Box Supper Nets \$66.25 For VFW Relief Fund

The Eskimos and the hobos stole the show Saturday night at the Box Supper held at VFW hall by the Veterans of Foreign Wars and the American Legion.

The Eskimo made of sugar cubes and frosted with "snow" complete with clay-modeled huskies; Eskimo woman and man, was voted the "most beautiful box" at the affair. It was a product of the imagination and artistry of Mrs. Howard Weaver and reflects her years of residence in Alaska.

The "most unusual box" was made by Mrs. Clifton Petty. It was a red bandana, tied hobo fashion on a stick.

View Book served as auctioneer for the boxes, which netted a profit of \$66.25, all of which will go to the Relief Fund of the organization. This money will be spent solely for the relief of needy veterans families.

Yellowhouse HD Club Studies Laundry Centers

The Yellowhouse Home Demonstration Club met on Thursday, Jan. 18 in the home of Mrs. L. L. Hulse.

The meeting was opened with the singing of "Beautiful Dreamer" and "Auld Lang Syne" led by Mrs. L. B. Hulse. She also presented a paper.

Mrs. Fred Duffie acted as secretary in the absence of Mrs. Thompson.

Mrs. Hazel Hickman, the agent, then took charge of the meeting. She discussed at length the importance of having plenty of hot water, which should be at least 140 degrees to insure killing bacteria in the clothes.

Mrs. Hickman stated in planning laundry center, the home-maker should first select her equipment, arrange in sections, color and determine amount of floor space available. Adequate lighting for the work center was also stressed.

The hostess served refreshments of grape-nuts, cheese, cranberry, coffee and cold drinks to the following: Mrs. Fred Duffie, Mrs. Louise Kline, Mrs. Tom Ham, Mrs. C. D. Luby, Mrs. J. B. Hoize, Mrs. J. D. Lee, Mrs. H. A. Vick, Mrs. A. P. Wedel, Mrs. W. A. Tindal and Mrs. Hickman.

The next meeting will be in the home of Mrs. Wedel on February 14. An election will be held at that time.

—EDITORIAL—

Last Hallowe'en it was right cheering to drive through the residential areas of our town. In some sections nearly every house had a lighted porch to welcome the "trick or treat" crowd. The youngsters had a good time and the donors got a big thrill out of making them happy. Sure, it cost a few dollars to lay in a supply of treats for the youngsters, but their happiness was more than worth it.

This coming Saturday evening the mothers of those children will be going down those same streets, looking for welcoming porch lights. They will be on a much more important mission, as far as the happiness of those same children is concerned. They will be out trying to raise funds to defeat one of the most dreadful diseases which can strike children.

Think back over the dozens of lovable youngsters who knocked on your door last Hallowe'en. Imagine the possibility that some of them may never be able to run through the streets with the others and knock on your door another Hallowe'en, because polio may strike them down this summer, right when we are on the brink of victory over it.

Then remember that you can help eliminate polio through research and you can help care for those who are struck before the cure comes. You can do both by simply turning on your porch light Saturday night and giving to some child's mother as freely as you gave to her laughing, running child.

Let's make Littlefield glow with the light of compassion this Saturday night.

Clovis Goes All Out For Littlefield Cubs

You never know about the goodness of people until it strikes you full force ever once in a while.

On Saturday Mrs. Charles Heathman and Mrs. Delbert Ross undertook the task of escorting the Cub Scouts of Den V on a train ride to Clovis and thought they would be doing the citizens

of Clovis a favor if they kept the event fairly quiet and slipped in and out of town with as little noise as possible.

They boarded the train in Littlefield at 8:30, a company with three little visitors—were given the attention of the trainmen all the way to Clovis, with tours throughout the train and expla-

nations by the busby. The Den Mothers and thoughtfully arranged for Mrs. J. H. Carl, Mrs. James Chandler and Peyton Reese to meet the train with cars so they could have transportation about the city while they were there, and then bring the boys back home.

Well, it seems the Santa Fe employees entered into the spirit of the excursion and in addition to arranging a special car to themselves for the party, they had telegraphed ahead to Clovis where the agent had contacted the Club

master in Clovis, Oscar Cantwell, to meet our Cubs. When they arrived they found all lined up at the station and waiting for them the Littlefield parents, Cantwell and a Clovis policeman, ready to

serve them. The party was taken first to the Santa Fe roundhouse where the Superintendent of the roundhouse gave the boys a ride on a streamliner, let them ride the turntable and explained everything they saw.

