Mr. and Mrs. E. L. Winston have heard indirectly Thursday from their son, Lieut. Allan Winston, who is a prisoner of war of the Germans. It was the first message from Lieut. Winston since he was announced missing, and later reported prisoner of the Germans. Mr. and Mrs. Winston have not heard from their son, but his wife, Mrs. Betty Moran of Coleman, has received a post card from Lieut. Winston dated July 27, 1944, which she received Thursday last. On this card he said he was feeling fine, and the Red Cross was feeding him. Also Mrs. Lena McGuire, Bakersfield, Calif., a friend of the family, received a card last Thursday from

Lieut. Winston, which was as follows:

"Dear Mac: I am now visiting with the boys in P.O.W. Camp. But am ready to go back home. Was in French Hospital with burns ten days then toured France and Germany and ended up here. Red Cross keeps us in good shape. Write whenever you can. I will not be able to answer. Allan."

Both postcards were stated to be from Stalag Luft No. 1, in northern Germany.

Mr. and Mrs. Winston are anxiously awaiting a letter from their son, but the fact that these two cards have been received, relieves them somewhat of their anxiety for his welfare.

## Sixth War Loan Drive Underway In Lamb County

Expect To Get Quota Here By Voluntary Purchase Program

Lamb County citizens join the nation this week in opening the Sixth War Loan Drive which is to continue through December 16.

Pat Boone, County War Bond chairman, together with local chairmen and committeemen of Lamb County, believe Lamb County can go "over the top" in its quota of \$5,000 without staging an organized drive. Unless it becomes certain that a concentrated campaign is necessary, the committees do not expect to make a personal campaign.

In all previous bond drives Lamb County has gone over with some small campaigning and only in the last days of the Fifth War Loan Drive was it necessary to urge the people to buy in order to assure the county's "going over the top."

Bonds can be bought at any bank post office in Lamb County, also at the National Farm Loan Association, Palace Theatre and the Production Credit Corporation.

## Asa C. Bates Is Killed Monday In Truck Crash

Brother-in-law, Burma Parks, Dies Same Day Result Heart Attack

Asa C. Bates, 29, of Littlefield, was instantly killed about 1:30 p. m. Monday two and a half miles east of Roundup community, Hockley county, when the "bob tail" truck he was driving collided head-on with a larger cattle truck, said to be driven by Billy Joe Blair, 17, of Fort Sumner, N. M.

In the accident in which Bates was killed, four others were injured.

Billy Joe Blair was reported to be improving, and to be gaining consciousness Tuesday, at St. Mary's Hospital, Lubbock. He received a possible skull fracture.

Filberto Martinez Moreno, Jr., 19, of Bryan, a Mexican, another victim of the Hockley county collision, is still in a serious condition, and is suffering a fractured skull and broken thigh. His father was also injured, but did not require more than emergency treatment.

Both trucks "folded like accordions. Their engines were sheared away, and their remaining mass plowed off the road," Capt. N. R. Smith of the Highway Patrol said. Bates' body was reported mangled.

Capt. Smith said "there is no possible explanation we can arrive at for the collision. There were no skid marks, and visibility and road conditions were perfect."

Sgt. John Hollyfield who, with Patrolman Roy King of Lamesa, aided in the investigation, said that "practically all" of the heavy load of sacked stock feed carried in Bates' truck was catapulted at the

## Three Returned Servicemen To Make Addresses

Several Bonds Will Be Given Away Free At Rally

Headed by a group of returned war heroes from every battlefront, a special unit of the "G. I. Jamboree" show will visit Littlefield on Thursday, November 30, at a huge bond rally which opens at 8 p. m. as part of the smashing Sixth War Loan campaign for this sector.

Accompanying the heroes will be a "G. I." military show, complete with band, entertainers and novelty acts from Lubbock Army Air Base. The "G. I. Jamboree" unit which will visit Littlefield is one of four such units touring 200 towns of the Lone Star State under the supervision of Phil Isley of the War Activities Committee for the motion picture industry.

Acting as master of ceremonies for the show here will be M. M. Murphree, manager of the Granada Theatre in Brownwood, Texas, and Marvin Brown, retiring District Attorney of Tarrant county.

