VOL. 6

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, NOVEMBER 15, 1928

No. 31

## CITY TO ENFORCE THE TRAFFIC LAW SAYS CITY POLICE

"Now that Main street, blocked so long for paving, has been opened up our citizens are going to have to recall that there are state and municipal traffic laws that must be obeyed," said City Marshal Fred Hoover, to a Leader representative this week.

"It's mighty nice to hit her up about 35 to 40 miles per hour over a nice smooth concrete pavement, but it can't be done in Littlefield for two reasons," said the officer. "First because it's too dangerous, and, being dangerous is against the traffic ordinance; and must be stopped."

"Another thing you might tell the public," said Mr. Hoover, "this one eyed driving on Littlefield streets has got to stop. Autos must have two eyes and they must be both wide open and shining after twilight sets in or the driver is going to appear in municipal court and explain why in dollars and cents."

The city has placed an order for intersection signal blocks, slow down and stop signs, which will be installed as soon as they arrive; "but nearly every driver is well acquainted with the general run of traffic laws and will be expected to obey them," said Mr. Hoover.

The Leader has printed green and red tags for the police department. The green tag is for warning of traffic violation; but when a red tag gets on to a steering wheel, there is need of reading it—just take it to the city hall and pay off. "That's the easiest way," said the marshal.

## KEEP MONEY MOVING IN LITTLEFIELD

There is enough money in Littlefield to serve the commercial needs of all its people. Turned over fast enough, and passed from one citizen to another, there is enough to make all its people prosperous.

Every time a dollar kisses this community good-bye it goes to help the prosperity of other sections. While some of the coin has to go, there are many occasions when the money could stay in Littlefield with equal benefit to the spender and positive profit to the merchants here who depend upon the local market for support.

No outside firm pays taxes in Littlefield. They do not contribute to local charity, churches, lodges, etc. Neither do they employ local brains or labor.

If the people of this town will only make up their minds to be loyal to Littlefield in spending their money it will mean a greater future for all.

Up to a very short time ago Slaughter was extremely active and said frequently he could outstride and outwork any man on his ranch. He could frequently be seen, even in the past year, riding over the range, inspecting his cattle, fences, windmills and tanks.

Burleson-Mason Co., undertakers of this city, had charge of the funeral services.

## AGED CITIZEN DIES

J. W. Griffin, age 78, father of C. O. Griffin, of this city, died last Friday at Lubbock, from paralysis with which he had been suffering for eight weeks. The body was accompanied to his former home in Hill county, at Whitney, by Rev. Fort, of the Canyon community, and the interment was made in the cemetery there Sunday.

He is survived by nine children, the following being present at the funeral: Mrs. Maude Malone, of Lorenzo; Mrs. George Isom, of Idalou; Mrs. Lela Biffle, of Lubbock; Mrs. Minnie Guthrie, of Whitney; Mrs. Earl McNabb, of Cilena; V. B. Griffin, of Midland; H. L. Griffin, of Lubbock; C. O. Griffin, of Littlefield; and D. P. Griffin, of Amarillo, who was unable to attend.

## P.-T. A. RECEPTION

The members of the P.-T. A. with several visitors held a social meeting at the school auditorium last Tuesday evening.

Following the business meeting a short and interesting program was rendered, after which the crowd repaired to the gymnasium where several games were played enabling everybody to get acquainted with everybody else.

Delicious refreshments were served after which the guests departed hoping to meet again upon a similar occasion in the near future.

## CHANGE TELEPHONE CABLE

A crew of State Telephone Co., workmen are here this week taking up the underground cables in the business section and stringing them overhead on poles. Foreman Buck Johnson, of Memphis, is in charge of the work, which is occasioned by the new street paving now being laid.

It is understood this same crew will reroute the toll lines from here to Lubbock, also from here to Amherst and Sudan.

## PRESBYTERIAN AUXILIARY

The Presbyterian ladies' auxiliary met Tuesday afternoon with Mrs. F. G. Sadler. Miss Lulu Hubbard was the leader of the lesson.

The house was decorated with a profusion of flowers. Delightful refreshments of nut pie and coffee were served to the following members: Mesdames E. A. Bills, Kirk Allbright, Floyd Wynn, Roy Barber, Touchon, Yarnor, Doc Miller, C. C. Clements, Maynard Cobb, C. L. Harless, W. G. Street, Ray Jones, Harry Wiseman, Miss Lulu Hubbard, and the hostess, Mrs. F. G. Sadler.

The permanent school fund of Texas amounts to about \$76,000,000.

## That Middle-Age Sprawl

## SHERIFF'S FORCE GETS 102 QUARTS OF LIQUOR FRIDAY

Gaston Patterson, deputy sheriff to Len Irvin, last Friday morning, about 10:30 o'clock captured 51 one-half gallons of whiskey, found in a Ford roadster. Jack Williams, driving the car, was arrested in connection and lodged in jail at Olton, in lieu of bond on a charge of possession and transportation of intoxicating liquor.

The arrest was made on the S-F highway about three-quarters of a mile northeast of Olton.

During the past three months Sheriff Irvin and his deputies have taken over 300 quarts of liquor and about 900 gallons of mash, also two stills have been captured.

## LITTLEFIELD MASONS WILL ATTEND SHRINE AT AMARILLO

Several Littlefield Masons and Shriners, some of them members of Khiva temple, Amarillo, are planning attending the fall ceremonial to be held there November 22nd. Some of them will be accompanied by their wives.

The program opens at 9:00 a. m., with the registration of novices, of which there is said to be a large class, several of them being ring candidates. Just before noon the big parade will be pulled off on Fillmore street, returning on Polk.

In the afternoon the business meeting will be held, followed by the ceremonial service when the novices will be escorted across the HOT sands of the Mecca desert. That night will occur the ceremonial ball, held on the third floor of the Masonic temple.

## CITY OF LITTLEFIELD WILL FURNISH WATER FOR COLLEGE

A contract was signed Monday between officials of the City of Littlefield and of the Littlefield college to furnish the college with municipal water.

The city will lay a four inch water main to the college campus; the college to furnish its own individual water lines, connections, meters, etc.

The contract calls for a payment of 50 cents per thousand gallons for the first 25,000; 25 cents per 1000 for the next 25,000; 20 cents per thousand for all water used over 50,000, with a minimum service charge of \$12.50 per month.

Preliminary estimates for 1928 place the values of Texas crops for the year at \$800,000,000 and of livestock at \$400,000,000, making a total of \$1,200,000,000.

The fellow who wants to begin at the top should become a well driller.

## FORD COMPANY PERFECTS FINANCE PLAN FOR BUYERS

John H. Arnett, of the John H. Arnett Motor Company, Littlefield Ford dealers, returned yesterday from Dallas, where he received details of the new Ford finance plan.

The new finance plan will be operated by the Universal Credit Company, an affiliated specialized organization controlled by the Ford Motor Company and operating solely for the purpose of financing Ford Products on a "time" basis. The branch office serving this territory is located on the 9th floor of the Burt building, Dallas, Texas.

This is of special interest to prospective purchasers of Ford Products on a "time" basis. Under this authorized finance plan, Ford customers will have a finance service available which is sound and in keeping with Ford policies and standards. The plan is nation-wide in scope and for the exclusive use of Ford dealers.

## SUP'T. HARRISON GAVE AN INTERESTING TALK AT ROTARY

The Littlefield Rotary club met Thursday and was entertained with a luncheon, after which President R. E. McCaskill called the meeting to order and the guests were introduced.

The meeting was then turned over to B. M. Harrison, who was the chairman for the day. He made an interesting talk on "The Aim and Objects of Rotary." The meeting closed without further ceremony, and the following guests besides the six members present, were invited to attend the next meeting: Dr. Cowan, J. C. Hibun, Jake Hopping, Rotarian J. B. Ellis, of Hollis, Okla., and Mrs. F. G. Sadler.

## FIELDTON TO GET HOTEL

John Barton, of Fieldton, this week hauled out lumber to build a two story hotel at that point, for which there is a growing demand.

Fieldton, located 17 miles northeast of Littlefield, is a rapidly growing community center. This fall a cotton gin was located there and is now busy serving the farmers of that section. Recently another service station was located there. A \$20,000 brick school building was finished there this fall and several new residences have been erected.

## OBSERVE ARMISTICE DAY

The Littlefield high school observed Armistice day Monday with a program given to an assembly made up of the school students.

Several songs were sung in keeping with the occasion, and Superintendent B. M. Harrison and Principal F. O. Boles made talks.

## ROBBERS ENTER 2 STORES AT OLTON THREE ARRESTED

Sometime last Sunday night two stores at Olton were entered by robbers and money and goods taken.

At the general store of C. E. Bley, \$70 in money was taken from an unlocked safe, also several pairs of shoes, some men's underwear and a leather coat.

At the H. E. Thurston drug store \$35.00 in cash was taken, also five watches.

Five arrests have since been made by the Sheriff's department, and others may follow, according to Sheriff Irvin.

## HIGGINBOTHAM-BARTLETT CO. CLOSE FOR PUMP AGENCY

R. W. Steen, state manager for the Air-o-matic Manufacturing Co., Wichita, Kansas, last month closed a contract with the local Higginbotham-Bartlett Co., to handle their pumps in Lamb county.

This concern which specializes in a pump of recent invention, wherein practically all working parts are eliminated, and through an ingenious air pressure method furnishes pure fresh water at the well by simply turning a faucet, is composed largely of Littlefield citizens: Arthur P. Duggan, L. R. Crockett, I. C. Enochs, R. W. Steen, and B. B. Moulton.

The company is now making pumps of two sizes; one of 15 gallon per minute capacity and another of 100 gallon per minute size. They expect soon to put out a larger product for oil well purposes.

