OF LITTLEFIELD

**HOLIDAY FOODS** -- Mrs. Herbert Longtime, Littlefield resident, busy homemaker and active church worker, is sharing her favorite recipes for the holiday season with the week's readers -- Candy Orange Slice Cake. She is pictured above in her dining room as she prepares to cut a slice from the cake.

**BAKE A CAKE**

**Dolle Family Enjoys Candy Orange Slice Cake**

Baking is on Mrs. Dolle's mind just now as she shares her favorite recipe for the Candy Orange Slice Cake, which she has had many requests for. Edna Dolle enjoys cooking just about anything and right now is baking and freezing them so she will be prepared for holiday guests.

Mr. and Mrs. Dolle lived southeast of Littlefield on a farm for many years before building a new home at 503 East 12th and moving to town a little more than a year ago.

Her husband farms around 900 acres, some irrigated and some dry land. Most of it is southeast of Littlefield and one farm is north of town. Farming this much land does not leave much time for hobbies, but he does enjoy fishing when he finds the time. He also enjoys welding. He serves as a committeeman for the ASCS, is a director of the Lamb County Co-op Gin, and an active member of the Catholic Men's Club.

Edna is very active in church work at the Sacred Heart Catholic Church. She has held various offices in the Altar Society and is now on the benevolence committee. She also teaches a catechism class. She enjoys sewing for her daughters and granddaughters. She does quite a lot of freezing and canning in the summer time. She is currently making Christmas ornaments from felt in the shape of animals, gingerbread men, angels, etc.

With all this to keep her busy, Mrs. Dolle still makes time for her favorite pastime, keeping her grandchildren. She would keep them every day if she had her way.

Two of the Dolle's sons, Don and Bill are married. Don and his wife Susie and their daughter Julie live at Route 1, on the Dolle home place, but plan to move to New Mexico soon. Bill, his wife Darlene, and their two daughters, Belinda and Darla, farm near Three-Way.

The Dolle's other children are

**Senior Girls To Compete In Homemaker Contest**

Extensive knowledge and examination which deals with today's society offered senior girls in school here Tuesday.

Prizes will be among more than 15,000 of the national, private and parochial schools who have entered the 1966 Betty Crocker for the American Homemaker of Tomorrow, sponsored by General Mills.

Local school winners also will have their examination papers entered in state competition. The highest ranking state Homemakers of Tomorrow will then receive \$1,500 scholarships. Their schools will be presented sets of Encyclopedia Britannica by Encyclopedia Britannica, Inc. State runners-up will receive \$500 scholarships.

Next spring, State Betty Crocker Homemakers of Tomorrow, each accompanied by her school advisor, will be guests on an expense-paid educational tour to historical centers in the East. The trip will culminate with the naming of the 1966 Betty Crocker All-American Homemaker of Tomorrow, whose scholarship will be raised to \$5,000. National runners-up will receive \$4,000, \$3,000 and \$2,000, scholarships, respectively.

Judging for national honors is on the basis of original test scores plus personal observation and interviews during the tour. The program is the only national scholarship competition exclusively for high school senior girls.

General Mills, Inc., launched the program, which is on the approved list of national contests and activities of the National Association of Secondary-School Principals, to emphasize the importance of homemaking as a career. The examination is prepared by Science Research Associates, Chicago, which also has charge of scoring papers and judging.

## GA's Work On Mission And Stewardship Projects

The Intermediate GA's of the First Baptist Church met at the home of their counselor, Mrs. Aaron Williams, November 24 for a Thanksgiving meeting.

Miss Diane Kesey, program chairman, was in charge of the mission program on Indonesia. Under the direction of Miss Nancy Hall, community missions chairman, the girls brought fall cotton material and sewing notions to be given away as a community missions project. Around an interest center of fruit-filled cornucopia and gold candles, each girl selected a fall

leaf bearing her name and attached to a sewing notion which Miss Hall collected in small gold baskets.

Miss Jane Nowlin, stewardship chairman and Pam Ward, member of the committee presented each girl a decorated container for saving their Lottie Moon foreign mission offering. These containers were decorated at a special meeting of the stewardship committee held in Jane Nowlin's home, by Miss

Nowlin, Miss Sherry Cook and Miss Pam Ward.

Each girl was urged to meet

her own individual goal set by them at a recent meeting.

Miss Jane Hyatt, co-chairman of the stewardship committee, called attention to the many things provided by the Lottie Moon Foreign Mission offerings and showed a poster depicting them.

Miss Linda Williams, assistant counselor, took the members of the community missions committee shopping for a gift for Mrs. Robert Longshore, wife of the pastor, who is recuperating from recent surgery. On their return, Miss Hall presented the gift to Miss Catherine Longshore to deliver to her mother.

Attending were Misses Nancy Hall, Jane Hyatt, Koleta Giles, Diane Kesey, Nancy Henson, Ruan Reast, Dianne Maner, Catherine Longshore, George Ann DeBusk, Pam Ward, Roseanne Funk, Jane Nowlin and Linda Williams, assistant counselor, and Mrs. Williams, counselor.
