Garner and Wanda Webb; Junior class, Gloria Thomson and Johnny Fields; and sophomore class, Rogelio Gomez and James Durham.

The first bale of cotton produced in Lamb County reached the ginner Saturday afternoon, eleven days behind last year's initial bale.

The cotton was grown by E. C. Jones on the Roy Granberry farm one-half mile east of Olton. Mr. Jones delivered 2135 pounds of seed cotton to the Straw-Burrow Gin, Olton, which produced a 485 pound bale of lint and 850 pounds of seed.

A check for \$150 was presented to the Olton man by the Littlefield Chamber of Commerce president, C. A. Miller, Monday morning when the cotton was brought to Littlefield by Mr. Jones and Brent Burrow, Olton ginner. Earlier in the day the winning farmer was given an additional \$350 check by Olton business men.

The bale was ginned and wrapped free of charge, then bought by the Straw-Burrow firm for a premium of 50 cents a pound.

The cotton, pulled from eight acres, was grown on pre-irrigated land which was fertilized with 150 pounds of 0-45-0 and 50 pounds of ammonia to the acre

Mr. Jones said he pulled a bale and a half an acre from the 200 acres of cotton he raised last year.

"I should get at least a bale to the acre this year and maybe more," the winner commented.

Mr. Burrow expressed his appreciation to the Olton farmer for choosing their gin to process the winning bale. "We are set-up and ready to handle a lot of cotton this year and were pleased to get such an early start," the Olton ginner commented.

Making up the premium check presented to Mr. Jones were Jaycees, County Wide News, Lamb

### South Plains Football Squads Go Into Action This Week End

Football season will get underway this weekend in most South Plains communities. Amherst, Anton, Olton, Springlake, Sudan and Whitharral are scheduled to play Friday, September 11.

The Littlefield Wildcats will go to Hereford for their first game on Friday night, September 18.

Coach Jay Fikes will field a lighter, less experienced team this season—no regulars are back in any position and the team averages 15 pounds less per man.

Five seniors, 14 juniors and 14 sophomores make up this year's 33 man varsity squad.

According to Coach Fikes, the probable starting backfield will be: Dan Howard (140 lbs.) at quarterback, Tom Shelby (165) at fullback, Boyd Mears (150) at wingback, Milton Vaughn (150) or Paul Williams (155) at tailback.

Probable starters in the line are expected to be: Keith Davis (149) at left end, Fred Martinez (174) at left tackle, Buddy Rogers (152), Bobby Murdock (140) or James Lee (171) at left guard, James Renfro (188) at center, Glenn Hatla (162) at right guard, Bob Hoover (174) at right tackle and D'Wain Hoover (160) at right end.

Dr. and Mrs. James Shotwell, with Dr. and Mrs. Ralph Maurer, were injured seriously in a wreck near Shallowater Thursday night, in which John E. McKay, 31, of Shallowater was killed. The Shotwell car was understood to have struck McKay's car as he pulled out from the shoulder.

The Littlefield doctors and their wives were returning from the Lubbock Country Club, where they had dined with Dr. and Mrs. C. E. Payne. The two doctors were riding in the front seat, with Dr. Shotwell driving. Dr. Shotwell suffered a broken leg and other injuries, and Mrs. Shotwell sustained a broken nose. The Maurer-

### Genetic Rats Arrive at High School

When a railway expert asked Superintendent Where shall I put your new school superintendent reaction was that he was of course.

Pearce soon found out he wasn't kidding, nor was he wrong address. A pair of hooded white rats had contributed their bit to the solution of Littlefield's young-

and end their first "bit" reproducing nine babies of unusual species.

eleven freakish-looking rats (which, incidentally, the instructor bought for \$2.00) will be used in the study of cross-

heads and black stripes on their backs mark the hooded rats the regular albino rats which they will be crossed. The coloring of the new rats make them especially valuable for the study of cross-

edwin, high school science instructor, bought the rats for \$4.50 a pair from the Scientific Co., Chicago. Edwin, who has been with the school system for three years, has been directing extensive work with the albino rat in the biology class. The pair and the most popular rat on Back Page)

### Travis W. Price Funeral Held Here on Tuesday at First Baptist Church

### James Shotwells Injured Thursday In Car Wreck

Dr. and Mrs. James Shotwell, with Dr. and Mrs. Ralph Maurer, were injured seriously in a wreck near Shallowater Thursday night, in which John E. McKay, 31, of Shallowater was killed. The Shotwell car was understood to have struck McKay's car as he pulled out from the shoulder.

Funeral services were held at the First Baptist Church Tuesday afternoon for Travis Wendell Price, 24, son of Mr. and Mrs. E. L. Price of Lubbock, who was killed last Friday morning when his car went out of control and crashed into a bridge 10 miles south of Pecos.

Rev. Lee C. Hemphill, pastor, officiated at the services. Pallbearers were: Leon Davis, John Henry Powell, Lloyd Truelock, James P. Johnson, T. R. Warren, and Royce Jennings, all of whom served with Mr. Price in the 180th Infantry, Company K, 46th Division.

Four other persons riding in the car with Mr. Price were injured, two seriously. Billy Rex Lakey, 21-year-old former Littlefield resident, had been removed from the critical list at the Camp Hospital in Pecos. M. A. Watts, 28, of Falls, was treated and released from the hospital Tuesday.

All of the car's occupants were employees of the General Telephone Company. Mr. Price was a telephone installer, working in Carlsbad, N. M., and was a veteran of the Korean war, where he won the Silver Star and the Purple Heart decorations.

He is survived by his parents and three sisters, Mrs. Walter Sorenson, Lubbock; Mrs. Floyd Heard, Olney; and Mrs. Joe F. Miller, Houston.

### International Choir Will Appear At Sudan Festival on September 25-26

The Wayland International choir, just back from a concert tour of Brazil, will perform at Sudan's Fall Festival, Joe Salem, chairman of the festival committee, announced Tuesday.

The noted chorus, which sings in several different languages, is composed of students of varied nationalities. Their performance will be one of the highlights of the two-day affair.

Some 20,000 people are expected to attend this year's festival, to be held September 25 and 26. Sponsored by 21 civic and fraternal clubs and the business men of Sudan, this year's celebration will follow the same theme of last year's festival which attracted an estimated 10,000 spectators.

Based on the United Nations charter, the entire two-day program will promote world-wide brotherhood, goodwill, peace and understanding in a highly dramatic manner.

### Keithley Baby Dies In Dallas

Word was received here yesterday of the death of Alexandria Kay Keithley, daughter of Mr. and Mrs. David Keithley. The baby, who was born August 30 in Lubbock Memorial Hospital, had been suffering with an internal stoppage, and had been taken to Dallas for an operation.

Mrs. Keithley left by plane Wednesday to be with her husband in Dallas. The child is survived by the maternal grandparents, Mr. and Mrs. Cockerham of Sudan, and an aunt, Mrs. A. E. Fowler of Littlefield.

