How The Presidential Vote Stands

Nine shaded states—with a total electoral vote of 89—are all that Gov. Adlai Stevenson, the Democratic candidate, carried in the presidential election on the basis of returns available at noon today. Gen. Dwight Eisenhower's total electoral vote in the remaining 39 states was 442. (AP Wirephoto Map.)

TO ASSIST IKE'S PROGRAMS

Friendlier Congress Possible With A South-GOP Alignment

By JACK BELL

WASHINGTON (AP)—President Dwight D. Eisenhower probably will count today on a friendly Congress to underwrite the domestic and foreign policy changes mandated by the volcanic eruption of votes that gave him the presidency.

It was not so much that the Republicans had gained practical control of both houses as a result of the general's landslide victory. The friendliness of Congress—Republican by only one vote in the Senate and thus far by only two votes in the House—lay in the warmth of regard for the general shared by Southern Democrats in the coalition with Republicans which has controlled legislation for the last four years.

This coalition rode intact through the greatest nation-wide sweep ever made by a presidential candidate, a 39-state popular vote total that surpassed the five-star general who turned politician only last spring.

Although most of the Southerners publicly supported Gov. Adlai E. Stevenson of Illinois, there was little doubt that many of them felt more closely aligned to Eisenhower's views on domestic problems than to those of the Democratic nominee.

Thus they could be expected to provide the margin of support needed to push through legislation which might be opposed by many Northern Democrats and a few Republicans from that area.

An example might be legislation to give the states title to the potentially oil-rich submerged lands along their coasts, passed by Congress in the last session and vetoed by President Truman. Eisenhower says he favors such a measure.

Eisenhower's views on foreign policy have paralleled on major issues those advocated by the Truman administration and approved—sometimes reluctantly—by Congress.

He will find strong support from both Southern Democrats and the Republicans in the controlling coalition for additional emphasis on Far Eastern policy, including Korea, and for cutting down and revising aid to Europe.

It is on domestic issues, outside of his announced intention to act in an executive capacity to clean out communism and corruption in Washington, that Eisenhower will

face his greatest test in Congress. Perhaps the general's program that score was best spelled out when he met with Sen. Robert A. Taft of Ohio in New York in September. Taft said then he couldn't agree with all of Eisenhower's foreign policy views, but insisted their differences were only on degrees.

Taft said in a statement which Eisenhower endorsed that there must be a reduction in federal spending and in taxes. Yesterday Taft said in Cincinnati that the tremendous majority given to Eisenhower "shows the determination of the people to restore a government believing in American principles of liberty as opposed to the growing bureaucracy, spending and taxation of the so-called Fair Deal."

"That feeling was intensified by the resentment against the corruption in the Truman administration and the pro-Communist foreign policy which built up Russia and brought about the Korean War," he declared.

The President-elect has agreed to send a representative to sit in with President Truman's experts in the drafting of the budget to be submitted to Congress in January. This budget will have a great deal to do with any possible reduction in taxes.

Taft, who will be the actual if not nominal leader of the Republicans in the Senate, has said the budget ought to be cut from 79 billions this year back to 70 billions in the next year, with a goal of 60 billions the following year.

He and Eisenhower agreed, the Ohio senator said, that there should be some amendments to the Taft-See CONGRESS, Page 10, Col. 1

With Truman

Although most of the Southerners publicly supported Gov. Adlai E. Stevenson of Illinois, there was little doubt that many of them felt more closely aligned to Eisenhower's views on domestic problems than to those of the Democratic nominee.

Thus they could be expected to provide the margin of support needed to push through legislation which might be opposed by many Northern Democrats and a few Republicans from that area.

An example might be legislation to give the states title to the potentially oil-rich submerged lands along their coasts, passed by Congress in the last session and vetoed by President Truman. Eisenhower says he favors such a measure.

Eisenhower's views on foreign policy have paralleled on major issues those advocated by the Truman administration and approved—sometimes reluctantly—by Congress.

County Fathers To Canvass Votes At Monday Meeting

The commissioners court will canvass returns of Tuesday's general election in Howard County at its regular meeting Monday.

The returns then will be forwarded to the Secretary of State in Austin.

Meanwhile, the county clerk has encountered the usual storage problem for ballot boxes. The record turnout at the polls Tuesday put many boxes into use and most of them are filled with ballots. The county clerk is required to keep the ballots locked in the boxes for six months, while the district clerk must keep ballot stubs for the same length of time.

Williams Snares Lead In Michigan

DETROIT (AP)—Gov. G. Mennen Williams, the "boy wonder" of Michigan politics, today once again stood as the sole barrier to a Republican sweep of state offices in Tuesday's general elections.

In almost complete returns from his state's 4,480 precincts, Williams alone on the Democratic ticket holds a 48.5 per cent of winning. The governor holds a slim lead of 3,948 votes over his Republican opponent, Secretary of State Fred M. Alger Jr.

Williams' protégé, Sen. Blair Moody, former Washington newspaperman, was beaten by better than 45,000 votes by Rep. Charles E. Potter of Cheboygan, the legless war veteran who gave up his House seat to battle Moody's New Deal position.

Two communications

Slender Congress Edge Is Given To Republicans

Demos Leading In All Undecided Congress Races

By MARION BURSON
WASHINGTON, Nov. 6 (AP)—Eight congressional contests remained undecided today of the 435 seats at stake in Tuesday's election.

The outcome of two governorship races—in Michigan and Montana—also was in doubt. Democratic Gov. G. Mennen Williams was on top in latest returns from Michigan's see-sawing vote count. Virtually complete returns gave him a 3,948-vote edge over Republican Fred M. Alger. A recount might be necessary to decide the race definitely.

Republican J. Hugo Aronson appeared to have ousted Democratic Gov. John W. Bonner from office in Montana. On the basis of returns from all but 42 of 1,137 precincts, Aronson had 129,702 votes, Bonner 124,795.

Republicans clinched control of the U. S. House of Representatives by winning 220 seats, assuring a GOP majority of at least two. Democrats captured 206 seats and an independent one.

Democrats were leading in all undecided races. Here is the situation:

California: Democrat John E. Moss led Republican Leslie E. Wood 73,989 to 69,376 with 676 of 882 precincts reported in the Third District. In the 13th District Republican Rep. Ernest K. Bramblett trailed Democrat Will Hayes. With 676 of 707 precincts reported the tally was Hayes 64,887, Bramblett 63,962.

Colorado: Rep. Wayne N. Aspinall, Democrat, led Howard M. Shultz, Republican, in the Fourth District, with 315 of 318 precincts reported. Aspinall had 39,532, Shultz 39,367. A recount was being made in the missing precinct.

Florida: Democrat Courtney Campbell held an edge over Republican William C. Cramer in the First District. With all 207 precincts reported but with 7,500 absentee ballots yet to be counted, Campbell had 64,908, Cramer 64,191.

Idaho: Republican Rep. John T. Wood trailed Mrs. Grace Pfof, Democrat, in the First District. With 390 of 400 precincts reported, Mrs. Pfof had 54,575, Wood 53,889.

Missouri: Democratic Rep. Morgan M. Moulder had 68,806, Republican Max Schwabe 67,444 in returns from 441 of 446 precincts in the 11th District. The final count Friday.

Montana: Democrat Lee Metcalf led Republican Wellington S. Rankin in the First District. With 375 precincts reported of 390, Metcalf had 52,892, Rankin 51,302.

Post-Election Pasting
Al Duguay, a pastry truck driver in Lowell, Mass., hurls one of his chocolate meringue pies full in the face of George McMahon, a diner operator, as the payoff on an Eisenhower election bet. Fellow truck drivers and diner patrons watch as pie splatters in all directions. (AP Wirephoto).

GROUND STRIFE SLACKENS Air Fight Flares Up In Korea War

By ROBERT B. TUCKMAN
SEOUL, Nov. 6 (AP)—American Sabre jets and Communist MIG-15s clashed today in four air battles deep in northwest Korea. The Fifth Air Force said its airmen shot down one Red jet and damaged four.

In addition, seven more damage claims were pending checks of gun camera film.

The jet battles were the first since Sunday.

The flare-up of air fighting came as ground battles along the 155-mile front tapered off to patrol skirmishes.

Fourteen Sabres tangled with 27 Red warplanes in two morning battles just south of the Yalu River. One MIG was reported destroyed and seven damaged, but three of the damage claims were withheld for confirmation.

In a pair of afternoon battles, 28 Sabres clashed with more than a score of MIGs. Four MIGs were reported damaged, one positively.

The hard fighting for the frozen hills north of Kumbwa slackened off today after 24 days of almost continuous battle. Battered assault forces retired to rest and regroup.

For the moment at least, neither side showed any will to renew the bloody Central Front struggle.

Margin In Senate Is By A Lone Vote

By RUSSELL BRINES and JOE HALL

WASHINGTON (AP)—Congress has returned to Republican control by a margin so thin that President Dwight D. Eisenhower probably will depend upon bipartisan support to put through many of his policies.

This support, many believe, he is likely to get.

While the general was winning with a landslide vote Tuesday, his supporters fought bitterly and almost a neck-and-neck race for seats in the 83rd Congress, which will consider major international and domestic problems next year.

Eight congressional races went into vote-by-vote counting, with at least three of them dependent upon absentee ballots from throughout the world, including Korea. In some close races, defeated candidates have indicated they may contest the outcome.

