946.
(Seal) HERBERT DUNN, Clerk, District Court, Lamb County, Texas. 19-4p

Q. May a veteran pay off a guaranteed loan before it becomes due?
A. Yes, the regulations give the veteran that right.

Q. Can a guaranty be obtained if the proceeds are to be used by a minor or a person under legal disability?
A. This can be done only if the loan and liens are valid under the state law governing the transaction. Many states have enacted statutes removing disability of veterans and for the wives of veterans who are minors to enable them to make such loans.

Q. May widows or children of deceased veterans obtain a guaranty of loan?
A. No this privilege is limited to veterans. A guaranty on a loan may continue, however, after the veteran's death.

Q. Are veterans of World War I eligible for benefits under the Act?
A. No. Its benefits are for World War II veterans only.

Q. If a loan is for farming purposes, must the veteran live on the farm?
A. No, but the act requires that he actually conduct the farming operations.

Q. Is there any limit on the size of the loan?
A. No; the limit is on the amount which may be guaranteed or insured.

Q. May funds from a guaranteed loan be used to pay operating expenses on a farm?
A. Yes.

PERSONAL CLENALINESS IS IMPORTANT IN PREVENTION OF POLIO SPREADING

"Pay careful attention to personal cleanliness such as thorough hand-washing before eating," warns the National Foundation for Infantile Paralysis in its lists of precautions against serious attacks of the disease now threatening many communities in the United States.

Scientific authorities agree on one thing about polio—the virus causing the disease is widespread during epidemics. How the virus gets into the body is a point upon which they do not entirely agree, but the bulk of the evidence thus far indicates that one frequent way the organism can enter the body is through the mouth. Dirty hands might readily carry the infecting virus into the body.

How widespread this virus may be, has been indicated by many scientists. Some of the early polio fighters knew that the virus of infantile paralysis could be found in the bowel eliminations of many patients. What they did not know was how long the virus could be excreted from the human body and whether there might be

chronic carriers of the disease similar to "Typhoid Mary" who innocently spread typhoid to hundreds of victims.

Resolved to try to answer these important questions, three scientists from Yale University, Doctors Robert Ward, Joseph L. Melnick and Dorothy M. Horstmann, began their studies. It was during the summer of 1943 and the New Haven Hospital had many cases of infantile paralysis in its wards. The three polio scientists selected sixty-one of the patients for their study. At weekly intervals stool specimens of the selected groups were collected and brought to Yale University's laboratory for preparation and inoculation into monkeys. If the monkeys developed infantile paralysis, it meant that the virus was still present in the patient's body.

Workers continued their tedious monkey studies which were made possible by the financial support of the National Foundation. Finally, when their studies were finished, the results were worth while, for they

gave added evidence as to how widespread the virus of infantile paralysis can be. The workers reported that many patients continued to excrete virus from their bodies for as long as two months. Fortunately, they added, there was no evidence of the existence of a "Polio Mary"—a persistent carrier of the disease.

Other scientists following a similar trail demonstrated that virus was excreted in the stools of persons who had merely been in contact with patients and had no symptoms themselves. They estimated that for every person actually ill with the disease there might be ten or more healthy contacts who, despite the lack of spreading infection to others.

At the Poliomyelitis Research Center established by the National Foundation for Infantile Paralysis in Johns Hopkins University, a group of investigators recently determined that the virus was frequently present also in the throat discharges of patients in the first few days of their illness. The scientists — Doctors Kenneth F. Maxey, A. Howe, Robert A. Wenner and David Bodian — rubbed cotton swabs against the walls of the throat and tonsillar areas of many pa-

tients acutely ill with polio. Next they washed the swabs in a special solution and then injected the fluid into monkeys who promptly became ill with infantile paralysis.

It can be realized from these scientific facts the many ways infantile paralysis can spread throughout a community. The virus may pass from one person to another in droplets of throat secretions loosed in the air by the coughing, sneezing and spitting of polio victims. It may lurk in the dust of the air or of a room.

Contamination of food, drink, objects and hands with the intestinal eliminations not only from those frankly sick with infantile paralysis but also from the many more persons without signs of illness may be the means of spreading infection. Realization of these possibilities means that rigid maintenance of high standards of community sanitation is a "must" for the community's safety.

Although it is agreed that it is well-nigh impossible for an individual to avoid contact entirely with the virus of infantile paralysis during epidemics, scientists emphasize that strict attention to personal health habits such as washing hands before

Lamb County Asked To Cooperate In Cotton Program

Oscar Johnston, president of the National Cotton Council, has just addressed a message to the cotton interests of Lamb County, asking full cooperation in the cotton industry's program to increase the consumption of cotton and cottonseed products.

