### Mrs. Bennett and Twins Leave To Join Husband In Germany

Mrs. T. L. Bennett and twins, Margaret Jo and Tommie, aged 3, sailed from New York harbor at noon Friday for Europe. Mrs. Bennett is the daughter-in-law of Mrs. Maude Bennett of Amherst and the wife of Master Sergeant T. L. Bennett.

Mrs. Bennett and the twins left Memphis, where they have been making their home on the 16th to make the boat in New York. They are enroute to Wiesbaden, Germany, to join Sgt. Bennett who has been stationed there since January. The whole family will make their home in Germany for three years from the date Sgt. Bennett arrived there.

### Mary Lenore LaGrange Hostess To Amherst Study Club

The Amherst Junior Study Club met in the home of Mary Lenore LaGrange last Monday at 7 p.m.

"Working Together in the Home" was the theme of the program. Mrs. Laverne Nicholson presented an article entitled "This is the Way I Keep House." A prayer for peace was offered by Mrs. J. W. Tomes, president.

During the business meeting, members voted to feed one needy child in the school lunch room this year. Mrs. Tomes read an invitation from the Town and Country Club of Earth to attend a dinner in the new school lunch room. October 9, Mrs. O. M. McGinty, district president, will be speaker of the evening.

The hostess served frosted cakes and cookies to Mesdames Duane Carter, Randall Crawford, Winston Cummings, J. B. Davis, Laverne Nicholson, Wesley Pigg, Donald Tapley, and J. W. Tomes.

### After-Game Fellowship Party Features Magician

Under the "big top" at Young People's Fellowship Circus Party Friday night after the 34-26 victory over Andrews, E. Y. Gibbs entertained over 60 Wildcat boosters with an unusual display of magician's tricks.

The talented contractor from Lubbock whose hobby is magic presented a 30 minute show during which he turned paper into an egg right before the eyes of everyone present by sprinkling it with laying mash. After a number of card tricks which required audience participation, Mr. Gibbs astonished some band members by pulling varicolored silk handkerchiefs out of their hats.

### W.S.C.S. Yearbook Theme Is "Proclaim The Good News"

The W.S.C.S. of the First Methodist Church, met in church parlor at 9:30, Monday morning with the following present: Messrs. W. C. Cannon, Zeb Clarida, John Wood, Bell Dow, Van Clark, W. C. Thaxton, W. P. Kirk, Dick Edwards, S. H. Bluhm, Ben Joplin, Jack Wingo, Harry Vanderpool, Huston Hoover, J. Ernest Jones, Mattie Blewitt, Roy Wade.

A year book program was led by Mrs. Dick Edwards, in which she stated the theme for the year to be "Proclaim the Good News" and stressed the importance of each member being an ambassador for spreading the good news of Christianity. She was assisted with the program by Mrs. Zeb Clarida who gave an interesting talk on Indians.

Mrs. W. C. Thaxton gave a report on new draperies for the parsonage and announced that the furniture will be re-upholstered. Mrs. W. P. Kirk dismissed the meeting with prayer. Next weeks program will be in charge of Mrs. G. S. Glenn.

### Your Skin Is Showing

By BETTY CLARKE  
AP Newsfeatures Beauty Editor

Older women are inclined to feel the effects of extreme climate on skin and hair more than their younger sisters. Sometimes the toll of summer sunshine, wind and salt water does not show its aging effects until winter sets in. It is then that the skin's wrinkles become deeper and the skin dries and chaps at the slightest exposure to the elements.

If older women take the attitude that "I'm just getting old" there is no beauty treatment which can help prevent old age from getting a foothold. But if each day an effort is made to retain yesterday's youth, the job will be simpler.

Skin care is the first step in this rejuvenation program. If skin has lost a large percentage of natural oils during summer months, it will need a good rich nourishing cream to help restore that dewy look. This is a surface treatment of course. You still will need a balanced diet and adequate liquids to keep skin clear and shining.

There are many good creams and oils available. One super-rich concoction boasts hydronized oils, said to have quick action in helping to soften, soothe and maintain youthful skin resilience, and to lend satin smoothness to overly-dry older complexions.

A good skin care program for the older skin follows the same routine required for the care of young skin, except that richer creams should be used.