Complete Senate returns gave the Republicans 48 seats and the Democrats 47. Sen. Wayne Morse of Oregon, who resigned from the Republican party to support Gov. Stevenson, was listed as an independent with possibly a decisive vote.

The Democrats held a 49-47 edge in the 82nd Congress. In the last Republican-controlled 80th Congress of 1947, the GOP had a 51-45 advantage in the Senate.

Republicans Tuesday won 220 House seats, two more than necessary for control. The Democrats took 206 but one of these became vacant with the death early today of Rep. Sabath (D-Ill.), dean of the House, who had just been elected to his 24th consecutive term.

A House vacancy can be filled only by a special election.

One independent who usually runs with the Democrats was re-elected, and Democrats were leading in all eight undecided districts.

The Democrats held 232 House seats in the last Congress, but this advantage was largely nullified by an anti-Truman voting coalition of Republicans and Southern Democrats.

In 1947, the Republicans controlled the House by a 245-188 margin, with one vacancy and one American Labor party member.

tor and Zales Ecton of Montana. But 11 members of the Republican "Class of 1947"—prominent in the last GOP Senate victory—survived. They included Sens. Joseph R. McCarthy of Wisconsin and William E. Jenner of Indiana, who drew heavy Democratic fire during the campaign.

Four Democratic senators also were overturned—Ernest McFarland of Arizona, the majority leader; the veteran Joseph O'Mahoney of Wyoming; William Benton of Connecticut and Thomas Underwood of Kentucky.

Morse emerged as one of the See SENATE, Page 10, Col. 2

2 Million Mark In Texas Votes Is Now Expected

By The Associated Press
Votes from the forks of the creeks trickled in steadily Thursday as Texas' largest election in history was finally tabulated.

The figures showed close to two million votes cast, even with less than half of the county reports complete. The Texas Election Bureau predicted the two million mark would be passed before counting was over.

The figures also showed that the second day of tabulation did little to change Eisenhower's lead over Stevenson in the greatest victory ever marked up for Texas Republicans.

The last report from the election bureau showed Eisenhower with 53.45 per cent of the votes counted and Stevenson 46.55 per cent. Herbert Hoover carried Texas with only 51.7 per cent of the vote the last time the state went Republican.

With 1,896,679 votes tabulated, Eisenhower had 1,014,814 and Stevenson 878,706. The returns were from 231 of 254 counties, 108 of them complete.

Soon after Stevenson conceded Tuesday night Eisenhower had 53.98 per cent of the Texas vote. His lead rose to 53.56 per cent Wednesday morning, then dropped to 53.54 in the afternoon.

The last count on proposed state constitutional amendments was 483,507 for workmen's insurance, 300,821 against; 388,979 for the medical education fund, 381,724 against.

The Wednesday night report from the election bureau also revealed that MacArthur got barely 3,500 votes out of the Texas vote. He received 1,512 on the Christian Nationalist ticket and 1,990 on the Constitutional listing.

Stuart Hamblen won 1,412 votes as the presidential candidate of the Prohibition party. The Progressive Party candidate, Hallinan, got 245 votes.

The record balloting in most sections also represented unusual percentages of voter participation.

In Dallas County, which went Republican by a good majority, 87.7 per cent of the qualified voters cast their ballots.

UNEASINESS SEEN

Europe Sees Ike's Win Personal One

LONDON, Nov. 6 (AP)—European political commentators took a second look at the U. S. election returns today and decided the landslide was not so much a victory for the Republicans as a personal triumph for Gen. Eisenhower.

Stress on that interpretation pleased factions which had shied in alarm during the campaign at support of Eisenhower by what they regarded as more reactionary, isolationist and elements.

Commentators were quick to point out that the Congressional results gave the GOP only narrow control of the House and Senate.

The Liberal News Chronicle said editorially: "There may be a tendency in some quarters in Britain to regard Eisenhower's election as a triumph for 'reactionary conservatism.' But it is not likely that the supreme commander in war and architect of NATO will falter

Colorado Governor, His Mop And Bucket, Expected In Utah

SALT LAKE CITY, Nov. 6 (AP)—Gov. J. Bracken Lee telegraphed the chief executive of Colorado, Dan Thornton, today.

"I am looking forward to seeing you soon... with your mop and bucket."

This was Lee's way of saying he thinks Utah outvoted Colorado, percentage-wise. The governor with the most lax population will serve as janitor for one day in the office of the other.

In 1948, Utah had the greatest proportional vote of any state in the nation. It was 73.3 per cent. That year the Colorado voter turnout was 87.7 per cent. Thornton says he expected an increase of at least 10 per cent this year.

Ike's Margin In Texas Is Over 135,000

DALLAS, Nov. 6 (AP)—Returns to the Texas Election Bureau at 12 noon from 232 of 254 counties in the state, including 141 complete, show the following totals for candidates in Tuesday's general election:

Democrat:
President—Stevenson 903,618
Senator—Daniel 896,323
Governor—Shivers 313,327
Republican:
President—Eisenhower 1,039,510
Senator—Daniel 288,308
Governor—Shivers 33,327
Prohibition:
Hamblen—1,505
Progressive:
Hallinan—258
Christian-Nationalist:
MacArthur-Tennet—1,553
Constitutional:
MacArthur-Kellems—2,026
Amendments:
Workmen's Insurance—Approval 497,651; Against 305,186.
Medical Education Fund—Approval 400,276; Against 391,178.

U.S. REJECTS SOVIET PROTEST

WASHINGTON, Nov. 6 (AP)—The United States today rejected a Soviet protest against creation of a sea defense zone in Korean waters. A State Department spokesman called the complaint a Red attempt "to deceive people."

The U. S. reaction to Moscow's protest was stated informally by the department press officer, Michael McDermott. He said a formal reply would be made later.

THE WEATHER

BIG SPRING AND VICINITY: Partly cloudy and Friday, cooler to clear and Friday.

High today 78, low tonight 45, high tomorrow 80.

Highest temperature this date 88 in 1911; lowest this date 28 in 1911; maximum rainfall this date .97 in 1944.

Barbecue By Ross Is The Real McCoy

Real pit barbecue, served up in about as friendly and informal an atmosphere as you can imagine—that's what you get when you eat at Ross' Barbecue 904 E. 3rd.

Emphasis is on the "real," too. Real old-fashioned pit barbecue, prepared over wood fire at the Ross stand.

There's no boiling, no soaking in sauce during or prior to the preparation of Ross' barbecue. L. M. Ross, backed by some 30 years of barbecuing experience, places the choice cuts of meat over the pit fire.

Outside of the meat is seared, sealing in all natural juices, flavors and food elements. Natural goodness of the meat is cooked through and through after 12 to 15 hours, so there's no need of making it soggy with boiling and sauce.

You get a full measure at Ross' Barbecue, too. All meat purchased by the pound is weighed after boning and weights do not include sauces which are provided as something else extra for your money.

Ross Barbecue serves it product

in sandwiches, plate orders or in bulk. Sandwiches may be secured "to go" or to be eaten in the restaurant.

The pit barbecue stand is becoming known more and more for its friendly and homey atmosphere. It's the place "where old friends meet to chat and eat," as Ross says.

Cleanliness and sanitation are other factors that have made Ross' Barbecue popular in the past quarter of a century. Residents of Big Spring and the entire area have come to depend on Ross for the finest quality of barbecued meats and sauces, prepared by the master hand.

The friendly eating place was established in Big Spring in 1923 by Mr. and Mrs. W. S. Ross, parents of the present owner. The business has been operated by the family ever since it was opened.

The present owner has been in the barbecue business since 1923 and worked for 12 1/2 years for the Pig Stands Company of Dallas, prior to coming to Big Spring in 1946.

Something New At The Wagon Wheel

Here is a view of a portion of the new gift shop that was opened recently at the Wagon Wheel, popular Big Spring restaurant located at 803 East Third Street. Mr. and Mrs. H. M. Rainbolt, owners of the establishment plan to keep an attractive array of gift items and novelties. And the same fine foods which have made the Wagon Wheel famous, will continue in the dining room, of course.

Now Is Time To Arrange For A Heating System

While we've had our nippy weather, Jack Frost so far has passed up this immediate vicinity. But November brings almost positive assurance of freezing temperatures, and before too long.

That's why it might be a good idea to call Western Insulating Company today and talk to E. L. Gibson about your heating problems. Conditioning your home for either warm or cool air is a business with Gibson, not an incidental or sideline. He's been in the business for years both as dealer and contractor.

Recognizing that needs vary as do pocketbooks and economic circumstances, Gibson has provided a varied line of recognized quality lines of equipment.

These vary from compact but highly efficient central units which serve dual purposes by a flip of the switch. Several new homes and businesses are specifying these units because they are more economical on installation and operation and because they save in building space.

However, some places will be served effectively by other types. One of these, gaining rapidly in popularity, is perimeter heating. Under this arrangement, warm air is delivered through ducts under

the floor to the perimeter of the house or business and is delivered through registers under windows—normally the coldest spot in any enclosure. By attacking at this critical point, efficiency is increased.

Western Insulating has wall and panel type furnaces as well as floor furnaces and forced air types of heating. For larger jobs, the company can install steam heating where indicated. Naturally, with its name, it specializes in promoting economy and comfort with insulation that not only saves on your fuel or power bill, but also contributes in a measure to making your place more fire resistant. In fact, insulating is one of the best investments any homeowner can make, Gibson pointed out.

