The sun continues to shine on the cotton pours into county causing speculation that this year's crop will be one of the best in several years. Tuesday morning, we had a session to make a flying visit to Hereford, and as we approached the Springlake area, we found others were up in the middle of the night also. The matter of fact from the gin yards in that area the lint blowing in and those people had not had bed for some time. What the final count will be, one knows, or if they are not saying. But how you cut it we hope for a fine year.

Another leaf was turned, suddenly found ourselves in a political year, and from it is shaping up it is to be one of the most exciting campaigns to be held in years. Already we have announced for offices, and others have said they will announce a deadline. Much discussion is to be heard on the situation, with no one what the courts will do as for us we intend to be right to vote regarding the outcome on the tax. One of the most disturbing occurrences in the today is the citizen who our officials, but vote.

Herbert Dunn sold ever year could well break that record. Will decide the fate of offices from the County to precinct chairman. On the level all offices will for grabs including Representative and State Senator. A poll tax you cannot your presence felt. You for Congressman, and without a tax, but that's we would like to encourage citizen between the ages and 65 to visit the tax before January 31, and your poll tax, don't on the courts to make decision for you. Protect American way of life, buy poll tax...then on election it to work...vote.

Congratulations to the of our state, you the DPS, over the holiday, you didn't kill as as had been estimated, only got 93 which is 23 the 115 estimate. One interesting aspects to the were the number of from one car accidents, 60% of the total deaths in one vehicle mishaps. were proud of Lamb's record in the respect not one resident of the was involved in a serious accident, even though we have one accident in the which took two lives. Even rate only five persons their lives of Lamb County in 1965, which was half number killed in 1964. We like to see this number halved again, or even You can you know, by driving habits, the choice us. We hope you have a 1966.

parents of the first baby born in 1966 to Lamb County residents, and have been declared the winners of the gifts donated by 13 Littlefield business firms in the annual Leader and News First Baby Derby.

The baby, a six pound twelve ounce boy which has been named Daniel arrived at 8:47 a.m. Sunday morning, January 2 at the South Plains Hospital in Amherst.

Daniel and his parents will receive gifts ranging from a case of baby food to 15 dozen eggs, diapers, baby sets, milk, baby shoes and a list of other prizes from the Littlefield merchants participating in the derby.

Daniel became the first boy to win the derby in the past three years as Shonda Lynn Nuttall daughter of Mr. and Mrs. Leroy Nuttall, Amherst was the 1965 winner and Kathy Duran, daughter of Mr. and Mrs. Mike Duran was the 1964 winner. He was also the first winner in four years to have an older brother or sister as the Aguirres have a 17 month old son, Benny.

The mother, Augustina has lived here in Littlefield for the past eight years, and Benny for seven years. He is employed

at the Paymaster Oil Mill. Maternal grandparents of the 1966 baby are Mr. and Mrs. Isamel Perez, Littlefield and the paternal grandparents are Mr. and Mrs. Fausto Aguirre, also of Littlefield.

Firms offering gifts in the Baby Derby are Furr's Super Market, The Prescription Shop, Renfro Bros., Slow Grissom Gulf, C&O Cleaners, Plains Egg Producers, J.C. Penney Co., Anthony's, Jones Jewelry, Littlefield Steam Laundry, Haydon Shoes, Hammons, and Littlefield Publishing.

Three accidents this week caused slight injury to two small children and caused approximately \$1000 damage to the cars involved.

PHOTOGRAPHIC WINNER -- Dr. William C. Nowlin, of the Littlefield Hospital was declared as a winner in the nationwide photographic contest conducted for doctors. Dr. Nowlin won a \$500 gift to any medical school or hospital of his choice and a Leica 35 mm camera for himself. Dr. Nowlin is shown looking at the slides he entered in the contest.

## Dr. Nowlin Winner In Photographic Contest

Dr. William C. Nowlin, physician at Littlefield Hospital has been named a winner of a red ribbon award for his outstanding entry in CIBA Pharmaceutical Company's Vioform-Hydrocortisone Photographic Contest for physicians.

Dr. Nowlin's award is a \$500 gift to any medical school or hospital selected by him and a personal award of a Leica M-3 35 mm camera. Dr. Nowlin designated that the \$500 be contributed to Southwestern Medical College in Dallas.

The photographs submitted in the national contest by Dr. Nowlin were of common skin disorders taken before and after treatment with Vioform-Hydrocortisone.

## Retail Council To Hold Meet

The retail council of the Littlefield Chamber of Commerce will hold its first meeting of the new year Friday in the City Council Room at City Hall at 10, to organize promotions for the coming year and to name a new chairman.

The retail council is made up of most businessmen in the community and is designed to plan and carry out various city wide trade events. Gene Pratt, chairman of the retail division said it is important that every merchant attend this meeting to voice their ideas on the plans that will be submitted and to make recommendations on the holidays that will be observed this coming year.

In 1965 the council planned and carried out the first sidewalk sale in recent years, and from indications of those joining in on the event the promotion will be re-set this year, however the final choice of the promotions is up to the members of the council, who with approval of the Chamber board will decide on the retail event for the new year.

## ONLY 928 SOLD

### Poll Tax Receipts Are Still Needed To Vote

Herbert Dunn, Lamb County Tax Assessor-Collector stated that only 928 poll tax receipts had been issued by his office through the end of the year, with the deadline only three weeks away.

