REA Makes Application for Loan to Improve and Extend

Extends 163 Miles
Lamb, Hockley,
Cochran
Necessary Papers
Sent To Washington
Saturday Last

An application was made last week by the Lamb County Rural Electric Cooperative for a loan of approximately \$250,000 to extend REA lines, extending 163 miles of line in Lamb, Hockley and Cochran counties, also for the improvement of lines already constructed.

Sp. I. B. Holt Suffers Stroke

I. B. Holt of Olton, representative of the 120th District, suffered a cerebral stroke during the morning session of the House of Representatives at Austin Wednesday of last week.

Holt's left arm is said to have been helpless for a time, but he is recovering from it.

Local Men Visit Holt
Wm. N. Orr who, with Supt. Hutchinson and H. C. Arnold, in Austin on school matters, reported that they visited Representative Holt at his home in the State Hotel, on Friday, and that his condition was improving.

Was Home Recently
Representative Holt returned to Olton recently and was accompanied to Austin by his wife and family and had only returned when he suffered the stroke.

Is Hard Worker
Orr, president of the Littlefield Board, states that Representative Holt goes great credit for his untiring efforts toward securing state teacher aid for the local schools, and that he had been working as much as 16 hours daily to get more school benefits for the district.

Orr stated that Representative Holt went to bat for the Littlefield schools; that he was very much respected among the representatives of the district, and that for the short time he has been in office he has made good strides in gaining the respect of the House and Senate.

Convention, Girls! . . .
If you want a girls' recreational program, a meeting is being held at the school auditorium Monday, June 7, at 1 o'clock, to enroll the girls for the program, and your response will determine the possibility of such a program for the girls.

ACCEPTS POSITION INTERVIEWER
D. Jordan, manager of the local office of the Texas Unemployment Commission, states that O. K. Yantis of Littlefield, has accepted the position as interviewer with the office and will be in charge of employment visiting program.

LEFT HAND INJURED
Rowan Young of Sudan Friday sustained injury to her left hand when she got it caught in a light. She was given medical attention at the Payne-Shotwell Hospital and went home.

C. of C. Ballots Mailed Wednesday

Ballots were mailed Wednesday by E. C. Cundiff, Chamber of Commerce secretary, for the election of officers for the ensuing year.

Eastern Star Installs Officers Tuesday Evening

The Littlefield Order of Eastern Star met Tuesday evening at 8 p.m. in one of the most sacred and beautiful meetings of the year, when the outgoing officers submit their chairs to the incoming officers and the new ones feel the honor and sacred trust placed in them by the chapter.

The candlelight meeting was opened by one blow of the gavel by the junior matron, Mrs. Wm. Rumback and, as the chapter song, "Star of the East" was being played softly by Mrs. E. B. Lucas, little Kay, daughter of Mrs. Rumback, placed the open Bible on the altar.

This was followed by the presentation of the grand installing officers, who entered the chapter on the arms of their husbands. Following the grand entry, the meeting was turned over to Mrs. Pat Boone, grand installing officer, who read a beautiful installation service.

The installed officers were escorted to their stations by the grand installing marshal, Mrs. Pauline Smith. Mrs. Lee Hemphill gave the invocation.

Mrs. John Price, installed worthy matron, brought a beautiful message to the chapter and, in beginning, gave a matter of history of the chapter in saying: "Twenty-four years ago our beloved sister, Mrs. Flora Best Boone, stood before charter members of this chapter to thank you for the favor of naming her your first worthy matron."

Mrs. Price continued her talk, expressing her thanks and appreciation to all chapter members for their love and trust in placing her in the same seat of honor and pledged her faithfulness to her charge, and presented the theme for the coming year: "Love and Loyalty." She closed her talk with a lovely poem.

Mrs. Rumback, junior past matron, and Mr. Marvin Keefer, junior past patron, were escorted to west and a tribute was given in song by Mrs. Ralph Nelson, who sang "The End of a Perfect Day." They were presented gifts by the chapter, presentation being made by Mrs. Loyd Sewell, past worthy matron.

Associate Grand Patron Pat Boone made a short talk, expressing thanks and appreciation to the past junior matron and past junior patron for their untiring efforts of the past year, and presented each with a gift.

Following impromptu talks by grand officers, a drill by the Loyalty Girls, with Mrs. T. S. Sales, director, was presented.

After the close of the chapter, refreshments were served in the dining room by the Loyalty Girls to about 100 members and guests from beautifully appointed tables.

Softball Games Continue With Good Attendance

The softball games continue, with good attendance.

Thursday night in the Bridges Radiator Shop vs. Morrow Lumber game, the latter forfeited the game to the Radiator boys because they did not have sufficient players on the field to contest the game.

Friday night, Lavender Motor defeated the High School boys 20 to 13, while the American Legion downed the JayCees, 3 to 2.

Monday, Lavender lost a game to the High School boys by a score of 19 to 10; and Bridges bested the Firemen, 9 to 3.

Tuesday evening the JayCees carried away the game by a score of 24 to 2, against VFW; and Morrow Lumber won over the American Legion, 26 to 12.

Thursday night the Lavender Motor team will play the American Legion; and Bridges will play the Firemen.

Friday night a double-header will be Morrow Lumber vs. VFW; and the JayCees vs. High School.

Monday night, American Legion will play the Firemen, and VFW the JayCees.

Tuesday night, High School will contest Bridges; and Morrow Lumber will play Lavender.

Go To Austin In Interest of Schools

Supt. Joe Hutchinson, Dr. Wm. N. Orr, and Carl Arnold returned Friday night after spending since Wednesday previous at Austin in an effort to secure more transportation and teacher aid for the local schools, and to have the local schools included in Rural Aid Bill No. 295, recently passed.

It was believed some progress was made in this direction.

120 Enroll In Youth Program

The Youth Recreational program got off with a good start for the boys Monday morning, with an enrollment of 120, ranging from the ages of 9 to 14 years, but it was not until Wednesday afternoon that the girls' phase of the program was organized, due to the inability to secure instructors for swimming and other activities.

Mancil Hall, Community Chest chairman, advises one young lady has accepted the position as swimming instructor and another one will be secured in the near future.

All boys from the fourth grade through high school, and all girls ranging from the ages of 9 and 15 years are eligible to participate in this recreational program and will be placed in groups who share alike, as near as possible, interests, ability and skills.

Appropriate awards and honors will be given in recognition of achievements and improvements made throughout the recreational period.

Triple Birthday Is Observed In Jim Pugh Home

A triple birthday supper was given honoring Calvin Hammons, 21; Eddie Ray Pugh, 10, of Borger; and Linda Jo Williams, aged 2, in the home of Mr. and Mrs. Jim Pugh.

Coffee was served and wieners roasted over a camp fire. Lovely cakes with candles which were lighted on a large table on the lawn, which were served with punch.

Lovely gifts were presented from Mr. and Mrs. Clyde Soaps, Jesse Neal, Clyde Norman, Alice Faye, Mr. and Mrs. Filbert Eddings, Erelene and Danny, Mr. and Mrs. George Nichols, Denny, Shirley, Barbara Jo, Mr. and Mrs. Bill Hammons, Mr. and Mrs. J. O. Sweat, Shorty Pugh, Beth Ann and Bobby, of Littlefield and Miss Oneta Pugh of Borger, Corkey Cline of Lubbock, James and Joyce Dean Nichols, Jack and Frankie Nichols, Jimmie Ray and Irene Pugh, Mr. and Mrs. W. J. Williams and Jo Ann, Mrs. Calvin Hammons, the honoree, and the host and hostess, Mr. and Mrs. Jim Pugh, of Amherst.

Mr. and Mrs. B. F. Eidson, Mr. and Mrs. Harry Woody, Mr. and Mrs. Ben Silham, and Mr. and Mrs. Otto Fair and family visited Mrs. Lorene Grant at Odessa over a recent weekend.

Place Flags On Graves
Mrs. Elton Hauk, a leader of a troop of Girl Scout Brownies, had grouped 26 uniformed girls around the plot and, at the close of the service, they went to the graves of veterans and placed flags.

There are two Confederate, 15 World War I, and 11 World War II veterans' graves in the Littlefield cemetery.

The memorial plot was purchased and improved by the American Legion and Auxiliary and other citizens of the community in 1945, and dedicated to those of our boys whose graves are on foreign soil.

Graduates From New Mexico Military Institute

Eddie Ray Jones, 17, son of Mr. and Mrs. Dennis Jones, received a high school diploma from New Mexico Military Institute, Roswell, N. M., Tuesday last, having attended this college for the past two years.

His parents left here Saturday to attend the Institute's activities which were climaxed Tuesday by the presentation of the diplomas. They were accompanied home by their son Tuesday afternoon.

Eddie Ray was advanced in his military status from a corporal to first sergeant, and was awarded the

EDDIE RAY JONES

James medal for high scoring in rifle shooting.

He also won a loving cup for having the best squad in his troop.

