OFFICIAL NEWSPAPER OF LAMB COUNTY

# LAMB COUNTY LEADER

VOLUME XXVII.

LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, MARCH 9, 1950

NUMBER 4

## P. W. Walker Elevators Burned; Loss Is Estimated At \$120,000

Fire of undetermined origin completely destroyed two grain elevators belonging to the P. W. Walker Grain & Elevator Company Wednesday night, representing a loss of \$120,000.

The blaze had so far advanced when the Fire Department was notified and arrived on the scene that they were unable to save the buildings or contents.

The fire started about 8:30 and at 11 o'clock last night

firemen were still fighting with four streams of water to prevent the blaze from spreading.

According to P. W. Walker, owner, between sixty-five and seventy-five thousand bushel of wheat and maize burned, representing a loss of \$70,000, which was fully covered by insurance.

The buildings represented a loss of \$50,000, with only

## Dust Storms Pose Serious Problem As Drouth Continues

### Workers Reporting Progress Towards Red Cross Quota

Littlefield's total in the annual Red Cross fund drive for a \$3225 quota was \$2680 by noon Wednesday, a week after the start of the campaign, Mrs. Lyle Brandon, executive secretary of the Lamb County chapter, reported.

A total of \$4500 has been collected throughout the county, with the figure rising daily toward the \$6925 goal.

Mrs. Brandon said work had been slowed down by the illness of key workers. Wolfe Shaw, county chapter chairman, M. O. Mitchell, drive chairman, Pat Boone, Gus Shaw and Dr. Ira Woods were among flu victims.

## Plains Water Group To Meet Here Today

### Pat Boone Elected By Cemetery Group At Annual Meeting

Pat Boone was elected president of the Littlefield Cemetery Association at the group's annual meeting Monday night, when plans were made for improvement to the cemetery.

Serving with Boone will be George White, vice president, and Lenton Smith, secretary-treasurer. Three new directors of the association were elected to serve three-year terms before officers were chosen. They were Pryor Hammons, J. E. Chisholm and George W. White.

The association decided to sell enough choice lots in the cemetery to pay off a \$2,000 indebtedness, and then to use revenue for improvements.

Persons interested in buying lots may contact any of the directors. The Garden Club was granted permission to beautify a 24 by 52 foot plot in the northeast corner of the cemetery.

Extension of water mains is the principal improvement objective. Last year, the association got a water well and pump, but mains so far do not reach all points in the cemetery. The group also hopes to buy a power lawn-mower.

### High Plains Water Conservation and Users Association will meet in Littlefield at 11 a. m. Thursday, Arthur Duggan, attorney, announced here.

About 21 members are expected to attend the regular business meeting of the association. The meeting will start at 11 a. m. Thursday in Hays Cafe, and will include a luncheon. Two persons from each of 14 local associations are expected to attend.

Plans for representation at the Texas Water Code Committee hearing in Lubbock March 20 will be completed at the meeting. The public is invited to attend.

### Building For Week Drops To \$11,500

Building permits totaling \$11,500 were issued by City Secretary W. G. Street since March 1. The total was a sharp drop from last week's high of \$55,000.

J. H. Carl obtained two permits, one for \$2,000 and one for \$3,000, for frame and stucco buildings at 915 East Sixth Street.

J. D. Jordan obtained a permit to build a \$6500 frame and stucco dwelling on West Ninth Street.

### SEE ART EXHIBIT

Among those who saw the art exhibit of paintings by Guy Rowe, done as illustrations for Houston Harte's book, "In Our Image," and shown Sunday at Texas Tech College in Lubbock were Mrs. Anne Louise Wiseman, Mrs. Mary Sales, Mr. and Mrs. Allen Hodges and son, Mr. and Mrs. Warren Rutledge, Mr. and Mrs. J. D. Evins.

### Local Girl Scouts To Take Part In Olton Celebration

The Olton Brownies and Girl Scouts of the Lamb County Girl Scout Council have invited all Lamb County Brownies and Girl Scouts to a birthday party in that city, Saturday, March 11, in celebration of the 38th anniversary of Girl Scouting in America.

Approximately eighty Girl Scouts and Brownies, and eight adults from Littlefield are planning to attend the celebration. Several Girl Scout leaders, mothers, and council members will accompany the Scouts to Olton. The Boy Scout bus has been placed at the disposal of the Girl Scouts for the day. More private cars are needed for transportation, however, as the bus will only accommodate forty people.

The party is being staged at the high school gym in Olton with Olton Brownies and Girl Scouts as hostesses for the occasion. The actual birth date of Girl Scouting in America is March 12, however, the party is being staged on Saturday since the birth date is on Sunday.

All who are going to Olton are asked to be at the Girl Scout house at 12:30. The party will leave in a caravan at one o'clock. Parents may pick up their children around 5:30 at the Scout House.

