Here & There

Laura Guthrie

Labor Day is over. How tired I am. Once a year is enough. I had rather do my work daily, and keep up, rather than concentrate on a special day!

People came and went. I know Mobeetie had a great day. And you know what? Our local citizen, Sallie Harris makes a pleasing TV personality.

The C. O. Killingsworth had a lot of company. Their daughter Elwanda Gillie, husband John and daughter Joy of Denver, Colo. spent several days here. On Sunday they were joined by in-laws, Mr. and Mrs. Claude Simmons of McLean and the son, Virgil and Joan Simmons who live here.

The B. T. Clemens entertained their son and family, the David Clemens of Amarillo on Sunday and another son and family came from Colorado on Monday.

Last week Ruby Lee Sandifer drove her daughter Suzanne to Oklahoma City to emplane for New York and other distant points. Lavell Stevens accompanied Ruby Lee. They returned home that evening.

Mr. and Mrs. Cecil Blevins attended the funeral of Cecil's brother at Puduca last Sunday. Their son, Douglas of Canadian drove them there.

My grandchildren, Steve and Melinda were with me on the week end. Since School started there won't be long visits. On Monday the rest of the family joined us for the noon luncheon. They had to return home (Canadian) early in the P.M. because there is no respite for the laborer. Something I noted in the short time they were here. Immediately after lunch, there were nine boys playing football in my backyard. Only two of them were mine. Isn't it a fever that draws kids together? I'm glad their friends haven't forgotten them.

Bob Michener and Robert Wilson, Jr., son of the Superintendent of Girlstown, Borger came last Wednesday and picked up a load of supplies which had been left with Tessie Clark. They were unable to get it all at one load, so they will be back. They are so appreciative of everything, and Tessie says thanks to everyone, Wheeler, Shamrock, Allison, Briscoe and Gageby for bringing things to her.

Girlstown not only needs clothes but linens, curtains food supplies, laundry supplies, school supplies—anything any household uses.

Tupperware Party

The 1980 Senior Class of Wheeler High School will have a Tupperware Party on September 11, 1979 in the school cafeteria at 7:00 P.M. If you wish to place an order, but will be unable to attend the party, please contact the High School or a member of the senior class. Orders will be accepted through September 14.

The members of the Mustang Flag Corp will once again be adding color and excitement to the half time entertainment of this year's gridiron matches. The flag corp will be one of the groups featured in the opening half time presentation of the

JERRY LEWIS TELETHON PRODUCES RECORD PLEDGES

The 1979 Jerry Lewis Labor Day Telethon to benefit the Muscular Dystrophy Association (MDA) went off the air with a record \$30,075,227 in pledges. In the Amarillo viewing area, where the Telethon was seen over KFDD-TV, \$148,271 was pledged.

Telethon '79, which was broadcast by a specially assembled "Love Network" of more than 200 television stations in the continental U.S., Hawaii, Alaska, and Puerto Rico, originated from

Area Donation Reach \$1012

Xi Upsilon Eta members manned the phones for 22 1/2 hours to help Jerry's kids in their fight against Muscular Dystrophy. The telethon started at 8 p.m. Sunday and signed off at 6:30 p.m. Monday. The long hours paid off with last year's total surpassed. People of the Wheeler area phoned in pledges for \$922 and the door to door canvas brought in \$90.67.

We would like to thank these students for their help: Chandra Crockett, Becky Crockett, Kristi Pierce, Tracy Weaver, Cody Wiggins, Bill Wiggins, Jody Simpson and Dina Simpson.

