Twenty-seven men enrolled at the camp last week, and

FARMERS ARE URGED TO FILE LOAN APPLICATIONS AT ONCE

Farmers in Lamb county who expect to borrow funds through the Security Administration to finance their operations this year are urged to file their applications immediately. T. Euel Limer, county supervisor, announced today. Farmers already engaged in their current year's operations in sections of Region XII, the officers are in the midst of their usual spring rush of writing farm plans and making loans. As planting season nears, it is essential that applications for loans be filed immediately. Mr. Limer said sufficient funds are available in the county to meet all current needs of farmers who can qualify for rehabilitation or

BOXING TOURNAMENT AT SPADE IN SPOTLIGHT FOR NEXT WEEK

Continuing its successful program of athletic events, the Spade high school athletic club will provide entertainment for boxing fans at its tournament on April 19th and 20th.

Entries are coming in now on every mail, and everything points to a very successful event. The tournament is open to both school boys and independents. Since the completion of the ring, much interest has been shown in workouts by outsiders and school boys.

All boxers who plan to participate in the matches are invited to come to the school any day after two o'clock to work out. Both light and heavy punching bags, and plenty of jumping ropes have been provided for practice.

Boxing Gloves As Awards

Gold boxing gloves will be given as individual awards to the winner and loser in each weight in each division.

Contestants will start weighing

WILL CARE FOR 87 MORE LINES IN RURAL POWER

Line Will Extend To Pep And Pettit Communities

Approximately 87 more miles of line for rural electrification in this area were assured Wednesday afternoon when O. K. Woodall, superintendent for the Lamb County Electric Cooperative, Inc., received a wire from C. O. Falkenwald of the examining division of the REA announcing that \$64,000 additional had been appropriated by the administration.

Take In Pep, Pettit

The line will extend to the Pep and Pettit communities and also southeast of Littlefield, approximately two miles from Anton.

Contracts Signed

Contracts have already been signed by those farmers who will wire their houses on the extra 87 miles, and fifty percent of the easements have been signed and Mr. Woodall reported that work would start immediately, getting the remainder of the easements signed and the right-of-ways secured.

Testing Of Line April 21-25

Testing of the Lamb County Rural Electric Co-op lines will probably take place between April 21 and 25," Mr. Woodall stated. Whether or not the "juice" will be left on after the testing of the line depends upon the number of customers ready to receive the power.

Lines on the project are completed except for the power crossings which are expected to be completed this week. Transformers and concrete have been set and steel work is completed on the sub-station.

AMHERST "GYM" TO BE FORMALLY OPENED APRIL 28

Littlefield Band To Help Entertain School Patrons

The new Amherst high school gymnasium will be formally dedicated Friday, April 28th, in an interesting all-day program. C. M. Coffey, superintendent of the school reported late Wednesday.

Parents and patrons are cordially invited to visit the school plant in the afternoon, from one to four o'clock, and all the rooms will be decorated and some of the year's work will be on display. The home economics girls will have a style show, featuring the garments made in classes during the present school year.

One of the highlights of the day's entertainment will be the band concert, presented by the Littlefield band, who will visit there from three to four o'clock, on their an-

How Far Are Promises

The symptoms of severe headaches, now epidemic, in our national and state capitols, may well be diagnosed as inflammations caused by abnormal promises made in the heart of campaign battles.

In Wall street they have a couple of words for this situation — "caught short" meaning — that the individual has sold more than he can deliver.

We very sincerely hope that Lee O'Daniell made these promises in good faith. In fact, judging from his frantic efforts to make deliveries, we are almost convinced that he really meant to make good.

However — both branches of the state legislature, spirited by the frantic efforts of the executive, are desperately trying to provide the funds for the Old Age Pensions.

So That All May Know

Last week the state senate of Texas passed a bill requiring local transportation companies to transport school children and students at half fare.

There is now — no longer any reason, anywhere in the U. S. A., for anyone to be deprived of an education or informative matter.

Knowing, we are not afraid of life or death; knowing—we can meet each morning confidently and face the evenings with the assurance that no lights or shadows can change our course.

We are often told that "experience is the greatest teacher of them all." But — if it had not been for the studying and experimenting of the late Marconi, we might not now be experiencing the thrills of radio.

If you ever wonder how you are going to fight—you might try crowding in all the knowledge and education which you can absorb.

LUTHERAN CHURCH

In both services Sunday morning, Holy Communion will be celebrated. The German service begins at 9:30; the English service at 11 o'clock. Bible class and Sunday school at 10:30. The pastor will speak on "The Office of the Keys." Sunday night services at the usual hour of 8 o'clock. The Easter services were well attended. May the spirit of Easter abide through the coming year so that each Sunday will see the same attendance proving their gratefulness to God for his gospel blessings.

On the following Sunday, April 23rd, no services will be held at the church. The pastor, together with the teacher, Mr. C. T. Borkack, and the lay delegate, Mr. B. Birkleback, will attend the State District Convention. This meeting will be held in Houston from the 19th to the 24th of this month. Dr. J. W. Behnken, president of the General Synod of our church, will deliver the address in the opening service on Wednesday morning. Dr. H. C. Frite, the dean of our Seminary in St. Louis, will deliver the essay before the convention. This essay will treat on "Unionism With Other Denominations." As this year marks the Centennial of our church organization in this country special features and services will be held.