Enters As Fourth Classman
After attending Littlefield High school two years, Eddie Ray entered the New Mexico Military Institute as a fourth classman, which is equivalent to a junior in high school. He made excellent grades throughout his two years at the Institute.

Letters On Track Team
He lettered on track team in high school at the Institute, and was also on the college rifle team. Being an outstanding student, he was eligible for membership, and was initiated into the I Club, a college organization. He is also active in the De Molay (junior Masonic club), and is a member of the cadet art club.

Born At Mangum, Okla.
Jones was born at Mangum, Okla., and has been a resident of this city since 1932.

Plans to Study Medicine
He will return this fall to the New Mexico Military Institute. He plans to study medicine, and will take two years of pre-medical work at Roswell, after which he expects to attend S. M. U., Dallas.

Jones has always been active in playing tennis, baseball and football. He is a grandson of Mr. and Mrs. A. F. Jones of this city.

Brownies' Day Camp Activities At Legion Hut

With outdoor activities, nature, crafts, campfire cooking, singing with games and story-telling, the Brownies of the Littlefield Girl Scouts are enjoying their annual day camp at the Legion hut and park, under direction of Miss Bettye Jo Crisler, of Lubbock, who is field director for this area.

The camp opened at 9 a.m. Monday and will be climaxed tonight (Thursday) in the gymnasium of the Littlefield High school with a program, at which time achievement awards will be made and "Flu Ups" recognized. Of the 43 Brownies enrolled in the camp, 23 will be eligible for that recognition for membership in the Girl Scouts organization.

Mrs. Elton Houk is camp manager and is being assisted by the following councillors: Mmes Carl Morrow, Jack Wingo, Sam Darby, S. E. Ayres, Bevell, Hack Stewart, and Mrs. Stillwell Russell, who has served as nurse for the group.

Mr. and Mrs. Hall Return Home From Baltimore
Mr. and Mrs. Mancil Hall returned Monday from Baltimore, Md., where they had flow a week earlier, so that Mrs. Hall might be placed in Johns Hopkins hospital for a check-up. She was found to be suffering from a combination of physical disturbances but, after several tests and treatment, was much improved.

Mayor A. C. Chesher To Deliver Talk Dedicating Pool

Will Be Open To Public Afternoons And Evenings

At a meeting held at Walters Drug Store Tuesday morning, at which Mayor A. C. Chesher and members of the management committee were present, arrangements were made for the formal opening of the Littlefield bathing pool Saturday night, the program opening at 8 o'clock.

The bathing pool is being sponsored by the Rotary club, Lions club, and city.

E. C. Cundiff Manager
With E. C. Cundiff as manager, members of the permanent management committee are: Joe Walters, representing the Rotary club; Wayne Brown, Lions club; and Dr. Ira E. Woods, representing the city.

Construction of the pool, which was supervised by Joe Walls, will be completed later this week.

Mayor Dedicates Pool
Mayor A. C. Chesher will make the dedication speech Saturday night, and the Littlefield High school band, directed by Don Hayes, will furnish the music.

Pool Now Being Used
The pool is already being used by the boys taking part in the recreation program. They will use it mornings five days a week, and the pool will be open to the public in the afternoons and in the evenings, as the weather gets warmer.

A dressing room has been constructed, and there have been some playground equipment installed, and more will arrive later.

According to those in charge, it is necessary that all bathers bring their own towels and bathing suits. However, it was explained to a Leader reporter that it was hoped later, as soon as available, to purchase suits and towels for the convenience of the bathers.

A recreation building will be constructed east of the swimming pool. This was included in the last bond issue.

The rates set tentatively for bathing at the pool are: 20 cents for children through high school, and 35 cents for adults, which prices include the Federal tax.

Defer Action On Parking Meters

A mass meeting was held at the courthouse Friday night for the purpose of discussing the installation of parking meters in the city, and to find out the wishes of the citizens as a whole in this regard.

According to W. G. Street, city secretary, only a small representation of the citizenship attended.

Jack E. Brown, representing the Karpark Corporation of Cincinnati, Ohio, one of the companies which have propositioned the city to install parking meters, was present and discussed the operation of the system.

Those present voted unanimously in favor of the project but, inasmuch as the attendance was small, the city is deferring action until it can get a better expression from the people as a whole.

Meeting To Be Held At Fieldton Friday

A meeting will be held Friday night at the Fieldton school, opening at 8:30, for the purpose of discussing the issues in connection with the paving of proposed roads in the Fieldton area.

It is understood there exists some controversy as to which road will be paved, and petitions have been filed with the County Commission.

Miss Kathryn Winston, daughter of Mr. and Mrs. E. L. Winston, returned from Cincinnati Tuesday, where she has been majoring in architecture. She arrived in Amarillo on the TWA and was met there by her father in his Piper cruiser.

Personals

Mr. and Mrs. W. S. Savage returned Tuesday of last week from a two weeks' visit with Mrs. Savage's mother at Bonham, Texas. Mrs. Savage reports her mother was real ill while they were there, with a heart and kidney ailment, but that she is now better.

Mrs. Alma Adkins left Sunday for Electra, Texas, to be with her father, I. E. Cockrell, who is ill with a heart ailment. He has been a patient in a Vernon hospital, but is now at home.

Mrs. Cleda Goodwin was admitted to the Payne-Shotwell Hospital Saturday morning for medical treatment. She is getting along nicely.

Mr. and Mrs. Bill Austin of Littlefield returned Tuesday of last week from Yellowstone National Park, Montana, and Colorado. They were gone 10 days.

Mrs. E. M. Davis returned home Saturday after a visit since Tuesday with her daughter and family, Mr. and Mrs. David Mitchell of Whitharral.

Mr. and Mrs. Henry Montgomery left Saturday for a few days' visit with his mother, Mrs. Newt Montgomery, in Abilene. They will go to Hot Springs, N. M., Tuesday to move their household effects to their home recently purchased on Newman Avenue, Littlefield.

Richard Stripe, Herbert Martin and Tom Brittain, all students of the Texas University, spent from Friday until Wednesday visiting relatives here. They returned Wednesday to Austin to attend summer session, riding through in Mr. Strip's car.

Miss Lula Hubbard left Thursday for Amarillo on a two weeks' visit with her niece and nephew, Mr. and Mrs. Paul Timmons.

GO FISHING

Newt Harkey returned home Wednesday night from Possum Kingdom Dam, where he and a friend, Jim Hahan, of Spur, had gone the previous day. Due to high wind, Mr. Harkey reported a poor catch and, with further windstorms, they decided to await more settled weather conditions.

WAS GUEST SPEAKER

Mr. and Mrs. Joe Salem of Sudan were guests recently of the Abernathy Rotary club, when Mr. Salem was guest speaker.

Between Us STORKS

Mr. and Mrs. Emil Onstott are the parents of a son, born Saturday morning at 6:30 o'clock at the Payne-Shotwell Hospital. He has been named Richard Emil, and weighs six pounds, nine ounces. Mother and son are doing nicely.

A daughter was born to Mr. and Mrs. John D. Smith Thursday, May 29, at the Payne-Shotwell Hospital. She weighed at birth 10 pounds, and has been named Sandra. Mrs. Smith was formerly Miss Geraldine Ratliff.

Mr. and Mrs. Earl Smith of Olton are parents of a baby girl, born at the Payne-Shotwell Hospital Tuesday, May 27.

A daughter was born to Mr. and Mrs. Homer Smith of Littlefield, at the Littlefield Hospital, Saturday, weighing nine pounds, two ounces. She has been named Lora Ann.

Mr. and Mrs. Wm. H. Self of Anton are the proud parents of a daughter, born Tuesday, May 27, at the Littlefield Hospital. She has been named Velma Sue.

Mr. and Mrs. Darrell Landrum are the parents of a son, born Saturday afternoon at the Littlefield Hospital. He weighed seven pounds, and has been named Curtis Scott.

HOME FOR SUMMER

Jodye Jones, student of Baylor University, Waco, arrived home Saturday for the summer vacation. His brother, Jarold, went to Waco Friday and was accompanied home by his brother. Jodye and Jarold visited their aunt and uncle, Mr. and Mrs. G. W. Higgins, at Seymour en route to Littlefield.

Mrs. Erwin St. Clair of Lubbock visited her mother, Mrs. Ruth Perry, here over the weekend.

Young People To Attend Meeting

Mrs. Ira Wood, young people's advisor of the First Presbyterian Church, will leave Tuesday morning by car with a group of members from the Westminster Fellowship organization of the local church to attend the state convention of that branch of the Synod of Texas, which convenes in San Antonio from June 9 through June 12.

Accompanying Mrs. Wood will be Misses Delphine Covington and Catherine Lewis, and Charles Joplin and Warren Rutledge. Houston Hodges, who is Outreach commissioner for the state organization, will leave earlier to be in attendance at the executive meeting Monday morning, but will return with the group.

Warren Rutledge will represent the Littlefield organization as voting delegate.

The afternoon following the close of the meeting visitors to the convention will be entertained with an excursion through the city and to historical places of interest.

