

STATE POLICE ON ALERT

Non-Union Miners Carry Guns To Protect Right To Work

Junior Tourney Starts Friday

FORAN, Feb. 25—Junior high school basketball teams from a two-county area are entered in the Foran invitational tournament, which begins here at 8 o'clock Friday evening and continues through Saturday night.

The opening game pits Vealmoor against Center Point. At 7 p. m., Knott clashes with Klondike. An hour later, Courtney takes the court against Foran while at 9 p. m., Coahoma and Sterling City have at it.

Semi-finals will be played at 10 and 11 a. m. Saturday while the title match goes on at 7 p. m. that day, immediately before the Howard County Junior college - Texas Tech freshman contest.

PITTSBURGH, Feb. 25. (AP)—State police and roving pickets played a grim game of "hide-and-go-seek" today while non-union miners carried guns to enforce their right to work during the soft coal strike.

Western Pennsylvania's ice-coated highways were patrolled by state policemen on the alert for new outbreaks such as occurred sporadically yesterday.

Peace officers in other soft coal-producing states, including West Virginia, also feared new violence.

Three diggers were beaten yesterday at a strip (surface) mine near Clearfield, Pa., the men who inflicted the beatings promised to return in full strength today.

Bradley Will Give Views On Atom Defense

WASHINGTON, Feb. 25. (AP)—Lawmakers digging into the question of civil defense in the atomic age called in Gen. Omar Bradley today for the military viewpoint.

The chairman of the joint chiefs of staff was expected to brief the Senate-House Atomic Committee on the types of attack an enemy could launch against this country—and what civil defense measures such attacks might call for.

Bradley's testimony was to be given behind closed doors. One reason for the secret sessions is to determine how much information can be disclosed in a series of public hearings—probably starting after March 1—without giving away the nation's vital atomic secrets.

The committee has heard from the Atomic Energy Commission in earlier hearings on civil defense.

Dr. Harold C. Urey, Nobel prize winning atomic scientist, told a Senate foreign relations subcommittee recently that the nation should guard against an enemy sending ships loaded with atomic bombs into U. S. harbors.

Demaret Goes After Jackpot

By MAX B. SKELTON
HOUSTON, Feb. 25. (AP)—Colorful Jimmy Demaret, who has had tough luck in most previous stops in his native city, went after the Houston Open golf jackpot today.

Demaret, born here 40 years ago, paced a field of 165 that was to tee off in the first round of the \$10,000 tournament at the Brae Burn Country Club.

He appeared determined to better a record that has seen him finish no higher than fourth in previous Houston Opens.

This year's tournament is dedicated to the former Brae Burn club pro who became the first Houstonian to rank among gold-don's all-time greats.

Demaret clipped off a few par score holes late yesterday afternoon while tuning up on the layout he knows so well.

A heavy Tuesday rain had closed the course but it was reopened late yesterday after a reluctant sun broke through.

Club Pro Milton Demaret, Jimmy's brother, said the 6,725-yard, par 72 layout would be in pretty good shape for today's first round.

Jimmy took a brief tour with two of the three men who figure to give him the most trouble for the meet's \$2,000 first prize.

All three—Demaret, Cary Middlecoff, Ormond Beach, Fla., and Jackie Burke, Jr., a young Houston player who set a 72-hole course record at Harlingen last week—stuck close to par.

Twenty-eight amateurs were among those in today's pairings.

The field of 165 will be cut to the low 60 plus ties after tomorrow's second round.

Poland To Serve Bulgaria As U. S. Representative

SOFIA, Bulgaria, Feb. 25. (AP)—Bulgaria announced today that Poland has agreed to represent her in the United States.

The United States broke diplomatic relations with Bulgaria Tuesday.

Health Evaluation Schedule To Be Set

Mrs. Anne Edwards, technical clerical assistant for the State Health department, was to be in Big Spring today to assist in compiling the annual evaluation schedule for the city-county health unit.

The evaluation schedule calls for a complete record of disease incidence, population concentration figures according to towns in the county, and the number of deaths in relation to these during 1949.

Mary Howard, clerk for the local unit, said Mrs. Edwards is from Austin.

New School Plant At Sterling City Planned

STERLING CITY, Feb. 18—An open forum will be conducted at the high school at 7:30 o'clock here Monday evening, at which time pro and con discussion on a new high school building will take place.

All tax payers within the county have been given a special invitation to be on hand.

Gang Slays Storekeeper

PELL CITY, Ala., Feb. 23. (AP)—An unmasked gang shot a white storekeeper to death at his home last night just after he told a son: "I think the Ku Kluxers are after me."

The victim, 39-year-old Charlie Hurst, fell fatally wounded as he snatched a rifle from a son and fired three shots at his assailants.

The son, Howard Hurst, 13, was wounded in the hip.

The younger Hurst told officers he was sure his father's shots struck someone in the car. "I don't see how he could have missed," he commented.

Sheriff Ira Davis said officers were checking all hospitals and physicians in the area to determine if any had treated a man for a gunshot wound.

Young Hurst, a cotton mill worker, said he knew of no motive for the attack.

The elderly Hurst had operated a small country rolling store until about two months ago. Relatives said he was ill and had not been able to work recently.

From where I sit... by Joe Marsh

How to Get That Homework Done

Miss Gilbert, our grammar school principal, spoke the other night at the regular Parent-Teachers' meeting, on getting children to do their homework when they want to listen to the radio.

"We mustn't give them a flat 'no,'" Miss Gilbert said. "If we adults really believe in tolerance and moderation, we should instill these qualities in our children. Listening to the radio is fine—in moderation—as long as homework gets done, too."

From where I sit, the lady was dead-right. This radio vs. home-work problem is a wonderful way to see to it that our youngsters acquire the scholastic habits they'll need later on.

I've never believed in hard and fast rules—except where absolutely necessary. Let the other fellow do as he likes, as long as he's temperate and tolerant. Guess that's why I've never felt we should quarrel with the fellow who is partial to a glass of beer—the "Beverage of Moderation."

