

America.... You've Got To Get Tougher!

ICA—Let's be frank
at it... so far, many
back home have
this war from an
Many of us have

tough with our-
war is a hard, down-
war. And many of
are dying in it.
Got To Buy More
our government asks
Buy Bonds and more

Bonds—to get really tough with
yourself. You're being asked to
give up the frills and "extras."
We know how human it is
not to make sacrifices until the
crisis drives us to it. In Eng-
land they felt the same way
until the bombs started falling.
Bombs are such persuasive
things. But just as persuasive
ought to be the spirit of our
brothers, sons, husbands.
If You Could See
Look at it this way—suppose
you had a magic carpet that
could take you to Africa and

New Guinea. Suppose you could
hear the groan of American
boys wounded, and American
boys dying. . . . Say now, how
many Bonds would you buy?
That Kind of War
THEY . . . are dying. And
they will keep on dying until
we drown the enemy in an
overwhelming torrent of bombs,
buffets, guns, tanks, planes,
ships, and shells.
That's why your government
is asking you, in this one month
of April alone, to lend Uncle
Sam 13 billions of dollars—by

buying War Bonds. 13 billions
of extra dollars—over and above
any buying that you'd be doing
anyway!
A Lot of Money
Of course, 13-billion dollars
is a lot of money. It'll take
sweat and tears to raise it. It'll
mean going without now. But
also—it will mean savings now
—to buy later. It'll mean giv-
ing up everything you can't
square with your conscience,
so that we, us, our children,
can have a better, more decent

place to live in when this war
is won.
Lamb County's April quota
is \$428,000.
The Drive Is On
So during this month of
April, if someone calls on you
to ask you to buy War Bonds
in this 2nd War Loan Drive,
will you buy to the limit—and
then buy more?
Better yet, will you go to
your bank, postoffice, or wher-
ever you're used to buying
your Bonds—and buy NOW?
Will you lend extra money this

month? Money that can hasten
the day of Victory? Money that
can help to save American lives.
Money Buys Money
Remember, what you're real-
ly buying with your money is
still more money. For after all,
these Bonds are money! Money
plus! Every dollar you put into
War Bonds will bring you a
dollar plus interest.
So the more Bonds you buy
the better for you. Americans
—Get Tough—with yourselves
—For your country.

THEY GIVE THEIR LIVES... YOU LEND YOUR MONEY —Increase Your Purchases Of War Bonds This Month—

Registered Gilt To Be Awarded Outstanding Boy

Discuss Skating Party, Mother's Day Program At Mon. Night Meeting

The regular monthly meeting of the Littlefield F.F.A. Chapter was called to order at 8:30 p. m. Monday night, April 12, in the Vocational Agriculture Department of the Littlefield High School, with Norbin Taylor, Chapter President, presiding. Thirty-one members attended the April meeting.

Business included the following: The Chapter voted to have a skating party April 27 for the F.F.A. boys and Home-Making girls. A discussion regarding the Mother's Day Program for May 11 took place. Dal Brandon was selected to make the welcome address, and his mother, Mrs. L. M. Brandon, was chosen to give the response.

Committees appointed for this program were: Program, Kenneth Bales, Oscar Arend and Dal Brandon; Refreshment, Junior Tisdale, Mark Strother, Billy Ross and D. H. Brewster.

A committee consisting of John Willingham, Billy Ross and Rueben Sullivan were appointed to select the outstanding Vocational Agricultural Class 1 and Vocational Agricultural Class 2 boy for the year to receive a registered gilt to be given at the end of the year.

A committee composed of Levi-Coble, Hubert Gohlke and Robert Kloiber were appointed to visit the Lone Star Farmer applicants, and check (Continued on Back Page)

Baptist Revival Opening Sunday

The First Baptist Church, Littlefield, will go into a Revival meeting Sunday, April 18, under the leadership of the pastor, Rev. Lee Hemphill, and Ira C. Prosser of Shreveport, La. The Revival will be for one week closing with Easter Sunday, April 25.

Ira C. Prosser is an Evangelistic singer well-known throughout the South. Before entering Evangelistic work, he was an instructor in Music

IRA C. PROSSER

at Southwestern Baptist Theological Seminary at Fort Worth. For the past eight years, he has been with many of our largest churches in their revivals. Mr. Prosser will have charge of the music and promotional work during the revival.

The public is cordially invited to attend each and every service of the revival. The morning services will be held at 10:30 o'clock each morning. The evening services will begin promptly at 8:45 o'clock.

Tuesday night will be Brotherhood Night. We are asking our men to sponsor the attendance and special recognition will be given them in the service. The W.M.U. is to sponsor the attendance for Thursday night when special recognition will be given them.

Car Tags in Value Of \$48,273.87 Sold

As announced by Frank Cummings, Assessor-Collector of Lamb County, there have been car tags in the value of \$48,273.87 sold in this county for 1943 up to April 1.

Car tags in the amount of \$48,068.84 were sold in 1942, making an increase of \$215.53 paid for car tags for 1943 as against 1942.

Patriotic Service At Fieldton Church To Honor Service Men

A Patriotic service, honoring the boys serving in the Armed Forces from the Fieldton Community, will be staged at the First Baptist Church at Fieldton Sunday morning at the 11 o'clock hour, according to an announcement this week.

Rev. Wayne Perry, pastor, will be in charge of the service, and all parents and relatives of the boys will be special guests. O. L. Sullivan will be in charge of the song service.

Thirty-three boys are now in the Armed Forces from Fieldton. They are: Johnnie Muller, Dave Montgomery (reported missing in action), Raymond Reed, Johnnie Jordan, Charlie Tomlinson, Leon Cowan, R. W. Stubblefield, Jr., Kendal Cowen, Norman Pittillo, Dalton Blevins, Bill Willis, Frank Greep, J. E. Perry, Jr., Jake Armstrong, T. W. Chapman, Harman Roper, Barty Johnson, Jack Downs, Bruce Gipson, Royce Goynes, Fred Muller, Nolan Hukill, Jackson Franks, Carl Cowan, Earl Scott, W. E. Downs, Mutt Elliott, Fred Owens, Alton Owens, Tink Chaney, Herbert Cowan, Bobby Armstrong, and Erceel McCain.

A revival meeting will begin at the Fieldton Church Sunday morning, and continue through all next week, Rev. Perry reported.

Farm Recruits Finish Training

G. H. Houston, Rural Rehabilitation Supervisor, Farm Security Administration, announced Tuesday that the nine farm recruits arriving here recently completed their training last week; and that one had been placed at Muleshoe and two here. He also stated that two additional recruits had arrived here.

Mr. Houston said that he had received six or seven applications for workers but that the farmers wanted families without children, and that he was being obliged to send the larger families to Dawson and Lubbock Counties.

In this connection, Mr. Houston said: "It is our opinion that the farmers here are not in as bad need for farm labor at this time as some people believe. I have gone all over the County, and only received 12 or 14 applications in all for labor. We have had 11 recruits sent here."

OFFICE HOURS SET BY DISTRICT OPA

Is Graduated As 2nd Lieutenant In Marines

PERRY HALL ROWE

Perry Hall Rowe, 23, son of Mr. and Mrs. E. S. Rowe of Littlefield, was graduated and commissioned a second lieutenant in the U. S. Marine Corps, at Quantico, Va., March 24.

Lieut. Rowe enlisted in the Marine Reserves in September, 1942, and was called for active training in December. He was sent to Paris Island, So. Car., where he spent eight weeks, following which he was transferred to Quantico, Va. He is now taking advanced training in chemical warfare, undergoing the final phases of the rugged officers training course before taking to the field to lead Leathernecks in battle.

Lieut. Rowe was graduated from the Littlefield High School with the 1934 class; and majoring in chemistry was graduated from St. Mary's University, San Antonio, in 1942. Mrs. Rowe is making her home at Quantico to be with her husband.

Mrs. V. S. Cassel spent from Saturday until Wednesday with her sister and brother-in-law, Mr. and Mrs. Hunter Lanier, at Crowell, Texas.

Loan drive in Littlefield.

Committees in charge of the drive were appointed as follows:

Non-resident committee, Clyde Hilbun, chairman, and A. R. Hendricks, H. C. Pumphrey and C. O. Stone;
Rural Committee—L. C. Hewitt, Chairman, to be assisted by Floyd Coffman, J. T. Elms and Lowell Short;
City Committee—W. J. Chesher, Chairman, and L. B. Stone, Homer Hall, Lester Walters, Joe H. Wells and J. O. Garlington;
Publicity Committee—Morley B. Drake and Pat Boone; and
Speaker Committee—Pat Boone and E. A. Bills.

Pat Boone, Chairman of both the Lamb County War Bond Committee, and the War Finance Committee, announced Tuesday that \$27,000 in bonds had been sold Monday.

Mr. Boone met with Sudan War Finance Committee Monday, and assisted them in getting their bond drive outlined. C. W. Warren is Chairman of Victory War Finance Committee in that city, with John Dean, Chairman of War Bond Committee.

Mr. Boone said he would visit other cities and communities in the county this week end, and assist in any way he could in getting the program underway.

The drive is expected to get in full swing here today (Thursday).

District Rotary Meeting April 25-26

The Littlefield Rotary Club is expected to be represented at the annual conference of the 41st District, Rotary International, in Abilene Sunday and Monday, April 25 and 26, when an attendance of more than 700 members is indicated by advance reservations.

Preparations for the conference by the Abilene host club went into the all-out phase this week following a Monday night conference of committee chairmen and vice-chairmen with Ed S. Stewart, conference chairman, Charles E. Paxton of Sweetwater is district governor.

