

Oldsters To Play Lubbock Team

Game Scheduled For 3 P. M. Sunday At Local Field

Efforts To Go To Improve Conditions Of Littlefield City Park

Plans are about complete for the ball benefit game Sunday, Sept. 27 at 3 p. m., when the Littlefield team will play Lubbock O. K. G. team. This game promises plenty of excitement and fans are expected to cover a wide area.

The proceeds of the game will go to benefit of the City Park improvement.

The starting lineup for the home team will have such players as—

Way Walker, outfield; M. Ratliff, infield; Al Mueller, infield or pitcher; D. Ratliff, catcher; P. S. S. infield; Windy Watkins, infield; Cleo Richards, outfield; N. C. pitcher; Fly Thornton, outfield; Danny Gee, infield; Preacher, outfield; Scott Prather, catcher; Charlie Coffman, outfield; Ed, infield; and others.

It is likely that before nine innings have been reeled off an emergency new team will be on the field. At the least, all possible reserves will be called upon to revamp the lineup as the necessity demands.

The general assortment of comments that is making the rounds pertaining to the potentialities of the Littlefield team is very interesting.

One of it sounds critical since it is an air of rivalry and maybe non-constructive. Let that be that way, the main object of this game will still be carried out, and it is to get the old bunch together more time. Should this hamper substitutions will be called upon.

Before the contest is over a good assortment of playing talent is presented.

The charge of admission for the game is 50c for adults and 25c for children. Tickets will be available at the Madden & Wright drug store, Ramsey News Stand and the American Legion.

The American Legion veterans will be the lanes and avenues leading to the playing field and check out on customers wishing to see the game. They are sponsoring the event.

Proceeds above the net cost of printing things will go into the Littlefield fund and contributed by the American Legion. So your donation costs will go to a very good cause.

Boys who have come in from Littlefield, Plainview and many other towns that baseball fans are over to attend this game.

The town has issued a challenge to play a game with the Cats before the Lubbock team but this idea has not been acted upon.

The idea of having a similar game each year has been advanced. Of course, this depends upon the results of the game now scheduled.

The American Legion in general sponsors a program of baseball each year for boys of the junior ages and exhibition contests are staged to the state and national championships in semi-final and final play.

The national champions play merit national recognition, but are the recipients of many fine trophies, a free trip to the state series games with all expenses paid and many other citations.

Part of this program puts many boys in the major league rosters and they actually wind up as professional players.

Boys who have the qualities to play baseball will align themselves with such a program and it is likely that the Legion Post at Littlefield will sponsor a junior baseball team in 1946.

"Boys will be boys" and deserve all the commendation possible to give them enjoyment of their time to good and wholesome recreation. A program of this kind will do this very job for them.

The O. K. G. team of Lubbock is a team that has had outstanding success this summer in play and all clubs who were eligible for games.

The bulk of the club consists of young men and excluding those who are eligible under the rules of the Junior American Legion program. In fact, the starting pitcher who will work

Dry Goods Merchants Meet Wednesday

A meeting of the dry goods merchants of Littlefield was called by G. M. Shaw, manager of Dunlap's, Tuesday evening at 6:15 at the Shaw Dry Goods store for the purpose of discussing store hours in view of the clock being turned back to standard time on October 1.

It was decided that the dry goods stores would remain open from 9 to 6 o'clock from Monday to Saturday following the change and from 9 to 9 Saturdays.

The matter of forming a merchants' association for the purpose of rendering better service to the trade area was also discussed and it is the plan of the group to meet at a later date and try to effect such an organization and possibly invite other merchants of the city into the association.

E. S. Rowe Injured In Car Mishap

When his car turned over near Las Vegas, N. M., Monday morning about 11 o'clock, E. S. Rowe, Sr., sustained a broken shoulder, and is a patient in the Las Vegas Hospital. Mrs. Rowe also is suffering from bruises.

A tire, which blew out, caused the car to turn over.

The damaged car is being repaired in Las Vegas. Friends here will go to Las Vegas and accompany Mr. and Mrs. Rowe home. It will, however, be four or five days before Mr. Rowe can be moved.

Fifth Son In Deceases Chapman Family To Enlist In Marines

Charles Horton Chapman, son of Mr. and Mrs. Dece Chapman of Littlefield, was the last of five brothers from the one family to enlist in the U. S. Marines.

He entered the service at Lubbock Tuesday, Sept. 11, the day he turned 17. He was born Sept. 11, 1923, and, according to the Marine Corps rules, had to be past his 17th birthday before he could enlist.

His four brothers began enlisting as early as 1937, and one has been killed during the present war.

Sgt. Loyd W. Chapman was the first of the family to enlist. He joined on July 28, 1937, and has served in China and Alaska and is now stationed at Camp Pendleton, Calif.

Pvt. George W. Chapman enlisted on May 28, 1942, and is stationed in the Hawaiian Islands.

The third son, Cpl. John Henry Chapman, enlisted June 28, 1942, and sailed overseas in May, 1943. He was killed in Vella Lavella, Solomon Islands, Oct. 7, 1944, in a plane crash.

Pvt. James Chapman enlisted Jan. 5, 1944, and is stationed on Okinawa. There are two sisters in the family.

Fourteen Cars Go To Clovis To Welcome Flyer Home

Fourteen cars of Lamb County citizens went to Clovis Thursday night from Lamb County to welcome Capt. Robert Hite, one of the Doolittle flyers, recently liberated from a Jap Prison camp. As soon as his mother, Mrs. Lena Hite, passed the word that she had received a telegram from him notifying her of his arrival at Clovis, a delegation gathered to make the trip.

An uncle of the soldier, Clarence Hite of Littlefield, accompanied Mrs. Hite and the large number of friends.

A supper was given in his honor at the Baptist Church, Earth, Monday night.

Mrs. Hite and her son are visiting relatives in Plainview this week.

Against the Cats is a member of the Junior American Legion team of Lubbock.

