

\$175,000 Olton Water-Sewer Bond Issue Proposed

January 11 Referendum Planned

Increase In Taxes; New FHA Homes Planned

OLTON — Olton city commissioners Tuesday night are expected to authorize a referendum on a \$175,000 bond issue for water and sewer improvements.

Mayor L. Hollingsworth said the referendum probably will be held Jan. 11 and require a simple majority vote.

Improvements will be financed by \$125,000 in revenue bonds and \$50,000 in general tax bonds. Some \$61,000 of the \$125,000 revenue bonds will be new bonds. The remaining \$64,000 was issued by voters in 1946 for water and sewer improvements and merely calls for redemption of bonds.

No Tax Increase

Hollingsworth said the issue would not call for an increase in city property taxes. Most of the program is financed by taxes from the Federal Housing Administration. The plan calls for the construction of 300 homes, which will be financed through the Federal Housing Administration. The new homes, owned by Ben F. Smith, Olton gin operator, will be financed by approximately \$25,000 of the bond issue. The balance will be used for extending water and sewer services to the new homes and the remainder would be used for improving the water sewerage system throughout the city.

New Well Planned

planned improvements include the replacement of two lines with six inch lines about three miles; a new well; a 400,000 gallon water storage tank above ground and two booster pumps.

Hollingsworth said improvements would start as soon as the bond issue is approved. The bonds, which have a 5% interest rate, will be purchased by the Texas Corporation and the American Securities Corporation. Mayor Hollingsworth said the bonds would amortize over a period of 24 years and that the bonds being carried on the authorization. General tax will carry an interest rate of 4%.

Earth Citizens Plan For Rural Phone Service

The Lions club this week was planning a meeting Tuesday with policy making officials from the Telephone Co. and Area Telephone Co-Operative. Their objective is to find out what will have to be done to get rural lines about to be built. The club is planning to do this so that its subscribers will not be without a toll-free service.

Officials have reported that they could get the 100 members needed to support an application to the Federal Communications Commission to permit toll free service.

negotiations between the telephone organizations have been successful in arranging for a service and the co-op has agreed to go ahead with an exchange which would allow a toll call to get into any home. However, they say this would cut down the number of lines to the point where they would combine the Dadd and the exchanges into a single exchange about five miles from Lubbock.

business people are anxious to avoid such an arrangement and so are many of the people who live near that community. They hope to work out the building of both exchanges. The stumbling block to date—according to co-op officials—has been the area covered by the company has been claimed by General Telephone for being into its dial area at Earth.

Wildcats Meet Phillips For Quarter Final Title 2 P. M. Friday

Blackhawks Favored To Win By Two TD's As Littlefield Again Gets 'Underdog' Rate

By JAMES HINE

It will be "status quo" for the "underdog-rated" Littlefield Wildcats when they meet the "favored" Phillips tomorrow at 2 p.m. at Jones stadium in Lubbock. The game will decide who will get the state semi-final football berth.

But while Coach "Chesty" Walker's Blackhawks will go into the quarter final play off game with a high edge because of better scores over several teams which Littlefield also defeated, Littlefield boosters will still be primed to give support to the "underdog" Wildcats.

Superintendent Ralph Schilling announced that there will be no school Friday. Schilling also said that the persons going to the game should purchase their tickets here in order to avoid having to stand in line.

The tickets that are being offered for sale both here and at the game are not reserved seat tickets, they merely guarantee the purchaser admission to the playing field at Jones stadium. It will be "first come, first served" at the stadium.

Phillips Hasn't Had Pressure

Coach Gene Mayfield said "our boys have had to play inspired

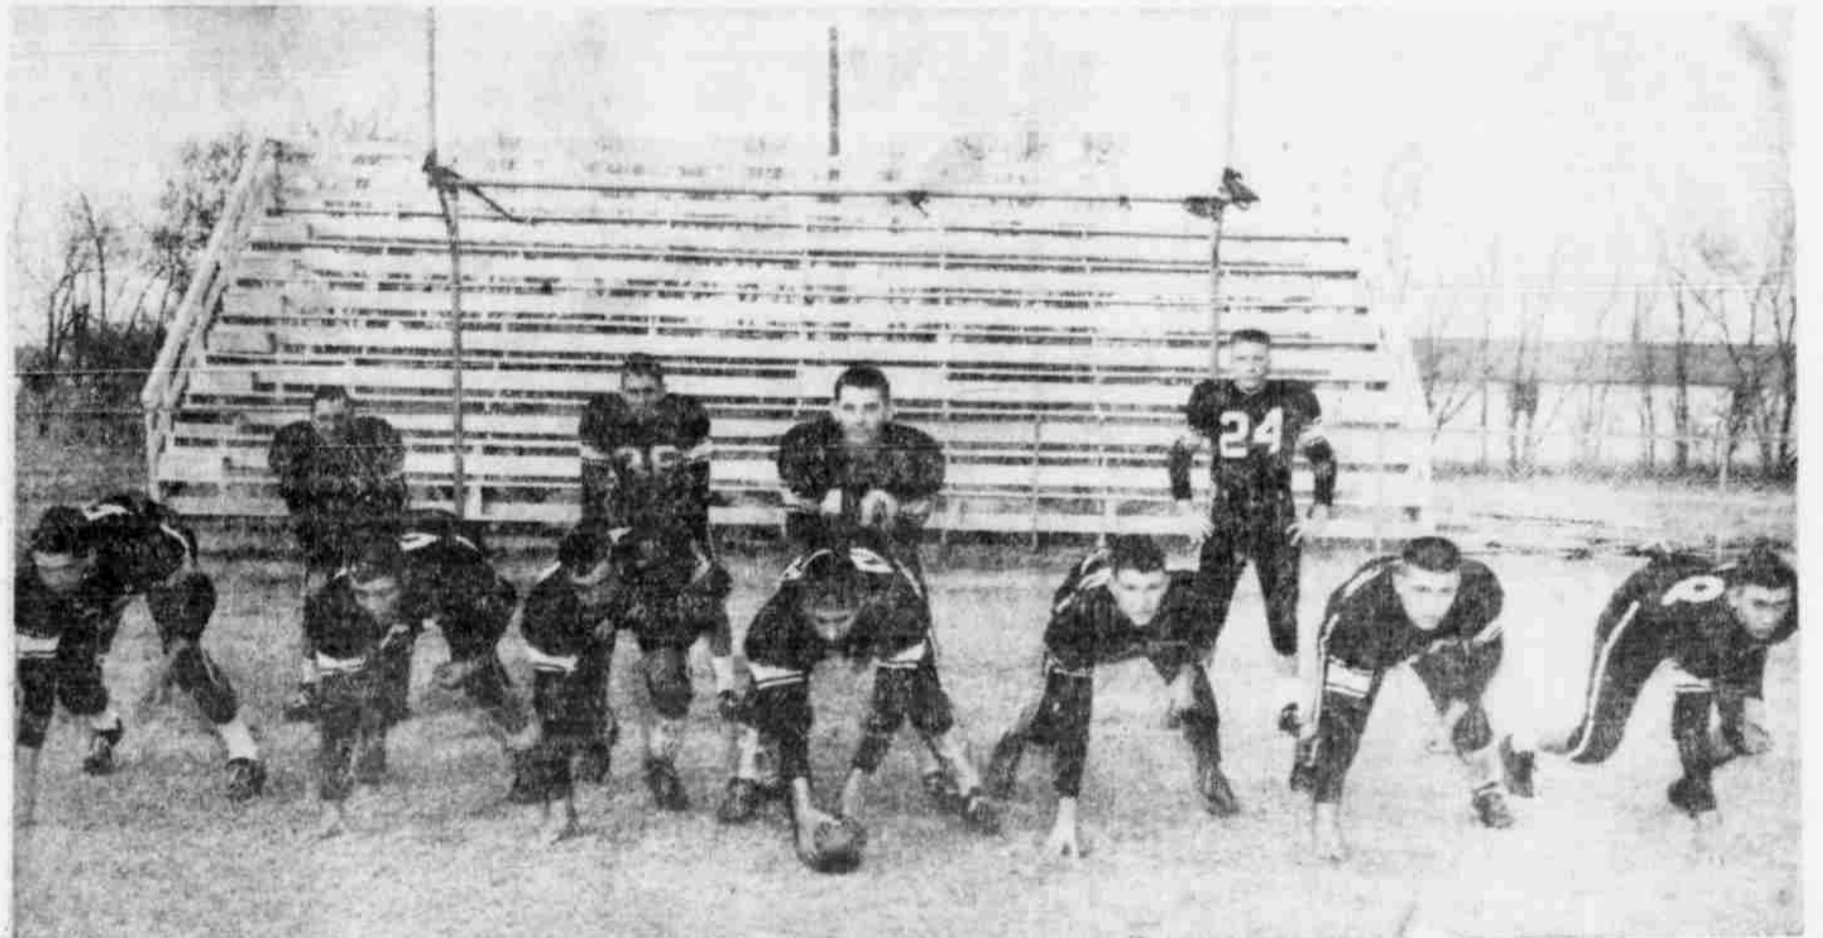

ball at least four times this year to reach their present position. The possibility of our boys staging "high" week after week is unlikely. We do not feel like Phillips has had the pressure that our boys have. If we can recuperate from the bruising several of our boys took at Snyder last Friday we feel like we can give them a good game. On comparative scores we feel like we should be a definite under-dog."

He referred to the Hereford, Brownfield and Levelland games played by both contestants. Littlefield defeated Hereford 40-13, Brownfield 40-27 and lost to Levelland 60-20. Phillips has defeated all three of the mutual opponents by scores of 53-13, 54-7, and 32-26.

Phillips has one of the highest scoring and ground gainers in the state with Halfback Don Meek.

Meek, who doesn't live up to his name, has scored 184 points on 147 carries that netted 1,614 yards for an average of 11 yards per carry to put him in the category of the state's all-time great runners.