Mrs. Emil Onstott Honored At Shower

The Littlefield Jay-Cettes met in their regular monthly meeting Tuesday night at the home of Mr. and Mrs. Earl Rodgers, on East 11th Street, with Mrs. Otha Smith as co-hostess.

Included in the business transacted was the matter of ordering the Jay-Cettes' shirts.

A pink-and-blue shower was given Mrs. Emil Onstott, who received a lovely array of gifts.

A corsage was also presented Mrs. Onstott by the hostess, Mrs. Rodgers. Refreshments of pink ice cream and cake were served to the following: The honoree, Mrs. Onstott; and Mmes. O. K. Yantis Jr., Bob Walker,

DON EAGAN SAILS TO FOREIGN PORTS

Mr. and Mrs. J. D. Eagan were in receipt of a wire Thursday from their son, Ensign Don Eagan, to the effect that the carrier ship Randolph, on which he is serving, would sail the following Sunday for foreign ports. Included in the voyage will be England, Scotland and Sweden.

ABOUT LITTLEFIELD COLLEGE STUDENTS

Miss Georgia Smith returned home Saturday from Denton, where she has been attending TSCW. She plans to rest at home this summer.

Mr. and Mrs. James Mitchell Stokes, accompanied by Miss Ruth Griffin, left Saturday morning for Norman, Okla., where Stokes will resume his studies in the university. Miss Griffin will register for the summer course in the same school.

Pryor Hammons Jr. will re-enroll in Texas Tech June 6 for the summer school. He is a pre-medical major.

Mrs. Fred Deerfield is making arrangements to attend Texas Tech for a six weeks' term. She will be doing some finishing work towards her degree.

D. L. Whitson, E. E. Wesley, E. E. Hestund, George Kirk, Jess Inman, Earl Rodgers, Otha Smith and Wayne Brown.

"Mixing Corner Kitchen"... with all the "tools" for easy baking in one central spot. But even more important, this latest "New Freedom Gas Kitchen" makes short work of four big kitchen jobs! 1. Food storage is more convenient with a new silent Gas refrigerator that stores a week's groceries plus 60 packages of frozen foods. 2. Cleaning's a cinch thanks to a special ventilating system that catches greasy vapors and unwanted cooking odors at their source. 3. Dishwashing's almost fun now that a new automatic Gas water-heater supplies plenty of hot water for a do-everything dishwasher. 4. As for cooking, just read about this new automatic Gas range built to "CP" standards. Start making plans for your "New Freedom Gas Kitchen"—today!

Never before such a kitchen for cooking!

Here it is! Your beautiful ultra-modern new Gas range that gives you the best in cooking results with no old-time cooking cares.

No clock watching—complete oven dinners cooked automatically by a simple clock control. Gas turns on and off...yes, even when you're miles from home!

No guesswork—automatic thermostat sets and keeps any oven temperature from 250° to 550°.

No "half-baked" cakes—oven is ventilated so that heat circulates evenly on every level.

No "stewed steaks"—Gas broiler really broils...flame-seals rich red meat flavor.

No lingering after-heat—cooler top-of-stove cooking with the flame that's out the second you turn it off.

No messy cleaning—burners won't clog from boilovers. Pan bottoms stay brighter.

And remember! The one sure way to get all these advantages of modern Gas cookery...is to look for this "CP" seal on any "make" Gas range before you buy!

The wonder flame that cools as well as heats

Lovely Tea Given at Stagner Home Today Honoring Mrs. Buck Elliott

Lovely tea was given at the home of Mrs. E. E. Stagner in Amherst, Tex., May 30, from 2:30 to 5:30 p. m., honoring Mrs. Buck Elliott, a resident of Amherst, who is moving to Vernon, Texas, to make her home.

The house was decorated with flowers. The table was spread with a lovely crocheted cloth, centered with a crystal basket of pink and baby breath. Softly lighted table were white candles in tall candelabra.

The guests were greeted at the door by Mrs. Stagner. Mrs. Glenn Stagner presided at the refreshment table. Mrs. Gordon Thurman registered the guests, while Mrs. Crosby led them in to view the gifts, and to the dining room for refreshments of punch, cookies and mints.

Hosting the event with Mrs. Stagner were Meses L. A. Daniel, J. L. Eddy, Harry Phelps, Jim Bradley, Bradley, Gordon Thurman, Edd Johnson, Charlie Harmon and N. A. Lighter.

Padgetts Are Here For Summer From California

Mrs. Marlin E. Sneed and little daughter, Kathryn Jean, arrived home Monday night, after a two months' sojourn in California. They were accompanied home by Mrs. Sneed's parents, Mr. and Mrs. W. F. Padgett, and their daughter, Miss Mary Padgett.

The Padgett family, formerly of Littlefield, now of San Bernardino, Calif., plan to spend the summer here.

IN APPRECIATION

The American Legion Auxiliary wishes to thank all those who had a part in our memorial services. Especially the Rev. Lee Hemphill, who brought the message, and to those who worked so hard on cleaning the cemetery for the occasion.

American Legion Auxiliary.

Entertain Wives At Buffet Supper

Members of the Littlefield Roping Club entertained their wives with a buffet supper at the Legion Hut Friday evening at 8:15 o'clock. Lon Campbell, president of the club, and T. G. Shaw, secretary and treasurer, were in charge of the arrangements.

Following the supper, the group enjoyed a period of dancing, at which time music was furnished by an electric phonograph with a loudspeaker.

Those present were: Messrs and Meses Lon Campbell, T. G. Shaw, Bob Smith, Cecil Martin, Hollis Smith, Wayne Martin, Norris Onstead, R. V. Armstrong, W. F. Martin, Ray Smith, Tyson Neighbors, Billie Roper, Rusty Gage, Buck Ross, Clint Griffin, and Miss Ruth Griffin.

Group Enjoys Outing At McKenzie Park

Your Cost of Living is a PENNEY problem

Maybe we ought to say it's THE Penney problem—that's what we built our success on.

We make it our business to think about getting the things you need, at prices you can afford. We don't have "sales". Why should we, when we sell at lowest cash prices EVERY day! When prices zoom, we fight to keep them down. When prices fall, they fall for YOU—fast and low—at Penney's. Millions of hard-working American families know this. They are our customers—the backbone of our business.

Bridal Party In Evans-Douglass Wedding

Above are Mr. and Mrs. Joe W. Douglass, who were married Thursday evening at the First Methodist Church of this city, and their attendants, Miss Marjorie Claire Joplin, daughter of Mr. and Mrs. Arbie Joplin, and Mr. Ben Lyman Jr., son of Mr. and Mrs. Ben Lyman, all of Littlefield.

shoulder with a pattern of seed pearls and her side-swept skirt was caught in soft folds of drapery at the hip. Her waist-length illusion veil was attached to a tiara of orange blossoms and she carried an arm bouquet of blue delphinium. She wore elbow-length white gloves.

Mrs. Evans, mother of the bride, was dressed in a navy blue crepe trimmed only by an irregular band of heavy white lace on the short sleeves. Her accessories were white, and she wore a corsage of white carnations.

The groom's mother was attired in a navy romaine crepe dress with white accessories and wore a corsage of white carnations.

Reception Is Held

Following the ceremony a reception was held at the bride's home.

The guests were registered in the bride's book, over which Miss Johnnie Muriel Evans, sister of the bride, presided.

Besides Mr. and Mrs. Evans and their daughter, other members of the house party were: Misses Mary Lee Akers of Anson, Miss Earnestine Short of Post, Mrs. H. S. Robinson and Mrs. H. V. Newman of Shallowater, sister and sister-in-law, respectively, of Mrs. Evans, and Mr. and Mrs. J. T. Douglass.

The bride's table was laid with a lace cloth, from which cake and punch were served.

The beautiful white wedding cake was built in the shape of a huge bell where, at the top, icing was artistically arranged to create a cluster of mallow roses, with centers of deft blue, green foliage and lilies of the valley. The cake was flanked with white tapers.

After the first slice was made by the bride, Miss Earnestine Short presided at the cake, while Miss Mary Lee Akers served punch.

A beautiful array of wedding gifts was displayed throughout the entertaining rooms.

Bride Former Tech Student

The bride was a member of the

1943-44 graduating class of the Littlefield High school and a former student of Texas Technological College, majoring in commercial education.

Teaches In Littlefield

She has served as teacher on the faculty of both Littlefield and Anton schools, the latter of which she has just completed a teaching term.

In Service Four Years

The groom graduated from the Littlefield High school with the class of 1939-40. He was a student of Texas Tech, having finished a two-year term when he enlisted in the AAF. He was released from the service in March of 1946, after four years' service, as an engineer on B-29's, and held the rating of staff sergeant at the time of his discharge. He is now a student at Tech, majoring in economics.

The bride and groom left immediately following the reception for Ruidosa and other point in New Mexico. For her going-away costume she chose a medium blue gabardine tailored suit, with black accessories.

Following their return, the happy couple will re-enroll in Tech, where they will continue their college work to completion. They will be at home at 2510 Third Street, Lubbock.

