STORM REPORT

As Reported by...
Stormie Meriwether,
 Kindergarten Student

We wore our white caps and gowns. Mrs. Rutherford said, "Do not throw your caps in the air; you will be in big trouble." All the kids looked so good. We sat down and listened for our names. Mr. Watson, "Stormie Meriwether." I went to Mrs. Rutherford; she gave me a "Ploma". Now we did my graduation, I am in first grade!

You can't believe this! The next day after graduation, we went to school. We played on all the bouncy things. My favorite is the water slide. Mrs. Kimbro went on the water slide with the kids. Mrs. Kimbro, you are so cool!

Now we go to Bible school to play, eat food and talk about Jesus. Houston's mom is my Jesus teacher. That's it.

HOME REVEALED: The Carr family, BreeAnna, 13; Cody, 8; Huey, 43; April, 35; and Robert Lewis, 16, see their new home for the first time Saturday, June 6, 2009, at an event at the southwest corner of Wheeler, TX, arranged by Texas Panhandle Builders' Association. After an all-expense paid trip to San Antonio, the family was brought via limousine to Wheeler, where they were handed the keys to their new home. Their old home was destroyed two months and two days earlier by the April 4, 2009 Wheeler county fire

GATHERING: A nice size crowd was on hand Saturday, June 6, 2009, for the presentation of a \$85,000, 1,540 square foot, four bedroom, 2 bath home to the Huey Carr family of Wheeler.

NORTH WHEELER COUNTY AMBULANCE CREW: The individuals manning the North Wheeler County Ambulance Service vehicles are well trained and the majority are volunteers. Those on hand at the time the picture was made were: (back row l. to r.) Steve Walker, Cory Robles, Matt Warren, Carrie Gaines, Sherry Arnold, (front) Cathy Miller, Mary Jones, Brenda Sparlin. Not pictured are Amanda Floyd, Roger Brown, Stacey Horton, Dewayne Lane, J.W. Lane, Sheryl Lane, Les Leach, Wanda Love, Jason Miller, Thomas Peppers, Sue Stiles, and Angie Ware. The staff includes 4 Paramedics, 3 Intermediates, 13 Basics and 1 ECA. Give these individuals a big "Thank You" the next time you see them.

OFFICE/LIVING QUARTERS: The new North Wheeler County Ambulance barn's office also doubles as living quarters for the service's paramedics. The Parkview Hospital operated service is a paramedic service with a paramedic on board each time the ambulance receives a call. The 4 paramedics work 12-hours shifts. The new facility was made possible by Wheeler County, Parkview Hospital and contributions.

OPEN HOUSE: Ora Belinda SchoolHouse employees hosted open house Thursday evening, June 4, 2009. The early learning center, located at 1320 S. Alan L. Bean Blvd. (south edge of Wheeler on Hwy 83) will open as soon as the state gets "all the i's dotted and t's crossed." Ora B. Stiles' great-granddaughter, Abigail Rogers of Amarillo is shown here with Andrea Auldridge, one of the teachers at the schoolhouse. O.B.S. held open house Thursday.

Our deepest sympathy to the family and friends of sweet little Alvern Hutchison, 88, formerly of Wheeler. She had spent the last few months in Eastland to be closer to her daughter, Annette and husband, Jerry Jones, of Breckenridge. They were so good to come check on her every month after her health failed and she moved to the assisted living at Parkview Hospital. They would always try to find time to visit with cousin, Orville Greenhouse, before she moved to Dumas. Now they are both gone and we will miss them greatly. I had the honor of getting to meet the Jones' while they were here on one of their many frequent trips. No wonder Alvern was so proud of them and appreciated all they did for her. She is definitely her mother's daughter.

Leola Farris and Dick and Ann Graham have been enjoying a visit from Dick and Ann's daughter and family from the Denver area. They have enjoyed them so much and appreciated all their help in getting some of cleanup done from the fires that devastated Wheeler this spring.

It's definitely beginning to feel like summer. Certainly hope that the teachers and students are enjoying their summer break. The showers we've had are just wonderful. We've had over an inch and a half of rain in the last week. Although the winds have been a little unsettling at times, for the most part, we have had some beautiful weather. The rains have certainly helped the farmers, ranchers and gardeners. Of course, the weeds are going crazy too.