Compulsory Arbitration May Be Only Course Left To The Nation

Compulsory arbitration of disputes between labor and management in basic industries may be forced to the earnest attention of Congress as a result of the dangerous situation developing in the coal industry. Labor and management have usually agreed wholeheartedly on one thing: their mutual dislike of compulsory arbitration.

Neither side can get all it wants in a given dispute anyhow. If a dispute reaches the strike stage, both sides lose, and lose heavily. The miners' union stands to lose from \$13 to \$20 million, its entire store of cash, in the present defiance of a court injunction to return to work.

Predetermined Guilt Natural Result Of World's Evil Forces

In September, 1948, Paul Ruedemann, an executive of the Standard Oil Company of New Jersey, was released from custody in Hungary after signing a confession of sabotage. In New York this week, on learning that Robert A. Vogeler, vice president of the International Telegraph & Telephone company, also an American, had pleaded guilty to espionage in a Hungarian court, Ruedemann commented:

cliches and expressions peculiar to Marxist dialect. They contain all the old familiar pet phrases of the Communist ritual. "I am sorry for the detrimental deeds I committed and I ask for a mild sentence," Vogeler told the court. Does that sound like an American businessman occupying a responsible position? On the contrary they sound like words put into his mouth by his torturers.

U. S. Break With Bulgaria Was Forced By Sofia Government

WASHINGTON'S SEVERANCE OF diplomatic relations with Bulgaria was deliberately forced by the Balkan state. That much is quite clear. The Sofia government created conditions which the United States couldn't tolerate and still maintain self-respect.

Bulgarian employees of the U. S. legation in Sofia. To get the full significance of the development we must note that Bulgaria is completely under the control of Moscow. Therefore we must assume that Sofia has been acting under instructions from the boss.

Court's Search-And-Seizure Decision Controversial One

WASHINGTON—A capital acutely conscious of loyalty checks, of the growing atmosphere of secrecy and the unhappy backwash of suspicion from the Alger Hiss case, is now confronted with a controversial new Supreme Court decision on civil liberties.

He is felt here that Vinson is intent on remaking the court into his own moderate image and that he is influencing Mr. Truman to name justices that will make this end possible. The new decision will intensify opinion that such is the shape of things to come on the court.

If Women Want Political Jobs, They'll Have To Run For Them

Leave us, today, talk about the women, bless 'em. Women in the political arena, that is. This is brought about as a result of a statement made at a public gathering, by a representative of the Business & Professional Women's club.

Short Income Tax Form May Be Used If You're Under \$5,000

WASHINGTON, W. — CAN YOU USE the 1040 short form in filing your 1948 income tax return? You can, if your income was under \$5,000. And it makes no difference where your income came from, or what kind, or whether taxes were withheld from it during the year.

provided their total income was under \$5,000. In such a case they'd lose money by not filing jointly on that form. The reason: Under the law, when a couple files jointly, each claims half the income, even though one had none of it.

FORM 1040 IS REALLY ONLY ONE form of 4 pages. When used by the under-\$5,000 people, who find their tax in the table on Page 4, it is called the short form. 3—it is called the long form.

So such a couple should check the tax table carefully to see whether they will save by filing jointly or separately on the 1040 short form. Then there is this problem for married couples where both had income, total income was under \$5,000, and one of them wants to use the long form in order to itemize his deductions which were more than the 10 per cent allowed with the short form.

G. Washington Still In A Class By Himself, Pollster Boyle Finds

NEW YORK — IF "THE FATHER OF his country" had returned to America yesterday on his 218th birthday, how would he have found he stood in the hearts of his countrymen?

A CORPORATION TREASURER: "Too many people forget that Washington could have benefited just as much, probably more, as a Colonial under the British government. It wasn't necessary for him to do what he did. He was an idealist. But I wouldn't classify him either as great or very personable. I'd rank him below Chief Justice John Marshall or Theodore Roosevelt, my boyhood hero."

1. What does George Washington mean to you? 2. What one word sums him up best? 3. How do you rank him among the great men of American history? And here are typical answers: AN ELDERLY LIBRARIAN: "George Washington is in a class by himself. He has to be first in our hearts because he founded our nation and taught us loyalty to the United States. He liked his rum and he liked the ladies, but he was a splendid leader. In one word—incomparable."

Seven-Year-Old Girl Conquers Asthma To Climb High Mountain

ALBUQUERQUE, N. M., Feb. 23. (AP)—Green-eyed Janet Latzha has climbed that mountain.

She kicked up her heels in the snow—just a little—in the Sandia Mountains northeast of Albuquerque yesterday.

It was quite a trick for the seven-year-old daughter of Mrs. Wilma Latzha, Nacogdoches, Tex. She came here less than four months ago from a hospital in Oklahoma City.

Her doctors there said she was dying of asthma which has plagued her since she was 10 months old.

Janet was flown to this high, dry climate last Oct. 14. At the time she told her mother she wanted to climb the nearby 10,676-foot Sandias when she got well because the mountains made her feel "close to Jesus."

At the time, the mountain climbing seemed far away, . . . if at all possible, Janet weighed only 34 pounds. She was frail and in almost constant need of emergency care for her attacks.

Yesterday's outing raises hopes for the mother that her long battle with the affliction may be near an end.

It was the first time out for Janet since her plane ride here. Taken in and treated by the Catholic Sisters of Charity, she now weighs 46 pounds—described as near normal for her age. Her appetite has improved and her diet is no longer as restricted as it was. She no longer needs emergency treatment and is more active.

She said she's looking forward to more trips to her mountains.

Market Steady At Livestock Market Market remained steady to strong at the Big Spring Livestock Auction company's sale Wednesday.

Fat bulls sold for 18.00, fat cows from 16.00 to 17.50 and butcher calves from 23.00 to 27.00.

Stocker steer calves brought bids from 25.00 to 28.00, heifer calves from 23.00 to 25.00 while cows beside calves exchanged hands for 19.00 to 22.00. Hogs moved for 16.00 to 17.00.

An estimated 800 cattle and some 75 to 100 hogs paraded before the buyers.

Wayland College Group To Appear At Stanton STANTON, Feb. 22.—Wayland College Life Service Band members of Plainview, are to visit the First Baptist church of Stanton on Saturday night and Sunday morning.