Out-of-town guests attending the wedding and reception were: Mrs. I. C. Elliott and son, David, Mr. and Mrs. S. H. Robinson, Mr. and Mrs. H. V. Newman and daughters, Mollie and Jeannie, Mr. and Mrs. J. P. Newman, Mr. and Mrs. A. F. Reece, all of Shallowater; Mr. and Mrs. Hoyt Talley and Mrs. H. S. Ury of Decatur; Mr. and Mrs. Milton H. Elliott, of Lamesa; Mr. and Mrs. Byron Jones, Mrs. J. C. West Sr. and son, Leon, and daughter, J-No West, John Ross, and Miss Joyce Morris, all of Lubbock; Mrs. Mary Lee Akers, of Anson; Miss Earnestine Short, of Post; Miss Roverta Sullivan, of Portales, N. M.; and Bob Ellison of Portales, N. M., and Howard Taylor, of Brady.

Evans-Douglass Nuptial Vows Exchanged In Beautiful Ceremony Thursday Evening

MRS. JOE DOUGLASS

Miss Regina Evans, daughter of Mr. and Mrs. J. H. Evans, became the bride of Joe W. Douglass, son of Mr. and Mrs. J. T. Douglass, in a lovely church wedding at 7:30 Thursday evening, at the First Methodist Church.

The Rev. H. S. Dunnam, pastor, read the nuptial vows, using the impressive double-ring ceremony.

Palms and baskets of Piccardy gladiolus against a background of tall white tapers burning in two pairs of wrought iron, seven-tiered candelabrum, made a beautiful setting for the wedding party. The tapers were lighted by Edwin Coffman and Jarold Jones.

Miss Heathman Is Organist
Miss Helen Heathman, organist, played softly as the guests arrived, and accompanied Mr. Jack Norman, who sang "Because."

The wedding party entered the church to the strains of the traditional wedding march from Lohen-

grin.

Miss Joplin Is Bridesmaid
Miss Marjorie Claire Joplin, a cousin of the groom and former college roommate of the bride, was her only attendant. Her peplum-styled dress was of powder blue moss crepe, which was self-trimmed with a rippled fold from the shoulder to hem line. She wore a blue half hat from which a veil was caught at the crown's edge and fell back to shoulder length. Her arm bouquet was of white snapdragons.

Ben Lyman Attends Groom
Ben Lyman Jr., a friend since early childhood of the groom, served as best man.

Billie Jim Evans, brother of the bride; Jarold Jones and Edwin Coffman served as ushers.

Given Away By Father
The bride was given in marriage by her father. She was lovely in a street-length dress of white moss crepe, which was trimmed at the

Mr. and Mrs. B. F. Eidson are leaving Saturday for Seymour, where they will visit his two sisters for a week and go fishing. Mr. Eidson will work in the harvest for a time.

1-2-3! and You're the WINNER

1 It is good business on our part to find money-saving merchandising opportunities. The Englander Company, makers of Nationally advertised mattresses, bought a factory in Boston, in Pittsburgh and in Los Angeles. As a result, they had a large amount of odd lot covers used in high priced mattresses.

Englander means

2 All of these covers went on one low priced mattress—all colors—all patterns—all materials—even including genuine imported Belgian damask. Most all are one of a kind. Some even have matching box springs. Full, three-quarter and twin sizes.

Better Sleep

3 Tempered steel inner-spring unit—stitched steel insulating pad—deep cotton felt cushioning—Englander Equalizer for proper support—dust free, taped inner-roll edge—ventilators—smooth top tufts—handles. Truly a fine mattress at a real saving!

South Markets Steady to Strong With Few Scattered Exceptions

The UNITED NATIONS is tackling the world-wide problems of the exchange of information through its sub-commission on the Freedom of Information and of the Press. Here a group of correspondents, whose dispatches go to almost every nation in the world, get the facts of an important story at U.N. headquarters from a U.N. press officer (center, reading). The press has free access to virtually every U.N. activity.

Officers To Name June 12

Officers met in a supper-meeting at Starr Drive-Inn Cafe Thursday and appointed a nominating committee to nominate officers and directors as a controlling body next year. The nominating committee will meet this week, at which time nominations will also be made from the officers nominated will be on Thursday night, June 12, those elected will be installed next week.

Death of Mrs. Henry Pickrell Dies Saturday

C. H. Kyle, 58, sister of Mrs. Pickrell of Fieldton, passed at 9:15 a.m. Saturday at her 1710 Avenue M, Lubbock, after a lengthy illness. Mrs. Kyle had been sick for a number of years, had undergone three operations, and spent the greater portion of the past year in bed. She underwent surgery first in 1945 and the last operation was performed a year ago. Funeral services were conducted at 10 o'clock Monday afternoon at the home of Christ, Ralls, Texas, with burial in the Ralls cemetery. Mrs. Kyle is survived by her husband and four children, three daughters: Mrs. Quinton Stewart of Lubbock, Mrs. Ellred Varner of Floydada, Mrs. Berl Griffith of Ralls; and son, Byron Abel, of Lubbock. Besides her sister, Mrs. Pickrell is survived by two brothers, L. H. Pickrell, of Littlefield, and Frank Wells of Fieldton. Among those attending the funeral services were: Mr. and Mrs. Jake Qualls of Littlefield, Mr. and Mrs. Henry Pickrell, Mr. and Mrs. Pickrell, and Mrs. Jim Pickrell of Fieldton; Mr. and Mrs. Muriell of Springlake, Lieut. Col. Carpenter of Miami, Fla., came by plane, and J. D. and Betty Shirley, of Rochester Texas.

Raymond Renfro underwent operation for appendicitis Thursday morning, and is reported to be doing along nicely.

Youths Arrested In Theft Cases

Three youths, 18, 19 and 20 years old, who gave Littlefield residence addresses, and one Martinez, Calif., were in Lubbock County jail Thursday night after arrests there by Deputy Sheriffs Tom Cannon and J. A. Wright, in connection with a county-wide investigation into who placed numerous allegedly stolen properties in a half-dugout in Lubbock. A 48-year-old Lubbock man, identified by officers as father of one of the suspects, who had been detained earlier Thursday, was charged with vagrancy. Officials said properties found probably traced to pilfered cars "at least two weeks back," and included bags, an Army blanket, a .22 caliber repeating rifle, a raincoat, a flashlight, a camera, a box of cigars and much of approximately \$100 worth of barbering equipment believed owned by Clint Sherrod, of 3002 North Third, Lubbock, who reported the theft Wednesday afternoon from 703 Broadway.

LOSES PART OF FINGER IN VACUUM MISHAP THURSDAY

E. E. Wesley of W-W Electric, while cleaning a vacuum cleaner at the W-W shop Thursday morning, sustained injury to his left hand. The large finger was badly mashed and, at the Payne-Shotwell Hospital where Mr. Wesley was admitted for treatment, it was found necessary to amputate the finger at the first joint. Mr. Wesley was a patient at the hospital several days.

Pumphrey Brothers Visit Relatives And Friends Here

H. C. Pumphrey, student at T.C.U., Fort Worth, who spent a few days between semesters with his parents, Mr. and Mrs. H. C. Pumphrey, at Lubbock, left Sunday to return to Fort Worth, where he is attending summer sessions. Paul Pumphrey, student at Texas University, arrived home Friday, accompanied by William H. VanGorp, a college mate, of Ossining, N. Y., who spent until Wednesday in the Pumphrey home at Lubbock, when they returned to Austin to attend summer session at the university. The Pumphrey brothers and Mr. VanGorp spent Saturday in Littlefield, visiting friends and relatives.

Southwest farm markets remained mostly steady to strong last week, except for occasional easiness on some types of livestock, poultry, feeds, fruits and vegetables, according to Production and Marketing Administration, U. S. Department of Agriculture. Wheat and corn prices continued to climb last week, and closed Thursday 6 to 9 cents higher on corn and 4 cents on wheat. Barley recorded no changes, and sorghums fluctuated only mildly. Texas red oats came on the market at a cent or two above the dollar mark, and held about steady, closing Thursday at \$1.01 per bushel in bulk carlots at Fort Worth and Galveston. Wheat closed \$2.91 and white corn \$2.13.

Demand for scarce rice supplies continued active, both from domestic and foreign sources. Rains delayed late planting. Feed demand slackened, as green feeds became plentiful. Millfeeds halted from recent rises. Light offerings of hay found sharply reduced demand. Peanut planting reached its peak in North Texas, under favorable soil and weather conditions. Sizable quantities of fine and half-blood wools sold this week.

Light offerings of spot cotton and demand for only certain qualities held trading to a small volume. Late rallies overcame early-week losses to the extent that Thursday's close showed a net gain of 75 cents per bale, at some markets, to a loss of \$1.75.

