Crop Estimate Up To 135,000 Bales

111,417 Bales Of Cotton Ginned In Lamb County

Lamb County gins reported Tuesday that they have baled 111,417 bales of cotton so far this year. They estimate that 20% to 25% of the crop is still in the field. This would indicate that a total of 135,000 to 140,000 bales will be harvested.

This estimate is about midway between the estimate of 150,000 made the middle of August and a 128,000 figure issued a couple of weeks ago.

This is the smallest crop since 1951, but considerably larger than many have feared the county might end up with. Some individuals have been estimating that the crop would fall below 100,000.

Figures for the last five years for the county are:

1954	185,172
1953	193,008
1952	173,707
1951	121,800
1950	57,212

There is very little hand picking still being done and transient farm workers are all leaving the area as they finish their present jobs, according to J. D. Jordan of the Texas Employment Service.

Following the state trend, the grade of this year's cotton is below last year's. However, the South Plains area is still proving to have a larger percentage of higher grade cotton than is the state as a whole.

County Agent David Eaton blames the lower grades on the early freeze, late watering and excessive rains. Approximately half of this year's crop is being classed as "Spotted" compared with about one sixth "Spotted" last year.

Staple lengths are averaging out better than last year.

Most of the cotton being harvested now is going into government loan. The grade plus the huge surplus hanging over the market is causing cotton mills to keep their inventories at a minimum. The government has announced that it will soon offer for sale on the world market at competitive prices, 1,000,000 bales of low grade cotton. Domestic mills seem to be waiting to see what effect this is going to have on them.

Hewitt Fee No. 1 Makes Maximum

The L. C. Hewitt Fee No. 1, was undergoing a 24 hour potential test by the Railroad Commission Wednesday. It was not completed at press time but after 17 hours of pumping it had pumped more than the 73 barrel maximum allowable in this field, so was assured of an allowable of this much.

Les Hewitt, operator of the well on his own land, said he believed it would pump about 100 barrels during the 24 hour period.

This well extended the known limits of the Littlefield oil pool half a mile to the east. Since it was brought in Texas Company has started one well between it and the previous easternmost wells. More are expected to be drilled on this eastern side of the pool shortly.

High School Choir To Give Concert At 8 P. M.

The High School Choir will give their first full length program at the high school auditorium to-night at 8 p.m.

Tickets may be purchased from any choir member or the Choir Mothers. Prices are: General admission—50c and 25c. All reserve seats are 75c.

Proceeds go into the general fund to purchase music and equipment for the choir.

This is not a Christmas program, but it is a fitting program for the season.

Various types of selections will be given. Both the choir and the soloists promise an evening of good entertainment.

Hugh Ellison, choir director, is anxious for Littlefield and its neighbors to see what the choir has accomplished this year.

"June Mad" To Be Presented By Jr Class Monday

The Junior Play "June Mad," a three act comedy, will be presented Monday, December 5 at 8 o'clock in the High School Auditorium.

This sparkling comedy of modern youth is that rare thing—a family play written simply, yet with both humor and insight and has audience appeal for all ages.

It was written by Florence Ryerson and Colin Clements, who evidently know more about America's adolescents than anyone else since Booth Tarkington.

The cast will be made up of: Sue Joiner as Penny Wood, Jimmy Bennett as Chuck Harris, Anne Q. Bellomy as Mrs. Wood, Russell Carpenter as Elmer Tuttle, Billy Van Lighsey as Dr. Wood, Donna Sue Goertz as Effie, Betty Ayers as Milly Lou, R. L. Graham as G. Mervyn Roberts, Phillip Adkins as Roger Van Fleck, Jerry Banks, as Mr. Harris, Janet Brandt as Shirley Wentworth, Monte Berry as Ralph Wentworth, and Karlyn Hulise as Julie Harris.

SANTA FE RELEASES FIGURES ON NET INCOME

Santa Fe's net income for October, 1955, was \$5,263,157 according to a statement released by President F. G. Gurley. Net income for the first ten months of 1955 was \$56,402,285 compared with \$45,656,330 in the first ten months of 1954.

Salvation Army Invites Civic Clubs To Assist At Downtown Army Posts

Lt. and Mrs. Roland Chambless of the Salvation Army has invited the Civic clubs of Littlefield to share in the pleasure the Army forces derive each year from ringing the bells at the Salvation Army posts in downtown Littlefield.

Other Armies in various cities have shared this holiday gesture with the civic clubs to a great degree of success.

There will be one pot at the corner of the First National Bank and another at the Post Office. The bells will begin to ring on December 5.

Over the past quarter century, the ringing of the bells has become as much a part of the Christmas season as the caroling, shopping, and various other activities that go to make up the holiday spirit.

Shoppers enjoy dropping their loose change in the pots, and feel a sense of sharing in doing so.

The Salvation Army will this year direct the distribution of the Christmas boxes to all of the worthy families in the city. The churches, welfare office, and the

MRS. ROLAND CHAMBLESS
Red Cross have asked the Army to serve as the distribution center. Mrs. Chambless will direct the pots, and other Christmas activities along with her husband. She too, is a Lieutenant.

Mrs. Jack Wattenbarger, Safety Chairman of The Woman's Club, Mrs. C. O. Stone, President of the Art Club, Mrs. J. S. Abernathy, President of The Forum, Rev. Harry Vanderpool, President of the Ministers Association and The Rotary Club, and Chief of Police Lawrence Walraven watch Littlefield's Mayor, Ray Keeling, proclaim December 1 S-D Day in the city.

Second S-D Day To Be Observed Today

Myor Ray Keeling has proclaimed December 1 S-D Day in Littlefield. The various civic, church and educational groups have spent endless hours to make today an accident free in the city, county, state and nation. Littlefield's record is only one accident fatality in the city for the past three years.

Chief of Police Lawrence Walraven in describing his part in the nationwide Safe Driving Day, today, commented that he probably has the biggest, brightest variety of seasonal workers in Littlefield helping to do a job he wrestles with all year-around.

Helping to make a life saving success of the day in Littlefield will be Mayor Ray Keeling, County Judge Bob Kirk, and Sheriff Dick Dyer, plus the majority of the membership of The Rotary Club, The Lions Club, The Jaycees, The Ministers Association, The Woman's Club, The Art Club, The Forum, The two Parent-Teacher Organizations, and The Jayceettes.

Business firms will also lend a hand in the observance.

The goal will be to achieve an accident free day on December 1 through driver and pedestrian caution. This should be no task in Littlefield since in the City Police office hangs two plaques for two accident free years, 1953 and 1954. However 1955 will not be added to the plaques for there has already been one accident fatality in Littlefield this year.