Some area observers have been comparing his running talent to some of the Littlefield boys. But this will not be a contest of two (Please Turn To Page 8)

Santa Nominee No. 3 . . . Bula Community Always Has Santa Around In Mrs. Hogue

"In time of illness, not only in my own family, but the entire community, she is always there with a helping hand and words of comfort." That is how Mrs. Royce Teaff of Route 1, Sudan, described Mrs. Clyde Hogue of Bula, in nominating her for the title of "Lamb County's Year-Round Santa Claus."

Mrs. Teaff says there's a "million reasons" why Mrs. Hogue is deserving of the title. Mrs. Hogue, 38 years old, has been a member of Bula Baptist church since 1941. She teaches the Young Married People's Sunday school class; is president of the Adult Training Union, and is active in WMU projects.

Here is Mrs. Teaff's nomination letter for Mrs. Hogue: "I am nominating Mrs. Clyde Hogue of Bula as my year-round Santa Claus. Why? For a million reasons, but here are a few. "In time of illness, not only in my own family but the entire community, she is always there with a helping hand and words of comfort. Running errands, doing washing, ironing, and just any thing that needs to be done. "I really haven't the words to express her goodness. She definitely is a year-round Santa to

4 Director Seats Filled In LFD Chamber

Four new directors have been elected to the board of the Littlefield Chamber of Commerce and a meeting has been called for Tuesday morning to elect new officers.

Assuming director seats for three year terms January 1 will be Rip Elms, Carl Keeling, Ray Koeling and Joe Ferrell. They will replace C. A. Miller, J. B. McShan, Marshall Howard and Arthur P. Duggan Jr.

The directors were elected after the chamber's election committee counted some 100 ballots yesterday morning. Ten nominees were on the ballot. Chamber Manager Jesse Everett said the board would meet Tuesday at 7:30 a.m. at Engman's cafeteria to elect officers.

Three members of the Junior Chamber of Commerce has been appointed to the board. They are Marion Williams, O. T. Vinson and L. V. Pierce.

Post Office To Be Open All Day Dec. 18

Postmaster C. A. Joplin announced this week that the Littlefield Post Office would be open all day Saturday, Dec. 18 to handle Christmas mail.

"We don't believe there will be sufficient volume to justify staying open Saturday, Dec. 11," Joplin said, but added that all post office facilities would be available until 5:30 p. m., Saturday, Dec. 18.

BULLETIN

Members of the Springlake school board have been ordered to halt work on the construction of new school facilities and make an appearance tomorrow at 10 a.m. in Travis county district court at Austin for a hearing on an injunction. A temporary restraining order was served on all board members except Earl Miller, who is out of town.

Nearly 180,000 Bales To Be Third Highest In History

This year's cotton crop in Lamb county will have the third highest yield in history and will bring in approximately \$32,976,000, according to estimates made this week.

Ginnings as of Tuesday in the county's 38 gins totaled 170,714 bales with an additional 7 or 8,000 bales expected as a conservative estimate.

Total production should be about 180,000 bales, according to surveys made jointly by County Agent Dave Eaton, the Texas Employment Commission and the Western Cotton Oil Co. An August estimate had placed the cotton crop at 150,000 bales.

Some gins reported as many as 800 bales still remaining in yards but according to Eaton the crop is 94 per cent in and many gins which have been working round the clock, will be shutting down by the middle of next week.

Generally, most observers pointed out that they couldn't recall having such a long continued period of wonderful weather for the harvest and the ginning.

Loss From Insects

And while there was loss from wind and insects, most farmers fared better than in many previous years with cotton averaging about 32 cents per pound, or \$160 a bale. Cotton seed also brought good price of \$38 a ton and the bale average was about 800 pounds of seed.

Based on these estimates, Eaton predicted that some \$476,000 will be realized from seed and approximately \$28,800,000 from the cotton.

The county's allotted cotton acreage this year was 219,511.7 acres of which an estimated 214,370 acres were planted. Eaton said the 135,000 irrigated acres made nearly 1 1/4 bales per acre and the county's approximately 77,000 acres of dry land produced about 2 1/2 of a bale per acre. This will make the sixth time the county has exceeded the 100,000 bale mark.

1953 Was Highest Year

Lamb county's highest production year was 1953 with 193,008 bales from 298,960 acres. Second highest was 1949 with 192,277 bales from 250,720 acres. Production for 1952 was 174,556 bales

Amherst Police Chief Resigns; Commission Approves Speed Limits

AMHERST — The Amherst city commission Monday night accepted the resignation of Police Chief Fred V. Dillard and approved speed limits for Highways 1055 and 37.

Chief Dillard is resigning effective Dec. 31 because of his election as constable of Precinct 4. In a letter to the commission, Dillard pointed out that "the two years that I have served as your Chief of Police will always be remembered by me with very pleasant recollections. You gentlemen have been very kind, considerate and cooperative, and the entire citizenship of Amherst has extended to me the loyal friendship and kindly understanding so much appreciated by an officer."

Commissioners pointed out that they have not yet hired a night watchman and that anyone interested in filing an application may do so.

At Monday's meeting, the commissioner set the speed limit at 45 miles per hour from Highway 84, coming to Amherst on Highway 37, as far as Ike Batson's house. From there on Highway 37 to the east side of the city limits, the speed limit will be 20 miles per hour, and from the west side of the city limits on Highway 1055 to the intersection of Highway 37, the speed limit will be 30 miles per hour.

Olton Lots Sale Reaches \$5,170 For 52

Sale of some 52 lots in Olton Tuesday at the Lamb county courthouse here resulted in \$5,170, an average of almost \$100 per lot.

Sheriff Dick Dyer auctioned the lots which were sold for delinquent taxes, in about two and one half hours. Another sale of Olton lots will be held in January.

Corn Champion Turner Brothers Take On Sorghums

Royce and Dove Turner, twin brothers of the Pleasant Valley community, who put the state on its own feet recently with a record breaking hybrid yield — have branched out to sorghums, too.

The boys, members of the Pleasant Valley 4-club, cooperated with the Texas Agricultural Experiment station in an off-station grain sorghum variety test.

Purpose of this actual yield test, according to County Agent Dave Eaton, was to find out if the newer types of grain sorghums were better for this area of the state than some of the older varieties which have been planted consistently.

The grain sorghum varieties were planted the same day on land that had 200 pounds of 16-20-0 fertilizer and three tons of composted burrs applied per acre. They pre-irrigated the land, then irrigated their grain sorghums three times.

Results of this test plantings were:

Redbine 66 yielded 6237.96 pounds per acre.

Combine Kaffir 60 yielded 5785.5 pounds per acre.

Redbine 60 yielded 5420.76 pounds per acre.

Martins yielded 5270.94 pounds per acre.

As a result of this test plot, Doyle Turner, father of the boys, has decided to plant all of his grain sorghum acreage to Combine Kaffir 60 in 1955.

Even though it was not the highest producing variety, it did mature more evenly and rapidly, allowing harvesting about 10 days earlier.

Mrs. Ethel Tucker and her daughter, Jenette, and Tommy Sisson visited in Amarillo Sunday with Odell Tucker, son of Mrs. Tucker.

Burglars Hit Two Groceries

Burglars made away with loot valued at nearly \$500 in two separate robberies of Littlefield area grocery stores Monday night.

Hall's Grocery was burglarized by knocking out a rear door. Four pistols were taken. At Roy Buck's Grocery at Fieldton, the thieves made away with some \$140 of Frontier stamps, \$90 in cash and other items, for a total valuation of about \$304. Entrance was made through a door.

Guns stolen from Halls were a Beretta automatic, a .38 caliber and a .32 caliber Smith & Wesson and a .22 caliber Iver-Johnson.

Mrs. Jack Gage of Whitharral went home Monday from the Littlefield hospital where she had been a patient since Saturday with food poisoning.

Extensive Traveling Hobby Of Miss Chinn Who Celebrated 84th Birthday

MRS. MAYME CHINN OF SUDAN Has 84th Birthday Celebration

By MRS. EVELYN M. SCOTT

Miss Mayme Chinn of Sudan, affectionately known to her friends as "Auntie," celebrated her 84th birthday, Friday, Dec. 3, when friends gathered at the home of Mrs. Blanche Jones to fetter her with a birthday dinner. "Auntie" was born Dec. 3, 1870, in Clarence, Missouri, where she lived the first 25 years of her life. After the death of her parents she made her home with her sister, Mrs. Lucy Hawkins and family and lived with them in Illinois, Arizona and California.

They moved to Texas in 1924 and lived in Mesquite for three years before moving to Amherst, where they made their home until she moved to Sudan with her niece, Mrs. Lena White, in 1934.

Her main topic of conversation is of her niece, Mrs. Wases, who is a teacher in the primary department of the Sudan schools, and the three Wases children whom she helped raise. They are Mrs. Carol Adams of Wheeling, Technical Sgt. W. F. Wases in Japan, and Mrs. Nolan Miles, Yakima, Wash.

Being very active she helps keep their apartment immaculate. Her pastime is filled with hand work such as embroidery, crocheting and knitting. She loves to read and write letters.

But she says her hobby is traveling and it is a hobby she thoroughly enjoys. During her first

25 years, she never left the state of Missouri, but since then has made up for it and has traveled extensively.

She states that she has seen so many beautiful and interesting places that she doesn't know which she would count the most outstanding.

"Auntie," unlike most her age, cannot boast that she did her early traveling in a covered wagon, for she made her first move from Missouri to Chicago in 1895 by train. However, she did travel once by covered wagon when she went from Glendale, Ariz., to Prescott to visit one summer.

Friends are amazed at her alertness and her appearance gives the impression of a much younger woman. She still has the teeth nature gave her and uses glasses only when reading.

Kindergarten Students Plan Program

Mrs. Quinton Bellamy's kindergarten students will present a simple program for their parents and guests at 9:30 a. m. Wednesday, Dec. 15, in the sanctuary of the First Methodist church.

The children will tell the story of Christmas in words and music.

Mrs. Bellamy said the program will be the children's expression of Christmas wishes to their families and friends.

Angel Motif Dominates First Party

A pink and white color scheme and an angel motif were used by Mrs. Ralph Nelson when she honored her daughter, Cathy, with a party on her first birthday Monday afternoon.

Cathy's birthday presents were placed around the Christmas tree which was decorated with ceramic angels and topped with a lighted angel.