Others are college boys who are in their prime and play for the sport of the game. They like it and will be out there giving their best. Much more could be said upon the subject of baseball or the revival of the national pastime but space will not permit.

Sponsor Traffic Safety Campaign

The Littlefield P.-T. A. in co-operation with school and city officials are sponsoring a traffic safety campaign on the streets adjacent to the schools.

The parent-teacher group has arranged with city officials to have city police on duty at the school at the critical hours: 8:30 to 9:30 each morning, at noon and from 3:30 to 4:30 each afternoon.

The organization also includes Boy Scout patrols who will have full authority to direct traffic and report traffic violations.

Pedestrians and parking lanes will be painted on First street to facilitate handling of cars and pupils. Drivers and pupils are requested to follow signs and directions of both Scout and city patrolmen. They have authority to issue tickets subject to fine by city officials.

These directions should be followed by drivers:

- 1—Speed limit 15 miles per hour in school zone.
 - 2—No double parking.
 - 3—Park parallel on right side of street.
 - 4—No parking in pedestrian lane.
 - 5—Obey traffic patrolmen.
- These directions should be followed by pupils and walking traffic:
- 1—Cross First street only at pedestrian lane marked by orange lines.
 - 2—Obey patrolmen.
 - 3—Look both ways for cars.
- This plan is to go into effect Monday, Sept. 24.

P.-T. A. To Meet In Joint Meeting Wednesday, Sept. 26

The first P.-T. A. meeting of the season will be held at the High School auditorium at 3:30 o'clock Wednesday afternoon, Sept. 26, which will be a joint session of the high school, primary and central school members.

The program will open with a reception for the P.-T. A. members and teachers, at which Miss Katie Stith, home making teacher, and her pupils will serve refreshments.

Included in the program will be: "Some Good Reasons for Joining P.-T. A.," directed by Mrs. Dewey Hulse.

Report from safety committee by Mrs. Quinton Bellomy.

Talk by Supt. Fred Miller.

WHITEFACE WINS OVER WHITHARRAL

Whiteface High School's six-man football team opened the 1945 season Friday afternoon with a 12 to 0 victory over the Whitharral boys. A crowd of approximately 200 persons witnessed the contest.

Whiteface scored first in the second quarter when Truman Swinney caught a Whitharral punt and returned it 65 yards for a touchdown. He also scored the second touchdown with a five-yard plunge through center in the fourth quarter after his team had gotten the ball on the Whitharral 81-yard line a few moments earlier.

No Information Yet Regarding Prisoner Pfc. Thos. McFarland

Inasmuch as no word has yet been received regarding the liberation of Pfc. Thomas J. McFarland, son of Mr. and Mrs. A. G. McFarland of Littlefield, who has been a prisoner of the Japs since the Houston went down in February, 1942, and who is believed to be in Camp Fushuoka, Japan, a telegram was sent by the local Red Cross office Monday to Washington asking for information regarding this serviceman. The war department replied to the effect that the list was incomplete from this camp.

could not be saved and the fire boys worked towards keeping the fire from spreading to the other warehouse. The cotton is said to have been very dry, it being around three years since it was baled.

The cause of the fire is not known. Mr. Irwin stated that the building would be rebuilt as soon as materials can be obtained and that it would cost around \$4000 to replace the building.

C. OF C. AWARDS \$25.00 PRIZE FOR FIRST BALE COTTON

A prize of \$25.00 was awarded Hershel Barker of Oklahoma Avenue by the Chamber of Commerce last week for bringing in the first bale of cotton in Lamb County from the 1945 crop.

The bale weighed 502 pounds and there was 1720 pounds of seed cotton.

The Irwin Gin Co. handled the bale and bought same, paying 22 cents per pound.

WILDCATS SWAMP DIMMITT ELEVEN BY 76 TO 6 SCORE

In their initial appearance of the 1945 football season, the Littlefield Wildcats swamped the Dimmitt eleven in a non-conference game by the one-sided score of 76 to 6 at Seely Stadium Friday night. A crowd of approximately 1500 turned out to witness the opening game.

Scoring their first touchdown on a straight line play eight minutes after the opening kickoff, the Wildcats scored practically as they wished from then to the final gun. Sparked by quarterback Bill Lyman, who scored seven of the Wildcats' 11 touchdowns, the local team showed a variety of plays which should enable them to make an exceptionally good showing in the conference games which are coming up.

Buster Owens' educated toe accounted for eight conversions, missing only three of the try for point kicks.

Dimmitt Team Outclassed

Although completely outclassed and outweighed the Dimmitt eleven made a creditable showing and was fighting right up to the final gun.

Dimmitt, however, contributed the only spectacular play of the game when Tommy Harrison, left halfback, received a Littlefield kickoff on his own 15-yard line and streaked down the sidelines 85 yards for Dimmitt's only touchdown. Outside of that one play Dimmitt had very little power, being held for downs and forced to kick on their fourth down most of the time.

Score by quarters:

Littlefield	13	13	27	23	76
Dimmitt	6	0	0	0	6

Officials of the game—Paul Featheringill, referee; Roy Morris, umpire; Charles Signor, head linesman.

Lineup of Teams

Following is the lineup of the two teams:

Littlefield—Left end, Gene McCannies; left tackle, Dale Brandon; left guard, Charlie Pharris; center, Sidney Buell; right guard, Foy Bell; right tackle, Sabin Hendrickson; right end, Buster Owens; quarterback, Bill Lyman (capt.); fullback, Walter Sewell; tailback, Oscar Arend; blocking back, Junior Graham.

Dimmitt—Left end, Howell; left tackle, Nelson; left guard, Ubanks; center, Lust; right guard, Johnson; right tackle, Sparkman; right end, Barron; left halfback, T. Harrison; right halfback, Stevenson; fullback, J. Harrison, capt.

Friday night, Sept. 21, the Wildcats in another non-conference game, which is scheduled to get under way at 8:30 sharp.

Juveniles Damage Gin Plant Here

A very regrettable juvenile offense was reported to the Leader office Monday, when a reporter from this office called at the Lamb County Cooperative gin, of which V. S. Cassel is manager.