Three servicemen who have just returned from the European and Pacific theatres of war and who will speak at the rally are Sergeant Clyde Mayo, Private Richard J. McCarthy and Sergeant Guy B. Cohea. McCarthy of Albion, New York, is a veteran of the campaign to recapture Guam. He was with the first unit to hit the island and went through the full 17 days of fighting before he was injured. Sgt. ## Special Service At First Baptist Church

Special Thanksgiving Services are being arranged by the First Baptist Church for all of every faith who would like to attend. The services will be brief beginning at 10 a. m. Thursday, November 23. A guest speaker is being secured by the pastor.

A proper commemoration of the first Thanksgiving Day demands that we gather to offer our thanks to a kind and benevolent God who has so graciously blessed our nation.

Gratitude is one of the highest virtues of man and ingratitude has become one of America's great sins.

## Jim Thomas Case Comes Up Monday

The new trial granted the defense council in the Jim Thomas case in connection with the murder of Dr. Roy E. Hunt in October, 1943, will come up before the Grand Jury Monday next at Plainview.

It is expected, however, that the Defense will make an effort to postpone the hearing, and also ask that the trial be heard in another court.

## Will Play Denver City There On Thanksgiving Day

Large Number Of Fans Expected To Attend From Here

The biggest football game in years faces the Wildcats this week when they tangle Thursday at 2:30 p. m. with the rampaging Denver City Mustangs. The Wildcats are leaving nothing undone in trying to bring the first bi-district championship to Littlefield. The boys are playing this game for a chance at the Regional championship—the highest honor in Class A football. If they lose this week, the season is over. If they win, they will have one more game, the regional.

The Wildcats are given no more than even chance against the Mustangs. It is voted by experts as a toss-up. The hopes of the Wildcat fans were dampened when Kenneth Ware, stout little guard, was injured in the Tulia game. He probably will not play. There is a question about the condition of Walter Sewell, who was held out of the Tulia game because of a leg injury. He may or may not be ready. All the other Wildcats are in fair shape.

It being Thanksgiving Day, and many of the business houses closed, an especially large number of fans are expected to attend from here.

Tickets are on sale at Brittain Pharmacy and Ramsey's News Stand. Gates will be open at 1 p. m.

## Littlefield Asked For 100 Red Cross Christmas Boxes

Servicemen On Ship To Have Christmas On Board Steamer

According to Mrs. L. M. Brandon, Executive Secretary of the local Red Cross Chapter, this organization has been asked to furnish gifts for the servicemen who will be on high seas at Christmas time, including all servicemen, who are being "shipped out" after December 10th.

Mrs. Brandon points out that those who arrive overseas before Christmas will be cared for by the Red Cross in a foreign field, and those on this side will be taken care of by their families, but the plans of the Red Cross are that the boys on ship at Christmas time will have their Christmas cheer on the ship, and therefore, it is planned that boxes will be provided, and sent on the ship at the time of embarkation for all boys who are shipped.

Littlefield has been asked for 100 Christmas boxes by the International Red Cross to be ready for shipment by December 1.

The following is a suggested list of suitable articles:

Ud and pencil; paper back novel; handkerchiefs; cigarettes, snap-shot case; soap; camphorice; small note books; miniature games; playing cards; waterproof oil skin pouch; wash cloths; inexpensive wallets; nail files; pipe tobaccos, and similar small items.

# Thanksgiving ... And We Have Much To Be Thankful For.

TODAY, THANKSGIVING 1944, we see our country engaged in a tremendous effort that is testing all of our capacities for skill, for ingenuity, for courage and patience. We can be Thankful—and with confidence in the future—that the past has proven our ability to meet problems and to solve them, and that while our present position is a new one in history, it is not without precedent in kind and most certainly will yield to solution by the combined efforts of a people made incredibly strong by the blessings of nature and three centuries of freedom.

SO, AS INDIVIDUALS, as a nation, as a people under God, we have much to be Thankful for on this Thanksgiving Day.

## Let Us Give Thanks

Thanksgiving, 1944—many of us cannot pause to give our thanks, but must offer them as we go. For this is a war year, and no time for relaxing our efforts.

We do, however, have much to be thankful for, if we look beyond today. Every day of war brings us nearer Victory, provided we do our part and not falter. We still have our country and our homes, unmarred by any invader's hand. We still have more of comfort and prosperity than any other nation on earth.

