

# LITTLEFIELD SCHOOLS SCHEDULED TO OPEN MONDAY, SEPT. 2 FOR FALL TERM

## Littlefield 'Wildcats' Football Schedule Announced

### Will Play Dimmitt Here in First Game of Season

#### Coach Fikes To Return Here August 20 to Get Locals in Condition.

The football season will soon be here. Coach J. S. Fikes will return to Littlefield August 20, and prepare to get the Wildcats into condition to play their first game of the season with Dimmitt here Friday, September 13.

The entire fall schedule has been outlined as follows:

September 13—Dimmitt, here.  
 September 21—Open.  
 September 27—Morton, at Morton.  
 October 4—Olton, here.  
 October 11—Lovington (N.M.) here.  
 October 18—Muleshoe, here.  
 October 25—Spring Lake, here.  
 November 1—Abernathy, at Abernathy.  
 November 8—Open.  
 November 15—Levelland, at Levelland.  
 November 22—Tahoka, here.  
 November 29—Sudan, here.

## A. and M. College Announces New Faculty Additions

COLLEGE STATION, Aug. 7.—Two branches of the school of engineering at Texas A. & M. College this week announced new faculty members in anticipation of heavy enrollment in September.

The management engineering department, a relatively new but fast-growing branch, has added two associate professors in Walter Tergeron and Jack P. CoVan. Tergeron, recently separated from naval ordnance, holds degrees from New York University, while CoVan attended Ohio State and the University of Illinois, taking his M.S. in mechanical engineering from the latter school in 1942.

Associate Professor R. L. Whiting will take up duties in the petroleum engineering department September 1. He has held a similar post at the University of Missouri the past school year, and before that was an instructor at the University of Texas, where he took his M.S. in petroleum engineering in 1942.

### REVIVAL TO START

Announcement has been made that a series of revival meetings are to begin at the Fieldton Baptist Church on August 15, and will continue through August 25. The meetings are to be conducted by Rev. Pat Jordan, evangelist, assisted by the pastor, Rev. C. E. Wainwright.

The public is cordially invited to attend these services.

## Operates Plane; Awaits 16th Birthday and Pilot's License

Dickie Standifer became air-minded at the age of 5, and now, at the age of 15 years with many flying hours to his credit, is anxiously awaiting his 16th birthday, to make application for his pilot's license.

Dickie is the son of Mr. and Mrs. years of age, and since that time has been operator of Standifer's Grocery and Market.

A friend of the family, Marvin Sherrert, took Dickie for his first airplane ride when he was only 5 years of age, and since that time Dickie has never lost a chance to ride in the air.

Dickie took his first lesson at the age of 14, from Quinn Henry, and has recently been taking instruction from Jim McGuire.

For the past six months Dickie has been flying almost daily in a Taylorcraft owned by his father, operating the plane himself, but accompanied by a licensed pilot, to conform with

## Heart Attack Is Fatal To Cecil Glenn Barnett, 61

### Dies Suddenly While On Vacation Trip To Limon, Colorado.

Funeral services were conducted last Thursday afternoon at 3:30 o'clock at the First Baptist Church, Littlefield, for Cecil Glenn Barnett, 61, of Whitharral, who passed away suddenly at Limon, Colo., about noon, Thursday, July 30, as the result of a heart attack.

Mr. Barnett was on a vacation trip when he was stricken and passed away immediately.

Funeral services were in charge of Rev. Lee Hemphill, pastor of the First Baptist Church, assisted by Rev. Wayne Perry, formerly pastor of Fieldton and Whitharral Baptist churches, but now pastor at Lawn, Texas; and Rev. Jimmie Dolan, pastor of Whitharral Baptist Church.

A Colorado funeral home brought the remains to Littlefield, and to the Harmons Funeral Home, which had charge of burial here.

Mr. Barnett was born November 1, 1883, at Searcy, Ark. He was converted and baptized into the Baptist Church at the age of 13 years, at Altman, Texas. At the time of his death he had served as an ordained deacon for 21 years.

Surviving Mr. Barnett are his widow, Mrs. Maude Velma Barnett, and five children — two sons and three daughters. The sons are W. O. Barnett of Littlefield, and W. W. Barnett of Vernon, Texas. The daughters are Mrs. O. S. Johnston, of O'Brien, Texas; Mrs. Paul H. Kill, of Denver, Colo.; and Miss Lynell Barnett, of Whitharral.

He is also survived by a brother, B. H. Barnett, of Lamesa, Texas; and two sisters, Mrs. Carrie Harrison, of Comanche, Texas, and Mrs. Eliz. Bosely, of Fort Worth; seven grandsons, three granddaughters, and one great-great granddaughter.

Mr. Barnett lived at Fieldton for many years, moving from there to Whitharral several years ago, where he served as manager of the Farmers Cooperative Gin, later purchasing a grocery store and service station, which he operated for a time and sold.

## Install 6 Lights On New Water Tower

Work was completed Thursday in the installation of six obstruction lights on the new water tower in the southeast part of Littlefield.

The installation of these lights was required by the Civil Aeronautics Administration, due to the fact that the water tower is in line with Duggan Field.

W-W Electric installed the lights.

# LITTLEFIELD—THE PULSE OF THE PLAINS LAMB COUNTY LEADER

Official Newspaper Of Lamb County, Texas  
 THE SOUTH PLAINS GREATEST WEEKLY NEWSPAPER  
 Serving the Fastest Developing Agricultural Section of the Entire Southwest

VOLUME XXIV LITTLEFIELD, LAMB COUNTY, TEXAS, THURSDAY, AUGUST 8, 1946 No. 20

## Lamb Co. Schools Receive \$23,000 Transportation Aid

### Fred R. Wilson In Run-Off Race For Commissioner

Fred R. Wilson and B. E. Lee are in the run-off for commissioner of Precinct 4.

Through error, it was stated on page one of last week's Leader that the run-off was between Lee and George D. Tooley.

The table on an inside page stated the votes correctly.

In announcing the votes received by these three candidates on page one of the Leader, it was stated in error that Mr. Wilson received 171 votes, whereas it should have read that he received 471 votes.

Lee received 357 votes and Tooley 314 votes.

The Leader regrets the error very much as it is happy to make this correction.

### Scouts Win Blue Ribbons At Contest

Scout Troop 25 from Littlefield attending swimming contests of the Yellowhouse District of Scouting at the Buck Ross swimming pool Thursday night, when blue ribbons were won by Bobby Harvey, in the junior underwater swim; John Fowler in the free style swim; and Billie Rex Lakey in the lock stroke.

These winners will be entitled to enter the district swim meet at Lubbock some time this month.

Scouts were present from Littlefield, Amherst, Muleshoe and Anton. There were six contests: side stroke race, breast stroke, back stroke, free style, relay and underwater swim.

### WHAT—NO RAIN!

Littlefield's rainy spell of the past week consisted of a few small clouds, some sand, a couple of lively peals of thunder, and just enough moisture to produce a rainbow around noon Sunday. Now the clouds have cleared away and the old thermometer hovers throughout the day, first just over and then just under the 100-mark.

### Vocational School Receives Payment

The Lamb County vocational school Thursday received remittance from the Veterans Administration in payment of operation of the school for the months of April, May and June, according to J. Ernest Jones, county superintendent of schools.

Mr. Jones stated that out of this money will be teachers' salaries, supplies and other expenses of operating the school.

In Littlefield there is one vocational agricultural class operating with 20 veterans enrolled, which is the limit, as set up by the State Vocational Agriculture Department. Mr. Jones stated it was hoped to start one or two other classes in the near future, probably at Olton and Sudan.

### MEETING OF TEXAS A. & M. RESEARCH FOUNDATION TO BE HELD SATURDAY, AUG. 10

An important meeting of the Texas A. & M. Research Foundation will be held at College Station at 2 p.m., Saturday, Aug. 10, it has been announced by Dr. Howard W. Barlow, dean of engineering and acting director of the foundation.

The Foundation recently held an election of trustees, with W. P. Luse, Dallas oilman, the only newcomer to the board.

(COMPLETE STORY INSIDE)

## Registering In High School To Start August 28

### Faculty Is Practically Same; Complete Except For Two Teachers

Littlefield schools will open Monday, September 2, according to officials, and a large attendance is expected.

It is reported that practically all schools in Lamb County will open the same date, with possibly Spade school taking up their studies a little earlier than the balance. This school is scheduled to open Monday, Aug. 26.

Registering in the high school will start Wednesday, August 28, opening at 9 a.m., when the juniors and seniors will enroll.

Thursday, August 29, the sophomores will register; and on Friday, August 30, freshmen will register.

Pupils of the grade school will register the opening day of school, September 2.

The high school faculty will be practically the same as last term. At present there are two vacancies reported, but it is expected these will be filled before the opening day of school.

Members of the high school faculty are as follows: Leo Duffy, principal; Mrs. Robbie Wright, Miss Jean Longbotham, Mrs. Mary Belle Holland, Mrs. L. L. Massengill, Miss Laverne Hayhurst, Mrs. Lucille Betts, Miss Lucille Martin, Mrs. Dick Edwards, Mrs. Blackwell, Mrs. Franciana (Blevins) Carter, and Mrs. Ruff, who taught in the grades last year.

Ray Walker will again fill the position of vocational agricultural instructor, and Mrs. Dora Jo (Covington) Valverde will again teach home economics.

J. S. Fikes will return to the local school as principal, and Mr. Jenkins, formerly of Sudan, will be band director.

Supt. Joe Hutchinson took over the school superintendency July 1, and has recently moved his family to Littlefield.

## Khiva Temple To Hold Monthly Meeting Aug. 14

Khiva Temple wants to help, says Dr. Fred W. Janes, Jr., potentate's aide. Khiva Temple is seeking unfortunate children under 15 years of age, regardless of race, creed or color who may be helped, benefitted, or healed through the facilities of the Shriners' hospitals.

Khiva Temple has handled several hundred cases within the past three years, said Dr. Janes.

He urges all Shriners to attend the monthly meeting on Wednesday, Aug. 14, at which time a complete report will be made of the Imperial Council and Shriners' Hospitals for Crippled Children session.

## Addition To Muleshoe Hospital Is Planned

MULESHOE, Aug. 7.—Plans are being drawn for an addition to the Green Hospital and Clinic in Muleshoe. The addition, to be fireproof throughout, will double the present floor space, and will provide about 24 rooms for patients.