### Oil Well Nears Mississippi Mud

Littlefield's oil test was drilling ahead yesterday in a detritale zone of limestone. The tool had reached a depth of 9,160 feet at 4 p. m. The most recent sample showed about 50 percent black, grey and green shale.

It is expected that the drill will reach the Mississippi formation within a matter of hours. After going through the Mississippi formation the tool will then reach the Ellenburger formation.

No drillstem test has been taken recently.

### Former Anton Boy, Durwood Chandler Dies From Polio

Durwood Chandler, son of Mr. and Mrs. G. C. Chandler of Anton, died Monday in Orlica, Calif., where he had been stricken by polio.

Mr. Chandler attended Anton schools, and had been associated with his parents in the G. & C. Auto Supply store in Anton before moving to California.

Hammons Funeral Home in Littlefield has received word the body will arrive here by train Friday morning. Funeral arrangements have not been made, pending the arrival of Mr. and Mrs. G. C. Chandler, who were in California at the time of their son's death.

Mr. Chandler is survived by his wife, Betty, and one child, Laquita Ann.

The final check for \$190 was handed over Tuesday to pay off the remaining \$2200 indebtedness on the Littlefield Community Center, built in 1950 at a cost of \$20,000. Buster Owens, Jr., president of the executive board, handed the check to officials of the Security State Bank, which handled the loan.

Earlier this week \$350 remained to be raised to make the final payment. \$250 was donated by the V. F. W. Monday, and Hardy Shelby of the Southwestern Public Service Company added the final \$100 on behalf of his company.

The Community Center has had many ups and downs in its three year-of-existence. Originally built as a youth center, conditions rendered that purpose impractical, and it appeared in May of this year that the building would have to be closed unless greater cooperation was secured from supporters of the center idea.

However, at a meeting held in early summer, an executive committee was appointed with a member from each civic club in town, to cooperate on behalf of their clubs as sponsors of a Community

### Sheriff's Posse To Have Charge Of Fair Parade

The Lamb County Sheriff's Posse will be in charge of the County Fair Parade, which will start at 4 o'clock next Thursday. Chairman Lon Campbell has announced.

The Posse met at the courthouse Monday night, and have invited out-of-town posses and bands to participate in the parade.

Floats will assemble on 1st Street, back to the highway, and the parade route will be up Phelps Avenue to the post office.

The Posse will ride at Portales, N. M., on September 25, and will be in the Fall Festival at Sudan on the 26th.

Tiny Helen Louise Black, 2 lb., 13 oz., daughter of Mr. and Mrs. H. M. Black, was on hand to greet 11 lb. Arturo, son of Mr. and Mrs. Mauro Gancalez Paredex, Abernathy, when he was born in the Payne-Shotwell Clinic September 4.

The Black infant weighed only 2 lb., 2 oz., when she was born August 16. Holding the babies are Mrs. Lilly Babe, E. N., and Mrs. Lovie Seawright. (Photo by Taylor)

## Two-pound 'Premie' Gains Rapidly

Tiny Helen Louise Black barely tipped the scales at two pounds and two ounces when she was born August 19 in the Payne-Shotwell Hospital. Daughter of Mr. and Mrs. H. M. Black, the infant was born three months prematurely and measured less than 12 inches long.

The baby who lives in an incubator most of the time, is pictured at the right with Nurses Alice Gordon and Juanita Burkhardt. Gaining now at the rate of over an ounce a day, she weighs 2 lbs., 13 oz., and is responding favorably to a formula feed through a tube leading to her stomach. She has been given additional nourishment of sugar and salt water under the skin. Hormones in the form of cortisone and ACTH have supplemented her diet.

See page one for a more recent picture of the tiny infant.

## YOU NAME IT...

By Karen Williams

Hi, kids! Another week and we'll have a name for this column. We've gotten quite a few suggestions already. Surely do appreciate the ones who have submitted names. Got some real dandies!

Friday morning the sophomore, junior and senior classes had meetings and elected officers, and student council representatives. The list of officers is another story of this issue.

The football boys have been sweating out practices every afternoon and evening. It paid off last Friday night when they went to Denver City. For the first time since 1949 Littlefield beat Denver City in scrimmage. The score was 3 to 2, meaning 3 touchdowns to 2. Pretty doggone good for being outweighed as much they were. Monday evening they beat Amherst 6 to 1, so it looks like we're headed for a good football season. Congratulations, boys!

If you've heard a shuffling of feet and a bolsterous voice giving commands first hour, might as well get used to it, it's the L. H. S. band marching. The band looks real swell, if I do say so myself.

Tuesday noon everyone who ate in the cafeteria might have noticed being handed their milk by a fellow dressed in cowboy outfit. That was the famed Jack Huddell from KDUB-TV, Lubbock, advertising Bell milk. Kids were really swarming all over him for autographs.

By the grapevine I hear that the chorus, under the direction of Mr. Daughtry, is doing some real afeing singing. Sounds like we're going to have a pretty good chorus this year.

Last Wednesday Mr. Pearce, superintendent of schools, talked to the high school students in an assembly held in the gym. Later football yells were practiced. By the sound of things, with the combination of a good football team, a swell band, and the noisest pep club in Texas, L. H. S. can't lose this football season.

The Honor Society met Tuesday morning during second period and elected the following officers: President, Troy Gardener; vice-president, Milton Vaughn; secretary, Shirley oMore; treasurer, Johnnie Fields.

The F. F. A. is having a Mother-

Daughter Tea this afternoon honoring Mrs. Von Bronneck of Austria. The plans so far seem to indicate a good time for everybody. oHope to see all the FHA mothers out to mee Mrs. Von Bronneck. Really quite an interesting lady!

Looks like to me that after all the name calling in LHS, more of you characters could come forth with some suggestions on a name for this column. Try it, you can't lose anything and you might even win \$2.50, and we can't use \$2.50?

Solong . . . . . Karen.

## Wanda Owens Wed to Douglas Owen In Littlefield Drive Church of Christ

In a candlelight setting Saturday evening, September 5, Miss Wanda Yvonne Owens, daughter of Mr. and Mrs. O. C. Owens of Littlefield, became the bride of Mr. Douglas Farrar Owen, son of Mr. and Mrs. C. M. Owen of Olton.

The Littlefield Drive Church of Christ was banked with ferns and baskets of cream gladioli for the double ring service, which was read by Rev. Ned Fairbairn. White candles in high candelabra framed the altar in light, and the pews were marked with white satin ribbons.

Mrs. Leroy Carver of Whitharral sang "Because," and the choir of the church provided traditional wedding music behind the scenes. **Bride Wears Beige Lace**  
The bride, gowned in an unusually lovely design of beige lace and net over taffeta, entered on the arm of her father, who gave her in marriage. The bodice of the bridal gown was of lace, with high standup revers leading down to a row of tiny covered buttons, accenting the pointed waistline. Long lily-point sleeves complemented the deep insets of lace on the skirt panels.