## ROUSE BUYS LFD. HOGS TO STOCK HIS FARM

E. S. Rouse, of Lubbock, was in Littlefield last Monday purchasing 11 registered Hampshire gilts of W. W. Clark, which are to be used as foundation stock on his farm near Lubbock. He paid \$385.00 for the bunch.

These hogs were raised by Mr. Clark on his stock farm near Truscott and shipped to this section about two months ago. They were from animals shown at the Fort Worth Fat Stock show and winning first and second premiums.

## PALACE GIVES A SPEEDSTER

A demonstration was made Monday of the little Shaw speedster that will be given away before Christmas by the Palace theatre. It was found to run nicely, making from 30 to 35 miles an hour.

Tickets will be presented in some convenient manner, starting in a few days, and some one will get the little car for Christmas enjoyment.

## BADGER SAYS MANY PEOPLE COMING TO LFD. DURING FALL

"Prospects for greater development of Littlefield and surrounding community never looked better," said W. H. Badger, manager of the Yellow House Land Co., to a Leader representative the first of the week.

"We have had an exceptionally large land business up to date, never a week going by but several new farms have been sold, and the prospects for future business this fall are indeed flattering."

Mr. Badger recently returned from a trip through east and central Texas where he had occasion to visit several of the company's representatives, and he says they all had fine prospect lists. He talked with several people in those counties who were planning visiting this section just as soon as they can finish their harvesting. "Every mail that comes to our desk," said Mr. Badger, "is laden with enquiries from people vitally interested in Littlefield and wanting more and definite information as to the various opening there an opportunities for purchasing homesteads."

"One of the nicest features about our business," said Mr. Badger, is the fact that by far the major portion of people purchasing Yellow House lands are doing so with the bona fide intention of becoming actual residents upon it. Very few are purchasing for speculation purposes only. I have in my office a long list of recent purchasers who are contemplating moving out here before the first of the coming year. In fact, there are families arriving here now every few days."

## PRES. FREEMAN OF LFD. COLLEGE SAYS PLANS ARE LARGER

That the plans for building of Littlefield college have not changed, except for the better, is the statement of President John R. Freeman, to a Leader representative this week.

"With our boarding students properly housed, with quite a number of new families located on the grounds and in various parts of the town and surrounding community, with ample and comfortable temporary class rooms and cafeteria, with the second home for teachers nearly completed and some work done on a third, also, on the permanent administration building, with arrangements made for the early construction of more than 90 stucco residences on our 10 acre tracts, and with such men as R. O. Conner and Alva Johnson in the field in the interest of the college, we fully expect to give to Littlefield all we promised in the form of material buildings, and to furnish to her young people an educational program worthy of full patronage," said Mr. Freeman.

It is understood that R. O. Conner, business manager and R. F. Duckworth, editor, are to be in Littlefield sometime this week in the interest of furthering building operations and the financial campaign that is now being carried on.

## NEW FORD DELIVERIES

The following people will have new Fords delivered to them this week: Marvin Bridges, a sport coupe; A. H. McGavock, county clerk, at Olton; Tudor sedan; James Courtney, a standard coupe; Sect. Foust, a Fordor sedan.

## MRS. JOHN DOUGHERTY

That may not be the name of you who are reading this paragraph; but this message is directed to every woman in Littlefield and vicinity who has used articles of household goods that she wishes she didn't have.

There is always someone who can use these articles, and it takes a very little money to slip a want ad into the Leader columns. These little ads will sell for CASH that stove, bed, baby buggy, trunk, dishes and a hundred and one other articles for which you no longer have any use.

THE LAMB COUNTY LEADER.

**MRS. A. M. NICHOLS DIED AT A LOCAL SANITARIUM**

Mrs. A. M. Nichols, nee Cora Bertha Cooper, died in the sanitarium at Littlefield Nov. 9, 1928. She

lacked four days of being 41 years old, being born near Beverly, Kans., Nov. 13, 1887.

She moved with her parents to Texas when she was a small girl, and lived near Van Alstyne nearly all her

life. There she was married March 28, 1909, to A. M. Nichols, who was born and reared in that community. His birth was in 1876. To this union were born two boys: Burford, age 18, and Joseph age 6; and four girls: Juanita, 15, Nova, 14, Frances, 8, and Martha, 4.

The family moved to Shallowater about two years ago. Mrs. Nichols and the children were working near here when she became sick. Not realizing the seriousness of her illness she did not inform her husband till shortly before her death. He was at Van Alstyne at work, but arrived here about a day before she died.

At the funeral were her father, two of her six brothers, her sister, all of her immediate family, a few other relatives, a number of old friends and a large number of sympathizing strangers.

Mrs. Nichols was a faithful member of the Church of Christ, having been baptized when she was a girl. Jno. R. Freeman, who spoke at the funeral, tried to console the sorrowing, basing his remarks on I. Thes. 4: 13-18, and exhorted all who were present to prepare for the final judgment. Let everyone who reads this be warned and urged to Christian living.—A Friend.

Burleson-Mason, undertakers, were in charge of the funeral.

**CAFETERIA INSPECTION**

The school cafeteria received an examination by state health officers last week. There were no criticisms made as everything was up to the standard.

A solution for sterilizing was given to the cafeteria by the State Department. This will help to insure cleanliness.

Every person working in the cafeteria, including even the persons who do not handle food, was examined and found to be physically fit. Each of these was given a health certificate.

**MISSIONARY MEETING**

The Methodist Missionary society met Monday afternoon for the study lesson, "Women of the Kingdom," led by Mrs. G. S. Glenn, who was assisted by Mrs. B. L. Cogdill, Mrs. A. I. Hemphill, Mrs. Van Clark, Mrs. J. Fondra, and Mrs. Lakey.

The society decided to have a bake sale Saturday, November 10, for the purpose of raising missionary funds.

Those attending were Mesdames R. A. Davis, G. E. Turrentine, Jess Elms, B. L. Cogdill, Claude Thaxton, Lakey A. G. Hemphill, Griffey, J. Fondra, E. G. Courtney and Mrs. G. S. Glenn.

Dewey and John Humphries were visitors in Lubbock, Monday.

Miss Belva Griggs, Miss Dunn, Floyd Hamm, Clifford Williams and J. B. Duke spent Sunday with Dewey and John Humphries.

**AT THE CHURCHES**

**METHODIST CHURCH**

Sunday School, 9:45 a. m. Preaching Service, 11:00 a. m. Senior and Intermediate Epworth League, 6:45 p. m.

Preaching service, 7:30 p. m. Bible Study, Wednesday evening.

Tonight, Thursday, November 15, Presiding Elder D. B. Doak will hold an adjourned session of the fourth Quarterly Conference at 7 p. m.

Rev. G. R. Fort will preach both morning and evening next Sunday. The annual conference will be held in Lubbock Wednesday of next week. A full attendance is desired for these last services of the Conference year. Let us lay our plans tonight for the wind up of the old and the beginning of the new year with even greater zeal and endeavor. I wish to thank every official and member and also friend of the church for their loyalty to the cause the past year, and pray that one and all may have a deepened religious experience in the coming year.

—GEO. E. TURRENTINE, Pastor.

**BAPTIST CHURCH**

Sunday School, 9:45 a. m. Morning worship, 11:00 a. m. Senior and Intermediate B. Y. P. U., 7:30 p. m.

Evening worship, 8:30 p. m. Prayer meeting, Wednesday, 8:30 p. m.

—ROY A. KEMP, Pastor.

Dear Church Members: Twelve months have come and gone since we came to labor in the Lord's vineyard with the First Baptist Church, Littlefield, Texas. We have spent these months "like a tale that is told." They have passed into history like the wings of the morning. We have had Elijah's God, and victory has crowned our every effort. God be praised!

During the past twelve months our membership has increased somewhere between 150 and 200 members. Half of which have been baptized in the name of a Triune God.

Through the columns of this paper, which has ever been open to our activities, wife and I wish to express our profound appreciation for the loyal support spiritually, and the heroism that has been shown in a financial way in taking care of the debts of the Lord's Church. Let us lift our heads to the hill-tops, from whence cometh our help and press forward to the high calling of Christ Jesus, Our Lord. May every one of you be in your places next Lord's day, praying that Jacob's ladder may come down and victory fill the air.

—Roy A. Kemp, pastor and Wife.

**PRESBYTERIAN CHURCH**

Sunday School, 10:00 A. M. Morning Service, 11:00 A. M. Junior Endeavor, 4:00 P. M.

—WILLIAM F. FULTON, Minister.

**CHURCH OF CHRIST**

Sunday school, 10:00 a. m. Communion, 11:00 a. m. Bible Study, 7:45 p. m.

J. H. Kemmel from Levelland will preach at the Church of Christ next Sunday at 11:00 a. m. Everybody invited to attend.

**LUTHERAN CHURCH**

Regular Sunday morning services held in the German language begin at 10:30 a. m. Sunday night at 8 o'clock, English services.

—WALTER J. LUCKE, Pastor.

**SACRED HEART CHURCH**

Divine services every Sunday. All preaching in the English, language, only.

The general time for services during the winter months is 10:30 o'clock a. m. one Sunday, and 8:30 o'clock a. m., the following Sunday.

When we have 8:30 o'clock services in Littlefield, 10:30 o'clock services will be held at Pop, and vice versa.

Everyone interested has a free access to our church, and is cordially invited by—

REV. CHARLES J. DVORAK, Pastor

**A SURPRISE PARTY**

Monday evening a few friends met at the home of Mrs. J. M. Blessing, three miles east of Littlefield, and surprised her with a shower of pretty things for their new home.

Progressive forty-two was played, and at a late hour lovely refreshments of hot chocolate and cake were served to 25 guests.

