MEMORIAL DAY TO BE OBSERVED HERE WITH SPECIAL CEREMONY

Graves Of Service Men Are Scheduled To Be Decorated

Committee Elected To Plan And Take Care Of Program

At a meeting of the local unit of the American Legion Monday night initial plans were made for the observance of Memorial Day, Sunday, May 30, when a special ceremony will be held at the Littlefield Cemetery, and the graves of all service men buried there will be decorated. A committee, composed of Arthur Muedler, O. K. Woodall and William Walding, was selected to take care of the program, and work is now underway in the planning of the program.

About 20 service men are buried in the local cemetery. It is being urged by the American Legion that all those having relatives buried in the local cemetery do their part in cleaning up and beautifying the graves of their loved ones before Memorial Day, so that the cemetery will present a good appearance for the planned Memorial Day Service.

Fred Wright is Commander of Richard New Post, and Arthur Muedler is Adjutant. At the meeting Monday night delegates to attend the District Convention of the American Legion at Lubbock Monday night, May 24, which opens at 7:30 o'clock, were named. They are: J. H. Ware, Otto Jones, Wade Potter, Arbie Joplin and Arthur Muedler.

This meeting will take the place of the regular session of the local unit, and Mr. Wright, Commander, urges all members who can to attend. The District embodies 32 posts in this area. Charlie Whitaker of Lubbock is District Commander, and Otto Jones, District Vice-Commander.

The local unit of the American Legion is sponsoring O. K. Woodall for the Commandership of the 19th District.

Mahon Condemns John L. Lewis

WASHINGTON, D. C.—Congressman George Mahon, in condemning John L. Lewis and the coal strike recently, said that Lewis was guilty of treasonable conduct and should have been shown months ago that he is not greater than the U. S. Government. The people are aroused, and they have every right to be, he said.

In a speech in Congress Mahon said that Lewis had in effect repudiated our government and joined our enemies and that this latest act against the government by Lewis had fully vindicated all those who had been fighting for legislation to

VICTIM OF DROWNING BURIED HERE SUNDAY

Durwood Kirk, 2 year old son of Mr. and Mrs. Ivan Kirk, was drowned in a creek in the back yard of their home at Sandy, Oregon, Monday morning, May 3, about 11:00 o'clock. The child's mother, who was employed at a florist's farm, was absent from the home when the drowning took place.

In his mother's absence, the child had been staying with Mrs. Walter B. Kirk.

Durwood and his cousin, Sharon Kirk, 5 year old daughter of Mr. and Mrs. Walter Kirk, at the time of the accident, are reported to have been playing on a piece of plank over a creek in the backyard of their home, when both children overbalanced and fell in the swift stream of water.

The older child was able to get out; but it was about half an hour before the younger child's body was recovered from the fast running stream.

The Ivan Kirk family, former local residents, had been living in Gatesville, Texas, and had just moved to Oregon. Mr. Kirk was employed on a defense project at Portland, about 26 miles distant from Sandy, where they were making their home.

Mr. and Mrs. Walter B. Kirk, brother and sister-in-law, and Mr. and Mrs. L. M. McCoy, sister and brother-in-law of Mr. and Mrs. Ivan Kirk, are also living in Oregon.

Mr. and Mrs. Ivan Kirk and son, Ivan Eugene, aged 7, and Walter Kirk drove through to Littlefield, while Mrs. L. M. McCoy accompanied the child's remains by train arriving in Littlefield Saturday afternoon.

Funeral services were conducted at the First Methodist Church Sunday afternoon at 5 o'clock, by Rev. Luther Kirk, Pastor of Munday, Texas, assisted by Rev. F. Frank York, local Methodist Pastor.

Interment, in charge of Hammons Funeral Home, took place in the Littlefield Cemetery.

Paulbearers were: Jess Elms, Norman and Raymond Renfro, and M. P. Reid.

Flowerbearers were: Mrs. Travis Thomson, Mrs. O. K. Yantis, Jr., Miss Sibyl Byers, and Mrs. Otis Baker.

The deceased child is survived by his parents, and one brother, Ivan Eugene, aged 7; his grandparents, Mr. and Mrs. W. P. Kirk, and a host

Letris Lane Heads Graduating Class With Average 94.1

Waymon Taylor Is Salutatorian With Average Of 91.3

Supt. F. A. Hemphill announced Wednesday that Letris Lane, daughter of Mr. and Mrs. Curtis Lane of 2½ miles southeast of Littlefield, is Valedictorian of the High School graduating class, with an average of 94.1; and Waymon Taylor, son of Mr. and Mrs. M. M. Taylor of Littlefield, Salutatorian, with an average of 91.3.

Miss Lane won the scholarship medal of her class in both her Junior and Sophomore years, which recognized her as the top ranking scholar, thus making this the third successive year she has won the scholarship medal for being the outstanding student in her class.

Mr. Taylor has just been accepted in the Navy V-12 program, under which plan the U. S. Navy takes boys of pre-draft age, and sends them to college for two years for navy training; and upon completion of this two years' work, he will receive a commission as Ensign of the U. S. Navy. He holds the distinction of being one of 13 boys out of 60 applicants accepted, who made application and started their examination.

Mrs. Hildreth New County H. D. Agent

Appointment of Mrs. Mona K. Hildreth as County Home Demonstration Agent of Lamb County, effective June 10, was announced by Miss Kate Adele Hill, District Agent, Extension Service of A. & M. College, College Station, on Monday following confirmation of the appointment by the Lamb County Commissioner's Court. Mrs. Hildreth succeeds Miss Beatrice McCurdy who is resigning. For the past three years, Mrs. Hildreth has been Assistant County Home Demonstration Agent of Lubbock County. She is a graduate in Home Economics of the North Texas State Teacher's College at Denton, and her home is in Olney. She will arrive in Lamb County two or three days before Miss McCurdy leaves, to become acquainted with the work.

Printer For 60 Years, Dayton Man Visitor Here

Sidney A. Smith of Dayton, Texas, now in his sixty-first year as a printer, came into the Leader office this week for a fraternal visit. Mr. Smith doesn't claim to have started in the business in his rompers, but he does admit that he was in his early teens when he first smelled printer's ink and got it all over his hands.

There is an old saying among printers that once a young man "smells printer's ink, he'll never leave it."

And this is very much true in Mr. Smith's case; even at his advanced years he operates a commercial printing shop at Dayton. He is more than 70 years of age, but he looks 10 years younger.

Mr. Smith loves the printing business, and hopes that there will be printing presses in Heaven. He'll probably have to work long hours up there and keep his lantern handy, because it's not likely that he will find too many printers on the other shore.

The Littlefield visitor got his first whiff of printer's ink when he started work on the Gonzales Inquirer

Littlefield Area Gets Nearly Inch Of Precipitation

Other Area Receives From Light Showers To Three Inches Of Rain

The recent rainfall ranging from light showers in the northwest section to nearly three inches in the southeast portion of the South Plains area assured farmers of the area of a good planting and growing season.

Starting early Sunday morning, heavy showers fell in the Littlefield area, also some hail, when the moisture, according to the West Texas Cottonoil Mill gauge measured a total of .32 of an inch.

Beginning again Sunday evening, rain fell at intervals during the night, when .62 of an inch of moisture is reported to have fallen, making a total rainfall for the week end for Littlefield and area at .94 of an inch.

Besides providing ample moisture for the cotton and sorghum planting throughout this area, the rains brought needed moisture to the wheat area, saving the crop from possible drought and greenbug damage.

