## E. C. Ross Offers Pool For Bathing Purposes

E. C. (Buck) Ross of 2 1/2 miles west of Littlefield on Oklahoma Avenue, stated to a Leader reporter Saturday that he was filling up his irrigation tank at his farm this week, and all those "who like to swim" are invited to take advantage of his pool. He said that the tank would be available for bathing two days a

week, Thursday and Friday, until a Littlefield Swimming pool can be completed. Mr. Ross added that all those swimming in the pool must have bathing suits; that there will be a dressing room provided; but that he will not be responsible for any accidents.

## Veterans Realize \$160.00 From Sale of Poppies

About 1,000 poppies were sold on the streets of Littlefield Saturday as announced by O. K. Yantis, chairman in charge of the project. Citizens of the city responded in a fine manner and a total of \$160 was realized from the sale. This poppy sale was sponsored by the Veterans of Foreign Wars, and according to the funds realized from the sale of the poppies will go to needy veterans.

poppies on the streets Saturday were Joan Pace, Linda Matthews, Frances Toews, and Betty Smith. In an interview with the Leader Tuesday, Mr. Yantis highly commended these girls for the fine work done, and on behalf of the Veterans of Foreign Wars organization here, asked the Leader to extend thanks and appreciation for the fine work done.

## Change Of Venue Asked In Hunt Case

Motion for change of venue for the trial of Dr. W. R. Newton of Cameron, charged with assault to murder the late Dr. Roy Hunt of Littlefield, was being prepared by defense counsel for presentation Wednesday afternoon to Judge C. D. Russell in District Court at Plainview.

Dr. Hunt was shot down on the night of May 21, 1942, when he answered a call. Dr. and Mrs. Hunt were later murdered as they lay asleep in their bed in their Littlefield home. A paroled convict, Jim Thomas, is now facing a third trial in connection with the murder of Dr. Hunt.

The entire afternoon Wednesday was devoted to the hearing of witnesses in connection with the motion for a change of venue. Judge Russell will give his decision at the opening of court this (Thursday) morning. Judge Russell was to rule on the venue petition before taking up the matter of the qualifying of jurors. After 13 men of 44 questioned Tuesday qualified as prospective jurors, another jury panel of 36 men was ordered to report Wednesday. A. the state and defense each have a right to reject 10 jurors, a total of 22 men were expected to be qualified before a jury of 12 men were selected from the group. A total of 100 witnesses, 80 of whom were subpoenaed by the defense, make up the list for the trial which opened Tuesday morning. Newton had been previously tried and convicted and assessed a penalty of seven years in the penitentiary. He appealed the decision and the case was reversed and remanded. District Attorney Harold M. LaFont is directing the prosecution, assisted by E. A. Bills of Littlefield and Meade F. Griffin of Plainview. Defense attorneys are Camp and Camp of Cameron, E. D. (Dusty) Miller of Amarillo, Robert Lyles of Angleton, T. Wade Potter of Little-

field, and Frank R. Ray of Plainview. Mrs. Max Wood plays the part of Susan Heatherby, the wife of a college professor, played by E. E. Wesley. Susan doesn't understand her husband and in her estimation he is just an absent minded professor. But, she loves it we guess. Susan threatens to go to Reno and causing Dick Heatherby great distress, for two reasons. First, because he was really fond of Susan, and second because his Aunt Cordelia Quackenbush played by Mrs. E. S. Rowe, Sr. is coming to visit. Dick could not let Susan's absence be known, since his aunt is a well-known lecturer on the evils of divorce. To prevent such a catastrophe, Dick decides to do something about it. Buddy Chalmers, played by Jimmie Zed Robinson, a pupil of the professors and a quick thinker, makes a deal with Dick when a real Susan has to be produced. A butler also is needed so Buddy's girl friend Babs Boswell, played by Joan Price, who is pressed into the service and plenty of trouble in the form of Violet, the cook, played by Mrs. R. Nelson, who thinks Babs is a man

### Two Robberies Take Place At Olton Friday

### Burglars Get \$40 And Some Narcotics At Spear's Drug

Two robberies were reported to have taken place at Olton late Thursday night or early Friday morning. Glass was taken from the back door at the C. E. Bloy Day Goods, and the store was entered. When the knob of the safe was interfered with, the tear gas bomb attached, went off, apparently frightening the burglars, who left without getting into the safe. However, it was turned over by them and "beat up", according to Sheriff Sam Hutson. Speers Drug, Olton, was also entered the same night, and the same method of entrance used. The glass in the back door was taken out. The cash register was rifled, and carried to the back of the store and damaged. About \$40.00 of bus money, and some narcotics were taken. Sheriff Hutson stated that the burglars didn't get much but "tore the

## Funds Derived From Home Talent Show To Go To Project

### Meeting Place Needed; Anyone Having Space Asked To Cooperate

Plans are underway for the organization of a boys' club in Littlefield. The project is being sponsored by the Junior Chamber of Commerce, who are asking the other civic clubs of the city to cooperate. In an effort to secure funds to purchase athletic supplies and equipment to get the boys started, a local talent show, directed by Miss Dorothy L. Pragalz, will be presented at the Littlefield High School Thursday and Friday, June 6 and 7. In an interview with Ray Walker, President of the Littlefield Junior Chamber of Commerce Tuesday, he stated that a meeting place for the boys to gather was badly needed; and suggested that should anyone have space that they might donate, or allow the boys to use, the Club would greatly appreciate this cooperation. He stated that the first step would be to organize and secure athletic equipment and a meeting place. The plan is to organize into the club boys from 9 to 14 years of age. An investigation of the burglaries is being made by Lamb County Officers.

## VETERANS OF FOREIGN WARS TEAM SETS PACE IN SOFTBALL LEAGUE

After three weeks of play the V. F. W. team continued to set the pace in the Littlefield softball league by defeating Maxey Lumber Company of Lubbock, 16-4, Friday. W. O. W. trounced the high school team, 20-7, in the opener Friday night. Phillips 66 defeated Adkins Produce by a score of 12-11 Thursday night. In the games this week, Tuesday night Phillips 66 edged W. O. W., 8-7. American Legion vs. Adkins Produce scheduled for Monday was postponed. Tonight (Thursday) Jaycees and high school will meet and the game

Friday will be between the V. F. W. and Adkins Produce. Games scheduled for next week are as follows: Monday night, V. F. W. vs. Phillips 66; Tuesday night, American Legion vs. Jaycees; Thursday night, high school vs. Adkins Produce, and Friday night, W. O. W. vs. American Legion. The standing of the teams to date is as follows: V. F. W. won 2, lost 0; W. O. W. won 2, lost 1; Legion won 1, lost 1; High school, won 1 and lost 2; Phillips 66 won 3, lost 1; Jaycees, won 0, lost 2; Adkins, won 0, lost 2.

## Given Federal Sentences In Morton Bank Robbery

Ollie Oliver Melton and Olan Alvin (Chick) Rogers were given Federal sentences at the morning session Tuesday of the Lubbock division of the Federal district court. They were charged with the robbery September 5 of the First State bank of Morton. Melton, a criminal whose record

fills a complete page of legal size paper, must do the maximum penalty of 25 years. Rogers, who sat outside the bank in the getaway car when the late Matt Kimes and Melton robbed the bank and put in jeopardy the lives of bank officials and customers, was allowed a portion of leniency, and will serve 15 years. Fred Pair, aging former Dickens county peace officer, who was charged as an accomplice of the three others, must serve 18 months of penal time. A 15 months sentence to La Tuna, N. M., detention farm for short term prisoners was assessed against William Newton Milner 45, Lubbock man who had pleaded guilty of a charge under the extortion statute. Milner had admitted upon his arrest May 13 authorship of a threatening note addressed to Dr. J. T. Krueger, prominent Lubbock surgeon, and a demand that \$5,000 be buried at a spot designated in a crude drawing enclosed with the letter.

Stands First Among Fraternal Societies

Woodmen of the World Life Insurance Society stands first among fraternal benefit societies in the country in assets, government bond-holding and membership gains in 1945.

Among 155 such societies given "millionaire" classification in a study made by Fraternal Monitor magazine of Rochester, N. Y., the Woodmen Society's assets exceeding 153 million dollars last January 1 are greater than those of any other fraternal society. The Woodmen's assets now exceed 154 million dollars, or over 20 million dollars more than the second largest society.

With nearly 32 million dollars of government bonds in its portfolio at the start of 1946, the Woodmen of the World led all other societies in holdings of these securities. It holds second place in the total amount refunded to its members last year, and third in the amount paid to beneficiaries since organization. The society's refunds totalled \$1,099,970 in 1945. It has paid beneficiaries \$340,393,091.

A net membership gain of 14,952 adult and juvenile members last year was greater than that experienced by any other fraternal society. This was almost evenly divided, with 7,511 adult and 7,441 juvenile members. It also leads in membership enrollment in Alabama, Arizona, Arkansas, Florida, Georgia, Louisiana, New Mexico, North and South Carolina, Texas and Virginia, and is second in size of membership in Mississippi and Tennessee.

# Know The City Commission's Views On The Light Plant

Some local men are employed by the Southwestern Public Service Company to circulate a petition to have the City Commission call another election for the purpose of defeating the municipal light plant. Don't forget these men are being paid for their services.

