

# Santa Claus to Parade November 30

Christmas is coming to Littlefield! Santa Claus and his four live reindeer will make the trip from the North Pole to Littlefield on Monday, November 30, when the annual Christmas parade and program will be held.

The board of directors of the Chamber of Commerce made plans for the annual event at a breakfast meeting in Fisher's Cafe Tuesday morning, and announced that the reindeer raised by Grady Carothers of Goldthwaite, Texas, will be featured in the parade which starts at 2 p. m.

### Treasure Hunt Added

A new feature which was added to the Christmas city-wide program will be a city-wide treasure hunt, in which local merchants will cooperate. For each purchase at a local store, "treasure hunt" tickets will be given from November 30 until December 10. On De-

ember 10, prizes will be displayed in business windows, and persons with ticket numbers matching those on the prizes will receive the prizes as "treasure hunt" awards. Stores will be open during Christmas week on Monday, Tuesday, and Wednesday until 9 p. m. All stores will close at 6 p. m. on December 24, Thursday. The Chamber of Commerce office will be closed all day on December 26, Jesse Everett, manager, has announced.

## \$1905.81 Realized At P-TA Carnival Last Thursday

The Parent-Teachers Association, which sponsored the Halloween Carnival last Thursday, netted \$1905.81 from the various sales, concessions, and coronation program, Mrs. C. O. Greer and Mrs. Cecil M. Johnson, chairmen, have announced. The co-chairmen express their thanks to all the parents and friends who helped make the annual event a larger success this year than ever before. The profits go into the P.T.A. fund for improvement of school facilities.

## Third Well Set for Griffin Addition

Littlefield's third oil well materialized this week when McCary signed a contract with the George P. Livermore Drilling Co., of Lubbock to drill a well immediately on the west part of town. The Livermore company is the Littlefield discovery well.

McCary, who owns 88 1/2 acres in the west half of League 664 in Littlefield, has the tract known as the Griffin

addition. The drilling location has been made on the north-east 20-acre block.

The new well will be located one block north and eight blocks west of the city park where the

second Texas Company well will be spudded in. Drilling is expected to be underway by Dec. 1st.

Ken Griffin, a representative of the Texas Company, said late Wednesday that the dirt work for the new Texas well in the city park will get underway as soon as the park dries out. Location for the well was made in the center of the park lake just prior to the heavy rains two weeks ago.

The oil company has completely emptied the lake this week. The irrigation system in the park was turned on to carry off a good portion of the water. The remainder was trucked out in oil tank trucks.

According to Griffin, the drilling contract on the well has not been officially let, but is expected to be immediately.

"Everything is moving in a routine manner," Griffin said.

"Drilling should get under way pretty quick."

Meanwhile, work continues on the discovery well. Concrete for the foundation will be poured this week, and the pump is expected to be set the first of next week. Setting of the pump has been delayed by modifications of the foundation which had to be made.

Lines have been laid to the storage tanks, and final work is now underway.

OWN THE STREET With Sam and Betty

Could You Expect? I've seen lots of glowing others in my time, but believe I ever saw one any more than Mrs. Haberer of Springlake Tuesday after her first daughter was born before. Little Leslie Arnot an especially warm one, since her parents had waited some nine years, and since she is the first to be born in the Habermans.

New Idea I was at the Nelsons last Saturday taking a walk. I commented to Millie about the unusually close she was wearing. I thought there was a story there. I thought I would be good enough to pass on. I said she had read where that the life of those lengthened by starches. She tried it and applied the idea is a good one.

Another Typo Newspaper circles a typographical error is referred as a better explanation of things is that it's one of errors that you never see proof, but that jumps out after the paper has gone to press. We just shudder and pass. However, there is a typo in last week's column needs correcting. Discussing school financing, the Littlefield district is in bonded indebtedness. The figure should have been \$50,000.

### 4-H Awards To Be Given November 14

A big moment in the lives of 33 Lamb County 4-H boys and girls will take place the morning of November 14, when 4-H Achievement Day will be held at the Littlefield High School. At that time, awards for outstanding 4-H work will be given, climaxing the year's work.

Lonnie Cole, assistant county agent, and Mrs. Hazel Hickman, county home demonstration agent, who are in charge of 4-H work, have announced that Congressman George Mahon will be the speaker at the special program to begin at 9:30 Saturday morning, Nov. 14.

Following Cong. Mahon's talk, a film on 4-H achievement throughout the United States will be shown, and the presentation of 44 awards for achievement and 50 awards for fully completed records will be made.

"This special program will be our way of showing appreciation to members and their parents," Mr. Cole remarked, "and we hope that it will help impress parents with the fact that two or three more adult leaders are needed for each club."

"I have found that the yearly records kept by 4-H members are more complete in this county than in any other locality where I have worked," Mr. Cole added. "50 or 60 complete records out of the 700 members in Lamb County may sound small to those who do not know the time and work that goes into these reports, but it is really a terrifically good record."

Every friend of farm youth, as well as members and parents, and those who are eligible to become members of the active 4-H movement, is urged to be present for this interesting program.

### Student Council To Sponsor Texas Tech Play

"The Miser," a witty, fast-moving comedy by the noted French playwright, Moliere, will be presented by the Texas Tech Speech Department players on November 16 at the Littlefield High School auditorium.

Ralph Schilling, principal of the senior high school, has announced that the annual Student Council trip to Laredo next spring. Curtain time will be 8 o'clock and admission will be \$1 for adults, 50 cents for students.

### Salvation Army Kicks Off Drive For Yearly Fund

Coffee and do-nuts at Fisher's Cafe started the Wednesday morning kick-off of the Salvation Army drive to raise funds for the work in Littlefield and Lamb County.

W. B. Little, chairman of the drive to raise \$6,115.50 for the coming year, acted as master of ceremonies, and introduced C. A. Miller, who spoke briefly on the aims and work of the Salvation Army. Mr. Miller brought out the fact that Littlefield is the only town of its size in the state which has a Salvation Army unit, and that 90 per cent of the funds raised will go towards helping the needy and underprivileged of all races in Lamb County.

Capt. and Mrs. John W. Jordan of the Salvation Army in Lubbock, with Lt. and Mrs. John Robinson of Littlefield, were present. A report on progress will be made at 9:30 Friday morning.

Hope Hickman, daughter of Mrs. Hazel Hickman, county home demonstration agent, is spending this week in Brownwood with Mrs. and Mrs. Lee Yarbrough while her mother attends a meeting in College Station. Mr. Yarbrough is a brother of Jack Yarbrough of Littlefield.

Carrying out the theme of National Education Week, "Know Your Schools", the elementary Parent-Teacher Association is sponsoring a Visitation Day to be held on Tuesday, November 10, and "Back to School Night" will be held that evening at the Junior High School.

During the school hours, parents are urged to come to the primary and Central school buildings and get acquainted with their children's teachers. "Because the fathers are busy working, they seldom get to meet the teachers who are training their children," Mrs. Arthur P. Duggan, president of the elementary P.T.A. said. "For this reason, we hope that fathers will take a short while off to come to the schools on this special day and get a first-hand look at the education their children receive."

There will be no special program Tuesday. Instead, children will meet their parents at the doors of their rooms, and register them. Schoolwork will be conducted as usual, and there will be interesting displays showing the children's achievements this fall.

To the room which has the most parents registered, the P.T.A. will present \$2 first prize, and a second prize of \$1 will also be given. Since a child's school environment often accounts for part of his behavior at home, the P.T.A. hopes that all parents will be vitally interested in this open house to be held.

Back to School Night The junior high school will have "Back to School Night" Tuesday. Mrs. O. R. Wilemon, president of the junior high school.

## Second Cooking Session To Be Held Here Today

Over 250 local housewives attended the opening session of the Blue Flame cooking school held at 1:30 Wednesday in the Community Center building.

The final session of the two-day cooking school opens this afternoon. A new gas range will be awarded at today's session to someone who has registered at the Food Festival.

Bill McCarroll, public relations director for West Texas Gas Co., welcomed the women from all sections of the county. McCarroll recognized the sponsors of the cooking school which included Rodgers Furniture, Onstead Furniture, Pierce Furniture, W-W Electric, Best Appliances, Hill Rogers Furniture, Hauk & Hofack, Nelson Hardware, and County Wide News.

Over 20 door prizes, donated by Littlefield merchants, were given at Wednesday's meeting, and another 25 will be given away this afternoon.

## Legion Meets In Lamesa

### Rebekahs To Have Dinner

The Rebekahs will sponsor a turkey dinner on November 21, Saturday, at the I. O. O. F. Hall on XIT Drive. Plates will be served to tables, with turkey and all the trimmings, from 4 until 11 p.m.

A tempting feature of the menu will be home-baked pies and cakes, all the coffee you can drink free. Plates will be \$1 for adults, 50 cents for children. Tickets may be purchased from any Rebekah, or at the door the night of the dinner.

Littlefield will be represented at the 19th District Convention of the American Legion, which will open with a parade in Lamesa at 3 o'clock Saturday afternoon. Cong. George Mahon will be the featured speaker on the Sunday program, and about 500 members and their wives are expected.

The District Color Guard from Morton, state champions, will appear in the parade. Other events will include a breakfast for post officers, a tea for the Auxiliary members, and a dance on Saturday night. Wayne Butler, commander of the Littlefield Post, has announced that members attending will include himself, Ed Drager, M. W. Phillips, John Moore, Gene Bartlett, and Bob Kirk, among others.

## Amherst Man Dies Monday

W. Taylor Attaway, 75, longtime resident of Amherst, passed away November 2 in the South Plains Cooperative Hospital at Amherst after a lingering illness.

Mr. Attaway was born Aug. 22, 1878 in Van Zant County, Texas, and married Miss Eva Counts in Mangum, Okla., on Dec. 29, 1904. They lived in Granite, Okla. and Wichita Falls for a number of years before moving to Amherst in 1931. Mr. Attaway has served as chairman of the board of deacons of the First Baptist Church in Amherst for 20 years.

Funeral services were held at 2 p.m. Wednesday at the First Baptist Church in Amherst with Rev. B. P. Harrison of Arnett, Okla., former pastor, officiating. He was assisted by Rev. B. J. Lawrence of Lubbock and Rev. John Rankin, pastor of the church.

Mr. Attaway is survived by his widow and one brother, Tom Attaway of Houston, and several nieces and nephews. Interment, under the direction of Payne Funeral Home in Amherst, was in the Amherst Cemetery.

Active pallbearers were the junior deacons of the First Baptist Church in Amherst, H. C. Darden of Anton, Hubert Dykes (Continued on Back Page)

## Chinchillas Raised By Littlefield Family

By Mary Ellen Albares Have you ever held a handful of real live money? Money that scampers around madly, that is? The thrill is nothing new to Mr. and Mrs. H. V. Davis and their daughter, Verna, for they are the proud owners of 15 chinchillas, the most valuable animal known to mankind. All together, the little chinchillas represent about \$2500, running gaily around their private cages.

Like real money, however, the chinchillas can slip through your fingers fast. Mrs. Davis says, "Nature gave the chinchilla special protection measure," she explained. "If you grab at a chinchilla's body, the fur will come out by the handful, and the chinchilla will have slipped through your fingers."

The only way you can pick up a chinchilla until he gets used to you, is by grabbing his tail." The Davis home, an old, sprawling house at 803 South Westside Avenue in Littlefield, shows that all the Davises, including three sons who are (Continued on Back Page)

## Services For Billie Doshier Held Today

Billie Joe Doshier, 24, of Friona, died Tuesday in the North West Texas Hospital in Amarillo as a result of injuries suffered Monday night in a highway accident.

Mr. Doshier, son of A. L. Doshier of Littlefield, was injured when the pickup truck in which he and another man were riding overturned Monday on Highway 60 near Pantex about 7 p.m.

Mr. Doshier was born Aug. 8, 1929, at Tipton, Okla. and served in the Navy in World War II. Funeral services will be held at 2 p.m. Thursday at the First Baptist Church in Littlefield with Dr. Lee C. Hemphill officiating. Survivors include his wife and a two-year old son, Terry Randall; his father, A. L. Doshier of Littlefield; a brother, Eugene, of Baltimore, Maryland, and two sisters, Mrs. Bobbie Hart and Mrs. Zelma Lee Gray, both of Littlefield. Interment will be in the Littlefield Cemetery, with Hammon's Funeral Home in charge.

## Requiem High Mass Held For Mrs. Dee Myers Monday

Requiem High Mass was held at 10 a. m., Monday, for Mrs. Clara Louise Myers, widely known county resident, who died Saturday afternoon in the Littlefield Hospital following an extended illness.

