

# Old Settlers Swap Tales At Reunion

MRS. V. V. WRIGHT AND BOB SMITH  
... he carried her bags

"Tell tall tales, eat lots of good food and put your little foot forward."

So read a telegram sent by Miss Myrtle Marian Shaw of Jacksonville, Fla., to the Old Settlers' reunion Tuesday afternoon, and in a few words tells the story of what went on at the celebration.

Some 200 Lamb County pioneers attended the fifth annual meeting of the Old Settlers Club, which got underway in the Community Center at 2 p. m.

President Bob Smith opened the program and introduced Gus Shaw, the club's first president, who served as toastmaster.

"We appreciate the foundation you have laid for our city," Mayor L. C. Hewitt told the old timers as he welcomed them to Littlefield.

Albert Miller, president of the Littlefield Chamber of Commerce,

brought greetings from that organization. County Judge O. H. Dent, a member of the club, lauded the settlers of West Texas for their friendliness and helpfulness.

Pat Boone, who each year donates the beef for the barbecue, told the group, "As long as I raise calves, I'm going to eat them and I want my friends to help me."

**Rev. Dunnam Speaks**

Principal speaker for the afternoon was Rev. "Hap" Dunnam, Hereford, former pastor of the Littlefield, First Methodist Church.

"The early day pioneer was as good as gold," he told the old timers. "They believed in one another and they believed in themselves."

He recalled that they not only possessed a spirit of faith but also the spirit of work. "It was with toll and sweat, blood and tears that our forefathers brought forth

this land," he continued.

Fritz Lichte, age 87, and George Stagers, age 87, both of Littlefield, tied for the oldest pioneers to attend Tuesday's affair. Campbell Duggan of Opelika, Ala., first postmaster of Littlefield won the award for having traveled the farthest distance to attend the meeting. His home is some 1800 miles away.

A square dance exhibition was put on by Mr. and Mrs. E. C. (Buck) Ross, Mr. and Mrs. Walter Martin, Mr. and Mrs. Lon Campbell, all of Littlefield, and Mr. and Mrs. Andy Thompson of Dimmitt. This was the fourth year the square dancers have performed for the celebration.

**Officers Elected**

Highlighting the business session was the election of officers. Lon Campbell, local implement dealer, was named president. Oth-

er officers elected were Mrs. Arbie Joplin, secretary; Mrs. Geo. E. Bohner, Otton, treasurer; J. L. Hinson, Springlake, vice-president; and Mrs. Stanley Doss of Littlefield, scrapbook custodian.

Eldridge Faust of Portales, N. M., barbecued the meat which was served at 6 p. m. A covered dish dinner was prepared by members of the club who reside in Lamb County.

Some 300 pioneers and guests attended a square dance at 8 p. m., which ended the day's activities. Music was provided by an old-time string band from Ralls.

"Out-of-county guests who registered for the celebration were: Mrs. V. V. Wright, Dallas; Mrs. E. S. Hemett, Plainview; J. L. Lenville, Dinno, Calif.; Mr. and Mrs. Maurice White, Dallas; Mr. and Mrs. Andy Thompson, Dimmitt; Miss Laura Kenedy, Corpus Chris-

t; Ruth Kennedy Gautier, Plainview; Mr. and Mrs. W. D. Aunett, Lubbock; Campbell Duggan, Opelika, Ala.; Mr. and Mrs. Lee Thompson, Farwell; Mr. and Mrs. Ed Bersel, Miles, N. M.; Barvey Smith, Muleshoe; E. J. Hewett, Plainview; Mr. and Mrs. C. L. Yeager, Sr., El Paso; Mr. and Mrs. Fontain Parker; Mrs. Bonnie Haberer, Muleshoe; Mr. and Mrs. D. J. Humphries, Levelland; Mr. and Mrs. H. A. Sheffield, Ft. Worth; Mr. and Mrs. J. E. Foust, Portales; Mr. and Mrs. Ben Smith, Floyd, N. M.; Mrs. Frances Talbert, Lubbock; Mr. and Mrs. O. G. Lichte, Lubbock; Mrs. Harold Combs, Clovis; Mr. and Mrs. Richard Kellen, Clovis; Mr. and Mrs. A. L. Wright, Odessa; Mrs. Josie Cunningham, Dimmitt; Mrs. George Bradford, Dimmitt; Mrs. Sid Sheffry, Dimmitt; Brenda Hestand, Portales; Mrs. R. E. Bingham, Lubbock.

I was in the W. B. getting a story from the formal opening of new business, when the

mail was from Mrs. Little's

Away back in 1913 Bob Smith helped his father run a cattle ranch in Lamb county. On the side he carried freight into Littlefield via horse and buggy.

On March 5, 1913, part of his load into town was the luggage belonging to a young widow and her 10-year-old son from Amite, La. The attractive young woman was moving to Littlefield to be a secretary for Major Geo. W. Littlefield, owner of the Littlefield Land Co.

Tuesday afternoon, Bob Smith and his early-day customer, Mrs. V. V. Wright, now of Dallas, got together once again at the Old Settlers' reunion. They recalled how Mrs. Wright, Mrs. White at that time, was the first woman ever to stay in Littlefield's first hotel. They talked about how Mr. Smith had hauled the lumber and stock for the first store to be built in the town. The store was known as the Street and Street Hardware Company.

The reminiscing which went on between Mr. Smith, president of the Pioneer Club for the past year, and Mrs. Wright was typical of hundreds of conversations held during the afternoon by the old timers of Lamb County.

### Sept. 19 Vote Slated to Decide School Issue

An election has been ordered on September 19 by the County Board of School Trustees to determine the question of annexing the Fieldton Independent School District to that of Littlefield.

Four previous elections have resulted in negative decisions. At this election, the total vote will be compiled from both school districts together, and if the results are in favor, Littlefield will annex Fieldton school district. J. Ernest Jones, secretary of the board of trustees, has announced.

Voting will take place at the Fieldton School building in Fieldton, an din the library of the Littlefield High School. Presiding officers at Fieldton will be W. J. Aldridge, and Robert Sullivan and Marvin Qualls will serve as clerks.

Arthur Jones will preside in Littlefield, assisted by Mrs. Susan Wilemon and Mrs. Arbie Joplin as clerks.

**Residents Urged to Vote**

All persons who are legally qualified voters in the state, county and school districts are urged to cast their votes by writing "For Annexation" or "Against Annexation" on their ballots at the polling places.

Pat Boone, president of the trustees, presided at the meeting at which the election was called. Other trustees present were George E. Bohner, N. Ray Kelley, Drew Wadkins, and Harry L. Woody.

**Austrian friend who had just landed in New York.** The air was thick with excitement as the two women talked. Months of anxiety and hard work were finally at an end, and the hopes of the Austrian woman and her American friend were at last realized.

"Renee," as the former actress has come to be known in Littlefield, was met at the dock in New York by another friend of Mrs. Little's, a former Texan. In spite of the fact the two had never met, they had no trouble getting together as some 2000 people left the ship.

After a two-day sightseeing tour of New York, Renee will fly to Lubbock where the Littles will meet her Friday night.

### W. H. Blackwell, Jr. Killed in Wreck In Mexico Friday

William H. Blackwell, Jr., age 36, was killed instantly about 11 p. m., Friday, when his car overturned near Chihuahua, Mexico. A native of Littlefield, Mr. Blackwell moved to El Paso last fall, where he was employed as a painter. His home in Littlefield was at 821 West 9th.

Mr. Blackwell, who was driving at the time of the wreck, is reported to have lost control of the car on a curve. He was accompanied by his nephew, Jackie Riding of El Paso, also a former Littlefield resident, and two El Paso men. One of the men from El Paso died late Monday from injuries he received in the accident.

The four men left El Paso earlier that day on a fishing trip.

Funeral services were held at 5 p. m., Monday in the First Baptist Church, Littlefield, with Rev. Wayne Perry, Sudan, officiating. He was assisted by Rev. Joe Denton, Whitharral, and Dr. Lee Hemphill, Littlefield.

Mr. Blackwell was born April 14, 1917. During World War II he served for 33 months overseas with the army in the South Pacific. He was a member of the Whitharral Baptist Church.

Survivors include his widow, the former Iris Taylor of this city; three daughters, Mauvereen, 6, Cherry Ann, 3, and Sheila Bee, 2; his parents, Mr. and Mrs. W. H. Blackwell, Sr., of 821 West 9th; four brothers, O. J. of Davidson, Okla., Sam of Portola, Calif., J. B. of Dimmitt, and Paul of Morton; five sisters, Mrs. Willie Booty of Vega, Texas, Mrs. George Hooper of Springlake, Mrs. Bertha Brannon of Odessa, Mrs. J. D. Richards of Littlefield, and Mrs. W. H. Young of Hot Springs, Ark.

### Arnett Arrested On Bad Check Charges Friday

C. O. Arnett was arrested last Friday on his farm near Sudan. Arnett was indicted August 4 by the county grand jury for swindle by worthless check, which is a felony.

Arnett was in Oklahoma at the time of the indictment. He returned to his home in Sudan last week.

The farmer is charged with passing worthless checks to the Brown and White Implement Company, Sudan, several months ago in the amount of \$47.81 and \$68.60.

The case is scheduled to be heard in district court on September 28.

### It's Pea Picking Time in County

It's pea picking time in Lamb County, and Johnny Gallen began picking 40 acres last Monday morning.

There are about 60 to 70 acres of black-eye peas in that area ready soon for picking.

Gallen has built a shed on the Spade highway to get the peas ready for shipping, and farmers who have peas to sell may contact him for packing assistance in selling their crop.

## CAPACITY CROWD TOPS YEAR AT PEP FINAL FARM DINNER TUESDAY

Whitharral has made a name for itself with the Air Corps base at San Antonio, where five boys graduated from Whitharral High School are now serving. Dole and Doyle Hewitt, twin sons of Mrs. Joe Hewitt of Whitharral, probably give the most confusion to their superior officers. The twins are completing their basic airman indoctrination course.

All of the boys shown in the photo above were guests of Mr. and Mrs. Sid Wade, Mr. and Mrs. Jack Wade and Weldon Wade at a chicken fry in Breckenridge, Park in San Antonio last weekend. Bill Wade is the son of Mr. and Mrs. Sid Wade of Whitharral, John Dukatink is the son of Mr. and Mrs. Adolph Dukatink of Whitharral, and Bill Gage is the son of Mr. and Mrs. Bill Gage, now of Littlefield.

### Mobile TB Unit Will Visit Littlefield September 18-19 During County Fair

A tuberculosis mobile unit from state health department will be at the Lamb County Fair grounds on September 18th and 19th, it was announced this week by Dr. I. T. Shotwell, Jr., general chairman of the project.

Local civic clubs will assist in bringing the unit to Littlefield for the second time during the Lamb County Fair.

"We are making an effort to eradicate tuberculosis through aid the mobile unit," Dr. Shotwell said this week. "The important thing in combating the disease is catching it in its early stages. The local doctor is urging every person of every race over 15 years

### Jack Christian Acts as Emcee at Pep Farm Dinner Held Last Tuesday Night

A capacity crowd of 85 farmers and business men packed the Pep school house Tuesday night for the final farm dinner of the year, sponsored by the Littlefield Chamber of Commerce. Jack Christian of Littlefield acted as master of ceremonies for the event, which climaxed a highly successful summer of monthly dinners held in Lamb County.

