# BEER ELECTION CALLED

## TEXAS RELIEF BOND ISSUE WILL BE TOPIC OF TALKS

### MEETINGS TO BE CONDUCTED AT SEVERAL PLACES

Duggan and Boessen Will Speak Here Saturday Afternoon

Senator Arthur P. Duggan of Littlefield, P. E. Boessen of Sudan, and others, will speak on Phelps avenue Saturday afternoon in the interest of the \$20,000,000 Texas Relief Bond issue. The speaking will start at 2 p. m.

Following the Littlefield meeting the speakers will address a gathering at four o'clock Saturday afternoon on Main Street, Amherst.

A meeting will also be held Tuesday night, August 22, at 8 o'clock at Olton at the school auditorium, and Wednesday night, August 23, at the same hour at the school building, Sudan. Senator Duggan and Mr. Boessen will also speak at these meetings.

Mr. Boessen is chairman of the County Board of Welfare & Employment Committee.

The \$20,000,000 Bond issue is one of the most important matters, on which the voters will make their decision at the August 26 election.

The speakers, who have announced for the series of meetings, which will be held in Lamb county, have made a special study of the proposed Relief Bond issue, and the variety of reasons which led to the presenting of the matters to the voters.

All voters by attending one or more of these meetings will attain valuable information, which will guide them in the casting of their ballots.

Rev. Joe F. Grizzle.

Well the Baptists said it couldn't be done, but the Methodists just walked out and showed 'em it could when they rolled up a score of thirteen against the Baptist twelve Tuesday evening of last week out on the soft ball diamond. A. G. Hemphill proved to be the star for the Methodists, making three of the thirteen scores. Judge E. S. Rowe leading for the Baptists. No! It is not all over, but we do not have the bookings as per the managers of these two teams.

### Grafters and Schemers

The annual march of grafters and schemers on Littlefield is expected anytime. In fact, probably the advance guard has already been in our midst. Grafters and schemers have the habit of making themselves conspicuous and a nuisance in cities in which they believe they might be able to do business.

When the wheat season is on, you will find them in the wheat areas; in the cotton season they are in the cotton sections. When a new oil well blows the top off the derrick, brother, here they come.

In other words, where there is any indication of a little more money than usual around, there thou wilt find the gentry of smooth promises, elastic agreements, devoutly expounding in zealous zeal their profound interest in coming all the way to Littlefield, or maybe it is Amherst, or maybe it is Sudan—any place they happen to be in—just to be of service to the citizenry of that place, who, according to their conversation surely must have had a hard time getting along in the world until their arrival.

One of the chief methods used by grafters and schemers is the offering of some advertising program to merchants. They picture the great returns from the advertising scheme which they have to offer, but investigation will most generally reveal that the great returns go into their pockets.

Littlefield has been very active in checking up on advertising schemes and too much praise cannot be given T. S. Sales, J. O. Garlington and C. O. Stone for the excellent service they have rendered to the merchants of this city as members of the advertising committee of the Chamber of Commerce, in keeping out undesirable advertising schemes.

Schemers do not, however, always confine their activities to the merchants. They frequently canvass the residential sections of the city. We know of one case in which a housewife was sold gasoline and sand as a "very excellent furniture polish."

## Mass Meeting to Discuss Utility Rates is Suggested

### UNEMPLOYED TO BE ASSISTED IN OBTAINING WORK

#### Part of NRA Program In Littlefield, Dr. Woods Says

A meeting was called at the City Hall Friday evening by Rev. J. F. Grizzle, Colonel No. 1 in charge of manpower organization in connection with the National Recovery program, for the purpose of organizing in an effort to more efficiently carry on the work expected of this department.

A large number were present, including five majors, J. H. Ware, Joe Wells, A. R. Hendricks, W. J. Chesher and B. L. Cogdill, each of whom had previously appointed five captains to work under them. Each of these five captains will also have five men working under their instructions. The duty of this department will be to keep in contact with all signors of the NRA agreement, and the public generally, and encourage complete cooperation of the entire city in carrying out President Roosevelt's agreement under the National Recovery Act.

R. T. Badger has been appointed Colonel No. 2 in charge of publicity, while Mayor L. R. Crockett is Colonel No. 3 in charge of Educational and Speakers Bureau.

According to Dr. Ira E. Woods, Chairman of the Campaign Committee and General at the head of the President's Emergency Re-employment Drive, following the work of the Publicity and Educational and Speakers campaign, and when the public is fully instructed as to what they are expected to do under the drive, a complete checkup will be made about September 1 by Colonel No. 1 and the large staff working under his instructions in an effort to rout the forces

Many citizens of Littlefield are of the opinion that this city and other towns in this section should enjoy more favorable gas and electric and power rates; and feel that some action should be taken to bring pressure to bear on the utility concerns.

This matter has been discussed on previous occasions, but the demand for reductions appears to be rather more insistent at this time than on some other occasions.

The leader in response to the wishes of a number of citizens interviewed Mayor L. R. Crockett and City Commissioner Carl Arnold. (Mr. Boone was absent from the city at the time.) Mayor Crockett said that the City Commission had done all in its power to bring about rate reductions, and he believed if the citizens of Littlefield desired reductions that they should express themselves to the

### Enochs Wins Over Morton in Ball Game Here Sunday

Manager G. P. Howell's Enochs baseball team converted 36 hits into 36 runs here Sunday to rout the Morton team in a South Plains league game and establish a new scoring record. The winners were aided by half a dozen misplays on the part of the Morton defense.

Nine triples and two home runs contributed to the hefty hitting and scoring. Walker and Kaufman pounded out four-baggers with mates abroad, and most of the triples found the hassocks occupied. Rose hit a home run for Morton.