He encountered trouble, though when he allowed each boy the privilege of tooting THREE toots on the streamliner's whistle. It seems that some just have to have a few more toots.

The boys and their sponsors were also taken through the stock yards, the zoo and a newspaper printing office.

In the meantime, Cantwell had made arrangements for the party at a downtown restaurant, with private dining room. One boy expressed it thus . . . "We ate in a swanky restaurant . . . we had hamburgers and milkshakes."

While the boys ate, Odis Echols, the radio station manager, provided entertainment for them.

Two little girls, cousins by the name of Bell and about the same age as the Cubs, twirled batons for them. Cantwell also led the singing of several humorous songs.

In addition to the Den Mothers, Mrs. Carl, Mrs. Chandler and Peyton Reese, others making the trip were John Dick Carl, Jo Nell Tutum and Linda Chandler.

Cubs who made the trip were Charles and Warner Heathman, Bobby Ross, Richard Reese, Allen Swain, Sammy Bohanan, David Douglas, and Den Chief Gerald Chandler.

LHS Gets Second Conference Win In Besting Brownfield

By JIMMY HINE
 The Littlefield Wildcats won their second conference game of the season Tuesday night at Brownfield by defeating the Cubs 51-44 in a game in which the Wildcats came from behind in the first quarter to stay.

The B-team also won, 55-51 in a close contest. Johnny Burleson, jump shot specialist, led the "B-Cats" to a close decision before finally subduing a stubborn bunch of Cub reserves 55-51. Burleson collected 14 field goals, three free shots for a total of 31 points. He looked much better on defense also. Don Howard, who turned in some very accurate maneuvering around the backboards, was high pointer for the varsity with 19, followed by Joe Giddens who tallied 15. "Rabbit" Vaughn had one of his most in-accurate nights as he collected a mere nine points.

Bill Kennemer again turned in a good performance as master of the rebound chores. Kennemer stood on his tip-toes and snagged a good 50 per cent of Littlefield's total rebounds.

GOBLE HIGH

High point man for the Cubs was Goble with 13, most of these points being scored in the second half in which the Cubs seemed to have obtained some good information during the break. Kennemer and Wicker scored two each for the Wildcats, with Davis adding four. The Wildcats drew 21 personals, made 21 field goals and completed nine of 19 free throw shots for an average of 47 per cent. The Cubs were guilty of only 11 personals, made 15 field goals and had an average of 49 per cent completions in the free throw department in making 14 of 29.

Score by Quarters:	Totals
Littlefield 19 10 13 9 51	
Brownfield 5 13 15 11 41	
Halftime score: Littlefield 29, Brownfield 19.	

Referees were Ed Haley and Royal James. **B-TEAM VICTORY HARD**
 The Wildcat "B" team had to

fight away from a five times tied ball game in winning from the highly active "B-Cubs." The game was all tied at 41 all in the fourth with six minutes to go. Continuous field goals by Burleson and rebounds by Bob Orr enabled the Wildcats to earn this one. Orr broke the next tie with three minutes left and then Jimmy McShan added his two points of the evening in making two free shots to put the "B-Cats" ahead with Johnny Burleson climaxing the contest with another field goal that clinched the game.

Ken Griffin added 11 points, Jo Hoover, two, Yarbrough, one, and Bob Orr, eight in a game that saw the Wildcat Bees suffer only nine personals. Mueller was high point Cub with 16. The younger Cubs drew 14 fouls made 21 field goals and had a 51 per cent completions in the free throw column in making nine free shots.

Sudan Captures Twin Cage Events From Springlake

SUDAN—The South Plains hot-est school in basketball—the Sudan Hornets—won a twin bill over Springlake here Monday night and continued undefeated in District 2-A.

The Hornet Varsity overcame the Wolverine Varsity, 69-39, and a preliminary game between the two B-teams gave Coach Francis Smith a 51-45 tally.

Bill Wiseman made 16 points to lead the Hornets. Other scorers were Marvin Ballard and Leon Hill, each 14, and Benny Arnold and Jim Baccus, each 10.

