## City-Wide Garage Sale, 14th Annual Car Show

**CWE CHAT WITH EDITOR**  
By Louis C. Stas

We had quite an experience this past weekend. Barbara and I got to see it rain. Drops fell from the sky; unfortunately it was while we were in OKC and not Wheeler.

— cwe —  
**Congratulations, Robert Lewis, Pedro Hernandez!** I learned that we had a boys' doubles team playing at regional on Tuesday afternoon when they were escorted through town on the way to competition. They placed fourth.

— cwe —  
We say **Good Luck!** to the local members of the track team, who will be competing at Regional in Lubbock the first part of next week, May 2-3. We should have some state qualifiers.

— cwe —  
The spot where the rain gauge is located at the house received 0.02" moisture Monday evening. A very light sprinkle of pea size hail fell at the Meriwethers with the few drops of rain.

— cwe —  
We enjoyed the Meriwether Easter dinner on Saturday evening at the 'Lake House' in OKC. Liz, John, Phoebe and Jayden Jackson came to Jennifer's and then joined us at the Meriwether shindig. We all had a 'big time', especially the kids; there were egg hunts and fishing.

— cwe —  
And, I did get in on a game of cards.

— cwe —  
Afterward, Rhonda, Leroy and Stormie came over to Jennifer's for a game of cards.

— cwe —  
The card games Monday evening were split until the third game, which Dwight and I won; Rhonda and Leroy were our opponents.

### STORM REPORT

As Reported by...  
**Stormie Meriwether,**  
First Grade Student

Dear Friends, It was Easter for a week! We hunted eggs at church. I thought, maybe I'm too big to hunt the Easter eggs, but they had the little kids hunt in the grass and the big kids hunt in the park. I found a lot of eggs!

One day we had a party at my school. My mom and dad came and hid the eggs. All the kids in first grade found the eggs. I found eggs and I found Jennifer and Justin (Lee)! We opened the eggs and I ate too much candy!

I had some candy and gum in my room at my city house. My dad said, "No more candy and gum". I thought he would be mad 'cause I had gum in my mouth, so I hid it a little bit under my back. 'Cept it was very sticky and it stuck to my sheet. I almost got it all off 'cept some. My mom found it. She was a little not happy. I was banished from my room when

### Sheryl Lane Seek Parkview Bd. Post

Hello, my name is Sheryl Lane. Parkview Hospital employees and several others in our community approached me to run for the Precinct 2 Hospital Board position. Parkview and I have a long history together. I initially began working there in 1981 as a LVN. After being a stay-at-home mom for a few years, I returned in 1993 to the newly established Home Health Department, working concurrently in the Medical Records Department. In 2000, I became the interim director of Medical Records holding that position permanently from 2001-2007. I became a first responder in 1992, an EMT in 2000 and have been affiliated with the ambulance service since then. I am very proud of all those years, and because of my care and concern for our hospital, I decided to accept the challenge to run for the board position. If appointed, any process that I am a part of will be approached with two very strong convictions: **Parkview Hospital belongs to ALL the taxing citizens of North Wheeler County** who deserve excellence in healthcare and service; also, **there could be**

Sheryl Lane

**no Parkview in Wheeler without those employees who are so hard-working and dedicated,** and they deserve our utmost appreciation, support and representation. To all who are rallying for me, thank you so much! Please feel free to contact me at 806-375-2448 with any questions, comments or concerns.

### ALLISON NEWS

By Juanita Boydston

And without controversy great is the mystery of godliness: God was manifest in the flesh, justified in the Spirit, seen of angels, preached unto the Gentiles, believed on in the world, received up into glory. Timothy 3:16

Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God. And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus. Finally brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things. Philippians 4:6-8