Under the program which Mr. Johnston outlines, every cotton farmer is asked to contribute 10 cents on each bale ginned. Other cotton interests including merchants, warehousemen, spinners and cottonseed crushers are contributing proportionate sums.

The question immediately arises as to what will be done with the dimes. The work of the National Cotton Council on behalf of the cotton farmer during the past seven years provides a ready answer to that question.

Never before has cotton been so

widely advertised and publicized. Never has such intensive work been done to develop new cotton products and to improve those already in existence.

The Council is living up to its single goal of "increasing the consumption of American cotton and cottonseed products throughout the world." It is doing a commendable job of protecting cotton's markets from the challenges of its numerous competitors.

Today, when these challenges are becoming greater than ever before, it is essential that cotton be given full equality in research and sales promotion.

In this area where cotton means so much to our economic well-being, it is only logical that every farmer and other member of the industry contribute the full share which is asked. Ten cents a bale is a low price to pay, but when gathered into a central fund, those dimes will do a tremendous job for cotton.

Dimes paid today are insurance for tomorrow.

People are not interested in your troubles you wish to talk about, but they will work hard trying to learn about your troubles that you wish to hide.

eating will eliminate some of the dangers of contact and will mean added protection against serious attacks of infantile paralysis.

Texas 4-H Roundup Set For Aug. 27-30

The Texas 4-H Round-Up will be held at College Station August 27-30, Dr. Ide P. Trotter, director of Texas A. & M. College Extension Service, has announced.

Two boys and two girls, selected from each county on a basis of accomplishment in 4-H Club work, will attend a three-day program of instruction and entertainment. County agricultural agents and home demonstration agents from every county will also attend the Round-Up. J. P. Schmidt, supervisor of Farmers' Institutes and professor of rural sociology extension with the University of Ohio, will be on hand to conduct leadership training for the adults and direct panel discussions. Iris Davenport, representative from South Agricultural Magazine, will instruct the club girls.

Classes for girls will include handicraft, good grooming, and making corsages. Boys will receive instruction in beef and dairy cattle, swine, poultry, sheep and goats. Outstanding boys and girls will participate in panel discussions under the

direction of Professor Schmidt. Entertainment highlight will be a magician show and party at Sbis Hall for both adult leaders and club members.

Four club members who attended the National 4-H Club camp will give reports, and district rifle teams will compete for state honors. Girls from 77 counties will model dresses in the state dress revue, August 30.

According to Lorene H. Stevens, 4-H Club specialist with the Extension Service, 1200 boys and girls will take part in the Round-Up.

Indian Dances Are To Be Featured At Sudan Celebration

Adam Trijillo (Red Deer) will bring a group of 15 Taos Pueblo Indian dancers to Sudan for the celebration Aug. 30 and 31, marking the completion of the community's farm-to-market road and street paving program, it was revealed Wednesday.

J. H. Vincent and Drew Watkins went to Taos, New Mexico, recently and returned with a signed contract by Red Deer to bring the Indian dancers to Sudan for the event. The dancers are scheduled to arrive in Sudan Friday afternoon, Aug. 30, and will be on the streets after their arrival and all day Saturday.

The dance will be at 8 o'clock Saturday night at a site yet to be selected. A committee is now working on the selection of a site, having in mind a location where the greatest number of spectators will be permitted to view the dancers as they perform. Two different sites are now being considered by the committee.

Red Deer and his dancers are experienced showmen, having travelled all over the world and performed in two world fairs in the United States. There will be about four dancing teams in the group, one of which will be Red Deer's two young sons in a hoop dance.

All other committees are making good progress in arranging for other phases of entertainment for the celebration, Drew Watkins, who has been named president of the organization yet to be named, has revealed. Watkins is stressing the fact that the aid of any who want to help make it a success will be gladly accepted.

In addition to naming Watkins as president of the festive event, the following committees have also been chosen:

Executive: Drew Watkins, Claude Wiseman, Guthrie Allen.

Finance: Joe T. Salem, chairman; E. B. (Dutch) Crow, Claude Wiseman, Lloyd Robinson, J. R. Dean.

Baseball: Perry Moring, chairman; Coach Francis Smith, John Tucker.

Parade: Raymond Nix, chairman; Mrs. L. E. Slate, Mrs. Joe Foster. Old Fiddlers' Contest: Simon D. Hay, chairman; O. L. Shannon, O. D. Cockerham, Homer Doty.

Concession: Reew Markham, chairman; Rodney Nicols, Homer Morris, Ves Patterson, Marvin Greathouse. Music: Mrs. J. R. Dean, chairman; Perry Moring, Joe Foster, Oscar Vinson, J. R. Bills.

Indian: J. H. Vincent, chairman; Guthrie Allen, Mrs. Grace Benton.