The light plant bonds were voted by the people at an election held for that purpose, the local utility company contested the election. The city won it in all the courts. The Court of Appeals finally decided in favor of the City in January, 1943. The City Commission has delayed building the light plant for over three years during the war for reasons they believed to be the best interest of the war effort and on account of shortage of material. Since the war is over the City Commission has endeavored to know the position of as many of the citizens as possible. The City Commission has made an investigation of the wishes of the people at public meetings and in every other way we know and the larger majority ask that we proceed with the light plant.

H. N. Roberts of Lubbock, a competent engineer, has been selected and has made an estimate of the income that will be derived from a light plant and we believe his figures are very conservative, and are as follows:

Year	Population	City's Percent of Connections	Gross Revenue	Total Expenses	Surplus
1947	5900	50%	\$ 51,700.00	\$23,913.00	\$27,787.00
1948	6200	55%	63,648.00	26,037.00	37,611.00
1949	6500	60%	74,590.00	28,097.00	46,493.00
1950	6800	70%	90,980.00	29,653.00	61,327.00
1951	7200	75%	100,230.00	30,702.00	71,528.00

The bonds were sold last week on the following basis: Fifteen year bonds with option to retire in ten years at 2 1/4% interest for the first five years and with 2 1/2% interest for the last ten years. These are revenue bonds and don't cost you one red cent, but will be paid from the revenue of the light plant only. Upon investigation, the City Commission has found that the city light plant will pay a good revenue to the city, help reduce our bonded indebtedness, and make other necessary improvements. This is supported by the engineer's estimates. The purchasers of the bonds realize this to be true otherwise they would not have bought the bonds at the low rate of interest.

No effort will be made on the part of the City Commission to force any citizen to connect with the city light plant. You will have your choice, and remember that the plant is not going to cost you one penny in taxes.

It may be that those who sign the petition for the local utility company have not had all the information with reference to this matter and if anyone is interested in knowing the views of the City Commission we will be pleased to have you talk with any member of the City Commission or with the Mayor of the City.

Our only interest is in trying to build a better Littlefield.

### Seeks Election As Commissioner

George D. Tooley, who resides three and one-half miles northwest of Amherst, Tuesday announced as a candidate for commissioner of Precinct 4.

Mr. Tooley has been a resident of Lamb county for the past 10 years, and has been engaged in farming for all of that time. He was born and reared in Wilbarger county and came to this section from that county.

"I realize, have studied and understand the problems and needs of the people of my precinct and county and I will at all times render the best in service, being fair and honest in all my actions," said Mr. Tooley.

### Mother Of S. J. Farquhar Dies At Age of 91 Years

Funeral services for Mrs. A. N. Farquhar, 91, mother of S. J. Farquhar, were conducted at 2 o'clock Tuesday afternoon, May 21, at the W. Northington Funeral Chappell, Burnett. Rev. L. V. Nobles, Burnett Church of Christ, pastor, officiated. Burial was in the Cobble Cemetery, Burnett. Mrs. Farquhar died Monday morning, May 20, at the Sheppard-Allen hospital, where she had been taken several weeks ago when she became ill.

Mrs. Farquhar was born September 11, 1855, in Little Rock, Ark., but had resided in Burnett county most of her life. Mrs. Farquhar became united with the Church of Christ in early childhood, and was an active Christian worker.

Besides her son, S. J. Farquhar, survivors are one daughter and four other sons. They are; Mrs. A. H. Jenkins of Burnett, J. T. Farquhar of San Benito, B. S. Farquhar of Glendora, Cal., J. A. Farquhar and C. M. Farquhar of Lampasas.

Mr. Farquhar had been with his mother about two weeks when she passed away. Also at the funeral services was Mrs. T. C. Smith, the former Lois Farquhar of Roseburg, Texas.

### Girl Scout Leaders Meet Monday Night

### Lady Nearly Choked While Lying In Bed— Due To Stomach Gas

One lady said a few days ago that she used to be afraid to go to bed at night. She was swollen with stomach gas, which always got worse when she went to bed, and the gas would rise up in her throat after she lay down and would nearly choke her. She couldn't lie flat. Had to prop herself up on pillows. Recently this lady got INNER-AID and now says gas is gone, stomach feels fine, bowels are regular and she can go to bed and sleep soundly.

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Lamb County.

### All City Lights Now Installed

All the City Street lights recently received by the City have now been installed and working fine.

The first light installed at the First National Bank corner was put up about ten days ago; and the other two during the past week. One of these was installed Saturday at the Renfro-Bros. and Hall Grocery corner, and the other Tuesday opposite the Court House. The lights were all installed by W-W Electric.

Two more City lights have been ordered; and when received, the one, a caution light, will be installed at the end of Phelps Avenue on the Lubbock Highway, and the other opposite Walters Drug.

### Formal Investiture Service Monday

Troop No. 1 of the Girl Scouts had their formal investiture service Monday night at the Methodist Church, with parents and friends present for the ceremony. The service was conducted by Miss Alma Faye Henry, and Mrs. J. Ernest Jones, troop leaders, with each girl having a part.

Following the candle-light ceremony the leaders pinned their Girl Scout pins on the following girls: Mary Jo Porcher, Kay Hendricks, Marion Nickelson, Polly Lou Potter, Nancy Morrow, Erna Jane Jones, Carol Sue Haynes and Anita Alexander. Other girls now eligible for their pins who were not present are Betty Russell, Bobbie Janice Reed, Norma Kay Moss, Joetta Burton, Bonnie Blackwell, Esta Mae Bitner and Dorothy Bitner.

meeting, the troop leaders and committee women will meet with the board at 8 o'clock.

Plans will be made for the Day camps to be conducted by the Girl Scouts this summer. Mrs. A. B. Haynes, who represented the Littlefield organization, attended a 35-hour course on Day Camps held in Amarillo last week. She will report on the course she took, and dates and plans for the camps here will be set.

All board members, leaders and committee women are urged to be present, according to Charles Signor, president.

# BE SURE YOU GET WHAT YOU PAY FOR WHEN YOU NEED HEALTH AND HOSPITAL CARE

## COMPARE THE ADVANTAGES TO YOU

### WHAT IS THE PLAN AND COST OF A COOPERATIVE HOSPITAL

A Cooperative Hospital for Littlefield will give you the advantages of modern hospital facilities and doctor's care at the lowest cost per member.

**LIFE MEMBERSHIP FEE FOR ENTIRE FAMILY \$50.00**  
(This builds and equips the hospital, which the members own)

#### OUR SERVICE PLAN WILL BE AS FOLLOWS:

Yearly cost for Doctor's Services (which includes all examinations, treatments, tests and operations, ultra violet ray and diathermy treatments. One person in family \$12; two persons \$18; three persons in family \$22; four persons in family \$25. (\$2 additional for each member of family over four).

The family consists of father, mother and all unmarried children living at home regardless of their number or age. If such a family has a father, mother, brother, sister or other dependent living with them and dependent upon them for food, clothing and shelter, they may pay \$6 per year extra for such a dependent.

#### HOSPITALIZATION COSTS PAID AS YOUR FAMILY USES THEM

Semi private, 2 beds per room each day	\$2.50
Private room, day	\$3.00

#### ANESTHETIC-OPERATION ROOM FEES

Major Operations (like appendicitis) \$20 — Minor (like tonsils) \$10.  
Obstretical Cases \$10.  
Home calls are \$1.50, plus 25c per mile each way. One X-ray picture \$3; additional pictures \$2 each. Dye used in X-ray of the Kidneys \$3. Gall Bladder \$1 additional.

The services of the physician are free, but you pay for all materials and medicines used. Each physician is on a salary. The hospital is open to any qualified M. D. who wishes to bring his patients in for medical treatment or major or minor surgery. Members have the privilege of using doctors not on our staff, but must pay his service fee.

The money derived from non-member business gives additional services and better medical care by employing additional doctors.

### HOW IS A COOPERATIVE HOSPITAL OPERATED?

A board of directors of nine members who meet from time to time as the need requires manage the affairs of the hospital. The board elected to serve for the first year as follows: C. W. Smiley, Ben Gann, W. F. Martin, Roy Byers, Doss Maner, S. N. Twilley, V. H. Diersing, W. M. McCoy, and H. N. Bennett.

The Board of Directors hire the chief doctor and the business manager. The chief doctor hires other doctors, nurses, and technicians, subject to confirmation by the Board of Directors. The business manager hires other personnel subject to confirmation by the Board.

It is the purpose of the Board of Directors and the members to charge enough dues and hospital fees to defray the necessary expenses and not make profit. Our profits over running expenses belong to the association and such funds may be used for expansion, pay indebtedness, improve the service by taking on additional doctors or buy more equipment.

A member can choose any physician on the staff to treat him. If a member is dissatisfied he can talk to the business manager concerning financial matters, to the chief or staff concerning medical matters. He can appeal to the Board of Directors should he fail to reach an adjustment. Memberships are transferable with payment of \$10 transfer charge.

### WHAT IS THE PLAN AND COST OF A LEGALLY LICENSED HOSPITAL?

**NO MEMBERSHIP FEE — NO ASSESSMENTS —  
PREPAYMENT INSURANCE PLANS PROVIDE —**

- Liberal fees for hospital room — Operating Room — Anaesthetic — Laboratory Service — Medicines — Surgical Dressings and Supplies — Oxygen — Iron Lung Service
- Liberal Fees to the Surgeon of your choice for Surgical Operations.
- Benefits are provided in ANY LICENSED HOSPITAL ANYWHERE — ANYTIME.