I WILL extol thee, my God. O king; and I will bless thy name for ever and ever. Every day will I bless thee and I will praise thy name for ever and ever. Great is the Lord, and greatly to be praised; and his greatness is unsearchable. One generation shall praise thy works to another, and shall declare thy mighty acts. I will speak of the glorious honour of thy majesty, and of thy wondrous works. And men shall speak of the fright of thy terrible acts: and I will declare thy greatness. They shall abundantly utter the memory of thy great goodness, and shall sing of thy righteousness. The Lord is gracious, and full of compassion; slow to anger, and of great mercy. The Lord is good to all: and his tender mercies are over all his works. Psalm 145:1-9

Dear Editor,  
I want you to know what wonderful special people, friends and neighbors I have in my home town of Mobeetie. Yesterday I received an envelope containing a note explaining that the pictures included were of my yard there after the terrible wind of last Friday. The big old trees were in terrible shape with many, many large limbs on the ground. It looked awful.

Arica Lancaster had taken several views of the yard and explained them on the backs of the pictures. Last night she called me saying she had been down our street and several men and boys were there, cleaning them up. They included the pastor of the Baptist Church, Don McElroy; Jackie Don May, Tim Adcock and Jarrett and Garrett Childress.

There they were in our yard, cleaning up the mess—all the broken limbs with the fire department's machinery and equipment.

Now, who could ask for better friends and neighbors than that? I'm glad that's my home town! LaRue Flanagan Pierce (Editor's Note: Mrs. Pierce lives in Amarillo, but maintains the home place—the Henry Flanagan home.)

Spending more and buying less? Maybe you should be shopping at WAL-MART in Pampa where your dollar goes a lot further! Conveniently located at 2801 North Charles, phone 665-0727; this full line department store offers something that most other stores can't compete with... the area's very lowest prices on EVERYTHING! Food to feed your family, toys to entertain your children, school supplies, sporting goods, tools, and auto accessories. Nearly every little thing you can think of! Most "regular" retail department stores feature "full retail" prices. At WAL-MART, this is not the case! Here you get the service you want, the quality you look for, and prices you can afford! Open 24 hours, they can meet all of your needs at any given time day or night. The editors of this 2011 Business Review offer this suggestion to the people our area: So, whether or not you need a big grocery shopping trip, get your tire changed or pick-up a prescription, do what smart shoppers do...make WAL-MART your one-stop shopping headquarters for the best products, the largest selection and the ultimate in everyday bargains!

Seitz, Bill Finsterwald, Dale Corcoran, Maurita Stribling, Louise Hogan, Dutch Elliott, Joe VanZandt and Melba Corcoran.

Janie VanZandt got home from Idaho. Good to have her home.

Visiting Friday with Dale Corcoran were Barry Corcoran of Midwest City and Kevin Corcoran of Pampa. They were here for

Brandon Childress' funeral. Barry Corcoran also visited with Pete and Sue Seitz. Melba was in therapy and didn't see them.

Maurita Stribling visited over the weekend in Happy with Buddy and Debbie Stribling.

Burney Hughes of Hedley visited Sunday afternoon with Dale Corcoran. He was Aunt Edith's grandson.

The First Baptist Church had sunrise services at the home of Lonnie and Sandra Trout.

They had Deborah and Natasha Pearson to do music and testimony. It was a wonderful service followed with the Lord's Supper.

It was good to see Kade Wilson at church. I miss him since he has gotten out of school and

moved to Pampa.

Next Sunday will be the First Sunday Singing held at the Community Church in Briscoe at 6 P.M.

Melba and Dale Corcoran have a new great-granddaughter; Abby was born April 19 at Tulsa. She is the daughter of Anthony and Amber Sherrell and granddaughter of Melody and the late Kenny Sherrell. She has one sister, Aubrey.

Pray for rain; Mobeetie is very dry...even a good rain dance might help.

Visited with the Fred Thrashers at Wal-Mart Friday. It was good to see them. She was in a riding shopping cart and Fred was pushing a basket. (The same with Dale and me.) I had the stuff for the museum in mine and he had ours.

## OLD TIMES NOT FORGOTTEN

By Roland Miles

### GOIN' TO SEE GRANDMA & GRANDPA

When I was about four or five years old and we were living at Estelline, my folks, along with aunt Vera and uncle Fat, planned us up a really fine road trip; sort of a mini-vacation.