Dunn said, 'valid poll tax receipts will be needed to vote in the elections this year which include nationals, state, county and school board races.' 'Though the legality of the poll tax is now in the courts at the present time, it must be paid to be eligible to vote in the state, county and school board elections, in addition a non-paid poll tax receipt must be gotten to be eligible to vote in the national

election only.' In 1964, the last year when national and state races were on the ballot, a total of 5,936 poll tax receipts were issued in the county and last year an off-election year over 3,700 were sold throughout the County.

In other tax office activities, Dunn stated that 77.8 percent of the 1965 tax roll has been paid, as \$384,684 of the total tax roll of \$494,440.71 has been received by the tax office, as many paid their taxes before the deadline for reductions January 1.

The deadline for the payment of 1965 taxes without an additional penalty is January 31.

## TWO INJURED

### Three Accidents Cause Heavy Damage To Cars

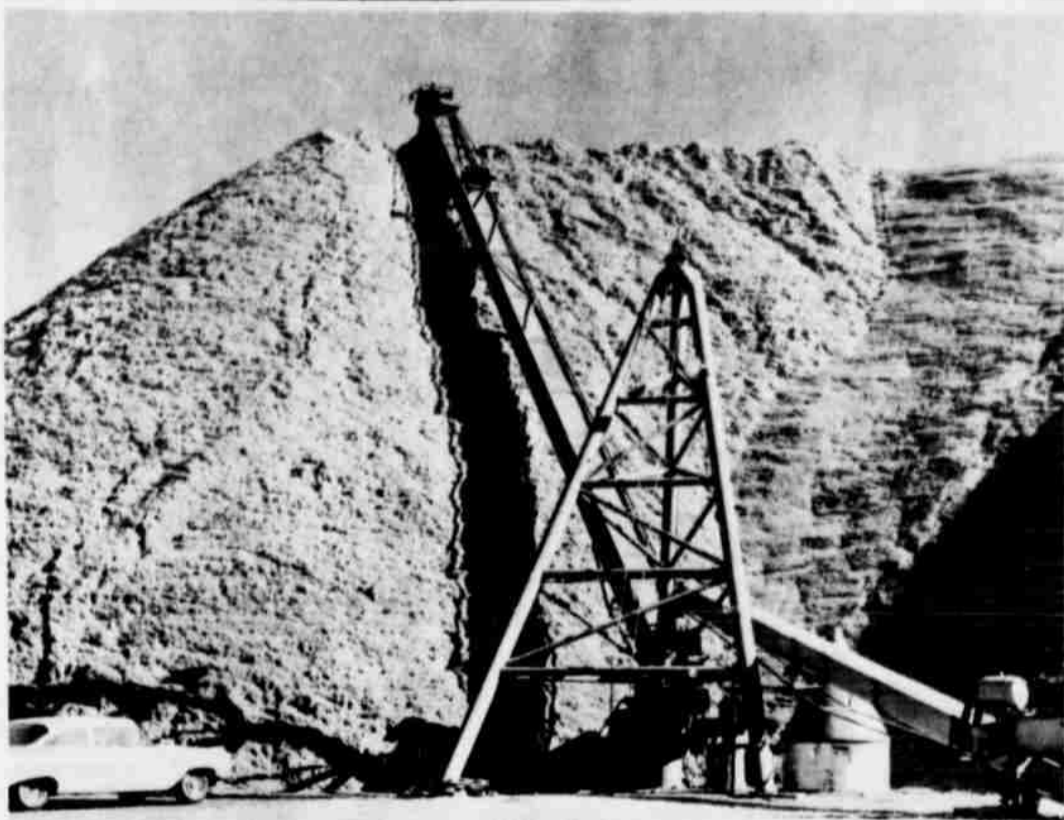

The injured were three year old Louis Cristain, who suffered lacerations and cuts about the face and his year old sister Irma, who also suffered cuts. They were passengers in a car driven by their mother, Mrs. Louis Cristain, Littlefield, when the Cristain car collided with a vehicle driven by Joe Trejo, also of Littlefield.

The accident occurred Monday morning at the intersection of Delano and Duggan and caused \$290 damage to the 1962 Ford driven by Trejo and \$190 damage to the Cristain vehicle.

The other accident Monday was on Highway 385 about 20 feet north of Highway 84. A car driven by John Mathis, Anton 'stater' to make a turn into a service station and had gotten on the wrong side of the highway approximately 50 feet before making his turn. When a car driven by Edward Padillo made a right turn off 84 onto 385 the cars collided, Mathis was cited for driving on the wrong side of the road. The accident caused \$150 damage to the Padillo vehicle and \$200 to the car driven by Mathis.

The third accident during the week was on Highway 84 By-pass Wednesday morning when a car driven by Edward Koelder, Clovis, N.M., attempted to pass a vehicle driven by Herman Roberson, Amherst, and the cars sideswiped causing \$190 damage to the Koelder vehicle and \$100 to the other car.

A spokesman for the Texas Highway Department stated that it is hoped the other lane of traffic on the Highway by-pass will be completed by the end of this month. 'If the weather cooperates and everything goes according to schedule we expect to have the lane open by January 31,' said the spokesman.

20,000 TONS OF COTTON SEED -- With the cotton harvest more than 80 percent complete the high piles of cotton seed at the Paymaster

Oil Mill are piling up and the latest estimates are that over 40 million pounds of cotton seed are in the pile shown above.