Inning Record Set  
A scoring record for one inning also was set when the Enochs team registered 18 tallies in the second frame. The other 18 were scattered through the last five innings. For two frames the winners were held scoreless.

Newly Moore allowed the Morton team nine hits, and scores in the fourth and seventh innings. A rally in the fourth netted seven runs for Morton, who used three pitchers and two catchers in an effort to stem the base running tide.

Enochs in Lead  
It was Enoch's sixth victory of the second half, and left the team far in the lead for the northern division title, with six victories against one loss. Morton held second place with three victories and four defeats.

Score by innings:  
Morton... 0 0 0 7 0 2 0 0—9 9 6  
Enochs... 0 18 0 1 5 5 2 5 x—36 36 3

### Parts of South Plains Visited By Rain Tuesday

Accompanied by heavy rain and a brilliant lightning display, rain fell in some parts of the South Plains Tuesday night beginning about 11:30.

Although only a light shower fell in Littlefield, rain ranging from one-half to an inch fell from Anton to Yellow House Switch; from Whitarral to Anton and Levelland, with good rains reported at Spade, Hart's Camp and Fieldton. A light rain is said to have fallen in Pep and vicinity. Rain also fell from Foydada to Plainview.

### Deductions Not To Be Made From Cotton Checks

Under a policy made public Wednesday by Henry Morgenthau, Jr., governor of the farm credit administration, after approval by President Roosevelt, payments will be made cotton farmers, who agreed to plow up from 25 to 50 percent of their growing crops, without requiring deductions of amounts they owe the government for seed and crop production loans.

Owen B. Sherrill of Dallas, regional manager of the government's crop production loan department, in discussing the matter said: "Instead of subtracting the amounts in Washington due the government, the checks were being mailed to farmers and it was expected the farmer would clear his government obligations as rapidly as possible."

### ROWE ATTORNEY IN GIVING LOANS TO HOME OWNERS

E. S. Rowe, Littlefield lawyer, and E. F. Huntsucker, Amherst newspaper publisher, have been named attorney and appraiser, respectively, for Lamb county by the Home Owners Loan Corporation. Other South Plains appointments are: Bailey, Cecil H. Tate, Muleshoe; M. G. Miller, Muleshoe; Castro, Carm Cowsett, Dimmitt; B. G. Woodlee, Dimmitt; Cochran, Loyd R. Kennedy, Morton; J. L. Winder, Morton; Hale, Peyton Randolph, Plainview; Tom Shelton, Plainview; Hockley, Carl Ratliff, Levelland and F. A. Benbow, Levelland.

### Youth Thrown From Horse; Calf of Leg Badly Injured

Floyd Guy, seventeen year old son of Mr. and Mrs. L. N. Guy of 9 1-2 miles southwest of Littlefield, had the misfortune about 3 o'clock Tuesday afternoon to be thrown off a horse, and his right leg badly injured. The youth was riding on the road leading from the Valley Gin to the Pep highway when his horse stumbled and threw him. The saddle horn caught him in the calf of his leg, cutting a large gash.

Luckily for the boy, Senator A. P. Duggan and A. R. M. Hendricks of Littlefield driving along the road, picked up the youth and brought him to the office of Dr. T. B. Duke, of this city. Nine stitches were necessary to close the wound.

Dr. Duke reported Wednesday that the boy was getting along nicely, though he said it would take some time for the injury to heal.

Mr. and Mrs. Guy requested the Leader to extend their sincere thanks and appreciation to Senator Duggan and Mr. Hendricks for their kindness.

New Deal Oil & Refining Co. has leased a refinery at Abilene that has been closed down for months and will put it in operation soon.

### Board of Welfare Representative Visits Littlefield

F. M. Grazier, field representative of the Board of Welfare and Employment, the newly organized federal and state organization for the disbursement of federal and state relief funds to the unemployed, was in Sudan and Littlefield last Friday and Saturday to perfect the county organization of this department.

The county committee, as appointed in Austin and approved by the Lamb County Commissioners' Court, is as follows:  
P. E. Boesen, Sudan, Chairman; T. Wade Potter, Littlefield; Roger Willett, Amherst; Guy Willis, Olton; Cecil Barnett, Fieldton.

Under the new organization one administrator is appointed to take charge and disburse the funds for the entire county. The administrator will have his office in Sudan and will make frequent trips to all parts of the county. Local committees will be appointed to co-operate with the county committee, as well also the Commissioners' Court of the county. Mr. V. C. Nelson, of Sudan, was appointed by Mr. Grazier for the office of county administrator. He will re-

### LAMB COUNTY TO BALLOT ON ISSUE AUG. 26

#### Election Concurrent With State Balloting On Beer

The commissioners' court Monday ordered that a local option election be held in this county Saturday, August 26, on the question of the sale of 3.2 beer.

The election, which will be held concurrent with the state balloting on beer and repeal of the Eighteenth amendment, was ordered called in response to petitions carrying the signatures of more than 700 residents of the county.

There will be a separate ballot on the local option question.

A sample of the general ballot for the election of August 26 will be published in next week's issue of the Leader.

### PATRONIZING NRA MEMBERS TO BE URGED

#### House-to-House Campaign To Start Here Next Week

A house to house campaign to obtain signatures to the consumers statement of cooperation will be carried out in Littlefield next week, as part of the Littlefield NRA program.

Mayor L. R. Crockett is chairman of the Educational Bureau in Littlefield in connection with the NRA program, and the house to house campaign will be carried out under his direction. The pledge which consumers will be asked to sign will contain this statement:

"I will cooperate in re-employment by supporting and patronizing employers and workers who are members of NRA."

One of the early steps in the NRA program will be to encourage increased buying in order that the products which are produced by an increased number of workers may be consumed, and thereby give additional strength to the general program of employing more workers and at increased wages.