Home-made bread and heaping platters of food were served by Saint Ann's Altar Society of the Catholic Church in Pep, of which Mrs. E. V. Meyer is president.

Jesse Everett, Jr., secretary of the local Chamber of Commerce, urged attendance and entries in the Lamb County Fair, to be held September 17-18-19 in Littlefield.

Attendance at the dinner, usually limited to men only, was sparked with the presence of three ladies. Miss Martha Neuschwander, secretary of the Chamber of Commerce, Mrs. C. A. Miller, wife of the president of the Chamber of Commerce, and Mrs. Jesse Everett, Jr., were introduced by Mr. Christian.

**Possession Charges Filed Against Littlefield Man**

Charges were filed Friday against Ennis Webbington of Littlefield for possession for the purpose of sale.

According to Sheriff Dyer, 13 cases of beer were found in the Webbington home Thursday night when it was raided by the sheriff and Deputy R. D. Dennis.

Webbington was released under a \$500 bond. The case is scheduled to be heard in the county court September 16.

### Oil Test Well Down 8,322 Feet

Littlefield's oil test well, which is being drilled within the city limits, was drilling ahead yesterday in shale and lime. Drilling is now in the Pennsylvania formation.

The depth was 8,322 feet at 3:40 p. m. Wednesday.

No drillstem test has been taken recently.

The revised contract depth of the test is 9,300 feet. It is expected that the Mississippi formation will be reached at about 8,950 feet.

The test is known as the Texas Company No. 1-98 Union Compress and Warehouse Company.

ary meeting in July with representative members of the various clubs present. Phillip Gauss, Jr., of Austin, field director of the tuberculosis division of the state health department, explained the mobile unit to the group.

## School Registration Starts

### District Governor to Speak at Rotary

Littlefield's Rotary Club will be host Wednesday and Thursday, Sept. 2 and 3, to Herschel Coffee, governor of the 183rd District of Rotary International, who is making his annual visit to each of the 37 Rotary Clubs in the Northwest Texas district.

The district governor will confer in assembly Wednesday night with officers of the Littlefield club, and will address the regular meeting of the group Thursday at noon luncheon.

Mr. Coffee is professor and head of the department of economics and government at West Texas State College in Canyon and is a member of Canyon's Rotary Club. He is a past president and was a director and program chairman of the club. He is also a commissioner of the city of Canyon.

He was elected district governor

School doors will open in Littlefield at 1 o'clock Friday afternoon for registration of students in junior high, high school and 5th and 6th grades. Regular classes and bus service will begin Monday, August 31.

High school seniors register from 1 to 4 Friday, juniors from 9 until noon Saturday, and sophomores from 1 until 4 Saturday. Ninth grade students in junior high will register from 1 to 4 Friday afternoon, 8th grade on Saturday morning from 9 until noon, and 7th graders from 1 till 4 Saturday afternoon.

Fifth and sixth grade students who were not in school in Littlefield will register at Central school on Friday afternoon.

Primary grades registration took place Wednesday and Thursday for those children who were not pre-registered last spring.

**New School Features**

Of particular interest to junior high and high school boys will be the new shop building on the junior high school campus. A course in mechanical shop training will be offered for the first time this year, and the new building has been equipped with a full set of new shop equipment. L. C. Browder will teach the new course.

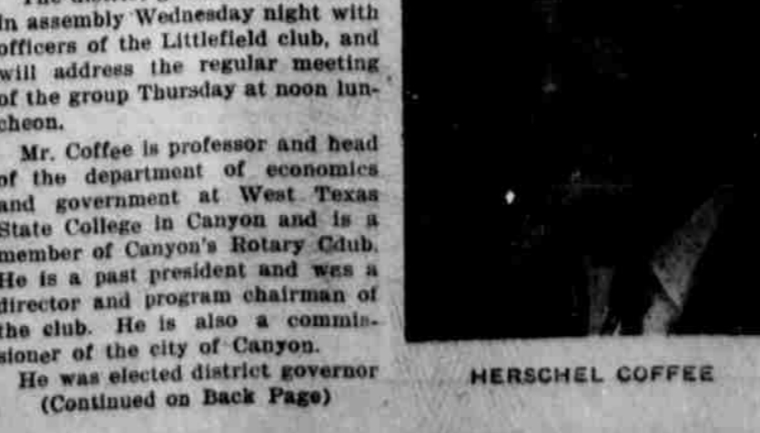

The cafeteria building attached to the new high school building has been decorated with smart curtains and a new floor in green and yellow plastic tile.

**Football Stands Built**

New football stands affording 1200 seats, built on a concrete and steel frame, will give added enthusiasm to the champion Wildcats' games this fall. Older wooden stands have also been repaired and painted.

**Faculty Meeting Friday**

Haldes R. Pearce, superintendent of schools, has announced a general faculty meeting to be held at 8:30 Friday morning in the high school auditorium. Fourteen of fifteen new teachers are expected to be present at this meeting. The general assembly will be followed by building faculty meetings at 10 o'clock.

# Little's To Have Formal Opening Saturday

## Special Features Are Announced For Opening Day

Little's of Littlefield, one of the newest and finest ladies' apparel shops in the South Plains area, will have a formal opening Saturday, August 29.

A complete selection of newest fall styles will be modeled throughout the day. Store hours will be from 9 a. m. to 8 p. m.

Frau Renee Von Bronneck, a native of Austria who will arrive in the United States Friday for speaking engagements will be at the shop during the day.

"We want to invite all our our friends and customers to come by and look over our new store," Mr. W. B. Little, congenial owner of the local firm, said.

The new store, which formerly was Allen's Apparel, was purchased by the local merchant the first of the year. New fixtures have been added, the entire floor has been carpeted, and the walls re-decorated in subdued tones. The stock has been greatly increased and the show rooms expanded.

A new five-ton refrigerated air conditioning unit has been installed for additional shopping comfort.

A complete line of top quality merchandise will be featured, including such lines as LHM Ann, Fashionbilt, and Presentation (half sizes) suits and coats. The new store will have a complete line of dresses by Tremayne, Reich, Irene Karol, Marey Lee, Donatog, Jantzen and Dan Gertman. Junior and half-size lines will include Virginia Speers, Daryl, Jonathan Logan, Jackie Nimble, Shenanigan, Junior House, Paula Dean, Simmaker and Sue Mason.

Complete lines of Luxite Lingerie and Formfit foundation garments will be carried. Hats by Gage, Sue Lee, and Admiration will be featured.

### New Departments Added

One of the major additions to the store is a complete "tot through teens" girls' department.

Such popular brands as Cater Frocks, Cinema, Ruth's originals, Marjorie Davey and Little Parisian will be carried.

A china department has been added, which is stocked with an exquisite collection of imported china, hand-painted by Mrs. Little. Mrs. Little also assists in the ready-to-wear buying.

One of the outstanding features of the opening day events will be the display of imported items sent to the store by Mrs. Von Bronneck, noted Austrian lecturer. A personal friend of the Littles, Mrs. Von Bronneck purchased such items as large pure silk scarves from Italy, and fine pettipoint jewelry in silver and gold inlaid frames from Vienna, especially for the formal opening.

Nancy Milford, 18-year-old Hereford girl, who was recently named "Miss Texas Salesgirl," will model the latest fall fashions during the formal opening. Miss Milford, an employee of the Little Fashion Shop of Hereford, was recently chosen the top sales girl in the entire state. She will represent Texas in a beauty contest sponsored by the Travellers Association at their Holiday Market in Phoenix, September 19.

Jackie Hill, a high school sophomore, and Joyce Thorpe, a freshman this fall at Texas Tech, will model what the well-dressed student is wearing.

## PRO vs DUFFER

By HENRY WILLIAMS  
Professional at Berkleigh Country Club, Reading, Pa.

No golfer yet has discovered how to make every approach shot stop dead when it hits the green.

But a great many golfers miss shots and waste strokes attempting it.

Don't do it. Hit approach shots naturally, firmly. Let the club head do the work of getting the ball up in the air and giving it backspin to put on the breaks when the ball reaches the green.

You can cut your score if you do.

Playing from tee to green you must first decide when the green is within range and what kind of a shot you are going to hit to get there. If you're within pitching distance don't make the mistake of trying to chop at the ball in an effort to dig in to get it to hold when it lands.

Chances are the swing will go

wrong, and the ball instead of being on the green a reasonable chance to pick up you may have to pick again, and the second is worse than the first. The most greens have traps, to catch poorly hit balls.

When approaching, take a comfortable, natural stance, club firmly. Try to swing the club face hits the ball squarely, on the line of flight and with enough force there.

Good clubs are designed just that when you use properly.

And you don't have a full swing with every shot. Three-fourths swing, a swing or less, whatever stroke will hit the ball to get it to the target.

Be sure you swing the club not try to chop the ball. Let the clubhead do the stopping the ball on the green. Your scores will be you do.

Mr. Little is the former owner of the Little department store of Littlefield. The first of the year he sold the firm, located at 4th and Phelps streets, to the Dunlap company.

### Native of Texas

A native of Knox City, Texas, Mr. Little began his merchandising career as a clerk in the Bryant-Link department store in Stamford. Four years later he was made manager of the firm's store at Post, Texas. In 1932 Mr. Little went to Levelland with the Jones Dry Goods. Seven years later he bought an interest in the Cobbs department store in Levelland and served as manager of the store. Mrs. Little was associated with him in the business there.

In 1945 Mr. Little sold his interest in the Levelland store to Cobbs. He then bought an interest in the Cobbs store at Littlefield, owned at that time by Mrs. Mary Rutherford. The store was then known as Little-Rutherford. In 1948 Mrs. Rutherford sold her interest in the firm to Mr. Little and the department store was then

## Here's How to be a Successful Hostess

Now that you have planned and carried out arrangements for the perfect party, don't spoil it all by the way you play hostess.

Of course you know that you and your husband should be in the living room at least five minutes before the hour at which your guests are invited and that all should have a warm welcome and equal and impartial attention.

But there are many things to remember if you want to be a successful hostess—and many of them

known as Little's.

Mr. Little also owns the Little Fashion Shop at Hereford, Texas, which is an exclusive ladies' ready-to-wear store.

The Littles are members of the First Methodist Church. Mr. Little is a Rotarian, and Mrs. Little is a member of the local garden club. They have one daughter, Billy Ruth, who is now Mrs. Fuston McCarty of Denison, Texas. Lt. McCarty is stationed at the Perrin Air Base there.

strat with "don't".

Above all, don't be one of the flutterers, constantly darting about emptying ashtrays, or asking if your guests would not like this or that. This can create such a nervous atmosphere that it ruins a party. Try for that happy medium which is alert, but relax, and—if you have no servants—let your guests wait on themselves a bit.

Don't display annoyance if a guest is late. If one is delayed, it is gracious to wait a few minutes after the dinner hour—20 at most—and then have dinner served. When the late guest does arrive, pass it off as smoothly and kindly as possible, and let the party roll on.