The refreshment table was covered with a lace cloth and centered with a gold angelabra banked with angel hair. White angel candles surrounded the revolving centerpiece. The candles were given to the guests as plate favors.

Continuing the color scheme and angel motif the napkins were pink and the plates and cups were pink and white. Place cards were pink angels.

The birthday cake was frosted and topped with a solitary white angel candle. Inscribed on it in white was "Happy Birthday."

Strawberry ice cream and angel food cake were served to Susanne and Debbie Brown, Sheila Ann Harrell, Liane and Stevie Maner, and Gene Williams, Mrs. Guy Brown, Mrs. Freddie Harrell, Mrs. Doss Wayne Maner, Mrs. Gene Williams, the honoree, Cathy Nelson, her grandmothers, Mrs. E. Entries In Home Lighting Contest Are Coming In

Several entries in the Christmas Home Lighting contest have already been received, according to Mrs. C. O. Griffin, chairman of the civic committee of the Littlefield Garden club. Cash prizes amounting to \$100 will be given in the five divisions of the contest which is being sponsored by the Garden club.

Entry blanks must be in by Dec. 15, or persons may enter by telephoning Mrs. Griffin or Mrs. Sid Hopping. Any person living in Littlefield or immediately adjoining the city limits may enter the contest.

Decorations must be completed and the lights turned on each evening from 6:30 until 10 p. m. from Dec. 15 through Christmas day. Judging will be done during that interval.

Basis for judging will be originality, condition and relation of materials used. First prize for best home and yard decorations will be \$25, second \$15. Best decorations using a religious theme, first \$10, second \$5; best outside tree, first \$10, second \$5. Best decorated window and best decorated doors will each be \$10 for first and \$5 for second.

Persons who won prizes last year may not enter the same division this year, but may select some other of the five divisions.

Mrs. Ethel Tucker and her sister, Mrs. Pearl Warren, left this week for Hollis, Okla., to visit their mother, Mrs. J. C. B. Dennis. Mrs. Dennis, 84, received a broken hip in a fall Oct. 15, and was required to undergo surgery as a result.

Phebean Class Entertained At Christmas Dinner

The Phebean Sunday school class of the First Baptist church and their husbands held their annual Christmas dinner Tuesday night in the home of the class teacher, Mrs. Ralph Nelson.

House decorations began at the entrance where a mirror was adorned with Old English fittings. "Merry Christmas." Red foil Christmas stockings hung from the mantel which held a large white candle backed with pine cones. On the mirror over the mantel was outlined with lights and topped with a luminous three-dimensional star.

The refreshment table, covered in white, was centered with a large red candle backed with pine cones. Dinner was served in green plates with green cups and napkins. The individual tables were each centered with a large Santa Claus.

The novel gift exchange was effected by having each guest draw a slip of paper bearing a scripture. Gifts were labeled with a question to which one of the scriptures was the answer.

Hostesses for the dinner were Mrs. Harley Bussanum, Mrs. Sherman Taylor, Mrs. James Stufey, Mrs. Gene Williams, Mrs. J. R. Melton, Mrs. Carl Weeling, Mrs. Cecil Martin, Mrs. Homer Howard and Mrs. Nelson.

18 Littlefield Teenagers Make KDUB-TV Program

Rites Held Monday For J.L. Carson

Funeral services for J. L. Carson, 72, of Olton, who died Saturday night at Methodist hospital in Lubbock, were conducted Monday at 2:30 p.m. at the Olton First Baptist church.

Rev. J. Henry Cox, pastor, officiated, assisted by Rev. J. R. Jennings. Burial was in Olton cemetery with Lemons Funeral home in Plainview in charge of arrangements.

Mr. Carson, a native of Butlers, Okla., had resided in the Olton area for the past 27 years.

Last January, he and his wife celebrated their 50th wedding anniversary. The couple moved to Oklahoma while the state was Indian Territory. They moved to the Olton area from Holdenville, Oklahoma.

Survivors, in addition to his wife, include three daughters, Mrs. Jim Kemp and Mrs. J. C. Hamby, both of Olton, and Mrs. A. H. Brillbrey of Countyline; five sons, J. L. Jr., H. B. Raymond and Harold Dean, all of Olton, and Houston of Dimmitt; four sisters, Mrs. Ruth Edwards, Mrs. Maggie Wood and Mrs. Pearl Sieber, all of Holdenville, Okla., and Mrs. Trennie Berg of Phoenix, Ariz.; four brothers, Joe of Holdenville, Okla., Tandy of Gainesboro, Tenn., Robert of Salisbury, Mr. and Sam of Seattle; 22 grandchildren and 10 great-grandchildren.

Five Road Projects Set For Area In '55

The Texas Highway Commission this week announced from Austin several area road projects for the calendar year 1955. S. C. McCarty, district engineer at Lubbock, said the following state highways and roads in this area are scheduled for work under the program:

- Seal coat on FM 37 from State 51 to FM 1072, a distance of 5.8 miles.
- Seal coat on FM1315 from Hart Camp to Hale county line, a distance of 38 miles.
- Seal coat on FM 54 from Spade to Hale county line, a distance of 4.9 miles.
- a distance of 6 miles.

McCarty said work will begin on these projects just as soon as final planning is completed and rights of way secured. Bruce Seal coat on US 70 from Bailey county line to Springlake, a distance of 17.7 miles.

Seal coat on US 70 from 3 miles west of Olton to Hale county line. Bryan, maintenance engineer, will be in charge of work in this area.

Sudan Chamber Banquet Tonight

SUDAN — The Sudan Chamber of Commerce will hold a banquet in the school cafeteria tonight at 7:30 p.m.

Entertainment for the banquet will be \$1.50. Following the dinner, a speaker will talk to the group. Musical selections will be presented by members of the Sudan schools.

Local Boxers Being Sought For Tournery

PLAINVIEW — The Plainview Kiwanis club has announced plans for its District Golden Gloves tournament, scheduled for Tuesday, Wednesday, Thursday and Friday nights, Jan. 18, 19, 20 and 21 at the local city auditorium.

Tournament director Dan MacNaughton says that he believes this year's tournament will be the biggest and best ever in Plainview and he is inviting participants from all over the area to enter the meet. A large group of boxers is working out for the tournament at the Youth center in Plainview, located under Camp's pharmacy.

In preparation for the District Golden Gloves meet in January, tournament director Mac Naughton has announced a preliminary fight night for Monday night, Dec. 20 at the city auditorium here. All area boxers are invited to participate. Weighing-in for the fight night will start at 5 o'clock that afternoon in the auditorium.

There will be three divisions, Novice Open, High School and Open in this year's Glove tournament. There will be no high school novice class.

Champions in each weight and division, including two special weight divisions, will receive a beautiful engraved trophy and a trip to the Amarillo Regional at Amarillo. The regional is scheduled for Jan. 25, 26, 28 and 29. Local winners will have their expenses paid at the regional meet. Runner-ups in each weight and

Anton Takes Two Games From Whitharral Teams

WHITHARRAL—Whitharral was handed two defeats here Tuesday night by visiting Anton. The Panthers dropped one game 43-41 and the girls' team lost 55-51.

Johnny Bass had 16 points for winning Anton; Bob Burdette, nine and Ken Hice, eight. For Whitharral, N. Edwards led with 13 and J. L. Dalrymple had 11.

Both Whitharral teams won opening round games in the White-face Tournament and played again yesterday afternoon.

Bobbie Newell with 29 points led the Anton girls. Iva Nell Hughes had 23 points for Whitharral and Barbara Sires had 17.

division will receive a beautiful engraved trophy and in addition, each contestant in the tournament will receive an individual award.

Weighing-in for the tournament will take place at the city auditorium Jan. 18 from 10 a.m. to 5 p.m.

Awards given in the tournament will not interfere with the boy's scholastic eligibility. The tournament is sanctioned by the Texas Golden Gloves and the AAU.

J. C. Oakley of Plainview will serve as chief referee; Dean Webb of Amarillo as referee; and Claude Hutcherson of Plainview as judge. Drs. H. J. Harvis and Gerald Wagner will serve as tournament doctors.

All entries for the tournament should be mailed to Dan MacNaughton, Box 588, Plainview.

Buster and Ann Owens Jr., of 129 17th street have a problem. They either need their dogs back or need someone to take two unhappy children off their hands. The Owens' dogs, Poppin' and Cracklin', have strayed and little Stevie and Amy Catherine are lost without their pups. Anyone finding two wire-haired terriers who look like they might eat you out of house and home are requested to call the Owens' residence, 1948-M.

We know there must have been someone, but haven't heard who yet. Who missed the football train?

Folks at the depot were answering the telephone this way Friday evening: "Depot—7:45 or 7:50." Seems they were deluged with calls to see when the football train was expected.

We never—or almost never—plan anything in the newspaper business. We got an idea Friday that it would be a good idea to get an aerial photograph of the football train special. Our good friend Alvin Webb was as enthusiastic as we so we hopped aboard his Stinson. The only trouble is we chased the train to Lubbock before we were able to get a shot.

Still on the subject of aviation, three local planes made the trip to Snyder for the game. In Mr. and Mrs. Alvin Webb's ship was Advertising Betty, Mr. and Mrs. Earl Dow took A. V. Wood and "Slick" Chandler in their plane, and Dr. and Mrs. Albert Perkins were passengers in the plane of Mr. and Mrs. W. D. Gilder.

Several Littlefield riders of the football train special last week missed the train. Tramm Brown of Post, formerly of Littlefield, took them into Post and loaned them a Chevrolet from his car agency there so they could come back to Littlefield.

Preachers Harry Vandervoort and Bill Pearce, who had to miss the football game last Friday because of the Methodist conference at Seminole, said Vern Henderson, district superintendent, opened the meeting by saying, "I'm surprised to see two of our preachers here instead of in Snyder as they threatened to be."

After a break, Henderson asked Vandervoort as he returned to the meeting for a report from the radio and film commission and Vandervoort replied, "The score is 14-6."

Littlefield Student Makes Four-Day Tour With McMurry Band

ABELENE (Sp.)—Willis Giddens, Jr., son of Mr. and Mrs. J. W. Giddens of Littlefield, made the four-day winter tour with McMurry College's Indian Band, Dec. 5-8.