**TOTAL COST ONLY A FEW CENTS A DAY FOR YOUR ENTIRE FAMILY**  
YOU PAY ONLY ONCE — NOT EACH TIME YOU NEED HOSPITAL CARE.

### THE AMERICAN WAY

The FREE LICENSED Hospitals and Doctors of this country have available to them all the benefits of improved medical care resulting from continuous research by the National and State Medical Associations.

### YOUR AMERICAN DOCTOR HAS

- Increased the span of life from 35 years in 1790 to 62 years today.
- Made it possible for a child born in 1942 to live an average of 12 years longer than a child born in 1900.
- During the past 40 years reduced the death rate from 1,755 per 100,000 people to only 1,060.
- Caused Typhoid Fever to almost disappear — Subdued Smallpox — Practically conquered Diphtheria, Tuberculosis, Diabetes and Brought under control many lesser ailments.

### YOUR LICENSED HOSPITALS

- Are Operated by skillfully trained doctors who cater to the welfare of you as an individual—Not on a production line basis.
- Profits are expended for equipment of the most modern type and continuous post graduate work to enable you to receive the best medical care possible— When you need it.
- Provides medical care in many cases to the unfortunate — without compensation.

## Engagement and Approaching Marriage of Miss Walker and L. G. Wilson is Announced

MISS VIRGINIA WALKER

One of the most delightful affairs of the season was the coffee given at the home of Mr. and Mrs. P. W. Walker, Thursday morning from 10 to 12, at which the engagement and approaching marriage of Miss Virginia Walker to L. G. Wilson was announced.

Hostesses of this social function were Mrs. Walker and Miss Margaret Teel.

Members of the house party were Mesdames Bill Chesher, A. R. Hendricks, W. D. Watkins, C. E. Payne, I. T. Shotwell, Jr., Maple Wilson and Charles Bucy.

Mrs. Chesher greeted the guests at the door, while the following formed the receiving line, Mrs. Walker, Miss Walker, Mrs. Wilson, Miss Teel and Mrs. Bucy.

Mrs. Watkins presided over the register.

Mrs. Shotwell, Jr., ushered the guests to the dining room. Mrs. Hendricks and Mrs. Payne assisted in the serving.

The coffee table was centered with a beautiful crystal cornucopia holding calla lilies, on either side of which were crystal candelabra; and on the buffet attractively arranged was a matching floral piece of silver with silver candelabra at either end.

The date of the approaching wedding was announced in a very unique and clever manner. A large placard, a beautiful work of art, lettered by Mrs. Morrow Mayo, standing on an easel, announced the ceremony would take place on Saturday, June 15 at 3:30 p. m., at the First Presbyterian Church, Littlefield.

The bride-to-be is a graduate of Littlefield High School, attended Hockaday School for Girls, Dallas, two years; University of Texas, one year, and Southern Methodist University, Dallas, two years. She was a member of the Zeta Tau Alpha Sorority at the University of Texas, and also a member of the Cotillion Club, Dallas.

Mr. Wilson is a graduate of the New Mexico Military Institute, and has attended Tech College, where he was a member of the Frangler Club. He was in service 3½ years, serving with the ground crew of the Air Force, and discharged in February last.

Miss Walker served as Lamb County Chairman of Camp and Hospital unit of Red Cross during the war.

### Breakfast and Linen Shower Compliments Bride-Elect

Mrs. W. D. Watkins, Mrs. W. J. Chesher and Mrs. A. R. Hendricks entertained at a breakfast and linen shower, Saturday morning at the Watkins residence, 301 East 12th Street, complimenting Miss Virginia Walker, bride-elect of L. G. Wilson.

The meal was served at four round tables, where pretty hand painted place cards were featured.

Beautiful spring flowers in profusion, including snapdragons, larkspur and lilies, added to the attractive entertaining rooms.

The honoree was the recipient of a lovely array of gifts.

The guest list included Miss Virginia Walker, Mesdames P. W. Walker, I. T. Shotwell, Jr., C. E. Payne, A. C. Chesher, C. E. Cooper, Charles Signor, Edwin Fowler, Otha Key, T. Wade Potter, G. M. ### Bride-Elect Is Complimented At Breakfast Tuesday

Miss Virginia Walker, bride-elect of L. G. Wilson, was the honoree at a lovely breakfast at the home of Mr. and Mrs. Pat Boone Tuesday morning.

Hostesses of the occasion were Mesdames Boone, W. G. Street, C. E. Cooper, and G. M. Shaw.

The bride's table was laid with lovely Madeira linen cloth, and set in gold Regent crystal, with a gold band of Cape Jasmines forming the centerpiece.

Each of the guests read a prophecy on her place card written for the bride-to-be.

The honoree was presented with a lovely gift—a cook book—by the hostesses.

About 40 guests attended.

Sweden has the best atmospheric conditions for radio reception.

## Mrs. Gene Bartley Honored At Lovely Bridal Shower

The home of Mr. and Mrs. Ed Drager was the scene of a lovely bridal shower on Thursday evening, May 23, honoring Mrs. Gene Bartley, the former Miss Ruth Drager.

Cut flowers decorated the home for the occasion.

Mrs. W. T. Mauk was the hostess.

After admiring the many lovely and useful gifts, refreshments of cookies and lemonade were served to the following:

Mesdames E. L. Gattis, E. A. Russell, Charles Ogerty, Ben Lyman, Cal Harvey, Ed Zybra and children, Mr. and Mrs. H. E. Gohlke, Mrs. H. A. ## Miss Jungman and John Walker Wed in Church Ceremony

In a beautiful and impressive ceremony, Miss Anna Belle Jungman became the bride of John W. Walker Tuesday morning, May 21, at 8:30 o'clock in St. Phillips Church at Pep, Texas, before an altar banked with pink and white roses, and blue, pink and white larkspur.

Rev. Father M. F. Schaffie officiated with the double ring ceremony.

The bride wore a lovely white gown of chiffon organdy, with a long lace trimmed bridal veil of tulle draped from a beaded crown. For "something old" the bride wore earrings, which her grandmother, Mrs. J. V. Glumpler, wore on her wedding day 60 years ago. For "something borrowed" she wore a pearl necklace belonging to her sister, Lydia Jungman. She carried a blue lace handkerchief for "something blue". Her "something new" was her trousseau. She carried an arm bouquet of gladioli, tied with white satin ribbon and finished with streamers.

Mrs. Syl Diersing, cousin of the bride, played the Lohengrin bridal chorus as the bridal party entered the church. Mrs. Louise Rose presided at the organ during Mass. The altar boys during the ceremony were Ralph Demel, Darrel Meyer, Eugene Sokora and Jerry Decker.

The bridesmaids were sweeping floor length gowns and feather hair-dress. Miss Valeria Jungman, sister of the bride, who was maid of honor, wore a light blue dress and a fushia hairdress. Miss Lydia Jungman, sister of the bride, wore a peach color dress and a light blue hairdress. Miss Viola Demel, cousin of the bride, wore an aqua dress and white hair-dress. Their corsages were of pink gladioli.

Little Miss Harriet Sinnacher, 5-year-old niece of the bride, carried the bride's veil as they entered and left the church. She wore a lovely long white dress and a lace trimmed fingertip veil. She is the daughter of Mr. and Mrs. Frank Sinnacher, Jr.

The groomsmen were Billy Jungman, cousin of the bride, who was best man; Max Demel, cousin of the bride, and Joe Jungman, cousin of the bride, from Munday, Texas. The bridegroom wore a tan suit. The groom and groomsmen wore white carnations.

The bride was graduated from Pep High School with the class of 1943. She is the daughter of Mr. and Mrs. A. G. Jungman.

Mr. Walker, son of Witt Walker, served 38 months in the Air Corps, 24 of which were spent in the European theater, as a glider mechanic. He received his discharge last October. The groom was graduated in 1940 from Pep High School.

A reception was held at the home of the bride's parents. The refreshment table was laid with a white linen table cloth, centered with a two-tiered wedding cake and reflector, with blue tapers on either side.

The bridal couple was honored with a dancing party in the evening. The grand march was led by Mr. and Mrs. A. G. Jungman, parents of the bride. Music was furnished by the Pep orchestra.

A number of out of town guests attended the wedding ceremony, including relatives and friends of both the bride and groom.

Mr. and Mrs. Walker, at the present time, will make their home with the groom's father, Witt Walker, southwest of Pep.

## HALL MOTOR BUILDING IS MOST MODERN; FIREPROOF BRICK AND TILE CONSTRUCTION

MANCIL HALL

When Mancil Hall, owner of the Hall Motor Co., decided to erect a new building for his Ford agency, he determined that his structure would incorporate those facilities which have proven best throughout the Nation. In order to acquire this information he visited countless numbers of Ford agencies.

In his investigations Mr. Hall had two thoughts in mind:  
The construction and equipping of

an establishment which would provide the maximum in service to customers, and provide a place of business which they would enjoy visiting.

The providing of the best in and surroundings for employees, to the end that they would thoroughly enjoy their work and be efficient at all times.

The new Ford agency stands today as very definite evidence that Mr. Hall amply succeeded in his objective.

Of brick and tile construction, with Leuder's limestone facing, the building is 77 by 125 feet with frontage on Phelps, Sixth and XIT drive, and is of fireproof construction. The roof is of steel channel iron, one inch of insulation, and standard builtup covering of pitch and gravel with tar paper between the layers.

The show rooms, together with an attractively furnished lounge for the use and comfort of customers has an area of approximately 2,000 square feet. The parts and service departments have an area of approximately 7,500 square feet.