A colonial arrangement of American Beauty roses trailing white satin streamers formed the bride's bouquet. The bride's short veil of imported illusion fell from a small headband of lace, touched with tiny bows of brown velvet ribbon.

Miss Lehman Pace, maid of honor, and the bridesmaids, Misses Naomi Ann Burris of Olton, the groom's niece, and Carolyn Carter of Detroit, Texas, wore matching ballerina gowns. The dresses were designed with low necks, with double straps framing the shoulders and caught with bows in the back. The toast net over taffeta was accented by their bouquets, yellow carnations tied with ombre gold streamers. Shirred lace bands with brown velvet bows formed their headresses.

Mr. Buster Owens, Jr., served as best man for Mr. Owen. Guests were ushered to their seats by Mr. Alvis Jones and Mr. Guy Granberry of Olton, nephew of the groom.

who also lit the candles preceding the ceremony.

Miss Paula Jones of Olton, the groom's niece, was flower girl.

For her daughter's wedding, Mrs. Owens wore rose taffeta with a white off-face hat, black accessories, and a corsage of white carnations. The groom's mother, Mrs. Owen, chose navy blue with black accessories, and a white carnation corsage.

**Reception Follows Wedding**  
Immediately following the wedding, Mr. and Mrs. Owens honored the couple with a reception in the church parlors. Miss Jonell Foley presided at the guest register.

The bride's table was centered with the American Beauty roses carried by the bride, and the attendants' bouquets served as decorations. Miss Juanda Harrell cut the three-tiered white cake, decorated with pink roses, a bride and groom and wedding bells, while Mrs. Donald Gilreath poured punch.

Assistants for the reception arrangements were Mrs. L. H. Reams, Miss Becky Pace, and Miss Sherry Pace.

**Father Escorts Bride**

The bride was escorted to the altar by her father, who gave her in marriage, down the aisle marked with white satin bows. She wore a floor-length gown of white imported Chantilly lace over white nylon tulle and taffeta. Long petal-point sleeves accented the tight-fitting bodice with scalloped neckline, pointed deeply at the waist, and outlined with small rolled self-covered cording.

Mrs. Hodges' scalloped bridal veil was attached to French silk illusion, interwoven with tiny seed pearls. Her gathered skirt of tulle over net and taffeta was highlighted by an overskirt of imported Chantilly lace. Both her gown and veil were designed and made by the bride. A single strand of seed pearls was her only jewelry.

An arrangement of white mums, showered with daisies, covered the white Bible which the bride carried.

ered organdy with matching laceless dress featured a pleated skirt, caught at the waist with rolled cord. Mrs. Cowart wore a rhinestone necklace and white linen shoes, and carried a bouquet of white daisies with colored bows and streamers.

ans are such nice "critters" is that many of you are "Okies." It seems that about every other person we've met has mentioned he is a native Oklahoman.

However, I'll have to admit this West Texas air must have had a good effect on us Okies. We have lived in four Oklahoma towns but never have we seen anything to equal the cordial welcome you people have afforded us.

Speaking of Oklahoma towns reminds me of the crack made by Mrs. Bill Pass. I asked her what town she had lived in when she mentioned she was from Oklahoma.

"Well, I'll tell you," she replied, "if you weren't born there, you wouldn't know anything about the town. You never would go there on purpose!"

Sam and I enjoyed a chat with W. J. Aldridge of Fieldton this week. He and his brother, B. O. Aldridge of Scroggins, Texas, came by to visit and to subscribe to the Leader for the latter. Mr. Aldridge had read that we had formerly lived in Konawa and wanted to know if we knew his uncle, F. M. Streetman, a Konawa grocer. Since we have always classed Mr. Streetman as one of the finest men we have ever known well, we were very glad to meet his nephews.

A Price to Pay: Publishing a weekly newspaper can be fun and has lots of compensations, but sometimes we have to pay a pretty high price for those pleasures.

Tuesday my 85-year-old dad, J. Poe of Wilberton, Okla., was a guest on an hour-long television show in Oklahoma City. Since Tuesday is one of the busiest days of the week in a weekly newspaper plant, I couldn't get loose to meet

him in Oklahoma like the rest of the family did.

Daddy pioneered the eastern part of Oklahoma in 1894 and has lived in the same town ever since. He was an energetic, ambitious young man when he settled in Wilberton, and now some 60 years later, his enthusiasm for his work and life in general has never waned.

He has quite a colorful background. He has a lot of firsts to his credit such as being the first town clerk, cashier of the first bank, and owner of the first car and telephone in that section.

At 85 he still is active in his real estate and insurance business, and apparently has better health than any of his children.

I hated to miss his show. No doubt it was one of the most exciting things that has happened to him in years.

Arrangements are being made to include representatives from the Garden Club and Art Club, since those clubs have been separated from the Women's Club.

At a meeting of the executive committee held Monday night, plans were discussed for a meeting to consider all the needs of the Center, now that the building has been paid for and funds can be directed to upkeep. This meeting will be held at a date to be announced by Mr. Owens.

### ★ CHOIR TO APPEAR (Continued from Page One)

Heading the list of West Texas bands expected to participate in this year's parade is the Texas Tech band from Lubbock. Invitations to the bands in the area were mailed this week, Mr. Salem said. Several sheriffs' posses from surrounding towns are expected to appear.

On September 3rd the festival committee mailed letters to each of the 60 countries of the United Nations, inviting them to send representatives to the celebration. There is much speculation among the backers of the project as to what response the letters will receive.

This year's Peace Formula Contest has been opened to individuals as well as organizations. A prize of \$100 will be given to the winning entry. The public is invited to enter, Mr. Salem stressed.

The winning formula, along with the runners-up, will receive world-wide recognition through the United Nations.

The two-hour pageant which eli-

maxes the program, is expected to surpass last year's performance. Mr. Salem predicted. Although the theme will be the same, different settings, introductions and finale are being planned.

Faith in God, love for our fellow men, world brotherhood and peace in the world will all be represented by characters in the play.

Is Democracy real or just a phrase? Does Democracy mean that the majority rules or does it mean you rule only when others can't over rule you?

We, the people of Fieldton School District, voted down a proposition to consolidate with the Littlefield School District; then we presented a petition showing an even greater majority than the votes showed. Yet by a majority of the County School Board they voted to hold an election for annexation of our school, regardless of the fact that the majority of the people in our community have voted down the proposal of moving our school in four different elections. They say we don't represent the majority of the school children; that we don't have enough students left to merit keeping our school. We have enrolled forty-eight students and have six more moving in — this includes only the enrollment in the grades we teach here. It seems obvious to us that this is a majority of the children two to one. We have not tried to teach the high school students here in several years, but have tried to see that they had access to a good school and have made the arrangements for this and made transportation available for these students.

We can't fail but wonder if the County Board has thoroughly investigated all these facts and if the County Superintendent has informed the Board of all the facts in the case.