On Sunday the Brownies and Scouts have been invited to attend

Grave concern over the seriousness of the current drouth was expressed by members of the board of supervisors of the Lamb County Soil Conservation District at a meeting here Monday.

The discussion was brought on the worst dust storm of the year which swept a wide plains area Monday with winds ranging from 30 to 40 miles per hour.

Farm land in the area will be seriously endangered by dust storms if the area does not receive moisture in the immediate future, the board members asserted.

Cotton Land Blowing They noted, however, that most of the land in Lamb County which is "blowing" is that which has not had any treatment since the cotton harvest.

Some farmers were said to be behind on their chiseling and listing operations — procedures whereby the land is turned over in order to keep the sand from getting too and blowing away.

Approval of eight applications

## Chamber Board Holds Two-Hour Session, Hears Plans For Two Underground Water Meetings

Plans for two meetings in connection with underground water supplies were announced at a two-hour breakfast session of the Littlefield-Lamb County Chamber of Commerce board of directors Tuesday.

Chamber members were urged to attend both meetings: a business session of the High Plains Water Conservation and Users Association at 11 a. m. Thursday in Hays Coffee Shop in Littlefield, and a Texas Water Code Committee hearing in Amarillo March 20.

Arthur Duggan, Littlefield, attorney for the Plains Association, talked about ground and surface water laws at the board meeting, stressing the need for an educational program among the people

## League Will Seek Affiliation With District Players

### Post Hopes To Make Improvements To Baseball Diamonds

Plans to sponsor an American Legion Junior Baseball League for the third year and to affiliate for district-wide competition were made at a meeting of the American Legion Post Monday night at the Legion Hut.

Preparations are being made to start Junior League play as soon as the school summer vacation begins, Vernon Hofacket, post commander, said. A committee has been appointed to get the necessary papers and forms from state Legion headquarters.

Join District 2 The proposed district affiliation would be with District 2, composed of 18 counties surrounding Lubbock. It would enable the Lamb County players to meet boys from other counties and to take part in state playoffs if they can work up into that bracket.

The Legion hopes to make improvements to the baseball diamonds at the fair grounds, Hofacket said.

## Record Is Claimed In Cotton Shipping By Littlefield Man

J. L. Murdock of Littlefield is claiming a record for the number of bales of cotton—nearly 60,000—shipped through his warehouse and open yard here this season.

At total of 57,332 bales were shipped between October 1, 1949, and March 8, 1950. Bales actually in the warehouse during that period totaled 59,807, but Murdock still has on hand for shipment 2475 bales.

Incidentally, he believes he has less cotton left on hand, percentage-wise, than other warehouses. This cotton will be moved as sold and as shipping orders come in.

Murdock claims the record for open yard volume only, since he operates without a compress. He attributed his success to the cooperation of both ginners and producers—"everybody who could help us had helped us."

Horace Henry is supervisor of the warehouse, now in its second year of operation here.

## Explorer Scouts To Attend Encampment In Lubbock

15 members of Boy Scout Post No. 41, Littlefield, will attend a two-day Explorer Scouts encampment in Lubbock Friday and Saturday.

The trip were made at

h Repairing

a meeting Monday night in the Scout Hut. Eighteen boys attended, and Jackie Beckner Presided at the meeting.

Between 200 and 500 Explorer Scouts from 14 to 16 years of age are expected to participate in the encampment to be held at Reese Air Force Base.

According to preliminary plans worked out by W. R. Postmas, Lubbock Boy Scout representative, with officials of Reese Air Force Base, the camp site will be on the area between the base gymnasium and the Wing legal office. This will provide shower facilities in the gymnasium and is very near the consolidated dining hall where the

Scouts will get their meals. A tentative program for the encampment was announced as follows:

Friday, 4:30 to 7 p. m.: arrival and beginning of encampment; 7 to 7:45 p. m., supper; 8 to 9:30 p. m., showing of various training films.

Saturday, 6 a. m. to 6:45 a. m., breakfast; 6:45 to 7:45 a. m., break camp; 7:45 to 10:45, tour of flight line and points of interest on base; 10:45 to 11:30 a. m., dinner; noon to 1:30 p. m., addresses to Scouts by various base officers.

Littlefield scouts will make the trip on the scout bus. Names of boys planning to go will be announced later.

## "Blackie" Is Sixth Story Written By Faith Helen Faust For Leader

This is the sixth in a series of weekly stories written by Miss Faith Helen Faust, 12-year-old daughter of Dr. and Mrs. F. B. Faust, Littlefield. The stories, illustrated by Miss Faust, appear in Thursday editions of the Lamb County Leader.

By FAITH HELEN FAUST One day while Mr. Rollins was feeding his cows he said, "I think

I will train Blackie tomorrow." Blackie was a little bay colt. When he heard that, he ran to his mother, Nellie, and asked her what Mr. Rollins meant.

Nellie answered, "He is going to put a saddle on you and train you to let him ride you."