"The concentrated efforts of these groups is encouraged by last year's proof that the country can react favorably to a Safe-Driving Day," Chief Walraven said.

"The impressive reduction last December 15 in national deaths and injuries showed that the individual driver and pedestrian will act on his personal obligation to stop accidents. By this dramatic one-day demonstration we call attention to ease of year around support for existing safety programs and traffic regulations of proven worth.

Nationally the total is 36,000 people killed; some one injured every 25 seconds; one and a quarter million people disabled, and \$4.4 million in medical bills, property loss and other expenses.

Dr. Thompson came to Olton from Tulsa.

SALVATION ARMY HAS QUIET THANKSGIVING

Lt. Roland Chambless reported an unusual Thanksgiving at the Salvation Army Hall. Only three transients were fed and furnished beds at the Army Hall. One family was furnished groceries.

This is unusual for this time of the year when so many migrant workers are in the area.

Seven Negroes Jailed On Burglary Charges

The sheriff's department of Lamb and Bailey county solved the two weeks old mystery Tuesday of the burglary of the Enochs Grocery store at Enochs on November 16, and the burglary of the C. H. Clevenger home in the Southwest corner of Lamb county on the Pep highway.

Merchandise consisting of clothes, jewelry, a new adding machine, and various other articles, along with jewelry and shoes taken from the Clevenger farm home were found in the possession of six negroes in Littlefield.

M. C. Miller has admitted to County Attorney Curtis Wilkinson that he did the burglaries. He implicated six other negroes, but one of them, Charles B. Taylor of Littlefield, denies any knowledge of the burglaries. None of the merchandise was found in his possession. The other five, T. C. Miller, Anderson Miller, Ola Mae Long, Lovie James, and Harry James deny any part in the affair, but the merchandise was found in their possession, so charge of receiving and concealing stolen goods may be filed against them if they still will not admit to the actual stealing.

The negroes, with the exception of Chas. B. Taylor, are from Chilton, Texas.

Taylor and M. C. Miller are in the Bailey county jail, and the others are jailed in Littlefield. They are awaiting hearings. No bonds have been set yet.

Employment Service Has Only 40 Claims

J. D. Jordan of the United States Employment Service in Littlefield reports a very quiet month. Only forty claims were filed for Unemployment Compensation during November.

The office placed one hundred twenty-three persons to positions that were non-agricultural. One thousand, seven hundred and fifty farm laborers were placed in the county.

The fiscal month ends on the twenty-fifth day of the month.

Robinson And Roberts Charged With Negligent Homicide In Accident

Charges of negligent homicide have been filed against Haskell H. Roberts, driver of the tractor, and Eugene "Ace" Robinson, driver of the Chevrolet in an accident which took the life of Royal Don Whitmire. The accident occurred Thanksgiving night near Beck Gin eight miles south of Sudan.

The boys were driving north when they were in collision with a tractor driven by Roberts, a gin employee. He was pulling a trailer loaded with cotton. Whitmire died in an Amherst hospital 24 hours later.

The other boys received only minor injuries, and Roberts was uninjured.

Both Roberts and Robinson appeared before Lamb County Judge Robert Kirk and pleaded not guilty. Their bond was set at \$1,000.00. Both men posted bond and were released.

Young Whitmire was an airman at McConnell Air Force Base at Wichita, Kansas and had just arrived to spend a leave with his parents, Mr. and Mrs. E. L. Whitmire of Sudan.

Services were read Sunday in the Sudan Methodist church for Whitmire. Burial was in the Sudan cemetery.

Ray Rochelle To Be Granted License Today

The Brownfield District of the Northwest Texas Conference of the Methodist Church will meet today in Tahoka.

Ray Rochelle, a senior in Littlefield High School, will be granted his local preacher's license in the Methodist Church at this meeting. Ray has passed the first two steps that are required of Methodist preachers. Sunday night, November 20 he was recommended by the congregation of the First Methodist Church of Littlefield after he explained his desire to become a minister.

The second examination that was held for Ray was Monday night November 28 by the District Committee on Ministerial Qualifications for the Methodist church. The men who examined him were: Rev. Vernon N. Henderson, Brownfield District Superintendent, Rev. Elton Wyatt, Amherst, Secretary of the committee, Rufus Cichens, Whiteface, Rev. M. V. Reynolds, Meadow, and Rev. W. H. Vanderpool of Littlefield.

Ray is the son of Mrs. Balford Rochelle, and the late Mr. Rochelle of Littlefield.

Methodists who will participate in the conference in Tahoka from Littlefield are: District lay leader, Albert Miller, Buster Owens, Jr. Director of General Church School work, and Rev. W. H. Vanderpool, District Missionary Secretary.

Others who will attend are: Mr. and Mrs. M. C. Street, H. O. Biggam, Mrs. John Wood, Mrs. Vanderpool, and Mrs. W. P. Kirk.

W. M. Inglis Rites Held At Arlington

Funeral services for W. M. Inglis, 60, of Anton were held Wednesday afternoon at 2:30 p. m. in the First Baptist Church of Arlington.

Inglis, a rancher-farmer of Hockley County for the past 18 years passed away at 3:30 p. m. Tuesday in a hospital in Temple, Texas.

Inglis moved to Anton from L. Borho, Lubbock. He spent a large part of his time near Pecos where he and a son operated a ranch.

Survivors are: his wife; two sons, W. D. of Pecos, and Wayne of Lubbock, and a daughter, Mrs. Bill Anthony, Arlington.

Tests For Scholarships To Be Given Here

"Homemaker of Tomorrow Day" will be observed here December 6.

A startling total of 256,534 career-minded graduating girls in 10,222 of the nation's high schools simultaneously that day will test their aptitude for the career that awaits eight of 10 of them—homemaking.

Included will be the senior girls of Littlefield high school, who have been enrolled in the Betty Crocker Search for the American Homemaker of Tomorrow.

General Mills, sponsor of this \$100,000 scholarship program designed to assist the schools in homemaking education, announced this huge participation of nearly half of the nation's high schools today. Last year, 187,463 girls in 8,040 schools were enrolled.

General Mills credits part of this year's increase to the impact the program has made on the entire school curriculum. School administrators registering entries include homemaking teachers, guidance counselors, deans and teachers in physical education and social studies.

A total of 582 schools and 12,436 girls in this state will take the 50-minute written homemaking examination which will be the

chuck wagon supper in the school lunch room on Saturday night, Dec. 3, 7:30 to 11:00 p. m. The girls promise a good floor show, tickets are \$1.25 per plate, and funds will go to help the girls carry on their rainbow work. Everyone please buy a ticket.

basis for selecting the school and state Homemakers of Tomorrow. The examination paper of the girl receiving the highest test score in each school will be entered in state competition with each state Homemaker of Tomorrow receiving a \$1,500 scholarship and each state runner-up a \$500 scholarship.