Funeral services will be conducted at the Wayland funeral home in Dallas at 2 p. m. Saturday. Burial will take place in the Restland Memorial cemetery, Dallas.

Fire Destroys Car Fire completely destroyed a 1942 Buick belonging to H. G. Johnston about 4 a. m. today.

The blaze, which occurred at the Johnston farm just north of the Cosden refinery, was discovered by employees of the refinery. They were unsuccessful in attempts to extinguish the fire.

Cause of the fire was not known.

Woman And Baby Injured In Crash Wednesday

An automobile collision which occurred east of Cosden refinery on Highway 80 at approximately 12:45 p. m. Wednesday resulted in minor injuries to Mrs. White and her infant baby.

Mrs. White's husband was at the wheel of a pick-up truck entering the thoroughfare from a side road which rammed into a machine driven by John C. Belcher, 47. All principals are from Big Spring.

Belcher escaped with a nose bruise. The drivers of the vehicles involved in the mishap said they were watching a third car when the accident occurred.

More Looting In Eritrean Feud ASMARA, Eritrea, Feb. 23. (AP)—Arson and looting broke out again today in Moslem-Christian feuding which has gripped Asmara's native quarter since Monday.

The violence already has resulted in 30 deaths and at least 130 wounded.

The rioting was precipitated by the slaying of a Moslem minor official Monday.

Packing Plant To Be Rebuilt PALESTINE, Feb. 23. (AP)—The Vernon Calhoun packing plant near here, destroyed by a spectacular fire earlier this week, will be rebuilt "from the ground up."

The rebuilding plans were announced yesterday by Vern Calhoun, owner. He estimated at "more than \$100,000" his loss in the blaze.

Chennault Planes Pass To Commies HONG KONG, Feb. 23. (AP)—The Hong Kong Supreme Court tonight lifted an injunction against 90 impounded planes claimed by retired U. S. Major Gen. Claire L. Chennault. The surprise action means that the planes pass into Chinese Communist hands.

The planes, formally owned by the Nationalist-controlled CNAC and CATC Air Lines are valued at \$20 million.

Chennault and associates said they purchased the planes from the Nationalist Government. Pro-Red employees of the two firms claimed them for Communist China.

Cabbies Clash With Jewelers

STERLING CITY, Feb. 23.—Checker Cab B of San Angelo rules as slight favorite to topple the Gem Jewelers, also of San Angelo, in the finale of the annual Sterling City Independent basketball tournament tonight.

The Cabbies marched through Texas and Pacific of Big Spring, Nathan Jewelers of San Angelo and American Legion in that order to attain the final.

They had their hardest game with the Railroaders in the opener, who held them to a 49-42 victory. In three games, the Angeliens have scored a total of 178 points.

Jack Webb is the leading Checker Cab threat. He hit for 20 points in one tournament game.

Gen hasn't had a close test to date. The Jewelers romped on Water Valley in their opening assignment, 63-29, then battered Forsan's Oilers, 53-38. Grapevine fell before the Angelo club in the semi-finals, 55-27.

Tonight's title bout starts at 8:45 p. m. The evening's entertainment begins at third place in a game between Legion and Grapevine two Big Spring teams, for third place.

The tournament awards will be handed out immediately after the final game, and there'll be a flock of them. Members of the championship squad will get individual prizes, as will each player on the all-tournament team. There'll be trophies for the second and third place clubs while the meet's outstanding player wins a Stetson hat, awarded by the Bailey Brothers Men's store of Sterling.

After cage scoring record—George King, (above), forward on Morris Harvey College's quintet, Charleston, W. Va., is within 20 points of the national single-season basketball scoring record. The record is 777 points set by John (Brooms) Abramovic, of Salem College in 1942. King has at least three more games in which to equal the old record or set a new mark. (AP Wire-photo).

Obviously a firm believer in the old adage, "If you can't beat 'em join 'em," A. D. (Shadow) Ensey, the big ace in the Odessa baseball camp, has signed on six Cuban hands to help his Oilers with their summer chores.

That's the same Ensey who several months ago led a campaign to outlaw all Cubans, Russians and Social Democrats from Organized baseball. Ensey, they say, wanted to apply the vanishing cream, too, to the opposition which dared to beat the proud Oilers more than five times a season.

He went so far as to seek audience with George Trautman, the minor league chieftain, who went out the back door and didn't come back when Ensey approached him for an interview.

Let it be said Ensey and the Oilers play their best ball in the winter time. Every season, he comes up with the top February bunch of hitters in all baseball and never fails to tell the world about it.

At any rate, Ensey's trip to Havana wasn't fruitless. He looked up Manny Rodriguez, the one-time Big Spring hero who moved to Odessa after being out of the Oilers last year, and together they made the town.

A. D., in his communications to the Odessa paper, didn't disclose the names of the Cubans he had under contract. He's saving that bit of information for the time when he's mastered enough Spanish to distinguish the difference between the handles of their maternal and paternal parents. Remember, the Cubans use both in signing their names.

The six will report to Honda, where the other Oilers will train, on March 12.

It's going to be like 'old home week' the first time Big Spring plays Odessa. You'll probably know more about what's going on if you carry a Spanish dictionary to the park.

Down Angelo way, 20 baseballers have been signed to Coit contracts. Bill Gulon and Company are set to make their most serious bid for a Longhorn league flag.

Newcomers under contract there include Kenneth Lair, a left handed pitcher from Celina, Tex., and Bobby Seal, a Howard county lad.

Some of the vets will have to go, however. The class-men include Manager Jimmy McClure, Jackson, McClain, Crues and Smithhart; all have been in pro ball longer than three years. Longhorn league teams are allowed but three vets each.

Paul Cooke, who toiled with the Ballinger Cats a couple of seasons ago, will be back with Paris in the East Texas league again this season, as will Tony Florio, infielder, who was with Midland for a while.

MEL NORRIS MADE HIT WITH TRIBE CASH. Mel Norris, who brought the McMurtry B basketball team here last night to play H.C.J.C.'s Jayhawks, was particularly impressed with Melvin Norris, the locals' giant center.

