Rumania..The World's Focus of Leprosy

About 12 persons in Texas come down with leprosy every year, according to Dr. Geo. W. Cox, State Health Officer. "Since 1921 over 300 individual cases have been diagnosed, mostly in counties bordering the Gulf Coast and Rio Grande River.

"Leprosy," Dr. Cox says, "is one of the penalties of being human. No other animal ever gets it. You do not need to worry a great deal about it because it is probably the least catching of all communicable diseases. The horror and shame in which the disease is held today is a hold over from Biblical times.

"One consolation about the whole thing is that a Russian satellite—Rumania—is the world's focus of leprosy.

"The disease takes two forms, one called tuberculoid because it resembles tuberculosis; and the other lepromatous. The second type affects twice as

many men as women, presumably because "there are more modes and opportunities for infection in men."

"Lepromatous patients live an average of 8 to 10 years, while the tuberculoid type apparently doesn't affect the patient's life span. Neither type is as catching as tuberculosis or other communicable diseases.

"Most cases of the disease are contracted during childhood," Dr. Cox reports, "with manifestations actually appearing in the teens or early 20s.

"Medical researchers at the national Leprosarium at Carville, La., are having success in the treatment of leprosy by the use of certain drugs. The Texas, State Department of Health can assist anyone suffering with this disease in securing treatment at Carville."

Proper Hand Signals Would Lower Death Toll

Governor Allan Shivers has urged the automobile drivers in Texas to learn proper hand signals and apply them while driving as a means of lowering the "death and injury toll on our streets and highways."

This appeal is contained in an official memorandum issued by Shivers which designates January as "hand signal month" in the Lone Star State.

"The use of proper hand signals," said Shivers, "is a most effective weapon in the curbing of traffic accidents. The hand-signaling motorist is the courteous motorist. I am firmly convinced that if all drivers were courteous while at the wheel, our traffic toll would be reduced to the minimum.

"When a motorist applies hand signals in his driving, he automatically becomes conscious of all aspects of traffic safety and courtesy—the protection of pedestrians, the danger of weaving in traffic, the death-dealing results of speed, the folly of hogging the highway, the importance of yielding the right-of-way. So, I urge all motorists to acquaint themselves with the proper hand signals and to apply them diligently. The hand signal is the mark of a

courteous driver; he doesn't keep the other driver guessing."

Shivers stated that a number of cities and towns in Texas have carried out campaigns on hand signals education, and in practically all cases, these points have become recognized for their "courteous drivers."

The state-wide hand-signal campaign is sponsored by the Texas Safety Association, Inc. and is patterned after the project conducted jointly last September in Dallas, by the Citizens Traffic Commission and the Dallas Civitan Club. Highway posters and other media proclaimed the slogan: "Right turn—hand up. Left turn—hand out. Slow or stop—hand down."

The hand signal month in Texas is to be promoted by the press and radio facilities throughout the State and is to be directed by J. O. Musick of Austin, General Manager of the Texas Safety Association; Bruce Cunningham of Dallas, representing the Dallas Civitan Club and the Citizens Traffic Commission, and Weldon Hart, formerly of Governor Shivers press staff.

LET'S GO BACK FIFTEEN YEARS

Let's go back 15 years and see what was happening in Littlefield. The following bits of information were taken from the Lamb County Leader of the issue of Jan. 7, 1937.

Preparations were underway in Littlefield for holding the annual New Year's ball, in honor of President Franklin Roosevelt's birthday. Miss Fern Hoover was selected as local chairman. A dance was being planned to be held at the Legion Hut.

Last rites for Mrs. G. W. Chesher of Sudan, who passed away as result of suffocation in a fire that destroyed the Sudan theatre, were held at the First Methodist church here, with Rev. W. J. Ray, Baptist pastor and Rev. Marvin Norwood officiating. She was the mother of W. J. and A. C. Chesher.

Dr. I. T. Shotwell Jr., formerly of Parkland hospital, Dallas, announced his association with his brother-in-law, Dr. C. E. Payne, in the practise of medicine and surgery. Miss Denson who had been nurse in Dr. Payne's office, assisted the doctor and Mrs. Dave Hicks had charge of the reception room. Dr. Payne had been in Littlefield three years, at this time.

On the society page of the issue, entertainment featured bridge parties given by Mrs. L. C. Hewitt, and Mrs. Jess Elms, and a buffet supper honoring Misses Alice Lynn Street and Betty Ann Hilliard.

Eva Gertrude Chisholm left for Clovis, N.M. to join her father who had recently established a floral shop in that city. She was to have charge of the shop.

Supt. A. B. Sanders, Pat Boone, president of Lamb County School Board and F. O. Bolea, County Supt. of Schools, attended the state rally at Austin, which was called by the State Supt. L. A. Woods, for the purpose of discussing the needed legislation in state, rural and truck

Sudan VOC AG Students To Practice Farming

The board of trustees of the Sudan Independent School district has completed an agreement with the city council to rent 61 acres of farm land to be farmed by the school's vocational agriculture students.

The 61-acre tract is the east portion of the airport and will be used by the students to grow crops and raise livestock. The students who will do all the work on the farm, have completed a topographical map of the land and plan to lay out terrace lines soon.

It is planned to have test blocks of grasses, cotton and grain sorghums. Rent will be paid to the city on regular one-third and one-fourth basis.

Littlefield's Post Office Does Record Business In 1951

On December 20th, Littlefield's postoffice did a record business—both from a financial standpoint and stamp cancellations. 18,000 letters and cards went through the cancelling machine on that date—more than at any other time during the year.

Postal receipts for 1951, up to Christmas eve, totaled \$53,340.68, compared with \$48,321.98 for 1950, or an increase of \$5,018.70 over 1950 business.

Total receipts for the first quarter totaled \$12,832.92; second quarter, \$11,241.44; third quarter \$13,091.85 and the fourth quarter up to closing time, December 24th, totaled \$16,174.47.