### Farm Holiday Meeting to Be Held Saturday

A meeting of the Farm Holiday Association of Lamb County will be held at the City Hall Saturday afternoon at 3:30 for the purpose of making plans for the State meeting and picnic to be held at Spade school house, September 15. All members are urged to be present.

### Back Your Schools

During the past two or three years conditions have been such that a great many of the citizens of Littlefield and territory have been obliged to allow their school taxes to become delinquent.

This condition, for which no one is responsible, has caused a serious handicap to the schools, as they have been compelled to issue warrants to the teachers for their salaries and other expenses in the operation of the schools. There have been times during the past two or three years when the schools were on the verge of having to close on account of lack of funds. However, the Board of Trustees and other officials, and the members of the faculty have worked together and cooperated so splendidly that they have always managed to keep the schools going even in the face of the most trying difficulties.

In a spirit of cooperation and helpfulness, the Board of Trustees of the Littlefield schools are removing penalty and interest from the delinquent taxes for a short time to assist taxpayers in paying their delinquent taxes, and in view of the very great need of the schools for cash at this time, are urging all who are able to take advantage of this opportunity and pay their taxes now.

During the next few weeks there will be in circulation money that is the most timely we have ever known, and to a great degree the welfare of those receiving this money, as well as that of the city and schools will depend largely on how wisely and judiciously this money is used.

There is no greater mark of good citizenship than a man's desire to do his part to maintain our schools—the great educational system of our city and territory.

As the progress and welfare of the schools for the coming year depends so much on the amount of taxes collected this fall, the Littlefield Board of Trustees and H. C. Arnold, secretary, are appealing to every man and woman to do his or her part by taking advantage of the removal of the penalty and paying taxes now. By doing this they will render, not only to themselves, assistance, but will be helping out the schools in their time of need.

**We Do Our Part**

**The Texas Exhibit**

"The Texas exhibit at the Century of Progress Exposition at Chicago has been pronounced one of the finest State displays to be seen at that extraordinary show of wonders." The Texas Weekly informs us.

In other words, the greatest state in the union has an exhibit that truly expresses the expansiveness, the progress, the productiveness, and the future of our state.

And it is well that we have such an exhibit, because, if you have visited in the North you know that there are too many, who, even in this day and time, think that our chief crop is cactus, that the water in very bad, and that most of our citizens "pack" one or two guns.

The Texas Weekly says:

"The Texas exhibit at the Century of Progress Exposition at Chicago has been pronounced one of the finest state displays to be seen at that extraordinary show of wonders. This is the verdict of the unbiased authorities of the exposition itself. It is in order to say that the people of Texas have J. Russell Wait, director of the port at Houston, to thank for this. We are quite sure that everybody connected with the task of providing Texas with an exhibit will agree with this statement. Raising the money to pay for an exhibit, as difficult as it seemed at one time, was not the most difficult task that had to be success-

fully performed before Texas would be creditably represented at Chicago. Assembling and installing the exhibit, within the limited time allowed and within the cost which the reduced fund made necessary, was the biggest job. And Mr. Wait undertook that job. How well he performed it is attested by the fact that when the exhibit was opened it was pronounced one of the very finest at the fair. There are many state exhibits there that cost more, but you would never know that by looking at them. That is the great service that Mr. Wait has performed. He has provided a much finer exhibit than most at a much lower cost. And included in the cost is an itemized budget of the maintenance and operation of the exhibit until the fair closes and of dismantling it and shipping it back to Texas. The exhibit is now open and is attracting much attention. On August 23rd many hundred Texans will go to Chicago to observe Texas Day, and we do not hesitate to predict, though we have not yet seen the exhibit, that they will all feel proud of the showing made by Texas at the fair. There will be four chief events in observance of Texas Day, by the way—a dinner under the auspices of the East Texas Chamber of Commerce on the night of Tuesday, August 22nd, the dedication of a stone from the Alamo in the Tribune Tower on Wednesday, August 23rd, at 11 a. m., a Texas luncheon under the auspices of the Texas World's Fair Commission at 1:30 p. m., and the performance of

(Exerpts from Lam Co. Leader)

The Bursleson-Mason Company, composed of F. M. Bursleson, formerly of Lubbock, and Marshall Mason of Post City, are this week opening a brand new stock of furniture in the new Shaw-Earrest brick building on Main Street.

This week a dock 25x32 feet is being constructed in the new building to care for the overstock.

The contract for construction of a \$60,000 school building at Anton was let last Saturday, work to begin at once, and the building is to be finished by the first of January.

Contract was let last week to Robble & Tibble for the construction of a \$125,000 school building at Sudan, the building to be ready for occupancy and service before the first of the coming year.

Mrs. Willie Lee Hollabaugh, mother of Mrs. V. A. Vallis, died Tuesday, August 11th, after an illness of four days, though she had been a sufferer from Bright's Disease for several years.

She was nearly 58 years of age at the time of her death.

Funeral services were conducted from the local Methodist Church, Rev. Silas Dixon, pastor, officiating, and interment made in the local cemetery.

The deceased is survived by her husband and six children.

C. J. Duggan, local realtor, reports Littlefield lot sales during the past week as follows: C. O. Crow, of Ft. Cobb, Okla., four lots in Southmoor; also lots 3, 4 and 5 in Block 67 of the original townsite; Mrs. Rosa Price of Winters, one acre block in Southmoor; Arthur K. Kleypas, Lott, Texas, one acre block in Southmoor; B. E. Hanna, Shackelford County, four acre tract in Broad Acres; Dr. B. B. Liles, lots 6 and 7 in Block 67, Original Townsite.

Last Friday evening Mr. and Mrs. Jim Harless entertained a number of young people with a picnic in honor of Miss Mary Anderson of Honeygrove, Texas.

