

Photo by Taylor... Jordan, Walter Brantley, and Robert Rutledge; back row, left to right: Coach Jay Fikes, Bob Barnett, Freddie Howard, Joe Walden, Jackie McCann, Gene Renfro, Bobby Cox, George Heard, M. C. Northam, and Bobby Edwards, Kenneth Reel and Bill Brantley were not present when the picture was taken.

# Cats - Post Tilt Friday To Be Big Event In District Play

"We will have to be at our best to win it," said Coach Jay Fikes Wednesday to a representative of the Lamb County Leader, in commenting on the football game scheduled here Friday night when the locals meet the Post Antelope for the opening conference game. The game will start at 8 o'clock, instead of 8:15, as has been the custom the past two contests. Coach Fikes states the contest Friday will be a hard game because the Post team have good passing and three fast backfield men. Coach Fikes further said: "In 1948 the Wildcats played Post for the district and were downed 14 to 0. That year the district was divided in two parts, north and south zones, or halves. The locals won the south half and Post won the north half, and that is the reason the Wildcats met for play-off. Post boasts the best backfield they have ever had in the history

of their school, because they have fast back field men and good passing attack. Post has won their first two games with lopsided scores. They beat Crosbyton 43-0 in comparison with Littlefield downing Crosbyton 32-6. "Post and Muleshoe are the only two teams in District 4-A that hasn't been scored on." The game Friday is supposed to be one of the big district games of 4-A, and a large crowd is expected to witness the two teams battle it out. The Wildcat starting lineup will be as follows: LE—Bobby Cox, LT—Arlen Wesley, LG—Bobby Barker, C—Freddy Howard, RG—George "Pa" Heard, LT—Dickey Hopping, LE—Jo Paul Owens, QB—Jackey McCann, FB—Gene Renfro, LH—M. C. Northam, RH—Walter Brantley or Joe Walden. (Continued on Page 5)

## Medical Journal Publishes Article By Dr. F. B. Faust, Local Physician

An article written by Dr. F. B. Faust, director of the Medical Department of Payne-Shotwell Foundation and heart specialist was published in the September issue of the Mississippi Valley Medical Journal, a monthly magazine. The article is entitled "The Normal Range of Normal Blood Pressure," and is based on biometric charts of 6,500 readings over 29 years (1928 to 1948) with tables showing blood pressure in certain age groups from 18 to 65 years. It shows that the blood pressure of individuals taken every year usually stay within 10 to 20 millimeters of mercury over the course of 20 years. This paper discusses the normal blood pressure of 2,000 persons who were employed, who were not ill, and included men, white, colored, laborers, scientists and clerical workers for the Du Pont Company in Philadelphia. According to Dr. Faust, the normal blood pressure is found not to be correlated with the age, and it is a fairly consistent finding for an individual similar to the fact that each person has a different weight or different colored eyes. HAVE 100 PER CENT MEMBERSHIP IN STATE ASSOCIATION The Littlefield School Faculty has been issued a certificate by the State Teachers Association for 100 per cent membership in the T. S. C. A., as announced by Supt. Joe Hutchinson. This means that the local school faculty is cooperating 100 per cent in the present state school program.

## Local Doctors Buy Hospital Building

A contract has been entered into whereby Drs. F. W. James, W. C. Nowlin and O. W. Still are purchasing from Mrs. J. R. Coen, the Littlefield Hospital building and the interest of the late Dr. Coen in the furnishings and equipment of the hospital. The Littlefield Hospital building was erected in 1938, when the late Dr. Coen, Dr. Thos. Duke and Dr. Roy Hunt established the Littlefield Hospital. They were later joined by Dr. F. W. James. The Littlefield Hospital has been in operation since that time.

## Pfc Jimmy Stewart Injured Recently In Explosion

Pfc Jimmy Stewart of the U. S. Army, and stationed in Japan, sustained injury to one of his legs recently in an explosion, the particulars of which are not known. Pfc Stewart, a son of Mr. and Mrs. B. B. Stewart, in a letter to his mother received Saturday stated that his leg had been injured, but that he expected to be able to walk again in about a week. He also reported that four of his buddies were killed at the time of the explosion.

## Nelson Naylor Is Named Member Of Texas Economy Commission

Nelson Naylor of Nelson's Hardware has been appointed a member of the Board of Texas Economy Commission by Governor Allan Shivers. The Texas Economy Commission is a non-partisan, impartial body of practical citizens in all walks of life who are devoted to efficient government, economical and good government. It is non-political. It never was a political organization. Governor Shivers appointed

## CITY WORKER HERE KILLED

Afred Lee Taylor, about 43, member of the City Sanitation department, was killed almost instantly Wednesday about 1:30 p. m. when he was run over by a garbage truck at Bull Lake dumping ground. M. L. and A. L. Harrell, drivers of the two City Sanitation trucks, had taken their loaded trucks to the Bull Lake dumping ground. Assisting M. L. Harrell in the collection of and disposal of the garbage were: N. R. Sills and Ed Tissup, and helpers of A. L. Harrell were Taylor and Lloyd Henry. All the workers were at the dumping yard when the accident happened. In an interview with a Leader representative Wednesday, A. L. Harrell said: "Taylor was standing by M. L. Harrell's truck talking to Ed Tissup, when Tissup walked be-

## Schools Appoint Attendance Officer

At the regular September meeting of the County Board of School Trustees an attendance officer was appointed, Truman Jones being named to this post. All children between the ages of 6 and 16 are expected to be in regular attendance at school for a minimum of 120 days within one school year.

## Arrested on Charge Of Aggravated Assault Sunday

L. C. Hailey, colored, was arrested early Sunday by the Sheriff's Department, on a charge of aggravated assault, and appeared before Judge O. F. Deat Monday morning, when bond was set at \$250.00, which was made by the defendant. Hailey is to appear before the court Monday next.

## Bus Institute to Be Held at Lubbock

As announced by Supt. Joe Hutchinson a bus drivers institute will be held at Lubbock at the County Court House from 9 to 12 a. m. Saturday, September 23.