- Here is a skin-care plan for the average over-30 skin:  
1. Wash the face with soapy hands every morning and evening. Pat dry with smooth towel.  
2. Use a good soil absorbing cleanser to remove makeup.  
3. Eat a pat of butter each day

SKIN INSURANCE—Hydronized oils help keep it supple.

unless your doctor advises otherwise.

4. At least once a week give your skin a rest and do not use makeup (except lipstick).

5. If skin is excessively dry, do not use drying cake or liquid make-ups. Make sure your foundation cream (if you use one) has a creamy base.

6. Try to get at least eight hours sleep in a well-ventilated room and in winter be sure you do not keep the windows closed in a steam-heated room.

7. Drink water, fruit juices and milk.

8. Use clean cotton squares or cotton balls each time you powder your face.

9. Observe a balanced diet—less emphasis on gravies and pastries. Meat, green and yellow vegetables and potatoes are good basic meal combinations.

10. Use super-rich oils to give a life to a dehydrated looking complexion.

## Pastel Portrait Chosen Best Entry In Art Department's Fifth Exhibit

Nearly two thousand people viewed the 40 pictures and 63 ceramic pieces on display at the fifth annual art exhibit sponsored by the Art Department of the Woman's Club at the Lamb County fair last week. There were 4,650 registered visitors at the exhibit housed in the old Agriculture Building, but hundreds who viewed the displays late Saturday did not register, said Mrs. C. R. Cox, superintendent, and her assistants who kept records of attendance.

Thirty-five of the 40 pictures in the exhibit were entered for judging. The picture judged first best in the whole exhibit was a portrait in pastels executed by Mrs. Arthur P. Duggan. Mrs. Duggan, who has lived here since 1912, painted and studied art when she was a school girl, but this is the first year that she has done any portrait painting. In Riverside, California, last summer she studied in a class of portrait painting. The one exhibited is of her 11-year-old grandson, Alexander, and was painted in June. Mrs. Duggan worked from sketches made in two morning sittings of about 4 1/2 hours with the model.

Second best in the whole exhibit was a still life in oils painted by Mrs. Cal Harvey, who has "never had a lesson in my life," she says. In the group of objects—a fruit bowl full of bananas, a vase, and a drapery—interesting grays and yellows predominate, relieved by a multicolored drape in the right background. Mrs. Harvey has been painting in oils "off and on" for about a year.

An illuminated manuscript emulating the style of books done in the Middle Ages entered by Elizabeth Poplin won third best in the show. Four lines of a poem by Emily Bronte were lettered in Old English Text and surrounded by flowers, foliage, fruit, and insects rendered in watercolor and ink. In the ceramics division were entered eleven lamps, which is more than have ever been entered before, 15 pieces of hand-painted china, and 16 pieces of porcelain.

Attracting the attention of all sightseers in the exhibit hall was a brunette ballerina dressed in a white satin and net gown, poised on tiptoe with hands folded in a classic position. The 36 inch doll, largest in the show, was all hand-

made by Mrs. J. B. Davis.

Unusual among the china displayed was a sunflower dish, modeled by Mrs. L. E. Faver which won second place in the ceramics division.

Twenty-one dolls of all types were entered in the first Doll Show sponsored by the Art Department. The oldest doll in the show a 60-year-old young lady was exhibited by Mrs. Jed Clarida.

Entries in the art exhibit this year came from Earth, Enochs, Amherst, Sudan, Spade, and Anton.

Committees of the Art Department are already working on ways to make next year's show better even than the one just completed. Among the many divisions that will be added will be three more juvenile divisions. This "break-down" of age groups will cut down the competition of very young children's painting with that of teen-age groups. The Art Department hopes to have many entries from school art classes next year.

Besides the media used this year such as oils and pastels, pencil, charcoal, and crayon will be added next year.

show of theirs a success, stated Mrs. W. A. Beale, publicity chairman.

The show is open to anyone; and men in the family, who do the gardening are especially invited to display horticultural entries if they feel that floral arrangements are just for women. Horticultural specimens of one bloom for large flowers and three blooms for smaller flowers such as petunias, cosmos, and dwarf zinnias can be displayed in coke bottles or similar containers.

Arrangements of flowers and fresh vegetables and foliage are welcomed.

### Earth Study Club Entertains Husbands At Garden Party

The Town and Country Study Club of Earth launched its post-summer series of studies and social activities by entertaining husbands of club members with a garden party and buffet supper at the home of Mrs. Lena Hite on Thursday evening, September 11.