At seven o'clock they packed lunch and went to the swimming pool, where the boys enjoyed swimming and luncheon was served. Those present were: Misses Mary Anderson, Lydia Crockett, Maxie Courtney, Modena Webb, Verna and Wilma Henson, Salome and Hazel Cox, Maurine Phillips, Sibyl Sanders, Messers Bill Jeffries, Wayne Harless, Homer Snowden, Herman Darby, Cleburne Smith, Earl Phillips, Clifford Sampson, Orval Carter, James Courtney, Osa Blalock and Kenneth Houk. Chaparons were Mr. and Mrs. Jim Harless, Mrs. Chas. Harless, Mrs. S. M. Davis, and Miss Berl Kaigler.

**State Tax Rate Now Fixed at 77 Cents**

The State Tax rate for the current year has been fixed at 77 cents on the \$100 taxable value, the constitutional limit.

The new rate is 8 cents more than the 69 cents levied for last year.

The tax will be distributed 35 cents for general fund purposes, 35 cents for schools and seven cents for Confederate pensions, the constitutional limit in each case.

The comptroller, who, with the governor and treasurer, comprise the tax board, estimated there would be a deficit of \$9,944,000 in the general revenue fund as of August 31 next, cash and unpaid accounts considered. The pension fund is more than \$3,000,000 in the red and the available school fund deficit was estimated at \$7,704,505.

Taxable values of the 254 Texas counties aggregated \$3,177,206,000, twenty per cent less than the valuations for the past year. The falling off was accounted for by the exemption from taxes of up to \$3,000 on homesteads.

Valuations of counties whose state taxes have been remitted by the legislature totaled \$325,293,401, leaving valuations of \$2,851,912,600, subject to the levy.

### A. Thomas Urges Voters to Support Relief Bond Amend't

More than a million of Texas residents are at present on the relief rolls of the Texas Rehabilitation and Commission. This commission the last five months has been discharging funds advanced or donated by the federal government at an average of \$1,500,000.00 per month. This \$1,500,000.00 per month is distributed to 265,000 families whose heads are not employed. The majority of them not qualified for specific employment and thousands of them either derelict in the quagmire of the slough of despond or aged persons whose last support has been swept away by the effects of an economic readjustment. At the same time, 400,000 families in Texas, whose heads are out of employment, are not listed on the relief rolls. But these are rapidly exhausting their resources and thousands will be added to the relief rolls before the end of the year. Rehabilitation of those unable

to work is another task that confronts the state.  
**Relief List Steadily Growing**  
The number of persons on the relief rolls of the state commission has been increasing steadily in July and August. July, for instance, saw a gain of 31 per cent over June. August has already shown a slight increase over July. August and September, the best cotton picking months, are not expected to show quite as large an increase in the relief rolls, but October, November and December will be the peak months in succession for the entire year. Hunger riots are not at all a remote possibility unless funds sufficient to care for those who would otherwise face dire want and actual starvation are assured in a continuous flow. The Federal Government cannot and will not carry this burden alone. Texas must do her part and vote the \$20,000,000.00 Bond Issue August 26th.

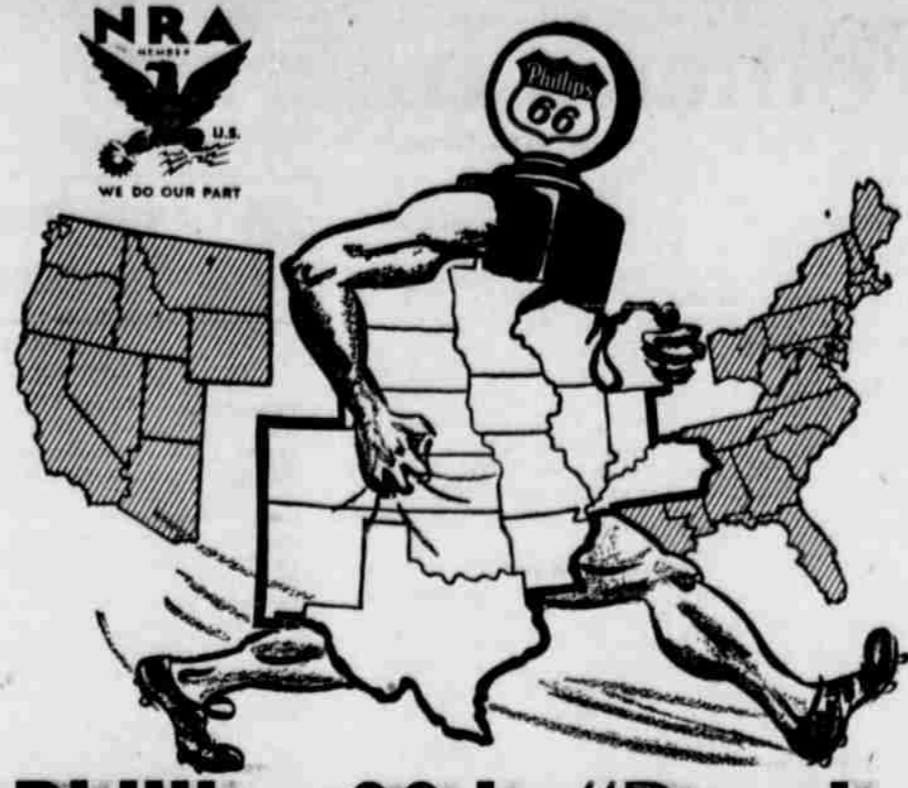

**State Cannot Grant Funds Now**  
Under the existing statutes, the state cannot expend one penny out of its tax receipts for direct relief. The purpose then of this Bond Issue Amendment is to supply the state with authority to issue bonds in the amount of \$20,000,000.00 (if needed) for relief of those in destitute circumstances. If we fail to vote this Amendment we will immediately be "left out" so far as help from the federal government is concerned. That would mean that the state of Texas would have to raise not \$20,000,000.00, but at least forty or fifty million, for the support of her destitute citizens.