Rev. H. M. Higgins officiated at the services which were held in the Sacred Heart Catholic Church. He was assisted by Rev. Martin of Lubbock. The Mass was sung by the choir of the St. Phillips Catholic Church of Pep.

Rosary was held at 7:30 p. m. Sunday in the chapel of the Hammons Funeral Home. Burial was in the Tech Memorial Cemetery, Lubbock, immediately following the morning's services. Mrs. Myers was born in Newkirk, Okla., April 22, 1888. She moved to Yellowhows Switch community 10 years ago from Wichita Falls. A member of the Sacred Heart Catholic Church, Mrs. Myers had served as president of the Altar Society. She was active in the Oklahoma Avenue Home Demonstration Club. Survivors include her husband, Dee Myers; three children, Mrs. J. R. McKinney, Troy H. Myers, and Mrs. Don Holt, all of Littlefield; nine grandchildren, all of Littlefield; three sisters, Mrs. Harold Jones of Lawton, Oklahoma, Mrs. Agnes Johnson of Littlefield, Mrs. Mart Stanton of Richmond, Calif.; and four brothers, E. J. and Herman Bussanmas of Littlefield, Otto Bussanmas of Indianhous, Oklahoma, and Henry Bussanmas of St. Gregory, Canada.

**Services Held For Woman**

Mrs. Bell Fisher, 82, a resident of Littlefield for the past three years, died Thursday. Mrs. Fisher, who was born in Johnson County, Ark., is survived by a son, H. R. Fisher, Glendale, Ariz.; a daughter, Mrs. P. S. Dean, Littlefield; a half-brother, Henry Koen of Belford, Ark.; two half-sisters, Miss Edith Koen and Mrs. Augusta Muris of Belford, Ark.; five grandchildren and 10 great-grandchildren.

Funeral services were held Friday afternoon at the Assembly of God Church with Rev. T. M. Barrett, pastor, officiating, assisted by Rev. M. A. McDonald. Interment was in the Amherst Cemetery.

**County Agent Attends Meet**

Mrs. Hazel Hickman, county home demonstration agent, with David Eaton and Lonnie Cole, county extension agents, is attending the annual meeting of extension agents at College Station this week.

Mrs. Hickman will be among those studying news-writing, television, and radio, and will attend the meeting of the Texas Home Demonstration Agents' Association. Mr. Eaton and Mr. Cole will be among those present at the meeting of the Texas Agriculture Agents Association.

Mrs. Hickman was accompanied by Mrs. Emmabeth Towery, home demonstration agent of Mitchell County.

**Mrs. Shaw Heads Women's Auxiliary**

Mrs. G. M. Shaw was elected president of the Presbyterian Women's Auxiliary at a luncheon meeting held Monday at the First Presbyterian Church. Other officers for the coming year are: vice-president, Mrs. Allen Hodges; secretary, Mrs. J. D. Hagler; treasurer, Mrs. Mancel Hall; secretary for literature, Miss Lula Hubbard, secretary for foreign and national missions, Mrs. Henry Haupt, secretary for Christian education and social education in action, Mrs. Earl Rodgers; spiritual life secretary, Mrs. Ira Woods; membership secretary, Mrs. E. A. Bills.

Mrs. M. M. Brittain was elected chairman of Group One, and Mrs. B. W. Armistead will head Group 2.

Presbyterial reports were heard, and Mrs. Shaw reported on the rummage sales held recently. The dedication was given by Mrs. Brittain.

Those attending were Miss Hubbard, Mrs. Shaw, Mrs. Salie Thomas, Mrs. J. B. McShan, Mrs. Woods, Mrs. Mackey Greer, Mrs. E. A. Logan, Mrs. Crawford, Mrs. Rodgers, Mrs. Hall, Mrs. Hodges, Mrs. Haupt, Mrs. Underwood, Mrs. Williams, Mrs. Armistead, and Mrs. Hagler.

**Services Held For Baby**

Funeral services for Dorothy Lynn Perkins, week-old daughter of Dr. and Mrs. Albert Perkins, were held Monday afternoon at the First Baptist Church, with Dr. Lee C. Hamphill officiating.

The baby was born October 25, and is survived by her parents, 2 sisters, Brenda Sue and Diane; 2 brothers, Mike and David; the paternal grandmother, Mrs. Albert Perkins of Port Arthur, Texas; and the maternal grandfather.

Interment was in Littlefield Memorial Park, with Hammons Funeral Home in charge.

**"Maid Of Cotton" Contest Opens**

"Bigger and better than ever" is the description being given to the fourth annual South Plains Maid of Cotton Contest this year, which, for the first time will be preceded by a South Plains Maid of Cotton Week starting Nov. 15.

All South Plains girls are being urged to enter the contest. To the winner will be given an automatic status as a finalist in the national contest in Memphis, Tenn., on Jan. 5-6, with all expenses paid plus a beautiful cotton wardrobe.

A special program, open to the public, is scheduled for Nov. 23 at Lubbock High School auditorium. Special attention has been given to the selection of three eminently qualified judges, including Callan B. McNeely, director, John Robert Powers School of Modeling, Dallas; Mrs. Theodosia Howard director, Howard-Eades School of Modeling, Ft. Worth; Joe Manicappell, widely-known Lubbock theatrical photographer.

As in previous years the winner of the South Plains event will be given a glamorous cotton wardrobe for her trip to Memphis in January.

So far three contestants have submitted their applications for the contest. They are Miss Sue Hefley, 19 year old daughter of Mr. and Mrs. R. F. Hefley, Texline; Miss Carolyn Callaway, 20 year old daughter of Mr. and Mrs. J. K. Callaway, Ralls; Miss June Cook, 20 year old daughter of Mr. and Mrs. M. A. Cook, Big Spring.

Winner of the national contest will fly to New York for a month's stay at the St. Moritz Hotel, where 35 of the nation's leading designers will create a stunning new wardrobe. A complete set of Amelia Earhart luggage will be furnished to carry the wardrobe. Guest appearances will be arranged on national radio and television networks and tickets will be supplied for hit Broadway plays musicals.

Next stop for the winner is a trip to Miami, where appearances will be made at fashion shows. Later, in Hollywood, there will be visits to the major film studios for photographing with leading stars. In Washington there will be a gala Congressional reception.

Tickets have already been reserved for a trip to France in March for a two-week trip. Famous French designers such as Pierre Balmain, Schiaparelli, Hubert de Givenchy and others will create still more original costumes. Early in May the annual report will be made to "King Cotton" at the traditional Cotton Carnival in Memphis, where the winner will also receive a 1954 Ford convertible. Closing the list of events for the national winner will be a Canadian tour, including Montreal and other major cities.

Entries in the South Plains contest must be received no later than midnight, Nov. 15, at the South Plains Maid of Cotton Contest, Box 561, Lubbock Texas. Entry blanks can be obtained by writing to this address or by calling at newspaper and Chamber of Commerce offices throughout the South Plains area.

**Fluoride Helps Build Teeth**

Children in fifteen Texas cities are literally drinking their way to dental health through fluoridation of public water supplies, declares Dr. Geo. W. Cox, State Health Officer. Three other towns have approved the program and several other communities are seriously considering fluoridation.

The Texas State Department of Health approves fluoridation of public water supplies because it is the most practical and effective public health measure for partial prevention of tooth decay. Studies have disclosed that one-half to two-thirds less dental decay is experienced by children who drink water containing one part of fluoride to a million parts of water. Some cities in Texas have this amount naturally in their water supply.

It isn't known just how fluoride acts in reducing tooth decay but these ideas have been advanced. One is that fluoride makes the enamel of the teeth harder. Another is that fluoride reduces the growth of bacteria, or enzymes, and the acids that are believed to cause teeth to decay. But it will be some time before the final answer is found.

The most dramatic results of the use of fluoridation to prevent tooth decay are found among young children who begin drinking fluoridated water in childhood and keep drinking it until their adult teeth grow in. Therefore, it seems that the most important time for intake of fluorides is while the teeth are forming in the jaws.

Even though your child drinks from a fluoridated water supply, or even though his teeth may have had topical applications of fluoride solution, he still may have some tooth decay. Fluoride does not prevent all decay, but rather reduces the amount of decay. Therefore, regular dental care is as necessary as necessary as it was before the value of the fluorides was discovered.

**Parents Invited**

P.T.A. has invited every parent of junior high students to visit the school on Tuesday night.

The junior high school, commented this week that "the purpose of this special night is to give parents and teachers a better understanding, especially the fathers who work all day and cannot attend P.T.A. meetings which are usually held in the afternoon."

**Half-Holiday Reward**

During "Back to School" night, parents go through an abbreviated schedule of their child's studies in junior high, spending 10 minutes in each class room. The entire course takes about an hour and a half.

C. A. McDougal, principal of

Special incentive for an excellent attendance of at least one parent is the fact that all children whose parents are registered will be given a half-holiday Friday afternoon. Attendance will be carefully checked, however," Mr. McDougal added, "and those children whose parents did not attend the Back to School night will be required to be in school that afternoon."

**News to Be**

Both newspapers are now being printed in the County Wide building. The Leader's office supply and job printing will remain in its present location until January 1st.

In newspaper circles, "twin-weeklies" is the name given to two separate weeklies published on different days in the same plant.

"The advantages of twin weeklies to the community is great," Williams said in discussing the new setup. "News of the county and the surrounding areas can be much fresher and can reach advertisers with their sales message more effectively than twice-a-week service."

Precautionary measures should be taken to guard health, too. The most important is a physical examination at regular intervals. See your physician at least once a year for a thorough checkup. As Sweetheart, she will march with the cadet band in all public functions, and will appear with a special Air Force uniform during drill periods. November 4, Joyce will appear on television over KCBDM Lubbock, in a special program concerning Air Force cadets, at 6 p.m.

Littlefield High School, Tharp was head majorette for two years, and a majorette for two years. She was in the All-Band two years, the F. H. Band on the "Skat" staff two

School Ratings Be Based On New Point System

Ernest Jones, county superintendent of schools, attended a recent meeting of school superintendents held in Tahoka, which 12 points by which elementary and secondary schools will be accredited in the 1953-54 year were discussed.

Jones reports that the significant point of these recommendations is that schools will no longer be judged on subject content, but will be accredited primarily on room instruction. A meeting of county school administrators will be called during the month, at which Mr. Jones will present the 12 points for approval.

The four colored schools of county, at Littlefield, Sutton and Earth, will also be accredited on this new basis.

# Bula Fans See Bulldogs Defeat Smyer Friday Afternoon There

A crowd of fans journeyed to Smyer Friday afternoon to support their undefeated team, the Bula Bulldogs, and watched another victory for the Bulldogs. They meet Cotton Center this Friday on their home field.

Mrs. J. S. Crume from Eldorado, Okla. is visiting in the homes of her son Mr. Edward Crume and daughter Mrs. H. G. Thompson.

Mr. and Mrs. Art Folley and family have moved from Bula community to Littlefield.

Gerald Thompson, a former graduate and football player of Bula High School and now enrolled at Tech, drove out to Smyer Friday to see the Bulldogs play their game.

**Thompsons Have Guests**

Mr. and Mrs. Leslie Spradlin

from Eldorado Okla. were weekend guests in the home of H. G. Thompson. Mrs. Spradlin is a sister of H. G. Thompson. Mr. and Mrs. Spradlin are former residents of Bula community. Mr. and Mrs. W. C. Thompson and daughter from Wolforth, Texas were Sunday guests in the home of Mr. and Mrs. H. G. Thompson. They are former residents of Bula.

Mr. and Mrs. J. B. Duckett and family of Plainview were weekend guests in the home of John Aduddell.

Mrs. John Aduddell's father and mother, Mr. and Mrs. Reid of Clarendon, Texas were down for the weekend to see their son Vernon Reid who has been ill for some time.

**Hallowe'en Party**

Saturday night, Mrs. John Blackman assisted by her daughter and son-in-law Mr. and Mrs. Dudley Cash played hostess to a number of children for their Hallowe'en activities. About 21 children were present. After the traditional trip around the neighborhood "trick of treat" the children were served in the Blackman home.

Recently, Norman Warren, evangelist for the Church of Christ in Bula spent some time in Abilene Christian College getting materials for his Master's thesis. He is at present attending the Eastern New Mexico University at Portales.

**Quarterback Club**

Visiting the Jack Hicks this weekend were the Dick Lees from Idalou, Texas.

The Church of Christ encourages all their members to be present next Lord's Day. Their goal is 125. There were 97 for Bible Classes Sunday and 11 came in after count was taken.

Vernon Reid is still on the sick list.