Advertising: H. G. Hull, chairman; A. L. (Snokie) Wright, Clayton Lawrence, Guthrie Allen, C. Harvey, G. W. Chesher Olan Roark.

Art: Mrs. Joe Foster, chairman; Mrs. Milton Wiseman.

FUNERAL SERVICES HELD FOR MOTHER OF ANTON MAN

Funeral services were conducted Thursday afternoon, August 8, in the First Baptist Church of Canadian, Texas, for Mrs. Benna May Wright, 74-year-old widow of John E. Wright, who preceded her in death in 1944.

Mrs. Wright was the mother of Earl Wright of Anton.

She passed away Monday morning, August 5, after a series of heart attacks.

She was a native Texan, born at Pennington, Houston County. Mr. Wright came from Alabama. They were married in Texas and lived in Texas all their lives.

To this union were born 13 children, all of whom are living.

REVIVAL MEETING TO OPEN AT ANTON CHURCH OF CHRIST

The annual summer revival meeting of the Laurence Street Church of Christ, Anton, will begin on August 15 and run throughout the 25th. Evangelist Max T. Neil of Itasca will do the preaching.

IS APPOINTED FIELD MANAGER

J. R. (DICK) SIMS

J. R. (Dick) Sims, Dallas, state manager of the Woodmen of the World Life Insurance Society for Texas since 1938, has been appointed field manager, and will go to Omaha soon to direct the work of the society's field force, President Farrar Newberry has announced.

Appointment of Max B. Hurt, Murray, Ky., to be national treasurer also was announced by President Newberry.

Mr. Sims joined the society's field force in Texas in 1928. His work soon won him promotion to district manager at Houston. He later served as state manager of Illinois until 1938, when he returned to Texas as state manager.

Under his direction, the society's field force in Texas has won many honors. Only recently, Texas led all other states in a 60-day juvenile membership campaign by securing 823 members and writing more than \$750,000 of juvenile insurance protection.

Max B. Hurt, the new national treasurer, has been a national auditor

FLUSH KIDNEY URINE

Benefit wonderfully from famous doctor's discovery that relieves backache, run-down feeling due to excess acidity in the urine

People everywhere are finding amazing relief from painful symptoms of bladder irritation caused by excess acidity in the urine. DR. KILMER'S SWAMP ROOT acts fast on the kidneys to ease discomfort by promoting the flow of urine. This pure herbal medicine is especially welcome where bladder irritation due to excess acidity is responsible for "getting up at night." A carefully blended combination of 16 herbs, roots, vegetables, balsam; Dr. Kilmer's contains nothing harsh, is absolutely non-habit forming. Just good ingredients that many say have a marvelous effect. All druggists sell Swamp Root.

HOUSE JOINT RESOLUTION
 Proposing an amendment to Article III of the Constitution of the State of Texas by the addition of a new Section to be known as Section 49-b, creating a Veteran's Land Board and establishing a Veteran's Land Fund; providing for a selection and the issuance of proclamation therefor.
BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
 Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as Section

49-b which shall read as follows:
 "Section 49-b. There is hereby created a Board to be known as the Veteran's Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Legislature shall provide by law for the issuance by said Board of not to exceed Twenty-five Million Dollars (\$25,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veteran's Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas in such form, denominations, and upon such terms as shall be prescribed by

law, provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum.
 "In the sale of any such bonds a preferential right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Funds, and the Permanent Free School Funds; such bonds to be issued only as needed, in the opinion of the Veteran's Land Board under legislative authorization.
 "The Veteran's Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.
 "All lands thus purchased shall be acquired at the lowest price obtainable, be paid for in cash, and shall be a part of the Veteran's Land Fund.
 "The lands of the Veteran's Land Fund shall be sold by the State of Texas to Veterans of the present war or wars, commonly known as World War II, in such quantities, and on such terms, and at such prices and such rates of interest, and under such rules and regulations as may be prescribed by law; provided, however, that any such lands remaining unsold at the expiration of eight (8) years after the effective date of this Amendment may be sold to anyone as shall be prescribed by law.
 "All moneys received and which have been received and which have not been used for repurchase of land as provided herein by the Vet-

WHAT'S YOUR NAME . . . Calmly munching on a sandwich in a Philadelphia police station, where he is comfortably ensconced, this five-year-old lad answered all questions by asking others. He wanted to know all, but told nothing. At latest report the police still were trying to determine his name.

eran's Land Board from the sale of lands and for interest on deferred payments shall be credited to the Veteran's Land Fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, in like manner as shall be provided for the sale of lands purchased with the proceeds from the sales of bonds, provided for herein, for a period of eight (8) years from the effective date of this amendment; provided, however, that so much of such moneys as may be necessary to pay interest on the bonds herein provided for shall be set aside for that purpose. After eight (8) years from the effective date of this Amendment, all moneys received by the Veteran's Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be set aside for the retirement of said bonds and to pay interest thereon, any one of such moneys not so needed shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the first Thursday in November, 1946, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

