## Old Mobeetie Music Festival Set For July 29-31

Hello to our music fans!! We are working hard to get the 2011 Mobeetie Music Festival ready to go. This year's festival dates are July 29, 30 and 31 to be held on the beautiful grounds of the Old Mobeetie Jail Museum.

We have music fans travel from all over the US to enjoy what we feel is one of the best festivals in our area. Plan to arrive early to secure your favorite parking place, as RV parking will still be on a first-come basis. We have plenty of hookups and dry camping area, as well as sufficient handicap spaces.

We will have six bands performing at our festival this year. We will again have Cedar Ridge Bluegrass and Graystone Bluegrass Revival, two of Oklahoma's top bluegrass bands. Returning as favorites of our audiences, we will have Star Canyon Band of San Antonio, TX., and Triple "L" of Portales, NM. (We are happy to announce that Triple "L" has gone professional. They are traveling all over now and performing regularly on cruises. We also have the ever-popular Batten Family Band of Lubbock, TX., back with us. New to our line-up, we have a new band out of Austin, TX, which we think you will enjoy very much. They have a wide variety of music including bluegrass, country and some Texas swing. They are Max Zimmet and The Riders. Hope you will enjoy them.

Our great soundman, Frank Cleveland, will be back doing a great job for us and Gina Seitz will be returning as our emcee.

The Mobeetie Volunteer Fire

Department will be on hand with their great concession stand and legendary homemade ice cream.

Remember to please bring your comfortable lawn chairs and pick your favorite spot under the shade

trees to enjoy the good, old-fashioned music on Friday night at 6 pm; Saturday 10:00 am to 10:30 pm or???? and Sunday morning 9:00 am 'til noon.

For more information call 806-

856-2028 or 806-665-1304 / omjm806@windstream.net or www.mobeetie.com.

### The Wheeler Times Reluctantly Increases Cost Of Advertising

Advertisers with 100 or more inches per week will be charged \$2.25 per column inch.

The rate for a display classified will be \$6.50.

The classified rate will be \$6.00 for the first 20 words with an additional charge of \$.25 for each additional word. This will be cash or check within a 2-week period. If billing is necessary, there will be an additional \$2 charge.

The cost of a "Card of Thanks" will be \$7, due within a 2-week period. If billing is necessary, there will be an additional \$2.

### CWE CHAT WITH EDITOR

By Louis C. Stas

All signs fail during a drought; but it did rain on Monday with the sun shining. I do remember that a rain Monday is supposed to mean it will rain two more times during the week. I can't remember what a rain with the sun shining is supposed to signal.

— cwe —

I certainly am not complaining for the 0.28" of rain we did receive Monday afternoon. It needs to be followed by a nice gentle rain for about the next two weeks.

— cwe —

I heard a siren shortly after the thunder on Monday. Most likely lightning set something on fire.

### STORM REPORT

As Reported by...

Stormie Meriwether,  
First Grade Student

Dear Friends, I am 8 and 1/2 years old! That's almost growing up! Growing up is a little sad and a little happy. When you get big you can't sit in the little chairs at Children's Church. I love Children's Church. Now I'm almost too big. On Sunday I had a great idea! Maybe I can still go to Children's Church and be a helper! That was fun! I told my teacher, "I'm getting to grow up for Children's Church. Today I want to be a helper." She was so happy. I passed out paper and colors and helped the kids! It was great!

You can't believe it! One day I was at Maxey's. I found one of my band guys! It is Carl and Debbie (Josefy). He looked at me and said, "Stormie, is that you?". I think he almost didn't know me 'cause I'm growing up. I am so excited to see him. He is a Star Canyon man. I love those guys! I have not seen them for a long time! One friend, named Jeff (Simmons) got sick and I haven't seen the band for a very long time. Now I am so happy. Jeff is better! He can sing, but he can't do the band things yet. I very want him to be in the band again. I miss those guys! Carl and Eddie will be at Mobeetie. I hope I can go.