Our Christian day school will not be closed during the absence of the teacher at the convention. A substitute has been procured for

the weeks' absence. All parents of children attending our school kindly note that a parents meeting will be held this Friday at 2:30 o'clock. Kindly be present.

The Ladies Aid met on Wednesday afternoon in the basement of the school. Mrs. E. Will served as hostess. Several articles were read, songs practiced, and games were enjoyed.

The Young People's Society will not meet this coming week, but will hold their April meeting on the first Wednesday in May.

CHURCH OF THE NAZARENE

The Young People's society and their pastor, Rev. Herbert Land from the Church of the Nazarene of Abernathy visited here last Sunday evening and presented a Easter program which was enjoyed by all present. After the program Miss Veatrice Butler, pastor of the Littlefield Nazarene church preached a soul stirring message.

We invite you to attend any or all of our services.

Local Church To Be Represented At District Meeting

The District Conference for the Plainview District of the Methodist church will be held next Monday and Tuesday at Lockney, beginning at 10:30 a. m. April 17th, and closing about 3:00 o'clock the next day.

The following were elected to represent the local Methodist church at this conference: Mr. and Mrs. Van Clark, J. E. Chisholm, Mr. and Mrs. B. L. Cogdill, Vernon Eagar, Miss Dixie Durfee, J. L. Bowling, Mrs. G. S. Glenn, Mrs. J. H. Lippard, and Mrs. L. T. Green. The pastor, Rev. Marvin B. Norwood, and J. T. Elms, who is Charge Lay Leaders are ex-officio members of the conference.

Entertainment will be provided by the citizens of Lockney, with rooms for those who plan to spend the night.

The Methodist church of Littlefield will be well represented at this meeting, with a splendid report. A number of new members have been added to the church since the last District conference, and financially the church is in good condition. All indebtedness has been paid on the church property, and the attendance and interest in all the services has been on a steady increase.

Presiding Elder To Visit Local Church Friday Evening

Rev. E. E. White, the Presiding Elder of the Plainview District will be in Littlefield on Friday night of this week in his regular quarterly round. Bro. White will preach at 8:00 o'clock, after which the business of the conference will be conducted, which will consist chiefly of the reports from the various departments and classes in the church, with plans for the next three months.

Following the business session a brief social hour will be enjoyed, at which time some of the members will serve refreshments. All members and friends of the church are invited to the preaching services, as well as the business and social hour.

Revival Meeting Starts Sunday At Whitharral Baptist

A revival meeting beginning Sunday morning, April 16, will get underway at the Whitharral Baptist church, with Rev. A. C. Huff, District Missionary, conducting the services.

The meeting will close the following Sunday.

Rev. E. C. Cowan is pastor. The public is cordially invited.

JR. CHAMBER TO TAKE CENSUS OF CITY NEXT TUES.

Churches Cooperating With New Organization In This Work

Where do you live?—How many children do you have?—and what church do you belong to? Those are the questions that will be asked some member of each family in Littlefield Tuesday, April 18th, when a census will be taken. Sponsored by the Junior Chamber of Commerce, and receiving the cooperation of the local churches and the Senior Chamber of Commerce, the census drive is of vital importance to the city of Littlefield, since it is hard to estimate the number of people who live here. The last census was taken in 1930, when the nation-wide check-up was made, and another national census will be taken in 1940. In the meantime, the above named organizations need to know the number of citizens in Littlefield in April 1939. They are asking your sincere cooperation. Pastors of the local churches are eager to know your church affiliations or preference. Every resident of Littlefield is requested to cooperate by receiving the census takers next Tuesday and giving them the desired data.

Band Concert To Be Held At School Auditorium Tuesday

You—and you—and you—are invited to attend the free band concert and choral singing at the high school auditorium Tuesday night, April 18th at 8 o'clock. This will be the last public appearance of the band this year, and you will enjoy seeing the students play and sing. Members of the band, who will be in uniform will present seven numbers; the high school glee club directed by Mrs. E. B. Hobbs will sing several selections. The grade school choral class, with Miss Laura Virginia Bills as director, will sing, and the primary rhythm band, in uniforms will entertain those who attend. Miss Johnnie Pace is director of the rhythm band. School patrons and friends are especially urged to attend this concert, and the hour and half's entertainment will be well worth your trip to the school Tuesday night. The high school band will make a tour of the seven other schools in the country Friday, April 28, and will present a short concert at each of the schools.

R. A. BIGHAM ACQUIRES INTEREST OF GEORGE ROSS IN GIN; NAME CHANGED TO ROBERT BIGHAM GIN COMPANY

The deal was consummated recently whereby Robert A. Bigham acquired the interest of George Ross in the Bigham-Ross Gin. Mr. Bigham has operated gins here since 1925. For a number of years he operated the Farmers Gin, and has been a partner of Mr. Ross since 1935 in the operation of the Bigham-Ross Gin. Since acquiring the interest of Mr. Ross, the name of the gin has been changed to the Robert Bigham Gin company. Mr. Bigham has announced that considerable improvements will be carried out at the gin before the coming season including the reconditioning of the gin and equipment.