Mr. and Mrs. Cassel returned recently from Three Rivers, Texas, where they spent several weeks, to find that local boys had broken out over 50 panes of glass in the gin and office buildings by throwing rocks at the windows. Included in the breakage was a triple strength glass in the gin door, and window glass high up in the engine room, as well as glass in the second story of the office building above the door, and even the sash was knocked out of this last mentioned window. Large and small rocks were found in the gin building and broken glass everywhere.

Besides breaking the glass in the windows and doors, the offenders also entered the building and poured oil and grease over the motors around the gin.

Mr. Cassel reported that he had worked consistently Friday, Saturday and all day Monday replacing the glass in the windows and doors and wasn't through then with the work.

Law officers report that from now on a special effort is being made to apprehend any children caught defacing in any way property and that the full benefit of the law will be enforced.

Stovall Family Talk To Son In England Friday

Mr. and Mrs. J. C. Stovall had the great pleasure of talking to their son, Cpl. Billie Don Stovall in England Friday afternoon.

Cpl. Stovall is stationed near London and has been overseas two years and in the service three years. He is with the 79th Quartermaster Battalion, Depot Division.

He is hoping to be home by the first of the year.

Donald M. Vaughn On Third Fleet Into Tokyo Bay

Donald M. Vaughn, 31c, son of Mr. and Mrs. E. S. Vaughn, owners and operators of DeLano Cafe, with his parents from Japan he was on the Idaho, which was the third fleet into Tokyo Bay in the surrender of Japan.

Seaman Vaughn has been overseas two years and home once during that time. He has been in the service 23 months and has taken part in nine different battles. His ship has nine Jap planes and one ship to its credit.

RETURNS TO CAMP Pvt. James E. Kyzer, son of Mr. and Mrs. R. H. Kyzer of Littlefield, who has been in the service since May last with the infantry, arrived home last week on a short furlough. He left Wednesday for his station at Fort Lewis, Wash.

ENROUTE HOME

S-Sgt. J. C. Bryce, mechanic on a B-29, stationed on Tinian, is enroute home after 18 months overseas service.

Make Effort To Secure W. U. Downtown Office

An effort is underway to secure a downtown Western Union office in Littlefield. A petition was circulated last week which was signed by a number of business men and submitted by A. C. Chesher, mayor of Littlefield, to an official of the Western Union Telegraph Company at Dallas Tuesday of last week. The telegraph official stated he would send a representative to Littlefield to investigate the matter.

Mr. A. C. Chesher was accompanied

Hostilities To Begin At 8:30 P. M. At Seely Field

Fans Are Urged To Buy Tickets Early And Avoid Gate Congestion

The Wildcats tackle the strong Floydada eleven here this week and will be hard pressed to live up to their top-billing as one of the highest scoring teams in the state by virtue of the 76 to 6 win over Dimmitt last week.

The Wildcats will run into one of the perennial powers of Class A football in the boys from Floyd county. They polished off Crowell team 6 to 0 last week.

Hostilities will begin Friday at 8:30 p. m. in Seely Stadium. Tickets will be on sale at Ramsey's Newsstand and Brittain Pharmacy beginning Thursday. Fans are urged to buy tickets early if possible to avoid congestion at the gate at game time.

Following is a complete roster of the Littlefield players with their playing numbers:

Chisholm Family Talks To Lieut. Chisholm Monday

Mr. and Mrs. J. E. Chisholm, Miss Louise Chisholm and Miss Dorothy Newgent all enjoyed a talk over long distance with First Lieut. J. E. Chisholm from Honolulu Monday afternoon about 3:30 o'clock.

Lieut. Chisholm, who is stationed on Oahu Island, called the Chisholm family from Honolulu. Mrs. Chisholm said her son's voice was as clear and plain as though he were talking from Lubbock, adding "we were awfully thrilled to talk to him."

TO ARRIVE SOON

Capt. Crawford Bates, who is on Gen. MacArthur's general staff and who has been stationed at Manila, expects to get home on furlough soon.

Sustain Cotton Fire Loss Of \$150,000 Here

A warehouse building belonging to Littlefield Bonded Warehouse Company and between 1250 and 1300 bales of government loan cotton burned Saturday afternoon about 4 o'clock, at a loss of between \$100,000 and \$150,000, it is estimated.

The warehouse was owned by Irwin and John Porcher. The buildings constitute the Littlefield Bonded Warehouse, the west building fronting on Highway 51, burning in Saturday's fire.

At the time work was underway in the hauling of the cotton from the east warehouse to the Santa Fe depot for shipping purposes.

The local fire department was summoned to the fire, but the blaze had made such rapid headway when they arrived that the west warehouse

could not be saved and the fire boys worked towards keeping the fire from spreading to the other warehouse. The cotton is said to have been very dry, it being around three years since it was baled.

The cause of the fire is not known. Mr. Irwin stated that the building would be rebuilt as soon as materials can be obtained and that it would cost around \$4000 to replace the building.

Plant Your Fall Gardens Now

Before plowing the soil, cut and remove all weeds and vegetable plant refuse. If turned under, molding and heating takes place, which dries out the top soil and prevents thorough cultivation. Where manure is available, spread a coating over the surface and plow it in to a depth of 4 to 5 inches. It serves to increase the water holding capacity of the soil and prevents packing. Rotted compost may also be used to improve soil tilth.

Do not plow the fall garden more than 4 or 5 inches deep. Deep plowing tends to dry out the soil, and more moisture is required to wet a deep seed bed than a shallow one.

After plowing, break up all clods and lumps, rake the soil fine and smooth before sowing the seed.

Many varieties of vegetables will grow satisfactorily in the fall garden but from the standpoint of best quality it behooves every gardener to choose those varieties which are distinctive in flavor and tenderness. Hardiness and disease resistance are other considerations which should be borne in mind when seed are bought.