Those opposing said proposed Amendment shall write or have printed on their ballots the following words:

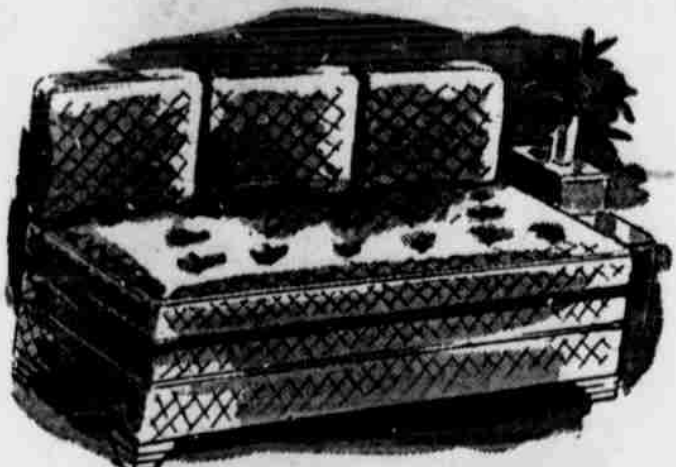

"AGAINST the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b, creating a Veteran's Land Fund for the Purchase of lands in Texas to be sold to Texas Veterans of World War II."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date of the determination of such result and the Governor's proclamation thereof.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this State.

Sec. 4. The sum of Ten Thousand Dollars (\$10,000) or so much thereof as may be necessary, is hereby appropriated out of any fund in the Treasury of the State not otherwise appropriated to pay the expense of such publication and election.

CAN HE SWIM . . . Can a pig swim? Some authorities say they are excellent swimmers, some say no. It is maintained by some that the natural fat keeps them afloat, others insist they would sink from their own weight. Pictured here and hearty is Pig 311, who was said to have been found swimming after the Jap cruiser Sakawa went down following first Bikini atom bomb test.

Olton Schools To Open Monday, Sept. 9

Olton schools will open this year on Monday, September 9. Registration for high school students will be in the latter part of August, the exact dates to be announced later.

Three teachers are needed at the present to fill vacancies. Teachers are needed for mathematics and commercial work in high school and for seventh grade work in the elementary school.

The grade school faculty is composed of the following: Mrs. Ollie Hooper, Mrs. Velma Hobbs, Mrs. Juanita Adams, Mrs. Ethel Gordon, Miss Elma Smith, Mrs. Ruth Franks, Mrs. Bettie Daniels, Mrs. Vivian Williams, Mrs. Lea Belle Hooper, Mrs. Lucy Simmons, Mrs. Jewell Holt, Mrs. Bessie Davidson, Mrs. Hannah Bailey, Miss Mittie Hill, and the principal, Mr. Fred Gordon.

The high school faculty is made up of Miss Mary Beier, Mrs. Muriel Surratt, Mr. William Hall, Mrs. Joye Hall, Miss Vera Mosteller, Miss Jo-Hal Wafford, and the principal, Mr. G. H. Peters. An additional teacher for the band will be hired if one can be found.

Melvin Mitchell has been employed as bus mechanic and began work on July 15. The bus drivers have not yet been employed, but will be in the near future.

Mr. Mitchell and Mr. Ivans will be custodians at the high school and the grade school, respectively.

Mrs. Margie Slatten will again be in charge of the lunchroom. The lunchroom has been redecorated, the tables and chairs painted, and a new 50-gallon electric hot water heater added.

Proclaim Clean-Up Week In Sudan

Monday, Aug. 12, and continuing through the week until Saturday night, Aug. 17, has been proclaimed Clean-Up Week in Sudan by Mayor J. H. Vincent.

In proclaiming the clean-up week, Mayor Vincent stressed the urgent need of cleaning up the city for sanitary reasons and to add to its beautification for civic advancement, pointing out that best results could be obtained by "the unified efforts of all our people center on a particular time."

Spade Schools To Open Monday, Aug. 19

As announced by Supt. E. W. Jackson, Spade schools will open for the fall term on Monday, August 19.

The reason given for opening early is that the pupils will be let out for cotton picking later, and it is for the purpose of allowing for this that the schools are opening earlier.

THANK YOU for waiting for delivery of your NEW CHEVROLET

We are doing our best to see that you
get your new car as quickly as possible

Remember—Our CAR-SERVICE is your best CAR-SAVER. Keep your present car "alive" until you get delivery of your new Chevrolet by bringing it to us for skilled services now and at regular intervals.

We want to thank our customers and prospective customers for your friendly patience while awaiting your new Chevrolets.