Postmaster Storey announced that A. L. Dunn has been promoted from substitute clerk to regular clerk as of January 1. George Thompson will take Dunn's place, transferring from city carrier route.

Dimmitt Has First Armed Robbery In Several Years

South Plains officers were alerted recently for a lone gunman who took \$40 in cash from the Sunny-side grocery store 13 miles south of Dimmitt, in what Sheriff Houston Fowkes called Castro county's first armed robbery "in several years."

The gunman, described as about 24 years of age, entered the Sun-

nyside grocery on the Springlake highway and, brandishing a pearl-handled .25 caliber automatic, took two \$20 bills from the store owners, Mr. and Mrs. R. A. Ferguson. He then fled in a 1947 or 1948 Chevrolet or Ford. One customer was in the store at the time.

Sheriff Fowkes said he was alerted about 5 feet 10 inches long 145 and wearing clothes and a light-colored topcoat.

Grant Family Attend Golden Wedding Observance In Los Angeles

Mr. and Mrs. Tom Grant and daughters Mecca and Pat, of Littlefield, accompanied by Mr. and Mrs. George Ball, sister and brother-in-law of Mr. Grant, and his brother and sister-in-law, Mr. and Mrs. Hobson Grant of near Amherst, left here Sunday, December 23, for Los Angeles, Cal., where they attended the golden wedding anniversary of Mr. Grant's oldest sister and brother-in-law, Mr. and Mrs. M. L. Holt, Christmas Day.

Fifty-one were present for the celebration, including the seven children of Mr. and Mrs. Holt, grand-children, great-grand-children and brothers and sisters.

A sumptuous turkey dinner with all the trimmings was served from a table laid in gold lace cloth over pale green, centered with a white three tiered wedding cake, decorated with pink roses and green leaves. Lovely flowers added to the beautifully appointed table.

A profusion of cut flowers of all kinds were attractively arranged throughout the home.

Open house was held from 2 to 4 p.m.

The women in the house party wore corsages of orchids, while Mrs. Holt wore a corsage of gold colored rose buds.

Lamb County residents returned home Sunday.

Peggy Alice White And Clarence E. Findley To Wed

Mrs. Margie White of Plainview, formerly of Earth, announces the engagement and approaching marriage of her daughter, Peggy Alice, to Clarence Edward Findley, son of Thomas Lee Findley of Plainview.

Miss White is a graduate of Plainview high school with the class of 1951.

Mr. Findley, after serving three and one-half years in the Marines is now in business in Plainview with his uncle.

The wedding will take place January 19 in the chapel of the First Baptist church, Plainview.

7. When you are out with a young man you can make him seem important without showering him with affection. There are other ways to build up your date. Men are vain—so brag on his school marks or athletic prowess, his choice of books or his interest in the theatre or music.

8. Forget about Johnny and Moe when you are out with Joe. Some girls think their object in life should be to make every man jealous. He'll be more fearful of what he doesn't know about your other dates than what you willingly volunteer.

9. Blase girls aren't the most popular co-eds. Most men still prefer the old-fashioned girl, even if he measures her according to modern standards. He won't admire you for bragging about your late hours, lack of religion or criticism of your parents.

10. Don't be a steady dater, unless the boy has proposed, and you've accepted him. And the easiest way to get that man to propose is to give him a little competition.

Billye Wells and Homer Doty Wed In Pretty Home Wedding At Sudan

Announcement of the marriage of Miss Billye Frances Wells, daughter of Mr. and Mrs. Clayton Wells of Circle Park, and Wayne Doty, son of Mr. and Mrs. Homer Doty of Sudan, which took place recently at the home of the bride's parents, has been made.

Vows were read by Rev. Thurman Bryan, in a double ring service, performed before an altar decorated with flowers and candelabra.

The bride wore a powder blue fitted suit and wore a dusty rose hat,

and brown accessories. She carried a white Bible topped with gardenias and streamers.

Carrying out traditions, the bride chose a white silk lace handkerchief belonging to her mother. A pearl bracelet and six pence belonging to Mrs. Del Meeks, served as something borrowed.

Maid of honor was Miss Mary Beth Wells, sister of the bride, and she wore a shell pink suit with taupe accessories and a rose corsage.

Lily Kay Wells was ring bearer

and Jo Ann and Kenne Wells lighted the candles.

Kelton Doty served his brother as best man.

Following the ceremony a reception was held. The bride's table was laid with a lace cloth over chartreuse and was centered with an anniversary candle, surrounded by sprigs of Holly. A tiered white cake, topped with miniature bridal couple, completed the decorations.

The couple left on a wedding trip to Memphis, Tennessee. She is a graduate of Sudan high school, and for the past four years has been employed by the Veterans Administration in Lubbock. She plans to join her husband who is serving in the Navy in the near future.

The groom is also a graduate of Sudan High School.

Pin On Your New Year Hairdo

By BETTY CLARKE
AP Newsfeatures Beauty Editor

Hairdressers predict that the young in heart will wear hair pieces again, in the New Year. These will be worn by those who like the Directoire look, a Paris favorite right now, and by girls who have shorn their locks to within an inch of their scalps. A hairpiece is handy when short hair is growing out.

This year's chignons move higher on the head leaving room at the nape of the neck for curls and waves. A leading fashion designer of hairpieces, Joseph Fleischer, refashioned the old pouffs and braid hair pieces to follow through on the new Directoire look.

There is a charming bustle-back hair piece done in a sort of Spanish-comb shaped chignon. These lend a feminine note, helping to cover short ends of your own hair which have not grown long enough to be tucked under a puff.

The Directoire Brush Curl is designed for girls who like the casual shorter look. It is a bouquet of feathery curls which can be worn alone or encircled with a ribbon to effect a medium length hairdo.