Complete itinerary for the tour, included appearances in Hochstadt, Seymour, Paducah, Abernathy, Levelland, Brownfield, Lamessa, and Snyder.

Two of the concerts were given in churches and the others before

school assemblies. Scripture readings, prayer, musical selections, and congregational singing made up the church programs. The school concerts featured instrumental soloists and ensembles, vocal soloists, symphonic arrangements, novelty numbers, and Latin-American rhythms.

Giddens is a 1953 graduate of Littlefield high school. He played trumpet and baritone four years in the band and served as band president. He was also a member of the school paper staff.

Dunbar Teams Get Two Wins In First Games

Dunbar "A" and "B" teams won their first basketball game of the season Tuesday night by defeating Levelland 30-22 and 20-17, respectively.

George Gaston was high man with 14 points for Dunbar in the "A" team encounter and Charles Holmes was second with seven points.

In "B" team play, Ray Lights was high with eight points and T. Gaston was second with six. Both games were non-conference.

Dunbar's next home game will be a District 2-B conference tilt with Slaton, Dec. 14. Other home games are:

Dec. 17, Olton, non-conference; Dec. 18, Brownfield, conference; Dec. 19, Balls, non-conference; Jan. 29, boys' invitational tournament.

Mrs. Lloyd Sewell was admitted to the Medical Arts Clinic Monday for treatment.

Whitharral FFA Members At District Banquet Monday

WHITHARRAL—Vocational Agriculture Advisor and Mrs. Philip Wynn accompanied a group of their members and friends to the Hockley-Cochran District FFA banquet at the Cal Boykin hotel in Levelland Monday night.

Officers for the district are: President, Joe Bowman of Levelland; Vice-president, Keith Harrison of Whiteface.

Secretary Leon Crisp of Smyer; Treasurer Gerald Ramsey of Morton; Reporter, Donnie Condra of Ropesville.

Whitharral District officer representative Travis Bryant, Jimmy Lott acted as District Advisor for the evening.

Artie Forehand, guest speaker of the evening, discussed "The Three Choices of Life." Sundown band furnished music.

Miss Joan Taylor, FFA Sweetheart of Smyer was elected District Sweetheart.

Area I Supervisor of Vocational Agriculture, Walter Labey of Plainview, presented Lone Star State Farmer degrees and District oyster banners.

Lester Hood of Whitharral received the Lone Star degree. Other schools participating in honors included Anton, Levelland, Sundown, Ropesville, Smyer and Morton.

Commissioners Jim Pruitt and Jack Martin were guests.

Danny Grant escorted Whitharral FFA Sweetheart Miss Barbara Stafford, Jimmy Lott—Miss Given Bolton; Norman Theford—Miss Judy Lauderdale of Levelland; Travis Bryant—Miss Lanelle Cox, 36 J. C. PENNEY.

Approximately 30 local employees of the Littlefield J. C. Penney Store will get about \$1,000 in Christmas bonuses, according to Manager Albert Miller.

The company announced this week that its directors have authorized a special year-end payment for more than 50,000 associates in the company's 1,639 stores, offices United States.

The payment will be an amount equal to two weeks' pay for all full-time associates who have been employed for the full year 1954, and proportionate amounts for extra and part-time associates and those employed less than a year.

All Penny associates will share in the payment except management staff members whose earnings are determined largely by the

company's long-standing profit-sharing plan. It will be made Dec. 15.

In a letter to the firm's associates, President A. W. Hughes, said payment was based upon the company's results for 1954. "We are particularly happy to be able to make this payment as a result of what has been accomplished

this past year," he said. "The possibility of future payments of course will continue to depend upon year to year results."

The payment is in addition to regular company provisions for associates' benefits, including sick benefits, gratuitous death and dismemberment benefit, thrift and profit-sharing retirement fund plans, discounts on company purchases and others.

Sudan Hornets Take 74-38 Win Over Levelland

SUDAN—Bill Wiseman, 6-2 forward, paced the Sudan Hornets Monday night to a crushing 74-38 victory over AAA Levelland. Wiseman made 25 points; Leon "Podd" Hill, 6-5 center, racked up 18, and guard Charley Lynch, made 11.

The Hornets had 23 free throws because of Lobo fouls. The win gave Sudan a season record of four wins, two over Levelland and singles over Borger and Lubbock, and one four point loss to defending AAAA Champion Pampa.

Byron Redwine Dies At McKinney

Word was received in Littlefield yesterday of the death Tuesday night in a McKinney hospital of Byron Redwine, 52, brother of Sam Redwine of Littlefield. Sam left yesterday for his brother's home at Farmersville to attend funeral services.

Mr. Redwine, who had operated his own barbershop at Farmersville for many years, had been in ill health since Thanksgiving when he was confined to the hospital. His brother Sam had spent a week at his bedside, returning to Littlefield last week.

Wildcats

(Continued From Page One)

or three players. At least not for the Wildcats who always have 11 men on the gridiron, displaving one of the best balanced teams in A football.

Superior In Statistics

In total offensive and defensive statistics, the Blackhawks from the "Gas Country" are far superior to the Wildcats. Phillips has the best record of the two teams, rolling up 496 points in 12 games for an average of 41.5 points per game while allowing only 92 points and allowed 228 for a 9-9 record. Phillips is undefeated in 12 games, having on of the few perfect records in the state.

Here is Phillips probable starting line-up:

LE, Arlie Ottis, 165; LT, Gene Packebush, 186; LG, Ronnie Coone, 155; C, Burch Ingram, 161; PG, Arthur Bybee, 172; RT, Larry Lane, 171; RF, Don Smith, 175; QB, Stanley Wilder, 155; HB, Jack Webb, 145; FB, Ben White, 150; and HB, Don Meek, 155.

This gives the Blackhawks a total offensive weight of 1,786, or an average of 162 pounds per man as compared to the Wildcats' average of 160 pounds.

LHS Line-Up

Littlefield's probable line-up is: LE, Joe Giddens, 150; LT, Glen Richards, 190; LG, Bobby Murdoch, 155; C, Paul Yarbrough, 155; RG, Buddy Rogers, 170; RT, Max Morris, 168; RF, Wayne Wicker, 153; QB, Dan Howard, 153; HB, Milton Vaughn, 150; FB, John Clayton, 160; and HB, Keith Davis, 158.

Littlefield has been designated as home team and will be seated

in the West stands. Coach Williams said that he had no comments on the game other than he hopes to win. His brother, Bobby is line coach at Phillips.

Texans In Washington

By TEX EASLEY

WASHINGTON AP—One of the few experts in Congress on the intricate operations of the nation's monetary system, Rep. Wright Patman of Texarkana.

...hailing from a predominantly rural district, this veteran congressman is regarded as a lawmaker as without a doubt in such matters, even among representatives from districts along Wall street and other financial and banking centers.

Three Groups
Patman serves on three congressional groups which handle fiscal matters. With the Democrats back of the House next year, he will become chairman of the House Business committee. He is next to the chairmanship of the Banking and Currency committee and will remain on the Senate-House committee on Economic Report.

...last mentioned is a little but highly important group known as the "open market committee." Patman and authorized by Congress in 1946 as a permanent body composed of seven members and seven representatives. They keep touch on the nation's economic pulse and submit a report to Congress each year outlining broad policy recommendations: they comment on general terms whether the bud-

Wants Audit

The heavy-set Patman, long close to his fellow Texan, Rep. Sam Rayburn of Bonham, and other Democratic congressional leaders, plans to introduce on the day the new Congress convenes a bill directing an audit of the Federal Reserve System. He says there has not been such an audit in 41 years.

The Federal reserve system, the Texan said, controls the marketing value of government bonds.

"There is big time speculation in these," he said, "which is far over the head of the man in the street. In fact, only a relatively few top financiers are in on this kind of speculation and money making."

"They profit at the expense of the multitude of ordinary investors. My idea is that government bonds should be stabilized at a 100 per cent minimum value. When they fluctuate only a fraction of a cent some of these speculators may make a killing."

Patman, incidentally, intends to resume his issuance of his weekly news letter when congress convenes in January. He put one out for over 1,000 consecutive weeks, before a recent interruption.

Town Decides It Needs Industry—And Services It

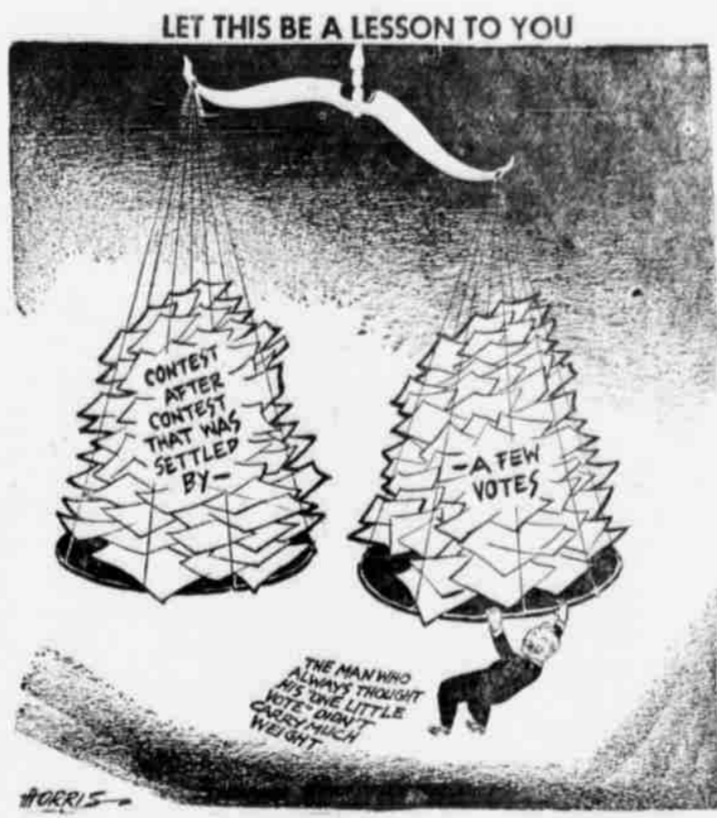

STAMFORD, TEX. — This little West Texas town, hard-hit by four years of drought, decided it needed industry.