## County School Club Elects Officers And Outlines Activities for Year

The Lamb County School Administrators Club met at Amherst Monday night at the school house in the first meeting of the year. The club consists of superintendents and principals of all schools in Lamb County, and business and social hour is the usual procedure of the club. Officers Elected Officers were elected for the ensuing year as follows: Paul Jones, Principal of the Primary School of Littlefield was elected President; Supt. Dooley of Sulian was named Vice-President; and J. Ernest Jones, County School Superintendent was elected Secretary. Activities Outlined According to Supt. Joe Hutchinson, the calendar of activities for the year was worked out in the following manner: The next meeting will be held in Olton October 6. To Meet Nov. 20 A County Teachers meeting of all teachers and administrators will be held in the Littlefield High School auditorium Nov. 20. One of the main features of the program will be the Wildcat band. The Texas State Teachers association will meet in San Antonio November 23. On January 15, 1951 the Administrators Club will meet at Springlake and on February 19 at Spade. On March 13 the second meeting of Lamb County Teachers and Administrators will be held at Littlefield. April 16 will be Ladies Night for the Administrators Club at Sulian.

## Last Rites Held For Olton Farmer

Arthur Hair, 58, farmer of the Olton area for the past 15 years, passed away at the Amherst Hospital about 6 p. m. Friday following a gall stone operation. He had been a patient of the hospital about a week, and had been in ill health for the past year and a half. Funeral services were conducted at the Church of Christ, Olton, at 2 p. m. Sunday, with Rev. Elmer Crabtree, pastor of the First Methodist Church of Amherst, officiating, assisted by Bro. Fulmer, Church of Christ minister of Olton. Interment, in charge of a Plainview funeral home, took place in the Olton cemetery. Pallbearers were: Guy Willis,

## Radio to Announce Bus Information

Transportation has been quite a problem with the local schools due to the recent rains and the consequent muddy roads. As announced by Supt. Joe Hutchinson, the general policy of the School Board has been if roads are impassable buses only run on pavement. KVOW will announce when buses plan to run only on the pavement.

# District FFA Officers Elected and Activities Are Planned

A District Leadership contest to be held December 2, and District FFA banquet to be staged Tuesday, October 24. All Chapter officers and Chapter Sweethearts are eligible to attend this banquet, which will be held in Muleshoe. District officers elected were: President, Joe Hall, Olton; Vice-President, Ted Harrison; Secretary, Glen Chester; Treasurer, Burley Favor, Littlefield; Reporter, Ralph George; Sentinel, Ellis Fleming; Historian, Arwin Turner.

## Home Building Brings Big Increase in 1950 Littlefield Property Valuation

Littlefield's assessed property valuation for 1950 is \$4,173,933, according to City Secretary, W. G. Street. This figure is an increase of \$198,100 over 1949, but the increase is represented in new construction, not in increased valuations for taxation purposes. There has been considerable building, particularly in the construction of residences. Littlefield has a tax rate of \$2 per \$100 valuation. Total current taxes, if all taxes for 1950 were collected, would be \$83,478.66, as against \$79,516.66 for 1949.

## Contribute to Prize Money for Big Fair Parade

Many business men of Littlefield and area have contributed to the prize money which will be awarded for floats in the parade to be held in connection with the Lamb County Fair. The parade will be at 2 p. m. Friday, September 29, and will follow the usual route through the city, organizing south of the city

hall. The first prize will be \$100, the second prize \$50, and the third prize \$25. There will be out of town judges. Prizes will be presented to the winners by Lon Campbell, president of the Lamb County Sheriff's Posse, and E. C. (Buck) Ross, parade marshal for the posse, who also will be in charge of the parade in connection with the fair. The awards will be announced and the prize money paid in front of the First National Bank within an hour after the termination of the parade. Business concerns of Littlefield and territory who contributed to the prize money are as follows: Lamb County REA, Southwestern Public Service Co., First National Bank, J. C. Penney Co., Cal Harvey, Little's Department Store, Ideal Motors, Hawk & Hockett, Thornton's Cafe, Reese Drug, Jack Christian, Wright & (Continued on Page 5)

## Littlefield Man Is Active At Democratic Meet

Arthur P. Duggan, Lamb County delegate, and all other delegates of this senatorial district at the Democratic state convention at Mineral Wells last week voted "right down the middle of the road" in favor of the course chartered by Governor Allen Shivers.

ARTHUR P. DUGGAN, JR.

Duggan, appointed by Shivers at the convention to serve as member-at-large on the Credentials committee, said there was "real harmony among the delegates from this district," and their caucus meeting Monday night ended with the singing of the "Eyes of Texas." All delegates from this district who served on committees at the convention were elected unanimously. Duggan was named chairman of the caucus.

The only delegate who attended from the county, Duggan said he cast all Lamb County's seven votes. The Credentials committee on which he served was one of the most closely watched at this particular convention because it decided whether or not certain

delegates contested from several counties could be legally admitted to the convention. These particular delegates, not sent officially from their home counties were not admitted as legal delegates — a factor of great importance in the contest between liberal, conservative and middle-of-the-road factions.

Liberals at the convention made an attempt to stop the return of some who bolted the party in previous years, but the Shivers forces won out 1,620 votes to 440.

The Liberals, who had gained control of party matters in the state, lost most of the powers at this convention. No honors were extended to Dixiecrat elements, either, even though they were accepted back on agreement to pledge loyalty to party nominees.

Called the "Governor's convention," it was reported to have been just that. Duggan said the wishes of the people were respected this time and the leftists and fascists gained no ground. In the words of keynote speaker Leroy Jeffers of Houston, the course lies "neither with the rabid right nor the intemperate left."

He recalled the nearly 900,000 votes polled by Governor Shivers in his first campaign for the office this year, and said it was a mandate from the ballot box to give a unified and qualified support to the party and his program.

Duggan also had a hand in drawing the party platform, said none of the progress made with water conservation programs in this area had been disturbed.

District Executive Committee members elected include: L. C. Ellis of Lubbock and Mrs. Lucille Walker of Plainview.

Persons elected on committees at the convention include Joe E. Webb of Hale County on the Credentials committee; Permanent

Organization committee, O. B. Ratliff of Lubbock; Platform and Resolutions committee, Homer L. Pharr of Lubbock county; Committee to Convey results of Primary elections, Harry Mann of Leveland; Committee to Appoint Party Officers, William T. Curry of Gaines County. All of the above committees were elected unanimously at the district's caucus meeting Monday night.

## Prunes Now on Market for Canning And Freezing

Now is the time to plan to can or freeze Idaho Italian Prunes while they are at the peak of quality and are lowest in price. The fruit is in good supply this year and of excellent quality. Wise homemakers will preserve this colorful fruit to enjoy during the winter months. Especially important this year, since severe weather has damaged other Northwest fruit crops, making the supply short for this coming winter.

**HOW TO CAN PRUNES**  
Prunes are one of the easiest fruits to can. Idaho Italian Prunes are the finest fruit, and you will be certain to be proud of your product.

Use the cold pack boiling water bath method. Wash the Idaho prunes. They may be packed into hot clean jars, either halved and pitted or whole. If time is precious, can the prunes whole by washing, pricking with a fork, and packing into a jar.