## 59 - 52

### Wildcats Lose District Opener

It was a case of too much Timmons for the Wildcats Tuesday night as Buzz and his brother Jerry combined for 39 points to lead the Brownfield Cubs to a 59 to 52 victory over the Cats in the opening district encounter for the losers.

16 to 4 margin during the rest of the first half to leave the floor at half time with a 34 to 27 lead over the Cubs.

The first quarter was a seesaw affair as the lead changed hands five times before basket by Steve Lewis tied the game at 13-13 shortly before the end of the period.

A basket and two free throws and a two pointer by Joe Ervin gave the Cubs a 19-15 lead early in the second period and the two teams traded points as the Cubs led 23-18 with four minutes left when the Cats started on a scoring spree and outscored their opponents by a

margin to 44-42 at the end of the third period.

A basket by Lewis tied the score shortly after the start of the final period before a basket and free throw by David Bentley and a two pointer by Jerry Timmons gave the Cubs a 49-48 lead.

Lewis' basket and two free throws by Wilmar Williams cut the lead to 49-48 with four minutes left but it was the Cats last gasp as the winners outscored the losers by a ten to four margin the rest of the game as the Cats were unable to convert scoring chances.

Lewis led the Cats with 17 points followed by Kevin Hutson with nine, Phillip Pace and Williams with eight and Randy Hutson with seven.

Buzz Timmons got 27 for the winners, with many of them coming on layups followed by his brother Jerry with 12 and Sansom with eight.

The Cats got 19 field goals and 14 of 19 from the charity land while the winners collected 22 baskets and hit on 15 of 25 free throws.

## General Telephone To Build New Warehouse Facilities

Alan Waldrop, Littlefield District Manager for General Telephone, Tuesday announced the construction of a new company warehouse at 12th and College.

construction of a mobile tower with construction set to start in the near future.

The 24 by 90 feet all-steel warehouse will cost approximately \$21,000 with an estimated completion date of between 60 and 90 days. Waldrop stated that the structure will serve as a warehouse for the district which encompasses twelve towns in the surrounding area. Telephones and installation materials will be stored in the warehouse while all vehicles, cables and poles will be stored on the land.

The mobile tower will be used in conjunction with the installation of car telephones in the Littlefield area. Waldrop stated that at least 20 customers will want the car phones installed, with the mobile system scheduled to go into operation by June of 1966.

Waldrop also announced that a site has been selected for the

The phones which will have a radius of 30 miles, will be the type whereby it will be a direct dial system instead of having to go through the operator. The installation and repair of the mobile equipment will also be accomplished in the warehouse now under construction.

## Births Outnumber Deaths In 1965

Births in Lamb County during 1965 outnumbered the deaths in the county by better than a four to one margin according to Charles Jones County Clerk.

There were 487 births recorded in the county during the first eleven months of 1965 while there were only 122 deaths during the entire year. The number of births for December will not be recorded until this week.

Jones also stated that 156 marriages were recorded in the county clerk's office during the year.

## Moisture For Year Reaches 14 Inches

The light rains and one snowfall during the month amounted to .24 inches of moisture and brought the year's total to 14.41 inches for the year in the Littlefield area.

The 4.98 inches of rain on June 9 and an additional 2.5 inches September 18-19 accounted for almost half of the total for the year.

The 14.41 inches for the year was more than two and a half inches better than the rainfall for 1964 when a total of only 11.79 inches was recorded.

The moisture and the damp weather the past two weeks has held up the cotton harvest which is estimated at nearly seventy-five percent complete.

## Police To Ticket Violators

Police Chief F.A. Fitzgerald announced Monday that the Littlefield police department will start cracking on motorists violating parking near fire hydrants and other no parking zones.

Fitzgerald stated that the crackdown is the result of several fires recently when the fire department has been obstructed in using fire hydrants near the scene of the fire due to automobiles being parked nearer than the 15 feet authorized by city ordinance.

City Fire Marshall Mac Humphries stated that persons are also disregarding the repositioning of the curb in front of the Palace Theater. Humphries said that this is a fire lane for use by the fire department and it is a state law that the fire lane be kept open.

ENJOYS BAKING -- Pictured above in the kitchen of her home, 1305 West 12th, Mary Hatley prepares to bake a strawberry cake, one of her family's favorites. The cake is simple to make, yet delicious. Mary is the wife of Don Hatley and mother of three daughters, Scarlett, Donna, and Shannon, and son, Kerry.

**LET'S BAKE A CAKE**

**Quick And Tasty Recipes Shared By Mrs. Don Hatley**

If you are a busy homemaker who likes to cook but do not like to spend a lot of time in the kitchen preparing time-consuming recipes, we suggest you try the following recipes of Mary Hatley which she kindly consented to share with our readers. One is for Strawberry Cake and one for Angel Cookies. Both are simple to prepare and yet delicious.

Mr. and Mrs. Don Hatley and their four children live at 1305 West 12th Street. Scarlett is 14, Donna, 12, Shannon 10 and Kerry nearly 3.

Mary enjoyed the holidays as much as other mothers with children out of school. Now that the grind has begun Mary finds herself feeling as though she is running a taxi, taking the three girls to school, picking them up at different times of the afternoon, taking them to girl scouts, school functions and the like.

