Quota For Lamb County Is Set

Judge I. B. (Dock) Holt Is Chairman; Organize At Meeting Tuesday

With a quota of \$9,335 for Lamb County, the War Chest Drive will get underway Tuesday, October 10. The War Chest is an over-all agency covering practically all relief and service organizations now engaged in sending aid to Allied soldiers and peoples wherever they may be. The War Chest funds will go toward work in the USO, War Prisoners' Aid, United Seaman's Service, China Relief, American Field Service, Philippine War Relief, United Lithuanian Relief Fund and numerous other such organizations which are doing so much toward relieving those suffering from war's ravages.

For the purpose of organization, a meeting of all chairmen and workers over the county was held in the Amherst Hotel Diningroom Tuesday night, at which Rob Merritt, Regional Director over the 17 counties of the Plains area, with headquarters at Lubbock, was the principal speaker.

Sgt. Baker of Lubbock, Veteran of World War II, also attended and made an interesting talk.

With Judge I. B. (Dock) Holt as chairman for Lamb County, the following other members of the county setup, with the quotas for the various communities which they represent, have been named and assigned their quotas in the War Chest Drive, as follows:

Littlefield School District, J. H. Littlefield School District, J. H. Ware, chairman — \$3,650; Sudan School District, Drew Watkins, chairman — \$1,300; Olton School District, D. M. T-Sgt. Jack Brannen, stationed at Greenville, So. Car., accompanied by Mrs. Brannen, arrived Monday for a visit with his parents, Mr. and Mrs. J. E. Brannen.

T-Sgt. Brannen is back in the States from the China-Burma-India war theatre, where he completed his 65th mission as a bombardier-navigator, 58 of which he flew as lead bombardier. He is wearing the Distinguished Flying Cross and the Air Medal with two Oak Leaf Clusters, as well as the good conduct medal and two major campaign bars.

Among the many interesting ex-perionces he relates is that of being rescued by native head hunters when he was lost in Burma. He and his Carl Gundlach, 61, father of Gus two companions were the first white men ever seen in that section. Native Chiefs of three villages gathered their people and came to "view" Mrs. Brannen was formerly Misa-

New Trial In Hunt Case Is Granted

Judge C. D. Russell, 64th District Court, Friday granted a new trial to Jim Thomas, 50, paroled convict, who was under death sentence upon conviction in the slaying of Dr. Roy Hunt, 36, of Littlefield.

Thomas was convicted at Plain-view August 30. No date has been set for a new trial.

Judge Russell granted the new trial after testimony Friday that Thomas' previous criminal record had been mentioned in the jury room.

Thomas was a convict on parole at the time he was arrested in Galveston, Oct. 27, 1943, and charged with the Hunt slaying on Oct. 26. He had been serving a five-year sentence from Lubbock county after conviction of assault with intent to murder Baxter Honey, private guard on the premises of a Lubbock county resident. State authorities have

revoked his parole.

At Friday's hearing on the motion for a new trial in the Hunt slaying, Judge Russell said he wanted to hear what counsel had to say about jurors' mentioning Thomas' past record. The court made it clear that he "would not grant a new trial on other matters" presented. Virgil Winn, foreman of the trial

jury was not present at the hearing, but he signed an affidavit which said there was "some discussion, or at least statements to the fact by some of the jurors that the defendant was an ex-convict, but there was no discussion as to his record or what he had formerly been convicted of."

J. M. Stubblefield, juror, testified there were statements among the jurors that Jim Thomas was an "exconvict," that Thomas was on parole at the time Hunt and his 26-yearold wife were slain, and that some-one remarked "How come him out of the penitentiary?"

Elgar Winn, another juror, said that after the jury was impanelled, there was some discussion of Thomas' record as a convict, but not after the jury was charged.

Nine other jurors had not heard the matter discussed by jurors.

Other matters presented to the court were that the jurors during the course of their deliberations had

Valentine recalled the first attack came early in the morning. He said the two PT boats were in Japanese controlled waters and his boat became grounded on a coral reef.