A colored movie on "Father Flanagan's Boy's Ranch" was viewed in the yard.

With the new president, Mrs. Jack Hinson, and Mrs. Golden Green, program chairman, the following topics were discussed: "What is the General Federation of Women's Clubs" and "Sixty Years of Achievement" by Mrs. John Laing, "Why Federate" by Mrs. M. E. Kelley, and "Common Ailments of Women's Clubs" given by Mrs. W. T. Clayton.

Those present included: Mr. and Mrs. W. T. Clayton, Mr. and Mrs. J. J. Davis, Mr. and Mrs. Ed Dawson, Mr. and Mrs. J. A. Littleton, Jr., Mr. and Mrs. Ray Kelley, Mr. and Mrs. Bill Stockard, Mr. and Mrs. Ray Axtell, Mr. and Mrs. Golden Green, Mr. and Mrs. Sam Cearley, Mr. and Mrs. Harry Axtell, Mr. and Mrs. Earl Miller, Mr. and Mrs. Jack Hinson, Mr. and Mrs. L. ## Wear 'em Big, Bold and Brilliant Advise Costume Jewelry Designers

HERE'S HOW—Designer Michael Paul adjusts a "black diamond" topaz dog collar worn with matching necklace and earrings, to dramatize a bare-top gown.

When selecting costume jewelry, don't be timid.

This is the advice of Michael Paul, designer for Marvella, who has contributed some of the season's splashiest designs. Says he: "Don't be afraid to be bold when you're adding a pin, necklace or earrings to your costume. Costume jewelry should do something for you—add color and excitement to your outfit, flatter your face and your complexion."

"Don't buy costume jewelry carelessly. You should spend as much time selecting this accessory as you do in picking out a dress or hat. Try it on, consider the effect you want, select colors and designs that are becoming."

Paul is responsible for many of the bold, headlight effects in current jewelry designs, is credited with introducing the chunky look in jewelry design.

This season he favors multiple strand bib necklaces to fill in a neckline, big, brilliant "spray" earrings and pins, big, bold pendant brooches and the "ancestral" necklace with detachable brooch. He says:

SHOOTING STARS—Spray ear clips and brooch tipped with rhinestone dew drops.

ANCESTRAL CHAIN—gold and turquoise chain with detachable brooch.

CHUNKY LOOK—Bold quizee-and-gold pendant ring and earrings.

Gene Renfro, son of Mr. and Mrs. J. J. Renfro, is playing on the first string varsity team at Baylor this year.

Six foot one Gene is one of several sophomores in the "good old Baylor line" this fall. He plays guard.

Gene, one of Baylor's prize cubs, is the only boy from Littlefield to

play Southwestern conference football. Last spring, Gene weighed 215, but during the summer brought it down to 205. During the two weeks after practice started, Gene was tipping the scales at a mere 135; but now he's back to a more normal 195.

Gene, who is majoring in education, has in mind a coaching position, maybe, a couple of years from now.

During the Wildcats 1948-49-50 seasons, Gene played fullback.

**Prizes to Be Given At State Fair FHA Achievement Day**

Achievement Day for the Farmer's Home Administration will be observed at the state fair, Wednesday, October 9. This is the fifth year that the fair association has set aside a day for the recognition of this branch of the department of agriculture. The program will be presented in the new livestock arena.

Truman J. Jones, county supervisor of FHA, will be in Dallas for the Achievement Day and other agricultural events from October 8-13. "All present FHA borrowers," he said, "and all paid-up borrowers are being urged to attend."

More than 3000 families and county groups participated in the program last year and about 5000 are expected to be present this year.

In order to qualify for the prizes to be given away at drawings during the day, FHA borrowers and former borrowers must contact their county supervisor for signed drawing tickets. Mr. Jones, whose office is in the basement of the post office, or Miss Mariwyn Wren, office manager, can supply any information about Achievement Day at the Texas State Fair.

Activities for the day are many and varied. From 9 to 12 in the morning, families and county groups will be arriving and visiting exhibits of the fair. At noon lunch will be served on the grounds.

L. J. Cappelman, state director, will preside at the meeting beginning at 1 p.m. with music by Ralph Beck's American Legion Band.