Methodist Workers Meeting To Be Held At Fellowship Hall

There will be a covered dish supper and "Worker's" meeting, for members of the Sunday School department of the First Methodist church, to be held in Fellowship Hall in the church, on Monday night, February 11th, at 7:30 o'clock.

All Sunday school workers and members of the board of Christian Education are urged to attend.

Mrs. Doyle Watkins Named Winner In Kitchen Contest

Mrs. Doyle Watkins of Sudan was named as one of the winners Thursday in a "My Kitchen Contest" sponsored by the McCall's Magazine.

Mrs. Watkins was awarded \$25 for an outstanding design.

stable at times for an extra mark of sophistication or charm that is necessary to set off a particular gown. They give comfort to the girl who has made the fatal mistake of cutting her hair much too short.

Hairpieces are important in any woman's glamor wardrobe. They come in handy for emergencies

come when one can't "do a thing" with her hair. They are indispensable. Even the short-short angel or pouff coifs can be brushed high and worn with a hairpiece to give the effect of a longer hairdo and solace to the girl who discovers after her hair is cut that she just isn't the type for the casual hairdo.

HOLIDAY FORMAL

For festive formal occasions during the holiday season, designer Tina Leser has created this romantic evening ensemble in luxurious cotton velveteen. The velveteen formal combines a graceful full skirt with a matching "toppet." The toppet can be worn with over-the-shoulder straps or with straps in halter style.

Belle Sorley And Jerry W. Maynard Married Dec. 23

Miss Belle Sorley became the bride of Jerry Wayne Maynard at 2:30 p. m. Sunday, December 23, at the First Baptist church in Olton.

The bride is the daughter of Mr. and Mrs. Emil Sorley of north of Olton. She is a senior in Olton high school.

The groom, son of Mr. and Mrs. Jim Maynard, is also a senior in Olton High.

Rev. J. Henry Cox, pastor of the First Baptist Church officiated at the marriage ceremony. The bride's brother, Grady Sorley, sang "Because" and "Ab, Sweet Mystery of Life" and was accompanied on the organ by Harold Carson. The traditional wedding music was played.

Given in marriage by her father the bride wore a gown of white slipper satin with a pearl applique around the yoke and bottom of the train. Her long sleeves tapered to petal points at her hands and her veil of french illusion fell

Girl Scout Leaders Club To Meet Next Tuesday Morning

Ring in Leap Year with a loud and impressive shout. This is the year you can Dutch treat without being too, too embarrassed; invite that elusive boy you've had your eye on to your house for an evening by the fireside; jasso your favorite campus roméo for that school dance.

And all of this meets with the approval of the male animal, we'll have you know. As one young man said: "It's just about time some little of year came along to help pay the sweet shoppe bill."

Leap year can be fun. It gives

an opportunity for lots of reverse-the-date parties: such as having the girl take a flower to her date, pick him up at his house, escort him to the party. (However, it is wise to let the boy take you home.) There are endless possibilities for fun and merriment. You have 366 days to revel in it, so get on your merry way. One thing you should skip, however, is making the romantic overtures. Let the boy be the leader in some things: as king for a kiss or holding hands, for instance.

The young men, of course, will be mighty wary of their female friends this year, particularly those of marrying age. Here are a few tips on how to corral that prince charming for just a date or that big sparkler.

New 1952 Plymouth To Go On Display Here Friday, January 4

THE MODEL HAS A LONG LIST OF IMPROVEMENTS
Feature Smooth Performance, Beautiful Styling

The new Plymouth for 1952 will display in dealer showrooms about the United States, Friday, January 4.

Littlefield the new Plymouth on display at the Littlefield Co., Garland Motor Co., and others.

The new list of improvements—46 in all—has been incorporated in the new Plymouth. The new design, the brakes, the electrical system, the chassis, and to the inside and outside of the body. The new car, according to D. S. Johnson, president of Plymouth, has been approved and refined to provide the most gentle ride, the best engine performance and the safest safety ever built into a car of the lowest price field. The new engine smoothness is achieved through a newly designed combustion chamber; brakes are longer-lasting; Plymouth's famous Safety-Flow ride has been made even more comfortable through improvements in the suspension and the Oriflow shock absorber; and the car's beauty is enhanced by numerous styling refinements.

The new Plymouth has a road-hugging appearance, accentuated by changes in external adornment. A new luxurious standard for a car is attained with the high quality upholstery fabrics in the interior which blend beautifully with the instrument and wheel covers.

The new smart hardtop club coupe, the Belvedere, is the pace-setter in the lowest price field with its new styling and beauty. The

car has glistening, lively two-tone colors which set it apart and give it the continental look. The color used on the roof follows the Belvedere's streamlined contours at the spacious rear window and down over the rear deck. Sparkling chrome molding outlines the top and carries back to separate the two colors at their junction at the rear quarter-panel. Interior of the Belvedere is luxurious, with colorful quality fabrics and vinyl blended in perfect harmony with the shades used on the exterior. Long-wearing carpeting—also in complementary colors—rounds out the ensemble. The following color combinations are available for the Belvedere: Suede Tan with Sable Bronze top; Belmont Blue Polychromatic with Sterling Grey top; Mint Green with Black top.

There are ten body types in the new Plymouth line, available in an array of eight regular, and two special sparkling new colors. The traditional interior roominess and the many "high-priced car" features for which Plymouth has been distinctive have been retained throughout the new line.

Smooth Performance

A new, smoother flow of power results from the newly designed combustion chamber in Plymouth's famous floating power engine. The six-cylinder, 97 horsepower engine has a 7 to 1 compression ratio. Longer life for both main and rod bearings is achieved through an improved type of base metal. To further insure smoothness of performance and faster getaway, several refinements in the Synchronizer transmission permit faster, easier shifting, and more rapid and positive engagement of gears. The rear axle is improved, and there are provisions which permit more accurate gear and bearing adjustments.