Congratulations to Junior and Beth Newman of Lelia Lake. They are going to make Tammy Newman a grandmother sometime in late July or early August. The whole family is so excited. Junior works with Beth's family in the farming and ranching business. He really enjoys it and will be a partner in the business. He is putting his college education to good work.

We have lost so many special friends in the area over the last couple of weeks. Our sympathy to Jim Darden and the family and friends of Edna Darden, 79, of Dumas. She passed away on Friday, May 29, 2009. Memorial services were held at the Hunt Memorial Methodist Church in Dumas with Rev. Terry Hart officiating. Jim and Edna had been married for 59 years. She was an active member of the Hunt Memorial Church while her health permitted, having been an official greeter for many years. She always had a smile for everyone. She was also a member of the VFW Auxiliary and the Eagles Auxiliary having served as president of both organizations at different times during her membership. Edna is survived by her husband Jim, son, Jimmy, and three grandsons. She will be greatly missed by many.

Saturday, May 30, was a bad day. Our condolences to the family and friends of Wayne Flowers, 57, of Canadian. Graveside services were held Wed. A.M. at the Edith Ford Cemetery in Canadian with the Rev. Monte Kreis officiating. He was a lifelong resident of Canadian and graduated from Canadian High School in 1971.

He was a rancher most of his life. He was preceded in death by a son, Dustin Flowers, and a sister, Sandra Sue Flowers. Wayne is survived by his wife, Sally (Jahnel) Flowers, of Canadian; three sons, David Flowers and wife, Natasha, of Clovis, N.M.; Danny Flowers and wife, Dawn, of Canadian; and Donnie Flowers and wife, Stephanie, of Lubbock; two brothers, Joe Flowers and wife, Sammie, of Gage, OK., and Roy Flowers and wife, Ann, of Spearman, TX.; five sisters, Francis Newell and Dixie Cook and husband, George, all of Canadian; Zella Meeks and husband, Robert, of Richardson; Pat Schaefer and husband, Larry, of Boswell, OK. and Vickie Bolin and husband, Bob, of Chandler, along with six grandchildren. He will be greatly missed.

Our deepest sympathy to the family and friends of Bill Miller, 73, of Canadian, who passed away June 1, 2009. A celebration of life was held Wednesday at the Church of Christ in Canadian with Rev. Dean English officiating. Burial was in the Edith Ford Cemetery. He was born and raised in Canadian and graduated with the class of 1955 from Canadian High School. Bill went on to attend West Texas State University in Canyon. He was a veteran of the US Army, having served in Germany. He was preceded in death by a son, Woody Charles Miller, and a brother, Ralph Gross. Bill is survived by his loving wife, Deanne (Gafford) Miller of the home; four daughters, Suzanne Baker and husband, Junior, of New Deal; Ruth Ann Abraham and husband, Salem; Melinda Hedgecock and husband, Ed, and Dana Dennis, all of Canadian; two sons, Kerry Miller and wife, Karen, and Scott Miller, and wife, Heather, all of New Deal; two sisters, Joyce Mathis of Pampa and Audrey Cackrell and husband, Pig, of Canadian; four brothers, Jim Miller and wife, Barbara, of

Blaine, Wisconsin; Gene Miller and wife, Linda, Jack Miller and Vern Lahlum, all of Pampa; 23 grandchildren and six great-grandchildren. Bill worked for Santa Fe railroad for many years. He was a member of the Church of Christ and enjoyed fishing and inventing new things. "Papa" was greatly loved by his grandchildren, family, and friends and will be greatly missed. Melinda was a teacher at the elementary school here for a while. Her students loved her and she was well respected by her peers. We've really missed her.

Sorry to hear of the passing of Jim Bussard, 85, of Lipscomb, on Wed., June 3. He was the father of Lipscomb's retired postmaster, LaVaun Kraft. Graveside services were held Sat., June 6, at the Lipscomb Cemetery. He was born in Canadian, attended Locust Grove School in his early years graduating from Canadian High School in 1941. He was a veteran of the US Navy serving in the South Pacific during WWII. Jim married Mona Turner in Tucumcari, N.M., in 1953. She preceded him in death in 2002. Jim and his faithful horse, Buck, retired from ranching last year. He was a lifelong resident of Lipscomb County and a member of the Locust Grove Church. Jim is survived by two sons, Lane Hill and wife, Brenda, of Darrouzett, and Lance Bussard and wife, Tanja, of Lipscomb; a daughter, LaVaun Kraft, and husband, Merle, of Lipscomb; a sister, Katie Thorne, of Amarillo; ten grandchildren; several great-grandchildren and six great-great-grandchildren. Lots of wonderful memories and great stories will follow him for years to come.