Blackie had an idea of Mr. Rollins on top of him. Worse than that, he thought Mr. Rollins would gain weight over night and be real

heavy. Blackie decided to run away. He jumped the fence and ran down the road.

He met a dog and the dog asked, "Where are you going, Blackie?" Blackie answered "Mr. Rollins is going to saddle me and ride

me, so I am running away." On down the road he went and he met a rooster.

"Where are you going, Blackie?" asked the rooster.

Blackie answered, "I am running away from Mr. Rollins because he is going to ride me."

## Sudan Personals

Retainer walls were built around the First Baptist Church and parsonage in Sudan last week by members of the Baptist Brotherhood. The entire yards are being replanted with Bermuda grass, new trees and shrubbery.

Mr. and Mrs. Johnny Johnson and four children, formerly of Selma, California, moved to Sudan last week. Johnson has joined the staff of the Robinson Motor & Equipment Company in Sudan.

Dollie and Don, children of Mr. and Mrs. J. T. Cook of Sudan, underwent appendectomies last week in an Amherst hospital. Dollie was rushed to the hospital Thursday and Don was taken Friday. Both are getting along nicely.

Patricia Ready, daughter of Rev. and Mrs. J. P. Ready of Sudan, received first aid treatment in an Amherst hospital Sunday for burns suffered when her clothing caught fire as she sat down in front of an open gas fire. Her condition is not serious.

Fred Wells has accepted employment at the Higginbotham-Bartlett Lumber Company in Sudan, replacing Dewey Bandy, who moved to Chickasha, Oklahoma.

Mrs. Homer Morris, wife of the Sudan Mayor, has been a patient in Payne-Shotwell Foundation, Littlefield, following an operation there February 27.

City Park in Sudan underwent a face-lifting last week, when the block-square area was fertilized and planted in grass.

L. E. Sinclair of Littlefield recently purchased the Gulf Gasoline Agency from Oscar Vinson and has moved his family to Sudan.

Mr. and Mrs. Harvey Wagner, formerly of Hot Springs, N. Mex., have moved to Sudan and are converting the old Church of Christ building, which they purchased, into four new apartments.

Mr. and Mrs. Joe West are on an extended vacation trip in the lower Rio Grande Valley and Corpus Christi.

Mr. and Mrs. James Henry Bellamy have moved to Snyder, where Bellamy will be employed in the trucking business.

Mrs. Sara Belle Wood of Lubbock spent last week in Sudan visiting her parents, Mr. and Mrs. Reed Markham.

## National Piano Auditions Set For June 5-7 In Littlefield

Over 25,000 pianists will play this spring in 350 cities from Coast to Coast in the national piano playing auditions of the National Guild of Piano Teachers. Local auditions will begin June 5, at 9:00 a. m. at the Presbyterian Church and for three days. The local committee is Mrs. J. W. Keittley, chairman, and Miss Cara Lou Stone, and Mrs. H. G. Wilson of Olton, members.

Each pupil is given a private, sympathetic hearing by a competent authority sent from another city. The ratings are individual, not competitive, based on 37 phases of piano technic and interpretation, agreed upon by 100 adjudicators. Guild standards are those of established music schools, with its Syllabus based upon requirements of the National Association of Schools and Music, and ranging from elementary to artist grade. Guild auditions are auditions to those who expect to go on the concert stage, write serious or light music, play only for themselves, for church, radio, social affairs, or become teachers in public schools and colleges—actually, there is a suitable goal in the Guild for every person studying piano.

Certificates and rating sheets showing how to improve are given to every one who passes the tests, and a pin signifying membership in the National Fraternity of Student Musicians becomes a prize possession of all successful enrollees. Scholarship leading to degrees are available to outstanding High School graduates.

The Guild also carries on the National Recording Competition with cash prizes which amounted this year to \$5000. The top five winners, receiving \$250 each, were sent to the National Music Teachers Convention, this year in Cleveland, for final playoff—the winners receiving an additional \$350, and the runners-up \$100 for each.

The president of the Guild, Irl Allison, of Austin, Texas, who holds a master's degree in both music and mathematics, and an honorary doctorate in music, was a college professor who envisioned the music student's need and organized the Guild twenty-one years ago. It does not advocate any one school or method, is a non-profit membership organization, publishes a Yearbook and Syllabus, and sends the Music Courier (oldest music magazine) containing a special Guild page, to all its members, and is represented by departments in The Musical Leader, Southwestern Musical, Opera & Concert, and others.

Wherever there is a Guild center, music pupils come every spring from long distances to play for the adjudicator. Instances are cited every year in the Rockies and Plains of people traveling two and three hundred miles for the event. This is regarded as a gala day, with shopping for the mothers and fathers; dinner and a relaxing show for the entire family when the pupil has come through with shining colors.