Farm Family interviews are scheduled over station WFAA in Dallas at 1:20 p.m. Murray Cox and W. A. Ruhmann, station WBAP, will interview two or three families who are supervised by FHA and have reached a reasonable degree of success in their farming ventures. Cox is farm director of station WFAA.

Lyndon B. Johnson, U.S. Senator, will address the group on the subject "Family Type Farmer Cornerstone of American Liberty."

Later in the afternoon, awards will be presented to these families by W. M. Burkes, chief, Farm Ownership Division.

Drawing for prizes totaling \$1000 will take place at the conclusion of the program. Prizes include a stalk shredder from Servis Equipment Co., Dallas; a \$100 savings bond from Ratchiffe Advertising Agency, Dallas; a six-row "Yellow Devil" Sprayer and 50 gallon drum of 60 per cent toxaphene from Southwest Sprayer and Chemical Co. at Waco; tractor tires, \$120 merchandise books from Sears, and tractor oil from Magnolia Petroleum Co.

**Whitharral Wins Over Eighth Grade Wildcats, 21-19**

Failure to make conversions cost the eighth grade Wildcats the two points necessary to even the score with Whitharral in a hard fought 21-19 game at Seely Stadium Wednesday morning.

Whitharral's three touchdowns, to which they tagged the extra point each time to snatch the victory, came on a pass, a reverse play, and a line plunge.

The Wildcats connected for their first TD when quarterback Ricks completed a 20 yard pass to end James Blessing for a 6-0 lead early in the game. Running 10 yards around the right end, fullback Michael Greer carried the ball onto pay dirt for the second touchdown, but still falling on the extra point.

Evading all interference, tailback Harvey Sutton slipped around the end to run 20 yards for the final Wildcat TD. Too late in the game to reap any rewards, Michael Greer kicked Littlefield's only extra point.

The ninth grade Wildcat team will meet Matthews junior high school at 7 p.m. tonight at Seely Stadium.

**Amherst Pep Squad Elects Cheer Leaders And Year's Officers**

Newly elected cheer leaders for the Amherst high school pep squad are Jo Ann Priddy, senior leader; Joyce Holland, junior; Glenda Blair, sophomore; and Peachy Glwen, freshman.

Officers for the organization are LaWanda Terrell, president; Mrs. Glenn O. Render, sponsor; and Paraly Sue Render, mascot.

Cheer leaders uniforms are white short sleeve sweaters and short royal blue corduroy skirts cut in complete circles. The pep squad will wear identical sweaters and straight royal blue corduroy skirts. The little mascot will be dressed exactly as the cheer leaders with an "A" on the front of her sweater.

### Officer Files Charges in Two Car Accidents

Two highway accidents in which no persons were injured were reported by officer Jean Pate Sunday. Two cars, one driven by Ralph Godina of Littlefield and the other by Mildred Ronea Price, working in Odessa, were in collision at the southeast city limits on the Lubbock highway at 3 p.m.

Godina, driving a 1942 Ford, incurred \$100 damages to his car. The car driven by Miss Price, a 1951 Ford, was damaged to the extent of \$300.

Following investigation of the cause of the accident, Officer Pate filed against Godina.

The second accident in this area Sunday occurred at 4:55 one mile northwest of Amherst on Highway 84.

A big cattle truck, which was hauling a pick-up, came up behind the 1939 Chevrolet being driven by Robert S. Trucker, 72, of Farwell.

Darrell Ryan of San Angelo, driver of the truck, pulled to the right. The truck completely uprooted a large tree at the roadside. Damages to the truck amounted to \$300.

### Heads of New Littlefield Business . . .

DEVERELLE LEWIS

LUTHER FAULKNER

Luther Faulkner and Deverelle Lewis, owners of the new Western Auto Associate Store, established in the Peyton Reese building, next to the Reese Drug Store, have announced their grand opening for Saturday next.

A number of prizes will be awarded Saturday.

Mr. Faulkner comes here from Oklahoma City, where he was associated with the Western Auto Associate Stores, while Mr. Lewis came to Littlefield from Brownfield.

### Sudan Festival—

(Continued From Page 1)

Mayor Close and J. W. Miller, general manager of the festival, will be on the field for the crowning activities.

Tomorrow Sudan will take on a distinctly international aspect as the official opening of the Fall Festival with its United Nations theme takes place at noon.

Art and needlework displays will be in place at that time for inspection. At 2:30 the signal will be given to "Play Ball!"