FULLBRIGHT AND McDONALD ARE LIEUTENANTS AT CCC CAMP; VON LANKIN EDUCATIONAL SUPERVISOR

Lieutenant T. F. Fullbright, who is in charge of Company 3802 of the Civilian Conservation Corps in Littlefield, has been here 17 months. He was in army service in San Antonio with the field artillery for about a year and a half. He is a graduate of the Texarkana high school, where his parents live, and a graduate of the University of Texas. He married Miss Olga Henson of Littlefield about six months ago.

Howard J. McDonald is second lieutenant of infantry reserve at the CCC camp, coming here from Peryton two months ago. He has served four years as Texas National guard, and one year in the tour of entry at Fort Sam Houston.

Perhaps one of the most interesting members of the Camp personnel is J. A. von Lankin, who is educational supervisor. When interviewed by a Leader reporter, he said "My life? . . . The sun rose, the sun set, and I've lived another day."—Such was the diary that was kept by Mr. Von Lankin and other men who were stationed on the island of Guam for six months, while he was in the United States navy service. During the World war he was in service on the ships "South Dakota," and "O'Brien." He was in the vicinity, or has gone to port in almost all the countries of the world, "except Australia and South Africa." After the war, he spent two years in the Orient, China, Japan, and the Philippines, staying one year in Honolulu and Haiti. He made cruises to South America, both the east and west coast, and the canal zone.

In 1931, Mr. von Lankin retired from the navy service. After loafing two years, he entered the North Texas State Teachers College in Denton, taking his Master's Degree in 1937.

He and Mrs. von Lankin have two children, Jacqueline and Jimmie.

TEXAN AIDS IN PLANS FOR WORLD CONGRESS

DR. W. J. MCCONNELL

DENTON, Texas — A World Congress in Education for Democracy will be held in New York City August 13-14-15, with President Nicholas Murray Butler of Columbia University as honorary chairman, Dr. W. J. McConnell president of the North Texas State Teachers Coulege, announced following his return from Cleveland, Ohio, meeting where preliminary plans for the congress were discussed.

Dr. McConnell has been named a member of the sponsoring committee for the congress by Dean William F. Russell, distinguished Columbia University educator. Russell and Winthrop W. Aldrich, prominent New York banker, lawyer, and philanthropist, are sponsoring the meeting. A number of outstanding European leaders will assist in the deliberations.

The World Congress will be attended by some 300 members of representative organizations of the whole of American life, including labor, agriculture, industry, women's groups, and education. It will have as its aim the bridging of the gap between education and the public which has arisen as a result of depression, Dean Russell said in Cleveland. This can take place only when educators meet together and understand each other's points of view, he declared.

SECOND ANNUAL QUILT SHOW GREAT SUCCESS

Miss Opal Hill, National Cotton Girl Proves Big Drawing Card

The second annual quilt show which was staged at Ware's Department store closed with a capacity attendance Friday, March 28, in addition to the announcing of the prize awards, the home economics students from seven of the high schools in this vicinity were thrilled by meeting Miss Opal Hill, the National Cotton Girl. About 500 high school girls attended from Heart's Camp, Spring Lake, Spade, Whitharral, Amherst, Bula and Littlefield.

There were more than 40 entries in the quilt show and the judges stated that the exhibit was an outstanding one even in comparison to similar events staged at the lar-

gest fairs, and in the Metropolitan cities.

Miss Hill proved a delightful speaker, and was greeted with cheers and applause, when—in answer to a question, she admitted that on May 30, when she receives her degree from Texas Tech, she will have the distinction of being the first woman in the United States to receive a degree of Textile engineer. Prior to her appearance at Ware's, Miss Hill was the guest of the Rotary club at their weekly luncheon.

First prize in the regular entries went to Mrs. B. F. Orteg of Earth, Texas, and first prize for the oldest quilt in the show was awarded Mrs. W. T. Duke who exhibited a bed spread made 60 years ago. The Junior Musicians club of Littlefield, received the \$5 cash prize in the club division, with their exhibit which was a beautiful "Lilly Pond" design quilt.

Honorable mention was made of quilts exhibited by the following ladies: Mrs. Ed Sealy of Littlefield, Mrs. Velma Christian, Sudan, Mrs. Stella Zimmerman of Littlefield, Mrs. Floyd Coffman of Littlefield, and Mrs. B. E. Baker of Anton. Especial interest was manifested in the entry of Mrs.

Velma Christian when it was explained that her quilt was made from 380 tobacco sacks.

A style show followed in which the following girls modelled: Onita Ratliff, Juanita Terrell and Georgia Lon Smith from Littlefield; Leona Bulls and Nettie Allair from Spring Lake; Katie Opal Davis and Irene Dutton of Amherst; Gladys Fowler and Maurine Hall of Spade and Ladybeth Grey and Josephine Attaway from Whitharral. Beautiful new sport togs, evening frocks and dress-up models were displayed as well as children's frocks taken from stock. The style show was in charge of Mrs. E. J. Nugent and Gus Shaw acted as master of ceremonies.