Operating temperatures up to an additional eight degrees without the hazard of losing water or anti-freeze result from further improvements to the pressure-vent radiator cap, which provides a pressurized cooling system.

Plymouth's Pace-Setting New Belvedere

Here's Plymouth's smart hardtop club coupe, the Belvedere, the pace-setter in the lowest price field with new concepts in styling and beauty. The car has glistening, lively two-tone colors: Suede Tan with Sable Bronze top; Belmont Blue Polychromatic with Sterling Grey top; Mint Green with Black top. The color used on the roof follows the Belvedere's streamlined contours around the spacious rear window and down over the rear deck, giving the car the continental look. Sparkling chrome molding outlines the top and carries back to separate the two colors at their junction at the rear quarter-panel. The interior is luxurious, with colorful quality fabrics and vinyl blended in perfect harmony with the shades used on the exterior.

Sturdy Brakes

The traditionally sturdy Safety-Flow Hydraulic brakes have been given greater ease of operation, and much longer life. New Cycle-bone brake linings provide greater braking area and longer braking life. There are heavier backing plates on both the front and rear brakes; an improved drum design on the front brakes for smoother operation and better cooling; an easier operating brake pedal return spring; and a redesigned steering knuckle to provide more positive protection from road splash.

Passenger and driver comfort has been increased with improvements to Plymouth's "Safety-Flow ride." New cushioning-type parts in the Oriflow shock absorbers, increased travel in the front springs and a new interliner for the rear

springs provide quieter operation, reduced steering wheel shock, less friction and an improved ride.

Quicker starting in hot or cold weather with less drain on the battery is assured by the new "Follow-Thru" anti-kickout feature of the starter, the foremost among numerous changes in the electrical system. Greater visibility under adverse driving conditions is provided by a ten per cent increase in the speed of the electrically-operated windshield wipers.

Beautiful Styling

Luxury and color harmony are the keynotes of the beautiful upholstery and trim selected for the new Plymouth. A fine selection of long-wearing, quality fabrics is available in shades which blend beautifully with the car's exterior colors. An attractive "Lustre-Tone"

instrument panel features controls which are conveniently grouped and instruments which are colored and lettered for easy reference while driving. Newly designed to further beautify the Plymouth are the ornament, the top molding, and the medallion on the hood, and the license light and name plate on the rear deck lid. The sweeping, low appearance of the car is further accentuated by the lowering of the rear fender molding.

Solex tinted safety glass is available throughout the Plymouth line as optional equipment at small extra cost. The glass reduces interior temperatures on hot summer days, minimizes fading of upholstery or seat cover fabrics, and reduces sun glare.

Among the many features which have been retained in the new Ply-

mouth are the wide, deep chair-height seats, the ease of entrance and exit, the combination ignition and starter switch, automatic electric choke, super-cushion tires, and safety-rim wheels.

There are ten body types in the new Plymouth line: the Concord series includes a two-door sedan, a three-passenger coupe, and the popular all-metal Suburban, and its country club cousin, the Savoy; the Cambridge series has a four-door sedan and a club coupe; and the Cranbrook series includes a four-door sedan, a club coupe, a convertible club coupe, and the pace-setting Belvedere.

Dorislene Hill and Dale Fields Married In Home Wedding Monday

In a pretty home ceremony performed at the home of the bride's parents, Miss Dorislene Hill, daughter of Mr. and Mrs. G. R. Hill of northwest of Littlefield became the bride of Dale Fields, son of Mr. and Mrs. B. Y. Fields, at 3 o'clock Monday afternoon, December 31.

The couple exchanged vows before an improvised altar with Rev. Wayne Perry, pastor of the First Baptist church, Sudan, reading the nuptial ceremony.

The bride wore a brown corduroy suit, with harmonizing accessories and a pearl and rhinestone necklace and earrings. Her corsage was of yellow rosebuds. She was attended by Miss Melba Edwards, who served as maid of honor, who wore a green corduroy suit, and

yellow rosebud corsages.

The groom was attended by Don Royce Roark, who acted as best man.

Following the wedding a reception was held. The bride's table was laid with a white damask cloth, centered with a three tiered white wedding cake, decorated with tiny pink rosebuds, and topped with a miniature bridal couple. Miss Melba Edwards cut and served the cake, while Mrs. Hill served coffee and punch.

After the wedding the couple left for Clovis, New Mexico, and they returned here the following day. They plan to make their home on a farm near Littlefield.

Both Mr. and Mrs. Fields attended Littlefield high school.

children could be present for the occasion. They included Mr. and Mrs. Branch Sheets and son, Dan, of Spearman, Mr. and Mrs. Porter Stratton and sons Johnny and Steve of Portales, N. M., Mr. M. P. Deal and children Jim, Lavonne, and Jerry of Snyder, Mrs. Bill Elliston and daughter Su-Su of Mineral Wells, Mr. and Mrs. Percy Carter and Emma Ruth, Mr. and Mrs. W. H. Carter and son Larry, Hilary Carter and Mr. and Mrs. E. E. Carter all of Littlefield, and the honorees Mr. and Mrs. Eugene Carter of Brownwood.

School Head Fills Pulpit At Local Church

Troy Armes, principal of Littlefield High school filled the pulpit at the First Presbyterian church last Sunday morning, in the absence of a regular pastor. Mr. and Mrs. James Penn, daughter and son-in-law of Mr. and Mrs. E. A. Bills brought the special music.

Large Number Hear Dr. Taylor At Meeting Monday

More than one hundred members of the First Baptist Brotherhood, and their wives heard Dr. Thomas Taylor, president of Howard Payne University, who was guest speaker at a meeting of the Brotherhood, held Monday night, in the church parlors. A covered dish supper preceded the program.