**MRS. ARNETT ENTERTAINS**

Mrs. John Arnett entertained the Twenty Aces Bridge club at her home Monday night.

High score at bridge was won for the men by J. C. Hilbun, and for the ladies by Mrs. Pat Boone.

Refreshments of pear salad, jelly, crackers and coffee were served to the following members and guests: Messrs. and Mesdames P. W. Walker, Billie Harris, J. C. Hilbun, Charlie Harless, F. G. Sadler, C. E. Cooper, Otha Key, Kirk Albright, Mrs. Art Chesher and Mrs. A. P. Duggan.

A. F. Wedel, of Throckm county is here this week beginning improvements on his farm six miles of Littlefield, which he recently purchased of the Yellow House Co. He is putting up a full set of improvements and will make his on the land as soon as they are completed.

Have your printing done at ho

**Unintentional Suicide**

Many people are slowly poisoning themselves just as surely as if they drank iodine every morning for breakfast. They are daily absorbing toxins, or poisons, created by accumulated waste matter in their constipated digestive systems. Sooner or later disease will conquer their weaker bodies.

If you have dizzy spells, headache, coated tongue, bad breath, insomnia, no appetite, bilious attacks or pain in the back and limbs, you are probably suffering from self poisoning caused by constipation. The greatest and pleasant relief for this condition is Herbin's vegetable cathartic which acts in a natural way. Get a bottle today from Stokes & Alexander Drug Com

**LADIES NOVELTY SHOES**

**SHERIFF'S SALE**  
**THE STATE OF TEXAS,**  
 County of Lamb

Whereas, on the 3rd day of December, A. D., 1927, in a certain case, numbered 137 on the docket of the District Court of said county, wherein the Littlefield Independent School District is plaintiff and Mrs. E. R. Harris, E. A. Logan and Sudie E. Hershberger are Defendants, the said plaintiff recovered judgment in the amount of Ninety-two & 4/100 (\$92.04) dollars for taxes, and legal amount penalties, costs and interests computed thereon, together with the foreclosure of plaintiff's delinquent tax liens upon the property herein-after described as the property of the defendants, because of the non-payment of the taxes due thereon;

And whereas, on the 27th day of October, A. D., 1928, by virtue of the said judgment and the mandates thereof, the Clerk of the District Court of said county did cause to be issued an Order of Sale, commanding me as Sheriff of said County to seize, levy upon and sell in the manner and form as required by law the herein-

after described property as the property of the above defendants, to satisfy the said judgments.

Wherefore, by virtue of the said Order of Sale and the mandate thereof, I did on the 8th day of November, A. D., 1928, seize and levy upon as the property of the above defendants, the following property, to-wit:

Labor No. Nine (9), in League No. Six Hundred Sixty-six (666), containing 177 acres of land in Lamb County, Texas.

And I will on the first Tuesday in the month of December, A. D., 1928, the same being the 4th day of said month, proceed to sell said property at the Court House door of said county, in the town of Olton, Texas, between the hours of 2 o'clock p. m. and 4 o'clock p. m., to the highest bidder for cash all the right, title and interest of the above defendants, in and to the above described property; subject, however, to the rights of the defendants to redeem same in the time and manner provided for by law, and subject to the further rights of the defendants to have said property divided and sold in less divisions than

the whole. And in event there are no bidders, said property will at said sale be bid off to the State.

LEN IRVIN, Sheriff Lamb County, Texas. By Pearl Strawn, Deputy, Olton, Texas, November 5th, A. D., 1928.  
 November 8, 15, 22, 1928.

**SHERIFF'S SALE**  
**THE STATE OF TEXAS,**  
 County of Lamb

Whereas, on the 3rd day of December, A. D., 1927, in a certain case, numbered 148 on the docket of the District Court of said county, wherein the Littlefield Independent School District is plaintiff and G. W. Smith, E. A. Logan and Sudie E. Hershberger are Defendants, the said plaintiff recovered judgment in the amount of Ninety-eight & 33/100 (\$98.33) dollars for taxes, and legal amount penalties, costs and interests computed thereon, together with the foreclosure of plaintiff's delinquent tax liens upon the property herein-after described as the property of the defendants, because of the non-payment of the taxes due thereon;

And whereas, on the 27th day of October, A. **CAN WOMEN OVER-DO THE CHARM STUFF DISCUSSED IN FRIENDLY MANNER LOCALLY**

"Can a woman over-do the 'charm' stuff?"

That was a much argued question one day the first of this week. A Leader representative chanced in a local drink establishment where a group of young men and women were slacking their social and physical thirst. The Leader news hound isn't much of a ladies man but occasionally he does have an interrogation sticking out of his brain cavity as to the why and wherefore of some modern methods not entirely in vogue when he was a dashing youth.

Here appeared to be a first class opportunity for a chunk of information. The young men were neatly dressed and seemed quite gentlemanly. The young ladies were—well, they looked the very acme of modern fashion plates plus all the ideals one reads about in present day magazine romances. So, easing up to the group and, without any preliminary suggestions regarding the crops or the weather the news hound peeped his question: "Can a woman over-do the charm stuff?"

The question wasn't any poser at all. Apparently every member of that younger set had given it deliberate consideration. One charming young lady with plenty of peach blossom, promptly replied: "Certainly, of the wrong kind—the artificial." Exactly true," chimed in another sweet thing. She evidently had spent some time in the city, and this was her follow-up: "The professional charmer is just a parasite. She deceives, wheedles and grabs, vamping her way with a marvelous technique which often puts her over, but sometimes leaves her in despair. Some of them are as ruthless as a predatory jungle tigress and strike about as hard."

"Uhhuh," unconsciously responded one of the young men. And in the ring of his voice there was a sincerity as he he sometime had come a near victim to her silken claws.

"What an expert flatterer she is," suggested another belle. "But I don't think many of our girls in the small towns are of that stripe. Occasionally it is true, but I believe the average girl of today dolls up with no other desire than to make herself and others appreciate her womanly charms. There isn't much idea of commercializing them. Most girls realize nowadays if they don't have anything behind a pretty face, their pulchritude is not going to take them very far. Everyone likes to see a pretty girl but my observation is that men want something more than that if they are going to live with it for a few years."

The young men up to this point had remained silent. Thinking this the better part of wisdom they had waited to determine the feminine slant of the conversation. But here one young man, evidently of strong convictions delivered himself of quite an extemporaneous oration on the subject.

"I don't think much of a girl that is all the time trying to impress me with her personal charm—magnetism, they call it. Usually they don't mean much in doing so, but if they only knew how they put themselves from off the pedestal and put us off from actually falling in love with them, they'd cut it out."

"Quite true," suggested another young man of the group. I believe most young men are idealists, romanticists, if you please, and at the same time eternal hunters, oftentimes without guide posts, blue prints or books of instructions to assist in ferreting the devout and dangerous ways. They want to be sure, but they don't want to be disillusioned. They don't want a fairy wand called a spade—they want to find it out themselves."

"A certain amount of feminine charm is always desired by the masculine sex," chimed in a third, "but every young man likes to do his own excavating—his own separating of the gold from the alloy. I think all young men are natural beauty lovers they all want to have their fling at glamor and romance; but most of them are not such big fools when it comes to marriage, at least they don't think so, and a little less so-called charm and more common sense would give women more permanent attraction, if they only knew it."

"Don't you think most men are big babies," the representative ventured to suggest. "Surely," was the unanimous response from the feminine department of the group. "You got to humor them," added one young lady. A young man admitted it, but insisted that if the woman who was to some day be his wife had the qualities of sympathy, kindness, companionship and an ordinary amount of common sense and refined intelligence there wouldn't have to be so much humoring done.

Quite a comprehensive expression of ideas, eh? No real juxtaposition, nor any real diametrical apposition,

and the said rep., is still wondering if he got the correct answer to his question.

**CARELESSNESS**

By Lois Kirkpatrick

Some of the most common fire fiends are: matches, kerosene, gasoline, cigarettes, fire works, and trash. These little fire fiends can do very little harm in their proper places. It is only with the help of the great fire king, carelessness, that the fire fiends do their deadly work. The origin of all fires can be traced to carelessness. It is interesting to note that one-third of all the fires in the United States are caused by careless smokers.

There are on an average more than one thousand, five hundred fires a day in the United States. In 1918 the average fire loss for each man, woman and child in France was 49c per year, in England, 33c, in Germany, 28c; in Austria, 25c; in Italy, 25c; in Holland only 11c, and in the United States over \$2.10 per person. Our record is four times that of France. Carelessness is a national sin in our country today. In 1922 the fire loss was \$521,860,000. Today the fire loss has increased to \$4.75 per person annually. 25 per cent of all fires are preventable. 42 per cent are partly preventable. 31 per cent although from unknown causes, are also partly preventable.

I think that if carelessness could speak to us he would say:

"I am more deadly than bullets, and have wrecked more homes than the mightiest guns."

"I steal in the U. S. alone over 300 million dollars a year."

"I spare none. The old, young, rich, poor, strong and weak go alike. I lurk in unseen places and do most of my work silently. You are warned but do not heed."

"I am everywhere. I bring sickness and death, yet few avoid me."

"I am your worst enemy."

An interesting fact about matches is that there are over seven hundred million matches used each day in one U. S. If the factories made one match a minute, it would take 14,000 years to make enough for one day's use.

—Taken from the Wildcat.

**FARMERS ARE MAKING GOOD SALARIES ON THE SIDE**

One hundred and twenty-five dollars a month is a fair salary for the great majority of city workers, but the present trend of farm operations has enabled H. M. Frankie of San Angelo to make that much from seven milk cows and 100 white leghorn hens. This is just part of his farm program and consumes little of his time.

The man who has a few good cows and a good flock of hens is assured a pay check ever yweek just the same as the city salaried man, and has the advantage of working for himself and being his own boss.