Heavy rains and some hail damaged crops and seriously interfered with harvesting in the Lower Rio Grande Valley early last week. Tomatoes resumed volume movement Wednesday at \$3.50 to \$4 per lug box of green wrapped 6x6 and larger sizes. Corn sold a little higher at mostly \$2.25 per bushel sack for white, and \$1.40 to \$1.75 per half bushel for Bantam. Some watermelons and cantaloupes began to ripen. Grapefruit loadings declined rapidly in a weak market. Denver and New Orleans saw fair trading.

Eggs and poultry held fairly steady at most southwest points last week. Fryers remained firm, but hens and roosters weakened at Denver. Heavy hens brought 24 to 26 cents per pound at Fort Worth, 26 at Dallas, and 26 to 30 at Denver. Fryers sold generally around 32 to 36 cents.

(Continued from Page 1, Sec 1)

Lt. Garlington Goes To Japan

Lt. Jack Garlington, who has been stationed in the Frealidio of Monterey for the past three months, sailed from San Francisco May 22 for Japan.

Mrs. Garlington has returned to Littlefield, where she is visiting her mother, Mrs. E. J. Newgent. Mrs. Garlington received a wire from her husband Thursday to the effect that he had arrived in Honolulu, and would go on from there to Tokyo, where he expected to arrive within the next three weeks.

Mrs. Garlington will join her husband in Tokyo in about three months. In the meantime she will divide her time between Littlefield and Lubbock, where she will visit her sister, Mrs. Ellis R. Forman, the former Miss Mary Ruth Newgent.

Dunlap's Will Stage Second Annual Picnic this Evening

Dunlap's, Littlefield, will stage their second annual get-together and picnic at the McKenzie Park, Lubbock this (Thursday) evening.

Members of the Dunlap store personnel and their guests will attend. Following the picnic supper the group will enjoy the balance of the evening in the amusement park, where bathing, games, etc., are enjoyed.

Those planning to attend are: G. M. Shaw, manager; Bob Armstrong, Jess Baber, Coy Orr, Mrs. E. J. Newgent, Mrs. R. L. Gattin, Mrs. E. A. Russell, and Misses Clara Jarman, Doris Ratliff, Avilene Spencer and Corene Spencer; Mrs. Sherman McCary, Miss Virginia Whitaker, and J. D. James, and their guests.

Miss Anna Jo Yarbrough of Odessa arrived Friday, spending until Sunday with her parents, Mr. and Mrs. R. M. Yarbrough. Miss Yarbrough is employed by the Shell Oil Company at Odessa.

Mr. and Mrs. Fred Wright Leave Sunday On Vacation Trip

Mr. and Mrs. Fred Wright and daughters, Norma and Catherine, left Sunday morning on a two weeks' trip to Los Angeles, Calif.

They will visit Mrs. Wright's mother, Mrs. F. M. Phillips, and sisters and brothers-in-law, Mr. and Mrs. John Clark, and Mr. and Mrs. Harold Austin, of Los Angeles, Calif., and son and daughter-in-law, Mr. and Mrs. Jimmy Ford, at Laguna Beach, Calif.

Nut Grass Control...

Nut grass, or coco grass, is a pest that has long been plaguing farmers and gardeners. Recent inquiries to the Texas A. and M. College Extension Service call for an explanation of nut grass control.

E. A. Miller, Extension agronomist, says that killing nut grass is not easy, and usually a lot of prolonged effort is necessary to do the job. The main object is to keep down, as much as possible, the above-ground end of the grass during the growing season. This causes the roots to become exhausted.

On land that is fertile enough to grow dense crop stands, the nut grass can be crowded out, but even then it may take several years to eradicate it completely. Crops that are adapted to "nut grass crowding" are cowpeas, sweet potatoes, sudan grass and sorghum for summer, and oats, barley, wheat, rye or rye grass for winter.

Growing summer smothering crops to eradicate nut grass is made more effective by following the cover crop with small grain or rye grass in the early fall.

On small areas of land thickly infested with nut grass, pasturing hogs is a good nut grass control practice, says the agronomist. If the land is plowed first, the hogs have a better chance to get to the grass roots and kill the plants. Ten hogs can ordinarily be depended on to dispose of an acre of nut grass in about two months. Summer has proved to be the best time to start the hog-pasturing method.

Either plowing or disking every three weeks through two successive growing seasons has knocked out the nut grass on sandy soils. Miller says this method, together with the mothering crops, has proved to be completely effective.

GEMS OF THOUGHT

SILENCE: ITS VIRTUE

Silence is the element in which great things fashion themselves together; that at length they may emerge, full-formed and majestic, into the delights of life, which they are thenceforth to rule.—Carlyle.

He knows not how to speak who cannot be silent; still less how to act with vigor and decision. Who hastens to the end is silent; loudness is impotence.—Lavater.

There is an eloquent silence: it serves sometimes to approve, sometimes to condemn; there is a mocking silence; there is a respectful silence.—La Rochefoucauld.

No reproof is so potent as the silent lesson of a good example.—Mary Baker Eddy.

Silence is the safest respondent for all the contradiction that arises from impertinence, vulgarity, or envy.—Zimmermann.

Silence never shows itself to so great an advantage as when it is made the reply to calumny and defamation.—Addison.

About 1,680,000 pounds of beef are lost each year by Texas stockmen due to infestation of cattle grubs.

A good ration for cows nursing feeder calves is equal parts of yellow corn, chops, wheat bran, ground oats and cottonseed meal.

Total amount of farm fertilizers sold to Texas farmers and ranchers in 1945-'46 was 305,510 tons, as compared with 217,760 in 1944-'45.

TAKES TREATMENTS
Mr. and Mrs. W. A. Reavis of Duncan, Okla., arrived recently in Littlefield and plans to remain here two months, while Mr. Reavis, who is suffering from asthma, takes treatments at the Simmons Clinic here.

WAC'S FIFTH ANNIVERSARY
The recent fifth anniversary of the Women's Army Corps found 9,517 WACs still serving with the Armed Forces, with 3,000 on duty outside the United States.

DELAY DEADLINE FOR DISABLED ENLISTEES
Wounded, partially disabled veterans will have until June 30 to apply for re-enlistment in the Regular Army in their old grades. The previous deadline was last March 31.

Whitharral Farmers Plant 110 Acres Of Cotton For Sick Man

Eleven four-row tractors moved onto the D. W. Stephenson farm three miles southeast of Whitharral Monday afternoon of last week at 1 p.m., and by 4:30 p.m. 110 acres of cotton had been planted. Before night the remainder of the labor had been planted to feed.

This is another instance where good neighbors came to the rescue of a sick friend who was unable to take care of the all-important job of planting.

Mr. Stephenson was hospitalized, May 10 with a combination of arthritis, rheumatism and general run-down condition. He is still confined to his bed but his condition is greatly improved. Mr. Stephenson's mother is with the family during his illness.

Mr. and Mrs. Stephenson and their four-stepchildren have only been residents of the Whitharral community for a year. Their former home was in Abilene.

Some of the neighbors came equipped with feed plates, and went right from cotton to helping finish planting the feed. Those who brought only cotton plates went home as soon as their part of the job was done.

Those participating in this act of neighborly kindness were: J. A. and Glen Butner, C. A. and Ray Stephenson, Robert H. Burton (colored), who was using Douglas Hortons tractor; E. B. Dick, C. F. Flowers, Rev. G. H. Verner, A. H. Epperson, Tom Burrus, E. P. Havins, I. A. Goad, Glenn Leggett, V. D. Hodges and Joe Harbin. From these modest neighbors it would be difficult to find the person who brought forth the fine idea of helping out the invalid Mr. Stephenson. Rev. Verner, however, is directly responsible for the picture.

Gene Autry Is To Appear In Coming Lubbock Rodeo

Gene Autry, who will appear with the World's Championship Rodeo at Tech Stadium in Lubbock, June 11-14, probably holds more "firsts" to his credit than any one person in the entertainment world. Autry will appear with his horse, Champion, Junior, and is being brought to the Plains by the American Business Club. Proceeds from the rodeo will go to benefit the capital fund of the Lubbock Boys' Club.

Autry is the nation's No. 1 cowboy box office attraction, the first cowboy to make phonograph records, the first singing cowboy on the air, and the first cowboy to make singing westerns; the first motion picture cowboy to head the Madison Square Garden Rodeo, and the first motion picture star ever to have a town named for him.

That town, Gene Autry, Oklahoma, is one of the winter quarter sites for the famous World's Championship Rodeo Corporation, which is owned in part by Autry. Dublin, Texas, and Florence, Arizona, are the other towns where the rodeo winters.

Autry was born in Tioga, Texas, but grew up in Oklahoma, where he got his start as an entertainer. He has appeared all over the United States, in England, and in Ireland, where he once drew a crowd of 750,000 people.

Girls danced a "bear dance" in honor of the Greek Goddess Artemis, who was associated with a bear cult. The girls could not marry before undergoing this ceremony.

The word mausoleum originated with the magnificent monument erected by Queen Artemisia in 353 B. C., in memory of her husband, King Mausolus.

U. N. Food Body Adopts New Seal

WASHINGTON.—An official seal and motto have been adopted by the Food and Agriculture Organization of the United Nations (FAO) here.

