With the reconvening of the District court grand jury at Olton Monday, inquiry was launched into the October 26 double slaying of Dr. Roy E. Hunt, Littlefield physician, and Mrs. Hunt, who were found dead in their bed at their home here.

An official public report on the inquiry of the grand jury will not likely be made as it is understood that the chief purpose of the investigation is to get into the record the information possessed by the witnesses.

In Lubbock, it was ascertained that Jim Thomas, 47-year-old convict who had been arrested in connection with the case in Galveston and had been held in Lubbock since, had asked permission to be taken before the Lamb county grand jury, but Lubbock county jail records showed he had not been removed from his cell.

Oppose Legislation To Erect Stores Near Defense Plants

In opposition to a recent bill said to have been presented to Congress by President Roosevelt, in which it was proposed to appropriate one hundred and fifty million dollars for the building of grocery stores close to defense plants for the purpose of cutting down on absenteeism, a number of telegrams have been sent by local merchants to Senator Tom Connally, Congressman George Mahon and Senator W. Lee O'Daniel.

Reports indicate that Senator O'Daniel and Senator Connally have wired back their own opposition to the bill, and that they would do all they could to prevent its passage.

As a result of the opposition, which was forthcoming from all parts of the country, it is understood that the proposed bill has been pigeonholed.

Red Cross 1944 WAR FUND

Which Will Replace the Annual Membership Drive

The Greatest Humanitarian Effort in the History of the World

More than 8,000,000 prisoner-of-war parcels have been shipped for distribution to American prisoners and civilian internees in enemy countries. To these and to thousands of other war victims, the Red Cross brings food, clothing, medicine. Never has the need of so many been so great . . . give more in '44 to keep the Red Cross always at their side.

You can't be with him . . . but you can help to keep your Red Cross always at his side. To help make sure that he gets the medical and morale-building helps he needs . . . give all you can to the 1944 RED CROSS WAR FUND.

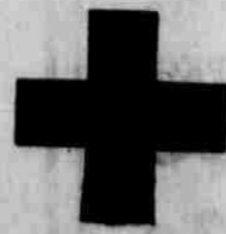

5 REASONS FOR GIVING to the RED CROSS WAR FUND

AS OUTLINED BY MRS. ELIZABETH C. MORROW, WIDOW OF DWIGHT C. MORROW

- If you have thrilled over the heroic resistance of our Allies in this great war against aggression, you will give out of ADMIRATION.
- If you have been shaken with sorrow by the sufferings of the oppressed countries, if the cries of little children, desolate mothers and tortured prisoners have rung in your ears, you will give out of PITY.
- If you have shoes on your feet, clothes on your back, food in your kitchen, and a roof over your head, you will give out of GRATITUDE.
- If you have a husband or a son at the front, if you have faith in the American Army and Navy, the men who are enduring, fighting and dying for us, you will give because of that FAITH.
- If you believe that the United Nations are struggling for a better world for our children and grandchildren, you will give out of WISDOM.

BACK YOUR RED CROSS

Back your Red Cross . . . for the Red Cross is always at his side! Red Cross comforts and personnel are right up in the front lines—wherever and whenever needed. Don't let him down . . . help your 1944 Red Cross War Fund to go over the top!

Proud To Be From Littlefield, Says Sgt. O. K. Yantis, Jr.

Sgt. O. K. Yantis, of the Air Corps, connected with the Post Engineers, and stationed in Porto Rica,

is pleased at the way his home town is backing the boys in the service, and is proud to be from Littlefield, according to a letter received from him last week by Mrs. Yantis, Jr., known by her many friends as "Mary Edith." Excerpts from his letter reads as follows:

"I got a bunch of my Lamb County Leaders all at one time the other day. They were certainly interesting. I want you to tell Mr. Drake that as a soldier in Uncle Sam's Army I can truthfully say that the people in my home town are doing their part to win this war. I am proud I am from the same town they are. That is the way I feel about the folks back home. It makes a guy feel good to know that his home town is doing its part."

The Leader is also proud that the name of Sgt. O. K. Yantis appears on its mailing list.

Completes Primary Flight Training

A-C Bruce Wren, son of Mr. and Mrs. J. B. Wren of south of town, has successfully completed his primary flight training at Harris Field at Cape Girardeau, Mo., and has been moved to the Malden Army Air Field, Malden, Mo., to take his basic flight training.

The Leader was pleased to receive a letter from A-C Wren in which he said:

"I still get your paper regularly, and I really enjoy it—especially that part devoted to the men in the service, because through it I can keep up with my friends."