**Federal Funds May Stop**  
Hon. Harry L. Hopkins, federal relief administrator at Washington, has stated that the federal funds which are now being provided will not be available in the future if the citizens of Texas refuse to authorize their legislature to make appropriations to assist in caring for the relief of the State's destitute. In the event that this amendment is not adopted by the State, Federal funds will be withdrawn and the burden of caring for these starving thousands will be left to charitable organizations in the local communities.

**The Situation is a Grave One**  
Many of our West and Northwest Texas counties are facing a dismal failure in crop production. Thousands are "huddled" together in unsanitary barns and tenement houses in our larger cities. These vast numbers must have clothing and food. Because of prevailing conditions, thousands will be added to our rolls this coming fall and winter. Shall we fail to hear their cry for help? Let's be patriotic and loyal to our President and our God. "Inasmuch as ye did it unto the least of one of these my brethren, ye did it unto me." VOTE FOR THE TEXAS RELIEF AMENDMENT AUGUST 26th.

### Federal Code to Fix Minimum Price of Cotton is Sought

At a meeting of Texas cotton farmers held at Austin Saturday the formation of a permanent organization aiming at promulgation of a federal code to fix a minimum price of 16 cents per pound for cotton was perfected and J. E. McDonald, Texas commissioner of agriculture, was instructed by the organization to go to Washington immediately to confer with federal officials on provisions of the proposed code.  
He also was requested to invite agricultural commissioners and leading cotton farmers of the South to join him in pressing for immediate stabilization of the cotton market through governmental action.

No increase in price!

## Phillips 66 is "Running Away" with the Business in 17 States

Before you buy your next tankful of gasoline, think of what the following figures tell you about the quality and value of Phillips 66:

In 1928 we started with 2 service stations. Today we have 10,654. In 5 years, sales of Phillips 66 have sky-rocketed from nothing to four hundred and fifty million gallons a year!

Experienced oil men marvel at this spectacular growth, unparalleled in the industry. But they know why Phillips is running away with the business in the 17 states in which it is for sale.

They know that Phillips 66 was introduced at a time when most motorists thought all gasolines were alike—except high test gas, which sold for 3¢ extra per gallon.

To offer sensational, self-demonstrating value, Phillips decided to sell this premium quality without a premium price. We were in a unique position to do this, because Phillips was and is the world's largest producer of natural high gravity gasoline.

In addition, we put another extra value into our gas. We pioneered CONTROLLED VOLATILITY which scientifically presuits every gallon of gas you buy to your weather, at the time you buy it. And month by month, we publish our actual gravity (high test) in plain figures.

For example, Phillips 66 gravity this month ranges from 62.1° to 67.9°.

Now, higher anti-knock is added to this high test by a special process hitherto available only in gasolines sold at a premium price.

See if you don't feel the difference Phillips 66 makes in your motor. Its high test and higher anti-knock will add power, pep, and miles. Will give flashier get-away and greater flexibility.

Get acquainted with the economy and finer performance of this greater gasoline by Phill-ing up with Phillips at any Orange and Black 66 shield.

clining cotton market would prove disastrous to the South unless checked, was adopted. It suggested 16 cents a pound as a price at which farmers could pay their obligations and provide for their families on the rising commodity market.

It was the sense of the organization that any plan, however radical, be employed to stem the declining market and advance it to an adequate price level.

"I have plowed up fifty per cent of my cotton and if necessary I will plow up all the rest of it," McDonald said, his assertion meeting with a response of "so will we" from the audience.

Other resolutions adopted proposed: That the cotton plow-up campaign be extended if necessary.

**Cheap Money Sought**  
That provision be made for farmers to borrow money at low rates of interest with their cotton as security to enable them to hold their crop and prevent its being placed on a disorderly market.

That the government acquire a substantial portion of the surplus and apply it to uses not in competition with the new crop that a permanent plan be devised to govern agricultural production next year.

### Smallest Corn Crop Since 1901 Is Seen

The crop reporting board of the United States Department of Agriculture Thursday forecast the smallest corn crop since 1901, and the second lowest production of wheat and oats in 35 years.

It said that crop prospects, very unpromising a month ago, declined sharply since July 1 due to drought and other adverse weather factors.

The forecast for corn was reduced 111,000,000 bushels from July 1 to Aug. 1. The prediction was based on observations on the latter date indicating a 2,273,000,000 bushels.

This year's corn crop was forecast at 2,273,019,000 bushels, and the wheat crop, Winter and Spring combined, at 499,671,000 bushels.

A month ago the indicated corn crop was 2,384,032,000 bushels. Last year's production was 2,875,570,000 bushels.

The combined wheat crop a month ago was forecast at 495,681,000 bushels, while last year's production was 726,831,000 bushels.

### B. A. SWANNER IS HONORED AT BIRTHDAY DINNER SUNDAY

A surprise dinner was given Sunday at the home of Mr. and Mrs. B. A. Swanner, one mile north of town, in honor of Mr. Swanner's forty-seventh birthday.

Friends and relatives had conspired to gather to give the dinner and it was therefore, a complete surprise.

The table was decorated with garlands of sweet peas, and the large birthday cake set with tiny pink candles occupied the place of honor. Every one enjoyed the delicious dinner and all had a merry time at the games which were played in the evening. Those who were present at the dinner were: Rev. R. L. Swanner, Mrs. Swanner and baby, Mr. and Mrs. Billy Cooper, Mr. and Mrs. W. M. McCoy, Mr. and Mrs. L. M. McCoy and family, Mr. and Mrs. C. B. McCoy and family, Mr. and Mrs. Edd Swanner and family, Mr. and Mrs. S. A. Williams and family, Miss Eula Mae Cox, Miss Ruth Jones and Mr. Buck Jones.

