Mr. and Mrs. Pat Boone Attend O. E. S. General Grand Chapter

Mr. and Mrs. Pat Boone were among the more than one hundred delegates from Texas Grand Chapter, Order of the Eastern Star, to attend the General Grand Chapter meeting held at Toronto, Canada, last month. They returned home last Tuesday evening.

Mrs. Abbie Hanson of Indiana and Frankland D. Miles of Boston, Mass., were elected Most Worthy Grand Matron and Most Worthy Patron of the general grand chapter, and both will visit Texas Grand Chapter, which will convene in Dallas the first week in November. They will be honored at a reception to be held in the Crystal Ballroom of the Baker hotel, November 9, and Mrs. Pat Boone will be in charge of the general arrangements and she will be assisted by all of the floor officers of grand chapter.

Texas Grand Chapter has two offices in General Grand chapter. Mrs. Mildred Harris, formerly of Dallas was elected a member of Board of Grand Trustees, and Dr. T. G. Rogers, Decatur, Worthy Grand Patron, was appointed a member of the education committee.

Texas delegates were host and hostesses at a luncheon for the retiring Most Worthy Grand Matron, Mrs. Eva Hamilton of Chi-

cago, and Most Worthy Grand Patron, Donald Stewart of New Jersey. Mrs. Lolla Mae Vollus of Houston, past grand matron, was in charge of arrangements.

After general grand chapter meeting, the Boone's accompanied by their son Pat Jr., and Ben Lyman Jr., enjoyed a boat trip up the St. Lawrence river, and traveled through the Thousand Islands to Montreal, where they spent two days sightseeing, and then went on to Quebec for two days. After leaving Canada they entered the United States through Maine and enjoyed a short stay at Booth Bay harbor, where the men in the party spent considerable time fishing. They visited Boston a short time, and then went to New York City, where they spent six delightful days, and saw many good stage shows, including, "Kiss Me, Kate," with Alfred Drake and Patricia Morrison; "Mr. Roberts," with Tyrone Power and many others. They also visited Radio City music hall, and National Broadcasting company, where Ben Jr. and Pat Jr. rendered a vocal duet, "Let Me Call You Sweetheart."

While Mr. and Mrs. Boone were attending General Grand chapter, the two boys spent five days at Bigwin Inn at Lake of Bays near Toronto.

Study Club Tea Opens Club Year

An informal tea opened the new year of the Woman's club when the five divisions met at 3:30 o'clock yesterday afternoon, in the recreation room of the First Methodist church.

An autumn theme was attractively carried out in decorations and appointments. Lovely shades of asters were arranged in vases and placed about the room.

The tea table laid with a white organdy cloth was centered with an arrangement of paracanthus berries centering the table, flanked on either side by tall tapers in silver candelabra.

During the serving hour, organ music was furnished by Mrs. Allen Chambers and Miss Johnnie Merle Evans.

The new club president, Mrs. S. E. Ayers, Jr., in her opening address, brought forth a more than unusual employment of the club's 1949 theme or slogan, "Trilogy", (meaning three units) by linking it with "Leadership", "Fellowship", and "Democracy", they in turn intending to form "LFD", for Littlefield. Not only was the unique theme and clever employment

thereof received with acclaim and approval, but the membership pledged to strive for full effort toward the three goals of the "Trilogy".

Presidents of the various other departments were introduced and they are as follows: Mrs. Jed Clarida, Art Department; Mrs. Harry Williams, garden department; Mrs. A. B. Brown, literary department, and Mrs. Roy Johnson, music department. Mrs. Jarold Jones is president of the junior garden department, a newly organized club.

General officers are, president; Mrs. S. E. Ayers, Jr., first vice president; Mrs. Allen Hodges; second vice president; Mrs. Jack Christian, federation secretary; Mrs. Vay Houk, recording secretary; Mrs. Jed Clarida, treasurer; Mrs. R. W. Badger, reporter; Mrs. Frank Rogers, parliamentarian; and Mrs. W. G. Street, club critic.