Some of the people who are so insistent that our school can not give their children the form of education they need and deserve have never sent their children to our school. How can they know what kind of school we have or what type of people we are when they have never been associated with us.

We believe that the majority of the citizens of the Littlefield School District are fair people and we appeal to your sense of sportsmanship and fair play that you will go to the polls and vote no to annexing us against our will. The proposal you will be voting on is to count all the votes together and the Littlefield District outnumbers us twenty to one. Doesn't this seem a bit unfair? We ask you to find out the facts in this case and see for yourselves if we haven't stated the facts.

Columns of newsprint were written when Russia took over Finland simply because they were the stronger. We sent millions of men and thousands of them died to preserve justice at home. Although this matter is indeed small in comparison we do not want to feel that we have lost even the smallest of our many rights in America that these men fought and died for. We hope and pray that we have not won a victory abroad only to lose justice at home.

We feel that after you have learned the facts you will go to your voting polls on September 19th and vote for justice and fairness to all. Vote against annexation.

**HIGH SCHOOL HIGH-SPOTS**

Spade school opened with a bang Monday, August 31, and we want to welcome the newcomers, Dewayne Dixson and Roy Casaday. Are there others? We don't mean to overlook you. We also welcome our old teachers back and greet our new teachers. Hope you live through the year!

When the teacher asks, they say...

Freshman: I don't know.  
Sophomore: I'm not prepared.  
Junior: I don't remember.  
Senior: I don't think I can add anything to what has been said.

Looks like Brother Mac will have some competition this year. Or does he call it competition?

You'll have to work for your grades girls, Mr. Dykes and Mr. Bailey are both married.

Either the Senior girls need to increase or the Senior boys need to get out and hunt more girls.

Have you heard the story Harold tells about the cut over his eye?

Wonder who got her red nylon dress first—Ann, Maudean or Meredith?

Would all those new dresses be designed for someone special in mind, Juniva?

Lavonne looks lonesome, but I hear that the matter will soon be taken care of.

Wonder who gave Ann the ring she wears on her left finger? She won't tell.

The Pep Squad is really doing good this year. Especially Christene. She gets down on the floor—such enthusiasm!

I noticed this past week that the eighth graders had long faces because they can only see into high school. The freshmen had silly grins from ear to ear because they were in high school and wanted everybody to know it. The sophomores tried to grin wisely, they thought they knew all about it. The juniors smiled serenely because they knew their place was secure. The seniors were rather arrogant as if to say, "Enjoy us while you can, we won't be here long."

I haven't noticed any new twosomes this year but just wait, you'll see them in the hall.

"Snooper."

The percentage of winning favorites at the Monmouth Park meeting for the first 19 days was 30.2 with a total of 46 choices scoring in 152 races.

## Southwest Football Conference Opens Practice Next Tuesday

By HAROLD RATLIFF  
Associated Press Sports Editor

Southwest Conference football teams—and it'll be teams this time instead of squads with the scrapping of the two-plateau system—begin the long march next Tuesday. That's when official practice starts.

In just three weeks five of the seven will play their first big games. The big three—Rice, Texas and Baylor—will be among those opening Sept. 19. In all forecasts this trio is selected to furnish the champion.

The opening schedule has Texas A&M playing Kentucky at Lexington, Baylor battling California at Berkeley, Rice and Florida clashing at Houston, Texas Christian and Kansas getting together at Fort Worth and Texas swiping at Louisiana State at Baton Rouge.

The following week finds Arkansas playing its first game, meeting Oklahoma A&M at Little Rock. But it will be Oct. 3 before Southern Methodist, under its new coach, Chalmers Woodard, moves into action. The Methodists picked a tough one to open against—Georgia Tech at Atlanta.

There are plenty of experienced men in every camp but Texas and Arkansas have the most lettermen—23 apiece. Southern Methodist and Texas A&M show 21 each, there will be 20 at Texas Christian and Rice, and Baylor has 18.

**Texas Defending Champion**  
Defending champion Texas, minus a flock of excellent footballers, including three members of one of the finest backfields the league ever knew but with a great sophomore crop and the nucleus for a steel-fingered defense, looks like the team to beat once more.

There's a rugged intersectional schedule to be gotten out of the way before they start playing for keeps and Texas may not make an outstanding showing at the beginning, but down the stretch the Longhorns should be hard to handle as usual.

Rice's 20 lettermen include 15 seniors and the team shapes up much like the 1949 Owl outfit that swept to the championship and battered North Carolina in the Cotton Bowl. Coach Jess Neely says it will be his best since 1949 and will be almost as good as that fine outfit. "We won't be as well balanced," says Neely but doesn't appear to be worried about it.

Baylor boasts what it confidently thinks will be the best backfield in the country. They're calling them—Jerry Coody, L. G. Dupre, Cotton Davidson and Allen Jones—the Fearsome Foursome. And Baylor anticipates a road line.

Southern Methodist gets some backing as a championship contender as Jerry Norton, Frank Eldon and Don Miller head a veteran studded backfield corps. Woodward says he has eight or ten

backs of top grade and while his line won't be too big it should be mobile and much stronger than the leaky forward wall thrown up last season.

**All-American End Hope**  
Texas thinks it will have the nation's best end in Carlton Massey and looks for outstanding play from Buck Lansford, a great tackle, and Phil Branch, a terrific guard. The backfield will be led by Billy Quinn, the lone returnee from the top-flight quartet. Among the sophomores re Delano Womack, an explosive runner, and three fine quarterbacks—Pat Tolar, Charley Brewer and Dick Miller. Bunny Andrews, who second-fiddled T. Jones last year, may be the regular quarterback but he'll have to really step.

Texas has plenty of two-way performers and will be helped more than hindered by abandonment of the two-plateau system. Other conference teams also appear to face no handicaps from the change. Rice has 11 regulars back from last season, all able to go under one-plateau football.

Rice's ponderous line will be led by Dick Chapman, who was all-conference last year as a defensive guard. Leroy Fentstomaker, a sensation at quarterback in the last half of the 1952 season, and Kosse Johnson, a runner, punter and line-backer, are keymen of the backfield.

Texas Christian's backfield will feature Ronnie Chinksale, the sped demon, and Mal Fowler, who is going to be the regular quarterback—after the first game. Fowler is sitting out the Kansas game because he suffered a knee injury in the opening game of 1950 and missed the remainder of the season. The conference ruled that he could have another season of eligibility minus one game. Short on ends and centers, the Frogs should be strong enough elsewhere.

Texas A&M expects a better backfield but is doubtful of its line and just what Arkansas will do is indeed problematical. There is a new coach, Bowden Wyatt of Wyoming, at the helm of the Razorbacks and he's installing a new system, using the single wingback instead of the T. Arkansas has 15 seniors among its lettermen and again has Lamar McHan, who was an outstanding quarterback in 1951 but was handicapped by injuries much of last year.