Various areas over the South Plains reported moisture as follows: Lubbock 2.07 inches; Slaton 2.71 inches; Muleshoe light shower, but a heavy rain is reported south of Muleshoe and extending south nearly to Brownfield; Enochs 1.25 inches; Brownfield .97 inches; Sudan one inch; Levelland 2 inches; Anton 1.25 inches; and Plainview 1.98 inches. Spade, Hart Camp, and a number of other communities in this area reported good moisture.

Handle Lutheran People To Here Sunday

At 11 A. M. School Auditorium Open Meeting

Rev. Karl W. Keller will be in the inspirational service Sunday morning at 11 a. m. in the School auditorium, which is the annual meeting of the Young People's Association of the Panhandle. Emmanuel Church will be the host for the convention.

A note of this meeting will be given in the Golden Anniversary of the League, an organization of young people in the United States and Canada. The League was organized on May 23, 1917, and has grown to a membership of almost 3,000 Young People's Societies, numbering approximately 65,000 young people.

The League serves a twofold purpose: Christian education and Christian service; and Christian service. Among its projects are the Lutheran Sanatorium at Wheatridge, near Colorado. Last year it dedicated the new Youth Building in Childersburg, Arizona, for the Lutheran young people in the United States and Canada. At the same time it is assisting other young people in providing Christian service and rendering other service to the young men of the Lutheran Church in the Armed Forces of our nation.

A session will be held at 10 o'clock Sunday afternoon, at which time the officers for the coming year will be elected for the zone. The present officers are: Betty Fik of Amarillo, secretary; Miss Delphine Hahn of Lubbock, treasurer; and Rev. W. L. Lubbock, pastoral advisor of the zone executive board.

Members of the local society are: T. Borjick, chairman; Miss Rose Cunningham, secretary; Ruth Drager, treasurer.

A special feature will be a Fellowship, at which time Rev. Keller will be in charge of this service. During this service the winners of the Talent Show will be announced and awards for the day's activities will be presented in an impressive ceremony, commemorating the 26th Anniversary of the League. The local pastor, Rev. Keller, will be in charge of this service.

Representatives are expected from Wilson, Sparenberg, Plainwell, Friona, Amarillo, Borjick, and other parts of the Panhandle and also Clovis.

Attack Is Made On Saturday

Beaton's Mother Dies Suddenly; Burial At Lubbock

Beaton, 63, registered at the hotel, passed away at a local hospital about 5 o'clock Saturday morning where he had been confined about a week, suffering from heart ailment. Although he had suffered previously with a heart ailment, he recently had apparently improved, and was spading in his garden when he was stricken with a heart attack previous to entering hospital.

Beaton came here from Abilene and had been employed by the drug store for the past year.

Leader Big 'Pepper Upper' Navy Man Writes Editor

Reading the Lamb County Leader "one of the best 'pepper' men this far from home."

Joe Aven formerly of Littlefield and now serving in the Navy writes an interesting letter to the editor of this paper.

As he has travelled extensively in service with the Navy, Joe has a great love for his home Littlefield.

As his friends and my family write, "As soon as we get this war, and all countries at peace again, I'm coming back to Littlefield to live."

Navy man is a son of Mr. J. T. Aven of this city, brother of Mrs. Mike Brewer. Letter received by the publisher of this newspaper follows:

Mr. Drake, I have been receiving the Lamb County Leader since February of 1941. I left the United States as one of the best paper-

pers a man this far from home get. I believe if all the boys away from the States got their home town papers, it would make things much easier on them. As for me, I never was away from home over two weeks in my life before I joined the Navy and I've been away quite a while this time. I can truthfully say I never expected to travel so much and to so far away places as I've been. Some places have it all over the South Plains in beauty, but they don't have that wonderful climate that changes in the fall, winter, spring and summer, and most of all I miss my friends and my family. As soon as we've won this war and all countries are at peace again, I'm coming back there to Littlefield to live. I'm out of space now, Mr. Drake, so I'll close. Maybe I'll get leave and drop by to see you some day.

"Your friend, 'JOE'"

Farmers Are Urged To Furnish 3,000 Tons Of Scrap Metal Before July 1

Steel Mills Rapidly Using Present Supply

In the first six months of 1943, 3,000,000 tons of scrap metals are being sought from American farmers by the Salvage Division, WPB, at the request of Chairman Donald M. Nelson. This means that every farm in the United States must collect and turn in an average of 1,000 pounds before July first.

Chairman Nelson has thus announced to the nation's farmers that there is still a critical need for an adequate backlog of scrap piles in communities throughout the country despite any rumors to the contrary.

Reports from many of the nation's steel producing centers indicates that many mill inventories are dropping rapidly. Another crucial scrap shortage is expected despite the improvement in the over-all situation during the latter part of 1942. 1942 campaigns skimmed the cream of the farm and home scrap crop, but the farmers of the nation must dig much deeper in 1943 to assure capacity steel mill operation.

The American farmer, second only to industry as a source of heavy scrap, is being counted on for a large portion of this year's scrap supplies. Every ton of farm scrap is needed in order to enable the war production program to meet the President's demand for more arms and equipment for the United Nation's war machine.

Among those groups who have pledged their cooperation are the Boy Scouts, the Future Farmers of America, the Farm Press, 4-H Clubs, Farm Implement dealers, Rural Electrification Administration, American Farm Bureau Federation, National Grange, Farmer's Union, County U.S.D.A. War Boards, county agents and others. All of these groups are participants in the salvage program and their national organizations are active in the scrap campaign.

Scrap dealers who played such an important part in processing and moving the huge quantities of scrap collected in 1942 are beginning to show anxiety over 1943 prospects. They fear that smaller tonnages will be forthcoming because of the erroneous general feeling that plenty of scrap was accumulated in 1942 campaigns.

Some idea of the terrific rate at which scrap is being consumed is indicated by the fact that steel mills need approximately 1,000,000 tons of scrap per week in order to operate at capacity.

This tremendous consuming figure shows how little in relation to the need the farmer is asked to produce in the first six months of 1943.

The task of collecting scrap is far from finished. Until our fighting forces are victorious it will be necessary to support them with mountains of scrap.

Americans Keeping Their War Bonds

Americans are keeping the war bonds they are buying! They are not purchasing these securities, then converting them into cash later. In other words, war bonds are purchased for two reasons: to help our government finance the war, and to put away money for future financial security.

Such a satisfactory and pleasing program on the part of the American people shows that we as a Nation fully realize the privilege that is ours to do our part in helping to finance the tremendous costs of total war. It shows that as a people we understand the necessity not only for buying war bonds but also for keeping them.

"I am writing to tell you about what I believe is a magnificent tribute to the patriotism of the American people," says Eugene W. Sloan, executive director, War Savings Staff, Washington, in a letter to the editor of the Lamb County Leader.

"As you know, there has been considerable speculation and talk concerning the effect that increased taxes might have on the sale and redemption of United States Savings Bonds.

"You will be delighted to know that during March, when the first tax installment fell due, bond sale were 6.4 per cent higher than in February, and more than 65 per cent ahead of March, 1942.

"The story on redemptions is equally encouraging.

"From May 1, 1941, when U. S. Savings Bonds (Series E, F and G) were first offered for sale, through March 31, 1943, redemptions have been less than 3 1/2 per cent of total sales. And redemptions during March this year were only eighty-seven one-hundredths of one percent of the total amount outstanding. That's a record that all Americans can well be proud of.

"What it shows is that we as a Nation fully realize the privilege that is ours to do our part in helping to finance the tremendous costs of total war. It shows that as a people we understand the necessity not only for buying War Bonds but also for keeping them.