**Flu Epidemic Hits School Attendance**

An average of 70 to 80 pupils per day were absent last week from classes in Central Junior High School. Principal D. C. Lindley reported. Five teachers missed four working days at the school. Lindley said the 'flu epidemic appears to be lightening some at the schools this week. Only two teachers were absent Monday, and student attendance increased considerably this week.

**Plenty Of Roughage, Protein Keys To Good Late Winter Dairy Feeding**

For dairymen, the dark hour before the dawn is late winter. The dawn of spring will bring productive, milk-making pastures; but right now the dairyman must keep cows producing to make a current profit and ready to take full ad-

vantage of the good spring pastures ahead.

Authorities say that abundant, low-cost roughage and milk-stimulating protein are the keys to profitable dairy feeding in late winter. Many Southern dairymen use cottonseed hulls and cottonseed meal to provide these requirements for economical milk production.

M., March 14, 1950, and then publicly opened and read.

Pastures are an economical source of roughage, but at this time of the year the volume of forage is low in pastures, and liberal feeding of hay, cottonseed hulls or silage helps to keep milk production up and costs down. Cottonseed hulls are about equal in feeding value to common grass hay, and their bulk helps to prevent bloat and scours. Hulls often may be bought for less than the cost of making hay on the farm. Dairy cows that have not been on green pasture for several weeks should be fed 2 to 4 pounds, daily, of legume or other bright-green hay to provide vitamin A.

Common Roughages, dry pasture forage and grains which are usually fed in the late winter are low in protein. This makes it very important to feed ample amounts of protein concentrate in the dairy ration. In addition to providing the protein and phosphorous essential to high production, cottonseed meal increases the value of other feeds and improves the appetite.

While dairy cows should obtain most of their feed from roughage, good producing cows need some farm-grown grain in a mixture with the protein concentrate. The proportion of grain to protein concentrate will depend on the protein content of the roughage the cows are eating.

A good grain mixture to feed with low-protein roughage such as grass hay, cottonseed hulls and dry winter pasture is: 700 pounds of ear corn chops or grain sorghum head chops, 400 pounds of cottonseed meal, 22 pounds of ground limestone and 11 pounds of salt. Feed Jerseys or Guernseys 3 to 3 1-2 pounds of this mixture for each gallon of milk produced. Holsteins and other large breeds need 2 3-4 to 3 pounds of the mixture for each gallon of milk.

When early spring pastures become available, the dairy herd should be gradually changed from the winter feeding schedule in order not to overgraze the young pasture plants and to avoid digestive upsets in the cows. The early growth of spring pastures is high in water content and it is important to continue feeding all the dry roughage the cows will eat during the first few weeks to supply sufficient dry matter. During this time cottonseed hulls are a valuable part of the ration because they reduce scours and bloat and increase the feed value of the young pasture forage.

When on good spring pasture which provides ample grazing, the dairy herd may be fed a grain mixture of 900 pounds of ground ear corn or sorghum head chops, 200 pounds of cottonseed meal, and 11 pounds of salt. Jersey and Guernseys need 2 1-2 pounds of this mixture for each gallon of milk.

**50,000 Miles - No Wear!**

**1. Proved by Punishing Road Test!** For 70 days, six brand-new cars roared over searing highways along the Mexican border... putting sensational new Conoco Super Motor Oil to one of the cruelest tests ever devised. After 50,000 miles of continuous driving, engines showed no wear of any consequence... in fact, an average of less than one one-thousandth of an inch on cylinders and crankshafts. Original factory polishing marks were still visible on piston rings!

**2. New-Car Mileage!** Test engineers were astounded at the remarkable record of economy. Gasoline mileage for the last 5,000 miles of the run was as good as for the first 5,000 miles... actually there was an average difference for the fleet of only 4/100 of a mile per gallon. This punishing test... equal to 5 years' normal mileage... proved that Conoco Super Motor Oil—with proper crankcase drains and regular care—can keep your new car new.

**3. New-Car Power! Quicker Starts!** Yes—Conoco Super Motor Oil's extra protection keeps that factory flash... that showroom smoothness... year after year! Conoco Super Motor Oil OIL-PLATES metal surfaces to make your engine last longer, perform better, use less gasoline and oil! Conoco Super Motor Oil virtually stops wear before it starts... keeps your engine new and clean. Astounding new Conoco Super Motor Oil proved to be the great new modern wear-fighter!

The tea was in the First Methodist Church in Dimmitt. Members of the Future Teachers Club of Tulia High School presented a program under direction of Miss Mildred Hulsey.

## Miss Rubie Lu Coughran Wed To Doyl Underwood In Ceremony Sunday At Earth Methodist Church

Miss Rubie Lu Coughran, daughter of Mr. and Mrs. J. A. Coughran of Littlefield, became the bride of E. Doyl Underwood, son of Mr. and Mrs. E. G. Underwood of Olton, on Sunday, March 5, at 3 p. m. in the First Methodist Church at Earth.