Scarlett is a freshman, plays a bass clarinet in the Junior High Band, is a junior high majorette and member of the Girl

Scout Cadettes. Donna, a seventh grader, is also a Cadette and plays a clarinet in the Intermediate Band. She is not interested in being a majorette, but would like to be a cheerleader. Shannon, a fifth grader, is in junior scouts. She is learning to swirl and is picking up pointers from Scarlett. She also likes to skate. The youngest member of the family, Kerry, enjoys being outdoors, likes to play cowboys and Indians and irritate his sisters.

Don is a fertilizer salesman. Mary is secretary for Transwestern Builders and has formerly been employed as bookkeeper at the local bank and payroll clerk for the ASCS office.

The Hatleys are members of the First Baptist Church. He is a member of the Lions Club and is vice president of the recently re-organized Lamb County Sheriff's Posse. He enjoys riding and roping. Mary lists as favorite pastimes sewing and flower arranging. They

also enjoy informal entertaining and playing canasta. Mary's recipes follow:

**STRAWBERRY CAKE**  
1 pkg. yellow cake mix  
1 pkg. strawberry jello  
4 eggs  
3/4 cup Wesson Oil  
3/4 cup water

Mix all together and bake in a loaf pan at 350 degree oven for 30 to 40 minutes. When cake is done, while still hot, take juice off 1 package thawed strawberries and pour on top of cake. Then take the strawberries, add two cups or nearly a box of powdered sugar and spread on top. Put in refrigerator.

**ANGEL COOKIES**  
3/4 cup sugar  
1 stick butter  
1 8-oz. box dates, chopped  
Cook three minutes. Add 1 cup nuts, roll in balls and roll in angel flake coconut.

## PERFORMANCE THE CHEVROLET WAY

It's our Turbo-Jet 396: the V8 strong enough to run your Chevrolet and its automatic transmission, power steering, air conditioning, power windows, AM/FM Multiplex Stereo radio. And more. Without even breathing hard. Reason is, a Turbo-Jet V8 breathes deeper. Breathes freer. Delivers more usable power whenever you need it—like for safer passing. Works more efficiently. Where the smaller engine hurries, a Turbo-Jet V8 just loafs along. Smoothly. Quietly.

How'd you like to drive behind one of the best V8s ever made? That, you do at your Chevrolet dealer's. And nowhere else.

We offer two Turbo-Jet 396 V8s for '66. You can order 325 hp in any Chevrolet; 325 or 360 hp in a Chevelle SS 396. There's also a 427-cu.-in. Turbo-Jet (up to 425 hp) available in Chevrolets and Corvettes.

L. to r.: Caprice Custom Coupe, Corvette Sting Ray Coupe, Chevelle SS 396 Sport Coupe. These and all the '66 Chevrolets come with 8 new safety features standard, including seat belts front and rear. Buckle up before you budge!

## Evening WOC Circle To Be Organized Tonight

The women of St. Martin Lutheran Church have a long history of active work in the church and the community through the arm of the church known as Women of the Church. In times of prosperity and times of discouraging circumstances, the women have constantly maintained their work in areas of service at home and abroad. Work projects are nothing new to them, for through offerings, making things, and prayer the missionary work of the church continues to grow.

Many of the women of the congregation are not able to participate in the circle which has been meeting in the afternoons; thus a new circle at St. Martin Lutheran is being formed which will meet in the evenings. Their

programs will consist of devotions, business, and special projects. Tonight will be the first meeting of this group. Mrs. J. W. Wells, president of the Women of the Church at St. Martin Lutheran, will be present to help with the organization of this group.

Each of the two circles will assume names to alleviate confusion. Some of the names being considered are Naomi Circle, Ruth Circle, and Mary-Martha Circle.

Pastor Engel has added his hearty approval by saying, "This organization of a new group of women will further extend the work of the church not only because more women are serving, but because the scope of what we can now do will also increase."

## Daubers Meet Tuesday

The first meeting of the year for the Daubers Art Club was Tuesday in the Reddy Room. Oil painting was the medium used for the day.

A business meeting was conducted by Mrs. Vera Griffin. The club members have contributed books to be donated to the county library on behalf of the club for the library improvement project.

Mrs. Louise Bennet was hostess. Members attending were Meses, Pearl Rountree, Hattie Street, Dorothy Ferguson, Corine Evans, Louise Bennett, Irene Steffey, Gwen Tucker, Vera Griffin and Norma Phillips.

## Olton Couple To Be Honored

**OLTON** -- Mr. and Mrs. Charlie M. Owen of Olton will observe their 60th wedding anniversary Sunday with a reception from two until five p.m. in the PCA Community Room.

Their son, daughters, daughter-in-law and sons-in-law will be hosts.

No invitations are being sent, but all friends and relatives are invited. The couple request no gifts.

Mrs. Owen is the former Lella Ellen Farrar. The couple were married Saturday Jan. 6,

## Church Choir Is Reorganized

St. Martin Lutheran Church is reorganizing its church choir. The Lutheran Church has always been known as 'The Singing Church,' so a revitalized singing spirit from some of the church members has instituted the new choir.

Those participating in St. Martin's choir will be Mrs. Rosie Hodges, Mrs. J. E. Wade, Miss Cecilia Price, Miss Linda Wade, Mrs. David Metcalf, Mrs. Jeanette Robinson, Cecil Price, Ben Brandt, Steve Brandt, Pastor and Mrs. Engel, and Bruce Balfour who will also direct.

The new choir welcomes anyone interested in singing, both for the fun of it and to help beautify the church services, to contact the church.