"Many thanks for all you have done, and for your continuing efforts to make the War Savings Program successful."

IGHT PLANES NOW IN HANGAR AT DUGGAN FIELD

Free New Ships Flight Recently Local Residents

Men Operating Planes from Duggan Field; 3 to Get Commercial Licenses

Littlefield has every reason to be proud of Duggan Field, and the accomplishments of the local flyers in a project.

With the purchase recently of new planes, by local citizens there are now eight ships hanging there, which is the capacity for the hangar.

C. and W. J. Chesher purchased new Taylorcraft plane at Fort Worth recently. Alvin Bagwell took Chesher to Fort Worth, where he took delivery of his ship from Taylor, dealer, and flew it to Littlefield.

W. McGuire of three miles of Whitharral purchased a Aeronca at Fort Worth; and Smith took McGuire to that city on May 3 to take delivery. McGuire flew his new plane to Littlefield.

Pharris, manager of Duggan Field, operated a plane to Altus, accompanied by Alvin Bagwell Thursday last to that city. Bagwell took delivery of a Taylorcraft plane, and brought it to Littlefield Friday.

Pharris stated Saturday that there were now 20 local men operating planes from the Duggan Field; that ten of these have private licenses; that there have been more than 2,000 hours flown at the field, with no one injured, or any plane out of commission.

The Duggan Field manager also stated that to date about three out of every above 20 club members have written tests for commercial licenses: J. D. Smith, Alvin Bagwell and J. W. McGuire. However, they are granted commercial licenses, according to Mr. Pharris, they expect to try for as soon as possible.

Frank Cazier, Amarillo, Assistant Aeronautical Inspector for this district is the official before whom applicants must pass their flight tests. He issues the certificates for commercial rating.

Victory Concert Is Big Success

The last of the series of Victory Concerts staged in the High School Auditorium Thursday evening was an outstanding success.

According to Mrs. J. D. Armistead, director of the program, about 700 people attended, and the amount of \$14,750 was subscribed in War Stamps and Bonds, bringing the grand total for the series of seven concerts at \$79,750 in patriotic investments.

A feature of the program was the awarding of a War Bond, which had been donated by Pat Boone, Chairman of the Bond Committee for Lamb County. Mrs. L. L. Masengill of 1 1/2 miles west and 1 mile east of town received the Bond.

Distribution Of Soybean Meal Is Curtailed

Distribution of emergency soybean meal through the Texas USDA War Board is being curtailed during May.

In making the announcement, B. F. Vance, chairman of the board, explained that although some Texas counties still were requesting shipments that the majority did not need additional soybean meal at the present time.

He added that because of spring rains and the new grass supply that 23 counties already had cancelled orders for approximately 25 cars of soybean meal.

Operating under a plan whereby soybeans were moved from northern soybean producing areas into Texas mills for crushing, the mills sold one-half of the meal through regular channels of trade while the remaining one-half was retained by Commodity Credit Corporation for shipment into critical areas.

Through this emergency operation, the Texas board routed 333 cars of CCC-owned meal during the first four months of the year into areas where the food situation was acute.

Users of soybean meal, whether feeders, feed mixers or dealers are being advised to arrange for supplies through regular trade channels, where possible, while the supply which becomes property of CCC under the contract plan will be used for shipment into counties and for building reserves for future use.

Soybean Loans Not Applicable In Texas

Producers of soybeans in Texas will receive increased price supports for this year's crop but loans will not be made in Texas or any of the southern states, according to the State AAA office.

Loans were not made in any of these states under the 1942 program because of lack of commercial and farm-storage facilities and various hazards which made storage impracticable but a purchase program was employed in all cases.

The new price supports on this year's soybean crop, based on Classes I and II (green and yellow), range from \$1.86 to \$1.80 per bushel for No. 2 or better grade with moisture content from 11 per cent to 14 per cent, and from \$1.81 to \$1.67 per bushel for No. 4 soybeans with moisture content from 11 per cent to 18 per cent, respectively.

Price supports for the same type and quality beans grading No. 3 range from \$1.84 to \$1.74 per bushel, depending on moisture content.

Proportionately lower support prices have been announced on Classes III, IV and V (brown, black and mixed) soybeans, state AAA officials said.

Other war crops on which increased price supports were announced by the War Food Administration several weeks ago are dry beans, dry peas, peanuts, and flaxseed.

Claud Swank, 66, Dies Here Thursday

Claud Swank, 66, passed away at a local hospital Thursday night, May 6, at 7:30 o'clock, after an illness of several weeks.

Mr. Swank, a representative of American National Insurance Company, had lived in Littlefield since December last, making his headquarters at the Littlefield Hotel. He had been confined in the Payne-Shotwell Hospital suffering from pneumonia, and having recovered from that illness was released. Later he was stricken with Septicemia, an infection of the blood stream, which caused his death.

Deceased was born Sept. 13, 1876, in Edgar County, Ill., the son of Mr. and Mrs. Richard W. Swank.

The remains, under the direction of Hammons Funeral Home, were shipped Friday by train to Chrisman, Ill., where funeral services were scheduled to be held and burial take place in the cemetery in that city.

Deceased is survived by two brothers, Walter Swank of Chrisman, Ill., and Dr. J. R. Swank of Enid, Okla., and two sisters, who live at Chrisman.

Farmers Can Still Obtain Data On Fields At County AAA Office

Farmers still have the opportunity to obtain measurement data on the fields in their farms by calling at the County AAA Office, L. F. Bain, County AAA Administrative Officer, announced this week.

Practically every farm in the county has been mapped on aerial photographs and the sizes of the various fields reported. Arrangements have been made to furnish this information to farmers at community meetings or in the county office.

This service should be particularly helpful to the farmer this year, Mr. Bain said, since he will be responsible for reporting his performance under the 1943 program. Furthermore, in the case of cotton, the farmer cannot remove excess acreage after performance is reported, in order to obtain full payment under the program in 1943.

In cases where a field will not be planted according to 1942 boundaries but will be split into two or more parts in 1943, the farmer will need to furnish enough of the principal dimensions to enable the county office to revise its records accordingly.

Every Lamb county farmer is urged to take advantage of this offer, even though some of his fields may already be planted. The information furnished under this plan will comprise the official acreages for the farm during the 1943 program year, provided the farmer plants his crop according to the boundaries on which the acreages were determined.

Mr. Bain said many farmers already have obtained their field acreages from county office records. He urged that others take advantage of this opportunity as quickly as possible. There is no charge for this service.

With South Plains Men In U. S. Service

Sgt. Paul Blackwell, who is stationed in Washington, and Mrs. Blackwell arrived home Saturday last, to visit their respective parents, Mr. and Mrs. Blackwell of Whitharral and Mr. and Mrs. Scivally of Fieldton.

Lieut. Kink Stubblefield arrived

home Saturday last, on a ten day furlough, to visit his parents, Mr. and Mrs. R. L. Stubblefield of the Spade Community.

Cpl. Thurman Dobson, who is stationed at Pueblo, Colo., was home last week end visiting his parents, Mr. and Mrs. H. J. Dobson, and his

wife at Whitharral. Mrs. Dobson is remaining with her parents, Mr. and Mrs. W. T. Garnett of Spade, while her husband is in the Service.

Staff Sgt. Robert Guthrie, who has been stationed at Pueblo, Colo., and his mother, Mrs. Guthrie, who has been with him, arrived in Littlefield Friday of last week to visit friends and relatives. Staff Sgt. Guthrie returned to camp Saturday, but Mrs. Guthrie remained here.