The hospital is operated by Dr. L. T. Green, Jr., and Dr. M. F. Green.

## Goodwill Trips to Advertise Littlefield Rodeo Sept. 19 to 21

At a meeting of the advertising and publicity committee members at Onstead's store Friday evening, it was decided to make goodwill trips to advertise the rodeo which Littlefield local civic groups and other business men will stage, September 19, 20 and 21.

Two buses will be chartered and goodwill trips will be made September 16. The caravan will be accompanied by Hap Halsey and his band, and will leave Littlefield at 7 a.m. Monday, September 16, and make the following cities: Amherst, Sudan, Muleshoe, Farwell, Clovis, N.M., Be-

vina, Friona, Hereford, Dimmitt, Earth, Olton, Plainview, Hale Center, Abernathy, Lubbock, Levelland, Morton, and back to Littlefield.

W. E. LAVENDER, Manager  
 E. S. SMITH, Body and Painting Department  
 AND ALL THE OTHER FOLK

W. E. LAVENDER

Head of the Lavender Motor Co., Mr. Lavender has almost 23 years' experience in the automobile business, and attributes the success he has achieved to "fair dealing" in all transactions.

Mr. Lavender was connected with the automobile business in Lubbock for 23 years previous to coming to Littlefield a year ago to establish the Lavender Motor Co.

Born in Milam County, Mr. Lavender was reared in Falls County and remained there until World War I broke out. He was in the army three years and four months, serving overseas one year of that time with Company A, 143rd Infantry, 36th Division.

Returning home from service, Mr. Lavender entered Tyler Business College and, on graduation, moved to Haskell and entered the employ of the Farmers State Bank. He left Haskell in 1923 and moved to Lubbock to become connected with the automobile business.

# Formal Opening of Lavender Motor Set for Saturday

## Five Chrysler And Plymouth Cars To Be Displayed

grinding machine, boring bar; Logan lathe; and Tobin bearing lathe.

In the washing and lubrication department—

Lincoln master lube equipment, double duty pressure washer, and high pressure jenny, etc.

In the body and paint department—

Bean wheel balancer, Bean wheel spinner, and Weaver front end alignment equipment.

A special feature of the exterior of the building is the 38-foot tower on which are displayed in special signs the words "Chrysler" and "Plymouth". Running horizontally at the top and front of the building are the words "Lavender Motor Company", displayed in large letters. When the three signs are illuminated at night they make a beautiful and colorful display.

A factory road man recently commented to Mr. Lavender that the building of the Lavender Motor Company is one of the nicest automobile buildings in the United States.

Mr. Lavender was connected with the automobile business in Lubbock since 1923, and until coming to Littlefield about a year ago to establish the Lavender Motor Company.

He was born in Milam County, reared in Falls County, and remained there until World I broke out. He was in the service three years and four months, and served overseas one year with Company A, 143rd Infantry, 36th Division. On returning home he enrolled in the Tyler Business College and, on being graduated, moved to Haskell and worked in the Farmers State Bank until 1923, when he moved to Lubbock to enter the automobile business. He attributes his success in this business to "fair dealing in all transactions."

Special equipment installed in the shop are:

For the general car repair department—

Sun tuneup equipment; Sun distribution tester; battery charger; brake drum lathe; Delta drill press; valve

## LAVENDER MOTOR CO. SHOP COVERS 6,000 SQUARE FEET OF FLOOR SPACE

Although the Lavender Motor Company will specialize in the repairing of Chrysler and Plymouth automobiles, they offer a general repair service on all makes of cars, trucks, tractors, diesel engines, etc.

Six thousand square feet of floor space are given over to the shop at the Lavender Motor Company, which is divided into three sections: the general repair department, the body and fender and painting department, and the wheel aligning and wheel balancing department.

The shop is equipped with fluorescent lights, overhead heating, all-steel electric hoists, brake drum lathe, the very latest wheel aligning and wheel balancing equipment, etc.

M. L. Aycock of Temple, who has had considerable experience in this line is service manager for the new concern. Previous to entering the service, he was employed in Utah and Colorado.

Mr. Aycock spent 3½ years in the service with 2½ years overseas in the Eastern Theater of Operations. He served with the 501st Paratroopers of the 101st Airborne Division, which parachuted into France on D-Day, and also into Holland. He took part in the Battle of the Bulge, and was wounded in Holland.

Mr. Aycock was also in the group which took over Hitler's home at Berchtesgaden Gardens. They also took over Hitler's personal car and, since it needed repairs, the job of putting in a new clutch was assigned to Mr. Aycock. This car was later

brought to the United States. This same group took over Goering's home.

The 101st Airborne Division, of which Mr. Aycock was a member, was awarded the Presidential Citation, as well as a Citation from France and one from Belgium. Aycock was awarded five Combat Stars and one Bronze Star, Bronze Arrowhead, Purple Heart and Infantry Expert medal.

Mechanics employed in the Lavender Motor Company's shop are: Edwin Brown of Spade, and J. M. Lane, J. L. Askew, E. S. Smith, H. L. Dye and L. J. Foley, all of Littlefield.

Mr. Brown has been a resident of Spade since 1937, and has been employed in Littlefield for the past four years. Employed as a general mechanic at the Lavender Motor Company, who also operate the Tobin-Arp bearing resizing machine.

Mr. Brown is married, and has a son, James Edwin.

Mr. Lane, a lubrication expert, and has been a resident of this area since 1930, living southwest of Littlefield. He was employed by a local garage previous to entering the service.

Lane spent four years in the service, three years of which he served overseas with the Engineers in the Eastern Theater of Operations. He was awarded two battle stars, ETO and Good Conduct ribbons. He was returned to the States March 25 of this year, and his British bride, whom he married on December 20, 1945, joined him here May 29. Her name previous to their marriage was Miss Deana Lillian Davis.

Mr. Askew, employed in the body and paint department, came here from Memphis, Tenn., in March last. He spent 28 months in the service, with 18 months overseas with the Engineers in the European Theater of Operations. He was awarded four bronze stars, overseas ribbon, French medal for taking part in the Battle of the Bulge, and the Good Conduct badge.

He is married and has one child, a daughter, Reta Ann.

E. S. Smith, who has had 29 years experience, coming here from Temple, Texas, is supervisor of the body and painting department.

Mr. Smith for the past 3½ years has served as general maintenance man with the Civil Service at Camp Hood, Texas. Previous to this he was in business for years at Temple.

H. L. Dye, son of Mr. and Mrs. J. M. Dye, of Littlefield, a mechanic with the Lavender Motor Company, was in the service two years with the Medical Corps. He spent a year overseas in the Pacific, having seen action on Saipan, Guam and Okinawa. He arrived home in January last.

Mr. and Mrs. Dye have three children, LaFlorida, LaVeta and Barbara Sue. Mrs. Dye is the former Miss Naomi Miller of Amherst.

Dye was awarded two battle stars, the Asiatic-Pacific, American Defense and Good Conduct ribbons.

## CHRYSLER WITH MILLION MILES TO ITS CREDIT STILL GOING STRONG

With a record of more than a million miles in slightly less than six years of operation in taxicab service, a 1940 Chrysler sedan is still going strong on the streets of Tacoma, Washington. This duly authenticated and documented record is furnished by Kole A. Oliver, president of the Oliver Taxi and Ambulance Service, which company bought the car new on July 9, 1940, and has operated it ever since. Much of the driving has been done by Tony Day, who is still at the wheel every day.

The almost incredible mileage achieved by this durable vehicle was made possible partly by wartime conditions. Fort Lewis, one of the largest military posts in the United States, is located near Tacoma, and during the war as many as 100,000 men were

stationed there at one time. One of the taxicab company stands is located at the North Coast bus terminal, the largest and busiest in Tacoma, and in the last six years upwards of a million soldiers have passed through this terminal, as well as heavy civilian traffic. The demand for taxicabs naturally was tremendous on the part of military personnel traveling between the city and the post, and the Oliver company maintained its vehicles, including the million-mile Chrysler, on a 24-hour schedule.

The Chrysler taxicab is now operating with its second engine. The one originally installed at the factory was used for 528,000 miles, without major repairs. The second engine is now approaching that mark, also without repairs. The original transmission and differential are still in the car and giving good service. The body is in good condition, in spite of the terrific use to which it has been subjected.

Tony Day drove this car out of the dealer's garage when it was purchased by the taxicab company from Everett T. Steven, of the Steven Motor Company, and he was at the wheel every day until called into the Army, where he served in the South Pacific, part of the time as chauffeur for generals. When released from the military service, Tony went back to his old

**WHAT IS IT?** . . . College of William and Mary, Williamsburg, Va., had Ward's Natural Science, make this bird with hind legs of a cat; backbone, wings, breastbone and neck of a chicken and skull of a gar pike. Few students could name it. Instructor had to explain the combination.

**FIRST WOMAN CLERK** . . . Mrs. Frances E. Dustin, Dexter, Me., who has become the first woman clerk to enter the senate chamber during a session. Intensely jealous of its members' prerogatives, senate previously barred women.

**AMHERST NEWS**

**STORK SHOWER HONORS MRS. HOWARD CAMPBELL**  
Mrs. Howard Campbell was honored with a stork at the Amherst Hotel Friday afternoon. Cut flowers were arranged throughout the dining room, and lemonade and cookies were served to several guests.  
Hostesses were: Mrs. R. L. Brown, Mrs. Doc Bowman, Mrs. Ruby Swisher, and Mrs. Clara Moreland.

Mr. and Mrs. Bud Thomas and Jim Bob Thomas, Mr. and Mrs. V. G. Wood and family, left Thursday for a tour of Colorado. While in Denver they will visit Mr. and Mrs. Glen Puplis.

Mr. and Mrs. W. T. Drury and Avis were Amherst visitors Friday.

T/St. and Mrs. W. O. Swisher will leave Monday for Dayton, Ohio where Sergeant Swisher will be stationed at Wright Field.

Mr. and Mrs. L. B. Jarvis and Juanita Clayton were Lubbock visitors Wednesday.