We know it is a hardship to wait for needed transportation; but we believe you will understand that we, and Chevrolet, are as eager to deliver cars as you are to obtain them. Unfortunately, production so far this year is far under expectations. Chevrolet Motor Division sums up the situation thus:

"Even though our rate of production normally exceeds that of any other manufacturer, we have been able to build, up to July 1, only 12.4 per cent as many cars as we had built up to that date in 1941. Production is still far below normal, because of frequent shortages of essential materials and parts. Strike after strike at the plants of our suppliers has seriously impeded our progress toward full production, and the cumulative effect severely hampers every manufacturing and assembly plant. In June we were able to build only 29.2 per cent as many cars as we produced in the same month in 1941."

While production is restricted, so—in proportion—are shipments of cars to us. As production increases, we are assured of getting our proportionate share of the total—and as quickly as cars are received, we will speed deliveries to our customers.

Hewitt Chevrolet Co.

LITTLEFIELD, TEXAS

Burrus Milling Co. Now Erecting New Million Dollar Plant

FORT WORTH, Aug 14.—A new \$1,000,000 ten-story, fireproof Burrus feed mill is now under construction here adjacent to the Burrus Bill & Elevator Co., Jack P. Burrus, president of the Tex-O-Kan Flour Mills Co., Dallas, the parent organization, announced recently. According to leading engineers, the new mill will be the world's most efficient and

modern plant when completed. It will have a total capacity of 840 tons in eight hours. Construction is expected to be completed within five months.

The new building will be 50x168 feet, ten stories high, with a basement and an over-all height of 189 feet above the ground, Wiley Akins, manager, said. Adjoining the mill will be a new four-story warehouse, 40x115 feet. On the opposite end will be a new 1,000,000 bushel grain storage elevator, head house, and an automatic car unloader with a capacity of unloading 200 cars per day.

One of the Southwest's largest livestock and poultry feed concerns, the Burrus Feed Mills will move their general offices here from Dallas when the new mill is completed. A plant and sales office will be maintained in Dallas. Other plants are located at San Benito and McKinney.

The company serves a sales territory including all the greater Southwest and an export market including Puerto Rico, Cuba, Guatemala, Mexico and Panama. During the war feed was also shipped to France and Belgium.

"The new plant will require additional skilled labor," Akins said. "Not only will the equipment be of the latest design, in which air conveyors and belt conveyors will move materials from the flour mill to the feed mill and from here to the company's

200x800 foot main warehouse, but they will convey the finished products to freight cars and motor trucks for shipping.

"There will be trackage for 32 cars in the warehouse, for 20 cars of soft materials at the mill and a loading dock for eight motor trucks. The mixing and grinding bins will have a capacity of 296,250 bushels. Magnetic selectors will be used to remove stray metals and foreign materials that may have gotten into the grain.

"The savings in the cost of operation will be considerable and the large warehouse and storage capacity will make it possible to accumulate materials at the peak of the season for later use.

"In addition to complete equipment for grinding and mixing, there will be a greatly enlarged pellet department with six large California type machines, each with a capacity of 5,000 to 8,000 pounds of pellets an hour together with sifters and coolers. Scientific, accurate weighing of ingredients will be done by equipment installed to insure perfect mixing of formulas. 'Electric eyes' will be installed throughout mixing equipment to insure continuous operation," Akins stated.

The company also plans to establish and operate an experimental farm on Burrus property near the new mill to carry on experiments on scientific feeding of livestock and poultry.

The present construction marks the most recent step in a steady expansion of the Burrus milling concerns, the origin of which dates back to 1876 when the late W. C. Burrus, grandfather of the present head of

the company, purchased a small stone burr mill in Collin County.

In 1890 Burrus and his son, the late J. Perry Burrus, purchased a roller mill at McKinney, and what followed was one of the largest programs of expansion in the history of the milling industry in the Southwest. Jack P. Burrus, present president, has not only continued but accelerated the expansion started by his father and grandfather.

Cooked a Fine Dinner; Then Threw It To Dog

One lady recently stated that she used to throw her own dinner to the dog most of the time. It made her sick just to look at anything to eat. She was swollen with gas, full of bloat, had headaches, felt worn out and was badly constipated. Finally she got INNER-AID and says she now eats everything in sight and digests it perfectly. Bowels are regular and normal. She is enjoying life once more and feels like "some other woman" since taking this New Compound.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Lamb County.

Should Have Children Vaccinated Early Against Smallpox

"From a health standpoint children are not ready to enter school until they have been successfully vaccinated against smallpox," Dr. George W. Cox, state health officer, has reminded parents who expect to enroll their youngsters in September.

"Many school districts make vaccination an entrance requirement, and children who have never been vaccinated, and also those vaccinated in babyhood, should be taken to the physician for vaccination now, so that the scar will be well healed before school opens."