Donations were made by: Mindy Hardcastle, Madge Erwin, Henry Kinnard, Charles Crockett, Becky Crockett, Dr. & Mrs. Larry Barbour, Don Rives, Dr. & Mrs. Mike Smith, Bo Dunn, Mary Sue Williams, Thurman & Linda Calcote, Cecil Bowers, Billy R. Hefley, Rhonda Jennings, Monty Kinnard, Deborah Donathan, Huey Williams, Pauline Sutton, Steve Walker, Jim Wright, Dennis & Brenda Hefley, Marla Pond, Chandra Crockett, Mrs. Richard Hampton, Fredericka Adams, Hope and Chamene Coffman in memory of Sam Agee, Sunny Hill, Greg Hampton, Daryl Snelgrooves, Clarence Holdeman, Tommy Daves, Wayne Kuehler, Mrs. Lillian Lee, Bobby Patterson, Kristi & Tammy Baker, Mr. and Mrs. Ronald Rives, Adrian Risner, James & Debra Hiltbrunner, Jenny Hiser, James & Keith Wall, Mrs. Virgil Jamison Buck Dollar, Mr. and Mrs. Tom Helton, Thomas Helton, Tom & Travis Cook, Ann Wright, Mona Guinn James & Kim Vise, Mrs. Gail Ledbetter, Kristi Pierce, Rich Brown, Richard, & Jean DeArment, Cecil and Nancy Pierce, Bennie & Joanie Brogdon, Mrs. James Phillips and Joe Rogers.

Punt, Pass, Kick '79 Is Scheduled

Pete Burton Ford is proud to announce the dates of the local competition for the Punt, Pass and Kick contest sponsored nationwide by the Ford Dealers of America in cooperation with the National Football League.

Saturday, September 27, 1979 at 1:00 P.M. on Nicholson Field in Wheeler, the local competition will get under way. Contestants between the ages of 8 and 13 years old (based on age as of Dec. 31, 1979) are eligible to compete at no cost to the contestant.

Contestants can register and pickup their copy of the official rule book at Pete Burton Ford, West Highway 152, Wheeler, Texas.

Lions Club Will Hold Broom Sale

The annual Lions Club Broom Sale will be held in Wheeler September 14-15. The two day affair will be located on the south side of the square. Members of the local Lions Club will work the sale.

Stock on sale includes brooms, mops, dust pans and all kinds of kitchen items. All items on sale are made by the blind.

Proceeds from the sale will be given to the blind and Girlstown.

Joe Montgomery Completes Course

Joe D. Montgomery of Wheeler, switching technician for General Telephone, recently attended a two-week training school at the company's training center in San Angelo. The course, Electronic Fundamentals, is designed to give employees up-to-date training in electronic circuits and their characteristics in preparation for later courses involving electronic telephone equipment.

973 REGISTER MONDAY AT "OLD SETTLERS' REUNION" PARADE, CONTEST WINNERS ARE NAMED

The Labor Day weekend festivities began Saturday afternoon with a parade in Mobeetie, leading from Santa Fe Street through down town Mobeetie and south to the Old Rock Jail where awards were given.

More than seventy-five participants were in the parade and the following awards were given. In the horse division, Pauletta James placed first, in second

place James Moore and Earl Banks placed third. The Canadian Riding Club took first place. Motorcycles, Bicycles and three wheelers were listed as follows, Bonnie Hogan in first place, Scott Corcoran in second and Julie Stepps in third. In Commercial Division the places were as follows, Bill Rains Pumping Service, first; Robco in second place and Roy Stribling Welding coming in third. The horses and buggy category were as follows; Gordon Taylor, first place, C.T. Rasco was in second place and Jim Harper received third place honors. All three were from Pampa. In the Novelty Division

Glen Sherrell in his 1942 Fire Truck took first place, Zana Corse took second place in her beautifully decorated Jeep and Lester Leonard driving the Mobeetie Fire Truck, came in third.

Saturday evening a dance was enjoyed by a large group of people, with "The Last of It's Kind" band coming from Sedan, furnishing the music. Monday morning dawned perfect for a picnic and Old Settlers Reunion and as the day progressed the weather continued to cooperate. The adults passed the day listening to speeches and music and doing visiting and reminiscing.

The youth spent a very enjoyable day with games such as potato races, egg throwing and other games.

More than 973 were registered to enjoy the delicious barbecue with trimmings.

Larry Johnston was elected president, Bill Ridgeway as vice-president and Steve Corse as Barbeque Chairman.

Guidance counselors, parents, friends, and a national service called the ACT Assessment Program will play important roles in that decision-making and planning for many students.

Designed to provide extensive guidance information for education and career planning, the well known ACT Assessment Program is recommended for use by student applicants at nearly 2,700 colleges, universities, and scholarship programs.

Wheeler High School students will have five opportunities during the 79-80 school year to make use of the national program, which consist of four tests and a two-part questionnaire. Students complete the questionnaire at home as part of the program's registration process, and then take the battery of tests at area test centers on any of five weekend national test dates, said Dewey Shepard, Counselor with the Wheeler ISD.