Rev. Carl McMasters read the double ring ceremony before a white altar topped with an open Bible in an archway of greenery flanked with palms and baskets of white gladioli.

Mrs. Jerry W. Kelley, niece of the bride, registered the guests. Miss Glenna Bell Roberts, pianist, played the traditional wedding music and accompanied Mrs. Eugene Lee, soloist, as she sang "Always" and in closing "The Prayer Perfect."

**Satin and Lace Gown**  
Given in marriage by her father, the bride wore a gown of bridal satin with yoke of antique silk paint lace embroidered with silver heads and seed pearls, and a fitted bodice. The long sleeves came to points over the hands and the skirt draped into a train from a panier drape and bustle bow. Her veil fell from a tiara fashioned from the same lovely lace used in the dress yoke and embroidered with beads and seed pearls. She carried a single white orchid on a white Eastern Star Bible showered with ribbons tied with lovers' knots.

For the traditional "something old," the bride chose the lovely lace for the yoke of her gown and her tiara, which was part of a dress worn by her mother when she was worthy matron of the Eastern Star. She wore a new necklace of braided pearls, a gift from the groom, and borrowed a net-trimmed handkerchief from her sister-in-law, Mrs. Robert Harvick. She wore a handmade blue garter made by her sister-in-law, Mrs. J. C. Coughran and worn by Mrs. Jerry W. Kelley in her wedding. The penny in her shoe was a luck piece belonging to the groom.

**Matron of Honor**  
The matron of honor, Mrs. Robert Harvick of Tahoka, wore an American Beauty taffet gown fashioned after the bride's gown, a matching shoulder-length veil and carried an arm bouquet of American Beauty roses.

The bridesmaids, Miss Jolene Perkins of Littlefield, cousin of the groom, and Miss Doye Painter of Lamesa, niece of the bride, were identically dressed in aqua blue taffeta, fashioned with painted Venice lace yokes, fitted bodices and bouffant skirts. They wore matching net halo ruffles and waist corsages of American Beauty roses with matching streamers. The bridesmaids lit the altar candles.

**Neice Is Flower Girl**  
Miss Casandra Coughlin of Littlefield, neice of the bride, was the flower girl. She wore a white taffeta dress, a halo of miniature

Mr. and Mrs. E. Doyl Underwood

roses and carried a white satin rose tied with a shower of white ribbons and filled with rose petals.

Roy Dale Underwood acted as best man for his brother. Ushers were J. A. Littlejohn Jr., Carl Jones and J. A. Sanders, Earth, and Billy Perkins of Littlefield.

Mrs. Coughran was dressed in midnight blue with white accessories and an American Beauty rose corsage. Mrs. Underwood wore navy crepe with navy and white accessories and an American Beauty corsage.

**Reception Follows**  
The receiving line for the reception held in the Church parlor was composed of Mrs. C. E. Sanders of Earth, sister of the bride, Mr. and Mrs. J. A. Coughran, the bride and groom, and Mr. and Mrs. E. G. Underwood.

The table, laid with lace and appointed with crystal and silver, was centered with American Beauty roses caught in a white satin bow, with streamers bearing the names "Rubie Lu" and "Doyl" in gold letters. Mrs. Jerry W. Kelley served the three-tiered wedding

cake, which was trimmed with pink rosebuds and topped by a miniature bride and groom.

Mrs. Robert Harvick served spiced punch from a silver service. Assisting at the reception were Mrs. L. Z. Anglin, Mrs. J. A. Littlejohn, Mrs. Ed Barton, Mrs. Leo Alonzo, Mrs. Sam Cearley, Mrs. Bruce Higgins and Mrs. J. A. Littlejohn, Jr.

Mrs. Underwood finished high school at Brownfield in 1946. She was employed in Littlefield prior to accepting a bookkeeping position at Campbell Gin in Dodd, Texas, in 1949.

Mr. Underwood finished Springlake school in 1945 and served in the armed services medical corps for nearly two years.

The bride chose for going away a rose crepe dress with gray accessories and a white orchid corsage. The couple will be at home near Tatum, New Mexico, where Mr. Underwood is engaged in farming.

Out-of-town guests at the wedding were from Lorenzo, Littlefield, Lubbock, Tahoka, Brownfield and Lamesa.

# Presbyterian, Lutheran Churches Observe "Great Hour Of Sharing"

Sunday, March 12, members of St. Martin Lutheran Church and the First Presbyterian Church in Littlefield will observe "One Great Hour of Sharing," a nationwide appeal in which 23 Protestant church bodies will cooperate.

The program was first instituted in 1949 as a united effort in which church people contributed to relief programs sponsored by their respective churches in accordance with the command, "Bear ye one another's burdens."

The Presbyterian Church in the United States raised more than \$760,000 for this work. Observance of the local church consisted of the "sacrificial meal plan" in which each family planned one modified meal each week and gave the difference between it and an ordinary meal to the cause.