## Church News

### ST. MARTIN LUTHERAN

Visitors at St. Martin Lutheran Church Sunday included Joe Vasek of Stamford. Members may pick up their statements, offering envelope boxes, and building fund receipts in the Narthax. Calendars are available for those wishing them in the Narthax.

Tuesday the Church Council met for its final meeting before the semi-annual meeting of the congregation on the 16th of this month after service. Wednesday the choir welcomed

all new members. Mr. Bruce Balfour became the director. The night circle of the women of the Church will meet Thursday at 7:30 p.m. at the church educational building. This will be the night of organization for the women.

Saturday the Pastor's Catechism class will bring its week-day sessions for this year at 10:00 a.m. Next Sunday the Luther League will meet at 7:30.

The emphasis of the American Lutheran Church for the month of January is Evangelism. On Sunday, January 23rd St. Martin will, together with all the other American Lutheran Churches, hold an Evangelism Festival.

### ASSEMBLY OF GOD

The regular monthly meeting of the Women's Missionary Council will be held at the church today (Thursday) at 1:30 p.m.

### EMMANUEL LUTHERAN

The junior confirmation class met Wednesday afternoon. The Board of Elders met Wednesday night at 7:30 and the Church Council met at 8:15 p.m. to review the present status of the church, spiritually and physically, as well as laying plans for the future. An adult information or membership class will begin Sunday at 2:30 p.m. conducted by the pastor, Rev. William Remmert.

### FIRST CHRISTIAN CHURCH

Allen Eubank, Missionary of the United Christian Missionary Society, is home on furlough for one year from Thailand. Eubank met with the ministers from the Christian Churches (Disciples of Christ) of District II December 29 in Lubbock at an informal meeting to discuss the missionary work that is being carried out by the United Church of Christian Thailand. He is presently serving in villages and tribes near the Viet Nam Border. Rev. Harmon Swink attended this meeting.

### FIRST CHURCH OF THE NAZARENE

Tonight (Thursday) at 7 p.m. the second Visitation Evangelism meeting will be conducted. The first was held last Thursday, upon the suggestion of the pastor, Rev. Hillis Herren. A series of ten meetings are planned on consecutive Thursday nights.

## Spade PTA Meets Tonight

Dr. and Mrs. J. R. Fain will be the speaker s at the Spade PTA meeting tonight (Thursday) at 7:30 p.m. Their topic will be 'Did You Know?' as related to cancer.

The meditation will be given by Dennis Alsop and the music will be furnished by Jerry Parmer.

An invitation has been extended to the public to attend.

## Pete Vaughn's Crop Gathered By Friends

Mr. and Mrs. L. E. (Pete) Vaughn of Amherst would be the first to attest to the fact that the 'good old days' when neighbors helped their neighbors in time of need are certainly not past.

This was proven last week when a number of friends and neighbors of the Vaughns furnished their time, tractors, trailers and hands to gather the cotton crop of Mr. Vaughn. The job was completed in one afternoon.

Vaughn has been farming Irma Clayton's farm east of Amherst for 27 years.

He has been unable to work since suffering a heart attack seven months ago. He was hospitalized 11 weeks in the South Plains Hospital, Amherst, and Methodist Hospital, Lubbock.

# Baptist Group Attends Winter Youth Retreat

The young people of the First Baptist Church returned Friday from their sixth annual Glorieta Winter Retreat, held at the Littlefield Lodge on the campus of Glorieta Assembly, Glorieta, N.M. They left Littlefield by chartered bus Monday, Dec. 27 and arrived at Glorieta in time for lunch. They remained there until Thursday morning when they went to Santa Fe Ski Basin for a day of skiing, before returning home.

Services were conducted each morning and evening, using the theme, 'A Living Sacrifice'. A large styrofoam Bible bearing the words of the theme served as the main interest center. An improvised altar consisted of a large stained glass window and lighted 'Praying Hands'.

The program for the week was planned as a soul-searching of each individual present. Miss Linda Williams represented all students present. A trio composed of Jackie Maner, Dale Thompson, and Miss Williams, and a quartet composed of Misses Edith Lynch and Frances Hampton, Bill Nelson and Mike Stafford represented her inner thoughts. Linda asked questions, expressed her thoughts, and answered the Voice of Christ, represented by David Tullis, student from Texas Tech.

Each session opened with a meditation in narration, scripture, music and records, introducing the theme for the day. A time of dedication followed with T.J. Herring, reading the scripture for each service. Miss Nelda Walker was the speaker for the dedication.

The third portion of each session, entitled 'Illumination', was an explanation of the call of Christ, Miss Diana Walker was the speaker for this period. On Wednesday morning Miss Cheryl Reast gave a brief review of the book, 'Take My Hands', the life of Dr. Mary Verghese, a paraplegic.

A period of 'Adoration' was presented during each service. Dale Thompson presented 'Adoration... through service', 'Adoration... through song' was presented by Dwayne Hood as he led the group in singing.

The message for each service was entitled 'Proclamation'. Bringing these were Buddy Duggan, Texas University, and John Abbott, son of area missionary to the Spanish speaking in the Espanola Valley. 'Application' of the message was presented by Randy Hutson. Each session was closed with a time of 'Consecration' led by Mike Stafford.

Special music was brought by Misses Diana Walker, Nelda Walker, Joyce Thompson, Joannie Brantley and Mr. Hood. The final moments of devotion Thursday night featured Mr. Hood singing 'How Great Thou Art', a traditional closing for the Winter Retreat. Misses Thompson and Reast served as organists for the services.