Cover with hot syrup using 1 cup of sugar to 2 cups of water. Fill to within one-half inch of the jar top. Insert a silver knife in several places to release air bubbles. Wipe rims of jars and se-

cure lids according to manufacturer's instructions. Process in boiling water bath for 20 minutes after the water has returned to a boil. It requires about 2 to 2 and a half pounds of fruit for each quart.

**HOW TO FREEZE PRUNES**  
Wash, halve and pit Idaho Italian prunes. Pack into moisture-vapor proof packages. Cover with a chilled 40 per cent syrup made by using the proportion of 2 cups of sugar to 3 cups of water. Seal and freeze immediately.

**IDAHO PRUNE JAM**  
4 cups Idaho Italian Prunes  
3 cups sugar  
2 tablespoons lemon juice  
One-fourth cup very thinly sliced lemon  
Wash Idaho Prunes, pit and cut into quarters. Mix with sugar, lemon juice, and sliced lemon. Bring to a boil and simmer until thick. Pour into hot sterilized jars. Makes about 4 half pint jars.

**IDAHO PRUNE CHUTNEY**  
6 cups Idaho Italian Prunes  
4 tart green apples  
1 clove garlic  
1 large onion  
2 cups brown sugar  
2 cups vinegar  
1 tablespoon ground ginger  
2 teaspoons ground cloves  
One-fourth teaspoon cayenne  
2 teaspoons salt  
Wash, pit, and quarter Idaho Prunes. Peel and chop apple. Mince garlic and onion. Combine all ingredients and mix. Simmer slowly until thick, about two hours, stir occasionally. Pour into hot sterilized jars and seal at once. Makes about 5 pints.

The Sky Wheels, sensational new double ferris wheel, will be the Mid-Century Midway feature of the 1950 State Fair of Texas, Oct. 7-22.

## New Field Representative Named For State Youth Development Council

A former Harris county (Houston) probation officer, experienced in many years of social, welfare, and probation work, is the new field representative for the State Youth Development Council in the Panhandle and South Plains area, which includes Lamb county.

He is William MacKay, who will conduct Youth Council activities in the district enclosed by Amarillo, Borger, Wichita Falls, Abilene, Sweetwater, Big Spring, and Lubbock. He opened his headquarters in Lubbock Sept. 1.

MacKay's duties will include furnishing consultant services to communities and agencies on child delinquency problems and their handling; advising juvenile

courts as well as probation and law-enforcement officers, on their request, on the proper commitment of delinquent children and other procedural practices; and giving probation services to juvenile courts in counties which have no probation officers, upon request of the judges of such courts.

He will also give placement services in certain special cases in which children are being returned to the communities to help the communities to organize programs and activities to meet those needs.

MacKay spent three years on the Harris County Welfare Board and a year in the probation de-

partment prior to the time he was a probation officer in September, 1946, until his Youth Council month.

# Just sharpen your pencil—and there you are!

ACROSS this broad land there are thousands of people who have been doing themselves a disfavor.

Seems they "just naturally assume" a Buick is beyond their reach—and so pass up the car they're really itching to own.

Now why "assume" anything as important to your happiness as a new car?

Why not see for yourself how delivered prices run—how close Buick matches your own budget—how frequently it is priced under some cars you may be considering?

Then—if there is a particular car in mind—sharpen up your pencil a little.

Is it a six—or an eight, like Buick? If an eight, is it a valve-in-head eight? That adds a plus in efficiency, you know, even without the extra edge of Buick's Fireball power.

Will you ride on four soft coil springs, as in Buick—or on only two? Will the drive be through a sealed torque-tube that keeps the rear wheel assembly firmly aligned? It is in a Buick.

Do you get soft, low-pressure tires as part of the price—or as extras? Will you have bumper guards built as part of the bumper, or a one-piece cast-metal grille that can be costly to repair or replace?

Does the price include air cleaner; oil filter; dual horns, windshield wipers and sun visors; an automatic dome light; self-locking luggage lid; a single key for all locks?

And is there an automatic drive\*, or one in which gears still shift in normal driving?

\*Dynaflow Drive is standard on ROADMASTER, optional at extra cost on SPECIAL and SPECIAL models.

Yes, sharpen your pencil—and there you will be, in a Buick.

Whether it's a SPECIAL, a SUPER or a hardy ROADMASTER, you'll be driving the big buy of its price class, and getting a rich bonus of driving comfort, driving thrill and 'fashion-first' styling.

But you have to make the first move. You are the one who has to find out. How about starting now—with a call on your Buick dealer?

ONLY BUICK HAS Dynaflow—AND WITH IT GOES!

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-23 engine in SUPER models.)

NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders, "double bubble" taillights.

WIDE-ANGLE VISIBILITY, close-up road view both forward and backward, short turning radius.

TRAFFIC-HANDY SIZE, less over-all length for easier parking and

EXTRA-WIDE SEATS cradled between the axles.

SOFT BUICK RIDE, from all-coil springing, Safety-Ride rim, low-pressure tires, ride-steadying torque-tube.

WIDE ARRAY OF MODELS with Body by Fisher.

WHATEVER YOUR PRICE RANGE

# Durham Harvests County's 1st Bale Of Cotton September 15

## Health Talks By State Medical Assn.

A physical examination actually begins the minute you walk into your doctor's office. When he first looks at you, he starts piecing together bits of information which fit together into the jigsaw puzzle that makes up the picture of health.

The color and texture of your skin may be important signals to his practiced eye. A tanned, ruddy complexion, a weather-beaten skin associated with outdoor life would be out-of-place in an office worker who seldom ventured into the elements, just as a pale skin wouldn't fit into the picture of a farmer, laborer, or athlete. Such misplaced coloring might be indicative to your doctor of illness, with pallor, or paleness of the skin, due to anemia, fright, faintness or nausea, while a reddish skin may be the result of an excess of red blood cells or alcoholism among other things.

Other colors of the skin are sometimes a sign of one specific disease or physical upset. A definite yellow tinge is associated with jaundice; a deep bronzing of the skin is characteristic of Addison's disease; a silvery or bluish gray coloring may arise from drug poisoning.

Changes in the color of the skin are always important, whether it be spread over the whole body or in spots. Liver spots, moles and scars that undergo a change in color should always be checked to be safe. Other spots, those that come and go like acne, hives, or any fleeting rash or eruption will also be checked by your doctor. Sometimes the cause of such eruptions is quite clear to him by the distribution, size and contents of the "sores," and at other times the cause may defy detection.