Since germination at this season usually is poor, about one-fourth more seed should be planted in order to obtain a good stand. Seed with a hard seed coat, such as spinach, beets and Swiss chard, should be soaked in warm water over night before planting. Do not plant soaked seed in dry soil. Ir-

rigate the soil before planting, or plant immediately after a rain. It is also a good plan to press the soil around the seed by tamping it with a hoe, or walking along the row and pressing the dirt down. This helps to bring the seed into direct contact with the soil moisture so that growth can start at once. Seed saved from the spring planting may be used for fall planting.

Plant these vegetables to mature before frost:

- Green Beans—Stringless green pod, Refugee. Mustard — Tendergreen, Southern Curled. Irish Potatoes—Bliss Triumph. Radish—Scarlet Globe. Semi-hardy vegetables that withstand light frost: English Peas — Thomas Saxton, Little Marvel. Turnips—Shogoin, Purple Top. Cabbage—Copenhagen, All Head, Golden Acre. Beets—Detroit Dark Red, Crosby Egyptian. Swiss Chard—Lucullus. Hardy vegetables that withstand heavy frost: Carrots—Danvers Half, Chantenay, Imperator. Collards—Louisiana Sweet, Georgia. Onions—Bermuda, Sweet Spanish. Spinach—Bloomsdale Savoy, Noble.

Receive Letter From Belmont Williams

Mrs. J. D. Thomas of Morton, formerly of Amherst, received a letter Thursday from her brother, Henry Belmont Williams, PHM3c, one of the first prisoners to be taken by the Japs, from Hirahita Camp No. 21, Osaka, Japan. Seaman Williams was taken on Guam and is the son of J. D. Williams, also formerly of Amherst, but recently of Long Beach, Cal.

Mr. and Mrs. Thomas, on learning that Mr. and Mrs. J. H. Lippard had heard their son, Johnnie, had been liberated, came to Littlefield Friday to visit in the Lippard home and talk with the family. The letter from Seaman Williams follows: "Dear Jessie and all— "May this find you in the best of health and happiness. I am well and entertain bright hopes for our future. I trust your hopes are equal to mine and will refrain from worry. My heartfelt thanks for the two parcels that were enjoyed beyond words. I've received letters from all of you, and most of the relatives, in addition to several of my friends. I await their pictures and wouldn't be angry with another parcel. Please include a March manual. May God permit our hasty reunion. My love and prayers are with you ever.

"Love, Belmont." The letter received by Mrs. Thomas was dated in Japanese, and therefore, it is not known when it was written.

A message was broadcast in June last from Belmont from Tokyo. The Williams family did not hear this, but a woman in Amarillo heard it and phoned Mr. and Mrs. Thomas. Following that message they received about 14 letters and other messages advising them of the broadcast.

Cpl. Tommie Lowe Home From Overseas

Cpl. Tommie Lowe arrived home Wednesday morning of last week after two years overseas with the Engineers, and in service three years. He was in Germany when the Germans surrendered.

He came by plane from Marseilles, France, and down through Africa and South America. He arrived at Miami, Fla., after 46 hours flying time Saturday morning, September 8.

Cpl. Lowe was wounded at Luxembourg, in the battle of the "Bulge" (Ardennes), and spent 41 days in hospitals. He is wearing the Purple Heart badge, ETO ribbon, Good Conduct badge and three battle stars.

He has 89 points and expects to receive a discharge by the middle of October. He is now on a 30-day emergency furlough to be with his mother, who underwent a major operation at a Lubbock hospital recently. She is reported as getting along nicely, and came home Monday. Following his furlough he will report to Fort Sam Houston, and expects to then receive a discharge.

Chalma Lee Walker Home From Overseas

Chalma Lee Walker arrived in Littlefield recently from 16 months overseas, where he and Mrs. Walker will make their home. Mrs. Walker was formerly Miss Irene Weschke. Walker, previous to volunteering in the service, was with the CCC camp here. He is the son of Mr. and Mrs. Walker of Hereford.

With the 101st Airborne Division, Walker took part in the D-day invasion of Normandy; was wounded June 6 by shrapnel from a mortar shell in the arm, neck, face and right eye. He spent about eight months in hospitals. He had a piece of shrapnel go through his right eye and lodge near the brain, which surgeons are afraid to remove and which caused him to almost lose the sight of his right eye.

A lie may not have legs to stand on, but it sure has wings to fly.

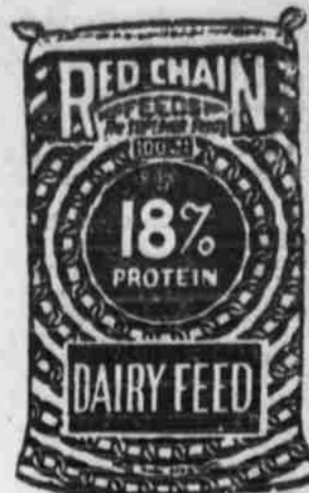

On First Naval Transport To Enter Tokyo Bay

According to a letter received by his wife here, the former Miss Kitty Jo Carrell, Electrician's Mate First Class Billie D. Holder, of the USS Braxton was on the first naval transport to enter Tokyo Bay in connection with the Jap surrender.

He said that the Japanese on the whole were much surprised, but that later they went in their normal manner. Seaman Holder was on Okinawa about two months previous to surrender; has been overseas years, and in service 3 1/2 years however, has been home several during that period. Two Texas war correspondents have been killed on the battle-

With South Plains Men In The Armed Forces

Pfc. Bob W. Adams, patient in a Hot Springs, N. M., army hospital, who was wounded in one of his legs, and also liberated from a German prison camp, is getting a 15-day furlough to come home to visit his brother, Pfc. Olesh Kenneth Adams, whom he hasn't seen in three years, and who is here on a furlough from the U. S. Naval Hospital, Oakland, and just returned to the states from overseas.

The brothers are also here to visit their grandfather, Frank Dent, who is very ill.

T-4 Billie L. Bowling, son of Mrs. L. M. Bowling of Sudan, who has been on a furlough home, has asked for and received an extension of 15 days. Following his stay at home he will report to Fort Bliss.