Four Generations Of Miller Family In Reunion

On the arrival of their son, Pvt. Paul Everett Miller, here recently on leave from Camp Beale, Calif., at the home of his parents, Mr. and Mrs. C. E. Miller of Bula, four generations by the name of Miller were present as follows: G. P. Miller, father of C. E. Miller, and grandfather of Pvt. Miller, who makes his home with his son; C. E. Miller; Pvt. Paul Everett Miller, who has been in the Service since January 15, connected with Ordnance Company, Heavy Maintenance; and his son, Jackie Paul Miller, 3 months old. Mr. Miller, Sr., though he will be 81 years old, is hale and hearty; his son, C. E., is a young man at 41, though he has a son, Pvt. Miller, 21, in the service of his country.

Jackie Paul has been very ill with an ear ailment, and Pvt. Miller was called home on account of his son's sickness. However, he is much im-

proved and his father will leave today to return to training at Camp Beale. Mrs. Miller is the former Miss Mary Jo Nelms, niece of Drs. Hazel and J. E. Nelms formerly of this city. She and her young son make their home in Lubbock in the absence of Pvt. Miller.

Besides C. E. Miller, G. P. Miller has another son, Clyde E. Miller of (Continued on Back Page)

Meat Rationing

Rather stringent rationing of meat and fats is enforcing a radical revision of family diet and calls for a more intensified household management than may have been required in the past. The old custom of spreading the Sunday joint fowl over several days, culminating a hash or stew, likely will be revived extensively. Kitchen waste must be eliminated entirely.

Rationing of meat and canned foods is less severe here than in other countries at war, where the civilian population is healthy and well-nourished. The anticipation of deprivation is always much more serious than the actuality, as proved in sugar, coffee and gasoline rationing.

Adjustment to food rationing will be easiest for the person who realizes that self-denial is necessary to the winning of the war. It is imperative that our armed forces and our allies have food. If the requirements of those who are making a far greater sacrifice in war than civilian consumers are taken into consideration, self-pity and indulgence in worry will be diminished.

On the other hand, if a person takes the position that rationing will be unbearable, he or she will be poorly prepared to undergo the ordeal of a long war. The delusion that war can be made "painless" to civilians while young Americans are dying on the battle fronts must be abandoned. Self-preservation is never attained through self-indulgence, and that fact must be accepted at the outset of the rationing

My Son Has Gone Away

By C. B. Hamlet

I watched him grow, this son of mine,
From baby boy to man,

His milk-white skin burn raw and red,
Then turn to deep, dark tan.

I taught him how to play, to work,
To make of life a game.

We were so happy, he and I,
Until the great war came.

The call to arms was clear and loud;
He did not hesitate.

His simple words ring in my ears,
"I'll fight for home and State."

And I am left alone, but proud;
My son has gone away,

And he, dear God, is in Your care,—
Please bring him back some day.

With South Plains Men In The Service

J. H. Yeager, Jr., son of Mr. and Mrs. J. H. Yeager of Littlefield, Radio man, 3rd Class, U. S. Navy, enlisted June 4, 1942, and has been in foreign service since November last.

He was graduated from the Littlefield High School with the 1940 class, and he and Mrs. Yeager made their home here until he enlisted in the Navy.

The following is a portion of a recent letter received by Mrs. Yeager from her husband:

"Four of your letters came today and another one yesterday. They were dated from the 5th of Feb. to the 20th of Feb. I wish they would

come one at a time instead of a sack full at a time. I should fuss though. If I didn't get any then I would have room to fuss.

"You know at times I think of the past and of what fun we had together. Of the places we went and the things we saw, but in a place like this a fellow can't afford to think of the past too much. It makes him feel pretty blue so he does a certain amount of thinking of the future and what it holds for him and his family.

"So Billy Yohner is going to make a Lieutenant is he? Good for him. I would like to see him when he does make it. He should make it if anyone can. He has plenty of what it takes. You know he has made it pretty fast to have started from the bottom.

"Oh, yes, about me having a girl

in every port, as a sailor is supposed to have. Well, I'm afraid that all isn't true because us boys that are stationed in one place don't have a chance. Well, all I can say is don't believe it because we all think of the ones we left at home. That's why we are here and many other places. Believe me we want to get it over with so we can get home to those we care for.

"I bet you wouldn't know me with this mustache and I'm really dark. I'm almost as dark as the natives here and are they dark."

Pvt. Vernon Overstreet, stationed at Camp Beauregard, La., is at Anton visiting his parents, Mr. and Mrs. J. W. Overstreet, and other relatives.

The Daily "7" Food Rules For Good Nutrition

HERE ARE THE REASONS WHY YOU SHOULD EAT THESE FOODS EVERY DAY!

The Group . . . Because They Give . . .

1. MILK AND MILK PRODUCTS

Calcium for bones and teeth. Protein for growth, muscle and repair of the body. Sugar for energy to work and play. Vitamins for health and vigor.

2. ORANGES, TOMATOES, GRAPEFRUIT

Calcium for bones and teeth. Iron for healthy blood. Other necessary minerals. Sugar and starch for energy to work and play. Vitamins for health and vigor.

3. GREEN OR YELLOW VEGETABLES

4. OTHER VEGETABLES, FRUITS

Iron for healthy blood. Starch for energy to work and play. Protein for growth, muscle and repair of the body. Vitamins for health and vigor.

5. BREAD AND CEREAL

6. MEAT, POULTRY FISH OR EGGS

Protein for growth, muscle and repair of the body. Iron for healthy blood. Vitamins for health and vigor.

7. BUTTER AND OTHER SPREADS

Fat for energy to work and play. Vitamins for health and vigor.

The Government Food Rules do not say that these are the only foods you should eat. It means that you should have at least these foods every day. In other words, FIRST, EAT THESE FOODS—THEN, EAT ANY OTHER FOODS YOU WANT.

needs thorough scrubbing. They may require overnight soaking in water to remove some salt. 4. COOK ACCORDING TO CUT AND FATNESS. Roast or broil a tender, well-fatted cut in an uncovered pan. Add no water. Water in a covered pan makes steam which forces out juice and causes the meat to lose flavor and weight.

5. VARY THE SEASONING. Try new flavors in meat dishes. Many a homely dish has been given added zest at little cost by garden herbs and other seasonings. The following are particularly good with meat: onions, tomatoes, sage, thyme, sweet marjoram, basil, leaf savory, bay leaf, mint leaves, parsley (fresh or dried), celery tops (fresh or dried), celery seed, caraway seed, cloves, pepper, paprika, green peppers, curry, grated horseradish, garlic, and

many others. If you can't find all these spices and seasonings at your grocer's, you may grow some of them in your own garden or window box. 6. COOKING YOUR MEAT. Moderate heat cooks meat evenly and makes it tender. Moderate heat also keeps losses through cooking low, so there is more meat left to serve for each pound purchased. 7. BE THRIFTY WITH LEFT-OVERS. Save all left-over meat, gravy, or drippings. Make broth of the bones. Keep left-over cooked meat cold, and serve as sliced meat or in salad. Or use left-over meat with other foods in appetizing hot dishes such as stuffed peppers, chop

suey, curry, browned hash, croquettes. The goal of the Second War Loan drive is 13 billion dollars. That is just about one fifth of the estimated increase of the Public Debt for the fiscal year of 1943. AT FIRST SIGN OF A COLD USE 666 666 TABLETS. SALVE. NOSE DROPS

Amherst Raises \$16,000 In First 3 Days Of Bond Drive

Members of the War Bond Committee met Wednesday afternoon at the First National Bank, and elected Rogers Willett chairman for the Second War Loan Drive, that is now underway in the nation. Approximately \$16,000 had been subscribed to the Second War Loan the first three days of the drive. Committeemen urge that citizens go to the bank or the post office to make their contributions, and not wait to be solicited for funds to help finance the war. Members of the committee include Mr. Willett, C. A. Duffy, T. I. Batson, Allen White, C. V. Harmon and Matt Nix.

Last Rites Held For J. T. Harris

Funeral services were conducted Saturday afternoon, April 3, for

John Thomas Fisher Harris, 71, retired farmer of Amherst, who passed away at the Amherst Hospital at 7:45 a. m. Friday, April 2, after several weeks of failing health, caused from a heart ailment.

Services were held at 10:15 o'clock Saturday morning at the Payne Funeral Home, Amherst, with Rev. R. H. Campbell, Methodist Pastor of that city, officiating, following which the remains were taken to Snyder, Texas, where services were again held at the grave with Rev. L. A. Smith officiating, and interment took place at 3 o'clock that afternoon.

Mr. Harris, son of Rev. and Mrs. W. L. Harris, was born July 12, 1871, in Bosque County, Texas. He spent his childhood and early manhood in the parsonage home there and on the Panhandle Plains. He was married to Miss Alice Ketter on September 24, 1890, at Mineral Wells, Texas.

He had been a resident of Am-

herst since 1929, with the exception of about two years. Previous to moving to Amherst he had lived in Snyder for 12 years.

He was converted in early manhood and became a member of the Methodist Church. His father had helped in organizing the old Northwest Texas Conference in its beginning, and Mr. Harris has spent most of his life within its boundaries.

Deceased was a 33rd degree Mason, and did much for the Order in his younger years.

The home was blessed with five children, three daughters and two sons, one of whom, a daughter, Eula, passed away in childhood.