INSTALLED IN OFFICE

The two new trustees of the Amherst Independent school district, O. H. Herring and Ed Nicholson, who were elected to that board in the recent election, were installed in office at a meeting of the school board Monday night, April 3. Following the meeting of the board, board members and their wives and Superintendent and Mrs. C. M. Coffey were served a delicious luncheon by the members of the home economics department.

Eleven Men on Technical Staff

The executive personnel of the Soil Conservation Service in Littlefield, Texas, are: A. B. Chapman, who is superintendent; W. S. Patrick, conservationist; H. B. Wallin, King, junior agronomist; Howe, engineer; John Harman, assistant technician; G. D. Lator foreman of laborers; Hull, L. B. Williams and Walker, senior foremen of laborers; and W. L. Tice, mechanic.

Each of these men have a individual part in the great work of the CCC—building men and lands.

Today's popularity of Doan's Pills, after many years of world-wide use, surely must be acceptance evidence of satisfactory use. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions. These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for functional kidney disorder and for relief of the pain and worry it causes.

If more people were aware of how the kidneys most constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys are, and diuretic medication would be more often employed.

Burning, scanty or too frequent urination may be warning of disturbed kidney function. You may suffer nagging back-ache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness, nose under the eyes—feel weak, all played out.

Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!

LIONEL BARRYMORE IN A GREAT STORY OF AMERICAN PIONEER DAYS COMING; PALACE

The rapidly growing ranks of the screen's Western stars are joined for the first time by Nelson Eddy in "Let Freedom Ring," romantic and pulse-stirring drama of American pioneer days at the turn of the '60's, which comes to the Palace Theatre Saturday midnight, continuing through Sunday and Monday.

Based on an original story by Ben Hecht, who wrote such outstanding successes as "The Front Page" and "Scarface," and directed by Jack Conway who filmed "Too Hot to Handle" and "A Yank at Oxford," the new picture tells the story of the power of the press in a small frontier town and of the fight between farmers of the 1860's and ruthless railroad interests.

Nelson Eddy appears as a young

Harvard law school graduate, and a cast of epic proportions was chosen to fill the prominent supporting roles, headed by Virginia Bruce as the proprietress of a Western cafe. Victor McLaglen, recently seen in "Gunga Din," has another powerful role as the Irish railroad foreman whose fist fight with Eddy in a mountain cave provides one of the thrill highlights of the story. Lionel Barrymore is seen as Eddy's father, leader of the farm faction. Edward Arnold, fresh from his superb portrayal in "Idiot's Delight," is cast as the Wall Street railroad sycoon. Guy Kibbee portrays a saloon pianist, H. B. Warner a gambling house proprietor and Raymond Walburn the town's newspaper publisher.

DRIVING A BUICK CENTURY, PREPARE FOR 500-MILE RACE AT INDIANAPOLIS, INDIANA

Flint, Mich., April 13.—Pistons are being ground and fitted, superchargers tested and new gadgets developed by more than a score of race drivers in preparation for the annual 500-mile race at Indianapolis, May 30.

This year's race is expected to shatter all previous records because the course is known to be faster and the cars better. The big two and a half mile oval at Indianapolis is from three to four miles faster than last year due to re-surfacing of the back stretch. Other changes have been made to condition the speedway for the big race.

Hewitt Buick company are local dealers for the Buick.

Such was the report of A. W. "Al" Rickenbacker, brother of the famous Eddie, and advance promotion man for the Indianapolis Motor speedway, who today began his annual pilgrimage in the interests of the coming classic.

Rickenbacker is making an extensive advance trip on Speedway business that will take him into 20 states in the middle west and south and will cover more than 15,000 miles. Driving a Buick Century, which has been selected as the official car by the Speedway, he will visit as far north as Minnesota, Wisconsin, Michigan and parts of New York state, as far south as Alabama and Georgia, as far west as Nebraska, and east to Pennsylvania. The official car is a 141-horsepower, 126-inch wheelbase Buick, considered to be one of the fastest stock cars on the road today. Rickenbacker intends to cover the area and be back in Indianapolis in time for the qualifying trials.

Lamb County WPA Rolls Slashed Last Week

Clovis Pioneers To Play Sluggers In Sudan Friday

Dick Ratliff's Clovis Pioneers, who will make a strong bid this year for the pennant in the West Texas-Mexico league, will play the Sudan Sluggers Friday afternoon at 3 o'clock in Sudan's Booster park.

Sudan will have a strong team to pit against the Pioneers, as several players from Littlefield, Amherst and Muleshoe will join the team, which led the semi-pro field in this section last year, for this game. The Sluggers have been working hard in preparing for this game.

Ratliff will bring his complete squad of 30 players to compete in Clovis' first pre-season game this year. Reports from Clovis are to the effect that the Pioneers have a strong team this season.