I am glad to report that mom, Carol Orthman, is resting at home and doing better after being released on Sun., May 31. Home Health care checks on her when my sister is at work. They are keeping a close eye on her blood pressure and heart rate, as it wanted to run away with itself. She has an appointment Tues., so hope to get a much better report.

They didn't change any of her medicine, only the dosage. She sure won't be taking any more Avolox, though. She had a surprise visit from some very special friends from San Antonio, Jean and George Dannesfeler. Jean is the ex-wife of one of mom's cousins. They had a great visit, even though it was very short.

Jeff, Sky and Harley got moved to their new home last weekend. They are really enjoying it.

I spent from Thurs. night until Sat. afternoon with mom at BSA. My sister came down on Sat. to spend the weekend with her. Her daughter, Shelly Adams, grandson, Zach, and granddaughters, Autumn and Abigail; son, Scott Willis, and Shelly's grandmother, Marie, all of Hereford, came by to visit with Grandma Carol Sat. A.M. Then, it was wait and talk to the doctors. After seeing the internalist and cardiologist, I was on my way home. Our grandson, Michael, arrived bright and early last Sat. to spend the summer with us. Sunday afternoon, much to our surprise, they let mom out of the hospital.

Monday, we were in Amarillo again for Bob's eye checkup. What a surprise to see Doug and Pat Corse there before we left. They are such a sweet couple. She is such a precious "return-"

How excellent is thy lovingkindness, O God! Therefore the children of men put their trust under the shadow of thy wings. They shall be abundantly satisfied with the fatness of thy house; and thou shalt make them drink of the river of thy pleasures. For with thee is the fountain of life: in thy light shall we see light. Psalm 36:7-9

Give unto the Lord, O ye kindreds of the people, give unto the Lord glory and strength. Give unto the Lord the glory due unto his name: bring an offering, and come into his courts. O worship the Lord in the beauty of holiness: fear before him all the earth. Psalm 96:7-9

That You would grant me, according to the riches of Your glory, to be strengthened by my might by Your Spirit in the inner man; That Christ may dwell in my heart by faith; so that I can be rooted and grounded in love, That I may be able to comprehend with all saints what is the breadth, and length, and depth, and height: And to know the love of Christ, which passeth knowledge, that I might be filled with the fullness of God. Ephesians 3:16-19

Praise ye the Lord. Blessed is the man that feareth the Lord, that delighteth greatly in his commandments. His seed shall be mighty upon earth: the generation of the upright shall be blessed. Wealth and riches shall be in his house: and his righteousness endureth for ever. Unto the upright there ariseth light in the darkness: he is gracious, and full of compassion, and righteous. A good man sheweth favour, and lendeth: he will guide his affairs

with discretion. Surely he shall not be moved for ever: the righteous shall be in everlasting remembrance. He shall not be afraid of evil tidings: his heart is fixed, trusting in the Lord. His heart is established, he shall not be afraid, until he see his desire upon his enemies. He hath dispersed, he hath given to the poor; his righteousness endureth for ever; his horn shall be exalted with honour. The wicked shall see it, and be grieved; he shall gnash with his teeth, and melt away; the desire of the wicked shall perish. Psalm 112:1-10

Thou art worth, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created. Revelation 4:11

The weather here in Allison, Texas on Tuesday morning is cloudy and humid, but praise God not much wind right now. May be later on. Allison hasn't received much rain the last few days, but this reporter asked the Lord to send the severe clouds around so therefore we didn't get any rain. But Allison don't need any large hail or any for that matter and tornado's and high damaging winds. I know no one needs them, but I pray that the Lord will lift the clouds or send them around into a pasture where it won't do much damage. Praise the Lord for his goodness and for answering prayers!! Everything is so beautiful out. Juanita's little garden is coming up and looking nice. Opal's flowers are just blooming so beautiful and our rose bush in the back yard is just blooming beautiful pink buds. Every once in awhile Juanita has to gather a bouquet for her mother, Opal.

The Allison Community was saddened to hear of the death of Neta Ault. She will be greatly missed. This Allison reporter will miss her when going over to the pecan orchard not far from Allison. I always enjoyed visiting with her when I saw her. She was a very sweet and precious woman. God bless the her family, we are praying for ya'll.