**FHA Observes Week**

F. H. A. girls and F. F. A. boys had their regular monthly business meeting Monday night. The girls are observing National F. H. A. Week and it began Sunday with all the girls sitting together at church and wore their F. H. A. pins and badges. Monday was publicity day. Monday night for their meeting they invited all their parents. The theme of their meeting was "The true meaning of F. H. A." After business meeting they served sandwiches and coffee. Mrs. Alky gave a report to the parents of the plans for the future toward fixing their F. H. A. cottage.

"Tuesday is 'Family Day' and the girls are to make their Mothers 'Queen For A Day.' Wednesday is 'International

## Kat's Korner

By Karen Williams

Hi, Kids! I wonder how the Muleshoe Mules feel after last week's game? We really gave them a stomping. The boys played the kind of game that nobody can beat.

The dance after the game was a whopper! Everyone there was ready for a good time, and did they have it!

If you noticed some kids Wednesday morning walking down the hall with no teeth, it could be for the simple reason that the chemistry class made toothpaste Tuesday morning, and some unfortunate and unsuspecting person actually used the stuff.

The FHA is under way with their National FHA Week. They have something planned for every day of the week. Also if you happened to be riding around Tuesday evening and noticed a group of girls, half of whom were a pale green, never fear, it was just the annual informal initiation for the first year members. We had a progressive dinner which was quite unusual and only the first year members had the "privilege" of taking part in the meal. Believe me, I know by first-hand experience!

The LHS band is planning their birthday calendar sale. If

Day" and they wrap overseas packages and Christmas Cards will be sent to veterans at the Mental Hospital at Austin. Thursday is school day. The girls will clean the school grounds around the cottage and home-making department. Friday is fun day and the election of the F. H. A. Sweetheart. Saturday, Fund Day, and will be observed by having Hobo Day at Morton.

ard Skinner have enlisted in the Portales, New Mexico National Guard. They are supposed to attend the regular weekly meetings on Wednesday nights. Joe Turner, commercial teacher at Bula is first lieutenant in the Portales Guard.

**Quarterback Club**

Meeting twice a month, the Bula Quarterback Club has now enlisted a total of forty-eight members. Two new members, Dewitt Filler and John Aduddell became paid members on their first attendance.

Twenty-six members attended the last meeting. A McMurry-Howard Payne movie was shown. Meeting nights were dominoes, and canasta will be played and membership cards distributed.

The Seventh grade had a Halloween party last Thursday night in the lunch room, with refreshments being "spooky". They called the punch "Witches Broth," guaranteed to taste awful!

The junior class selected class rings last Thursday. They chose the oval shape ring. The girls ordered ruby set and the boys ordered the plain. They will not receive the rings until next year.

**Bus Drivers Meet**

County Judge Cecil Tate called a meeting of county bus drivers at the Bailey County courthouse last Thursday. All school bus drivers in the county were asked to attend. Drivers Morrison Turner and McDaniel attended.

Judge Tate expressed his concern about drivers who are not coming to a complete stop while children cross the road. These cases are tried in his court, and he is ready to deal with offenders.

**Annual Favorites Named**

The high school students have selected the ones to be featured in this year's annual. For best all round boy and girl they chose Dewayne Neel and Susie Jones. The student who showed outstanding qualities of citizenship was Carolyn Reynolds as seen by the faculty.

**Awards Assembly**

Sweater and jacket awards were made in assembly last Tuesday to the seniors. The ones to receive sweaters were Manager Jo Ann Hubbard (3 years), Dolores Vestal (3), co-captain Laverne George (3), co-captain Carolyn Reynolds (3).

Boys who received jackets were Manager Jimmy Cannon (3), co-captain Jimmy Gage (4), co-captain Richard Skinner (4), Benny Hall (4), Bobby Pool (2), Jesse Motes (1), Jimmy Drake (4), Curtis Snitker (3). Awards to other lettermen will be made later in the season.

Honor Roll for the first six weeks:

- 5th Grade, B — Marilyn Aduddell, Elmore Warren.
- 6th Grade, A — Dean Harris, B — Gloria Clevenger, Opal Bogard, James Clevenger, Lyn da Holt, Larry Pollard, Carol Cooke, Stanley Snitker.
- 8th Grade, B — Sandra Skinner, Betty Hallford.
- 9th Grade, A — Jr. Austin, Myrlene Nichols, Carolyn Jo Young, Sharon Holt, B — Burley Roberts, Jim Pat Claunch, Brenda McCall.
- 10th Grade, A — Gerald Neel, Richard Blanton, B — Robert George, Zilma Harris, Jan Arnold, Mary Ann Harris, Barbara Bogard, Juanita Pearson, Ramona Motes.
- 11th Grade, B — Susie Jones.
- 12th Grade, A — Carolyn Reynolds, Dolores Vestal, Robbie Arnold, Marcelee Austin, B — Jesse Motes, Richard Skinner.

**Training Union At Enochs**

Enochs Baptist Church was host to the West Zone Training Union monthly meeting Sunday afternoon. A large crowd of 130 attended. The host church had charge of the program for the afternoon with each department in Training Union having a part. Bro. Blain from Muleshoe brought the sermon.

Circleback carried home the "Attendance" Banner and Enochs won the "Efficiency" Banner with a grade of 82.

you want your name in print on your birth date to everyone who buys a calendar, you tell some band member about it and they will fix you up.

"Hats off, please," are familiar words when you walk into the classroom this week. The "Beat Olton" hats are circulated throughout the school and are really snazzy looking hats. Profits go to the senior class and from what I hear, it will be a nice tidy sum. Hope so, Seniors!

"Hot time in the old town tonight" was a very fitting phrase for Saturday night. The reports were that everyone had a good time and shall we say... painted the town with soap?

The National Honor Society is

planning a big party November 24 for their new members. It is supposed to be a costume party with each person representing a literary character or an author.

The basketball girls are having their first home scrimmage with Pep tonight at 7:30. Let's see everybody out for this!

Our football boys are rarin' to go into action against the Mustangs this Friday. We've got the will to win plus a good team, so Olton might as well kiss this game goodbye. Good Luck, Boys!!

**FLASH!**

No date has yet been set for the girls football game, but Mr. Shilling gave his O. K. Wednesday evening and further plans are made. The proceeds from

**Singing Group To Meet Sunday**

The Lamb County Singing Convention will be held Sunday afternoon at 2 o'clock at the Camp Baptist Church, John Clayton of Littlefield is president, and Harvey Messman of Amherst, vice-president.

All those interested in singing are invited to attend and take part in the program.

The game will go to the Senior Class. Cheerleading and typing jobs are open for any who wish to apply. Solong . . . Karen.

# BECAUSE MERCURY IS BREAKING SALES RECORDS MONTH AFTER MONTH

we give you a **DOUBLE PAY-OFF!**

1. Bigger volume means we can take a smaller profit per car—give you a bigger trade-in now for your present car
2. Mercury's record-breaking popularity shows you'll get back more of your investment when you sell or trade!

**ONE SECRET** of Mercury's higher trade-in value is its years-ahead styling—beauty that's worth more because it's smart inside and out!

When the sales figures for recent months were totalled up, Mercury had shattered all previous records. What's more, official market reports showed Mercury led its field for high trade-in value, returning more of the original purchase price than any other popular-priced car.

That's why we can offer much more for your present car now plus proof of much more for your Mercury later.

Before you buy any car, check to see if it

can offer you everything you can enjoy in a Mercury! Things like Mercury's years-ahead styling . . . proven V-8 power. Your choice of the optional power features to make driving easier. Remember, too, that you can enjoy all of Mercury's style and engineering advances for little more than the lowest price cars.

**To Finish New**  
**Building Soon**

During the past week, excellent progress has been made on the First Christian Church educational building, being constructed at East 14th Street and Phelps Avenue. "We expect to have the building finished within the next 30 days," Rev. Archie Gray, pastor, announced.

The concrete blocks for walls have been laid, the roof is being finished, and the floors have all been laid, Rev. Gray added.

The sale of bonds to finance the new church building has been going well, the minister said. The bonds are being offered to the public, and will mature over a 13-year span, paying six per cent interest. Any one interested in investing money through purchase of bonds is asked to contact Rev. Gray or O. N. Robison, chairman of the church board.

**High School News**

by Betty Byars  
Withches and spooks have all gone home now and carnivals are over till next year. I think everyone had a nice time and tricks over the week-end.

First, and sixth grades for getting king and queen of your class. I've heard that the juniors ran the seniors a very close race and had them scared. Good work kids.

If you see any of the boys come to school with black eyes,

skinned cheeks and so forth you'll probably know that they boxed at the carnival. I'm such a goon on boxing that I couldn't tell if they were mad or just having fun!

I'd like to help congratulate Mrs. Dykes, Mrs. Poston, and Mrs. Talbot for working up such a nice program for the coronation. I'm sure everyone enjoyed it. I hope you men and boys didn't knock Mr. Dykes and Mr. Bai. They both had horrified expressions everytime they went in the water. I noticed that when the 8th grade girls came along to throw Mr. Dykes sat on the edge. I imagine it was

because he was afraid they'd hit him instead of the target.

couples I saw at the carnival were Pat Pointer (and the usual), Jerry Bryant, Joyce Hodges and Darold Hardin, Tom Pointer dean Tinsley and Jerry Willis as if the junior girls think Mr. and Mrs. Pointer pay Charles to come get Tom. Is that right Charles?

I heard a few say, "Who's jacket has Christen Bundick got on?" Maybe we should have said "Harold Byars, who has your jacket on?"

Mrs. Grigsby is going to have to watch her husband. The freshman girls are trying to get him. I don't know whether it's because he bought a cupcake from them or not, but I've no to the school house he sure keeps the eagle eye on him. Better watch your home ec grades girls.

Our B team basketball girls won another victory the past week over Littlefield. The A Team won two victories. One over Littlefield and one over Pettit. Keep it up girls. How's your district championship? Wouldn't that be grand?

The grade school girls played a good game with Pettit even if they didn't win.

The F. H. A. girls gave a Halloween party for the F. F. A. vova. 'p r' bolnwe, 'eirr Cox, Colleen Bundick, and Christine bundick were in charge of getting the lunch room ready and getting games. It was a very nice party and everyone had a nice time.

I've run out of anything to write so I'll say bye till next week.

We believe you will like the way we are dividing the various features between the two papers. The Thursday Leader will carry the grocery ads, weekend specials for the department stores, and most of the county news.

The Sunday news will feature sports, society and such extras as the television schedule.

You will notice by an ad in section two of this paper that we have announced a new combination subscription offer of \$4 a year. The regular price is \$3 a year for each paper, which means that for \$1 more a year you can take both. Give us a ring or come by and we'll tell you how we can adjust your present subscription so you can begin receiving both papers immediately.

**Chinchillas**  
(Continued from Page 1)

away in the service and working, love animals—just any kind of animals. Goats live in the backyard of the Davises have done a thriving business selling goat's milk for babies and older persons who can't drink cow's milk.

Mrs. Davis came to greet us at the door with a handful of fresh-gathered eggs from her chickens, and the fattest cocker spaniel we've seen lately, barked loudly for candy. Perhaps the only thing missing was a bowl of goldfish, but that's because the Davises like animals they can touch and play with.

**\$1800 Original Investment!**  
"We were making some profit from the goats," Mrs. Davis told us, "but we looked for something we could raise that

would really bring a profit when sold. The best answer we found was chinchillas. So last December, we invested \$1200 in a pair of chinchillas, and \$200 each in three baby chinchillas. We have bought two special males since then, and the chinchilla pairs have produced babies every 111 days, so our back room is full of cages and chinchillas now."

If you can find the original amount to invest in the extremely expensive chinchillas, you can practically be sure of doubling that amount in a little over a year. Chinchilla coats sell for \$75,000 and up, but the actual profit in the United States is not in selling pelts, but in selling pairs for breeding.

**Mates for Life**  
"Chinchillas mate for life," we were told, "and believe me, Mama rules the roost! When Mama nips Papa, he knows it and hurries to mind her," Mrs. Davis added. "A few experiments have been made with polygamous mating, however, and we are going to try to mate four of the females with a prize male to see if that will increase our animals and expected profits."

At present there is no pelting service in the United States. All pelts of animals who die or are killed are sent to Salt Lake City, and furriers from New York and other markets go there to bid on the pelts for occasional auctions. "Rita Hayworth got the last chinchilla coat, bought by Aly Khan for \$75,000," Mrs. Davis said. The animals who are mammals and nurse their young, are only about a foot long full-grown, so it takes countless numbers of them to make a full-length coat.

**Chinchillas Clean, No Trouble**  
Of all the animals which are raised in the United States, it would be safe to say that the chinchilla is the cleanest and the least troublesome. The only requirement is that the animals must be kept indoors because they are extremely subject to pneumonia, from which they cannot be saved if they contract it, and the temperature must not rise above 80 degrees. The chinchilla comes from the high Andes mountains in South America, and therefore is not a heat-loving animal.