The 48 state winners and the representative from the District of Columbia, with their advisors, will tour Washington, colonial Williamsburg, Va., and Philadelphia April 8-12 when interviews will combine with the test score in determining the All-American Homemaker of Tomorrow. The winner will be selected April 12 and a scholarship will be worth \$5,000.

The 1954-55 winner, Arnette of Enterprise, using her scholarship at College in that state.

To Midwood high school Brooklyn goes the district having the largest number of girls enrolled in the Search—550. New York leads the states in most schools with 597 and most girls, 18,197. California had less—18,186.

Walker Appointed Studebaker Dealer Littlefield Area

Walker, well known businessman, has been appointed dealer here and sales, William A. Studebaker, regional sales manager for the Division, Studebaker Corporation, announced.

Studebakers will be in the showrooms at Littlefield, the only one in the volume low for 1955, and are the best in the industry.

In his announcement of the dealership here, Keller said it is one of the first to be granted a franchise under the division's program which anticipates a continuance of the 60 percent increase in Studebaker car and truck purchases experienced during 1955.

Keller said that the new dealership will be supported by the largest national and local advertising and sales promotion program in company history in establishing a volume dealership in this area.

Mrs. Morris Is Buried Sunday

Last rites were conducted Tuesday afternoon, Nov. 29, at 2 p.m. in the First Methodist church, Sudan, for Mrs. Sintha Morris, age 74, who died November 28th at the Sudan home of a son, Homer Morris. She had been in ill health for some time.

Officiating for the services was Rev. Walter White, pastor of the Methodist church. Assisting was Rev. Wayne Perry of the First Baptist church.

Mrs. Morris was born July 22, 1881, in Scotts Hill, Tenn., and moved with her family to Texas at the age of three.

She was married to W. L. Morris in 1896. Preceding her in death were her husband and four sons.

Turner - Raney Vows Read At Air Base Chapel

Miss Margaret Carolyn Turner and A-2c Billy Joe Raney were married in a military ceremony November 18 at 7 o'clock in the evening in the chapel at Sheppard Air Force Base with Chaplain (Capt.) Elmer J. Schwartzkopf, officiating.

The bride is the daughter of Mr. and Mrs. H. H. Turner of Deer Park, Texas. He is the son of Mr. and Mrs. L. N. Raney of Wichita Falls.

In the chapel decorated with bouquets of white gladioli and white candles, A-2c Jim J. Langley of Boston, Mass., provided the traditional wedding music.

Given in marriage by J. B. Shelby Jr., the bride wore a waltz length gown of satin and lace with the fitted bodice fashioned in long slender lines from a yoke of net illusion and buttoned down the back with self covered buttons extending deep into the billowing skirt, which was of illusion net flowing into fullness from a pointed waistline marked with lace pendants.

Acting as maid of honor, Miss Janie Barrett of Plainview, wore a semi-formal gown of rust net over taffeta with a white carnation corsage complimenting the white orchid which the bride carried on her Bible.

A-2c Charles R. Hawthorn of Houston was best man. A-2c Paul E. Hicks of Kingsport, Tenn., and A-2c Jack D. Crisco of North Carolina, were the ushers.

A reception in the Zodiac Room of the Kemp Hotel followed the ceremony. Presiding at the refreshment table which was decorated with a lace tablecloth over a light green satin cover were Miss Barrett, Mrs. O. D. Skinner Jr. and Mrs. J. B. Shelby. Mrs. Jack Warden presided at the guest book.

The former Miss Turner who is employed by Fidelity Union Life, graduated from Deer Park high school and attended Draughon's Business College. The groom is a graduate of Littlefield high school and is serving with the U. S. Air Force in the 3750th USAF Hospital at Sheppard Air Force Base. He is the nephew of Mrs. Joe Clark of Littlefield.

The couple are now residing in Burk Burnett, Texas.

Emma Epperson & James Fagan Wed In Ceremony On Thanksgiving Day

The South Side Church of Christ in Whitharral was the double ring ceremony at 024-o, scene of a double ring ceremony Thursday, Thanksgiving Day, at 4 p.m., when Miss Emma Ann Epperson and James Fagan were united in marriage.

Ronnie Parker, minister, read the rites before an archway of white carnations and huckleberry leaves with blue tapered candelabra.

Mr. and Mrs. Albert H. Epperson are parents of the bride. The groom's parents are Mr. and Mrs. C. L. Fagan.

A mixed chorus from Littlefield sang "At Dawning," "Because" and rendered traditional wedding music.

Given in marriage by her father, the bride wore white nylon lac cover taffeta which featured a Peter Pan collar, cap sleeves complimented with lace mitts, a fitted bodice with tiny covered buttons down the front ending in a point and joined to a bouffant skirt, ballerina length. Her fingertip veil of tulle depended from a tiara of rhinestones and seed pearls.

She carried pink carnations atop a white satin Bible with satin streamers.

Mrs. John Wayne Hall of Odessa attended her cousin as matron of honor. She wore blue taffeta, styled similar to the bride's dress. Her flowers were white carnations.

James Curtis Epperson, brother of the bride, was candlelighter. The bride carried out the traditional something old, something new, something borrowed, and something blue.

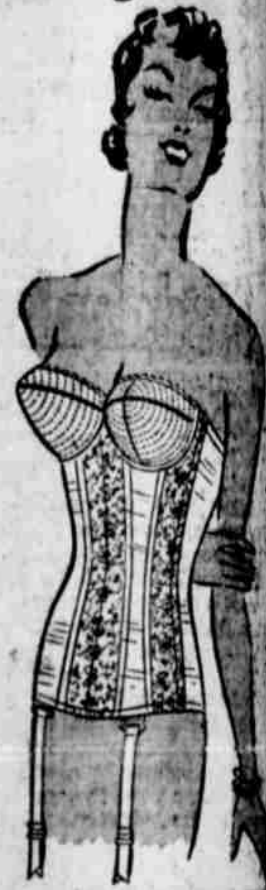

A reception at the Epperson

home followed the ceremony. The bride's table was laid in lace and centered with an arrangement of flowers, the tiered wedding cake

and punch bowl. Assisting hostesses were Mrs. Epperson, Mrs. Hodges, and Misses Joan Epperson and Wanda Raines. For traveling to Irving the couple will make their home in a new home. Mrs. Fagan chose a suit of coal gray with pink accessories and a pink corsage. Both are graduates of harral high school. Fagan attending North Texas College. Mr. And Mrs. J. H. Wells Observes Anniversary

Mr. and Mrs. Joe H. Wells of 404 West Fourth street, Littlefield, observed their 45th wedding anniversary Sunday afternoon at an open house, when over a hundred friends called to extend greetings.