The displaced persons program is the number one project being undertaken. Relief projects in Korea, the Philippines, Burma, West Pakistan and Palestine are also included.

St. Martin Lutheran Church will bring offerings for Lutheran World Action, and overseas relief and reconstruction program sponsored annually by the National Lutheran Council. The offering Sunday will be given during "One Great Hour of Sharing."

During the past decade, Lutherans

The kidnaper, who held up the couple on a lonely road, wore a rubber mask. He was identified as Kendall Morris, ex-convict.

In 10,000 congregations which participate in the National Lutheran Council have contributed more than \$25 million for overseas aid, including reconstruction of churches, student relief, displaced persons re-

settlement and relief for missions orphaned as a result of World War II.

The local church has been asked to contribute at least \$150 of the 1950 goal of \$3,200,000. Since the Lutheran World Action program was begun in 1949 as an emergency measure, the congregation has given about \$1,000.

Two half-hour programs will be broadcast over networks to describe the world-wide relief work.

On Thursday, March 9, A. B. C. network will carry a broadcast starting at 9:30 p. m., central standard time.

On Saturday, March 11, C.B.S. network will carry a broadcast starting at 5:30 p. m. They will describe the relief needs and urge

## INFORMATION For VETERANS

Q—I am an honorably discharged World War II veteran. Are VA education or training benefits available to me if I go to a private teacher who will prepare me to enter college?

A—If you are training under Public Law 16 because of a service-incurred disability, you may have a private tutor if one is prescribed for you by VA vocational guidance counselors. No private tutor is available to you under the GI Bill which stipulates that a veteran must attend a State-approved school or training establishment to receive VA benefits.

Q—Will VA guarantee my loan for the purpose of residential property containing more than one family unit? I am a World War I veteran.

A—Yes, but the total number of separate units in the apartment cannot be more than four if you are the only buyer. If other veterans are joining with you in the purchase, then one additional unit may be added to the above-mentioned four for each veteran participating in the purchase.

Q—Where does Veterans Administration conduct medical examinations for rating purposes?

A—Examination for rating purposes are made whenever possible in regional and sub-regional offices. If more convenient, they may be made in VA hospitals or by VA designated private physicians.

Q—Have I any recourse to civil courts if I do not like the decision of Veterans Administration on my vides that the decision of the Ad-

A—No. The law specifically provides that the decision of the Administrator of Veterans Affairs in such matters is final and conclusive.

all citizens to attend the church of their choice on March 12 to contribute their gifts to the cause.

"Operation—Good Samaritan" is the name of a special series of 15-minute programs carrying daily this week by station KVOW. The broadcasts are at 6:45 p.m.

### 368 CHARTERS ISSUED

Charters were granted to 368 firms with a capitalization of \$6,395,000 in January 1950, as compared with 234 charters granted in December 1949 with a capitalization of \$4,606,000, the University of Texas Bureau of Business Research reported.

A total of 317 charters were issued in January 1949.

Totalling 77, merchandising firms received the greatest number of charters; followed by real estate, 55; manufacturing, 26; construction, 14; banking and finance, 13; oil, 10; and transportation, 6.

Corporations with a capitalization of \$5,000 to \$100,000 received 190 charters in January. Businesses with a capitalization of less than \$5,000 totaled 113 charters, and 8 charters were issued to firms with a capitalization over \$100,000.

FBI fingerprint files on "missing persons" help locate many of the 200,000 Americans who disappear annually.

## Estimated Income By March 15, Quarterly Installments Due

TON, March 1. — a double deadline. They're the ones date, must: on their 1949 in full any tax estimate on their 1950 a "Declaration of — and start paying installments on that first installment is ch 15. of people have to do who won't have any from their 1950 in- stance, landlords and o will have some tax all tax withheld from come. This will be wage earners and sal- estimate" means just For that reason the se two groups must ing by March 15: what their total in-

come for 1950 will be and what the tax on it will be.

2. Start paying, in those four installments mentioned above, the difference between the tax that will be withheld from them, if any, and the full tax they'll owe for the year.

While the first installment is due March 15, the others are due June 15, Sept. 15, and Jan. 15, 1951.

**Pay-As-You-Go System**

We're supposed to be on a pay-as-you-go tax system. Most wage earners and salaried people will have had the full tax withheld from them by the end of 1950.

This estimated tax plan — for those who won't have the full tax or any tax withheld from them in 1950—is intended to get them paid up by the end of the year, too.

You can decide pretty quickly whether you belong in this "estimated" group.

You know how much tax, if any, is being withheld from your income now, every week or month. Then figure what your income for the year will be.

Next figure what the full tax on

your 1950 income should be. You can do it easily enough, as explained previously in this series by using form 1040.

### Figure Own Tax

(If your income was under \$5,000, you find your tax in the table on page 4 of form 1040. If your income was \$5,000 or more, you work out your own tax according to the formula on page 3 on form 1040.)