Chinchilla babies, only three

inches long at birth, are born fully furred with their eyes open and a complete set of teeth. Minutes after birth they will be bouncing around the cage, waving their furry tails which show a marked resemblance to squirrels. Their manner of eating, sitting on the hind legs with food held between the paws, is even, more squirrel-like.

"Don't plan to sleep next to room full of chinchillas," Mrs. Davis cautioned. "They are night-loving animals, and until we got used to their bouncing around and shaking the cages all night, we thought the house was being torn up every night."

**Feeding Inexpensive**  
Feeding a chinchilla is very

inexpensive. They eat a tablespoon of chinchilla pellets and a little shredded alfalfa once a day, and are more fond of good clean water than they are of food. The chinchilla is completely free of body pests, and keeps himself spick and span with a roll-over in a tub of powdered rock once a day regularly. Applewood sticks keep their teeth short, and prevent them chewing on the perches in their cages.

Mr. Davis, who is a pipefitter at the Plant X project near Earth, spends most of his spare time building cages for sale. He has devised wire cages with sturdy frames, although the most common cage type is a wooden frame with wire sides.

If you'd like to see a chinchilla that's not in a cage, you're invited to stop by Davis home. The Davises have chinchilla pairs for sale as well as babies, and sell the chinchilla as a profitable hobby and not too much to the chinchilla. They highly recommend chillas.

# Wildcats Roar Past Muleshoe Mules, 35-18

## Milton Vaughn Is Spectacular, Making Four Touchdowns And Kicking Extra Points

By JERRY BAKER

Marked by 140-pound Junior back, Milton "Rabbit" Vaughn, the Wildcats roared past the Muleshoe Mules here Friday night, 35-18.

"Rabbit" personally accounted for all 35 of Littlefield's points. He scored four touchdowns, runs of 6, 10, 8, and 30 also kicking all five extra points. He also threw a 27-yard touchdown pass to end Davis for the final tally. He also picked up 204 of the 266 yards rushing for an average of 7.3 per carry.

Littlefield was to move the ball at will at the Mules, the outcome of the game was in until the final quarter. Littlefield scored two to give them a 17-point

margin. A 68-yard scoring drive by Mule quarterback Willie Cox was held by a hard-charging Muleshoe defender as Muleshoe gained

### BULLETIN

Milton Vaughn was chosen of the week for the entire Plains area as he was chosen by Bill Hart, Lubbock Evening Journal Sports Editor. Hart also picked Davis, Springlake's defensive tackle as top lineman of the week.

Littlefield scored two to give them a 17-point margin.

Wildcats were just as effective through the air as Bob Dan Howard, and Milton Vaughn combined to complete 24 passes for 254 net

Muleshoe Scores First. Muleshoe opened the game by scoring through their own 25-yard line. They scored 32 before Willis nipped his 68-yard gallop into end zone on a knee. Muleshoe score to put them ahead 6 to 0 when attempt for extra point failed.

## Fresh Gridders Romp, 32 to 28

The Littlefield Freshmen gridders, coached by Gene McCannell, roared to their first win of the season Thursday night at Plainview as they edged the Plainview team, 32 to 28. It was a nip and tuck affair all the way with first one team scoring and then the other. Plainview scored first but Littlefield came right back and went ahead to stay.

Coach Gene McCannell said the boys played their hearts out against the much larger Plainview boys who outweighed the little Cats by about 40 pounds to the man. Fullback Mike Greer of Littlefield led the scoring with four touchdowns and one extra point while halfback Delwin Williams notched the other TD and also added an extra point.

Outstanding in the line were Leon Rogers and Max Morris.

## SPORTING BITS...

By Jerry Baker  
It looks like the Wildcats have finally found themselves and are playing like they are capable of playing. Both the offense and defense looked good against Muleshoe as the Mules only gained 6 yards net from scrimmage by rushing besides one 68-yard touchdown gallop in the first period by Mule Quarterback Bill Willis.

Milton Vaughn put on an exhibition of running last Friday night that thrilled all the Littlefield rooters present. The 140-pound Junior fullback at times just refused to go down and would fight his way for five or ten more yards. He picked up 204 of his team's 266 yards gained rushing in 28 carries for an average of 7.3 yards per carry. Off the record, he also scored four touchdowns, passed to end Davis for the other, and booted all five extra point attempts.

It should be something to watch when the "Rabbit" is pitted against Olton's Allcorn. It seems to me that Allcorn is slightly overrated and Vaughn is slightly underrated. Well, we'll find out tomorrow night.

If the Wildcats win against Olton they may have to play the Dumas Demons again and that isn't a pleasant thought. Dumas dumped the Wildcats here earlier in the season 38 to 13.

Between Bobby Orr, Milton Vaughn, and Dan Howard, the Wildcats completed 15 of 24 passes good for a phenomenal 254 yards netted in passing. We're liable to see another aerial circus at Olton Friday night, too.

Aside from Vaughn, you would have to go down the complete starting lineup to pick out the individual stars. Everyone played a good game against Muleshoe and if they continue to do so against Olton, there is no doubt that they will run Olton right off the football field.

I'll make a prediction this week and pick Littlefield to take the Mustangs by about 28 to 13. After the game, I don't know.

## Springlake Wins 8th Straight To Tie Dimmitt For 2-A Lead

Highlighting District 2-A play last week, the undefeated Springlake Wolverines edged the Sudan Hornets, previously undefeated in conference play, 19 to 13. Dimmitt and Amherst also racked up conference wins last week with the Bobcats edging the Happy Cowboys 13 to 7 and Amherst defeating the Kress Kangaroos, 20 to 0.

Lightning struck fast in the third quarter of the Sudan-Springlake game as the Wolverines scored in three successive drives, covering less than 20 plays, to defeat the Sudan Hornets, 19 to 13, in the top District 2-A game at Springlake last Friday night. Trailing 6 to 0, the Wolverines exploded with a long run, a blocked punt and an intercepted pass to gain their margin of victory. Sudan pushed across its final tally in the fourth period on a one yard plunge.

Springlake Wins 8th. The win put the Wolverines into a tie for first place with Dimmitt, both winning their third conference games last Friday night. Springlake's win was its eighth in a row without a setback.

The Hornets led 6 to 0 at half-time with Carlos Garner scoring from nine yards out in the last play of the first half. The hectic Springlake scoring spree then occurred with the Wolverines driving to the one-yard line following the kickoff where Dwaine Louder sneaked over the tying tally.

Davis and Branscum rushed into block a Sudan punt on the Hornet 15 to set the stage for the next tally. Louder went to the 11 and Hadaway to the six where Louder went over on the next try. Kenny Watson intercepted a Peacock aerial to set up the final and winning touchdown for the Wolverines and took it to the Hornet 15. He went over on the first play with Davis running over the double stripe for the conversion.

All that happened in five minutes, but it didn't break the Hornets who fought until the final minute. They took the kickoff and drove for their other touchdown, although they got it in the fourth quarter.

Dimmitt Beats Happy. The Dimmitt Bobcats copped their third conference victory

## Buddy Rogers Is Selected Player Of Week

Joe Giddens of 711 East Sixth Street in Littlefield is the winner of this week's "Player of the Week" contest. Mr. Giddens' letter on why Buddy Rogers should be chosen player of the week is as follows:

"Dear Sirs:  
I think Buddy Rogers deserves to be 'Wildcat of the Week' because of his outstanding play on both offense and defense.

Buddy played the entire game without substitution. And helped open the hole for two touchdown plays through his left guard position. And was downfield blocking on the other plays. He also played an outstanding game on defense and he played Muleshoe for a ten yard loss when he tackled the Mules quarterback behind the line of scrimmage.

Joe Giddens

Littlefield, Texas."

Mr. Giddens will receive a five dollar check from the County Wide News for this letter.

## New Deal Beats Whitharral, 12-0

Fullback Willie Cox tucked the pigskin under his arm for quick runs in the first and second periods at New Deal last Friday night to honor homecoming New Deal exes with a 12 to 0 win over the visiting Whitharral Panthers.

Cox' first run in the initial period was for 27 yards over left guard. His second, in the next period was for 27 yards over left through right tackle. Neither try for the extra point was good.

## J. Frank Daugherty Of Olton May Become Texas Olympic Track Star

By JERRY BAKER

There's a long-legged lad from Olton who's destined to rank with the greats of track fame—in fact, already his name is mentioned with those of Mel Patton, Jesse Owens and Wes Santee. But as is too often true, J. Frank Daugherty's fame has barely reached Lamb County where he was born and has lived 18 years.

The list of track honors J. Frank has rolled up in his high school career was enough to impress every school in the Southwest, and gain him 4-year scholarship offers from every college in the Southwest Conference.

To top a spectacular record, this week J. Frank was named to the All-American High School Track Team—not just one event, like the others listed—but for both the 100 and 200-yard dash. And to cap that, he was selected the outstanding athlete of the entire season.

### Freshman at Texas U.

There may be a few red faces in Olton, where Daugherty's lack of interest in distance running and a poor sixth in a tournament his junior year shed doubt on his ability. But there's a beaming face at the University of Texas, where Coach Clyde Littlefield is the proud trainer of this possible Olympic star. J. Frank is a freshman at Austin this year, where he accepted a 4-year track scholarship.

In the background, stands Joe Holmes, manager of a Lubbock sporting goods store and former Texas University track star. It was Holmes who coached Daugherty, although on official records, J. Frank is listed as being under the supervision of the Olton coach and represented Olton High School.

For a boy who wasn't considered a top-notch runner, couldn't play basketball or football in his senior year because of a knee injury, and had an out-of-town trainer, Daugherty has done all right.

### Amazing Success

- Consider these records he has set:
1. 40 high school races run, 40 races won
  2. 9.6 seconds in the 100-yard dash for a regional tournament, which he won by 12 yards
  3. 9.6 seconds in the 100-yard dash, State Tournament, Class B
  4. 9.4 seconds, only .2 second off the world record, in

the Caprock Relays at Slaton.

5. 20.5 seconds, breaking the 20-year mark set by Jesse Owens of Olympic fame, in the 220-yard dash.

Maybe J. Frank's speed comes from the "wide open spaces" he could use for practice—hundreds of acres owned by his father, stocked with Herefords and famous quarter horses. On this land, J. Frank, who is the namesake of J. Frank Norfleet, famous range detective, had plenty of room to grow.

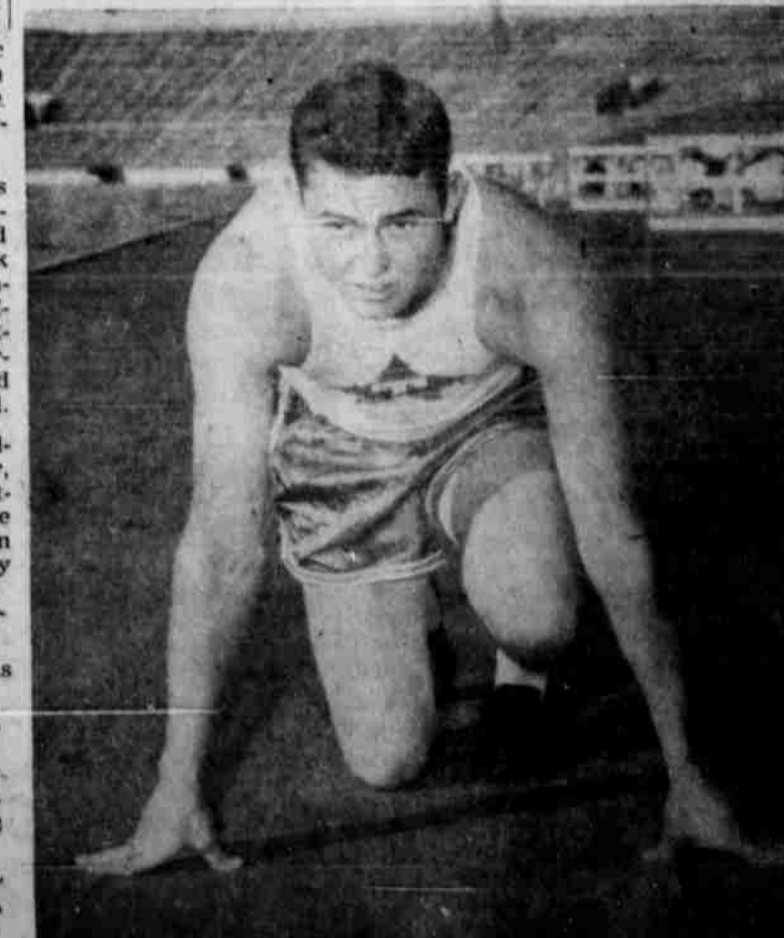

Both of J. Frank's parents, Mr. and Mrs. Frank Daugherty are graduates of Olton High School and have lived near Olton their entire married life. Members of the Reorganized Church of Jesus Christ of Latter Day Saints, "Curly" and

his wife have pride in their land and their children.