Hostesses for the very happy occasion were: Mrs. Paul Shepperd, daughter of Mr. and Mrs. Wells, Mrs. Ruth Schroeder of Seely, Texas, another daughter, and Mesdames B. E. Turner, A. B. Brown, Bill Jeffries and Audie Collins. Mrs. Shepperd is the wife of M-Sgt. Paul Shepperd, who is on duty with a radar detachment of the U. S. Air Force in Paris, France.

The refreshment table was laid with cutwork cloth, centered with the white anniversary cake, made in two sections, fashioned in the figures four and five, and decorated with pink roses. A silver

coffee service completed the table appointments.

Mrs. Brown and Mrs. Collins presided at the tea table. Guests were registered by Mr. and Mrs. Wells.

The Wells home was beautiful with colored pot plants and cut flowers.

A profusion of gifts expressed the high regard with which Mr. and Mrs. Wells are held.

Mrs. Wells, the former Edith Wilmont, and Joe H. Wells were married November 27, 1910, at Peoria, Ill., by Rev. B. D. Carpenter, minister of the Universalist Church, at the parsonage. Shortly thereafter the couple moved to St. Francis, Kansas, where they made their home for fourteen years, and where were born to them three children, two daughters and a son. The son, Bill Wells, passed away in 1934.

The Wells family moved to Littlefield in 1924, and have continued to make their home in this city. For many years, and until recently, Mr. Wells was a building contractor and construction superintendent, and acted in these capacities in the erection of many Littlefield professional and commercial structures.

Mr. and Mrs. Wells' wedding anniversary observance was heightened by the presence of their grandchildren, Bill Schroeder of Seely, and Joe Paul and Stephen Wells Shepperd.

Wozencraft-Martin Vows Read In Olton Church

In a double ring ceremony, Miss Nora Lee Wozencraft, daughter of Mrs. Edsy Wozencraft, became the bride of James Martin, son of Mrs. Leona Martin, both of Olton.

The service was read in the First Methodist church with Rev. Charles Littleton, Presbyterian minister, reading the vows before an archway of greenery, flanked on either side by baskets of chrysanthemums and white tapers held by seven branched candelabra.

Miss Sandra Homby played traditional wedding music and accompanied Miss Lea Bell and Tommy Sluder who gave vocal selections.

The bride was given in marriage by her brother, Kent Wozencraft.

She was attired in a chastily lace and tulle gown. Tulle ruffles extended down the center back of the skirt worn over hoops. The fitted bodice featured a yoke, outlined in scalloped lace. Her fingertip veil was held in place by a lace crown. For something old she wore a strand of pearls belonging to her grandmother. She carried a bouquet of Frenched carnations.

Sister is Matron of Honor Mrs. Jolene Burgess, sister of the bride, was matron of honor.

Her bridesmaids were Misses Bonnie Lunsford and Loy Goynne. Joe Bridge served as best man. Robert Bridge and Archie Souter were ushers. Candlelighters were Max Wozencraft and Bill Lunsford.

A wedding reception was held following the wedding in the home of the bridegroom's aunt and uncle, Mr. and Mrs. Melvin Souter. The cake was a three-tiered white trimmed with wedding bells. The bride and groom are both graduates of Olton high school. They will be at home here after a wedding trip to New Mexico. Mr. Martin is an employee at Jefferies Lumber Co.

Machine Turn Seed To Feed In Six Days - - Without Soil

Demonstration Set For Friday

The president of the Plains Co-operative Dairy Association is raising forage for half of his Holstein herd in only six days growing time. Thurston Tollett, Olton Dairyman, is putting thirty pounds of grain sorghum in a machine in his barn every day, and taking out 200 pounds of nourishing green forage — enough for 20 cows.

And he does it all without ever putting a seed in the ground.

There is no magic to it. Tollett is using an incubator like machine which has been in use in Europe for several years. It grows forage in a tray with nothing but water and chemicals.

At a controlled temperature of a little over 100 degrees, the embryo plants grow very fast. In six days they reach a height of six to eight inches. And every inch can be eaten—roots and all—because there is no dirt clinging to them.

Tollett's is the first Herbage on the plains. But he is not exactly experimenting because tests in Central Texas have indicated that this forage cuts down feed supplements by one third while raising milk production by one fifth.

Any Grain Will Do
It is so new in this part of the world that all machines now in Texas are employed at feeding dairy cows. In France, however, where the machine was invented and where some 5,000 are now in use, they are widely used for hog, poultry and beef production.

Almost any grain that a livestock feeder has available is suitable for use in the machine—maize, corn, wheat, barley, etc. The machine is almost fully automatic. The operator takes out a shelf of six trays each day and feeds the forage in it. Then he puts another five pounds of grain into each tray and puts it back in the machine. He drops a spoonful of dry chemicals into the water tanks on top and goes on about his business until the next day.

The machine feeds the right amount of the chemical solution at the right temperature for to each tray and keeps the seed fastest growth.

The machine was installed for Tollett by A. C. Chesher of Littlefield, who has been appointed distributor of the Herbage for the entire Panhandle and South Plains area. Chesher is sure it will make livestock feeding more profitable and more popular in this area.

Demonstration Friday
To demonstrate the process to dairymen and other feeders of the area, Chesher has scheduled a field day to take place on the Tollett Farm Friday, December 2. Invited are 275 dairymen in the area, 50 county agents, and every one else who is interested.

The Tollett Dairy is located 2 1/2 miles north and 1/2 mile west of Olton.

WSCS HAS SOCIAL

"Women and the Church Through the Centuries," was the title of the program presented by Mrs. W. M. Alexander at the WSCS meeting Monday, Nov. 21, at the Methodist church. This topic was discussed to stimulate the thinking of the women concerning their place and their service in the church, as well as to encourage women to make a fresh study of the part played by women in the Old Testament.

The important subjects discussed at the second assembly of the Worlds Councils of Churches held in Evanston, Ill., were reviewed by Mrs. Alexander.

The drama, "Four Years, Four Words, Four Women," was presented by Mrs. Sol Gann, Mary Sol Gann, Mrs. W. M. Alexander, and Mrs. Emmett Kerr, with Mrs. Marion Mayes as the leader and Mrs. Royce Womack as the soloist.

The play was about the four Mary's, Mary of Nazareth, Mary in Bethany, Mary of Jerusalem, and Mary Magdalene.

Mrs. Gann was hostess for the social. Those attending were Mrs. Brantley Stephenson, Mrs. Jack Grace, Mrs. Roy Carden, Mrs. Jess Paden, Mrs. Bob Biffle, Mrs. Paul Tullis, Mrs. Emmett Kerr, Mrs. W. M. Alexander, Mrs. Marion Mayes, Mrs. Royce Womack and Mary Sol Gann.

