Plans Underway To Enlarge Telephone Building

Plans Now Underway To Enlarge Telephone Building

The company's expansion, as announced by district manager, plans are underway to present Southwestern telephone company building here. Being made by architectural addition and will be the near future. A triangular lot in the building, which is of section, is located on a shaped lot, and the building will follow the lot and extend to the front and side of the property to provide for the front and side of the lot. The front portion of the building will be of Roman construction.

Boards Added To Telephone Building

Improvements have been made in the telephone system by adding two additional wire lines and additional wire will be re-arranged following completion of the telephone building.

Seats for the Littlefield ball game are on sale for \$1.50 which includes reserved seat, and admission.

Section on the west side of 500 seats, has been reserved for the night, providing for a mess after the game. However, seats will be sold until they are sold out, before of the sale in another part of the stadium are urged to buy.

LAMB COUNTY LEADER

VOLUME XXVI.

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, NOVEMBER 10, 1949.

NUMBER 34.

Miss Foltyn Is One Of Sixteen Outstanding Club Members

Miss Catherine Foltyn, Sudan 4-H club girl, and a student of Littlefield High school, last week was named as one of the 16 outstanding 4-H club members in the state who has been selected to receive the coveted Santa Fe Railroad Educational award. Each award carries with it an all-expense trip to the National 4-H congress, Chicago, on November 27 through December 1.

Selections, according to Floyd Lynch, state 4-H club leader of the Texas A. & M. college extension service, were based upon length of membership in 4-H leadership and achievement reports, production, participation in 4-H and community and county activities other than 4-H and the general all-around record made by the individual.

Lynch says travel plans and schedules have not yet been completed for the trip, but both are in process at the present time. He said competition for this year's trips was very close and the sixteen winners, their parents, local club leaders and county extension agents can all feel honored for having joined the charmed circle of National 4-H Club Congress trip winners and especially the Santa Fe Educational award winners group. The Santa Fe railroad has been providing these educational awards for 4-H club members for more than twenty consecutive years.

County Ginnings Are Estimated At 50,000 Bales

The county agent's office as of Wednesday morning, reported slightly in excess of 50,000 bales ginned by the 34 operating gins of Lamb county, of the 1949 cotton crop. Total expected yield is estimated as high as 200,000 bales.

The four Littlefield gins have accounted for 8,614 bales, or slightly more than one-sixth of the total.

3 TEAMS DROPPED FROM DISTRICT 4-A

Superintendents of schools in District 4-A met at Levelland Wednesday night, and determined what teams will play in 4-A next season.

They also ruled that there will be no split district in 4-A next year.

Three teams were dropped from the 4-A district, Sudan, Sundown and Seagraves, because of having less than the required high school enrollment for Class A football. Each year schools with too few scholars must be voted in before they can play in Class A.

O'Donnell, although not having sufficient scholastics, was invited to stay in 4-A next year.

Teams that will be in 4-A next year are Littlefield Levelland, Mureshoe, Slaton, Post, Tahoka, O'Donnell and Morton.

This information was given to the Leader Wednesday night following the meeting.

FIRE AT BULA GIN
Members of the Littlefield Fire department responded to a call from Bula about 8 p. m., Wednesday. The fire had been discovered at the cotton house at the Rowland gin, and it was feared that the blaze might get out of control before the firemen arrived. However, little damage was done before the blaze was extinguished.

New High School Site Will Not Be Changed

Mancil Hall, Littlefield school board president, in a statement to the Leader this week, stated that a rumor which has gained considerable circulation in Littlefield the past few weeks to the effect that the new \$500,000 high school building would not be built on the present school grounds, but instead would be located on lots which the school now owns in the southeastern section of the city, was definitely untrue and without any foundation.

Mr. Hall, in addition to stating that the new building, for which plans are now nearing completion, would definitely be erected on the site east of the present Central school building, also pointed out that to do otherwise would be to separate it from both the bus facilities and from Seeley Field and the football stadium.

Where the rumor originated has not been ascertained. It is without any foundation.

To Attend Electric Awards Dinner

Littlefield will have four representatives at the first annual service awards dinner to be held for Plains division employees of the Southwestern Public Service company at Plainview on Wednesday, November 16. Ninety-five employees of this division of the electric light and power company will be presented with awards for service ranging from 5 to 30 years, at the banquet.

J. E. Cunningham, president of the Southwestern Public Service company, will present the awards to the employees who are to be honored at the banquet. J. M. Collins, manager of the Plains division will preside at the dinner.

Southwestern Public Service company has recently inaugurated the service awards plan to honor employees with long-time service with the company and predecessor organizations.

Community Chest Drive Opens With Kick-off Breakfast Tuesday

The personnel of working committees who will conduct the 1949 Community Chest Drive for \$14,000 in Lamb county starting next Tuesday morning, were announced this week by Bob Kirk, chairman for the Drive and Campaign.

A big "kick-off" breakfast has been arranged, and will be staged at Hay's Coffee shop, next Tuesday morning at 8:00 a. m. Officers, board members and workers will come together at that hour, to give and receive final instructions.

Now Connected With Father In Operation Brittain's Pharmacy

JIM TOM BRITTAIN

Jim Tom Brittain, 23, who was graduated from the Texas State University, Austin, in June last, with a BS degree in pharmacy, is now associated with his father, M. M. (Jimmie) Brittain in the operation of the Brittain's Pharmacy here.

Mr. Brittain is a graduate of the Littlefield High school with the class of 1943 and served 29 months with the infantry in the U. S. army, considerable of which time was spent overseas in the European area. When discharged, May 18, 1946, Mr. Brittain was serving as a sergeant.

The Brittain Pharmacy specializes in prescription service.

at Hay's Coffee shop, next Tuesday morning at 8:00 a. m. Officers, board members and workers will come together at that hour, to give and receive final instructions.

This week all local business houses are being contacted by letter, requesting that each business place organize its own "drive", within that place of business, so that working committees can secure the contribution to the fund from each, without contacting each individual in such place of business, at a time when most business houses are overworked and short-handed.

The following workers have been announced, most of whom have been, in turn, named by the various civic and women's organizations of the city:

Mesdames Jerry Smith, Iris Mae Smith, Jesse Smith, Thelma Connell, Ginnie Chambers, Laura Rogers, Barbara Jones, and Boyd Roberts, representing Jaycoettes.

James Stokes, Guy Brown, Earl Rogers, Jarrod Jones, Bill Street, Alvin Webb and Pete Parrack, representing Jaycoettes.

Elaborate Cotton Display To Precede "Out Of This World" Plantation Dinner

One of the most elaborate displays of cotton and its products, cotton, from the seed to its ultimate destination of completed cotton products, by-products and component parts of products, which number into the hundreds, will be unfolded to the public in the basement of the Methodist church, next Tuesday, November 15, from 10 a. m. to 5 p. m., all open to the general public, to school children, to everyone.

This exhibit or display arranged by the Literary department of the Woman's club, will precede the staging of a big Plantation Dinner, which will be served at 7:30 that evening, will feature a short program, and will be preceded by an organ recital at 7:15. Tickets for the dinner are now on sale, and

Gov't. Agency Now Loans \$46.50; Cash Price \$42.00
PMA Signs 13 Gins; 16 Co-Operate; Five Unreported

In effect, in Lamb county, the government went into the cotton seed business, starting about 10 days ago, and in that 10 day period, has come into possession of approximately 2000 tons of freshly separated cotton seeds.

In that ten-day period, the purchase of cotton seed at the local cotton oil mill has declined rapidly, and is now something like 85 percent less than they were buying 10 days ago.

As a result, a storage yard or dumping ground for the seed has been established near the airport in Littlefield, where the estimated 2000 tons of seed have been dumped by constantly arriving trucks, and the amount is increasing by the hour.

Signing Is Inevitable

As of late yesterday afternoon 12 or 13 of Lamb county's 34 gins had signed with P.M.A., the government agency which is handling loans on cotton seed; 16 other of the gins had not yet signed the P.M.A. contract, but PMA representatives were reported on hand and buying at these gins; the five remaining county gins were reported as still not co-operating or signed with P.M.A., but other ginners and cotton men predicted that there probably would be no hold-outs, that there was no other course to follow but to go along with the government program.

In the past, the ginners has invariably always received his pay for ginning from sale of the seed to the gin, which in turn resold the seed to the oil mills, and collected their ginning fee. But there is a gross difference of several dollars a ton between the PMA loan price of \$46.50 per ton at the gin, and \$42.00 which the oil mill is

One Killed, Four Injured In Truck, Train Accident

One Latin American child was killed instantly, and the father and three other children injured, one critically, when the truck in which they were riding and a Santa Fe freight train were in collision at a railroad crossing at the outskirts of Anton about 3:30 p. m. Wednesday.