Swelling or puffiness of the skin, whether in just one or two spots or over the whole body, may be one of the more significant hints your doctor picks up during a physical examination. Sometimes swelling is caused by fluid, sometimes by air and sometimes by gas. The texture of the skin over the puff is usually indicative of how long the swelling has been present with a new spot covered by smooth and shiny skin and an edema of long standing covered with fleshy, hardened skin. Wrinkles develop when the fluid starts disappearing and the skin, which has been stretched, becomes slack.

One of the most common "skin tests" for health signs is the touch of the hand on the forehead to see if you have fever. Not entirely reliable, this traditional maternal gesture seldom comes alone. Mama will usually resort to this test for fever only after an unexplained outburst of temper or a complaint of a tummy ache or maybe just a "different" look in the eyes.

To your doctor a number of less obvious signs may be a hint that the body temperature is higher than normal, a signal that all is not well with you. He may not always take your temperature during an examination but if he gets an idea, a hint, that your temperature has a bearing on your general physical condition, the thermometer is popped into your mouth.

Atom spy suspect... Expression of confusion is etched on face of Morton Sobell, 33, radar expert and eighth American arrested in Klaus Fuchs atom-spy ring, as he was arraigned and held on \$100,000 bail.

Atom spy suspect... Expression of confusion is etched on face of Morton Sobell, 33, radar expert and eighth American arrested in Klaus Fuchs atom-spy ring, as he was arraigned and held on \$100,000 bail.

Photo By Taylor's Studio  
The Bainer Gin ginned and tied the bale free, and paid Mr. Durham \$80.00 for his seed.

J. V. Eagan is manager of the Bainer Gin and Hair & Son are owners.

**GINNED, TIED FREE**  
The Bainer Gin ginned and tied the bale free, and paid Mr. Durham \$80.00 for his seed.

**\$150.00 PREMIUM**  
The Littlefield Chamber of Commerce presented Mr. Durham with a check for \$150.00 as a premium on the bale.

The bale was ginned Thursday last and brought to Littlefield Friday morning.

According to Bob Crowell, manager of the Littlefield Chamber of Commerce, there were good spirited bidding on the bale, and a number bid, including the Jaycees.

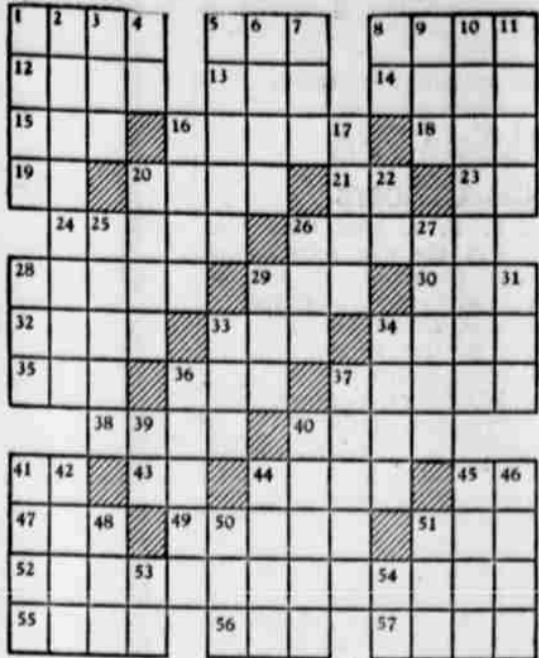

It is expected to start next week or ten days. Easy-going and wearing seemed very pleased on the first farmer in to bring in a bale and Cotton Derby. He was prize of \$150 in cash, for by the agriculture of the Chamber of Commerce said he was very in the Cotton Derby of any.

Findley is chairman of the committee, and members include Irvin Vizzo Peterson, Clint W. H. Cunningham. Only 14 percent had been done on the cotton Durham farm during the term. Durham reports damage by bollworms, at such a great extent formerly appeared.

Its first bale of cotton, J. E. Durham, and ginned the Bainer Gin Company, used off in front of the local Bank Saturday afternoon, and brought per pound, or a total of \$100,000.

Normal temperatures may vary from 96.6 to 99.5 degrees with variations of a degree and a half during the day, usually higher in the evening than in the morning. After an extended illness the temperature may be subnormal and after very strenuous exercise it may go up as much as three degrees.

You run different kinds of fever with different diseases; sometimes the fever goes up and stays up during the illness until it suddenly breaks and returns to normal. That break in the fever is known as the crisis. Some illnesses

are marked by fevers that go up and down during the day and this type, called intermittent fever, frequently is marked by chills when the fever starts up and heavy sweats as it breaks and starts down to normal.

A less common type of fever is one that stays up for a certain period of days, then drops to normal for a period, only to return to a higher mark again and so forth; this is remittent fever such as is common in the disease called relapsing fever.

Fever is a very definite signal, sort of a stop light that warns you to take stock of your health. And

## Community Chest Is Organized

At a meeting of the directors of the various civic clubs of the city Monday night at the court house, the Community Chest officers for the ensuing year were elected as follows:

A. Hodges, President; Clarence Lewis, Secretary, and U. D. Walker, Vice-President.

The executive committee named are: Mrs. J. H. Lee and Dan Berg. Directors recently elected and the club they represent are:

For the Jaycees, Elmo Jones and Bill Street.

Jayettes, Mrs. Jarold Jones and Mrs. Clarence Davis.

Lions, Bacon Jones and Clarence Lewis.

Rotary Club, A. Hodges and Pryor Hammons.

Chamber of Commerce, Dan Berg and Norman Renfro.

V. F. W., Ewing Thaxton and O. K. Yantis, Jr.

American Legion, Van Clark and U. D. Walker.

Forum, Mrs. Ruthie Stokes and

Mrs. Pat Drerup; and Study Club, Mrs. J. H. Lee and Mrs. Clint Griffin.

A meeting of the executive committee will be held at the Littlefield National Farm office at 8 o'clock tonight (Thursday).

## Littlefield FFA Elects Officers

The F. F. A. held their first meeting of the new school year, Thursday, September 14, and the following officers were elected:

President, Eldon Gohlke  
Secretary, Don Lynskey  
Treasurer, Jimmy Bitner  
Sentinal, Robert Lunsford  
Vice President, Burley Faver  
Second Vice President, Melvin Mears  
Third Vice President, Donny Rogers

Reporter, Emil Macha  
Parliamentarian, Roger Sell  
Historian, Clinton Byers

The F. F. A. also elected a Sweetheart and a Plowgirl. The Sweetheart is Miss Sue Carol Henry, daughter of Horace Henry, a cotton buyer, of Littlefield. Sue Carol is a Sophomore at the Littlefield High School.