Pumpkin pie and coffee were served. The WSCS has just completed a study of The Five Spiritual Classics.

The next meeting will be in the home of Mrs. Emmett Kerr on Dec. 12.

"IN CHRIST"

By **TOMMY WILLIAMS, Minister**

The Scriptures set forth the blessings of being in Christ, and the means of entrance into him.

Redemption, Forgiveness of Sins
Colossians 1:13-14: "Who hath delivered us from the power of darkness, and hath translated us into the kingdom of his dear Son IN WHOM we have redemption through His blood, even the forgiveness of sins."

Salvation
2 Timothy 2:10: "Therefore I endure all things for the elect's sakes, that they may also obtain the salvation which is IN CHRIST Jesus with eternal glory."

All Spiritual Blessings
Ephesians 1:3: "Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings in heavenly places IN CHRIST."

Means of Entrance Into Christ
Galatians 3:27: "For as many of you as have been baptized INTO CHRIST have put on Christ."

For Future Blessings, Abide in Him
1 John 2:28: "And now, little children abide IN HIM; that when he shall appear, we may have confidence; and not be ashamed before him at his coming."

Wildcats Open Basketball Season

Springlake In Action

FORTH, Springlake Quarterback, is shown picking up 18 yards around left end of the line in the third period. The gain was one of the longest of the night for the Lambs' eleven. (Staff Photo)

FTIS, Springlake Fullback, is shown picking up yardage through the middle of the Stinnitt in the third period of their Bi-District game at Amarillo Saturday night. Stinnitt won the contest 34-6. Loftis was the best all-around ball player on both offense and defense. He is the line-backer on defense. (Staff Photo)

Coach Webb Will Make His Debut

Coach E. J. "Jeep" Webb will make his debut as Head Coach of the Littlefield basketball team when the Wildcats will play host to the Sundown Roughnecks of District 4-A Friday night at the high school gymnasium.

Sundown was beaten in an overtime game by Anton Tuesday night 51-49.

Coach Webb does not have a single starter back from last year's team but will have a good bunch of boys up from the fine "B" team of last year.

The boys played a hastily-scheduled game with the Amherst Bulldogs at the local gym Monday night and came out on top of a 48-41 score. Little Buddy Jones, a sophomore, was the standout for the locals along with Red Durham and Johnnie Burleson.

Wayne Wicker and James 'Red' Durham were elected by their teammates to lead them as Co-Captains for the coming season. Wicker was a standout reserve last year and this is Durham's first year to play varsity ball although he did play a little for the "B" team last year. Durham, who was forced to give up sports a year ago because of illness is now in top physical form and was the hustlingest boy on the court in Monday night's game.

All of last year's starters are gone. Milton Vaughn, Dan Howard, Joe Giddens, Keith Davis, have all graduated and Bill Kenner, the other starter is still in school but is too old for scholastic sports.

Members making up the "A" team this year include: James Durham, Wayne Wicker, Paul Yarbrough, Bob Orr, Johnny Burleson, Buddy Jones, John Clayton, Joe Hoover, and Jimmy Jamison.

Oilton Man Is In Exercise Sage Brush

FORT POLK, La.—Army Pvt. Billy Langford, 27, whose wife, Leatrice, lives at 108 E. Seventh St., Portales, N. M., is participating in the largest joint Army-Air Force maneuver since World War II, Exercise Sage Brush, in Louisiana.

Private Langford's unit, the 1st Armored Division, will be regularly stationed at Fort Polk, La., after the maneuver ends Dec. 15. Langford entered the Army last January. He is the son of H. M. Langford, Star Route, 2, Oilton.

COACH AND CO-CAPTAINS: Pictured above is the coach and co-captains of the Littlefield basketball team that will open the season here Friday night against the Sundown Roughnecks. The two were elected before their first game of the season Monday night against Amherst which the locals won 48-41. From left to right is Wayne Wicker, Coach E. J. Webb and James Durham. (Staff Photo)

Joe Walden Named To Border Team

JOE WALDEN, West Texas State halfback for the past three seasons was named to the All-Border Conference team Tuesday. Walden, a former Littlefield Wildcat star and son of Mr. and Mrs. G. V. Walden received more votes than Art Luppino, the nation's leading ground gainer, in the balloting.

1956 Grid Schedule Completed

Supt. Ralph Schilling, recently announced the completion of the 1956 Wildcat football schedule with Tulla filling in the Oct. 5 date.

The Wildcats, member of the recently formed District 1-AAA will play the Hornets at Tulla in the non-conference affair.

OXFORD, ERMA OXFORD HOWELL, and the wives or husbands of the above named persons; and if any of the above be deceased, including the wives and/or husbands, then to their heirs or legal representatives, the names and whereabouts of each and all of whom is unknown, and all other persons claiming any interest in and to the lots, tracts or parcel of land hereinafter described, whose names and places of residence are unknown; and all of the unknown owners and claimants of any interest in and to the lots, tract or parcel of land hereinafter described, whose names

defendants, and Vida Criswell, a widow is the sole and only plaintiff in said suit.

A brief statement of the nature of this suit is as follows, to-wit: For cause of action, plaintiff represents to the court that on or about the 1st day of November, A. D. 1955, she was lawfully seized and possessed of the following described land and premises situated in Olton, Lamb County, Texas, holding and claiming the same in fee simple, to-wit:

"Being all of the following lots: Lots No. 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, and 16 in Block No. 108; All of Lots No. 1, 2, 3, 4, 13, 14, 15, and 16 in Block No. 109; All of Lots No. 30, 31, and 32, in Block No. 107; All of Lots No. 1, 2, 3, 4, 5, 6, 7, and 8, in Block No. 165, all in the Original Town of Olton, Lamb County, Texas, as shown by map or plat of record in Vol. 4, pages 1789 of the Deed Records of said County."

That on said date, defendants, and each of them, unlawfully entered upon said land and premises and ejected plaintiff therefrom and unlawfully withholds from her the possession thereof to her damage, \$1000.00. That the reasonable annual rental value of said land and premises is \$1000.00. The plaintiff claims title to said land and premises under and by virtue of the twenty-five (25) and ten (10) years Statute of Limitations; and that the plaintiff claims that permanent and valuable improvements were made on said land during such possession, as set out in her original petition on file in said cause.

The officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and seal of Court at office in Littlefield, Texas, this 29th day of November, A. D. 1955.

ATTEST:

Wonder How They Do It?

Newsprint has gone up again, which puts another squeeze on the metropolitan newspapers. But they will all take another hitch in their belts and keep on getting by.