Mr. Harris is survived by his wife and two sons and two daughters. The daughters are: Miss Chloe Harris of Amherst, and Mrs. Nona Harper of Inglewood, Calif. The sons are: E. F. Harris of Bellflower, California, and C. B. Harris of Alpine, Texas.

He is also survived by two brothers and three sisters. The brothers are: J. M. Harris of Corpus Christi, and George F. Harris of San Antonio. The sisters are: Mrs. C. D. Martin of San Francisco, Calif.; Mrs. B. S. Brown of Temple, Texas; and Mrs. W. J. Palmer of Corpus Christi, Texas.

CHURCH OF CHRIST Amherst, Texas

The revival now in progress is moving along nicely with Bro. J. A. Bristow doing the preaching. Good crowds each evening, and splendid interest is being shown.

Questions are being asked and answered. If you have a desire for plain, simple gospel preaching, then attend this revival. Services each evening at 8:45.

Services Sunday morning begin at 10:30 o'clock.

The sermon at 11:30 o'clock, the subject at this hour, "Sacred Dues." Communion service at 12:15.

Young people's class assemblies at 8 p. m.

Preaching at 8:45 p. m., subject, "Why we do not use instruments of music in worship."

The public is invited to attend all services.

Mr. and Mrs. C. E. Bilderback are visiting in San Antonio and Gatesville this week.

With Amherst Men In the Armed Forces

Amherst boys who left Tuesday for Fort Sill, Okla., were O. D. Keplinger, Bert Watson, M. C. Rice and Junior Hilton.

Louis Fleming, 18, son of Mr. and Mrs. L. E. Fleming of 5 miles east of Amherst, connected with the Tank Division, has been assigned to the Medical Corps at Fort Knox, Ky., and likes his work fine.

Pvt. Fleming, recently while training, fell and fractured two ribs, and has been in the camp hospital a week, but has now recovered.

He and Kenneth Manuel volunteered February 28, and both were sent to Fort Knox. He was carrying on farming operations with his father when he enlisted. His work now is said to consist of driving tanks, motorcycles, jeeps, etc. A recent letter reports that it is raining every day at Camp Knox.

When Pvt. Fleming left for service his mother wrote the following verse:

"A MOTHER'S LAMENT"

My baby went away—He left me yesterday.
Today he belongs to Uncle Sam.
I am so sad, and blue—I don't know what to do.
Nobody knows how lonesome I am.
In Nineteen-thirty-three, He was a baby on my knee,
A tiny little boy with cheeks so red.

But today he is a man—in a distant far off land.
And his mother isn't there to make his bed.

He writes me he's okay—and I'm glad it is that way,
But to have him gone almost breaks my heart.

Each night I kneel and pray—that he'll be home some day,
And never once again we'll have to part.

Dear Lord, I love him so—By now You surely know
How much he really means to me.
God, keep him by Your side—and be his daily guide,
And shield him till we win a VICTORY.

Mrs. Coulson, mother of Charles Coulson, "Coxswain," who is somewhere in Alaska, received a letter Tuesday and photo. He was well

and was growing a beard.

Mrs. Abbott and Dorothy received a letter from Earl, 1-C Seaman, Tuesday. He is somewhere in the Pacific, and writes he hopes to get a leave soon.

Mrs. Erwin Parks received a letter from Jack, 2-C Aviation M. M. He wasn't well, having had an attack of influenza.

Mr. and Mrs. G. H. Hilton now have four sons in the Service. Sgt. Phariel is stationed at Fort Sill,

Okla. Sgt. Hall is stationed at Fort Sill, Texas. G. H., Jr., left for Fort Sill, just now being inducted, and Leonard leaves Tuesday for Fort Sill, Texas. Mr. and Mrs. also have two son-in-laws.

Mrs. Hollis Pryor left for Florida where she will be with her husband, who is the Army.

Cpl. James Pace is stationed at Fort Warden, Wash. He is with his parents here, Mr. and Mrs. Pace, that he is well.

THEY GIVE THEIR LIVES

Let's Raise The SECOND WAR LOAN

Lamb County's Quota Is \$428,000

Sure we're all buying War Bonds now. But we've help pay for our increased fighting and building. . . We're to match, as best we can, the sacrifice of those Americans are toiling and sweating on a dozen battlefronts—with the best yet to come. The blunt fact is this: to keep our war going, we've got to dig up 13 billion extra dollars this year, 13 billion dollars over and above our regular War Bond budget.

In the next week or two you may be visited by one of thousands of volunteers who are contributing their time and effort to this Drive. But don't wait for him. Make up your mind now that before this drive is over, you're going to march down to your nearest bank, Post Office, or place where sell War Bonds, and do your duty. And don't ever forget in doing your duty, you're doing yourself one of the best favors of your life!

Miss Erma Bennett And S-Sgt. Wilson A. Clayton Wed At Clovis

The quiet wedding of Miss Erma Bennett and Staff Sergeant Wilson A. Clayton took place at Clovis, N. M., Wednesday evening, April 7, at 9:30 o'clock at the Church of Christ, with the minister officiating.

The couple were accompanied to Clovis by the groom's brother and sister, Mr. and Mrs. John M. Clayton of Littlefield, and Walter Rex Clayton of Amherst.

The bride was lovely in a suit of aqua crepe, with black accessories. For "something old" she wore her mother's bracelet.

Mrs. Clayton is the daughter of Mrs. Maud Bennett. She has been employed as manager of the Telephone Exchange at Tahoka, but expects to join her husband soon at Paris, Texas.

The groom is the son of Mr. and Mrs. J. M. Clayton of Amherst, and has been in the Armed Forces for the past two and a half years.

CARD OF THANKS

We wish to express our deep appreciation and thanks to our friends and neighbors for their many acts of kindness, expressions of sympathy and courtesies extended us during the illness, and at the death of our beloved husband and father, John T. F. Harris.

We also, especially, wish to thank those who contributed to the beautiful floral offering.

May God bless each and every one of you.

- Mrs. J. T. F. Harris
- E. F. Harris
- C. B. Harris
- Chloe Harris
- Mrs. Homer Harper.

Gunman G. J. (Guy) Stubblefield of the U. S. Navy arrived at the home of his parents, Mr. and Mrs. W. R. Stubblefield, Friday, where he is on a 12 day leave.

There were several boys left here for service Tuesday. They are: Bert Watson, O. D. Keplinger, M. C. (Red) Rice, Gene Davis, Pete Rowls, all going to Fort Sill, Okla.

Mr. and Mrs. J. M. Clayton received a cheerful letter from their son, Jack Neely, who is a Seabee somewhere in the South Pacific, Tuesday.

Ethel Logan of Alexander, La., formerly of Amherst, left Monday for Ruston, La., where she is joining the WAACS. She will be remembered by her many friends here as Ethel Pace.

Paul D. Bennett and Mrs. Bennett visited his parents, Mr. and Mrs. W. E. Bennett, and also in the Reynolds Payne home Sunday. Paul D. is stationed at Del Rio, Texas.

Staff Sgt. Wilson A. Clayton returned to Camp Maxey, Paris, Tex., Saturday after spending 10 days with his parents, Mr. and Mrs. J. M. Clayton, and other relatives.

Sgt. Delbert L. Ross is stationed at Camp York, Penn. Delbert is an M. P., and his parents hear regularly from him.

Lieut. Leo Stephens has recently been transferred from Tuscon, Ariz., to Pocatello, Idaho, he stated in a letter to his parents, Mr. and Mrs. J. F. Stephens, that it was quite cold there, as the mountains were covered with snow. He also said he was losing his co-pilot and would have to train another.

Spanish Club Meets Friday

The Vokueros met April 9. There were many absent, but we had an interesting meeting.

Our president, Miss Mary E. Duffy, was absent and so was our Vice-President. Miss Ruby Faye Shaffin called the meeting to order, and read the minutes of our last meeting.

The meeting was then turned over

to our program committee. Miss Mary Lenore LaGrange made a report on "How Spaniards Dressed." Miss Dorris Vaughn told us of the "Bull Fights" in Mexico. Miss Ruby Faye Shaffin read a poem in Spanish and translated. All of the talks were interesting.

Games were then enjoyed. The Club plans to meet again April 23.

Miss Ader Lina Bench And Cpl. Stiver Married

On Saturday, April 3, Miss Ader Lina Bench was wedded to Cpl. William A. Stiver at Tarrant Field, Fort Worth, where he was stationed, with the Post Chaplain officiating.

The bride was formerly of Amherst, having attended the Amherst schools from which she was graduated with honors as Valedictorian in 1942. She then attended Draughan's Business College at Lubbock, taking general secretary course, and has for the past two months been employed as typist at Montgomery Ward & Co., at Fort Worth.

Mrs. Stiver is the daughter of Mr. and Mrs. Neil Bench of Amherst.

Cpl. Stiver has been transferred to Salt Lake City, Utah, recently, and Mrs. Stiver will leave Monday for that city, where she will join her husband.

Her many friends wish for her and Cpl. Stiver many happy years of married life.

Junior Play Is Great Success

The Junior Play given at the Amherst High School Auditorium last Friday night was pronounced a success. A large crowd attended. The nice sum of \$114 was realized from same.

SEED FOR PLANTING NEW VARIETY OF SUDAN TO BE AVAILABLE TO FARMERS IN GENERAL IN SPRING OF 1945

Seed for planting Sweet Sudan grass, a new variety of sudan, will be available to farmers in general in the spring of 1945, according to an article prepared by J. R. Quinby and R. E. Karper, and released by Texas Agricultural Experiment Station, A. and M. College. This article is published in part by the Leader, believing that the information furnished will be valuable and interesting to farmers and stockmen—Editor.