Black-haired and tall (6 feet 1 inch, 175 pounds), J. Frank reminds spectators of Mel Patton, with the same rangy style. By the time he finishes his track career, it may well be that viewers will be "reminded of Daugherty" by some other runner.

If J. Frank becomes an Olympic champion, which now is easily in the realm of reason, it will be no surprise to his parents, Joe Holmes or Clyde Littlefield. The most surprised persons will be those in Olton and Lamb County. His ability and good sportsmanship have become known throughout the rest of the United States, and a mark of the high regard in which he is held was the trophy he won at the Tri-State Invitational meet in Amarillo for being the best competitor.

The four other Texas boys named to the All-American team are Robert Crump of Amarillo, James Peters of Brenham, Bobby McBride of Refugio and Herman Johnson of De Leon.

## Vaughn And Allcorn To Duel Friday

Tension will be high and tempers on edge tomorrow night when the Littlefield Wildcats journey to Olton to meet the once beaten Olton Mustangs. The keen rivalry between Littlefield and Olton will come to the fore tomorrow night as this is a "must" game for both teams.

Both Littlefield and Olton are undefeated in conference play with Littlefield having two wins and the Mustangs one. This game will in all probability decide the conference champion, as Littlefield and Olton are the only teams of higher caliber in District 2-AA.

It could very easily be a battle between the Wildcats' flashy tailback Milton Vaughn and Olton's R. V. Allcorn. The 140-pound Vaughn looked great last week in scoring 29 points against Muleshoe while Allcorn went two better and scored 31 points against Lockney.

Littlefield and Olton have played no common opponents, Olton playing teams of lower class than Littlefield, therefore there are no comparative scores to go by. Both teams have been pointing toward this game all season and both the Wildcats and the Mustangs will be at a top mental peak.

This is the first year for either team to compete in District 2-AA competition. Last year Littlefield played in District 7-AA while Olton played in Class A. Littlefield did not play Olton last season. Hopes for both teams lie in Littlefield's ability to stop Allcorn and Olton's success in slowing down Milton "Rabbit" Vaughn.

Olton has won six games while losing only one, and Littlefield has been victorious three times and has lost four contests. However, the Wildcats have played much stronger opposition as Olton has played several Class A teams.

The kickoff is slated for 8 p. m. on the Olton High School football field. Littlefield will be at top strength physically as no one was lost to injuries in last week's Muleshoe game. From all indications it should be an exciting game from every standpoint.

## Clements, Sakata Team Against Fletcher, Bonales

Ray "Big Train" Clements returns to the wrestling wars Saturday night at the Littlefield Sports Arena.

This tough, unscrupulous rascal has been out of the business for several months, following a personal contact with an 800 pound brown bear which was supposed to adhere somewhat to wrestling rules.

Clements makes his first ring appearance since that unhappy night when the teams with Japan's Mr. Sakata in a tag match. Mr. Sakata, the evil-eyed Oriental who has been cutting many capers since entering the Southwest States junior heavyweight area, is a fitting partner for the Lumbago man. Neither gives a darn about his opponent, and each tries to make it more severe.

Opposing Sakata and Clements will be Bill Fletcher, former Navy champ, and Chico Bonales, a young but enthusiastic and capable wrestler from Mexico City.

On the basis of experience and strength, Bonales and Fletcher are somewhat outclassed. But they are young, speedy, shifty and alert. It is not likely that Clements and Sakata will outmaneuver them. It could develop into one of the more interesting tag matches of the season.

The principals will warm up for the main bout with a couple of preliminaries.

Bonales a chubby but active Latin-American, whose height belies his weight takes on the Japanese, Sakata, in a one fall or 20-minute deal. Then Fletcher the same rules.

Clements suffered a ruptured spleen last spring when he was wrestling a bear, the protective armor coming off the bear's claws during the match and scoring deep holes in the Clements' anatomy. The said Clements was laid up in a hospital for more than a month. He now declares himself ready for action.

State Health Officer Geo. W. Cox checked statistical tables and announced that shooting accidents had claimed the lives of 187 people last year. That's more death than was dealt out by typhoid, scarlet fever, smallpox, diphtheria, whooping cough, measles, typhus, malaria, pellagra, and encephalitis combined for the same period of time.

"It's getting so that hunting seasons are almost as hard on the hunters as they are on the game," the health official commented.

**Check These Rules**

How many of those 187 deaths occurred during the hunting season he didn't say. But with thousands of Nimrods taking to pastures for deer and turkey, it's safe to bet the number was needlessly high. So why not agree with yourself or other members of your hunting party that this year you will:

- Never carry a loaded gun in your car.
- Never lay a gun aside unless you personally unload it.
- Never carry your gun with the safety catch off.
- Never let your finger rest on the trigger, or even inside the trigger guard—until you take aim at the target.
- Never point the gun at anything you don't intend to shoot.
- Never mix fire water with fireproof.
- Never drag a gun through a fence. Put it over before you climb through.
- Never shoot a gun without first checking to see if the bore is clear of obstructions.
- Never shoot at noises in the brush. Remember that when wildlife is being stalked it seldom makes a noise that you can hear.
- Remember, too, that guns can become toys of death for inquisitive youngsters. Unload yours before you get home.

## Pettit Swamps Cotton Center

The Pettit Eagles built up a 42-0 halftime lead over Cotton Center then coasted to an easy 50-26 District 2-B six-man football victory at Pettit Thursday night.

Byron Wilson, Truett Hall and Bill Price did all the scoring for the winners, Hall crossing the double stripes four times in the rout.

Price returned a punt 50 yards and passed to Wilson for two other tallies. In addition to kicking four extra points, Hall's runs were 25, 8, 35 and 4 yards.

Hall, Worley, Lonnie Cannon, Danny Terry and Dale Terry scored six-pointers for Cotton Center. Danny Terry kicked the lone extra point.

Early in his fistic career, Jack Dempsey was knocked out in one round by Jim Flynn. A year and a day later, Dempsey reversed the process by finishing Flynn in the first round.

## Benefit Game At Anton Nets \$500 Fund

Don Brazil, a sophomore guard who was moved to a half-back slot, scored twice to lead the Anton Bulldogs to a 48-21 win over Dimmitt B at Anton last Thursday night.

Proceeds of the game went to a fund to pay hospital bill for injured Anton football players and Coach Joe King reported that approximately \$500 was taken in.

Buddy Spears, regular quarterback, led the scoring with three touchdowns. Robert Burdette and Raymond Stevenson made the others.

Dimmitt B, which scored twice in the second quarter and once in the fourth, gave the Bulldogs a run for their money in the first half and never gave up. Coach King reshuffled his line-up in the final quarter to hold down the score.

Anton scored twice in the first period when Spears passed 31 yards to Burdette. Spears ran 10 yards for the second touchdown.

The Bulldogs added two more in the second when Brazil plunged over from the five for the two TDs.

Dimmitt got its final tally in the fourth when Don Mobley plunged over from the six. Raymond Stevenson took the kickoff and galloped 60 yards for the last Anton score.

Spears ran over four extra points and Brazil three for Anton while Don Sheffy got two for Dimmitt.

## Wildcats, Olton Win 2-AA Games; Allcorn Leads Win Over Lockney

The Littlefield Wildcats and the Olton Mustangs both won District 2-AA frays last Friday night as the Wildcats took Muleshoe by the measure of 35 to 18 as Olton was downing Lockney 45 to 13.

Littlefield had little trouble winning from Muleshoe as Wildcat tailback Milton Vaughn scored 29 points and passed for six more to end Keith Davis. Scoring for Muleshoe was quarterback Bill Willis, end Jimmy Holt, and fullback Wayne Moore.

**Allcorn High-Scorer**

Mustangs fullback R. V. Allcorn went on a one-man scoring rampage at Olton last Friday night as he tallied 31 points in the 46 to 13 rout hung on the Lockney Longhorns by a hard-charging Olton eleven.

Allcorn raced over the double stripe twice in the first and third periods, added another six-pointer in the second stanza and booted one extra point for his part in Olton's 2-AA Conference opener.

The loss was the second conference setback in a row for the visiting Longhorns.

In the first quarter Allcorn started the scoring spree with a 39-yard dash through right tackle. But Lockney came right back when quarterback Jim Williams, bulled over from the 2-yard line. This score was set up when Longhorn fullback Allen Tinner raced 57 yards to the Olton 3. Williams passed to end A. Foster for the Lockney extra point and put them out in front for the only time in the game.

Olton took the lead again late in the first stanza as Allcorn banged over center for 8 yards

and the score. He continued his fine showing in the second quarter by racing 54 yards on a fake pass play for another TD and then kicked the extra point. Quarterback Archie Souter routed out the first half scoring on a 58-yard romp for Olton's fourth touchdown.

**Straw Sets Up Tally**

Halfback Bobby Straw set up another tally in the third stanza when he ran from the Olton 35 to the Lockney 25. Allcorn carried 13 yards several plays later for the tally and Souter booted the conversion.

A 20-yard pass play from Lockney's Jim Williams to Paul Williams was good for the final Longhorn six-pointer. But on the kickoff, Allcorn raced 85 yards for a tally.

The final Olton score came on a 30-yard pass from fullback Guy Granberry to halfback Bobby Bryant. Granberry then passed to end Charley Shelly for the extra point.

In games this week, Muleshoe travels to Tulla for a conference tussle, while Littlefield travels to Olton for the week's headliner in what will be the battle for the conference championship. Lockney is idle this week.

## WILDCATS ROAR —

half with the Littlefield High School Band featuring the eerie tune of "Dragnet."

The second half opened with Littlefield tearing the Muleshoe line to shreds as they marched down the field biting off 10 and 15 yard hunks at a time to drive from their own thirty past the Muleshoe double-stripe with Vaughn carrying the pigskin the last 10 for his second score. He also booted the extra point to score again.

down the field to notch their second TD on a pass play from quarterback Bill Willis to end Jimmy Holt in a play covering 40 yards. Dwain Hoover blocked the try for extra point and the Wildcats still led by a slim 14 to 12 margin.

Seven plays later, the Wildcats found the range once again as they marched from their own 33 into the end zone following the Mule kickoff. Led by the "Rabbit" they ripped off 10 and 20-yard gains on each try as the Muleshoe was defenseless against the furious Wildcat offensive onslaught. Vaughn capped off the drive with a 30-yard gallop through the left tackle slot and then kicked the P.A.T. to make it 21 to 12 and once again the Wildcat fans breathed a little easier.

But their joy was short-lived as Muleshoe again moved down the field to score, aided by a 15-yard unnecessary roughness penalty and an 18-yard pass from Bill Willis to Wayne Moore. Moore carried over from the 13-yard line to make the score read: Littlefield 21, Muleshoe 18.

**Wildcats Continue Onslaught**

With both teams now scoring every time they got their hands on the ball, Littlefield decided not to be different as they drove back down the field behind the diminutive "Rabbit" to score again.

This time the Wildcats drove from their own 35 across the double-stripe in 10 plays as Vaughn accounted for 58 of the 63 yards made in the march. He capped off his brilliant display of running by an 8-yard carry across the goal line to run his total of TD's to four. He also booted the extra point, and at this point, he had scored all 28 of Littlefield's points.

On the first play after kicking off to the Mules, the Wildcats once again gained possession of the ball as Bobby Murdock intercepted a Willis aerial to bring the Wildcats into scoring territory again. Although a 15-yard penalty slowed down the drive, it didn't stop it as the Wildcats took six plays to notch another six-pointer on a 27-yard scoring pass play from Milton Vaughn to Keith Davis. Automatic Vaughn then kicked his fifth extra point of the night to complete the scoring, giving him the grand total of 29 points.

The Wildcats immediately threatened once again as fullback Tom Shelby fell on a Mule fumble after a short kickoff by out, ending the game before the Cats could push the ball into the end zone again.

The entire Wildcat team played their best game of the season as the blocking was superb and the tackling was at times vicious. Looking good on offense were Vaughn, Orr, Hoover, Bob Hoyer, Dwain Hoover, Keith Davis, and James Renfro, while defensive stalwarts were Martinez, Murdock, Hatla, Rogers, and Jackson.

This was the Wildcats' second District 2-AA win against no defeats and places them in a good position to take the conference crown. The Wildcats play Olton next week at Olton in the game which will probably decide the conference champion. The Wildcats have now won three games and lost four over the season.