In the B-team game, Jimmie Williams and Dwaine Allen each had 13 points and Rex Loftis scored the same for the Wolverines.

Senator Daniel Urges Steps For Relief on Cotton Acreage

Senator Price Daniel of Texas has urged that administration legislative steps be taken immediately to alleviate hardships resulting from the reduction in 1955 cotton acreage allotments, according to a press release from his Washington office this week.

The release said: "If additional allotments cannot be provided in hardship cases within the present over-all allotment, then some reasonable additional national allotment should be made to take care of these cases," Daniel told the Senate.

"Time is of the essence. Any effective relief must come within the next few weeks in order that the farmers may know what they can plant."

"Daniel said the reduction in allotments to family-size farms was particularly alarming. "We are losing farm families at an alarming rate already, and there is no incentive for young men to stay on cotton farms or to enter such farming. It is a serious social and economic situation which must be remedied."

"Daniel called on Secretary of Agriculture Benson to present a solution to the problem and to advise Congress what legislation the Administration would sup-

port. The Texas Senator had made a similar request earlier in the week when he and other Senators from cotton-producing States made a personal visit to see Benson at the Department of Agriculture.

"There is no need for Congress to attempt to solve the problem in the short time remaining unless it is assured that its legislation will be signed by the President," Daniel pointed out.

"At the conclusion of his remarks, the Texas Senator inserted in the Congressional Record excerpts of letters written to him by farmers, bankers and local officials showing the urgent necessity for prompt action.

Soil Conservation Office Gives Tips On Terrace System

AMHERST—Does run-off soil or sweep across your cultivated land? If so, this is the time to construct a terrace system to hold the water on the field or build a diversion terrace and waterway to take care of excess water and dispose of it in such a manner as not to cause erosion and other damages. The Lamb County Soil Conservation District advises:

The District points out that one additional inch of water will produce 27 pounds of lint cotton. The Soil experiment station has found that closed level terraces has an increased gross return 24 year average of \$15.46 per acre per year. Using these figures, if the water from the 53,000 acre Bull Lake water shed was held on the land and used for crop production, it would increase the income from that area something over \$821,500.00 per year, not counting damages from water out of control.

Persons still interested in obtaining Arizona express, putted trees for 25 cents each to be used for a farmstead windbreak, may still do so. The deadline has been extended until Feb. 15. If you want some, contact one of your

 Grace of God
 for February 6, 1955

Dr. Foreman
 grace of God, as the
 testament uses the word,
 at least two things. The
 most meaning is the un-
 favor of God. It is al-
 ways in meaning as the
 word except that the word
 carries
 the idea
 that not
 but given
 other
 found
 in Ti-
 includes
 of un-
 favor, but
 beyond this. The grace of
 not only an attitude of
 and men, it is a power
 by God, on men. One
 enter has truly said that
 of God is almost an-
 for the Holy Spirit,
 the Spirit does in man,
 Grace of God does also.
 Grace
 not pretend to under-
 stand grace of God. It is not
 for us to experience, but
 for us to understand.
 God can never be exam-
 ined by any human brain. But
 it is very important to try
 and understand what the New Testa-
 ment means when they
 speak of the grace of God, for here
 is the very heart of things.
 The steps being some-
 what talk about, and becomes
 that takes hold of us,
 that every man is a
 it is true that we are
 in the wrong direction
 left to ourselves, if it is
 Paul said that "the good
 would I do not, and the
 I would not that I do,"
 true that only God can
 change ourselves, then
 we going to persuade
 that? How can we get
 over? Man's desperate
 to this question have
 to all the religions but
 have made painful sac-
 rifices themselves with
 offered innumerable ani-
 many altars, dedicated
 times devised and obeyed
 laws of difficult laws, all to
 earn God's favor. It can-
 not be done. The grace of God is
 free. The one religion
 as an exception to all the
 of the reform of the New
 Saint Paul puts the
 into one single simple