It was announced that the art department will meet at 4 o'clock September 14th for their first meeting, with Mesdames Jed Clarida, B. W. Armitstead and Stacy Hart as hostesses. The garden departments will meet September 15th, with Mesdames Harry Williams, A. C. Chesher, and Tom Hilbun meeting scheduled for Sep-

tember 21st, with Mrs. Boyd Roberts as hostess. The Literary department will meet also on September 21st, with Mesdames Ralph Douglas, W. D. T. Sterey and C. O. Stone as hostesses.

Mrs. J. H. Barnett was general arrangements chairman for the tea yesterday afternoon, and she was assisted by a committee composed of Mesdames James F. Crump, Allen Chambers, John Nail, John Barbee, Earl Luce, Ira, Woods, and David Keithley.

Recall Plowboys From Last Year; Looking For Real Contest Friday Night

Littlefield's Wildcats will play their first home game of the season Friday night when they take on the Roscoe Plowboys at Seely stadium. Game time is 8:15.

Wildcats came out of the Dalhart battle with serious injuries and in bad shape for the Roscoe

Who along with the most consistent player last week, has a chance to be the star of the game. Billy Renfro, who has a sprained ankle, is also expected to play. He did not get to play in the game.

Littlefield in '48 was known of Roscoe as always, they are expected to be a good team. Last year they had only about 100 fans, but this year they tied Littlefield for the first time, so you can expect to see a good game.

Change is made in line-up. Steven Brock at wingback instead of complete line-up is as

- Floyd Golf.
- John Fowler.
- Floyd Pinkerton.
- Floyd Pinkerton.
- Dickie Hopping.
- Jim Fowler.
- Jerry Cotter, Co-Capt.
- Johnny Edwards.
- Donald Crossley.
- Frank Gage, Co-Capt.
- Steven Brock.
- Tommy Bailes.

IT IN BAVARIA

A. D. Shaver is head coach and Jack K. Noyes is assistant coach. Coach Shaver stated that he would have several boys as large as any in the conference, four topping the scale at more than 170.

The Bulldogs open their schedule Friday night, September 15 against the Dimmitt Bobcats. The game will be played at Dimmitt.

The Bulldogs should be one of the "best dressed teams" in the conference this year with new equipment and new uniforms. New white jerseys and pants and white helmets with blue stripes across the center, will be the style this year. Besides adding to the appearance of the team, these new uniforms should boost the moral of the boys.

Wildcats Defeated By Dalhart Wolves

Game Played In Heavy Downpour; Ends With No Score For Local Eleven

Littlefield's Wildcats were handed their first defeat of the season with a 14-0 licking by the Dalhart Wolves at Memorial stadium in Dalhart Friday night.

Littlefield was on the long end of the statistics but on the short end of the score. The Wildcats started opening up with a powerful ground attack after Askew took the kickoff behind his own goal line and ran all the way back to the 5-yard strip. With Bailes, Crossley, and Renfro gaining ground they moved the ball to Dalhart's 40-yard line before the line held and Littlefield was forced to punt. Bailes got off a bad punt that went to the sidelines and never got over the line of scrimmage.

Fail to Break Thru Line

Dalhart gained only two yards in three tries and was forced to punt out on Littlefield's 24-yard line.

Rain Makes Field Slippery

Early in the second quarter the rain started coming down hard and made the ball slippery for both sides to hold. Crossley, quarterback for the Wildcats, fumbled four times in this period and Littlefield got a total of four penalties for 50 yards before halftime. When the half came Dalhart had failed to make a first down while Littlefield registered five first downs over the Wolves.

Dalhart Scores on Trick Play

It stopped raining at the beginning of the second half, but plays still came aplenty. On the third play from scrimmage the Wolves pulled a fake fumble to send Littlefield offside and then without going back into a huddle, they pulled a quick center and Jackie Newman threw a pass to Billy Cessman who went 50 yards for a touchdown before Littlefield could realize the play had begun.

Around End for Extra Point

On the first attempt for the extra point, Matlock of Dalhart was smothered behind the line of scrimmage, but Littlefield drew an offside penalty and on the next try Matlock circled right end for the point.