Sudan grass is one of the common crops of the Southwest and is used extensively as a pasture and to a lesser extent as a hay crop. In addition, Sudan grass seed is an important cash crop on thousands of acres in the Plains region of Texas and

New Mexico where 40 to 50 million pounds of seed are produced each year.

Sudan grass which was a plant immigrant to this country less than 35 years ago, found its important place in the agriculture of the Nation because it proved to be such a widely adapted summer growing annual grass. It is not without its shortcomings even in Texas, however, and its use is restricted along the Gulf Coast because of susceptibility to foliage diseases and because its seed bears such a striking resemblance to the seed of Johnson grass that mixture with Johnson grass is difficult to detect. For this reason farmers who do not already have Johnson grass on their lands hesitate to make use of Sudan grass even though they need it. Furthermore Sudan grass as it was introduced was neither sweet nor juicy.

Sudan grass is a member of the sorghum family, with other members of which it crosses readily, and it has therefore been possible to correct the shortcomings of Sudan grass by incorporating into it desirable characters from Leoti, a sweet sorghum variety. The plant breeding problem was to compound a new synthetic variety by transferring the characters of sweet and juicy stem, non-shattering seed, disease resistance, and the distinctive sienna glume color from the Leoti sweet sorghum while retaining the grassy characteristics of sudan grass. This has been accomplished through crossing, backcrossing and selection in the greenhouse aid in the field over a period of several years by the Texas Agricultural Experiment Station in cooperation with the Bureau of Plant Industry, U. S. Department of Agriculture.

Sweet Sudan Grass

Sweet Sudan grass is both sweet and juicy, has a distinctive glume (seed) color that is readily distinguishable from Johnson grass or the common Sudan grass, is quite resistant to several of the foliage diseases commonly encountered where the crop is now grown, and has seed that shatter from the head less than that of the common Sudan grass. In growth habit and production the old and new strains are strikingly similar.

Sweetness and juiciness are common characteristics of sweet sorghums and their incorporation into Sudan grass has made it more palatable to cattle as shown by planting the old and new strains on adjoining areas and allowing cattle to graze them at will. As the breeding work progressed selection was made in rows well grazed by the cattle. During the years, there were several good demonstrations of the preference that cattle had for the new sweet and juicy strain which was grazed literally into the ground while the common Sudan grass was grazed down only to the height of about one foot.

Leoti, the sweet sorghum parent, is resistant to several foliage diseases common to the area where Sudan grass is now grown. Most of this resistance has been transmitted to the new variety but Sweet Sudan is still somewhat deficient with respect to foliage diseases that infect sorghums in certain areas of greater rainfall and where few of the sorghums can be used at present on this account. Work is continuing to correct this deficiency but as it will involve work in several areas and during several years it was not deemed advisable to delay the distribution of the present Sweet Sudan.

Seed Shatters Less

The growing of 40 to 50 million pounds of Sudan grass is an industry of considerable size in the area where it is concentrated. A single adverse climatic condition such as an untimely frost or cool fall harvesting period with high winds frequently results in the loss of literally millions of pounds of seed that break or shatter from the seed heads. The new variety, Sweet Sudan, is somewhat more resistant to seed shattering than the common sudan and such losses will be reduced to some extent when the new variety comes into general use.

When Sweet Sudan grass comes into use, anyone will be able to detect the presence of Johnson grass in a sample because Sweet Sudan grass seed has a glume or hull that is sienna or reddish brown in color. Johnson grass seed has glumes that are black, brownish black or blackish straw in color and such seeds are easily discernible among sienna colored seeds. Contaminated lots of

seed can therefore be rejected when offered for sale at the point of origin or at any time late and no farmer will hesitate to plant Sweet Sudan grass when he knows that it is not contaminated with Johnson grass. The sienna glume color has another advantage since it will distinguish the sweet and juicy strain from the ordinary Sudan grass.

The supply of foundation seed grown in 1942 by the Texas Agricultural Experiment Station was relatively small but was sufficient to insure a large supply of commercial seed in 1945. Relatively small amounts of seed in the hands of a number of seed growers in 1943 will allow large acreages to be planted for seed in 1944. Seed from the relatively large prospective 1944 acreage will be available to farmers in general in the spring of 1945. The distribution of foundation seed in 1943 has of necessity been limited to experienced Sudan grass seed growers, therefore no more seed, at this time, is available. Additional distributions of foundation seed will be made each year until

the new variety becomes established. Sudan grass, therefore, which arrived in the New World to find a much more glorious place than it ever had achieved in its native land, has now an offspring that is even better than itself and is expected to achieve even greater things.

BUFFALO LAKE OPENS SATURDAY, MAY 1

Buffalo Lake, "Playground of the Southwest," will officially open May 1, Mrs. Jim Golding, concessionaire, has announced.

The early opening this year is to conform with Texas laws governing fishing as the Government project, for the first time, will be under state regulations regarding fishing dates and limits of catch.

In addition to the many free attractions being offered to the public on the 1943 War-time menu program and of military nature, Mrs. Golding has said prizes would be awarded the Waltonians catching the largest bass, perch, crappie and

catfish on opening day. There will also be a gala dance in the Recreational building the night of May 1 to climax the opening program. Floor show acts have been booked for the evening, the concessionaire said.

LITTLEFIELD FUNDAMENTAL MISSIONARY BAPTIST CHURCH

Sunday was another great day for our Church; the Sunday school attendance was still up and good words for the preaching services. We are expecting to have to enlarge the auditorium before the summer comes, as we are having a full house most every service. We are hoping to have 200 in Sunday School by our second anniversary August 3. You be one of that number.

In the absence of the pastor, the associate Rev. J. D. Evins will be speaking at both hours Sunday. Be sure and hear him as he always brings great messages, and they are helpful to all who are Christians as well as to being directed to the unconverted.

Sunday:
 10 a. m., Church school. Classes for all ages.
 11 a. m., morning worship.
 5 p. m., Junior Society, Miss Lula Hubbard, sponsor.
 6 p. m., Vespers.
 Monday: 3:30 p. m., the Woman's Auxiliary will have their monthly business meeting at the church, with Mrs. G. M. Shaw presiding. Following the business, Mrs. Neal Douglass will have charge of the program, presenting the play, "A Blessing Center."

Pre-Easter services will be held at 8:30 p. m. on Wednesday, Thursday and Friday. Holy Communion will be observed on Thursday evening.

Choir rehearsal will be held on Wednesday evening following the service.

EMMANUEL LUTHERAN CHURCH
 E. H. Riess, Pastor

Sunday School and Bible classes next Sunday at 10:15 a. m.; divine worship at 11 a. m. and at 8:30 p. m. Topic of sermon at the morning service: "The Repentant Malefactor Finds Peace in the Suffering Savior."

Members and friends of our congregation should note the change in the time of the Sunday School and services next Sunday.

The Walther League will meet next Sunday at 2:30.

On Friday, April 23, we shall have a Good Friday service at 11 a. m. with Holy Communion.

FOURSQUARE CHURCH

A new feature at the Littlefield Foursquare Church is an Adults' Bible Class which will begin Sunday morning at 10 o'clock. Several have expressed interest in such a class and Rev. Joseph Hall, pastor of the church, will be conducting the class. Everyone is invited to attend.

Mrs. King is taking over the Young People's Sunday School Class and we are making plans to enlarge the Sunday School rooms for this class.

Plans are also being made to build a parsonage next to the church.

Plan now to attend our Easter Service on Easter Sunday morning. Morning services are conducted at 11 o'clock Sunday mornings.

Other services are:
 Evangelistic services Sunday night at 8:30 o'clock and Friday night at 8:30 o'clock.
 Prayer service Wednesday night at 8:30 o'clock.
 Crusader service for the young people is held on Sunday evening at 7 o'clock.
 Also a jail service is conducted at the jail every Sunday afternoon at 5 o'clock.

Jones Hardware To Move To Former Hall Building; Will Open Tractor Repair Shop

Jones Hardware have leased the building, formerly occupied by the Hall Motor Company, from P. W. Walker, and will move their stock of hardware, chinaware, implements, etc., to the new location, sometime this month.

Work is underway in the redecorating of the interior of the building. Lee Chandler is in charge of this work. Considerable new shelving will be installed, as well as a number of new display tables made. Ed. Drager will be in charge of these improvements.

In the new location the Jones Hardware, who have been Allis Chalmers dealers for a number of years, will add to their present business a general car and tractor repairing department, where they will carry a full line of Allis Chalmers parts.

In an interview with Otto Jones, owner, Tuesday, he said that they would move as soon as the improvements were completed, ready for occupancy, adding:

"New machinery is not easily available, and we feel it is our patriotic duty to assist the Allis Chalmers farm machinery users in keeping their tractors in repair, and to maintain a better service department, so the farmers are able to keep their farm machinery in good shape until the war is over and they can once again buy new tractors. Our mechanics will be well-trained under supervision of trained factory men."

Each boy takes his turn in attending to the chicks, thereby getting first hand information in broiler production. This is one of the class projects carried on by the boys during the year.

First Baptist Stage War Bond Campaign

The membership of the First Baptist Church voted to launch a campaign to get every member who will to buy a bond for the Church during the present \$13,000,000,000 Bond Drive. First of all, we feel that we owe it to all concerned to support our boys with bonds and do all within our power to hasten the end of this terrible war. Second, we know that it would be a great help to the church after the war to have this reserve.