## Bula Still Unbeaten, Untied After Seventh Win Over Smyer

Bula's six-man football team outlasted Smyer in a District 2 battle at Smyer last Friday afternoon, 45 to 41.

Richard Skinner led the winners with four touchdowns, two coming on 50-yard gallops. Jimmy Drake, Richard Blanton and Dewayne Neel each tallied once.

For Smyer, Ysidor Ramos and Alton Thomasson scored twice each. Harvey McDougal and Jimmy Moring chipped in

with touchdowns. Bula was never behind a wide-open scoring duel, but a 13 to 6 lead in the first quarter and a 26 to 13 halftime lead. Coach Claude Morrison used his entire roster of 23 players, giving them all a chance. Bula, leading District 2, racked up seven straight victories this season. Smyer has a 3 and 3 record, meets Cotton Center at Friday night at 7:30.

**NOTICE OF ELECTION TO BE HELD WITHIN THE CITY OF LITTLEFIELD, TEXAS, ON THE QUESTION OF THE CONFIRMATION OF THE CANADIAN RIVER MUNICIPAL WATER AUTHORITY**

TO ALL QUALIFIED VOTERS WHO RESIDE IN THE CITY OF LITTLEFIELD, TEXAS, AND WITHIN THE CANADIAN RIVER MUNICIPAL AUTHORITY, WHO OWN TAXABLE PROPERTY THEREIN AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held on the 24th day of November, 1953, within the CANADIAN RIVER MUNICIPAL WATER AUTHORITY, comprised of the Cities of AMARILLO, BORGER, BROWNFIELD, LAMESA, LEVELLAND, LITTLEFIELD, LUBBOCK, O'DONNELL, PAMPANA, PLAINVIEW, SLATON and TAHOKA, Texas, in compliance with a resolution duly enacted by the Board of Directors of said Canadian River Municipal Water Authority on the 5th day of October, 1953, and which resolution is a part of this Notice, being in words and figures as follows, to-wit:

**RESOLUTION CALLING AN ELECTION FOR THE CONFIRMATION OF CANADIAN RIVER MUNICIPAL WATER AUTHORITY**

THE STATE OF TEXAS, CANADIAN RIVER MUNICIPAL WATER AUTHORITY. ON THIS, the 5th day of October, 1953, the Board of Directors of CANADIAN RIVER MUNICIPAL WATER AUTHORITY convened in session at the Hilton Hotel in Plainview, Texas, with the following members thereof present, to-wit:

- C. A. HUFF, PRESIDENT
- ROBERT E. MAXEY, VICE-PRESIDENT
- T. E. JOHNSON
- L. R. HAGY
- FRITZ THOMPSON
- GEORGE FINGER
- RAY BENNER
- SAM RICHARDSON
- FRED THOMPSON
- WINFIELD HOLBROOK
- R. Q. SILVERTHORNE

- S. M. CLAYTON, JR.
- J. B. HUCKABAY

and A. A. MEREDITH, Secretary, also being present, and with the following absent: J. Ray Dickey, C. C. Primm and Bill Strange, Jr., when among other proceedings, the following resolution was adopted:

Mr. Fritz Thompson introduced a resolution as follows:

**RIVER MUNICIPAL WATER AUTHORITY** has been created and established by Senate Bill No. 126 passed and enacted at the Regular Session of the Fifty-third Legislature of Texas in 1953; and

WHEREAS, the members of the Board of Directors of said District have been duly elected by the governing body of each city constituting a part of the District as provided in Section 3 of the aforesaid Act, save and except the governing body of the City of Littlefield, which has declined to name the director to which such city is entitled; and

WHEREAS, each of the directors of said District elected as aforesaid have qualified and the Board has been duly organized pursuant to all terms and provisions of the aforesaid Act relating thereto; and

WHEREAS, the Board of Directors now considers it necessary and advisable to proceed as expeditiously as possible to call and hold an election in each of the twelve constituent cities on the proposition of the confirmation of said District in compliance with the provisions of Sections 24 and 25 of said Act of its creation, in order that this Board may proceed with the exercise of the powers and authority conferred upon it and the District by said Act and in furtherance of the District's purpose; it being further found and determined that in order to fully comply with the provisions of said Act, the said election shall be called and held to include the City of Littlefield, notwithstanding the fact that a director has not been elected from such city; therefore

**BE IT RESOLVED BY THE BOARD OF DIRECTORS OF CANADIAN RIVER MUNICIPAL WATER AUTHORITY:**

**SECTION 1:** That separate elections shall be and same are hereby ordered to be held on the 24th day of November, 1953, in the City of Amarillo, Potter and Randall Counties, Texas; in the City of Borger, Hutchinson County, Texas; in the City of Brownfield, Terry County, Texas; in the City of Lamesa, Dawson County, Texas; in the City of Levelland, Hockley County, Texas; in the City of Littlefield, Lamb County, Texas; in the City of Lubbock, Lubbock County, Texas; in the City of O'Donnell, Lynn and Dawson Counties, Texas; in the City of Pampa, Gray County, Texas; in the City of Plainview, Hale County, Texas; in the City of Slaton, Lubbock County, Texas; and in the City of Tahoka, Lynn County, Texas, in accordance with the terms and provisions of the aforesaid Senate Bill No. 126, establishing said District.

**SECTION 2:** That at said election the following proposition shall be submitted, and only qualified voters who reside in the District and in the several cities mentioned above, who own taxable property therein and who have duly rendered the same for taxation, shall be qualified to vote. At said election the following proposition shall be so submitted:

"SHALL the Canadian River Municipal Water Authority, established by Senate Bill No. 126, passed by the Fifty-third Legislature, of the State of Texas, at its Regular Session in 1953, be confirmed to include each of the constituent cities therein named, the District so confirmed to contain only those cities in which a majority vote favors confirmation?"

**SECTION 3:** The ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6 V.A.T.S. Election Code, adopted by the Fifty-second Legislature in 1951, and printed on such ballots shall appear the following proposition:

"FOR CONFIRMATION OF CANADIAN RIVER MUNICIPAL WATER AUTHORITY."

"AGAINST CONFIRMATION OF CANADIAN RIVER MUNICIPAL WATER AUTHORITY."

**SECTION 4:** Each voter, qualified to vote as aforesaid in Section 2 above, shall vote in the city of his or her residence, and the aforesaid elections shall be held in the respective cities at the voting places below indicated, it having been found and determined that such voting places conform as nearly as conveniently possible with those customarily designated for election purposes in said respective cities.

(a) In the City of Amarillo, Texas, the polling places and presiding judges of said election shall be as follows, to-wit:

**You're in the driver's seat**

It's your money, of course—but we'd like to see you make the most of it.

That's why we want to show you the price of the big Buick SPECIAL illustrated here—to make Point #1: you can buy this great performer for just a few dollars more than the "low-price three."

But Point #2—the smart point—is this:

When you put up those few extra dollars for the Buick pictured here, you're in the driver's seat of a lot more automobile.

You boss extra power—more satisfying power—walloping Buick Fireball 8 power—highest ever found in a Buick SPECIAL.

You get extra room—a lot more comfortable room—real, man-sized, 6-passenger room—as much room as you get in cars costing hundreds of dollars more.

You enjoy extra satisfaction—more solid satisfaction—in the ride of this big, broad,

road-steady traveler that's cushioned by coil springs on all four wheels, and engineered with all the other costly features of the Million Dollar Ride.

And, speaking of extras—here you get, at no extra cost, a long list of standard equipment that most other cars at or near the price of this Buick charge you for, as "extras" on the bill of sale.

So, as we said—it's your money—and it's your move.

If you're aiming for the driver's seat of a hard-to-beat buy—for a lot less than you think—come in and see us soon.

**Farm Bureau  
Holds Meeting**

At a meeting of the Lamb County Farm Bureau held in the local office October 29, it was announced that the membership drive, seeking to enroll 525 members in Lamb County, would be extended through the week of Nov. 1-7. Jack Yarbrough, president, said that only 75 more members are needed to reach the goal set. The board of directors will meet in the office on Nov. 5 at 8 p. m. for a regular assembly. Any Farm Bureau member is always welcome at these meetings.

The Littlefield office will be closed Nov. 9, 10, and 11 while the office force and officers attend the Texas Farm Bureau convention in Mineral Wells. All members are urged to attend this important convention, and a few more reservations are available at the Farm Bureau office.

**County Agents  
Attend Meeting**

Cong. George Mahon addressed a meeting of representatives of the Production and Marketing Service, held in Lubbock last Thursday. Representation was from 19 South Plains counties, with County Agent David Eaton

representing Lamb County. In his speech, Cong. Mahon stressed that agricultural officials and farmers should educate themselves in face of coming cotton controls and should know why allotments have been declared by the secretary of agriculture. Due to the controls,

**Resting—After a Long, Hard Day!**

Twenty minutes ago, the man you see in this picture came out of a long and harassing conference—tired, tense and with a bit of a headache.

And he said to himself—"I'll take the long way home tonight, and drive out by the waterfront, and let the Cadillac relax me!"

And that's just what he's doing.

If you own a 1953 Cadillac, you know exactly what's taking place. But if you don't—let's see what happens as he climbs into the driver's seat and lets his wonderful car begin its magic.

It's relaxing just to sit there—and look out over that long, beautiful hood into the beckoning distance.

The seat cushions hold him in buoyant comfort; the slender wheel fits naturally into his hands; great areas of glass surround him and let each glance reveal a panorama.

And, of course, he's proud—for it's an endless satisfaction to command such a respected possession!

And now comes the great lift to his spirits: He touches the key, and hears that deep-throated response so characteristic of a Cadillac engine—and, in an instant, he's off for a wonderful, wonderful hour!

Steering is no more than a gesture... the lightest touch on the throttle gets immediate action—smooth, quick and positive... the brakes are easy and certain under his foot.

So he just sits back and rolls along—with the soft sound of the wind for a lullaby—and the beautiful view for a tonic—resting, relaxing, at peace with the world!

His wife will never suspect, as he wheels into the driveway, that he was a tired and tense and weary husband just one short hour ago.

That's one of the nicest things about a Cadillac. It's a proven therapeutic for a work-weary man!

Try it, soon, at the end of a long, hard day. We'll furnish the car. You name the time and place.

Maj. Gen. John C. McQueen (third from left) presents the General Clement Trophy for outstanding military proficiency to Maj. P. Goudeau (left) of New Orleans, and Col. Brudge E. Kyle of Beaumont, at right. Maj. Rowe is the son of Judge and Mrs. E. S. Rowe of Littlefield, and is assistant chief chemist for the Goodrich Rubber Company, of Port Neches where he lives with his wife and two sons.

**State Baptists Will Have Union Meeting**

Ten thousand Texas Baptists are expected in Fort Worth 26-28 for the sixty-third annual Training Union Convention of the Baptist general convention of Texas.

Dr. T. C. Gardner, state Training Union secretary, Dallas, reports that the meeting in Fort Worth will probably exceed last year's convention in Lubbock, where 10,454 were registered.

Sessions of the 153 convention will be held in the Will Rogers Coliseum and in the Broadway Baptist Church, site of the first

annual convention held back in 1891.

The anticipated 10,000 messengers represent the more than 300,000 Baptists enrolled in the first weekly Training Union organizations in the 3,443 Texas Baptist churches.

These workers attending the convention will hear inspirational messages by some of the denomination's outstanding leaders, including Dr. J. Ralph Grant, pastor of the Lubbock First Baptist Church and Dr. A. Hope Owen, president, Wayland College, Plainview.

If a lot of brilliant sunlight comes in through your windows, curtains of a cool color would probably be your best choice. But if the windows of a room face the cold north light, you may need curtains of warm color. Yellow draperies in a north

room would make it seem warm; blue draperies would have the opposite effect.

**Farm Bureau Talks Cotton At Lubbock**

Jack Yarbrough of Littlefield, president of the Lamb County Farm Bureau, was among members from 14 South Plains counties who met last Tuesday at Lubbock to discuss cotton allotments, and the possibility of increasing cotton acreages for 1954. The Farm Bureau wants the support of farmers in an effort to raise total U. S. cotton acreages to 2 1/2 million acres next year.

The Farm Bureau is also advocating the compromise plan of the American Farm Bureau Federation which would raise the Texas allotment to 8,939,000 acres, an increase of 1,635,000. This would amount to about \$100,000,000 for Texas producers, based on an average yield of 200 pounds per acre at a price yield of \$150 per bale, officials said.

The Hammond Farm Plan, instigated by Texas Farm Bureau president J. Walter Ham-

mond, was discussed at length. This plan provides for total acreage controls with sufficient land to be taken out of production any time a surplus of commodities appears on the market.