 was the First Move
 grace came to us; we do
 not find him. God comes to
 us. We could never find him
 if we did not receive it. The "grace of God"
 that is our earning
 and our deserving it. God
 loves us. Any man who
 deserves the love of
 God must be re-
 ceived. Paul, it must be re-
 ceived. It was not speaking as a
 man examining the grace of
 God from the outside. He was
 speaking as a man who had ex-
 perience that grace and could
 not get it from the inside. So
 in his letter (1 John
 4:19) sometimes been sup-
 ported that God had no grace in
 it at all, for this miserable
 world and selfish people;
 Jesus somehow made God
 love mankind and by his
 sacrifice induced God to change
 his mind and save us. Nothing
 more opposite to New
 Testament truth. All that Christ did
 including his own self-
 sacrifice on the cross, was
 because of God's grace
 that Christ did not come
 to save God to love us; God
 and so sent his Son "to
 propitiation for our sins."
 The grace between man and God
 who makes the first
 toward peace.
 cannot take God's Grace
 have it too
 TV program may bring
 it to all men; but not all
 will take it. So though Paul
 said that God's grace brings salvation
 to all, some men are plainly
 not saved. Some men learn the
 truth that it takes to accept
 the free grace of God
 and they leave it again. The
 grace of God never operates in a
 man who never, so to speak,
 is around not caring what
 God says or about it. The
 grace of God is not something for
 a moment, some-
 thing to look back on all one's
 life. It is not like a ray of sun-
 light in an arctic winter,
 where of God is not an ab-
 sence, something, a mere dic-
 tionary
 definition.

 tional Board of the Churches of Christ

RECIPE OF THE WEEK
 By Mary Lee Taylor
Easy Skillet Meal

1 lb. ground lean beef
 1 cup finely cut onion
 2 Tablespoons finely cut green pepper (can omit)
 1 lb. can tomatoes, undrained

1 Tablespoon chili powder
 2 teaspoons salt
 2 Tablespoons sugar
 1 1/2 cups uncooked spaghetti, broken into inch pieces
 1/2 cup Pet Evaporated Milk

Brown slowly in a skillet a mixture of beef, onion and green pepper. Stir with a fork while browning to break up the meat. When meat is brown, drain off fat. Add tomatoes, chili powder, salt, sugar and spaghetti. Heat to boiling. Cover and cook over low heat, stirring now and then, for 25 min., or until spaghetti is tender. Remove from heat and stir in milk. Serve hot. Makes 4 servings.

Earth Negro Shot At Slaton

Cebren Smith, 28, Earth Negro, was shot and killed Sunday at Slaton by a policeman after an altercation arising from investigation of an automobile accident.

Alvin O. White, 65, the officer said he was forced to shoot Smith when he attacked him with a knife, slashing him across the face.

Survivors are the widow Fra Mae; the father, C. C. Smith, Tulsa; and two sisters, Paulene McGee and Lena Brown of Tahoka.

One of the major changes in the 1955 program will be the use of three weight classes in the Swine Division instead of the two classes which have been used previously.

The additional class was added in order to cut down the huge groups of hogs in the judging ring at one time.

Also in the Swine Division, it has been decided to eliminate all pens of three classes.

Catalogs for this year's show are now being prepared and will be sent along with entry blanks.

The show annually attracts hundreds of 4-H Club and FFA chapter boys from approximately 25 counties in West Texas and Eastern New Mexico in several weeks.

The appointment of various sub committee personnel and show officials will be made very soon.

Ft. Worth Landmark Is Being Razed

FORT WORTH, TEX. (AP)—They're going to tear down the building that houses the famed old Seibold Hotel.

But it will be a long time before the Seibold is forgotten.

In its hey-day it was the only hotel that boasted hot and cold water in every room. It had a gala opening in 1908, and since then has won fame for a number of reasons, including its old saloon, its quaint stained glass windows, and good food.

The building that housed the hotel Edward Seibold opened 45

years ago at 7th and Rusk (now Commerce) had been occupied by the medical department of Fort Worth University.

Seibold added two more stories in 1908 and the old hotel was on its way to being a landmark.

It became a haven for cattlemen, who came here to swap cattle and drink at the long bar in the old saloon.

Later, the fine steaks and good food of the hotel lent it a lasting reputation.

The building is now owned by relatives of Edward Seibold. It's

IT'S THE LAW
in Texas
 A public service feature of the State Bar of Texas

Taxpayers who receive income from stock dividends will benefit from changes made by the 1954 Revenue Act. This act provides for the partial exclusion of dividends from gross income. The first \$30 of dividends received by the taxpayer will be excluded from his gross income. If the spouse of the taxpayer also receives dividends, include a total of those dividends from gross income.