Marvin C. Kyle, 20, son of Mrs.

Fred Watson of Littlefield, connected with the Field Artillery, stationed at Camp Swift, near Austin, and who has been in the service for over two years, composed and sent his mother the following poem for Mother's Day:

My thoughts next Sunday will of you, "be."
 You are the nearest, and dearest to me.

When this war is over, and the world is right, Then I'll be home, to see your face alight.

I love you, Mother, and I'll be there, When they call the roll on that Golden square.
 Sincerely, Your Son,
 MARVIN.

Kyle was in training at Fort Sill for two years.

Mrs. J. C. Glover now has three sons in the Service.

Boyd Glover, 21, student of Tech College for the past 3 years, majoring in Agriculture, left for Fort Sill Sunday from Lubbock, for training. He was called two weeks ago, and he and his wife, who was also making her home in Lubbock, spent some time here with his mother before leaving for Service. Mrs. Glover is now visiting her parents, Mr. and Mrs. Smith, at Floydada.

Sgt. Jack C. (Cephas) Glover, another son of Mrs. J. C. Glover, arrived in India about March 1. Mrs. Glover received two letters from him last week. He stated "it was really hot" over there. Sgt. Glover is with a Construction En-

gineering Corps. He has been in Service over a year, and over since January. He was in Columbia, Canada, for some time with a construction crew, preparing to go to India.

Pfc. B. F. (Bennie) Glover, of the Field Artillery, has been stationed in Alaska, but Mrs. Glover has not heard from him since Christmas, when she received a cable wishing her a "Merry Christmas." Pfc. Glover has been in Service since December, 1941, and was in Alaska in March, 1942.

COTTON

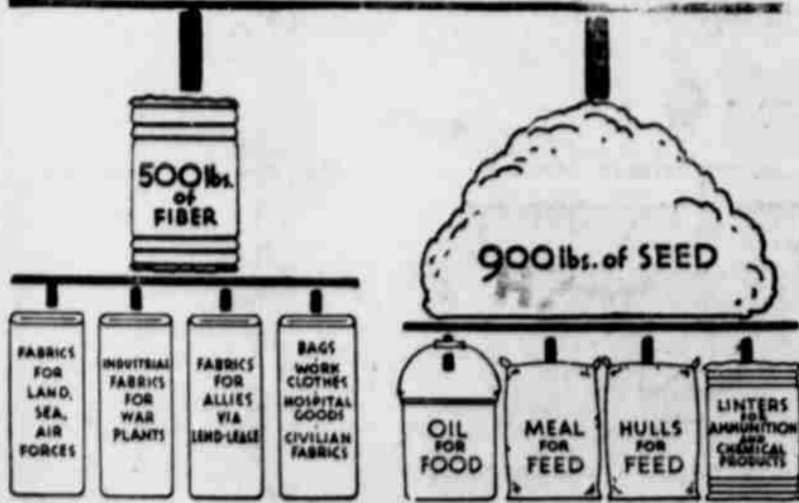

America's No. 1 War Crop

1400
 LBS. OF COTTON

COTTON
 Is A Major Producer of Food, Feed, and Fighting Equipment for U. S.

Cotton's vital importance to the war effort is illustrated by this chart showing how the crop provides food, feed and fighting equipment. Contrary to popular conception, cotton is not all fibre. Cottonseed produces vital oil for food, meal and hulls for feed, and linters for ammunition and chemical products.

Here's How You Can Grow More, Better Cotton

In order to produce this cotton, it is highly essential that every cotton grower throughout the South plant the full cotton allotment.

Plant Good Seed. You will help insure maximum yields by using quality planting seed, with a high germination test.

Fight the insects. No cotton farmer can afford, this season, to suffer costly losses from insects. Poison promptly and as frequently as needed to reduce insect damage.

Reports Of Three Littlefield FFA Boys Who Apply for Lone Star Farmer Degree

My Program of Work

By D. H. BREWSTER
I started Vocational Agriculture in the year of 1939. I enrolled in Agriculture because it was the only optional course that I thought I would like. The first year I took Agriculture I was under the direction of Mr. W. H. Frazier and when he left I sold him two registered gilts from my gilt that had won first place in our Fat Stock Show. I carried only one project gilt for pig production, and she netted me \$40.27 labor income.

The second year I took Vocational Agriculture I was treasurer and I carried five projects and won second and third places at our Fat Stock Show. These projects netted me about \$100 net income. I was on the meats judging team that went to Lubbock this year and was the outstanding member of the chapter.

The third year I took Agriculture I carried seven projects which netted me about \$215 net income and I was vice-president and later president of the chapter. I was the second outstanding member of the chapter this year.

This year I am carrying seven projects and renting one hundred and seventy-eight acres of land. I now own \$300 worth of defense bonds and about \$150 worth of livestock. I have enjoyed my three years of Agriculture and I think the knowledge I have secured will aid me in the future.

My Program of Work

By JOHN ESTLE WILLINGHAM
I entered Vocational Agriculture in 1940, which was my first year in high school. I had only one project which was a gilt for pig production. I made a labor income of \$50. The second year of my Vocational Agriculture work I was elected secretary of the Littlefield Chapter. I carried eight projects: pig for pork, sow for pigs, calf for beef, milo for grain, sow for pigs, pig for gilt, and soybeans for oil. I made an income of \$141.06 from my projects.

I won Grand Champion with my sow at the project show and received a registered gilt. I was the most outstanding F.F.A. member and received another registered gilt.

The third year of agriculture I was again elected Secretary of the Chapter. I am now carrying and have completed fifteen projects. These include: heifer for cow, calf for beef, 5 sows for pigs, pig for gilt, boar for breeding, pigs for pork, cow for milk, cotton for lint, soybeans for oil, hegar for bundles, and milo for grain. I have made \$196.58 on projects completed this year. I have invested \$285 in livestock.

Entering vocational agriculture, I had no idea it was what it is today. But my second year in Vocational Agriculture, I began to realize what it was to be a good F.F.A. This year I have applied for the Lone Star Farmer Degree which is the highest a person can get in the State organization.

My Future Farmer Work

By CARROL WILSON
As beginning in the Vocational Agriculture school at Littlefield, my first thoughts were that agriculture would be an easy subject. I knew of going on field trips and having a good time. We would receive a credit and a half at the end of the term if we passed the course and carried one project.

I was satisfied with this thought of agriculture until I became to know why the true F.F.A. boy was there. I learned he was there, not to get by with the least that he could. He was there to learn new ways of feeding, new ways of caring for livestock. He would use these methods of care on his projects and would make more money off them.

I started to work to make some money by carrying projects. The first year in agriculture I had only two projects which made me only \$14.90. I learned that you could not make money by carrying one or two projects. The second year (1941-42) I increased my program

by borrowing money to buy them with. The five projects I had were: Calf for beef, Cow for milk, Sow for pigs, milo for grain, and cotton for lint. These projects made me an income of \$629.92 which I purchased 20 acres of land. I could not pay for all of this land in 1942. I have now got the land paid for from the money my projects have made me in 1942-43. I have completed three projects this year which have made me an income of \$420.52. This was enough money to finish paying for my land and have left in Defense Bonds \$125.

The possessions that I own now which include livestock, land, etc., amount to \$1,040, which will be enough to keep me in college for some time. The vocational agriculture students are not to carry projects just to have to keep records; the main reason is to make money.

Adolph, Benito and Hirohito—the three blind mice. Make them run with ten percent of your income in War Bonds every pay day.