Don't be irked if anything goes

wrong. If a beautiful piece of china is broken or your costliest rug stained with coffee, keep your face and manner serene. Remember the one who did the damage feels far worse than you, and this is a place for kindness, if there ever was one. Say it doesn't matter and do whatever else you can to put the damager at ease.

Don't be eager to keep the conversation from dying that you bounce into every second's silence with another subject. Of course the conversation shouldn't really die or get into a rut. But a few short silences won't do it any harm.

As hostess, of course, you are responsible for keeping the talk flowing smoothly and for steering it away from trouble shoals. The way to do this most skillfully is to give considerable trouble to your guests, their interests and some topics of general interest before your party begins. Then, when a pocket of silence opens, you will have something to drop into it easily to start conversation again.

Don't make your guests watch television all evening unless you know that they want to. It may put a strain on the eyes of some and it will be kinder to learn their preferences first.

## Cottonseed Stored For 15 Years Still Germinates, Specialist Declares

Under controlled conditions, cottonseed has been stored for periods up to 15 years and germination was most effected by moisture and temperature, says Fred C. Elliott, cotton specialist for the Texas Agricultural Extension Service.

Seed from two upland cotton varieties were used in the tests which were conducted jointly by the Tennessee Experiment Station and the USDA. The seed were divided into lots and adjusted to moisture levels ranging from 7 to 14 percent. Samples of each were stored in constant temperatures of 90, 70 and 33 degrees Fahrenheit. Similar lots were stored at normal uncontrolled air temperatures at Knoxville, Tennessee.

After 15 years in storage, Elliott says, seeds kept at 33 degrees F. with 7, 9, and 11 percent moisture still germinated well. Those stored at 13 percent moisture showed some deterioration while those with 14 percent moisture showed some deterioration while those with 14 percent moisture were all dead after 15 years.

Seeds stored at 70 degrees and with 7 percent moisture for 15 years still showed 73 percent of the seed capable of germinating. All lots stored at 90 degrees with more than 7 percent moisture were dead at the end of test period.

Seeds stored at uncontrolled air temperature did not fare so well, says Elliott. Only those with a moisture content below 7 percent survived beyond three years in storage and all lots were dead after 12 1/2 years.

Most rapid deterioration of seed occurred at 90 degrees. Those containing 14 percent moisture were dead or badly deteriorated in three years, says Elliott.

## Social Security Representative To Be Here This Week

Mrs. Juanita Short, field representative of the Lubbock Social Security office, will be at the post office in Littlefield at 1:30 p. m. on Wednesday, August 26 to assist in all matters pertaining to social security.

There are many self-employed persons who should file an application for social security benefits immediately because net earnings for 1953 have dropped far below their earnings for 1951 and 1952, according to John G. Hutton, manager of the Lubbock Social Security office. Even though these people are continuing to operate their businesses and will make over \$1800 in self-employment in 1953, it is still important that an application be filed to establish a retirement benefit based on high net earnings in 1951 and 1952.

It is possible for a self-employed person between these ages to net \$900 annually and still receive his monthly social security check. In the cases of those clearing over \$900, but not more than \$1725 annually, there is still a possibility of one or more monthly payments for the year. Mr. Hutton urged that persons in this group contact the social security office to discuss their individual cases.

All persons who are past 75 should file an application whether they are working for wages or are self-employed, since these people may draw their social security no matter what their earnings from wages or self-employment.

Self-employed individuals should bring their copies of their 1951 and 1952 self-employment tax returns when discussing their cases so that more accurate information can be furnished in each case.

PEORIA, Ariz. (AP)—Mrs. Pauline Walker, 30, grabbed a pitchfork and held off an enraged bull until her husband, who had been trampled by the animal, crawled out of the pen on their ranch here. Jack T. Walker, 32, was treated for broken ribs and a fractured jaw in a Phoenix hospital.

PEACOCK TROUBLE CHICAGO (AP)—Mrs. Sydney Katz called police who doubted her complaint that there was a peacock in the backyard. Sure enough, there was. Officers netted the resplendent bird with the help of the animal keeper of a nearby zoo.

MOST ANCIENT FARM BIRD The goose is believed to be the most ancient of farm birds.

INDIA'S COTTON NEW DELHI (AP)—India's land under cotton cultivation in 1952-53 totalled 12,700,000 acres, Agriculture Minister P. S. Desamukh says. There is "room for some increase" in acreage, but the government placed greater stress on increasing yields in areas now cultivated.

## A LION OR TWO

The Tall Twister says that he wonders if the eloquent founders of this nation would have talked so glowingly of posterity, if they had known we were going to be it.

Mark Twain once told a story of his early lecturing days. Arriving in a town where he was to speak in the early afternoon and seeing that the evening lecture was poorly billed, he stopped in at the general store and addressing the proprietor, said: "Good afternoon, my friend, any entertainment here tonight to help a stranger while away his evening?" The storekeeper straightened up, wiped his hands on his apron and said: "I expect there is going to be a lecture—I have been selling eggs all day."

We enjoyed having our new Chamber of Commerce manager, Jesse Everett, at our meeting last week. Jesse is making a lot of friends fast—and Jesse, you know the Lions here will back you in any worthwhile project of the Chamber of Commerce.

Several of the Lions had a lot of fun at the First Annual Invitational Golf Tournament held here last week end. Lion Kenneth Wright, golf pro at the club, and the many committeemen and committeeladies really did things up brown. Speaking of golf—the golfers, at least, will appreciate this one:

"Who's that stranger, mother dear? Look, he knows us, ain't that queer?"

"Hush, my own, don't talk so wild; That's your father, dearest child." "That's my father? No such thing! Father died away last spring."

"Father didn't die, you dub; Father joined a golfing club. Now the club is closed, so he has no place to go, you see. No place left for him to roam, That is why he's coming home. Kiss him, he won't bite you, child; All them golfing guys look wild." —Boardwalk Illustrated News

The identity of the young lady's withheld, but the memory of her answer lingers with the instructor conducting a science course at a local high school. One of the requirements in the written quiz was: "Define a bolt and nut and explain the difference, if any." The girl wrote:

"A bolt is a thing like a stick of hard metal such as iron with a square bunch on one end and a lot of scratching wound around the other end. A nut is similar to the bolt only just the opposite being a hole in a little chunk of iron sawed off short with wrinkles around the inside of the hole."

The startled professor marked that one with a large "A".

The Lion Tamer says that worry is the interest you pay on trouble before it comes.

## Increase In Soil Testing

A continuing increase in soil testing of samples from South Plains and other Texas counties has been noted in the past year in the laboratory at Texas A&M College.

M. K. Thornton, agricultural chemist and director of the laboratory, said he would like to see a uniform flow of samples from farms, ranches, gardens and flower beds.

The soil testing service started in November, 1950, has expanded steadily. Effects of drought have not blunted the interest for more soil analysis, according to the year's flow of samples, Thornton said.

The past year saw 7,790 analyses made. Hundreds more were made throughout the state in other laboratories, Thornton explained.

Totals by Extension Service districts and leading counties within each are as follows: District One, 385—Parker, 64; District Two, 302—Lamb, 42, and District Three, 219—Motley, 75.

It will soon be time, explains Thornton, to plant winter legumes and that means it is time now to get soil tests made on the fields

where the legumes are to be planted.

These plantings, he adds, have been materially reduced during the past two years because of dry weather and should moisture conditions become favorable this fall, increased plantings are sure to be made. Then too, acreage reductions in some of the principal crops are a definite possibility and this will leave land for other crops.

Thornton believes that legumes should be used on a lot of the left out acres if acreage control program again become operative.

Cool Drinks For Warm Days

BOY! IT'S FUN, when you know there's more. RASPBERRY MILK SHAKE, easy, quick, tasty.

By CECILY BROWNSTONE  
Associated Press Food Editor

Quick as a wink, you can have an ice-cream soda right in your own home. Small fry, as well as everyone else in your family, will enjoy this recipe because its lemonade base gives it a most refreshing flavor.

Want to up your youngsters' milk quotient? Then serve them this milk shake flavored with fresh raspberries.

As a go-along for either drink, the Spiced Butter Crisps are perfect. All the ingredients needed for them will be in the house, and they have a delightful flavor when they're allowed to bubble under the broiler. This is a good recipe to keep on hand for small-fry snacks or to serve to unexpected company with iced tea or coffee.

**Lemonade Ice Cream Sodas**  
Ingredients: 1-2 cup frozen concentrate for lemonade (thawed and undiluted), 1 pint vanilla ice cream, two 7-ounce bottles sparkling water, 4 strawberries.

**Method:** Put 2 tablespoons of the lemonade concentrate in each of four (about 10-ounce) glasses. Add a small scoop of the ice cream and partly fill glasses with sparkling water. Stir vigorously to mix ice cream with other ingredients. Divide remaining ice cream among the glasses and fill with remaining soda. Garnish each soda with a strawberry—it will stay propped up on the floating scoop of ice cream. Serve at once with iced tea spoons and straws or with spoon-sippers. Makes 4 servings.

**Raspberry Milk Shake**  
Ingredients: 3-4 cup crushed fresh raspberries, 1-1 1/4 cups milk, few grains asst. 1 pint vanilla ice cream, few whole raspberries.

**Method:** Use potato masher to crush raspberries before measuring. Put berries into a container with milk, salt and three-quarters of the ice cream. Shake or beat until blended. Pour into 4 glasses and top each glass with remaining ice cream and a few whole berries. Makes 4 servings.

**Spiced Butter Crisps**  
Ingredients: 3 tablespoons butter, 1-4 cup firmly-packed light brown sugar, 1 teaspoon cinnamon, 1-2 teaspoon nutmeg, dash of ginger, 2 tablespoons chopped walnuts or pecans, 6 slices bread.

**Method:** Cream butter, sugar, cinnamon, nutmeg and ginger. Mix in nutmeats. Toast bread and cut into triangles. Spread triangles with spiced mixture. Arrange on cookie sheet; place under broiler heat until bubbly.

## Japanese Opera Company Now Making Money After 20-Year Losing Streak

By FRED SAITO

TOKYO (AP)—A Japanese classical opera company at last has ended its 20-year money-losing streak. Its 25 members will become the first Japanese musicians in history to make money on western opera performances. The Fujiwara Opera Company is barnstorming the United States (August through December) presenting Puccini's "Madam Butterfly" at almost 30 cities. All recitals have been guaranteed by American promoters.

Seventeen pretty girls and seven men of the company left Japan for the United States. The prima donna, Mrs. Michiko Sunahara, left Paris to join them at Los Angeles and the first performance at the Greek theater August 4.

**Glamorous Star**  
Mrs. Sunahara, 30-year-old mother of a daughter, made a series of smash hit performances as Cio-Cio San at the Opera Comique, Paris, last year. She is perhaps the most glamorous Japanese singer ever on the stage.

Classical opera performances never have been self-supporting in Japan. Western music was imported some 100 years ago. Prima donnas and opera chorus members in Japan never have expected pay. Usually they footed all expenses and debts from the performances.

The Fujiwara group gambled last December by singing in New York with the New York City opera. The members dutifully footed most expenses. Unsettled debts from the venture have totaled six million yen (\$16,600).