Pfc. Edgar Kincaid is home, due to the illness of his grandfather, F. F. Farner, who is planning on having a cancer removed from his lip. He recently received a 10-day extension. He has been overseas. He reports back to Fort Bliss following his furlough here.

Mr. and Mrs. W. P. Kirk received a letter from their son, Ivan Kirk, of the Seabees, last week. He is on Okinawa and is getting along fine, but don't expect to be home soon.

Pfc. Herman R. Nichols, son of Mrs. Nichols of near Sudan, has just arrived from overseas. He is asking an extension through the Red Cross here.

Paul H. Odell, S1c, has recently returned to San Francisco, Cal., following a 30-day leave here, and expected to leave for China or Japan. He had been overseas a year when he returned to the states and is with the armed guard division of the navy. He is the son of Mr. and Mrs. I. O. Odell, and has been in service 15 months.

S-Sgt. Darrrell Odell, with the 504th Division of the paratroopers, is in Berlin and in one of the two letters received by his parents Friday, he stated he had 74 points and expected to be home by Christmas. He has been wounded and injured his back in a jump.

Mrs. F. M. Davis received a letter from her son, Troy, who is a cook in the Seabees, with the 21st Battalion, written Aug. 29 at sea, that he would see her in the near future, so she is expecting a message from him any day that he is in the states.

ABOARD THE USS NEW MEXICO IN THE PACIFIC—J. C. Crawford, USNR, who saw action in the Philippine and Okinawa campaigns, was advanced recently to steward's mate first class, his commanding officer has announced. His wife lives in Littlefield, Texas. Crawford, an

ammunition passer, has helped to cover landings at Leyte, Mindoro and Luzon in the Philippines and at Okinawa. He has been in the navy since June, 1943.

S-Sgt. O. K. Yantis, who has been here on a furlough, is leaving today (Thursday) to return to his station at Mountain Home, Idaho.

ON THE ATTACK TRANSPORT USS MELLETTE, OFF YOKOHAMA (Delayed)—Earnest Samuel Golightly, S1c, USNR, Littlefield, Texas, was in the beach platoon party that aided in the landing of Marines on the beaches of Japan for one of the strangest military operations in history—a seaborne invasion of a nation after its surrender.

The transport was at sea passing Guam when Fleet Admiral C. W. Nimitz ordered her to prepare hastily for the operation.

Some 1200 Marines were rushed aboard her under command of Maj.

Wilson E. Hunt, USMC, of Seattle, Wash. Ten American and British war correspondents followed. At the moment Hirohito was broadcasting the news of Japan's defeat to her people, combat cargo was swung into her holds.

The pioneer "invasion fleet" in which she sailed had only five Marine-landed attack transports, one attack cargo ship and three destroyers.

Idaho and Maine vie for the honor of producing the largest and finest potatoes in the United States.

All Slaughtering Controls Abolished

All slaughtering controls on the amount of meat anyone may slaughter and transfer have been abolished, the district Office of Price Administration has announced.

On Sept. 8 OPA ended controls over how much livestock could be slaughtered and where the meat was to be shipped. The pricing order limiting the maximum percentages of good and choice cattle that a slaughterer may kill during an accounting period was revoked Sept. 12.

Farmers and other slaughterers may now slaughter and sell all the meat they care to without regard to quantity. However, they are still required to observe the rationing and price control requirements which still remain in effect.

COMING HOME

Cpl. Dennis O. Carry wrote his parents Sept. 8, which was received Saturday to the effect that he was transferred from his company and was awaiting a ship to come home. He told his parents to keep on writing, but not to send any more packages. He said he was so thrilled at the thoughts of coming home he could hardly contain himself.

Mrs. E. E. Wesley was able to be taken home Monday from the Payne-Shotwell Hospital, where she underwent major surgery two weeks ago, and is now getting along fine. Her father, Charlie Miller, and Mrs. C. E. Johnson, who were here visiting their daughter and sister, returned to their home at Golthwaite, Texas, Sunday.

How women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

Texas Lemon Season
In Full Swing

The Texas lemon season is in full
swing and the lower Rio Grande
valley lemon production is increasing
each year and will soon provide
enough lemons for all Texas. This
year for the first time our commu-
nity will have a weekly service to
retailers of nature-colored, tree-ri-
pened lemons under the trade name
Tex-Lem. Anyone who has ever
squeezed a Texas lemon realizes
quickly the full justice of its claim
to being the world's finest lemon.
Tex-Lems contain more juice and
flavor than any other lemons, with
an abundance of Vitamins C and B.
"These Rio Grande Valley lemons
have everything that the yellow lemons
have, and more," writes Victor
Schoeffelmayer. "Their color is in-
fused by nature, just as the lime is
green."

In the past, yellow lemons from
Italy and the Pacific west have sup-
plied the Texas market, and users
have become accustomed to their
characteristic color. The Texas or
Meyer lemon, however, is a variety
which the famous government plant
explorer of that name brought to
this country years ago and which at
least has established itself in the
Magic Valley, and bids fair to be-
come a major asset of that great
producing area. This new lemon
gives more juice and acid than a-
rtificially colored lemons, authorita-
tive tests prove. The Texas lemon's
greatest merit is that it is not
pulled from the trees till it is ripe,
though it appears to be as green as
the proverbial grass. The Texas lemon
crop is estimated at 200 cars and
its acreage is being greatly increas-
ed as people of this state and else-
where consume this product in in-
creasing quantity.

The Texas lemon, demonstrations
show, can be substituted for compet-
ing varieties from this county or
abroad. It makes as good lemonade
as it does lemon pies or other con-
fections. Its bright green color is re-
ally its badge of merit. It deserves
large patronage.

Tex-Lem lemons are marketed in
their natural color—a rich green,
golden tinted. They are not made
yellow by artificial methods. They
are fresh from the tree—not stored
for months in warehouses. Texas
people are strong for Texas lemons
as they get more for their money
when they buy Tex-Lems.