The show room plate glass windows are set at an angle for maximum vision and the reduction of glare.

One particularly outstanding feature of the new Hall building is the employing of color dynamics throughout the structure for maximum utilization of light, softness in wall treatment and the elimination of glare.

The show rooms have a terrazzo floor.

The offices and show rooms are air conditioned, providing a summer temperature of 20 degrees cooler than outside.

A modern heating system providing for satisfactory regulation of temperature will make the show rooms and offices comfortable in the cool months.

The service department is one of the most completely equipped on the South Plains.

Mr. and Mrs. Norman Renfro left for Farmersville recently to visit her parents, Mr. and Mrs. Tyler.

Mr. and Mrs. Arthur Jones and daughters, Jean and June, have returned from a ten day vacation at Meridian, Texas.

## Spring Lake Box Supper Nets Seniors \$250.00

The Box supper staged at Spring Lake Monday night netted the Senior Class of Spring Lake School, who sponsored the affair, a total of \$250 which will go towards defraying the expenses of their senior trip.

In connection with the box supper a candidate speaking took place, at which Otha Dent, announced he would be a candidate for the office of County Judge.

Reports indicate that due to the inclement weather the attendance

was not too large, but those attending enjoyed the evening.

J. I. Carrell left Friday for Dallas where he entered the Tremont Clinic for treatment for Asthma and Bronchitis. He will be there a month or six weeks, or as long as is necessary, according to Mrs. Carrell. About two months ago he spent three weeks at this Clinic and was some better.

## Nine Lamb County Boys Winners in Lubbock Contest

The nine Lamb county boys selected as winners in the annual Sears-Roebuck pig contest at Lubbock have been announced by the county agent's office as follows:

Jerry Haire, Littlefield; Donald Foltyn, Sudan; Dale Edwards, Amherst; Durwood Bailey, Sudan; Buddy Joe Wiseman, Sudan; J. Frank Daugherty, Olton; James Smith, Spade; Douglas Adams, Fieldton; and Celton Farley, Fieldton. All the boys get a registered gilt except Farley, and he gets a registered Duroc boar pig. Jimmy Burghes of Earth was selected as an alternate in the event one of the other boys does not want the gilt he won.

These pigs, the county agent's office states, come from litters of boys who won the gilts last year so due to the difference in farrowing time; some of the pigs won't be old enough to wean for two or three weeks yet some of the boys will get their gilts Saturday, but the others will not get theirs until they are of weaning age. The boys have been notified by Claude Emmons, assistant county agent, as to when they can get their pigs.

Emmons states there were several good essays written this year and that he hopes that the boys who were not selected as winners this year will be winners next year.

The winners were judged on their essays along with the facilities they have for carrying out the hog project. The boys will get their pigs as soon as possible and they will be ready for the county show to be held the latter part of September, and the district show at the fair grounds in Lubbock, Sept. 28, according to Emmons.

## NEW DRUG STORE ESTABLISHED HERE BY L. PEYTON REESE AND H. D. REESE

A new drug store is being established in Littlefield by L. Peyton Reese and H. D. Reese, formerly of Plainview, in the new Richards building one block north of Rowe Abstract building, which will open for business Saturday.

Mr. L. Peyton Reese, who is a registered pharmacist, has owned and operated the Hilton Hotel Drug, at Plainview, since 1940. His brother, H. D. Reese, has been associated with him in the drug business at Plainview, and has also had considerable drug experience.

As a special feature on opening day the Reese Drug will serve free coffee, and invites the residents of this area to visit them on this day.

The Reese Drug will handle nationally advertised drugs, Howard Radios, and Westinghouse traffic appliances, including radios.

A complete fountain service will be offered at the new drug store including sandwiches, etc.

Hospital and sick room supplies and babies remedies and supplies will be featured at the new store.

Both Reese brothers have purchased homes here, and have moved to Littlefield.

Istanbul, Turkey was first known as Byzantium, and later as Constantinople.

## Traffic Deaths Likely To Reach 38,000 In 1946

A traffic death toll of 38,000 during 1946!

That's the prediction made by the National Safety Council on the basis of traffic reports for January and February—unless the present trend is checked through extra effort by everyone in the nation-wide traffic accident prevention program now underway.

If the prediction is verified, 1946 will go down as the second most deadly year in America's automobile history, with 1941 still the grim leader with a toll of 40,000 fatalities.

Traffic deaths went up 49 per cent and 45 per cent respectively in January and February over the same months a year ago. The death toll for those two months was 5,460.

Council statisticians estimate that about the same number will have been killed during March and April, although reports are not yet complete.

Ned H. Dearborn, president of the National Safety Council, urged the public's cooperation with traffic officials to halt the steady rise in traffic deaths and injuries.

## Miss Ball and Ralph Loveless Wed

Miss Anna Mae Ball, daughter of Mr. and Mrs. D. H. Ball, of Olton, became the bride of Ralph Loveless, son of S. D. Loveless, May 9.

The beautiful single ring ceremony was read by Dr. Nal D. Cannon in the auditorium of the Polk St. Methodist Church in Amarillo.

The bride was attractive in a blue-grey suit with black and white accessories.

Mrs. Loveless is a graduate of Olton High School. She attended Lipfert's business college.

Mr. Loveless is a graduate of Idalou High School. He received his release in March from the Army after 5 1/2 years with the Air Corps.

They are making their home at 960 North Taylor in Amarillo, Texas.

## HONORED AT TECH

Miss Audrey Melton, daughter of Mr. and Mrs. A. D. Melton of Olton, was among 140 women students honored at the 15th annual recognition service at Texas Technological College recently. Awards were made only to those students who have maintained a high scholastic average and who have shown leadership in campus activities.

Miss Melton is a senior vocational home economics major.

agencies for protecting people on streets and highways must have the help of every individual driver and pedestrian. Obey the law. Reduce speed to conform to conditions. Listen to those officials whom you pay to protect you. Heed their warnings and drive more carefully than you have ever driven in your life," Mr. Dearborn said.

Mr. Dearborn pointed out that the traffic situation has been declared an emergency by President Truman, who recently held a national highway safety conference to seek cooperation in stopping the present trend.

## Our Arctic G. I.

As one of the soldiers in Operation Muskox, a joint enterprise of the U. S. and Canadian armies to test Arctic conditions, the G. I. shown above wears seven layers of apparel: "fishnet" underwear, regulation underwear, heavy flannel shirt, high-neck sweater, water-repellent battle dress, parka pile liner, parka trimmed with wolf, and two scarves as insulators.

## Miss Dora King And Johnny Crawford Wed At Denver City

A single ring ceremony was read for Dora Beth King, daughter of Mr. and Mrs. A. V. King of Olton and Johnny Crawford, of Olton, with Rev. Golden officiating.

The ceremony took place Saturday, May 18, 6:00 p. m. in the home of Mr. and Mrs. F. A. Yarbrough at Denver City, Texas. Fred Yarbrough was best man and Mrs. Mamie Yarbrough as maid of honor.

The bride wore a white Jersey dress with pink accessories tipped with white. A small hat with white flowers and pink veil and ribbon.

She carried a pair of pink gloves in her hand. For something old, she wore her mother's gold bracelet which she had when she married. For something borrowed she wore a pearl necklace belonging to Erma Jo Jackson.

The couple returned from Denver City Monday and will make their home north of Olton.

## YOUTH'S NO. 1 ENEMY

BEFORE you read this—stop just a moment and think of some child or young person who is very dear to you.

Maybe you have a mental picture of your own son or daughter, or maybe it's a niece, a nephew or some cute neighborhood kid.

There isn't anything you wouldn't do, within your power, to prevent that youngster from injury or suffering.

Yet 20,000 such youngsters will be struck down this year utterly needlessly—unless something is done NOW to prevent such tragedy. They will be the victims of accidental death which annually takes the lives of more children and young people between 1 and 19 years of age than the ravages of pneumonia, infantile paralysis, diarrhea, enteritis, whooping cough, diphtheria, cerebrospinal meningitis and scarlet fever—ALL COMBINED.

In addition to the 20,000 children and youths who were accidentally killed last year, 76,000 adults met death. The injured numbered 10,000,000 of which 340,000 were permanently disabled. In fact, 60 per cent of all permanent physical impairments in this country today were suffered through accidents.

The tragedy of it all is that those accidents were preventable. They didn't JUST HAPPEN. They were CAUSED. The causes of accidents can be removed by better and more widespread knowledge. These cities have shown concretely what can be done:

ed by better and more widespread knowledge. These cities have shown concretely what can be done:

St. Louis has reduced fatal home accidents 59 per cent in two years. Cleveland, Rochester, Cincinnati and Detroit have cut vehicle accidental deaths nearly 50 per cent since 1935.

Kansas City cut traffic deaths among school children 65 per cent during the past 10 years.

Lansing, Mich., has reduced all types of accidental death 50 per cent since 1939.

Those cities did something about the problem in their own communities. They removed the causes of accidents with a program of intelligent accident prevention activities. Those same types of activities need to be put into effect in all communities throughout the nation.

To accomplish this task, the National Safety Council is launching its first Green Cross for Safety Campaign during the month of May to raise funds for an expanded accident prevention program. Your help is being sought.

When you think of that child who is dear to you, remember that your contribution to this national fund will go for his protection. Whatever you give will be an investment in future America, for ACCIDENTS ARE THE NO. 1 ENEMY OF AMERICAN YOUTH.