Now it's almost time for school! I will be in second grade. My new teacher is Mrs. Huddleston. She is beautiful! She has two kids. They are older than I am. I think her girl is in sixth grade. She is really growing up. She was very friendly and nice to me. She shared her Iphone and let me play games. That was so nice of her. I'm growing up, but to a sixth grader I'm 'kinda' still a kid. Mrs. Huddleston's kids are very nice! I am so happy they came to Wheeler! That's it.

# MOBEETIE NEWS

By Melba Corcoran

Joe and Melba Darnell left Saturday for South Fork. They will be next to Aaron and Arica Lancaster. Maurita Stribling left Thursday to go camping with her children. They were going fishing in the mountains.

Those working this week at the Museum were Maurita Stribling, Louise Hogan, Suzanne Lohberger, Bobbie Walker, Gina Seitz, Melba Corcoran, Dale Corcoran, Bill Finsterwald, George Kilcrease, Joe VanZandt and Matt Smiley.

Gina Seitz and Bobbie Walker painted the porch of the jailhouse. Sure looks better.

Suzanne Lohberger has kept the flower beds watered.

George Kilcrease moved his motor home down Sunday. Hutch Elliott got her trailer house moved down Sunday. There are several campers already on the campgrounds.

Melba and Dale Corcoran are busy with therapy. Melba is changing up her dates due to the festival. She will go Monday and Wednesday this week.

The Baptist Church will not

Graystone Bluegrass Revival

have church services next Sunday due to the gospel program at the campgrounds.

Everyone was making homemade ice cream this week.

The Methodist Church of Allison had their Bible School last week. They had a good turnout. This caused Suzanne Lohberger to be out from the museum most of the

week. Hope to have more news next week.

### Thank You

We would like to thank the fire departments, county blades and everyone that helped fight the fire on our place in Kelton.

### Parkview Artery Juvenile Rheumatoid Arthritis

It may begin with a swollen knuckle, a spiking fever, or an unexplainable rash. But no matter what symptoms appear, hearing the word "arthritis" in a diagnosis for your child can be unexpected and confusing. Arthritis is an inflammation of the joints that is characterized by swelling, heat, and pain. Nearly 300,000 children in the United States have some sort of arthritis. Arthritis can be short-term - lasting for just a few weeks or months, then going away forever - or it can be chronic and last for months or years. In rare cases, it can last a lifetime.

It's not known exactly what causes JRA in kids. Research indicates that it is an autoimmune disease. In autoimmune diseases, white blood cells lose the ability to tell the difference between the body's own healthy cells and harmful invaders like bacteria and viruses. The immune system, which is supposed to protect the body from these harmful invaders, instead releases chemicals that can damage healthy tissues and cause inflammation and pain. Typically, juvenile rheumatoid arthritis appears between the ages of 6 months and 16 years. The first signs often are joint pain or swelling and redness or warm joints. Many rheumatologists (doctors specializing in joint disorders) find that the greater the number of joints affected, the more severe the disease and the less likely that the symptoms will eventually go into total remission.

**Physical Therapy**  
 An appropriate physical therapy program is essential in the management of any type of arthritis. A physical therapist will explain the importance of certain activities and recommend exercises suited to your child's specific condition. The therapist may recommend range-of-motion exercises to restore flexibility in stiff, sore joints and other exercises to help build strength and endurance.

**Regular Exercise**  
 When pain strikes, it's natural for your child to want to sit still. But it's important to maintain a regular exercise program. Muscles must be kept strong and healthy so they can help support and protect joints. Regular exercise also helps to maintain range of motion.

At home and at school, your child should maintain regular exercise and physical fitness programs. Safe activities include walking, swimming, and bicycling (especially on indoor stationary bikes). Always be certain your child warms up the muscles through stretching before exercising. Making exercise a family activity can increase the level of fun and enthusiasm.