Friday's activities continue at 5 p.m. with a fiddler's contest, at 6 p.m. with quartet singing, and the highlight of the first day of the Festival: the crowning of Miss Fall Festival at the football game which kicks off at 8 p.m.

Saturday, the second day gets off to a rousing start with an 11 a.m. parade in which riding groups and floats form all over the county will participate.

In the afternoon there will be kiddies' games as well as more ball games at 1 p.m.

Bright spot in Saturday's festivities is the brilliant United Nation's pageant to be presented on the lawn of the park at 6:30 p.m.

Music for the pageant, honoring each of the member nations of the UN, will be furnished by the famed international choir of Wayland College who will sing in 11 languages, dressed in priceless native costumes.

Bernie Howell, popular organist of KCBD in Lubbock, who made such a hit when he played for the public wedding in Sudan last year, will add his organ music to the pageant activities.

Following several musical numbers, George Mahon, US representative and speaker of the evening, will be introduced by Charlie Guy of the Lubbock Avalanche Journal.

#### Eight Hundred—

(Continued From Page 1)

Plant X, at first, glance, seems to be in the middle of nowhere. But the plant is actually centered almost geographically in the area served by the company. The electric current that comes out of Plant X is generated at 13,800 volts. It is then raised by a substation to 115,000 volts for transmission over the company's high voltage network.

Plant X was constructed by the Missouri Valley Construction Company on lands where XIT cattle used to roam. The site of the structure was purchased from Halsell Farm Company. The walls of main building, housing the big turbines, were built of steel insulated panels. Weight of the building per square foot is only 6 pounds, much less than if it were a masonry structure as so many plants are. The brains of 18 design engineers went into the inception of Plant X.

Officially, Plant X, the 11th base load power plant owned by Southwestern Public Service, was in service on May 28; but Tuesday was the first public opening of the newest "electrical giant." The crew who operate Plant X was built around a nucleus of old operators all of whom had their first service with the company.

formation about the foundation's fight against polio and plans for the 1953 campaign to raise funds to continue the fight.

Local committees will be appointed after Mr. White's return from the conference and the date of the opening of the 1953 campaign revealed. Former campaign opening dates have been in the first or second week of January.

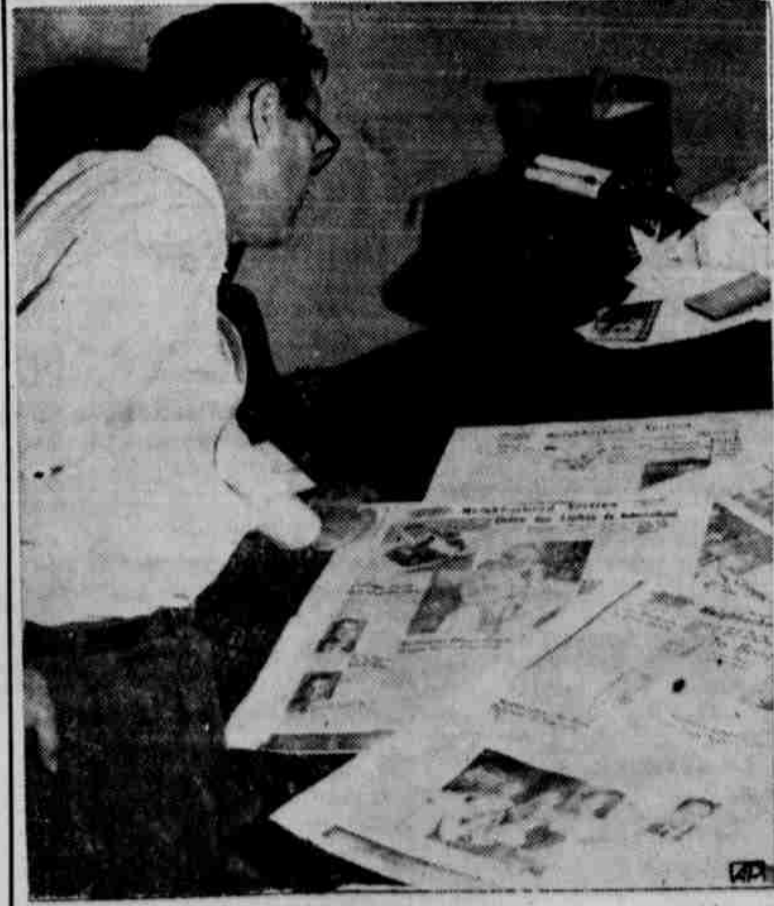

"The planning and leadership of interested citizens is necessary to put the 1953 March of Dimes over the top," said Mr. White. "The impact of polio on Texas makes the success of the forthcoming drive of vital interest to every Texan."