During the Brotherhood meeting the Young People of the Church enjoyed a fellowship meeting held in the basement of the church, with Miss Juanita Holland, superintendent of the Young People's department in charge of arrangements, assisted by heads of the Training Union Department.

Claudine Kenney and Eugene Carter Exchange Vows Saturday Evening

Rev. and Mrs. C. C. Keeney of LaPryor, are announcing the marriage of their daughter, Miss Claudine to Eugene Carter, son of Mr. and Mrs. W. J. Carter, which took place Saturday, December 29, at 6 o'clock in the evening, at the First Baptist church at LaPryor. The ceremony was performed by the bride's father, who is pastor of the Baptist church at LaPryor.

Pre-nuptial piano selections were rendered by Mrs. Albert Kenney, who also accompanied Ronald Ginn, of Del Rio (who sang "Because" and "Oh, Promise Me", preceding the ceremony, and "The Lord's Prayer", at the conclusion of the ceremony.

Refreshments of cake, punch and mints were served from the dining room table, which was laid with an ecru colored lace cloth. The centerpiece was of red and white carnations, flanked on either side by white tapers.

Mrs. Porter Stratton presided at the punch service, and Mrs. W. H. Carter cut and served the cake.

A large number of friends and relatives called during the entertaining hours. Several friends sent gifts who were unable to attend. The couple received a large array of beautiful and useful gifts.

The host and hostess were happy that all of their children and grand-

The bride given in marriage by her brother, Albert Keeney wore a redding dress of white satin, designed with full skirt, chantilly lace redingote, fitted bodice, with long sleeves, pointed over the hands. The only piece of jewelry was a gold locket worn by the bride's mother, when she married. The bride carried a white Bible topped with an arrangement of white carnations and lily-of-the-valley.

Miss Sarah Holmes of LaPryor served as maid of honor and Miss Nina Myrtle Sharp of Kingsville was bridesmaid. Both wore ice-blue satin formal length dresses.

Hayden Fields of Brownwood acted as best man.

Ushers were Bill McClure, LaPryor.

Following the ceremony a reception was held in the home of the bride's parents. Assisting with serving and other hospitalities at the reception were Mrs. R. R. Cole, San Angelo, sister of the bride, Mrs. W. C. Stewart, San Antonio, aunt of the bride, and Mrs. L. A. Johnson, Needville, sister of the bride.

Both Mr. and Mrs. Carter will complete their college work at Howard Payne University, Brownwood at the close of the present semester. They are Education Majors, and both are planning a teaching career. The groom is a graduate of Littlefield High school with the class of '47. He was an outstanding Wildcat football player, and was outstanding in track during his college career.

Mr. and Mrs. W. J. Carter held open house on New Year's Day, at their home in the Lum's Chapel community, honoring their son Eugene and his bride, Claudine, from the hours of three to six o'clock.

Announcement For Wildcat Schedule To Be Made After Schools Reopen

Joe Hutchinson, Superintendent of Littlefield Schools, has announced that the finishing touches are being put on the football schedule for the Wildcats in 1952. Definite dates are being completed, and the announcement of the 1952 schedule will be made shortly after the reopening of school, following the Christmas holidays.

Anton Bulldogs Down Sudan Hornets Friday Night To Tune Of 28-27

Jimmy Jones was the final spark in the basketball game Friday night to give the Anton Bulldogs a 28-27 victory over the Sudan Hornets Boys' quintets. Jimmy dribbled in under the basket, and dropped the shot through the netting with only 15 seconds left to play the game. The Sudan five had led all the way in the contest, and held a 27-26 lead when Jones made his one-hand-

ed shot, for the game clincher. Springfield was the high point man for the Bulldogs, tallying 7 points and Bobby Lynch led the scoring parade for the evening by tossing in a total of 13 points. In the other games on the evening's card, the Anton girls downed the Sudan girls by a count of 29-23 and the Sudan Boys' B team downed the Anton Boys' B team by the score of 21-15.

March Of Dimes Head For Theatres Named

MARK COLE
 AUSTIN, Jan. 2—Mark Cole of Rosenberg, general manager of the Cole Theaters, Inc., has been appointed Texas Theater Chairman for the 1952 March of Dimes, Lloyd Gregory of Houston, state campaign director, announced here today.

A former president of the Rosenberg Community Chest and the Chamber of Commerce, Cole has been very active in community affairs, including the annual March of Dimes. As chairman for the State's theaters, Cole will coordinate show activities, including distribution of the March of Dimes film trailer, and will marshal support for the January polio drive among Texas show men. Theater men of Texas have greatly aided in publicity and in collections during the March of Dimes each year," Cole declared. "Many managers have given their leadership to this important drive, which will be conducted from January 2-31 in 1952.

"The upward surge of polio incidence during the last four years has far outdistanced funds available for patient care, research, and professional education. Year after year, March of Dimes contributions have moved steadily ahead, but the March of Polio has continued to out-pace the March of Dimes. This year, the theater men of Texas are looking forward to intensifying their cooperation with National Foundation for Infantile Paralysis county chapters to see that sufficient funds are raised."

Cars Damaged In Auto Mishap

Considerable damage was reported to the two cars involved in a fender bending at the Littlefield postoffice Friday afternoon. One of the cars was reported driven by George Richard Daniels and the other vehicle said to be driven by John Chester Nichols, both of Littlefield.
The accident occurred as one of the cars was backing away from the curb at the postoffice, when it was rammed by the other car. No injury to the occupants of the cars was reported.

New State Bank For Levelland

Construction for the new Levelland State Bank is a step nearer reality as the structural steel has arrived.
Bank President Dave Collins stated that the reinforcing steel has been bought for the building but hasn't been delivered.
The National Production Administration has indicated a construction permit will be issued when all the steel is on hand.

Plants in Picture Window Call for Special Care

A Winter Window Garden Makes Spring Come Faster, and Teaches Many Lessons.