To many, it is true, the war has brought

sacrifice and bereavement. In these we must be upheld by the conviction that they are the steps to peace and a better world. We must resolve to make sure that they have not been in vain.

Let us be thankful for our own great area, for its favorable climate, immense resources, varied agriculture and industrious people. When peace returns it will bring us an opportunity as broad as our landscape. So while we look forward, let us give thanks, with a hope that another year will bring the blessings of Peace all over the world.

### Capt. C. R. Cook Chief Of Instrument And Navigation Unit

Since his return from combat, Capt. Charles R. Cook of Littlefield, Texas, as military chief of the Instrument and Navigation Inspection Unit in AAF Engineering Division's Great Equipment Laboratory at Wright Field, Dayton, Ohio, has been responsible for the engineering safety and acceptance inspection of instrument and navigation equipment for more than 25 new Army airplane types. Included among these are helicopters, jet propelled planes and the famous super fortress, the B-29.

Captain Cook's particular job calls for a thorough knowledge of engine, flight, and navigation instruments and a background of combat experience. His function in the Air Technical Service Command's program of supplying the combat Air Forces with fighting planes has him

checking experimental items for practicability and seeing to it that production items conform to AAF standard specifications.

Captain Cook is a graduate of Texas Technological College at Lubbock, Texas, class of 1939. He enlisted as a flying cadet in June, 1941, and received his 2nd Lieutenant's commission as a navigator in April, 1942, at Kelly Field, Texas. He went overseas in June, 1942, with the first B-17 group to be stationed in England and took part in the first European raid, bombing Rouen, France, in August, 1942. He completed 51 combat missions in June, 1943, and was assigned to Wright Field at that time. He was promoted to the rank of Captain shortly after being assigned to Wright Field.

His outstanding work as the lead navigator on the first raids on Tripoli, Sicily, and Italy, not only earned him the Distinguished Flying Cross, but marked him as a man whose knowledge of practical aerial navigation would be of value to famed Brig. General F. O. Carroll's Engineering Division. Accordingly, he was assigned to the Engineering Division's Equipment Laboratory where he has worked in close cooperation with two of the outstanding "gadgeteers" of the Army Air Forces, the late Colonel Thomas L. Thurlow, the father of the science of Aerial Navigation, and Colonel George V. Holloman, co-inventor of the Army Air Force's automatic landing system. Besides holding the Distinguished Flying Cross, Captain Cook has been awarded the Air Medal with 11 Oak Leaf Clusters. He is credited with having shot down two German Messerschmidt 109's.

Captain Cook went through 51 combat missions without being wounded, but not without a bruise. When he and the bombardier crawled out of the nose of their B-17 after the Rouen raid, they were both covered with blood. The ground crew thought they were wounded. They weren't though. The blood was pigeon blood. It seemed that the B-17 on the return run hedge-hopped home to avoid the enemy anti-aircraft fire. As it hopped over a tree at 200 miles an hour, it ran head on into a covey of pigeons. The pigeons smashed through the plexiglass and ended up on the heads of Cook and the bombardier breaking into a shower of blood and feathers.

Think of her still as the same and say She is not dead—she is just away

Odelle Rotheal, son of Odas L. Rotheal, Route 2, Anton, was among a large group of 17-year-old volunteers sworn into the U. S. Naval Reserve at Dallas Thursday.

Sgt. E. J. Foust, stationed at Ardmore, Okla., is leaving today (Thursday) after spending two weeks here with his parents, Mr. and Mrs. E. J. Foust, and other relatives. Mrs. Foust, who makes her home in Roswell, joined her husband here.

Cpl. T. Burl Cary, who arrived in the States recently from the Southwest Pacific, and has been a patient in the Longview General Hospital, Longview, where his right arm was re-broken and re-set, was expected to arrive home Wednesday. He is on 30 days furlough.

Mr. and Mrs. John Cary had a letter from their son, Pfc. Dennis Cary, who is still in Belgium, and is a mechanic in the Air Corps, stating he was O.K., adding "This war will soon be over with, and we will all be back home. It can't last long." They also received a letter recently from Pfc. Frederick Mitchell, of a Paratroop Division in southern France, in which he said his buddy, Max Kersey, had gone, and they sure did miss him, adding that the rest of them were O.K. Kersey and Mitchell are two of a group of five paratroopers who went overseas together and have remained together until Kersey got killed.