**M. L. LYNN, AUCTIONEER**

That auction should be conducted by an auctioneer who knows current values and has had the experience. My reference is the first man you meet.

Send order with remittance to the PUBLISHERS OF THIS PAPER, or to THE YOUTH'S COMPANION, Boston, Mass.

### LOCAL GARAGEMAN WARNS MOTORISTS AGAINST FREEZING

"Yes, winter is just around the corner," said W. S. Brandon, of the Littlefield Service Station, and it won't be long now before garage men will have more radiator work than they can take care of and handle the rest of the work coming to them. It's that way ever ywinter—that is, in the early part of the winter. No matter how much experience the average car owner has, it seems that he has to let his radiator freeze once or twice in the forepart of the winter before he will get the habit of draining it regularly, or of filling it with some anti-freeze solution which, of course is the better method.

It's always a good idea for one to have their radiator and cooling system tested every fall when cold weather begins. The radiator is a very delicate instrument, made of copper and brass, with cell walls about

5-1000 of an inch thick. It is the radiator that keeps down gas consumption which increases the minute an engine grows too cold. It is the radiator that prevents over-heating, and the motorist who will keep his radiator in good condition will find he saves several dollars a year not only in gas consumption, but in the depreciation of his motor as well.

"There are lots of things that can happen to a radiator to decrease its efficiency—collisions, loose fan belt or loose fan blade, loose anchorage, honey-comb openings filled with dirt, bugs, grasshoppers, etc., but the greatest danger and lack of efficiency is from freezing.

"Having your cooling system tested periodically, keeping it tight and thoroughly cleaned, and in winter time using a good anti-freeze solution is not only economy, but good insurance," concluded Mr. Brandon.

### WHAT IS DOING IN WEST TEXAS

The new \$100,000 school house at Post which was occupied for the first time November 5, has presidents office, principals office, book room, library, study hall, nine class rooms, auditorium, vocational agriculture laboratory and chemistry, physics, and home economics laboratories.

Fifty-five rooms have been completed of the Gilder Hotel at Roswell, N.

### SHERIFF'S SALE THE STATE OF TEXAS.

County of Lamb  
Whereas, on the 3rd day of December, A. D., 1927, in a certain cause, numbered 166 on the docket of the District Court of said county, wherein the Olton Independent School District is plaintiff and F. L. Henderlong is Defendant, the said plaintiff recovered judgment in the amount of Five and 78/100 (\$5.78) dollars for taxes, and legal amount penalties, costs and interests computed thereon, together with the foreclosure of plaintiff's delinquent tax liens upon the property hereinafter described as the property of the defendant, because of the non-payment of the taxes due thereon;

And whereas, on the 27th day of October, A. D., 1928, by virtue of the said judgment and the mandates thereof, the Clerk of the District Court of said county did cause to be issued an Order of Sale, commanding me as Sheriff of said County to seize, levy upon and sell in the manner and form as required by law the hereinafter described property as the property of the above defendant, to satisfy the said judgment.

Wherefore, by virtue of the said Order of Sale and the mandate thereof, I did on the 5th day of November, A. D., 1928, seize and levy upon as the property of the above defendant, the following property, to-wit:

Being all of Lot No. Four (4), in Block No. Forty-three (43), and Lot No. Seven (7), in Block No. Forty-eight (48), in the town of Olton, Lamb County, Texas.

And I will on the first Tuesday in the month of December, A. D., 1928, the same being the 4th day of said month, proceed to sell said property at the Court House door of said county, in the town of Olton, Texas, between the hours of 2 o'clock p. m. and 4 o'clock p. m., to the highest bidder for cash all the right, title and interest of the above defendant, in and to the above described property; subject, however, to the rights of the defendant, to redeem same in the time and manner provided for by law, and subject to the further rights of the defendant to have said property divided and sold in less divisions than the whole. And in event there are no bidders, said property will at said sale be bid off to the State.

LEN IRVIN, Sheriff Lamb County, Texas. By Pearl Strawn, Deputy, Olton, Texas, November 5th, A. D., 1928.  
November 8, 15, 22, 1928.

### SHERIFF'S NOTICE OF SALE

THE STATE OF TEXAS, County of Lamb:

Whereas, by virtue of a certain Order of Sale issued out of the District Court of Lamb County, Texas, on a judgment rendered in said court on the 22nd day of November, 1927, in favor of the said J. P. White Company, a corp., and against the said Yellow House Land Co., a Trust Estate, and J. F. Dusterhaus and S. A. Dusterhaus and being No. 266 on the docket of said Court, I did, on the 3rd day of November, 1928, at 10:00 o'clock A. M., levy upon the following described tracts and parcels of land situated lying and being in the County of Lamb, State of Texas, and belonging to the said J. F. Dusterhaus and S. A. Dusterhaus, to-wit:

"Being all that certain lot, tract or parcel of land lying and being situated in Lamb County, Texas, and being known and described as being all of Labor No. Twenty-two (22), in Capitol League No. Six Hundred Eighty (680), containing 177.1 acres of land, in said County of Lamb and State of Texas."

And on the fourth day of December, 1928, being the first Tuesday of said month, between the hours of ten o'clock and four o'clock P. M., on said day, at the court house door of said county, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said Yellow House Land Company, a Trust Estate, and J. F. Dusterhaus and S. A. Dusterhaus in and to said property.

Dated at Olton, Texas, this 3rd day of November, 1928.  
—LEN IRVIN, Sheriff of Lamb County, Texas. By Pearl Strawn, Deputy, November 8, 15, 22, 1928.

M., each equipped with private bath, and telephone. The ladies parlor, coffee shop, lobby, and dining room, have not yet been completed.

Lockers for all high school students will be purchased in the near future at White Deer. When they are installed students will be required to keep their books or pay them if they are lost. Play ground equipment will be purchased for Skelleytown and Roxana schools.

Peach orchards may become a profitable source of income in the Carlsbad, N. M., country on irrigatable land along the Pecos river. One thousand trees have been planted on a farm which already has an orchard of five hundred and fifty heavy bearing trees.

The main streets of Abernathy are now cleared after having been torn up during the last few days. The improvement machinery which hindered traffic for a few days left a nicely graded and level roadbed behind it.

### MISSIONARY SOCIETY GAVE JUBILEE PROGRAM SUNDAY

The ladies of the Methodist missionary society presented a pageant Sunday night in commemoration of the Jubilee year of the organization. Mrs. B. L. Cogdill was the leader

of the service, and introduced the numbers as follows:

A talk on the meaning of the Jubilee, by Mrs. A. G. Hemphill; a talk on "Golden Gifts," by Mrs. Claude Thaxton; musical reading, by Mrs. Ed Houk; intercession period for out going missionaries, by Mrs. B. L. Cogdill; a song "Must Jesus Bear the Cross Alone," by B. L. Cogdill; a solo, "O Love That Will Not Let Me Go," by Lucille Bruce, during which the Spirit of Jubilee, represented by Sibyl Glenn, took her place behind the altar, and, acting as a herald, called the seven spirits of the Sabbath of Years, one by one, to the altar: They were represented by Misses Madie Anderson, Bernice Wales, Maurine Dow, Josephine Glenn, Pauline Courtney, Sue Grow and Addie Mae Hemphill, and upon taking her place, she made a short speech representative of her part.

The program ended with the children of the junior league marching by the altar singing "Jesus Loves Me" and placing their offering in the "mite box."

They were followed by the ladies of the Missionary society, who likewise.

Looks as though some husbands also may have been picked out in a blindfold test.

To the first half-million new Ford owners

To the half-million men and women who have received new Fords in the last eleven months, there is no need to dwell on the performance of the car.

You have tested its speed on the open road. In traffic you have noted its quick acceleration and the safety of its brakes. You know how it climbs the hills. On long trips and over rough stretches you have come to appreciate its easy-riding comfort. Continuous driving has proved its economy of operation and low cost of up-keep.

This is an invitation to you to take full advantage of the service facilities of the Ford dealer organization so that you may continue to enjoy many thousands of miles of carefree, economical motoring.

The point is this. You have a great car in the new Ford. It is simple in design, constructed of the best materials and machined with unusual accuracy. It is so well-made, in fact, that it requires surprisingly little

attention. Yet that doesn't mean it should be neglected. Like every other fine piece of machinery, it will serve you better and longer if given proper care.

One of the best ways to do this is to take your car to the Ford dealer every 500 miles for oiling and greasing and a checking-up of the little things that have such a great bearing on long life and continuously good performance.

Such an inspection may mean a great deal to your car. To you it means thousands upon thousands of miles of motoring without a care—without ever lifting the hood.

Ford dealers everywhere have been specially trained and equipped to service the new Ford. You will find them prompt and reliable in their work, fair in their charges, and sincerely eager to help you get the greatest possible use from your car for the longest period at a minimum of trouble and expense. That is the true meaning of Ford Service.

FORD MOTOR COMPANY

**PROF. GARLIN OF TECH., SPOKE AT CO. SCHOOL MEET**

The first meeting of the Lamb County Teachers' Association for the year 1928-29 was held in Littlefield November 10. A good representation was present from each of the following schools in the county: Olton, Amherst, Sudan, Fieldton, and Littlefield. About 40 attended the meeting. The meeting was called to order

by President B. M. Harrison. The general topic for discussion at the morning session was the problems of the Lamb County schools. Supt. Wilkins, of Sudan, gave an interesting discussion of the transportation to and from the Sudan schools. Supt. Webb led a beneficial discussion of the organization problem of the Olton schools. Others contributed information about the organization of their schools or asked for advice in solving their problems. Mr. Boles, principal of Littlefield High school, presented the subject of athletics in the organization of schools. Some interesting facts were gathered from his speech and from what others had to say on this subject. Supt. Jackson, of Amherst, was asked to postpone, until the afternoon session, his discussion of the problem in the primary grades of the work of the pupils who attend school only a part of the year.