## McMurray Chanters To Make Tour

Abilene, Texas—Five appearances in this area are scheduled to be made by the McMurray Chanters, a group of thirty young men and women, on their current spring tour. They will sing at Muleshoe Methodist Church on May 28; Levelland Methodist church on May 29; Tahoka Methodist church on May 30; Plainview First Methodist church on May 31; and Lubbock Asbury Methodist church on Sunday Morning, June 2.

On a two-week tour, the Chanters will visit at least 15 cities of the Panhandle and West Texas, with a combined sacred and secular program, and featuring, for the first time in several years, a male chorus in the group.

The concert will feature the following soloists: Sopranos, Jennye Ruth Hooper, Abilene; Pat Wilson, Bovina; Ruth Greer, Olney; Willie Ellen Williams, Bovina; Patsy Kirk, Slaton; Adelle Dixon, McCaulley; Tenors, Hubert Carson, McCaulley; Troy Wadzeck, Rochester, and Walter Chalcraft, Seattle, Washington, bass.

Other members of the group which are to make the spring trip are: Sopranos, Clydeen Warren, Gorgee; Myra Bigony, Big Spring; Ellen Williams, Putnam; and Hortense Phoenix, Hamlin. Altos, Zoe Evelyn Humphries, Tulia; Olivia Hunt, Sweetwater; Wynelle McGee, Knox City; Natalie Walton, Snyder; Flora Alice Hames, Munday; Carole Jean Byerly, Rotan; Nancy Harris, Nocona; Joy Garner, Gustine; Dorothy Pitmann, Seminole; and Adale Strickland, Rotan. Tenors, Donald Loyd, Vega, and Jonny Jones, McCaulley. Basses Howard Wilkins, Abilene; Weldon Carter, Abilene; Charles Hogsett, Rotan; and Harold Fees, Seymour.

## Tech Students Expected Home

**YOUR DOCTOR DOESN'T READ MINDS....**

He has no crystal ball, either. He arrives at his diagnosis largely by what you tell him of your symptoms—and he's the one person you should never "hold out on." Information you may think unimportant may be very significant to him. Physicians are among the busiest of men. Don't make your doctor ferret out hidden facts concerning your illness! It imposes an unnecessary burden on him and may cheat you of the medical care your condition actually requires. Speak to him freely. No confidence of yours will ever be violated by your doctor.

**Former Court House At Olton To Be Used For Hospital**

Plans are progressing nicely on the Olton Memorial Hospital. The former Court House Building has been obtained for the use as a hospital. Plans are to remodel the interior of the building to meet hospital requirements. The charter has been applied for and it is expected in a few days. So far around 300 memberships are reported.

**American People Responding To Food Collection**

New York, May 27—The American people are responding with their traditional generosity to the nationwide Emergency Food Collection for the hungry and starving millions overseas, Secretary of Commerce Henry A. Wallace, national chairman of the drive, announced today.

The appeal for money to buy food and for gifts of food canned in tin for shipment to famine areas is now under way in more than 6,500 cities, towns and villages, of which 500 have been organized since the campaign officially opened May 12. Additional local chairmen are being enlisted daily, he stated.

Mr. Wallace said that every mail is bringing checks and money orders made payable to Lee Marshall, executive director, at national headquarters of the Emergency Food Collection, 100 Maiden Lane, New York City. The contributions received, he declared, indicate that the average American is willing to make more than an average effort to give direct and personal help to some desperately hungry human being overseas.

The contributions include money saved in many communities by boys and girls who are giving up between-meal snacks, ice cream and sodas.

Many local groups and organizations, Mr. Wallace reported, are arranging "famine" luncheons and dinners, with menus typical of the meager fare on which hunger victims overseas are trying to subsist. The proceeds are being turned over to the Emergency Food Collection. Adults who are skipping meals are also giving the price of those meals.

Checks covering costs saved at breadless, cakeless and pieless meals now being instituted at many public restaurants, college and university dining halls have also been pledged to the Food Collection, Mr. Wallace added.

**State Fair of Texas Oct. 5-20**

Classes will be set up for all beef and dairy cattle, swine, sheep, and poultry fed by farm and ranch youth in preparation for the State Fair of Texas at Dallas, Oct. 5-20, Roy Rupard, Fair Secretary, has announced recently.

All standard show divisions included in programs at the Fair before its discontinuation in 1941 will again be included Rupard said, plus a few classes to be announced later.

The Junior Livestock show will be held this year as a separate event, Oct. 5-8, with all barns and pens turned over to teen-age exhibitors.

**Soil Conservation Election June 15**

The election to determine a Soil Conservation District for Lamb County will be held over the county on June 15, according to information received this week by C. H. Messer who has been named polling superintendent for the election.

The "notice of election" set forth eligibility for voting as follows: "To all natural persons who hold title to farm or ranch lands lying within the district, who have attained the age of 21 years, and reside within the county; who own land within a county, any part of which is included in the said territory described as Lamb county."

The election will be held in Lamb county upon the proposition of the creation of the Lamb County Soil Conservation District as a governmental subdivision and a public body. Soil Conservation laws of the state will be followed in holding the election.

The election will be held without expense to Lamb County. Expenditures in connection with holding the election will be paid by Soil Conservation Service.

There are between 1250 and 1350 qualified voters in Lamb county, Messer said.

Election judges and clerks receive no pay for their work on June 15. Messer asked that clerks and judges who hold the election be given cooperation, and that appreciation be shown for the job they do. He stated he did not have time to contact each judge and clerk before submitting the names to headquarters in Temple.

## WARREN RUTLEDGE IS SELECTED TO ATTEND RED CROSS TRNG. COURSE

Warren Rutledge, Jr., son of Mr. and Mrs. Warren H. Rutledge of this city, has been selected by Mrs. A. B. Haynes, Junior Red Cross Chairman for Lamb County, to attend a ten day Red Cross Training Course at Camp Clear Fork, near Hot Springs, Ark. He will leave Littlefield June 5. The course opens June 6.

In recognition of the work accomplished by the Local Junior Red Cross, Mrs. Haynes was asked by Red Cross headquarters to select a boy, who had certain talent and training, to attend the above course. Included in the course will be water safety, Red Cross aid, home nursing, etc.

This course is being given in connection with an enlarged Red Cross program being put on by the schools.

Warren is 14 years of age, and was promoted this term into the high school. He is an outstanding student.

residence. Requests should be addressed to the nearest Regional Office of the Veterans Administration.

Q. Does the Veterans Administration furnish artificial limbs to veterans?

A. Artificial limbs are furnished veterans when required for a service connected condition or for an associated disease or injury. Seeing eye dogs are also furnished.

Q. Where should veterans go to receive employment assistance?

A. To the nearest office of the United States Employment Service or to the nearest Selective Service Local Board.

Q. How can a veteran who is interested in Federal employment find out about job opportunities?

A. Announcements of civil service examinations, and the proper application forms, may be obtained at any first or second class post office, or from the United States Civil Service Commission, Washington 25, D. C. A veteran gets 5 point preference because of his service, and 10 points if disabled.

Q. Does the Veteran's Administration issue an American Flag upon the death of a veteran?

A. An American flag with which to drape the casket of any veteran of a war, discharged under conditions other than dishonorable, may be issued by postmasters at any county seat post office or at any other post office designated by the Veterans Administration, or by field stations of the VA.

### Mrs. A. B. Haynes Attends Meeting

Mrs. A. B. Haynes left Littlefield Monday of last week to attend a girl Scout meeting at Amarillo, which convened all week. She was accompanied as far as Canyon by Rev. Haynes, who spent last week with his son and daughter-in-law, Mr. and Mrs. A. B. Haynes, Jr.

Mrs. Haynes returned to Littlefield Tuesday to attend the Woman's Study Club breakfast, but left again the next day for Amarillo.

Rev. and Mrs. Haynes returned to Littlefield Saturday night.

### Cub Scouts Go On Camp Post Outing

The regular monthly pack meeting of the Cub Scouts was held Friday night at the Scout Hut, when members of Dens No. 1, 2, and 3 were in attendance.

Arrangements were made for the boys, accompanied by their fathers, to go on an outing to Camp Post. A number of the boys and their fathers left Saturday returning to Littlefield Sunday.

A. J. Becker took his group and necessary equipment in his truck. Some of the fathers made the trip in their cars.

Mr. and Mrs. E. A. Bill plan to visit their daughter and son-in-law, Mr. and Mrs. James Penn, at Springfield Mo. in June. They will spend two weeks with Mr. and Mrs. Penn.

### Cotton Research Congress To Meet At Dallas July 8

Early, out-of-state reservations for the Seventh Annual Cotton Research Congress at Dallas, July 8-9, indicate widespread interest in the meeting throughout the Cotton Belt, according to Walter B. Moore, chairman, public relations committee.

Sponsored by the Statewide Cotton Committee of Texas, with Burris C. Jackson, Hillsboro, as general chairman, the Congress will discuss the theme "Cotton, a World Force", and have numerous exhibits of mechanical cotton equipment, cotton and cottonseed products, and research development.

Representatives of newspapers, agricultural experiment stations and extension services, and cotton organizations from Mississippi, Oklahoma, Tennessee, New Mexico, Georgia and other Cotton States have already made reservations for the meeting, Moore said.

National news and business publications, hardware and implement

journals and other publications will have correspondents at the meeting, because of the nation-wide economic importance of cotton and cottonseed and significant new developments in cotton mechanization that will be exhibited.