Pvt. Paul Pumphrey, youngest son of Mr. and Mrs. H. C. Pumphrey, stationed at Aberdeen, Maryland, arrived home Tuesday of last week on a 14 day furlough.

Pvt. Pumphrey is in the Ordnance Department of the Army.

Mr. and Mrs. H. C. Pumphrey this week received a letter from Sgt. Pat Boone, Jr., in which he said that he and Ensign Odell Pumphrey had spent a day and night together in Plymouth, England, and that they enjoyed their visit so much.

Pfc. Golden Benton, son of Mrs. G. W. Benton of Sudan, is serving in the U. S. Air Corps in India. Golden, who was a farmer before his enlistment, spent a year and a half at Camp Barkley. He has been stationed in Texas, New Mexico, Tennessee, and Delaware. Pfc. Benton went overseas in September of this year. He attended Sudan High school and enlisted in March 1941.

Mrs. Grace Benton, his wife, is a partner in the Sudan Bowman & Benton Grocery.

### Lieut. Chas. Heathman Arrives Overseas

Mrs. Charles Heathman, who is at Corsicana visiting relatives, received a cablegram from the War Department last week, stating that Lieut. Heathman had landed safely overseas.

Mr. and Mrs. W. E. Heathman, his parents, also received a cablegram from Lt. Heathman, stating he was "feeling fine, and writing." Mrs. Charles Heathman arrived in Littlefield Monday, and will make her home with her husband's parents in his absence overseas.

Mr. and Mrs. I. T. Shotwell, Sr., left Wednesday of last week for Austin on business. They returned Friday.

### Run, Little Abner, Run

By SYBIL WHITE

The F.F.A. and F.H.T. had a joint party November 9. It was a Sadie Hawkins party, which began at 7:30. We all met in the gym and played games. We were partner-off and went to the show.

One of the best Little Abner's was Joe Bagwell. He was dressed in a red shirt and short, striped overalls. His shirt tail was hanging out on one side and his suspenders were down. He would have been a perfect Little Abner if he had been tall enough.

Mark Strothers was the best Little Abner. He is tall and dark. He reminds me of him, anyway. He had on a pair of overalls which were patched and big shoes. As a prize he was given a piggy bank.

Linda Matthews was one of the best Daisy Mae's. She was dressed in a blue and white spotted blouse with a short black zagged skirt. She had her hair tied back and was bare-footed.

Juretta Simmons was chosen as the best Daisy Mae. She wore a short pleated skirt, a white blouse and a red sweater. She received a big red bow and a little red purse as the prize.

The boys had to do some kind of performance. Two of the best ones were Odell Ray and Jack Dodgen. Odell tap danced for us and Jack called a square dance.

J. L. Dalton had a black wig on with a lot of mabellene on his eyes. He had room for a couple more in his pants. He acted like a hillbilly. He sauntered around and talked a little. No one recognized him. We all had a very nice time. Mat-

Mrs. Ted Cochran, the former Mrs. Winnie Zoth, who has been visiting her daughter, Mrs. R. J. Tibey, at Chickasha, Okla., enroute home to Brentwood, Col., stopped at Littlefield last week to visit her mother, Mrs. S. T. Wright, and sister, Mrs. Lillian Treece.

## With South Plains Men In The Armed Forces

Pfc. Roy Lee Grisham, son of E. Grisham of 7 miles west of Littlefield, wrote the Leader an interesting letter recently about his work. The letter follows:

"I have been misfortunate, and have moved from Barksdale Field, Shreveport, La., to here in San Bernardino, Calif. Here is my present address:

"Pfc. Roy Lee Grisham 18183303  
4126th A.A.F. Base Unit Sec. C,  
Class 37-A S.B.A.A.B., T.T.A.  
San Bernardino, Calif.

"I would appreciate it if you would print my address in the paper, and ask all of my friends to write me, for one thing I never miss above all is "mail call," waiting for a letter from dear Ole Littlefield, Texas.

"I am very well satisfied with the Air Corps. I am training or should I say instructing Engineers on C-47, C-54, C-46, all A.T.C., which means Air Transport Command. I think it is a very interesting course to follow in the Army, and I think Air Transport after the war is going to be more tremendous than now for the purpose of rebuilding and reforming the world. I am very well pleased with California. It is a very pretty state, only now is the bad part of the year, which is raining now and awfully muddy; has been raining nearly one week. But they say it will clear up in a few days.