**Gamble Pays Off**  
But the gamble paid off. Yoshie Fujiwara, 55, founder and manager of the company, has received scores of guarantee offers not only from the United States but from Italy, France, Spain, Brazil and Argentina.

"I believe our trip this time will enable us to settle at least one half of last year's debts," Fujiwara said. "The rest will be settled next year from our trips to Europe and South America."

The Japanese audience does not mind paying \$10 for a title boxing match or \$5 for a jazz concert but does mind paying even a dollar for an opera recital.

The Fujiwara Opera Company has survived 20 years of continuous losses simply because its members were mostly sons and daughters of well-off families.

In a country where the cheapest piano costs a year's salary of an average worker, only rich families can afford music lessons for their children. Members of the company

mostly are graduates of the National Conservatory at Tokyo or private music academies.

MICHIKO SUNAHARA

The only exceptions are a baritone who majored in art in college and the manager who did not complete high school.

**Career Musician**  
Born of a British diplomat and his now estranged Japanese wife, Fujiwara had a miserable childhood. He built up his career strictly by himself as the pioneer of western opera in Japan.

He is one of few Japanese singers who can profit from individual recitals and offset opera losses to the extent that he doesn't also have to teach at a music academy or instruct pupils at home.

The government rewarded him last year with a prize for his tireless efforts and contributions to western music in Japan.

"I've sung as Pinkerton (the American officer in 'Madame Butterfly') for 20 years without payment," Fujiwara said.

"But from now on I'll be a non-singing manager, entirely satisfied. Foreign talent will sing the role."

**OBLIGATORY MARRIAGES**  
Among the Bagas of French Guinea, marriage is obligatory between the husband's brothers and his wife's sisters, according to the Encyclopedia Britannica.

## HOW TO DOLL UP A PEACH

By CECILY BROWNSTONE

Associated Press Foods Editor

Maybe you think a peach has glamor galore and doesn't need any dolling up. Well, even the sweetest peach by the world can stand a little enhancement.

Old-time cookbooks knew how to make the most of a peach. Call the recipe roster. Peach ice cream and sherbet, peach pie and short-cake, peaches pickled and preserved, peach fritters, peach puddings including the Betty, that grande dame of peach desserts—the Melba, homebody peach dumplings, satisfying peach turnovers and tarts.

There's one missing? You're right. It's that glorious concoction known as Peach Cobbler. We've added a new twist to this old-fashioned recipe—just to give some extra allure.

### FRESH PEACH COBBLER

Ingredients: 3 to 4 cups sliced fresh peaches, 1-2 to 3-4 cup sugar, 3 tablespoons quick-cooking tapioca, 3-4 cup water, 2 tablespoons margarine (melted), 1 1-2 cups sifted flour, 2 teaspoons baking powder, 1-2 teaspoon salt, 6 tablespoons margarine, 1-2 cup milk, 1 tablespoon sugar, 1-4 teaspoon cinnamon, 1-4 cup silvered toasted almonds.

Method: Mix peaches, 1-2 to 3-4 cup sugar, tapioca, water and 2 tablespoons melted margarine. Pour into a greased deep baking dish. Sift flour, baking powder

LEMON SAUCE

Ingredients: 1-4 cup sugar, 1 tablespoon cornstarch, 1 cup water, 3 tablespoons lemon juice, dash of salt, 1 teaspoon lemon rind, 1 tablespoon margarine.

Method: Mix together thoroughly the sugar, cornstarch and salt. Stir in water and lemon juice until smooth. Add lemon rind. Stir and cook over moderate heat until thickened and clear. Remove from heat. Add margarine and still until melted. Serve warm. Makes about 1 cup.

## International Sunday School Lesson

### Christian Standards Demand Best in Devotion to Ideals

By Rev. John C. Taylor, Pastor Parkview Baptist Church

(Editor's Note: Beginning with this issue of the Leader, the International Sunday School lesson for the following Sunday will be discussed by ministers of the various Littlefield churches.

The Rev. John C. Taylor, pastor of the Parkview Baptist Church and president of the Littlefield Ministerial Alliance, has written this week's column, and will continue to do so through the month of September. Each month another local minister will be asked to contribute to the column.)

Topic for August 30: Standards for Christian Leaders.

Scripture Lesson: I Tim. 4:7-16. Golden Text: "Neglect not the gift that is in thee . . . Meditate upon these things; give thyself wholly to them; that thy profiting may appear to all." vs. 14, 15.

Central Truth: The necessarily high Christian standards and the task (commission) of a Christian demand the very best in devotion to these ideals.

In every area of life leaders are needed. The hallmark for success in business, science, art, homes, government and the church is good leadership.

This Sunday's lesson presents the essential standards for a Christian leader. It should encourage Christians to accept the calls to leadership. It should discourage any from responding who are not willing to follow the standards set forth in God's Word, the Bible.

The door to leadership in churches is open to all who will enter. Relatively few become leaders because only a few are willing to meet the standards for Christian leadership.

These standards in this Sunday's scripture lesson can be grouped into four main teachings: consecration, conviction, character and compliance to preparation.

(1) Christian leaders must be consecrated. "Take heed unto thyself," Paul admonishes young Timothy (v. 16). This is the major consideration for any leader, that

and salt together. Cut in 8 table spoons margarine. Add milk and toss lightly with a fork until flour is moistened. Turn dough out onto prepared pastry cloth or waxed paper; knead 1 minute. Roll into a rectangle 9 inches long. Brush with extra melted margarine. Mix together 1 tablespoon sugar, cinnamon, and almonds; sprinkle over dough; roll as for jelly roll and cut in 1-2 inch slices. place on top of peaches and bake in a hot (425F) oven 30 to 35 minutes. Serve warm with lemon sauce and whipped cream if desired. Makes 6 servings.

Be an example in conversation (manner of life and contacts with others). Be an example in love. Be an example in spirit (co-operation and attitudes). Be an example in faith and be an example in purity (clean habits of body and mind).

(4) Leaders must be willing to prepare and continue training. This does not necessarily refer to formal education as such. With our great American opportunities in secular training and the progress of Christianity in Evangelism, Christian Education and Revelation, we have greater church leaders than before. But we need more good leaders who are trained and prepared.

Most of our denominations have training literature and training programs for the layman as well as the full-time servant. A pastor remarked to another, who could not avail himself of the seminary training, "I am getting a better education from our denominational material and programs than I received from the concentrated study in the school."

A Sunday School superintendent or other leaders in a church can educate himself for his specific place of leadership if he is willing to take advantage of his opportunities for training and preparation.

Christian leaders should study their church materials, and program for doing the work of God, but even more so, study the Bible. II Tim. 2:15, "Study to show thyself approved unto God, a workman that needeth not to be ashamed . . ." Note another translation of the last part of that verse, ". . . and who knows how to use the word of truth to the best advantage." (Phillips).

These are very high standards. Christ said, "Be thou therefore,

perfect." Looking into this mirror should not discourage us in our desire to be of value in the work of God's Kingdom.

Though the beloved said that sinfulness is not so on our part in 1 Jn. 1:8, 10, in verse 9 he tells what to do with sin. Paul blends the statement of sinful nature with the command of Christ in his practical exhortations to, ". . . labour and suffer reproach," better translated, "toil and strive," (RSV).

Christian people, "Take heed unto thyself, and unto the doctrine; . . . be an example . . . and neglect not the gift that is in thee . . . for in doing this thou shalt both save thyself, and them that hear thee."

## Amrert Man Convicted Of Driving Tuesday

J. O. Sweat of Amrert was convicted of driving drunk Wednesday for driving drunk. Sweat was arrested at 7 p. m. Tuesday.

The case was tried by Judge J. O. Dent. Sentence was suspended for 30 days.

Since the new law, which made a jail sentence mandatory on sons convicted of driving drunk, went into effect after Sweat was arrested, he was tried under the old law.

## Red Steps Out of a Man's Shadow

Here's Red scoring the winning run on a home run in the 14th inning to give the National League a 4-3 victory in the 1950

All-Star game in Detroit. Congratulating him is Andy Pafko, then a Chicago Cub.

Red Schoendienst has paced NL second basemen four times. In 1950 he made 320 errorless plays in a row.

At 30 Schoendienst is the National League's answer to switch-hitting Mickey Mantle. Red hits both ways.

## By FRANK ECK

AOP Newsfeatures Sports Editor Al (Red) Schoendienst has been traveling in select company for the last seven years. That's how long he's been rooming with Stan Musial, the National League's perennial batting champion, when the St. Louis Cardinals are on the road. It is only natural that the 30-year-old redhead has been playing in the shadow of Stan the Man all these years. Musial is regarded as one of the greatest hitters in major league history, and with good reason. He has led the National League in hitting six times and always hits above .300. Schoendienst hit .300 but once and that was last season when he just made it with a .302 mark. But now the popular second baseman from Germantown, Ill., appears ready to step out of the Man's shadow. Since last May, Schoendienst has led the National League in hitting, give or take a day when the Giants' Monte Irvin was on a streak and passed him. And it was only recently that Musial started hitting to overcome his worst batting slump. When Schoendienst was hit over the eye by a thrown ball in a game against the Giants, it

looked like he would be finished for the season. Had the ball hit him higher on the cheekbone, he could have lost an eye. As it was, the injury necessitates 10 stitches and kept Red out of action for a week. But when he returned, he picked up where he left off in his serious bid for his first batting title. He made eight hits in his first 15 times at bat following the injury and now he threatens to become the new Mr. Red-bird of St. Louis. If Schoendienst wins the hitting title it would be the second time in the National League that a second sacker finished on top in the last 25 years, or since Rogers Hornsby won his seventh crown in 1925 with .357. In 1949, Jack Robinson, playing second base for the Dodgers, led the circuit with .342, four points above Musial. In the last 40 years the American League has had only four second basemen as batting champions—Billy Goodman (.354 in 1950, Red Sox), George Stinewiss (.309 in 1945, Yankees), Charley Gehring (.371 in 1937, Tigers) and Bud Myer (.349 in 1935, Senators).

## There's a Butler In Your Freezer

By CECILY BROWNSTONE  
Associated Press Food Editor

We wish we dealt in magic! If we did, we'd say abracadabra and endow every harassed hostess with a home freezer plus a copy of Hazel Meyer's recently published "The Complete Book of Home Freezing" (Lippincott).

So easy to entertain if you can prepare food ahead and put it in a freezer! So many ideas in Miss Meyer's book on how to use your freezer and have guests without having hysterics!

We hurry to say there's lots besides hostess-help in Miss Meyer's book. It does just what its title implies—gives you complete home freezing information based on the author's own practical experience plus her investigation of sound research. Dr. George Cook of the Long Island Agricultural and Technical Institute was one of the authorities who checked the book.

Did you know you could package hamburgers by the yard? "Do this," Miss Meyer writes, "by placing a row of equal-sized, flattened patties on a strip of cellophane about 6 by 36 inches, leaving two inches of space between each patty. Cover the strip with another piece of cellophane of the same dimensions and fold the margins in close to the meat. Make a compact package by folding the covered meat patties back over each other accordion style. Put this cellophane package in a polyethylene bag, sealing air out. When you want hamburgers for dinner, you can merely cut off as many of the patties as you need with a pair of scissors without disturbing the remainder. Pre-shaped hamburgers take less time to defrost than the same amount of ground meat packaged in bulk.