The principal speaker of the afternoon was Dr. R. E. Garlin, instructor in the history department of Texas Technological College. His lecture was on the subject of the present conditions of the public school, and the work of the teacher. The central thought presented was that public opinion is the basis and limitation of

**NEW—and Amazing R C A Radiola 60**

This compact table model, with powerful A C Radiotrons, is improved with a power detector tube that takes the full volume built up by the 8-tube Super-Heterodyne circuit and passes it along to the audio-amplifying circuit without distortion. Full toned clarity of reproduction such as you have never heard! Operates from any A C electric light socket. Price, \$175. Telephone for a free demonstration. Alvin Mueller, Agent Telephone 91 LITTLEFIELD, TEXAS

the public school. He traced the progress of the public school and showed how it ran parallel to public opinion. It is the duty, he said, of the teacher and all others interested in the development of schools, to educate the public to the changes that need to be made from time to time. One organization which might aid in this matter is the P. T. A., as he pointed out. The teacher is a walking advertisement of this profession, and he called the attention of the teachers to that fact.

In the business meeting which followed Dr. Garlin's lecture, the place and time of the next meeting of the county association were discussed. It was decided to meet in Olton the third Saturday in February. Mr. Carter, of Olton, was elected director of debate in the interscholastic league meet, and Mr. Wilkins, of Sudan, was elected director of declamation.

**COLLEGE NEWS**

Some construction work of interest has been going on the last few days. The work on R. F. Meacham's new brick veneer house in the southeast part of town is well underway. The stucco garage for the home is practically complete and most of the concrete foundation for the house has been finished.

Dean Burke's home was given a coat of stucco last week. The permanent doors for the dormitory have been put in, and two large heating stoves have been installed in the dormitory.

The Littlefield College students and teachers celebrated the 11th by not having school the 12th. This is the first holiday for the school. The teachers and students did not all celebrate in the same way. Some went on a "weenie" roast Monday afternoon, while others put in a part or all of the day at work.

Some of the students made use of the long weekend of school by going to their homes. Among those who went home are: Mr. and Mrs. Dale Atchison, Butcher Caudle, L. D. Cyfert, Oran Martin, Perry Vernon and Miss Ruth Botts. Miss Angie Boyle, Miss Bott's aunt, took her home Friday evening and returned to Littlefield, Saturday, bringing another one of her nieces, Miss Grace Botts, back with her, Sunday. Miss Boyle took Miss Grace home and brought Miss Ruth back for school. Homer Graham and Miss Lynna Graves also spent the weekend at their homes.

Lowell Watkins, of Petersburg, an ex-student of Gunter College, is here visiting this week.

Mr. and Mrs. J. D. Latham visited his sister, Mrs. R. W. Hooten, near Lockney, last Saturday and Sunday.

Mr. and Mrs. Dotson G. Lewis visited relatives at Amherst last Sunday.

Mr. and Mrs. Virgil Jackson were in Anton, Sunday, where he preached.

Eric Allison, of Canyon, visited at the home of his grandmother, Mrs. W. H. Boyle, Saturday.

Jno. R. Freeman and family were in Lubbock on business last Saturday.

**PERSONAL ITEMS**

T. E. Potts, of Frederick, Okla., was here on business Monday.

J. B. Sikes, of Brown county, was in Littlefield, Saturday.

Mr. and Mrs. J. E. Barnes were visitors in Lubbock, Saturday.

Mrs. F. G. Sadler spent Monday in Lubbock visiting and shopping.

L. E. Key is very seriously ill with a nervous breakdown, which followed ptomaine poisoning.

Mr. and Mrs. C. L. Goodwin spent the weekend with her parents, Mr. and Mrs. John Blair.

John Blair left Monday for Syracuse, Kansas, where he will spend a few days looking after business interests.

Mr. and Mrs. L. R. Crockett and daughters, Miss Lydia and Thelma, were visitors in Littlefield, Tuesday.

J. Dillon, roadmaster of the Santa Fe, spent Monday night with J. W. Blalock.

C. J. Henson and family, of Lubbock, spent Sunday with Mr. and Mrs. T. A. Henson and family.

Yynn Dobbs and Kenneth Houk were in Amherst and Sudan on business Monday.

T. A. Henson left Monday for Throckmorton and Young counties where he will spend a few days looking after business matters.

Parker Sikes, of Fort Worth, has accepted a position with the Riley Tire service here, to start work this week.

A. F. Richards, of Frederick, Okla., was here Monday making arrangements to move to his land on the Wilson ranch.

J. T. Berryman, residing about a mile east of Littlefield on Oklahoma avenue, is reported in a serious condition from blood poisoning in his face.

County Agent D. A. Adams returned Wednesday morning from

Marlin, where he was called last week by the death of his father, who suffered a paralytic stroke.

The following Tech students spent the weekend in Littlefield: Miss Eva Gertrude Chisholm, Miss Anne Shirley, Miss Mary Lee Carpenter, Troy Foster, Ralph Gillette, and William Lowmire.

The Bell-Gillette Chevrolet company has installed a new sign at the top of the business building. It is

large enough to attract attention, and is quite an addition to the general appearance of the house.

Mr. and Mrs. H. K. Rainer and daughters, Miss Lola and Miss Roweta of Frederick, Oklahoma, have moved to Littlefield and plan to make their home here. He is an interior decorator, and will take up his trade in this city. Miss Roweta is attending the high school here.

The Lender for printing.

**Grinds Any Feed At Low Cost!**  
**Grinds Any Feed From the Ground Up!**  
 Here's the grinder that turns your alfalfa, fodder, snapped corn, bundle feeds or any small grain into valuable feeds that go  $\frac{1}{4}$  further. Grinds and mixes any feed separately or together—fine or coarse—without extra attachments. Stop waste. Grind all your feed. No burrs, no gears, no knives! The powerful hammers do the work. Timken bearings. Five sizes, with elevator or blower. Come in. Let us show you here or by actual demonstration on your own farm, under your own power and with your own feed. (105)

# LAMB COUNTY LEADER

Published every Thursday afternoon at Littlefield, Texas.  
Subscription: \$1.50 per year; 75 cents for six months.  
Advertising rates given upon application.

No. Entered as second class matter May 24, 1929, at the post office at Littlefield, Texas, under the Act of March 3, 1879.

JESS. MITCHELL, Editor and Publisher

Subscribers who change their addresses, or fail to get their paper, should immediately notify this office, giving both new and old addresses. Communications of local interest are solicited. They should be briefly written, on only one side of the paper, and must reach this office not later than Wednesday noon of each week. The right of revision or rejection is reserved by the publisher.

Advertising that does not show in its text or typography that it is paid for must be marked as an advertisement. All local advertisements remain in this paper for the time specified or until ordered out. All notices, matters not by whom nor for what purpose, if the object is to raise money by admission fee or otherwise, is an advertisement and when sent in for publication must be paid for at the regular advertising rate per line for each issue printed.

Obituaries, cards of thanks, and resolutions of respect will also be charged for at the same rate.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of the Littlefield Leader will be gladly corrected upon its being brought to the attention of the publisher.

In case of errors or omissions in local or other advertisements, the publisher does not hold himself liable for damage further than the amount received by him for such advertisement.

## A THOUGHT FOR THE WEEK

In the multitude of counsellors there is safety.—Prov. 11:14.

It is always safe to learn even from our enemies, seldom safe to instruct even our friends.—Colton.

## TIME IS LEAPING

Half of November, December—and then, it's all over! Not only is 1928 over and 1929 begun, but the Big Chance is done with. It will be 1932 before the girls have another such opportunity. Time is leaping, and leap year is pretty near finished!

It would certainly be interesting to know just how many proposals were made by girls this year. Whether they proposed more often than they did in 1927, which was just a plain ordinary year. We have a slight suspicion that if a girl wishes to propose, she cares little about waiting until a year that can be divided evenly by four comes along. Love doesn't go according to rules.

Perhaps, after all, women do little proposing. Their art consists, we have read, in getting the man they want to spring the question—making the men think themselves aggressive and forward when they are merely responding to dozens of time-honored

hints and tricks that only the female of the species understands.

But no matter how much we ponder and guess, we are at a loss. There are no statistics on the matter. There is no way of finding out whether many girls propose in Leap Year or not, or whether they do their leaping at another time, or whether they invariably wait for the question.

We just don't know—and anyway, it's not our business!

Scientists say there are 400,000 varieties of insects. Noah and his wife must have spent 40 days and nights doing nothing but scratch.

## A SAFETY HINT

A Littlefield motorist calls our attention to the fact that motorists are now forced to use their headlights more than at any other season of the year, thus increasing driving dangers at a time when highways are in more treacherous condition than during the summer months. He also points out that hundreds of car owners pay no attention to this vital part of their cars. So long as their headlights burn and light the road they go right on driving.

Everything about an auto needs an occasional adjustment—especially the

lamps. They get out of focus, after being driven all summer, and reach a point where they cast a blinding glare into the eyes of approaching drivers. Bad accidents are thus more apt to occur, and it may be an accident in which the thoughtless car owner is himself involved.

It takes but a few minutes to have the headlights of your car properly focused and adjusted. It may take years to recover from an accident such as poor headlights can cause.

Even bootleg liquor has its medical value. It has cured a good many people of the drink habit.

## ABOUT EATING

Food experts assert that too many of us are not eating well-balanced meals. In recent years they have discovered that leafy green vegetables are of vital importance in the human diet, but it is difficult to make the average man or woman believe it. Vegetables such as cabbage, kale, string beans, celery, spinach, beet greens, and turnip greens are called "the protective foods." They contain the vitamins that are essential to growth and that protect against numerous diseases. They also help to maintain bodily resistance against tuberculosis.