Popularity of picture windows, where the temperature range is much greater. Begonias, which may be injured by too much sun do well. It is an ideal spot for African violets. Amaryllis, calla lilies, and all the hardy bulbs will thrive, and of course the foliage plants and florists' green plants.
An arrangement by which a shade or curtain can be lowered between the plants and the glass on sub-zero nights will protect from injurious drafts, provided the window is of the double pane type, or has a tightly fitted storm sash.
Automatic watering for indoor plants will save lots of trouble, and may save your plants. Trays or saucers in which two inches of coarse sand can be placed on this sand, and keep water in the sand just below the bottom of the pot. This water will be drawn into the pot as needed to keep the soil moist, without danger of water-logging. Evaporation from the trays will also help humidify the air, which is usually too dry. Other methods of humidifying which may be available will be beneficial.
Those who live with picture windows soon learn that the light, or glare they admit, is not always pleasant. It is easily softened by a gauzy curtain, and in the case of plants excessive variations in temperature may be lessened by shading with such a curtain, or a screen of similar material.

This trio of police officers have been added to the San Angelo department. Left to right, they are: Anthony Wayne Kotcham, 6 feet 4 inches, 220 pounds; J. H. Early, 6 feet 2 inches, 215 pounds and Byron Bedwell, 6 feet two inches, 205 pounds. Ketcham and Early are veterans. Bedwell signed to his first assignment.

Lutherans To Gather At Plainview For "Conquest For Christ" Program

Occupying the attention of the members of Emmanuel Lutheran plus their fellow-Lutherans in the Panhandle and South Plains on the evening of January 3, will be an inspirational gathering in St. Paul's Lutheran Church, 901 Oakland, Plainview. The meeting set to begin at 8 p.m. will feature the Rev. H. E. Herrmann, Stewardship Director of the Lutheran Church Missouri Synod. Theme for the evening is "Raising Men or Money."

The Rev. Herrmann comes to Plainview as part of a statewide tour in the interest of the church's "Conquest for Christ" program which the members of the Lutheran Church will undertake in the year 1952.

"Conquest for Christ" is the program of the Lutheran Church-Missouri Synod to increase the capital investment in foreign mission fields by supplying such needed things as chapels, hospitals, dwellings, and the like while at the same time to expand the educational facilities of the church here at home.

Emmanuel Lutheran's "Conquest for Christ" committee is made up of Albert Lorenz, E. J. Brandt, Vastine Hobrathschk, Clarence Hobrathschk, Walter Timian, and Mrs. Gene Bartley.

Olton Man Loses Arm In Accidental Gun Discharge

Lawton Thomas, manager of the Consumers Oil Co., Shamrock wholesalers, lost his right arm due to the accidental discharge of a shotgun last Thursday afternoon. Thomas and M. B. Lobaugh were hunting about 8 miles northwest of Olton when the accident occurred. The gun was evidently being removed from the pickup in which they were riding when it discharged, the impact striking Thomas just above the elbow. He was carried to the Olton Memorial Hospital for treatment.

Friday afternoon Thomas was taken to the Northwest Texas Hospital in Amarillo where the arm was amputated. He was reported to be resting well, after serious effects from loss of blood and exposure.

Friday afternoon when his automobile was in collision with another car.

Capt. Shotwell is a patient at the air base hospital.

He is reported as apparently getting along satisfactorily.

His parents, Mr. and Mrs. I. T. Shotwell, and his brother and sister-in-law, Dr. and Mrs. I. T. Shotwell, went to Amarillo Saturday, returning here Sunday.

Dr. and Mrs. C. E. Payne of Lubbock visited Capt. Shotwell and Mrs. Shotwell in Amarillo Sunday.

He is scheduled to report to a California base the latter part of January for overseas service.

Last Rites Held For Father Of J. B. McShan

O. L. McShan, 76, of Brady, Texas, father of J. B. McShan of this city, passed away at the Brownwood Hospital Friday afternoon at 5 o'clock, following a two months' illness.

Mr. McShan suffered a heart attack in October, and had been confined to his bed since that time. Funeral services were conducted at the Methodist Church, Brady, Saturday afternoon at 3:30 o'clock, with the pastor officiating; and interment took place in the Brady Cemetery.

J. B. McShan went by plane to Brady early Saturday, returning Sunday. Survivors besides his son, J. B. McShan of this city, include deceased's widow, Mrs. Mamie McShan, of Brady; four daughters; Mrs. L. H. Bell of Brady; Mrs. Haston Mayfield of San Angelo; Mrs. W. S. Stone of Brownwood and Miss Ollene McShan of Brady.

Five brothers also survive deceased. They are: Ace McShan of Sweetwater; Pat, Allen and Alto of Brady; and Fowler McShan of Roswell, N.M.

Deceased was in the bank liquidation business for some time prior to retiring a few years ago.

Health Talks

by the State Medical Association of Texas

get a bit noisy this week from Years, not only the girl "things" as well. From this of opening till the big swell and "Happy New Lots of decibels measuring sticks

coming, and you do expect noise on such occasions as the Christmas holidays, New Year's Eve and Halloween, the noise "hangover" will probably still be felt. Man never completely adjusts his physical mental, or nervous mechanisms to noise. Continuous noise over a period of time may be a serious threat to health, impairing not only the nervous system but hearing as well.

Those little boy noises, which can often be astounding, don't usually bother the little boy himself. Such is the mechanism of noise that it doesn't greatly disturb the person making the sounds because he sees the action causing the noise and his nervous system apparently adjusts itself automatically in anticipation.

During the fun of holiday gathering and partying, you may witness some fancy magic tricks and be asked to take part in some games of hypnotism. Magic tricks are one example of how everyone loves to be spoofed but hypnotism is another matter entirely, a direct contact with the mechanism of a personality which the doctors feel should never be used for entertainment purposes. Nervous disorders can be readily created by direct suggestion in the average adult under hypnosis, and children are even more susceptible with a greater danger of potential harm from hypnotism.