Richard Herreda, aged about 7 months, was pronounced dead on arrival at the Littlefield hospital. John Herreda, owner and driver of the truck, a son John Jr., aged 8 years, a son Lupe, aged 2, and a daughter, Eurora, were all admitted to the Littlefield hospital seriously injured. John Herreda Jr. is not expected to survive.

The family was here from Austin picking cotton on the B. Kelly farm near Anton, and were taking two bales of cotton to a gin at Anton when the accident happened.

Wedding Vows Exchanged By Miss Barbara Meadows And Wayne Trego

Wedding vows were exchanged by Miss Barbara Darlene Meadows, daughter of Mr. and Mrs. Roy A. Meadows of Amarillo, formerly of Littlefield, and Wayne Elden Trego, son of Mr. and Mrs. Dick L. Trego, also of Amarillo, in an impressive double ring ceremony at the home of the bride's parents, 415 North Polk, Amarillo.

The ceremony was performed by Rev. A. B. Moseley, pastor of the First Baptist church of Goodnight, and former Lum's Chapel pastor, before an improvised altar flanked by tall baskets of pink and white mums, Wednesday, October 26, at 4 o'clock in the afternoon.

Wears White Satin
The bride, given in marriage by her father, wore a white slipper satin dress of street length, white illusion veil held in place with rhinestone clips, and a corsage of sweetheart roses. Her only ornament was a necklace of gold with cameo pendant.

Miss Lylaine Meadows Bridesmaid
Miss Lylaine Meadows, sister of the bride, was maid of honor. She

Mr. and Mrs. Wayne E. Trego

wore a teal blue crepe dress, and a corsage of yellow roses.

Charles L. Cox Attends Groom
Charles L. Cox also of Amarillo, served as best man.

Reception is Held
Following the ceremony a reception was held. Tall baskets of mums, and vases of roses decorated the entertaining rooms.

The bride's table was laid with lace cloth, with the three-tiered white wedding cake topped by a bride and groom and surrounded by pale yellow roses at one end, and the punch bowl, from which fruit punch was served, at the other.

Wedding guests included the paternal grand-parents of the bride Mr. and Mrs. A. H. Meadows of Littlefield; Mrs. Clyde Hawkins of Frederick, Okla.; Mrs. Garland W. Loff of Frederick, Okla.; Mrs. A. I. Moseley and daughter, Lynda of Goodnight; Miss Poan Meadows of Littlefield, and Dick L. Trego, Miss Maxine Morgan, Miss Bessie L. Love, Mr. and Mrs. Aubrey Dismukes, Mrs. Ernest Holley, Mr. and Mrs. Mel Kruse, Mr. and Mrs. T. J. Junell and daughter Ronnie Lynn, Mr. and Mrs. Charles L. Cox, Mr. and Mrs. Hollis Brown, Misses Calleen Van Deventer, Marjorie Carlisle, Condie Bickel and Juanita Van Deventer, all of Amarillo.

Leave On Honeymoon
Immediately following the reception the happy couple left on a two weeks' wedding trip by train to points in Kansas.

The bride travelled in a brown two-piece tweed suit with brown accessories. On their return they will be at home at 610 Virginia avenue, Amarillo, Texas.

Mrs. Trego is a graduate of Amarillo high school, and for the past two years has been employed at the Veterans hospital, Amarillo, as secretary to chief of nursing service. She will continue her work for the present.

The groom is a graduate of the Hutchinson, Kansas, high school, and is employed by the Coca-Cola company in Amarillo.

Art. Department Meets With Mrs. James Crump
The Art Department of the Woman's club met yesterday afternoon at 4 o'clock with Mesdames Jane Crump, Rhenard McCary, O. W. Still and Elton Hawk as hostesses.

The subject for discussion was "The Art of Gift Wrapping." Mrs. Jed Clarida, chairman, presided over the business session.

Garden Club To Tour Chisholm Floral
Next Thursday afternoon at 2:00 o'clock, the Garden Department of the Woman's Club will "take a trip" through Chisholm's Floral.

Hostesses will include Mrs. I. T. Shotwell, Mrs. C. E. Payne, Mrs. F. B. Faust, and Mrs. Fred Underwood.

Family Reunion Enjoyed At B. F. Eidson Residence

A family reunion was held at the home of Mr. and Mrs. B. F. Eidson Sunday.

Those present were: Mr. and Mrs. Willie Walker and daughter Louise Gibbs, of Guymon, Okla., who spent Saturday and Sunday here; Mrs. R. C. Grant of Odessa, Texas, who arrived Friday night to spend 10 days here; Eddie Eidson of Wharton, Texas, and his son, Bobbie, student at Tech; Mr. and Mrs. J. B. Silham, Mr. and Mrs. Harry Woody and daughter, Kathy Gayle, Mr. and Mrs. Ott Fair and family, and Mr. and Mrs. B. F. Eidson, all of Littlefield.

Achievement Day Again Observed

Achievement Day, with a buffet luncheon, was observed this year in the home of Mrs. E. C. Ross. The house carried out autumn with its varied colors, in beautiful chrysanthemums throughout the rooms.

Highlight of this meeting of the Oklahoma Avenue Home Demonstration club, was a talk by Mrs. J. R. McKinney, who reviewed her three days at the state convention in Mineral Wells. There she heard Wes Izzard, editor-in-chief of the Amarillo Daily News, tell of his trip through Europe, and the effect of the Marshall Plan on the people over there.

Special guests at the club were Mrs. D. V. Hambright, mother of our home demonstration agent, and Mrs. J. W. Pickens, mother of the hostess. Others enjoying this day were Mesdames C. E. Jones, J. M. Griffin, L. B. Davis, A. H. Stewart, Clem Dubose, U. E. Kelly, W. F. Martin, O. C. Fox, Ernest Brock, C. O. Brock, J. W. Bitner, J. M. Siggley, M. M. Dubose, Clyde Davis, Leonard McNeese, Fred Lichte, and C. C. Sallsbee.

Next meeting of the club has been set for November 11th with Mrs. W. F. Martin. It will be "Christmas Gifts from the Landscapes."

Mrs. E. B. Luce Hostess Ruth Moss Circle

The Ruth Moss Circle of the W. M. S. of the First Baptist church met at the home of Mrs. E. B. Luce for the monthly Bible study. The meeting opened with the business session in charge of the circle chairman, Mrs. E. B. Luce. Later the Bible lesson was led by the Bible leader, Mrs. Ralph Nelson.

At the close of the meeting, refreshments were served to Mesdames Homer, Sewell, A. F. Parrack, Virgo Peterson, M. O. Mitchell, Bessie Busch, Ralph Nelson, Brantley Weiborn, Harris, Malone, A. F. Jones, Halle, Roena Clark, J. O. Nelson and the hostess, Mrs. Luce.

Miss Smith Bride Of Johnny Swanson In Church Ceremony Sunday

A wedding of interest took place at Spade Methodist church Sunday afternoon at 3 o'clock, when Miss Juanita Smith, daughter of Mrs. Eva Courtney of Denver, Colorado, became the bride of Johnny Swanson, son of Mr. and Mrs. L. J. Swanson of Spade Community.

Rev. E. C. Costin, pastor, officiated with the double ring ceremony.

The altar was flanked with tall baskets of white and bronze chrysanthemums, and a beautiful arrangement of candelabra and flowers graced the piano.

Miss Wood Plays Music
Miss Willie Ann Wood played the wedding music, and accompanied Paul Daniel of Plainview as he sang "I Love You Truly" and "O Promise Me."

Wears Pink Satin
The bride wore a pink satin street-length dress with matching sandals and halo, from which hung an illusion veil of elbow length. She carried a white Bible topped by a cluster of white carnations and tied with streamers of blue sash ribbon.

Mrs. Paul Daniel of Plainview served as matron of honor. James Hardman of Spade attended the groom.

Reception is Held
Following the ceremony a reception was held at the L. J. Swanson home at Spade.

The bride's table was laid with white linen cloth, on which was attractively arranged the three-tiered white wedding cake topped by miniature bride and groom and the crystal punch set.

Mrs. Paul Daniel registered the guests in the bride's book. After the bride and groom had cut the first piece, the cake was cut and served by Mrs. Eva Courtney, while Mrs. E. C. Hardman poured the punch.