OLTON STUDENTS
LEAVE FOR COLLEGE

An unusually large number of
graduates of Olton High School are
entering college or business schools
this fall, with the majority of them
planning to attend Texas Techno-
logical College.

Those who plan to enter Tech are:
Dennison Barnett, Lannie Bell, Elna
Mae Cates, Jack Ed Cummings, Ger-
aldine Grimsley, Dorothy Nell Dobbs,
Joe Hysinger, Audrey Mae Melton,
Dorris Jean Poteet, Wanda Silcott,
Roselyn Schreier, Pat Slatten, Dor-
ris Mae Thurman, Tommie Taylor.

Those to attend West Texas State:
Willard Hedgea, Dwain Lyons, Mo-
zelle Whittington.

Those to attend Lippert's Business
School: Dorothy Alexander, Made-
line Foster, Patricia Kirchoff, Jean
Wills.

To attend Wayland College: Gene-
veve Hackler, Juanita Holland, Betty
McDowell, Lanelle Phillips.

To attend McMurry College: Mary-
Nell Miller, Arline Ragle.

This is not the first year of col-
lege for some of these students.
Some are second-term freshmen and
some are seniors.

Back in 1880 it was considered
an insult to receive a typed letter.
The recipient's attitude was "I can't

Our campaign, "Christ for Greater Littlefield," will come to a close Sunday night with a baptismal service. This truly has been a county-wide meeting, people attending from most every community of Lamb county. Last Thursday night we had the Bledsoe Quartet, all from in and around Olton, Texas. Brother Bledsoe is a member of our church here. The entire church has been revived and set on fire to do a greater work for the Lord in the coming months. Souls have been saved and others coming into the church for baptism and by letter.
All the preaching has been done by the pastor, Jack Power. It has been said that a pastor could not hold his own meeting and have success, but we have had fine crowds and great results under the preaching of the pastor and he began his fifth year as pastor of the church in August.

We extend a cordial invitation to all who are without a church home and those who have recently moved to our city to attend our regular services.

Large Attendance Reported At Local Church Services

The campaign, "Christ for Greater Littlefield," which has been under way now for 12 days and which will close Sunday night is being well attended and people have come from most every community of Lamb County.

The services are being held in the main auditorium of the Littlefield Fundamental Missionary Baptist church and begin each evening at 8:30.

Evangelist Jack Power, pastor of the church, is doing the preaching. Every message is timely and to the point. Men are brought face to face with the fact of sin, of hell, of judgment and of heaven in the messages. Hardened sinners have been moved and saved. Things are happening just like they did years ago in the old-time camp meetings. Folks leave the services saying, "I have heard of such but this was my first to witness," "I have not seen anything like this since I was a boy," "That's the way we used to do, in the old Methodist and Baptist meetings," and many other sayings too numerous to mention. Truly it has been true to its slogan, there has never been anything like it before in Littlefield. The evangelist claims this to be one of the greatest meetings of his life. If you have not attended the meetings, then by all means attend before they close Sunday night. It is one among the greatest.

H. C. Pumphrey Jr., Is Enroute Home

T-Sgt. H. C. Pumphrey, with the Aviation Engineers, overseas for 37 months, was due to sail Saturday for home. T-Sgt. Pumphrey has been in the service four years; was stationed in England two years, and spent the balance of the time in France and Germany.
Mr. and Mrs. H. C. Pumphrey, Sr., received a letter from their son Friday stating he was due to sail Sept. 15 for home. He has 91 points and is expecting to receive a discharge.
Mr. and Mrs. Pumphrey have two other sons in the service.

Pfc R. L. Mitchell Home From Overseas

Mr. and Mrs. W. C. Parkey and Elaine Mitchell visited their son and brother, Pfc. R. L. Mitchell and family at Lubbock Saturday.
Pfc. Mitchell, who has been on a 30-day furlough since returning to the states, is leaving Tuesday for Sioux Falls, S. D., for redeployment.
He has been in the service three years, half of which time he has spent overseas. Mrs. Mitchell and daughter, Nanette, made their home in Arlington, Va., while R. L. was overseas, but have returned to Lubbock. Nanette celebrated her second birthday last Thursday. Her father hadn't seen her since she was five months old until he returned from overseas recently. He and Mrs. Mitchell also had the pleasure of being together on their fifth wedding anniversary during his leave.

Lum's Chapel H. D. Club Meets In Purvis Home

Lum's Chapel Home Demonstration Club met in the home of Mrs. E. C. Purvis Wednesday, Sept. 12, with Mrs. Jewel Rogers co-hostess.
Singing of old time tunes was used for opening exercises.
Reports on the annual picnic and council were given.

Mrs. Hub Sprayberry discussed the topic "Food for Health." Mrs. Purvis discussed "Interior Decorating." Others present were: Mesdames Taylor, J. T. Brown, Irma Lita Barker, Percy Carter, O. L. Balsden, Alpha McCarty, Doss Maner, Florine McCarty, Jack James and Floyd Brown.
Cold drinks were served.
The next meeting will be with Mrs. R. L. Tindale Sept. 27.

Engineer's Cook Must Work Too

WITH THE 153RD ENGINEER CONSTRUCTION BATTALION ON LEYTE—Cpl. Melvin Oringdorff has learned that a cook's job doesn't always mean just cooking. When his unit arrived in the Philippines shortly after the initial landings, obtaining food was quite a complicated problem. Since roads were impassable, due to heavy rains, all food had to be secured by improvised rafts as long as there were streams and the one's back sufficed the remainder of the journey. This work was allotted to the cooks, for every available man was busy building road and bridge projects. Though the problem of getting food and then preparing it was a great one, the meals always reached the Engineers in time. A veteran of 27 months in the corps of engineers, Cpl. Oringdorff has served overseas 15 months. In addition to the Good Conduct Medal he is authorized the Asiatic-Pacific Theatre ribbon with two battle stars and the Philippine Liberation ribbon with one battle star for service in New Guinea and the Philippines. He was inducted at Fort Sill, Okla., and trained at Fort Leavenworth. Prior to induction he worked with his father as a carpenter. His parents, Mr. and Mrs. C. H. Oringdorff, live on Route 1 of Toland. He has two brothers in service—Shelton, with the Seventh Army and Shelby, in the Air Corps.