The five 1979-80 national test dates (and corresponding registration periods) are: Oct. 20, 1979 (Aug. 6—Sept. 21) Dec. 8, 1979 (Oct. 8—Nov. 9) Feb. 16, 1980 (Nov. 26—Jan. 18) April 12, 1980 (Feb. 4—March 14) June 14, 1980 (Mar. 24—May 16)

At area test centers on those five dates it takes students about three hours to complete the ACT Assessment's four exams covering subject areas of English, math, social studies, and natural sciences. Frank Phillips College in Borger carries all five test dates while Shamrock High School gives the ACT on December 8. Sayre Junior College carries the October, December, and April testing dates.

Shepard said the test scores provide an assessment of general educational development and the questionnaire information focuses on academic and nonacademic accomplishments and interests, anticipated needs, as well as career and educational interests and plans. The basic student fee for using the ACT Assessment Program this year remains \$7.50.

In addition to being used by students and their high school counselors, the extensive information provided by the ACT is also used by colleges for academic advising, admissions counseling, course sectioning and placement, student services, and institutional research. The students' ACT Assessment reports are sent to only those colleges specifically designated by the students.

Young Mustangs Face Big Test Against Improved Irish

According to some, it is like the state championship is on the line when the Wheeler Mustangs and the Shamrock Irish clash on the gridiron and that time of year is here as the Mustangs and Irish take the field Friday night in Shamrock to get the '79 season kicked off.

Fans will have to have a program to recognize this year's

black and gold Mustangs as only 4 starters on offense and just 3 on defense return from last season's semi-final champions.

The Mustangs of Coach Joe Allen will take an enviable record into Friday night's encounter. Having lost just two games in the past three years and with three district championships and a state championship under their belts, the Mustangs will abound with pride and tradition but a tougher opening foe probably couldn't be found.

"Shamrock's Irish have lost the last three games played against the Mustangs and absorbed a 46-6 lacing in the season opener last year which in itself will be incentive enough for the Irish if any was needed for the "County Championship".

"Shamrock is big and fast and they are a whole lot better this year than last year." Coach Allen said in a short assessment of the south county rivals. One of the Irish coaches, who has been on the staff for many years said, "We've got more speed this year than at any time since I have been in Shamrock."

Wheeler will try to counter the Irish speed with their typically hard hitting defense. "It's a cinch we won't break the long one against Shamrock because of their speed so we hope to keep them from doing it and control the ball," Coach Allen went on to say.

Both coaching staffs will be well prepared for the game as each team has had a couple of scrimmages and each one was scouted by the respective staffs. The Irish lost to Phillips in their first scrimmage and outscored Mangum last week and the Mustangs handled both White Deer and Claude in their two scrimmages.

Injuries and sickness have caused some shuffling in the Mustangs lineup but it is hoped everyone will be ready to see some action Friday night. Ricky Bond has been out with a broken hand and Arthur Zepeda missed the Claude scrimmage with sickness but both might see spot duty Friday night.

The Mustangs will take the field Friday night offensively guided by Rich Brown at quarterback. With Brown in the backfield will be Benny Baker at fullback, Willie Valencia at tailback, and Mike Evans at wingback. Up front the Mustangs will lineup: Kevin Andis at split end, Russell Gaines at tight end, Vic Bradford, strong tackle, Kyle Lasley, strong guard, Farrell Alexander at center, Wes Westmoreland, quick tackle, and Bobby Jones at quick guard. Baker, Bradford, Andis and Gaines are the only returning starters from 1978.

Defensively the Mustangs will have Paul Bentley and Tommy Calverly at the ends and Vic Bradford and Wes Westmoreland at the tackles in front four. Linebackers will be Benny Baker and Willie Valencia on the outside and Kyle Lasley and Russell Gaines on the inside. Mike Evans and Kevin Andis will man the defensive halfback spots and Ty Henderson will be the safety.

"You can see that our kids are young and inexperienced in spots but they will get with it," Coach Allen stated. "Andis, Baker and Bradford are our only starter returning on defense."