The First Baptist Church has set for its goal \$2,200. Of this amount over half has already been raised, and it is expected that the total amount will be subscribed by Sunday. The treasurer, Pryor Hammons, or the pastor, Rev. Lee Hemphill, will be glad to give full details about the church bond drive.

Board Explains Which Rationing Stamps To Be Used

Due to the fact that many people are confused over the correct stamps to be used in the rationing of foods, the local Rationing Board asked the Leader Tuesday to explain the following for the information of local citizens:

Red stamps required for the purchase of foods subject to the meat program are used by customers only during six periods, which will be announced from time to time.

During first week in April—A Stamps only;
 Second week—B Stamps and any unused A Stamps;
 Third week—C Stamps and any

**Fredrick W. Franke
Coordinator Of Salvage**

Lieut. Col. Frederick W. Franke, quartermaster officer at South Plains Army Flying School, has been named coordinator of salvage for a 15-county West Texas area, it was announced this week.

Tentative plans will include a mobile unit of several trucks and accompanying personnel to make a complete coverage of the area, gathering all metal which can be donated. The trucks will canvass the area thoroughly with each farm and home being visited, Lieut. Col. Franke said.

The counties included in the area are Bailey, Lamb, Hale, Floyd, Motley, Cochran, Hockley, Lubbock, Crosby, Dickens, Yoakum, Terry, Lynn, Garza and Kent.

After the scrap is collected it will be shipped to central points from the nearest railroad station, according to present plans.

To Hasten Victory

No American wants this war to go one minute beyond the time we can bring it to a victorious end. To hasten that victory—to save possibly the lives of millions of our boys on our far flung fronts—it is imperative that every American do his part in the Second War Loan.

**Open Letter From
Surgical Dressing
Room Chairman**

The workers at the Red Cross room fell off a little this week, probably because of running out of material last week. We finished the 2700 4x4 sponges for Lubbock and sent the rest back to begin work on our own quota.

Please remember the work is just as important as ever even though we did run out of material. It was not because they were not needed but due to slow transportation.

Mr. Hemphill said he gets a news letter often and they were needing these bandages very badly. They must be using millions of them in North Africa. There isn't any of us that wouldn't give all that we possess to be able to administer to our boys wounded on the battlefield. This is one way we can.

A colored man and his wife living near Spade, Mr. and Mrs. L. V. Pearson, have been sending us one dollar a week. We have been using it to buy supplies for the Surgical Dressing Room. We are grateful to these nice colored people, that is the real American spirit.

Mrs. McFall, workroom chairman for Amherst, was over Monday for material and praised her ladies very highly for the splendid work they were doing. Mrs. McFall is a very competent chairman.

We had a very nice group from Spade Monday and three ladies from Bainer. Tuesday is Rocky Ford day. There was a nice group of them also.

Again I want to urge you to come and work as often as possible. Don't leave your part of the responsibility for some other person to do.

PERSONALS

J. B. Wren of eight miles south of Littlefield underwent an operation for appendicitis at the Littlefield Hospital Sunday, and is reported to be getting along nicely.

Mrs. Ben Porcher and Mrs. Robert Bigham were in Lubbock on business Monday. They were accompanied by Mrs. S. G. Underwood who visited Mrs. Lillian Underwood and children.

Mrs. Robert Bigham has been employed as bookkeeper at the Porcher Produce, taking over her new duties this week.

Mrs. Kate Gimmell and daughter, Miss Laverne Hayhurst, and son, James Gimmell, moved Wednesday into their newly acquired home on West Third Street, which originally was the Williams home and recently occupied by the F. O. Boles family.

Mr. and Mrs. A. L. Wright and son, Yantis, spent the week end with Mrs. Vernie Wright, and her house guest, Mrs. Tilden Wright. Sunday the group spent the day in Clovis.

A daughter, "Lou Ernestine," was born to Mr. and Mrs. Wm. R. Wil-

son of Littlefield Sunday, April 11, at the Littlefield Hospital.

Chester Harrison, who volunteered in the U. S. Navy sometime ago, left Tuesday for training center.

Mrs. H. A. Gilliam of Houston has moved to the Greener Apartments on West 5th Street.

Mr. and Mrs. J. E. Brannen and Mr. and Mrs. O. N. Robison attended the singing at Spade Sunday afternoon. They report a large crowd and good singing.

Lowell Short, Sam Lambert and Bill Taylor returned Wednesday night of last week from a three-day fishing trip to Alamogorda Lake, New Mexico.

Mrs. G. H. Ligan of Yellow House Community, spent Sunday with her parents, Mr. and Mrs. M. C. Street, at Enochs. She was accompanied to Littlefield by Mrs. Street, who spent Monday night in the Ligan home.

Mrs. S. M. Hunt of Burlingame, Kans., arrived Saturday for a week's visit in the home of Mr. and Mrs. W. W. Brown. Mrs. Hunt is a friend of Mr. and Mrs. Brown of long standing.

A son, who has been named "Roy Duke," was born to Mr. and Mrs. George Myatt of near Whitharral at the Littlefield Hospital Sunday, April 11.

Mr. and Mrs. Joe Salem of Sudan spent Sunday with Mrs. Salem's parents, Mr. and Mrs. Newt Harkey.

Mac Magrane left Thursday for Santa Monica, Calif., after spending ten days with his mother, Mrs. W. W. Brown.

Mr. and Mrs. N. H. Humphries returned Saturday night to Las Cruces, N. M., after spending a week here on business. They were accompanied to Las Cruces by their daughter and son-in-law, Mr. and Mrs. Jimmie Melton, and baby, who plan to live in Las Cruces. Mrs. Melton is employed in the telephone office there, and Mr. Melton starting work Monday in a service station.

A daughter was born to Mr. and Mrs. Max Houk at the Littlefield Hospital Monday, April 12. Both mother and daughter are doing nicely. The young lady has been named "Judith Ann."

Mrs. Allan Crosby of Olton is seriously ill, and her son, Sgt. James Crosby, stationed at Fort Bliss, was called home Saturday due to her condition.

**FARMERS URGED TO
GATHER UP SCRAP**

Residents of the South Plains area were again urged this week to save and collect scrap iron and metals that can be used in war production. Farmers living near South Plains Army Flying School can have the

metal picked up by calling at the field and telling officials where the collection will be.

RATIONING AT A GLANCE

Ration Books

War Ration Book No. 1.—Used for sugar, coffee, and shoes.
War Ration Book No. 2.—Blue stamps used for rationed processed foods. Red stamps used for meats, edible fats and oils, cheese, and canned fish.
Mileage ration books—Books A, B and C used for passenger car gasoline; E and R books for non-highway uses; D for motorcycles; T for trucks and commercial vehicles.

Rationed Commodities

Sugar—Stamp No. 12 in Book No. 1 good for five pounds from March 16 until midnight May 31, 1943.
Coffee—Stamp No. 26 in Book No. 1 (for those 14 or older on the date the book was issued) good for one pound until midnight, April 25.
Shoes—Stamp No. 17 in Book No. 1 good for one pair of shoes through June 15.

Meat, Edible Fats and Oils, (including butter), Cheeses, Canned Fish—Red stamps in War Ration Book 2 used. Each holder of Book 2 allowed 16 points per week in first month. Red stamps will become valid and will expire as follows: Week beginning March 29, A stamps (worth 16 points) expire April 30; week beginning April 4, B stamp (16 points) expires April 30; week beginning April 11, C stamp (16 points) expires April 30; week beginning April 18, D stamp (16 points) expires April 30; and week beginning April 25, E stamp (16 points) expires at date not yet announced.

Processed Foods—Blue D, E and F stamps (48 points) in War Ration Book Two good for purchase of rationed processed foods until midnight, April 30.

Mileage Rationing

Gasoline—Value of each coupon in A, B and C books is 4 gallons. Third 8 coupons in A book good to midnight May 21, 1943. Those who think they are eligible for supplemental rations should also see their local ration boards.

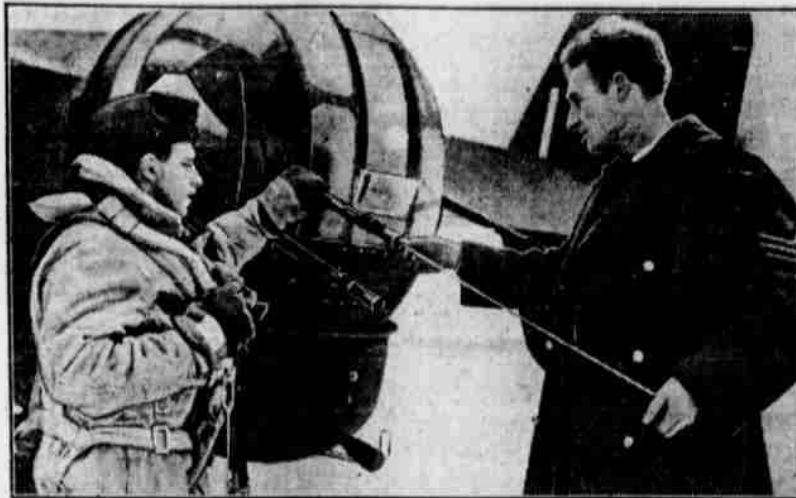

Tire Inspection—All "A" book holders must have second official tire inspections by Sept. 30, 1943. Subsequent inspections for A book holders will be once every six months. "B" book holders must have second official tire inspection by June 30, 1943. "C" book holders must have second official tire inspection May 31, 1943. Second official tire inspection for "T" book holders must be made 60 days from Feb. 28, 1943, or every 5,000 miles, whichever comes first.