The programs were under the direction of Mrs. Ralph Nelson, who served as sponsor along with Miss Thompson and Mr. Hood.

Attending were Misses Linda Williams, Diana Walker, Pearl Durham, Paula Davis, Stella Bussey, Jackie Maner, Frances Hampton, Barbara Britt, Edith Lynch, Nelda Walker, Joannie Brantley, Kim Harp, Brenda Cunningham, Sandy Penn, Bettye Holt, and Cindy Montgomery; David Tullis, Buddy Duggan, Randy and Kevin Hutson, Dale Thompson, Steve Lewis, Richard Wright, Ed Blessing, Fred Kootz, Billy Bennett, Stan Harrell, Bill Nelson, Mike Stafford, Kenneth Horne and T.J. Herring; John Abbott, Espanola, N.M.; Carol and Robert Nelson, Oakley, Kan.; Elizabeth Hammons, Houston; and the sponsors. Visitors who attended one or more of the services were Miss

## Charger Showing At Garland Now

B.D. Garland Jr. announced a special showing today of the 1966 Charger, the completely new fastback from Dodge. Mr. Garland announces the new Charger is one of the most exciting cars ever offered to the American public. With Charger the rich luxury is standard equipment. Standard equipment includes pleated, padded vinyl bucket seats, four of them. Carpeting from brake pedal to stop light. Also simulated wood grained steering wheel and interior-lighted console.

There is a new panel cluster, with tachometer on the dash. The turn signals are camouflaged, and the headlights rotate and turn on automatically. All these features are regular standard equipment. Also the rear bucket seats make it a sports wagon, with just a flip of the wrist, just fold down rear seat backs, arm rest, drop hinged trunk panel, Presto! The best looking sports wagon that ever hit the road. The public is also reminded to visit Garland Motor Company for details of the fantastic 'Win a Charger' sweepstakes now in progress. Just fill out the entry form... You could be a lucky winner and drive home a new Dodge Charger.

# Questions & Answers

Q - A girl in the restaurant where I work told me that tax will be withheld on tips starting the first of the year. If that's right how will it be done?

A - Changes in the Social Security laws made by Congress this year call for the withholding of income taxes on tips in 1966 and thereafter. Those who receive tips of \$20 or more a month should report the amount of their tips to their employer within 10 days after the month in which they were received.

Tips have always been taxable but until the law was changed they had not been subject to withholding. Now tips will be on a pay-as-you-go system just like income from wages and salaries.

Another change in the law affecting tips is the inclusion of this income in total wages for social security purposes. In other words, your tip income can now count toward determining your social security benefits.

under the law. Ordinarily you would file a joint return.

Q - The company I own stock in is declaring a special year-end dividend. Should I report this on my 1965 or 1966 return?

A - Report this income in the year it is received. If you actually receive the dividend this year then it must be reported on your 1965 return.

Q - I turned 65 in November. How should I handle the medical bills I paid last Spring? Are they fully deductible or are they subject to the 3 percent factor?

A - Your age on the last day of your taxable year is the determining factor. Since you reached age 65 in November and if you file on a calendar year basis, any medical expenses you paid last Spring are subject to the provisions for those 65 and over. Therefore, they will be fully deductible.

Q - My return was just audited and the agent and I disagreed. Is there anything I can do?

A - When you receive the notice covering the your return suggest examining officer, request a district office. This will give you opportunity of presenting side of the story.

The way you request conference in the adjustment will receive. If you is reached at this may request an Appraisal Conference.

Q - I know you need your social security but do the cost which you own stock number too?

**WHERE DID YOU GET THAT SUPERSTITION?** -- Will you wind up behind the eight-ball if you walk under a ladder, cross paths with a black cat, venture forth on Friday the 13th? Even people who don't think so usually have their pet superstitions. In some parts of the world, spices are thought to cure love-sickness--but some American men swear by Old Spice to keep the ladies lovesick (knock on wood).

## Where Did You Get That Superstition?

Ever wish on a falling star? Lay low on Friday the 13th? Change course when a black cat crossed your path? If so, you have lots of company. Almost everyone has a pet superstition--and most are centuries old.

The idea of the lucky star, for example, dates from the Star of Bethlehem that appeared over the Nativity.

Fear of black cats comes from the Middle Ages, when people believed that the Devil and his witches prowled the earth in the guise of black cats. In the United States, however, it's unfortunate to have a black feline cross your path, it's considered good luck to own one.

Friday the 13th is so ominous a day that no less a personage than the late Sir Winston Churchill refused to travel on that date. One possible reason for this widespread aversion is that Eve was supposed to have slipped Adam that fateful apple on a Friday. According to another story, Friday is unlucky because Jesus was crucified on that day. The number 13 has been considered unlucky since ancient times, and may go back to the Last Supper, with its 13 guests.

Two of the most popular good luck charms found in all parts of the United States--even today--are the rabbit's foot and the horseshoe. According to information supplied by researchers at Shulton, Inc., the belief in the lucky powers of a rabbit's foot goes back to the time that our prehistoric ancestors, who worshipped and feared the moon goddess, noticed a rabbit thumping his hind foot, as if signaling other contentals, while romping around in the moonlight. The conclusion that rabbits (and their lower extremities) had mysterious powers bestowed by the moon deity.