Curtis and Lillian Boydston visited her daughter and husband, Larry and Sharon Mikles in Oklahoma City, Oklahoma.

Saturday, Curtis and Lil's daughter in law, Nancy, her son Steve's wife had a birthday so Steve took his wife out to have a nice time and then went on to Ada, Oklahoma where Steve and Nancy Vaughn stayed the night and attended the United Pentecostal Church pastored by Bro. and Sis. Daniel Johnson.

Bret, Hayley, McKinley and Boone Begret were in Ottawa, Kansas Friday and Saturday attending the Heartland Limousin Association Regional Heifer, Steer and Bull Shows. Bret was there representing the North American Limousin Foundation. Diane Rose of Canyon, Texas

visited in the home of her mother, Alice Kelly over the weekend.

Pete Gilmer, Becky Gilmer, Jeanie Gilmer, Linda and Rodney Ingersoll and son Andrew journeyed to South Padre Island. Keith and Ann Boydston and daughters, Natalie and Jessica all met them there and they all enjoyed a ten day vacation. They had a great time shopping about 45 miles from there and Pete reported a great and wonderful time. They celebrated Father's Day early and also celebrated Natalie's birthday early. They lots of good food while there and just a good time.

Last Saturday, Peggy Chandler's son, Brad Chandler and his daughter, Jana Bartholomew and Jana's children, Janessa and newborn baby boy, Austin Bradley visited Peggy Chandler and let her be introduced to the new family member. Brad is a very proud grandpa of this grandson that has his name-sake.

Tuesday evening, Curtis and Lillian Boydston, Bennie and Debbie Boydston, Heather Archer and daughter, Paisley, Opal and Juanita Boydston and Gary Boydston visited in the home of Louise Boydston.

Wednesday, Opal and Juanita Boydston and Curtis and Lillian Boydston met in the home of Glenn and Betty Boydston and enjoyed a delicious supper and then enjoyed a game of Spinners. Curtis won this time around.

Thursday, Curtis and Lillian Boydston came to Opal Boydston's house and helped his mom, Opal Boydston do lots of yard work. They trimmed trees and shrubs and hauled a pickup load of limbs and trash off and just made the place look better and more beautiful.

Thursday evening, Opal and Juanita Boydston accompanied Curtis and Lillian Boydston to Shamrock, Texas and Wheeler, Texas to do some shopping and on business. Also they visited Billy June Brown in Parkview Hospital in Wheeler, Texas. She is doing better, but still needs our prayers. We are praying for you Aunt Billy!!

Friday, Curtis and Lillian Boydston came to Opal's and did more yard work for Opal.

Sunday night, Opal and daughter, Juanita Boydston were very lonely as not many folk were in Allison at that time. So they played a game of Spinners and Juanita's mom won with only seven points. Way to go Mom!!

Hopefully Aunt Billy June Brown will get out of the hospital today on Tuesday.

For all of you wondering about Vance and Carol Boydston, we

talk to them often and they are doing fine in India. Close to the end of this month they plan to go to Florida to visit kin there for a 50th Anniversary of her kin. Then it won't be long till they will be coming back home. Opal and Juanita are so looking forward to that. We miss them greatly!!

May God Bless and Keep ya'll till next time!!

Parkview Artery Bone Density and Colas

Regular consumption of carbonated cola drinks may increase risk for low bone mineral density (BMD) in women. Well in America we love our Colas. Wake up with them. Buy them by the gallon. Well it's just part of the way we live. But just to help you with what goes on when you drink a cola or two. Here are a few facts what too much colas can do to your bones.

Osteoporosis affects 10 million Americans and an additional 34 million have low bone density and are at risk for the disease. Osteoporosis can lead to hip fractures, physical decline and is a major cause of nursing-home admissions among the elderly. The disorder is more prevalent in women. Women who drank more than three, 12-ounce servings of cola per day had 2.3% to 5.1% lower bone mineral density in the hip compared with women who consumed less than one serving of cola per day.

Similar results were seen with the diet and caffeine-free cola beverages but not with non-cola carbonated beverages. Studies have found that girls with BMD have more fractures than others, in part because drinking cola leaves less room for milk and other bone-building dairy products.

So each time you drink a cola, there's a small effect on the bones, but over the years there's a cumulative effect that results in lower bone density. It starts to show more in middle and old age.