Woman's Club Meet Wednesday Afternoon

"Art in Our Community," in observance of National Art Week, was the topic of discussion at a meeting of the Woman's Club, held last Wednesday afternoon in the reception rooms of the First Methodist church.

Hostesses included Mesdames W. G. Street, J. H. Lee, and Ewing Thaxton.

Mrs. S. E. Ayres Jr., club president, opened the meeting by reading an article on "Democracy" by Margaret Lee Runbeck. Three students from the local high school were recognized, and each made a talk. Bob Hoover spoke in behalf of the Boy Scouts, who have recently had charge of the safety work. Lyriene Hofacket spoke for the newly organized student council, who have now taken over the safety work. Bobby Cates and Bobby Cannon of the student body were also present.

Pat Mann, secretary of the Chamber of Commerce, spoke briefly on safety in Littlefield, and told of what is being done in the city to solve traffic problems.

After a brief business session, when officers of various departments read reports, the meeting was turned over to Charles Thomas of Pampa, who was here in interest of the Lucius Pryor Concert association. He presented a short skit.

Mrs. W. B. Little of the art department, spoke on "Art in Our Community." Since ceramics has become the most popular form of art in Littlefield, she confined her talk to that subject. She explained the processes in making ceramics. Several pieces of her work were exhibited.

Mrs. Pearl Henry Attends Family Reunion Sunday

Mrs. Pearl Henry spent the weekend in Amarillo and attended a family reunion of the Littlefield family, of which she is a member, which was held at the home of her sister and brother-in-law, Mr. and Mrs. Frank Rathiff.

Included in those present to enjoy the turkey dinner and all the trimmings, and visit with members of the family, besides Mrs. Henry, were her parents, Mr. and Mrs. Virge Littlefield, her two sons of Canyon, Charlie Boone of Leveland; Mr. and Mrs. Nan Littlefield, Mr. and Mrs. Jim Littlefield and Mr. and Mrs. Lloyd Littlefield, all of Clarendon.

Junior Garden Club To Meet With Mrs. Kelsay Wednesday

Next Wednesday, November 16th the Junior Garden Department of the Woman's club will meet with Mrs. Kenneth Kelsay, 701 E. 13th street.

Mrs. M. O. Mitchell and Mrs. R. R. Ater will both appear on the program, and will talk on chrysanthemums and bulbs for fall planting.

Mr. And Mrs. F. R. Jones Celebrate 60th Wedding Anniversary Sunday

Few young couples in their teens or twenties who stand before the altar and say "I Do" give thought to the facts of what the passing of time may bring or do.

Ten years ago Mr. and Mrs. Freeman Richard Jones of Littlefield celebrated their Golden Wedding anniversary, and there were few couples indeed at that time, who could do more than hope and pray that Providence would be kind and let them both survive, to similarly celebrate their own Golden Wedding anniversary.

But Time and Providence have been even more kindly to Mr. and Mrs. Freeman Richard Jones and last Monday marked the 50th, but the 60th anniversary of the day, when they stood and answered "I Do," for until "death do us part," at Decatur, Mississippi, November 7, 1889.

The 60th wedding anniversary was celebrated at the home of the honoree's youngest daughter and son-in-law, Mr. and Mrs. Payne Wood, 3403 Twenty-fifth street, in Lubbock. A turkey dinner with all the trimmings and a beautifully decorated wedding cake, was the menu served, to approximately 25 children, grandchildren, and great-grandchildren.

Seven children were born to Mr. and Mrs. Jones; three sons and four daughters. One daughter, Mrs. Willie Shockley, passed several years ago. The sons, Thur, Otto and Travis, all of Littlefield, and Mrs. L. L. Manley, Ona Jones, twins, of Long Beach, Calif., and Mrs. Wood of Littlefield.

The two daughters, Mrs. Beatrice Beach, Calif., were unable to attend the wedding party. Sunday guests included Mr. and Mrs. Thur Jones and daughters, June, Mr. and Mrs. Otto Jones, their two sons and daughter, Mrs. and Mrs. Harold Jones, Mr. and Mrs. Jody Jones, and Mrs. Travis Jones, sons, Dale and Donald, all of Littlefield; Mr. and Mrs. Shockley, Mr. and Mrs. Amos Shockley, Mr. Jack Grace and son Ken of Anton. Also attending were half-brother of Mrs. Jones, Snowden and wife of Fort Worth.

Mrs. Jones has one sister, Mrs. Ida Campbell of Dallas, La., and a brother, Jess Meridian, Miss., and Mr. and Mrs. Jim Jones, of New Mexico.

Mr. and Mrs. F. R. Jones field pioneer couple, celebrated their 60th wedding anniversary Sunday, November 6th, at the home of their daughter and son-in-law, Mr. and Mrs. Payne Wood, 25th street, Lubbock, Texas, where they made their home in 1913, when they moved from Littlefield to Lubbock, Texas. They have lived in Lubbock since 1925. They live in the Broadacres addition, but last year they added a place and built a fire room near their son, Travis Jones.

Mrs. Jones was the first Frances Snowden below marriage. The couple has three children, Thur, Otto, and Travis of Littlefield, and three daughters, Mrs. L. L. Manley and Mrs. both of Long Beach, Calif. Mrs. Payne Wood of Lubbock.

Presbyterians To Attend Meeting

Sunday afternoon at 2:30 o'clock
 members of the West Minister Fel-
 lowship of the First Presbyterian
 church, the pastor, Rev. Carter Mc-
 Kemy, and several elders of the
 church, will go to Amarillo to at-
 tend an afternoon meeting, and the
 evening worship service at the
 First Presbyterian church there,
 when Dr. Clifford Barbour, Knox-
 ville, Tennessee, moderator of the
 general assembly of the Presbyter-
 ian church, U.S.A., will be prin-
 cipal speaker.

Because of Dr. Barbour's close
 friendship with many leaders of
 the Presbyterian church in the
 United States of America, and due
 to his zeal of the reunion of the
 two communions, which became
 separated at the time of the Civil
 War, his election is a strong trend
 of our sentiment for union, Rev.
 McKemy said.

His schedule at Amarillo will be
 the morning worship service at
 10:50 which will also be broadcast
 over station KFDA Amarillo. At 4
 o'clock in the afternoon a meeting
 for the men will be held and at
 4:30 he will speak to the women of
 the Presbyterian. Dr. Barbour will
 also preach at the evening worship
 service.

The group attending from here
 will attend both the afternoon and
 evening service.

La Font and Boulter Elected In Tuesday's Election; Amendments Are Not Popular

Twelve of Lamb county's 16 voting precincts had reported at 11 a. m. yesterday, and brought returns to County Judge Dent. Returns from Olton, Sod House, North Sudan and Earth had not been received at that hour.

Only approximately 10 percent of Lamb county's voters bothered to even go to the polls, and register an emphatic "no" to nine of the ten proposed constitutional amendments submitted. The one exception was Proposal No. 7, on the ballot, which permits some changes in district court procedures. This one was favored 217 to 180, in 12 boxes. Over the South Plains as a whole, however, all ten proposals were roundly defeated. Lamb county voters placed a more than emphatic "no" on the proposal to increase the pay of legislators and lengthen legislative sessions, which was the 2nd proposition on the ballot, and were usually apathetic to the proposal to pension county officers.

In the 3-way race for the office of State Representative from this district, Harold La Font, present district attorney, was way out in the lead over his two opponents, Tom Deen, and Joe Jennings, in Lamb county. Reports from over the eight county district, make it almost certain that LaFont has been elected to succeed I. B. Holt, resigned.

The two candidates, one from Falls, the other from Lubbock, raced neck and neck in this county for the newly created, Board of Education representative from this Congressional District. Rankin topped Boulter here by ten votes in the 12 boxes reporting, getting 173 and Boulter 169. Boulter however was almost a 2 to 1 leader in Lubbock county, and has apparently won the place.

The state as a whole has definitely turned down eight of the ten constitutional amendments. Two others, one giving more latitude in regulating District Court terms, and the other to provide fire pro-

tection districts in rural areas, may have been approved, but will have to await the complete tabulation of the statewide returns.

The twelve voting boxes reported in Lamb county give the following vote in the race for the legislative place:

Harold LaFont	185
Joe Jennings	111
Tom Deen	86
The twelve precincts reporting in Lamb county, gave the following results on the Proposed Constitutional Amendments:	
1. County Civil Service. For 169. Against, 216.	
2. Raise Legislative Pay. For 109. Against, 287.	
3. Great Hospital District. For 163. Against 244.	
4. Poll Tax Repeal. For 153. Against 251.	
5. City-County Health Units. For 151. Against 251.	
6. County Pensions. For 87. and Against, 219.	
7. District Court Changes. For, 217. Against 180.	
8. Rural Fire Prevention. For,	

186. Against 226.
9. Lunacy trials. For 184. Against 223.
10. Permitting Women Jurors. For 151. Against 260.
Lamb county's voting strength is approximately 6,000. Only about 600 votes, or ten percent apparently were cast in Tuesday's election.