Pullings rabbits out of a hat and all the tricks that make things appear out of nothing make for very pleasant entertainment. When your eyes start getting spots before them, however, spots that aren't really there, it's not fun and you don't enjoy it. Everyone sees spots at times and during tension (such as excessive partying) or excessive use of the eyes, those spots may become more noticeable. That is normal. Sometimes they aren't normal; farsightedness and astigmatism (improper curving of the light-catching parts of the eye) can also cause spots. So when the spots appear and you know you're tired or excited or you've been reading too much, you might ignore those spots as much as you can. If they keep coming back or persist even when you rest your eyes, they may not be of the harmless variety and you would do well to have an eye examination.

Included in the parlor tricks or games of the holiday season is the traditional mistletoe. And you're wrong if you think your doctor is going to tell you about the dangers of kissing. On the contrary, he labels the agreeable salutation of kissing as a boon to the mental

health of mankind.
It's quite true that kissing can spread germs. But there are germs in the air you breathe, too, and you don't stop breathing. Cold germs aren't often spread by kissing mainly because the person with the cold doesn't feel happy enough to want to kiss or be kissed by anyone.

So to get back to the mistletoe. According to the legends of that holiday berry, you are supposed to pull a berry from the branch and hand it to the person you are going to kiss. And that is probably where the slang expression, kissing is the berries, was born.

Freezing Rains

(Continued from Page 1)

Shortly before midnight New Year's night, more moisture fell, and froze almost as fast as it fell, to glaze streets and highways throughout the area with a treacherous, dangerous coating of ice, which made driving hazardous, dangerous and precarious.

As a result of the ice-over streets and highways numerous reports of minor and major traffic accidents began to filter into, law officials, wrecker garages and hospitals.

Among the more serious wrecks which were reported was one between Littlefield and Spade, when Mrs. G. W. Falls' car went out of control on the icy pavement, turning completely over, and Mrs. Falls was brought to Littlefield Hospital, but is believed not seriously injured. Another highway wreck was reported on the Littlefield-Lubbock highway, Wednesday morning. Sergeant James Ballard, who was returning to Lubbock air base, from his home in Littlefield, was slightly injured in a minor icy collision. Dozens of skidding episodes were common on local streets throughout Wednesday morning, with considerable car damage, but no serious physical injuries.

Several persons suffered falls while walking on icy streets, sidewalks, or slippery porches. Mrs. Belle Dow, fell and suffered a broken back at her home as she ventured out for the morning paper; Robert William Pinkney, father of Mrs. Bruce Porcher, aged 79 fell and broke one hip. Both are at Littlefield Hospital. Mrs. Ollie Langford, aged 79, 703 East 5th st., fell at her back porch, and suffered a broken arm and fractured rib. She was ambulated to Payne-Shotwell Foundation.

High temperature recording for the week was 77 on both Saturday and Sunday. Low was Thursday night at 29 degrees. Only a trace of moisture, approximately one-quarter of an inch was received.

The West Texas Gas Company temperature gauge gives the following readings for the week:

	High	Low
Thursday	50	20
Friday	72	35
Saturday	77	45
Sunday	77	59
Monday	65	56
Tuesday	28	26

Former Pioneer Amherst Resident Dies Monday

Funeral services were held at the First Baptist church, at 3 p.m. on New Year's Day, for James Preston Veach, 58, who passed away at Littlefield Hospital, early Monday morning, December 31. The pastor, Rev. Lee Hemphill officiated, assisted by Dr. Weldon Meers, pastor of the Missionary Baptist church. Burial was in Littlefield Cemetery with Hammons Funeral Home in charge of arrangements.

Deceased was born April 24, 1893 in Wise County Texas. He had been a resident of Lamb County for the past 28-years, and had resided on a farm near Amherst, before moving to Littlefield at 931 W. 5th street, a few months ago.

Surviving are his wife, two sons, Kennedy and Adrian both of Lit-

that the fact that the income tax collector is now standing with outstretched hand, awaiting his share of the harvest take—and the amount that this source will garner in Lamb county will be substantial, will run into several millions of dollars, which in most part will be checked out of the county banks between now and March 15. But, even with that prospect in view, the financial position of the banks, was never better in this county, and in turn means the financial position of the entire citizenry is better than it was one year ago.

To give a concise and more clear picture of the county's financial position, in form for easy comparison, we list below the total deposits of all county banks as of both Dec. 31, 1951 and Dec. 31, 1950. Likewise, the figures on total resources are also listed. The figures are not entirely official, and are subject to correction as they were obtained by telephonic conversation with bank officials at all of the different banks, some of which did not have their statements completed in time for publication this week, but it is believed that all of the figures will prove to be substantially correct.

Following is the comparative summary of deposits at the end of 1950 and of 1951.

TOTAL DEPOSITS	
(Dec. 31, 1951)	
Security State Bank	\$4,024,080.51
Olton State Bank	\$3,815,254.30
1st National, Amherst	\$4,521,236.08
1st National, Sudan	\$1,922,065.35
1st National, Lftd.	\$6,440,337.46
Citizen State, Earth	\$ 591,000.00
TOTAL	\$21,313,973.70
TOTAL DEPOSITS	
(Dec. 31, 1950)	
Security State, Lftd.	\$3,231,962.90
Olton State Bank	\$3,229,094.05
1st National, Amherst	\$4,006,405.21
1st National, Sudan	\$1,866,858.83
1st National, Lftd.	\$6,405,926.54

TOTAL RESOURCES	
(Dec. 31, 1951)	
1st National, Lftd.	\$6,537,301.54
1st National, Sudan	\$2,046,472.35
Olton State Bank	\$3,990,711.40
Citizen State, Earth	\$ 702,060.00
1st National, Amherst	\$4,717,207.42
Security State, Lftd.	\$4,204,628.81
TOTAL	\$22,498,321.52

From a comparison of the above figures it will be noticed that total resources exceed total deposits by approximately \$1,184,000.00. For the information of those, not altogether familiar with the wording of bank statements, it can be explained, that the difference in figure just above, represents, capital, surplus, undivided profits, etc., (capital investment) in the six banks of the county.