Bones naturally become less dense and weaker with age and four times as many women as men today have osteoporosis, though it does affect both.

The key to success is moderation. You don't have to live a life without cola.

with her husband in the catering business; she fills in at the courthouse when needed; you can see her waiting tables at Maxeys, and she is custodian at the Country Chapel. In addition to these, she has somehow found time in her busy life to donate untold hours to her community through leadership in the Girl Scouts.

"When she assumed leadership of the girl scouts in 2005, there were nine members. Over the years the scouts increased to 38 members and embraced Daisies, Brownies, Juniors and one Cadet.

"She accepted even greater leadership and is currently serving as Service Unit manager for all of Wheeler County with responsibility over programs for 59 scouts. Local activities include numerous campouts, cookie sales, decorating and giving local businesses small Christmas trees, visiting the nursing home, having bake sales and last year sending over \$1,400.00 worth of donated Girl Scout cookies to our troops overseas. This year's total cookie sales will earn \$31,000. She has made a positive impact on these young girls, and it will stay with them throughout their lives."

Joyce Walker was called forward to accept her award.

Man of the Year

"Wheeler's 2009 Man of the Year was born into a family of Wheeler County Pioneers," stated Charles Kuntz in making the presentation. He continued, "This farm family came to Wheeler in 1906 to find good land and good water. With hope and optimism they began to build their future on the Sweetwater Creek. Hope and optimism with an eye to the future describes Wheeler's Man of the Year. This man was born in 1940 during the hard times at the end of the Great Depression and the beginning of World War II. The early days of his life taught him lessons of sacrifice. He learned about taking care of your family and neighbors and how important a good neighbor is in times of trouble.

"Living in the country with his parents, little brother, uncles and grandmother, taught him the lessons of responsibility for yourself and others. He watched his parents work hard on the farm. He joined in at an early age, first watching his baby brother bundled up cuddled in the hand-picked cotton on a trailer in the cold fall days, while the crop was harvested.

He was naturally a quiet, shy little boy with not much exposure to other people or children. School was at first an awe-inspiring experience. He quickly made friends with all those children in his class

of 60 first graders. Many of those friendships have lasted a lifetime. Loyalty to your friends is another characteristic of this man. The Class of '58 celebrated 50 years since graduation last May in his home. He served as President of the Wheeler Ex-Student and Teacher Association in 1987.

After high school and two years of college, this man decided he needed to find employment and went to work for Phillips Petroleum as a truck driver. He quickly moved up through the ranks because of his work ethic, responsibility for others, and loyalty to the company. By this time he had also married and had three children under the age of 5. He finished his time with Phillips as Regional Transportation Superintendent in West Texas. After 15 years with Phillips, he retired and returned to Wheeler to help his parents with the farm and to be with them during their declining years.

He and his wife bought a business in 1980 and began to get involved in community activities. He served on the Committee for the 75th Celebration of Wheeler. He served Meals on Wheels by setting up and manning the booth until 10:00 p.m. at the Annual 4th of July Celebration for many years. He has served on the Wheeler City Council for 13 years. He has served on the Board of Directors of First State Bank of Mobeetie for 14 years. He also served on the Board of Directors of the Old Mobeetie Texas Association, where he volunteered for 14 years. He also volunteers his time to the Wheeler Cemetery Association, when special projects come along that his talents can be put to use.

"Jimmy most often serves quietly behind the scenes, seeing that a need is met. He has recently been involved in providing new, modern housing to Wheeler residents. He also was a partner in a venture to rehabilitate a dilapidated building on the town square and turn it into a viable business and an attraction for the community. His most current interest is in turning the wind into electricity for homes and communities. He leads by example and investing his time and talents in his beliefs.

"Not caring much about material things, his treasures are his family. His children, Melissa, Chip and Sonya, are his gold and proudest accomplishments. His eight beloved grandchildren are his investments in the future.

"Wheeler's Man of the Year is a man of responsibility, loyalty, hope and optimism—Jimmy Hill."

Farmer/Rancher of the Year
Dr. Ben Ed Hillhouse was selected to present the chamber's Farmer/Rancher award for 2009. In making the presentation, Dr. Hillhouse stated, "The recipient of

this award deserves recognition in our community for many reasons. He has been involved in numerous community organizations, owned a successful business, and raised his family here in Wheeler. He has served on the Board of the Wheeler Chamber of Commerce, the City Council, the Wheeler County Appraisal/Review Board, the school board, as well as serving on the Board of Directors of the First National Bank of Wheeler. He has also served as president of the Wheeler County Farm Bureau Directors, where he is currently serving as the Vice President. He is a member of the First United Methodist church, where he currently serves on the Board of Trustees.