COLORED WOMAN DIES SUDDENLY

Fannie Thompson, 40, local colored woman, died suddenly Wednesday afternoon, May 5, at her home in the colored section of Littlefield. Heart trouble caused her death. She was a sister of Mrs. Charlie Thompson.

Burial in the colored cemetery took place Friday.

During the period covered by this audit you had an approximate 95% collection of taxes. (In this connection it may be stated that there remain on the City books \$15,188.89 of delinquent taxes. The greater portion of this is represented by levies on personal property, such as cattle, horses, automobiles, assessed in earlier years, which has long ago been removed from the city and cannot be levied upon. State law provides, however, that this must be carried on City books as "taxes delinquent.")

NOTE—In above reconciliation, you will note that under heading "bank," years 1939-40-41-42, extra large funds were banked. This is accounted for through the fact that large amounts of paving notes were being handled as cash through the banks.

Miss Ruth Pace And James Zachary Wed Saturday Evening

In a service read at the home of T. L. Kimmel, Sr., Church of Christ minister, Miss Ruth Pace, daughter of Mr. and Mrs. Sid G. Pace of Littlefield, and Pfc. James D. Zachary of Littlefield, son of Mr. and Mrs. Cecil Zachary, exchanged wedding vows Saturday night at 8:30 o'clock. Mr. Kimmel officiated with the ring ceremony.

The bride wore a British tan suit with teal blue accessories and wore a corsage of carnations. For "something old" and for "something borrowed" she wore the engagement ring of her attendant's grandmother. Miss Lillie Hamilton, brides maid, wore a beige suit with dusty blue accessories and wore a corsage of white carnations. "Monk" Mauldin of Littlefield was best man.

Those present were Mrs. Sid Pace, the bride's mother; Mrs. Cecil Zachary, the groom's mother; Miss Elizabeth Pace, the bride's sister; and Mrs. Kimmel.

After the ceremony the bridal party went to the home of the groom's parents where supper was served. A beautiful cake carried on the Army Air Corps insignia.

The bride is a graduate of Littlefield High School. For the past three months she has taken care of her father during his illness.

Pfc. Zachary is a graduate of the Littlefield High School and a graduate of Radio Mechanics from Civil Service with a grade of double A plus. He was sent by Civil Service from San Antonio to the Southern Methodist University in Dallas from where he volunteered for the Army Air Corps. He is stationed at Pampa where the couple will make their home.

Mrs. Elmer Lewis Hostess Dessert Club Friday

Mrs. Elmer Lewis was hostess to members of the Dessert Club at her home on East Eighth Street Friday afternoon.

Vases of Roses and Honeysuckle, as well as lovely pot plants, made more inviting the Lewis home for the occasion.

Two tables of bridge were enjoyed during the afternoon, following which Defense Stamps as prizes were awarded to Mrs. Herbert Martin, as a member, who scored high in the games; Mrs. E. B. Luce as second honors; Mrs. W. G. Street as guest prize; and Mrs. V. S. Cassel as winner in the bingo games.

Guests attending were: Mesdames W. G. Street, H. R. Shelby, and S. J. Farquhar, while members present were: Mesdames E. B. Luce, V. S. Cassel, Herbert Martin, J. A. Price and J. W. Keithley.

Following the games delicious refreshments were served.

Mrs. William Rumbach Entertain Group Of Friends Thursday

Mrs. William Rumbach was hostess to a group of friends at a luncheon and bridge Thursday last.

Guests enjoyed the meal at the Batton Hotel, where the table laid with white linen cloth, was centered with a beautiful arrangement of yellow tulips.

Following the luncheon, bridge was enjoyed at the Rumbach Hotel. Scoring high in the games were:

Mrs. Oscar Wilemon and Mrs. W. G. Street, to whom defense stamps as prizes were awarded.

Present were: Mesdames W. G. Street, C. E. Cooper, J. H. Barnett, M. M. Brittain, "Lefty" Hamilton, Otha Key, R. W. Badger, J. T. Belmonty, Charles Signor, H. R. Shelby, Allan Hilburn, T. Wade Potter, Jack Henry, Oscar Wilemon, J. O. Garlington, L. C. Hewitt, and the hostess, Mrs. Rumbach.

Following the bridge games little Jane Rumbach, daughter of Mr. and Mrs. Wm. Rumbach, celebrated her first birthday. A lovely white birthday cake bearing one candle, was cut, and served. Little Jane's guests for the afternoon were Gregory and Kenneth Wilemon.

Family Reunion Enjoyed At Arbie Joplin Home Sunday

A family reunion of the Joplin family was enjoyed at the home of Mr. and Mrs. Arbie Joplin here Sunday.

Present to enjoy the occasion were: Mrs. C. W. Olive of Dallas, and Mrs. Minnie Smith of Slaton, sisters of Mr. Joplin, both of whom went from Friday until Monday in the Joplin home here; Mr. and Mrs. Jess Joplin and two children, Harold Lee and Bobbie of Slaton, Mr. Rube Joplin of Levelland, and Mr. and Mrs. Ben Joplin and daughter, Jean, of three miles north of Littlefield, who spent Sunday here.

MR. AND J. R. LEGATE

Mr. and Mrs. J. R. Legate, who married 50 years on May 7, celebrated their Golden Wedding Anniversary Sunday, May 2, when a number of friends and relatives called at their home, three miles southeast of Littlefield.

Members of the Baptist Church at Chapel served a covered dish dinner on the spacious yard from a table set under a large grove of trees. The table was centered with wedding cakes, one a three-tiered cake topped with a miniature bride and groom, and the other was angel food cake.

In the afternoon, Chaplain A. McAuley, who recently received commission in the United States Army, and former pastor of the Chapel Church, read a scripture lesson and paid tribute to Mr. and Mrs. Legate. Special songs were sung by the entire crowd, and Mr. and Mrs. Legate sang the favorite hymn of the honorees. Mr. Legate then expressed appreciation to their friends in the community.

Approximately 100 guests registered during the day. Misses Allyne Adams and Earlyne Legate presided at the guest book.

Many, many useful gifts, including lovely flowers, were presented to Mr. and Mrs. Legate by their friends.

They have been residents of the Littlefield vicinity since 1933, and both have been active in the church at Lums Chapel. At the present time Mr. Legate is teacher of the Bible class in the Sunday school.

Miss Agnes Kinsey and John Robert Legate were united in marriage May 7, 1893, at Milton, Lamar County, Texas. To this union were born a son and a daughter, Mrs. W. B. Williams of four miles north of Littlefield, and F. W. Legate of three miles southeast of town. They also have two grandchildren, Misses Laverne and Allyne Williams.

Included in the list of relatives and friends who attended the celebration were Mr. Legate's brother, G. S. Legate of Paris, Texas, who also was an attendant at the wedding 50 years ago; Mrs. Legate's sister-in-law, Mrs. W. M. Kinsey, and son and daughter-in-law of Happy; and her nephew, Lloyd Kinsey and Mrs. Kinsey of Idalou; and Albert Legate of Whiteface and Mrs. B. F. Rainey of Tahoka, nephew and niece of Mr. Legate, who lived several years in their home.

Hoover, W. P. Houston, J. H. Barnett, M. M. Brittain, Vernie Wright and Miss Ann York.

At the last meeting of the Federation of local Church organizations, it was voted to become affiliated with the United Council of Church Women, which is a National Organization, and therefore, the Littlefield Council of Church Women takes the place of the former Federation of Church organizations.