Local Board Asked For 10 Draftees

Howard, Martin and Mitchell Counties are being asked to furnish only 10 registrants for induction into the armed services in November.

The November draft call, No. 30 for the local Selective Service Board since the start of the Korean War, is for 10 men to be inducted on Nov. 24. It is the smallest quota for the local board in recent months.

In contrast, the board faces two large quotas for pre-induction physical examinations. Sixty-nine men will be sent for examinations on Nov. 25-26, and 70 registrants are to take physicals Dec. 9-10.

December induction quotas hasn't been set for the three counties served by the local board, No. 71.

Big Spring Tractor Now Has Special Mud And Snow Tire

A brand new mud and snow tire which does away with the need for winter chains is now in stock at the Big Spring Tractor Company, located on the Lamesa Highway.

It is the Firestone "Town and Country" tire, which is now being highly advertised in national magazines.

Lloyd Wasson, manager of the company, says that the new tire is "perfect in icy weather and just as good during the regular season." It is an all around tire.

The shipment of the new tires was just received this week. Wasson said. Tires are available in all air-ride sizes, from 670.1 to 800.15. White side-wall tires are in stock.

"Town and Country" tires are distinguished by their deep treads, their wide and flat bottom, and three rows of continuous zig-zagging tread blocks which make contact with the road.

Wasson stated that there is about

three-quarters of an inch more tread rubber which contacts the ground than on the average tire. All other types of Firestone tires are in stock at Big Spring Tractor also. Most prominent of the tires is the Firestone Supreme Tubeless model.

The tubeless tire has two chambers and seal coat rubber. When a nail or sharp object penetrates a tire, it does not cause a flat. When the nail is pulled, the hole is automatically sealed. Air is placed directly in the tire, as there is no tube.

In case a hole is made in the outer tire (it would have to be a huge one) the inner chamber would hold the tire up until the driver could stop the car.

Wasson said that a hole the size of a man's hand could be blown in the tire and that the inner chamber would still hold it up.

The self-sealing tubeless tires are also available in the air-ride size, 800.15 to 670.15. Wasson said that from 28 to 35 sets of the tires had been placed on cars since he received them in March.

Wasson also claims the tires are the safest on the market. "It is the coolest running tire being sold because it has no tube to cause friction and heat."

The tubeless tires have been on the market for about 2 years. They are available in black and white side-walls. Wasson pointed out that they were seven years in Firestone labs before perfection.

Other tires of all sizes are available for both passenger cars and tractors. All types of tractors can be fitted with open center tractor tires, Wasson said.

Big Spring Tractor is also agency for Dearborn farm equipment, and Amille Oil. They have a complete line of Ford Tractors and expert mechanical service. Mechanics will service on the farm or in the shop. Complete overhaul jobs can be given in 12 to 14 hours with one-third down payment.

Drivers License Grants Are Down

Approximately 500 drivers licenses were issued in the local district during October, according to Felton Wilson, driver's license examiner.

This is a drop off from September, when a total of 563 were issued. Wilson's district covers Big Spring, Lamesa, Sterling City, Stanton and Garden City.

Wilson gives the driving tests in Big Spring on Mondays, Wednesdays and Saturdays. He is in Stanton on the first and third Tuesdays of the month, Garden City on the second Tuesdays, and Sterling City on the fourth. He is in Lamesa on Thursday and Fridays.

The examinations have fallen off considerably during the past few months, Wilson said. The reason he gives is that people are about settled after the liability insurance and car check rushes. Most people thought driver's licenses were necessary, he said.

Complete figures on October have not yet been tabulated. However in September, 348 licenses were issued in Big Spring, 37 in Stanton, 164 in Lamesa, 9 in Garden City, and 5 in Sterling City.

San Angelo Applies For New TV Station

WASHINGTON, Nov. 4 (U)—Two more television station applications from Texas are being considered by the Communications Commission.

Yesterday applications were received from the Westex Television Co., San Angelo, for VHF Channel 8 and Mrs. Louis Mae Harrison, doing business as the Texan Broadcasting Co., Amarillo, for VHF Channel 7.

Government Rests Case Against Wall Street Bank Firms

NEW YORK (U)—The government has rested its case, almost two years after the trial started, in its civil anti-trust suit against 17 Wall Street investment banking firms.

There was no indication how long it would take the defense to present its side.

Phillips Has All Types Of Tires

Signs around the business establishment at Fourth and Johnson Streets leave no doubt about what kind of endeavor the concern undertakes, nor what particular brand of merchandise the establishment handles.

It is the Phillips Tire Company, owned and operated by a long-time Big Spring and Howard County resident, Ted Phillips.

Phillips is a local agent for US Royal tires and tubes, in great demand the world over.

The Phillips place of business can make available to the customer all kinds, grades and sizes of US Royal casings and inner tubes, including the white sidewall tires, which have only recently returned to the market.

Motorists who have tires showing signs of wear can have them looking good as new by having them retreaded at the Phillips concern. The Phillips store specializes in adding thousands of miles to the life of a tire by using factory retread methods on each tire.

Phillips also maintains seat covers of all grades and prices can be manufactured to fit any automobile. Any combination of colors can be purchased by the motorists. Personnel of the Phillips Tire Company have had much experience in serving the public and have come to know their automotive needs.

Business telephone number of the Phillips store is 472.

Pilot Breathes Easier, Bails Out In UN area

WITH FIFTH AIR FORCE, Korea—An Air Force pilot who bailed out over the battlefield in Korea today of the suspense a pilot goes through when he doesn't know whether he has landed in Communist or Allied territory.

Second Lt. Dean E. Cling, Medicine Hat, Ala., was flying a photo mission in his unarmed RF80 Shooting Star when it was hit by flak north of the Puncha Bowl.

"One instant I was flying along enjoying life, and the next I was straddling an explosion," Cling related.

"I felt a jolt. The cockpit filled with smoke and the radio wouldn't even sputter.

"Then, the cockpit smoke turned to flames. I bailed out, spinning over and over, and started worrying about where I was going to land in their sector or ours.

"Drifting north, I almost gave up hope. When I hit the ground I figured that, at best, I was in no man's land.

"I started moving away from my chute as far as possible. I was trying to get to a ridge where I could signal a plane. There might be a chance a helicopter could get me, I thought.

"Then, I heard something coming through the brush. I forgot about escape and concentrated on evasion.

"They started calling, 'downed pilot.' When I called out, they shouted 'We're your buddies.' It sounded too good. . . . So I took off for the other side of the hill.

"Then, I heard someone rustling even closer. I dove into a bush. I just lay there, hardly breathing, as the rustling came closer.

"It finally became unbearable, and I yelled, 'Who are you?' He must have been surprised, because he jumped out and shouted, 'I'm an American.' Then I saw the sergeant's stripes on his hat."

Newspapers Outdid Polls In Picking General To Win

NEW YORK (AP)—Several newspaper surveys outdid the professional pollsters this year on the presidential election. However, nobody's ear caught the rumble of the advancing Eisenhower landslide.

The Gallup, Roper and Crossley polls all seemed to give Dwight D. Eisenhower an edge during the hours before Tuesday's election. But none flatly picked him.

The only professional poll that did was Kenneth Fink's Princeton Research Service. But his margin was far short of the actual one.

An Associated Press survey of editors across the nation showed Eisenhower the probable winner in 20 states, and with an edge in eight, with a total of 327 electoral votes. He actually carried all 28 states.

Samuel Lubell, who surveyed the pre-election sentiment for the Scripps-Howard newspapers, said in advance that Eisenhower "should win." Lubell terms himself a reporter and not a pollster, and he said he rang doorbells in strategic communities. He found a definite switch from those who voted for President Truman in 1948 to Eisenhower in 1952.

"There never was any doubt in my mind about Eisenhower," he said after the election gave the general 39 states and 442 electoral votes. Democrat Adlai E. Stevenson got nine states and 89 electoral votes.

Another newsmen, David Lawrence, Washington correspondent, surveyed editors of daily newspapers in every state. In his daily column syndicated by the New York Herald Tribune on Nov. 3, he gave 357 electoral votes to Eisenhower and 149 to Stevenson.

The New York Times published a state-by-state survey the same day and found 23 states with 256

electoral votes favoring or leaning toward Eisenhower. Stevenson was ahead or favored in 16 states with 163 votes. Nine states with 118 votes were listed as doubtful.

The final story of the Associated Press survey, appearing in Sunday newspapers, Oct. 26, started this way:

"Newsmen over the nation believe 1952 would go down as a Republican year with Gen. Dwight D. Eisenhower the probable winner over Gov. Adlai E. Stevenson, if the presidential election had been held in mid-October.

"Newspaper editors and political correspondents who made two political surveys for the Associated Press clocked Eisenhower as leading the presidential sweepstakes around Labor Day. They estimate he has picked up strength since then in 30 of 48 states."

In 11 states, the AP survey showed newsmen picking Stevenson the probable winner. These included Alabama, Arkansas, Georgia, Kentucky, Mississippi, North Carolina, South Carolina and West Virginia, which Stevenson did win. Also Missouri, Arizona and Oklahoma, which went to Eisenhower. Five states—Massachusetts, Tennessee, Utah, Virginia and Washington—were classified in AP surveys as doubtful with an edge to Stevenson. All were taken by Eisenhower.

There were four tossups in the AP survey tabulation. Eisenhower took three of them—Florida, Rhode Island and Texas. Stevenson got the other—Louisiana.