Ratliff, who is the playing manager of the Pioneers, is well known in this section as he formerly managed the Littlefield team. He invites all of his friends to see his boys at Sudan Friday afternoon.

Ves Terry, Sudan sportsman, is manager of the Sudan team and has a well balanced team lined up for the game with Clovis.

Littlefield Quartette To Be Guests of Slaton Rotary Club

The Men's Quartette, composed of E. O. McIver, B. L. Cogdill, Jack Norman and Arthur Mueller, will be guests of the Rotary club in Slaton Thursday, April 20, and will render several songs. They will be accompanied by Mrs. Cogdill and Mrs. McIver, and Miss Maxine Cash.

The Slaton Rotary Anns will also attend. Miss Cash will read for the group, "One Moment, Please." She will also accompany the quartette at the piano.

Mr. McIver was a former member of the Slaton Rotary club.

Miss Anne Lindsey And Jack Harvey Wed In Missouri

In an impressive ring ceremony read by Rev. Arthur Pratt April 4, Miss Anne Lindsey and Jack Harvey were united in marriage at the pastor's home in Chillicothe, Mo. They were accompanied by the bride's parents, Mr. and Mrs. Virgil Lindsey of Chillicothe.

The bride is a student in the Chillicothe high school, and will be graduated with the senior class in May.

The bride was attractive in a black and white ensemble with appropriate accessories.

The groom is the son of Mr. and Mrs. John Harvey of Littlefield and was graduated from the local high school in 1937. He attended the University of Texas in Austin last year, and since September has been a student in the Chillicothe Business college. He will continue to attend school.

He visited his parents here this week and announced his wedding. His many friends extend best wishes to the couple for a happy life together.

WELLS FARM IS ONE OF FEW TO BE COMPLETED WITH WORK OF SCS IN AREA

W. Wells, well-known Lamb County farmer, is a firm believer in soil conservation service. In the article below, he explains why he feels that his farm, located two and one-half miles north of Spade, is worth more per acre than it was before the CCC camp SCS workers started that he terrace his

feed caught it and held it. These strips of feed being on the contour, naturally they formed a terrace by this accumulation. Using my experience with strip cropping, I believe that the problem of the so-called dust bowl will be solved through rotating cotton and feed from year to year in small blocks, or patches.

I have 11 acres of native grass that was over tropped and over grazed in the spring of 1936. There was not over 30 per cent of a stand left. The SCS furrowed the sod with a 14-inch lester, the furrows four feet apart. There is now anyway a 90 per cent stand. And during this time there has been six horses and four cows on the pasture. The furrows have the same effect on the pasture land as the contour listing has in the cultivated acres.

The service put out something over 100 trees north and west of the farm house, for a windbreak. They were just little things in the spring of 1936 not over 12 inches high. They have no water only what falls and some run-off from the corrals, yet they have made a good growth, some are 12 feet high. In this short time they are already furnishing some protection. All the unprotected ground around the house was sodded to bermuda grass, which is a solid stand and as a consequence there is very little sand to blow in the house. The Bermuda is being grown without being watered. The water that falls is kept there and don't run off as it was doing before it was treated.

I find that to work a farm under the above system takes about 1-4 more time; but that is the most profitable time that we spend on the farm as it is the only profit that there has been in the last few years. I appreciate the work and service that the camp has done for me. I think my farm is worth \$10 more per acre than it was before this work was done on it. In my opinion if all of our farmers were practicing what the SCS teaches we would have a more prosperous country and would hold the movement of soil by wind and water to a minimum.

Sleeping Sickness Serious Threat to Horses and Mules

Sleeping sickness, or encephalomyelitis, constitutes a serious threat to the horse and mule industry of Texas, but research has developed a chick embryo serum that is very effective as a vaccine, according to Roy W. Snyder of the Texas A. and M. College Extension Service.

The disease first made its Texas appearance a few years ago at several widely scattered points and has since spread over most of the

state. Dr. H. W. Schoening of the USDA Bureau of Animal Industry, in a talk before a recent meeting of the Horse and Mule Association of America at Chicago, revealed that the disease is transmitted by biting insects, such as mosquitoes and ticks.

It has been found that a large number of animals and birds are affected by the disease. These include, besides the horse, cattle, sheep, goats, dogs, rats, gophers, chickens, pigeons, ducks, and vultures. Dr. Schoening says man also has been found to be susceptible.

Apparently the danger period occurs in the late spring and early summer, when mosquitoes are most

active. Since the serum is effective for six months or longer, vaccination in May or June usually carries immunization through this period.

GOLF CLUB TO BE ORGANIZED BY JR. C. OF C.

Frank Bartley And T. A. Hilbun Delegates To State Meeting

When the Junior Chamber of Commerce gets behind a civic enterprise, things start moving, and presto! Littlefield has a golf course, and will soon organize a golf club. A week after the local Junior Chamber of Commerce president appointed a committee to make a campaign for members, and assured the support of the organization, approximately twenty-five business men had signed cards, and the golf links were repaired on the plot of ground across highway 51 from the CCC camp.