If the stock is held as community property it is considered that one-half of the dividends goes to the husband and one-half to the wife. Amounts received from corporations, life insurance companies, mutual savings banks, and building and loan associations are also called dividends. However, for the purpose of this exclusion, they are not considered to be dividends and may not be excluded.

Another provision of the Revenue Act is the exclusion of dividends received from a trust. The trustee's liability is computed in the normal manner. However, if the trust is a grantor trust, the dividends received after July 31, 1954, are treated as if they were received by the grantor. This credit against the dividends received before August 1, 1954, and all dividends excluded from gross income in 1954. The credit cannot exceed 2 per cent of the 1954 taxable income.

Under the former law, 3 per cent of the proceeds from a trust was included in gross income, and the remainder was excluded until such time as the nonexcludable portion equaled the cost of the trust.

Under the new law, at the time the first payment under the trust is received, the taxpayer determines from a table the number of years of his life expectancy, which shall be excluded.

In the past, a person who had the right to build up a retirement income from private sources was penalized in that he had income on which he must pay a tax whereas the person who received only Social Security benefits did not have taxable income. The 1954 revenue act attempted to remove this inequity, and it has provided a credit against the in-

"Any of ours missing?"

News from Spade...

By Mrs. Joe Prater
 All classes of the W.M.I. met Friday in the Baptist Church annex for the first lesson on "The Star of the North Star," a mission study book on Alaska.

Mrs. Doc Vann was in charge of the lesson, which began at 10 a.m. The ladies brought a covered dish luncheon of food typical of Alaska.

That afternoon Mrs. Roy McQuatters, Sr. gave a talk on Alaska and showed films and slides. Those present were Mesdames H. Harvey, Doc Vann, Sam Tindal, Ray Ely, Bayne McCurry, Jess Emmons, J. R. Inklebarger, Ernest Savage, Ted Hutchins, Preston Pointer, W. F. Smith, Joe Blankenship, Arthur Turner and Roy McQuatters, Sr. The menu consisted of Alaskan salmon patties, green beans, vegetable salad, potato salad, carrots, macaroni and cheese, cauliflower or rhubarb and blue berry cobbler, coffee and fresh fried trout, prepared by Mr. Howard Harvey.

Mr. and Mrs. Travis Bundick of Olton were dinner guests in the home of Roy and Mrs. W. F. Smith last Monday.

IN HOSPITAL
 Mrs. Otis Elder has been a patient in the West Texas Hospital at Lubbock since Saturday.

Mr. and Mrs. Bob Watson and Cheryl of Hale Center visited her parents, Mr. and Mrs. J. R. Inklebarger Sunday.

Mr. and Mrs. Joe Prater, Mrs. Bayne McCurry and Roger Wil-

son visited Mr. and Mrs. Travis Bundick and daughter, who live eight miles north of Olton, Sunday afternoon.

Mr. and Mrs. Grady Duffer and daughter visited at Martha, Oklahoma last week.

SPADE GIRLS LOSE GAME
 Spade and Cotton Center girls played basketball in the Spade gym, Jan. 18 with Cotton Center coming out in the lead, 51-34.

Highpointer for Spade was Pat Pointer with 15 points and Martha Shaw with nine points. High scorers for Cotton Center were Mollie Cannon with 31 and Cora Clanton with 17.

TONSILS OUT
 Mike and Jan Stubblefield,

children of Mr. and Mrs. R. M. Stubblefield had their tonsils removed Wednesday at the Littlefield Hospital. Their baby sister, Tommie, has the chicken pox. Kenneth Ramage is home on leave before reporting for overseas duty.

Mrs. Ada Bundick and daughter, Ethel, visited their son and brother, Mr. and Mrs. Travis Bundick of Olton Sunday.

CANASTA PARTY
 Mr. and Mrs. John Vrabel entertained with a canasta and 42 party in their home Saturday night. Present were Mr. and Mrs. Junior Nicholas and Gay, Mr. and Mrs. Bobby Short and Danny of Fieldton, Mr. and Mrs. Bill Thom-

pson and Belinda and Roye Wayne, Mr. and Mrs. Bill Owens and Davy Lee of Littlefield, Mr. and Mrs. Charles Carpenter of Amherst, Mrs. Bayne McCurry, Mrs. Ellen Burns of Littlefield, and the host couple. The party was in honor of Charles Carpenter on his birthday. Cokes, coffee and cookies were served.