Among professional pollsters, Fink gave Eisenhower a little over 50 per cent of the popular vote and Stevenson a little over 48 per cent.

George Gallup, director of the American Institute of Public Opinion, presented pre-election figures which gave Eisenhower a 7 per cent edge on Stevenson but listed 13 per cent of the electorate as undecided.

Gallup admitted afterwards he underestimated the Republican victory, but said his poll "stayed within its normal margin of error."

Archibald M. Crossley, director of the Roper Poll, said a few hours before the election that it "can still go either way."

However, his figures gave Eisenhower about a 5 per cent edge over Stevenson with 9.9 per cent undecided.

He said afterwards the big Republican effort to get out the vote apparently turned the trick.

Elmo Roper, head of the Roper

Poll, did not try to break down the pre-election findings into percentages. He said, instead, "There ought to be enough people still undecided to throw this election either way."

He conceded after the election he was "open to the charge of being overly cautious this year."

"I made no prediction," he added, "and I don't ever intend to make a prediction until those undecided people tell us what they intend to do."

ADOLPH J. SABATH

Heads Due To Roll In The State Dept.

By JOHN M. HIGHTOWER — WASHINGTON (AP)—The State Department, target of Republican attack for six years, got ready today to face the inevitable—a Republican shakeup.

Probably no other agency in Washington outside the White House was so stunned by Gen. Dwight Eisenhower's election victory Tuesday night. Unquestionably it meant that heads will roll. Estimates of the number of high officials and diplomats who will get the ax range from around 40 to 100 or more.

That Secretary Dean Acheson is

planned for months to return to his Washington law practice whether Eisenhower or Gov. Adlai Stevenson succeeded Truman. The top echelon under Acheson embraces upwards of 20 persons, including an under secretary, deputies, and assistant secretaries.

In addition there are men who have been closely identified with Acheson's policies, such as Philip Jessup, ambassador at-large, and policy planning chief Paul Nitze, former Wall Street investment banker.

Aboard a total of 72 ambassadors and ministers head up U. S. diplomatic missions. Of those, department officials said today, approximately 50 are career foreign service officers and the rest are political appointees.

Many changes in foreign posts are expected to be worked out by the Eisenhower administration over the first few months of next year.

The speculation is that he will accept resignations of all the political appointees including such ambassadors as Richard C. Patterson Jr. in Switzerland, Charles Ulrich Bay in Norway, Walter S. Gifford Mexico and Pete Jarman in Australia.

Eisenhower also may weed out some career foreign service officers who for one reason or another have outlived their usefulness or may want to be relieved of their duties.

The big mystery in the department is what will happen to two career diplomats who have been repeatedly assailed by various Republicans in Congress including Sen. McCarthy of Wisconsin.

They are John Paton Davies, now attached to the U. S. diplomatic staff in Germany, and John Carter Vincent, diplomatic agent and minister in Tangier. Both men were identified with China policy prior to the loss of China to the Communists.

Russian View Is Sought On Compromise Plan For Peace

By EDWARD CURTIS — UNITED NATIONS, N. Y. (AP)—Indonesia has asked the Russians for their views on a new compromise proposal for a Korean peace.

The approach to a high Soviet official was made privately by Lt. N. Palar, permanent delegate of Indonesia to the U. N.

There was no indication from any source of Russia's reaction.

The Indonesian move came as U. N. delegations wondered what

changes, if any, in American policy toward Korea would result from the election of Gen. Dwight D. Eisenhower as President.

Sen. Alexander Wiley (R-Wis.), a member of the U. S. delegation to the Assembly, suggested that representatives of both President Truman and President-Elect Eisenhower confer immediately on American policies concerning Korea and other major problems facing the U. N. Assembly. Wiley is the ranking Republican on the Senate Foreign Relations Committee.

Palar's approach to the Communists was on an Indonesian compromise between American and Russian resolutions on Korea.

The Indonesian proposal now is under private discussion by the Arab-Asian bloc in the U. N., but has not yet been put forward formally.

It calls for a commission, along lines suggested by Soviet Foreign Minister Andrei Vishinsky, to bring peace and unification to Korea.

It also recognizes the American insistence that prisoners of war must not be forced at gunpoint to return to their homes.

The resolution seeks to smooth away the differences on this issue by setting up a neutral commission which would supervise the exchange of prisoners.

Tarrant Jury To Consider Robbery Case

FORT WORTH, Nov. 6 (AP)—The Tarrant County grand jury was scheduled today to consider robbery charges today filed against Floyd Hill, 40, ex-convict accused in a \$248,000 robbery here.

Hill was charged yesterday and ordered held without bond.

He was arrested Monday in a pasture near Azle shortly after officers dug up \$128,000 in a thermos bottle. The money was identified as part of the \$248,000 taken Oct. 3 from two Cuban exiles in a hotel holdup here.

In the robbery charges Hill is accused of taking the \$248,000 from Manuel F. Madariaga, one of the Cubans.

Gene Paul Norris, 31-year-old ex-convict, also is charged in the case. He is in custody at an undisclosed jail in another city.

Dist. Atty. Stewart Hellman said yesterday that Hill also faces burglary indictments in Houston, possible federal charges in the hotel robbery, and return to Alcatraz for parole violation.

Suit For Debt Is Brought In Court

C. B. Parker brought a suit for debt against W. L. Lay in 118th District Court today. He alleges that Lay has not paid an installment on a loan for \$4,896.80.

Parker alleges that a Nov. 2 payment of \$500 has not been paid, leaving Lay in default. He claims that \$3,146.80 is due and payable.

Parker asks that he be allowed to foreclose on a chattel mortgage he holds against Lay's property. He alleges that part of the chattel property was removed when Lay closed the Western Tire and Rubber Company, but estimates value at \$5,000.

The petition asks that the chattel property be sold to pay the debt. Parker states that Lay has paid two previous payments totaling \$1,750.

Former Marshal Dies

DALLAS, Nov. 6 (AP)—Samuel L. Gross, 78, former U. S. marshal for the Northern District of Texas, died yesterday at his home here. He was born in Marshall.

Brannan Believes Women Gave Ike Biggest Boost

WASHINGTON (AP)—Secretary of Agriculture Brannan said today he does not believe the farm vote swung as heavily to Gen. Dwight D. Eisenhower as did other segments of the population.

Asked by reporters at an informal session in the secretary's office whether he thought the farm vote was decisive in Eisenhower's win over Gov. Adlai Stevenson, Brannan replied:

"It is impossible to say at this stage of the game, but I have the feeling that the farmers probably did not go as far along with the trend as did other segments."

The secretary said he is going back to Colorado to engage in law practice as soon as he leaves office Jan. 20.

Asked what he thought was the major reason for Eisenhower's election, Brannan replied:

"I think it was the women's vote based upon promises—implied or otherwise—to bring an end to Korea."

Texas Gets Share In Downing Of MIG

SEOUL, Korea, Nov. 6 (AP)—The Fifth Air Force said U. S. Sabre jet pilots destroyed one Russian-built MIG-15 jet and damaged four today in clashes over North Korea.

The kill was shared by Lt. Col. Albert S. Kelly, 1728 Avenue O, Huntsville, Tex., commander of the 51st Fighter Group, and by Lt. James W. Kumpf, South Minneapolis, Minn.

Flights Grounded By Strike Of Engineers

NEW YORK (AP)—A strike last night of 300 United Airlines flight engineers grounded the line's planes in the United States and Hawaii.

The walkout, termed a "quickie" strike by the airline, grew out of a 10-month-old pay dispute with the AFL Flight Engineers Association. The association said some Pacific Ocean flights were affected,

AFTER RE-ELECTION

Rep. Sabath Dies; Served 45 Years

By CHARLES F. BARRETT — WASHINGTON (AP)—Adolph J. Sabath, one of the poor immigrant boys who rose to serve 45 unbroken years in Congress—more than any other man in history—died early today.

The 86-year-old Democratic dean of the House, known as "the congressman with a golden heart," had been elected Tuesday to his 24th straight term from a district in the heart of Chicago.

Sabath served under eight presidents, starting with Theodore Roosevelt in 1907.

For many years he had been chairman of the powerful House Rules Committee, which decides what bills will come up for floor action.

He was a prime figure in "New Deal" and "Fair Deal" legislation—author of a workman's compensation act, sponsor of the first old age pension plan, champion of social security benefits and the eight-hour work day.

Death came at Bethesda Naval Hospital as a result of complications from a major operation last June. He entered the hospital several days ago—and was seriously ill when he won a 2-1 victory at the polls Tuesday.

A special election must be held to name a successor.

Sabath saved pennies as a sawmill helper in Bohemia, now Czechoslovakia, to pay his way to America. He went to work in Chicago as a watchboy in a store. Soon he became a salesman, cashier, bookkeeper and later entered the real estate business.

"He took pride in his reputation as a friend of the poor, a champion of the underdog."

He expressed his role of helping the underprivileged this way: "The oppressed—those are the ones who need it; the big fellows—they don't need it."

In 1917, he married Miss Mae Fuerst. They had no children.

Assets Purchased

FORT WORTH, Nov. 6 (AP)—Marshall R. Young of Fort Worth has purchased the assets of Roeser & Pendleton Inc. for a total consideration of \$20,500,000.

FCC Refuses To Take Sides Over Giveaways

WASHINGTON (AP)—The Federal Communications Commission ruled in effect today that it will not take sides with a disappointed winner on a give-away broadcast.