Instructions On Overseas Mailing Is Announced

Instructions for mailing Christmas packages to army and navy personnel overseas have been announced as follows:

- 1—Mail gift between Sept. 15 and Oct. 15. This is the only time you can mail a parcel overseas to an army person without a written request.
- 2—Don't mail package if your soldier or sailor is on the way back home or likely to be coming before Christmas.
- 3—If there is any reason to believe your soldier or sailor may be moved to a new location soon wait until you mail your gift to new address, even if this means the soldier asking for a gift.
- 4—Use his latest address, completely and accurately.
- 5—Pack gift in heavy box and tie with strong cord. The package must weigh no more than 5 pounds and measure not more than 15 inches long, or a total of 36 inches in length and girth combined.
- 6—Select only usable gifts such as dried fruits, canned luxury food, razor blades, fountain pens, wrist watches or wallets.
- 7—Don't mail perishable food, intoxicants, weapons, poisons or any inflammable materials, including lighter fluid and matches.

OIL NEWS

Humble Oil & Refining Company No. 1 Bagwell, south Lamb County exploration in labor 25, league 673, State Capital Lands survey, about three and one-half miles southwest of Littlefield, reached a total depth of 9,162 feet, in lime and chert, and had no oil at that level. It is plugged back to 4,278 feet, in lime, and was shut down, awaiting further orders. It is understood that there had been some shows of oil and gas at that point and it is reported that the operator will possibly run tests there. Humble No. 1 Arnold, in section 120, block A, R. M. Thompson survey, one mile west of the closest production in the Anton field, in southeast Lamb, had reached 5,337 feet, and was drilling ahead in dolomite. Humble No. 1-B Feltwich, outpost to production in the Anton field was drilling under 5,939 feet in dolomite with 4,100 feet of oil in the hole. Operator reported that there was an increase in oil at 5,867-75 feet. Humble No. 1 Campbell, northeast Hockley county prospector in section 116, block A, Thompson survey, one mile south of the initial producer in the Anton area, had penetrated past 5,323 feet, in dolomite.

Sinclair H-C and Sinclair Ethyl Gasolines are back from the wars . . . BETTER than ever before.

BETTER because of improved refining processes developed in producing 100-octane gasoline for warplanes.

BETTER because Sinclair is now able to put into Sinclair gasolines certain important components heretofore used exclusively for fighting gasolines.

As a result, the new, higher - octane Sinclair Gasolines will give you better mileage, speedier take-offs and less ping or knock in your motor

SO drive in for Sinclair H-C or Sinclair Ethyl Gasoline today and notice how much better your car performs.

**Automobiles
 May Not Be
 Rationed**

Contrary to original plans new au-
 tomobiles due on the market soon
 may not be rationed.
 Along with the development of
 this prospect today, government of-
 ficials studied a recommendation of
 the War Production Board's leather
 bureau that shoe rationing be ended
 October 1.
 Proposals to abandon plans for ra-
 tioning the first few thousand new
 cars have been submitted by the OPA
 to WPB. The latter agency is giv-
 ing the idea favorable consideration.
 "Plans for rationing were laid,"
 one official explained, "before the
 war ended, when it looked as though
 only 250,000 cars could be built this
 year."
 Current prospects are for at least
 twice that many in 1945. And pro-
 duction is expected to hit the pre-
 war rate of 4,000,000 cars a year
 early in 1946.
 The WPB leather bureau's recom-
 mendation that shoe rationing be
 ended October 1 has been submitted
 to J. A. Krug, chairman of the
 agency. He will confer with OPA
 Administrator Chester Bowles and
 make a decision in the next week
 or so.

**Baseball Tourney

 Olton Sept. 21-22-23**

A baseball tournament is in the
 making, to be held at Olton Friday,
 Saturday and Sunday, September 21,
 22 and 23, at which the Sudan base-
 ball club has been asked to partici-
 pate, and club officials have de-
 cided to accept, should the tourna-
 ment be held.
 It is proposed to have eight clubs
 in the tournament, with two-game
 eliminations.
 The tournament is being sponsored
 by the Springlake team.

 fortunate enough to be hit by a casein
 on Sept. 10. They were admitted to
 the hospital for x-rays and observa-
 tion. Mr. Pittillo was dismissed on
 Sept. 12 and Mr. Putty is still a pa-
 tient and doing nicely.
 Frank Spitzer, Friona, Route 1,
 was admitted to the hospital on
 Sept. 10 and underwent an opera-
 tion for appendicitis on the same
 day. He is doing nicely.
 Mrs. L. West, Bula, daughter of
 Mr. and Mrs. E. K. Baldwin, was
 admitted to the hospital on Sept. 10
 for a blood transfusion and medical
 treatment. She is doing as well as
 can be expected.
 Mrs. E. E. Wesley, Littlefield, is

HOSPITALS IN URGENT NEED OF MORE HELP

More than 130,000 professional and non-professional workers, in addition to more trained volunteer nurses aides, are needed in the nation's civilian hospitals immediately, the Office of War Information reports at the request of government agencies that are inaugurating a campaign to recruit the needed personnel. The Public Health Service of the Federal Security Agency, the War Manpower Commission and the Veterans Administration are sponsoring the recruiting drive in cooperation with the American Red Cross, the National Nursing Council for War Service and the American Hospital Association.

Urgently needed at once, according to the three government sponsors, are 30,000 graduate nurses for general, tubercular and psychiatric hospitals—8,000 graduate nurses for public health nursing—2,000 graduate nurses for Veterans Administration Hospitals (this is in addition to 3,000 more who will be needed for January, 1947) and 90,000 non-nursing hospital workers. Besides these paid workers, 40,000 already trained volunteer aides are needed to augment the number now giving many hours of service to the hospitals, it was stated.