Now, a factory for making moccasins an Western wear is beginning production, financed in part by \$200,000 raised in a community-wide project.

A total of 275 persons invested in the plant of the Feldt Manufacturing co. Moccasin manufacturing in under way and the plant should be in full production within 18 months.

The company agreed to employ a minimum of 150 persons within 90 days after the \$200,000 was paid for stocks and debenture bonds and to operate here for at least 20 years.

The weekly payroll is expected to run about \$15,000 - \$16,000 when production is in full swing. Stamford is in a West Texas farming and ranching area that has been hard hit by drought.

Just A Little Nostalgic For Hills Now That It's Deer Time

By DON PERRY

When the first of December rolls around, the "Boss" and I get a terrific yen to be back in the hill country. Even here in Texas we break out our shooting irons, clean them up and make a few imaginary runs on more imaginary deer, speeding over imaginary hills and through imaginary forests.

December 1 means a couple things to the native mountaineers of West Virginia. It's the start of the deer season but more important it means the "White Days" can work almost uninterrupted without fear of a major snowstorm come poking in the hills.

A firm layer of snow is on the ground now and the mountain air chills down to home marrow on the thousands of hunters who will make hundreds of deer kills along the rocky and wooded trails.

Hunt or deer each year in West Virginia brings out more people than a football game does in West Texas, and for purposes of comparison we can say TEXAS take their ball games as serious as do mountaineers their hunt.

Where Texans supposedly learn to spraddle a horse or a tractor when they can't walk, West Virginia boys are able to take their deer rifle apart, clean it and put it back together again, while holding a milk bottle nipple. This is done while blindfolded.

Deer hunting, like moonshining is by no means confined to the mountains. One of my best hunt dog tips was spent with an 85-year-old grandfather who hunted an eight point buck on a mile long shelf.

Sounds of hunting in the hill country take on the accents of a Maying festival of the South. The "off" is not if a man has been twice, cleaned up some hunters will be as blue down with a 30-06 shot, thinking he was a deer. "Expensive" means and "nobles" and deer kills are not carried out in the hunters' back, the nearest parking's drug it over rough terrain.

We hear deer are in abundance for this season. Many times they are as plentiful and white mountaineers are able to get them, they are afraid to get them on their backs because some other hunter will take a pot shot at mistake identity.

Both a couple of mountaineers you mentioned that you are the owners of hills for the mountain. And it is before the first snow as we believe brought several hundred pounds of deer meat.

It is the first of December that will bring a lot of deer meat to the mountains. It is the first of December that will bring a lot of deer meat to the mountains.

It is the first of December that will bring a lot of deer meat to the mountains. It is the first of December that will bring a lot of deer meat to the mountains.

Earth Lets Bids On Water And Sewer Work

Bids on Earth's water and sewer work were opened last week and after carefully comparing them the city commissioners awarded the contracts on the following day.

Low bidder on the laying of the water and sewer lines was Parhandle Construction Company of Lubbock. Their bid of \$38,872 was \$4020 lower than the next closest bidders.

Norcross Construction Company of Snyder was the successful bidder on the disposal plant at \$19,485 for a Carter Clarigeter. This was \$665 less than the next bidder.

Chlove and Cowan of Lubbock will drill and equip the new water well. Their bid of \$4697 was slightly higher than the low bidder, but the city commissioners felt that the pump they offered was considerably superior to that specified in the lower bid.

This totals \$83,054, leaving some \$17,000 out of the bond proceeds to cover other costs, such as the engineer's fee, bond brokerage, and the settling reservoir and its equipment. The commission has already purchased a steel tank for this purpose together with two pumps and necessary valves and fittings. It was not included in this week's bids.

The contracts specify that work must commence within ten days after they are signed. However, they cannot be signed until the bond broker completes his work and delivers the money. At last word from First Southwest Company, the bonds were in the hands of the printers.

City officials were jubilant over the outcome of the bidding. They had been warned by Engineer Ralph Douglas that some of the refinements included in the specifications might have to be eliminated because of lack of funds. But the timing was apparently right to catch most contractors in the area needing work, which resulted in considerable competition for the contracts. There were twelve bids on the water lines ranging up to \$22,450, ten on the sewer lines going as high as \$54,825, ten of the sewer plant with a top of \$22,815 and three on the wells with the top bid only \$24 above the winning bid.

It is easier to form a good character than reform a bad one.

Amherst Places Seven On District 2-A Honor Squad

Three area schools—Amherst, Sudan and Springlake had men selected for the District 2-A platoon honor squad, chosen last week by the executive committee of the seven team circuit.

Springlake landed one man on each squad and three Wolverines earned honorable mention. Jimmie Hadaway was named to one of the back positions on the offensive eleven and Jerle Taylor landed a tackle berth on the defensive squad, plus an honorable mention on offense. End Seymour Evans and Center Dale Harper were the other Wolverines receiving honorable mention.

Amherst led with three offensive and four defenders on the squad. Martin Hardwick, fullback and center James Anderson, made both the offensive and defensive elevens.

The offensive team:
End—Clinton Glenn, Dimmitt, 150, senior.
Tackle—George Ray, Dimmitt, 214, senior.
Guard—Charles Brown, Dimmitt, 166, senior.

Center—James Anderson, Amherst, 180, senior.
Guard—Benjie Pickereil, Amherst, 140, junior.
Tackle—Jim Bacus, Sudan, 175, junior.

End—Jimmy Brinkley, Kress, 135, junior.

Letters To Santa Claus

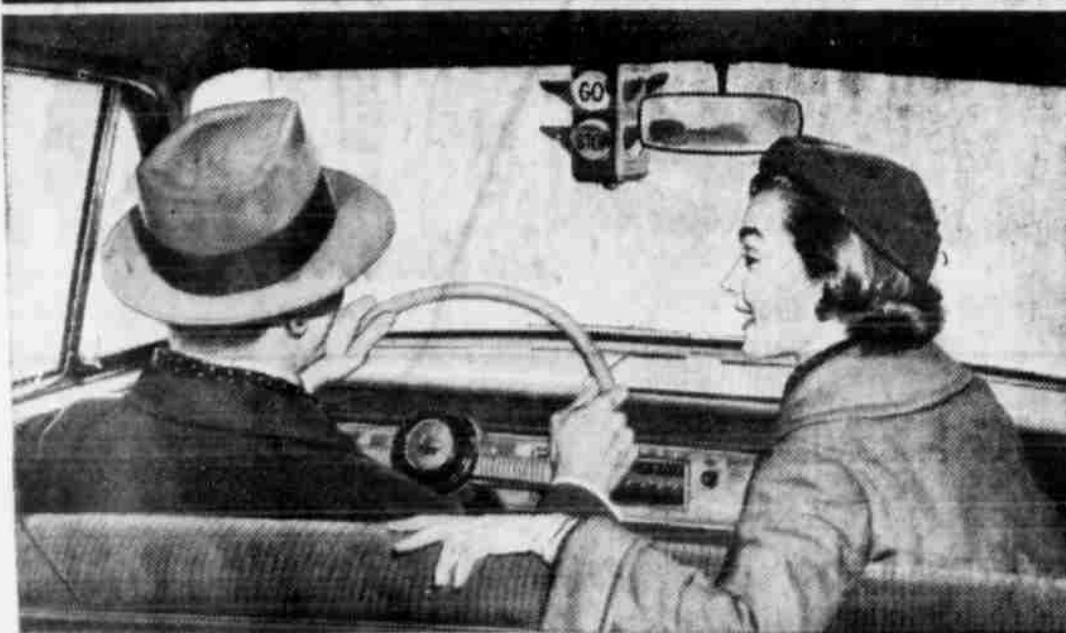

Dear Santa Claus,
How are you this year? I'm just fine. I bet you have a lot of pretty toys. I've been looking around in the stores and deciding what I want this year. I want a little doll with sleepers on and I want it to be rubber all over if you can find one. I am going to hang my stocking up again this year. If you have time, please leave me a few nuts and apples, and give the other little boys and girls some.
Your friend,
Patricia Jean McCurry

Some people don't pay as they go because they plan to go. It's an I for an I when two egotists get together.

ANY TIME IS SHORTCAKE SEASON

Summer shortcake in the Winter? Sure, now that you can turn to frozen fruits when fresh berries and peaches are out of season. It's the perfect dessert for a fish dinner and worst in perfectly with your plan to use frozen fish sticks, after you've been Christmas shopping all day. Use the ice-box packaged biscuits to save time, and put them in the oven to bake at the same time the fish sticks go in. Set the temperature control of your range at 450 degrees and the biscuits will be ready to fix for dessert the moment the fish sticks are hot enough to serve.

STOP "COLD STALLING!"

GET PHILLIPS 66

Flite-Fuel

There's nothing more exasperating than a cold engine that "dies" at the first stop light. Now Phillips offers protection from such "cold stalling" and gives you easy starting, too. Fill up with FLITE-FUEL, the only gasoline containing the added super aviation fuel component Di-isopropyl.

FLITE-FUEL brings you more power, higher anti-knock, longer mileage. You also benefit from the clean burning qualities for which Phillips 66 Gasoline is famous. Get FLITE-FUEL at stations where you see the orange and black Phillips 66 Shield.

And here's the perfect running mate for Flite-Fuel

Phillips 66 TROP-ARTIC is the new All-Weather motor oil, for winter or summer use. Compared to ordinary motor oils it can reduce oil consumption, extend gas mileage, and even double the life of an engine.

Maybe once in a car-buying lifetime, you come across something that breaks all the old patterns and establishes new ones. This is that kind of car. This is the true story of how Chevrolet and General Motors shaped a new idea in steel.

Like most good ideas, this one is pretty simple. But it wasn't an easy one to carry out. For Chevrolet and General Motors set out with the idea of building the first low-priced car that would do all these things:

- bring you the very freshest and finest styling to be had.
- bring you the most advanced engine design and engineering features.
- bring you the kind of performance and the kind of ride that have never been available before in a low-priced car.
- bring you the highest quality of manufacture and materials.