Jowell saw Norris in a scrimmage early in the season, said Norris has come a long, long way since that time.

Incidentally, the McMurtry reserves had not been defeated until they yielded to the Hawks. The margin of victory in that one was five points but should have been greater.

Bliff JC of Brenham, one of the cage teams which could face H.C.J.C. in the state meet next week, finished in second place in its Zone race, losing only to Allen academy.

Waldo Young, the sensational Monahans griddler who flunked out at Texas Tech, is enrolling at Fresno JC in California, he tells friends.

By The Associated Press. Two of the eight Class AA teams to go to Austin next week for the Texas interscholastic league basketball tournament have been determined and the other six will be known by Saturday night.

Highland Park of Dallas last night beat Sherman 39-32 to advance to the state tourney. Highland Park had won the first game of the bi-district play-off series 41-31.

Previously Texarkana won its way to the big meet by licking Lufkin in two straight games, 41-30, 35-30.

Bobby Hawkins May Miss Title Test Tonight

LAMESA, Feb. 23.—Lamesa's Tornados, basketball champions of District 3AA, will enter their all-important bi-district playoffs with Austin of El Paso below full strength.

Coach O. W. Falls has announced that Bobby Hawkins, Tornados guard, is in bed with the flu. He added there was little chance Hawkins would be able to play.

The best two-of-three series opens at 8 p. m. this evening and continues through Saturday, if necessary.

Lamesa's lineup will probably consist of Wally McNeill and Bill Hart at forwards, Royce King at center and Ronald Chapman and T. J. Womack at guards.

Coach Ziggy Zeretz, Austin mentor, has indicated he would start Bill Ward at center, Lynn Mullen and Bobby Seas at guards and Pete Holquin and Rene Ross at forwards.

Mullen opens the visitors in scoring with 123 points in conference play.

The Austin team turned back Jefferson of El Paso to win district laurels.

Conover to Temple. TEMPLE, Feb. 23. —Brooks Conover, former head football coach of Orange High School, said yesterday that he has signed as assistant coach at Temple High School. He resigned at Orange in January.

Hawks Beaten By Eaglets

Turner Scores 18 For Losers

DENTON, Feb. 23.—The North Texas Teachers college freshman team took full advantage of their free toss offerings to nudge the Jayhawks in a basketball exhibition here Wednesday night 55-51.

The Eaglets made good on 13 of 25 gratis pitches while the Hawks could get but nine of 19.

The Big Springers led, 13-11, after ten minutes of play but the Denton gang swept into the lead after that and were never headed. The Eaglets were in front, 30-26, at half time.

Pat Kelly, star guard from Dallas, and Buddy Wise were standouts for the winners while Melvin Norris and Delmer Turner looked to advantage for the H.C.J.C. gang.

Turner grabbed off scoring laurels with 18 points. He hit for eight points in the last four minutes. Coach Harold Davis made plans to use Bill Fletcher, who has been out with injuries most of the season. However, Fletcher developed the flu shortly before game time and was removed to his home in Dallas by his parents.

Denton led the Hawks by but two points five seconds before the half gun sounded but used a fast break to bag two more just before the buzzer sounded.

Calumet Entry Is Favorite In Handicap

ARCADIA, Calif., Feb. 23. —Anyone who bets against the powerful Calumet entry of Citiation, Under and Two Leas in the \$100,000 Santa Anita Handicap must be slightly touched in the head.

The Calumets probably will go postward at a prohibitive price of about one to four, and rightly so. Citiation, if he's back in his old form of 1948, would be worth that price alone. Ponder looks like the solid member of the Calumet threesome, and the filly, Two Lea, cannot be ignored on any grounds, including her sex.

Touched or not, the bargain hunters will be well represented at Santa Anita Saturday for the thirteenth running of the Golden Gate. And after the one to four Calumet trio, the next price doubtless will be no less than eight to one, and that isn't exactly a short one.

From that figure the opportunities for the longshot boys increase. By the time the Foxcatcher Farm's filly, Gaffery, is reached they will far exceed the 16 to one paid off by Tony Pelletieri's Bay View when he scamped through the class and won the 1941 hundred grander.

Possibly the two nearest rivals to the Calumets for public fancy will be Ben F. Whitaker's May Request and Charles S. Howard's Irish-bred Noor.

My Request was rated the nation's number three performer in Citiation and Coalton as three-year-olds in 1948, and he won some good stakes last year. But he has raced here only once this season, winning a sprint tuncup.

Noor established himself as a real threat in the San Antonio Handicap Feb. 11. Ponder won the race by a length over Citiation, and Noor was a mere half length behind Big C.

That was at a mile and one-eighth. Citiation packed 130 pounds, Ponder 128 and Noor 114. The big handicap is at a mile and one-quarter. Citiation carries 132, Ponder 124 and Noor 109. If distance and weight make a difference, Noor gains and the two top Calumets lose.

The Howard horse runs against three Calumets instead of two, of course, and so do the others in the field. That makes three reasons, instead of one or two, why anyone has to be a little touched in the head to tackle the big entry.

Ranger, Amarillo Tangle Friday

JACKSONVILLE, Feb. 23. —The Texas Junior College Conference Basketball Tournament opens here tomorrow with four zone champions of the circuit battling for the title.

Ranger of the central zone plays Amarillo of the west zone in the opener tomorrow night. Allen Academp of the south zone plays Lon Morris of the east zone in the second game.

Corpus Breezes

CORPUS CHRISTI, Feb. 23. —Corpus Christi breezed to a 39-25 victory over Temple last night in the first basketball game of their bi-district playoff series. The two teams meet again tomorrow night in Temple.

Nelson in Show

MALLEN, Feb. 23. —The McAllen Sports and Hobby Festival will open Monday with a best ball golf match starring Byron Nelson of Roanoke.

Nelson will team with Tony Butler, Harlingen pro, against Sam Speer and J. C. Hall, golf pros at McAllen and Mission.

Gold Sox Sold; Seeds Remains As Manager

AMARILLO, Feb. 23. —Pete Knapp, Panhandle cattleman, has bought the Amarillo Baseball Club of the West Texas-New Mexico League.