President Gibb Gilchrist of Texas A. and M. College's chairman of the program committee; L. T. Murray, Texas Cotton Association, Waco, arrangements chairman, and D. T. Killough, Texas Experiment Station College Station, exhibits chairman.

Miss Emma Sell, member of Littlefield School Faculty, plans to leave this week end for Temple, where she will visit her mother, Mrs. August Sell, during the holidays.

Dr. and Mrs. C. E. Payne spent from Wednesday until Sunday recently in Dallas.

Mrs. W. D. Gilder was a patient in the Littlefield Hospital Thursday and Friday of last week. She is reported to be better and attending her beauty shop.

### Information For Veterans

Q. How does the Veterans Administration determine the amount of pension to be paid a disabled veteran?

A. The Veterans Administration has rating Boards that review the veteran's medical records. These boards decide how much he is disabled and award him a pension based on the percentage of his disability. The awards range from \$11.50 to \$115.00 per month.

Q. When a veteran applies for a loan to buy a house does he have to pay the appraisal fee on the property?

A. Yes. However, the veteran may arrange with the lender for payment of this fee out of the loan.

Q. Can a veteran go to a college or school as long as he wants to?

A. Veterans are entitled to one year of schooling, plus one month of schooling for each month of active duty in the armed services up to a maximum of 4 years.

Q. If a veteran becomes disabled while taking on-the-job-training, is this considered the same as a service-connected disability?

A. Yes.

Q. Are all veterans entitled to free private dental care?

A. No. Only veterans with service-connected conditions are entitled to this service.

Q. Can a veteran convert his National Service Life Insurance Policy into a 20-year or 30-year endowment policy?

A. No. He can convert his term insurance only to ordinary life, 20-payment life or 30-payment life policies.

Q. Is the widower of a woman veteran entitled to pension at her death, and are the children entitled to any pension?

A. A Widower is not entitled to pension under the present law, but surviving children may be.

Q. For what veterans is out-patient treatment furnished by the Veterans Administration?

A. Veterans whose disabilities are service-connected may in addition to hospitalization and domiciliary care receive out-patient medical, surgical, and dental services for their service-connected diseases or injuries. Treatment may be given at a Veterans Administration Hospital or be authorized to be given by a physician or a dentist in the applicant's place of

### Dancing Is Fun!

Geraldine Fitzgerald and Peter Lorre and Sydney Greenstreet adoring Kwan Yin, Chinese goddess of human destinies in "Three Strangers." This picture will be shown at the Ritz Saturday midnight, Sunday and Monday.

Jimmy Clark and Virginia Vann make one of the nicest looking young couples at the high school spring dance, in the new hygiene film, "Mom and Dad". Miss Vann has a fine singing voice and sings the new Eddie Kay hit, "Where Shall We Dream Tonight", in this movie. "Mom and Dad" opens its engagement at the Ritz Theater (tonight) Thursday, for two days only.

### Picture Puts An End To 'Ignorance'

The special attraction, "Mom and Dad" which is coming to the Ritz Theater Thursday and Friday puts an end to ignorance. It deals with all the delicate subjects of hygiene and the facts of life, in a cold, honest, frank, outspoken way. This film tells its story—a story that thousands of high school girls "lived" last year—and then it goes on to prove where, in most cases, the evil lies—who is to blame. But it doesn't stop there—it keeps right on going—proves its point and suggests the solution.

"Mom and Dad" is more than a motion picture—in fact it's three motion pictures in one—plus a hygiene commentator, Mr. Elliot Forbes, in person. It is a vital and tremendously important event in every community throughout the nation today. Conditions which existed before the War, but which have increased many-fold because of it—yes, shameful conditions—are its subject matter. "Mom and Dad" is powerful screen-fare, too powerful in fact for the sick, ailing or weak-hearted as nurses are carried by the attraction to aid any who faint. Sparkling, new and full of modern 1946 zest and catchy dialogue, "Mom

### Paving Project Starts At Sudan

Work on paving some forty-odd blocks of residential streets in Sudan got under way Monday, following the awarding of the paving contract recently to Fred Hall & Son, Waco contractors, successful bidders for the work. Second avenue, beginning at Main street, going east is the first street to be paved, and the work will be completed as rapidly as possible. The contract calls for completion of the job in 45 working days. However the contractors anticipate with favorable weather and working conditions completing the work in less time.

### Tire Thieves Busy In Sudan

Automobile tire thieves struck in making a raid that netted them nine tires, Wednesday night of last week taken from cars of six Sudan residents. J. H. Vincent, Ed Martin and Joe Foster were the heaviest losers, the looters taking two tires from each of their cars. Tobe Vereen, son Lyle and A. A. Pinkerton, other victims of the theft raid, are minus one tire each, and the city pick-up was also stripped of all tools, oil and a spotlight. No tires were taken from the pickup. City Marshall J. D. Chester was informed of the theft early Thursday morning and notified officers in surrounding towns. An unconfirmed rumor Thursday was that the loot had been located in Lubbock.

### HOME FOR VACATION

Sherrill and Paulette Hay arrived in Sudan last week for their vacation after the end of the term at Trinity university at San Antonio. Their father, Postmaster, Simon D. Hay, made the trip to San Antonio to bring the girls back home to Sudan. Paulette will be a senior and Sherrill a junior when they return to school in September.

and Dad" is first of all entertainment, secondly an impressive warning, and finally proof that immoral living doesn't pay. It has its highly educational moments, in fact many doctors, nurses, health officials and educators throughout the country have driven miles to witness it—because of their interest in just a single sequence. Because of the nature of the story grade school-age children are not admitted. It's ideal education entertainment for high school-age and older however. In view of the fact that its medical sequences speak out the truth so frankly and boldly, so that all may see, hear and understand the facts of life, it is shown only to segregated audiences. There will be shows for women and girls only at 2 and 7 p. m. each day and for men and boys only at 9 p. m. each night.

### What Railroad Workers Want

Here's an explanation of how the railroad dispute got even more snarled up.

But keep one thing in mind: Many railroad workers get paid differently from workers in other industries: They get paid on mileage and hourly rates.

This makes the whole job of paying the different classifications of railroad workers far more complex than other kinds of workers.

In the present dispute the Brotherhoods of Engineers and Trainmen made two main demands.

1. They wanted a straight wage increase of at least \$2.50 a day. For an 8-hour day this would be slightly more than 31 cents an hour.

2. They wanted changes in their working conditions, such as better arrangements for overtime pay for some workers, better overtime arrangements for men held over a certain specified time at the end of a run when that place was not their home.

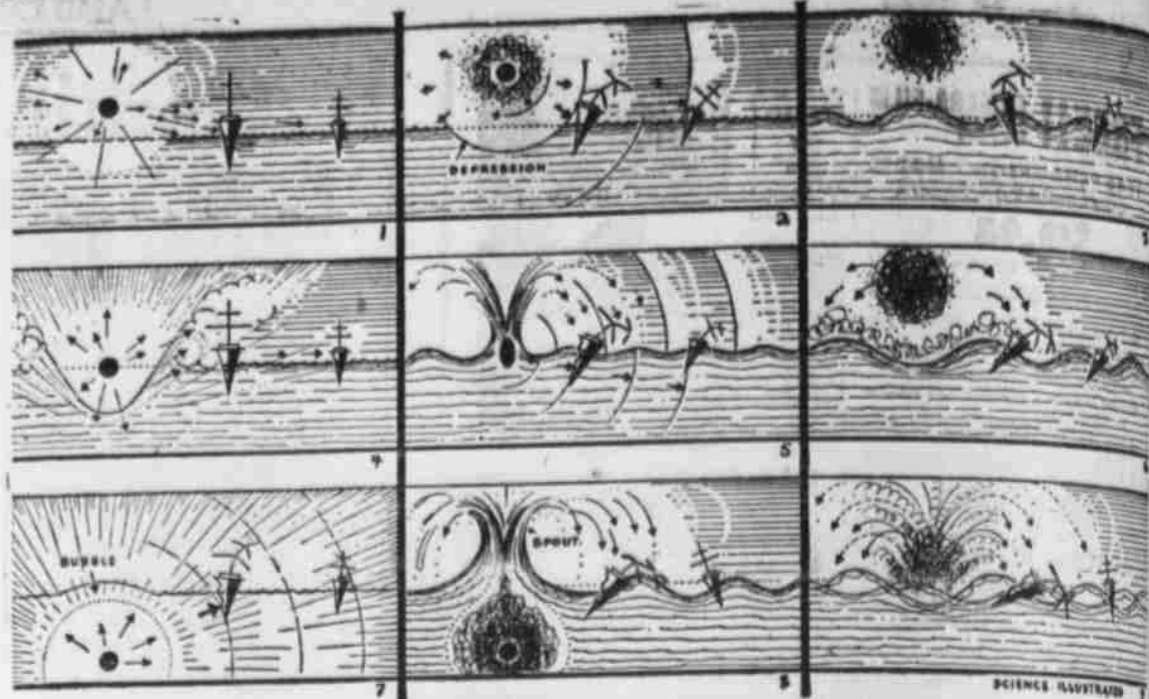

Here's another example: They wanted workers paid for the time it took them to go to get their watches inspected.

There were 45 demands in all. President Truman appointed a fact-finding board to examine the dispute and report to him. It had 3 days to do its job. At the end of that time it reported:

Instead of \$2.50 day, or 31 cents an hour, the engineers and trainmen should get a \$1.28 a day, or 16 cents an hour.

That the demands for changes in

working conditions—in addition to 45 by the unions, the railroads made 29 of their own—were too complicated to decide in 30 days.