**Summer Conference Reports Given At First Presbyterian Church**

The young people who attended the Junior High and Senior-Young People's conferences at Ceta Glen from the First Presbyterian Church had charge of the morning worship hour Sunday, and gave reports of the two conferences. Houston Hodges, moderator of Westminster Fellowship in the First Presbyterian Church of Littlefield, presided over the service.  
Robert Rutledge and Nancy Nichols gave reports of the Junior High camp. Katherine Lewis, Charles Joplin, Warren Rutledge and Houston Hodges reported on the other conference.

Their reports showed that in addition to having a good time, the delegates received much inspiration and help from classes and assembly programs and vesper hours that will go with them down through life.

**Presbyterian Vacation Church School Opened Here Monday Morning**

The vacation church school opened Monday morning at the First Presbyterian Church, with 28 in attendance, including the leaders. The small attendance did not affect the enthusiasm and interest of those attending, and others will be admitted throughout the week. To get the best from the school, perfect attendance should be the aim.

The school will close Friday, August 16, and a program of the work with an exhibit of handcrafts will be given in the evening of that date.

Mr. and Mrs. Barry Ramsey and Bobby Muri Ramsey of San Angelo were here last weekend visiting relatives. Bobby Muri arrived Thursday, coming as far as Andrews with his parents, who went on to Odessa and Morton to visit relatives. Mr. and Mrs. Ramsey later on Friday came to Littlefield for the weekend.

**Tech Officials Facing Problem; Swamped By Admittance Requests**

Texas Tech officials, swamped with applications from students wishing to enroll for the fall term starting in September, have a new problem. Applications are coming in from persons wishing to enroll for the 1947-48 term, over a year away.

Each of the prospective students writing in for future registration says he wants to make certain there will be a place to stay and room in classes when he finishes high school.

W. P. Clement, registrar, is telling each 1947-48 applicant the major problem is housing. He is suggesting contact be made with persons in charge of dormitories or having rooms off the campus — if citizens with rooms to rent can be found.

Room applications mainly are for places in the four new dormitories under construction and scheduled to open in September, 1947. The new structures will be the best in the Southwest, Tech officials say. No assignments other than for the fall semester starting next month will be made in dormitories until next year.

Enrollment this fall is expected to pass 5,000, with a further increase expected a year later. All qualified applicants are expected to be enrolled this fall.

**Premiums For South Plains Fair, Oct. 7-12, Have Been Increased**

LUBBOCK, Aug. 7.—County and community premiums for the 29th annual Panhandle South Plains Fair, to be held in Lubbock October 7-12, have been increased, officials of the fair Association have announced.

In the county classification cash prizes have been upped as much as \$35 with both third and fourth awards jumping from \$40 to \$75 and from \$20 to \$60, respectively. First and second prizes are \$100 and \$25 this year, an increase of \$25 each. Fifth place got a similar increase to \$50. The county ranking sixth will receive a \$40 prize, \$15 more than heretofore. Those ranking seventh through fifteenth receive \$25 apiece.

With the exception of seventh and eighth places, which received \$5 increases this year, premiums for the best commodity display remain the same. First prize is \$25, second is \$20, third receives \$10, and fourth through eighth get \$10 apiece.

Commodity exhibits must be obtained from within the bounds of the fair school district and are confined to those districts only.

**Tech. Professor Gets Ordinance Award**

A naval ordinance development award for war work on anti-submarine weapons and other defenses has been received by Charles E. Houston, assistant professor of electrical engineering at Texas Technological College.

Professor Houston was assigned to the Underwater Sound Laboratory, an N.D.R.V. laboratory at Harvard University, in which he aided development of special secret torpedoes, guided missiles and radio proximity fuses, in addition to the anti-submarine weapons. A gold pin accompanied the award.

**Floyd County, First To Receive Booth At Fair, Is Out For \$100 Award**

Floyd County this week became the first to reserve a booth for an agricultural exhibit and try for the \$100 first award in the county contest at the Panhandle South Plains Fair, to be held in Lubbock, October 7-12. Fair officials said the reservation was made by A. L. Harzog, Floydada, county agent for Floyd County.

## Ex-Tech Athletes Are Named New Coaches

Four former Texas Tech athletes have been named high school coaches within the past few days. Lawrence Priddy, one of Tech's six three-lettermen, becomes head coach at the Arlington, Ill., high school; Lawrence McCulloch, basketball star of 1941-43, is named basketball coach and assistant football coach at Memphis, Texas; Byron Gilbreath, also a court star of pre-war days and a football end, is the new coach at Gilbert, Ariz.; and T. M. Cox, football letterman of 1944-'45, becomes basketball coach and assistant football coach at Dalhart, Texas.

Priddy lettered in football, basketball and was a scholastic award winner. He formerly coached at Sweetwater.

## 'H.M.S. Pinafore' Will Be Sole Summer Presentation By Texas Aggie Players

COLLEGE STATION, Aug. 7.—Gilbert and Sullivan's operetta, "H.M.S. Pinafore" will be the sole summer presentation of the Texas A&M College's Aggie Players, student dramatic group, and will be presented August 8-9 on the A&M campus. "Pinafore" was first produced in London in 1878, and its scope and popularity have remained brilliant and delightful through the years. The A&M production will have a cast of 24, accompanied by the 26-piece College Station Little Symphony.

## To Give His Students Opportunity to Boo and Hiss Him To His Face

COLLEGE STATION, Aug. 7.—Tom H. Terrell, associate professor of civil engineering at Texas A. & M. College, is giving his students an opportunity to boo and hiss him to his face, without the students fearing for their grades. Mr. Terrell has tried out for and been cast in the role of Deadeye Dick, a rough and villainous sailor, in the forthcoming production of "H.M.S. Pinafore" to be presented August 8 and 9 by the Texas A. & M. College Aggie Players and the College Station Little Symphony Orchestra.

## Funeral Services For Young Couple Are Held Instead

SAN ANTONIO, Aug. 7.—Instead of the wedding they had planned, joint funeral services were held here Wednesday for Benito J. Reyes, 20, and his fiancée, Dora Gamboa, 17.

Miss Gamboa died Tuesday night from injuries sustained in an automobile accident Saturday which took four lives. Also killed were Domingo de la Cruz Gutierrez, 20, and L. P. Hernandez, 20.

Both Reyes and Gutierrez were Navy veterans.

## McLENNAN COUNTY'S FIRST BALE SOLD AT WACO

WACO, Tex., Aug. 7.—C. C. Stewart of Bosqueville, Texas, sold McLennan County's first bale of cotton of the year Wednesday to W. N. Junghans of the J. C. Hann Cotton Company for 45 1/2 cents a pound. Stewart also raised last year's first bale which sold for 25 1/2 cents, plus a \$275 bonus.

## TWO-ALARM FIRE IN DALLAS

DALLAS, Aug. 7.—A two-alarm fire swept through the fourth floor of a downtown factory building shortly after midnight Wednesday morning. No one was injured. The building was occupied by manufacturers of furniture and leather goods.

## NEW DIVISION HEAD

DALLAS, Aug. 7.—John H. Homsy, veteran engineer of the Federal Communications Commission, has been appointed head of the field engineering division of the 10th radio district. Homsy succeeds Nathan A. Hallenstein, who was transferred to Washington.

## JAPANESE PER CAPITA TAX \$23

TOKYO, Aug. 7.—The finance ministry tax bureau said Wednesday that the tax burden of each Japanese annually will average about 350 yen (more than \$23).

## CALF ROPING EVENT AT LEVELLAND ON SUNDAY WILL SEE TROY FORT PITTED AGAINST CHAMPION TOOTS MANSFIELD

Mansfield and Troy Fort, two of the world's best known calf roping experts, come to the Levelland rodeo arena on August 11. The long-awaited contest is expected to attract roping fans from a several-state area.

Slater to get under way at 2 p.m., on Sunday, Aug. 11, the match roping will be sponsored by the Levelland Rodeo Association.

Association President W. J. Robertson, long-time friend of the two ropers, was responsible for arranging the contest of champions in Texas' largest rodeo arena.

Mansfield, whose hometown is Rankin, Texas, is the present world champion calf roper—a title the Texan has held for five out of the last eight years. At 32 years, the champ roper stands six feet, one and a half inches and weighs 187 pounds.

Fort, New Mexico's champion roper who has challenged the world champion, is from Lovington, N.M. The challenger is younger than Mansfield (29) and is two and a half inches shorter in stature (five feet, 11 inches). Fort's weight is 168 pounds.

Robertson has pointed to the roping as one of the greatest events in the history of match roping. Fort and Mansfield have been matched before, but for a variety of reasons—going through illnesses, the war and others—postponement has resulted.

This time there will be no postponement. These two world-famed ropers will match their skill and time, Robertson declared.

No hard feelings exist between the two ropers and, regardless of which wins, the men will remain friends. Both are high-type gentlemen with sporting minds. Each Mansfield and Fort knows he is meeting the best roper he has ever contested. Both are getting in shape for the topflight sporting event, Robertson commented.

As a sidelight to the local appearance of the two top ropers, both Mansfield and Fort have listed three reasons why they chose the Levelland arena as the setting for the championship roping match. The reasons, of which all local citizens are duly proud, were given as follows:

Fort—The Levelland arena is the best place in the world to rope; Levelland contests have the best people in the world behind them; the Levelland arena is a lucky place for this Lovington roper.

Mansfield—Levelland has a large arena with good ground; Levelland is in the heart of match roping country;

the people of Levelland are always behind good Western sports and are fair and hospitable to the visiting cowboys.

Getting down to actual cases, so far as the two ropers are concerned, Robertson has furnished interesting data on the two individually. Backgrounds of the famed cowboys hold spotlight attention as the eve of their championship match approaches.

Fort, who is a native of Lovington, N.M., began his professional roping career with the best ropers in the business. He has tied the fastest calf in the Texas Exposition and Fat Stock Show through all years of the Fort Worth rodeo.

Early roping for Fort was a hobby, but he soon found it to be as natural with him as "for a Brahma calf to steal Jersey milk." So, with the help of the late Jake McClure, one-time world champion roper, he soon found himself pitted against the best. Fort has never refused an offer to meet any roper in match event, and has defeated almost all of them, regardless of age or size.

Getting back to the man who holds the world champion calf roping title now, Robertson pointed out that Toots Mansfield began roping professionally at the age of 22 years. World champion titles won by the Bandera-born Texan have been for the years 1939, 1940, 1941, 1943 and 1945.