The above report was given at the regular meeting of the Junior Chamber of Commerce Tuesday night, with a record attendance of twenty-six young business and professional men.

Frank Bartley and T. A. Hilbun were elected delegates to attend the state convention of the Texas Junior Chamber of Commerce which meets in Fort Worth April 27, 28 and 29.

R. M. Hughes of Pampa, vice president of the Texas Junior Chamber of Commerce, will be in Littlefield Tuesday night, at which time he will meet with members of the local organization and explain the details of becoming affiliated with the state and national chapters. A special meeting was called for Tuesday night, and all members and those interested in becoming members of the Littlefield Junior Chamber of Commerce are urged to attend.

SENIORS WILL PRESENT PLAY MONDAY NIGHT

Three-Act Comedy With Miss Mary Perkins Directing

The Senior play, "Lady Spitfire," a three-act comedy, will be presented at the high school auditorium Monday night, April 17th. Miss Mary Perkins is directing the play, and proceeds will be used to help defray commencement exercises.

Admission will be 15 cents and 25 cents.

"Lady Spitfire" will be one of the best plays ever to be presented in the local high school, and parents and patrons are urged to attend.

The cast includes the following seniors:

Kay Sutton—Marguerite Brannen.

Miss Prudence—Doris Allen.

Cindy—Mary Neal Weatherly.

Ginger—Geraldine Robinson.

Flabelle—Minnie Kate Grissom.

Jed Buel—Pat Boone, Jr.

Thomas Jefferson Brown—Avery Sullivan.

Bud—Bill Davis.

Henri DuFrayne—Dewey Connell.

Mr. Sutton—Odell Pumphrey.

Miss Louise Culp And Curtis Heard Are Wed Saturday Night

Culminating a romance that started more than a year ago, Miss Louise Culp and Curtis Heard were united in marriage Saturday night at 9 o'clock in a ceremony read by Rev. T. L. Kimmel at his home.

Witnesses were Mrs. Kimmel and G. M. Vann.

After the ceremony, the couple went to Lubbock where they remained until Sunday afternoon.

The bride was attractive in a dusky rose dress with japonica accessories. She is the daughter of Mrs. Lela Pate, and is operating a wholesale candy company here. She graduated from the Mart high school in 1932, after attending school here for several years.

The groom is a son of Mr. and Mrs. C. R. Heard of this city. He graduated from the Littlefield high school in 1929, and has been in business with his brother, Roy, at the City Hall Texico Station for the past five years.

The popular couple have a host of friends in Littlefield who extend best wishes for their happiness. They are at home at 811 East 6th street.

Mr. and Mrs. Van Clark returned home Saturday morning with two new Chevrolet's from the factory in Flint, Michigan. They also visited Mr. Clark's brother near Indianapolis, Indiana.

interest of the farmer. 5—To bring the land use problems of our county before the public with the idea of solving those problems.

Mrs. Perry discussed the following with the committee:—

There isn't enough food raised in the United States to allow all families to have a liberal diet. Mrs. Ruth Perry told the Land Use Planning committee. According to the AAA 41 million acres more will need to be planted in feed and food to have a liberal diet for all. In Texas alone one and a half million families in the rural sections have third and fourth rate diets. Since the people do need more food land there is land for it the first step that the Land Use committee might plan would be to find out the lack of foods in the county and then make recommendations for the use of the land so that more food and feed would be produced. The food standard for Texas calls for 2,135 pounds per person for a family of five and would mean five and one-third tons. If this were purchased at a store it would cost between \$500 and \$600. A value of \$100 per ton. What other crop is produced on the farm that is worth \$100 per ton? Twenty-five acres will provide all the food and feed for the family that will be needed by them.

Let's recommend the use of land about the home for grass and trees. Livestock and poultry need shade as do humans. This will add comfort and make the home more pleasant and desirable. It will take work for every one to get this food produced. Along with this we must work together.

Women need to become more interested in cotton programs and livestock improvement. The men and women need to take the inventories together and then make the recommendations to develop the areas in which we live the right way. These should lead to parity income for farm people, providing an abundance of food for all people and towards the conservation of the natural and human resources of the nation.

The election of John I. Bowling, chairman, George Bohner, vice chairman, was followed by a round table discussion of the land use problems. Soil conservation, live-at-home, and community organizations were considered the most important.

Lee McElroy made an announcement about the county club house to be built at Fieldton. Every one present expressed the need of such building.

A motion was made, seconded, and carried to meet at Amherst school Tuesday, April 25, 8 o'clock. The meeting adjourned.

cooperative loans under the FSA program, and who are unable to secure sufficient credit from other sources.

Loans, he said, may be made for livestock, farm equipment, seed, feed and similar operating goods, usually for a period of five years with interest at 5 per cent.

Eligibility for a loan requires that the farmer be located on a unit that will provide a livelihood for his family and that he agree to cooperate with the supervisor in working out farm and home plans that will insure a balanced crop and livestock program. The family must also agree to produce as much of the home food supply as possible on the farm. All borrowers must keep records of their farm and home operations.

County FSA offices in the City Hall building in Littlefield are open on Wednesday and Friday from 9 a. m. to 4 p. m. to receive applications.