"Shamrock had a kid move in this summer by the name of Sims and he is eligible because he is a senior and he is big and fast and will run from both the fullback slot and tailback," Allen said.

The Irish run from a basic straight T formation but break it up into a multiple offense a lot of the time by shifting into a slot

McGEE-RATCLIFF VOWS ARE EXCHANGED

Melinda Sue McGee of Canadian, and Larry Keith Ratcliff of Wheeler, were united in marriage Tuesday, June 26 at Christian Center Church in Wheeler, with the Rev. Dick Broy of Clinton, OK officiating at the double ring ceremony. The bride was given in marriage by her step father with the traditional, "Her mother and I" vows. Melinda is the daughter of Mrs. Bonnie Howell, of Canadian, and Amos McGee of Limestone, New York. Larry is the son of Mr. and Mrs. Evert Ratcliff, of Wheeler. Attendants for the bride were, Melissa McGee, sister of the bride as maid of honor. Tamra Ratcliff of Wheeler, and Dena Wagner of Pampa, were bridesmaids. Grooms attendants were, Billy Binion of Sayre, OK as bestman. Dwain Ratcliff, brother of the groom, and Russell Phipps both of Wheeler, were groomsmen. Ring bearer was Andy McGee brother of the bride, and flower girl was Candy McGee, sister of the bride, both of Canadian. Ushers were Terry BROWN of Springfield, Mo. cousin of the groom, and Anthony Francis of Mobeetie. Candelighters were Lee and Todd Young both of Canadian. Wedding music was presented by Mrs. Sylvia Lee of Wheeler, at the organ. Susan Brown of Howe, and Linda Halliburton of Houston, cousins of the groom, sang, "He is Love" Larry sang,

"The Twelfth of Never" to his bride. A reception was held at Wheeler Christian Academy following the ceremony. The rehearsal dinner was hosted by the grooms parents Monday night. Jan Duncan of Wheeler registered the guests.

True Sportsman Shows RESPECT

There are many things a good hunter does to uphold his ideas of what a true sportsman is according to the National Shooting Sports Foundation and it all boils down into one word — RESPECT.

A true sportsman respects the rights of landowners by always asking for permission to hunt. He also keeps safely away from livestock and buildings. The instructions obtained from the landowner are followed to the letter as to where, when and what to hunt.

This outdoorsman also respects the rights of other hunters. If he sees hunters already in the field, he will not crowd in or "hog" the shooting opportunities. He will also respect the rights of hunters in his own party by letting them get a majority of the shots and game.

This sportsman knows the challenge of the hunt and he can have a great day afield without

taking the limit. The pleasures of life in the open with companionship of good friends and the simple rewards of trying to do a thing well are his to take home. He also enjoys the hunt because he knows the game laws and reports anyone violating them.

This sportsman uses a dog whenever possible to find downed or wounded game. This avoids wasting a valuable resource and increases the enjoyment of the hunt.

This hunter knows his firearms and ammunition and what it can do whether he is hunting birds or animals. This knowledge and experience is acquired by practicing the rifle or skeet range, in hunter safety classes, and, afield.

The sportsman handles his firearms safely at all times and shoots only when he is absolutely certain of his target. This will eliminate all chances of an accident and will cut down on poor shooting and loss of wounded game.

The sportsman picks up spent shells and litter because leaving an area better than the way he found it is a sign of thanks for the privilege of hunting.

The sportsman properly cleans and cares for his bagged game and takes only what he can use. This hunter also treats the game birds and animals with the respect they deserve.

This true sportsman, then, is a person with respect for himself, other hunters, the landowner, the firearms, the outdoors, and the wildlife.

Antelope Numbers Stable In Area

The antelope herds are monitored each year by personnel of the Texas Parks and Wildlife Department and a recent aerial count in the Texas Panhandle found the herd population up a little from 1978.

"Antelope are open-country animals which makes them easier to count from the air and we tallied 2,256 animals on a recent aerial survey in the Panhandle," said David Dvorak, project wildlife biologist.

"The P&WD will probably issue the same number of antelope permits to the area landowners as were issued last year which was 353," Dvorak continued.

The wildlife biologist noted that the traditional antelope range observed during the survey was in excellent condition with plenty of forb plants available to the animals.