The Plowgirl is Miss Barbara Ferguson, daughter of H. R. Ferguson, of Littlefield. Mr. Ferguson is the owner of the Ferguson Implement Co. Barbara is a senior.

A committee was also appointed to take care of the concession stands at the football games. The committee consists of: Jimmy Bitner, Don Lynskey, Burley Faver, Robert Lunsford, and Melvin Mears.

The chapter agreed to have their regular meeting on every second Tuesday night at 8 o'clock.

The chapter also agreed to buy a battery for a radio which the Ag teacher, Mr. W. W. Hall, gave to the chapter. A committee was also appointed to buy the battery. The committee consists of Clinton Byers and Jimmy Bitner.

## DAUGHTER BORN TO MR. AND MRS. T. G. SHAW SUNDAY

Mr. and Mrs. T. G. Shaw are the proud parents of a daughter born Sunday afternoon at the Littlefield Hospital.

The infant weighed 6 and one-half pounds, and has been named Brenda Sue.

Mrs. Shaw and daughter are doing fine and were released from the hospital Wednesday.

Mr. and Mrs. Shaw have two sons and the new daughter.

### School Lunch Room Serves 650 Daily

Again, according to Supt. Joe Hutchinson, the Littlefield school lunchroom this year is being directed by Mrs. Annie Lee Kniffen, who is assisted by Mesdames A. L. Masey, Lucy Barnett, Truman Cotton, Irene Kyser, Lilly McAllister, Bernice Reeves, T. J. Crisp and W. W. Jones.

The lunchroom is feeding an average number of 650 daily. The children are served a hot meal which every child should have, and is worth more than the cost to the child. The price of the meals are 25 cents for children in grades 1 through 4, and 30 cents for children in grades 5 through 12.

Eating periods are staggered, so that all children will have a chance to eat a hot lunch. Tickets should be purchased weekly from Mrs. Kniffen, but if they are not, they may be bought at the door at the time the child eats.

The menu for the coming week is:  
Monday, Sept. 25—Meat balls and spaghetti, creamed corn, green beans and sliced tomatoes, hot rolls, margarine, honey, half pint milk, chocolate milk.

Tuesday—Chicken fried steak, gravy, creamed potatoes, English peas, lettuce and tomato salad, bread, jello, milk.

Wednesday—Dried beans with salt pork, candied sweet potatoes, lettuce and onionsalad, sliced tomatoes, cornbread, margarine, chocolate cake, milk, chocolate

### Lamb County Bus Inspection to Be Held in Littlefield October 7

According to Supt. Joe Hutchinson, there will be a bus inspection of all school buses of Lamb county at Littlefield Saturday, October 7, beginning at 10 a. m. Bus foremen are requested to have bus contracts and bonds.

Tom Vorheis is bus foreman for the Littlefield schools. If any of the patrons of the local school have a transportation problem, Mr. Vorheis will be glad to try to help work it out.

The 1950 State Fair of Texas will play host to more than 2000 newspaper and radio men on Press and Radio Day, Oct. 7, opening day of the nation's largest and most spectacular exposition.

## CHIROPRACTIC

**DEFINITION: Chiropractic is a Philosophy, Science and Art of Things Natural; a System of Adjusting the Segments of the Spinal Column by Hand Only to Correct the Cause of Dis-ease.**

B. J. PALMER, D. C. Phc.  
Developer of Chiropractic

"WHY TREAT FOR KIDNEY TROUBLE"

### REMOVE THE CAUSE

("Case History Taken from TCS Files")

#### KIDNEY TROUBLE

Case No. 1269

A man, age 32, had been getting treatments for kidney trouble for some time but noticed he was getting no better and nervousness was increasing; was constipated; caught colds easily and just felt low generally when he came to the Chiropractic Clinic for examination and spinal analysis. The cause was found to be nerve interference causing defective energization of kidneys and digestive tract. Corrective adjustments restored alignment of subluxated spinal bones which removed nerve interference and permitted normal energization. Patient discharged, feeling full of pep and without complaints, in a few months.

## Easy Way To Start Beef Herd---

The cow-and-calf plan, or production of milk-fat calves, is a practical, simple way for many Cotton Belt farmers to grow into the business of producing beef.

Livestock authorities point out that it efficiently uses available feeds, produces a type of beef in demand at local markets in the South and Southwest, and requires a minimum of capital.

You can start this program with native cows, a good beef bull, good pastures and a reserve of roughage. Feed cows plenty of protein for good milk flow and creep-feed calves for extra weight, bloom and finish at weaning. The calves are usually sold as milk-fat slaughter beef at weaning time; however, calves of good beef quality may be given additional fattening in the dry lot if market and feed conditions justify.

Select cows for health, uniformity and ability to produce enough milk to raise a milk-fat calf. They may be beef cows or native cows with some dairy breeding. A well-bred beef bull will get calves which have desirable beef characteristics at weaning time even though the mother cows may have some dairy breeding. Breeding to calve in the fall or winter usually makes best use of good pastures at the time calves need the most milk.

Cows obtain most of their feed from good pastures and stalk fields. Additional roughage such as hay, silage or cottonseed hulls should be fed when pastures do not supply a good fill. Also, some dry roughage, such as cottonseed hulls, should be fed when pastures are young and "washy" to provide needed dry matter and prevent bloat and scours. Minerals should always be available to cows and calves.

Because good milk production for the calves is necessary to pro-

duce milk-fat at weaning time, the cows must have sufficient protein. Excellent green pastures provide plenty of protein but 1 to 3 pounds of cottonseed meal, cake, pellets or cubes should be fed when pastures begin to mature and become dry.

Creep-feeding calves supplements milk in producing bloom and finish with a small amount of grain. Locate creep-feeders conveniently so calves will have an opportunity to eat as often as they desire. A good mixture for creep-feeding until calves are four months old is: 200 pounds of cracked corn or sorghum grain chops; 100 pounds of oats, coarsely ground barley or wheat; and 50 pounds of cottonseed meal. After calves are four months old, change the mixture to 500 to 600 pounds of coarsely-ground farm grains and 100 pounds of cottonseed meal.

Good quality calves kept for additional feeding in the drylot after weaning should be started on feed carefully. During the first part of the feeding period, provide plenty of roughage and the same concentrate mixture they received in the calf creep. After the calves are well-settled in the feedlot, gradually change the mixture to: 1,000 pounds of coarsely ground farm grains, 325 pounds of cottonseed meal, 13 pounds of calcium supplement and 13 pounds of salt. Since the calves are already accustomed to self-feeding, they may be self-fed the concentrate mixture or it may be hand-fed in amounts which they will clean up in 30 to 45 minutes. After calves have been in the fattening lot for several weeks the roughage ration should be gradually reduced to encourage consumption of fattening grains. If calves remain in the dry lot longer than 60 days, feed 2 pounds of bright-green legume hay, daily, to provide vitamin A.