You Are Invited to Bring Your Car to the Phillips 66 Service Station at Least Once a Week for Tire-Saving and Car-Saving Service

R. S. V. P. . . .

and Uncle Sam doesn't mean maybe!

If you are a patriotic American, this is an invitation which you must read and heed!

The life of our country may depend on the life of your car. If this sounds exaggerated, remember that official estimates declare that the nation's all-out war effort will be seriously endangered if the number of serviceable cars in the U. S. falls below 20,000,000.

In 1943, the number of cars scrapped was 1,500,000. This year 2,000,000 more will probably go to the junk heap. Yours must not be among them. Literally, you must coax and cajole every last bit of usefulness from the aging engine, chassis, and tires of your car.

Phillips 66 service men are specially pledged to perform all services which will improve the operating efficiency of your car and lengthen its life. Phillips Tire-Saving Service includes checking air pressures at least once a week . . . inspecting for nail holes, cuts, and bruises . . . examination of tire carcass to warn you when recapping is advisable and still possible.

Phillips Car-Saving Service includes inspection of battery, air filter, and anti-freeze protection . . . regular lubrication at every point specified by the maker of your car.

So do the right thing. Do the wise thing. Care for your car for your country by enlisting the aid and cooperation of the Phillips 66 service man. Drive in at any Orange and Black 66 Shield . . . sign of famous Phillips 66 Gasoline and Phillips 66 Motor Oil.

Fourth Son of Mrs. Landrum To Enter Service

The fourth son of Mrs. S. A. Landrum of 12 miles west of Littlefield will enter the service of his country soon.

The first son to volunteer was Lieut. Curtis Landrum, who lost his life when his single seated fighter plane crashed into Oakland Bay in December, 1942.

Lieut. James O. Landrum, 24, who was graduated as a fighter pilot from Luke Field, Arizona, August 30, 1943, left for foreign service in January last, and is now "somewhere in Africa." Lieut. Landrum is a pilot on a P-51 plane. His mother has received several letters from him, in which he reports being well and feeling fine.

Previous to starting his training as a pilot, Lieut. Landrum was grad-

uated from a radio school at Scott Field, Ill., and could have remained there as an instructor, but turned this down to become a pilot in the Army Air Corps. He visited here in September last, after receiving his commission.

Another son, Pfc. Aubrey S. Landrum, Airplane Mechanic, is stationed at Great Bend, Kans.

The fourth son to enter the service will be Kenneth Landrum, formerly of Littlefield, but now of Amarillo, who plans to enter the Navy in about two weeks.

With South Plains Men In The Armed Forces

Pfc. Weldon Marion Newsom, son of Mr. and Mrs. Fred Newsom of Route 2, Littlefield, was enrolled last week in the Keesler Field B-24 Liberator Bomber Mechanics School. Pfc. Newsom has started his intensive Army Air Forces Training Command 17-week course in airplane mechanics, successful completion of which will lead to his assignment either to active duty on the line, servicing and maintaining the huge bombers which are carrying the war to the enemy, or to a factory or gunnery school.

Pegues Houston, formerly with the Farm Security here, who has been in the service since January 13, is stationed at Camp Van Dorn, Miss. He is in the Medical Corps. Mrs. Houston will continue to make this her home.

Pfc. Owen McLarty, son of Mrs. Sallie McLarty, and brother of Mrs. Hubert Colbert of this city, who has been stationed at Bryan, and is a butcher in the Air Corps, arrived here Friday on a furlough to visit his mother and sister and brother-in-law, Mrs. McLarty and Mr. and Mrs. Colbert. Pfc. McLarty has been in the service for over a year, and has also taken a special course in baking and cooking.

Maj. M. F. Green, stationed at Davis Monthan Field, Tucson, Ariz., as Flight Sergeant of the Tucson Flying School expects to get a 12 day furlough, and to arrive home Friday to visit his wife and other relatives.

Cleo Weschke, son of Mr. and Mrs. Charles Weschke, of Littlefield, who has been in the service a year, and stationed at Conover, Calif., has been transferred to Geneva, N. Y., where he will take a special V-12 course at the Hobart Williams Smith College. Seaman Weschke arrived Thursday on an eight day leave.

Waymon Taylor, 18, of the U. S. Navy, son of Mr. and Mrs. M. C. Taylor, is taking an officers training course at Georgetown University. He is expecting to have a leave home about February 28.