Immunization against diphtheria is also strongly recommended for further protection. Parents are urged to have their children protected from diphtheria by immunization with toxoid. Children who had this protection in infancy should receive a booster dose before entering school in order to maintain immunity at a high level.

In addition to this protection against specific communicable diseases each child getting ready to enter school should also receive a complete physical examination by his private physician or at the nearest clinic. Any treatment or correction of defects advised by the doctor should be undertaken immediately in order that the child may enter school in the best possible physical condition.

FLUSH KIDNEY URINE

Benefit wonderfully from famous doctor's discovery that relieves backache, run-down feeling due to excess acidity in the urine

People everywhere are finding amazing relief from painful symptoms of bladder irritation caused by excess acidity in the urine. DR. KILMER'S SWAMP ROOT acts fast on the kidneys to ease discomfort by promoting the flow of urine. This pure herbal medicine is especially welcome where bladder irritation due to excess acidity is responsible for "getting up at night." A carefully blended combination of 16 herbs, roots, vegetables, balsams, Dr. Kilmer's contains nothing harsh, is absolutely non-habit forming. Just good ingredients that many say have a marvelous effect. All druggists sell Swamp Root.

DO YOU PAY YOUR BETS?

A man usually pays the bets he loses. One bet, however, is unpaid by many . . . the gamble on the uncertainties of their own financial security in old age, or that of their families should death deprive them of their support.

Are you making that sort of bet? If you become disabled or die, will you or your family have enough life insurance protection to remain independent and not suffer from privation?

A Woodmen life insurance certificate guarantees protection against these uncertainties of life. And while you build this security for yourself and your family, you also can enjoy the "plus" benefits of Woodcraft's fraternal and social activities.

See the local Woodmen representative. Let him tell you about safe, sound Woodmen insurance protection and the many "protection plus" benefits Woodmen members enjoy.

Veterans' Housing Units To Be Erected On Aggie Polo Field

COLLEGE STATION, Aug. 14.—Contract for erection of the veterans' housing units on the old polo field at Texas A&M College has been awarded to Henry C. Beck Company of

Dallas by the Federal Public Housing Authority, and first locations will be staked next week, it has been announced by Charles Leighton, construction program engineer.

The college has advertised for bids on approximately \$65,000 in utility facilities, and grading and graveling of streets will begin this week, it was announced.

The new veteran housing units will

be two-story buildings with four apartments on each level. The apartments will be 20x30 feet each and will contain two bedrooms, living room, kitchen and bath.

Classed as semi-permanent construction, the buildings now at Foster Field, Victoria, will be dismantled in sections and will be trucked to the campus and erected. They are of frame construction and have as-

bestos shingle siding, gable roofs and sheetrock interiors.

It is contemplated that the new housing units will be completed for occupancy by January 1. There will be approximately 450 units in the entire development.

Veteran Advisor At A. & M. Appointed Assistant Dean of Men

COLLEGE STATION, Aug. 14.—Bennie Zinn, veterans' adviser at the Texas A&M College, has been appointed assistant dean of men, filling the vacancy created when Major Durwood (Woody) Varner was recalled to active duty in the Army, according to a recent announcement by A&M President Gibb Gilchrist.

Zinn, who has just been appointed commander of the 1st Battalion, 143rd Infantry, 36th Division Texas National Guard, with the rank of lieutenant colonel, is a 1926 graduate of Texas A&M, and received an M.S. degree in 1928. After leaving A&M, he taught at Temple High School, and was later principal of public schools at Hearne. He was called to active duty with the National Guard in 1940, serving first with the 6th Division and later with the 83rd Airborne Division.

He will assume his new office September 1, and will continue to be veterans' adviser in addition to his duties as assistant dean of men.

H.J.R. No. 49 HOUSE JOINT RESOLUTION

proposing an amendment to Article VIII of the Constitution of the State of Texas by adding thereto a new section to be known as "Section 7-a"; providing that subject to legislative appropriation, allocation and direction all net revenues derived from the taxes, except gross production and ad valorem taxes,

levied on motor fuels and lubricants and motor vehicles registration fees shall be used for the sole purpose of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect on January 1, 1945; negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose; providing for the submission of this amendment to the voters of this State; prescribing the form of ballot; and providing for the proclamation of the election and the publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article VIII of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as 7-a and to read as follows:

"Section 7-a. Subject to legislative appropriation, allocation and direction, all net revenues remaining after payment of all refunds allowed by law and expenses of collection derived from motor vehicle registration fees, and all taxes, except gross production and ad valorem taxes, on motor fuels and lubricants used to propel motor vehicles over public roadways, shall be used for the sole purpose of acquiring rights-of-way, constructing, maintaining and policing such public roadways, and for the administration of such laws as may be prescribed by the Legislature pertain-

ing to the supervision of traffic and safety on such roads; and for the payment of the principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible prior to January 2, 1945, for payment out of the County and Road District Highway Fund under existing law; provided, however, that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; and, provided, however, that the net revenue derived by counties from motor vehicle registration fees shall never be less than the maximum amounts allowed to be retained by each County and the percentage allowed to be retained by each County under the laws in effect on January 1, 1945. Nothing contained herein shall be construed as authorizing the pledging of the State's credit for any purpose."