## Amherst Bulldogs Schedule Listed

Coach Lamar Kelley's Amherst Bulldogs will open their schedule battling Anton on September 11 at Amherst. Other games on their schedule are:

- Sept. 18—Hale Center at Amherst.
- Sept. 25—Muleshoe at Muleshoe.
- Oct. 2—New Deal at Amherst.
- Oct. 9—Slaton at Slaton.
- Oct. 16—Sudan at Sudan.
- Oct. 23—Dimmitt at Amherst.
- Oct. 30—Kress at Kress.
- Nov. 6—Springlake at Amherst.
- Nov. 13—Happy at Happy.

## Olton's Daugherty Placed On National Track Honor Roll

J. Frank Daugherty, son of Mr. and Mrs. Frank Daugherty of Olton, who starred for Olton High School in track events, has been awarded a four-year track scholarship to Texas University. He will enroll at Austin this week.

J. Frank has been notified that his name has been placed on the National Interscholastic Track Honor Roll, for winning 40 out of 40 races run in interscholastic events through 1953.

## Hardin-Simmons Cowboys Start Football Season September 19

Around 60 candidates for the 1953 Hardin-Simmons University Cowboy football team are due to report for their first workout Tuesday at Abilene.

Coach Murray Evans and his associate coaches, Larry Cunningham, Sam Baugh, and Bill Scott, will have less than three weeks to round the Cowboy squad into shape for the opening game, Sept. 19 with Oklahoma A&M at Stillwater.

Of the 40 Cowboys who earned letters last year, 24 of them are returning. Another player, Johnny Rodgers, who earned a letter in 1951 is also due to report.

Rodgers, who played a fullback position for the o'cowboys in 1951, will be shifted to a guard position. He played for Tyler Junior College last year.

**Eleven 2-Year Lettermen**  
Eleven of the 24 lettermen have received two awards. They are D. C. Andrews, Sweetwater, Chester Lyssy, San Antonio, ends; Buddy Nail, Roby, Wayne Adams, Borger, tackles; Granville King, Ed Crow, Fort Worth, guards; Rodney Williams and Art Cunningham, both of Austin, James Cox, Cleburne, Riley Cross, Sweetwater, and Sam Walker, Breckenridge, backs.

are Jim Fleming, Oxnard, Calif., Hodges, Colorado City, Tex., Norman Skipworth, Kingsville, Logan, Cleburne, all lettermen; David Nelson, Fort Worth, John Waedekin, Ennis, Ken West and Jerry Ulke, both of Stamford, Fort Worth, Dee Winters, Floyd Haddock, Karnack, Alton land, and Jim Vaughn, Tex.

# New \$60,000 School Gymnasium Opened at Pep

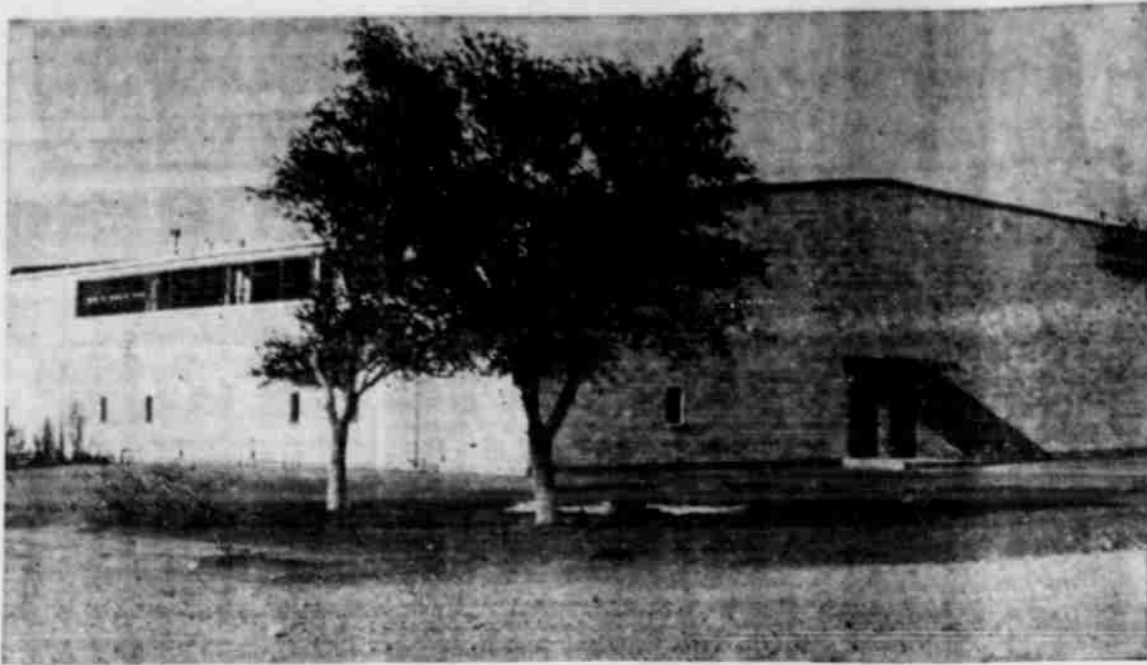

Monday was a red letter day to the people of the Pep community. Years of working and planning by some 75 families of the community had at last culminated in the completion of a \$60,000 school gymnasium, one of the finest of its kind in the area.

Members of the boys and girls basketball teams initiated the new court at regular practice Monday. Basketball teams were organized last year for the first time in many years due to the lack of an indoor court for either practice or home games.

Property owners of the community sold bonds last fall to cover the cost of the building. Bids were taken from 19 contractors. Low bid of \$53,500 came from C. M. Pharr, Lubbock, who was awarded the contract.