The commission dismissed, in a brief memorandum, a protest filed by Betty Lou Summers of Washington against the recent renewal of license for WNBW, National Broadcasting Company television outlet here.

Miss Summers said she won a contest on the TV program known as "Inga's Angle" early this year, and had been promised prizes worth \$4,000 to \$5,000, including a mink stole. Instead she said she received a fur piece made of oriental weasel, and other alleged substitutes.

The station, now defending a \$5,000 damage action brought by Miss Summers in Federal Court, has denied any misrepresentation.

The FCC, which has long frowned on give-away programs, simply refused to get involved. It said Miss Summers did not qualify as "a party in interest" entitled to challenge station licenses under the communications act.

Like your travel with a JOYOUS THRILL?

WE HAVE NEWS for a lot of folks who want more fun from driving than they get from their present cars.

There's a trim bundle of eager high-powered energy that's just the ticket for you—a spirited automobile that can give you thrill after joyous thrill, for mile after fleeting mile.

Why not come in and try the Buick we have in mind?

The excitement starts with your first look at it, your first sitting in it, your first fingering of its slender wheel.

But wait till Dynaflow Drive* begins working its magic—and its constant and complete smoothness fills you with never-ending wonder.

Wait till you feel the bubbling exuberance

of taking your first hill with a high-compression Fireball 8 Engine doing the honors. That's when you get a man-sized sampling of the tremendously able and instantly responsive power you command here.

Wait till you feel the serene satisfaction of skimming over rough roads, cobbles or ridged crossings. That's when you know, better than words can tell, what a million dollars' worth of ride engineering can do in the way of magnificent comfort.

Wait till you jockey into a real tight parking space and note the fun and ease that Power Steering** brings to a once-tough job.

But—why wait?

There's a Buick that can do all this—and more, far more—all ready for you to try it.

And listen: If you can afford a new car, you can afford a Buick.

How about coming in this week for a real sampling of this joyous travel?

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series. **Optional at extra cost on Roadmaster and Super only.

Well-Known Lecturer To Speak Here Friday

"The American Challenge" will be the subject of a lecture by Helen Poe of Dallas when she speaks here Friday at 3 p. m. in the HJCC auditorium under the auspices of the United Council of Church Women.

HELEN POE

Miss Poe, well-known lecturer, book reviewer and inspirational speaker, is the daughter of the distinguished minister, columnist and radio speaker, Dr. Floyd Poe.

After receiving her A. B. degree from Southern Methodist University she did graduate work at Columbia and at the Juilliard School of Music in New York City. She has continued her education by extensive travel throughout the United States, Canada, Europe and in Latin America.

During World War II, Miss Poe served as a director of USO activities in the Camp Hood area and began her public speaking career in behalf of that organization.

The program is planned in observance of World Community Day, held annually by the UCCW. A "package for peace," containing clothing for children in Korea and in other countries where the need is greatest, will be dedicated. Special music and a devotional period will complete the program, according to Mrs. W. A. Laswell, WCD chairman.

The Council also sent 900 pounds of used clothing overseas as a project of United Nations Week.

Miss Poe will be in Big Spring only a few hours, arriving from and returning to Dallas by plane.

Yule Party Is Planned By HD Clubs

The Christmas party for home demonstration clubwomen will be held Dec. 13, Mrs. Waymon Etchison, chairman of the Christmas program, announced at the meeting of the Howard County Home Demonstration Council.

The program will be held from 2 to 4 p. m. in the YMCA.

Mrs. H. S. Hanson, Council chairman, presided and eight clubs were represented. Mrs. John Sutherland and Mrs. Robert Brown brought belts they had made from fish cord for demonstration.

Mrs. Frank Wilson, expansion chairman, reported on the work of the clubwomen at the State Hospital this year and made plans to send cakes to their ward on Thanksgiving.

Mrs. Shirley Fryar, Mrs. Ray Shortes and Mrs. O. D. Engle were appointed to a committee to work out a tour to the homes of demonstrators. The dates will be announced later.

Attending were representatives from clubs at Coahoma, Fairview, Vealmoor, Knott, Lomax, Luther, Center Point and Big Spring.

Loyalty Class Has Luncheon In Home Of Mrs. Gilliland

The Loyalty Class of the Baptist Temp' met in the home of Mrs. A. F. Gilliland for a luncheon meeting Wednesday. Mrs. Bill Sandridge was hostess.

A Thanksgiving theme was carried out with autumn leaves being used in the decorations.

Mrs. James S. Parks gave the devotional and Mrs. W. E. Melton offered a prayer.

Mrs. Ross Hill and Mrs. Sandridge presented a comedy skit. During the afternoon, the group held a visitation period. Twenty-two attended.

School And Party

Dress with simulated suspender straps cut on the bias is the reason you can recognize this design as new and distinctive! Contrasting collar and cuffs add crisp, fresh look in gingham or in party-tafel.

No. 2784 is cut in sizes 4, 6, 8, 10 and 12. Size 8, 2 1/2 yds. 35-in. Contrast 1/2 yd.

Doris Hahn, Harold Hicks Are Crowned At Festival

FORSAN, (Sp) —Doris Hahn and Harold Hicks were crowned queen and king at a recent fun festival held at the Forsan School.

Both students are sophomores. Chosen as prince and princess were Lorita Overton and Charles Skeen, sixth graders.

Other class representatives were Helen Jo Holladay and Tommy Seward, first grade; Lanell Overton and H. K. Elrod, second; Sharon Starr and Eddie Everett, third; Janet Gooch and Mike Honeycutt, fourth; Mary Belle Stockton and Larry Blankinship, fifth; Carolyn Sweeney and Loy Dean Pike, seventh; Barbara Green and Travis Dempsey, eighth; Mary Lavelle Fletcher and Mike Sweeney, ninth; Lucie Jacobs and Robert Roberson, 11th; Ruth Calley and Hood Jones, 12th.

Terry Fullen served as master of ceremonies and Mrs. W. M. Romans, assisted by other faculty members, was in charge of the program.

Silvered tumble weeds lighted with colored bulbs marked the approach to the thrones. Danny Wash was crown bearer and Pam Grissom and David Roberson were train bearers. Flower girls were Judy Wright and Christi Liles.

The first and second grades presented the program, "Halloween Spirits," which included a tap solo

Weaver Foreyshe and June have been her mother, Mrs. Martha Parker, and Mr. and Mrs. Enslay Jenkins and Sherry of Abilene.

Mr. and Mrs. Ray Crumley and children of Menard were here for the week end to visit his mother, Mrs. S. C. Crumley Sr.

Harold Hicks, who was injured in the Garden City-Forsan football game Friday evening, has been discharged from a Big Spring hospital.

Susan Elrod, daughter of Mr. and Mrs. Hamlin Elrod, is accompanying her grandmother, Mrs. George Beard, of San Angelo, on a visit with relatives in South Texas.

Mr. and Mrs. E. E. Blankinship and family spent Sunday in Cisco visiting relatives.

Mrs. Gafford Gives Review At Meeting Of Baptist WMU

Members of the Baptist Temple WMU met in the home of Mrs. James Holmes, 202 Lexington, Tuesday evening, for Bible Study.

Mrs. Dorothy Winans was co-hostess.

Mrs. Monroe Gafford, study leader, reviewed the book, "Michael, Abigail and Bethsheba, Three Wives of David."

Prayers were offered by Mrs. Garland Sanders and Mrs. Jim Bennett. Eighteen attended.

Area Florist Wins Nat'l. Competition

STANTON, (Sp) —Mrs. Elmore Johnson stepped right into company of floral designers of major metropolitan centers in capturing a first place in nation-wide competition.

Operator of the Johnson's Flower Shop here, Mrs. Johnson captured first prize in the table arrangement division of the Arts in Flowers contest.

Hers was a special arrangement with roses and anthuriums.

Virtually all the winners in the nation-wide contest were from the larger centers.

Mrs. Johnson's arrangement, together with her picture and information about the design, will

South Ward P-TA

The executive committee of the South Ward P-TA will meet at 7 p.m. Thursday before the regular meeting at 7:30.

Do CRAMPS give you that monthly look?

Why let that "terrible" "cramp" show in your eyes? Does your mirror show an older-looking, worn-out, nervous face during your "bad days"? Why let men see that you are suffering from monthly cramps? Try a little CARDUI each day as thousands of women do. Let it help build strength and resistance so you have less and less misery each month. Runes go through periods without feeling any discomfort at all. Also helps relax jittery nerves—sleep better. Look, feel, act younger, more normal all month. Ask for CARDUI.

"Miracle Drug" say SURIN Users

Pains of Arthritis, Rheumatism, Sore, Aching Muscles—Relief Can Start in Minutes

There's no internal dosing with SURIN. Nothing to swallow and wait anxiously for relief. You simply apply SURIN right at the point of the pain and blessed relief starts as penetration beneath the skin gets underway. Of course, there is a special reason for this "wonder-working," new, external pain relief medicine.

It's methacelidate, a recent chemical born of research in a great laboratory, it acts speedily to aid penetration of SURIN's pain-quelling ingredients — to cause deep long-lasting pain relief—often for hours—and increase speedup of local blood supply.