"The other PT was attempting, to pull us off when two of our fighter planes saw us and attacked." Valentine declared. "Because we were in enemy waters they thought we were Jap boats, even though we were flying the American Flag." The initial attack caused a few casualties. The PT boat gunners,

firing in self defense, shot down one of the planes and the other then

"Later we learned the alarm was spread that two Jap runboats were sighted," Valentine asserted. "Meanttime, we were still attempting to get off the reef. At noon, about 35 planes came over—all our own—still under the belief we were the enemy. Eight were torpedo planes. We were strafed. Bombs fell all around us. After four near misses had rocked our boat, the skipper, cried the order to abandon ship. It was just a matter of seconds before

bomb made a direct hit." This second attack, Valentine disclosed, lasted about one hour and 15 minutes. The planes left still under the impression the North Sacramentan and his fellow Americans were Japanese. Five hours later another air armada approached, this time accompanied by a Catalina fly-ing boat. The first the fliers learned they had been bombing and strafing they had been bombing and strafing their own men was when the Catalina picked up a sailor who had drifted far away from the reef, and whom the Catalina pilot had believed to be one of the Americans shot down by the PT gunners.

The Catalina picked up as many survivors of the PT boats as it

Ginning Season Is HERE

We Are Ready To Go-**And Will Appreciate** Your Business.

We are now ready to gin your cotton crop.

Our plant has been completely re-conditioned throughout, and is in first class condition.

We have installed the latest thing out in the way of cleaning, and burr extracting equipment, and with the addition of this, and a new press, we sincerely believe that our service cannot be excelled.

This year it is more important than ever that we have a good grade of cotton, therefore, we have installed the machinery to give you these better grades.

The past records of this organization will bear out the fact that EVERYONE who gins with us will receive his rightful share of the profits, and we guarantee that this policy will be followed in the future.

Your business, whether great or small, is sincerely solicited and greatly appreciated.

We urge that you give us a trial and be convinced for yourself.

Socrates, "that is ignorance." And ignorance it obviously is, which sometimes prompts the careless car-owner to say that all motor oils are alike, that there is no difference between any of them.

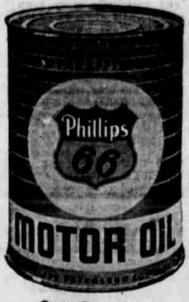

Oils vary in chemical composition, in stability, in freedom from harmful impurities, in lasting power, in ability to maintain viscosity, and in many other ways as well.

That is why all intelligent car-owners naturally prefer a quality oil. But not all of them know the simple, easy way to be sure of getting it, as explained by the following facts:

Phillips offers a number of oils because carowners' preferences vary almost as much as their cars and pocketbooks. But when you want our best oil, remember Phillips tells you frankly that Phillips 66 Motor Oil is our finest quality . . . the highest grade and greatest value . . . among all the oils we offer to average motorists.

Figure the cost per year of draining and re-filling with quality oil every two months, as experts advise, as against the cost of using cheap oil; and it is plainly foolish economy to take a chance. So when making the seasonal change from summer-worn lubri-cant, ges quality by getting Phillips 66 Motor Oil.

Taxpayers Who Are Entitled To Receive Refunds

Thousands of inquiries concerning income tax refunds are reaching the Collector of Internal Revenue, Dallas, Texas, from taxpayers in every county and practically every town in the northern half of Texas. Many inquiries are received from taxpay-

"To every taxpayer of this District who is entitled to a refund on his 1943 return, I would like to say that your refund is being processed as rapidly as possible. I cannot tell you exactly when your refund will few months. But I can promise you that yiu will be paid interest at the rate of 6 per cent per year for after March 1, 1944.

"Throughout the country, we have about 18 million refunds to make. We estimate that between 275,000 and 300,000 refunds will clear

through the Dallas office. In each case, the return must be compared with employer's withholding tax receipts and other documents. In many cases, returns contain errors that must be corrected.