All this in Chevrolet's price field? That did take some doing! And isn't it logical that only Chevrolet and General Motors have the people, the skills, the resources and facilities, to carry out this exciting new concept? Here is how this new Chevrolet changes all your own ideas about cars!

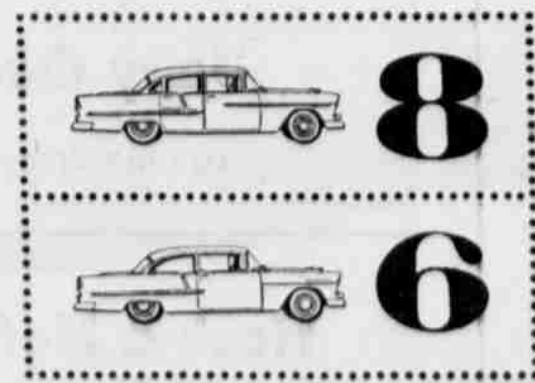

Real Show-Car Styling!

Your eye tells you the Motoramic Chevrolet is no styling "patch-up" job. A rakish, low profile... soft swiftness from its sleek rear fenders to its wide-eyed Sweep-Sight windshield... a new outlook for motoring. And that outlook doesn't change when you slip inside... there's more room for hats and hips... exciting fabrics and trim harmonized with the whole car... as carefully as a bride matches carpet to curtains.

A Sensational Ride!

You live the new idea instantly... you glide... actually glide because spherical joints "roll with the punch" of the road in Chevrolet's new Glide-Ride front suspension. And outrigger rear springs mean new balance in turns... turns made so effortless by new ball-race steering.

And when you stop suddenly, new Anti-Dive braking control checks that nosing down in front... you get more level stopping. Tubeless tires mean much greater protection against blowouts. And with new high-level ventilation there's fresher air.

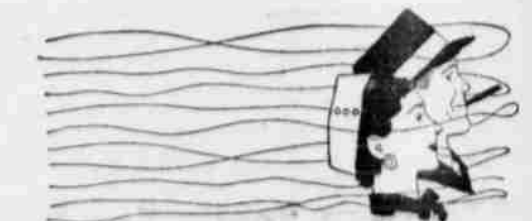

Power Beyond Compare!

You also feel the new idea quickly... quick power like a panther's paw with the new "Turbo-Fire V8" (162 h.p.) and two new "Blue-Flame" 6's. And sparking this performance is a 12-volt electrical system giving you better ignition, faster starting, greater electrical reserve for any of the power assists you might

desire. You have a transmission choice of economical Overdrive and improved, automatic Powerglide (optional at extra cost) or standard shift.

Even Air Conditioning!

And if you desire the convenience of power assists (optional at extra cost)... you'll find new power-steering and improved power brakes on all models. Power-controlled windows and

power-shift seat are available on the Bel Air and "Two-Ten" models, while air conditioning may be added on V8 models.

Won't You Try It?

Here, we can only tell you how successfully the Motoramic Chevrolet expresses the new idea behind it. But the car itself can quickly show you! Come in for a demonstration drive, won't you, first choice you get!

Olton Pastor Appointed Fund Campaign Chairman For Red Cross

The Lamb County Chapter of the American Red Cross met Friday in the home of Mr. and Mrs. Arbie Joplin for its December meeting with a Christmas get-together for members of the board and families.

Rev. J. Henry Cox, Olton, county chairman, presided. In the business meeting Rev. R. H. Campbell, pastor of the First Methodist church of Olton was appointed fund campaign chairman for the coming year by Rev. Cox. Mrs. L. B. Stone of Littlefield was appointed production chairman.

Rev. Cox announced that J. F. Chisholm has been placed on the list for consideration by the Committee on Nominations for the National Board of Governors. Chisholm is a member of the Midwestern Area council and will attend a meeting at the Hilton hotel at Fort Worth Dec. 13 for Red Cross planning.

Mrs. Lyle Brandon executive secretary, stated that the file for needy families was being kept in the Red Cross office the same way it had been handled for the last two years and that those wishing to help needy people during the Christmas season should contact her for names and addresses.

Mrs. Thelma Cave, volunteer field consultant from Plainview, gave a talk on different phases of volunteer services of Red Cross. Mrs. J. D. Dodgen gave a poem "The Beggar and the Star." Refreshments of sandwiches, cake and cranberry punch were served to the following:

Rev. and Mrs. Cox and granddaughter Betty Carol Vernon; J. E. Chisholm Jr., Mr. and Mrs. James P. Arnold, Sudan; Mr. and Mrs. Marvin Tollett, Sudan; Mr. and Mrs. Elroy Wislan, Springlake; Mr. and Mrs. Lester LaGrange, Amherst; Rev. and Mrs. Elton Wyatt, Amherst; Mr. and

THE ROMANCE OF COFFEE

THE FIRST KNOWN USE OF COFFEE CENTURIES AGO WAS AS A FOOD, WINE AND MEDICINE. EVEN TODAY, AMONG THE WANDERING GALLA TRIBES OF AFRICA, THE PULVERIZED BEANS ARE MIXED WITH FATS AND USED AS A FOOD RATION.

COFFEE WAS FIRST ROASTED IN THE 15th CENTURY BY COOKING A FEW BEANS AT A TIME IN CRUDE CLAY DISHES OR STONE VESSELS OVER OPEN FIRES.

MODERN ROASTERS PROCESS 500 POUNDS OF BEANS IN ABOUT 14 MINUTES IN THE PERFECT ROAST, NOT ONLY DOES EACH BEAN EMERGE IDENTICAL IN COLOR, BUT EACH IS ALSO THE SAME COLOR FROM OUTSIDE TO INSIDE BECAUSE OF SURFACE DURING THE ROASTING PROCESS, IT TAKES 119-122 POUNDS OF GREEN BEANS TO PRODUCE 100 POUNDS OF ROASTED COFFEE.

City, County, Civic Groups Call For Support On S-D Day

Littlefield city commission, the county and civic organizations have called on every motorist and pedestrian in the community to give personal support to national "Safe Driving Day," Dec. 14.

The community's goal will be to eliminate all traffic accidents for the 24-hour period.

"Safe Driving Day" is sponsored by the President's Action Committee for Traffic Safety in cooperation with other national organizations, with the support of President Eisenhower. The Chamber of Commerce of the United States and its member organizations throughout the country are cooperating.

It was added that traffic engineers, law enforcement officers and traffic-safety educators are using all the equipment and know-how of modern science to reduce accidents, but in the long run these are of limited value unless individuals—motorists and pedestrians—observe safety rules and apply common sense.

Business leaders everywhere have spearheaded traffic-safety efforts for years by promoting safety councils and by cooperation with all phases of traffic-safety programs.

Pfc. F. R. Kelley Serves In Germany

FIRST DIV., GERMANY — Pfc. Frankie R. Kelley, 18, son of Mr. and Mrs. Carter E. Kelley, 714 Hall, Littlefield, is serving with the First Infantry division in Germany.

The only American division to remain in Europe since World War II, the First Infantry is receiving intensive training as part of the U.S. Seventh army.

Kelley, a truck driver in Company D of the division's First Engineer battalion, arrived overseas in June from Fort Hood.

Before entering the Army in April of this year, he worked for Kelley's Trucking co. in Portales, N.M.

of the seventh and eighth grade football teams, and we costumed in levis, white shirts and blue bow ties, with paper chef's caps. Mrs. Ray Slatten, lunchroom supervisor, had charge of preparation of the meal.

Margie Goodwin Places Second In Sword Drill Contest

Margie Goodwin of Parkview Baptist church, Littlefield, was second place winner in the Intermediate Sword Drill contest, conducted at the 64th annual Texas Baptist Training Union convention held in Corpus Christi, Nov. 25 through Nov. 27. Over 1,000 contestants from all sections of the state entered Bible story telling, Bible memory events, Bible sword drill, and better speech contests.

Olton Team Is Feted At Banquet Tues.

OLTON — Olton's football team was feted at a banquet here Tuesday night, Nov. 31, sponsored by the Quarterback club. Some 200 persons heard a talk by Coach Mike Brumbelow of Texas Western college of El Paso.

Following the principal address Eldon Franks presented the coaches with Christmas presents from the Quarterback club. Coach Turner received \$200; Coach Jeff Smart, \$100; and Coach Jimmy Goss received \$50.

Recognition of Jackie Gray and Donald Powell as Mustang co-captains for 1955-56 was made by Coach Turner. He also presented scrapbooks to out-going captains Red Machen and Jimmie Priest. The books were compiled by Mrs. Turner and Mrs. Jeff Smart.

Gifts of electric razors were presented Coaches Turner, Smart and Goss by members of the ball club.

Traditional master of ceremonies for the banquet was I. B. "Doc" Holt. Two vocal duets were given by Doris Peterson and Teddie Ratliff, accompanied on the piano by Janice Ford.

"What She Saw at the Game," a monologue, was given by Puddin Thomas, who also led cheerleaders Catherine Dodd, Juanice Stewart and Charlotte Porter in an original farewell yell at the close of the program.

Decorations and table centerpieces were created by members of the pep squad, assisted by Mrs. Bill Rogers and Miss Louise Boyles. Table waiters were members

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get sure but gentle relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 260, New York 18, N. Y.

No other gas pedal gets action like this!

THIS pedal does more than just feed gas to an eager and high-powered V8 engine.

When you give it the extra nudge that moves it beyond the full throttle position, something happens that never happened before in an automobile.

You hear a businesslike purr, which tells you that twenty power vanes, deep inside the 1955 Dynaflow Drive,* have changed their pitch—just like the variable pitch propellers on a modern air liner.

And with the same result in the way you get-up-and-go, with a safety-surge of power for pulling out of a tight spot on the highway.

Words can't describe it. It's a new sensation—something you simply must try for yourself.

There's nothing like it on the 1955 new-car horizon.

Fact is, there's a whale of a lot to see and sample at your Buick dealer's.

There's fresh new styling. There's higher horsepower in every Buick V8 engine. There's a new Airpower carburetor. And

beneath it all there's good old-fashioned integrity in every nut, bolt and rivet.