LOCAL JAYCEES ATTEND FALL MEET

President Skipper Smith, Secretary Al Chambers and James Crump, of the Littlefield Jaycees attended all the sessions of the annual Texas Junior Chamber of Commerce fall board meeting held in Lubbock, Saturday and Sunday. The three men's wives went over for the banquet and dance that evening, as did Kenneth Ware, Gene Pratt, Overton Phillips and Bill Street.

Clifford D. Cooper of Alhambra, Calif., national Jaycee president, presided over the meetings. More than 250 Texans were in attendance.

John Ben Sheppard of Gladwater a past national Jaycee president, and Melvin Evans of Wichita Falls, a national vice-president and Dutch Keeler, president of the Ohio Junior Chamber of Commerce, were also present.

Waco was approved as host city for the Jaycee Distinguished Service Awards banquet of Texas on January 14th, 1950. Gov. Allan Shivers has already accepted an invitation to present keys to the five outstanding young men of Texas.

President Cooper was the principal speaker during the opening session and during the luncheon hour.

After the luncheon meeting adjourned, four concurrent clinics were held on the mezzanine of the hotel. The clinics included pointers for the officers of the 128 Texas units, Americanism, public affairs and public health. Jim St. Clair of Levelland was chairman of the local officers clinic.

Dr. J. W. (Bill) Marshall, president of Wayland Baptist college, Plainview, was principal speaker at the afternoon meeting. He stated, "World peace cannot be won for us by our national and international leaders alone, because it will come only from the work of our rank and file citizens. History tells us that one free people after another has lost its freedom because of being swamped by taxation and bureaucracy."

Christian Church Services Sunday

First Christian church services will be held Sunday morning at 11 o'clock in the Legion hall, with Rev. J. S. Matthews, doing the preaching.

Christian church people are urged to meet Sunday morning, enjoy the services, and help organize the church.

C. E. Strawn Is Injured In Car Accident

C. E. Strawn, 67, of Spade was admitted to the Littlefield hospital Friday evening suffering from a broken right leg just above the ankle, and lacerations on face and left arm sustained in an automobile accident about five miles east of McCamey, Texas, about 5 p. m., Thursday.

Mr. Strawn, driving a 1949 Ford coupe, and returning from a trip to Uvalde looking for a deer lease in which to go hunting, lost control of the car when the steering gear locked, and the automobile turned over four times.

Companion Also Injured
Riding with Mr. Strawn at the time of the accident was Burl Treadgill of close to Uvalde, a hitchhiker. He sustained serious injuries, including eight fractured ribs on the right side, broken right shoulder bone, and cuts and bruises. He is a patient at the Cooper hospital, McCamey.

Taken To McCamey Hospital
A passerby summoned an ambulance, which carried the injured men to McCamey hospital, where Mr. Strawn spent Thursday night and until Friday noon. Mrs. C. E. Strawn, son, Norvell Strawn, and daughter, Mrs. Galen Williams of Whitharral, left immediately on Thursday night for McCamey, accompanying the Jacobson ambulance from McCamey which brought Mr. Strawn to Littlefield Friday afternoon.

Mr. Strawn is getting along satisfactorily according to reports.

The automobile which figured in the accident is a complete wreck, according to Norvell Strawn, who stated "one would wonder that anyone could be in the car and come out alive."

The many friends of Mr. Strawn are hoping for him a speedy recovery.

Armistice Day Breakfast Friday

Armistice Day in Littlefield will be just another busy day here, with one exception. About 125 Legionnaires will celebrate with the annual Armistice Day breakfast to be served at 4 o'clock a. m., at the Legion Hut. Fred Ray and Wayne Butler, both first rate cooks in the army, have been appointed by Commander Vernon Hofacket, to prepare the food.

At 10:54 a. m. on Friday, there will be a formation of 18 B-25s from Reese Air Force base at Lubbock, fly over the city, when they will make a complete circle of all the towns within the vicinity of Lubbock.

At 11:00 o'clock, the compress and gins will blow their whistles to remind folks that 31 years ago, November 11th, at 11:00 o'clock, 1918, the fighting ceased and the first World War was over.

All business houses in Littlefield will be open, as well as the two local banks.

Schools To Close For Thanksgiving

All schools in Littlefield will be closed Thursday and Friday, Nov. 24th and 25th, for the Thanksgiving holiday. Classes will be resumed on Monday, November 28th.

A special Thanksgiving day dinner will be served at the school cafeteria on Wednesday, from 11:15 to 1:45. Turkey with all the trimmings will be on the menu—and the meal ticket will remain the same—30 cents.

Attends Meeting Of Postmasters

Postmaster and Mrs. W. D. T. Storey returned Monday from attending the annual meeting of the National Association of Postmasters, which was held in Chicago, October 30 through November 3.

"This was one of the best conventions that has been held by the association, and much constructive work was done," said Mr. Storey.

A Texas man, Burrus Jackson of Hillsboro, was elected to the presidency for a third term.

Two Cars Collide Near Anton Tuesday

Mr. and Mrs. Hayden Yandell of Anton were admitted to the Littlefield hospital about noon Tuesday for observation, suffering from shock, following the collision of two automobiles about 11 a. m., at the intersection of two country roads, one mile north and three miles west of Anton.

Lester Couch is reported to be driver of one car while the second car was occupied by Mr. and Mrs. Yandell and Patricia Castleman, 9, and Charlett Castleman, aged 7, both of Anton.

The Castleman children were rendered first aid by an Anton doctor and taken home, while Mr. and Mrs. Yandell after consulting with the Anton doctor were brought to the local hospital. X-rays were taken Tuesday afternoon.

Rev. Cox To Speak To Rotarians

Littlefield Rotarians are in for a treat today, when they meet for their regular weekly luncheon today at the First Methodist church. J. E. Chisholm is in charge of the Armistice Day program, and will introduce Rev. Cox, pastor of the First Baptist church at Amherst, who will deliver a patriotic address. Preceding the talk, Stillwell Russell will lead the group in singing a number of patriotic songs.

Disabled veterans who will be special guests at the meeting today will include C. B. McWilliams, Hugo Beyer, Henry Schlottman and Dub Collier. The four men are members of the local Veterans of Foreign Wars.

SHOWING HELD OF NEW INTERNATIONAL REFRIGERATORS

A showing of the new model International refrigerator was held in Amarillo, Tuesday.

F. E. (Shorty) Yohner, manager of the Littlefield Truck and Tractor company, was invited to attend the meeting and demonstration, but was unable to make the trip due to the fact that Mrs. Yohner has been on the sick list.

Drive Gets 300 Memberships

Lamb County Concert association closed its membership drive at six o'clock Tuesday night, with a membership of approximately 300. The drive is now over and no additional memberships will be sold, or will there be any tickets sold for individual concerts. The goal for memberships for 1949 was 600 members.

There will be a series of three concerts, one each month for the next three months. Concerts have not as yet been selected.

Those holding memberships in Lamb County Concert association have been invited by Hockley County Concert association to attend a concert at Levelland tonight (Thursday), to be given in the high school auditorium, when the Theatre Guild of the Air, will present a Broadway play, "The Hasty Heart." Several from here plan to attend.

Cats - Lobos Contest Will Determine 4-A North Half Champ

Levelland Lobos Preserve Title Chances With Win Over Muleshoe

Levelland's Lobos preserved their chance at the District 4-A North grid championship at Levelland Friday night by smashing to a convincing 33-0 victory over the Muleshoe Yellow Jackets before 3,200 fans.

It was Levelland's third win against one defeat in district play. The Lobos have yet to play Littlefield, the current conference leader.

Coach Truett Rattan's Levelland team threw up an airtight defense that prevented Durwood Green's Muleshoe crew from seriously threatening Friday night. Meantime the Lobos shoved over three first-half touchdowns to pile up a 19-0 lead, then coasted in. The victors piled up a net gain of 254 yards from scrimmage, getting 15 first downs to Muleshoe's five.

A 47-yard pass from Don Wise to Jim Mac Luker produced the first Lobo touchdown.

Second Quarter

In the second quarter, Dean Waltrip plunged two yards to cap another Levelland scoring drive.