BABY FOR BLACKS
 Mr. and Mrs. Billy Ray Black of Amherst are parents of a daughter, born Jan. 14 at the South Plains Hospital. She weighed five pounds and 11 ounces and is named Melinda Lee.

The mother was formerly Jan-

et Garner who attended at Spade. The maternal grandparents are Mr. and Mrs. Hart Camp.

 Run your eye over the '55 Ford's long, low lines. Note the wrap-around windshield, the massive grille, the treatment of head lights. They're features inspired by Ford's fabulous Thunderbird.

TRY LUXURY LOUNGE INTERIORS!
 Step inside. You'll see thrilling new uses of color... new upholstery, many of which make their first appearance in a car... a new Astra-Dial Control Panel... and other smart appointments blended into a "luxury lounge" on wheels.

FEEL AN ANGLE-POISED RIDE!
 You'll discover that rough roads are "velvet-cushioned," smooth roads seem to become far smoother, and all handling is of extraordinary ease. That's because Ford's advanced Ball-Joint Front Suspension brings you a new Angle-Poised Ride. But this is only the beginning of the news you'll learn when you Test Drive the '55 Ford.

FORD ...and you'll want to drive it home!

"Thanks to G-E push-button control, son—
Starting our pump is easier than turning on a faucet!"

"It sure is easy to start our pumps with General Electric controls. Just push a button and the pump starts—that's all there is to it with G-E magnetic starters!" "And you can forget about this control once it's installed. That's because its all-weather case is so well protected from rust, rain, and all kinds of weather. Even the push buttons are weather-resistant!" "Now take the overload relays that protect our motor from overheating. They're in a special ventilated compartment so that the heat from the sun will not cause them to prematurely shut off the motor. This compartment is also protected with a rust-proof screen to keep out insects." "All-weather protection for the control means continued protection for the motor because the control guards our motor against damage from overloads and short circuits. And the motor itself is built to last a generation or more! Its controlled bearing lubrication and sturdy cast-iron housing keep it ready for service whenever we turn it on." "Son, General Electric knows our irrigation pumping problems and has the right motor and control team to solve them completely!"

CHURCHES

WHEN OUR SHIP COMES IN

Remember, as a child, how keenly you looked forward to that day mother so often talked about "When Our Ship Comes In."

Perhaps there was something you especially wanted, or there may have been some problem or severe hardship the family had to face, or perhaps there were dreams you longed to have come true, then mother would express the cheerful hope that all would be well "When Our Ship Comes In."

When one abandons the hope of seeing his ship — when faith dies — then we are old, whether we be thirty or ninety.

Your church can be a great influence in keeping alive faith — in hope that dreams will come true. Avail yourself of its aid. Attend regularly and your dreams, although they may change with the years, will nevertheless come true and YOUR SHIP WILL COME IN.

CHRISTIANITY IS THE ROAD to the solution of the perplexing problems of the hour.

THE CHURCHES and their messages are the guide posts on this road.

THE PUBLIC SPIRITED FIRMS listed on this page urge church support and attendance — thus working toward a greater and more spiritual community in which to live and rear our families.

PRINTER VAN COLTHARP of the Littlefield Press wasn't sleepy or bored when this photograph shows otherwise when Anton Cub Scouts took a tour of the plant Saturday. The popping flashbulb just made Van close his eyes. He wasn't the only one either. Note the apparently "sleepy" Cub in the center of the back row. The Cubs rode a train down for their first trip through a newspaper plant. (Staff Photo)

Mrs. Owen and Mrs. Douglas Owen are mother-in-law and daughter-in-law who share the same birthday. Mrs. Owen's children were present for the festivities. Edsie Wozencraft is on the sick list this week.

Rev. and Mrs. Campbell plan to go to Dallas this week to hear a series of lectures from foreign missionaries.