"This involves a tremendous amount of work that must be done with comparatively small staffs. Obviously, the entire 18 million refunds cannot be completed at the same time, and some taxpayers must wait another few months. However, a million checks are being distribcome through, because it might be uted every three weeks by the Butoday, and it might not be for a reau of Internal Revenue, and so reau of Internal Revenue, and so you can see that, in your case, you may get your refund fairly soon. Already to date the Dallas office every month your refund is delayed has issued over 100,000 refund

"The refunds are definitely not being issued in alphabetical order but, in fairness to all taxpayers, refunds are being made in the order in which the returns are reached for mathematical verification. The returns must be checked for errors in the mathematical computation of the tax. Correction of errors may change the amount of refund, or in some cases, even show that no refund is actually due. Naturally, be-fore the check is made out, we must correct the mistake whether is increases or decreases the refund and advise the taxpayer accordingly, moved to Lubbock. Before the refund can be paid, the return must be campared with the duplicate withholding tax receipt filed by the employer with the Collector. Likewise, the return may have to be checke dagainst several other documents, such as Declarations of Estimated Income Tax, if filed, or statements showing amounts paid on 1942 taxes. It would be very diffi-cult, therefore, to make all refunds on a strictly alphabetical basis. Gifts To McCloskey-(Continued From Page 1)

Christmas gifts to these wounded veterans are asked to leave their gifts at Ware's Department Store, where a window will be prepared, and where the gifts will be on display. Mrs. Terry asked that no one gift wrap his or her gift; that the "Enlisted Men's Wives Clubs" at Lubbock are taking the responsibility of gift wrapping the gifts,

When the project is closed Mrs. Terry and Mrs. Slate will take the gifts to Lubbock, where they will be gift wrapped, and where they will be on display for a short time in Hemphill Wells window, before being sent to Temple.

Since everyone will want to share in cheering these wounded heroes with a Christmas gift, they are urg-ed to sart early while suitable merchandise is available.

Sgt. Harrison-

(Continued from Page One)

April 12 to April 15.

Sgt. Harrison attended high school at Dumas, Silverton and Amherst, Texas, and was graduated from Cooks and Bakers School of the Marine Corps, San Diego, Calif., March 3, 1944, with honors, making next to the highest average in the large

class of boys.

While on Bougainville Sgt. Harrison had quite a tussel with a little oblong eyed enemy who fired about eight shots at Harrison, but to no avail. Finally, Sgt. Harrison fired the shot that brought the little ob-

long eyed fellow to the ground.

He wears two stars on his service ribbon, indicating his two missions and combat duty on the two above mentioned islands.

Sgt. Harrison's parents feel very proud of his accomplishments this far, in serving his country.

He has been in service since Seplember 4, 1943.

Rev. and Mrs. Harrison have three other children, Mrs. M. J. Carter of Dumas; Mrs. M. J. Carriker of Richmond, Calif.; and R. P. Harrison at Richmond, Calif.

T-Sgt. Brannen—

visited his sister, Mrs. Lloyd Reid, at Fort Worth, and his uncle, A. J. Martin, at Blum, Texas.

Wednesday T-Sgt. and Mrs. Bran-nen left for Albuquerque, N. M., to visit a sister, Mrs. G. W. McLaughlin, following which they will visit Miss Grance Brannen, principal of the school at Ojo Caliente, N. M., and then go to Pagosa Springs, Colo. to meet his brother and sister-in-law, Mr. and Mrs. H. B. Branne, and son of Farmington, N. M., who is the oldest brother, and who was wounded in World War No. 1. H. B. Brannen enlisted in that war at the age of 17, and served in the Navy. They plan to do some fishing in New Mexico, and returning to Littlefield next week, will leave soon for Greenville, S. C., where T-Sgt. Brannen is an instructor.

Formerly of Meadow and Plains, Texas, with 15 years experience in the auto parts business, IS NOW MANAGER OF THE

SOUTHERN AUTO STORE

LITTLEFIELD

I have recently received a medical discharge from the service, having been in combat duty in North Africa and Italy.

I was formerly connected with the AAA program here, and am proud to be back in Littlefield. I have enjoyed the many contacts I have made, and invite the fine citizens of this trade area to come in and let's get acquainted. We will appreciate your business, and will render every courtesy possible. We are constantly receiving new and hard to get items.