You probably cannot find any one in Littlefield willing to dispute the statement of the food experts, but you'll have a hard time finding anyone living up to their advice. Potatoes and meat always have and probably always will be the chief articles of food on local dining tables. And so long as he can get them the average citizen is content to let someone else eat the "leafy green vegetables."

Laws have been passed to prevent people from making fools of themselves, but not all of them are enforced.

## TERRACING VALUABLE

Terracing of farm land is a valuable feature that some of the farmers of this section should be practicing. Some of the land in this vicinity is quite rolling and much added value would accrue if it were terraced.

The run-off on sloping land not only wastes the water but carries much soil with it. Experts figure the loss of water at from 28 to 32 per cent. This means that any farmer whose land is rolling can use from one-quarter to one-third more rainfall than he is saving under present conditions.

County Farm Agent D. A. Adams will be glad to discuss terracing with any of the farmers so interested.

There seems to be a limit for all things except raising money for the heathens.

## LITTLE LEADERS

We've often noticed that Littlefield citizens with the largest store of experience are closest with their advice.

A Littlefield woman's best test of her husband's devotion is to ask him to go to the store and match a piece of ribbon for her.

The average Littlefield man is familiar with the picture of Gen. Grant but he didn't acquire that familiarity by seeing it on our \$10,000 bills.

When you hear a Littlefield man bragging that he never changes his mind you don't have to wonder what kind of mind he has.

What has become of the old-fashioned Littlefield woman who thought she had to wear a linen duster and goggles in an auto.

Everything runs smoothly in the average family until the husband makes up his mind to stay home at the same time his wife is making up to go out.

The old-fashioned Littlefield girl who used to faint away can now run the family auto into a ditch, tear down nine rods of fence and still laugh at a tire hanging from the cross-arm of a phone pole.

*Will Rogers Says -*

Will Rogers says -

Well, the Campaign is degenerating into just what I thought it would. It started out to be honorable. It was a noble experiment but it just didn't bring home any soup bones.

At first we was all hearing so many whispers that it began to look like everybody that spoke to you had lost their voice. We layed it to bad colds for a while, then we discovered that everybody could have Phenomenia at once.

The funny thing about it was that the things they had been whispering was not as bad as the things they had been saying out loud. So they quit whispering and started saying worse things at the top of their voices.

Oh, it's a Gentleman's game? ? ? Everybody is of a "high type"—till the time comes when there is something worth while to be little over, then they revert to type.

But through all this our old Anti-Bunk Party has maintained its dignity. As the candidate, I am not running about the country shouting in everybody's ear, "as I said so ably in my acceptance speech."

We didn't say anything in our acceptance speech. We didn't even accept and at that we said more than they did. They can always bring up their acceptance speech, for that is as far back as they want their record looked into while the campaign is going on. —WILL ROGERS.

## JESS' JOSH

Someone, evidently by mistake, put about six bits worth of perfectly good beefsteak in George Neely's car last Saturday. We think George ought to run a card of thanks in the Leader.

After all we don't know that a "sisterly preacher" is any worse than the jelly bean type, especially when he is an egotistical ass.

Jim Houk says when an egg is bad there is a possibility it was laid by a young hen that hasn't had much experience.

Marriage is sure to teach one thing; that it's a darned sight easier to follow a woman than it is to lead her.

The woman on XII drive who used to jolt her baby down Main street to relieve it of the colic, says the new pavement is so soothing that the little darling goes to sleep within two blocks time.

A cotton picker out of a job stop-

ped Fred Hoover on the street the other day.

"What do you want?" asked the marshal. "Money?"

C. P. "If yer gott'er plate of hot soup in yer pocket, it'll do as well."

Rev. Roy Kemp addressed the public speaking class of the Littlefield high school last Monday on the subject, "The Five Main Points of Daniel," as applied to people of today in regard to education.

W. C. Squires, of Bula, transacted business in Littlefield, Monday.

# ONLY PONTIAC

**AMONG ALL SIXES OF ITS PRICE OFFERS**

Body by Fisher! The very phrase suggests the newest style, the greatest luxury, the finest construction. Yet only Pontiac among all sixes of its price offers Bodies by Fisher. And their long, low, smart lines, their deep-seated comfort and durable hardwood and steel construction explain much of the tremendous popularity which Pontiac continues to enjoy.

But bodies by Fisher represent only one of the many advantages offered by today's Pontiac Six. A 186-cubic inch engine equipped with a new, more highly perfected carburetor—the cross-flow radiator with thermostatic control—the G-M-R cylinder head . . . all these vital engineering advancements are provided by Pontiac and by no other six selling for as little as \$745.

2-Door Sedan, \$745; Coupe, \$745; Sport Roadster, \$745; Phaeton, \$775; Cabriolet, \$785; 4-Door Sedan, \$825; Sport Lowland Sedan, \$875. All prices at factory. Check Oakland-Pontiac delivered prices—they include lowest handling charges. General Motors Time Payment Plan available at minimum rate.

"Where a Dollar Buys \$1.50 to \$2.00 Value"  
**LITTLEFIELD, Cooper Building, TEXAS**

## WHY FARMERS SHOULD KEEP A BANK ACCOUNT

Farmers, as a rule, keep no book of accounts. Their bank deposit book affords them a complete record of their cash receipts, while the stubs of the check book are a perfect record of expenses and payments. Paying a laborer, a store account, or any other bill with a bank check is much safer than with money, because the person receiving the check must endorse it and the check being returned to the maker by the bank, can be preserved as a receipt. Money deposited in a bank is not so easily and so often "folded away" as when carried around in one's pocket. Farmers: make the experiment for one year of keeping a bank account and see if it does not pay you. A large number of the best farmers have accounts with us.

We are desirous of having more farmer's accounts, even though small, for in this locality, where mixed farming is preached and practiced, their accounts are sure to grow larger.

### SAVE AND HAVE!

We solicit your business, promising every accommodation consistent with prudent banking.

**CAWTHON & COX**  
 Plumbers for the People  
 LITTLEFIELD, TEXAS

October, A. D., 1928, by virtue of the  
 said judgment and the mandates  
 thereof, the Clerk of the District  
 Court of said county did cause to be  
 issued an Order of Sale, commanding  
 me as Sheriff of said County to seize,  
 levy upon and sell in the manner and  
 form as required by law the herein-  
 after described property as the prop-  
 erty of the above defendant, to sat-  
 isfy the said judgment.  
 Wherefore, by virtue of the said  
 Order of Sale and the mandate there-  
 of, I did on the 5th day of November,  
 A. D., 1928, seize and levy upon as  
 the property of the above defendant,  
 the following property, to-wit:

The south-east One-fourth (S. E.  
 1/4) of Labor No. Two (2), in  
 League No. Six Hundred Fifty-nine  
 (659), in Lamb County, Texas.  
 And I will on the first Tuesday in  
 the month of December, A. D., 1928,  
 the same being the 4th day of said  
 month, proceed to sell said property  
 at the Court House door of said county,  
 in the town of Olton, Texas, be-  
 tween the hours of 2 o'clock p. m.  
 and 4 o'clock p. m., to the highest  
 bidder for cash all the right, title and  
 interest of the above defendant, in  
 and to the above described property;  
 subject, however, to the rights of the  
 defendant, to redeem same in the time  
 and manner provided for by law, and  
 subject to the further rights of the  
 defendant to have said property di-  
 vided and sold in less divisions than  
 the whole. And in event there are no  
 bidders, said property will at said sale  
 be bid off to the State.  
**LEN IRVIN, Sheriff Lamb County,**  
 Texas. By Pearl Strawn, Deputy.  
 Olton, Texas, November 5th, A. D.,  
 1928.  
 November 8, 15, 22, 1928.

**SHERIFF'S SALE**  
 THE STATE OF TEXAS,  
 County of Lamb  
 Whereas, on the 3rd day of Dec-  
 ember, A. D., 1927, in a certain  
 cause, numbered 138 on the docket  
 of the District Court of said county,  
 wherein the Littlefield Independent  
 School District is plaintiff and W. J.  
 Jackson, E. A. Logan and Martha L.  
 Sandy are the Defendants, the said  
 plaintiff recovered judgment in the  
 amount of Ninety-nine & 84/100  
 (\$99.84) dollars for taxes, and legal  
 amount penalties, costs and interests  
 computed thereon, together with the  
 foreclosure of plaintiff's delinquent  
 tax liens upon the property hereinafter  
 described as the property of the de-  
 fendants, because of the non-pay-  
 ment of the taxes due thereon;  
 And whereas, on the 27th day of  
 October, A. D., 1928, by virtue of the  
 said judgment and the mandates  
 thereof, the Clerk of the District  
 Court of said county did cause to be

 isfy the said judgment.  
 Wherefore, by virtue of the said  
 Order of Sale and the mandate there-  
 of, I did on the 5th day of November,  
 A. D., 1928, seize and levy upon as  
 the property of the above defendants,  
 the following property, to-wit:

Labor No. Twenty-five (25), in  
 League No. Six Hundred Fifty-seven  
 (657), containing 192 acres of land  
 in Lamb County, Texas.  
 And I will on the first Tuesday in  
 the month of December, A. D., 1928,  
 the same being the 4th day of said  
 month, proceed to sell said property  
 at the Court House door of said county,  
 in the town of Olton, Texas, be-  
 tween the hours of 2 o'clock p. m.  
 and 4 o'clock p. m., to the highest  
 bidder for cash all the right, title and  
 interest of the above defendants, in  
 and to the above described property;  
 subject, however, to the rights of the  
 defendants to redeem same in the time  
 and manner provided for by law, and  
 subject to the further rights of the  
 defendants to have said property di-  
 vided and sold in less divisions than  
 the whole. And in event there are no  
 bidders, said property will at said sale  
 be bid off to the State.  
**LEN IRVIN, Sheriff Lamb County,**  
 Texas. By Pearl Strawn, Deputy.  
 Olton, Texas, November 5th, A. D.,

 tlefield. 31-1tc

**Pep Paragraphs**

Month was resumed Monday, after  
 a month's vacation for cotton picking.  
 Many children are absent, owing to  
 the fact that much of the cotton is  
 still ungathered.  
 Mrs. J. T. Gerik, who was ill several  
 days last week, was able to attend  
 the store again Monday.  
 Mrs. Gumpier has been quite ill  
 for a week or so. Dr. Harris, of Lit-  
 tlefield, was called to attend her Fri-  
 day.  
 R. H. Moss and Mr. Brown, of  
 Maysville, Okla., and W. C. Bell, of  
 Lindsay, Okla., visited the family of  
 L. O. Bray, near Pep.  
 J. F. Gerik made a business trip to  
 Lubbock, Monday.  
 Mrs. J. F. Henderson and son, Prof.  
 Jas. Vannerson, were overnight visit-  
 ors at the Lupton home, Friday. They  
 had been at Lovington, New Mexico  
 to visit Mr. Vannerson's daughter,  
 Mrs. W. T. Reed. Mr. Vannerson  
 had also visited Reserve, N. M., while  
 on the trip. He reports that Miss Mary  
 Lupton, who is teaching there has a  
 very successful school year, and that  
 the country around there is filled with  
 hunters awaiting the opening of the  
 game season.  
 George, little son of G. C. Hughes  
 is suffering much pain from a sore  
 foot, cut a few days ago, the wound  
 becoming infected.  
 Over 300 bales of cotton are re-  
 ported ginned to date at the Pep gin.  
 Prof. and Mrs. Murphy entertained  
 with their customary hospitality many  
 friends with radio parties recently.  
 Mr. and Mrs. W. P. Lupton and  
 family spent Sunday with Mrs. W. H.  
 Heinen in Littlefield.  
 Forty cotton pickers were at work  
 Monday in the 300 acre cotton field  
 of Keith & Fortney, near Pep.

**PERSONAL ITEMS**

Lynn Dobbis and Kenneth Houk  
 were in Amherst and Sudan on busi-  
 ness, Monday.  
 Mr. and Mrs. Herbert Teel attend-  
 ed a reunion of his family in Idalou  
 Sunday. A group of about 50 of the  
 family gathered for the service that  
 was preached by Mr. Teel's grand-  
 father, C. C. Collins, who is a retired  
 Baptist preacher, 84 years old.  
 Arthur Jones, accompanied by his  
 mother, Mrs. F. R. Jones, went to Lub-  
 bock Monday where she had an opera-  
 tion on her nose.  
 Mrs. W. T. Drake, six miles east of  
 town, is making considerable im-  
 provements on her place.  
 Jno. Popp is having a new house  
 and barn built on his farm seven  
 miles east of Littlefield.  
 The following were visitors in Lub-  
 bock Sunday: Mr. and Mrs. T. Wade  
 Potter, Mr. and Mrs. Van Clark, Carl  
 Ellis, Mr. and Mrs. Geo. Long and  
 Mr. and Mrs. Chas. Harless.  
 Clint Powers and Fred Hanna left  
 Monday for Amarillo, where they  
 will attend to business matters.  
 Kenneth Hemphill, who is teaching  
 in the Spur school, spent Sunday with  
 his parents, Mr. and Mrs. A. G.  
 Hemphill, of this city.  
 Mrs. W. M. Gore, of Lubbock, is  
 visiting her daughter, Mrs. Van Clark  
 and family, this week.  
 Miss Emma Ruth Jones accompan-  
 ied Armon Ritter, who has been visit-  
 ing at her home this week, back to  
 Austin, where he is attending the Tex-  
 as university. They will stay there  
 until after the A. & M. vs. State U.  
 football game.  
 Quinton Bellamony left Tuesday for  
 Amarillo, where he will be a few days  
 on business.  
 Rev. Roy A. Kemp, pastor of the  
 Baptist church, left Wednesday night  
 for Mineral Wells to attend the Baptist  
 state convention.  
 Mr. and Mrs. R. E. Smith and fam-  
 ily, of Florida are visiting here with  
 Roy Smith.  
 Miss Maurine Harvey, high school  
 at Littlefield college, is confined to  
 her room this week with the flu.

the month of December, A. D., 1928,  
 the same being the 4th day of said  
 month, proceed to sell said property  
 at the Court House door of said county,  
 in the town of Olton, Texas, be-  
 tween the hours of 2 o'clock p. m.  
 and 4 o'clock p. m., to the highest  
 bidder for cash all the right, title and  
 interest of the above defendants, in  
 and to the above described property;  
 subject, however, to the rights of the  
 defendants to redeem same in the time  
 and manner provided for by law, and  
 subject to the further rights of the  
 defendants to have said property di-  
 vided and sold in less divisions than  
 the whole. And in event there are no  
 bidders, said property will at said sale  
 be bid off to the State.  
**LEN IRVIN, Sheriff Lamb County,**  
 Texas. By Pearl Strawn, Deputy.  
 Olton, Texas, November 5th, A. D.,  
 1928.  
 November 8, 15, 22, 1928.

## RAINBOW GIRLS IN SNAPPY PROGRAM AT LOCAL THEATRE

The Littlefield Order of Rainbow for Girls presented a program Thursday night of last week at the Palace theatre. It was said to be one of the best vaudeville acts ever presented here, and was highly praised by every one who attended.

Mrs. Doc Miller, mother advisor of

the Rainbow girls, sponsored the act. The first number of the program was a male quartet made up of Arthur Muelor, Prior Hammons, Happy Jordan, and Rev. Fulton, entitled, "Swing Low, Sweet Chariot," and as an encore they sang, "It's Not My Brother or My Sister."

The next number was a piano solo, by Laura Virginia Bills. It was a beautiful piece, and showed the result of much study and talent on the part of the pianist.

Next came a reading, "Cosette," given by Miss Helen Rombach. The

scene for the number was described as in old Italy, and was the story of an Italian girl who fell in love with two young men at the same time. It was given in the English-Italian dialect, and the reader made it almost perfectly realistic.

The last number was the feature of the evening. Twelve of the Rainbow girls marched onto the stage to the tune of "That's My Weakness Now," played by Emil Timian. They were dressed as farmer boys, in short gingham overalls to represent work clothes, and very large straw hats. As soon as they were all assembled, they sang several verses of the same song. Although they were encored several times, they returned only to sing one more verse of the song.

Those taking part in this part of the program were: Misses Vesta Henson, Maurine Irvin, Josephine Glenn, Bernice Wales, Pauline Courtney, Fern Thornton, Doris Williams, Addie Mae Hemphill, Ruth Mitchell, Bonnie Barber, Ray Barber and Freddie Horn.

### GIRLS SLUMBER(?) PARTY

The Littlefield Order of Rainbow for girls was entertained with a slum-

### Adults Contract Children's Diseases

Adults can, and do, contract many children's diseases. And, usually, they suffer from them much more than children do. For instance, many adults contract worms, an ailment usually associated with children. Sometimes they suffer intensely and take expensive medical treatments, without realizing that worms are the cause of their troubles. Yet, the symptoms are the same as in children, loss of appetite and weight, grinding the teeth and restless sleep, itching of the nose and anus, and abdominal pain. And, the same medicine that surely and harmlessly expels round and pin worms from children will do the same for adults — White's Cream Vermifuge, which you can get at Stokes & Alexander Drug Company.

ber party my Mrs. Doc Miller, at the Masonic hall Saturday night. A midnight lunch was served, and several means of entertainment were furnished.

The girls retired at a late hour, and arose to find a delicious waffle breakfast prepared for them.

Those attending were: Misses Bernice Wales, Vesta Henson, Addie Mae Hemphill, Josephine Glenn, Maurine Irvin, Freddie Horn, Bonnie Barber, Pauline Courtney, Fern Thornton and Doris Williams.

## LFD. CATS WIN A HARD GAME FROM OLTON'S PLAYERS

Score: Littlefield, 20; Olton, 0.

Friday afternoon about five o'clock a game but conquered team of football players from Olton began the journey back across the sandhills to tell the home folks how they were taken into camp by the Littlefield High School Wild Cats.

The Wild Cats went into the game fighting hard and fought until the last whistle blew. It was a good, clean game and was enjoyed by all very good, clean fighting bunch of who attended. The Olton boys are a sports, and when the Wildcats play them again Thanksgiving they are going to have to play much better football than they ever have. The Littlefield squad redeemed themselves last Friday from the sorry game they played the Friday before with Level-

In the first quarter of the game with Olton, neither team could score. In the second quarter, Phipps lateral-passed to Fox and scored the first touchdown of the game. Phipps caught a short pass for the extra point, making score at end of first half, 7-0; the Wild Cats holding the larger end.

In the first half of the fourth quarter, Thornton, left-end, caught a long forward pass and run for a second touchdown and also caught a short pass for the extra point. Soon after this, White dropped-kicked for extra point but the wind changed the course of the ball it failed to go between the goal posts. Score at end of game was Littlefield 20, Olton 0.

The line-up for the Wildcats in the Olton game was as follows:

Line, le. Fly Thornton; lt. Charles Evans, lg. Sticks Gray; center, Harry Lucas; rg. Willie Rombach; rt. Donald Love; re. Curtis Heard. Backfield: lh. Harry White; fb. Ferrel Burford; rh. J. R. Eagan; qb. Doc Phipps. Summary: Substitutes, Fox for Eagan, Roberts for Gray, Allen for Phipps, Leo White for Rombach, Harold for Heard. Touchdowns, Fox Thornton, White. Extra points, Phipps and Thornton.