SENIOR CHAMBER OF COMMERCE TO MEET IN FORT WORTH APRIL 27-29; FIELD WILL SEND DELEGATE

O. Walton of A. & M. college will address the Texas Junior Chamber of Commerce at its annual convention April 27-29, in Fort Worth. It has been announced that a delegation from the "Texas Young Men in Affairs of State" will be sent to the convention.

It is sending a delegation of 50 men to "talk up" the national convention to be held there in June. Opening April 27 with meetings of officer-groups, the convention includes a busy round of addresses, open forum discussions on vital current social and economic issues, particularly as to governmental affairs, in addition to a full program of entertainment at Fort Worth's famous Casa Manana. For the first time in the state organization's history, awards will be presented for outstanding work in 25 lines of Jaycee service, ranging from the best piece of work accomplished by a state vice president to Christmas beautification programs.

Milk supplies proteins, fats, minerals, and vitamins in forms which are easily digested and unequalled in other foods. Telephone No. 27 for office supplies, office forms.

Debate by Buford Humphries and Avary Sullivan

Several high school students were guests of the Chamber of Commerce at the regular monthly luncheon Tuesday at noon. Bobby Taylor played two numbers, "My Extra Ordinary Gal," and "The Breeze," on the Glockenspiel, accompanied by Morgan Layfield at the piano. "The Breeze" is the theme song of the South Plains.

Debate Special Feature
Another interesting feature of the program was the debate given by Buford Humphries and Avary Sullivan, winners in the debate in the Lamb County Interscholastic league meet. Buford gave the affirmative argument for the question, "Resolved that Texas Should Adopt a Uniform Sales Tax," and Avary gave the negative argument of the question.

RETIRING MAYOR FEASTS FRIENDS WITH BARBEQUE

Pat Boone Presented With Watch By Associates and Employees

Pat H. Boone, the retiring mayor, was host at a barbecue last Monday night, feasting about 175 of his Littlefield friends. The farewell dinner was given in the fire department back of the city hall. Those invited included all the men who have been connected with Mr. Boone during the nine and a half years that he has been commissioner and mayor; the members of the fire department; the commissioners court of the county; a number of the county officials; the members of the local school board, and a few close friends who have been associated with Mr. Boone in his work.

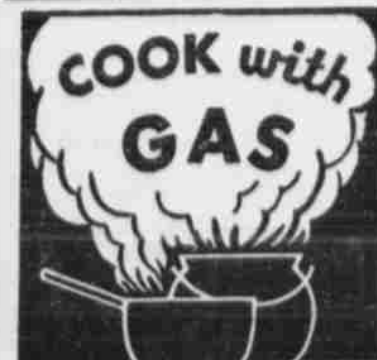

The highlight of the evening was the presentation of a beautiful gold wrist watch from his former associates and employees. The address was made by the Rev. W. Donald Harris who spoke touchingly about the mayor's love for the city, and his big part in the progress of Littlefield.

Mr. Boone started to talk and tears welled into his eyes and a sob brought rousing cheers from the men present. His acceptance of the fine gift was far more eloquent than any oratorical demonstration could possibly have been.

During the dinner—Homer Hall, the mayor-elect, voiced the feeling of all those present, when he offered a rousing vote of thanks for the feast and entertainment.

An old time string quartette enlivened things throughout the evening with old time melodies that were rendered with all the gusto and fervor of plantation days.

Jim Etter and Ab. Anderson, assisted Mr. Boone in serving the bountiful repast. Pat Boone Jr., and

Coffee at Pat Boone Home Compliments Worthy Matron Of Local Chapter O. E. S.

One of the most outstanding parties of the spring season was the coffee, sponsored by the officers of the local chapter of the Order of Eastern Star, with Mrs. Pat Boone as hostess, at the Boone residence Friday morning, complimenting Mrs. Arbie Joplin, worthy matron.

Mrs. Sid Hopping presided at the piano rendering beautiful music as the guests entered and throughout the serving.

Mrs. W. J. Aldridge and Mrs. Oscar Wilemon presided over the coffee service, and assisting in the dining room were: Mrs. Jake Hopping, Mrs. J. H. Barnett, and Mrs. M. M. Shaw.

The dining table was laid with a cloth over green satin, with a bowl of large beautiful Easter Lilies on reflector, forming centerpiece, and crystal candle sticks on smaller reflectors placed on either side.

Pots of Easter Lilies were placed throughout the home for the occasion, further accentuating the Easter spirit.

The program included an eulogy to the honoree by Mrs. R. E. McCaskill, when she presented Mrs. Joplin with a huge bouquet of flowers, carrying out the five symbolic colors of the Eastern Star; song by Charles Joplin, and reading by Marjorie Claire Joplin; radio broadcast "short wave" by Mrs. W. D. T. Storey, assisted by Mrs. Oscar Wilemon, Mrs. L. C. Grissom, Mrs. W. J. Aldridge and Mrs. Pat Boone; solo by Mrs. G. M. Shaw, and presentation of a short one-act play by officers of the chapter, which was followed by the presentation of a lovely gift, a down comforter, by Mrs. Storey, on behalf of the officers, to Mrs. Joplin, and an expression of appreciation by her.