The Ministerial Alliance elected officers this week in its regular monthly meeting in the First Baptist church. Officers are President Rev. Charles Littleton, Presbyterian minister; Durward Price, vice-president, Educational Director at First Baptist church; Rev. R. H. Campbell, secretary, minister of the First Methodist church. The group discussed clothing for Spanish children. Anyone having clothing for children please contact Rev. Glen Godsey. The clothing will be distributed through the County Red Cross.

A new garage and storage room is being added to the Methodist parsonage this week.

Edd Lynn Burrus is home on leave. He is the son of Mr. and Mrs. Paul Burrus and is here to visit Judge Burrus who is very ill.

Mr. and Mrs. S. L. Knox are still in Houston awaiting an operation on Mr. Knox eyes. The operation had to be postponed because of other complications.

Mrs. Anita Dennis is a new employ at the Olton State Bank.

Mrs. Carl Macon visited with her daughter, Sue, Saturday. Sue is a sophomore in Canyon college.

'Candy' Jim Leaving Candy For 'Candy' Dog

TAYLOR, TEX. (AP)—"Candy" Jim Athas, who filled this Central Texas town's sweet tooth 56 years, has retired.

"I wish I could shake the hand of every boy and girl who ever came to my place for candy, soda water, popcorn or even a drink of water," says Greek-born "Candy" Jim.

"I had some good customers along the way too, some of the boys and girls like former Gov. Dan Moody, and others, who were regulars."

A native of Platana, Greece, near Sparta, Athas has been in the United States since he was 15. His first business venture was selling candy from a cart on Waco streets.

Then he came here and has sold candy from several sites, most recently the lobby adjoining the Howard Theater.

At "Candy" Jim's you were always welcome whether you bought a lot of candy or a penny's worth.

In fact, Mrs. Athas sponsored a "penny counter"—built lower than the regular counter—to serve the little tykes and allow them to practice counting as they bought their candies.

For years "Candy" Jim made his own candy. You could buy 25 lbs., at a whack if you wanted to. "Candy" Jim's recipes were for big batches.

"My candy making was no skillful cooking," he says. "I could not give a recipe for candy less than 25 pounds."

He became famous for his "sauerkraut candy." It was a caramel form but rich in coconut. For years "Candy" Jim never said how it got its name.

On retiring, he told. He said that in the early days of his candy-making he visited Des Moines, Iowa, and heard of this recipe. He learned to make it, and noted that when cooking, the coconut gives the appearance of sauerkraut.

Now Jim is going to take it easy, resting and playing with his dog—a white Spitz named "Candy."

No Ordinary Bollworm Just A Pink Colored

COLLEGE STATION, TEX.—(AP)—Dr. Erma VanDerZant, an attractive blond biochemist, has succeeded in rearing pink bollworms under laboratory conditions using sterile food.

It is the first time this has been done with a sterile food. The A&M college researchers said.

Rearing the cotton pest on sterile food was described as another step toward the development of an insecticide that will destroy it.

By withdrawing the source of the successful diet, the pest can learn which are essential to the insect pest. Then for an insecticide to be successful, less this part of the insect's diet in its natural habitat will be necessary.

What's new with Chevrolet.. everything!

Here are just a few of the features that make the 1955 Chevrolet an utterly new kind of car. It is a low-cost car, with low-cost gasoline economy and maintenance. But in everything else it rivals the finest—in styling, handling ease, riding comfort, acceleration, the full luxurious range of power assists and drive options. Call us—today—for the most eye-opening drive you'll ever take.

8 New 162-h.p. "Turbo-Fire V8" engine has ultra-short stroke, 8 to 1 compression ratio.	Sweep-Sight windshield gives safer wide-angle view.	Tubless tires are standard on all models, offer more protection against blowouts.	6 New "Blue-Flame 123" engine has six-cylinder economy, better cooling and lubrication.	Powerglide's automatic transmission now offers smoother shifts, has more durability.
Glass area is up to 18 per cent greater so all passengers get a broader panorama.	New "Touch-Down" Overdrive transmission reduces engine speed 22 per cent.	Bodies are wider inside, with more room for hips, hats and shoulders, both front and rear.	Glide-Ride front suspension with spherical joints gives softer flexing over bumps.	New interior fabrics in two-tone combinations harmonize with exterior colors.
12 VOLTS 12-volt electrical system gives easier winter starting, higher voltage for all speeds.