Later in the second period, Dee Windsor flipped a 13-yard pass to Glen Clarkson for a six pointer, with Clarkson adding conversion.

Bobo Johnson scored on a 39-yard end sweep in the third quarter. Glen Waltrip converted.

Wise closed out the touchdown making with a two-yard scoring plunge in the fourth stanza. Dean Waltrip added the extra point.

For Levelland, Tackles Bobby Kennedy and Edward Byerley and Center Harvey Campbell turned out outstanding performances.

Tackle Bill Collins, and Center Phillip Garret paced Muleshoe's forward wall, while Bob Goss and Charles King were the Jackets' offensive standouts.

Farwell Defeats Anton Eleven

Farwell trimmed Anton, 26-19, at Anton Friday night in a District 3-B conference game before approximately 200 fans.

The Farwell team scored two touchdowns and an extra point in each of the first two quarters.

Coach A. D. Shore's Anton squad scored in the first, third and last quarters, making one successful conversion.

Local Couple Moving To Beaumont

Mr. and Mrs. D. C. Roberson have sold their home and small acreage, located just off the Levelland highway, and plan to leave next week for Beaumont where they will make their home. In an advertisement appearing in this issue, they are offering their household goods for sale, at public auction, Saturday.

The couple has made their home here for the past nine years, coming here from Oklahoma. They have made many friends, who will regret to learn of their leaving Littlefield. Mr. Roberson has been in ill health for several months, and he is in hopes that a change of location will be beneficial to him.

The sale of property was made to James Garret, co-owner of the Littlefield Frozen Locker Plant.

Springlake Wins Over Bulldogs

Springlake's Wolverines trounced the Amherst Bulldogs, 26-6, in a District 3-B conference game before one of the largest crowds of the season at Springlake Friday night.

First blood for the Wolverines was obtained by Dale Underwood in the first period when he climaxed a 55-yard march with a five-yard end run.

In the second period J. J. Barlow circled the same end for 25 yards and a touchdown, with neither of the first two attempts at conversion succeeding. Still in the second period, Junior Smith took a pass from Barlow that was good for 65 yards and a touchdown.

Barlow scored the other seven points himself in the fourth period, with a five-yard off tackle plunge and perfect place-kick.

Amherst's only score came in the second period on a 20-yard pass from Bill Wright to Tommy Peterson.

A. C. Rogers, local Maytag dealer, and M. L. Isaacs, Maytag salesman, attended a dealers meeting at the Lubbock hotel, Lubbock, Tuesday night.

FRANK GAGE, Co-Captain, is shown making a four-yard gain against the Sudan Hornets early in the third period. Floyd Pinkerton and Jim Fowler are shown coming to his assistance but the unidentified Sudan player bulldozed him down. A few plays later, Gage went over for the touchdown. The game ended in a 7-7 deadlock, but Littlefield won on penetrations, 3 to 1.

Olton Clinches 3-B With Win Over Friona Chiefs

Olton's Mustangs clinched the District 3-B football title Friday night at Olton by trouncing the Friona Chiefs, 39-0, before some 1,750 persons.

It was Olton's eighth straight conference triumph. Hale Center, the last team with a chance to overhaul the Mustangs, dropped from competition Friday night by dropping a 33-12 decision to Dimmitt.

Dimmitt could possibly tie Olton's won-lost record in district play, but even should this occur, Olton would be declared the conference champion by virtue of its earlier win over Dimmitt.

Mustangs score Early

Coach T. M. Cox's Mustangs wasted no time in grabbing the lead against Friona Friday night. They punched across two first-period tallies and were never in serious difficulty thereafter.

The Mustangs amassed 22 first downs to the losers' eight. Olton had 473 yards gained rushing, plus 12 through the air. Friona picked up 154 yards rushing and two passing.

Rev. Hemphill Named On Wayland Board

Rev. Lee Hemphill, pastor of the First Baptist church, Littlefield, was appointed to a three year term on the board of Wayland College Baptist school at Plainview at the state convention at El Paso last week.

PIECK THE PROUD . . . Wilhelm Pieck, chairman of Communist Socialist Unity party, struts after his election as president of pro-Russian eastern German republic. The election was marked by militarism.

Penetrations Bring Win Over Sudan For Cats

Littlefield Wildcats kept their conference slate clean Friday night when they took a 7-7 tie away from the Sudan Hornets on a basis of penetrations.

The Wildcats lead in all departments of statistics that count in case of a tie. They had the edge in first downs, 15 to 5; penetrations, 3 to 1, and yards gained rushing, 224 to 104.

Littlefield kicked off to Sudan, and was forced to punt in four plays to the Wildcat 30-yard line. Gage and Bailes gained on the first two tries, but Littlefield was also forced to punt to Sudan on their 30-yard line. Hammock lost five yards and two incomplete passes set up another punt by the Hornets. Harlan Pickett booted the ball straight up into the air and Johnny Edwards, Wildcat end, took it on the Sudan 30 and ran it to

the 12 before he was stopped. Tommy Bailes gained 10 yards to the two-yard line, but Littlefield got a 15-yard penalty to nullify that gain. Two more plays proved the Sudan line was going to hold so on the fourth down, Crossley threw a screen pass to Gene Renfro who ran it to the Hornet's eight-yard line before he was stopped. Sudan took over on downs from there. That ended the only serious scoring threat in the first half.

Sudan tried passing in the second quarter, but only completed a handful for short gains.

SECOND HALF.

The Wildcats took the second

half kickoff and started rolling to catch the Hornets by surprise. They took it on their own 39-yard line and with Frank Gage spearheading the attack, smashed the line to score and send Littlefield ahead. He ran around left end for the extra point and made it 7-0.

Sudan scored their touchdown in the fourth quarter with only a minute left to play. Tommy Sherrill passed to Clifford Johnson for 30 yards and a touchdown. Pickett kicked the point to tie the ball game, 7 to 7.

Littlefield ran three plays before the final whistle and held on to the ball as Sudan kept fighting for possession.

Friday Night's Encounter To Be Of Scheduled Games For Local

The Littlefield Wildcats will tangle with Levelland Lobos at Seely Stadium Friday night in a game that will virtually lead to the 4-A North Half championship.

Morton Is Loser 19-14

Coach Jess Davis' Sundown Roughnecks notched their first district 4-A North victory of the season Friday night at Sundown by turning back the Morton Indians, 19-14, before 1000 spectators.

The defeat shoved Morton into last place in the conference race. Sundown grabbed an early lead, then choked off a late Morton rally.

Sundown held a 9-8 edge in first downs, and had 63 yards passing to none for Morton. However, the Indians led in net yards rushing, 200-197.

Clay Jones plunged three yards for the first Roughneck touchdown in the opening quarter, with R. E. Hensley adding the extra point.

Bobby Clark's 68-yard scamper through the line produced Sundown's second counter.

Clark scored again in the third quarter on a five-yard plunge.

Clifford Wells went 43 yards on an end sweep in the third stanza for Morton's first tally. Jimmy Coats ran across the extra point.

In the fourth quarter, Morton scored again on Kirby Lackey's 37-yard end sweep. Earl Webb added the extra point from placement.

Clark and Jones paced Sundown's offense, while Hensley and Wendell Odum showed up well in the line.

For Morton, Lackey and Coats carried the brunt of the offense, while Roy Smith turned in a top performance in the forward wall.

BOTH TEAMS IN GOOD

Both Littlefield and Morton should be in good condition for the South Plains football season.

Last year the race was the same predicament. Littlefield had the inside track. It defeated them 7-6, and race into a three-way tie with Morton, who had earlier field 6 to 0. Littlefield lost to Post 14 to 0 in game.

After this week will be left in the 4-A. Slaton and Post are day night for the crown.

The manner of decision has been changed. Race does end in a tie. It will be decided by coin and not by voting.

NEW CAFE OPEN IN LITTLEFIELD

Glenn Henning, operator, has recently opened a new cafe on the Clovis highway. The cafe is an advertisement for where in this issue, patrons to visit him.

Mr. Henning is a father of two children, a daughter, and plan to field their home permanently.

Mr. Henning is a former resident of Littlefield, Texas, and is a buyer for a large chain store.

Lieut. and Mrs. Robert Hall To Be In Charge Of Salvation Army Here; Lieut., Mrs. Salmon Go To McAllen

Lieut. and Mrs. O. C. Salmon who have been in charge of the Salvation Army work in Littlefield for the past two years, have been notified that they have been transferred to the command of the work in McAllen, Texas.

McAllen, located in the Rio Grande Valley, is a city of approximately 25,000 population. Therefore the transfer of Lieut. and Mrs. Salmon is a distinct promotion for the young Salvation Army officers.