The members of the house party—officers of the local chapter of Eastern Star, were: Mrs. W. D. T. Storey, associate matron; Mrs. Oscar Wilemon, conductress; Mrs. W. J. Aldridge, associate conductress; Mrs. J. H. Barnett, secretary; Mrs. Maude Street, treasurer; Mrs. Jake Hopping, Ada, Mrs. T. S. Sales, Ruth; Mrs. Max Wood, Esther; Mrs. Willie Rumback, Martha; Mrs. R. E. McCaskill, Electra; Mrs. G. M. Shaw, organist; Mrs. Sam Rumback, Warden; Mrs. Pat Boone, Marshall; and Miss Lula Hubbard, Chaplain.

Among the guests attending were Mesdames Quinton Bellomy, Ben Lyman, L. R. Sewell, Vernie V. Wright, J. G. Singer, J. D. Dodgen, Sam Rumback, E. S. Rowe, W. G. Street, Max Wood, John Price, R. E. McCaskill, J. O. Connell, J. W. Hopping, L. C. Grissom, B. L. Cogdill, F. O. Boles, Jess Seale, V. S.

Hi-Y Club Meets Monday Night; Pledges Chosen

The Hi-Y club met Monday night, April 3, at the home of Mrs. T. S. Sales, with Misses Doris Allen and Geraldine Ratliff as hostesses. Pledges for next year were chosen, who are members of the Junior class at school.

Plans were formulated for the purchasing of Hi-Y pins for the members.

The hostesses served shortcake and whipped cream and an iced drink.

Those attending were Misses Helen Wiseman, Ouida Simpson, Reba Carrol Neely, Marguerite Brannen, Mary Neal Weatherly, Kathleen Cundiff, Virginia Walker, Mary Louise Seale and Louise Whitaker, and Thelma Killough, sponsor.

Mrs. Henson Returns From Interesting Trip East And South

Mrs. T. A. Henson returned Saturday night from a six weeks trip to various points in the East and South.

Her son-in-law, C. H. Jeffers, is a traveling salesman out of New York for the Williams Gold company, and Mrs. Henson accompanied him and Mrs. Jeffers on a trip. Among places visited were Washington, D. C., where she sat in the Senate while in session, and where she spent some time viewing other points of interest; Maryland; visited George Washington's old home at Vernon, Va., Alexandria, Va., where George Washington was born; Blue Ridge Mountains; national forest at Sherandoah, Va.; Raleigh, N. C., where she went through the capitol building; Columbia and Charleston, S. C., where she visited many old historical points; Savannah, Ga., from where she went to see the Azalea and Japonica Gardens; Jacksonville, and Tallahassee, Fla.; Mobile, Ala., and New Orleans, La. Enroute home she spent some time with her daughter, Mrs. Wilma Ball and report a splendid and beneficial trip.

Cassel, Viggo Peterson, Pryor Hammons, Pat Boone, W. H. Gardner, S. J. Farquhar, Miss Doris Hopping, and Marjorie Claire Joplin and Charles Joplin, Mrs. W. C. Rumback of Levelland; Mrs. R. C. Hopping of Lubbock; Mrs. Alla V. Jones of Amherst; and Mrs. Ethel H. Purser of Amite, La.

They Learn from Southern Women

Touring Reporters, now conducting a Query among women of the South and West, report remarkable agreement as to the benefits secured by users of CARDUI.

Of the 1207 users who were asked: "Were you helped by CARDUI?" 1206—or 93 out of every 100—answered "Yes."

The word of users everywhere is given to show how CARDUI helps to improve appetite and digestion, and thus build up physical resistance. In this way it also works to relieve the headaches, nervousness, depression, that attend functional dysmenorrhea due to malnutrition. Have you tried CARDUI?

Home Arts Department Have Open House Friday

Members of the Home Arts department of the Central school, comprised of girls in the sixth and seventh grades, sponsored Visiting Day Friday, April 7.

This department is under the supervision of Mrs. Audie Collins and is a new addition to the grade school curriculum.

it all the day long, from the time you get up until you're ready to dress for dinner.

A diagram design, 8413 is absurdly simple to make. All the fitting is done by a few simple darts at the waistline and radiating tucks on the front of the bodice.

Pattern No. 8413 is designed for sizes 12, 14, 16, 18, 20 and 40. Size 14 requires 3 3/4 yards of 39-inch material, 1-4 yard, cut crosswise, for contrasting belt, 1/2 yard for edging.

Pattern 8320—It's a perfect example of the youthful type of dress, in women's sizes, that's usually hard to find. Also, 8320 is beautifully designed to give you a softly curved, slim-waisted look.

Side belts, fastened in the back, draw in the waistline to a perfect fit.

Pattern No. 8320 is designed for sizes 34, 36, 38, 40, 42, 44 and 46. With long sleeves size 36 requires 4 5/8 yards of 39-inch material; with short sleeves, 4 1/4 yards.