We were all going together to see Grandma and Grandpa Holt (Mom and Vera's parents) who were living down in the Grapevine area. This was several years before they moved to Wheeler.

Uncle Fat, fixed up one of the best traveling vehicles you could ever want. He had a fairly late model, one-ton, GMC or Chevrolet truck (early 40's) with cattle sideboards that were pretty tall. After he washed out the bed of the truck, he put a tarp around the sideboards, to stop some of the wind and it also, covered part of the top. He'd even got an old mattress or two, for us to sleep on if we wanted to.

They drove down to Estelline and picked us up at our house, then we all set sail. Needless to say, we kids rode in the back and the adults rode in the cab. I think part of the time, my dad rode in the back with us. There were my cousins, Leon, Shirley, Darrell, Charles, and myself. Come to think of it; Charles was a baby at the time, so I'm sure he rode in the cab with the adults.

It was great fun riding back

there! We could stand up and run around anytime we wanted, but were told not to be climbing on the sideboards. Uncle Fat, would stop about every hundred miles or so, to see if he'd lost any kids, or if anybody needed a pit stop. All I remember about the time we spent down there, was that Grandpa had some fish traps set out in a creek (not far from their house), that he checked on every day. Another thing that stuck in my memory, was about Leon. He "shinned" up a tree to look in a squirrel nest. About the time he got close to the nest, the "momma" squirrel ran out of it. When that happened, Leon panicked and slid down the tree, hugging it all the way down. He had rubbed a lot of hide off of his nose and chin, by the time his feet touched ground. After healing up, it took several more weeks for the scabs to finally come off. As kids, we've all been there.

The trip back home was just as much fun as goin' down there had been. We might not have looked like a very prosperous clan, but we sure were having a good time. I wouldn't say we were poor, by any means...we just didn't have hardly any money. Our parents and grandparents had just survived the "Great Depression," and things were really looking up!

In the case of a local officer stopping an individual with a warrant, officers in the immediate area will be notified to respond automatically. Finsterwald feels there will be some money from the city's account for this purchase. The court voted to allow Precincts 1 and 2 to each purchase new road maintainers. The "demonstrator" graders cost \$164,600 and \$189,000, respectively. The purchases were made through Yellowhouse Machinery Co., who submitted their bid at the April 11 meeting. Golden Spread Electric Cooperative, Inc. sought an electric line easement and right-of-way, but

the action was tabled for lack of completed paperwork on the part of the electric cooperative. The court considered the extension of the Depository Contract

with First State Bank of Mobeetie, Texas, for two (2) years and voted to extend the contract for one year and then, go out for bids. The next meeting of the court will be Monday, May 9, 2011.

**Storm** (from Page 1) Seth and Jaeden came for our Big Family Easter dinner. I was gone to the movie with Seth when my mom found the gum. That's good 'cause I think mom would not let me go if she found the gum in my bed 'afore' I went with Seth. The movie was great! It was called Hop. It was a fun. Jennifer got me popcorn and candy!

When the whole family got to my house, everybody went fishing! Tate caught the big bass fish! He is the best fisher! We catch

bass, crappie and perch. I love to fish. My dad and I went to fish at Texas Wheeler. We caught some fish, but we caught too much moss! We put some stuff in the water to kill the moss. I think it just made it grow bigger! Now my dad is going to get Grass Carp to eat all the yucky moss. I think maybe my old Grass Carp died or got too old or something.

This time at school I got in a little trouble. I was talking too much and I have to go to lunch "pretention" for two days! That's no fun. I was a little scared 'cause I thought maybe I would get a spanking. Lunch "pretention" is not fun, but I am very happy I didn't get a spanking. Now I have to get in line and be quiet! Sometimes my mouth just has too much to say! That's it.

**Exhibit** (from Page 1) held on Sunday, May 1st from 2p.m. until 4p.m. at the Visitors Center with Mr. Booth and Mr. Wilberforce present. Please take this opportunity to meet these artists and to view some amazing art work.