Mr. Salmon came to Littlefield corps from Beaumont, where he was second in command, and Mrs. Salmon came to this city from the work in San Antonio. They were married in Dallas immediately subsequent to Lieut. Salmon taking command of the Littlefield corps.

Lieut. and Mrs. Robert Hall, who are assisting in the work in Austin, are being transferred to Littlefield. This will be their first appointment in command of a corps. They are young people, and have been assisting in the Salvation Army Youth Center at Austin. This experience particularly fits them for work in the local corps in view of the fact that through the efforts of Lieut. and Mrs. Salmon a large number of young people are members of the Army in this city.

The local corps has witnessed growth both in spiritual and character building in the past two years, and is now in an excellent condition to move on to greater accomplishments.

Lieut. and Mrs. Salmon extend their sincere appreciation to the people of this city and territory for their many kindnesses in the conducting of the army work, and to the local officers personally. Mr. Salmon particularly mentioned the various social and civic organizations of the city.

"Littlefield and Lamb county have been kind to our work and to us personally," said Lieut. Salmon, "and we are leaving this city and section happy in the achievements that you folks have made possible, but with deep regrets that we are leaving such a fine city, such good folks."

Our newspaper and commercial printing departments are really ready to serve you, but we will have to get in a number of shipments of office supplies to have the large stock we desire to carry.

There are two people who are extremely glad that the tension of expansion and remodeling is easing; one is Joe Wells, well known Littlefield builder, who has been our loyal advisor and friend; the other is none other than Morley B. Drake, publisher of the Lamb County Leader.

In fact, Joe and Morley B. seemed so contented that John Nail took their pictures. Joe looks great, but Morley B. didn't do so well in front of the camera. But don't blame John; he did his best.

This is about all for this time; we'll tell you more soon about the kind of service you can bank on at the Leader office.

Leading Vocational Students To Be Lions Club Guests

Vocational students in agriculture, homemaking and demonstrative education will be guests at the regular weekly meetings of the Lions club, for the next three weeks.

One student selected from each division will be a guest each week. Students are selected by their instructor for outstanding work in the class room, or for an outstanding project completed, or for superior salesmanship in the store where they work.

Cassels Buy Lawrence Nickels Home

Mr. and Mrs. V. S. Cassel made a deal last week whereby they bought the Lawrence Nickels home at 215 East Fourteenth street. They plan to take possession immediately. The house is a six-room brick structure, built about two years ago.

Mr. and Mrs. Cassel recently sold the Cassel Tourist court which they built last year.

2,000 Tons Cotton—

[continued from page one] paying, and as the gin must transport the seed to the mill, the net paid to the farmer is only about \$40. The difference between \$40 and \$46.50, is \$6.50 per ton net to the farmer who puts his seed in the government loan, and that is exactly what he is doing, and the ginner who refuses to sign up with and for the program, is just simply going to lose a lot of ginning business to the ginner who has signed.

Cotton Seed Delivery Down

When the ginner signs with the government under the program, he is not obligated of course to deliver all of his seed to government agency, and there was still a trickle of seed to the local oil mill yesterday, but the normal intake was down an estimated 85 percent.

The support program for cotton seed was announced by the Agricultural department last summer, with a support price of \$49.50 per ton. To collect this loan, however, the farmer had to take his seed back to the farm and provide indoor storage for the seed until next April 1. Few farmers had this storage facility, so they continued to sell their seed to the usual channels. But farmers registered many complaints over the storage feature of the bill.

Then the government agency came up with a new plan, designed to pacify the farmers. It authorized ginner to pay \$46.50 for the seed at the gin, if they would sign a rather complicated contract, and agree to take on the book work. At first many of the ginner held out, but it was against odds, and it is freely predicted that 90 percent, if not more of South Plains ginner will be handling government loan seed in another two weeks. In Lamb county, more than 75 percent of Lamb county ginner are handling it now, although as stated above, some of them have not yet signed.

The ginner receives a fee of \$2.75 per ton for trucking the seed to the airport here, and 10 cents per ton for weighing, these fees paid by PMA.

Many farmers seemed elated at the larger price they were receiving under the program, but some others, looking at the long range effect, were not so certain.

Poses Danger To Stockmen

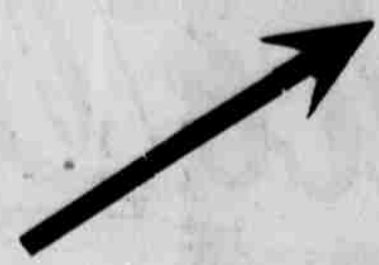

Some of the latter shake their heads and see the almost certainty ahead that vast spoilage will result to the seed stored in the open, and the long range effect of this could only result in lesser future supplies six months or so hence, of cotton seed products, for cake and for meal, and higher prices for them as a result—if not the certainty of scarcity.

In the meantime, cotton seed is piling up at our own and storage points throughout West Texas, and will continue to pile up until the program is again changed.

Ginner and seed processors (oil mills) have made proposals to accept the seed at the gin, and then transfer it to oil mills where it could be properly stored in regular protected storage. Their projected offers have not yet been accepted by the government.

As it now stands, cotton producers are pocketing some extra money for their seed, gins are slowly but surely signing up with the government, and the oil mills will continue to run until their present supply of seed is exhausted. After that, well, 80 local oil mill employees won't work when there is no more seed to process.

The local delegates are expected to return home on Saturday.

MRS. J. M. VINING IS TAKEN BY DEATH

Mrs. Arah Vining, 80, passed away at her home on East Fifth street, Thursday afternoon, November 3rd, at 2:10 o'clock, following an illness of more than 20 months. She had been a complete invalid for the past ten months.

Funeral services were conducted from the First Baptist church Saturday afternoon at 3:30 o'clock. Burial was in Littlefield cemetery. The services were conducted by the pastor, Rev. Lee Hemphill. Mrs. Weldon Findley sang a vocal solo, and a quartette composed of four local men rendered a number. The Hammons Funeral Home was in charge. (Continued on Back Page)

Corn Products Co. Open Multi-Million Dollar Plant

Produce Starch And Dextrose Sugar

The opening of a huge new multi-million dollar plant by Corn Products company at Corpus Christi, the past week is indirectly, at least, of real importance to Lamb county. The reason is simple and apparent—the huge new plant will process only milo and grain sorghums, and Lamb county produces more of grain sorghums than any other county in the entire United States.

The building of the huge new plant which will produce 50,000 tons of cold water starch, and 50,000 tons of dextrose sugar, by a company which heretofore has utilized corn almost exclusively, means just one thing and that the sure fact that they have satisfactorily solved the problem of softening the hard outer coat or hull of the small milo kernel.

There are other disadvantages in manufacturing of maize compared with corn, not forgetting that grain sorghums contain only 1.5 percent of oil compared with the 4 percent in corn, but Corn Products company evidently expects to solve many of them.

They will also conduct a relentless search for by-products in the big new starch plant.

It is true that the new Corpus plant will utilize almost exclusively, grain sorghums grown in the coastal counties, but if the new plant proves the success that the company evidently anticipates, other processing plants for grain sorghums are bound to come, and by and large, Texas will get its share of them, and this in turn means an expanding and enlarged market for Lamb county grown grain sorghums.

The maximum amount of grain that will pass through the new Corpus plant has not yet been determined, but they have already contracted for several millions of pounds of the yellow maize.

Chemurgic research has discovered many new uses for milo and grain sorghums, which a few years (Continued from Page One)

Helen Byrne, Former Spade Resident, Is Polio Victim

Miss Helen Byrne, daughter of Mrs. Felix Byrne, of San Angelo, formerly of Spade community, has been stricken with polio, and is a patient at Shannon Memorial hospital in San Angelo, according to information received by friends here.

Miss Byrne was employed in the bookkeeping department of the hospital, of which she is now a patient.

Lum's Chapel H. D. Club Women Visit Girls Town

On October 18 eleven members of the Lum's Chapel Home Demonstration club paid a visit to Girls Town, which is located nine miles east of Whiteface, Texas. Visitors were conducted on a tour of the buildings and grounds by a staff member.

The new dormitory, now under construction, was one of the greater points of interest. It will accommodate sixty girls. Labor, as well as furnishings, for the new building, is being donated by various individuals and civic organizations. Plans are being made by club members to furnish linens for one room.

Proposed date of completion is November 13, on which day open house will be held. Invitations to the public are extended on behalf of Miss Amelia Anthony, founder of Girls Town.