## Radioactive Detection Equipment Now Available

At least four different types of radioactive detection instruments and computers are available for measuring radiation particles if and when an atomic bomb is ever exploded over a Texas community.

This encouraging bit of information was revealed by the state's chief health official, Dr. Geo. W. Cox. He's state director of health and emergency medical services, part of the Texas civil defense setup.

Radiation is one of three principal harmful effects of atomic explosions. Others are blast damage and burns. Using RADIAC instruments, it is possible to know what areas are safe from the tasteless, odorless, colorless radioactive particles.

All RADIAC instruments are designed for use by radiation monitoring squads. Squad members might be soldiers, or they could be civilians trained by the State Health Department's radiological division. In either case they would be trained for immediate action in atomic disasters.

"Planning emergency medical and health services in an atomic disaster has been one big mess of confusion," Dr. Cox admitted. "But we're beginning to see light now. Our radiology division is going to go right to work, now that we have it set up."

Radiac instruments got this official explanation:

Film badges can be pinned onto the lapel, strapped onto the wrist, worn in a ring, etc. They consist of piece of photographic film, and are used to show the amount of

radiation to which the monitor has been exposed. Radiation particles affect the film like light. Dozens of "tracks" are visible when the film comes in contact with heavy concentrations of radiation.

Film badges are a permanent record of the exposure to which the monitors have been subjected. Dr. Cox says they show whether or not the wearer has received the "maximum allowable lifetime dosage."

Pocket dosimeters, like the film badges are for the protection of the monitors. They look like fountain pens, and gauge on-the-spot amounts of radiation.

Geiger counters and ionization chambers actually count the number of radiation particles—gamma rays, and alpha and beta particles present in an area. So sensitive is the Geiger counter that if it could be wired to a fly his footsteps could be heard distinctly.

HIS MEN MURDERED . . . Lt. Stephen Gubenia, New York City, was commander of a mortar company in Korea, 32 of whom were murdered by Communist troops after capture. They were mowed down with Russian-made burp guns. Gubenia escaped.

### QUESTION AND ANSWER

**"WHY AM I FIGHTING IN THIS HELL HOLE OF KOREA?"**

**BECAUSE: YOU ARE FIGHTING FOR SURVIVAL!**  
**BECAUSE: YOU ARE FIGHTING TO SAVE YOUR LIBERTY AND YOUR WHOLE WAY OF LIFE!**  
**BECAUSE: YOU ARE FIGHTING AGAINST BEING EN-SLAVED BY SOVIET COMMUNISM AND THE POLICE STATE!**  
**AND ALL THE REST OF US WHO BELIEVE IN FREEDOM ARE, EACH IN HIS SMALL WAY, ALSO FIGHTING WITH YOU!!!!**

**Carolyn Fields Honored on Birthday**  
Carolyn Fields was honored with her third birthday party Saturday afternoon.

A number of little children were present. They played several games. Among those present were: Judy Stevens, Larry Richard Ray,

Brenda Williams, Vivian Linda Kirby, Paula Joplin. Several made and ice cream were for refreshments.

## CROAKER THE STRANGE FROG

By FAITH HELEN FAUST

Croaker was enjoying himself in a small puddle. Croaker always played in the puddles after the rain. He didn't like getting out in the rain.

In the meadow where Croaker lived was a big pond. A lot of frogs lived by the pond. But the pond

was too deep to suit Croaker. All he liked was puddles.

Croaker went out in the rain once more but he still didn't like it. All the frogs started calling him "sisay."

Two weeks later it rained again. Croaker was determined not to be called "sisay" anymore. He went out and found his frog friends. They played all the games you could think of and had a wonderful time.

When Croaker got home he realized that he hadn't known it was raining at all.

"Why, I really do like rain!" Croaker exclaimed.

And he wasn't called a sisay again.

## Bula to Play Lazbuddie September 29; First Tilt Under Lights at Bula Field

Playing Lazbuddie, the Bula Bulldogs will open their new playing field Friday night, September 29. This will be a big occasion with the Bula school and Bula school district, and faculty, students, and parents are all participating in the making of the occasion one that will reflect immensely to the credit of the school and section. The lights have been installed, the field has been sodded, and other improvements made.

The game to be played September 29 will be the second conference game of the season for the Bula team and will be the first conference game this year on the home field. The game in which Bula beat Pettit, and the first conference game, was played at Pettit.

Bula is playing 3B ball, and the coaches are C. W. Dukes and Jim Green.

This is the fourth year of football for the Bula school.

## Boys Ranch Eleven To Play Amherst

The Rough Riders of the famous Boys' Ranch near Amarillo are scheduled to meet the Amherst eleven in a night game at Amherst on Friday, September 22nd. It will be the third game of

a tough series for the Ranchers and they are set to offer some mighty stiff competition. The game will start at 8 p. m.

For the first time, the team will be playing a schedule against full-fledged high school teams. In the past, they played a hit-and-miss schedule and there weren't enough of the older boys to make a solid team. But this year the boys have a squad that is tough and fast.

Bill Baker of Kansas City and Eddie Baker of Post, Texas are the backfield mainstays and Ernest Sleeth of Shattuck, Oklahoma calls the plays and does a fancy job of passing. What the boys lack in experience is more than made up in enthusiasm and drive.

The list of games includes top-notch teams and the boys aren't expecting any miracles. They don't expect to win all their games but they do expect to offer a lot of tough competition. It's a sure bet that fans will see a real football game when the Rough Riders of Boys Ranch meet the Amherst team at Amherst on Friday, September 22.

Feature attraction of the 1950 State Fair of Texas livestock show will be the All-American Jersey Show and Junior Jersey Exposition, world's largest cattle breed show.

## Mr. and Mrs. Payne Observe Golden Wedding Anniversary

—Photo By Nell's Studio

### MR. AND MRS. E. P. PAYNE

Mr. and Mrs. E. P. Payne observed their fiftieth wedding anniversary Sunday with open house at their residence, 461 E. 13th St., from 3 to 5 p. m.

Mr. and Mrs. Payne are the parents of Dr. C. E. Payne and Moreland Payne of this city. Baskets of yellow chrysanthemums, rosebuds and gladioli made more attractive the spacious Payne home for the occasion.