Another animal, the horse, was also sacred to many pagan people. Since everybody 'knew' that iron could rout demons, a horseshoe would naturally bring good luck. Most people hang a horseshoe above the door with the prongs pointing up--to keep the luck from spilling out. But people in many parts of Pennsylvania nail it outside the door with the prongs pointed inside, so the luck will be spilled into the house.

Color superstitions are plentiful among primitive people. Some African tribes believe that the color of rain is black--hence, to produce rain, a black animal must be sacrificed. And peasants in parts of Russia put skeins of red wool around the arms and legs of a fever victim.

Spices, too, play a part in many superstitions. In the Philippines, people think that ginger can drive out disease-causing spirits, and 15th century German peasants carried saffron to ward off the plague.

In some parts of the world, spices are thought to cure love-sickness; in others, they're used for just the opposite purpose--in love potions! Mint leaves, applied to the cheeks after shaving, were the ancient Roman equivalent of Old Spice; it was believed that the aroma of mint had a fatal attraction for women. Interestingly, many modern men--even those who wouldn't dream of knocking on wood--swear that the scent of old Spice brings them luck with the ladies.

Speaking of knocking on wood, many people do it without really knowing why. This superstition goes all the way back to the Druids of ancient England, who believed that trees were inhabited by gods. When asking a favor, Druid priests would touch the bark of the tree. If the 'tree-god in-residence' was in a favor-grating mood, it was thought that he'd return the Druid's knock. It's still a common way of trying to make your wishes come true.

But if wooden things are lucky, it may seem strange to you that people won't walk under wooden ladders. This superstition stems from the early mystics who saw the triangle as a symbol of the Trinity, and hence, of eternity. Anyone who barges through the triangle under a ladder is therefore tempting the fates--who may retaliate by upsetting a bucket of paint on him!

How can a blunderer protect himself? One good way is to make a wish by crossing your fingers, since two crossed fingers have long symbolized perfect unity. Any wish made at the junction of a cross--where two roads, two lines, or even two fingers meet--is 'caught' and will never slip away.

Today, a man who's wishing for a little extra spice in his life can go out and buy himself a cologne with a spicy scent. Or if he has a birthday or other special day coming up, he might drop a few subtle hints and keep his fingers crossed!

## Highway Department Review

What kind of year was it? For the people who build and maintain Texas' 66,751-mile highway network, 1965 was busy, productive and challenging.

Giant strides were taken in many fields affecting development of the state's highway grid and the state itself, since Texas depends heavily on motor vehicle mobility.

Some highlights: During the year, Texas rounded the corner in construction of its portion of the Interstate Highway System. More than half of the projected 3,027 miles of the superhighway network to be built in Texas by 1972 is under rubber now.

Texasans drove more miles -- 50 billion -- in more vehicles -- 6.2 million -- and over more miles of highway than ever before. Yet, by 1965's third quarter, the new Interstate and primary highways were proving themselves safer in lowered accident rates. The ratio of traffic deaths per 100 million miles driven dropped from 5.1 in 1964 to 4.7 in 1965.

The Texas Highway Commission, making New Year's resolutions three years ahead in some cases, put an even greater accent on safety. More than half of the \$350 million 1967-68 Consolidated Highway Program will go for specific safety enhancement projects. And indeed, every project in the program can be considered an investment in safety in the light of the abundant statistics proving construction of new highways and improvement of old ones saves lives.

Roadside beauty, a field in which Texas highway builders have three decades of experience, got added impetus and emphasis as the Highway Department pledges enthusiastic support to a vast national highway beautification effort.

The Texas Highway Department, keeping abreast of new scientific developments, created a Division of Automation to put today's thinking machines to work for more efficient and economical design and operation of the highway grid.

Statewide, designated highway mileage reached 66,751 as the final month of 1965 opened, representing the addition of almost 1,000 miles of new highway to the system since the same time in 1964.

Almost a fourth of the new mileage was on the Interstate System, moving 'on time' toward the 1972 deadline. On December 1, Texas had 1,558.2 miles of its portion of the system under the rubber, an addition of 226 miles of superhighway during the year.

Of this total, 1,220 miles were completed to full Interstate standards as 338 were deemed adequate for current traffic volumes.

In addition, 364.5 miles were under construction to full Interstate standards and 82.9 miles were in 'stage' construction.

The designated Farm-to-Market network took a 460-mile step toward the ultimate 50,000-mile goal for the FM-RM system in Texas. Mileage on this network totalled 37,547 miles as December began.

On the primary highway system -- major arteries bearing U.S. and State numbers -- 296 more miles were designated during the year, bringing this important grid in Texas to a total of 25,997 miles.

Construction under contracts totalling \$465 million was in progress as the year ended, with more than \$344 million worth of work completed during the 1965 fiscal year.

Maintenance totalling \$62.9 million also was performed

### Veterans Must Report Income

Nearly 61,000 veterans and dependents of veterans in the Waco area who receive Veterans Administration monthly pension payments were reminded today to report their annual income by January 31, 1966, to the VA Regional Office to avoid having their payments stopped.

Jack Coker, Manager of the VA Regional Office at Waco, said that income reports have been slow this year in spite of the fact that the VA has mailed to all who receive pension a simplified punched card on which the income report must be made.

These questionnaire forms must not be folded or otherwise mutilated as they are run through automatic data-processing machines.

Dependent parents who receive dependency and indemnity compensation also received these questionnaires as their payments are also regulated by the amount of their income.