"I enlisted back in 1942. There were 16 of us boys who did. All, of course, were buddies. We are scattered from Europe to Asia. Farrell Compton was one of the boys. He was captured in Bulgaria when his ship's engines were knocked out.

"I have a brother in France, probably in Germany now. He is in the

Infantry; that is a bunch of boys who never get any credit and are due lots of it in this war. I am an ex-footballer from Littlefield High school, and may I say to everyone on the team that they are doing a splendid job and win as far as they possibly can. I saw them play Dimmitt, Sudan and Post. I even helped the Coach work them out when I had time to on furlough in the evenings. He is a swell coach.

"Well, Editors of the Lamb County Leader, May I say thanks to all of you, and here's hoping my papers come faster—ha ha."

Cleo Wright, Second Class Petty Officer, stationed at Norman, Okla., arrived Friday to spend until Monday here, visiting his mother, Mrs. Alta Mae Wright, and his brother, Allan Wright, Petty Officer Second Class, who has been home on leave, and other relatives. Petty Officer Allan Wright leaves November 24 for his base.

T-5 Troy Lance of the U. S. Army, who has spent 22 months overseas, arrived home recently on a special 30-day furlough to help his mother in the harvesting of cotton and feed crops. He is due to report to Drew Field November 25th, but is trying to get a 30-day extension to continue to help his mother.

15TH AAF IN ITALY.—Pfc. Lawrence C. McLain, 22, son of Mr. and Mrs. Ira Vern McLain, Route 2, Hart, Texas, and husband of Mrs. Olga M. McLain, 1312 Arnett, Lubbock, Texas, is a member of the engineering department with a B-24 Liberator heavy bombardment group which has flown over 350 combat missions. Pfc. McLain before entering the Army, Sept. 22, 1942, was farming. He graduated from high school, Olton, Texas, and attended the army's airplane mechanic school, Sheppard Field, Texas. Pfc. McLain has been awarded the European-African-Middle Eastern Theater ribbon, Good Conduct medal, and is authorized to wear the Distinguished Unit badge.

### With South Plains Men In The Service

S-Sgt. Elwin Carter, son of Mr. and Mrs. W. J. Carter of 6 miles northeast of town, who has been overseas two years, is now seeing service in South France. He has been in service nearly three years. He took part in the North Africa invasion, Sicily, Italy, and was with the invasion forces that landed on the South of France. He says he likes Southern France much better than Italy.

T-Sgt. William Hollis Carter, brother of Elwin Carter, is with a Quartermaster Tank Division, and is stationed in Burma, India. He has been over there a year, and his work is fixing trucks, etc.

Edwin M. Gaston, 17, son of Mr. and Mrs. Ernest Gaston, of 2 miles south of Beck's Gin, left recently for Dallas, where he enlisted in the Navy. He went from there to San Diego, where he is in boot camp.

Mr. and Mrs. Gaston have another son in the service, Bernard O. Gaston, 20, Engineer on a B-17. He has been in the service 1 1/2 years, and is stationed at Biggs Field, El Paso. He was home on a furlough in June last.

### Accidentally Shot When Deer Hunting

While deer hunting near Magdalen, N. M., M. C. Street was accidentally shot by a serviceman from Albuquerque, N. M. The ball entered the back over the left kidney, hit rib, and came out under left arm. He was taken to the Socorro, N. M. hospital for treatment, where his condition is reported favorable, and that he will be home before long if complications don't set up.

The serviceman is reported to have said that he had been tracking a bear, and as Mr. Street stooped down to go under a tree, the boy thought it was the bear and shot.

In the hunting party were: Mr. Street and his son-in-law, Milborn Gibson and grandson, Gail Lacy Gibson, Johnnie Alford of Enocha, Texas, also Mr. Street's father, G. W. Street of McLean, Texas, and three soldiers joined the party, which ended in the tragedy.

Wade Luke, who was injured in an automobile-truck accident recently, has been released from the Littlefield Hospital.