We were intrigued by Miss Meyer's book dedication: "To the memory of my father, who loved his family's enjoyment of the picture-book meals he so often prepared." So we asked her about one of her father's eye-appealing dishes. She said she would never forget their first sight of his planked steak, with potatoes prepared four different ways—Hashed Brown, Caramel, French-fried and Stuffed-baked—gracing each corner of the plank! But now it's two of Hazel Meyer's own recipes we want to give you. Old favorites of our own, we tried her versions and found them just as delicious as we thought they'd be.

## FILLETS WITH ALMOND GRAVY

- 1 pound package any fish filets
  - 4 tablespoons butter or margarine
  - ½ cup sliced blanched almonds
  - 2 teaspoons flour
  - ½ teaspoon salt
  - ½ teaspoon black pepper
  - ¾ cup cream (sweet or sour)
- When filets are thawed enough to separate, pan fry in butter until golden brown on both sides. Remove fish from skillet and keep hot. Saute almonds in butter remaining in the skillet until brown. Blend in flour, salt and pepper. Warm cream and add it gradually to the skillet, stirring constantly and cooking over low heat (do not let it boil) until the mixture is blended and thickened. Arrange fish on platter and cover with the almond gravy. Serves 4.

## AVOCADO SHERBET

- 1½ cups mashed avocado
- 1 cup lemon juice
- 1 cup orange juice
- 2 cups sugar
- 1 pint heavy cream, whipped
- 2 teaspoons grated lemon rind.

Combine the fruit juices, avocado, sugar and lemon rind, blending until sugar is completely dissolved. Pour this mixture into ice-cube trays and freeze for about ½ hour. Remove from the freezer, turn it out into a bowl and stir it well. Fold in the whipped cream. Pack in rigid wax tub or plastic containers and store in freezer. Twelve servings.

## Special Program To Be Presented

A program of missionary education will be held Sunday evening at the First Presbyterian Church. A one-act playlet will be presented. Special music will be included on the program.  
Mrs. Hector Mackay, Mrs. Henry Haupt and Mrs. Arbie Joplin are in charge of the service.

## Everyone Likes Cool Nights

We have enjoyed some cool nights and mild days this past week. In addition to the pleasant weather, we also received .45 of an inch rainfall last Sunday evening. Temperatures for the week were: Thursday-high 88, low 66, Saturday-high 93, low 65, Sunday-high 96, low 68, Monday-high 96, low 67, Tuesday-high 92 low 66 and Wednesday-high 92, low 66.

Don't ruin your picnic, summer camp or vacation by forgetting even for one moment that water sports can be dangerous. Don't become a cold statistic.

### Two Community Reporters Added To Leader Staff

Two new community reporters have been added to the Leader staff this week.

Mary Ann Diersing, daughter of Mr. and Mrs. V. M. Diersing of Pep, will cover the news in that community. Mary Ann is a senior in the Pep high school this year and a member of the Catholic church.

Mrs. W. L. Crosby will report happenings in Amherst. A graduate of Amherst high school, she is the former Joan Priddy, daughter of Mr. and Mrs. R. B. Priddy of Amherst. Mrs. Crosby is a member of the Methodist church and the Junior Study Club.

News from both communities are in this week's edition.

### Gus Shaw Speaks At Lions Meeting

Gus Shaw, local "pioneer," gave a very interesting program Wednesday noon at the regular meeting of the Lions Club in the basement of the Methodist church.

Mr. Shaw, who made his first trip to Littlefield in 1918, gave a humorous and interesting account of his first view of Lamb County and a number of incidents that endeared him to the hearts of the Lamb County residents of that time.

Further in his talk, he praised the efforts of the pioneers of this area, and expressed high hopes for the future development of the county in the field of produce and truck crops.

NO SNORING, PLEASE  
In his own way little Miki Frey enjoyed his mother's O. E. S. installation.

When Mrs. N. N. Frey of Spade was installed as Worthy Matron of the Eastern Star earlier this summer, her five-year-old son was on hand. He even did his bit to help by carrying the Bible during the ceremony.

When the service was over and it was time for the photographer to take pictures of the officers, he caught Miki sound asleep on the side line.

Hot weather and high humidity spell huge hog losses unless special attention is given to making the trip to market safe and comfortable for the hogs. Good ventilation, wet, clean sand for bedding and frequent checks while enroute will help keep losses down.

### Farm Dinner

(Continued From Page 1)

Drugs, Forrest Spear of Garland Motors, and Joe Ferrell of Dunlap's.

Appreciation to the ladies who served dinner and the residents of Pep who made arrangements for it was expressed by C. A. Miller, Chamber of Commerce president. Vic Diersing of Pep welcomed guests to his community.

Another series of dinners will be given next summer to promote cooperation and understanding between farmers and business men.

## 59 Years Is a Mighty Long Time

Fifty-nine years is a long time to stay married, but Mr. and Mrs. O. D. Click of Littlefield have passed that mark and are aiming to make it sixty! The Clicks observed their fifty-ninth anniversary on August 5, but did it so quietly that it took a week for the neighbors to catch up on the news and bring them gifts.

Mrs. Click was Miss Eva R. Vaughn when she met Mr. Click in Fillmore, Ind., in 1894, and she laughingly says, "I thought he might be my last chance, so I married him." They moved from Indiana to Oklahoma in 1903, and spent 23 years farming near Chattanooga, Okla.

Mr. Click is looking forward to being recognized as an "old settler" here in about three months.

# Over 300 Attend Soil Conservation Tour Thursday

## East Zone Baptist Training Union Elect New Officers

New officers for the East Zone Baptist Training Union were elected at the regular monthly meeting held August 16 at the Lamb's Chapel church.

Keith Tomes of Amherst was named director for the coming year. Mr. Tomes will replace Dewey Parker of Hart Camp, who has served as director for the past year. Other officers elected were Miss

Rosalee Hemphill of Littlefield, secretary; Mrs. H. L. Garner of Fieldton, pianist; and H. L. Garner of Fieldton, song director.

Other outgoing officers are Diana Cotham of the Littlefield Parkview Baptist Church, secretary; and Mr. and Mrs. Ernest Hock of the First Baptist Church, who have been serving as song leader and pianist.

## Visiting Dutch Farmers Intrigued With U.S. Irrigation --and Football

To study irrigation methods may have been the principal reason that four Dutch farmers were brought to Lamb County last spring. But such subjects as football will also be looked into before the boys return home.

The four Dutchmen were all together Thursday when they attended the Lamb County Soil Conservation tour. After the barbecue dinner, the four began comparing views on American life.

All four of them were smoking Phillip Morris cigarettes. "They're more like our own cigarettes than any other brand," 28-year-old Pete Deleman commented. A graduate of The Hague, Pete is the oldest of the four and quite often the spokesman for the group. All the boys speak excellent English.

They agreed they preferred the Dutch method of financing television and radio. They explained that as in England, both media are owned and operated by the government. Instead of being financed by advertising dollars, each listener pays a monthly fee for the privilege of tuning in.

The men are quite intrigued with football and hope to see both high school and college games this fall.

"Soccer is the leading sport in our schools. None of us has ever seen a football game," one of them commented.

They compared the government of The Netherlands to that of England. Queen Julianne is quite beloved, they said, and her husband Prince Bernhard is popular. They explained that unlike his British counterpart, Prince Phillip, Bernhard actually has a great deal of power in government affairs.

Ranging in ages from 18 to 28, none of the group is married. They are enthusiastic about West Texas and feel they have already learned much. On Thursday's tour they saw five different irrigation techniques exhibited.

Names of the other foreign visitors are Von Cavelaeres, Von Ohler and Andres Spekerman. They were brought to Lamb County by the U. S. Department of Agriculture.

## Like Father . . . Like Sons

Bell bottom trousers are becoming quite a fad in the R. D. Dennis family of Olton. Pictured above is Mr. Dennis, (center) chief deputy sheriff of Lamb County, in a World War I version of the navy blue flannels. On either side are his sons who are wearing more recent copies of dress blue.

Donald, left, is on his way home from Korea after over a year's overseas duty. His brother Robert (right), a former radar electronics technician, is now foreman of the Dennis Builders and Supplies of Lubbock. The above picture was taken two years ago, the last time Donald was home. Both boys are graduates of Olton high school.

**A LONG MEMORY**  
LOWELL, Mass. (AP)—Maybe this moose had a long memory. Conservation officers say a

moose invaded a back yard in this city of more than 100,000 recently and trampled on a red hunting outfit being aired on a clothesline.

### Maj. Stubblefield Graduates From Unique School

Major Lee E. Stubblefield, USAF, of Spade and Anton, flying safety officer, headquarters, Air Weather Service, Andrews Air Force Base, Washington, D. C., is a recent graduate of the only college class of its kind in the world—a course in aircraft accident prevention at the University of Southern California.

Twenty U. S. Air Force flight safety officers were especially selected for the six-week program. They will be followed by other groups of officers at regular intervals during the next three years until 340 have been trained.

All the men in the class are pilots and veterans of World War II. Several have been in combat in Korea. They are fighter, bomber and transport pilots who came to SC from bases all over the nation.

The officers attend daily lectures in aeronautical engineering, aviation physiology and psychology that will enable them to teach flying safety when they return to their bases and make scientific investigations of crashes to help prevent similar accidents.

Each Saturday morning the pilots don "G-suits" and ride SC's human centrifuge. This is an aircraft cockpit at the end of a 23-foot arm in a closed circular building. When the device whirls around, the pilot is subjected to gravity forces he would encounter in high-speed flight. The experience has given the transport pilots a new appreciation of the stress faced by fighter pilots, instructors say.

Great emphasis is placed in the class on the human factor in aircraft accidents. The students are given public speaking training so they will be better able to conduct flight safety classes when they go back to their home bases.

**CONSUME MUCH PAINT**  
About 5,000,000 gallons of paint are used annually to mark streets and highways of the United States for traffic.

Over 300 people attended conservation district Thursday, largest ever in Lamb County.

Twelve farms in the Valley community were the organized tour Thursday, with additional farms toured in the afternoon portion of the group. Also on the program was an inspection of Pleasant Valley gin.

The results of soil conservation practices and irrigation techniques were exhibited at the farms; Doyle Turner, Habne, A. J. Comman, West, Roy Taylor, Charles, George Werfien, H. H. Loring, Prof. Shelby, B. H. and Harold and Oscar Allison.

The Gerald Allison farm scene of a barbecue dinner at noon. REA Manager Dick Carl prepared the meat for more than 300 guests. The meal was paid for by the First Bank and Security State Bank, Littlefield, Olton State Bank, First National Bank, Amherst First National Bank, "Cotton" John Smith, director of KONG, Amherst, master of ceremonies for dinner program.

Principal speaker was Taft, area conservation officer, U. S. Department of Agriculture, with offices at Lubbock, discussing soil conservation practices. Mr. Taft lauded the Valley community for its standing work on a crop program.

The toastmaster was County Agent David E. Egan was in charge of planned day's activities; James district soil conservation officer; Jesse Everett, Jr., of the Littlefield Chamber of Commerce; and V. M. Peterman, man of the Lamb County. Mr. Peterman invited to attend the fair, and introduced four farmers from the Valley who are studying Lamb farming methods.