So the board made recommendations on a few changes but said the unions and railroads should work out the rest between themselves.

The unions called a strike because of this report and last night the President, to pacify them, suggested:

The unions should get 18 1/2 cents an hour more in pay, which would be \$1.48 a day, and they should postpone their demands for changes in working conditions for a year.

The union leaders said this was "unfavorable" and added that the recommendations of the board—which did approve some working condition changes—were more generous.

### Allan Shivers In City Recently

State Senator Allan Shivers, Port Arthur, Texas, was in Littlefield Wednesday of last week in connection with his candidacy for lieutenant-Governor. He is making a complete tour of this section.

The "baby" of the Senate who took office at the age of 26, Shivers has represented the fourth congressional district, consisting of Jefferson, Hardin, Liberty and Orange counties, 12 years. He served two years with the Army overseas, and through the Salerno and Normandy landings.

Shivers is accompanied by J. Pollard of Beaumont, member of Board of Regents of Texas College for Women, Denton, described himself as "just an old and friend of many years" and left for Amarillo from Littlefield.

All ten pins down—requires visual skill as well as skill in bowling. Like bowling skill, visual skill is an acquired ability—an ability that one begins to learn from early childhood. Some people never learn good visual skills.

Sometimes glasses help to readjust those bad skills, but usually more than this is needed. This is why your specialist in seeing—your Optometrist—makes a careful, painstaking study of your seeing habits in order to evaluate those eye skills.

## Bodies Of Soldiers To Be Returned To United States

As the United States begins to gather up its World War II dead from over the globe, the War Department, in a few weeks, will start its parade of letters to the next of kin seeking their wishes on burial of servicemen now in overseas graves.

General Jonathan M. Wainwright, San Antonio, commanding General of the Fourth Army and the Eighth Service Command, said Monday, in a statement released that the program would be carried out through the Quartermaster General, Washington.

Next of kin will be asked their desires for the reburial in a private or national cemetery, or may be buried in a permanent American Military Cemetery overseas.

It will be late fall before the steel caskets, to be hermetically sealed, are shipped overseas for use in the reburial program. All burial costs either in a military cemetery overseas or in a National Cemetery in the United States will be borne by the government. The government pays up to \$50 of costs for burial in a private cemetery in the United States.

War Department estimates report that approximately 75,000 bodies of the 328,000 reported dead in World War II have not been recovered. These men include airmen, seamen, and men lost in actions on beach-head operations.

The two National Cemeteries in Texas are the Fort Sam Houston, San Antonio, and Fort Bliss, El Paso. Although legislation is pending proposing additional ones, none has been designated as yet in Texas.

## Amherst School 8th Grade Enjoy Graduation Party

Mesdames B. O. McDaniel, Marvin Wagner, Lester Henricks, Claude Coffey, and W. T. Birdsong were hostesses to the Amherst 8th grade Class after their commencement exercises May 15. The party was held at the Birdsong residence. The husbands assisted in the entertainment.

Special guests were: Molly Jo Pate, Sally Birdsong, Ivan Dale Weaver and Basil Jeffrey, ushers from the seventh grade; Tommie Lamsden and Jane Brake, leaders from the seventh grade.

One of the special treats was the spreading of confetti, which put the crowd in a gala mood. Lucky number prizes were won by Pauline Jamieson and Gary Dale Tollett. Prizes for the most comical drawing went to Willis Blair and Ladell Black. Several games were enjoyed.

Punch was poured throughout the evening by Mrs. Coffey. Tiny sandwiches of tuna fish salad and peanut butter and jelly tasted delicious as did the sandtarts.

Music and dancing were enjoyed at intervals. Dr. B. A. McDaniel took flash-

## COMPETITIVE EXAMINATION ANNOUNCED

The Fourteenth U. S. Civil Service Region announces open competitive examination for probational appointments in the position of Information Specialist in various Federal establishments in the state of Texas, Eugene Lateman, Local Secretary said today.

## PLANE CHASHES

GOODFELLOW FIELD, Texas—May 22—Chinese Cadet Han Kuang Chauand, was killed yesterday when his PT-13 training plane crashed 6 miles south of Goodfellow Field, while on a routine training flight.

Several eyewitnesses to the accident stated that the plane was spinning violently when it hit the ground.

Mrs. Andrew Pelzel, of 16 South Buchanan in San Angelo, said that she did not become alarmed until the plane was just a few feet above the earth. She had been watching the small planes flying around the area all morning and thought the pilot was practicing aerobatics.

A competent board of officers has been appointed to determine the cause of the accident.

light pictures both at schools and during the party. Dr. Birdsong made enlargements of a class picture taken previously and presented one to each graduate. Each picture was rolled and tied with bright ribbon resembling a diploma. Mrs. Henricks designed dainty autograph books as favors.

There were thirty-two graduates. Many parents and teachers came, thus making the evening a happy occasion.

## Four Contests Open To 4-H Club Members

A variety of national, state and contests are open to ambitious 4-H club boys and girls in the state as a means of stimulating good demonstrations on the home and farm and developing rural leadership.

On a national basis, there are five contests for girls only, nine contests for both boys and girls, and three contests for boys only, according to 4-H Club specialists of the A. and M. College Extension Service. In addition, one railroad has offered seven trips for outstanding 4-H Club Girls and 12 for outstanding club boys during 1946.

The five contests open to girls only are the dress revue, clothing achievement, food preparation, and girls, record contests. State winners of each will get trips to the National 4-H Club Congress this fall, and county winners will receive medals.

There are two contests for boys and girls in which the state winner receives a trip to the Congress. They are in poultry work and in better methods of using electricity on the farm.

Bonds will be awarded to State winners in contests on farm safety, poultry, gardening, frozen foods and dairy foods work, which will receive medals.

State winners in home beautification and meat animal contests will receive gold watches, with medals for county winners. Both of these are open also to boys and girls. Contests for boys only, include dairy production, field crops, and soil conservation. Winners will get trips to the National Club Congress.

4-H Club members interested in competing for these awards should consult with their county agricultural and home demonstration agents.

### Veterinary Assn.

**To Hold Meeting**

The annual summer meeting of the State Veterinary Medical Association will be conducted at Texas A. and M. College Station, June 4, and 5. Each year the veterinarians of Texas hold two meetings designed to bring the veterinary practitioner up-to-date on the developments in his field. The summer meeting June 4 and 5 will include any prominent veterinarians and associates of allied fields.

Dr. I. Forrest Huddleston of the Michigan State University, recognized for his work in Bangs disease in cattle and for his early work in development of etiology of the disease, will headline the program.

Dr. J. W. Torbett of the Torbett Medical Clinic, Marlin, Texas, will present bangs disease as seen in the medical profession.

Dr. Hilton A. Smith, associate professor of veterinary pathology, Iowa State College, will present "Pathological Lessons as Aids in Diagnosis" illustrated in color.

Dr. Glenn L. Dunlap, representing Ashe-Lockhart of Kansas City, Mo., will discuss "Rabies and its control."

The representative from the American Veterinary Medical Association, will be Dr. R. C. Klussendorf of the Chicago office.

The present officers of the State Veterinary Medical Association of Texas include Dr. Chas W Koberg of San Angelo, president; Dr. H. Shull of Texarkana, first vice-president; Dr. W. W. Armstead of College Station, second vice president, Dr. E. W. Wupperman, Austin, secretary-treasurer; and Dr. E. A. Grist, College Station, corresponding secretary and editor of the Texas Veterinary Bulletin.

A program also has been arranged for the Woman's Auxiliary include a demonstration in food preservation by Miss Gwendolyn Jones of the Texas A. and M. College Extension Service. Luncheons and informal get-togethers will complete the entertainment for the ladies.

### Girl Scouts Gather At Lubbock

Lubbock representatives from fifteen counties gathered at the Hotel Hilton to discuss Area Council organization. These representatives came throughout the area, which includes the following counties: Bailey, Briscoe, Castro, Cochran, Crosby, Floyd, Garza, Hale, Hockley, Lamb, Lubbock, Lynn, Swisher, Terry and Yoakum.

Decision to form a Girl Scout Area Council came following an explanation of this type of organization by Miss Edith Sinnott, Regional Director, and Mrs. Edward B. Peterson, Advisor on Area Organization.

Elected to a temporary Board are: Dr. Marshall Harvel, Chairman; Lubbock: Mancil Hall, Littlefield: D. W. Sherrill, Levelland; Mrs. Roy S. Mack, Slaton; Mrs. J. J. Depp, Plainview; Earl J. Broock Silverton, Dr. Marshall Harvey, Chairman of the Area Board has called a meeting on June 6, at 8:00 p. m. Hilton Hotel, Lubbock. Representatives of each local association have been invited to meet with the Board.

Mr. Peterson, who will attend the Area Board Meeting, is planning to meet with the Lubbock Girl Scout Council on June 5 in order to discuss methods of cooperation between this organization and the Area Council.

**How women and girls may get wanted relief from functional periodic pain**

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

However, average John Q. Citizen-Soldier will long remember the little things his five senses recorded while here. Here are a few of them:

The click-clack of the Japanese geta or wooden shoes on cobblestoned streets.

The beauty and nostalgia of untouched Yoto in central Honshu.

The thousand and one smells of atom-bombed Nagasaki and the knee-deep rubble that was once Hiroshima.