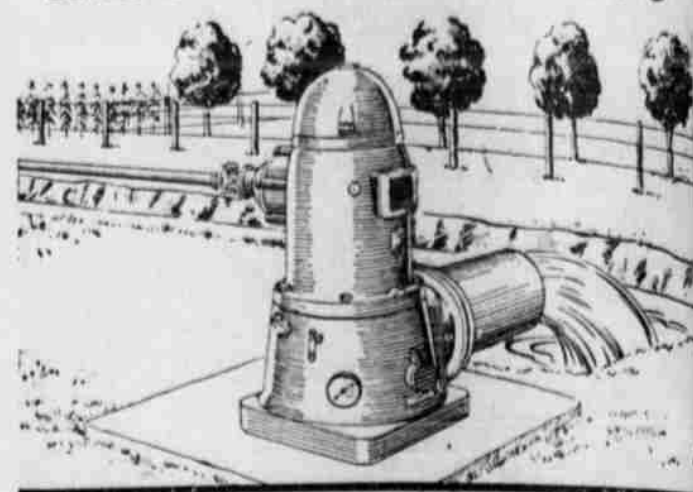

The seal—a circular design on a clear field, with a sketch of an ear of wheat, the world's greatest food grain, in the center—will be used on FAO documents and literature and as a symbol of the agency. The motto, which appears in the

seal, is the Latin phrase "Pax Panis" or "Let There Be Bread." It was selected by Sir John Boyd Orr, director-general of FAO, as an appropriate phrase in a language which a great number of them developed.

The seal was designed last September by Harald Nielsen of Goerz, Copenhagen, silvermith, in Copenhagen.

The earthquake in Lisbon in 1755 was so great that it disturbed the Loch Lomond, 1,220 miles in Scotland.

INSURE YOUR CROPS

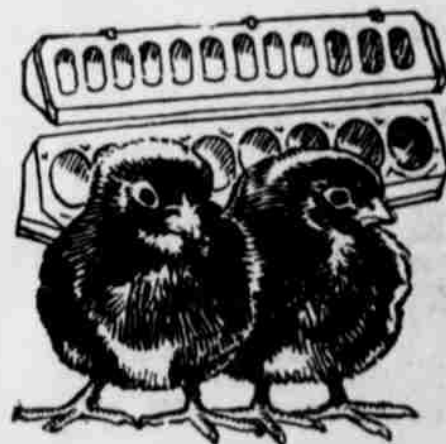

...WITH WINTROATH VERTICAL TURBINE PUMPS

Dairy Checkup Will Boost Production

Five check points that are important to Texas dairy farmers right now are listed by the Extension dairy department of Texas A. and M. College.

The dairy husbandmen believe a check-up on the following items will boost production:

Water Supply.—Cows need water this time of year. They drink more if the water is clean, and conveniently located.

Sour Milk.—Always a problem in the late spring and summer months. It can be stopped by producing clean milk and cooling it to 55 de-

grees Fahrenheit within two hours after milking.

3. **Horn Flies.**—Pests that occupy a cow's time when she should be producing milk. Horn flies can be controlled by spraying back, sides, legs and bellies with one pound of 50 per cent wettable DDT powder in 25 gallons of water.

4. **Good, Clean Grass.**—A cheap feed that always brings a rise in milk production and cuts out many herd health problems. Dairymen can make green feed last longer by mowing weeds and alternating grazing.

5. **Kind Treatment.**—A necessity in the management of dairy cows, now and throughout the year. Rough treatment and high production are seldom found together on a dairy farm.

NEW PREXY . . . Dr. Lyndon O. Brown, recently inaugurated as president of 110-year-old Knox college, Galesburg, Ill. Dr. Brown, 44, left a successful business career in New York to become president of the college.

Predict Continued Prosperity For Texas This Summer

A prediction of continued prosperity for Texas during the summer, coupled with a statement that Texas employment will not be drastically hit should recession strike the national economy, came from the Texas Unemployment Compensation Commission Thursday.

New industries, lowered freight rates and a small but steady rise in employment indicate that Texans will remain prosperous in the summer months, the TUC said.

Employment opportunities improved generally during April with the increase in spring hiring, and forecasts for June from the 17 principal labor market areas show a continued uptrend in employment. In addition to the seasonal rise in construction and agricultural employment, the TUC said it expected more workers will be needed in food processing, lumber, stone-clay-glass machinery and aircraft industries.

Texas is also continuing its upward swing towards industrialization, the TUC reported. During April 112 new industries were established, creating jobs for an additional 3,350 persons.

Construction led the way in increased job openings, but the expected building boom failed to materialize. Home construction is slowing down because of high costs, but commercial and industrial building has speeded up, the TUC said.

Other major employment gains during April were in manufacturing industries, particularly oil field machinery, ship-building, glass, lumber and chemicals. Only meat packing employment showed a sharp downward trend.

In line with the employment increase, a total of 41,020 job openings were listed with the Texas State Employment Service during April. Some 34,000 Texas workers were placed on jobs during the month, showing an increase of several thousand job placements over March. Of these, 13,278 were veterans.

The TUC said that fewer than one-third of all Texas veterans have applied for readjustment allowances, and all but six per cent of the total discharged are now in full-time employment. Of the 730,000 veterans, only 20,000 have exhausted their unemployment benefits under the G.I. Bill of Rights.

The Thousand Islands are located in the Saint Lawrence River, just below its emergence from Lake Ontario. The group contains between 1700 and 1800 islands.

press photographers will cover the event for nation-wide newspaper services, and talent scouts for motion pictures will be on hand to look over likely prospects for a film career. Donald Novis, singing star of motion pictures, radio and stage will act as "Miss Texas" escort; Ted Weems and his musical organization will serenade her, and appearances on radio programs, stage shows, and other exciting events will be part of the lucky girl's fortune.

Sponsored by the Texas JayCees, the event is being staged in Corpus Christi this year for the first time.

With the large crowds expected for the action and entertainment-filled Buccaneer Days, the representatives of JayCees from all over the state will perform before one of the greatest audiences in Texas history. Several hundred thousand people are expected to witness and participate in the South Texas fun festival.

The United States Department of Labor was established in 1913.

More than 17½ million acres of land in the state of Alabama are devoted to agricultural products.

Announce New State Award Schedule In 4-H Safety Program

Here's good news for 4-H Club members in Texas.

An all-expense trip to the National 4-H Club Congress in Chicago is now provided for the state winner in the 1947 4-H Farm Safety program. Formerly only sectional winners received trip awards. There will be no sectional recognition this year. This change increases the possible number of Chicago trip winners in 4-H safety from 16 to 46.

Last year's state winner was Billy Preston Hancock of Lakeview, who received a \$25 U. S. Savings Bond.

Medals of honor for a maximum of five members in each participating county, and a special plaque also provided by General Motors to the county reporting the most outstanding 4-H safety program in the state this year, will be awarded as in the past.

In 1946, county winners were named in Austin, Bowie, Brazos, Camp, Cass, Castro, Chambers, Clay, Coleman, Comal, Cooke, Cottle-King, Dallas, Dawson, Delta, Denton, Eastland, Fayette, Fort Bend, Freestone, Frio, Grayson, Grimes, Hale, Hall, Haskell, Hockley, Hood, Howard, Hunt, Jones, Lamar, Lavaca, Lynn, Montgomery, Moore, Newton, Nolan, Palo Linto, Parker, Polk, Red River, Shackelford, Runnels, Sabine, San Saba, Somervell, Taylor, Throckmorton, Walker, Wilson, Wood Atacosa, Potter, Tyler, Waller and Wharton counties.

Taylor County received the merit plaque last year.

This is the fifth consecutive year of the activity, which is influencing a steadily increasing number of rural people in becoming safety-minded.

The program is conducted under the direction of the State Agricultural College Extension Service.

Sponsor Bathing Beauty Contests

Throughout the state Junior Chambers of Commerce are completing final plans for bathing beauty contests to select their representatives in the annual "Miss Texas" bathing beauty event, to be held this year as part of the Buccaneer Days celebration, June 12, 13 and 14, in Corpus Christi.

The title "Miss Texas," automatic entry in the "Miss America" contest at Atlantic City in September, and a prize of \$500 goes to the winner. Over 40 of the most beautiful and talented girls in the state are expected to compete in the contest.

Governor Beauford H. Jester will crown "Miss Texas" of 1947, news-reel camera will spotlight the event for theater audiences, writers and

SIDELIGHTS From Washington

By GEORGE MAHON

Previously, I reported that the Republican majority in the House of Representatives would seek to reduce sharply the requests of the President for agriculture.

Last week the agricultural appropriation bill passed the House in a form that was very unsatisfactory to many members from the farm areas. I voted against reporting the bill out of the appropriations committee and spoke and voted for many amendments offered to the bill.

Briefly, here is what the bill does:

1. Cuts AAA soil conservation payments from \$300,000,000 to \$164,000,000. Farmers will have every reason to feel that this is a breach of faith by the government, as Congress and the President had in effect months ago promised to provide the full amount of \$300,000,000 for the 1947 crop year.