But, this year, don't simply make a visit to the showroom where these trim and thrilling new beauties are on display.

The smart thing to do—if you want to know what's what in new automobiles—is to get behind the wheel of a 1955 Buick and drive it. How about doing that soon?

DAVE EATON, Lamb county agent, looks at yield of corn at New Era peas.

They plant their crops, irrigating at proper times and in proper amounts. They explain that none of their crops over lack water.

Then, usually in May of each year, they buy their herd animals, usually stockers that weigh about 400 lbs., obtaining most of them at Clovis, N. M., auction. As soon as they get the cattle, they put them on irrigated Fescue pasture and off-grade hay. When the Fescue diminishes, they are turned in on alfalfa and stalk fields where they make the winter. In early spring, they are put into the feedlot where they are finished on grain and hay grown on the farm.

Sell When Market Best

Finally, when the market seems best, usually in April, the brothers sell the animals, taking whatever profit is realized from the gain in weight of each.

Harold says there is little speculation in a program such as theirs. It comes only at selling time, when he must decide whether to sell or wait in hope of the market prices going higher. The brothers usually sell their herd to South Plains meat packing firms and butchers.

"You have to look on the program simply as another crop," Harold said. "It is a year-to-year deal and not a long range program."

In 1951, after the program had gained a successful start, Gerald left the partnership, buying a

HAROLD ALLISON feeds home grown hay to his grade cattle.

farm east of the section previously bought Harold and Oscar own the section alone now

Several Feed Types

Harold said he and Oscar have used several types of feed in trying to put the most gain on cattle.

"We finally agreed we can get most gain from alfalfa hay, rolled milk and cottonseed meal," he said. "We don't know that we actually need the meal, but we keep feeding it just to be sure," he added. They grow the alfalfa and milo on the farm.

He explained further that he and

Oscar feed a lot of off-grade hay to the cattle, most of which are Hereford and Hereford-Angus crosses. This is hay, they explained, which has been slightly damaged, is from broken bales or for some other reason is not worth top prices on the market.

Grow Lot Of Hay

The brothers grow a lot of the hay they feed, however, getting good yields because their alfalfa is irrigated. This year, for exam-

ple, they had 260 acres of hay. They needed only 60 acres of it for their herd, so they were able to sell from 200 acres, at good prices.

Harold explained that he feeds the off-grade stuff mostly to the older cattle in the winter. He adds that off-grade hay will not sell for much more than \$10 a ton on the market, but by using it through his cattle, he believes it to be worth \$30 a ton.

The brothers also produce more grain than they need each year. This year, with their cotton allotment cut down to little more than 200 acres, they can sell grain from 80 acres, after filling three 2,100 bu. granaries to capacity for their own use.

This year, the 2 brothers have tried a new cropping practice in their overall program. In the spring, on 9 acres, they planted yellow corn and New Era peas in the same rows, using a single planter box. They irrigated it 4 times, putting down a total of 32 inches of water, and estimate the corn production, should they have attempted to harvest it, at about 80 bu. per acre. They did not harvest it, however, but recently turned 21 head of cattle in on it, and they say it should support the cattle for at least 100 days.

Practice 6 Years Old

Although the practice of planting peas and corn together is about 6 years old in Lamb county, it was the first time the 2 brothers had tried it, and they appear to be highly satisfied with the results being obtained. They explain that while the cattle are getting a balanced ration from the corn and peas, a total of 10 lbs. of feed per animal per day that otherwise would have to be fed, is saved.

Harold emphasized that extra water was not required because the peas were added to the corn. Instead, the pea leaves shaded the ground and kept the water from evaporating to a great extent.

Harold and Oscar are optimistic about their farming program. "Livestock farming will pay off, even in low price years, if the land is not overstocked. If a farmer will simply sit down and determine how many head of cattle his land will support, he can make a go of it. He must, however, be able to raise his own home grown feed, and he must have a feed reserve to fall back on in lean years."

Eaton Praises

Lamb County Agent Dave Eaton, Littlefield, praises the Allison's for their active interest in improving the farming practices of the little community.

"They pioneered better irrigation farming, they pioneered proper bench levelling practices, and they have shown that scientific farming will pay off," Eaton said. "In the few years that they have been here, they have tried several new ideas. They were not always sure that their methods were the right ones, but they have never been afraid to try something new."

Farm Tips

Cotton growers will decide by referendum Dec. 14 whether or not marketing quotas will continue in effect for the 1955 crop. Every eligible grower is urged to cast a ballot.

"Stored Grain Insects" is the title of a new publication released by the Texas Agricultural Extension service. Identity, prevention and control of insects which infest stored grain are among the subjects covered in the new bulletin. It is available from local county agents or by mail from the Agricultural Information Office, College Station.

"Instruction In Righteousness"

By TOMMY WILLIAMS, MINISTER

It has been told that a woman who had bought a new sewing machine

was continually returning to the agent who sold it to her with many complaints. There was always something wrong, and the machine would not work right. One day, however, she met the agent with a smile and reported that the machine was working fine.

"You see," she said, "I have started going by that book of instructions you gave me and things are working out all right."

God has given a Book of instructions for living. Men often seek the "more abundant life" according to their own

philosophy without accepting wholeheartedly the Book of God, but there is always something wrong. The complete and final authority of God's word must be recognized even when it conflicts with human philosophy and reasoning. Then, and only then, will things work out right.

"All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness that the man of God may be perfect throughly furnished unto all good works" (2 Timothy 3:16-17.)

Cadillac

The Hour Every Motorist Owes to Himself!

The happy man you see in this picture is bringing himself up to date.

Cadillac has written a whole new chapter for the book defining motor car performance, and he's taking an hour to find out what it says.

And it says plenty—of very great importance.

First of all, it tells you what it's like to have command of a 250-horsepower engine that's as smooth as velvet, and so quick and eager that you have to educate your driving toe all over again.

It tells you what it's like to have virtually every unevenness in the highway completely eliminated before it is even noticeable to driver or passengers.

And it tells you what it's like to relax amidst upholstery fabrics and leathers that are found nowhere else, save in the 1955 Cadillac—not even in the finest clubs or hotels.

All this is to say, of course, that Cadillac has made another tremendous advance in design and engineering—so great, in fact, that only a drive and a personal

inspection can let you realize its full significance.

And, naturally, there is yet greater emphasis on all the long-existing Cadillac virtues:

—the endurance that enables a Cadillac owner to keep his car just as long as he elects to do so . . . and with complete confidence in its dependability—

—the amazing economy of operation and upkeep which causes many owners to maintain that it is the most economical car on the American highway—

—the great personal satisfaction that comes from owning a car which is recognized, wherever highways lead, as the Standard of the World.

We cordially invite you to come in—today—to see and drive this wonderful, wonderful car.

There are eight models—in four different series—including the sensational Eldorado.

There is one to please you—exactly. And we think you'll be surprised and delighted at how little it costs, in comparison with lesser cars.

We're waiting for you—now!

Never Lump Gravy

Who hasn't known the anguish of trying to get a meal to the table and at the same time stir gravy to keep it smooth? That's a problem of the past for wise homemakers who have learned the new-style method of cooking—mixing instant preparations with other ingredients to save them time and effort. For never fail gravy, for example, there's a new instant powdered cream that makes wonderful gravy with never a lump, and leaves you time for other tasks.

The recipe is simple. It's made with the new 100% dairy product that's used for cream in coffee. Use it for gravy, too, and see how smooth it becomes. And listen to the praise when you bring this tasty, lump-free gravy to the table.

Pream Gravy

For 1 cup gravy: pour off all but 2 tablespoons drippings from skillet. Add 1 cup water and heat. Mix 4 tablespoons powdered Pream with 4 teaspoons flour and shake into water. Bring to a full boil, stirring. Season to taste with salt and pepper.

That's all there is to it, and it never lumps!

Careful planning and increased farm efficiency are the tools Texas farmers must use in 1955 to fill the gaps caused by lower farm income, acreage allotments and adverse weather.

Letters To Santa Claus

Littlefield, Texas

Dear Santa,
I am a little boy 3 years old. I have been a nice little boy all year long. I want a airplane and a electric train.

I Love You,
Randy Walker

Spade, Texas

Dear Santa Claus,
I am a little boy 6 years old and have been pretty good this year. I would like to have a big cork gun, horn to play, and Fort Apache and some boots. Bring me some fruit and candy. I'll leave you some cake to eat. We'll be at Granddad's this year.

I Love You,
Tommy Coleman

Littlefield, Texas

Dear Santa,
I am a little girl 6 years old. I have been a good girl all year long. I would like a bicycle and

a doll. Please remember all the little under-privileged children. Thank you, Santa.

Diana Bess Walker

Spade, Texas

Dear Santa Claus,
I am a little boy 4 years old and have tried to be nice. I would like a cork gun, horn, horse race and some boots.

Bring us any kind of game you think we'd like to play with. I would like some fruit and nuts also.

I Love You,
Jimmy Coleman

1301 Phelps Avenue,
Littlefield, Texas

Dear Santa:
My little brother is 16 months old. His name is Thomas Carlton Land II. He wants a little red wagon, a doll and a toy telephone that says "hello."
My name is Suellen Land. I want

a baby doll and a bedroom wardrobe. If my little brother and I could get these things for Christmas we would be very happy.

Thank you,
Suellen and Thomas
P.S. I am 8 years old.

Morton, Texas

Dear Santa,

My name is Patty McBee. I live on a farm by Morton. I have been a good girl this year.

I want a doll and ironing board and please bring all the other little children some presents too.

I Love You,
Patty

P.S. I forgot to tell you I am 4 years old.

Postmaster Joplin Advises 3 Cent Stamp For Yule Cards

Postmaster C. A. Joplin of Littlefield believes that with a three-cent stamp your Christmas cards will win more friends and influence more people than if they are mailed with a two-cent stamp.

"First class postage" he explained today. "Is the best Yuletide insurance you can get. With it your greetings will be processed and delivered quicker. And, too, they will be forwarded or returned if it becomes necessary."