The survey crew also counted 142 coyotes while flying the ranches

back formation, a wing T and also a power I. Shamrock will also give the Mustangs several different looks on defense from their basic 5 man front.

Wheeler will counter with the wing T and power I on offense and a split 4 on defense.

Friday night's contest will begin what is nearly assured to be the last season for a time, for the Mustangs in Class B competition. Unless there is a big change in enrollment requirements, the Mustangs will be in Class A beginning the 1980 school year.

LEARN NOW, PLAY LATER!

Tests are important, but what's in it for you when you crack that book just before the test and cram yourself tired so that you can make a passing grade the next day?

This kind of learning is normally unlearned right after the test.

The following ten steps can help you to learn intelligently:

1. Get plenty of rest at night. A tired body creates a lazy mind.
2. Try to see the complete picture, not small portions of it.
3. Study a little bit every day instead of trying to pack it in all at once.

4. Eliminate such outside interference as the radio and television. Reserve one well lighted spot in your home — some quiet corner where you can work undisturbed.

5. Keep your mind clear of such thoughts as the football game next Saturday or the party coming up soon.

6. Use the association method to store facts away in your memory. If you are unfamiliar with the association process, ask your teacher.

7. Make notes instead of relying solely on your memory. Then, use those notes. A knowledge of how to make a good outline is most helpful.

8. Studying with a friend can be helpful, but too often the subject matter flies off to matters of a social nature. Learn to study alone.

9. Keep in mind that what you study may not be of immediate use, but the future will prove that every shred of knowledge you gain will be a credit to you in some way.

10. Be selfish with your time. Good study habits and learning now will give you more important years of time later.

THINGS TO REMEMBER

1. The value of time.
2. The success of perseverance.
3. The pleasure of learning.
4. The dignity of simplicity.
5. The worth of character.
6. The influence of example.
7. The power of kindness.
8. The obligation of duty.
9. The wisdom of economy.
10. The virtue of patience.
11. The improvement of talent.
12. The joy of originating.

Briscoe News

Vetola Parker
 Aug 30, guess my last weeks news got lost between Briscoe and Wheeler in Lamond Beaty mail truck the Times office called me today the 30th said they did not receive my news. They were several inquiring why I didn't gather my news well I had lot more in it than this week because I thought that news would get in paper.
 Aug. 30, nice cool, cloudy coming in from south. Looks like rain.
 Well the year going fast, the fertilizer is going down in wheat

Xi Upsilon Eta Begins New Year

The Xi Upsilon Eta Chapter #5225 held it's Beginning Day Tea on Thursday, August 30 in the community room of the First National Bank.
 Members received their year-books for the coming year and out going president, Ann Coate, was presented with the scrapbook for the past year.
 Nina Walker, Lue Crockett, Pauline Sutton and Lynda Wallace spent a great deal of time and did a fantastic job on the year-books and scrapbook.
 Refreshments were served by Linda Hink and Mary Sue Williams. Plans for the coming year were discussed by the members: Ann Coate, Lue Crockett, Karen Hefley, Linda Hink, Debra Hiltbrunner, Pauline Sutton, Nina Walker, Mary Sue Williams and prospective member Bonnie Lightfoot.

Miss Brenda Payne Becomes Bride of Ronald Dyson

The chapel of the First Baptist Church of Shamrock was the setting for the family wedding of Miss Brenda S. Payne to Ronald Wayne Dyson on Saturday, July 28 at 3:00 o'clock in the afternoon.
 Rev Jim Scott, pastor, read the double ring ceremony before an altar decorated with an archway entwined with greenery and accented with white satin and lace bows flanked with branched candleabras enhanced with white satin and lace bows. A floor basket of white gladious and apricot carnations were placed in the center of the archway.
 Pews were marked with white satin bows made special for Brenda by her aunt Colleen Maile of Las Angeles, California.
 The bride is the daughter of Mr. and Mrs. Gene Payne of Shamrock. Mr. and Mrs. Dale Dyson of Mobeetie are the parents of the bridegroom.
 Scott Wells played the traditional wedding marches for the professional and recessional.
 Carol Payne, sister of the bride was maid of honor. She was attired in a formal length gown of sheer apricot floral over apricot taffeta and fashioned with an oval neckline, elbow cape sleeves and A-line skirt. She wore a matching garden hat with apricot streamers and carried a nosegay of apricot and white feathered carnations tied with streamers tied in love knots.
 Rick Briley of Perryton was best man.
 The bride, given in marriage by her father with "her mother and I'avowal, chose a formal gown of white re-embroidered English net over bridal taffeta. The gown featured a high neckline, with sheer yokes, short sleeves and a high waist line. The bodice was covered with re-embroidered lace clusters. The A-line skirt swept into a chapel-length train completed at the hem line with solid re-embroidered lace clusters. Her finger trip veil of illusion was attached to a head band of lace accented with seed pearls. She carried a bouquet of white feathered carnations accented with baby's breath and tied with white streamers tied in love