**For a real bargain - get a real truck!**

**S**URE, you can save a few dollars snow on a truck price-tagged slightly less than a GMC. But if you want a bargain that will still be a bargain after years of hard truck-work, ask these questions *before* you buy:

Does the truck give you a GMC's 105 H.P.? That's up to 19% more power than comparable sixes. It hustles a GMC's top loads up tough pulls—without engine strain.

Does it have a GMC's 8.0 to 1 super-high-compression? That gives you quicker getaways—more drive—better mileage. All on regular gas.

Does it offer a GMC's engine-sparing Truck Hydra-Matic\*? With it, you say good-bye to gearshift wrestling. No more clutch repairs. Maintenance costs shrink.

Does it have the extra protection of a GMC's self-energizing brakes? The extra comfort of a GMC's "Six-Footer" cab? The handling ease of a GMC's ball-bearing steering action?

If all the answers are "yes," you have a real bargain—a GMC. And there are 19 handsome 1/2- to 1-ton models to choose from. How can you lose?

# New Water Conservation Pit Projects May Salvage 250,000 Acre Feet Per Year

6,800,000 acres of land in the High Plains Underground Water Conservation District, which includes parts of Lamb, Castro, Cochran, Hockley, Lynn, Deaf Smith, and Potter counties, may benefit greatly from the recharge pits now building in Lynn and Floyd counties.

The proposed methods will use the pits to carry rainwater from surface lakes to the underground reservoir after salvaging the drain from soil slopes and depressions which supply the lakes. W. L. Broadhurst, chief hydrologist of the district, announced in a recent article in the Lubbock Avalanche-Journal that the design is to salvage the water for re-charge and reclaim land for grazing or farming activities.

This plan is being put into

charge experiments undertaken by the district prove successful, the estimated amount of lake water that can be salvaged in this district is 250,000 acre feet a year.

The pit under construction in Lynn County is on the farm of J. P. Unford, 4 miles west and 1 1/2 miles south of New Home. The pit and well in Floyd County is in the southwest corner of the county, 3 miles east of the Hale County line and 3 miles north of the Crosby County line.

Major Andre, the British officer who negotiated with Benedict Arnold for the surrender of West Point to the British, was hanged at Tappan, N. Y., on October 2, 1780.

## County Boys Win Awards

Lonnie Cole, assistant county agent, has announced that three Lamb County 4-H boys have won Sears-Roebuck awards for management and equipment of poultry.

Burford Carter of Littlefield, Jerry Don Tubbs of Amherst, and Doyce Turner of Pleasant Valley, who each received 300 chicks from the Sears Foundation, have been awarded \$23.65 each for their work with them. These "Blue Awards" will entitle them to be eligible for future awards on production.

## It's The Law in Texas

**Pre-Requisites of Contract**  
Did you ever think what a part contracts play in your life?

Even a bus ticket involves a contract. Your commuter's ticket states the conditions of the contract on the back. They refer you to tariff regulations.

The four pre-requisites of a contract are:

- (1) Parties who can make a contract.
- (2) Consent of the parties.
- (3) A lawful objective.
- (4) A sufficient "Consideration."

In the main, with certain conditions, anyone can make a contract. For minors, persons of unsound mind, criminals or the like, the law makes special provisions.

party makes a concrete offer, and the other accepts it unconditionally.

Confusion may arise when the parties do business by letter. Suppose you write me, offering your car on given terms. I accept by letter, addressing the envelope properly, and mailing it.

The contract has been made, even though the letter goes astray. Because you made the offer by mail you know that I might accept it by mail. It was your duty to check and see if I had accepted if you did not get my letter.

Suppose you want to take back your offer? If you mail your revocation before I accept, there is no consent and no contract. But if I mail my acceptance first, we have mutual consent and a contract.

You cannot, of course, take back your offer? If you mail you for an option for a certain time.

We cannot make valid contracts which have an illegal purpose. If what is paid as consideration is illegal the contract is void. Examples: Contracts cannot specify a higher than legal rate of interest, cannot be made in restraint of trade, deal with betting, or aim to defraud.

A contract needs to provide for a "sufficient consideration." Each party must receive something to deliver your car to me in return for \$700. The "consideration" I receive is your car, and your "consideration" is my \$700.

Suppose I plan to add a room to my house which cuts off your view. You say: "Don't build

that room and I'll give you car." If I do not build the forbearance makes your promise binding. Out of this action, we both get what we want—a consideration.

The consideration may be object, a promise, or an action, we both get what we want—a consideration.

The law says only that considerations must have value in the eyes of both parties. Many think that contracts set up amidst coils of red tape. But most contracts are oral. Mere hand signals at Chicago Pitt show the same grain bought and sold. A wife doing shopping every week without knowing it.

(This column, based on law, is written to inform and advise.)

# Lamb County Leader

NO. 25. LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, NOVEMBER 5, 1953.

## Over 100 Cars of Tomatoes Shipped

Lamb County is proving to be its way to becoming a tomato producing area. Over 100 carloads of tomatoes have been shipped from the county since this year. High truck farming here is being practiced by local farmers in the experimental area. The area is gaining attention in produce both because of the quantity of tomatoes and the quality of the produce.

The market has been slow this week's cold snap. Farmers are proving to be one of the best in the area can produce. It is not yet possible to predict the price of the local tomato crop. However, the price of the early crop is reported to have been \$500 on his 10-acre farm.

Produce buyers are expecting several thousand acres of tomatoes will be planted in Lamb County next year.

Workers at the Johnny Gallini packing shed west of Littlefield are shown preparing tomatoes for shipping. In the upper picture, the tomatoes are being graded. Below boxes of the produce are being loaded for shipment.

## Who Will Represent County Farmers At Meet

Lynch, Star Route 2, has been selected to represent farmers and ginners at the Lubbock meeting to take the complaints and suggestions to cotton classing.

Mr. Lynch, or before the next meeting will be November 4. This is a good chance to get the cotton ginners' attention set down with the cotton classing office, and to solve the problems facing them.

Soil authorities believe as much life in the soil as above it. Paul G. Extension Soil and Water Conservationist, says the life in the soil can be worms, grub, bugs, and gophers. However, the countless millions of forms of animal life in that the eye cannot see.

Prevention of this condition is best accomplished by controlled grazing so that animals are not grazing on grass that could be dangerous during the hot part of the day. It's best, too, not to graze sorghum fields for two or three days following frost.

A new bulletin, GROUND WATER DEVELOPMENT FOR PUMP IRRIGATION, discusses these and other factors on this type of irrigation. Copies of this bulletin, B-215, are available to you, free of charge, from the office of your County Agricultural Agent.

Farmers who use sudan or Johnson grass as a pasture for cattle, were warned this week that these plants may contain a dangerous amount of prussic acid under certain conditions. These plants and others of the sorghum family produce a cyanide compound, prussic acid, following wilting of the plants by drought, heat or frost.

# Hallowe'en Carnival Well-Attended; Needle Club Will Be Organized

A large number attended the annual Hallowe'en Carnival Friday night, at the high school, sponsored by the P.T.A.

Donnie Hardman was master of ceremony for the coronation and Betty Byars played the piano for the program. Pat Pointer and Kay Hoelscher each sang a solo. The high school girls trio, consisting of Glennis Holly, Maudean Tinsley and Tam Pointer, sang selections and the high school girls chorus sang with Wanda Bryant, soloist.

Larry Bob Stokes and Mary Ann Sanders were crowned king and queen of the primary grades.

Dan Brown and Virginia Lynn Anderson were crowned king and queen of the elementary grades. They are sixth grade students.

Dwayne Dixon and Lavonne Snow of the senior class were crowned king and queen of high school.

### Needle Club

All ladies interested in organizing a needle club are to meet in the home of Mrs. Deck Heard Thursday, November 12, at 2 p. m.

The Spade H. D. Club met in the home of Mrs. K. B. Hooper Tuesday, Oct. 27, at 2:30 p. m., with the vice-president, Mrs. Preston Pointer, in charge. Roll call was answered with "What I have enjoyed most in club work this year." Mrs. Joe Prater led the group in a song. Mrs. Prater gave a council report. The meeting time was changed from 2:30 to 2 p. m. each second and fourth Tuesday. Mesdames Ada Reed and H. P. Pointer gave a program on "Winter Bouquets."

Refreshments were served by the hostess to the following members: Mesdames Preston Pointer, Bayne McCurry, Travis Hopper, Ada Reed, H. P. Pointer and Joe Prater.

The next meeting will be in the home of Mrs. H. P. Pointer, November 10, at 2 p. m., for a program on "Living Room Improvement," by Mrs. Hazel Hickman.

# Isn't It Time You Brought An Apple To the Teacher?

### VISIT YOUR SCHOOLS DURING

## NOVEMBER 8 . . . . . 14

American Education Week has been specially set aside to give you a real opportunity to get acquainted with the teachers, principals and supervisors who play such an important role in your children's lives. Through them you'll get to know the special problems that face your community's educational system.

Here's an excellent chance to learn just how you can help your schools give your children the best education possible. Do you personally know the unselfish men and women who have dedicated the best years of their lives to teaching your children? Are you giving your P.T.A. the kind of support this fine organiza-

tion deserves? Are you taking a live and vital interest in the activities of your school board? Do you have some special talent, skill or knowledge that might benefit your school system?

The answers to these questions and to the many problems affecting our schools can be found only if you know your schools. And the best way to discover how you can help solve these problems is by visiting your children's schools.

For in the last analysis you determine the kind of education your children will get. Good schools are your responsibility. Visit your schools during American Education Week, November 8-14.

In the old days, it took three or four blankets to keep the Chief warm when the wintry winds began to blow across the reservation. But, now that he's "wired for winter", with one electric blanket, he finds that one does the job—even better than a big pile of old-fashioned blankets did.

You, too, can enjoy complete winter-time sleeping comfort with one blanket—electric, of course. And don't forget, they come with dual controls, so that each sleeper can have the comfort setting desired.

We picked up a book on its way back to the rental library the other day. One glance at the first page and we knew we had read it serially a couple of years earlier. Just to recall the story, however, we read on. Before we knew it, we had followed the now-familiar plot right up to the

closing chapter, and the afternoon had vanished.

People who enjoy reading find it all too easy to escape into a well-told story. As a result, they resist reading, for fear they'll neglect household or other duties. If a book can't be finished in one sitting, they feel they have no right to start it.

This "one-sitting" philosophy has just about crowded reading out of our schedules. Instead of starting a book, we limit ourselves to one-sitting activities—card tables, television sets, movies, occasionally a lecture or concert. It is an obsession with "now-ness."

Recently we talked with someone who is staging a one-man revolt against such thinking. If he sees a good movie based on the life of a great man, or an event is history, he goes and digs a book out and proceeds to read more about it. If that, in turn, reminds him of something else, he launches into that. Good books, he says, should set up their own chain reaction. And if we don't encourage an occasional venture into knowledge, we'll soon forget how to read intelligently.

Why all the nervous shopping around for diversion? And what if it does take more than one sitting? He's got the rest of his life, he says, to follow through one such "chain reaction" if it continues to interest him. If not, he'll take off after another.

Six attempts to get statehood were made by Utah before it finally succeeded on January 4, 1894. Admission was repeatedly refused because of polygamous practices.

Nebraska is known as the Cornhusker state.

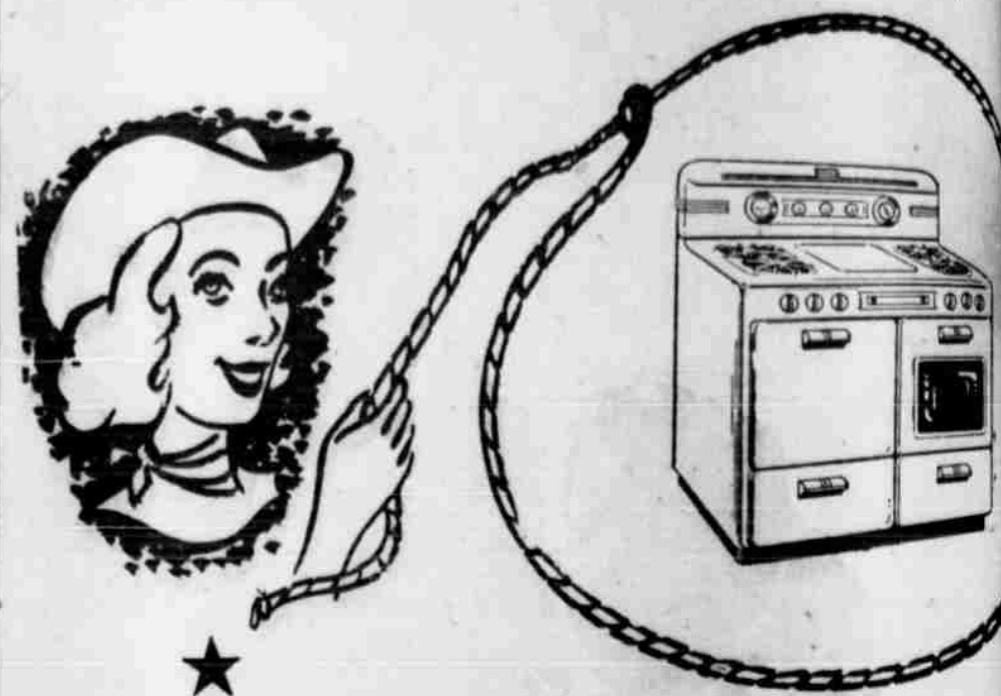

New Hampshire was originally called the Province of Laconia.