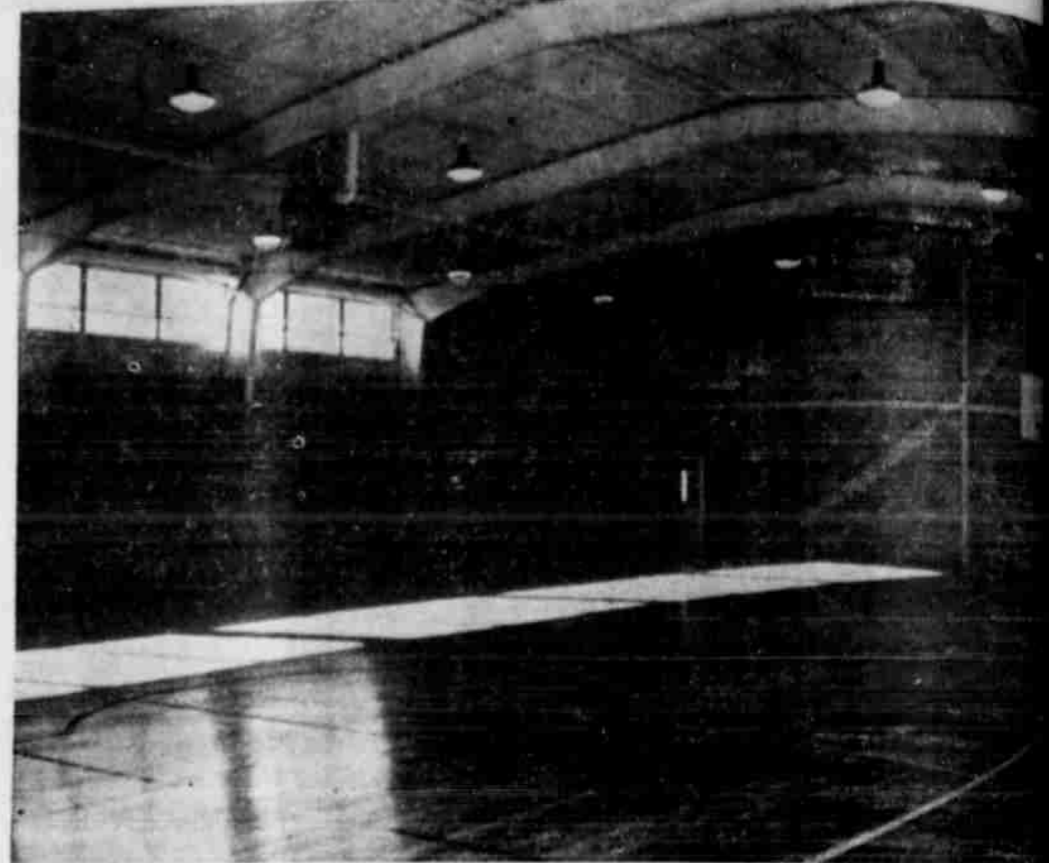

A second well was drilled on school property and the old electric system replaced with the remainder of the bond money.

An imposing structure, the big buff tile gym is located on the southeast corner of the 10-acre school ground. Two modernistic doors mark the entrance of the 78'x99' building. The standard

Four gleaming white dressing rooms, each with adjoining all-tile 10'x10' shower rooms, are located underneath the bleachers. Large storage closets open off all of the dressing rooms. Two 50-gallon hot water tanks are in the visiting teams' dressing rooms.

The roof of the building is of asphalt and gravel. The interior of the roof is finished with sheet rock between the steel beams and painted buff to match the brick walls.

According to H. H. Deck, who this fall began his eighth year as superintendent of the Pep school, the first game of the season will probably be with Spade girls on September 25. A return match will be played in the new gym around October 1.

Use of the new gym will not be limited to students alone. Adult teams, both men and women, will be organized among residents of the community, Mr. Deck said this week.

Seventh and eighth grade boys' and girls basketball teams will be organized later this month.

## Cotton Legislative Committee Killed At District II Meeting Held in Lubbock

According to a recent statement of Balford Rochelle, the District II Legislative Committee is no more. Mr. Rochelle has been chairman of this committee for the past year. This decision was reached at the annual District II meeting in Lubbock, Sept. 3, due

to the fact that there was no purpose in its existence at the present time.

This committee was established when Balford Rochelle, Amherst, and Raymond Aken, Plainview, were sent to Washington to protest the cotton classing situation in the Lubbock classing office and also to suggest a new office in Plainview.

The bank account is now closed and the balance has been forwarded to all of the counties contributing to this work, Mr. Rochelle said.

Above is the new four-room teacherage moved to school ground last week. The 24'x26' ready-built will be occupied by Mr. and Mrs. George N. Clewlow, teachers who moved here recently from Las Vegas. Mr. Clewlow is boys' and girls' coach and Mrs. Clewlow teaches the 7th and 8th grades.

## Castro County Fair September 10-12

DIMMITT, Sept. 5 (Special)—The 1953 Castro County Fair, expected to attract thousands of visitors will be held Sept. 10-11-12 at Dimmitt.

Heralded as the biggest and best fair in the history of the county the three-day event will be packed full of various attractions, livestock, agriculture and community exhibits, in addition to a spectacular fireworks display.

Also in the planning stage are flower, pet, and poultry shows. This coupled with the large variety of exhibits and midway attractions will assure visitors of plenty of entertainment.

The gala event will get underway at 9 a. m. Thursday when livestock entries are listed. Midway attractions, such as pony rides, plane rides and ferris wheel, will be opened to the public Thursday afternoon. Thursday night visitors will be treated to a ground and aerial fireworks display. A parade of Panhandle bands will be featured Friday afternoon and climaxed the fair Saturday night will be an old fiddlers contest, square dance, and queen contest.

Improvements to the fair buildings and grounds have been completed to accommodate a larger number of animals and exhibits this year. This will enable stock owners to keep their show animals at the fairgrounds until Saturday night, thus giving late comers a chance to view them.

## Bonds Are Ready For Sale For The Parkview Baptist Church Building

Members of the building finance committee of the Parkview Baptist Church last week to discuss the acceptance of bids or estimates on the new church. The meeting was held in the home of the pastor, Rev. John Taylor.

The new church building will be financed with the Broadway Church financing plan of issuing savings bonds. The bonds, guaranteed by the first revenues of the church, will be issued in denominations of \$50, \$100, \$250, and \$500 and will pay 5% interest. The bonds, which were signed last week by L. L. Sharp, chairman of the trustees, John Clayton, secretary, and Rev. Taylor are being held in the Security State Bank until time for delivery.

According to Rev. Taylor these bonds may be purchased by calling the Parkview church office.

## Baptists Vote Rev. Meers Vice-President

Rev. W. B. Meers, pastor of the Littlefield Missionary Baptist Church, was elected first vice-president of the World Baptist Fellowship at a three-day convention held in Fort Worth last week.

Rev. Harvey W. Springer of Denver was named president of the organization, and other officers included Rev. James Miller of Florida, second vice-president; and Mrs. Florence Mattison of Fort Worth, secretary-treasurer. The meeting, held at the Bible Baptist Seminary, was closed Thursday night with an address by Rev. Robert Parr of Gilead Baptist Church in Detroit.

In areas of the state where moisture conditions are favorable, home gardeners should be making plans now for the fall garden.

## Sudan Ginner Elected Head Of Plains Group

Drew Watkins of Sudan was elected president of the Plains Ginners Association, the largest ginners' association in Texas, at their annual industry meeting held at Lubbock last week. Over 300 ginners, compress, cottonoil and cotton industry men from a wide area of West Texas attended the event.

K. N. Clapp, a veteran forecaster, estimated the South Plains cotton crop this year would be nearer 1,350,000 bales than 1,200,000, in his address. He based this figure on no greater insect infestation and no abnormally early freeze, however.

Mr. Watkins, who owns gins in Sudan, Lubbock, and Farwell, introduced guests at the meeting and presided at the morning events in the place of Roy Forkner, past president, who is confined to a wheel chair because of a recent injury. Mr. Watkins also acted as master of ceremonies at the luncheon in the ballroom of the hotel.

Other officers elected for the coming year include: W. L. (Bill) Smith, Ralls, vice-president; and Dixon White, Lubbock, secretary-treasurer.