Mansfield attributes his success as a roper to natural love for roping as a sport and to the guidance of two of the world's best ropers—Juan and Tony Salinas, of Encinal, Texas.

For the match in Levelland next Sunday, Aug. 11, Fort plans to ride Nap, a 14-year-old horse once the property of Jake McClure, and Dunny, a 6-year-old horse recently purchased by the roper for \$750.

Mansfield has selected two of his best roping horses for the local appearance. He will use Smokey, a blue 7-year-old horse that has carried him to honors in New York City, and Dan, a 7-year-old bay.

Rounding out a full afternoon of entertainment for roping fans in Levelland Sunday, Robertson announced in addition to the roping spectacle will be exhibition steer roping and bronc riding. Bulldogging and other match roping contests and jackpot ropings are also booked.

Reserved seat tickets in the covered grandstand will go on sale in advance.

## GREAT GROWTH IN PEANUT INDUSTRY NOTED IN WIDE AREA OF THIS STATE

Significant of the great growth in recent years of the peanut industry in the Southwest is the increase of members from this area in the National Peanut Council. Latest additions to the Council, announced at its recent meeting in Memphis, Tenn., are the following delegates representing shelling mills in Texas and Oklahoma: T. C. Wylie, Ranger Peanut Company, Ranger, Texas; George Homer, Denison Peanut Company, Denison, Texas; W. C. Durham, Durham Pecan and Peanut Company; and Ralph McMillan, Bristow Peanut Company, Bristow, Okla.

The National Peanut Council is an association composed of growers, shellers, brokers, peanut butter manufacturers, confectioners; in fact, all of those whose businesses are in whole or part concerned with peanuts. The Council's major objectives include increasing consumption of peanuts and peanut products through national advertising and promotion and improving through research, the acre yield and the quality of peanuts and peanut products. Launching its first consumer advertising early this year, the Council is currently running full-color ads in national magazines. On the research side, the Council can list as recent accomplishments a new stabilizing agent to prevent oil separation in peanut butter, work on longer shelf-life for peanuts and peanut products, insect control studies, flavor retention data, improved harvesting techniques, patent surveys, new peanut foods and investigations and evaluation of roasting methods to retain the thiamin content of peanuts.

Acreage in the Southwestern area has increased from 453,000 acres to more than a million acres during the six years since the National Peanut Council was formed in 1940. This increased acreage along with the steadily rising price of peanuts over the same period brought an income in 1945 of more than \$38,000,000 to Southwestern growers.

Among the officers of the National Peanut Council, the Southwestern area is represented by J. D. Sargent of Tolar, Texas, who is president of the Southwestern Peanut Growers Association and vice president of the National Peanut Council. On the Council's board of directors are following members from the Southwest: Harry J. Huddleston, De Leon, Texas; W. L. McCoy, Cleveland, Okla.; John Burroughs, Fortales, N.M.; John Haskins, Durant, Okla.; Hugo Schmitt, Seguin, Texas; Dick Weekes, Comanche, Texas; and Lee White, Dublin, Texas.

## MORE WHISKY

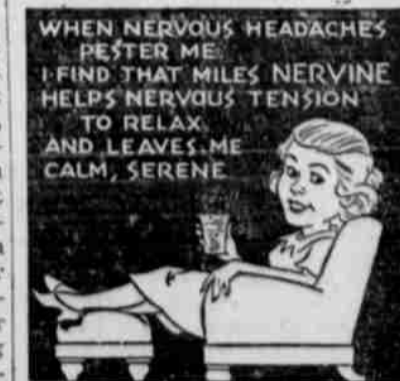

WASHINGTON, Aug. 7.—American distillers turned out 147,476,000 gallons of whisky during the fiscal year ended last June 30. That was nearly 106,000,000 gallons more than was produced in the previous year of rigid wartime restrictions, a Treasury report showed Wednesday.

## JUDGE TO RETIRE

DALLAS, Aug. 7.—Federal Judge James C. Wilson of the Northern Texas District, announced Tuesday he expects to go on a limited retirement schedule within the next few weeks.

## ESTATE TAX REFUND

WASHINGTON, Aug. 7.—The Internal Revenue Bureau has announced a refund of \$801,286 of estate tax and interest to the estate of Emerson F. Woodward, Houston, Texas.

H.J.R. No. 62

**HOUSE JOINT RESOLUTION**  
 proposing an amendment to Article III of the Constitution of the State of Texas by the addition of a new Section to be known as Section 49-b, creating a Veteran's Land Board and establishing a Veteran's Land Fund; providing for a selection and the issuance of proclamation therefor.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as Section 49-b which shall read as follows:

"Section 49-b. There is hereby created a Board to be known as the Veteran's Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Legislature shall provide by law for the issuance by said Board of not to exceed Twenty-five Million Dollars (\$25,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veteran's Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas in such form, denominations, and upon such terms as shall be prescribed by law, provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum.

"In the sale of any such bonds a preferential right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Funds, and the Permanent Free School Funds; such bonds to be issued only as needed, in the opinion of the Veteran's Land Board under legislative authorization.

"The Veteran's Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.

"All lands thus purchased shall be acquired at the lowest price obtainable, be paid for in cash, and shall be a part of the Veteran's Land Fund.

"The lands of the Veteran's Land Fund shall be sold by the State of Texas to Veterans of the present war or wars, commonly known as World War II, in such quantities, and on such terms, and at such prices and such rates of interest, and under such rules and regulations as may be prescribed by law; provided, however, that any such lands remaining unsold at the expiration of eight (8) years after the effective date of this Amendment may be sold to anyone as shall be prescribed by law.

"All moneys received and which have been received and which have not been used for repurchase of land as provided herein by the Veteran's Land Board from the sale of lands and for interest on deferred payments shall be credited to the Veteran's Land Fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, in like manner as shall be provided for the sale of lands purchased with the proceeds from the sales of bonds, provided for herein, for a period of eight (8) years from the effective date of this amendment; provided, however, that so much of such moneys as may be necessary to pay interest on the bonds herein provided for shall be set aside for that purpose. After eight (8) years from the effective date of this Amendment, all moneys received by the Veteran's Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be set aside for the retirement of said bonds and to pay interest thereon, any one of such moneys not so needed shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the first Thursday in November, 1946, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

Those opposing said proposed Amendment shall write or have printed on their ballots the following words:

"AGAINST the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b, creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective from the date of the determination of such result and the Governor's proclamation thereof.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this State.

Sec. 4. The sum of Ten Thousand Dollars (\$10,000) or so much thereof as may be necessary, is hereby appropriated out of any fund in the Treasury of the State not otherwise appropriated to pay the expense of such publication and election.

Floyd Cannon and Miss Billy Ruth White, August 2.

Nathaniel Mitchell and Miss Blanche Mae Gray, August 3.

**Indian Pow-Wow Is To Be Feature Of Sudan Celebration**

Indian pow-wow dancing will be the feature attraction for the celebration marking the completion of Sudan's farm-to-market road and

street paving program, to be held at Sudan Friday afternoon and all day Saturday, August 30 and 31, it was agreed by a group of citizen at a meeting in the Sudan city hall recently.

Although still in a preliminary stage, preparations for securing of other entertaining features for the celebration are now shaping up, and a full day's jam-up, varied entertainment is definitely assured the thousands of visitors expected in the city for the occasion.

Other entertaining features being secured by the various committees promises the throngs sure to be here a full day and night of gaiety and recreation, such as a doubleheader baseball game Friday afternoon; a huge parade about mid-morning Saturday to start the day's festivities; band or other musical entertainment; two more baseball games Saturday afternoon; old fiddlers' contest; art exhibit; and other attractions which have not yet been worked out.

The Indian pow-wow dances will begin probably about 8:30 Saturday night. A committee headed by Mayor Hugh Vincent will go to New Mexico to sign up the Indian dancers — a novel entertaining feature which will

be viewed by many here for the first time.

**A Pioneer in Building Ahead for the Future**

**- SERVING THE PANHANDLE · PLAINS · PECOS VALLEY**

Now, if ever is the time to look ahead; to build ahead for the future.

Here in the Panhandle-Plains-Pecos Valley area we face a bright future; bright with prosperity and bright with the promise of better living for everyone.

In our 22nd year we are in the midst of the greatest expansion program in our history. We're investing 12 million dollars in the future of this area. A new power plant is being built, additions are being made to existing plants.

And everywhere in the area we serve, new power lines are going up, to bring more reliable electrical power to industry and cheaper electricity into homes where electrical living will bring comfort and ease.

No wonder then, with this plan for the future that we say, "We're 22 years young . . . and a pioneer in building ahead for the future."

No. 29 of a series of advertisements designed to help build this fast-growing territory in which we serve.

Farmers Must Combat Enteritis In Hogs.

To help prevent feed waste in the face of today's shortages, livestock authorities are urging a special effort this month to combat enteritis in the state's swine herds.

Hogs afflicted with "necro" are unable to utilize feed properly and do not gain weight in proportion to the feed consumed, even though they may otherwise appear to be in normal health, the American Foundation for Animal Health has pointed out.

Farmers were urged to take these three steps to combat enteritis among their swine:

- 1. When new feeder pigs are purchased, segregate them from the home herd until they are proved free of disease.
2. When pigs develop digestive troubles, variations in temperature or loss of weight, move well animals away from them, and obtain a veterinary diagnosis at once.
3. Practice rigid sanitation. Do not pasture pigs on ground where there has been an enteritis outbreak.

Medical treatment for enteritis has proved more generally satisfactory when preventive sanitation and segregation are applied in control of this often fatal disease, the American Foundation reported.

Deadline Is Sept. 15 For U. S. Reserve Applications

NEW ORLEANS, Aug. 7.—Deadline for applications of U. S. Naval Reserve officers for transfers to the regular Navy has been established for September 15, 1946, Eighth Naval District Headquarters has announced.

Naval Reserve and temporary USN officers on active duty, terminal leave and those eligible who are on inactive duty, who desire transfer to the regular Navy, must submit their applications on or before the deadline. Applications received at district headquarters on or before September 15 will be processed through the local board of review and forwarded to the Navy's Bureau of Personnel for action.

The deadline does not apply to officers who request transfer to the regular Navy as law specialists, officers who will have completed less than one year's commissioner service on September 15, and officers who receive their first commission after September 15, the Navy said.