VOLUME XXIV

Littlefield, Lamb County, Texas, Thursday, May 30, 1946

NUMBER 10

# Personnel of Hall Motor Well Trained

### Many Members of Staff Specialists In Their Work

### Olin Williams, Shop Foreman, Is Highly Regarded Mechanic

Specialists skilled in their particular field in the automobile industry, others with extensive training, and several who are being trained in the automobile business make up the personnel of the Hall Motor Co. which has just moved into a new building.

Olin Williams, shop foreman, is a Californian who came to Texas to see the wonderful state described by Texas relatives, he saw, and he decided to make Texas his home. Mr. Williams operated his own shop in California and since he has been employed in Littlefield he has become one of the most highly regarded mechanics in this city and territory.

C. M. Johnson, who has supervision over the parts and service departments, was employed by the North American Aviation corpora-

tion for four years. Mr. Johnson has the enviable record of advancing from stock room clerk to parts and stock superintendent with North American.

Mrs. Billie Katherine Elms, is employed as secretary and bookkeeper. Mrs. Elms is the former Miss Billie Katherine Higgins, daughter of Mr. and Mrs. Dutch Higgins.

C. L. Hooley, a veteran who served overseas in the European theater for 18 months, is in charge of motor tuneups, electrical generator and battery work. Mr. Hooley, who resided at Dimmitt before coming to Littlefield, specialized in motor tune-up, generator and battery work previous to his entrance in the army.

C. A. Aldrich, who was employed by Hall Motor company, volunteered for active duty at the outbreak of World War II, but because of age was asked to accept a position as machine shop foreman at Camp Hood, where he remained for the duration of the war. Mr. Aldrich returned to the Hall Motor Co. last fall and is in charge of the motor rebuilding department.

Bill Cape, who is a specialist in brakes and chassis work is in charge of that department for the Hall Motor Company.

Tommy McFarland is in the parts department of the Hall Motor Company. Mr. McFarland served four years and six months in the Marine Corps, and was for three and one-half years a prisoner of war in Japanese camps. He was connected with the Hall Motor Co., previous to the war.

### MORE THAN 31,000,000 FORD CARS AND TRUCKS ARE BUILT IN 50 YEARS; GOLDEN JUBILEE IS BEING OBSERVED

Henry Ford, working in his machine shop at 58 Bagley avenue, Detroit, in 1893, dreamed of liberating the world from a slow, horse-drawn kind of civilization.

Three years later, on June 4, 1896, he rolled his first gasoline driven buggy into the street, and the celebration in Detroit this year of the automotive industry's Golden Jubilee is a tribute to his vision.

Today, more than 31,000,000 Ford cars and trucks have been built and Ford Motor Company plants span the earth.

#### FORD GROWTH SPECTACULAR

The present Ford Motor Company

Mitchell Sisson is employed in the parts department of the Hall Motor Co. Mr. Sisson served three years in the army as parts man in the ordnance branch of the service. Most of those three years were in the European theater.

Keith Glover, Littlefield High School student, is anxious to prepare himself for the future. He has taken vacation and spare time employment with the Hall Motor Company, and is connected with the Parts and Service departments.

James O'Neal and Pinkie Small, both of whom served in the army, and saw service in Africa, Italy, Sicily and France are employed in the wash and lubrication department.

was formed in 1903, and success was immediate. At the end of four months a dividend was paid to the original 12 stockholders.

In 1905, the company moved from the two-story Mack avenue plant to a new four-story building at Piquette and Beaubien, Detroit. Production soared as models A, B, C, F, K, S and R were introduced in quick succession, and five months later the first of the famous model T's was introduced.

In December 1909, the company moved again, this time to its new 61-acre Highland Park plant. Here the first endless chain conveyor was installed. It was the birth of low-cost production and the beginning of the liberation of labor. In 1914 Henry Ford startled the world by announcing Ford employees would work only eight hours a day and receive a minimum daily wage of \$5.

#### ROUGE RIVER SITE PURCHASED

Again the Ford Motor Company needed breathing space, so in 1915 a thousand acres of land were acquired on the Rouge river in Dearborn.

Henry Ford had purchased the stock held by Alex Malcolmson in 1906 and had become president and controlling owner, and in 1919 the Ford family acquired the interest of the minority stockholders for \$75,

000,000 and became sole owners.

Eagle boats were built in the Rouge plant during World War I, and after the war many activities were transferred to the new plant from Highland Park. On Oct. 31, 1925, an all-time production record was set with 10,000 Model T cars built in a single day.

In December 1927, the new model A was introduced and the next year Henry Ford announced a minimum \$7-a-day wage.

In 1922 the Ford Motor Company paid \$8,000,000 to Henry M. Leland and his son, Wilfred, for the assets of the Lincoln Motor Car Co. It was not until 16 years later that the Mercury was introduced.

#### BIG EXPANSION PROGRAM

The miracle of Ford production continued to pour automobiles from assembly lines across the nation, and the need for more space still plagues the company. Today more than \$225,000,000 has been earmarked for expansion.

On May 26, 1943, Edsel Ford, president of the company, died suddenly and Henry Ford, then past 80, again took over the presidency. Soon after this, Henry Ford II, Edsel's eldest son, was released from the U. S. Navy to assume the duties that had been his father's for so many years.

Recently, his brother Benson, after three years in the armed forces, has returned to take up duties in the company and help his brother carry on the great Ford tradition in the automobile industry.

### Terrell Sledge Opposes Connally

Kyle, Texas—Terrell Sledge of Kyle has announced his candidacy for the United States Senate subject to the action of the Democratic Primary Election in July and has paid the \$100 filing fee to the State Democratic Executive Committee.

Sledge, age 42, was born in Kyle, where his grandfather settled in the 1870's. He is a graduate of the University of Texas, class of 1925, and was selected as a Rhode Scholar and attended Oxford University in England.

He has been a farmer-stockman since returning to his home town, Kyle (Hays County) in 1928 and has operated his own farm during all these years.

Sledge is a Methodist, member of the American Legion and a World War II veteran. He is married and the father of a young son. He served 3½ years in the army, of which 2 years were in foreign service, and since his return from the army in addition to running his farm has also edited a newspaper, the People's Business, which has distributed 200,000 copies over Texas in the interest of good government. Anyone interested in receiving a sample copy of this newspaper is invited to write Terrell Sledge, candidate for United States Senator, Kyle, Texas.

Our Constant Objective Will Be The Providing of As Good As New  
We Use the Ford Parts List and the Flat Rate Labor Method

In the designing, construction and equipping of Your Ford Agency, we have incorporated those facilities which have proven best throughout the Nation. In order to acquire this information we visited countless numbers of Ford agencies.

### WE HAD TWO OBJECTIVES:

The construction and equipping of an establishment which would provide the maximum in service to customers, and provide a place of business which they would enjoy visiting;

The providing of the best in equipment, working conditions, and surroundings for our employees, to the end that they would thoroughly enjoy their work and be efficient at all times.

### HERE ARE SOME OF THE FEATURES OF THE SERVICE DEPARTMENT:

- Car washing and lubrication equipment, including a Hy-Pressure Jenny for steam cleaning car washer; and a high pressure Alemite system.
- Boiling vats used in the cleaning of small parts.
- A motor room equipped to do any job on a Ford motor, including reboring, valve refitting, installation of sleeves.
- Brake relining machine.
- Brake drum truing and regrinding machine, which will handle brakes for all makes of passenger cars up to one and a half ton trucks.
- A Ford fast charger for batteries, which is equipped with a safety switch to prevent overcharging.
- A Ford laboratory test set, which will analyze all the ills of a motor.
- Beam wheel alignment machine.
- Immense service department street doors that will accommodate anything automotive on the highways.

We could enumerate other special features of our enlarged service, but we much prefer to have our guest at our Formal Opening Saturday, June 1. It will be a pleasure to show you through the new building Saturday, or at any time it is convenient for you.

HERE ARE JUST A FEW OF THE MANY SPECIAL FEATURES OF THE  
NEW BUILDING AND THE EQUIPMENT:

- Fireproof construction throughout;
- Fluorescent lighting throughout, including over workmen's benches;
- The maximum use of natural light, including specially designed windows and the employing of color dynamics for softness in wall treatment and the elimination of glare;
- Approximately 2,000 square feet of floor space in the show room, one of the special features of which is an attractively furnished lounge for customers;
- Approximately 7,500 square feet of floor space given over to the parts and service departments;
- Offices, showroom and parts department air conditioned, 20 degrees cooler than outside;
- Temperature controlled heating for the cool months;

SPECTACULAR PROGRESS

**BUT  
THE FORD IN YOUR PAST  
IS THE ONE YOU HAVE NOW  
SO LET'S MAKE IT LAST**

O. E. (Olan) Williams, who operated his own shop in California is shop foreman. He came to Littlefield from California last fall when the Hall Motor Co. reopened after being closed during the war. Though here only a short time, Mr. Williams has become recognized for his training and ability in his chosen field. He explains that he partially selected Littlefield for his home because his relatives highly extolled the merits of this section of the country.

C. A. Aldrich has returned to the Hall Motor Co. after being in war service and is in charge of the motor rebuilding department. During World War II he volunteered for active duty, but because of his age was asked to accept a position as machine shop foreman at Camp Hood, where he remained for the duration of the war.

The motor rebuilding department is equipped to do any job on a Ford motor, including reboring, valve refinishing, and the installation of sleeves.

C. L. Hooley, who came to Littlefield from Dimmitt, is a specialist of long experience in motor tuneups, generator and battery work. A veteran of World War II, Mr. Hooley served overseas in the European theater for 18 months.