The 34-year-old owner took possession yesterday and announced that Bob Seeds, former president and co-owner of the Gold Sox with Buck Fausett, will remain as general manager. He said Seeds will have full control of the club's administration.

Fausett, who managed the team to the League title in 1948, said he has no immediate plans for the future.

The purchase price was not disclosed. Knapp has not been previously associated with professional baseball.

Brothers Steal Golf Spotlight From The Bauers

ORLANDO, Fla., Feb. 23. —The Boletta Brothers, who stole the spotlight from the Bauer Sisters, meet today in a featured match of the International Mixed Two-ball Golf Tournament.

Earl Boletta and his partner, Kathryn Hempill, both of Tampa, spilled Alice Bauer, older of the Midland, Tex., sisters, and Al Besolink of Detroit, one up in 19 holes yesterday.

George Boletta of Tampa and Babe Zaharias of Prairie View, Ill., made up the hottest pair of the first round. They quizzed through a 6 and 5 decision over Mr. and Mrs. Lee Costen of St. Clair, Mich., and were six under par.

Another surprise yesterday came in the victory of Patty Berg of Chicago and Earl Stewart of Dallas over Co-Medallists Marilyn Smith of Wichita, Kan., and Herb Minert of Gary, Ind., one up.

The favored team of Louise Suggs of Lithia Springs, Ga., and Toney Penna of Cincinnati won 5 and 4 over Claire Doran of Cleveland and Ed Williams of Louisville.

Mariene Bauer and Home Pro Denny Champagne got by Bea McVane of Birmingham and Clay Gaddie of Cincinnati, 3 and 2.

Match play over the 18-hole route continues tomorrow. Sunday's final will go 36 holes.

Mustangs Edge Jackets, 34-26

STEPHENVILLE, Feb. 23. —Sweetwater bested Stephenville 34 to 26 in a Bi-District high school basketball game here Wednesday night.

Sweetwater is the district 5AA Champion and Stephenville the district 4AA Champ. The game was the first of a three-game series.

The second game will be played at Sweetwater Friday night and if a third contest is needed it will be played there Saturday night.

Jim Everett of Stephenville was high point man with 12. Doyle Bruman paced Sweetwater with 11 points.

Stephenville led at the half 14-10.

LaVerne Roach Fighting Death In NY Hospital

NEW YORK, Feb. 23. —LaVerne Roach, free-swinging young Texan who three years ago was acclaimed boxing's brightest prospect, battled death today after being knocked out in a comeback try at the ring big time.

The Plainview, Tex., middleweight was in "critical" condition at St. Clare's hospital, unconscious and on an oxygen tent.

Dr. Vincent Nardiello, physician for the state athletic commission, said it would be 48 hours before he could give a decision on the fighter's chances of survival.

Roach (150), who turned 25 yesterday, was smashed to the canvas twice in rapid succession by George Small (150 1-2) of Brooklyn in the last round of a bloody ten-round melee last night at St. Nicholas Arena.

Referee Frank Fullam stopped the fight at 1:57 of the round. Roach, hauled to his corner, talked with his handlers and several times attempted to leave the ring under his own power.

Soon, however, he passed out and, after an on-the-spot examination by Dr. Nardiello, was taken to St. Clare's where less than two months ago Bronx heavyweight Carmine Vingo was carried with a similar critical injury.

Vingo, knocked out in Madison Square Garden by Rocky Marciano, left the hospital Feb. 19 after a month's treatment for a brain injury.

Nardiello said Roach has "a contusion of the brain and probability of a subdural hemorrhage."

This was an important fight for the good-looking Texas gladiator.

Banner Center Of Milk Trade Here

People in the Big Spring area not only help themselves to quality when they reach for Banner milk—but also by lending support to an important local industry.

For example, the payroll to Banner employees and producers during January exceeded \$34,000. This went to 31 employees and to 16 producers marketing their milk through Banner Creamery here. Of course, as summer comes on, the number of employees will climb, reaching around two score in the processing, distributing, ice manufacture and sales, and administrative departments.

An industry of this sort is felt in all trade channels, and in turn by all individuals in the community. Best of all, while enjoying a

sense of supporting a local industry, patrons get the assurance of the finest, high quality milk. Banner milk carries four per cent plus butterfat and habitually ranks higher than some other brands.

Moreover, Banner is processed with utmost care for sanitation. No hands touch it from the moment it is received until it is poured from the container. All equipment is cleaned and sterilized thoroughly each day, or oftener if the operation requires it, to eliminate bacteria count. Of course, the product is pasteurized to increase purity.

Soon the increasingly popular cardboard containers will be changed to a new type of sanitary shield—one of aluminum foil. All of it adds up to merchandising to market home-produced milk at home.

Allowances On Typewriters Is Month's Special

The Royal Typewriter company, through its local agent, the Thomas Typewriter Exchange, is offering special allowances on trade-in machines during the month of February.

High school and college students who own typewriters that are on the way toward outliving their usefulness will find the rates on new makes very reasonable at the Thomas concern, Big Spring's favorite shopping place for all types of office machines and office supplies.

The Thomas store not only makes allowances on old Royals but on all other typewriters, as well.

The Royal typewriter is one of the many types of office equipment proffered for sale at the local store, which is located at 107 Main street. Desks, filing cabinets, adding machines, chairs and strong boxes are among other types of equipment stocked by the establishment.

R. C. Allen cash registers, which come in both hand and electric models, are sold through the Thomas store. The R. C. Allen company builds cash registers to fit any retailer's need, whether he be in the grocery, dry cleaning, shoe or jewelry business.

The new Precisa adding machine, boasting features found in no other model, is stocked at the Thomas store. The Precisa adds, subtracts, and multiplies with ease.

Among other features, it boasts single, double and triple zero keys, a recall key and an automatic digit annexing, for multiplication.

Thomas personnel is prepared to demonstrate all equipment at the store.

Stanley Offers Complete Kitchen With All Modern Conveniences

A new streamlined kitchen, complete with wall cabinets, base cabinets, and cabinet sink, all in gleaming steel can be yours at the Stanley Hardware company.