South Plains directors include: Elmo Caudle, Hale Center; Herman Chesshir, Brownfield; Earl Hobbs, New Deal; Reuben Lambert, Idalou; Mr. Watkins and Mr. Forkner.

State directors are Watkins, Smith, Forkner and Chesshir. Alternate state directors are Hobbs, Lambert, Caudle and Orvil (Sleepy) Bailey of Roundup.

## Parkview Baptists Ordain Deacons

Ordination services for four new deacons were held Sunday at the Parkview Baptist Church. R. E. "Doc" McAllister, John Crowley, Sherman Goodwin and Lawrence Massengale were presented to the church, and the examination of the candidates was led by Rev. John Rankin, pastor of the First Baptist Church at Amherst.

The charge to the candidates was given by Rev. A. W. Blaine, pastor of the First Baptist Church at Muleshoe, and Rev. Ollie Robinson, pastor of the First Baptist Church at Morton, gave the charge to the church.

Rev. D.C. Lindley of Littlefield spoke the ordination prayer, after which the Ordaining Council participated in the laying on of hands.

The ordination sermon was delivered by Rev. F. E. Suanner of Plainview, and Dr. Lee Hemphill, pastor of the First Baptist Church of Littlefield, closed the service with prayer.

Rev. John C. Taylor, pastor of the Parkview church, presided over the full service, and the Ordaining Council consisted of the present deacons: W. H. Blackwell, J. A. Martin, L. L. Curtis, John Clayton, and Reed Yandell. Pastors and deacons of the 23 cooperating Baptist churches in the West Plains Baptist Association were invited members of the council. The newly ordained deacons were elected by secret ballot by the members of the Parkview church.

## Pair Fined Over Stabbing Accident

Apolonio Hernandez received emergency treatment in an Amherst hospital for a four-inch slash on his upper lip which he received in a stabbing fracas early last Sunday morning near Earth.

The other party involved in the fight was Jose Longeria, who was jailed early Sunday. Both parties pled guilty to charges and were fined \$25 and costs by Justice of the Peace G. S. Glenn.

## One DWI Violator Fined \$805; Two Given Sentences

Three persons were arrested here last week for driving while intoxicated, and a fourth given probably the largest fine ever levied in Lamb County for that offense.

Clarence Carpenter pled guilty in county court to two DWI charges, both several months old. Judge Otho Dent assessed a combined total fine of \$805.50 on the two charges, \$250 plus costs on the first and \$500 plus costs on the second.

Dick Ivins, Hart farmer, and Sam Taylor, a colored farm hand of Littlefield, were fined \$100 and given a 10-day jail sentence in compliance with the new DWI law which makes a jail sentence mandatory. Driver's licenses of both were automatically revoked for six months.

Taylor was picked up on the Spade highway. He appeared before Judge O. F. Dent. Ivins was arrested in Olton by the city marshal. He appeared in county court.

Olin McAllister, colored, who was arrested on the same charges, entered a plea of guilty. He was released under \$500 bond pending the next term of county court.

Charges were also filed against McAllister for violation of liquor laws. Following his arrest, members of the sheriff's force found five gallons of home brew in his home eight miles north of Littlefield. McAllister pled not guilty to both accounts.

Good quality cottonseed can be stored for as much as 15 years with reasonable assurance that it will germinate—if proper conditions of moisture and temperature are maintained.

## Grade School Has Record Number 1953 Students

Record enrollments, as a result of the greatly increased population trend, have caught up with Littlefield public schools. Hatilda R. Pearce, superintendent, reports.

First graders, 193 strong, accounted for the largest classes in the history of the primary school on opening day last Monday. Another record was set in the 5th grade when 164 children reported on the first day. Two new teachers have been added to the fifth grade faculty this year. Facilities which have already been proved overcrowded will be taxed even further with this 5th grade enrollment.

Enrollments in high school, again in keeping with the trend, have not jumped this year. There are only 28 more students this year than in 1952, and they are mainly in the freshman and sophomore classes. The junior class has dropped from 94 in 1952, to 77 this year. The small senior class of 64 last year has grown only to 81 this year.

## USO Sponsors Add County Chairman

C. O. Stone, chairman of District 7 of the Texas United Defense Fund, has announced the appointment of Noel Woolley of Muleshoe as Bailey County chairman for the fund.

The state-wide group will sponsor the USO's campaign for \$775,000 in Texas this year, and Mr. Stone's district includes Bailey, Cochran, Hockley and Lamb counties. Dudley K. Woodward, Jr., Dallas attorney, is State Campaign Chairman of the forthcoming fund appeal to carry on the familiar

services of the USO to the young men and women of the national armed forces.

Other appointments announced by W. O. Mullins of Amarillo, assistant chairman of the fund, include L. W. Cole of Fort Worth, chairman for Swisher County; McLean of Dimmitt, chairman for Castro County.

## Sammy Baugh Starts Season With "Cowboys"

The 1953 Hardin-Simmons University Cowboy football season will make a new sport era for Slingshot Sammy Baugh.

It will be the first time in nearly a quarter of a century—counting his time with the Washington Redskins, Texas Christian University, and Sweetwater High School—that Baugh will not be playing football.

But Baugh, who smashed 16 records in a like number of years with the Redskins, will still be engaged in football as a full time associate coach with the H-SU Cowboys, who are members of the three-state Border Conference loop.

Baugh, who is also recognized in this part of the Southwest in the rodeo circles—he is also associate coach for the Cowboy Rodeo team, which won the World Intercollegiate title last spring—says that the opening game with Oklahoma A&M, Sept. 19 in Stillwater, can come too soon for him.

The number of cattle on feed for market in the 11 Corn Belt states on July this year was estimated to be 8 percent larger than a year ago.

## Presbyterians Pick New Hymnal Music

The selection of hymns and music for the proposed new hymnal of the major Presbyterian and Reformed churches in the U. S. will be completed by October 1953, and about two years later the first books will be off the presses of the Westminster Press. It is announced. Dr. Albert J. Kiseling, of Jacksonville, Fla., chairman of the hymnal committee, says of the long-anticipated selection: "The book itself will contain 57 pages.

In it will be found the best of our time-honored hymns and, in addition, metrical psalms, gospel hymns, Negro spirituals, ancient chants, and aids to worship."

The committee representing five cooperating churches (Presbyterian Church in the U. S. A., United Presbyterian Church in the U. S., United Presbyterian Church, Reformed Church in America, and Associate Reform Presbyterian Church) has endeavored to preserve the main strain of our Presbyterian-Reformed heritage." The hymnal editor is Dr. David Hugh Jones of Princeton Theological Seminary.

There is waiting for you at the wheel of this car a tremendously satisfying experience—the most magnificent Buick motoring experience of the past half century. We say this as a matter of straight and simple fact.

For in this automobile—the smoothest-riding, the most maneuverable, and the most instantly responsive ROADMASTER in history—is an engine unlike any other in the world, plus an automatic transmission of similar uniqueness.