## Clifford Clark Is German Prisoner

S-Sgt. Clifford Clark, son of Mr. and Mrs. E. D. Clark of Phoenix, Ariz., formerly of Littlefield, and tail gunner on the "Springtime of Rockies," a B-24 Bomber, went down over France July 1, and is a prisoner of the Germans. He had received the Air Medal with an Oak Leaf Cluster and was on his 17th mission.

This information has just been furnished the Leader by Mrs. Ruby Clark Caldwell of Big Spring, sister of S-Sgt. Clark, who also sent the Leader a letter written her parents by a "Buddy" of her brother's, who was with the same bombing crew as S-Sgt. Clark. The letter follows:

November, 1944.  
"I hope this letter finds all of you in good health and too worried about your son, Clifford. He is one of my best friends as he and I were on the same bomber crew together and I want you to know that he is o.k. I was captured too but was lucky enough to escape after being a prisoner for one month. I'm sure he is being treated very good, for the Germans treat the Americans with much respect and are even friendly. He showed that he had as much or more courage as any man in the crew. I watched him bail out of our plane and he shook my hand, wished me good luck and smiled before he jumped. I saw his chute open and he landed o.k., but was taken prisoner along with Tom Anderson and John Gazda. The three of them are together and are safe for the duration. Hope by now that you have heard from him. Clifford is one of the finest and cleanest living boys that every lived.

"Just to give an idea as to what conditions are in a prison camp I will describe it as best I can. It is just like a large army camp. The boys get up at seven in the morning and they are given light duties to keep them occupied, also they have part of the day allotted to sports and games, no one works very hard. Clifford is a sergeant so he will have it easier than an ordinary soldier. He was promoted to Staff Sergeant the day he was shot down. He is drawing full pay, also his flying pay, so when he is released he will have a tidy sum of money, also Germany has to pay him a small amount every month. I know that he is not too unhappy and am confident that he will be home soon, as the war over there will soon be over. I have been home about 12 days now and have married the girl that I was engaged to and am very happy but I am thinking of Clifford all the time so if you have time to write me a few lines and tell me what you have heard from him I would appreciate it very much.

"Don't worry about him.  
"Your friend,  
"Ralph."

S-Sgt. Clark attended school in Littlefield. He also has a brother, Wally, in the Navy on a destroyer.

## Future Homemakers Meet Recently

The Future Homemakers held a meeting in the Homemaking Department of the Littlefield High School Tuesday, November 14, at 8 p. m.

The vice-president called the meeting to order, and everyone repeated the "Girls' Creed." Leta Mae McCormick gave a report on the Sadie Hawkins party. The Business Committee gave a report. We voted for a deadline for new members. It is December 12, so if you want to join, pay your dues now. The year books were issued to the members.

The theme of the program was "Keep Physically Fit." The leader was Junetta Simmons. First on the program was "One More Thanksgiving" by Linda Matthews, then "What is Thanksgiving" was given by Eunice Latimer. Jo Simms gave a very good report. "Relaxation and a New You." "Beauty For Your Feet" was given by Anna J. Edwards.

Mrs. Holland was a guest speaker of the meeting. She gave a very interesting talk on "Helpful Exercise for High School Girls." Junetta Simmons and Nadine Fields illustrated exercise for her.

The Parliamentarian made a report. Refreshments of apples were served.

The meeting was adjourned by singing the club song.

He has been in, and still is in the invasion of the Philippine Islands.

And—we wish to express our thanks to our many friends and customers for the loyal friendships... and the splendid volume of business we have had the past year. May we continue to serve you through the years to come.

nea and the Admiralty campaigns. He wears two bronze stars for action in these campaigns and was wounded in action in the Admiralty Islands.

This program will be furnished by the Eighth Service Command, with headquarters at Dallas.

Pat Boone, County Chairman of War Bond Committee, stated that a 25-piece band from the Lubbock Air Base will furnish the music, and a number of soloists and other entertainers will also be on the program.

The program will also include a trapeze act by one of Ringland Brothers' finest trapeze actors now in the armed forces.

Several bonds will also be given away.

Should the weather not permit the rally to be held on Phelps Avenue, it will be staged in the Palace Theatre building.

J. O. Garlington is local chairman of the Sixth War Loan drive, and W. J. Chesser is co-chairman.

The quota for Lamb County is \$705,000 and the quota for Littlefield \$270,000.

The local Bond committee will be hosts to the above entertainers at a dinner Thursday night, following which the program and rally will be staged.