Tires—If official tire inspector recommends a tire replacement, apply to local ration board for the tire ration certificate. Tires will be rationed to all on the basis of tire inspections and county quotas available with most essential mileage to come first. Recaps can now be secured without rationing certificates.

Other Rationing

Eligible purchasers needing new automobiles, bicycles, typewriters, rubber footwear and other commodities on which sales might be restricted should see their local ration board.

Royal Canadian Air Force Hail Hitler—With Bombs

Guns must be right when Canadian bombers raid Germany. Sgt. Les Horn, of Virden, Man., a rear gunner with an RCAF Halifax squadron in Britain watches Sgt. A. T. Techanter, of Washington, D. C., a U. S. member of the RCAF, clean them.

IN passive pamphlet missions over Germany and in crushing four-ton "block buster" raids Canadians have winged their way to the most remote targets of Axis Europe.

In the vanguard of the men who carry war to the Axis deep into Europe were the men who went from Canada direct to Britain to enlist in the Royal Air Force.

Following them closely were airmen of the Royal Canadian Air Force, who, gradually after the start of the war began to augment the growing might of the R.A.F.

By June, 1940, the flow of airmen going overseas was increased to substantial proportions and the R. C. A. F. set up its first bomber squadron. This single squadron two and a half years later became the first Canadian bomber group. For, on the first minute after midnight of January 1, 1943, the first Bomber Group in R. C. A. F. history was created. Bomber stations, which had been operating previously under Royal Air Force Command, were instructed that henceforth they would come under the com-

mand of the new Group Headquarters.

Consolidating Experience

There was more to placing the group in operation than the issuing of an order and the consolidating of R. C. A. F. bomber squadrons operating in Britain. For two months prior to January 1 the groundwork was being laid. Senior R. C. A. F. officers were being trained to assume their new duties and the administrative network of a highly intricate organization was being erected.

Airmen of the group will now operate giant four-motored and twin-motored bombers as a completely integrated unit, subject to the strategic direction of the Royal Air Force Bomber Command.

In the new Bomber Group, under Air Vice Marshal G. E. Brookes, Air Officer Commanding, are R. C. A. F. officers and men of wide experience in aerial warfare. Five members of the first Canadian bomber squadron are members of headquarters staff. Many of the senior officers of the Group have long hours of operation flying to their credit.

Canning Sugar To Be Available

The Office of Price Administration have decided to make sugar available to home canners again this year without ration coupon penalties after arranging for an extra 200,000 tons of sugar to be imported from Cuba.

The sugar deal involving extra shipments was concluded Thursday morning of last week, and a few

hours later top OPA officials held a special conference and authorized the home canning sugar.

Previously OPA had considered requiring persons who asked for extra canning sugar to surrender eight to twelve points of their rationed goods stamps for every extra pound of sugar.

Because of the canning and other needs, however, there was no indication the extra Cuban sugar would affect the ordinary consumer's sugar rations, which is at the rate of

APPROXIMATELY 250 CLUB WOMEN ATTEND MEETING HERE SATURDAY

"Women Working For Victory" was the theme for the program at the district two convention of the Texas Home Demonstration Association, which was staged at the First

Methodist Church here Saturday. Approximately 250 club women from 22 counties in this area attended the all-day meeting.

Mrs. O. R. Copeland of Lubbock, vice-president of the association, presided, and an interesting program was presented during the morning session. Mrs. W. B. Kennedy, state president, who formerly lived at Muleshoe, and now resides at Hamlin, was not expected to attend; however, she arrived to discuss "Women at the Peace Table" on the program.

Representatives from clubs in the counties told of the work in the Victory Program and Food For Freedom.

During the noon hour, a musical program was rendered, under the direction of Mrs. M. J. Wilson. Mayor Homer Hall welcomed the visitors to Littlefield.

Highlights of the afternoon session was the naming of two vice-presidents, Mrs. A. D. Parker of Tullia and Mrs. C. W. Shafer of Lamesa. One candidate will be named to succeed Mrs. Copeland at the state convention in the near future.

Three representatives of the Extension Service at College Station, and 17 county home demonstration agents were guests for the day.

With South Plains Men In The Service

Joe Douglass of the Air Corps, who has been stationed at Sheppard Field, was transferred this past week end to Oklahoma City, where he is in school at the Oklahoma University taking technical work. The course is expected to last four months.

Mr. and Mrs. Pryor Hammons received a letter Monday from Pryor, Jr., dated March 17, and postmarked March 22, from somewhere in the South Pacific, stating that he was fine and feeling good. This was the first time his parents have heard from him since he left for foreign service.

Robert (Babe) Hammons of the Marines completed his basic training Wednesday of last week, and is temporarily at Kearney Mesa Base, San Diego, Calif. He was given his choice of work, and selected radio in aviation, and expects to be sent to a radio school. "Babe" was happy at being given the kind of work he selected.

J. G. West, who was first sent to Sheppard Field, Wichita Falls, is now stationed at Cedar Falls, Iowa. He is in the Air Corps and is taking instruction at the State Teachers College in that city.

Mrs. Bob Smith received a letter from her son, Granville, of the U. S. Navy, last Thursday, which was dated March 24, in which he reported having seen and visited with Cpl. Burl Cary, son of Mr. and Mrs. John Cary of this city. Cpl. Cary's parents had not heard from him since March 16, so they were pleased to receive this information and the news that Burl was well and looking good. Granville has been in the Service for over a year. Cpl. Cary is believed in New Guinea.

Lieut. Crawford Bates, who is reported "somewhere down under," and who has been ill with a tropical fever, is better.

Mrs. Bob Smith was much pleased Wednesday to receive a beautiful rug made by the natives of Trinidad Island, from her son, Sgt. Ray Smith, who is stationed on that island. The rug is hope spun and

Littlefield Saturday were: Mrs. A. C. Barton, Mrs. Bill Clayton, Mrs. R. L. Drake and Mrs. George Wallace from the Spring Lake Club.

Misses Carroll and Norma Cleavinger, students at Tech, spent the week end with their parents, Mr. and Mrs. N. F. Cleavinger, at Spring Lake.

Mr. and Mrs. M. T. Howard of Earth left Monday to go to Brownwood to visit their son, Billie, who is in training there.

Mr. and Mrs. Harry Axtell of Kress, Texas, visited in the home of Mr. Axtell's parents, Mr. and Mrs. O. C. Axtell at Spring Lake Sunday.

Mr. and Mrs. R. L. Drake visited Mr. and Mrs. W. H. Drake at Tullia Sunday.

Mr. and Mrs. Harry Albin of Spring Lake moved Saturday to their farm at Spring Lake and bought a place west of Muleshoe.

Mrs. A. C. Barton, Mrs. R. L. Drake and Mrs. C. D. Rogers of Spring Lake worked at the Surgical Dressing Room Tuesday.

Mrs. D. Cranfill and grand-daughter, Patsy, visited relatives in Clovis, N. M., over the week end.

Junior Alair, 15, son of Mr. and Mrs. T. S. Alair, who underwent an appendicitis operation at the Amherst Hospital about two weeks ago, was released from the hospital Tuesday and taken home.

Mr. and Mrs. Yohner Entertain In Honor Of Lieut. Collins

Mr. and Mrs. F. E. Yohner entertained at a luncheon at their home Tuesday, honoring Lieutenant L. L. Collins, who was in Littlefield on a four-day leave. Others participating in the pleasant affair were Mr. and Mrs. John R. Mayo.

Lieutenant Collins and Mr. Mayo are partners in the Littlefield Truck & Tractor Co., and Mr. Yohner is connected with the organization.

Mr. Collins, accompanied by Mrs. Collins, left Wednesday morning for Jersey City, New Jersey, where the Littlefield resident has been assigned to duty. He was formerly stationed at Fort Francis E. Warren, Cheyenne, Wyoming. Mr. and Mrs. Collins will visit Mrs. Collins' mother at Jackson, Tennessee, enroute to New Jersey.

Think What Power Hath Done

Only one thing keeps this scene from being a picture of your wife, your mother, your daughter. It is not a matter of time, for women still are working like this where the original photograph was taken. It is not a difference in land, for this European field is level, with soil much like that in many sections of this country.

The difference between this farm and yours is POWER. Where earth is turned by human muscle, much or most of the muscle is woman's. Where clumsy one-piece wooden plows prevail, travelers tell of the wife teamed with the ox to pull the plow. Wherever work is done the hard way, women and children have to help with it.

Every form of Power has brought its phase of freedom to the farm family. Waterwheels set woman free from grinding flour with mortar and pestle. Tread and sweep powers enabled animals to drive threshers, freed whole families from the flail. Steam power made possible the self-feeder and wind-stacker, did away with dirty drudgery in threshing. Finally came the tractor to lighten labor in field, at farmstead, and even on highway.

In the time it took to grow and harvest an acre of corn 25 years ago, a man now takes care of two acres. While he produced an acre of soybeans then, he produces over three acres now, with wheat nearly four acres, according to University of Illinois farm management records. The difference is that 25 years ago these farms had no tractors; now they have tractors, tractor planters and cultivators, combines and corn pickers.

All the glorious advance of American agriculture by the application of Power is fruit of the freedoms which are the American way... freedom of thought, of education, of employment, of enterprise. And because the American way gave them Power and machines, one family on the farm now feeds three other families and creates a huge surplus for export.

In time of peace those other people are free to provide plumbing and pianos, education and all the material blessings in our way of life. In time of war, farm machinery frees men to make weapons and to wield them in defense of all the freedoms of all the people.