### LADIES LUTHERAN CHURCH HONOR PASTOR AT BIRTHDAY PARTY

The home of Mr. and Mrs. R. A. Kelm, three miles northwest of Littlefield, was the scene of a delightful surprise birthday party Tuesday evening, August 8, which the ladies of the Lutheran Church sponsored in honor of their pastor, Rev. Walter Luecke.

Various outside games were enjoyed, after which a delicious supper was served to the following guests: Rev. and Mrs. Walter Luecke and nephew, Harold Luecke. Mr. and Mrs. Jimmie Timian; Mr. and Mrs. Paul Marthy; Mr. and Mrs. Elder Hill; Mr. and Mrs. Dave Beisel and family; Mr. and Mrs. Arnold Ogerly and family; Mr. and Mrs. Chas Ogerly; Mr. and Mrs. John Bohot and son Erwin; Mr. and Mrs. Frank Lehman; Mr. and Mrs. A. Neuschwander; Mr. and Mrs. Geo. Friday; Mr. and Mrs. Fred Heintz; Mr. and Mrs. Art Licht; Mr. and Mrs. Will and family; Mrs. Goertz and children; Edward and George Zybura; George Birkbeck, Clara and Fred Lueck; Pat Peck, Adolph Meissner, Mrs. Horseburger of Muleshoe; Mr. and Mrs. Teinert and family of Anton; Esther, Christine, Marguerite and Frederick Michlink, Julius Timian, Mr. Kraushear, Marjorie Mensley; Mr. and Mrs. Richard Zyshdrieh and family; George Zyshdrieh of Chicago, Raymond and Herman Kelm, Martha, Eddie, Milton and Wilda Kelm, and the host and hostess, Mr. and Mrs. Kelm.

### MRS. A. H. McGAVOCK ENTERTAINS PAST MATRONS CLUB

One of the most enjoyable affairs of the past week was the bridge luncheon given by Mrs. A. H. McGavock at her home in Olton Thursday last, when she entertained members of the Past Matrons Bridge

Following the luncheon, two tables of bridge and one of "42" were in play during the afternoon, during which Mrs. T. A. Henson won high score in "42." Mrs. G. A. Foote of Sudan scored high in bridge, and Mrs. W. H. Gardner carried away the traveling prize.

Those enjoying Mrs. McGavock's hospitality were: Mesdames Foote, Gardner, S. J. Farquhar, J. M. Stokes, H. W. Wiseman, Pat Boone, T. A. Henson, W. H. Barnett, F. O. Boles, Seale and Miss Hubbard.

### MR. AND MRS. L. W. JORDAN HONORED AT PICNIC TUESDAY

About one hundred and fifty members of the First Baptist Church and their friends gathered on the beautiful lawn of Mr. and Mrs. Veach Payne, adjoining the Union Compress property, Tuesday evening, to enjoy the picnic and watermelon feast sponsored by the First Baptist Sunday school honoring Mr. and Mrs. L. W. Jordan.

Mr. Payne had very kindly installed flood lights, which lit up the grounds perfectly, and the watermelons were cut and served on the wharf of the Compress.

A number of stunts were very cleverly put on by the different members of the Sunday school, which were enjoyed very much.

Judge E. S. Rowe made the principal talk, expressing appreciation on behalf of the Sunday school for the splendid service rendered by Mr. Jordan as Superintendent for the past year.

Rev. J. F. Grizzle, pastor, then called all members of the church into a conference and had read the report of the nominating committee, naming the new Sunday school officers for the coming year. Mr. Jordan was re-elected Superintendent; Lloyd Roberson as Associate-Superintendent; J. H. Lucas as General Secretary; and C. O. Robbins as Assistant General Secretary.

Miss Kathleen Cundiff hosted a group of young friends with a slumber and swimming party at the E. C. Cundiff residence Monday evening.

Swimming was enjoyed, after which supper was served and the children slept out camp style on the Cundiff grounds.

After cooking their own breakfast out in the open the following guests left for their homes: Misses Minnie Kate Grissom, Mary Eleanor Wiseman, Virginia Walker, Sunshine Burleson, Thelma Crockett and Louise Whitaker.

### FEDERATION OF CHURCHES MEET AT FIRST BAPTIST

The Federation of Church Auxiliaries of Littlefield met at the First Baptist Church Monday afternoon, with Mrs. Ira E. Woods, vice-president, presiding.

Following singing and a prayer by Mrs. Etter, Mrs. Acrey Barton, treasurer, gave her financial report, and Mrs. Neal A. Douglass reported on the work of the Civic Committee.

Mrs. J. F. Grizzle also made a report on behalf of the Sick Committee, stating she had made 75 visits, which included 35 calls on the sick.

Miss Lula Hubbard was appointed to act on Civic Committee in place of Mrs. M. B. Hood, who has moved away.

As there was no other business before the Union the meeting was then turned over to the Program Committee. After singing "America The Beautiful" Mrs. Johnson led a very helpful devotional reading from the 2nd Psalm, after which Mrs. W. E. Heathman led in prayer.

A dialogue was then given by Misses Helen Rumback, Yvonne Mason and Mary Helen Smith, after which Mrs. J. F. Grizzle introduced the main speaker for the occasion—Mrs. Joe Smith of Lubbock, who gave a splendid talk on the Prohibition question.

The program was closed by singing "Throw out the Lifeline," and a prayer by Mrs. J. F. Grizzle.