Officers who are applying for transfer to the regular Navy as chief warrant or warrant officers are not included in this category, since the deadline for such applications was previously set at July 20, 1946.

Applicants who are now on inactive duty or terminal leave should address correspondence to Commandant, Eighth Naval District, Federal Building, New Orleans 12, La., Navy officials said.

TECH TO GRADUATE 119 STUDENTS

One hundred nineteen students will be graduated from Texas Technological College, Lubbock in commencement exercises August 28, W. P. Clement, registrar, has announced.

O. B. Ratliff of Lubbock, formerly of Haskell and Spur, member of the Tech board of directors, will deliver the address. He is the only former Tech student to serve on the board and is the first ex-student invited to be commencement speaker.

POLIO OF BRAIN FATAL TO CHILD

Thomas James Kilpatrick, 7 1/2-year-old son of Mr. and Mrs. Elmer Kilpatrick, Pampa, and grandson of Mr. and Mrs. J. J. Crump of Sudan, died Saturday morning, July 27, at 8 o'clock in a Pampa hospital.

Little Jimmie, as he was called, suffered from what is termed polio of the brain, one of the rarest of cases. He had recently returned from a week's visit with relatives in Louisiana and was stricken just four days prior to his death.

Funeral services were conducted at the Pampa First Baptist Church and interment was made in the cemetery there Monday at 10:30 a.m. Rev. Pipes, pastor, officiated.

Jimmie was born Feb. 22, 1939, at Pampa, and had lived there with his parents and 15-year-old step-brother, Pete Kilpatrick, up until the time of his death. He had attended only one year of school.

Mrs. Kilpatrick is the former Ruth Crump of Sudan. Mr. Kilpatrick is assistant superintendent at the Columbia Carbon Plant at Pampa.

Besides his parents and step-brother, Jimmie is survived by his grandparents, Mr. and Mrs. J. J. Crump, and an uncle, J. B. Crump, Sudan; two aunts and two uncles, Mr. and Mrs. Wayne Crump, Seagraves; and Mr. and Mrs. Hoyt Crump, Grassvalley, Calif.

MANY VETERANS

More than one-fourth of students enrolled for the present summer term at Texas Tech are married veterans of World War II. Total enrollment is 2,010, surpassing the 1934 total of 1934. There are 520 married veterans, 191 of them freshmen; 134 sophomores, 193 juniors, 72 seniors, and 20 graduate students.

NAMED EDITOR

A. S. Gaylord, Jr., librarian of Texas Technological College, has been appointed editor of Texas News Notes, quarterly publication of the Texas Library Association, official organization of all professional librarians of Texas.

W. O. W. District Encampment Is Set For August 25-31

OMAHA, Nebr., Aug. 7.—Arrangements have been completed for the district encampment of the Uniform Rank, Woodman of the World Life Insurance Society at Camp Couchdale, near Hot Springs, Ark., August 25 to 31, it was announced today by National Secretary W. C. Braden, the commanding general of this semi-military organization of the society.

Company L, 112th Regt., from Woodman Camp No. 3871, Littlefield, Texas, of which Allan McDonough is captain, will be one of forty companies from eleven states taking part in the week's training program. Companies from Allen, Daingerfield, McKinney, Wolfe City, Chinero, Beaumont, Waxahachie, Fort Worth, Sherman, Celina, Belton, and Itasca, Texas, also will attend the encampment.

Col. E. J. Goodwin, Little Rock, Ark., will be camp commander directing the encampment program of daily field drills, floor work, guard mount and parades. He will be assisted by Major General E. E. (Blue) Howell, former All-American football star and Yale University backfield coach, and Col. Charles L. Burmester, a Uniform Rank veteran, both of Omaha.

Prizes will be awarded companies and individuals in competitive drills and athletic contests.

Over Three Thousand Claims Are Acted Upon

Since the opening of the Veterans Administration regional office in Lubbock, June 1, the adjudication division has received 4,488 claims for compensation or pension. Of this number 3,042 have been acted upon to date, Benjamin O. Murphy, chief of adjudication, announced this week.

This means that 3,042 West Texas veterans, or their beneficiaries, will soon know whether or not they are going to receive a pension or compensation check from the Veterans Administration.

1928-Boy Meets Girl-1946

Mr. 1928 extolls virtues of the First Plymouth car built to a skeptical Miss 1946 as both wait to drive in the parade of Detroit's Golden Jubilee celebration. The modern miss with her new...

Plymouth convertible doesn't know that only 18 years ago four-wheel hydraulic brakes, full pressure lubrication and light-weight aluminum alloy pistons were sensations allowing Plymouth, a newcomer, to invade the low-priced field. In the lower photo Mr. 1928 gazes with amazement at the sleek lines of the great-great-great, etc., grandson of the first Plymouth, whose advancements both in beauty and performance are typical of the automotive industry's progress since 1928.

HOUSE BURNS

The two-room home of Isaac Hawkins, west of Sudan, burned Wednesday of last week, about 5 o'clock. The farm is owned by Mrs. J. G. Shannon, who reported that the fire caught from a kerosene refrigerator.

All the family were out of the house at the time. Mrs. Hawkins was washing at the home of her mother, Mrs. Joe Hardcastle, and Mr. Hawkins was working in a nearby field.

## MR. AND MRS. M. A. BOWLING HONOREES AT BRIDAL SHOWER

Mr. and Mrs. Marvin A. Bowling were the honorees at a very lovely wedding shower given in the Moncrief home in the Friendship community on Friday night, July 26.

An interesting program consisting of musical pantomimes portraying episodes in the past and future lives of the young couple was presented. The Johnson boys' string band entertained with several numbers. The program was concluded with the bride and groom following a string to find the "pot of gold", a lovely array of wedding gifts.

The guests, far too numerous to get into the house, were served refreshments of wedding cake and punch in the back yard. The bride and groom then passed candy and cigars to their many friends.

## WESTMINSTER FELLOWSHIP TO GIVE LAWN PARTY

At a business meeting of the Westminster Fellowship on Sunday evening last, the group voted to have a lawn party and watermelon feast August 22. The Presbyterian manse will be the scene of this event.

Miss Virginia Streety, of near Spade, left Monday to attend Lipert's Business College at Plainview.

## FAMILY DINNER IS ENJOYED AT B. F. EIDSON HOME FRIDAY

A family dinner was enjoyed at the home of Mr. and Mrs. B. F. Eidson in Southmoor Addition Friday evening.

Besides Mr. and Mrs. B. F. Eidson, those enjoying the affair were: Miss George Evelyn Eidson, Mr. and Mrs. Eddie Eidson of Wharton, who spent from Thursday until Saturday here; Mr. and Mrs. H. O. Quillins of Wichita Falls, who also spent from Thursday until Saturday in the Eidson home; Mr. and Mrs. Otto Fair and children, of Littlefield; Mr. and Mrs. Eudie Morgan of Anton; Mr. and Mrs. Harry Woody, and Mrs. W. O. Wood, of Littlefield.

her tonsils removed at the Littlefield Hospital Saturday, and remained at the hospital until Sunday.

Mr. and Mrs. Paul Simpson and daughter, Wanda, and son, Howard, from Collinsville, Ala., are Littlefield visitors.

Mr. and Mrs. C. M. Roberts of Paducah, Texas, father and mother of Mrs. Cecil Walker, have been visiting their daughter.

Mr. and Mrs. J. C. Roberts, from Paducah, Texas, visited with Mr. and Mrs. Cecil Walker last Thursday and Friday.

Mr. and Mrs. J. S. Hillard have returned from their trip north, and spent Friday in Littlefield visiting friends.

Supt. and Mrs. Joe Hutchinson moved to Littlefield last week, and to the old Oscar Walters residence, now owned by J. M. Dye.

Mrs. Homer Hall returned Thursday from a three weeks' vacation trip to Henderson, Texas, where she visited her sister, Mrs. Antoinette Clark.

A deal was consummated last week whereby Jim McGuire purchased the former Lula Gardner home on LFD Drive from Mrs. G. M. Vann. W. A. Hutto handled the real estate deal.

Mr. and Mrs. Mac Magrane of Culver City, Calif., left Wednesday of last week after spending a week with his mother, Mrs. W. W. Brown.

Mr. and Mrs. Elton Carrell of

Odessa, Texas, arrived Tuesday to spend until Monday in the home of his parents, Mr. and Mrs. J. I. Carrell. Elton has been ill for the past three months with malaria and nervousness. He is planning on going to the veterans' hospital at Amarillo for treatment.

Mr. and Mrs. W. C. Stegall and daughter, Nell Marie, of Mattoon, Ill., arrived Wednesday of last week for a visit with Mrs. Stegall's sister and brother-in-law, Mr. and Mrs. J. H. Lucas, at Enochs, Texas. Mr. Stegall and Mr. Lucas were visitors in Littlefield Thursday and were welcome visitors at the Leader office.

Mr. and Mrs. Carl Stephens of Indianapolis, Ind., who had been to Cheyenne, Wyo., to attend the big rodeo there, visited in the home of Mr. and Mrs. Roy Byers, Jr., last week. After spending three days, they left Thursday for their home. Stephens and Byers were buddies in the service for 3 1/2 years, and were renewing their friendship.

Mrs. Ben Lyman and son, Billy, and Mrs. L. C. Grissom and son, Landrum, returned recently from a week's vacation at Ruidosa, N.M.

Mr. and Mrs. Leo Sladek of Corpus Christi, Texas, visited Mr. and Mrs. A. F. Sladek and daughters of Anton the first party of July.

Mr. and Mrs. Henry Aladek, Mr. and Mrs. Edwin Sladek and Janie Mae Sladek, of Thrall, Texas, visited with Mr. and Mrs. Robert Butler and family, and with Mr. and Mrs. A. F. Sladek and daughters of Anton.

Leo Cuba of Odessa, Texas, visited his sister, Mrs. H. D. Crawford, and daughters, of Littlefield. Mr. Cuba made a business trip to Clovis, N.M., last week.

Mr. and Mrs. Frank Croom of California arrived Friday and are visiting in the home of her parents, Mr. and Mrs. W. F. Yarbrough. They may locate here.

Miss Evelyn Sellers, who has been visiting in the home of her aunt and uncle, Mr. and Mrs. E. C. Rodgers, left Sunday for her home. Mrs. Rodgers accompanied her niece, and will spend a week with relatives there.