If you find you will owe more tax than will be deducted from you in 1950, then you must file an estimate and, by March 15, start paying the first of those four installments on the difference between the tax to be withheld from you and the full tax you will owe.

But—you do not use form 1040 for filing your declaration of estimated tax. You must use form 1040-ES. This is a very brief form. It's in blue ink.

On the back of it are the same table and formula you used with form 1040 in figuring your 1949 tax.

(Those who have been paying an estimated tax year after year — because no tax or not enough tax was withheld from their income—have already received their form 1040-ES in the mail from the collector who assumes they'll need it in 1950, too.

### Forms Available

(If you find you need a form 1040-ES, but don't have one, you can get it from your nearest col-

lector, or from most banks and post offices).

Remember: When you figure your estimated tax be sure you claim for yourself all the exemptions and the usual deduction to which you're entitled, as explained in previous stories.

When you turn over your estimated tax return to the collector,

## Spring Style Show To Be Held At Lubbock Mar. 11-13

Everything from cowboy boots to the latest fashioned spring evening dresses will be displayed in the Western Wholesale Style Market to be held March 11, 12 and 13, on the first four floors of both the Lubbock and Hilton hotels. The semi-annual market is sponsored by the Lubbock Chamber of Commerce. Room after room of Easter and summer lines will be displayed by representatives of manufacturers and wholesale houses from all across the nation.

Merchants from this area and as far away as Eastern New Mexico and Southwestern Oklahoma attend the market regularly. Most of the merchants find the market feasible due to the fact that they can attend the market, buy their merchandise, and return home in a single day. Many of the buyers have declared the market to have as much to offer in the price, quality and display as markets in metropolitan cities.

Besides the displays of new spring styles, a number of complete lines of costume jewelry will be exhibited. A number of the women's hat and dress representatives will have models to show their merchandise, while the majority will use counter displays.

A guided tour of the Textile Engineering Department at Texas Technological College will be of-

fered exhibitors who attend the market. Also, they will be guests at a luncheon to be held in one of the dormitories at Tech. Besides seeing the facilities of the Textile Department, the group will be shown the potentialities of clothing manufacturing in this area.

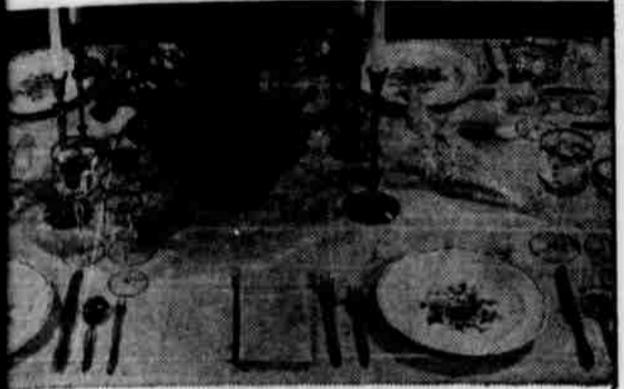

About 3,000 copies of the Buyers' Guide, a market association publication over the area. Prior to sending the booklets, approximately the same number of brochures that announced the Show were sent from the Chamber office.

The next market to be held in Lubbock will be next fall, when a complete line of fall and winter merchandise will be displayed.

## Last Rites Held For Raymond Holley

Funeral services for Raymond S. Holley, 31, a war veteran and a resident of Littlefield since 1938, were conducted at 2 p. m. Tuesday, March 7, in the First Methodist Church.

Holley died March 6 in the Veterans Hospital at Amarillo. He had been in ill health since he was discharged from the service.

Rev. Frank Beauchamp, pastor, officiated at the funeral services. The Veterans of Foreign Wars was in charge of graveside services at the Littlefield Cemetery.

Mr. Holley served five years in the U. S. Army, participating in five major battles during his 30 months overseas. He was attached to the First Cavalry Division.

Surviving are his parents, Mr. and Mrs. S. G. Holley, two miles southeast of Littlefield; three brothers, E. D. (Bud) Holley of Amarillo, Troy Holley of Littlefield and Cecil Holley of Guymon, Okla.; and four sisters, Mrs. L. J. Sharp of Albuquerque, Mrs. Holt Green of Wheeler, Tex.; Mrs. Buford Conwell of Fort Worth and Mrs. M. O. Coate of Littlefield.

Funeral arrangements were in charge of Hammons Funeral Home.

## Legion To—

(Continued From Page One) took part in the American Legion Junior Baseball League last year, included a team of 16 colored boys. Altogether, there were seven teams in the county.

The post commander pointed out that three-fourths of all players in every major league started their careers with American Legion Junior Baseball.

**Birth Party**  
At the meeting Monday night, Legionnaires also made plans for a birthday party March 20 at the Legion Hall. The ladies Auxiliary has volunteered to prepare a meal for the occasion. Bob Kirk and Huston Hoover will serve on the program committee.