## A Great Opportunity For Co-operation

By REV. JOE F. GRIZZLE, Pastor, First Baptist Church, Littlefield

Is it not a fact that during the past few days we have done more guessing than at any time in our whole lives? Speeches have been made, information given on the street, in our homes, and in shops, stores, and other public places, and before the sound of our voices have died away we have found that our guess was wrong.

But has this all been lost? Is it not a fact that we are learning that we are all a part of the whole, and the thing that hurts our fellowman is sure to cripple us, and that if our neighbor makes a success that some of his success is sure to rub off on us if we are close enough to him to feel the rub. I believe it is true. I know such must come to pass if we are ever to be the great free American people we have been.

The R. F. C., the Red Cross, the NRA, nor any other plan program or project cannot lift us higher than we are willing to be lifted. Cooperation is the only ladder to the top; we find ourselves in a pit with no elevator but the ladder is here, if we are only willing to make the climb. Shall we do it?

Sure I will not set my approval on every project. This writer does not and never will set his stamp of approval on any move that will bring the return of whiskey, wine or beer to our great nation. But I do want to stand in line and pull with all the strength I have for any plan that will bring back to our millions of suffering people a place to serve and support those dependent upon them. It is now my honest opinion that we need to get acquainted with our neighbor, to visit him in his home, in his place of business, to have great gatherings attended by all possible, not to have some soap box orator tell us what we should do, but tell our friends what we are going to do and ask their assistance. Find out what they are trying to do and pledge to them our best. It may be the crumbs that fall from our table or next door neighbor is in need of, or perhaps only a cup of cold water. Who knows? Let's find out. No, I do not think you should stub your toe because I stub mine, neither do I expect you to laugh when I connect with the stone. Perhaps you will not have the bandage, but maybe you have the string, and the string is necessary.

May we all do our part to bring the Pulse of the Plains back to normal, then with a solid, unbroken co-operation keep it so.

Church of Christ Have 37 Baptisms At Recent Meeting

The meeting of the Church of Christ, 303 8th Street, with G. A. Dunn, Jr., doing the preaching, came to a close Sunday night. This meeting was the most successful ever conducted by this congregation with 37 baptisms, 24 renewed their obligation to their Lord and six by letter, making a total of 67 responses. The church has been greatly strengthened and the community benefitted by this great work.

It is the plan of the Church of Christ to hold another meeting at this time next year.

They wish to thank the town and community for their cooperation, and especially the ones who made possible the comfortable tabernacle on Main Street.

The public is cordially invited to meet and study with the Church of Christ members.

ceive a salary paid by the government, and no other person in the directing organization will receive any compensation.

The county and communities are obliged to pay for the services of a secretary for the administrator, and also to defray the cost of his fuel and oil expense for his car. The secretary is to be paid no less than \$14 per week. The secretary must reside in the county.

The regulations laid down in the new set-up pertaining to the ration of pay for the unemployed is as follows:

A family of two is entitled to \$8.00 per month, to be paid at the rate of 30c per hour for labor performed under the direction of the local committee.

For three and four in a family the amount allowed is \$9.00 to \$10 per month.

For five and six in a family the amount is \$12.00 to \$13.00 per month.

For eight in a family the amount allowed is \$14.00 to \$15.00 per month.

For ten or more in a family the amount shall not exceed \$18.00 per month.

Families who own homes are limited accordingly. Conditions in such cases shall govern the committee.

When labor is available on farms or elsewhere, all who are on the relief rolls are expected to respond to call, and the rate of pay and hours set by the farmers or other employers shall be accepted without wrangle or question. Anyone on the relief rolls who refuses to accept work under this rule shall immediately be dropped from the relief roll.

Mr. Grazier emphasized the fact that this movement is in line with others on the part of the government to help the farmer, and anyone not willing to abide by these rules can no longer expect any help himself. This is strictly a government set-up, and anyone objecting to any phase of it need expect neither help nor leniency, said Mr. Grazier.

**Horse Racing Here Is Popular Sport; Many Attend Event**

An excellent program of horse racing, bronco riding and calf roping events was presented in Littlefield Friday and Saturday, with a large attendance on both days.

The programs were presented under the direction of Robinson and Horn, and the promoters deserve high commendation for assembling in Littlefield such an excellent program.

One of the outstanding features was the fact that high grade horses were brought from as far as 200 miles to participate in the events. So great was the interest, commendation and enthusiasm, that it is understood additional similar programs will be presented here.

members of the Commission, and should also, if they desired, participate in a mass meeting at which the entire matter could be discussed.

The Mayor's suggestion was concurred in by City Commissioner Arnold. Both officials said that they could also speak for Mr. Boone, as they knew him to be in favor of the best possible utility rates, which could be obtained in this city.

Mayor Crockett said that in his opinion much might be accomplished in the interests of reduced utility rates if an invitation were extended to other cities and towns of the Plains to join with Littlefield citizens in a mass meeting.

**HELP! POLICE!**

The public should be warned. If you order scrambled eggs and toast for your breakfast and hope to make a meal out of that—keep one eye on the secretary of the Littlefield School Board and the other eye dancing between the toast and the eggs. But if you only have one eye, then, well—you are in a—of a fix.

The author of this "colyum" observed Mr. H. C. (Carl) Arnold steal both toast and eggs from Buddy Johnson in a certain cafe down on the main stem of our fair city.

P. S.—Mrs. Arnold says she feeds him plenty to eat. Carl admits he gets plenty to eat, but says he just can't resist toast and scrambled eggs.

**A SUGGESTION TO MR. BILL CHESHER, MASTER OF CEREMONIES AT PALACE THEATRE—**

We read in the daily newspapers that the Dancing Masters of America have involved a new step—the NIRA.

As one of Littlefield's prominent young business men and NRA supporter, we suggest that you take immediate action to book an act in which the NIRA step will be demonstrated.