Tested on chronic rheumatism in large university hospital it brought fast relief to 75% patients and in home-for-the-aged, 75%. Totally different from old-fashioned rubs and liniments, modern SURIN brings fast relief, without burning or blistering, without unpleasant odor or greasiness. Simply smooth on SURIN at the point of pain and feel pain ease in minutes. See if SURIN doesn't relieve muscle pain faster and better than anything you've ever used!

*SURIN is not a cure for any of these conditions. Ask your doctor about SURIN.

FREE SAMPLES—Try Surin for yourself at your convenience. But if you don't get relief, we'll give you a new sample. If you don't get it, send payment for one sample to McKesson & Robbins, Inc., P. O. Box 100, Philadelphia, Penn.

Park Hill Sees Program By 6th Grade

Members of the sixth grade presented the program, "I Hear America Singing" when the Park Hill P-TA met Tuesday evening at the school.

Vincent Friedewald was the announcer. Others on the program were Linda Woodall as a Redbird, Bill French, Indian dancer and soloist; Jerry Graham, Casey Jones; Kyle Hollingshead, singer; Eddie Kinney, Clemmie; Earl Meyer, farmer; Teddy Groehl, square dance caller; Mike Atherton, Tony Thomas, Roger Flowers, Patricia Rogers, Bill French, Judy Reagan, Franklin Williamson and Gwen McCullough, square dancers; Betty Ann Tedder, Mary Oliphant, Beverly Martin, Dolores Baird, Beverly Ann Alexander, John P. McKenzie and John B. McDaniel, cowboys and cowgirls; Camille Heffley and Katherine Greenless, tap dancers.

Mrs. Ted Groehl, president, presided when plans were made to buy play equipment for the school. Named to a purchasing committee were Les Kornfeld, chairman, O. L. McGahey and R. W. Thompson.

The organization also made arrangements to purchase linen for the bed in the first aid room. It was announced that proceeds from the recent P-TA Carnival amounted to \$800. The sixth grade won the room count and about 60 attended.

MENU FOR TOMORROW

GUESTS FOR SUPPER
Tomato-Vegetable Juice
Assorted Crackers
Baked Ham
Scalloped Potatoes
Pickle Cole Slaw
Rolls
Pineapple-Banana Sherbet*
Beverage

(Recipe for Starred Dish Follows)
PINEAPPLE-BANANA SHERBET
Ingredients: 4 eggs, 1 cup but or cane sugar, 3 tablespoons lemon juice, 1/2 cup crushed drained pineapple, 1/2 cup (1 1/2 medium) mashed ripe bananas, 1/2 cup heavy cream (whipped).
Method: In mixing bowl, beat egg yolks until thick and lemon-colored; gradually add sugar, then lemon juice, continuing to beat until ingredients are blended. Cook in top of double boiler over boiling water until mixture starts to bubble slightly around the edges (12 minutes), stirring often to prevent scorching. Remove from hot water; cool; stir in pineapple and bananas. Fold in whipped cream and stiffly beaten egg whites; pour into two refrigerator trays; freeze at lowest temperature 2 to 3 hours. Make 10 to 12 servings.

Program On Japan Given At Meeting

Mrs. Milton Talbot gave the program on Japan at Wednesday afternoon's meeting of the 1946 Hyperion Club in the home of Mrs. Pete Harmonson, 107 Canyon Dr. A resident of Japan for about a year, Mrs. Talbot showed colored slides of Shinto festivals, rice fields, Japanese children, cherry festivals and other phases of life there.

Mrs. Floyd Mays, Folies representative, gave a report and announced that each member would be responsible for two tickets of the Big Spring Concert Association. Mrs. Ed Swift reminded the group that the bloodmobile would be here Nov. 17-20 and this year's quota is double that of last year.

Mrs. W. C. Foster, Federation counselor, announced that the group must have a USO chairman. Mrs. H. M. Jarratt presided and gave the treasurer's report. Eighteen members attended.

Jr. Forum Members To Bring Clothing For Aid To Austria

The Junior Woman's Forum will meet Friday at 2 p.m. in the home of Mrs. Clyde Johnston, 2011 Runnels.

All members are requested to bring used adult's clothing for the aid to Austria project. The clothing will be turned over to Mrs. Clyde Thomas, international chairman.

Guild Has Installation Of Officers

An installation service for new officers of the Carleton Wesleyan Service Guild, formerly called the Wesleyan Service Guild II, of the First Methodist Church was held recently in the sanctuary.

New officers are Myrtle Eller, president; Bernice Cason, vice president; Mrs. Rad Ware, recording secretary; Bee Hickman, promotional secretary; Mrs. Doris Patterson, treasurer.

Dr. Alsie H. Carleton, pastor of the church, was in charge of the ceremony. The altar, covered with a white cloth, was centered with a large white taper which represented the "guiding light" and flanked by colored candles. As each officer made her pledge she picked up a colored candle and lit it from the white taper.

Following the service, Lucille Hester, educational director, showed films dealing with the brotherhood of man. Refreshments were served by the hostesses, Miss Cason and Miss Hester, to 13.

Three Are Costume Winners At Gay Hill School Carnival

LUTHER, (Sp) —Mrs. E. R. Williamson, Bill Crow and Jerry Beard were awarded prizes for the most appropriate costumes at the Halloween Carnival held recently at the Gay Hill School.

Mr. and Mrs. W. D. Anderson visited their daughter and family, Mr. and Mrs. N. M. Smith Jr., in Lubbock and another daughter and son-in-law, Mr. and Mrs. Roy Eastland, in Amarillo the first of last week.

Jean Morton spent Friday and Saturday with Janice Williamson, Billy Myers, son of Rev. and Mrs. Ray Myers, who has been attending Hardin-Simmons at Abilene, was home for the week end.

Mr. and Mrs. Harold Blair and Stevie of Kermit visited her parents, Mr. and Mrs. Bonnie Puckett Sunday.

Bill Hanson spent Friday night with Raymond McKee. Mr. and Mrs. O. O. Murray, Mrs. Bill Hogan, Betty and Cynthia Kay, Mrs. Bill Hanson and Evelyn, Louise Burchett and Barbara Jean Burchett were visitors in the Web Nix home Sunday.

Alice Bryson of Lomax and Marie Bryson of New Mexico visited the Bill Hansons Sunday.

Jana Sue Lockhart of Big Spring visited her aunt, Janice Williamson Saturday. Meiba Glover visited Betty Hogan Sunday afternoon. Mr. and Mrs. Delbert Stanley and son of Big Spring visited Mr. and Mrs. Nolan Stanley Monday.

Lace Party Dress

For parties where the baby or little girl is really being "shown off" this all-crocheted lace dress looks like a million dollars! Filmy as lace but made of sturdy cotton crocheted thread, it should be worn over a tiny pink or blue slip. Pattern includes sizes for baby of six months, child of one, two, three, four and five years!

Send 25 cents for Complete Crocheting Instructions for Lace Party Dress (Pattern No. 301) sketches of all stitches used, finishing directions. YOUR NAME, ADDRESS, PATTERN NUMBER TO CAROL CURTIS

Big Spring Herald Box 229, Madison Square Station New York 10, N. Y. Patterns ready to fill orders immediately. For special handling of order via first class mail include an extra 5 cents per pattern.

Society Meets

Plans for the 50th anniversary celebration were discussed when the Ladies Society to the B of LF and E met Wednesday afternoon at the WOW Hall. Marvin Louise Williams presided and 14 attended.

P-TA Units Boast 1,600 Membership

"The most important thing in America today is the personality of the individual," W. C. Blankenship, superintendent of schools, told members of the City Council of P-TA in a meeting Wednesday afternoon at the High School.

Mr. Blankenship's topic was "The Heritage of Our Country." He announced that next week is American Education Week and invited all parents to visit the schools during the week.

A report from all local units on membership showed that there are approximately 600 P-TA members in the city. The group made plans to assist in the bloodmobile campaign again this year and also voted to award a scholarship to IJCJC to some worthy boy or girl. 30 members attended.

Does Honored At Annual President's Party Wednesday

Member of the BPO does were entertained Wednesday evening at the annual President's Party held in the home of Mrs. C. W. Nevin, president.

Arrangements of sage and chrysanthemums in the Drove's colors, purple and gold, were used throughout the entertaining rooms.

The refreshment table was centered with a gumdrop tree with candy surrounding it.

Winners at bingo were Mrs. Evelyn Davis of Snyder, Mrs. Lilly Bloom and Mrs. Edna McCoslin. Fifteen attended.

Concert Season Opens With Opera 'Carmen'

Bizet's opera "Carmen," one of the most popular of all operatic fare will be presented here Friday at 8 p.m. at the City Auditorium by the Charles L. Wagner Company of New York.

The opera is being sponsored locally by the Big Spring Concert Association and is the first of three programs to be presented here by the Association. Newcomers to Big Spring may purchase tickets through today by contacting Mrs. Shelby Read, 610 Hillside Dr. Cost is \$10 for a dual ticket, three performances, \$6, single ticket, three performances and \$1.50 for child.

No tickets will be sold at the auditorium. As has been the case in many great masterpieces, "Carmen," was a total failure at its first performance. In fact, the composer died three months later, despondent, not knowing that one day he and his opera would become famous.

The story of "Carmen" was written by Prosper Merimee and Bizet

portrayed this drama in his masterly fashion. Throughout its entirety, despite its lively scenes and gay, reckless melodies, the listener is given a sense of foreboding of impending disaster which intensifies until the final curtain.