It has brought the usual rash of cries from politicians for price controls on newsprint, or government subsidies for more mills, or government rationing, or almost anything to make the publishers feel like they've got a friend in Congress.

Really think they are playing up to the wrong group. Newsmen see too much of that sort of thing to be much impressed. They watch the politicians try to sell that same false philosophy to every economic group that votes. And most of them have long since figured out that the sum total of all such interferences with our market system, spells ruin for free enterprise with all its benefits for mankind.

Publishers as a group will take their chances in a free market rather than take their chances with the politicians. The market is impartial; politicians cannot be.

Those politicians who really want to convince the newsmen of the nation that they are trying to help out in alleviating the newsprint shortage (which is what caused the price rise) can do so very easily. All they have to do is forego the luxury of political throw aways.

One candidate for governor has already put out 400,000 copies of a political paper boosting his candidacy. It used up enough newsprint to supply all six newspapers in Lamb County for almost a year. And the campaign hasn't even started yet. He will no doubt put out several more. And if the other half a dozen candidates should do the same thing, they will have seriously aggravated the difficulty small newspapers are having in locating (at any price) enough paper to give their readers the local news.

We wonder how they get newsprint in such quantities. Newspapers of all sizes are having to borrow from each other and scrounge every way they can to get by while their regular shipments of print are running a month or two behind schedule. But somehow influential politicians can get a year's supply for half a dozen newspapers.

The moral, it seems to us, is that Americans must not turn their markets over to the politicians. There is no justice there.

No Story

No paper carried the story. Can't understand why. It was good material—packed with human interest.

It happened this way: They had planned the vacation for a long time. The children had counted the days till it began. Then they started off on that long trip they had planned so well.

The days went quickly—as vacation days do. It was on the way back—only an hour's drive from home—that the parents began talking about the time they had had. They agreed that it was the most wonderful trip of their lives. They would never forget it.

They were right: They never would forget it.

Here were four people with everything to live for.

And they did live.

There was no accident.

They were among the millions of people who every day drive automobiles without an accident. They were among the millions of motorists who never make the headlines. They had a vacation the whole family enjoyed and will always remember. Their happy days had a happy ending.

The moral of the story no paper carried? It's just this: Safety doesn't make headlines. The results of common-sense driving are evidenced by accidents that never happened—by headlines that were never printed. That's the big safety story. It's a story that happens so often it isn't news to the public.

But on S-D Day, which is on December 1, safety will be news—big news. On that day Americans all over the country will make one big effort to drive skillfully without accident. And if they are successful no paper will overlook the story. If the accident toll is cut down, banner headlines in newspapers all over the country will proclaim the news. But whether it's S-D Day or not—every driver owes it to himself and his loved ones to drive carefully . . . to practice the skill, timing, and coordination that makes for expert driving. That's the sure way to safety. Safe Drivers Make Safe Highways. . . on S-D Day and every day.

Bula Girl Attends Abilene Conference

Carolyn Reynolds, daughter of Mr. and Mrs. H. A. Reynolds of Bula, student at Texas Tech, was attending the Texas Methodist Student Movement Conference in Abilene Nov. 25-27.

Theology professors from Dallas and Boston delivered the major addresses at the TMSM conference, theme of which was "Christ and the Silent Generation."

Dr. Harold Ehrensperger, professor of religion and the arts at Boston University School of Theology; and the Rev. Joseph Matthews, assistant professor of Christian ethics at Perkins School of Theology, Dallas, were the featured speakers.

Both of the speakers are Methodist ministers and both have

traveled extensively throughout the world.

Other adult directors of the conference were Dorothy Nyland and Lee Cooper of New York City, and Harvey Brown and Larry Eisenberg of Nashville, Tenn. Student leaders were Orlie White of Perkins School of Theology, TMSM president; Elizabeth Nielsen of the University of Texas, secretary; Henry Holloway, Perkins School of Theology, song leader; and Don Boyd of McMurry College, organizer.

Delegates to the conference were housed at McMurry College. Dormitories and took their meals at the college dining hall. The Rev. Robert Cooper of Denton was dean of the conference. Handling administrative duties was the Rev. Bob Breihan of Austin, state TMSM director.

With winter coming on, it is time to consider management practices which will keep forage production and livestock numbers in balance.

The Sandhills Philosopher—

(Editor's Note: The Sandhills Philosopher on his Johnson grass farm has run across the latest idea for solving the farm problem, his letter this week reveals.)

Dear editor:

While I don't like for the politicians to get hold of this, I was just thinking one night this week as I was reading about the latest idea to solve the farm problem, personally I've had a farm problem out here long before anybody ever thought up a farm solution and I expect to have one after all the ideas to solve my problem have been thought up, but I was interested in this latest idea, the same as I am in all the old ones.

According to it, the trouble with the present price support program is that it produces a surplus, and the surplus, it claims, is produced mainly by the big farmers, the operators with many thousands of acres who produced mainly by the big farmers, the opera-method.

Therefore, this newest idea, thought up by a man in New York, would start out with high price supports for the farmer who produces just a small amount, with the supports gradually falling off as a man's production went higher. This, the New Yorker said, would take care of the family-size farmer

and give a little help to the biggest farmer, but not much, since he doesn't need much.

Well, I don't know about this, I've seen some mighty big farmers who were mighty thoroughly busted, and I've seen some little farmers who had money in the bank and a grin on their face, but on the whole it might work and I'd be willing at any rate to give it a trial, but I think the idea needs revising a little.

If you're going to pay a man on the basis of the less he produces the more he makes, you'll run into all sorts of complications.

What they need is a system of calculating the amount of effort it takes to get started to work and stay with it. You take some people, it's just harder for them to work than others. On the other hand, there are some people who just ain't happy unless they're working from daylight to dark. Therefore what we need, if they're going to think about paying a man a higher rate of pay for a smaller amount of production, is a system that takes into consideration how much effort it is for any given man to work at all. That's what I'd like to see the rate of pay based on. You have no idea how much money I could make under that system.

This thing has a lot of possibilities, but somebody is gonna object to it. You can't please everybody.

Yours faithfully
 J. A.

ALL-STEEL BEAUTY

at a steal of a price

The 1956 Buick SPECIAL 4-Door, 6-Passenger Estate Wagon

IN NO uncertain terms, this one makes your travel hours prideful as well as practical. It's all Buick, you see—all 1956 Buick.

Which means a new lift to anyone's spirit—from the new sweep-ahead look of it—the new might of its 322-cubic-inch V8 engine raised to lofty new power highs—the new sizzle of its advanced Variable Pitch Dynaflo*—the true sweetness of its great new ride.

But it's a lot more than that. It's Buick's highly versatile Estate Wagon—now substantially lowered in price for 1956—and how much more practical can you get than that?