That's all the suggestions we got for this time. See you down at Lon's some morning, and will be looking for a free cup of coffee for the free publicity we are giving you in this "colyum." In fact, we think that we are also entitled to a free cup of coffee from Mr. Lon Campbell, proprietor of Lon's stomach delight food headquarters.

**THE COTTON RATE BATTLE—**

While the Ft. Worth and Denver lines, together with their aides, may have temporarily succeeded in their efforts to build their own and port cotton interests at the expense of interior interests, the old fight to reduce rail rates on flat cotton has not yet been lost.

Lubbock and South Plains cotton men should be present in Austin on August 29 to combat any and all efforts to wreck interior cotton interests and, at least, to fight for a continuation of the Texas railroad commission's saving order that a 75,000 pound carload minimum schedule be maintained.

The Morning Avalanche is not in the least concerned over the building up of cotton business in Houston or Galveston, which cities have demonstrated they can take care of themselves.

But what we are interested in is the future of the cotton business in this city and in this area.

The theory, we believe, is shared by the cotton trade of Lubbock and the South Plains, representatives of which may be expected to stand for their rights in the customary West Texas manner.—Lubbock Avalanche.

**WHAT'S THE MATTER?**

The Hockley County Herald informs us that the machinery for a cheese factory in Levelland has been shipped and that it was due to arrive in the Hockley county capital late last week or early this week.

We often wonder why the citizenship of Littlefield and Lamb county give so little thought to the possibilities for industrial development.

The sad truth about the entire matter is that we go into and out of each fall with cotton, cotton, cotton on our mind.

True, the feed crop occupies some of our attention.

WE ALL KNOW THAT THERE IS SOMETHING MORE TO THIS COUNTY THAN GROWING COTTON, GROWING FEED AND FEEDING OUT CATTLE.

DON'T MISUNDERSTAND US; WE ARE VERY PROUD OF OUR RECORDS IN THE PRODUCING OF COTTON AND FEED, AND IN FEEDING OUT CATTLE.

BUT WHY BE SATISFIED WHEN THERE ARE SO MANY MORE ACTIVITIES WHICH MIGHT BE CARRIED OUT IN THIS COUNTY? THINK IT OVER, THEN ACT!

**BIRTHS**

**Fall From Horse Proves Fatal To Hockley Co. Youth**

Herbert Williams, 11 year old son of Mr. and Mrs. S. P. Williams of near Levelland, died at a Lubbock hospital, about 10:20 Monday morning from injuries received when he was thrown from a horse Tuesday of last week. He had been unconscious virtually ever since the accident.

Funeral services were conducted about 5 o'clock Monday afternoon at the home, 14 miles north and west of Levelland. Interment took place in the Whiteface Cemetery.

In addition to the parents, he is survived by two brothers, Johnnie and S. P. Williams, Jr.

**Rural Aid Law Is Discussed at School Meeting at Sudan**

A meeting of the county school board of Lamb and Bailey counties together with members of the local board met in the auditorium of the Sudan school building at 2:00 p. m., Wednesday of last week, for the purpose of hearing the new rural aid law discussed. County Sup't Leon Rochelle presided at the meeting and introduced Judge Adams of Bailey county as the first speaker. Senator A. P. Duggan was in turn introduced by the chairman and gave some of the history of the rural aid bill and showed how West Texas had been cared for by the amendments to this bill. Probably the most significant statement that Mr. Duggan made was to the effect that "the most important business of the community was the education of its boys and girls."

The chairman then introduced the main speaker of the day in the person of Deputy State Superintendent of Public Instruction, G. D. Halbrook. Mr. Halbrook will have charge of the supervision of the schools in this section of the state. He will be stationed at Lubbock after September 15th and will have charge of the state supervision of all the schools in 15 counties surrounding Lubbock. Mr. Halbrook stated that the purpose of the rural aid law was to furnish an equalizing fund in the matter of state support for schools, also that it intended to make a high school education available to each and every pupil of the state.

The Littlefield Board was represented at this meeting by Sec. Carl Arnold, C. O. Robbins, J. E. Brannen and Dr. J. D. Simpson.

The above mentioned County board had a meeting after the general session to work out the details of the application of the law to their district.

**Series of Meetings To Be Conducted By Christian Church**

An Evangelistic Meeting is to be conducted in Littlefield by the Christian church, beginning Sunday, August 20th. Evangelist C. D. Poston of Port Arthur will do the preaching. A special feature of this meeting will be a sacred concert each evening preceding the services rendered on a loud speaker which is carried by the evangelist. This concert will consist of records of the finest church music in existence.

Evangelist Poston is a forceful speaker, and enthusiastic preacher of the gospel. His sermons will be free of all malice and criticism. His whole purpose is to preach the Word of God as revealed in the New Testament.

The meeting will be held at 8:00 each evening at the Tabernacle built by the Church of Christ, and where they have just completed a series of meetings, on the lot next to the Walter's Drug Store.

Everybody is cordially invited.

**Bob Armstrong Joins Sales Staff Of J. H. Ware Store**

Bob Armstrong, who was formerly connected with a Littlefield dry goods store, has returned to this city, and is now a member of the sales staff of the J. H. Ware Dry Goods Store. Mr. Armstrong was enthusiastically welcomed back to Littlefield by a large number of friends. He has been in Weatherford and Dallas for a number of months.

D. A. Adam, county agent for Lamb county, will attend a meeting of district and county agents, which will be held in Plainview in regard to the wheat acreage reduction program.

**Will Visit Northern Markets in Buying For Local Concern**

J. H. Ware, proprietor of J. H. Ware Dry Goods, left last night on a buying trip. He will visit St. Louis and St. Joseph wholesale houses. Mr. Ware was accompanied by Mrs. Ware and their son, James.