Four Times Faster

Riding his Case "SC" tractor, the farmer turns as many acres as four men with one-plow tractors, or six to eight men with walking plows and two-horse teams. He fits the land to grow crops for making four times as many loaves of bread and quarts of milk to feed several times as many soldiers and civilians. If you have a Case tractor, use your Case dealer's service to keep it at the peak of performance.

Sudan Senior Class Play Friday, April 23

The Sudan Senior class is preparing to stage the annual class play and tentative plans have set the date for Friday evening, April 23. This year's play is a riotous farce of three acts entitled "Aunt Tillie Goes to Town," and Aunt Tillie really goes to town.

Feature an old-maid aunt who hates the sight of men. Imagine the consequences when her peaceful home is invaded by four men. Think how a Chinese idol can shed mystery and mix-up on a timid man in olive. What happens when a girl suddenly makes her appearance and says she has come all the way from China to see a certain young man and makes the astonishing statement in the presence of the young man's fiancée. These are just a few of the highlights of this year's annual senior play.

The cast for the play includes: Bernice Nix, La Fern West, Mildred Lynch, Bonnie Jo Qualls, Wrenva Thomas, Paulette Hay, Mary Jo Dryden, Joe Shuttlesworth, Grady

Gorden, Ralph Brantner, and Jack Addudell.

Plan to be there Friday night, April 23. Save that evening to attend the annual senior play. See "Aunt Tillie Goes to Town."

Thirteen billion dollars—the sum the Treasury must raise in the Second War Loan drive, is only one sixth of the estimated cost of the war for the fiscal year of 1943.

PACKAGES FOR OVERSEAS MEN

Packages for soldiers serving overseas, whose address includes the letters "APO," weighing not more than 8 ounces, can now be sent to them at first class postage rates, without their request, or the okay of Commanding Officers, it has been announced. The order on newspapers was not changed and is still in effect.

Mrs. Wm. L. Houston Honored At Bridal Shower Thursday Last

The home of Mr. and Mrs. E. C. Hardman, in the Spade Community, was the scene of a lovely party and bridal shower Thursday afternoon, April 8, when Mrs. Hardman assisted by Mesdames O. D. Brown, M. D. Hall, and Ray McQuatters entertained honoring Mrs. William Lynnville Houston, Jr., the former Miss Martha Nell Bentley.

Mrs. Houston, being a war bride, was not present and the guests were asked to register and list their gifts in a beautiful white satin bridal book, which will be sent to her.

Mrs. Houston is the daughter of Mr. and Mrs. W. E. Bentley, and was reared in the Spade Community. She is one of Spade's most talented and popular young ladies. She graduated from Spade High School in 1937, and graduated from Texas Tech last June and has been employed as a secretary at Phillips since that time. It was there that she met Mr. Houston who was also working for the Phillips Oil Co. as a chemist. Mr. Houston was reared at Houston, Texas, and is a graduate in chemical engineering from Rice Institute. He was employed in essential war work but chose to join the Armed Forces.

The couple were married March 7 at New London. After a brief honeymoon in New York they went to Boston where Mr. Houston received his commission. He is in the Coast Guard and is second in command on a T. P. Boat. Mrs. Houston will remain in Boston where she is doing secretarial work.

After a short program was given, Little Donnie Hardman and Jimmie Duke very cleverly presented the gifts to Mrs. W. E. Bentley, the bride's mother, who displayed them. Both she and Mrs. A. R. Bentley, the bride's grandmother, very graciously thanked the donors.

Refreshments were served to the following ladies:

Mesdames W. E. Bentley, A. R. Bentley, Albert Lockwood, J. R. Duke, D. H. Allen, Sr., D. H. Allen, Jr., J. F. Woody, H. L. Woody.

Earlie Hall, Claude Parks, L. D. Roberson, M. C. Bierman, Harvey Love, W. F. Adams, Bob Mann, R. C. Roberts, G. W. Steffey, Jr., G. M. Vann, "Doc" Vann, Lon Chamberlain, Leon Leonard, G. W. Jackson, F. E. Byrne, T. S. Tyler, Miller Srygley, J. E. Padon, H. P. Pointer, and the hostesses, Mesdames E. C. Hardman, O. D. Brown, M. D. Hall, and Roy McQuatters.

Those sending gifts but unable to be present were: Mesdames W. T. Cook, Jack Vann, T. B. Elder, V. T. Lynch, Weatherly, N. N. Frey, Frank Frey, Roy McQuatters, Jr., R. L. Stubblefield, and J. A. Riddlehoover; and Misses Edith Allen, Alma Allen, Geraldine Lynch and Billie Verne Weatherly.

About 200 Present At Junior-Senior Banquet Friday

About 200 students and members of the Littlefield School Faculty attended the Junior-Senior Banquet staged Friday evening in the basement of the First Methodist Church.

Miss Katie Stith and Mrs. J. D. Armistead, co-sponsors of the Junior class, were in charge of arrangements. Holland was featured throughout the table accessories and room decorations. A beautiful arrangement serving as a background in the basement of the church included a large dutch windmill in a lovely garden of tulips. A bowl of tulips provided the centerpiece for each table. Place cards were little dutch windmills, and miniature dutch shoes holding the program and menu in a unique manner provided the favors of the occasion.

Doyle Elliott, president of the Junior class, acted as toastmaster. The invocation was offered by Rev. Lee Hemphill, pastor of the First Baptist Church. The welcome address was delivered by Miss Laverne Collins; and the response offered by Waymon Taylor, president of the Senior Class.

The program included a vocal number, "My Sister and I," by Miss Billie Kate Higgins; and a song, "In a Little Dutch Garden," by a trio of girls, Misses Roverta Sullivan, Billie Kate Higgins, and Earnestine Short; and the reading of the "Class Will," by Raymond Riddell.

Supt. F. A. Hemphill introduced the special guest of the evening, Billie Holder, who recently returned from foreign service, and who addressed the group, which was followed by the closing song, "God Bless America."

Following the banquet a dance was enjoyed at the Legion Hut, where a nickelodian furnished the music.

Bluebonnet Home D. Club Meets With Mrs. K. P. Brantner

The Bluebonnet Home Demonstration Club met April 1 with Mrs. K. P. Brantner.

Mrs. L. G. Fox gave a demonstration on the making of hand lotions. Mrs. Gaston brought a home made shoe and hat rack. Mrs. Brantner gave a talk on how to look your best. Mrs. Elgin Bacacus told how to store clothing.

Eleven members were present. The next meeting will be at the home of Mrs. Elgin Bacacus April 15. The subject of this meeting will be upholstering chairs. Anyone interested is invited to attend.

Mrs. J. D. Hagler Entertains With Luncheon-Bridge

Mrs. J. D. Hagler entertained with a bridge-luncheon Friday afternoon at her home six miles west of Littlefield, honoring her mother, Mrs. P. H. Shives, and her sister, Miss Olive Shives, who are visiting in the Hagler home from Los Angeles, Calif.

A two-course luncheon was served before several games of bridge were enjoyed. Beautiful snapdragons decorated the entertaining rooms.

During the games Mrs. L. C. Hewitt scored high, with Mrs. Otha Key, second high, and Mrs. J. C. Hilbun, third. Prizes were War Stamps.

Attending the delightful affair were the honorees, Mrs. Shives and Miss Shives, and Mesdames C. E. Cooper, W. G. Street, J. C. Hilbun, Allen Hilbun, T. Wade Potter, W. D. Watkins, Charles Signor, J. H. Barnett, J. E. Hamilton, Wm. Rumbach, M. M. Brittain, L. C. Hewitt, J. O. Garlington, T. P. Wright, and Otha Key and Mrs. Hagler.

Virdlow Cook And W. A. Dubusk Honored At Dinner Party

Virdlow Cook and W. A. Dubusk, who left for the Army Tuesday morning, were honored at a dinner party Sunday, April 11, at the home of Mr. and Mrs. Verble Baker of six miles north of Littlefield.

Pictures were made and music rendered by Virdlow and Forster Cook, who are brothers of Mrs. Baker.

Guests at the dinner party were: the honorees, Virdlow Cook and W. A. Dubusk; and Mr. and Mrs. P. E. Cook, Mr. and Mrs. W. S. Baker, Forster Cook, Pierce Edward Cook, Buddy Cook and the host and hostess, Mr. and Mrs. Verble Baker, and son, Verble, Jr.

Miss Edith Lynch On Honor Roll At Abilene College

Miss Edith Lynch, daughter of Mr. and Mrs. Harry Lynch of Littlefield, is listed on the honor roll at Abilene Christian College, Abilene, for the first six weeks of the second semester. This honor roll is compiled by the registrar and is composed of students who are in the upper 10 per cent of the class in one or more courses.

It used to be A Headache!

THIS YOUNG MAN'S MILLINERY is merely a dramatic way of picturing the plight of the average car owner after trying to decide between the conflicting claims and values of all the motor oils on the market.

Trying to choose between them is something of a headache, especially when you are neither a petroleum chemist nor an automotive engineer. You need facts to guide your choice of a safe and saving motor oil.

So read this frank, simple statement, if you want to know which lubricant to use in order to care for your car for your country. If you want our best oil, remember we definitely specify that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer to average motorists.

In times like these, when cars must last, it is almost impossible to overestimate the value of quality in motor oil. Play safe by asking for Phillips 66 Motor Oil when draining winter-worn lubricant, or when making the recommended every-two-months oil change.

A Message to the Citizenship of Lamb Countyand to Americans Everywhere

"One extra plane . . . or extra tank, or extra gun, or extra ship completed tomorrow, may in a few months, turn the tide on some distant battlefield; it may make the difference between life and death for some of our fighting men."