corsages were white carnations accented with baby's breath.
 The parents honored the couple, members of their wedding party and guest with a reception following the ceremony in the Fellowship Hall of the church.
 The bride's table was laid with an ivory lace cloth. The centerpiece was a large arrangement of apricot carnations accented with baby's breath and greenery. Crystal and silver appointments completed the decor.
 The wedding cake was three tiers separated with white pedestals and decorated with apricot flowers and topped with white wedding bell.
 Miss Ellen Weiss and Teresa Mounce both of Shamrock served the guests. Vina Davis and Kim Davis were members of the house party.
 Pam Dyson, sister of the bridegroom, presided at the guest register.
 For a wedding trip to points in New Mexico the bride wore a burgundy and white dress and lifted a corsage from her bridal bouquet.
 The bride graduated from Shamrock High School and attended West Texas State University and Clarendon College where she was a member of the Phi Theta Kappa honor society.
 The bridegroom is a graduate of Mobeetie High School and is attending Oklahoma State Tech at Okmulgee, Oklahoma.
 Among out of town guests attending were Mrs. Thelma Daugherty, Mr. and Mrs. L. W. Hurdle, Karen and Sandy Hurdle of Pampa, Dawna Hogan of Cedar Hill, Mrs. Audra Foster of Memphis, Mr. and Mrs. D. C. Powell of Turkey, Mrs. Paul Davis of Amarillo, Mr. and Mrs. C. C. Dyson and Debbie Dyson, Mr. and Mrs. Bill Dyson of Mobeetie, Randy Dyson and Jerry Dyson both of Mobeetie.

SEITZ REUNION IS HELD SUNDAY

Approximately eighty persons were present Sunday in the City Hall in Lefors for the fifty-seventh annual Seitz reunion.

All nine of the early-day Seitz sisters and brothers, now deceased—Fayette, Mary Jane, Annie, William, Pink, Jeff, Isabel, George, and Pearl—were represented by at least on de-

scendant.

The ones from the Mobeetic area attending were Messrs. and Mmes. Glen Hodges and Gail, Monroe Seitz, Sr., and Terri Seitz, Bob Galmor, Irvin Seitz, and Mrs. Joann Seitz.

The oldest one present for the day was Willie N. Johnson, 89, of Pampa. Four others—Pete Vanmeter, Hawthorne, California, Eracle Wright, Pampa; Arthur Seitz, Miami; and Roy Seitz, Spearman—are past the eighty mark.

The youngest one present was one-month old Kiley Seitz, sister of Kassie. Both are daughters of Mr. and Mrs. Aubrey Seitz, McLean.

Three of the late Robert Burgess sons—Robert, Jr., Artesia, N.M., Carol, and Gwen both of Amarillo were present for the first time in twenty-two years. Their wives, Gaylene, Florence, and Charlene respectively, were also present.

It was the first time in many years for others to attend: Earl Hardin of Houston, Floyd John-

BUS ACCIDENT: Eleven Wheeler Public School students and the driver escaped serious injury Thursday afternoon when the bus in which they were riding went off a 15' embankment two miles

north of Beef Cattle Co. The Driver, Rose Mary Dockins, swirled to miss a wash in the roadway and the ruts in the road apparently caused her to lose control. The soft shoulder gave

way and the bus tipped over on its side and slide down the embankment onto a gas line. The bus doors were opened and the youngsters climbed out uninjured—the driver received a

small cut. Two large wench trucks were used in the removal of the bus. The 1973 bus will more than likely be a total loss.