After dinner machine companies exhibited their products. **POLICE TO THE RESCUE**  
DENVER (AP)—Police Officer Ward Swank rescued a woman, part of whom was in the zipper of a new bathing gown.

## Far more miles per gallon on the trips YOU take!

On long trips, short trips, all trips, you get far greater gas mileage out of a '53 Chevrolet. It offers important savings in everyday driving over everyday roads!

Out to the golf course. Off for a week-end of fishing. Half across the country on a full-scale vacation. *Wherever you go—however you drive—you're going to get there on a lot less gasoline in a fine new Chevrolet.*

The truth is, this year's Chevrolet owners are enjoying the most important gain in economy in Chevrolet history. Plus more power. Faster acceleration. More "steam" for the steep hills.

That's the beauty of Chevrolet's two great high-compression engines—the new 115-h.p. "Blue-Flame" engine in Powerglide® models, and the advanced 108-h.p. "Thrill-King" engine in gearshift models. They squeeze much more out of regular gasoline—more miles, more pleasure.

Along with this greater gas mileage, you get lower over-all upkeep costs. And Chevrolet is the lowest-priced line in its field. Drop in and let us show you how you'll be better off in every way with a 1953 Chevrolet!

\*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

# REMEMBER

(Taken from the files of the Lamb County Leader on Thursday, August 30, 1934.)

Lamb County contributed to the substantial majority which elected George H. Mahon, youthful district attorney of Colorado as the first representative from the newly-created nineteenth congressional district. He defeated Judge Clark M. Mullican of Lubbock.

**Sheriff Len Irvin Take Notice!**  
In fact, all officers are warned to be on their toes, watching for developments. The editor of the Leader and Bill Pass have arranged to feed their dogs Friday morning.

Lamb County returned a plurality vote for James V. Allred for Governor in last Saturday's Democratic run-off primary. A total of 1987 votes were cast for Mr. Allred.

A few weeks ago it was announced in this column that Jim Davenport was a candidate for president of a new organization which was being established in Littlefield: The Grand and Exalted Order of World's Accomplished Deeds.

Complimenting Miss Olive Brumbaugh of Orlando, Fla., sister and house guest of Mrs. C. E. Cooper, Mrs. John Arnett, Mrs. J. C. Hillman and Mrs. W. G. Street entertained with a delightful bridge party at the home of Mr. and Mrs. W. G. Street Thursday afternoon.

Mrs. J. D. Dodges and Mrs. S. J. Parquhar entertained with bridge luncheon at the Parquhar residence on East Eighth Street Wednesday afternoon.

H. C. Martin, County Attorney, is doing some considerable improvements to his offices in the Duggan Building. He has acquired an additional room, redecorated the suite throughout and purchased an inlaid linoleum rug for the floor.

Latest totals of the voting in last Saturday's Democratic run-off primary showed that James V. Allred was leading Tom F. Hunter by 44,346 votes for the gubernatorial nomination. Mr. Hunter has conceded election to Mr. Allred.

Application for a permit to form a Federal Building and Loan Association in Littlefield has been made, according to an announcement by Calvin Henson.

Plans for establishing a community work center in Littlefield were discussed at a meeting of the Littlefield Agriculture Association held here Friday night.

F. O. Boles defeated L. D. Rochelle in the run-off campaign last Saturday for election as county superintendent of schools.

Mrs. Bob Badger and Misses Emma Ruth Jones and Gladys Porter were joint hostesses Thursday at a bridge luncheon at the home of Mrs. Badger's parents, Mr. and Mrs. A. W. McKee, 1812 Fourteenth Street, Lubbock, complimenting the bride, Mrs. Roy Young.

Mr. and Mrs. T. S. Sales returned Sunday evening from a ten days pleasure and buying trip to Central Texas, Chicago and other points in the north.

## Figures Given For Drouth Relief

Some 125,426 tons of cottonseed meal, pellets and cake, have been shuttled into the drouth disaster areas of West Texas during the first month of the government's emergency relief program. The Production and Marketing Administration in Dallas announced last week.

In addition, 1,937 cars of oats, 524 cars of corn and 52 cars of wheat have also been shipped to those areas. C. H. Mosler, regional commodity director for the FMA, said.

## Seed Testing Fee System To Be Put Into Effect September 1

A new seed testing fee system will be put into effect Sept. 1, by the two seed laboratories operated by the Texas Department of Agriculture in Lubbock and Austin. Commissioner John C. White has announced.

A complete test of all seed will be made for \$2.50 with the exception of chaffy grasses, native grasses, mixtures and trashy seed. This fee can be broken down to \$1 for germination tests or \$1.50 for purity analysis, only.

A fee of \$5 will be levied for purity and/or germination tests of the four exceptions—chaffy, native, mixtures and trashy seed. During a rush season, however, trashy seed may be rejected for testing purposes, White added.

Noxious weed seed will be examined for \$1 per sample.

Analysis of seed by an accredited laboratory is required before Texas Tested Seed Tags can be issued, White explained. No seed can be legally offered for sale without the tag from the Department of Agriculture.

Charge for a seed tag has been increased from 1 to 2 cents. The Texas Seed Law requires that one tag be attached to each container or bag of seed sold or exposed for sale in the amount of 100 pounds or a fraction thereof.

Money for the tests must accompany the samples. Checks or money orders should be made to the Texas Seed Act Fund. Charges will be effective on all samples which reach either of the two laboratories after Sept. 1, regardless of the postmark date, White said.

This will be the first year the Texas Department of Agriculture has charged for seed tests. The fees are the result of a new plan to make the department more nearly self-supporting and less dependent on the taxpayer's money.

Commissioner White said he had not asked the Legislature to appropriate tax money for this project for the next two years. The fee system was initiated so that the expense would be borne by those who benefit from the service.

## Tech Tickets Go On Sale

Sale of tickets to Texas Tech's individual home games is now underway, with the Texas A&M contests getting the most attention from purchasers.

Jimmy Wilson, Tech business manager of athletics, said season tickets would also be sold until Sept. 1.

Tech's home games are with West Texas State, Sept. 19; Texas A&M, Oct. 10; College of the Pacific, Oct. 17; New Mexico A&M, Oct. 24; Arizona (Homecoming), Nov. 7; and Hardin-Simmons, Nov. 28. Reserved seats to all except the Texas A&M game sell for \$3. The Aggie game is \$2.50.

## George Stallworth Speaks At Rotary

At the regular meeting last Thursday noon at the Methodist Church, George Stallworth was introduced by Hardy Shelby as the guest speaker for the Rotary Club. Mr. Stallworth, a long-time Rotarian, gave a very interesting talk on "Classifications" of Rotary, and the important part they play in the overall program of the club.

Mead Griffith, formerly of Plainview, now of Austin, and a member of the Supreme Court, was a guest and made a few remarks to the membership of the club.

President J. E. Chisholm, Jr., called club assembly for Thursday evening at 7:30 at Fisher's Cafe for the purpose of all committee chairmen to turn in their committee reports.

**Littlefield Youth Attends Royal Ambassador Congress At Atlanta**

One Littlefield boy, Palmer McCowan, returned Sunday from the first big Royal Ambassador Congress held in Atlanta, Ga., last week.

The R. A. Congress had over 5000 boys registered, according to Rev. John C. Taylor, pastor of Parkview Baptist Church, Littlefield, who assisted Rev. John Rankin of Amherst in promoting a special bus load of West Texas boys.

Rev. Rankin was in charge of the group on this trip. This special bus load included boys from Levelland, Brownfield, Lubbock, Three-Way, Plainview, Littlefield, Amherst, Post, Halfway, Fairview, Ropesville and Hereford.

The West Plains Baptist Association of Baptist Churches in Lamb and Bailey counties had one boy chosen of the highest rank to go to Atlanta. The Association's Brotherhood President, W. E. Heothman of Littlefield, raised the money for the West Plains boy. The boy with the highest rank chosen was Jimmy Bateas of Goodland, and a member of the Three-way Baptist Church.

Rev. Rankin and Rev. Taylor arranged the trip to cost each boy just \$80 including transportation, food, lodging, insurance, reservation fees and sightseeing tours. The boys traveled in a late model school bus type that is owned by a Boy Scout Troop in the High-land Baptist Church in Lubbock.

(Editor's Note: This is one of a series of articles based on a Bureau of Reclamation survey of the Texas water problem, made at the request of Senator Johnson.)

Texas' almost miraculous industrial progress during the last decade has attracted nationwide attention. Many new manufacturing establishments, big and little, have sprung up over the state. An enormous overall addition has been made to the productive capacity of the United States.

We want to continue our industrial growth. Development of large and dependable water supplies is essential to maintenance of the rate of Texas industrial growth. Water is the lifeblood of modern industry.

These needed supplies will have to come from water resources not used at present. That is a primary conclusion of an appraisal of the Texas water problem made by the Bureau of Reclamation.

**Must Develop Water Resources**

The Bureau reports that Texas has a potential water supply more than sufficient to take care of all foreseeable industrial and farm and municipal needs. Our present use of water represents only about 15 per cent of the water available, year after year, from Texas streams.

The water problem facing our state is two-fold. First, we must take steps to conserve as much as possible of the 85 per cent of the total supply that now runs off into the Gulf of Mexico and is lost to use. Second, we must devise and put into effect a distribution system that will get adequate supplies of water to the places where they are most needed.

**Must Meet Challenge**

Admittedly, this challenge is no puny one. But it is one that must be met. Only by meeting it can we take advantage of the unparalleled economic opportunity before us.

Every phase of our anticipated industrial development will require increased supplies of water. The Bureau of Reclamation predicts, for example, that eventually industries and municipalities in the Gulf Coast area will require an annual water supply four times as large as the present usage.

The Bureau report suggests new and revised programs aimed primarily at transforming Texas' potential water resources into available water supplies. It estimates economic gains that would come to Texas as a result of carrying out these programs. It discusses the character of the Federal interest in the Texas water problem. It outlines policies which respect both State and national interests.

**Solution Vital to Texas**

The solution of our water problem is vitally important to Texas, of course. But not to Texas alone. The entire nation has a great stake in solving this problem. The nation needs the additional manufactured goods and farm products that would come with greater utilization of Texas water resources.

I hope that Texas and the Federal government will work together to solve the problem—with the rights of Texas over its own waters protected to the fullest degree.

The basis of such a cooperative program is set forth in the report by the Bureau of Reclamation.

**Hi Plains Guernsey Field Day Is Outstanding Success; 100 Attend**

The Hi Plains Guernsey Field Day held at the Joe Harbin farm near Muleshoe recently was considered highly successful both by the Hi Plains Guernsey Cattle Club officials and the Chamber of Commerce officials. Approximately 100 people were in attendance for this event that began at 10 in the morning and extended through 3 in the afternoon.

The day began with stock judging classes conducted by Gene Elzey of the Bluff View Farm, Dallas. Following these classes Dr. N. C. Fine, assistant dean of agriculture of Texas Tech, spoke on future development of the dairy industry and Tim Main, field representative for the American Guernsey Cattle Club, advised the group as to the activities of the association for the coming year, and that this field day was the third held by the association this year. Following these talks, the Chamber of Commerce sponsored a barbecue dinner for the group.