Mrs. A. M. Ramsey and children Yvonne, Shirley Ray and Murl, of Henderson, also spent the past week-end visiting their relatives here.

Mrs. Sidney Moore returned to Littlefield Thursday after spending a three weeks' vacation at Henderson and other points in Central Texas.

## Personals

Mr. and Mrs. L. M. Raney and family of Ruidosa, N.M., spent the past weekend here with relatives and friends.

Mr. and Mrs. Lester Hanks left recently for Fort Worth, where Mr. Hanks is employed by the Consolidated Aircraft Co., and Mrs. Hanks is working for Ward's Dept. Store.

Kathy Graham, aged 5, daughter of Mr. and Mrs. Robert Graham, had

**SHAW AT 90 . . .** Eyes still as keen as his razor-wit, George Bernard Shaw, greatest figure in English literature today, looks out at the topsy-turvy world at the age of 90. He keeps his thoughts to himself—sometimes.

**WINNING WINDUP . . .** George McGovern, 11, a future big league southpaw, who adds a bit of tongue technique to his windup. George is top pitcher in Class C league at Shaw playground, Somerville, Mass.

**Junior Red Cross Representative Visits Lamb Co. Chapter**

Miss Kathryn Gill, Junior Red Cross field representative for the Midwestern area, from the St. Louis office, was in Littlefield August 1, and met with representatives of the Lamb County Chapter of the American Junior Red Cross. The purpose of Miss Gill's visit to Littlefield was to assist the chairman to secure a more active program in the Junior Red Cross through the teachers of the schools in Lamb County.

Miss Gill pointed out the ten-point program of the Junior Red Cross and an effort will be made to bring about a more active participation in this program on the part of the teacher. Lamb County members have participated in part, but we hope to become more active in all phases of the work. We have cooperated in the enrollment campaign, production of holiday articles and clothing, the educational gift boxes, and the national children's fund. It is our desire to add to these activities the coming year first aid training, nutrition, community service, accident prevention, life saving, and water safety, and international relationships.

The Junior Red Cross is not an extra-curricular activity but can be used to make a regular situation more vital. It enriches the regular school program and proves of great benefit to students. Miss Gill stressed the fact that this organization for the benefit of youth and through the Junior Red Cross Council organized by them, educational advantages can be obtained. An effort will be made to have a Lamb County Council of Junior Red Cross members, working through a council in each school. This should prove of great value to teacher in aiding them to put over health and safety programs in all the schools, and for the benefit of our communities.

Those in conference with Miss Gill were: Dr. Ira Woods, county chairman of the Red Cross chapter; Mrs. Lyle Brandon, ex-secretary; Mrs. W. H. Rutledge and Mrs. Dick Carl, members of the Junior Red Cross committee; and Mary Hanks, Junior Red Cross member. Mrs. A. B. Haynes, chairman of the Junior Red Cross, and Warren Rutledge, president of the council were out of town and unable to attend.

**A. H. McFARLAND ILL; IS PATIENT IN HOSPITAL**

A. H. McFarland, who has been ill for the past two weeks, is a patient in the South Plains Co-op Hospital. He was reported Saturday to be about the same. He is suffering from blood clots in both legs.

His many friends regret his illness and hope for him a speedy recovery.

**CARD OF THANKS**

We wish to take this opportunity of thanking our many friends who so generously contributed to the fund for the partial loss of our house and contents by fire Sunday. These acts of kindness will ever be remembered.

They are stationed at San Diego, Calif., where they will return at the end of their furlough. Both expect to be sent overseas in the near future.

close at most southwest markets. Top butchers were quoted Friday at \$24.50 a hundred pounds, Ft. Worth; \$24.25, Oklahoma City and Denver; \$23.24, Wichita; and \$22, San Antonio.

Most southwest sheep and lamb markets reported steady to higher prices compared to the previous week's close, except Ft. Worth, where common and medium springers were down 50 cents to a dollar a hundred at \$12.50 to \$15.25. Medium spring lambs realized \$13.50 to \$14, San Antonio; and medium and good, \$13.50 to \$17, Oklahoma City. Common to good springers brought \$21 down at Denver.

Prices were a trifle easier on peaches and potatoes and lower for onions at most southwest markets last week. Liberal potato supplies far exceeded the slight improvement in commercial demand. Shipments continued heavy with the government buying potatoes to support prices. Peak movement of southern peaches has passed but heavy supplies started moving from intermediate producing areas. Summer crops were in excess of what markets could absorb. Plenty of local crops around big consuming centers competed strongly with long-distance supplies.

Sales of domestic wools were scarce in the Boston market. Demand was strong for all sorted hair.

## AT THE LOCAL THEATRES

### Miss Louise Cunningham Writes Sister Here Interesting Letter From Tokyo, Japan

Mrs. Jack Newman of Littlefield, employed at Penney's, has just received a very interesting letter from her sister, Miss Louise Cunningham, from Tokyo, Japan.

Miss Cunningham, whose home is at Lakeview, Texas, was formerly employed in the office of the Shell Oil Company at Houston. She left the States in October, 1944, for Honolulu, where she was employed in civil service work with the Navy. She remained at Honolulu until April, 1946, when she was transferred to

Tokyo, where she is also in civil service, and with General MacArthur's staff.

Miss Cunningham's letter, which may be of interest to Leader readers, is as follows:

Tokyo, Japan, 22 May, 1946.  
Dear folks:

I hope you received my cable, as I have been so busy becoming oriented, settled in my quarters and adjusting myself to a new job that I haven't written before. Hope this letter finds all of you well and happy.

I shall begin with the trip over: We sailed the 13th of April on the "General Collins", which is one of the larger class Army transports, manned by the Navy. The food was not too good, as it was GI and served cafeteria; however, the quarters were very comfortable, even though there were 15 girls to a stateroom. They were previously officers' quarters and had plenty of closet space, lavatories, mirrors, etc. Also, there was much entertainment aboard, including two USO troops from New York—"Ghost Train and "Petticoat Fever"; an Hawaiian orchestra, ship's orchestra, movies nightly in the passenger lounge, the usual card games, lectures on orientation, and classes in both Korean and Japanese. It being Holy Week, there were services daily and a sunrise service Easter morning, which was very impressive in mid-ocean on the top deck, or sun deck. There were 56 girls in our group and some twenty or thirty who had embarked at Seattle. And, in addition, there were civilian men passengers and some thirty army officers and a couple of hundred enlisted passengers. So you see we had quite a cross-section of people, besides the ship's crew and officers. Most of the girls were horribly sea-sick about the third day out, as we really had the weather, and this particular ship rocks, reels and rolls because of the way it is constructed. But I am never sick either sailing or flying, fortunately, so I had a pleasant voyage.

We arrived in Yokohama, 24 April; of course, we lost one day crossing the international date line. Tokyo Bay and the harbor were quite a sight. Some of the Japanese Navy's half-destroyed ships were scattered around. I particularly noticed some carriers cut right half in two, which have not yet been salvaged or junked. We surely got a big welcome, with the band out to meet us, playing about an hour, and hundreds of GI's and officers, as well as Japanese men and women, lined the pier, all waving in welcome. It surely made us feel good, too, as I guess a few of us felt quite strange so far from home and entering an enemy occupation zone. There were the press reporters and photographers, who came aboard for stories and pictures. I have never been photographed so many times as the first few days. They are writing up some sort of article, or pamphlet, rather, called "You In Japan", and chose our group for example. We came ashore at 10 a.m. on Wednesday morning and large, new government busses were lined up to carry us from Yokohama to Tokyo, which is about 20 miles, escorted by two jeeps full of MP's. Although I had heard about the utter devastation of Yokohama and Tokyo, it is hard to express my first impression. One just has to see it. A group of B-29's, approximately 600, hit Yokohama in only one raid, which lasted about two hours and completely wiped the city out; hardly anything was left standing—block that stretched into miles completely leveled, with a few steel frames gutted of all their insides. It was a feeling of pity and despair of the filth, wreckage and ruins, and the thousands of peasants walking, trotting and running up and down the streets. Most of them were seeking food—any kind—and many of them had sticks or poles and were poking around in the rubble for anything edible. They walk along on their little wooden clogs; it is a mystery to me how they walk on those things. They are built up about two inches and have two pieces of wood horizontal on the soles spaced some four inches apart which tends to make them sort of rock along when they walk. In spite of the rags most of the men wore, the girls looked colorful and gay in their bright kimonos and obis, the bright strips they wrap around their middle. One thing they seem to have plenty of is make-up; all the girls paint their faces with a lot of lipstick and

rouge. They all stopped and gaped at our caravan with open mouths, as we were the first American women most of them had seen. These people line the streets by the thousands. Of course, there are some 70 million people in Japan, so it is understandable. They travel by means of ox-pulled carts, bicycles, old broken-down cars, mules; and transport their cargoes even by poles, with two or three men holding each end on their shoulders. But most of them either walk or ride the tram or streetcar, if they can get on.

It took us about an hour to get to Tokyo, and the bombed area was the same all the way—completely demolished. I had begun to think I was never going to see a whole building again, and we didn't until we got right in downtown Tokyo, in the Diet area, where the government formerly held court. This area was purposely avoided for use by the occupation troops and allied governments. We turned a corner and were right in a

modern downtown business district much as one would see in any industrial city. We passed the emperor's palace and stopped just across the moat which runs parallel to the palace at which is known as the old Kaijo building, and the driver told us we were "home." You can imagine how excited we were—just across the street from Hirohito and the imperial palace. The old Kaijo was formerly an office building and has been converted into a hotel for allied girls. It is modern, with steam heat and several elevators, tile lobby floor, furnished attractively. Off to one side as you go in is a large lounge furnished with comfortable "western" furniture, divans, chairs, tables, reading lights, etc. Adjoining these is a beauty shop two steps down, and across on the other side is a tailor shop, pressing shop, alteration shop, a PX, and an oriental gift shop. Incidentally, about thirty little native boys, around 11 or 12 years of age, came out to greet us, bowing almost to the ground and claimed our luggage. We also have a doorman, numerous girls to bring up messages announcing our dates or callers, and four girls to clean our rooms. I room with a girl I knew in Honolulu who came over with me on the boat. These little boys shouldered our heavy bags as if they were nothing and led us to our rooms which had been assigned. We had been told to tip with candy or gum, as money is no good to them, since there is nothing to buy over here. Too, we were told never to tip more than one candy bar, as that is equal to an American dollar. They put our bags down and bowed all the way out, never turning their backs to us. Barbara and I had to sit down and laugh, it was so very funny and grateful to us, and they were so grateful for the candy or gum. Our girls come into our rooms and get all our dirty clothes out of our laundry bags, and wash, iron and mend them about every three days; they would do them every day if we would let them, and

**COOKING QUEEN . . .** Dorothea Fagnano, 15, Yonkers, N. Y., school-girl, samples some of her own cookies following her selection as cooking queen. She disclosed that she now is working on a new recipe for making bread without flour—a tall order for a teen-ager, but not too hard for Dorothea, who recently captured first prize in a competition which attracted entrants from 512 cities. Miss Fagnano is experimenting with potato flour as a basic ingredient for her new flourless bread.