For the occasion Mrs. Payne wore a black dress and a corsage of two yellow orchids. Mr. Payne wore a dark navy suit and a yellow rosebud boutonniere.

The dining table was centered with a gold colored bowl of yellow chrysanthemums. Gold tapers in gold holders and a ring shaped white wedding cake, decorated with gold flowers and leaves completed the table appointments.

Mrs. Garrett serves Mrs. Ross Garrett, daughter of Mr. and Mrs. Payne of Lubbock, cut and served the cake, while Mrs. Thelma Perry, another daughter of Littlefield, poured the punch.

Mrs. Berry at Register Mrs. Marvin Payne Berry of Stamford, granddaughter of Mr. and Mrs. Payne, presided at the

Toni Twin  
Kathlene Crescente, says:

**IT'S THE MOST NATURAL LOOKING WAVE I'VE EVER HAD**

## Miss Barbara Tracey And Rex Griffiths Married Recently

Miss Barbara Tracey became the bride of Rex Griffiths Friday night in a double ring ceremony performed at the home of her parents, Mr. and Mrs. Jay W. Tracey at La Junta, Colo. The ceremony was performed by the Rev. Stanley P. Scott of the First Presbyterian church in the presence of the immediate families of the couple.

Mrs. Charles Straw, Jr., was her sister's matron of honor, and a brother of the bridegroom, Marvin Griffiths, was the best man. Miss Tracey was given in marriage by her father.

The bride wore a wine-colored velvet afternoon dress and a tiny, white velvet cap. White gardenias and stephanotis formed the hand corsage bouquet which she carried and it was tied with white velvet ribbon tipped with red asters.

Mrs. Straw wore a light weight wool dress of gold, and had a wreath of gold-colored chrysanthemums in her hair. She carried a hand corsage of red gladioli tied with gold ribbon.

The colors chosen by the bride were repeated in the flowers for the wedding. Low arrangements of asters in shades of red and sea-purple shading from magenta to purple decorated the house. The couple exchanged their vows before an altar of white gladioli and ferns.

White asters and gladioli in low silver bowls decorated the reception table which was lighted by white tapers in silver candlesticks. A three-tiered wedding cake was used as the centerpiece on the table.

Preceding the ceremony the bride's brother, Jay Tracey, Jr., sang "All For You" and "Through the Years," his accompanist was Mrs. Roy McKittrick, who also played the wedding march as the bridal party entered.

A reception for the wedding guests was held following the ceremony. Mrs. Frank Holler served the wedding cake. Mrs. Mildred Ryan served the punch and they were assisted by Donna Nell Jackson and Lois Whitaker, close friends of the bride.

The officers for the wedding were Bill East of La Junta and Charles Straw, Jr., of Rocky Ford, Colo.

The couple left following the reception for a short wedding trip to Colorado Springs and they will be at home in the Beman Apartments at La Junta, Colo.

The bride was graduated with the first school class of '48 and has been prominent in music and Rainbow Girl activities. Griffiths is the son of Mr. and Mrs. O. B. Griffiths and is employed by an alfalfa milling company.

Mr. and Mrs. Payne have been residents of this area since 1920, and have lived in Littlefield since 1944.

## Alice M. Hollum and Alvin Mills to Wed Sunday Here

Mr. and Mrs. G. H. Hollum of Idabel, Okla., are announcing the engagement and approaching marriage of their daughter, Alice Milled, of Lubbock, and Alvin Mills, son of Mrs. E. A. Mills of five miles east of Littlefield.

The ceremony is scheduled to take place at the Littlefield-Drive Church of Christ Sunday afternoon at 2:30 with Bro. Harrell Colford, minister of the church, officiating.

Miss Jo Ann Hall of Lubbock will serve as maid of honor, and Ernest Mills, brother of the groom, will be best man.

Following the ceremony a reception will be held at the Hays

Coffee Shop banquet room. Following a honeymoon trip to Ruidosa, N. M., the couple will live five miles east of Littlefield, where the groom is engaged in farming.

The bride-elect is a graduate of Idabel, Okla., High school, and has recently been employed at Kress Store, Lubbock.

The groom was graduated from Littlefield High School with the class of 1943. He spent 23 months in the U. S. Army, twenty months of which were spent overseas in the Hawaiian Islands and Okinawa. He was released in 1946. He is now carrying on farming operations five miles east of Littlefield.

## Engagement Announced

Mr. and Mrs. Daniel Bryan, 1017 Eighteenth, Lubbock, announce the engagement and approaching marriage of their daughter, Miss Lorraine Bryan to August Calvin Forrester, son of Mr. and Mrs. Farris J. Forrester of Albuquerque, N. M. The Bryan family are formerly of Littlefield.

The wedding will be solemnized Tuesday, Sept. 26, at 7 p. m. at Calvary Baptist church.

The bride-elect received her BA degree in English at West Texas State college and has done graduate work at Southwestern Baptist Theological seminary. She is a member of Alpha Psi Omega society. Miss Bryan is now employed as youth director at the First Baptist church in Corpus Christi.

The bridegroom-to-be is a graduate of Howard college, Birmingham, Ala. He is employed as Boys' Week secretary, YMCA in Corpus Christi.

## SON BORN TO MR. AND MRS. HOWARD REECE MONDAY

A son was born to Mr. and Mrs. Howard Reece about 11 a. m. Monday at the Littlefield Hospital.

The infant weighed 7 lbs., 3 oz., and has been named Johnny Lee.

Mrs. Reece and son are getting along fine.

Mr. and Mrs. Reece now have three sons.

Mr. Reece is a partner with Mr. Fertout in the Reece Drug Store.

## Brown-Blankenship Service Read At Brownfield Sunday

Miss Lon June Foster Brown, daughter of Mrs. Paul Willford of Brownfield, became the bride of Billy Clinton Blankenship, son of Brownfield and the son of Mrs. Edna Bailey of Littlefield, in a double ring ceremony at the First Presbyterian Church, Brownfield, Sunday afternoon at 2 o'clock.

Rev. Wm. Spreen, pastor of the First Christian Church of Brownfield, officiated at either side of the altar were tall baskets of mums, and the church altar was lined with candles.

The bride is the grand-daughter of Mr. and Mrs. W. E. Brown of Brownfield, with whom she made her home.

WEARS WHITE SATIN The bride wore a white satin formal, with fitted bodice with charming lace yoke and sleeves, closed at the back with self covered buttons, and with full skirt falling in a train. From her pulled cap of lace, fell her finger length illusion veil.

She carried a white blue showered with white rose buds and white satin ribbon.