In the afternoon stock judging contests were held in which everyone participated. Four classes were judged, ranging from aged cows to two-year-olds. Results were as follows:

- Adult Open**
1. C. K. Teaff, Ropesville.
  2. C. Throckmorton, Levelland.
  3. C. T. Douglas, Plainview.
  4. Mrs. W. B. Pointer, Levelland.
  5. A. B. Buchanan, Plainview.
- Junior Open**
1. Willie Ivey, Pettit.
  2. Eldon Steelman, Plainview.
  3. Donald Douglas, Plainview.
  4. Travis Percy, O'Donnell.
  5. Leon Harvey, Muleshoe.

Judging teams of 4-H and FFA boys competed for honors with the following results:

1. O'Donnell.
2. Muleshoe.
3. Whitharral.

Prizes for the winners were sponsored by the Hi Plains Guernsey Cattle Breeders Association.

**Funeral Held For Son-In-Law Of Local Residents**

Funeral services were held last Wednesday at Chattanooga, Okla., for Joseph Vurn Horn, son-in-law of Mr. and Mrs. O. D. Click of Littlefield. Mr. Horn passed away at the Veterans' Hospital in Sulphur, Okla., after an illness of ten years.

A son, Pfc. Billy V. Horn, was flown home from Korea to be at his father's bedside, and other survivors include the widow and five children, Eva, Joyuana, Naomi, Leroy, and Juanita. Mr. and Mrs. Click were unable to attend the services.

**Lubbock Jr. Rodeo Ticket Sales Start**

Tickets for the Lubbock Junior Rodeo, to be held next month, are on sale at the Lubbock Hotel, Cecil Gregg, ticket chairman, has announced.

The Junior Rodeo, scheduled at the Lubbock Rodeo Association arena on Sept. 3-5, is jointly sponsored by the rodeo association and the Optimist Club. The groups hope to make this an annual affair.

Eligible to compete in the rodeo are boys and girls 19 years of age or younger. All events will be conducted under rules of the American Junior Rodeo Association. Riding stock will be furnished by Goat Mayo of Petrolia. The Lubbock rodeo group will supply the roping calves.

Ticket prices are \$1.50 for adults and 60 cents for children.

**THANK YOU!**

Since I have sold my interest in the Repass & Blevins Garage to Russell Blevins, I wish to express my appreciation and thanks to my many friends and customers for their liberal patronage over the 16 years I have been serving the automobile and truck owners over this area.

It has indeed been a pleasure to know and serve so many of the fine people of this area.

**Muleshoe C. of C. Will Sponsor Field Day**

On September 14, the Blackwater Soil Conservation District and the Muleshoe Chamber of Commerce will co-sponsor a field day and tour. Plans for this tour are now being made and details and programs of this soil conservation tour will be forthcoming.

Everyone interested in soil conservation, businessmen and farmers alike, are invited to attend this field day, beginning at 9:00 in the morning.

**Blackie Repass Buys Stock Farm; Goes To Missouri**

R. L. (Blackie) Repass, who has been connected with the garage business in Littlefield since 1927, and in business for himself since 1949, has sold his interest to his partner, Russell Blevins, and purchased a stock farm at West Plains, Mo.

Mr. and Mrs. Repass left Littlefield Saturday for their new location. Mr. Repass and Mr. Blevins have been operating the garage under the name of Repass & Blevins Garage.

## Must Report Facts To Draft Board

Any young married man registered with a draft board had better be on the alert about reporting children in his family or expected birth of a child.

On August 25 and thereafter, fathers are not deferrable because of their children. Draft boards have this new regulation following an executive order of President Eisenhower.

Those who now have children, and those who are expecting birth of a child, are deferrable; likewise, those who become fathers or expectant fathers before midnight, August 24.

But these men who are fathers and expectant fathers before August 25 must act at once to advise their draft boards in writing. If they fail to perform this important duty required by draft regulation, they will be liable for the draft simply because they failed to advise their boards of the facts.

In the case of expectant fathers, certificate from a licensed physician must be secured, stating that the child has been conceived, probable date of delivery, and evidence upon which positive diagnosis of pregnancy is based.

Brigadier General Paul L. Wakefield, state draft director, urges

## Dr. Burk Announces Plans For Optometry Session In October

The first annual Tri-State Optometry Seminar, sponsored jointly by the South Plains and Panhandle Optometric Societies, will be held in Lubbock, Saturday and Sunday, October 24 and 25, according to an announcement today by Dr. Glenn Burk, Littlefield, president of the South Plains group.

"We are trying to promote more and more of these educational meetings in order to keep ourselves well informed so that we may better serve the public," Dr. Burk said.

It is the first seminar of its kind for optometrists covering all of Texas, Oklahoma and New Mexico, under the combined efforts of two local societies in the area surrounding Lubbock and Amarillo. Only optometrists who are members of their state and local societies will be present. Between four and five hundred are expected to attend the seminar.

Three Doctors To Speak --Headlining the two-day educational session are three prominent optometric speakers who will bring discussions on various phases of professional optometric practice.

Dr. Leslie W. Seown, long-time Professor of Optometry at the Los Angeles College of Optometry, will deliver talks on "Advances in Research in Industrial Vision and Safety" and "Lighting and Seeing Problems of the Learning Child". Dr. Seown recently celebrated thirty

years of teaching and private practice, all in Los Angeles.

Dr. Charles R. Stewart, dean of the newly-opened College of Optometry at the University of Houston and son-in-law of Mr. and Mrs. W. C. Wolaver, Lubbock, will discuss the various aspects and problems of a new college, its needs, and its contributions to society. Dr. Stewart is a Fellow of the Distinguished Service Foundation and American Academy of Optometry, and holds Optometry, Master of Science and Doctor of Philosophy degrees from Ohio State University. He will be speaker and guest of honor at the dinner Saturday night.

Dr. Ralph Barstow is an Economics Consultant with a nationwide background covering some thirty years with four or five professional groups, especially the health pro-

He has devoted most of his time to optometry in the past twenty-one years. He is Instructor in Ethics and Economics at the Los Angeles College of Optometry. In addition, he is associated with the Optometric Extension Program in Optometry, and in this capacity addresses large groups annually on a nation-wide swing. Dr. Barstow has appeared in Lubbock upon numerous occasions.

## Beyers Observe Anniversary

Members of Mr. and Mrs. F. Minson and Lorraine of Lubbock, Mrs. A. R. Spinn and Dickie of Austin, and Rev. Leslie Huebner of Littlefield, observed the anniversary of the wedding of Mr. and Mrs. Roy Taack on August 8. They included Mrs. Hugo Beyer, Donna and Vickie of Amarillo, Mrs. Roy Taack, Mary Louise, of Amarillo, Mrs. Aubrey Messer, Sheila and Sharon, Mr. and Mrs. Jesse children, Carl, Bobbie, and Bartlett; and Mrs. and children, Don, and Tasey of Littlefield. Their daughter, Mrs. Coy Rhoads, N. M., was present.

The cake baked by Mrs. Beyer was served to guests. Mrs. F. C. Beyer cut the first piece. Mrs. Beyer's father, Walter Friedrich of Amarillo, and Adolph Fischer of Amarillo, and Victor Kunz of Amarillo, were present.

Guests called during the evening included: Mr. and Mrs. George Harms of Anton, Mr. and Mrs. Richard Black of Sudan, Mrs. James Davenport of Kress, Dewey Davenport of Hart, Mr. and Mrs. Clarence Davis and girls of Levelland, Mr. and Mrs. Dale Maxwell and Janice of Bula, and the following from Littlefield: Mr. and Mrs. B. D. Birkelback, Mr. and Mrs. D. H. Weige, Mrs. Homer Garms and daughters, Mrs. H. Brandt, Mr. and Mrs. Ben Brandt and boys, Miss Ann Brandt, Mr. and Mrs. Fred Lueck, Mr. and Mrs. Ralph Schilling and son, Mrs. Beary Sager and Judy, Mrs. K. M. Hart and children, Mrs. Don Massey, Mr. and Mrs. Lee Massey, Miss Emma Sell, Mr. and Mrs. H. B. Hill,

Frau Renee von Bronneck, who arrived in New York City on the Queen Mary August 25, will be met at the Lubbock airport Friday morning, August 28, by her sponsor, Mrs. W. B. Little.

Mrs. von Bronneck is scheduled to be one of the leading attractions this fall at a whirlwind lecture tour in West Texas, where she will speak to men's groups and over 30 federated women's clubs. She comes to this country highly recommended by the government of Austria, her birthplace, and the newspapers of Europe and Australia, where she lived during World War II.

**Woman's Club Plans Tea**  
The Woman's Club of Littlefield has planned a warm welcome for this distinguished guest, though perhaps not the "wild west" style mentioned in a German newspaper which reported her sailing. She will be the honor guest at a tea to be given under the combined sponsorship of the Literary, Garden, and Art Clubs of Littlefield the afternoon of September 2, and an appearance on "Star-Time," a television program of KUB-TV in Lubbock, has been arranged for Sept. 6.

Mrs. von Bronneck will be the speaker at the Littlefield Lions Club luncheon on September 2, which will begin her lecture tour. From here she will go to Canadian, with Mrs. Little accompanying her, where she will appear at a tea to be given by the Women's Club the afternoon of Sept. 13, and will lecture that evening at the Methodist Church in Canadian.

As a former singer and actress, Mrs. von Bronneck received high praise in the newspapers of Europe, and was the subject of articles in the Sydney newspapers during her stay in Australia. Many priceless antiques once owned by Maria Theresa of Austria, and a marvelous collection of Persian carpets handed down to her father, the composer Max von Oberleithner, by his great-grandfather, are now in Mrs. von Bronneck's possession.

**Goodwill Ambassador for Austria**  
She will be acting as a goodwill ambassador for Austria during her tour of the United States, and has been promised a substantial sum if clippings from American newspapers show that she has fulfilled this position adequately. From Texas, she hopes to return to Vienna via Australia, especially since she is a British subject and wishes to renew wartime acquaintances there.

Mrs. Little met Mrs. von Bronneck on a train in Copenhagen, Denmark, during her tour of Europe last year, and has overcome many obstacles to bring her friend to the United States.

## Will Marry Houston Girl

Mr. and Mrs. George Foley of Houston, Route 13, announce the engagement and approaching marriage of their daughter, Ruth Ann, to Lt. Billy Carl McMasters, son of Rev. and Mrs. C. P. McMasters of Spade.

The ceremony will be performed August 28 at 8 p. m. in the Ralston Presbyterian Church in Houston, with the groom's father, who is pastor of the Spade Methodist Church, officiating.

Lt. McMasters is in the Air Force, stationed at Hondo Air Base at San Antonio. He was a 1949 graduate of the Groom High School, and was graduated from Texas A&M in July of this year.

Miss Foley is a graduate of a Houston high school.

The couple will make their home in San Antonio following their marriage.

Mr. and Mrs. Leon L. Scott and daughter, Mary Ellen, of Battle Creek, Mich., were guests in the home of Mr. and Mrs. R. W. Badger Tuesday. The Scotts have also visited Mr. Scott's and Mrs. Badger's mother, Mrs. A. W. McKee, in Lubbock.