Stanley is now showing the new Youngstown kitchen with steel units that can be fitted to any size or shape of room, in a new house or old, without costly remodeling. Homeowners may choose the units they want and combine them in any way they want for that dream kitchen.

The Youngstown kitchen starts with the Kitchenaid cabinet sink that may be secured in the size that best fits space and needs of the individual home. The Kitchenaid is made of durable, white-enamelled steel with a one-piece, acid-resisting porcelain-enamel top. The sink is equipped with a speedy rinse spray and a swinging mixing-faucet above its double bowl.

Youngstown wall and base cabinets may be added in whatever arrangement is preferred. Cabinets have wide swinging doors and easy-to-reach shelves.

Youngstown utility cabinets are also a part of the model kitchen that can be obtained at the Stanley Hardware company. They are the extra touches that actually "make" the kitchen—designed to put every inch of kitchen space to use.

Stanley Hardware representatives can set up miniature kitchens to demonstrate how the Youngstown

equipment would look in any home. Simply tell them the dimensions of your own kitchen and they will set up a model arrangement that can be adapted to your home.

The various units may be shifted and arranged exactly as you want them. After you decide on the arrangement, Stanley workmen will install the Youngstown in your own kitchen.

Complete Repair Facilities Are Jones Specialty

Facilities to handle automotive repairs of any description are available at the Jones Motor Co., Big Spring's Dodge and Plymouth dealers, located at First and Gregg Streets.

The repair department itself is arranged to facilitate the highest type of service, which, coupled with the latest tools and equipment assure the motorist of rapid and efficient service at economical prices.

The tools and equipment do not function by themselves, however. The Jones Motor Co. makes sure that all of its facilities are in capable hands.

For over two years, mechanics of the establishment have been enrolled in the Chrysler Corporation's Master Technicians' Service school. This has enabled them to keep abreast of the latest developments in automotive maintenance work, particularly for Dodge and Plymouth cars and Dodge trucks.

The Jones Motor Co. parts department is stocked with the complete MOPAR parts and accessory line for Dodge and Plymouth cars and Dodge trucks. Personnel of the parts department are trained to give fast and efficient service.

HEART FOR MORE POWER—Heart of Cosden Petroleum Corporation's new fluid catalytic cracking unit is the control room, above. Movement of oils from one stage to another, as molecules are cracked (and in some cases combined), into still higher octane gasoline is traced on the panel, from precision instrument to instrument. Travellers along U.S. 89 get a first hand glimpse of this attractive unit—as neat as the gasoline is potent. (Mathis Photo)

New Equipment To Be Installed At Banner

New equipment is being installed at Banner Creamery to facilitate the production of high quality milk. A new washer, filler and aluminum hooder are being added. The latter is an interesting device that will improve on Banner's careful policy of shielding the top milk bottle from possible contamination. The cardboard sanitary seal will be replaced with heavy duty aluminum foil. Various colors will identify milk, coffee and whipping cream, buttermilk, etc. at a glance.

Week's Wash Done In Less Than Hour

Does a week's wash in less than an hour.
That's the new Easy Spindrier washer now on display at the Stanley Hardware company, 203 Runnels street.

Turn on the water, push a lever, and the Easy Spindrier does the rest. First it drains off the suds, then a powerful needle spray of clean water flushes through the clothes from top to bottom of the Spindrier basket.

When the water is turned off, the whirling basket spins the clothes damp-dry.

Pioneer Members Are Honored By Eastern Stars

Veda Carter, Worthy Matron, presided when the local Order of Eastern Star met to pay tribute to pioneer members of the order.

Frances Fisher directed the program and presented a history of the Grand Chapter. She stated that the Big Spring chapter had made one of the largest contributions to the Grand Chapter.

She reminded that four Grand Matrons, Laura B. Hart, Agnes V. Young, Fannie V. Ward and Flora A. Penix, and one Grand Patron, S. A. Penix, became Grand officers after service in the local order.

Mrs. Pearl Ulrey was in charge of the music which included a song composed of a number of old songs.

A covered wagon arrangement centered the lace covered refreshment table.

Sixty-five guests, including one visitor from Valparaiso, Ind., Coleman, Coahoma and San Antonio, were present.

Grace Miller, Jewel Rogers, Olive Smith, Bernice Davis and Beatrice Carroll were on the refreshment committee.

Mrs. C. M. Weaver Honored On Birthday

Mrs. C. W. Weaver was honored on her birthday when the Sew and Chatter club met in the home of Mrs. M. A. Cook, 1811 Main Wednesday afternoon.

Club members presented a gift. Mrs. G. L. James was named hostess for the next meeting which is scheduled for March 8 at her home, 309 Johnson.

Sewing was the entertainment. Refreshments were served to the following: Mrs. C. M. Weaver, Mrs. C. V. Clinkscale, Mrs. H. V. Crocker, Mrs. Garner McAdams, Mrs. A. C. Moore, Mrs. S. E. Nobles, Mrs. G. L. James, Mrs. Ches Anderson, Mrs. Herbert Johnson, Mrs. Tom Rossen, Mrs. Lewis Murdoch and the hostess.

Individual Projects For Funds Are Taken By Hyperion Members

Members of the 1946 Hyperion club voted Wednesday afternoon to take on individual projects to help raise funds for a local women's club house.

Each member will work privately and projects will not be revealed to other members. This decision was reached at a regular meeting held in the home of Mrs. E. P. Driver, 207 East 13th, with Mrs. Matt Harrison as co-hostess.

Mrs. Pete Harmonson discussed the topic, "What Is Wrong With Today's Family?" Mrs. Steve Baker presented the other program topic, "Old Age In Family Relations."

Dallas Leader Meets With Local Girls Guard

Capt. Beulah Carroll of Dallas and West Texas director for Girls Guard of the Salvation Army, is in Big Spring today to meet with the local Girls Guard.

The group will convene at 4 p. m. and a buffet supper with mothers of the girls as guests will follow the meeting.

RIBBON RAMBLINGS

By Mildred Young

It is reported that the Texas Legislature next year may be asked to pass a law guaranteeing the privacy of communications between a pastor and his congregation.