Mr. and Mrs. Jim Roles left Fri-

day for San Diego to visit their son, Pfc. James Alvin Roles, of the Marines. He is confined in the Naval Hospital, where he has been since he returned several months ago from a furlough home.

Jack Bruton, son of Mrs. Nettie Bruton, of Olton, is home on a furlough. He is stationed in Pennsylvania.

S-Sgt. Aubrey Loyd, who has been in service two years, and in foreign service 21 months, arrived home this week on a furlough. He is in the Air Corps, serving with the ground crew, and has been stationed at Trinidad Island, South America. Mrs. Loyd received a telegram Thursday from him at Miami, Fla., advising that he was enroute home.

S-Sgt. Loyd is a son of Mrs. F. A. Loyd of McAdoo, Texas, and a nephew of Mrs. J. M. Stokes of this city. He will attend officers training school.

Roy A. Hutson, Private, first class, U. S. Marine Corps, Route 1, Littlefield, has recently completed training at the Naval Air Technical Training Center, Norman, Okla. He is a graduate of Littlefield High school, and enlisted in the Marines February 23, 1943.

Mr. and Mrs. M. A. Bales of 6 miles northeast of Littlefield have had the pleasure of having their family together for the first time in over two years. Recently Cpl. Malcolm Bales, who is in the (AAA) Anti-Aircraft Artillery, and stationed in California, arrived home on furlough February 3 for 14 days. Malcolm has been in the Army since January, 1943.

Leroy Bales, the oldest son, arrived February 9 from Baxter Springs, Kans., where he is now employed in an office of a mining company. Leroy was given a discharge October 5, because of a left hip, which was weakened by four operations. He volunteered March 4, 1942, and was in the Signal Corps, stationed at Camp Crowder, Mo.

Douglas Bales, the third son, is now in the Air Corps, having volunteered and passed his mental test some three weeks ago, and now is waiting to be called. He lived on and operated a farm 12 miles southeast of Levelland last year. He married Miss Eunice Whit, daughter of Mr. and Mrs. B. Whit, formerly of Lamb County, but sold their farm and bought in Hockley County.

Leroy is also married. He married Miss Nell Garrett of Baxter Springs, Kans., where he is now making his home.

Cpl. Malcolm married Miss Marie Lynch of Spade, and to that couple goes the honor for the first grandchild. They are the happy parents of a nine pound daughter born Saturday, February 12.

A-C Roy McQuatters has been transferred from Columbus, Miss., to Maxwell Field, Ala., to begin his primary pilot training.

Tom Rollins, S 1-C, has been visiting his parents, Mr. and Mrs. T. J. Rollins, near Whitharral.

He has been in the service since May, and is now awaiting orders to enter a V-12 Officers Training school. He arrived home Monday, and left again Tuesday. He expects to enter training school about March 1.

Charles Heathman To Receive Wings

A-C Charles Heathman, son of Mr. and Mrs. W. E. Heathman, who has been stationed at Garden City, Kans., has been transferred to Aloe Field, Victoria, Texas, where he is in advanced pilot training, and expects to be commissioned and receive his wings at this field on April 13.

Mr. and Mrs. Heathman plan to attend the ceremony.

Is Graduated From AAA Pilot School

F-O Walter L. Dyer, son of Mr. and Mrs. Floyd Dyer of Spade community, Friday was a member of the 15th class of Liberator B-24 bomber pilots to graduate from the AAF Pilot School at Fort Worth Army Air Field. Of the 33 States and Canada represented, Texas took top honors with 23 fliers naming Texas as their home state.

F-O Dyer, 23, received his preliminary flight training at Corsicana, Texas.; Enid, Okla.; and Frederick, Okla.

The rigorous nine-week course at the world's largest B-24 pilot school includes all phases of servicing and flying the giant Axis-busting bombers that are dealing so much misery to Axis fortifications on every battle front. Producing thoroughly competent bomber pilots at a rate believed impossible six years ago, the curriculum at the specialized four-engine school includes many hours of ground school, a brisk athletic program, and long cross-country navigation flights under simulated battle conditions.

Today's B-24 pilots will either become flight instructors and assist in the training of other bomber pilots, or be sent to tactical schools for final phases of pre-combat training.

BUYS FARM AT SPADE

Mr. and Mrs. Roy Dodson, who recently sold their farm one mile east of Olton, have purchased a farm three miles west and one and a half miles north of Spade, and have moved to the property. This farm consists of 160 acres, and was purchased from Sam Darby.