A series of 15 motion pictures made available by the Ford Motor Company will be shown every month at the Legion Hall, it was announced. The movies will be shown every third Monday night, when Legionnaires meet with the Auxiliary.

## Girl Scouts—

(Continued From Page One) church services at the First Methodist Church where the south side of the church is being reserved for them. Each child is to attend their regular Sunday School class, then meet at the First Methodist Church at ten minutes to eleven o'clock.

## Blackie—

(Continued From Page One) Blackie went on down the road and met a goat, a cow, a sheep and a cat. Each one asked him where he was going and Blackie answered them all.

Pretty soon he met a horse. The horse told him Mr. Rollins would not grow fatter and that he should go home.

Blackie went back home. Mr. Rollins saw him and went to get him some sugar.

The next morning Mr. Rollins put the saddle on Blackie. Blackie was frightened. He started to buck even before Mr. Rollins climbed on. When he got on, Blackie saw that he was not heavy at all.

The next day and the next day and so on, Mr. Rollins rode on Blackie and Blackie found it was fun.

## Elevator Burns—

(continued from page one) \$8000 insurance.

Mr. Walker stated that his "guess" was that the fire started in the motors in the No. 1 or East Elevator, and that he believed it had been burning for an hour before anyone knew of the blaze.

R. L. Byers is believed to have notified the firemen of the blaze. Mr. and Mrs. Walker were at the home of their daughter and son-in-law, Mr. and Mrs. L. G. Wilson on East 11th Street when the fire started, and there being no telephone it was impossible to notify them by phone of the fire. Mr. Walker was notified that his elevators were on fire by Jack Christian as he and Mrs. Walker were getting in their automobile to go home.

On a Leader representative inquiring of Mr. Walker as to whether or not he would rebuild the elevator buildings, he stated—"I may rebuild—but I haven't any plans right now."

## Census Job—

(Continued From Page One) and Thursday in Lubbock attending conferences for county supervisors in the 19th Congressional District.

He said he would notify applicants of their appointment as soon as possible after applications are filed. Considerable interest has been shown, he added, and it is expected that about 50 persons will apply.

**Three-Day Special**  
A three-day school for enumerators will start March 28. A convenient location, probably in Littlefield, will be selected and announced later.

Actual enumeration will start on April 1, and an effort will be made to complete the work within 30 days.

## Three Injured In Car Accident

Mr. and Mrs. D. S. Lawson of Kermit, Texas, were admitted to the Payne-Shotwell Foundation Tuesday night suffering from minor head and body injuries sustained when the automobile in which they were riding was in collision with another car said to have been driven by Bobby Joe Willard.

Kenneth Billings, who was an occupant of the Dillard car, was also admitted to the Payne-Shotwell Foundation suffering from slight face and leg bruises. Dillard is reported to have escaped injury.

All three were still patients late Wednesday but were reported by the hospital as recovering nicely.

Dillard was arrested by City Officers T. C. Gilbert, M. Y. Fields and Verv Black on a charge alleging Driving While Intoxicated. He appeared before Judge Otha Dent in County Court; made bond, and was released.

## Chesher May Speak At Rotary Luncheon

Mayor Art Chesher is due to tell about his trip to South America at the weekly Rotary Club luncheon Thursday noon in the basement of the Methodist Church.

Chesher was expected to return Saturday from the South American jaunt, but extended his trip. He is expected to arrive Thursday.

In the event the mayor doesn't return in time to fill the Rotary speaking engagement, other program arrangements will be made, officers said.

## Last Rites Monday For Morton Man

Funeral services were conducted at 3:30 p. m. Monday in First Baptist church of Morton for Elijah Newton Darland, 67, who died in his home their Saturday afternoon.

Rev. W. C. Wright, pastor of the First Baptist church officiated. Burial was followed in the Morton cemetery under the direction of Singleton Funeral Home.

Survivors include three sons, Bert and Olen, both of Morton, and Jessie of Blythe, Cal.; one daughter, Mrs. Lois Fannie of Lincoln, Ark.; two brothers, Sherron of Burkburnett and Preston of Electra; two sisters, Mrs. Mark Simmons of Wichita Falls and Mrs. Sally Shaver of Oklahoma City; 13 grandchildren and 13 great grandchildren.

## Annual Workers Conference Friday

The annual Worker's Conference banquet of the Littlefield Missionary Baptist Church will be held Friday night at the Church, according to the pastor, Rev. Weldon B. Meers. All workers in the Sunday School and their escorts have been invited to attend. The banquet is being supervised by Mrs. Jack Taylor, Mrs. Albert Askew and Mrs. Howell Wilson.

The yearly report of the activities and achievements of the Sunday School will be given. The records show a good increase in attendance over the last year. The Primary Department, of which Mrs. Jack Taylor is superintendent, will receive a special gift from the church in recognition of the department receiving the greatest number of attendance banners for the year.

Rev. J. D. Evins is Sunday School superintendent.

## Dust Storms—