William J. Park of Austin, secretary of the State Bar of Texas, says that directors of the bar have referred to a committee the proposal made by the Episcopal Diocese of Dallas.

The request was made to Chairman William P. Abernathy of McKinney, as an outgrowth of the recent Eastland case in which the Rev. James McClain, one-time "Dr. I. Q." of radio fame, declined to testify concerning a conversation with a defendant in a murder case.

The State bar is being asked to sponsor a law excusing a minister from testifying under such circumstances. The request was referred to the committee on Administration of Justice, headed by Leon Jaworski of Houston.

Jaworski was asked to make a recommendation to the board at its April meeting in Beaumont.

It seems to us that such a bill would be doing nothing more than keeping back information which might convict a person of a crime which he has definitely committed. We don't understand why the clergy shouldn't be interested in seeing that the guilty get their just punishment as well as seeing that the innocent get their just reward.

We didn't forget to say something yesterday in regard to Lent. It just happened that we had a few remarks concerning Town Hall on our chest and wanted to express them.

Although we happen to be a Protestant and lots of Protestants think that Lent is out of their line we think that little extra emphasis on the spiritual would be good for us all. Though we probably won't do much about the observance, we're highly in favor of it becoming a more important event on everyone's church calendar.

In our opinion, we'd have everything to gain and nothing to lose.

Presbyterian Women To Be Hostesses

First Presbyterian Women-of-the-Church will be hostesses to the World Day of Prayer observance which begins at the church Friday at 10:45 a. m.

Mrs. Dalton Mitchell is president of the group. Women attending are asked to bring sandwiches. Coffee will be served by the hostess group.

After the lunch hour, mission projects will be presented and an offering taken. The Rev. R. Gage Lloyd will officiate at a communion service. "The Day Thou Gavest" will be presented as a vocal solo.

A nursery will be open for children.

In the Interest of Brotherhood Week

Brotherhood of man under the Fatherhood of God as proclaimed by Governor Shivers would, if applied world wide, bring about the much talked of peace on earth. Stop the perplexity of nations and quell fear that is rising in strong men's hearts, and cause a pleasure mad world to pause in the presence of the Almighty God and weigh their possessions in the light of his word. For ever since God inquired of Cain "Where art thou?" no man has been able to stand justified in the presence of God unless he was ready to give an account of his brother. It was upon these principles that our Forefathers founded this Nation and because they looked to God for strength and guidance God blessed and exalted their Nation to the leadership of all nations. We are blessed with wealth, learning and strength but with none of these can we buy peace. We are a nation in which God has gathered together all kindred and tongues and caused them to dwell together and govern themselves as one people and if the nations of the world would apply the law of God unto themselves, he could gather together all kindred and tongues and cause them to live together in peace and Christian Brotherhood. Please tune in on KBBY at 8:30 A. M. each Sunday and hear Dr. Dale Oldham's heart to heart talk on Christian Brotherhood for a divided world. I am sure you will enjoy it.

Legislature Completes Hospital Tax Program

Cigaret Levy, Omnibus Bill Are Approved

Solons Get Busy To Break Logjam Of Special Session

AUSTIN, Feb. 23. (AP)—The special session today completed action on the 10 per cent omnibus tax increase and the penny-a-pack cigarette tax boost bills.

Both measures to help pay the costs of raising state hospital standards now go to Gov. Allan Shivers, who has said he would sign them.

The Senate vote on final passage of the omnibus bill was 27 to 13. The House gave it a rousing 113 to 18 approval.

The House accepted the conference committee report on a measure appropriating \$20,612,128 for state hospital and special school support and improvement during the next 18 months.

The only remaining action necessary to completion of the administration's hospital program was Senate acceptance of the appropriation bill. Action on it was expected early this afternoon.

Final passage of the cigarette tax bill in the House was by a vote of 114 to 9.

The eleemosynary appropriation bill wheeled through the House 126 to 1. The lone dissenting vote was cast by Rep. Joe Pyle of Fort Worth.

The more than two-thirds majorities given the tax bills in both houses means they will become effective immediately. There was no doubt the Senate would give the appropriation measure like approval. The Senate was in recess until 2:30 p. m.

Final action on the omnibus bill came in whirlwind action breaking a log jam that delayed it in the House yesterday.

The scrap was over a Senate amendment setting up a surplus commodities agency to distribute such goods to the hospitals and special schools. When the House balked at taking it, the Senate called the bill back, struck out the questioned change, and shot the measure back to the House where final passage quickly followed.

The omnibus bill was written to raise 20 million dollars in 18 months 15 million of it for hospitals.

Death Claims County Pioneer, John R. Hull

Death called early Thursday to claim John R. Hull, resident of Howard county for more than four decades and head of one of its well known families.

Mr. Hull succumbed at 4:30 a. m. at his home, 308 East East Park. He had been in declining health for several years. He was 75 years old.

Among his surviving children are Marvin and Emmet Hull, long identified in the automotive business in Big Spring.

Funeral services will be held at 3 p. m. Friday at the Eberley chapel, with Dr. P. D. O'Brien, pastor of the First Baptist church, and the Rev. Jimmy Parks of East 4th Baptist, officiating. Burial will be in the IOOF cemetery. The body will lie in state at the Eberley chapel until time for the funeral.

Native of Arkansas, Mr. Hull came to Texas with his family as a child. He resided for a number of years at Belton, then moved to Eastland county, where, 53 years ago, he was married to Miss Della Agnes Payne. The widow survives.

The Hulls came to Howard county 46 years ago, and for years he farmed in the Center Point area, until ill health forced his retirement eight years ago.

Mr. Hull had been a member of the Baptist church since his childhood.

'MERCY KILLING' WAS PERFORMED AT HUSBAND'S URGING, STATE SAYS

MANCHESTER, N. H., Feb. 23. (AP)—The state said today that Dr. Hermann N. Sander admitted killing a 59-year-old cancer patient with air injections and claimed he did it at the pleading of her husband to relieve her suffering.

Atty. Gen. William L. Phinney made the assertion as he outlined the state's case against the 41-year-old doctor to a 13-man jury trying him for murder.