Sec. 2. The foregoing Amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at the General Election to be held in November, 1946, at which election each ballot shall have printed thereon the following words:

"FOR the Amendment to the Constitution of the State providing that subject to legislative appropriation, allocation and direction all net revenues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from motor registration fees than the maximum amounts and percentages the motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from of such fees allowed to be retained by each county under the laws in effect January 1, 1945; and negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose."

"AGAINST the Amendment to the Constitution of the State of Texas providing that subject to legislative appropriation, allocation and direction of all net revenues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect on January 1, 1945; and negating and interpretation of this amendment as authorizing the pledging of the State's credit for any purpose."

"Each voter shall strike out with pen or pencil the clause which he desires to vote against so as to indicate whether he is voting FOR or AGAINST said proposed amendment."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said as required by the Constitution for Amendments thereto. 19-4tc

1,080,000 POUNDS OF BLACKEYED PEAS ARE NEEDED FROM WEST TEXAS EACH DAY BY GILBERT C. WILSON, Laboratories AT Pittsburg, Texas

We will need 1,800,000 pounds of blackeyed peas per day. Our plant will have a maximum daily production capacity in excess of 30,000 cases per day.

MR. R. W. BADGER, Box 1146, Phone 78, Littlefield, Texas, will handle buying for us in the Levelland and Littlefield territories, setting up receiving points at convenient loading places throughout the territory, to be designated later. He will take care of receiving and will pay for the peas at the time they are received.

We will pay market price for the peas, which should be in the vicinity of \$65.00 per ton. The demand for canned blackeyes appears to be far in excess of what canners can supply this year. We will also buy dried blackeyed peas this year.

FIRST AUSTRALIAN AMBASSADOR . . . First United States ambassador to Australia, Robert Butler, is shown as he took oath of office. Former representatives all held the rank of ministers to Australia.

Four New Citizens Arrive At South Plains Hospital

To all defeated candidates of the past election—"a word to the wise": Four new citizens capable of voting in 1967 have just arrived at the South Plains Cooperative Hospital.

The candidates might get an early start by presenting their platforms to little Pamela Huckaby, daughter of Mr. and Mrs. A. S. Huckaby, of Littlefield. Pamela was born on July 31, at 11:25 p.m., and weighed seven pounds, eight ounces.

Another possible vote can come from baby Elizabeth Anne Riggs, born August 2 at 4 p.m. Elizabeth Anne weighed six pounds, 13 ounces, and is the daughter of Mrs. J. N. Riggs, of Pampa.

Little Corly Glenn Clark, the only boy of the four, will probably prove to be a staunch supporter. He was born August 2, at 11:03 a.m., to Mr. and Mrs. James Clark of Littlefield. He weighed seven pounds and three and one-half ounces.

Also on the voting list will be little Baby Girl Damron, born August 2, to Mr. and Mrs. C. R. Damron, of Hereford. She weighed eight pounds and 9 ounces, and was born at 9:30 p.m.

NEW ARIZONA GHOST TOWN . . . Photo shows town of Jerome, Ariz., founded on the sloping sides of the mountain from which rich ore was taken over a period of more than 60 years of mining, leaving the town dry from ore. The site produced more than \$600,000,000 in copper, silver and gold and will be abandoned next year. Businessmen plan to develop the area as a tourist center with dude ranches, resorts and private schools, so it will not be a ghost city.

1945 Cotton Crop To Be Pooled For Producers' Account

All 1945-crop, cotton including American-Egyptian, still under loan on October 1, 1946, will be pooled for producers' account by the Commodity Credit Corporation, it has been announced by the Department of Agriculture. The loans matured July 31, 1946, and after that date are carried in a past-due status with producers having the right of repayment at any time prior to Oct. 1. Loans are now outstanding on about 60,000 bales of 1945-crop cotton from the 215,000 bales placed under loans.

Farmers should be able to dispose of this cotton at prices that will net them substantial profits above the loan and charges against the cotton based on the current market. Producers are urged to give serious consideration to marketing the loan cotton before it is placed in pools. They may either sell their "equities" or redeem the cotton and sell it on the open market.