Here, you command the first Fireball V8 Engine—the world's first V8 with vertical valves—the modern and advanced V8 with the highest horsepower ever placed in a Buick, and the highest compression on the American scene today.

Here, you command distance through the liquid grace of Twin-Turbine Dynaflow—where getaway response is instant and quiet, and power build-up is infinitely, utterly smooth.

Here too, you take a new step forward in fine-car motoring—in the luxury of your ride, the luxury of your surroundings, the luxury of your control, with Power Steering standard equipment at no extra cost.

We can give you the details, the reasons, the facts.

But—wouldn't you rather learn the sum total of such things in a road sampling of the greatest ROADMASTER yet built?

We'll be happy to arrange matters. Why not visit us soon?

International Sunday School Lesson

# Christians Must Be Witnesses For Christ --- Courage Available

(Below is a discussion of next Sunday's International Sunday School lesson written by the Rev. John C. Taylor, pastor of the Parkview Baptist Church and president of the Littlefield Ministerial Alliance. Each month another local minister will be asked to contribute to the column.)

By JOHN C. TAYLOR, Pastor Parkview Baptist Church

TOPIC: Courage for Christian Witnessing.

LESSON TEXT: 2 Tim. 1:3-14.

GOLDEN TEXT: "God hath not given us the spirit of fear; but of power, and of love, and of a sound mind." 2 Tim. 1:7.

CENTRAL TRUTH: The Christian is under obligation to witness for Christ, and the courage, which comes from the resources of God, is always available.

Once the churches were the center of the community social life. Numbers of unsaved people attended the house of God. Now it is seldom that people who aren't Christians come to our services. Almost all who attend the large mass meetings and city-wide revivals are Christians or people who have already been touched by the churches. Therefore the need is greater than ever before for personal witnesses.

Early Christians were known for their bravery. Personal witnessing was as effective then as now. It took courage to witness for Christ when the loss of life was involved. But it also takes courage today in a land of freedom.

A young man returned from World War II was asked to tell his experiences in the Philippines. He had risked his life several times, and received many medals. At the conclusion of his talk before a group of Christian young people he said, "I have come to the conclusion that it takes more courage for a young Christian to LIVE than to DIE."

Our job is to take the gospel of Christ into all the world. God gives promises of help, strength, power and results if we are his faithful witnesses.

In the Old Testament God told Joshua, "Be strong and of good courage; be not afraid, neither be thou dismayed; for the Lord thy God is with thee whithersoever thou goest."

Paul here in 2 Tim. is giving the spirit and message of witnessing. Though he is imprisoned and about to suffer martyrdom he is encouraging other Christians to continue witnessing of Christ courageously.

In this lesson text we are urged to be courageous in Christian witnessing because of four motives:

1. Be courageous because we have been genuinely converted by a courageous Christ.
2. Be courageous because of our Christian background in home and companions.
3. Be courageous because of the promise of the help of the Holy Spirit.
4. Have courage because we are given the spirit, "of power, and of love, and of a sound mind."

Can You Count On Your Witness? Wherever you are, or with whom ever you may be, will you always remember you are still a Christian?

Since you are most always around people who need Christ, will you be a good witness?

It is one thing to be a Christian in America where it is popular, but if you were behind the iron curtain would you be faithful?

Have you ever suffered for Christ? or do you fear to speak for your Lord? Are you ever ashamed to act for God?

Can you be a Christian and not witness?

Dr. James F. Heaton of Missouri said, "When persecution and hardship come, insincere persons will fall away, but the genuine Christian will witness by life and by lips to his Christian faith."

"It is one thing to discuss academically whether certain social activities tend to immortality. It is another to follow one's convictions at the expense of forfeiting popularity by failure to participate."

May every Christian be a courageous witness for Christ, who has given all the resources needed for the task.

"An ounce of prevention is worth a pound of cure" when it comes to protecting wheat or other stored grain from insects birds and rodents.

"Must the plans for the new water works be drawn up here?"

## A LION OR TWO

The Tail Twister says that a pessimist is a guy who sizes himself up and then gets sore about it.

Most of us are self-made men, but after thinking it over, perhaps we should have called in someone else.

The Littlefield Lions are very pleased to have taken in four new members recently. We want you to know something about them.

Lion Jesse Everett and Lioness Millie come to us from Hillsboro, Texas, where he was manager of the Chamber of Commerce, as he is here. They reside at 1320 S. Westside Avenue. Lion Jesse, or "Jess," attended North Texas Agriculture College and went from there into the Navy. For a while yet he may call Hillsboro home (he was born and "reared" there), but before long Littlefield will receive that honor. We know the Chamber of Commerce is glad to have their manager, Jess, and welcome you and Millie into Lionism.

Lion Sam Williams, Lioness Betty, and daughters Paula (10 years), Margo (11 years), and Karen (15 years) come to us from Enid, Oklahoma. Sam is the new publisher of the Lamb County Leader, having been in the newspaper business for many years. He was honored his last year with the Enid Events by being sweepstakes winner for Oklahoma. The Williams live at 508 E. 13th Street. And Sam is another ex-Navy man. Best of luck in your position—and welcome to the Littlefield Lions Club.

Lion Mackey Greer and Lioness Maxine reside at 606 E. 12th with children Michael (14 years) and Jan (12 years). Lion "Mac" is owner-operator of the Taster Freez Drive Inn. He calls McLean his "old-home" but has been around Littlefield several years and finds it hard to beat. Lion Greer attended West Texas College at Canyon. We welcome the Greers to Lionism, even though he is Lion Harold Clement's brother-in-law.

Lion Ray Keeling comes to us from Muleshoe, where he was very active in civic work—even to the point of being mayor of that neighboring town. Ray is owner of Ray Keeling Bulck and "grew up" in Dallas. He received a degree in "football" from the University of Texas and then played pro-football with the Philadelphia Eagles in 1938-1939. Ray, Lioness Dottie, and three daughters, Conie (6 years), Nancy (3 years), and Jean (1 year) live at 416 E. 9th. We're certainly fortunate in having the Keelings with us. Welcome to Littlefield and the Littlefield Lions.

In Texas there's a town named Telephone and another named Telegraph. Telephone has no telephone and Telegraph has no telegraph service. If you think that's confusing, Telephone has no telegraph service either, but Telegraph has a telephone.

The Sudan Lions Club surprised the Littlefield Lions last week by giving us a Lion's Emblem speaker's stand—some of which we were sorely in need, that is. As far as we know, no other sponsored club has done the same for the sponsoring club. We really appreciate this token of appreciation and will just repeat that "we're proud of

that club." Thanks a lot, Sudan.

A farmer received word from a neighbor that the postmaster wanted him to call for a parcel post package.

"I'll drop in sometime during the week," promised the farmer. "That won't do," said the neighbor. "The postmaster wants you to come in town right away. The package is a long lightning rod for your barn and it sticks out of your letterbox so far he can't get the front door of the postoffice closed."