"This farmer/rancher has been a custom combiner for most of his life, starting out with his Dad when he was just a kid. When he got married, he branched out on his own and bought one combine for \$5,000. A couple of years later, he bought another one for \$8,000. As his business grew, he was able to upgrade over the years.

In 1968, he bought a place west of the cemetery and has been a farmer/rancher ever since. Today he owns and operates approximately 3,000 acres of land. In the past, he raised wheat and Milo, along with cattle. Last year he finally decided to retire from the combining part of his business. And today has turned everything to grass and hay for a cow/calf operation, with mostly Brangus cows and Angus bulls, some mixed and occasionally feeder calves. He also retired from Lee Hardware and Furniture after 38 years in business, when he sold it in 1996.

"Our recipient of the Farmer/Rancher of the Year award was born right here in Wheeler and has lived here for all of his life. He married his wife, Nancy, in 1958 and is the father of two daughters, Myranda and Kristi. He is also the grandfather of three, Bradan, Brady and Audrey.

"The award of Farmer/Rancher of the Year goes to Cecil Pierce."

Employee of the Year

Susan Laffew had the honor of presenting her mother, Bonnie Davidson, the Wheeler Chamber of Commerce Employee of the Years Award. Before presenting the plaque, Mrs. Laffew stated:

"Our employee of the year is a 1964 graduate from Samnorwood High School. After graduation, she married Charles Davidson and had three daughters, Melinda Stiles, Susan Laffew, and Julie Davidson. "While raising us girls, she struggled to finish her LVN degree through Clarendon College. Going to class 5 days a week from 8-5, she never missed one of our ball games, track meets, U.I.L. events, or stock

shows. She would follow behind the school bus with her books and book light and study before the game, at half time and have her flash cards for the ride home. Today her tradition carries on with her grandchildren, cheering them on in whatever they do.

She managed to complete her degree and start her career as a nurse at the Wheeler Care Center. The Director of Nurses at that time said she "had never had an employee that she could depend on more". At the Care Center she developed the greatest capacity to love and care for the elderly in our area.

"She enjoys chatting with the old timers about calving heifers, planting crops, and listening to their wisdom. Not only is she a nurse, but also for the past year has kept the farming and cattle operation going as strong as the previous 35 years. Her favorite hobby is calving out heifers.

"She has been employed with Parkview Hospital Home health for eight years. She goes far beyond the call of duty for her patients. When is more than happy to go through a box of quilts, reminiscence about the good ole days, or talk about cattle with her patients. Many of our patients request only her. After work and on weekends, she puts forth the extra effort to check on her patients and their families, either with a phone call or a surprise visit.

"She is certainly an ambassador for our older people and very deserving to be called 'Employee of the Year.'"

Pioneer Spirit Award

Paula Britt came forward Saturday evening, June 6, 2009, to present the chamber's Pioneer Spirit Award. She commented:

"The Pioneer Spirit Award is presented each year to long time residents of Wheeler County, who have contributed to the betterment of their community over many years.

"We honor tonight a husband and wife, who truly fill these criteria.

"I will start this story in 1957, when Hyland and Betty Weaver met and fell in love. Hyland was finishing Pharmacy School and Betty was working on a degree in education. When Hyland finished school, he served a stint in the army. The romance deepened until finally Hyland got a weekend leave and came back to Oklahoma and married his sweetheart.

"When Hyland was discharged, they moved to Amarillo, where Hyland worked; Betty finished her education at W.T. and Tommy was born.

"All this time, Hyland has been looking for a pharmacy to buy. He had narrowed it down to Shamrock or Wheeler. He decided on Wheeler because he could buy it and be sole owner. Frank Wofford

sold it to them in '61".

"You may remember in '61, we had no doctors or hospital of any kind. A group of concerned citizens avidly pursued the establishment of a hospital district, the construction of a hospital and the recruitment of doctors. The hospital opened in 1964. Hyland Weaver played an important role in this accomplishment. The fact that there was already an established pharmacy was key to this success of this venture.

"Soon after moving to Wheeler, the Weavers built a lovely home on Main Street, Tracy was born and Betty began teaching in grade school. After 5 or 6 years Betty quit teaching to become the book-keeping for the pharmacy. This remained the status quo till the store was sold to Tommy and Sharla in '88.