Speaking softly and slowly, Phinney quoted Dr. Sander as saying that he knew he "might have broken a law but that the law was not right... and should be changed."

Dr. Sander is charged specifically with killing Mrs. Abbie Borroto by giving her air injections as she lay dying of cancer in Hillsboro County Hospital last Dec. 4.

Phinney quoted the doctor as saying this: "Because of Mr. Borroto's pleadings and because Mr. Borroto was a moment of weakness he injected the air."

Phinney said that Sander, also in reply to a question from Dr. Robert Biron, county medical referee, said he thought Mrs. Borroto would have lived probably two more days.

Phinney said the statements he quoted came from a conversation in which Dr. Sander "talked freely and voluntarily" to Dr. Biron.

Phinney said that when Dr. Biron inquired about the air injections, Dr. Sander stated "that due to the pleadings of Mr. Borroto to relieve his wife he injected air into Mrs. Borroto's veins."

The attorney general told the jury Dr. Sander told Dr. Biron "he realized the consequences of this procedure." Phinney quoted Sander further as saying that "his conscience was clear" and that "morally he believed he was right."

Phinney said Sander told Dr. Biron that he administered 18 cubic centimeters of air successively four times — a total of 72 cc.

Phone Strike Headed Off By 60-Day Truce

Union Accepts Truman Plea, Is Ready To Bargain

WASHINGTON, Feb. 23. (AP)—The threat of a nationwide breakdown in telephone service, scheduled for tomorrow, has been lifted by union acceptance of a presidential appeal for a 60-day bargaining truce.

"We will bargain every day, 24 hours a day during that period in seeking a peaceful settlement," said President Joseph A. Beirne of the CIO Communications Workers of America.

President Truman asked that service remain uninterrupted while work goes on under present wage, hour and other conditions. Some Bell System companies accepted promptly; others were expected to do so.

Beirne quickly polled his executive board on yesterday's White House proposal. He announced the decision last night, notifying Mr. Truman by wire that the union recognizes its obligation to the "public interest and welfare."

The long lines division of American Telephone and Telegraph Co. wired the President it would be glad to continue bargaining "in a sincere effort to settle the dispute." The added time, it said, should be "useful in reaching an agreement."

Britons Decide Today On Socialist Regime

By EDWIN SHANKE AP Staff

LONDON, Feb. 23. — Britons formed the most important queue of the past five years as they lined up today to mark their "X's" for or against re-electing their Socialist government.

A record vote in the national elections was expected as lines formed early and steady streams began moving through polling stations all over this island kingdom.

The choice before more than 34 million voters: Re-election of Prime Minister Clement Attlee's laborites, pledged to put still more industries under state control; or a return to the conservative rule of Wartime Premier Winston Churchill, who promised to halt nationalization but keep most of Britain's welfare state security measures.

Few women, long accustomed to queuing in shops, turned out for the early voting. One of them, however, was Mrs. Winston Churchill. Mrs. Churchill was smiling as she arrived at the polling station. Attlee and his wife already had voted by mail.

The prime minister and Mrs. Attlee were cheered by a large crowd when they arrived at Labor Party headquarters in Walthamstow West, the working class section of London where Attlee is a candidate.

Attlee shook hands with workmen repairing the street and joked:

"I feel fine and I'm glad the weather's fine. Otherwise my opponent would blame me for the weather."

No incidents had been reported. But London's famous "bobbies" were primed for huge crowds which are expected to jam Trafalgar Square and Piccadilly Circus tonight to watch election results.

Churchill himself arrived to vote at St. Stephen's a couple of hours later. He was cheered as he waved his familiar "V" sign and stopped to pat the cheek of a little girl who handed him some flowers.

The voting was expected to be close. Victory or defeat for the laborites—in power since July, 1945—hangs chiefly on domestic issues.

There continued to be talk that Congress might vote power for the President to seize the mines and tell the miners to work as government employees. The White House said nothing.

This is Lewis' last chance because tomorrow morning at 9 o'clock, the United Mine Workers are under orders from Judge Richmond B. Keach to "show cause" why the union shouldn't be found in contempt of court. If the union explanations don't satisfy the judge, there will be a formal hearing Monday on a contempt order.

It was Judge Keach who issued a back-to-work order on Feb. 11 that has been flatly ignored by the miners. They have stayed away from the pits, crying, "No contract, no work." Although Lewis instructed them to go back, he, too, may come in for Judge Keach's attention.

Lewis and the operators were deadlocked over new contract terms.

TRAPPED AFTER CRASH

Gas Truck Driver Dies In Flames

A gasoline transport driver died in the flaming wreckage of his truck after the huge vehicle hit a culvert 27 miles south of Big Spring on US 87 about 5:30 a. m. today.

The victim was Ervin Pieper, 30, driver for the Texas Consolidated Co.

Pieper had loaded his truck at 4:30 a. m. at the Cosden Refinery and was en route to San Angelo with a load of gasoline.

Sheriff Bob Wolf of Big Spring said gasoline splashed over a considerable area at the scene, and it apparently caught fire immediately.

Pieper was trapped in the cab of the truck. His body was burned beyond recognition.

An Eberley funeral home coach went to the scene, but workers were unable to remove the remains until about 8:30 a. m. A torch was used to open the truck cab after the gasoline fire subsided.

A brother, Elgin Pieper, of Sweetwater came here this morning and confirmed identification of the driver.

Pieper's parents, Mr. and Mrs. Louis Pieper, live in McGregor.

Other survivors include four brothers, Otto and Lonnie Pieper, both of McGregor, Edmond Pieper, of Crawford and Elgin Pieper of Sweetwater; three sisters, Mrs. Fred Fryer and Mrs. O. H. Sandhoff, both of McGregor, and Mrs. Herbert Shredder of Oglesby.

The father, Louis Pieper, is confined to a hospital where he underwent surgery Wednesday.

The remains will be carried overland in an Eberley coach to McGregor for burial.

Ervin Pieper had resided at the Ranch Inn Courts here. He was employed by the Texas Consolidated Transport Co. of Sweetwater.