### Asa C. Bates—

impact into the empty bed of the New Mexico vehicle."

The Littlefield "bobtail" truck owned by Byers Grain and Feed Company here, was traveling westward; the New Mexico truck and semi-trailer was going eastward.

A third Mexican, blood pouring from his mouth, was asked to get into an ambulance, but patrolmen said he lurched in "that direction as though to comply, but apparently did not get in." Superstition at riding with the dead man was theorized as basis for his disappearance.

The Mexicans were passengers in Blair's truck, patrolmen said. Bates was riding alone.

Funeral services for Bates were conducted at 5 p. m. Tuesday at the First Baptist Church, Littlefield, with Rev. Lee Hemphill, pastor, officiating; and interment, in charge of Hammons Funeral Home, took place in the Littlefield Cemetery.

Pallbearers were son-in-laws of the deceased.

Deceased is survived by his wife and four small children. Jane, aged 8, Clyde 7, Richard 5, and Ray Lee 2 years; his mother, Mrs. Emma Bates of Littlefield; and ten sisters and three brothers.

The sisters are: Mrs. A. S. Bolton and Mrs. Levi Coble of Littlefield; Mrs. Malcolm Giles and Mrs. Will Porter of Winters; Mrs. Ollie Brady of Los Angeles; Mrs. Andrew Coble of Anton; Mrs. Dick Webb of County Line; Mrs. Mack J. Wilson of Lubbock; Mrs. Burma Parks of

Floyd, N. M.; Mrs. A. A. Givens of Roundup. The brothers are: Walter Bates of Littlefield; Charlie Bates of Silver Valley, Texas; and Jess Bates of New Mexico.

A second tragedy happened in the Bates family Monday when Burma Parks, about 55, brother-in-law of the deceased, Asa Bates, dropped dead from a heart attack at his home at Floyd, N. M.

He leaves a wife and three sons, all in the service, including Sgt. Roger B. Parks of the Air Corps, Pvt. Lonnie Parks stationed in a hospital in England; and Pfc. Charles Parks of the Signal Corps, and stationed in France.

Funeral services were scheduled to be held in Harmony, 12 miles east of Winters, Wednesday afternoon.

### W. H. Madden—

(Continued from Page One)

S. Rowe, Herbert Dunn, Arthur Mueller, G. M. Shaw and Orville Streety.

Flower bearers were: Mesdames James Snyder, Stacy Hart, Jack Farr, Wm. N. Orr, Ben Lyman and Jim Douglas, and Misses Frances Barton, and Catherine Wright.

The large attendance at the services, and the elaborate floral offering bespoke the very high regard held for the deceased, and his very worthy wife.

Mr. Madden was born June 26, 1882, at Crafton, Wise County, where he made his home until a young man, following which he located at Chico, Texas, where he spent several years.

He married Miss Emma Barksdale at Chico, Texas, on June 23, 1910, to which union was born a son, Wayne.

Deceased was a member of the Cumberland Presbyterian Church.

A registered pharmacist, he operated drug stores at Hedley, Memphis, Burkburnett and Eastland, before coming to Littlefield in 1932, when he established the Madden Drug, which he operated and personally managed for sometime, and until he sold a half interest to Fred Wright, who for the past several years has managed the store which is now being operated under the name of Madden-Wright Drug.

Surviving deceased are his widow, one son, Ensign Wayne Madden, instructor in the Naval Air Corps, stationed at Pensacola, Fla.; and two brothers, and a sister. The brothers are: R. L. Madden and L. B. Madden of Memphis, Texas; and the sister is Mrs. G. W. Thomas of Chico, Texas.

Mrs. Ira Woods and Mrs. Kate Gimmel of Littlefield are nieces of Mr. Madden.

A message regarding the serious condition of his father was sent to Ensign Wayne Madden Saturday, and he left immediately coming by plane as far as New Orleans, but was grounded there, and forced to come by bus the balance of the trip. He, therefore, did not arrive until Monday, and after his father had passed away.

## Time to Give Thanks

When the Pilgrims set foot on American soil, there lay before them an unconquered wilderness—Cold, privation, hardships and savage war—yet they found time to pause and give thanks.

Today, while we are fighting to preserve our heritage of Liberty, we, too, take time to pause and give thanks.