Mrs. J. W. Wells and daughter, Mr. and Mrs. Bill Cape and boys, Mr. and Mrs. Levi Cobb and Linda Sager and Judy, Mrs. K. M. Hart and children, Mrs. Don Massey, Mr. and Mrs. Lee Massey, Miss Emma Sell, Mr. and Mrs. H. B. Hill,

## Maureen Daugherty Wed in Olton Ceremony

Miss Maureen Daugherty, daughter of Mr. and Mrs. Frank Daugherty of Olton, was given in marriage by her father to Mr. Clifford Carlisle, son of Mr. and Mrs. Vernon Carlisle, on Saturday evening, August 22.

The Reorganized Church of the Latter Day Saints in Olton was beautifully decorated with baskets of pink and yellow gladioli for the double ring ceremony, which was read by the pastor, Raymon Carson.

Mr. Harold Dean Carson played while Mr. Don Spain sang "Because," and "I Love You Truly." The bride entered on the arm of her father, wearing an exquisite wedding gown of white nylon tulle over net and satin. Designed with a portrait neckline outlined with applique of Swiss embroidery dotted with iridescent sequins, the fitted bodice had long sleeves ending in lily-points, with a deep point at center front above the voluminous skirt.

**Bride Wears Grandmother's Slip**  
Accented by a tiny flared peplum of Swiss embroidery, the fullness of layers of tulle over satin in the skirt swept into a cathedral train, and was worn over hoops and crinoline. Mrs. Carlisle also wore a slip crocheted by her grandmother in 1895 for her old article, a new blue garter, and a triple strand of real pearls borrowed from Mrs. Earl Dodd.

Her fingertip-length veil fell from a classic tiara embroidered with seed pearls and rhinestones, and was banded with graceful designs in French lace.

White baby mums, pink roses and stephanotis formed the graceful bridal bouquet, which had long white satin streamers.

Miss Catherine Ann Dodd of Olton was maid of honor, and the bridesmaids were Misses Jevern Daniels and Ruth Stansell of Olton. They wore gowns of tulle over satin with sweetheart neck-

lines, and carried fans covered with carnations and satin streamers in colors to match their dresses. Miss Dodd's dress was of pastel turquoise, and Misses Daniels and Stansell wore pastel blue and pink designs.

**Bride's Cousin Is Best Man**  
Mr. Bobbie Lee Daugherty, cousin of the bride, served as Mr. Carlisle's best man. Mr. J. Frank Daugherty, brother of the bride, and Mr. Logan Cummings of Hereford, the bride's cousin, ushered guests to their seats.

Candelabra flanked the archway of greenery at the altar, and the candles were lit by Coy Carlisle,

the groom's brother, and Billy Carson, cousin of the bride.

**Reception At Bride's Home**  
Mr. and Mrs. Daugherty, assisted by Mrs. Elbert Hooper and Mrs. Earl Dodd, entertained with a reception for over 200 guests at their home following the ceremony.

The bride's table, covered with a beautiful cloth of Irish cutwork, was centered with a four-tiered bridal cake decorated in pink and yellow, the bride's chosen colors, and topped with a bride, groom and wedding bell.

Miss Dodd presided at the table after Mr. and Mrs. Carlisle cut the cake, and punch was poured by the bridesmaids.

Guests included Mr. and Mrs. John Smith of Hale Center, Mr. and Mrs. John Daugherty of Artesia, N. M., Mr. and Mrs. Cecil Bennett of Edmonson, Mr. and Mrs. Fred Daugherty of Clovis, Mr. and Mrs. Ice Cummings of Littlefield, Mr. and Mrs. Frank Cummings of Hereford, Mr. and Mrs. Miles of Plainview, Mr. and Mrs. Bill Schreier of Abernathy, and Mr. and Mrs. Vernon Carlisle, Jr., of Paducah.

For the wedding the bride's mother wore a dress of navy blue nylon mesh with white accessories. Mrs. Carlisle, mother of the groom, wore grey nylon matelasse with black and white accessories.

**Wedding Trip to Carlisbad**  
The bride changed to a traveling suit of light blue with grey and white accessories, wearing a corsage of pink roses from her bridal bouquet. Her tiny white hat was sparkled with sequins and a small grey veil.

Mrs. Carlisle has been a student at Olton High School, and is a member of the Order of Rainbow for Girls.

Mr. Carlisle is a 1952 graduate of Olton High School, where he was a member of the football team, and will continue his studies at Lippert Business College in Plainview. The couple are at home in Olton following their wedding trip.

## Woman's Club To Meet For Reorganization

The Woman's Club of Littlefield, which was formerly the Literary Department, met for a called meeting at the home of Mrs. L. T. Green.

Plans for the re-organization of the group as the Woman's Club, a name they originally held, were discussed.

## Muleshoe Girl Wed August 13

The marriage of Miss Charlene Watson to Sgt. Preston Cargile was solemnized Thursday evening, August 13, in a public wedding ceremony held on the court house lawn in Muleshoe.

The bride is the daughter of Mr. and Mrs. C. A. Watson of Muleshoe, and the groom is the son of Mr. and Mrs. D. W. Cargile of the Lazbuddie community.

Elder Jimmy Bass officiated at the ceremony which was performed on a raised platform before an archway of greenery and wedding bells.

Given in marriage by her father, the bride wore a beige faille two-piece suit dress and brown accessories. She carried a white Bible topped by a bouquet of yellow carnations and gold satin streamers.

Mrs. O. R. Chandler, twin sister of the bride, was matron of honor. She wore a two-piece green suit dress and black accessories. Her bouquet was of bronze mums.

Bridesmaids were Misses Mary Beth Richards of Anton, and Lona Mae Cook of Littlefield, cousins of the bride, and Marlene and Dannie Rue Cargile, sisters of the groom.

Best man was Don Micky Sanders.

Miss Nathalie Stallings, cousin of the bride, played the traditional wedding marches.

A reception was held immediately following the ceremony in the home of Mr. and Mrs. M. G. Bass, uncle and aunt of the bride. Pink and white, chosen colors of the bride, were carried out in the appointments. The bridesmaids served cake and punch and Mrs. Harvey Bass presided at the guest book.

For going away, the bride chose a black and white acetate taffeta dress complemented with white accessories and a white carnation corsage.

After a wedding trip to Taos, N. M., the bride will resume her duties as secretary of the Bailey County Farm Bureau and Sgt. Cargile will return to his base at Camp Desert Rock, Nev. He will be released from the Armed Forces in February of 1954.

### Mrs. Maples Honored At Bridal Shower

Mrs. Bennett Maples of Spade was honored with a bridal shower in the Methodist church annex at Spade, Friday, August 21, at three o'clock. Before her recent marriage, the honoree was Davie Lee Glazner of Killeen, Texas.

The room was decorated with arrangements of mid-summer flowers. Mrs. O. D. Brown presided at the bride's book. Mrs. T. W. Nabors served the white cake squares decorated with tiny wedding bells on top. Mrs. E. C. Hardman poured the fruit punch.

The serving table was laid with a hand-made lace cloth and featured a bouquet of dahlias. Thirty-nine guests attended. Hostesses for the occasion were Mesdames A. A. Leonard, T. B. Elder, H. E. Lacy, T. S. Tyler, G. R. Nabors, H. R. Wallace, E. C. Hardman, O. D. Brown, H. L. Woody, D. H. Greenwood, Billy McLolland, M. M. Elder, and Ada Reed.

## O. E. S. Meets At Masonic Hall

Several members served protem for absent officers at the monthly meeting of the Order of Eastern Star held last week at the Masonic Hall.

Mrs. Blanche Dodgen served protem for Electra, Mrs. Emma Ruth Bellomy was protem Martha, Mrs. Louise Bryce was protem Ruth, and Mrs. Maples, a visiting member of the Killeen assembly, served as protem warder.

Members enjoyed a Robert Morris covered dish dinner before the regular business meeting, at which Mrs. Dodgen filled in for Mrs. Green of Amberst, who was unable to present a reading about Robert Morris which had been scheduled.

## Mrs. Arthur Dean Is Surprised At Baby Shower

Mrs. Arthur Dean was honored Tuesday afternoon, August 18, at a surprise baby shower given by Mrs. Grover Dinges at her home.

Large safety pins shaped like stockings added to the pink and blue motif carried out with mints, lemonade and cookies. Gifts were presented to Mrs. Dean in a large box of pink and blue, including those sent by Mrs. James Zachary and Mrs. Lois Humphries.

Guests included Miss Erna Douglass, and Mesdames C. F. McCormick, E. G. Alexander, J. Oakley, Troy Vassar, E. Wallace, Willey Foley, Neal A. Douglass, John Alford, Mollie Davis, all of Littlefield; Mrs. Dan Heard, Dimmitt; and Mrs. Robert Dysart, Amberst.

In a double ring ceremony at the First Presbyterian church in Galveston, Miss Barbara Lou Walters and Mr. James Houston Hodges exchanged marriage vows last Saturday morning. Their parents are Mr. and Mrs. Bruce Walters of Galveston and Mr. and Mrs. Allen Hodges of Littlefield.

The ceremony was performed by Rev. Thomas Brower, pastor of the First Presbyterian Church of Brady, Rev. Prentice Barnett, of Denton, was organist.

Miss Janet Jo Walters was her sister's only attendant. She wore a waltz-length gown of blue raw silk, fashioned with tucked bodice and scoop neckline. A crown of matching blue net studded with rhinestones was her headdress and she carried a heart-shaped bouquet of red delight roses.

Mr. Bob Murphy of Clovis, N. M., served as best man. Ushers were Messrs. Gene Scales of Galveston and Marion Condit of Dallas.

The bride, who entered the church with her father, wore a white gown of rose patterned Chantilly lace over tulle and satin. A shadow yoke with portrait neckline accented the sculptured bodice fastened with small self-covered buttons. Glove fitting sleeves ended in petal points over the hands. The graceful scalloped lace over-skirt was finished in double ruffles at the hemline.

A crown of satin and pearls topped her veil of French illusion. Gardenias and fleurs d'amour in a lovely heart design formed the bridal bouquet.

A dusty rose silk dress was selected by the mother of the bride, who wore navy blue velvet accessories and a pink orchid corsage.

The reception in the church parlor immediately following the ceremony Mrs. Anna Ruth Benson furnished piano background music. The house party included Miss Nancy Tegler, Roswell, N. M., Miss Gayle Smith of Dallas and Mrs. Gene Scales of Galveston.

For a wedding trip to New York, the bride wore a brown and beige cotton ensemble with brown accessories. Mr. and Mrs. Hodges will make their home at 17 Greenwich Ave., Princeton, N. J., while he completes his senior year at Princeton Theological Seminary.

The bride, who was graduated from Pampa high school, attended Texas Tech at Lubbock and was graduated from Trinity University in June. The bridegroom graduated from Littlefield high school, attended the University of Hawaii, and was graduated from Texas Tech.

Out-of-town guests included Mr. and Mrs. Joseph T. Fash, Mr. and Mrs. C. K. Fash and Bobby Bright of Alva, Okla.; Mr. Bill Walters and Mr. E. F.