"Hyland hired high school students to work in the store on Saturdays; after school and in the summer. One of these kids evidently had sticky fingers, for Hyland, some years later received an anonymous letter with the cash and a note saying that Hyland was just too good to them to steal from. To this day on one knows who the culprit was.

"About five years ago, Sharla's sister, Beth, was in a doctor's waiting room in Oklahoma City, and was visiting with a young man, who mentioned he was a pharmacist. She replied that her brother-in-law was a pharmacist in Wheeler. The young man replied, "Yes, that would be Hyland Weaver. It was because of him that I chose my profession. He was so good to my folks when they were ill. I am Jay Kinnard, Phyllis's son."

"We do not have time to tell of the prescriptions filled after closing time, the drug bills carried for months and years, the sacks of peanuts given to hungry kids and the story goes on."

"This award was decided on before Betty's untimely death and that is sad because Betty loved the town of Wheeler and the

people in it.
"It gives me great pleasure to honor both Betty and Hyland Weaver—hardworking, honest, rock solid citizens.

"Hyland, dear friend, would you come forward and accept the Pioneer Spirit award for both you and Betty?"

Commissioners' Court

Court Approves Application For Local Option Liquor Election

The Wheeler County Commissioners' Court convened Monday morning at 10:00 A.M. in the commissioners courtroom of the Wheeler County courthouse to act upon the twelve items on the agenda.

The court approved the minutes of the May meetings.

The monthly reports of the Justices of the Peace, County Clerk and District Clerk were accepted.

The Commissioners voted to approve the hourly payroll time

sheets for payment as presented.

No action was taken on the burn ban. The ban is not in effect.

Action on the budget taken at the meeting was the moving of monies by the commissioners from one of their accounts to another of their accounts to take care of business.

Shawn S. Scholl and Joshua S. McAfee presented the court with an application to open a neighborhood road to allow them access to 90 acres of property they own

in southeast Wheeler county. The Buckingham family, represented by Keith Davis of Wellington, renewed their objections to the road, and presented a Texas Attorney General opinion, stating that county commissioners could not take private property to open a neighborhood road.

The commissioners voted to allow Scholl and McAfee access to their property. Following the vote, Davis presented them a "Notice Not to Enter". The notice reads:

Notice Not To Enter
Notice is hereby given that no Wheeler County official, employee, contractor or any person appointed by the County may enter any real property owned by Billy Buckingham, Carolyn Buckingham, Brett Buckingham or Tara Buckingham for the purpose of facilitation of the building of a neighborhood road.

Notice is also given to Shawn S. Scholl and Joshua S. McAfee that you may not enter upon any real property owned by Billy Buckingham, Carolyn Buckingham, Brett Buckingham or Tara Buckingham for any purpose.

Signed June 5, 2009.
Weight limit signs will be placed on County Road "J". The weight limit will be 20,000 lbs. This limit pertains to the road north from Hwy 83 on County Road "J" to County Road 18.

Greg Garrison petitioned the court for the approval of the application for a Local Option Liquor Election for the City of Shamrock. The necessary paperwork was complete, which required commissioners to approve the application. If 214 signatures of registered voters in the city of Shamrock are collected, a special election will then be called. The election would be in November.

Eagle Rock Oil and Gas Company requested County Road "S" 1/2 mile east of FM 1443 as a Class A County Road. The road has never been closed, maintenance was discontinued due to lack of use. It was decided to start maintaining the road.

Hubert Moore, Commissioner, Pct. 3, requested the court's permission to purchase a new four-wheel drive front end loader. The request was approved.

The court voted to renew the Wheeler county retirement plan.

Texas Historical Commission Is Committed To Saving Cemeteries

Time and threats are the common enemies threatening historic cemeteries in Texas. Neglect, vandalism and theft are affecting cemeteries throughout the state, but the dangers are especially apparent in the West Texas region. To combat this deterioration the Texas Historical Commission (THC) established the West Texas Cemetery Preservation Initiative to engage and train individuals and organizations in 70 counties in the West Texas and Panhandle regions that did not previously contain designated Historic Texas Cemeteries.