It is expected that within a few months large numbers of nurses released by the military services and closed war plants may transfer their services to hospitals, but no appreciable increase in the number of women taking such positions is expected immediately. Of the 13,000 industrial nurses, many are expected to remain in the industrial field. Of the army and navy nurses released, it is expected that many will take well deserved rests before they take up new duties in civilian hospitals or as private nurses. The first classes of cadet nurses, now in training, will not become graduate nurses until next July.

In view of this situation, OWI was informed, the appeal during the recruiting drive is made to professional nurses who have retired or who are doing other work—to nurses who could accept more essential nursing positions, and to students. It was stated that in the 1,300 hospitals in the country with schools of nursing, student nurses during 1944 carried 80 per cent of the nursing load. The need for the additional nurses, the sponsors of the drive add, is due to the patient load, which is heavier today than at any time since 1940, as well as to the withdrawal in the past of nurses for the armed services and war plants.

NEW CEILING PRICE LIST FOR USED CARS

A new list of dollar-and-cent ceiling prices for used passenger automobiles—revised to reflect the 4 per cent reduction that became effective July 1—will be available for general distribution to dealers and local war

price and rationing boards shortly, according to OPA. The new prices are contained in Amendment 10 to Maximum Price Regulation 540—Maximum Prices for Used Passenger Automobiles—which bears the issue date of September 6, 1945.

Under the regulation, OPA explains, ceiling prices for used passenger automobiles now are automatically reduced 4 per cent every six months to reflect depreciation and increasing age of cars, the first reduction having become effective July 1, 1945.

OPA PERMITS HIGHER SHOE REPAIR PRICES

Shoe repair shops are permitted to charge 5 to 15 cents a pair over their regular prices for the soles of shoes when they use two types of soles materials now coming on the market, OPA says. The additional charges, effective September 10, 1945, are to compensate the repair shops for the higher costs of these materials, which are neolite and brown composition, rubber or fiber. Neolite is an entirely new material, while brown composition, rubber or fiber soles are similar to brown soles of these types sold be-

fore the war, except that synthetic rubber is now used in place of natural rubber. During the war repair shops used either leather or black composition, rubber or fiber, soles.

FOUR DOLLAR CEILING PRICE FOR CIVILIAN DDT

A retail ceiling price of \$4, effective September 8, 1945, has been set on one-pound "bombs" of Aerosol Insecticide, a solution containing DDT to be sold in small volume during the late summer, OPA says. The product is intended to be distributed experimentally to three or four cities in selected areas. It is in the form of a "bomb" dispenser containing an insecticidal mixture held under gas

pressure and is for civilian household use. OPA explains.

INDUSTRIAL RUBBER FOOTWEAR UNRATED

Rationing of industrial rubber boots and work shoes has ended, Price Administrator Chester Bowles said in an announcement covering the fifth commodity group to be freed from ration controls since the victory over Japan. Other commodities previously released were gasoline, fuel oil, oil stoves and processed foods.

Miss Gertrude Arend, Pfc. Don Stansell Wed

Mr. and Mrs. H. J. Arend are announcing the marriage of their daughter, Miss Gertrude Arend, to Pfc. Don Stansell, son of W. C. Stansell of Houston, in Hobbs, N. M., Tuesday evening, Sept. 11, at 8 o'clock.

The marriage vows were read by Rev. Earl R. Keating, pastor of the First Baptist Church of Hobbs, N. M., in the home of an uncle and aunt of the bridegroom, Mr. and Mrs. Clay Pack, at Hobbs.

The bride is the daughter of Mr. and Mrs. H. J. Arend of Near Sudan.

The bride wore a lovely rose suit with black accessories. Her attendant, Mrs. Leon Stansell, wore a gray suit with black accessories.

Sgt. Richard M. Stansell, brother of the groom, was his attendant. Others attending the wedding ceremony were: Mr. and Mrs. Aaron White and sons Lary and Lynn, Mr. and Mrs. Clay Pack and daughters Claynell and Pheba Kay and Mrs. R. R. Grisham, all of Hobbs, N. M.; and Mr. and Mrs. Leon Stansell of Littlefield.

Pfc. Stansell was overseas 26 months with the engineers, and returned to three states in January, 1934. After a 30-day furlough he

left Monday for his station in Pennsylvania. Mrs. Stansell will remain with her parents, Mr. and Mrs. Arend of near Sudan for the present.

Mrs. Hutson Honored At Tea And Shower Wednesday

Mrs. W. C. Woodworth, Mrs. W. E. Owens, Mrs. T. A. Yeager and Mrs. Fred Gerlach were hostesses at a lovely tea and miscellaneous shower at the home of Mr. and Mrs. Fred Gerlach Tuesday afternoon honoring Mrs. Sam Hutson, who lost her home and personal effects by fire recently.

The house was beautiful with an arrangement of cut flowers, including salmon and white gladioli, orange dahlias, tea roses, red dahlias and yellow corn flowers. Mrs. Maud Street, florist, arranged the lovely flowers about the home.

Guests were greeted at the door by the hostesses. Mrs. W. C. Woodworth registered the guests, while Mrs. W. E. Owens displayed the gifts.

Mrs. Roy Wade played the accordion during the afternoon.

The tea table was laid in a lovely eggshell lace table cloth. A crystal bowl of orchid dahlias on a reflector formed the centerpiece, on either side of which were candies in crystal holders.

Mrs. Van Clark poured tea from a lovely silver tea service and dainty refreshments, including open-face sandwiches, sand tarts and pink and white cream mints were served.

The gladioli were a gift for the party from S-Sgt. Robert Earl Gutrie, formerly employed by the Gerlach Battery & Electric, and who has just returned from two years overseas.

The guest list included: Mesdames Vera Clark, George Suggers, R. C. Cox, E. H. Pierce, Eugene Smith, M. N. Gore, E. J. Packwood, Frank Rogers, Belle Dow, W. T. Fowler, K. A. Brotherton, J. F.