Charles L. Wagner waited ten years to produce "Carmen" because of its inherent casting difficulties, but he feels that he has now found two great "Carmens" in Lydia Ibarrodo and Maria Russo, who alternate in the role of the fiery cigarette girl of Seville.

The identical underlying philosophy of Baal worship still lives in high places. "They joined themselves also unto Baal Peor." — Psalms 106:28.

A Great Truth Still Exists; In Union There Is Strength

As grave as was the decision that had to be made by the American people on Tuesday, it is no less serious than the attitude the country has to assume henceforth.

achievement of a real world peace must come first, and that all interests must work together toward that end. It must be the determination of Americans everywhere to adopt the same course as have the party leaders, and to close ranks for national unity and global peace.

Thanksgiving, Christmas Ahead; Let's Get Back To Daily Tasks

After the first few sighs of blessed relief over the ending of a turbulent political campaign, the general public can get back to the ordinary problems of living, and to the enjoyment of customary pursuits at work and at play.

upon the turn of a single vote, it wasn't quite that bad. If some of us have been shying away from our friends because of political differences, to avoid arguments, we can now, after the lapse of a decent interval to let raw nerves renew themselves, start speaking to and back-slapping and kidding each other again.

These Days—George Sokolsky

American Elections Too Costly In Time, Money For Public Good

Now that the election campaign is over, it ought to be clear to Americans that the business of electing a President is too expensive, too time-consuming, too hampering of the conduct of the ordinary affairs of the nation.

at the candidates, their wives, sisters, sons and mothers-in-law. But what one gains from his few minutes' glance at a president-to-be is difficult to appraise. Actually, the various candidates looked like a lot of very tired men who could do with a night's good sleep.

It is impossible ever to approximate the cost of the election. The various reports made by candidates and by political parties do not represent a third of the actual cost of these campaigns.

Usually, as the long campaign proceeds the managers get into a wrangle over who gives the last word. The Democrats in New York, for instance, were in a hassle between the regulars and the volunteers that reached a state of high comedy in Madison Square Garden when the volunteers put on their vaudeville, with a band blaring, while the candidate for U. S. Senator, John L. Cashmore, was delivering what was to him the most important address of his campaign.

If the conventions were held around Labor Day and the campaign were limited, by agreement, to one month, from October 1 to November 1, with a few days of silent interval between the last day of oratory and the day of voting, the people would have a chance to think for themselves without the constant din.

Maybe I am all wrong about what a campaign is about. Maybe it is meant to be lots of fun. The ever-growing role that is being played in campaigns by actors, movie writers, musical comedy composers, dancers and Hollywood jesters somehow gives the impression that the Presidential election is becoming one big joke. On whom?

Uncle Ray's Corner

White Mice Helpful To Science

Not long ago a letter came to me from a woman who told of watching a mouse—just a common gray mouse—frolic about her home for a few minutes. The little animal seemed "cute" to her, and she asked whether some use could be found for mice, instead of destroying them.

The general report is that they make good, or fairly good, pets. In the workrooms of many scientists, white mice are important. It has been found that they are helped or hurt by some drugs in the same way as human beings.

Possible Serious Explosion Averted

HOUSTON, Nov. 6 (U)—Quick work by the crew of a switch engine was credited with averting a possible serious explosion here yesterday.

In one laboratory which I visited, scores of white mice were being used for vitamin D tests. The purpose of the tests was to make sure that certain foods sold to the public had enough D vitamins and calcium to guard people, especially young children, against the illness of the bone known as rickets.

How to Torture Your Wife ::::

It does the day laborer no good to protest at his plight because there is plenty of unskilled labor available. Yet the supply of really skilled labor is so short that Spain must import technicians from other countries, for her factories.

SOME STARS LIMPING

Texas, Baylor 11's In Top Condition

By The Associated Press Southwest Conference football squads eased up Thursday on preparations for Saturday's games, but still worried about injuries.

However, with a little good luck the feature game—Texas vs. Baylor—may be run off unhampered by limping stars.

Texas, hoping to continue its string of conference wins, has been harassed by minor injuries but the Longhorns came through their Wednesday workout without any additional hurts.

Defensive work took top priority in the drills, particularly from the angle of combating Baylor's break-away tendencies. Coach Ed Price said he hoped to get more speed for the secondary from Ed Kelley and Bunny Andrews.

Price also gave his offensive platoon sharp practice in blocking assignments.

Baylor also ended its week's contact work with no new injuries and expected to be at full strength for the Waco game.

The Bruin defensive unit went through a stiff scrimmage against a team using Texas plays. On the offensive unit Billy Hooper and Francis (Cotton) Davidson alternated at quarterback.

Rice and Arkansas both added more timber to the injury list Wednesday as they prepared for their battle in Fayetteville.

Likely to be missing from the Porkers lineup is their star full-back, Lewis Carpenter, who was injured in the Texas A&M game last week. Carpenter is Arkansas' leading pass receiver and has been a defensive stalwart also.

Added to the Rice injured roster were reserve quarterback Leroy Fenstermaker and Leo Rucka, who has been doing double duty at end. Fenstermaker injured an ankle and Rucka bruised a shoulder.

Don Kellogg, defensive back, also is sidelined with a shoulder injury. Left Tackle Lou Miller and Right Halfback Don Miller, who have been missing from the Southern Methodist squad because of injuries, suited out Wednesday but did not take part in the workout. They hope to make the Texas A&M game in Dallas Saturday.

Jack Little of the Texas A&M squad nursed a sprained back Wednesday and didn't work out, but he will make the Dallas trip.

In the last full scale Aggie workout before leaving for Dallas, Quarterback Ray Graves looked good in dropping passes in the arms of Don Ellis, Charley Hall and Ends Jerry Crossman and Walt Hill.

Five key performers were ailing Wednesday as Texas Christian scrimmaged in their last rough work before the tilt with Wake Forest in Fort Worth Saturday. However, Trainer Elmer Brown said all but one, offensive halfback John Harville, expected to be ready for at least part time duty.

Longhorns Bear Down In Drills

Though they have no game this weekend, the Big Spring Steers are not taking it easy in workouts these days.

The Longhorns' next opponent is Vernon. That game will be played in Vernon the evening of Nov. 15. The Lions have suddenly emerged as a co-favorite for District 1-AAA honors, after having felled Sweetwater last weekend, 6-0.

Coaches Carl Coleman and Wayne Bonner have been concentrating principally on defense this week, will dedicate most of next week toward sharpening up the team's attack for the Lions.

Sweetwater could make only 27 yards rushing against Vernon, which would indicate the Lion line is rock-ribbed.

The boys whose job it is to knock down enemy passes—Carl Robison, Charley Rose, Jimmy Porter, Buddy Cosby, James Hollis and others—got an extended drill Wednesday as Bobby Hurst and Frank Long took turns as spot passing and throwing to receivers out in the flat zones.

The team, with the exception of Billy Martin, is in fine condition, perhaps the best it has been all year. Martin re-injured his shoulder in a tackling drill Monday and is having to take it easy in workouts. The hard-running fullback will definitely play against Vernon, however, unless he should hurt himself again between now and tomorrow week.

Vernon should be in fine fettle, too, next week. The Lions don't have a game this week and escaped Sweetwater fracas without mishap.

LITTLE SPORT

Bruising Line-Backer

When Buddy Cosby (above) of the Big Spring Steers hits 'em, they stay hit. He's a sophomore line-backer for the locals and a good bet to win all-district laurels. Observers have called him one of the greatest defensive gridlers to wear a local uniform in two decades.

FROM LOOP WARS

Many Grid Powers To Take A Rest

By HAROLD V. RATLIFF Associated Press Sports Editor District champions can be determined all along the line in the lower divisions of Texas schoolboy football this week. It is irrevocable that one will be named in Class A while others can be determined if certain things happen. In most cases they will.

There are some top games in Classes AAAA and AAA but none of them will reach title decisions. For instance, Lubbock, the acknowledged kingpin of the north, doesn't even play a game this week and Wichita Falls, the top-rated team of the south has a non-conference test in Class AAAA. But there are some crucial battles in other districts.

The feature game of the upper classes is that San Antonio struggle—Edison vs Harlandale in Class AAA. Both are undefeated in conference play and both are undefeated for the season although Harlandale has been tied. The winner will become a prohibitive favorite to take the District 7 title.

Lyford plays at Rio Hondo in District 32 of Class A and the winner will become the champion.

In Class AA West can clinch the championship of District 21 if it beats La Vega at West Friday night.

In Class A these titles go on the line: District 5—Wink can take it by beating McCamey, 11—Clifton can clinch it by beating Midlothian, 13—Honey Grove can clinch it by beating Farmersville, 16—White Oak can clinch it if it beats Hawkins, 18—Newton can clinch by beating Simpson, 19—Groveton can win it by downing Grapeland, 24—Smithville can clinch it by defeating Columbus.

The only game in the state matching undefeated, untied teams will be in Class A where Benavides and Hebronville get together at

Graves Takes Bulldog Post

Good C. Graves, long-time resident of Big Spring, has become head coach of the Plainview Bulldogs, succeeding Bob Russ, who resigned.

Graves opened the season as assistant to Russ but stepped up when Russ elected to quit following Friday night's game against Big Spring, which Plainview lost, 33-0.

Graves was a guard on the local high school team in the '30's. He attended Howard Payne College, where he also lettered.

His first assistant will be E. C. Berry, who has been coaching the Plainview B team.