Littlefield Receives on 10 Renfro took the kickoff on his 10-yard line and raised it back to Littlefield's 30 before he was piled up, hard. Littlefield then moved the ball to the 50-yard line before

Morton Indians Win Over Whitharral, 26-7

The Morton Indians, a member of the North Half of District 4-A, opened their season with a 26 to 7 victory over the Whitharral Panthers of District 3-B.

The game was played before 2,000 fans at the Indian stadium in Morton last Friday night, Sept. 2.

Coach Melvin Crawford's eleven held a 10-pound-per-man weight edge over the boys from Whitharral. They made 15 first downs while the Panthers only made 4.

The Indians made quick touchdowns in the opening quarter, and then used reserves the remaining quarters of the game. Jimmy Coats scored twice for Morton and Johnny Green and Clifford Wall got one each. Beryl Webb place-kicked three out of four extra points for Morton.

Whitharral Scores in 2nd

Whitharral's only touchdown came late in the second stanza when Roland Burrett tossed a pass to Ralph Hodge.

Burrett and Aubrey Webb sparked the Panthers while Bo Allsup, Jimmy Chapman and Lanar Burns turned in a good game for the Morton Indians.

The Good Samaritan

On our way back from Dalhart Friday night, we happened to come up on a wreck.

A car, being driven by a couple of boys, had run into the back of a trailer-house.

Joe Edwards, who has a son on the Wildcat football team, was standing on the highway waving trucks and cars away from the glass and wreckage, which was all over the highway.

The trailer house did have canned cherries in the back of it, and there was glass all over the highway.

Despite the fact that it was late at night, and Mr. Edwards had a trip of 200 miles to make, he stopped and done this necessary job.

We take our hat off to Joe Edwards, and the rest of the men who stopped to help out in this emergency.

Is Supervisor In Amherst, Sudan and Spade Schools

Thomas E. Ernest, formerly of Matador, is serving as county supervisor or coordinator in Amherst, Sudan and Spade schools.

This office was created under the Gilmer-Aiken school program.

Mr. Ernest was high school principal of the Matador public schools last year, and formerly spent several years in various Oklahoma school systems, serving as teacher, principal, supervisor, and counselor.

His time will be devoted to the improvement of instruction and coordination of grades and subject matters. He has a masters' degree from Oklahoma A & M college, and has done special work in Texas Tech and Denver Universities.

Mr. Ernest served four years in the U. S. Navy and is a member of the American Legion and Veterans of Foreign Wars.

Singing Convention To Meet Sunday

The Lamb County Singing convention will meet in Littlefield Sunday afternoon at 2 o'clock at the Foursquare Gospel church.

Joe Dunn is president of the association. Singers are expected from Levelland, Lubbock, and other points in New Mexico and Texas. A cordial invitation is extended the public to attend.

GOES TO CONVENTION Henry Banks left Tuesday for the Baptist state Sunday School convention, which convenes at San Antonio, Wednesday, Thursday and Friday of this week. He plans to return Saturday.

Sudan And Dimmitt To Play Friday

Coach Francis Smith's Sudan Hornets will open their 1949 football schedule Friday night at Masten stadium. The competition will be furnished by the Dimmitt Bobcats of District 3B.

The game will be part of the annual Fall Festival, which is being held September 9 and 10.

The team only recently returned from a week's training trip to Los Vegas, N. M.

The team has held scrimmage games with several teams and has been reported to be one of the top teams in District 4A. The teams they have scrimmaged are Springlake, Amherst, Perryton and Olton. In all games the Hornets have shown power aplenty on the ground with Ross Hammock and Tommy Sherrill being the most consistent ground gainers.

Coach Smith is hoping for a strong team this year. He lost only four regulars from last year and has several good replacements for them. Top players will be Ballard Montgomery, and Alton Atkinson, guards; Don Whitmore, G. W. Maxfield, Ben Graves, ends; Jimmy Graves, center; Raymond Humphries, tackle; Cliff Johnson, Jack Crouch, Buddy Joe Wiseman, Ross Hammock and Tommy Sherrill, at the tailback slot. Glenn Williams and Toby Smith are a pair of promising freshmen tackles, Smith said.