—President Roosevelt February 23, 1942

The words of our President are just as true today as they were more than one year ago; in fact, the need for equipment becomes greater as our war effort is intensified. That is why each of us are being called upon to increase our purchases of War Bonds . . . to loan more of our money to our Government to buy the requirements of war.

The men of our armed forces are out there on the battle fronts risking their lives . . . giving their lives . . . so that America, your free America, can live. And just as you are counting upon them to give everything they've got, so they are counting upon you to give everything you've got . . . by working harder than you ever have before and by investing in Bonds to the very limit of your powers!

Make your answer to the men of the fighting forces ring clear and true—let our boys know that every man, woman, and child in America is behind them 100%. Buy War Bonds this month. The more Bonds you buy, the more planes will fly.

Mr. and Mrs. Raymond Maxwell of Sudan are parents of a daughter born Wednesday, April 7, at the Payne-Shotwell Hospital, Littlefield, named "Sherilyn Ann," and weighing 7 pounds 8 ounces. Mother and daughter are doing nicely. Miss Geraldine Robinson spent the past week end with her grandparents, Mr. and Mrs. J. M. Blessing, three miles east of town. Mrs. Joe Blackwell returned home Friday after visiting her father, W. M. Page, at Davidson, Okla.

Mrs. L. V. Pierce and son, DeWayne, of Arkansas City, Kansas, arrived Friday on a ten day visit with her parents, Mr. and Mrs. W. O. Yearly, and Mr. Pierce's parents, Mr. and Mrs. D. B. Pierce. They were accompanied by Mrs. C. C. Woody and daughter, Chlorlene, who are visiting her parents, Mr. and Mrs. Lane. Buster Reid of Muleshoe, who underwent a major operation at the Littlefield Hospital March 2, has been getting along nicely, and returned home Friday.

Auxiliary Suzanna Houk At 2nd WAAC Training Center

Life in the Women's Army Auxiliary Corps began for Auxiliary Suzanna A. Houk, daughter of Mr. and Mrs. Jimmie Houk of Littlefield, when she arrived at the Second WAAC Training Center, Daytona Beach, Fla., to begin her basic military training.

Her first three days were spent in "Tent City," a settlement of 80 canvas tops bordering the Halifax river. During this period she was given a physical examination, issued her uniform and equipment and interviewed and classified for her assignment to the army job that will release a soldier for combat duty.

Auxiliary Houk was then transferred to the contentment area, a 600-acre tract developed for the initial training of WAAC troops. Assigned to a training company which numbers 150 women, she is billeted in a pine barracks and is getting accustomed to sleeping on a canvas army cot.

A WAAC's day begins with reveille call at 5:45 a. m. From 8 to 4:30 each day she attends classes where she is acquainted with army methods and procedures which she will need to know before she replaces a man in a military job. Not all the emphasis is on books, however; close order drill and physical training have their place in the daily schedule.

For most WAACs the high spots of the day come with mess call and mail call. Biggest thrill of the week is the formal review on Saturday mornings when the troops pass before distinguished guests.

Cotton Insurance Breaks 1942 Record

More Texas farmers will have their cotton crop protected this year than during 1942. The state AAA office announced this week that already 36,917 applications have been tabulated and that

farmers in northwest Texas and the South Plains area now are signing insurance contracts with county AAA committees.

Deadline for this heavy cotton producing area is April 15, the final closing date in the state, according to Donald L. Cothran, state crop insurance supervisor.

Offered for the second year, federal cotton crop insurance protects the crop against all unavoidable hazards from the time seeds are planted until the cotton is ginned. Either 50 or 75 per cent of the farm's normal yield is protected under the FCIC contract.

Premiums may be paid by signing a commodity note which calls for payment either in cotton, or the cash equivalent, in deductions from loss payments, or from the first farm payment. Premiums are due in the fall, the AAA official said.

The outstanding feature of this year's program is the reduced premium plan through which growers' premiums will be reduced as much as 50 per cent when the amount paid into the Federal Crop Insurance Corporation over a continuous period of years equals or exceeds the amount required to pay one total loss.

With South Plains Men In U. S. Service

Sgt. Vernon L. Leonard, 23, son of Mr. and Mrs. R. A. Leonard of Spade Community, of the Air Corps, and in service since January, 1942, writes that he is well and doing fine.

Sgt. Leonard has been in foreign service since June of last year, and is serving in the Air Corps as a cook. He is located somewhere in the Panama zone.

Manard T. McKinnon, Jr., sta-

tioned at Bryan, Texas, visited his parents, Mr. and Mrs. M. T. McKinnon, for a couple of days recently.

Lieut. L. L. Collins, former manager of the Littlefield Truck & Tractor Co., who has been stationed at Cheyenne, Wyo., for the past ten weeks, spent from Friday until Wednesday here enroute to Jersey City, N. J., where he has been assigned to the Quarter Master Depot.

Lieut. Collins was accompanied by Mrs. Collins, who left with her husband, and will make her home at Jersey City.

Lieut. Collins is in the Quartermaster's division of the U. S. Army.

Capt. Regan Ormand, formerly of Sudan, who is stationed at Fort Benning, Ga., was on a navigation tour through Lubbock Friday. Capt. Ormand's parents, Mr. and Mrs. A. W. Ormand, La Rue, and Mr. and Mrs. I. R. Boren met him there.

James Graham, son of Mr. and Mrs. O. B. Graham, who was recently inducted into service, is now stationed at Fort Sill. He writes home to Littlefield that he has been assigned "more clothes than he knows what to do with, is fine and getting along o.k."

A. K. Boyd, formerly of Sudan, who is stationed at Gowen Field, Boise, Idaho, was made a Staff Sergeant this month. Sgt. Boyd is an engineer "on the line."

Pfc. Harold C. Rice, who has been stationed at Camp Cook, Calif., the past 12 months, left Monday morning to report to duty at Camp Forrest, Tenn. He had been home on a 27-day furlough, to be with his wife, who has been seriously ill in the Payne-Shotwell Hospital. She has improved enough to be removed from the hospital. Pfc. Rice is the oldest son of Mr. and Mrs. C. M. Rice of Littlefield. He was formerly employed at the Garland-White garage. Mr. and Mrs. Rice also have a younger son, Dale, in the armed forces, stationed at Camp Howze, near Gainesville, Texas.

Bruce Wren, Jr., son of Mr. and Mrs. J. B. Wren of eight miles south of Littlefield, who has been stationed at Sheppard Field, was transferred this week to Fort Knox, Ky., where he is taking a five months' course at the Knoxville University. Pvt. Wren is training to be a cadet. He has been in the Service since February 24.

Claude S. Patton, son of Mr. and Mrs. A. V. Patton of Sudan, has enlisted in the U. S. Marine Corps at E. Paso, and is awaiting call to active duty. He will report to the Marine base at San Diego, Calif., for basic training.

Mrs. C. E. Nichols of Sudan has received word from her husband, Cpl. C. E. Nichols, that he has landed safely somewhere in North Africa.

Julius Chandler, who formerly was stationed in Australia and now serving in the jungles of New Guinea, has been promoted to Staff Sergeant, friends here have learned. He is a former student of Texas Technological College and was employed at King's Jewelry store before entering the Army in February of 1942. He is a son of Mrs. A. F. Phillips of 2104 Twenty-seventh Street, and has acted as manager of the King's Jewelry Store here, when they maintained a store in Littlefield.

The promotion of Arthur S. Crain from the rank of corporal to the rank of sergeant, has been announced by Col. Bernard S. Thompson, commanding officer of the United States Army Air Force Bombardment Base at Will Rogers Field, Okla. Sgt. Crain, a former resident of Sudan, is the son of Mr. and Mrs. Arthur Crain. He has been on duty at Will Rogers Field since February 9, 1942, as a clerk in the Base Personnel Office.

OKLAHOMA CITY AIR DEPOT, Tinker Field, Okla.—Tech. Cpl. Otis L. Burdine of Morton now is stationed here with a quartermaster company. Cpl. Burdine, who attended high school in Oakdale, Calif., is the son of Mrs. Guy Weekes of Morton.

L. A. Cantrell of Sudan was notified through the County Red Cross last week that his son, Sgt. Henry Cantrell, is seriously ill in an army hospital at Ft. Sam Houston.

Quota Restrictions On Farm Implement Tires Are Lifted

Keeping tractor and other farm implements operating full time on the farm front highlights two recent actions regarding tires, the Texas USDA War Board said, this week.

The first action lifts county quota restrictions on farm tractor and implement tires while the second action specifies farmers may obtain tires recapped with reclaimed rubber without rationing certificates.

Farmers now are required to apply only to their local rationing boards to obtain sufficient tires for farm use. The local boards have been advised by OPA that substantial district, state and regional reserves have been established to provide for needs. Also, a national reserve will be maintained to increase field office supplies of this type tire.

The principal reason behind the move which frees recapping with reclaimed rubber from rationing restrictions was the desire to have farmers recap their tires in time to prevent total loss of worn tire casings. As a move to conserve rubber, replacements will not be issued for tires that can be recapped.

Previously, recapping of rear wheel tractor tires was not required and replacements were granted even though the tires to be replaced were suitable for recapping.

Tractor and implement tires will now be recapped with Grade F camel back, which contains no crude rubber.

RESTRICTIONS REMOVED

All types of fencing made have been removed from the machinery rationing program according to the Texas USDA Board.

In making the announcement board explained that fencing materials now could be sold without restriction and that applications for secure delivery would no longer be required by purchasers.