Miss Betty Ferguson served as maid of honor. She wore a dress of brown taffeta with off the shoulder neckline and full skirt. She carried a nosegay of pink carnations, and bridesmaids were also fashioned of pink carnations.

The four other attendants of the bride were: Misses Wilma Jean Rhoads and Von Forber, Mrs. Jack Tankersley and Mrs. Wanda Ross.

They all wore identically fashioned dresses and bridesmaids as the maid of honor, excepting that the dresses were of dusty rose taffeta. They all carried nosegays of pink carnations.

Little Tommy Sue Andrews was flower girl. She wore a formal of white satin and carried a basket of rose petals.

Joe Bob Lee, cousin of the groom, was ring bearer. Billy Joe Lewis of Brownfield served as best man.

RECEPTION HELD Following the ceremony a reception was held at the Selma Jane Club House at Brownfield. Mrs. John B. King registered the guests.

The bride's table was laid with lace cloth and centered with a three tiered wedding cake the third tier forming a heart, and

decorated with pink and white rose buds.

Mrs. Jessie Randal presided at the crystal punch bowl, while Mrs. Bud Brown, assisted by the bridesmaids, cut and served the cake.

The bride is a graduate of Brownfield high school, and has been employed as bookkeeper at Latham Dry Goods, Brownfield.

WITH GULF WHOLESALE The groom is also a graduate of Brownfield high school, and is employed by the Gulf Wholesale at that city.

The happy couple left immediately following the service on a short honeymoon. On their return they will be at home at Brownfield.

## Mrs. Catherine Rumbach Hostess At Dinner Sunday

As a courtesy to Mrs. E. L. Drake, of Springdale, who is very ill and a patient at the Payne-Rhoads Hospital, and to the number of our own relatives here Sunday evening Mrs. Drake and Mr. Drake, Mrs. Catherine Rumbach served dinner Sunday at her apartment in the Rumbach Hotel for the group.

Present to enjoy the delicious dinner were: Mr. E. L. Drake, Mrs. E. O. Barbee, and Mrs. Della Drake, both sisters of Mrs. Drake, of Springdale, Texas; Mr. and Mrs. J. M. Drake, of Mangum, Okla., brother and sister-in-law of Mr. Drake; Gerald Drake and Bill Tom Drake, both nephews, of Pharr, Texas; Mrs. Ted Frensd, a niece, of Groen, Texas; Lin Nelson, Guthrie, Okla., a brother of Mrs. Drake; and Mrs. Beanie Drake, daughter-in-law of Mr. and Mrs. Drake.

This courtesy was appreciated more than words can tell of the Drake family.

# Food To Sponsor Free Cooking School Monday Through Friday Next

Food Store will sponsor cooking school Monday through Friday next week at the Littlefield, with theater, Littlefield, with from 1:30 to 3:30 p. m. in the school will be in charge. Mrs. Sue Day, nationally known home economist, will be daily prizes, which will be three bags of groceries, a gift valued at \$10.00, at the closing of the school. Point range, through the gift of W-W Electric, will be given.

She has lectured in cooking in all sections of the county. She has been a frequent guest star in radio. She is president of the Home Economics in Business, New American Home Economics Association, Phi Beta Kappa, Kappa Kappa. She has a degree from Colby college. She has a degree in institutional management from Simmons college.

She conducted a radio program, Magic Kitchen of the year, was lecturer for the Homecraft shop, Boston, and head of the Economics department service director for three years.

She has served as instructor of Cross food and nutrition, canteen certificate Beverly and as an instructor in the Massachusetts Extension service.

She will give a friend-ship manufacturers' recipes in small manner each day.

with incidents from the family kitchen and market news to emphasize one-dish meals. She will also discuss menu patterns of penny-wise dishes, and fun, not fuss, in food with eye appeal.

## Annual Rally of Lutheran Women's Missionary League

Women from every corner of the Panhandle will gather at Plainview's 903 Oakland Street Lutheran Church next Thursday, September 28, for the annual rally of the Lutheran Women's Missionary League. Beginning time is 9:30 a. m. The theme of the day will be "Evangelism through the Printed Word." Guiding the discussion and presenting most of the material will be the Rev. Mr. William Hillmer of St. Louis. Pastor Hillmer is one of the executive secretaries of the Home Mission office of the Lutheran Church, Missouri Synod.

Emmanuel Lutheran is also a part of the Lutheran Women's Missionary League, an organization well described by its name. A number of Littlefield members plan to attend. The local L. W. M. L. is under the supervision of its elected president, Mrs. Gene Bartley.

This meeting was originally planned for a week later. September 28 was finally chosen as the day since Pastor Hillmer, the main speaker, could be present only on that day.

## Dr. H. C. Lewis Opens Offices In Hall Building

DR. H. C. LEWIS

Dr. H. C. Lewis has recently opened his offices for the practice of Chiropractic in the Hall Building, and is offering a complete spirograph and spinal analysis in connection with his treatments.

Dr. Lewis has installed the latest equipment, and in his spacious offices to the rear of the Hall Building, states he is prepared to offer his patients prompt attention.

Bands, floats and colorful special features will make up the spectacular Parade of the Decades, presented nightly during the 1950 State Fair of Texas Mid-Century Exposition, Oct. 7-22.

HOW TO STOP WORRYING AND START LIVING

### How Mother Nature Heals

PLACE up in Vermont called Journey's End, where I got just about made over. Mrs. Herbert W. Warden, of Vermont, told me of a man who was sent there in Canada. His name was Toby Carl.

Carl was a British officer in the service during the war. He had never been sick before, and when he arrived at Journey's End after five years of service, he was nervous, jittery, virtually beside himself.

He had had harrowing experiences for him to shake off the memories of them. The ship which furnished supplies for his expedition; they had expected the same ship to be plying the waters around Norway months on end, their food supply was the men lost weight, became irritable, and fearful. And all this had told on Officer Toby Carl.

When he was asked what he would like to do, "By George," he replied, "I'd like to go out and plant trees."

There they are, hundreds and hundreds of acres of trees and woods; go help yourself," he was told, everyone happy to find something that would interest him.

He dug up trees from one place and planted them in another after day, he kept at it. And day after day he improved mentally.

When he was left alone to do it his own way. Perhaps the trees should have been spaced differently, set here and there, but Toby Carl placed them where he wanted them that was in solid rows where you will see them today to Rutland and visit Journey's End.

Warden has told us this story as a reminder to anyone who may be nervous, overwrought, for it is such a case of what Mother Nature will do for you if you give her a chance.

Officer Toby Carl, after a year he went away, back to his regular duty, usually made over because he found something to do with nature.