Assistant coach is Adrian Martin, former guard at Chillicothe, and West Texas State Teachers college at Canyon.

Minor injuries have hurt the squad, but if no more injuries are reported the Hornets will enter the Dimmitt game close to top shape.

Last year the Dimmitt Bobcats handed the Sudan lads a 14 to 7 licking.

Nine Games This Week

Football season really gets into full swing this week with nine games scheduled for the area.

Levelland and Lamesa will play at Levelland, and it should be the best game of the week. Lamesa is an AA team, but Levelland is supposed to be a powerhouse in class A.

Littlefield, who last week was defeated by Dalhart, will take on the Roscoe Plowboys here at Seely stadium. Roscoe, who sometimes have only about 15 boys to come out for football, always seems to manage a good team for a small town. Last year they tied the Wildcats 6 to 6 in a seesaw affair.

Sudan, another of the favored teams in the North Half, will take on the Dimmitt Bobcats at Masten stadium in Sudan. Dimmitt is a member of District 3B and last year they defeated the Hornets 14 to 7.

The Spade Longhorns will journey to Friona for a night game with the Chiefs. This is the first year that Spade has had a team, and none of their boys have had the experience it takes to make a winning football team, but they are showing up better every day and should give some of the other teams in District 3B a close scare.

Other games are: Springlake at Muleshoe. Whiteface at Anton. Sundown at Tahoka. O'Donnell at Morton. Olton at Andrews.

TO ENROLL IN TRINITY UNIVERSITY

Warren Rutledge, son of Mr. and Mrs. W. H. Rutledge, will leave Sunday for San Antonio where he will enroll at Trinity University for the fall semester. He will be accompanied by his parents, his grandmother, Mrs. Neal Douglas, sr., and his aunt, Miss Erna Douglas. The latter will visit in the home of their son and brother, Neal Douglas and wife, at Austin.

PARENTS OF SON

Mr. and Mrs. Ansel Wharton of Seagraves, formerly of Littlefield, are the parents of a son, Stephen Milton, born August 24th, and weighing 8 pounds, 12 ounces. They have one other child, a daughter, Mr. Wharton is employed at Webb Funeral home at Seagraves and is a former employee at Hammons Funeral home.

"Back To School" Party Compliments "Chip" Payne's Eighth Birthday

The spacious green lawn at the home of Dr. and Mrs. C. E. Payne provided a perfect setting for the "Back to School" party Wednesday evening of last week observing the eighth birthday of "Chip" Payne, son of Dr. and Mrs. Payne.

Dinner was served buffet style on the lawn to the honoree and his guests.

The serving table was laid with lace cloth, centered with the beautiful and unique birthday cake, on which six Hurricane lamps provided the lighting.

Represents School House

The cake represented a little red school house on top of a pillow of cake. The roof was fashioned from ginger cookies supported by white icing. Inside the schoolhouse were a blackboard and teacher, little red and yellow plastic desks, and a larger plastic desk and chair for the teacher. The candles on the cake were fashioned as miniature little boys marching into the school house.

Favors Pencil Sharpeners

Further carrying out the outdoor setting the children were served ice cream from dishes representing clay flower pots.

Favors were little individual pencil sharpeners in the form of the world.

The children enjoyed the evening on the swings, merry-go-round, trapeze and jungle gym.

Presene at the party were, Chip Payne, the honoree, Freddie Underwood, Lewis Clarida, Ralph Gerald Maurer, Hal Clarida, Frances Louise Rogers, Hayden McCary, Steve Sullins, Edwin Fowler Jr., Terry Stone, Bill Wade, Kenny Wilemon, Barry Walker, Kay Lynn Walker, Ann Q. Bellomy, Kay Smith, Carol Bellomy, Glenn Harvey, Bruce Faust, Faith Helen Faust, Gregory Wilemon, Leland Stone, Polly Lou Potter, Kay Hendricks, Diane Hall, Paula Sue Jensen, Maybelle Ayres, Tommy Shelby, and Bitsy and Cindy Signor of Plainview. Miss Gladys Price and Joe Tom Alverson of Beavalland, and Dr. and Mrs. Payne.