Mr. and Mrs. Touchon Visit Friends Here

Mr. and Mrs. Charles Touchon and daughter, Karen, of Hawthorne, Calif., spent Thursday and Friday visiting friends in Littlefield. They were enroute back to California after spending from Monday until Thursday in Roswell, N. M., with Mrs. Touchon's parents, Mr. and Mrs. R. L. Hendrix. Mr. Touchon is employed at the Northrop Aircraft Corp. at Hawthorne. He reports his parents, Mr. and Mrs. L. M. Touchon, as well and getting along fine.

Mr. and Mrs. Charles Touchon live at 3818 W. 115th St., Hawthorne, Calif.

They report that Albert Touchon is making Albuquerque, N. M., his headquarters; that he is Soil Conservation Equipment Maintenance man, and is employed in the repairing of Caterpillar trucks.

Littlefield Council Of Church Women Entertain At Silver Tea

One of the most delightful affairs of the Spring season was the silver tea staged at the home of Mr. and Mrs. J. S. Hilliard Thursday afternoon, which was sponsored by the Littlefield Council of Church Women.

The observance of Fellowship Day, besides Mrs. Hilliard, other members of the house party were: Mrs. Ruth Rutledge, president of the Littlefield Council of Church Women; Mrs. A. B. Haynes, State President of the Presbyterian Church; Mrs. Pat Boone, President of the First Baptist Church; Mrs. G. M. Shaw, President of the local Presbyterian Auxiliary; Mrs. Willis Giddens, President of the Methodist Women of Littlefield; and Mrs. C. York, wife of the local Methodist Church Pastor.

An arrangement of beautiful garlands of flowers added to the attractive entertaining rooms.

Proceeds of the seated tea will be used for the furtherance of church, local, state and national activities. The receiving line were members of the house party.

The meeting was opened by the singing of "Home Sweet Home," by the group, with Miss Ann York at the piano, who also rendered soft

music during the afternoon. Mrs. Roy Wade and Mrs. Homer Sewell favored the guests with two accordion selections.

Mrs. Warren Rutledge gave an address, explaining the purpose of the occasion, which was followed by a short talk by Mrs. C. Frank York, who in turn introduced Mrs. A. B. Haynes, who gave an interesting talk on Christian Family Life, which was followed by a skit "Up to the Home," in which Mesdames Haynes, York, Shaw, Giddens, Boone and Rutledge participated.

The table was laid with beautiful Irish cut linen cloth, with a centerpiece of Sunburst roses on either side of which were silver holders in which were yellow candles.

Mrs. Boone and Mrs. Shaw presided over the silver tea service, and Mrs. Rutledge and Mrs. Giddens assisted in the serving.

Present at the tea besides the members of the house party were: Mesdames S. J. Farquhar, J. R. Coen, Van Clark, Homer Sewell, Roy Wade, W. G. Street, J. O. Garlington, Bob Smith, Clint Griffin, Floyd Coffman, Selma Yohner, Neal A. Douglass, I. T. Shotwell, Jr., C. E. Payne, E. A. Bills, Sam Hutson, Lefty Hamilton, Houston

SUNDAY, MAY 16

This year's observance of "I AM AN AMERICAN" DAY will have a special significance, for never before has American citizenship been so precious a possession. The values and responsibilities of that citizenship represent the greater part of all that we are fighting for.

"I AM AN AMERICAN" DAY gives us an opportunity to welcome into our membership those who have become citizens in the past year—roughly 2,750,000 persons. About 250,000 of these are foreign-born who have been naturalized. Approximately another 10,000 are members of the armed forces who have been granted citizenship under the provisions of the Second War Powers Act. But the largest group of our new citizens is composed of young men and women who, during the past year, reached the age of twenty-one—nearly two and one-half million of them.

Miami, Fla.—Bernard T. Spear, son of Mrs. T. E. Spear of Amherst, recently reported to the Navy Submarine chaser training center here, the only service school of its kind in the United States. Spear, now a seaman second class, joined the Navy in January. A former student of the Amherst High School, he played guard on the school's football team.

MIAMI, Fla.—Willis J. Gonzales, son of Mr. and Mrs. Paul A. Gonzales, Amherst, Texas, recently reported to the Navy Submarine chaser training center here, the one and only service school of its kind in the country. Gonzales, now a seaman, second class, was a junior at the Amherst High school previous to his enlistment last January. Seaman Gonzales will be assigned to a combat submarine chasing unit as soon as he completes his specialized training here.

The following was contributed to the Leader by an interested reader, and so this newspaper is "passing it on to our valued subscribers:

"A letter received from Cpl. Hubert Carrico this past week, dated March 31, reports him doing fine, and on some one of his short leaves of absence, Cpl. Carrico had been viewing some of the sights of New Guinea.

"In his last letter he gave the experience he had visiting a rubber plantation, and enclosed a piece of rubber, which was in a sheet form. The rubber is processed, and rolled into large sheets, which are bundled into 100 pound bundles and shipped. Two parts warts and one part rubber sap are used in making these sheets. Cpl. Carrico says the smoking of the rubber before rolling is like the smoking we give our hams and other parts of meat. He included several pictures of the life and customs of the natives of New Guinea. Cpl. Carrico was assistant operator at the Majestic Theatre at Amherst until his enlistment in the Service of the Air Corps in '41. He was stationed at March Field, Calif., where he was a radio and teletype operator, also chief operator of the Post Theatre. Cpl. Carrico left for overseas duty in September of 1942, and has been in Australia and New Guinea since.

"He is the son of Mr. and Mrs. C. F. Carrico of Amherst, and has

5, and is progressing nicely. Mrs. Ed Gaston of Sudan is reported to be in a serious condition at the Amherst Hospital, where she has been confined about two weeks.

Miss Jewell Roberts returned from a five days' visit at the bedside of her grandfather at San Angelo. His condition is improving.

Pvt. Leon Cowan, 22, son of Mr. and Mrs. Pitt Cowan of 12 miles northeast of Littlefield, ground mechanic, in foreign service since August last year, and stationed somewhere in England, has been confined to a hospital 50 days suffering from Spinal Meningitis and Typhoid Fever. He is now able to walk around.

His parents received a letter from him Friday. In his letter he said: "I saw the garden of the castle, and it was the most beautiful thing I ever saw, and I hope to see the rest of it."

When he was ill, part of the time, he was not able to write and the nurse in charge at the hospital wrote for him. At one time he was so ill that his Colonel was not allowed to see him.

Pvt. Herbert Cowan, 23, son of Mr. and Mrs. S. G. Cowan of 13 1/2 miles northeast of Littlefield, who left about April 1 for foreign service, has arrived in North Africa, according to a letter received by his parents Friday.

Pvt. Cowan has been in the Service since October 29, and received his training at Camp Campbell, Ky., until February, when he was sent to New Jersey.

Pvt. Cowan's letter to his parents follows: "Just a few lines to say Hello and that I am O. K. Hope you all are O. K."

"Well, I guess it has been a long time since you all heard from me, but this is the first time that I have had time to write.

"Well, I guess you all wonder where I am. Well, I am in North Africa, so you see I am a good piece from home, and I can't say that I like this place.

"I don't think there will be any use to write me at this address because they tell me that we will not be here very long, but that is up to you all about that if you want to write.

"Well, I can't think of anything else to write, so I guess I will close for this time, and try to write more next time.

"With Love, "HERBERT."

