Bill McIlhany of Wheeler has been named to receive a \$4,000 college scholarship from First State Bank of Abilene.

The scholarship, established this year for students in the business administration department at McMurry College in Abilene, will provide \$1,000 per semester for two years, as long as the recipient maintains a high grade average.

A McMurry junior, McIlhany is a business major with a concentration in accounting.

The scholarship also includes a part time job at First State Bank. McIlhany is a 1976 graduate of Wheeler High School. At Mc-Murry, he is a member of Ko Sari men's social club and has been named to the Dean's List.

He was inducted recently into Alpha Chi national honor society. The upper tenth of the McMurry junior and senior classes at McMurry are elected to membership in Alpha Chi each year.

McIlhany has also served as help session leader in the course "Principles of Accounting," according to Dr. Manuel Flores, at McMurry.

Played Saturday

The Wheeler fifth and sixth grade played a Black and Gold game Saturday morning, at 10:00. The Black team was 22-12.

Steven Snapp was the first to score for the Golds. He ran the job to do and just go out and get final three yards for a TD in the first quarter. The score remained 0-6 until the second quarter the plague of over confidence when Draten Childress ran the final 3 yards for the Blacks to score and tie the score 6-6. The score remained tied only for a short time as Joel Dodd ran the extra points, making the halftime score 8-6.

Scoring in the second half started with a 50 yard run by Bill Wiggins; his TD made the score 8-12 in the Gold's favor. Tobby Collins turned the score back around later in the third quarter with a 15 yard run; the board now high in the Dallas Stock Show. In read 14-12.

The final points were made by the Black team in the fourth pay dirt. Dodd then carried the ball over for the final score 22-12.

TAX RELIEF FOR TEXANS!

If the Tax Relief Amendment is approved by voters November 7, the Texas Constitution will be amended immediately to incorporate some provisions with other provisions to be put into effect by the Legislature.

Provisions of the amendment include:

- *1. Homestead exemption from school taxes of \$5,000.
- 2. Exemption for elderly and disabled from school taxes up to \$10,000.
- 3. Exemption on household goods and personal effects.
- 4. Limiting the value of agricultural land (including forest land) to productive value, rather than speculative value.
- *5. Notice to property owner of re-evaluation of his property, including effect on
- *6. Public notice and hearing on any proposed tax increase. *7. Prohibiting statewide appraisal of property for tax purposes.
- *8. Prohibiting increased state spending above estimated growth of economy, except in emergencies.

* Effective immediately

(IMPORTANT: The Legislature has appropriated \$450 million to reimburse school districts for all or part of revenue lost due to homestead and agricultural use reduction.)

REMEMBER, A "NO" VOTE ON THIS AMENDMENT WILL TELL LEGISLATORS THAT TEXANS ARE NOT CONCERNED ABOUT SPENDING AND TAXATION.

LEAR NOT TO BURN Ken Daughtry — Fire Marshal

YOU ARE NOT ALONE! Don't risk a close encounter with fire!

Darth Vader doesn't confine his villainous activity to the other galazies. He spreads his treachery right here on earth, in the form of flame, smoke, heat, and toxic gases. These potential hazards flourish everywhere in the 20th century American environment, needing only one mindless act, one stray spark to erupt and cause death and de-

struction. Now is the time to focus on fire safety problems-and possible problems-before they're serious enough to blast their victims out of this world and into the

Roping Futurity this weekend. The horse will be entered in calf roping and heading and heeling competition. In November, the group will head for the World Finals which will be staged at the Oklahoma City Fair Ground Coliseum.

To qualify for the World Finals, a horse must win a State Club or Regional Club Championship. Co'Che's War has thus far wan two regions in calf roping and one region in heading and heeling.

If successful at Waco this weekend and Oklahoma City in November, Co'Che's War will establish a standard never before accomplished by a three-

"His chances are excellent in calf roping and better that average in the team heading and heeling competition,' stated Wendell.

An accident that rendered the horse virtually blind in one eye restricts his ability to some extent in heading and heeling.

"The accident occurred about two weeks after returning from Nationals," said Wendell. "From all we could figure, he touched his ear on a strand of electric fence wire, jerked his head sideways and caught his eye on some sharp wire below. The fence was high...he was apparently looking over at some other horses when he got into the electric charge."

The eye did not bother him too much however, at least in calf roping. Two weeks later, he won another show in his special-

A Man Who Understands Agriculture...

AND AGRICULTURE'S BIG BUSINESS IN THE 66TH DISTRICT

\$250 MILLION PER YEAR BUSINESS IN **OUR DISTRICT!**

AGRICULTURE IS A \$19.6 MILLION is pumped into WHEELER COUNTY each year from agricultural sales, and since our county's economy is primarily based on agriculture, WE NEED A REPRESENTATIVE WHO UNDERSTANDS AGRICULTURE.

FOSTER WHALEY:

- ★ Served as county agricultural agent for 27½ years.
- * Recognized as one of the top 10 agricultural agents in the entire nation.
- * Pioneered the principle of hedging cattle.
- * Helped organize the Texas Cattle Feeder's Association.
- * Has farmed and ranched most of his life.
- * Knows and understands agriculture—and that's good news for our district!

FOSTER WHALEY WILL:

- * Help keep Texas' taxes among the lowest in the nation.
 - Work to prevent foreign buy-outs of our farmlands.
 - * Work for increased efficiency.
 - * Work HARD for our district

We need a Representative with this background, experience, and philosophy.

John Hill calls for state tax freeze

"Our state taxes in Texas are among the lowest in the nation, and I want to keep them there. As I've said many times. I'll veto a tax increase before the ink dries on the

As Attorney General, John Hill proved he could increase the efficiency of his office without any unnecessary budget increases. He absorbed a three-fold increase in his office caseload by hiring top legal talent capable of higher productivity. The result: his staff lawyers doubled their average workload, and the increased court judgments and enforcement of civil penalty laws returned \$25 for every \$1 of state funds spent on

As Governor, John Hill will insist on this same type of increased productivity for all state agencies. He will institute new controls over federal funds, demand that we follow our "pay-as-you-go" budget policy, and use zero-base budgeting to eliminate unneeded programs before any new programs are added. And he'll block any state tax increase — there won't be any new taxes under John Hill.