Gun-shy Mickey Cohen, Los Angeles gambler (right), emerges from self exile at his barricaded command post to take stand at the inquest into the "robust" of "Neddie" Herbert, his chief lieutenant. Cohen was one of the victims of the ambush from which Herbert was felled by gunfire, but the gambler's wounds were not serious. With Cohen in his hand, Johnny Stompanato, Passerby did not recognize Cohen. Several Los Angeles policemen were arrested in connection with the Cohen shooting.

From where I sit... by Joe Marsh

Sure You Haven't A "Blind Spot"?

As I was driving down Main Street last Saturday, another car swung out right in front of me. It seemed out to be Buck Blake. He wasn't going fast. It was just that he had something else on his mind at that particular moment.

Buck's really one of the nicest fellows I've ever known. But, sometimes he gets to day-dreaming on the road. He sort of gets a "blind spot" to what's going on about him!

Now, lots of normally considerate folks have their "blind spots."

It could be anything from day-dreaming while driving a car to humming out loud at the movies.

From where I sit, it's mighty important to be on guard against your own "blind spots." The other fellow has a right to his "share of the road," too—whether it's having a taste for a temperate glass of sparkling beer or a desire to listen to some classical music if he wants to.

Who is at fault?

Of course, since you are a careful driver, in case of an accident the "other fellow" is at fault. We feel that way, too, but if the jury disagrees it may cost you plenty. Make sure your automobile insurance is complete. If it is not, better call

"Meet Me in St. Louis"...

... this might well have been the theme song of Woodmen field representatives out to win all-expense trips to the Society's field conference in St. Louis this month.

More than 200 field men will be guests at this meeting... their reward for achieving the best scores in persistency, i. e., the lowest percentage of lapses among the membership applications they have written.

The longer you keep it, the more valuable your Woodmen membership becomes. Along with safe, sound life insurance protection, Woodmen also enjoy many "plus" benefits from Woodcraft's fraternal activities.

The Banking Trend In Tomorrow's World

The trend of banking has been toward more complete financial services for the individual. In part this trend is due to the desire of banks to be of maximum helpfulness, and in part to the growing complexity of modern life, which accents the importance of individual financial management.

This trend will continue, we believe, into the world of tomorrow. This bank, for one, will continue to study the needs of the average individual and provide new or improved banking services whenever necessary.

BULL LAKE PHILOSOPHER WANTS WOMEN TO READ CONSTITUTION SO MEN CAN USE CLAUSE 5 PERCENTERS USE

Editor's Note: The Philosopher on his Johnson grass farm in Bull Lake no doubt has a splendid idea this week, but he won't get to first base with it.

Dear editor:

Since I found me a place last week like I was talkin about out here where I can be in the shade all afternoon without movin regardless of where the sun is, due to the way the trees are lined up, I been spendin considerable time relaxin and enjoyin life, figurin there's not any use in everybody worrying about crops and the state of the world, ought to hold some minds in reserve in case a first-class crisis comes along, and while I was restin I got to thinkin about some of those five-percenters in Washington and the method they use to avoid answering embarrassing questions.

Say one of em has been caught practically red-handed stuffin dollar bills in his pocket and some Senator asks him whose money it was and he just says "on the advice of my counsel I decline to answer on the ground it might incriminate me," and that seems

to settle the matter. Stumps the whole Senate.

Accordin to the newspaper I read this in, this is entirely constitutional, and what I want to know is why this constitutional safeguard ain't extended to the rest of the people? It looks now like the politicians and their close friends are gonna get all the deep freezers, ain't no chance for a farmer gettin one, but I don't see any reason why this handy constitutional safeguard too has to be reserved just for them. Why can't it be extended to every American citizen?

You take an ordinary hard-working man. Maybe ne gets tied up in a important discussion at the drug store or the cafe and don't get back home at the time he promised and his wife demands to know where he's been.

While he might have a good excuse, sometimes he gets caught off-guard a little without no ready answer and if he could fall back on the Constitution and say he refuses to answer on the ground it might incriminate him, he would at least be enjoyin some of the mental privileges of the politicians, don't make no difference if he hasn't got a shot at the deep freezers.