For with this one, and for an easy-to-reach

figure—you have a car with all the suavity and comfort of a smart sedan plus the all-duty handiness of a suburban vehicle.

You have a car completely steel-bodied, so its exterior upkeep stays simple and inexpensive—and a car more than roomy enough to carry six and their gear.

You have a covered platform that's wonderful for a host of things. It can take an inflated air mattress for sleeping. It can freight a small rowboat and camp equipment. It can hold vacation luggage, or golf clubs and such—or the results of a mad shopping spree, even if you go in for antique furniture.

You can even have the folding rear seat come, at your option, in a handy split-section arrangement that lets you carry both rear-seat passengers and extra-long loads like skis, or fishing rods, or young trees, or two-by-fours.

So what more can we say, except come see it. The Estate Wagon is available in Buick's two lowest-priced Series—the budget-tagged SPECIAL, and the great CENTURY. And, we repeat, both newly lowered in price for 1956.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Firestone De Luxe Champion Tubeless Tires

on your present car for the same price as regular tires and tubes

The Standard Equipment Tire on the New 1956 Cars . . .

New Safety-Tensioned, Gum-Dipped* Cord Body Makes Firestone Tires Safer . . . Stronger . . . Run Much Longer!

The Firestone Gum-Dipping process, patented in 1920, has long been famous for extra protection against blowouts. Now, with valuable speedway experience and millions of miles of testing on the highway, Firestone combines Gum-Dipping with Safety-Tensioning to take the stretch out of tire cords, a major cause of tire failure in high speed driving. The result is greater blowout protection and longer tire life.

*T.M. Reg. U.S. Pat. Off.

All These Extra Features at No Extra Cost

BLOWOUT PROTECTION No tube to pinch or explode! The Safety-Liner, which holds the air, also reinforces the tire . . . instead of a dangerous blowout you get a slow leak.	PUNCTURE PROTECTION If a nail should penetrate this tire, the Safety-Liner grips it and slows air loss . . . no need to change flats on the road.	SKID PROTECTION Newly designed silent tread has more angles . . . more skid-proofing edges than ever before . . . has 70% more skid-resistance than ordinary tires.	QUIETER RUNNING No hum or whine because tread elements overlap to prevent rhythmic vibration. Silent Safety-Grip Tread won't squeal even on sharpest turns.	GREATER COMFORT New resilient tread compounds and flexible tread design absorb road shock. Elimination of the inner tube also provides a softer, more comfortable ride.	LONGER MILEAGE The tread is compounded of extra-tough wear-resistant rubber. Its Safety-Tensioned, Gum-Dipped* Cord Body prevents dangerous tread cracking.

 2 dozen marshmallows, finely cut
 1/2 cup orange juice*
 6 dozen 2 1/2-in. graham crackers
 1/2 teaspoon cinnamon
 1/2 teaspoon nutmeg

1/4 teaspoon cloves
 1 1/2 cups seedless raisins (1/2 golden and 1/2 dark are best)
 1/4 cup finely cut dates
 1 cup broken walnuts
 1 1/4 cups ready-mixed, cut-up candied fruit, bulk or canned

Line with waxed paper bottom and sides of a 9-inch tube pan, or 6-cup loaf pan. Put into a bowl the milk, marshmallows and orange juice. Let stand until needed. Roll graham crackers into fine crumbs. Put crumbs into a large bowl with the cinnamon, nutmeg, cloves, raisins, dates and walnuts. Add candied fruit and the milk mixture. Mix with a spoon, then with hands until crumbs are moistened. Press firmly into pan. Top with fruit and nuts. Cover tightly. Chill 2 days before slicing. Keep in cool place. Makes 3 1/2 lbs.

Sunday School Lessons
BY DR. KENNETH J. FOREMAN

His Demands
Lesson for December 4, 1955

CHRISTIAN living is not a matter of vague general good will. A character in a movie remarked: "I'm not a mean man. If I heard that my neighbor's children had been eaten by wolves, I would feel some regret." Well, of course that didn't make him a Christian. (He turned out to be the villain, by the way.) But there seems to be a certain amount of members and others who think that being a Christian calls for nothing more than being generally at peace with the world. . . . Like a turnip. . . .

Dr. Foreman
A far more demanding thing. And the demands are Christ's demands. He is not a trademark, a portrait of a Founder beaming on us benevolently from the wall. He is the living Christ, Son of Man and Son of God. He makes demands on his disciples, and he has a right to make them.

Discipleship
Those who were closest to Jesus in Galilee, those with whom he took the greatest pains, were called Disciples. Now the least that "disciple" can mean is "learner." The first demand that Christ makes of his disciples is that they call themselves Christians. . . .

Decision
Another demand Christ makes of us is decision. This in three ways: decision for him, decision about him, decision with him. It is especially these last two that are highlighted in this week's passages from Luke. The decision for Christ is the point at which one begins to be a disciple. . . .

Denial of Self
Now if we have answered the first two demands, for discipleship and for decision, we may be ready for the third demand. (This is the decision with him, spoken of just now.) We shall pay very little attention to this if we have not rightly met the other two. . . .

News

BY MRS. W. T. CLAYTON
Mrs. C. J. McLeroy, 69 years old, a resident of Terry county since 1921, died Wednesday and was buried in Terry County Memorial cemetery.

The services were held in the First Baptist church in Brownfield. She is survived by three sons and seven daughters. Mrs. Frank Bozeman of Springlake is one of the daughters. Several from Springlake attended the funeral.

The little McFatter twins, along with mama, Charlene, and papa, Art, and little sister attended services at the Baptist church Sunday morning.

Mr. and Mrs. W. T. Clayton visited Grandfather Bartlett in Olton Memorial Hospital Sunday evening. Mr. Bartlett is a pioneer of Lamb county, having lived a very colorful pioneer life. . . .

Mr. and Mrs. Bo McClure were honored with a dinner Sunday in the home of his mother before leaving for their home in Arizona.

Miss Noretta Carruthers, a student from San Marcos Baptist school is home fore the Thanksgiving holidays. Noretta's father and mother own and operate the Carruthers' Grocery and Market.

Garry Miller, student at Wayland is home visiting his parents during the Thanksgiving holidays.

Sunday morning Garry made the decision to become a Missionary. Garry is a ministerial student at Wayland.

The program for the week of prayer for Foreign Missions beginning Monday through Friday will be as follows: Monday "The Orient," Tuesday, "Africa," Wednesday "Latin America," Thursday "Europe and the Near East," Friday "Prayer Around the World."

The Mexican Mission reported 44 in attendance Sunday morning.