**Top o' Texas Rodeo At Pampa Aug. 15-18**

PAMPA, Texas, Aug. 7.—Plans are about complete for the annual Top o' Texas Rodeo and Horse Show, to be held in Pampa on August 15, 16, 17 and 18.

The four-day show will get underway Thursday night, Aug. 15, at 7:30 p.m., with the Kid Pony Show, to be followed by the Palomino Show, which is sponsored by the Texas Palomino Breeders Association. J. T. Bootham of Fort Worth, secretary of the association, is the judge of the show. Animals entering the Palomino Show need not be registered to be eligible.

Friday morning, at 9 a.m., the judging of Quarter Horses will take

place in the main rodeo arena. A record number of horses is expected this year. Mr. Quentin Williams is superintendent of the Quarter Horse division. Special loving cups will be presented to the grand champion stallion and mare, in addition to the cash prizes offered.

The grand parade will take place at 3 p.m., Friday, Aug. 16, with bands, floats, and all kinds of organization and individual entries taking

part. The Khiva Shrine drum and bugle corps of Amarillo, the Shamrock Irish band, the Harvester band from the Pampa High School, and one or more army bands will add to the color of the big parade. Over five hundred horses are expected in the parade this year, surpassing the four hundred of last year. The Army will make up a section of the parade presenting all types of modern army equipment.

Rodeo performances will be held on Friday night, Saturday afternoon, Saturday night and Sunday afternoon, with the awarding of special prizes at the final performance.

Special rodeo dances will be held in the Junior High School gym on Friday and Saturday nights at 10 p.m., after the rodeo performances, with Rip Ramsey and his Texas Wanderers furnishing the music.

**Spraying Plants Should Start Now Says Lem Weaver**

According to Lem Weaver, a high percentage of the farmers of this area are complaining of finding honey-dew in their melon and cucumber patches. This is said to be the direct result of plant lice.

Dusting or spraying of these plants should be started now and repeated in seven or eight days if excellent results are to be obtained. A dust of straight rotenone is the most effective. Be sure when you purchase the rotenone that it is pure and not mixed with sulphur, because sulphur kills any vine crop. One good dusting with the straight rotenone will kill all present plant lice, but it may not be strong enough to kill the eggs which have not yet hatched out.

Rotenone is a scarce item (the straight rotenone); however, several places handle that which is mixed with sulphur.

Some who have been using Black Leaf-40 have reported that the results were not satisfactory. But if good results are to be expected, use the following:

3 tbs. Black Leaf-40 to 1 gallon water, then add 1 tbs. baking soda, so that the Black Leaf-40 will act fast enough to kill. Do not spray this unless the temperature is 70 degrees, and will be better if it is 90 to 100 degrees.

For those who prefer to dust, use 1 ounce Black Leaf-40 and 1 pound of lime. Repeat the application in seven days, or more often if it should rain.

Several vineyards are beginning to be affected with grape-leaf hoppers. The vines turn brown and spotted. To control this, use 1 tbs. 50 per

cent wettable DDT powder to 1 gallon of water and spray. They shouldn't be eaten for at least two weeks; if the grapes are to be eaten in a short while, then it is best to use rotenone dust.

**1,080,000 POUNDS OF BLACKEYED PEAS ARE NEEDED FROM WEST TEXAS EACH DAY**

**BY GILBERT C. WILSON, Laboratories AT Pittsburg, Texas**

We will need 1,800,000 pounds of blackeyed peas per day. Our plant will have a maximum daily production capacity in excess of 30,000 cases per day.

MR. R. W. BADGER, Box 1146, Phone 78, Littlefield, Texas, will handle buying for us in the Levelland and Littlefield territories, setting up receiving points at convenient loading places throughout the territory, to be designated later. He will take care of receiving and will pay for the peas at the time they are received.

We will pay market price for the peas, which should be in the vicinity of \$65.00 per ton. The demand for canned blackeyes appears to be far in excess of what canners can supply this year. We will also buy dried blackeyed peas this year.

### Information For Veterans

Q. Where death of a veteran is connected with service other than in time of war, may pension be paid?  
A. Yes; pension is payable to his widow, child or children, and dependent parents, where his death results

from a disease or injury incurred in or aggravated by active military or naval service, in line of duty.

Q. Is it required that the Veterans Administration approve a veteran's course of education or training under the GI Bill?

A. No; an eligible veteran may elect his course and choose the state-approved educational or training institution at which he wishes to enroll. He may file his application direct with the nearest VA office or

contact office or through the approved institution which he has made arrangements for his education or training.

Q. When a veteran moves to another area within the state, or to another state, how can he continue his claim for unemployment allowances?

A. He should report to the United States Employment Service office nearest his new address for instructions.

Q. Where may a veterans secure information in regard to converting his National Service Life Insurance policy?

A. At the nearest Veterans Administration contact office or writing direct to the Veterans Administration, Washington 25, D. C.

Q. If a veterans secures a loan guaranty on a farm, must he live on the farm?

No, but he must live near enough actually to operate the property and supervise the farming.

Q. If a veterans is receiving an increased pension, or a subsistence allowance for educational purposes, is he eligible to receive unemployment allowances?

A. No.  
Q. Is an insured veteran entitled to a waiver on his insurance premium in case of disability?

A. All National Service Life Insurance policies provided for the waiver of payment of premiums during continuous total disability of the insured for six or more consecutive

months, for as long as the period of such disability exists.

Q. If the insured veterans dies while his insurance is in default for non-payment of premiums during the continuance of total disability that began less than six months before his death, is his insurance considered in force?

Yes, provided, total disability commenced prior to the insured's 60th birthday, after the date of his application for insurance and while insurance was in force under premium paying conditions. Any unpaid premiums will be deducted before final payment of policy proceeds.

Q. Is there a limit to the time that the veteran has to reinstate his permanent (converted) insurance policy after separation from active service?

A. A permanent (converted) policy which has lapsed and has not been surrendered for a cash value or for paid-up insurance, may be reinstated at any time after separation from active service upon written application therefor signed by the applicant and payment of all monthly premiums in arrears with interest

PHILIPPINE'S AMBASSADOR . . . Joaquin M. Elizalde, first ambassador of the Republic of the Philippines to the United States, is pictured as he called at the White House to present his letters of credence.

The average loan rate for 3/4-inch middling cotton will be 22.83 cents a pound. Last year it was 19.84 cents. For 15-16-inch middling cotton the average rate will be 24.83 cents. The rates will vary according to location, the announcement said. The rate for 15-16-inch middling cotton will range from a high of 24.94 cents a pound in the mill area of the Carolinas to 23.69 cents in Arizona and California.

### TO ENLARGE HOSPITAL

Green Hospital and Clinic of Muleshoe will be doubled in size, Dr. L. T. Green, Jr., and Dr. M. F. Green announced this week. Materials are now being gathered for the building, and it is hoped to have the additions ready by January 1.

Some fellows seem to have an uncorking good time at beer parties.

### Lady's Stomach Was Like A Gas Factory; Meals Turned To Gas

One lady said recently that her stomach used to be like a "gas factory!" That is, when she ate a meal it seemed to turn right into gas. She was always bloated, had awful stomach gas pains, daily headaches and constant irregular bowel action. Now, however, this lady says she is FREE of STOMACH GAS and she says the change is due to taking INNER-AID. Her meals agree with her. No gas or bloating after eating. Headaches and constipation are gone. "Oh! what relief!" states this lady. "Why don't other gas and constipation sufferers get INNER-AID."

INNER-AID contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get INNER-AID. Sold by all drug stores here in Lamb County.

from their several due dates at the rate of 5 per cent per annum, compounded annually.

Any indebtedness against the policy which existed at the time of default must be reinstated or paid, and if the indebtedness with interest exceeds the reserve of the policy at the time of application for reinstatement, payment of such excess must be made as a condition of reinstatement. Until January, 1, 1947, the applicant must only be in as good health as he was when the insurance lapsed, and submit a signed statement to that effect at the time of application and tender of premiums. After January 1, this health requirement is subject to change.

### Cotton Loan Rates Slightly Higher

Cotton loan rates for the 1946 crop, averaging slightly higher than last year, have been announced by the Agriculture Department.

LUBBOCK BUILDING PERMITS HIGH

Lubbock building permits totaled \$791,401 in July, and the figure was the second highest monthly total for the year. H. B. Hamilton, city building inspector, announced. Top month for the year was June, which saw \$3,776,808.50 worth of construction, including two dormitories at Texas Technological College authorized. The month also brought the city to a new year's record in valuation of permits. July's figures pushed this year's total to \$6,846,873.75.

ACTS ON THE KIDNEYS

proposing an amendment to Article VIII of the Constitution of the State of Texas by adding thereto a new section to be known as "Section 7-a"; providing that subject to legislative appropriation, allocation and direction all net revenues derived from the taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purpose of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect on January 1, 1945; negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose; providing for the submission of this amendment to the voters of this State; prescribing the form of ballot; and providing for the proclamation of the election and the publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article VIII of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as 7-a and to read as follows:

"Section 7-a. Subject to legislative appropriation, allocation and direction, all net revenues remaining after payment of all refunds allowed by law and expenses of collection derived from motor vehicle registration fees, and all taxes, except gross production and ad valorem taxes, on motor fuels and lubricants used to propel motor vehicles over public roadways, shall be used for the sole purpose of acquiring rights-of-way, constructing, maintaining and policing such public roadways, and for the administration of such laws as may be prescribed by the Legislature pertaining to the supervision of traffic and safety on such roads; and for the payment of the principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible prior to January 2, 1945, for payment out of the County and Road District Highway Fund under existing law; provided, however, that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; and, provided, however, that the net revenue derived by counties from motor vehicle registration fees shall never be less than the maximum amounts allowed to be retained by each county and the percentage allowed to be retained by each county under the laws in effect on January 1, 1945. Nothing contained herein shall be construed as authorizing the pledging of the State's credit for any purpose."