But the trouble with this plan

is that there ain't enough women who are familiar with the Constitution. They apparently ain't never heard of that section.

A politician, caught two inches short of red-handed, can lean back in the witness chair, blow a few smoke rings, and decline to answer a pressing question, and the Constitution seems to prevail, but you come home some time at 2 a. m. and try it on your wife.

What this country needs is a campaign to familiarize the women with the Constitution. It's a great document but just ain't enough women got enough respect for it.

Yours faithfully, J.A.

HAMMONS FUNERAL HOME

SEE IT and you want it - PRICE IT and you'll buy!

FOLKS take a look at those bumper-guard grilles - built as a unit and proof against "locking horns" - and say "Hmmm! Nice!"

They sweep their eyes over tapering fenders, with a suggestion of jet power in their after contours - and say, "That's for me!"

They eye-measure windshields that are 48% bigger and rear windows with 56% more area - and know without being told they can see the road up closer, both fore and aft.

So they say - "That's for me - IF!"

"What does it cost me to get this handy-sized dandy with the roomiest interiors ever found on a Buick Special?"

"What do I pay for high-compression, high-pressure Fireball power from a big Buick straight-eight engine?"

"What's the tag on that swell Buick ride, with coil springing, extra-wide rims, seats between the axles and all that?"

"And what about Dynaflo Drive -

understand I can have that at extra cost - how much?"

Well, sir, the news is good. Plenty good. Because this honey's priced well under your expectations. It's a straight-eight that's priced under a lot of sixes - over the years your investment will be no more than for any other car.

So better not stop with looking. Better price it too - delivered at your door. Your Buick dealer will give you the figures, even demonstrate.

After which you'll do as others are doing - you'll get a firm order in.

TEN-STRIKE!

Only Buick SPECIAL has all these Features!

- TRAFFIC-HANDY SIZE • MORE ROOM FOR THE MONEY • DYNAFLOW DRIVE optional at extra cost • JET-LINE STYLING • NON-LOCKING BUMPER-GUARD GRILLES • HIGH-PRESSURE FIREBALL STRAIGHT-EIGHT ENGINE • COIL SPRINGING ALL AROUND • LOW-PRESSURE TIRES ON SAFETY-RIDE RIMS • GREATER VISIBILITY FORE AND AFT • SELF-LOCKING LUGGAGE LIDS • STEADY-RIDING TORQUE-TUBE DRIVE • THREE SMART MODELS WITH BODY BY FISH

Designers Give New Interpretations To Cottons

There's a rich opulence to cot-
tons for fall. Textile fabricators
and designers have gone all out to
give cottons a new future.

Calico and gingham wearing an
iridescent look take an important
place in the career and college
girl's wardrobe. Cotton flannels,
velveteen and corduroy blazon
forth in bold, bright plaids and
stripes.

Cotton knits are more exciting
and boasting a sweater and blouse
look wherever possible. Good-look-
ing shirts and shirtwaists have a
sophisticated look in this season
of separates and coordinates.

And in the 'underneath - it - all'
department, fresh, sparkling cot-

loom pieces.

Stunning new decorator fabrics
are shown, that blend perfectly
with matching and harmonizing
wall papers. Wonderful autumn
shades of earth browns, vermilion
reds, moss greens, combinations
of euryoise, brown and grey,
pinkish tans and mustard tones,
give dramatic color and diversity
to modern treatments.

The keynote of the new, con-
temporary design is to coordinate
line and color in such a manner
as to give an air of consistency
throughout the entire room, house
or apartment. This is done by
means of novel lamps, floor cover-
ings, accessory objects and
abstract art.

Millinery Collections for '49 Autumn Are Reminiscent of Renaissance Period

In the mood of elegance, an ef-
fective cocktail hat of jet aig-
rettes is sparked into brilliance
with its touches of jewels. The
necklace is by Coro.

The elegance of the Renaissance
period is recalled in the millinery
expressions for autumn 1949. Bon-
nets are demure — berets, small
and lithesome and sleekly-draped
turbans, rich in fabric and color.