## Two Arrested On Liquor Charges

Sheriff's officers report the arrest of two alleged DWI offenders Monday.

B. T. Gibson was arrested by Deputy Gilbert on alleged second offense and released under \$1500 bond to appear before the grand jury.

R. A. Francis was arrested and on plea of guilty, fined \$100 and costs. Wednesday Francis was still in county jail pending payment.

## Duroc Gilt Owned by Allen Turner Places Second in District Contest

In the county judging for Sears gilts held during the fifth annual Lamb County Fair, the eight Duroc gilts owned by local 4-H club boys placed in the following order: first, Allan Doyle Turner; second, Buford Carter; third, Darrell Ogerly; fourth, Tracy Holly; fifth, Jack Hysinger; sixth, Arville Newton; seventh, Gedonne Williams; eighth, Gene Tunnell. The first five place winners received cash prizes of \$8, \$7, \$6, \$5, and \$4, respectively.

The Duroc belonging to Allan Doyle Turner and Sears Duroc boar won June 14 by Jackie Baker were

exhibited at a district judging at Teah in Lubbock last Saturday. There were 13 counties competing for the prizes there. Turner's Duroc gilt placed second in the district, winning \$45 in prize money. Baker's Duroc boar placed fourth in the district, collecting \$35 in prize money.

The eight gilts were awarded to the boys about June 14 by Sears, Roebuck and Co. as prizes for writing an essay on agriculture. The boys will raise a litter from the gilts and the best gilt from each litter will be given to another

## Olton Majorette Wins First Place And Band Second at Dimmitt Fair

Olton High School Band's drum majorette has good reason to strut. The drum majorette, Miss Gayle Silcott, Saturday, Sept. 13 won first prize as the best drum major or majorette to perform at Castro County Fair in Dimmitt.

The award was a gold watch band. In addition to this she accepted the second place trophy for her band for its performance in the fair parade.

Miss Silcott, daughter of Mr. and Mrs. C. S. "Shorty" Silcott, was in competition with several youngsters with a great deal more experience than she.

This is her second year as drum majorette. She plays the French horn in the band and along with her other duties, she is in charge of the band's twirlers this year.

She is a high school junior. The second place trophy awarded the band was the third band trophy Olton has won in the past year.

The band went to Littlefield Friday to participate in the Lamb County Fair parade. Monday they were in Amarillo to march at the Tri-State Fair. There a total of \$750 in cash prizes were offered.

The morning of Saturday, Sept. 27, will find the band in Sudan to play at the Fall Festival.

## Sudan 1950 Club Women Open Year With Dinner

Miss Willie Mae Rice and Mrs. Valda Clark of Sudan were hostesses for the dinner beginning another club year for the 1950 Jr. Study Club, Tuesday, Sept. 16 in the Rice home.

Course of study for the year is "Youth and American Citizenship." Mrs. Billy Baker director for the program, called the roll and read the motto:

"Therefore I say unto you, take no thought of what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on, is not the life more than meat, and the body more than raiment." Jesus.

During a short business meeting names were drawn for club sisters. The resignation was regrettably accepted from Mrs. Jack Young, who is moving to Mass. Mrs. Young will remain an associate member.

Those attending the dinner were: Mesdames Billy Baker, Waymon Bellar, H. H. Crouch, Forrest Ferguson, Glen Gaston, R. A. Lance, Bobby Jack Markham, Bill Nix, Bud Provence, Jerry Ray, Audrey West, F. R. West, Wayne Whiteaker, Weldon Wiseman, Jack Young and Miss Doris Jeanne Doty, guest.

The next meeting will be Oct. 7 in the home of Mrs. Louis Fields.

nine charter members, only two remain alive, August Koeneman, now of Newton, Kansas, and Erich Wildgrube, now pastor of St. Paul Lutheran Church of New Orleans.