Joel F. Thompson Seeks Reelection

Joel F. Thompson, who is now serving his second term as County Clerk, has instructed the Lamb County Leader to announce his candidacy for re-election.

Mr. Thompson said, in announcing for re-election, that throughout the time he has been in office he has exerted every effort to maintain the records and facilities of his office in a manner assuring the best in service.

"I have devoted my time exclusively to the duties of my office, and have not counted the hours or the amount of work involved; all I have sought to do is maintain the County Clerk's office in an efficient manner and carry out improvements as they are recognized and needed."

"Every person in public office should feel a deep responsibility and fully recognize the trust which has been placed in them by the citizens of the area in which they serve. For this reason I have always tried to be conscientious in all my dealings."

"I invite the citizens to visit my office and see the manner in which it is conducted."

"Having endeavored to be a satisfactory public servant at all times, I am asking re-election on my record, and assure you that any consideration given me for return to office will be deeply and sincerely appreciated," said Mr. Thompson.

Political Announcement

The Lamb County Leader is authorized to announce the following candidates for office, election to be subject to action of the Democratic Primary.

Preview Of 1952 . . .

(Continued from Page One)
prefer to take on Taft. That is mutual. Both think the more clearly drawn in such a contest.

Taft says there would be no "me-tooism". Taft and Gen. Eisenhower are the only announced GOP candidates. Warren thinks more domestic issues than does Taft. Gen. Eisenhower is in the White House on foreign affairs.

But many experts predict Truman will not run again would not run if his friend, Eisenhower got the Republican nomination. In that case, one belief is he would ask Chief Justice to be Democratic candidate.

Primaries from March 11 to June 3, will pick more Republican convention delegates. And Taft has led all public choice.

BUSINESS—The cost of living will go up a little in 1952, more stable than in 1951. White collar men and those who will be pinched. Food and clothing will be plentiful down by competition. But farm parity supports will force prices.

Four million new cars are planned and fewer appliances. But there should be no shortages until late in the year line (except high octane) should be plentiful with little.

The government will try to hold the number of new industry hopes to build a million more. Shortage of copper for wiring may be more restrictive than government. Federal Reserve mortgage rules favor small homes and continue strong. One estimate of needs is 1,450,000 homes next ten years. Building costs for 1952 are expected to be LABOR—There will be fewer civilian jobs, more in displacement the first of 1952 as changes are made. Unemployment expected to rise.

End of the Korean war and better relations with Russia fewer jobs and wage boosts. The expected continued upward pressure on living costs, wages and prices.

Demands for more "fringe" benefits in labor contracts. The steel industry labor negotiations are again expected. John L. Lewis can be expected to try for a better coal deal. MILITARY—The U. S. Army may have five more divisions. Guard units from Ohio and Illinois already have been. Force will get more modern planes for existing units but plan for more units.

Navy expansion will be largely in the air although small, are under construction.

FARMS—Farmers plan to break production records for four years—weather permitting. Unprecedented domestic demands will spur them on.

Special emphasis will be placed on production of live and cotton. But loss of workers to the cities and short pesticides and machinery will make the farm job tough.

Prices will be more stable but costs may go up a little. Plans do not change, farm prices and income will play this election year than last. In 1948, many farmers feared recession and expected more benefits from the Democratic WOMEN—U. S. women look forward to new power as potential voting strength of nearly 50 million could elect.

In recent off-year elections, women's influence was reform vote all over the country. Comparative new women into office on a tide of indignant feminine votes.

The same spirit is expected to extend into 1952. Can't convince Mrs. U. S. A. ad her daughters that they can't crime off the national doorstep—in addition they'll have to". The campaign will be brought right into the American where the lady of the house may size up candidates on SCIENCE—Air power and atomic power are promised. Americans will fly higher than man ever went. Manned ready exist and have flown to the upper edge of the atmosphere. Fuel is better, so there is no need to wait for atomic United States cannot risk anyone else being first to fly anti-aircraft guns and military planes.

There will be atomic artillery in 1952. Probably the first with uses limited to lack of mobility.

Whether an H-bomb is possible will be settled, but the secret. The Savannah River heavy hydrogen plant may be that but will not be necessary for settling scientific arguments this terrible bomb.

Several private firms will work with atomic power to bring more than 100 new scientists into the nuclear revolution will open possibilities not open to the government.

A polio vaccine will be tested on humans. It is expected but long tests will be necessary to learn if it will work.

EDUCATIONS—More enrollment, lack of buildings and teachers, a shrinking dollar—these will again plague educational boards and a growing number of lay advisory groups will get more school funds.

THE ARTS—The great American novel, symphony or opera expected in 1952. In 1951 one of the biggest, most coveted fiction was not given. The judges said none of 600 books.

Financially the outlook is good. The end of the admission impresarios. There will be more encouraging cash prizes.

Publishers seem to have nothing to complain about, and they can afford to take chances on more new, professional. The more they support the new writer, the better finding good, lasting writers—it's a matter of arithmetic.

ENTERTAINMENT—The movie industry is optimistic. are expected to decline except for a few film aimed at Color musicals and adventure stories are expected to be Broadway plans a number of new shows with top paid and actors. An operetta, musicals and dramas are all in.

In TV the Federal Communications Commission has set to issue new station licenses, suspended since October, stations may not get on the air before 1953.

Some entertainment leaders are looking for a marriage and films—even if it is of the shotgun variety.