Daytime hats and dinner hats are
soft, tiny and oh-so-feminine. Gen-
tly scooped brimmed bonnets, many
with chin straps of velveteen,
others with gracious bows of tulle
and veil, are the go-with-everything
suit and dress hats.

Casual hats for fall suits and
tailored costumes also follow the
head-hugging helmet lines with a
curving, irregular silhouette that
softens their basic severity.

Profile flattering turbans and
draped-dramatically berets fol-
low the headlines closely and are
shaped well down over one ear.

Black velvet facings, satin pip-
ings, silk cords and tassels trim
the perennial black hat.

Feathers, such as coo, ostrich,
make-believe bird of paradise are
used for gracious accents to the
after-five headdress.

Fall Handbags Keynote "Luggage Look"

It's the newest expression in
handbag fashions! It's "The Lug-
gage Look" for milady's fall hand-
bag, a look that denotes a wonder-
ful convenience and novel loveli-
ness. For this new accessory, de-
signers have used as their inspira-
tion the carry-all capacities of
suitcases, have transposed them
into brilliant bags that duplicate
the form of luggage, are actually
miniature overnight cases in size.

One of the smartest of the "Lug-
gage Look" bags is created of
highly-polished calf, shaped with
satchel-type handles of burnished
tortoise, and fitted to carry every-
thing from comb to nightie. In
all sizes, these bags have the same
fine-grain leathers as the most
aristocratic luggage, the same care-
ful detail and rich metal frames
that add much to the fabulous ap-
peal of their new and prophetic
style.

On the dressier scene, the bag
for evening is cued to the more
feminine gowns. Dainty little
dressmaker bags in exquisite fab-
rics—some with dramatic drapery
and rich folds, some magnificently
beaded and jewelled, and hand-
somerly fitted. Many are complete

SUDAN PREPARES FOR BIG FALL FESTIVAL SCHEDULED FOR SEPT. 9-10

SUDAN, Sept. 2. (Special) — Special committees are rapidly completing final plans for the city's annual "Fall Festival," to be observed here Friday and Saturday, Sept. 9 and 10.

Good crop prospects plus several new enterprises testifying to the business growth of the city, have set the scene for festivities which will include such activities as quarter-horse races, an American Legion rodeo and dance, Sudan high school's first football game of the season, and a parade that will launch the program Friday.

Floats representing Sudan's civic organizations and clubs will com-

pose the major part of the parade. They will vie for cash prizes of \$50 and \$25 to be awarded to the best two.

Sudan's Hornets will battle the Dimmit Bobcats on the gridiron Friday night, with rodeo performances and dances both Friday and Saturday nights. The horse races are set for 1:30 p. m. Saturday.

Evidence of civic progress to be celebrated during the two-day community party, include recent completion of a \$30,000 business including housing the city's first super market; a \$75,000 compress warehouse now under construction; a new four-lane highway

through Sudan, now under construction; a new paving project north of town; and completion of two 300,000 bushel granaries here. A third granary of similar size has just been started.

General chairman of the committees which are functioning through the Chamber of Commerce, is Harold R. Close. Other committee chairmen are R. D. Nix, parade; Ernest Minyard, children's games; Frank White, decorating; Joe Salem, finance; O. C. Willingham, horse races; Jay Miller, concessions; E. J. Stone, musical program; Ott Shuttlesworth, Legion event; Simon D. Hay, coordinator, and Bill Lyle, publicity.

QUARTER HORSE RACES ARE SLATED SATURDAY

Purses ranging from \$175 to \$550 will be offered at the second annual Quarter Horse races to be held at Sudan, Saturday, Sept. 10. The races, being held in conjunction with the city's annual "Fall Festival," will get under way at 1:30 p. m.

The contest has received a good deal of advance publicity in west Texas, and a good representation of quarter horses from Lubbock, Plainview, Levelland, Amarillo, and Hereford, is expected.

A portable steel four-horse gate will be used at the track, which has been leveled to put it in good condition for the races. The track is located near the city airport

The doctor who wrote Daddy's cough medicine prescription specified exactly the medicine required for his physical condition. But when Junior gets sick — is Dad's medicine all right for him?