JAROLD JONES TO BE CALLED INTO NAVAL TRAINING JULY 1 Jarold Jones, son of Mr. and Mrs. Otto Jones, student of Baylor University, Waco, arrived home Saturday, where he will remain until the Naval Reserves are called for active training about July 1. Jarold joined the Naval Reserves last October, and at that time was instructed to continue his studies until called. About a month ago naval reserve students were notified they would be ordered into active training about July 1. The boys' dormitories at Baylor College were taken over by the Army Friday for military training in connection with their pre-engineering program, and classes were started Monday for between 400 and 800 service men. Also about 100 boys are in naval aviation training at the College. Jarold has been a student of Baylor University for the past two years, previous to which he attended Tech College a year. He was met in Lubbock Saturday by his mother, who accompanied him to Littlefield. Mr. and Mrs. W. T. With South Plains Men In U. S. Service

James A. Roles, son of Mr. and Mrs. Jim Roles, of the U. S. Army, arrived home Thursday on a 30-day furlough. Roles has been in the Service for two years, and in foreign service for 16 months. He took part in two battles on the Solomon Islands. Previous to coming home he had been ill for a month with Malaria and confined to a hospital.

R. W. Stanfield, Jr., in service with the Engineering Corps, who has been in foreign service 14 months, wrote his mother, Mrs. R. W. Stanfield, of south of Littlefield, which letter was received Thursday, to the effect that he was pretty well. A considerable portion of his letter was cut out by the censor.

Sgt. R. L. Gibson, 24, son of Mr. and Mrs. J. F. Gibson of 2 1/2 miles northeast of town, in foreign service 3 1/2 years, and now with a Bomb Squadron "somewhere in the South Pacific," wrote about a month ago that he was coming home on leave after being ill with a tropical fever. Monday his parents received the following interesting letter from their son, who they believe is nearer home than he was when he last wrote:

"April 23, 1943
(Best Wishes for Easter)
"Dearest Family,
"A long time has passed since last I wrote you. But that was because no post office was within reach. Savvy? This letter leaves me in good health and high hopes of seeing home before long. Anyway, I can hope. Boy, I could certainly enjoy being with you all, just to sit around the family fireside and talk over these past three and a half years. Doris is grown now—Jimmie just about. Wonder what they will think about their big brother?
"Hope all is well with the family. But you want to write more often. Only had one letter from you on getting here. Olene had written three.
"How is Jewel, and Glenn? Tell them 'hello' for me when you write.

There is never much for me to write about only that I am well and doing O.K.
"Three days ago I had the first milk I'd had in nine months. (I drank three quarts that day). How was that? It was certainly good. I'm trying to gain some weight back. What I would enjoy now is plenty of fried chicken and good old country sausage. Have you got it? Well, have plenty on hand for this long lost son of yours will really do it justice.
"Oh yeah! I saw a white woman the other day. I'd almost forgotten how nice they look. Ha. Do you still play lots of 42? It has been a long time since I played.
"Well, here's hoping all will stay well at home and that soon we may be together for a while. So long and write a lot. All write, too.
"Love to all,
"R. LEE."

The following letter was received by Mrs. A. W. Ormand, Sudan, from her son, Capt. Reagan Ormand, written from A. A. Field, Dunnellon, Fla.:

"Dear Folks,
"Well, I've covered a lot of ground since I was in Lubbock. Soon after I got back I had to go to Ponca City, Okla., to pick up one of the boys. Since then I have been in Tulsa, Memphis, Mobile, Birmingham, Chattanooga, Nashville, and New York. While in New York I had time to visit Radio City, Rockefeller Center, and Broadway—it's wonderful. When I left New York the weather man told me I would run into a severe snow storm over the mountains in Pennsylvania but that I could probably get over it at 10 or 12 thousand feet, but I would have a 50 mile head wind. The wind turned out to 100 and I went to 15,600 feet, until all my 15 passengers were nearly out, and still I couldn't get over. I turned off my course, found a hole, got down in it and then it closed in. I was flying blind and picking up ice badly. I remembered the last thing I saw before the hole closed in was those angry mountains. To add to all this trouble the static got so bad the radios were practically useless, and I was hopelessly lost in the storm. For six long hours I battled that storm. I worked harder than I ever did in all my life trying to pick up something on the radio that would help me. That was the most miserable six hours I ever expect to spend. We finally got through the worst part of it, and found ourselves in central Ohio. I sure learned my lesson.
"About three days before the group I was with were to go over seas I got transferred to a new group that's just forming. That means another 8 or 9 months here. Since I got into the group so late there was not room in the air echelon and I would have had to go by boat, so I asked the C. O. to send me to a new group so I could get a job and get squared away before time to leave—so he did. Two of our new squadrons are in Ft. Wayne so I am very likely to go up there and take one of them.
"We are staying in a beautiful lodge here at Rainbow Springs. All Dorothy and Don have to do is bathe and lie in the shade and watch the fish and alligators in the beautiful water.
"Love,
"REAGAN."