This eliminates any worry about whether or not your season's greetings were received. Your own return address on the envelope will help others keep their address books up to date. Then, too, Christmas cards sent with three-cent stamps may carry written messages, a custom everyone really appreciates. But do not send a written message in an unsealed envelope with a two-cent stamp; be sure to use the three-cent stamp if you have written a message on the card.

Christmas card envelopes smaller than 2 3/4 by 4 inches or larger than 9 by 12 inches require cancellation by hand and must carry first class postage.

Another thing that will shorten delivery time greatly is to tie your cards in separate bundles with each address facing the same way. Then mark each bundle "all for local delivery" and all for out-of-town delivery.

Parcel post packages should be mailed earlier than the cards—the earlier the better. Use air mail parcel post if you are late.

Size and weight limitations for parcel post vary according to place of mailing and destination. In some cases, packages cannot exceed 72 inches in length and girth combined, nor 20 pounds in weight. In others, the limits are 100 inches combined length and girth and 70 pounds in weight.

Police Investigate Saturday Robbery Of Olton Cotton Workers

Police continued their investigation this week into the reported Saturday night robbery of four Latin American cotton pickers near Olton. The workers said two masked bandits, armed with a double barrel shotgun and a pistol, ambushed them and took approximately \$400.

Two of the victims were struck on the head by the bandits. They were identified as Lazario Luna, Antonio Martinez, Aceltano Luna and Mateo Loya Frios. Lazario Luna is employed on the farm of Harry Thomas, southeast of Olton, and the other three are Mexican Nationals.

Support prices and acreage allotments will be important factors in the outlook for cotton in 1955. Domestic mills are expected to consume more cotton than in 1954 and exports likewise are expected to jump by 700,000 bales.

Anton Wins Two Awards In Area 1 FFA Contests Sat.

PLAINVIEW—Anton took top honors in the area radio broadcasting contest and senior farm skill demonstration contest, held during Area 1 FFA leadership contests here Saturday.

The Anton teams were coached by vocational agriculture instructor David T. McVey. More than 260 boys from 23 schools in the Panhandle-South Plains area participated in the meeting.

The Anton teams will represent the area Saturday at state leadership contests to be held at Sam

Houston State Teachers college in Huntsville.

Littlefield and Anton placed sixth and seventh, respectively in the FFA quiz. Littlefield was fifth in senior chapter conducting and sixth in junior chapter conducting.

Members of the two Anton teams are: Radio broadcasting—Johnny Thompson, Eddie Bisho, Donnie Billings, Robert Burdett, Glenn

Orent, and David T. McVey, coach; senior farm skill—Harrington, Clifford George, and Will Whitten and David T. McVey, coach.

Sudan Marine Graduates From Machine Gun Course

FAR EAST (PTFNC)—Pfc. David J. Garcia, son of Mr. and Mrs. David B. Garcia of Littlefield, graduated Oct. 15 from the First Marine Division's Machine Gun school in Korea.

The two week course is conducted by veterans Marine instructors. On completion of the course students are returned to their parent units.

Mrs. James Ball Is Honored With Bridal Shower Friday

By Mrs. Junior Muller

Mrs. James Ball, the former Sonja Dickson, was honored with a miscellaneous bridal shower Friday afternoon in the home of Mrs. Dewey Parkey.

Hostesses assisting Mrs. Parkey were Mesdames M. W. Wheeler, Junior Muller, D. R. Leonard, L. W. Sullivan, Blanton Martin, J. C. Muller, Edwin Oliver, K. W. Mahaffey and H. E. Field. The hostess gift was a bedspread and blanket.
 Mrs. Junior Muller registered the guests in a book designed by Mrs. M. W. Wheeler. The table was covered with a lace cloth. The centerpiece was pink roses in a black oblong bowl placed on a mirror.

A miniature bride and groom standing under a wedding bell pink ribbon streamers encribed with the names, "James and Sonja" in gold letters, completed the table arrangement.

Coffee, hot chocolate, open-faced sandwiches and fruit cookies were served. On each plate there were little pink baskets with an umbrella with the bride and groom's names on it. Favors were filled with nuts and mints.

Mrs. Dickson, mother of the bride and Mrs. Ivy Thompson, mother of the groom, assisted in the opening of packages. Guests were present from Spade, Hart Camp and Amherst.

NEW CARS

More new cars have appeared in the community. J. W. Wells has a Pontiac, J. W. Johnson, Jr., a Chevrolet, and J. W. Johnson, Sr., a Ford.

Mrs. L. H. Nelast was ill last week.
 A. L. Bland was on the sick list last week and was hospitalized Saturday.

Barbara Huff spent Friday night with Patty Peterson of Olton.
 H. E. Field is recuperating at the Methodist hospital in Lubbock after an operation Monday.

AT ABILENE

Mrs. S. O. Owens spent last week end in Abilene with her sister.

Yvonne Huff went with the Choral club of Olton to Lubbock Saturday.

Charlie Love of Snyder visited in the home of his niece, Mrs. Junior Muller, Thursday.

Report On State FB Meet At Spade

SPADE—The Farm Bureau had its monthly meeting Monday at 7 p.m. in the study hall of the high school with the president, Preston Pointer, in charge of the business session.

Betty Byars, a senior 4-H club member, opened the meeting by leading the group in a song "The More We Get Together." Ted Hutchins, representative to the state F.B. meeting at Galveston, gave a report of the meeting. Joe Young, a member of the committee in charge of the CROP program of this community gave a

committee report. Trailers are at each Spade gin and cotton for CROP will be ginned free.
 Following the business program, Patricia Mitchell, president of the girls Junior 4-H club, gave a report of her club. Jo Ann Vaught, recreation chairman of the junior 4-H club, led the group in the 4-H pledge. In the absence of the senior girls 4-H club president, Gloria Gray, Ruby Vaught gave a report of that club.

Kenneth Hutchins, president of the boys 4-H club, gave a report from his club, giving the names of the boys who are feeding calves for the junior livestock show next spring. Ruby Vaught led a game "The 4-H Treasure Hunt" in which everyone participated. Betty Byars led the group in a song, "This Little 4-H Light of Mine."

Refreshments of lime punch and 4-H cookies were served to about 30 by Mesdames W. E. Vaught, Preston Pointer and Edward Mitchell who are 4-H mothers and Mrs. Joe Prater, who is a 4-H leader.

Some of the cookies were shipped like 4-H clover and some were round with 4-H stamped on them.

Add a quarter teaspoon of curry powder to a medium white sauce and serve over broiled fish fillets.

Give new flavor to chocolate brownies. Frost them with confectioners' sugar icing flavored with peppermint extract.

Anton Takes Three Games From Slaton

ANTON—Slaton lost three basketball games here Monday night to Anton eagles. The Anton varsity won a 55-54 victory; the B team took an abbreviated 25-13 contest and the girls pulled out a 45-38 win.

Robert Burdette was high point man for the Anton varsity, scoring 17, and Donnie Billings made 15 points.

In the girl's game for Anton, Bobbye Newman scored 25 points.

Spade Players Given Awards For Hoop Play

SPADE—The Spade high school basketball girls took second place at the Hart tournament last week, by defeating their last game with Adrien.

Pat Pointer was high point scorer for Spade with 28 points while Tam Pointer and Mary Shaw both had 12 points. High point scorer for Adrien team was Erma Lee Jordan with 26 points.

The final scores were 24-18. Two girls from Spade were selected by coaches of the team to be on the all-district team. These girls were Shaw and Pat Pointer.
 The Spade boys were selected in the tournament and W. E. Riet "B" team.
 These outstanding players awarded little gold basketball.

Shotwell Taking Post Grad Course In Heart Disease

Dr. I. T. Shotwell, Jr., of the Medical Arts Clinic-Hospital, field, left Sunday for Houston to attend a one week postgraduate course in heart disease.
 The course in electrocardiographic interpretation will be led by the celebrated cardiologist, Dr. Demetrio Sabanes of Mexico City.

He will be assisted by members of the faculty of the College of Texas Postgraduate School of Medicine and Baylor College of Medicine who will present his discussions demonstrating cardiogram from vital files during morning hours.
 Mrs. Shotwell and son, Dr. Shotwell expect to return Saturday.

FOR MODERN CAR LIVING, FOR MAGNIFICENT DRIVING—

NEW 1955 LINCOLN

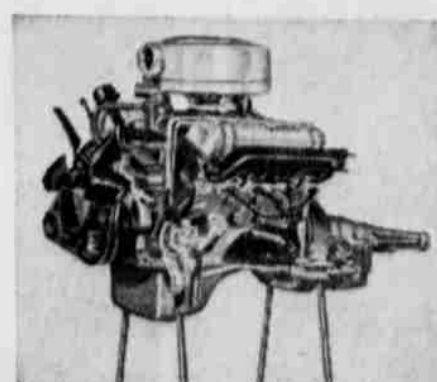

Lincoln wins Pan-American Race third straight year—Beats all stock cars in world's toughest road contest!

Now—a great new transmission—Lincoln Turbo-Drive for a new kind of smooth surge! Now, the far advanced new high-torque V-8 engine for unsurpassed power in every range. One drive will show you the ultimate in modern driving.

NEW TURBO-DRIVE, termed the biggest step forward in no-shift driving in over a decade, is the first to combine ultra smoothness with instantaneous acceleration. No matter what the driving range, you put yourself ahead of the crowd.

NEW HIGH-TORQUE V-8 ENGINE is more than just a high-horsepower, high-compression power plant. It's the way this brand-new engine works as a superbly matched team with Lincoln's Turbo-Drive transmission that's the big performance news for '55.

NEW FRONT END STYLING—dramatically hooded head lamps, new front grille with horizontal louvers accent Lincoln's long, low look. (And wait till you see Lincoln's exciting new colors—and interiors with beautiful new decorator fabrics fit for the finest living rooms.)

NEW REAR DECK AND TAIL-LIGHTS (Note built-in dual exhausts.) If you want distinction in the fine car you drive, make this "going-away" view of the 1955 Lincoln. Here is a purposeful beauty with no chrome tricks to hinder straight-forward, truly modern design.

Don't miss the big television hit, "TOAST OF THE TOWN" with Ed Sullivan, Sun day evening, 7:00 to 8:00 Station KDUB-TV, Channel 13.