Sec. 2. The foregoing Amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at the General Election to be held in November, 1946, at which election each ballot shall have printed thereon the following words: "FOR the Amendment to the Constitution of the State providing that subject to legislative appropriation, allocation and direction all net reve-

PROUD OF HIS CATCH... Gen. Dwight D. Eisenhower, army chief of staff, proudly displays his catch on the first day of his week's fishing trip to Big Lake, Northern Wisconsin. He was accompanied by his four brothers.

...ues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from motor registration fees than the maximum amounts and percentages of such fees shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from of such fees allowed to be retained by each county under the laws in effect January 1, 1945; and negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose.

"AGAINST the Amendment to the Constitution of the State of Texas providing that subject to legislative appropriation, allocation and direction of all net revenues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purposes of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees

allowed to be retained by each county under the laws in effect on January 1, 1945; and negating and interpretation of this amendment as authorizing the pledging of the State's credit for any purpose.

"Each voter shall strike out with pen or pencil the clause which he desires to vote against so as to indicate whether he is voting FOR or AGAINST said proposed amendment."

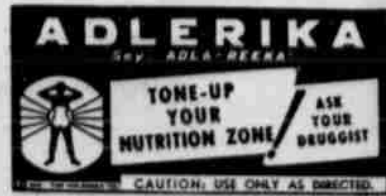

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said as required by the Constitution for Amendments thereto. 19-4tc

CITATION BY PUBLICATION

THE STATE OF TEXAS TO: W. H. Melius, Lena Melius, the Heirs and the Unknown Heirs of W. H. Melius, deceased, the Heirs and the Unknown Heirs of Lena Melius, deceased, and the Unknown Stockholders of American Mortgage Corporation, a defunct Corporation, Defendants, Greeting: You are hereby commanded to appear before the Honorable District Court, 64th Judicial District of Lamb County, at the Court House thereof, in Littlefield, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of issuance of this citation, same being the 16th day of September, A. D. 1946, then and there to answer Plaintiff's Petition filed in said Court, on the 30th day of July, A. D. 1946, in this cause, numbered 2465 on the docket of said court and styled J. H. Wells, Plaintiff, vs. W. H. Melius, Lena Melius, the Heirs and the Unknown Heirs of W. H. Melius, deceased, the Heirs and Unknown Heirs of Lena Melius, deceased, and the Unknown Stockholders of American Mortgage Corporation, a defunct corporation, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: J. H. Wells sues defendants in Trespass to Try Title to recover the title and possession of all Lots Numbers 4 and 5 in Block No. 7 of the R. E. Cole Addition to the City of Littlefield, Lamb County, as is more fully shown by Plaintiff's Petition on file in this suit. The officer executing this process shall promptly execute the same according to law, and make due return as the law directs. Issued and given under my hand and the Seal of said Court, at office in Littlefield, Texas, this 30th day of July, A. D. 1946. (Seal) HERBERT DUNN, Clerk, District Court, Lamb County, Texas. 19-4tp

How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did. CARDUI

**Livestock Judges  
South Plains  
Announced**

LUBBOCK, Aug. 7.—Superintendent and judges for the agriculture and livestock departments at the 29th Annual Panhandle South Plains Fair, Aug. 7-12, have been announced by fair officials.

O. Gordon, Lubbock, county agricultural agent, will serve as general superintendent and livestock superintendent.

Continuing Gordon in the agricultural department will be the following: L. M. Hargrave, vocational agriculture teacher at Wolforth, who will be superintendent of county and county exhibits; L. H. McElroy, county agricultural agent, who will act as superintendent of individual exhibits; Thomas Neff, Brownfield, vocational agriculture teacher, superintendent of vocational agriculture exhibits; and Ed Emmons, Amherst, assistant county agricultural agent of Lamb County, superintendent of the Junior Agriculture division.

Superintendents in the livestock department will be D. W. Sherrill of Hallam, Hockley County agricultural agent; R. N. McClain of Brownfield, Terry County agricultural agent; and Coleman Cowan of Lubbock, county breeder and former vocational agriculture teacher. Sherrill will be superintendent of the dual purpose cattle division, and Cowan will be superintendent of the swine division.

George Samson, Post, will judge swine and community exhibits. Cecil and Dr. A. W. Young, both of Technological College, will be judges for the individual agricultural exhibits. Judge of the dairy cattle

division will be Dr. L. Walker Rupel, head of the department of dairy husbandry, Texas A&M College. C. L. Franz of Turkey, well known breeder, will judge the swine division. The judge for the dual purpose cattle division has not yet been chosen.

A. E. Quest, Jr., troop committeeman for Boy Scout Troop 6 in Lubbock, has been selected as Boy Scout superintendent.

Fair officials also have announced that county premiums this year have been increased, the amounts to be announced some time next week.

**Congressman Mahon  
Returns To Capital**

Cong. George H. Mahon, who was elected to a seventh term in the national House of Representatives, has announced that he is returning to Washington, but will come back to the district late in August.

Mr. Mahon said he wanted to hurry back to the capital and bring his work up to date before touring the district to thank the voters for their heavy support at the polls on July 27.

The congressman will open an office in Lubbock upon his return, but will spend most of his time in the 25-county district until he has covered it as completely as possible. Work in connection with his chairmanship of the appropriations committee, subcommittee on military appropriations, is needing his attention now, he said.

Meanwhile, Mr. Mahon had 44,420 votes and Hop Halsey of Lubbock 26,676, in voting in Saturday's Democratic primary in the 25-county 19th Congressional district, unofficial returns completed Tuesday showed. The margin was 17,744 votes.

Mahon led in 28 counties, and Halsey in two, Dawson and Garza.

class exists in Japan, and this latter class had nothing to do with the war; in fact, they hated it as badly as we did.

I sort of got off the subject. Our room is very comfortably furnished with twin, hospital style, beds; separate closets and dressing tables, two chairs, a mahogany table, and a green carpet on the floor. We have three sets of drapes over our windows. Every time Barbara and I looked up the first day we saw about a dozen Japanese coming in with another set of drapes. When we told them we only wanted one set they were so unhappy they almost cried. They wanted us to have the best; and, believe it or not, when they got through the effect was lovely—and, more important, THEY were happy!

The first weekend, I went to Atomi, a resort town 80 miles south, and lived just as the Japanese for a couple of days. Our office, the legal section, took over this place just for recreational purposes. It really is beautiful in the Japanese way. It formerly belonged to the president of the Nippon Steel Corporation, and is really an estate, the grounds covering one complete block, with a high brick wall all the way around. There are ten bedrooms without a stick of furniture—only the mats from wall to wall and built-in drawers and closets. At night mats filled with goose down were spread on the floors and they are very comfortable. All the doors are sliding affairs and can be opened on any side of the room, either partially or all the way, making the ventilation very good. This place overlooks the ocean on one side and the mountains on the other. The living room is large, with a huge fireplace, and comfortably furnished, much as any American room, and the dining room is furnished for guests. However, in the rear of the house there are several rooms with the low tables, about 16 inches off the floor, with mats or cushions, and this is where the Japanese always entertained, unless it was someone from the West. There are two sulphur baths, and it is customary to have a servant to scrub your back—but I didn't! I guess you have heard about community baths—where the men and women all bathe together. We did almost everything Japanese except that—that was too much for even the American men! However, I am told that some of the GI's slip off to the community bathing houses on the sly; I don't know if this is true or not.

There are any other places I have been of interest, but I haven't the time to tell you right now. Will write more later. This is really some place! The country is green now and very beautiful when you get out into the country away from the bombed areas.

Please write me; have been expecting to hear every day. I haven't had any mail since the first day I arrived.

I wish you all would pass this around to the girls, as I haven't time

to write much, as my job keeps pretty busy.

Bye for now.

Love, LOUISE.

**AQUAPLANE STAR SPILLS . . .** Fred Kerwin races for a fall in trial run during preparation for the National Aquaplane races to be held off the California coast along Hermosa and Manhattan beaches the middle of August. Aquaplane races were largely discontinued during the war. Many returned servicemen acquired the art in Pacific waters and promise to give strong competition in the sport. It has been estimated that several thousand will compete in aquaplane races in various parts of the United States during 1946.

### Joins Staff Of Farm Security

Miss Mattie Lee Seago, who has been teaching home economics at New Deal for the past two years, has accepted a position with the Federal Farm Security here, and began her new duties Monday of last week.

Miss Seago takes the place of Mrs. Laura Clifton, who resigned May 1 to join her husband, who had just returned from service.

### GEMS of THOUGHT

**Wisdom**  
Wisdom is the right use of knowledge. To know is not to be wise. . . . But to know how to use knowledge is to have wisdom.—Spurgeon.

—  
He who is taught to live upon little owes more to his father's wisdom than he who has a great deal left him does to his father's care.—William Penn.

—  
If you wish to train up a child in the way he should go, just swimish ahead on that line yourself.—Josh Billings.

Wisdom is the principle thing; therefore get wisdom; and with all thy getting get understanding.—Proverbs 4:7.

### Cunningham Letter . . .

(Continued from page one)

put them back fresh in the drawers, and we present them with a candy bar. I gave two of them a couple of old blouses and they were so devoted that they followed me around for days. However, I was reprimanded by the manager and told that this would cause rioting, and not to do it again. In the dining room we have so much service that we don't know what to do with it; there are about three girls assigned to tables for four. You hardly have to turn your head before there are three or four girls, dressed in their kimonos, bowing and wanting to wait on you. Never do they let our water glasses become empty or our coffee cups less than half full. It is depressing to see a race of people so suppressed and poverty-stricken. You see these people are the poorest, and of the 70 million people in Japan, only 50 thousand have money, or, had, rather, before the war. There was and still is to a certain extent a monopoly on commerce, industry, agriculture, etc.—all owned by the war lords and militaristic people; the rest are the peasant class, as no middle