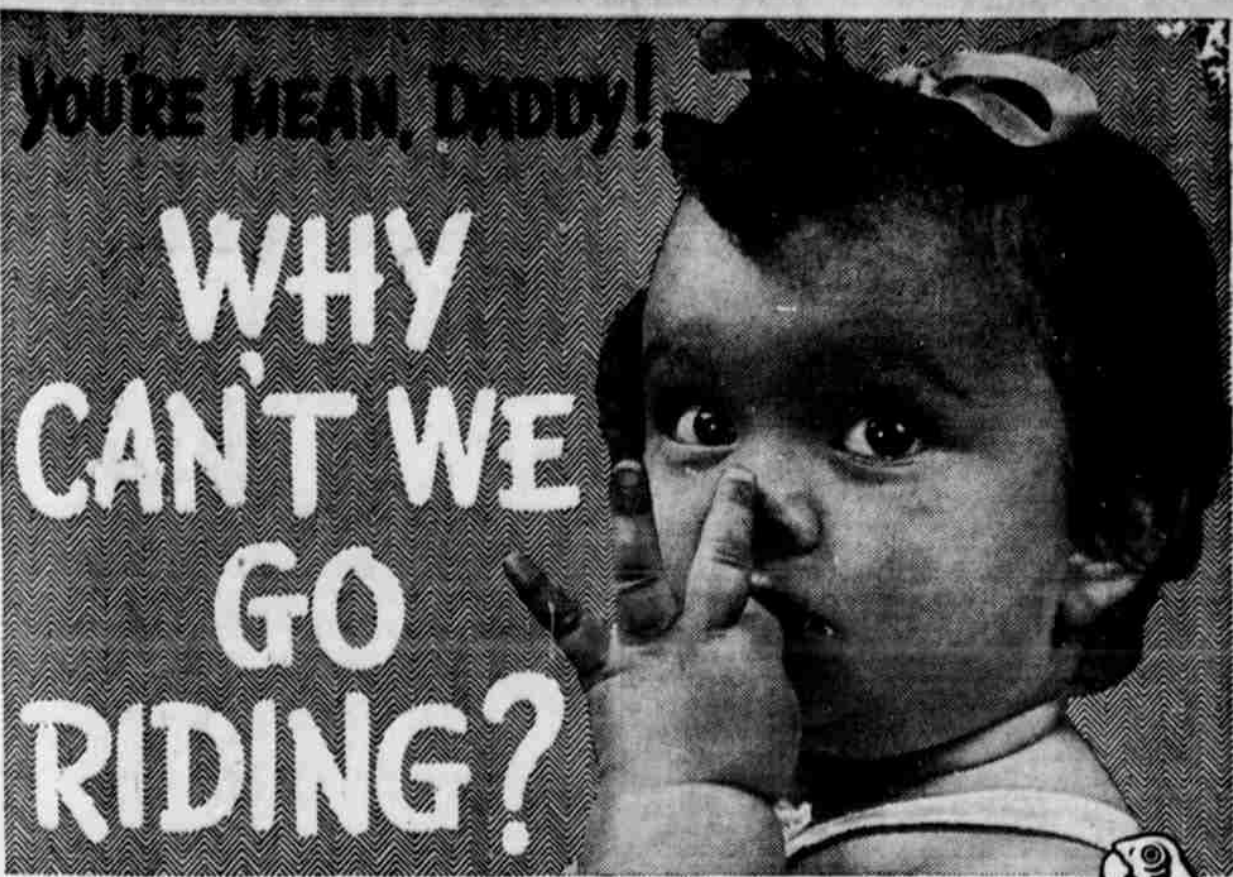

T-Sgt. Wayne D. Duffey, 23, who is stationed at Cut Bank, Montana, is home on a ten day leave.
Wayne is a mechanical engineer in the Army Air Corps, and has Technical Sergeant rating. He is the son of Mr. and Mrs. Fred Duffey, of six miles southeast of town, and has been in the Service over a year.
T-Sgt. Duffey was stationed at Spokane, Wash., until three weeks ago. He came to Amarillo by plane, and by bus to Littlefield.

Mr. and Mrs. Claude A. Thomas of Antea received a telegram last week from the War Department, informing them that their son, Claude A. Thomas, Jr., was reported held a prisoner of the Japs. This was the first definite information they had received of their son since he was reported "missing in action" at the fall of Java, although Mr. Thomas, like other relatives of members of the "Lost Battalion," had exerted every possible effort to ascertain the fate of his son.
The telegram was as follows:
"Mr. Claude A. Thomas,
"Antea, Texas.
"Your son, Private First Class Claude A. Thomas, Jr., reported a prisoner of Japan by the Government of the Asiatic Area. Letter of information following.
"From the Provost Marshall.
"Uliss the Adjutant General."

David Storey, son of Postmaster and Mrs. W. D. T. Storey of Littlefield, who had enlisted in the U. S. Army Reserve in November last, applying for field artillery training, Thursday received his call to report at Fort Sill, Okla., Saturday.
Mr. Storey has been assured that he will receive his degree in Agricultural Economics from Texas Tech College at the Commencement Exercises on May 31.

It's Patriotic . . . and it's plain common sense . . . to keep your driving at minimum until victory comes.
Rubber, which can be used against the enemy in every battle area, is too precious to be used for anything but essential driving . . . for going to work . . . for necessary shopping . . . for travel to and from places without other transportation facilities.
Remember, the rubber-saving, gas-line-saving, legal speed-limit is 35 miles an hour. Remember, too, that a tire worn beyond the danger point cannot be re-capped.
So be sure to get the help of the Phillips 66 Service Man.

See him at least once a week. He will check the air pressure in your tires, inspect them for cuts and bruises, criss-cross them with the spare every 3000 miles, tell you when re-capping is advisable. He will check your radiator, battery, and air filter. Will lubricate your car from fan-drive to stop-light. Then, with Phillips 66 Poly Gas and Phillips 66 Motor Oil . . . your money, your car, and your tires will all go farther.
Millions of drivers know from experience that Phillips 66 Poly Gas is famous for pep and mileage. So next time you are ready to use a coupon or two, stop at the Orange and Black 66 Shield, and find out just how good today's Phillips 66 Poly Gas is.

With Amherst Men In The Armed Forces

Second Lieut. D. C. Vaughter, who is stationed in New Guinea, has just recently been commissioned as a Second Lieutenant. D. C. flies a transport plane, carrying troops and supplies where needed.

Leon Oneal has received a discharge from the Army and is now employed in defense work as a first class mechanic at Salem, O., and his wife is employed in Soap work.

Seaman First Class Cyril Abbott came home Monday for a week's leave. He returns to San Francisco Sunday.

Gerald Coffey, second class seaman, who is stationed at Norfolk, Va., spent a four day leave with his parents here. Mr. and Mrs. Coffey, this week.

Mrs. Maud Bennett received a letter from Sgt. T. L. Bennett, who has been stationed at Puerto Rico but has recently been transferred to Miami, Fla., but was unable to reveal his whereabouts.

Mr. and Mrs. J. H. Clayton received a letter from their son, Jack.

Three Injured In Car Accidents

When the car he was driving hit a culvert on the highway west of Littlefield Cemetery Sunday night about midnight, Sam Harmon, about 21, of Amherst suffered face lacerations and bruises. Hammons Ambulance, accompanied by Dr. C. E. Payne of Littlefield, was called to the scene of the wreck, and brought Mr. Harmon to the Payne-Shotwell Hospital where he remained until Sunday when he was transferred to the Amherst Hospital.

E. L. Nugby and H. T. Hendrix, both of Waukegan, also suffered injuries, when the car they were driving collided with the wrecked Harmon car early Monday morning. Nugby suffered a fractured rib and lacerations, while Hendrix sustained lacerations about the head and face, and also was suffering from shock. Both these men were released from the Amherst Hospital Wednesday.

Second class Seabee, Saturday. He is still in the South Pacific. He mentioned it had rained for two months there and according to the natives it would rain one more month. He was O.K.

FFA Boys Entertain Mothers Tuesday Night

Mothers of FFA members were guests of the boys at a special Mother's Day program at their regular meeting Tuesday night at 8:45.

The session was opened by roll call and introduction of the mothers.

The program included: Welcome address by Dal Brandon; Response by Mrs. L. M. Father Of Mrs. Ray Dalton Killed In Truck Accident

Joe Beckman, 48, father of Mrs. Ray Dalton of Littlefield, was fatally injured in a truck accident near Freedom Friday afternoon.

He was taken to a hospital in Amarillo where he passed away Sunday about 5 p. m., suffering from intense internal injuries. Remains are at a funeral home in Amarillo, and funeral arrangements have not been made, pending the arrival of his son, Lewis Beckman. Mr. and Mrs. Beckman are expected to arrive Friday from Springfield, Ark.

Besides the daughter and son, Mr. Beckman is survived by a niece, Mrs. W. C. Lachary, and a nephew, E. H. Brady, both of Littlefield.

Mr. Beckman had been a resident of Freedom about four years.

D. H. Brewster, son of Mr. and Mrs. D. E. Brewster, of 5 miles southwest of Littlefield, ran a close third to Mr. Taylor in second high ranking pupil.

Brewster has been a basketball player with the high school team for the past two years, and has been conspicuous in vocational agricultural work, having applied for the Lane Star Farmer Degree.

Commencement exercises for the smallest graduating class in 10 years will be held Friday evening, May 28, at 8:45 o'clock, when 38 girls and 18 boys will be graduated.

Supt. Hemphill stated Wednesday the names of those students who rank in the upper 10 per cent, scholastically, will be announced at the graduation program.

He also said that details of the program had not been completed, and it was not known who would be the principal speaker of the occasion.

The following is a list of prospective graduates. This list includes students who have made some sort of arrangements which might indicate the possibility of their receiving diplomas in May of this year. Any student who expects to receive a diploma in May and whose name is not on this list should call at the office of the Superintendent of Schools soon.

"Hitler's Children" Comes To Palace

"Hitler's Children," the Palace attraction for Saturday midnight, three days starting Sunday, is of the most outspoken pictures ever to have reached the screen. It convinces every second and third ring Tim Holt and Bonita Granville is a damning document of Nazism and how it has stripped its young of the point of savagery. You'll want to collar every isolationist you meet after you've seen this film.