The return game with Olton, Thanksgiving will be a much better game and will need the support of the town to win it. The school appreciates the support shown last Friday but will need more than that to win the game Thanksgiving.

The Wild Cats play Lockney next Friday and would be glad to have as many as possible make the trip to Lockney and "root" for them.

The Littlefield High school pep squad was out to the game last Friday and did some very good yelling. The squad was led by Misses Polly Porter and Josephine Glenn. The pep squad is going to Lockney next Friday and help win the game for Littlefield.—Reporter.

### WOMEN'S STUDY CLUB

The Women's Study club met November seventh with Mrs. A. P. Duggan.

In the business meeting Mrs. W. G. Street's name was placed on the executive board to fill the place of Mrs. Art Chesher, who resigned in order to move to Lubbock to attend school.

Mrs. Duggan was elected as delegate, and Mrs. F. G. Sadler as alternate, to the 31st annual conference of women's clubs, to be held at Denton, November 12th, to the 16th.

Mrs. J. T. Gardner gave an interesting lesson study on "Women Social Workers Association," assisted by Mrs. J. C. Hilburn, Mrs. C. O. Stone, and Mrs. Harry Wiseman.

The club then adjourned until the next meeting to be held with Mrs. B. L. Cogdill.

### ENTERTAIN O. G. S. CLUB

Misses Vesta Henson and Josephine Glenn entertained the O. G. S. club with a luncheon Wednesday of last week.

A delightful four course meal was served. The favors were little doll Puritan maidens, and the entire color scheme was symbolic of Thanksgiving.

The following were present: Misses Maurine Irvin, Kathryn Dunnagin, Mattie Middleton, Bernice Wales, Pauline Courtney, Fern Thornton, an dthe hostesses, Miss Vesta Henson, and Miss Josephine Glenn.

Arthur P. Duggan, who has been spending a few days at home convalescing from an attack of typhoid fever, returned Monday to Roswell, New Mexico, where he is attending the New Mexico Military academy.

Dr. Anderson is ill this week with the "flu." It is not a serious case, is of such nature as to prevent leaving the house.

Help keep Littlefield clean

### CHIROPRACTIC

Man accomplishes most when his health is best. But too often by some ailment he's distressed. So for pleasure as well as to gain wealth It stands him in hand to look after his health. And he'd be well off in more than one way If he'd see a Chiropractor some day.

DOCTOR  
FRANK  
CRANE  
SAYS

**THE PIANO**

you must have a sense of harmony, if you are going to be an orator, a painter or a sculptor.

The piano is the best door to the knowledge of music. Almost everybody enters into the field of music by that door.

The piano is the heart of the home. About it naturally groups all the family. A silent house is essentially a desolate one.

The piano is the life of every social gathering.

If anyone can play the piano, even manage so-so with accompaniments, a group gathers around him and the house is enlivened by the voices of the young, or partners are chosen for dancing.

Almost every child can learn music if he is taught young enough. Modern methods of instruction are so simple that even the dullest can understand. It is a deprivation for any child not to know the piano.

It is the best form of self-expression. As Thomas Moore's Anacreontic runs:

"Music! Oh how faint, how weak,

Language fades before the spell! Oh, why should passion ever speak. When thou canst breathe her soul so well?"

Our moments of greatest delight, perhaps, are our moments of self-expression. Nothing is better suited to fully set forth our phases of emotion than the piano.

No substitute will do. It is not enough to play the harp or the violin without a basic acquaintance with the piano.

Of course there is pleasure in attending concerts, or listening to hand music, or singing, but no pleasure is so full and so profitable, withal, as music. Again I say that if you are the joy we get in making our own to buy you one piece of furniture for your home, let it be a piano.

**AGGIE INSPECTOR HERE**

J. B. Rutland, assistant supervisor of agricultural education, visited Littlefield High school a week or more ago.

He made a favorable report of the

work done in the agricultural department of our school. Mr. Helweg, the teacher, is a graduate of A. & M. college, and is well prepared for teaching the work.

**MRS. FOSTER HONORED**

Mrs. Maude Foster was the recipient of a party given by the several wives of ex-service men, at the home of Mr. and Mrs. T. S. Sales, last Friday night.

The house was beautifully decorated with flags and festoons of the national colors, and miniature flags were used as favors on the refreshment plates. Several games were played, and at a late hour the refreshments consisting of pineapple sherbet topped with whipped cream, were served to 20 guests.

**PERSONAL ITEMS**

Henry Clark, of Coreyll county, who recently purchased the J. J. Barns farm, six miles southwest of Littlefield, was here last week looking after business interests. Before returning home he dropped into the

Lader for a year's subscription to this paper.

C. G. Koontz, of Vernon, is here this week looking after business interests. He has a good farm about four miles southwest of Littlefield that is being cared for this year by J. S. Bedford, and reports excellent crops being harvested.

C. W. Byers, contractor of Tampa, Florida, is here this week in the interest of building developments. He will be remembered by some of the older citizens as having married Miss Vera Skeen, of Littlefield, who has

one of the local school teachers at that time.

Miss Nellie Duggar, formerly a teacher in the Littlefield school, but who was selected to teach in the Superior, Ariz., school has been very ill with typhoid fever for several weeks. She was unable to take up her work there, and is still in a critical condition.

Mrs. Farrell Burleson was in Lubbock shopping, Monday.

Mr. and Mrs. Pat Boone and Mrs. Sidney Hopping spent Sunday in Lubbock with friends and relatives.

**THE DEMAND OF  
This Modern  
Age!**

Things which were considered luxuries just a few years ago, have been into necessities by those who live in this modern age.

One of the most important of these commodities is electricity, both for home and industrial use. Neither can do without it today, because modern manufacturing machinery and labor-saving devices used in the home are electrically driven.

Economical and clean, and its greatest factor is that due to ample facilities for production, it is placed within the reach of all.

As many South Plains communities as we do, our facilities must be adapted to the demand of this fast growing territory—and will be at all

## SAWDUST AND SPLINTER

Vol. 1

November 15, 1928

Published in the interests of the People of LAMB COUNTY by  
**CICERO SMITH LUMBER CO.**  
L. K. WHITAKER,  
Manager

### EDITORIAL.

A Denver paper speaks with praise of a "joint showing of women's styles." Not knowing exactly what is meant we cannot refrain from doing a little quiet giggling.

### COLLAPSIBLE

They are now building apartment hotels with rooms so small that they fold into the walls when not in use.

We will cheerfully concede that some days must be dark and very dreary, but that ought to be enough.

You can estimate the size of a town. The smaller the population, the bigger the municipal s l o r a n sounds.

It will never be any cheaper nor any better. We handle the famous Colorado "ger Head" Coal, a strictly high grade good as the best and better than the We also have cheaper grades.

It does not pay to do without fire wint'ry days. A doctor bill will loon to more than the cost of a ton of co sides the suffering one undergoes in a from doing without. Better phone u for a load to be delivered promptly.

### MYSETERY

Another thing father can't understand is how son manages to save just enough gasoline to get the car in to the garage.

It is reported that a scientific Senator is preparing a bill to prohibit the use of poison in cosmetics. We need better tasting lip-sticks too.

In modern business

## FIRE ACCIDENT THEFT

"It is better to be always prepared than to suffer once."—Latin  
**CAUTION IS THE PARENT OF SAFETY!**  
Think of the tremendous odds against you, if you do not protect yourself with insurance.

Insurance is your safest protection against all hazards. The cost of Fire, Theft, Accidents and all kinds of Insurance is mighty small, compared to the benefit derived and the feeling of safety and protection it provides.

Phone 142 for full information  
Your business will be appreciated!

## AN OPPORTUNITY ...FOR STOCKMEN...

WHY NOT OWN A RANCH WHERE YOU CAN FINISH MARKETS AND ADD TO YOUR PROFITS EACH YEAR?

Several real buys in small ranches out of the famous Yellow House Ranch on the South Plains of Texas, in Lamb and Hock Counties, as listed below. All these tracts are located convenient to railroad, splendid schools, good towns, and surrounded by greatest agricultural development in Texas where feed is plentiful.

This section is destined to be one of the best finished grounds in the South, and the small rancher here will have an advantage worth-while.

**14,000 acres**, including Yellow House Ranch headquarters improvements. No better cattle or sheep range, with plenty of good agricultural land that will increase in value. Fenced and cross-fenced. It will pay you to investigate this promptly.

Price \$15.00 per acre. Liberal terms, 6% interest on deferred payments.

**2500 acres**. One of the best little combination propositions in this section, splendid location.

Price \$15.00 per acre. Reasonable cash payment, liberal terms on balance, 6% interest.

**4500 acres**. Two miles from \$30,000.00 brick school building and gin. Fine location and splendid little ranch, plenty of good agricultural land.

Price \$16.00 per acre. Liberal terms, 6% interest.

**3500 acres**. Mostly enclosed with sheep proof fence. Splendid location and includes some good agricultural land.

Price \$16.50 per acre. Liberal terms, 6% interest.

**3000 acres**. A splendid little ranch and all the good farming land needed.

Price \$16.00 per acre. Liberal terms, 6% interest.

Also, smaller combination farm and ranch tracts, if desired, at attractive prices.

In addition to these combination tracts, we have some 10,000 acres of 100% agricultural land surrounded by development in tracts of 177.1 acres each at \$30.00 and \$35.00 per acre. One-fifth cash, balance liberal terms, 6% interest.

It will pay you to investigate these propositions at your earliest convenience, as these lands are selling and the country is developing rapidly.

Now Is The Time to Buy!