Elvis Hestand, formerly of this city, who purchased the Whitehouse Flowers at Portales, N. M., about a month ago, observed the formal opening of his new business by holding open house Sunday, October 30.

Attending from Littlefield were J. E. Chisholm, jr., and Mr. and Mrs. Odell Matthews.

Mr. Hestand was connected with Chisholm's Floral here for a number of years.

Substantial Construction In Buildings Features City-Wide Expanding Business District Throughout Littlefield Area

Picture by Nail.

The business section of every growing city extends out in several directions from the old established mercantile area. There are numerous examples in Littlefield of the spreading out of the business section, one of the most recent being the widening and development of East Fourth street. This picture of the Furr Food store, located close in on Fourth street, offers an example of the substantial character of the Fourth street development.

Mrs. Elmer Hall Hostess To Yellowhouse H. D. Club

The Yellowhouse Home Demonstration club met Tuesday, Oct. 25, with Mrs. Elmer Hall.

A short program was enjoyed. Mrs. Troy Moss and Mrs. Elmer Hall sang a duet, "All on the Altar." An alphabet game was enjoyed by the group.

A demonstration on "Gifts from the Landscape" and "Pot Plans for Gifts" was given by Mrs. Fred Duffy. A report on the T.H.D.A. convention, held recently, was given by Mrs. J. B. McKenney.

Refreshments were served to Mesdames Fred Duffy, Bill Jones, J. D. Lee, J. B. Haire, Troy Moss, A. F. Wedel, Lloyd Haire, Curtis Lee, members, and Mrs. Akers and Mrs. J. R. McKenney, guests.

Lum's Chapel H. D. Club Guests of Mrs. Paul Carlisle

Members of the Lum's Chapel Home Demonstration club met on Thursday, Oct. 27, at 2:30 at the home of Mrs. Paul Carlisle. Mrs. Charlie Landers, president, presided over the meeting.

Miss Hambright, home demonstration agent, gave an interesting and helpful demonstration on sewing, which consisted of aids in finishing and fitting. This was followed by a delightful reading given by Mrs. Hub Sprayberry.

Delicious refreshments carrying out the Hallow'e'en motif were served to twelve members.

Watch Out For The Symptoms!

Laughed out loud when I heard Hoot Davis was down with Chicken Pox. A man of forty-five catching a kid's disease!

So I went to see him, armed with jokes about "second childhood" but forgot them fast when I got there. Hoot looked terrible and had quite a fever.

While we talked, I come to think of how Chicken Pox is a lot like other "diseases"—diseases of the character, such as intolerance, self-righteousness or just plain ignorance. They're excusable in children, but when they come out in adults they're ten times as bad—and can be mighty "contagious."

From where I sit, we should all watch out for the "symptoms"—little things like criticising a person's preference for a friendly glass of temperate beer or ale. We've seen personal freedom wither away in other countries, when individual intolerance was allowed to get out of hand and become a nation-wide epidemic.

C. OF C. SUGGESTS SEVERAL STOP SIGNS BE INSTALLED BY CITY

Board of directors of the Chamber of Commerce met at Hays Coffee shop Wednesday morning of last week.

After considerable discussion the group voted to present several matters to City Commission for their consideration.

- 1.—Stop signs to be put on each side of Farwell avenue at intersections at 11th, 12th, 13th, 14th, and 15th streets, allowing Farwell avenue to carry through traffic.
- 2.—Stop signs to be installed on each side of Littlefield Drive where it intersects with 11th, 13th, 14th and 15th streets.
- 3.—That a stop sign be installed at the northwest corner of the intersection of East Thirds street, and Duggan avenue.
- 4.—That a "right turn on red" sign be placed beneath the traffic light at the intersection of the Lovelland-Lubbock highways.

BULL LAKE PHILOSOPHER HAS OWN METHOD FOR SETTLING ARMY-NAVY SQUABBLE—PUT OFFICERS ON K. P.

Editor's Note: The Philosopher on his Johnson grass farm on Bull Lake entered the army - navy squabble this week, his letter reads.

Dear editor: I ain't exactly a war veteran, makes no difference if I am battle-scarred after years of marriage and gain up one row and down another out here on Bull Lake or tryin' to make 1910 bobwire hold together in 1949, but I was talkin to a group of World War II veterans the other day and from what I can tell about what they said, I think I know the solution to the big Army and Navy squabble among the Generals and Admirals.

As I understand it, things ain't gain to suit the private tastes of the Generals or the Admirals either, and they're developin a squabble worse than a trustee fight in a one-teacher school district. Naturally, I don't know whether a B-36 airplane is any good or not, never used one out here, and likewise there ain't been no air-craft carriers foolin around out here either, but the argument over which one is best reminds me of the argument some school trustees had in a district I heard about once over

whether they ought to burn wood or coal to heat the school building, one trustee bein in the wood business, another in the coal business. They nearly wrecked the school system before they compromised on burnin wood the first half the term, coal the second, although by the time they got things ironed out and smoothed down they installed gas and later on they consolidated a bunch of schools and the buildin ain't even there anymore.

However, I don't believe a compromise is what's needed in the Army-Navy squabble. My idea is that since both the army and navy is strong for military discipline and believe in 100 percent obedience to your superior officers, and since the President is the Commander-in-Chief, I think President Truman ought to call in the squabblin officers from both sides and tell em disension in the ranks is bad for the country and assign the leaders to K. P. every day for a week. If that doesn't clear up matters, which it generally does I understand, give em close-order drill for a while or send em over the obstacle course a few times. I ain't familiar with the meaning of all these terms, but the veterans I was talkin to claim they'll get the job done if applied often enough.

Yours faithfully, J. A.

Information For Veterans

QUESTIONS AND ANSWERS

Q—I have an unused certificate of eligibility which I obtained from VA about a year ago. May I use it to enter a school under the GI Bill this coming January, even though I understand VA is issuing new types of certificates?

A—Yes. But before you use your certificate, check with your VA regional office to make certain the school and course are those you are permitted to enroll in under the law.

Q—How much can I borrow on my converted National Service Life Insurance policy which has been in force under the permanent plan for a little over a year?

A—You may borrow up to 94 percent of the cash value of your insurance and still keep it in force. Loan application forms may be secured from your VA office.

Q—I am taking vocational training under Public Law 16 for disabled veterans and find it difficult to progress as rapidly as others taking the same course. What happens if I fail my course?

A—Generally, VA will take special steps to enter you in another course in which there is every likelihood you will complete successfully. The situation depends on the facts and the circumstances of your case.

School Visitation Day Friday P. M.

Friday, November 11th, is visitation day in the local Primary and Central schools, in observance of National Education week. The Parent-Teacher association urges all parents to visit their child's room on that day. The hours are from 1:00 to 3:45 o'clock.

Water Association To Be Organized

Formation of a West Texas domestic water association composed of directors of the West Texas Chamber of Commerce, will be the leading item on the agenda for the 32nd annual WTCC directors meeting to be held in Fort Worth, November 22. Official call for the meeting has been made by president, John D. Mitchell, Odessa.

At a meeting of the executive board in Abilene, Sept. 26th, it was decided to submit the formation of the domestic water group of the board for final consideration.

Theme of the Fort Worth meeting will be water, with a slogan of "Dam West Texas or West Texas is Damned."

Local directors and chamber of commerce managers have been enlisted to build attendance from each West Texas city.

Special Film To Be Shown At Lutheran Church Sunday

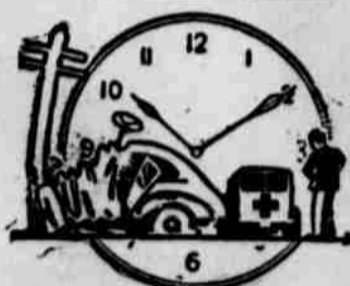

There will be special Sunday evening services at the Emmanuel Lutheran church next Sunday, November 13th, at 8 p. m., when a film strip on "A Christian and His Money," will be shown. The general public is invited.

The film deals with the old and new Testament teachings, dealing with money and stewardship. An opening photographic sequence dramatizes how a child begins to attach importance to things by the amount of money the parents spend on them.

A short vesper service will be held in conjunction with the film.

That's what we said -

PRICED LIKE A SIX!

PARDON us if we appear persistent on one point. But we still find people who look over this new Buick SPECIAL, admire its style, its room, its handy but impressive size, and say: "It's wonderful! Too bad it's too rich for my blood!" That's our point—How do you know? Have you gone to see this car—and learn how very much there is in it? Have you got the actual delivered price figures—including the equipment you want—and matched them against others? Have you worked out down payment, trade-in, monthly installments? Have you weighed this against the longer period of years you'll be happier with this Buick—and Buick's established high level of resale values?