## USDA Reports Cotton Grades Slightly Lower

Texas cotton ginned through October 17, 1953, averaged slightly lower in grade and staple length than that ginned during the same period last year, according to the United States Department of Agriculture quality report. Ideal harvesting weather has prevailed most of this season. Light to heavy rains fell last week, stopping harvest in most sections for a few days.

The grade index through October 17 this season was 97.0 ( Middling White equals 100) compared with 97.5 last season. The average grade index for the first half of October was 97.3. Middling White and higher grades accounted for 59.5 percent of the ginnings this year compared with 58.4 percent last year. Strict Low Middling and lower White grades accounted for 33.3 percent of the ginnings compared with 28.2 percent last season. The Spotted and colored grades accounted for 7.2 percent of the ginnings which was about one-half of the 13.4 percent a year ago.

Cotton reduced in grade on account of rough preparation was 3 percent of the ginnings which was unchanged from last year.

The average staple length of cotton ginned through October 17 was 31.0 thirty-seconds of an inch, which was slightly longer than the 30.4 thirty-seconds for the corresponding period one year ago. Staple lengths shorter than 15/16 accounted for 22.3 percent of the ginnings, compared with 37.3 percent last year. Staple lengths 15/16 through 1 inch accounted for 56.3 percent of the ginnings compared with 41.8 percent last year. Staple length longer than one inch accounted for 21.4 percent of the ginnings this year, which was about unchanged from the 20.9 percent last year.

Cotton tenderable on futures contract was 93.4 percent of the ginnings compared with 86.5 percent a year ago.

## Cattle Prices May Dip Low

Texas livestock producers face the coming winter with a forecast that cattle prices will remain low compared with a year ago during the next few months and may dip even lower.

Despite this outlook, says John G. McHaney, assistant extension economist, reduced cattle inventories should stabilize the market during the next few years.

Prices at Texas cattle markets dropped 56 percent between April 1951 and July 1953. At mid-year producers were receiving 82 percent of parity compared with 152 percent in April 1951, the all time high. Cattle prices are today more in line with other agricultural products than they were several months ago, McHaney says.

Favorable grain and roughage supplies caused the nation's producers to add about 4 million head to inventories during 1950. The following year price ceilings served as a stimulus for cattlemen to hold on to their beef animals and 5.5 million more animals were on farms by the end of 1951. That year cattle slaughter hit its lowest ebb in 10 years. Calf slaughter

Cotton ginned in Texas through October 17 amounted to 2,088,697 bales compared with 2,105,513 bales last season, according to the Bureau of the Census. The United States ginnings were 8,757,368 bales.

## Steaks Served To Parkview Men

The Parkview Baptist Brotherhood met at the church Tuesday night for a steak supper, prepared by the social chairman, Joe Dunn, and the men brought a dish of either dessert, vegetables or salad.

The program on faithfulness prepared by L. L. Sharp included talks on faithfulness in witnessing, R. E. McAllister on faithfulness in prayer life, W. W. Fry on faithfulness in Bible reading and study, and the pastor, Rev. John C. Taylor, concluded the program with an illustrative story on faithfulness in these three through the church and home.

Charles Hukill, president, presided over a short business meeting. A report was given by a committee to investigate needs for children in the schools for lunch tickets. The committee, Mr. Fry and Vernon Hofack, reported the work they found done by the Red Cross and other organizations in town, as well as several Baptist churches in Lamb and Bailey counties.

Activities vice-president Frank Robinson recommended the Brotherhood contribute a Brotherhood New Testament to every new member that comes into the Parkview Church. The Brotherhood voted unanimously to undertake this project and instructed Mr. Robinson to order the New Testaments.

Lawrence Massengale, the Brotherhood chorister, led the 19 men present in a song service, accompanied by R. E. McAllister.

dropped to the lowest point in 18 years.

Record cattle numbers followed by the unprecedented drought has been responsible for increased marketings and, thus, lower prices paid to producers.

The weather holds a direct bearing on the price outlook in the future, McHaney says. With the exception of seasonal fluctuations, the market should level off and prices should become more stabilized unless drought conditions and other weather factors necessitate speeded marketing, he points out.

If the demand for beef weakens, cattle prices will further decline. Also, concludes McHaney, any downward trend in the years will lower cattle prices.

Those present were: Lawrence Massengale, Charles Hukill, Joe Dunn, L. L. Sharp, Clinton Phillips, John Clayton, W. W. Fry, N. C. Horn, James Marsh, Russell Durham, Vernon Hofack, John C. Taylor, Carl Walter, Frank Robinson, R. E. McAllister, Houston Barker, Dan Cotham, R. E. Pugh, and H. F. Wood, Jr.

**RECIPE OF THE WEEK**  
**Cream Puffs**  
1 cup water  
1/2 cup butter, margarine or other shortening  
1/4 teaspoon salt

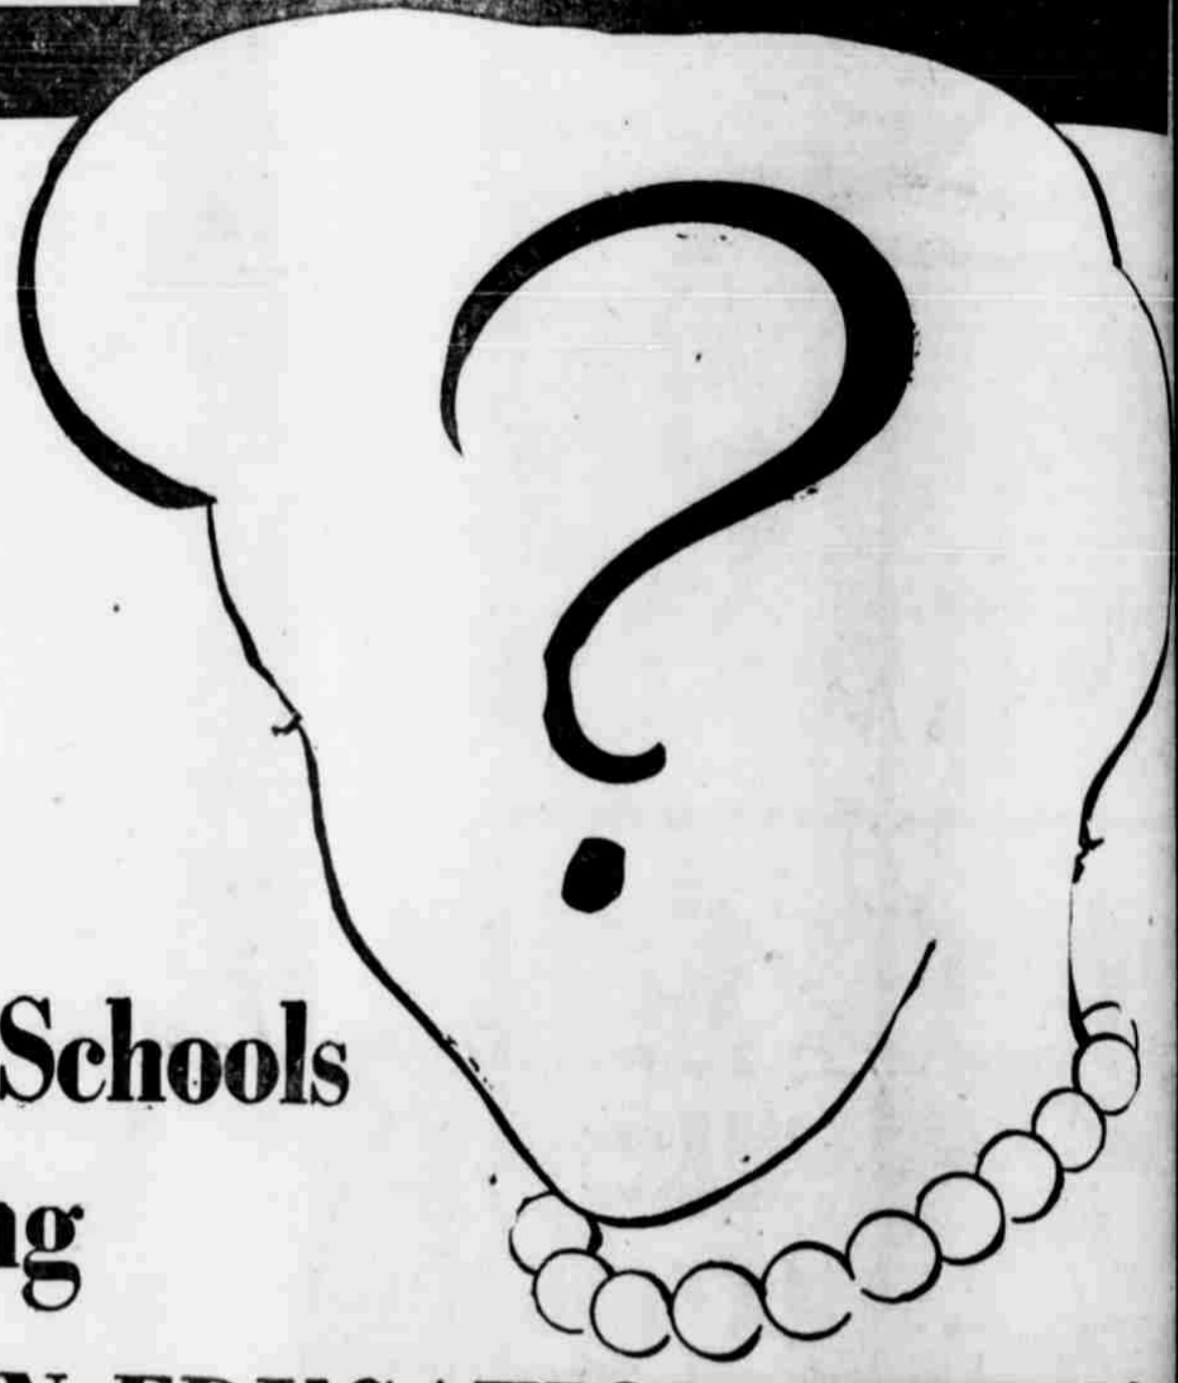

1 cup sifted all-purpose flour  
4 eggs, unbeaten  
Bring water, butter, margarine or other shortening and salt to boiling point. Add flour at once and stir over heat until mixture leaves sides of pan and forms a compact ball. Remove from heat and continue beating to cool mixture slightly—about 2 minutes. Add eggs, one at a time, beating thoroughly after each addition. After last egg is added, beat until mixture has

a satin-like sheen. Drop 10 to 12 mounds of batter, swirling the top of each, 2 inches apart on an ungreased baking sheet. Bake in a moderate oven (375 degrees F.) until well browned and puffed, about 50 minutes. Remove from oven and immediately cut one or two slits in the side of each puff. Return to the oven for 10 minutes. Cool on a cake rack. Yield: 10 to 12 medium Cream Puffs.

The thirteen original states were: Connecticut, Delaware, Georgia, New Hampshire, Massachusetts, Maryland, Virginia, Pennsylvania, New Jersey, New York, North Carolina, South Carolina, and Rhode Island.

# ARE STRANGERS TEACHING YOUR CHILDREN?

## Visit your Schools during AMERICAN EDUCATION WEEK!

NOVEMBER 8-14

American Education Week has been specially set aside to give you a real opportunity to get acquainted with the teachers, principals and supervisors who play such an important role in your children's lives. Through them you'll get to know the special problems that face your community's educational system.

Here's an excellent chance to learn just how you can help your schools give your children the best education possible. Do you personally know the unselfish men and women who have dedicated the best years of their lives to teaching your children? Are you giving your P.T.A. the kind of

support this fine organization deserves? Are you taking a vital interest in the activities of your school board? Do you have some special talent, or knowledge that might benefit your school system?

The answers to these questions and to the many problems affecting our schools can be found only if you know your schools. And the best way to discover how you can help solve these problems is by visiting your children's schools.

For in the last analysis you determine the kind of education your children will get. Good schools are your responsibility. Visit your schools during American Education Week, November 8-14.