No payment will be made to producers at the time their cotton is placed in pools, and after October 1, 1946, producers will not be entitled to order the sale of the particular cotton which was placed in the pools. 1945-crop cotton not redeemed prior

SCS Office Is Established

John Perrin, district conservationist for the Soil Conservation Service, has established his office here in the First National Bank building, from which he will serve Bailey, Cochran, Quakum, Terry and Lamb counties. Perrin is a 1935 graduate of Texas Technological College.

SUSTAINS BROKEN BACK

Mrs. W. A. Clemmons of Glendale, Calif., formerly of Susan, suffered a broken back in an automobile accident about three weeks ago, while on a visit with her daughter, Mrs. Ralsh Davis, of Nampa Idaho. She is in a Glendale hospital where it is reported she will have to remain in a cast for about two months.

to the October date will be sold by the CCC. On final liquidation of all cotton in the pools, the net proceeds, if any, after deduction of accrued costs, will be distributed to producers in proportion to their interest in the pool.

Richard New Post Elects Officers

Hugo Beyer has been elected commander of the Richard New Post 301 of the American Legion here to succeed T. Wade Potter. Other officers named were W. E. Lavender, adjutant; Otto Jones, chaplain; Fred Wright, finance officer; Art Mueller, service officer; M. W. Phillips, mess officer; Hugh Rice, sergeant-at-arms; and John H. Nail, first vice commander.

Installation of the new officers will be Monday, Aug. 19.

A British censor has prohibited newspapers in Jerusalem from publishing a section of the Declaration of Independence. The censor must have remembered how much grief this same document caused his ancestors back in 1776.—Kansas City Star.

Deadline For Taking Out Wheat Insurance Set At August 31

Producers are again reminded that August 31st is the closing date for taking out wheat insurance covering the 1947-'48 crops. Anyone who signed an insurance contract covering the 1946-'47-'48 crops will not be required to sign a new contract this year.

According to regulations of the Crop Insurance Corporation, a producer who desires to cancel his insurance for the last year of a three-year contract may do so, provided he requests that the contract be canceled before the closing date for accepting application the second year. As an example, anyone who signed a contract covering the 1946-'47-'48 crops can cancel the contract for 1948 by calling at the AAA Office on or before August 31, 1946, and requesting the cancellation. Otherwise, the contract will be in effect the full three years.

EXERCISE NO METHOD FOR TREATING COLDS, PROFESSOR ADVISES

BERKELEY, Calif., Aug. 14.—Although it's mid-summer, a University of California professor has some advice to give on the treatment of the common cold.

Dr. Franklin Henry, assistant professor of physical education, declared that recent experiments on 21 students suffering from active stages of the common cold, showed "sweating it out" by strenuous exercise is no way to treat a cold.

He discovered breathing was significantly poorer in persons suffering from colds, due to a greater accumulation of carbon dioxide in the blood stream. This, Henry said, was due to the individual's reduction of alkaline reserve and exercise under cold conditions produced temporary hyperacidity.

Actually, concluded Henry, a person with a cold puts forth more effort to exercise than someone without a cold.

Average Family Has \$1,750 Salted Away

WASHINGTON, Aug. 14.—The Federal Reserve Board has reported that the average American family now has \$1,750 in savings on hand, but that the majority of families will try to hang on to their money at least for the remainder of the year.

The board said a survey showed that personal savings increased from \$90,000,000,000 from December 31, 1939, until the end of last year.

The average family now has \$640 in war savings bonds, \$550 in savings accounts, \$350 in checking accounts, and \$210 in other government bonds.

T-B TOLL IS HIGH IN LATIN-AMERICA

MEXICO CITY, Aug. 14.—Tuberculosis kills from 250 to 600 persons per 10,000 deaths in Latin America, said Brazilian Dr. Reginaldo Fernandez, director of Rio de Janeiro's "Miguel Preyra" hospital here.

Pointing out that the disease is one of Latin America's gravest medical problems, Dr. Fernandez compared his figures with the U. S. tuberculosis death rate of 40 to 45 persons per 10,000.

The Brazilian doctor was in Mexico for the second National Tuberculosis and Stillness Congress.

Equal rights are good for other people, but for ourselves we would like a few special privileges

Houses in Hedgley Dean, Buckinghamshire, England, only 25 miles from London, still are lit by oil.

Riddles were known to the ancient Egyptians.

That's your Electric Rate Reduction (top residential rate) Since we came to LITTLEFIELD in 1942

What other household necessity has come down in price like that during these war and postwar years?

Your electric bill is actually less for the same amount of service than it was four years ago. The chances are that you are taking advantage of these reduced rates to use more electricity for better living, so you are paying about the same size bill. Either way, you win.

No one can complain about a price change like that. Yet with that reduction in cost to you has come better, more efficient service.

Providing such service at steadily decreasing cost is a job requiring the efficient application of long years of experience in the electrical business.