BEAUTIFUL - EASY TO CLEAN SANDRAN VINYL FLOOR COVERING AT HILL ROGERS

during fiscal 1965, protecting the \$4.5 billion investment of the people of Texas in their highway system.

At that, the costs of maintenance on the system were markedly lower than the national average. Texas spends about 77 cents of the total highway dollar on new construction, compared to a national average of 63 cents. Texas

maintenance amounts to about 15 cents of the highway dollar, compared to a national average of 25 cents.

As the year ended, one of an array of research projects conducted by the Highway Department in cooperation with the Texas Transportation Institute at Texas A&M University, proved itself dramatically. The first in-use test of a

'break-away' sign designed as a result of the research came in November when a Gulf Coast motorist collided with a freeway exit sign. The new sign supports behaved as researchers thought they would, shearing away at the base and hinging upward over the car, allowing the vehicle to roll to a more controlled stop. Occupants of the car, who might have been killed or seriously injured had they struck a conventional rigid sign support, ex-

perienced unhurt. Before the end of the year, a second 'break-away' sign was struck and performed perfectly. The driver emerged unhurt and the car sustained only negligible damage.

In 1965, the Highway Department went 'Hollywood' filming the first color motion picture ever produced by the State of Texas to encourage recreational travel in the Lone Star State. The movie, 'Texas -- Land

of Contrast,' is in keeping with the vital role highways play in the state's emerging tourist industry. By the end of the year, the film was playing to audiences throughout the U.S. and in several foreign countries. It is the first of a series of promotional films planned by the Highway Department.

At the close of the year, the Texas Highway Commission authorized the first project under the new national Highway Beautification Act,

the landscaping of 5.2 Interstate Highway 41 from downtown Houston more than 1,100 scenic turnouts along Texas highways. In short, the year 1965 was a big, busy and burgeoning pace with the need as -- a vital, resplendent that literally the mobility.

### Woman Named Winner In Writer's Digest Contest

WHITHARRAL -- Mrs. Rafe (Nilah) Rodgers of Whitharral has been named a winner in the Writers' Digest annual articles contest, placing fourth with an article, 'Let Us Smoke Lettuce'.

Mrs. Rodgers was contacted by Richard Rosenthal, publisher of the magazine last week. Her entry was one of thousands entered in this year's competition and will be given a brief synopsis along with the other top ten and the remainder of the 200 winners will be listed in the next issue of the magazine.

The article is about the new lettuce smokes, the nicotine-free 'cigarettes' being produced in Hereford. Mrs. Rodgers interviewed Puzant Torigan, president, developer and chemist of the Bravo Smokes in September.

As one of the top ten winners, national publications will be interested in the article and Mrs. Rodgers has a better than average chance to sell the article to a magazine with a large circulation.

MRS. RAPE (NILAH) RODGERS

Writers' Digest has selected a manuscript typing expert who will type professionally 100,000 words for Mrs. Rodgers, as a result of being declared fourth place winner in the contest.

RESIDENTS -- Bob and Marilyn Whitehill and two young sons, Dale, 3 1/2 and Scott, 1 1/2, moved here in December from Reno, Nev. Bob is manager of radio station KZZN. They are laughing at Scott, who tries

to repeat everything brother Dale says. Scott resembles his father and Dale, his mother. Littlefield is happy the Whitehills decided to make this their home.

### Bob Whitehill Family Moves Here From Virginia

Selected the Bob Whitehill family as our featured family this week. They are a family and eager to make friends in Littlefield. They came to Littlefield in an assumed duties as a manager of radio station KZZN. Bob and Marilyn and their two sons moved here the first of December. The Whitehills lived in Virginia about a year before moving here. Plans to this their home was in Virginia.

Bob began working radio about a year ago while attending the University of West Virginia and has been connected with radio most of the time since then except for a short while when he was sales manager for a radio company. He has been a radio announcer and sales manager.

Bob is a native of Mississippi and was born in West Virginia. They were married in Reno, Mo. Their sons are Dale, age 3 1/2, and Scott, age 1 1/2, months old. The little boys are very friendly, like most boys of this age. Dale is really enjoying riding his new red bicycle brought to him by Santa Claus. Scott loves playing with musical toys.

The family of Mrs. C.T. Cotton of Littlefield and the late

trace the family there has never been a girl in the Whitehill family.

Mr. and Mrs. Whitehill are Baptists but haven't joined a church in Littlefield as yet. Bob is also a member of Elks Lodge.

Pastimes listed by Marilyn included sewing and playing bridge. Bob enjoyed fishing and pheasant hunting in Nebraska, but since he won't get to do much of this here, golf will probably be his favorite pastime.

### Horse Sense—and the Mustang Six

I don't know much about engines.

If mine's smooth, powerful and gives great gas mileage, I'm satisfied. That's why I got a Mustang Six.

You don't have to be an engineer to appreciate the Mustang Six. Just get comfortable in one of those deep-foam bucket seats, fire up that husky 200-cu. in. powerplant . . . and let yourself go.

Nor do you have to be an investment banker to realize you've made a great buy. Standard Mustang Six luxury includes: all vinyl upholstery; plush wall-to-wall carpeting; padded instrument panel and many other extras at no extra cost.

Sound sweet? Mustang makes lots of nice sounds. Optional stereo-sonic tape is one. Another is money jingling in your pocket, thanks to Mustang Six's meager appetite for gasoline.