Safety Is Part Of Hunting Trip

The enjoyment of a safe hunting trip cannot be measured by normal standards, but one careless act or misjudgment on the part of the shooter, and the trip will be remembered for many seasons.

The number and type of hunting accidents are monitored annually by the Texas Parks and Wildlife Department since the agency regulates Texas hunting and trains safe hunters through its volunteer hunter safety program.

Comparisons of the number of accidents and fatalities between 1978 and previous years indicate that a small number of hunters are continuing to violate the rules of safe gun handling.

"Texas recorded 83 accidents in 1978 and 19 of these were fatal," said Theron D. Carroll, P&WD hunter safety coordinator.

"Only 30 of the 125 persons involved in these accidents were under 17 years of age which indicates that our volunteer hunter safety program is working," Carroll continued.

Of the 10,890 students certified in 1978 by the P&WD, over 57 percent were in 12-17 age bracket.

Hunting accidents occurred every month of 1978 with December recording a total of 20. Deer, dove, and rabbit were the three species of wildlife involved in the majority of the hunting accidents. These three species require continual judgment on the part of the shooter as to the correct time to shoot, identification of target, and zone or area of fire.

Visible identification in the field is necessary for both the shooter and other hunters. This is normally accomplished by the wearing or displaying of bright colored clothing such as hunter blaze orange.

Of the 23 hunting accidents occurring in 1978 dealing with hunter judgment, none of the victims had any bright colors displayed.

All shooters should review their firearms handling procedures and remember the 12 commandments of shooting safety.

1. Treat every gun with the respect due a loaded gun. This is the cardinal rule.
2. Guns carried into camp or home must be unloaded and cased.
3. Always be sure that the barrel and action are clear of obstructions.
4. Always carry the gun so the direction of the barrel can be controlled.
5. Keep the safety ON until you are ready to shoot.
6. Be sure of your target before you pull the trigger.
7. Never point a gun at anything you don't want to shoot.
8. Unattended guns should be unloaded.
9. Guns and ammunition should be stored safely beyond the reach of children.
10. Never climb a tree or a fence with a loaded gun.
11. Never shoot at a flat, hard surface or the surface of water.
12. Do not mix gunpowder and alcohol. Drinking alcoholic beverages slows the reaction of the hunter and affects the judgement of the shooter.

More information and training is available by attending a Texas volunteer hunter safety class. Contact the nearest Texas game warden, P&WD office, or call Austin at 512-475-4895 for classes in your area.

Teal Duck Season Opens Sept. 15-23

Texas sportsmen will have another early hunt when the annual teal duck season opens September 15-23 across the state.

The daily bag limit will be four with eight in possession after the second day. This bag limit may include four green-winged, cinnamon, or blue-winged teal or a combination of the three species. Shooting hours for teal will be from sunrise to sunset daily which is different than other migratory birds such as dove.

Legal firearms for the teal hunt are shotguns plugged to a three shell capacity. Bot teal and dove hunters are governed by the migratory hunting rules set by the U.S. Department of the Interior.

The teal and dove hunters will be required a new 1979-80 Texas hunting license, but the teal hunter will also be required to carry on his person a federal migratory game bird and conservation stamp. This duck stamp can be purchased at most U.S. Post Offices for \$7.50.

The early teal season is a means of harvesting the surplus species of teal that migrate through Texas in September prior to the regular duck season. Reports from the breeding grounds indicate a 20-percent increase in the blue-winged teal population over 1978.

More information about teal hunting is available by contacting the nearest Texas game warden or P&WD office.

Texas quail populations are being driven by personnel of the Texas Parks and Wildlife Department across the state.

Each of the 74 census lines being conducted on the High and Rolling Plains of northwest Texas covers a 20-mile line determined by P&WD computer. These roads are driven in early morning or late evening when the quail are out along the roadside. Abundant rains have produced heavy weed cover in many areas

making it difficult for the P&WD personnel to count the birds.

The number of birds observed by the P&WD specialists will be entered into the computer and compared with the last three years figures. This quail index will then be used by the P&W Commission to set the daily and possession bag limits in each region according to the production.

For those areas where weather or nesting conditions have been unfavorable, the daily quail limit could be reduced and in those regions where ample food and nesting results are high, the daily limit could be raised accordingly.

Comments from the survey crews are also taken into account by the P&W Commission.