2. The bill provides that the Farmers' Home Administration, successor to the FSA, must discontinue the farm ownership program known as the Farm Tenant Purchase Program. FHA loan funds for crop production are cut by one-third.

3. REA funds for administration of the program were cut by \$1,600,000, and loan authorization for REA co-ops were reduced by \$25,000,000.

4. Funds for the Soil Conservation Service to be used in connection with

Last Rites Held For Geo. W. Lewis

Funeral services were conducted at 1 p.m. Saturday at the First Baptist Church, Amherst, for George W. Lewis, 75, of that city, who passed away at 1:30 o'clock Thursday morning at his home.

Rev. John Cory, pastor, officiated at the services, and burial, in charge of a Lubbock funeral home, took place in the Littlefield cemetery.

Survivors include his wife; one son, W. G. Lewis, of Bakersfield, Calif.; three daughters, Mrs. J. F. Waide of Portales, N. M., Mrs. H. L. McNeely of Littlefield, and Mrs. Kelly Hika of Newport Beach, Calif.; one brother, W. B. Lewis of Houston; and two sisters, Mrs. S. J. Winters of Abilene and Mrs. G. A. Chumley of Santa Rosa, N. M.

the conservation districts, and otherwise, were cut by 10 per cent.

5. Funds for the school lunch program were reduced from \$75,000,000 to \$45,000,000.

6. In previous years 30 per cent of the tariff receipts have been available for supporting farm prices and disposing of agricultural surpluses. The bill reduces this program by two-thirds.

The votes in the House of Representatives on most of the above issues were very close. On a motion by the Democrats to restore the full \$300,000,000 for soil conservation payments and some of the other items, we lost by a count of 174 to 180.

What the Senate will now do with the bill remains to be seen. Undoubtedly some changes will be made by the Senate and House before the measure goes to the President for final approval late in June. The outcome of the controversy over this legislation is of vital importance to all farm areas.

RETURN TO LITTLEFIELD

Mr. and Mrs. L. L. Dunn returned to Littlefield recently from Los Angeles, Calif., where they visited their sons, Coy and Newt Dunn, and their families. While gone, Mr. Dunn built a house for each of his sons there. Mr. and Mrs. Dunn state they are home to stay.

SELLS FARM

A deal was consummated recently whereby C. L. Johnson sold his farm six miles north and one-half mile east of Speers-Massey gin to Dr. Coulson, of Elk City, Okla. Mr. Johnson is the father of Erk Johnson, of this city.

John Adams was the first President of the United States to occupy the White House, into which he moved in 1800.

Frances Willard was president of the Women's Christian Temperance Union from 1874 to 1898—a period of twenty-five years.

The College of William and Mary, established in 1693, is the oldest institution of higher learning in the United States.

LEGAL NOTICE

SENATE JOINT RESOLUTION
NO. 4

Proposing an amendment to Article VII of the Constitution of the State of Texas by the addition of two new sections to be known as Sections 17 and 18 providing a special fund for the payment of Confederate pensions and providing a method of payment for the construction and equipment of buildings and other permanent improvements at state institutions of higher learning; providing for a five-cent reduction in the maximum allowable state tax on property; providing for an election and the issuance of a proclamation therefor.

Be It Resolved by the Legislature Section 1. That Article 7 of the Constitution of the State of Texas be amended by adding thereto Sections 17 and 18 which shall read as follows:

"Section 17. In lieu of the state ad valorem tax on property of Seven (7c) Cents on the One Hundred (\$100.00) Dollars valuation heretofore permitted to be levied by Section 51 of Article 3, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two (2c) Cents on the One Hundred (\$100.00) Dollars valuation for the purpose

of creating a special fund for the payment of pensions for services in the Confederate army and navy, frontier organizations, and the militia of the State of Texas, and for the widows of such soldiers serving in said armies, navies, organizations or militia; provided that the Legislature may reduce the tax rate hereinabove levied.

"Also, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Five (5c) Cents on the One Hundred (\$100.00) Dollars valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings, or other permanent improvements at the designated institutions of higher learning; and the governing board of each such institution of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed three (3%) per cent per annum and shall mature serially or otherwise not to exceed ten (10) years from the first (1st) day of January of each year in which such funds are allocated or re-allocated to said respective institutions; provided, the power to issue bonds or notes hereunder is expressly limited to a period of thirty (30) years from the date of the adoption of this amendment; and provided further, that the Five (5c) Cent tax hereby levied shall expire finally upon payment of all bonds hereby authorized; provided further, that the state tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty (30c) Cents on the One Hundred (\$100.00) Dollars valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.

"Funds raised from said Five (5c) Cents tax levy for the ten (10) year period beginning January 1, 1948, are hereby allocated to the following institutions of higher learning, and in the following proportions, to-wit:

Institution	Per Cent of total
John Tarleton Agricultural College	5.72107
North Texas Agricultural College	6.17028
Texas State College for Women	11.52992
Texas College of Arts and Industries	4.75551
College of Mines and Metallurgy	4.71936
Texas Technological College	16.54877
East Texas State Teachers College	8.10657
North Texas State Teachers College	12.64522
Sam Houston State Teachers College	5.55068
Southwest State Teachers College	6.78474
Stephen F. Austin State Teachers College	4.55414
Sul Ross State Teachers College	2.15315
West Texas State Teachers College	5.41643
Prairie View Agricultural and Mechanical College of Texas	5.34416

"Not later than June 1st of the beginning year and each succeeding ten (10) year period, the Comptroller of Public Accounts of the State of Texas, based on the average long session, full-time student enrollment for the preceding five (5) year period of time, shall re-allocate, to the

above designated institutions of higher learning, then in existence, all funds to be derived from said Five (5c) Cent ad valorem tax for said ten (10) year period; and all such designated institutions of higher learning which participated in the allocation or re-allocation of such funds shall not thereafter receive any other state funds for the acquiring or construction of buildings or other permanent improvements for which said Five (5c) Cents ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any institution, in which case an appropriation in an amount sufficient to replace the loss so incurred may be made by the Legislature out of other state funds. This amendment shall be self-enacting. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasury in order to carry out the purpose of this amendment; and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose."

"Section 18. For the purpose of constructing, equipping or acquiring buildings or other permanent improvements, the Board of Directors of the Agricultural and Mechanical College of Texas is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of Five Million (\$5,000,000.00) Dollars and the Board of Regents of The University of Texas is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of Ten Million (\$10,000,000.00) Dollars. Any bonds or notes issued hereunder shall be payable solely out of the income from the Permanent University Fund. Bonds or notes so issued shall mature serially or otherwise not more than twenty (20) years from their respective dates, and in no event later than twenty-five (25) years after the date of the adoption of this amendment. This amendment shall be self-enacting.

"Said Boards are severally authorized to pledge the whole or any part of the respective interest of the Agricultural and Mechanical College of Texas and The University of Texas in the income from the Permanent University Fund, as such interests are now apportioned by Chapter 42 of the Acts of the Regular Session of the 42nd Legislature of the State of Texas, for the purpose of securing the payment of the principal and interest of such bonds or notes. The Permanent University Fund may be invested in such bonds or notes.

"All bonds or notes issued pursuant hereto shall be approved by the Attorney General of Texas and when so approved shall be incontestable."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the state at a special election to be held throughout the state on the fourth Saturday in August, A. D. 1947, at which election all ballots shall have printed thereon:

providing for the levying of a state ad valorem tax on property in lieu of the present state ad valorem tax of Seven (7c) Cents for Confederate pensions in order to create special funds necessary for the payment of Confederate pensions and for the financing of the construction and equipment of buildings and other permanent improvements at state institutions of higher learning, in the amounts of Two (2c) Cents and Five (5c) Cents respectively; providing for a Five Cent reduction of the maximum allowable state tax on property, making such tax not to exceed Thirty (30c) Cents on the One Hundred (\$100.00) Dollars valuation; providing a method of payment for the construction and equipment of improvements and buildings at the Agricultural and Mechanical College of Texas and The University of Texas."

"Against the amendment to Article VII of the Constitution of the State of Texas, adding Sections 17 and 18 of the present state ad valorem tax of Seven (7c) Cents for Confederate pensions in order to create special

funds necessary for the payment of Confederate pensions and for the financing of the construction and equipment of buildings and other permanent improvements at state institutions of higher learning in the amounts of Two (2c) Cents and Five (5c) Cents respectively; providing for a Five (5c) Cent reduction of the maximum allowable state tax on property, making such tax not to exceed Thirty (30c) Cents on the One Hundred (\$100.00) Dollars valuation; providing a method of payment for the construction and equipment of improvements and buildings at the Agricultural and Mechanical College of Texas and The University of Texas."

Sec. 3. The Governor shall issue the necessary proclamation for said

election and have the same published as required by the constitution and laws of this state.