The initiative utilizes the THC's two cemetery preservation efforts, the Historic Texas Cemetery (HTC) designation and the RIP Guardian program. Reported through grants from the Dodge Jones Foundation, the Permian Basin Area Foundation and former THC Commissioners Clifton and Shirley Caldwell, of Albany, the initiative has been effective in developing education, workshops, documentation, training assistance that is provided free of charge to participants. One year ago, only 173 counties had HTC designations and 70 counties in West Texas had none. Thanks to the generous sponsors of this program, there are now 220 counties with HTCs, and most of the new designations are in West Texas.

terials, time and labor from numerous volunteers, the Carr family was given the keys to a new \$85,000 home, which had been constructed in just seven days. The building and completion was under the direction of the builders' association.

Following the pattern of the popular TV show, "Extreme Makeover—Home Edition", the Carrs were sent on all expense paid week long vacation in San Antonio, while the home was built.

On Saturday, June 6, two months and two days after their home was destroyed, the Carr family was given the keys to their new home.

The Carrs were selected because they were the only ones who owned their property and didn't have another place to move. Five other homes destroyed by the fire were uninsured.

Texas Panhandle Builders' Association also gave \$5,000 to Wheeler's fund to help the fire victims; the association plans to also help these families in other ways.

KVII-TV filmed the construction and gift of the home with a 30-minute boardcast scheduled for Sunday, June 21, at 10:30 P.M.

"The great-grandkids kind of let it slip that there was going to be a party, but 'mom' didn't know who was going to be there." When Beth & Cindy told her to "dress up", she thought she'd be funny and dress like a bag lady. It was hilarious. What was even more hilarious is that none of her kids were all that surprised," writes Terry Hovey in the news release. Mrs. Hovey is shown here with her daughter-in-law, Beth Hovey. about the benefits of the Historic Texas Cemetery designation."

Since the beginning of the Historic Texas Cemetery Program in 1998, more than 1,200 historic cemeteries in 220 counties have been officially designated. In 2006 Preservation Texas named historic cemeteries to its list of Most Endangered Historic Places and the THC estimates there are as many as 50,000 cemeteries throughout the state, many of which could be eligible for historic designation. Although the West Texas Cemetery Preservation Initiative has provided counties with valuable tools, only a handful of cemeteries have been identified and protected in this vast region. Area counties are urged to follow the example of their neighbors in El Paso and Webb counties and seek Historic Texas Cemetery designations.

The Historic Texas Cemetery designation and RIP Guardian program are part of a broad cemetery preservation program offered by the THC. The goal of these programs is to address the

The Ora Belinda SchoolHouse held their open house on Thursday also. This is a much needed addition to Wheeler. All the paperwork is not complete for the actual open date to be set, but it is not long off.

The SchoolHouse is named after the late Ora B. Stiles. This new facility would have made her proud.

Continuing with the activities for the week, Larry and Bobby Jennings celebrated their 50th wedding anniversary on Saturday. **Congratulations!** Our oldest chil-

dren graduated together, Rhonda and Jennifer were good friends, Bobby and Barbara worked together at one time, and we have played a few card games. May you enjoy many more years together.

We finally got to hand out most of the chamber awards Saturday evening. It was a fantastic meal and each of the recipients of the awards were very deserving.

— cwe —

It is very educational to learn what some of these people have done. How often they remain in the background, while 'seeing to it' that something is done.

— cwe —

Congratulations, to each of the recipients and once again, **they were well deserved.**

Barbara returned Sunday afternoon after spending a week in OKC, helping Jennifer with Seth.

He had a fever and was unable to go to daycare. Seth was 'quite a hand full'. He would be out the doggie door before she could get to him; he would be followed immediately by Stitch and KeiKei. (I'm sure they felt they need to protect him.)

And, Seth loves to play in the dog's water. He would look at Baba and grin his innocent grin while moving sideways or backwards to the dogs' dishes.

Auditions for *The Wedding Singer* are set for Thursday, June 11 and Friday, June 12, 2009 at 7:00 pm, located at the Holiday Inn. Show dates are August 3 - 9, 2009. Director, Ian Strimple, Enid native, currently working in New York, is excited to bring this pop culture musical to life.

The Wedding Singer, called "One Big Party! A good-natured, high-energy musical" by Newsday, is based upon the 1998 hit film that starred Adam Sandler and Drew Barrymore. It's

the '80's, you know, junk bonds, MTV, "Dynasty," Duran Duran, leg warmers. It's 1985, and Robbie Hart, a rock-star wannabe, lives in his grandmother's basement in New Jersey