Pastor Arthur G. Kuecker, now the pastor of St. John Lutheran Church of Farley, Missouri, was the first ordained pastor of Emmanuel Lutheran. His ordination took place in the fall of 1917. Before Pastor Kuecker accepted a call in September of 1918 to another parish in Missouri, an attempt was made to build a combined church and parsonage, but a crop failure and the moving of some of the members, forced a cancellation of those plans.

Pastors of neighboring Lutheran congregations served Emmanuel Lutheran from 1918 to 1919. In the fall of 1919, Student Glabe became the shepherd of the congregation until the summer of 1920. Then Student Arndt, at present a Lutheran pastor in Serbin, Texas, the Plymouth of Texas Lutheranism, served Emmanuel Lutheran parish from the fall of 1920 until the summer of 1921.

Emmanuel's second resident pastor, C. Scheiderer, now shepherding some of Jesus' sheep and lambs in Wisconsin Rapids, Wisconsin, came in the fall of 1921. Up until this time it was also true here as it was in the days of Paul when he spoke of the "church that is within thy house."

Continued growth, however, made it necessary to build a house especially for the worship of God. This temple of God was dedicated to His glory on November 4, 1923. Three services marked that extraordinary day. Building committee consisted of August Timian, Richard Kelm, and Philip Stockinger. The original two lots were a gift from Mr. and Mrs. A. P. Duggan, Sr. to the members of Emmanuel Lutheran. Two years later, in 1925, a lovely parsonage was erected under the supervision of Richard Kelm, David Beisel, and Mr. Rossnagel. In the fall of 1925, Emmanuel Lutheran bade farewell to Pastor Scheiderer, who moved to Missouri where he became the pastor of a sister congregation.

**Reopens Christian School**  
From Cleveland, Ohio, came Emmanuel Lutheran's third resident pastor, C. E. Ahlbrand, who was installed as pastor early in 1926. Even though Pastor Ahlbrand left Littlefield in November of 1927, during his brief stay he, with the cooperation of the members, reopened the Christian day school with an enrollment of 25 scholars. The Ladies Aid also came into existence while he was pastor here. At present Pastor Ahlbrand is in charge of Redeemer Lutheran Church in Kokomo, Indiana.

**Rev. Luecke Here 11 Years**  
In February of 1928, came the Rev. Walter J. Luecke, whose years of service still linger in many memories. During the eleven years in

which he was the pastor of Emmanuel Lutheran, various forward steps were undertaken. In 1929 a Sunday School and a young people's society had its beginning.

In January 12, 1930, Emmanuel Lutheran joined the rank of the Lutheran Church-Missouri Synod. Two years later, in 1932, the congregation's fifteenth anniversary was taken note of in special services on May 25. Less than a year was to elapse until the congregation became self-sustaining (until this time some financial assistance was given the congregation by the Lutheran Church-Missouri Synod).

Back in 1926 when the school was reopened, necessity demanded that the church be used as a classroom. This arrangement continued until the fall of 1935, when the addition was built, partly to be used as a school and partly to enlarge the church sanctuary. Then in the fall of 1936, Pastor Luecke was relieved of his school teaching work and the congregation engaged C. T. Borlack to take over the instruction of the young. Special services recognized the twentieth anniversary of the congregation at which Pastor E. H. Wildgrube was the guest speaker. In June of 1939, Emmanuel Lutheran was again without the services of a pastor. The Rev. W. J. Luecke had accepted a call to Decatur, Indiana.

Fifth resident pastor to assume the role of leadership among Emmanuel Lutheran's members was the Rev. William Hannusch whose services lasted less than a year from September of 1940 to October 12, 1941. H. Riese of Cloco, Mo., was installed as pastor of the Lutheran Church, which continued to fill until 1948, at which time he was the pastorage of St. Paul Church of Bishop, Mo. In June of 1941, C. T. Borlack who had been engaged as pastor of Emmanuel's Christian School in 1936, was the first permanent pastor in 1941, and served until capacity until the fall of 1943. Much had to be received and some another Christian day school in this community.

Under the pastorage of Riese, the Christian day school was made a part of the pastor when Mr. Borlack in 1943. Much had to be received and some another Christian day school in this community.

Although born and raised in Littlefield, Emmanuel Lutheran pastor came from a close to Boise, Idaho in 1949. Rev. Karl Kolbe of Lubbock, installed the old Heckmann as pastor of Emmanuel Lutheran. Pastor Heckmann have three children, Gary, Kathleen and a daughter being born in Littlefield.