Sec. 4. The sum of Ten Thousand (\$10,000.00) Dollars, or much thereof as may be necessary, hereby appropriated out of any fund in the treasury of the state, not otherwise appropriated, to pay the expenses of such publication and election.

Brigham Young, famous as leader of the Mormons, was born Vermont in 1801.

From where I sit... by Joe Marsh

How to Go to Sleep

We were sitting around Bill Webster's parlor Friday evening and the talk turned to the best way of overcoming sleeplessness...like breathing real slow and deep, imagining that you weigh a ton, or simply throwing away the pillow.

The consensus favored counting sheep. But right away was the question: what kind of sheep? There were some votes for countin' Merinos, Shropshires, Oxfords and Dorsets. Ed Mapes said he had best luck counting crossbreeds.

Finally, Bert Childers spoke up

with his formula: A light snack and a mellow glass of beer at bedtime. Sort of puts you in the mood for quiet thoughts and peace of mind. Lets you relax... and "ho hum," off to pleasant dreams!

From where I sit, there's nothing like a temperate glass of beer to smooth away the creases of the day, relax a body, and pave the way for a good night's sleep. Try it, and see if I'm not right.

Joe Marsh

Thelma Gerick Valedictorian and Margaret Demel Salutatorian of Pep High School

Pep schools combined their twelfth and eighth grade graduations in exercises held recently.
Seven Pep high school seniors and 14 eighth grade graduates received diplomas at the commencement exercises. The senior graduates were Thelma Lois Gerick, Margaret Demel, Frances Ruzicka, Herbert Greener, Janette Kuehler, Billie Burns and Glendell Wilson.

Advancing from the eighth grade were Rheinart Albus, Jo Ann Davis, Martha Nell Decker, James Glumpler, Roberta Greener, Rex Hawkins, Billie Jeanne Hill, Yvawn Bryan, Jerry Odum, Donald Owen, Ronald Owen, Elroy Simacher, Betty Eubanks and Robert Greener.

Honor students for the four high school grades were announced as follows: Kathleen Hoelscher, ninth grade; Patsy Odum, tenth grade; Marcelline Sokora, eleventh grade; and Thelma Gerik, twelfth grade.

Scholarships to Mary Hardin-Baylor College went to Thelma Gerik and Margaret Demel. The former also received a certificate of award. Designated as the all-round girl of the senior class was Frances Ruzicka; Herbert Greener was named the all-round boy.

The commencement address was delivered by Alvin R. Allison, Leveland attorney.

Thelma Gerik made the senior valedictory, and Margaret Demel the salutatory.

The eighth grade salutatorian was Robert Greener; Yvawn Bryan was the valedictorian.

Presentation of diplomas to both the seniors and eighth grade grad-

uates was made by C. A. Kuehler; W. T. Jungman presented the awards, and J. W. Pyburn the gifts.
Father Norbert F. Wagner gave the invocation and benediction.

MORE SUGAR PROMISED
There will be 350,000 tons more sugar for U. S. consumers this summer than there were last summer, the Agriculture Department has disclosed. This increase assures household users of the 35 pounds they were promised for the first 10 months of this year, and possibly more.

Wooden images of gods, regarded as sacred, serve as dolls for American Indian girls, according to the Encyclopaedia. The dolls were used in religious instruction.

The biological purpose of pain, although it may seem hard to accept, is undoubtedly protective.

SUMMER NATIONAL GUARD TRAINING RULES

Summer training camp attendance by National Guardsmen is expected to be boosted by about 100 per cent as a result of a relaxation in organization requirements recently announced by the War Department.

Maypoles, which were offensive to the Puritans of England, were forbidden by the Parliament in 1644.

James Stokes Is Studying Pharmacy At Oklahoma University

Mr. and Mrs. James Stokes of Norman, Okla., spent from Wednesday until Monday in the home of his parents, Mr. and Mrs. J. M. Stokes. Mr. Stokes was graduated from Tech College in February last, since which time he has been studying pharmacy at the Oklahoma University, Norman, Okla.

Mr. and Mrs. Stokes returned to Norman, where Mr. Stokes is attending summer session.

AT THE LEADER OFFICE OFFICE SUPPLIES

SELLS TOURIST COURTS

Volos Jones, who has been operating the Travel-Inn Courts at Durango, Colo., consisting of 18 cottages, etc., sold this project, and the new owner, Mr. Groves of Borger, Texas, took possession June 1. Mr. Jones' plans are indefinite but, according to his parents, Mr. and Mrs. A. F. Jones, he will go to California on a trip. Mr. and Mrs. A. F. Jones were at Durango at the time the courts were sold, and returned to Littlefield last week.

Miss Alice Lynn Street of Borger spent from Friday until Sunday in the home of her parents, Mr. and Mrs. W. G. Street.

Springlake Child Undergoes Surgery To Correct Injury

Little Lavern Williams of Springlake underwent bone surgery at St. Anthony's hospital at Oklahoma City Wednesday of last week, in an attempt to correct an injury she received last November.

Lavern was struck by a speeding auto as she got off the school bus on highway 70, directly in front of her home.

This is the third time she has undergone surgery to correct a badly injured knee.

Dr. O'Donohue as specialist of bone surgery will attempt to make a little knee workable again.

Laverne's address is St. Anthony's Hospital, Crippled Children's Ward, Oklahoma City, Okla., if any of her little friends care to write her.

At the— Littlefield Hospital

L. W. Stephenson was admitted Saturday for a general check-up and medical attention.

John Kling underwent minor surgery at the hospital Tuesday of last week and was released two days later.

Mrs. C. C. Rendleman was admitted May 27 for medical treatment and released two days later.

Mrs. J. W. Glasscock of Olton was admitted for medical treatment for a skin trouble Wednesday of last week, an spent about a week in the hospital.

Mrs. R. E. Edwards was admitted for medical treatment May 28, suffering from a stomach trouble. Improved, she was released Friday.

Mrs. Mattie Calvert of Littlefield was admitted for medical attention Wednesday of last week, and released Friday. She was suffering from a stomach ailment.

Miss Faye Self of Anton was admitted Thursday, suffering from an infected finger, and released Saturday.

Darrell D. Landrum, suffering from a lung hemorrhage, was admitted Thursday. He is said to be getting along nicely.

Mrs. Ralph Bishop of Anton was admitted Thursday last for minor surgery, and spent several days in the hospital.

Mrs. J. J. Williams of Olton was admitted for medical treatment Friday.

Miss Allene Bridge, daughter of Mr. and Mrs. Bailey Bridge, of Olton, was admitted Friday.

Mrs. Virgil Bowman of north of town was admitted to the hospital Saturday and underwent major surgery Monday.

Willard Wesley (colored), employe of Mr. Hopgood of Anton, sustained severe burns Friday morning when filling a tractor with gas. The liquid exploded, and it reported that the burns extend over 75 per cent of his body. He is in a serious condition.

UNDERGOES SURGERY

Mrs. A. F. Jones was admitted to the Amherst Hospital Wednesday of last week, where she underwent surgery to have a growth on the top of her head removed. According to Mr. Jones, this growth had been on Mrs. Jones' head for two or three years, and was getting larger. Mrs. Jones is getting along nicely, and was released the first of this week.

Southwest—

(Continued From Page 1, Section 1) Most areas bought eggs at 37 to 38 cents per dozen.

Most Cattle remained steady to strong last week, but some classes of cows lost ground, and calves weakened at Oklahoma City. Medium cows brought \$14.50 to \$16 at San Antonio. Medium to good kinds turned at \$14.50 to \$17.50 at Fort Worth, and \$14 to \$17.50 at Oklahoma City. Wichita bought common to medium cows at \$13.50 to \$16, while Denver took most common to good kinds at \$15 to \$18.

Hogs gained mostly 25 to 75 cents last week. Most good and choice butcher hogs sold from \$24 to \$24.75, but Denver paid up to \$25.50. San Antonio bought sows at \$21 to \$22; but other southwest terminals paid only \$18 to \$19.

Sheep and lambs lost 25 cents to \$1 at San Antonio, and aged sheep fell 50 cents to \$1 at Fort Worth last week. Other southwest sheep and lambs gained mostly 25 cents to \$1. Common to medium shorn lambs brought \$11 to \$15 at San Antonio; medium to good kinds \$13.50 to \$15.50 at Fort Worth; and good to choice, \$22.50 at Denver.

STOP DOSING YOUR STOMACH FOR CONSTIPATION . . .

WHEN constipation hangs on and you have that listless, "half alive" feeling chances are it's not your stomach but your intestinal tract that's at fault. Sluggish intestinal muscles permit waste to accumulate . . . gas is formed and often you feel miserable, nervous and out of sorts.

For real relief . . . take the new, improved, ADLERIKA the Tone-Up Laxative. It moves waste quickly but gently to relieve constipation and gas. You'll enjoy a new feeling of pep and vitality when your digestive system is in perfect order. Try ADLERIKA today and you'll learn why over 20,000,000 bottles have been sold. *Caution: take only as directed.*

ADLERIKA THE TONE-UP LAXATIVE