1-AAA Grid Chart

Table with columns for Team, Full Season Standing (W, L, T, Pts., Op.), and District Standing (W, L, T, Pts., Op.).

Union Grabs Six-Man Title

Union's Bobcats have been crowned champions of District Seven six-man football.

The Cats made it to the throne room for the second straight year by beating Courtney last Friday, 33-21.

Union led by only one touchdown at half time but finished with a rush. Touchdowns by Ken Kirkpatrick, Kay Dunbar and Royce Carr helped pad the Union lead.

Doyle Archer and Dunbar each counted two touchdowns for the Cats.

Seniors playing with Union include Kirkpatrick, Max Beckham, Carr and Calvin Low.

Texas, Aggies And Frogs Are Picked To Win

Texas is favored to give Baylor its lumps and Arkansas will prevail over Rice in football games this week end, according to the Williamson Features Syndicate, Inc.

In other games involving teams of the area, Arizona State is likely to topple Arizona, Texas A & M is the choice over Southern Methodist University and TCU is favored to turn back Wake Forest, says the Williamson system.

The selections:

WRECK TO NEW ORLEANS

Scramble For New Year's Day Bowl Teams Is On

NEW YORK (AP)—The scramble for teams for the Jan. 1 football bowl spectacles was on today with New Orleans' Sugar Bowl out in front of the pack.

Georgia Tech, unbeaten, untied and unsurpassed at the moment as a bowl attraction, agreed to play in the Sugar Bowl yesterday, thus becoming one of the earliest bowl-bound teams since the New Year's Day classics were started.

The Rose Bowl at Pasadena, grand-daddy of the January spectacles, will, of course, match the Pacific Coast Conference and Big Ten champions. Dallas' Cotton Bowl will have the Southwest Conference winner as host team.

The Miami Orange Bowl, fourth of the big four bowls, will hold a committee meeting this week end, and members declined to discuss any possible teams until then.

A spokesman commented, however, that "November is an important month in football and we want to pick the best teams."

A rundown of the top 10 teams shows that only one other team, eighth-ranked Tennessee, is eligible for a bowl bid.

The Volunteers, who have appeared in many bowl games in past years, are still trying to live down an early season loss to Duke, which was whopped, 28-7, by Georgia Tech last Saturday.

Michigan State, No. 1, is a member of the Big Ten, although not eligible for conference football competition until next year.

Maryland, No. 2, is barred by a Southern Conference ruling against bowl games.

Oklahoma, No. 4, and Kansas, No. 7, are members of the Big Seven, which frowns on bowls, while UCLA, No. 5, will meet sixth-ranked Southern California Nov. 15 in the battle for Pacific Coast honors.

Purdue, No. 9, is the current favorite to meet the UCLA-USC winner in the Rose Bowl, and Notre Dame, No. 10, does not go in for bowl games.

Six More Schools To Play AAA Football Next Year

AUSTIN, Nov. 6 (AP)—Nine more Texas schoolboy football teams are scheduled to play next year than the current long list of competing gridlers.

Rhea H. Williams, athletic director of the Texas Interscholastic League, announced tentative district assignments yesterday for 729 teams.

There will be one more team in AAAA, as South Oak Cliff of Dallas jumps from AA to AAAA.

Conference AAA will boast 59 schools, six more than at present, with the addition of two new Austin high schools, McCallum and Travis, and the advance of Arlington, Garland, Pleasant Grove (Dallas), and Aldine (Houston) from AA.

Conference AA will have the biggest increase, from 128 to 173, picking up the following from Class A: Lockney, Olton, Alpine, Crane, Fort Stockton, Marfa, Northwest (Justin), Lancaster, Seagoville, Grand Saline, Mineola, Pine Tree (Greggton), Van, Willis Point, Linden, Rusk, Madisonville, Spring Branch (Houston), Floresville, Schulenburg, Liberty and San Diego.

Conference AAA will lose one school to AAAA, four to AAA, and New Boston, Belville and Merkel will drop to A.

Conference A will show a net loss of four at 204. In addition to losing 22 teams to AA, it will lose Newcastle and Midlothian to Class B. It will gain three schools from AA and will pick up the following from B: Friendship (Wolfort), Idalou, Whiteface, Fabens, Burleson, Duncannon, Judson Grove (Longview), Sabine (Gladewater), Centerville, Fort Hood, Welmar, A&M Consolidated (College Station), Waller, Louis, East Central (San Antonio), Northside (San Antonio), and Los Fresnos.

Proposed district lineups for Conference AAAA and AAA next year:

- 1. Abilene, Amarillo, Borger, Lubbock, Midland, Odessa, Pampa, San Angelo. 2. Austin (El Paso), Bowie (El Paso), El Paso, Thomas Jefferson (El Paso), Yeleta. 3. Ft. Worth: Arlington Heights, Carter-Riverside, Ft. Worth Technical, North Side, Paschal, Polytechnic. 4. Dallas: Adamson, Crozier Technical, Forest Avenue, North Dallas, South Central, Sunset, Woodrow Wilson. 5. Highland Park (Dallas), Tyler, Waco, Wichita Falls. 6. Brackenridge (San Antonio), Laredo, Miller (Corpus Christi), Ray (Corpus Christi), San Antonio Technical, Stephen F. Austin (Austin), Thomas Jefferson (San Antonio). 7. Houston: Jefferson Davis, Lamar, Milby, Reagan, San Jacinto, Stephen F. Austin. 8. Beaumont, Galveston Orange, Pasadena, Port Arthur, Robert E. Lee (Baytown). 9. Big Spring, Lamesa, Plainview, Snyder, Sweetwater, Vernon. 10. Arlington, Breckenridge, Brownwood, Cleburne, Garland, Grand Prairie, Irving, Pleasant Grove (Dallas), Weatherford. 11. Denton, Denton, Gainesville, Greenville, McKinney, Paris, Sherman. 12. Gladewater, Kilgore, Longview, Marshall, Neacogoches, Texas. 13. Bryan, Corsicana, McCallum (Austin), Palestine, Temple, William B. Travis (Austin). 14. Aldine (Houston), Conroe, Freeport, Galena Park, Lufkin, Fort Neches, South Park (Beaumont), Texas City. 15. Alamo Heights (San Antonio), Bu-bank (San Antonio), Harlandale (San Antonio), Kerrville, New Braunfels, Seguin, Sidney, Lanier (San Antonio), Thomas Edison (San Antonio), Victoria. 16. Alice, Brownsville, Edinburg, Pharr-San Juan-Alamo (Pharr), San Benito.

Ticket Demand For Dallas Go Not So Heavy

DALLAS, Nov. 6 (AP)—There will be the usual well-filled Cotton Bowl Jan. 1 when the Southwest Conference football champion plays some team from another area but the demand for tickets isn't what it used to be.

Fourteen thousand applications were received by the Cotton Bowl office during the period in which mail requests could be sent in. That means approximately 50,000 tickets are sought, which is twice as many as are available to the public.

But it was about half the number of applications received last year when some 100,000 tickets were asked for.

This time there were more applications for tickets from outside of Dallas than from Dallas, which is a new trend.

Several reasons are attributed for the decline in interest. The major one is that the Southwest Conference won't be able to furnish a team with a good record as host in the Cotton Bowl and the general bad record of the conference in inter-sectional play is another reason for the lack of interest.

Then, too, attendance for football in the Southwest has been off generally this year.

Texas is a heavy favorite to win the conference tilt and play in the bowl game. The visiting team is expected to come from Alabama, Penn State, Mississippi, Tennessee and Villanova.

Stanton Contest Begins At 6:30

STANTON—The football game between Stanton and Morton here Friday evening will begin at 6:30 p.m. It has been announced.

The District 4-A clash has been moved forward so that Morton fans can begin their trip homeward at an earlier hour.

It will be the Homecoming for the Stanton ex-students and visitors are due from over a wide area.

Roden Is Quizzed In Liquor Hearing

AMARILLO, Nov. 6 (AP)—A walled in, isolated West Texas liquor store which did a startling volume of business in a period of three days after opening held the spotlight today as Texas "little Kefauver Committee" launched its investigation into an alleged multi-million dollar bootleg operation.

The House Crime Investigation Committee, meeting in the 47th District courtroom, quizzed one of the key witnesses—Tom (Pinkie) Roden of Odessa about the operation of this rural package store which had net sales three days after opening totaling \$47,286.

Two Men Held Here Wanted Elsewhere

Sheriff's officials this morning picked up two men wanted in other counties for allegedly swindling with worthless checks. A man wanted here was picked up in Seminole.

From where I sit... by Joe Marsh Left Ham Sandwich -40¢ Ambled over to Bob's Restaurant Tuesday for lunch and noticed a new sign "Left Ham Sandwich, 40¢... Right Ham Sandwich, 30¢." "Why the sign, Bob?" I asked. "Don't tell me you believe hogs scratch more with their right leg than with their left?" "So the left ham is more tender?" "No," he says. "I don't take any stock in it. But, some people have ordered those 'left' sandwiches. When I explain to them that there's nothing to that fable, that the sign is just a business-getter, and I've only one price, they enjoy a regular, old fashioned, plain ham sandwich all the more!" From where I sit, stories like "right" hams being tougher than "left" ones are with us because some people get ideas into their head and hang onto them for dear life. It's like those who think an adult like myself hasn't the right to a glass of beer with my supper. I say let's keep our opinions free from being "sandwiched-in" by misinformation. Joe Marsh