Some surprising things show up when you do this. You find you can raise your standard of car travel—step up to Buick levels of style, comfort, handling, ride, power—more easily than you think. You may even discover you can start enjoying the velvety luxury of Dynaflo Drive* right now instead of waiting until this revolutionary

new principle spreads to others, as it's sure to do! That's why we keep pointing out—this wonderful value-in-head straight-eight, with all its standout looks and qualities, is priced like a six! Actually lower than many. So do something about it, will you? Take a sharp pencil, see your Buick dealer, replace guesses with facts—and we think you'll see the light and place that order!

TEN-STRIKE!
Only Buick SPECIAL has all these Features!

Attend Lubbock Meeting Tuesday

"Technical development in optometry has reached a point where it can improve the personality and earning power of many patients," declared Ralph Barstow, who spoke Tuesday evening, November 8, at a meeting of the South Plains and Permian Basin Optometric Societies, which was held at the Hilton hotel in Lubbock. Dr. Barstow cited statistics to prove his point. "Between 80 and 90 percent of all patients coming to optometrists have visual problems at the near or working point. This condition is recognized readily in the case of presbyopes which includes practically all people over 50 years of age. It has been said truly that if it were not for the services of optometry, the majority of people over 50 would be on the economic scrap heap. But the near and working point problems of people under 50 are as urgent, even if they are not so obvious. In one group of electric solderers, doing a fussy job on small wires, the difference between the workers who had had professional visual care and those who had not, was 18 cents an hour. Also, and this was important to the management, those making the best earnings had only half the work rejected that the poorer earners did.

The work with school children is increasingly valuable. The U. S. census estimates that the crop of war children is 22 million. For the next six years, the schools will

SAYS CRITICS LIE . . . Air Force Secretary W. Stuart Symington, striking back at the navy's accusations against the air force and the B-36, terms the sailors' charges "untrue, false, ridiculous and a fallacy."

have bulging first grade classes. Then that bulge will go on through the grades for from 12 to 16 years. According to Professor Emmett Betts of Temple University, reading is the most important subject taught in the early grades of school because it is the basic skill on which all other subjects are built. The early grade children exhibit varying degrees of reading readiness and increasingly large numbers that cannot keep up to the standards set by the school authorities. This is creating a serious problem in school expense, where it costs from \$95 to \$185 a year to keep a student in school.

If the retarded child is held back and required to take a grade over again, not only is the expense heavily increased, but the child rarely improves by repeating the grade. Recently, in desperation, schools have adopted what they call "social promotion" meaning that the child is moved on grade

by grade whether it earns promotion or not. It is on record that one boy in one school was thus passed until he finished high school and the only subject in which he ever passed was physical education! Yet, later, an optometrist straightened out his visual problem and he became a useful citizen and a good worker.

"Although there are other factors which retard a school child, one of the most common is that of seeing and visual skills for reading and study and optometrists have demonstrated in thousands of cases that the children are not 'dumb' but that the parent were, in not making certain there was no visual handicap before asking the child to learn. There are certain signs or signals that the untrained observer can use to suspect a visual problem. If a child prefers out doors play and avoids any reading except looking at pictures, if it complains of sleepiness when forced to study for a short time, there is considerable evidence that a near point visual problem exists. It should be understood that there is nothing wrong with the eyes. There are very few 'defective' eyes. The trouble lies not in the eyes but in the central nervous system. So-called 'near-sighted' children are characteristically better students than those children who can see letter charts and writing on the blackboards from a distance. The far point tests reveal barely 1/10th of the visual condition and are being abandoned in favor of more adequate methods.

Dr. Ira Woods, B. W. Armistead, and Glenn S. Burk of Littlefield, members of the South Plains society, were present at the meeting.

Mrs. J. M. Vining

[continued from page one] charge of arrangements. Pall bearers were grandsons of the deceased.

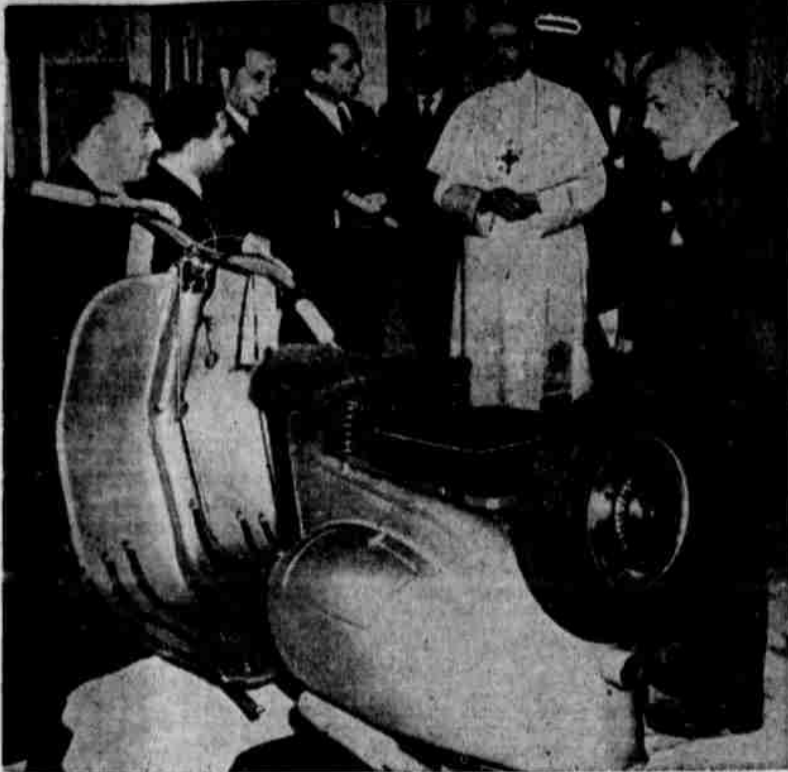

Arah Halley was born March 11, 1869, a daughter of Mr. and Mrs. Richard Halley of Tennessee. On November 29, 1885, she was married to J. M. Vining, who survives.

Ten children were born to the union: two sons, and eight daughters. All survive with the exception of one son, who passed away in infancy.

Surviving are Homer Vining, of Plainview, and Mrs. Volena McElroy, Plainview; Mrs. Yda Huff, Post; Mrs. Maude Thompson, Paducah; Mrs. Ermon Hurst, Richmond, Calif.; Mrs. Gladys Berry, Mosquero, N. M.; Mrs. Theo Rhodes, Lubbock; Mrs. Lois Chisholm, Littlefield; and Mrs. Mozelle Parvin, Lubbock. One sister, Mrs. Vannah Smith, 19, of Mobile, Alabama; 43 grandchildren; 47 great-grandchildren, and three great-great-grandchildren also survive. All the children were present for the last rites with the exception of one daughter, Mrs. Ermon Hurst of Richmond, Calif., who was unable to attend. However, she visited here a few months ago, and spent several days at her mother's bedside.

The Vining family moved to Texas from Tennessee in 1891, and settled in Hunt county, where they lived for a few years, when they moved to Oklahoma. They returned to Texas in 1906, settling at Paducah, where they lived until they moved to Lamb county, south of Sudan in 1925. About seven years ago Mr. and Mrs. Vining moved to Littlefield, where they have since made their home.

Had Mrs. Vining lived until the 29th of this month, she and Mr. Vining would have observed their 64th wedding anniversary.

Hart Camp School Carnival Friday Night, November 11

Hart Camp Parent-Teacher association is sponsoring a school carnival, to be held this Friday night, November 11th, in the school building, beginning at 8:00 p. m.

One of the highlights of the carnival will be the crowning of the queen. An impressive coronation ceremony will take place, with members of the faculty in charge of arrangements. Students running in the queens race are: Linda Kay Montgomery, primary; Kay Teal, 3rd and 4th grades; Melba Osthus, 5th and 6th grades; and Betty Wheeler of the 7th and 8th grades. The queen is elected by votes, which cost one cent each.

There will be bingo booths, fish pond, cake walk, and other booths of entertainment. Home-baked goods including pies, cakes, and cookies will be offered for sale, as well as sandwiches, hotdogs, ham-

burgers, and soft drinks. Money from the carnival toward buying chairs for the gymnasium.

Last year about \$500 was raised from the carnival used in buying playground equipment.

Hart Camp school has a total enrollment of approximately 100. The faculty is composed of Misses and Mrs. H. H. Hart, principal, and Mrs. H. H. Hart, wife, Mr. and Mrs. H. H. Hart.