Mr. and Mrs. Jimmy Ray Banks and children spent Sunday in Vega visiting in the home of Mr. and Mrs. Ray Banks, parents of Jimmy Ray.

Mr. and Mrs. Ernest Green spent Sunday in the home of Mrs. Green's parents, Mr. and Mrs. J. D. McNeil of Earth. The Mc-

Neils had their relatives for the Sunday Thanksgiving meal.

Miss Genevieve B. ock is ill with the flu this week.

Little Barbara Burrow is ill with a virus. Barbara is the daughter of Mr. and Mrs. Bill Burrow who own and operate the Springlake Farm Chemical store.

Mr. and Mrs. Sandel visited in the Baptist church Sunday. They have recently moved to the Springlake school campus where Mr. Sandel is employed as a janitor.

Malcolm Huckabee, student from the Baptist Mississippi College is home-visiting during the holidays. Malcolm has been in bed due to a stomach virus.

Mr. and Mrs. Malcolm Burkett are visiting in the home of Mrs. Burkett's parents, Mr. and Mrs. Gus Parish. The Burketts have a new baby son.

On Mechanical Cotton Harvester

David Samuelson, who farms in the Carlson and Kimbro communities of Travis county, is a firm believer in the 7-step cotton program and machine harvesting of cotton. Recently County Agent Elmo Cook asked him, "Would you go back to hand picking after using a stripper for four years?" His answer was "Never." Here's his reasoning. During the past four years he has machine harvested 334 bales of cotton. A labor shortage forced him to try a stripper. He has no labor problem with machine-harvesting.

He has used each year pentane and kerosene to do the defoliation job. It is applied with a four-nozzle sprayer. . . .

The grade of machine-harvested cotton, he allows, depends upon the proper adjustment of the machine, the defoliation job done staying out of the field until the cotton is ready and not stripping when the cotton contains moisture. . . .

Here are his suggestions for making machine-harvesting successful. Plant the cotton in 40 inch rows; use a variety adapted

to stripper-harvesting; plant for a thick stand . . . 20 to 30 pounds of fuzzy seed an acre; early insect control; clean cultivation; a good defoliation job; wait 7 to 10 days after defoliating before stripping; set the machine right and gin where there is a drier and proper cleaning equipment.

By following this program, Samuelson's cotton has grade as good or better than hand-harvested cotton. And after four seasons, he sums it up this way, "I get my cotton out of the field sooner; get the stalks destroyed earlier; give the land a longer rest; have less trouble with insects and make more money."

Texas Farm Land Values Up From Last Year

A report by the U. S. Department of Agriculture on current developments in the farm real estate market as of July shows a continued upward trend in market prices of farm land in Texas this year.

Farm land values in Texas rose 6 per cent between March and July 1955, bringing them 8 per cent above their general level as of July 1954.

Nationally, a continued moderate advance in dollar value of U. S. farm land during the first half of 1955 brought farm real estate values back to their previous peak reached in late 1952, follow-

ing the Korean outbreak. Compared with a year earlier, farm land values in 36 states showed gains of 2 per cent or more this July and the National average increase was 5 per cent. Largest increases occurred in the central Corn belt, where gains ranged from 5 to 8 per cent. But similar increases occurred in Texas, Louisiana, and Florida. Only three States—Maine, Vermont, and Wyoming—reported values significantly below a year earlier.

The strength in land values, according to the Department of Agriculture, appears to be based in part on strong demand for additional land to enlarge existing farms and permit more efficient use of farm machinery. More available credit is also given as a factor, plus favorable crop prospects at mid-1955, and a generally favorable outlook in the national economy.

More than two-thirds of the farms and farm tracts sold in 1954 and the first half of 1955 were bought by farmers, and farmers who already owned some land were the principal class of former-buyers.

AN UNSURPASSED VALUE . . . THE NEW

A-C Four-Disc Plow

The new plow is pictured above in action on a farm south of town, owned by L. C. Grissom who purchased the plow. Driving the new Allis-Chalmers WD 45 tractor is Earl Turvayille, who helps his father on the Grissom farm.

With the big new plow you'll get more acres plowed uniformly . . . at lower cost. It provides plowing capacity far beyond what its size alone would lead you to expect. It is a rugged, heavy-duty implement with big 26" or 28" disc blades attached to a steel frame of exceptional strength with approximately 350 pounds of weight on each blade. This assures quick, easy penetration to the depth desired, plus work of superior quality. Total width of cut is 40 or 44 inches, depending on blade setting and plows up to 1 1/2 acres per. hour.

Because of its low first cost and low operation costs, the new AC plow is an unsurpassed value when compared to four disc pull-type plows.

Take your problems to Church this week — millions leave them there!

"I'LL BE GLAD TO"

When they want an angel food cake for the church bazaar, Mrs. Turner is apt to be asked to bake it. She almost always responds to such requests with a simple, "I'll be glad to."

If you ask people about Mrs. Turner, they will tell you that she is one of the happiest women in town. Yet not so long ago she was feeling pretty sorry for herself. Life seemed such a humdrum affair. As an accomplished musician, she had had dreams of the concert stage, but marriage and children had changed all that. Somehow it didn't seem fair!

Then one Sunday, a friend persuaded her to go to church. The sermon happened to be about the ingredients that make a full and happy life. The things the minister said struck home, and the next Sunday she found herself back in church again. Then one Sunday Mr. Turner went along, and next, the youngsters.

Now Mrs. Turner is still "just a housewife," but is she dissatisfied with her role? Look at her face, and see for yourself! It took the Church to show her that she already possessed all the tools needed for fulfillment and happiness, if she would but use them. Now, she does.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

CHRISTIANITY IS THE ROAD to the solution of the perplexing problems of the hour.

THE CHURCHES and their messages are the guide posts on this road.

THE PUBLIC SPIRITED FIRMS listed on this page urge church support and attendance — thus working toward a greater and more spiritual community in which to live and rear our families.

"The range I use has to be fast—that's why it's **ELECTRIC!**"

says **MRS. J. B. RILEY**
1501 SOUTH ADAMS
ROSWELL, NEW MEXICO

"J. B. is a building contractor, and has a very busy schedule. I never know when he'll be in for meals, so I start preparing when I see him drive in. My fast surface units allow me to fix whole meals in record time."

"The oven is so well insulated that it will retain heat — inside — for about an hour after it is turned off. Another nice thing about a built-in electric range is the fact that there is no stooping when you bake or broil."

"My built-in electric range is so convenient and easy to clean. My pans always stay bright and clean."

The majority of American homemakers say their next range will be electric because electric cooking is clean.

"Separating the oven and surface units lets me utilize more space, and I have more room for other time saving electric appliances."

Eventually you'll live electrically, as Mrs. Riley does. Why not now?
