TO THE CONCERNED CITIZENS OF WHEELER COUNTY WHO ARE, RIGHTFULLY, ASKING QUESTIONS AND DEMANDING ANSWERS OF THEIR LAW ENFORCEMENT OFFICIALS:

As a candidate for Sheriff of Wheeler, County, subject to your approval in the Democratic Primary, March 8, 1988, I take this opportunity to answer some of your questions.

Of major, county-wide concern is the threat posed by the criminal element which daily travels the highways through our communities. In order to apprehend and punish these violators of our criminal codes and protect you, the innocent, your law enforcement officers must be trained, experienced, and willing to co-operate with federal, state, city, and surrounding county's officials. I have nine years training in Criminal and Civil Law, Penal Code, Traffice Law, and Administrative Jail Operatins. I have ten years active experience and a sincere dedication to your protection.

Of equal concern is a safe environment for your children and mine. As a former agent for the Texas Alcohol Beverage Commission, I know we must emphasize early education in All substance use and abuse...whether it be alcohol, street drugs, tobacco, or controlled drugs. Wheeler County is blessed with good, clean young people. They do not need or deserve negative criticism. I believe that we must focus on our children's positive qualities in order to re-enforce their self esteem. I sincerely believe that I can help our children say, "No!"

Of proportionate concern to me is the alarming increase in child abduction and abuse. You have the right to PROMPT action to ensure your child's IMMEDIATE safety. Your law enforcement officials owe you and your children a viable, trusting relationship. If you have questions regarding my ability or desire to interact with young people... ASK THE CHILDREN WHO KNOW ME!

I am equally aware of the problems facing our many older citizens who must live alone. To you I pledge special attention and protection to ensure your comfort and safety.

Before March 8, I hope to personally contact every citizen of Wheeler County. But I am a working police officer first and a politician last, therefore, my time is limited. Feel free to call me at 806-256-3186 with any questions you might have. If I am not available, please leave a message. I will return your call.

On Saturday, February 27, 1988, at 7:00 p.m. there will be a political rally at the Shamrock School Cafateria. The candidates for Sheriff of Wheeler County will speak first. At that time, I will address additional issues. Please consider this your personal invitation to attend this important meeting.

Sincerely.

Love songs were sang from the 1930's. The Queen led the group in "Let Me Call You Sweetheart."

The activity room was lovely decorated with the Valentine theme. The ladies all wore red ribbons in their hair.

GARE

Lonnie Willer, Sheriff

P.O. Box 88 — Wheeler, Texas 79096

Phone: 806/826-5537 Home: 806/826-5904

Dear Neighbors,

The Sheriff's Department arrested three people this last week, who have been traveling around the country conning the merchants out of money.

They are wanted in nine counties in Texas and several counties in New Mexico. These three people had made around \$500.00 the day we arrested them. Their last stop was in Canadian.

Some of our elderly have been scamed by Insurance Salesmen. I would advise, never let money change hands until you are sure. Insurance is hard for a lot of us to understand. The safest thing we can do, is to get our insurance from our local insurance agencies, from the people we know and can trust. This scam has happened several times in the last couple of years in Wheeler County.

There are those who scam us, by wanting to fix our homes in some way, for a real cheap price. The scam artist will ask for front money. We should never give money before the work is done. Don't let them intimidate you. Until you know for sure the respectability of the person, agency or company, don't let any money change hands. If you are unsure, call me. I will check on the company for you.

Anytime you need advise, don't take a chance, call me. As your sheriff, it is my responsibility to prevent a crime, if possible, as to catch a criminal after the act.

Respectfully, Your Sheriff,

Lonnie Miller,

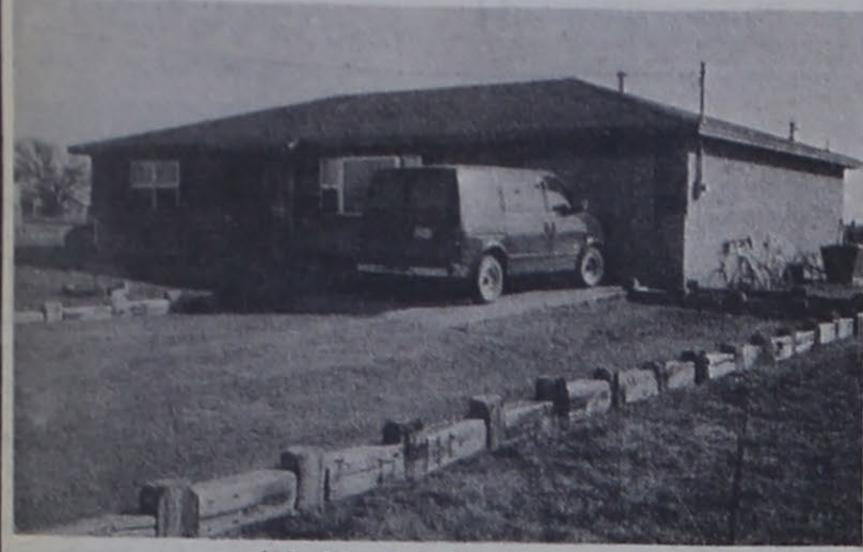

Democratic Candidate

Let's work together and keep Wheeler County safe!

Sunday dinner guests at our house were Butch and Jada Murray and Karla, Shellie and Mark. Maybe they won't mind if I say they are 34 years old.

Monday night Dale and Debbie Stinnett and Cuyler, Cassidy and Christian came over and ate supper with us and played 72. Debbie and I won the first game.

Too bad about the huge fire Sunday afternoon, whipped and spread by high winds, just a few miles west of us. Wayne and Keith Meek's house and Chuck and Phoebe Hartline's

house would have been burned if fire trucks hadn't wet the grass down. In some cases strips were plowed. We are thankful no one was injured or much property lost except for grass, posts, etc. Really appreciate all the volunteer fire departments from Briscoe, Canadian, Gem City, Mobeetie, Wheeler, Shamrock, Miami, Lefors and McLean and probably other places who came and worked hard to control the fire and keep it from spreading. Others brought doziers to cut fire lanes. High winds and deep canyons made it difficult to put out the fire. It was thought to have started from powerlines damaged by tree limbs not far from Young Brothers feed yard.

Credit Customers of Wheeler Auto & Industrial

Dear Customer:

We are all aware that economic conditions in our area are not as good now, as in the past. Our parts suppliers expect our account to be paid every month. We have to pay our service technicians twice every month, and, we do not charge interest on charge accounts.

These three factors force us to establish a new credit policy effective January 1, 1988. We can no longer carry past due accounts. All accounts will be 30 day accounts, due and payable no later than the 20th day of the month after purchase. If an account is not paid by the 20th, the account will be suspended from further credit until paid.

We appreciate you business and consider you a valued customer. Please help us by accepting this change, and keeping your account on a current basis.

There was some clothes and material left in my office on Monday.

Thank you, whoever you are. Tuesday Mr. and Mrs. Hyatt held Family Alter. Ailene Mills helped lead the singing. We always enjoy a new face and a new voice. Thanks Aliene.

ELECT FINSTERWALD WHEELER COUNTY SHERIFF

DEMOCRAT

(Pol. Adv. paid for by Debbie Finsterwald. Treasurer, Route I Box 2-M. Wheeler, TX 79096)

VOTERS OF WHEELER COUNTY:

I am a candidate for Sheriff of Wheeler County. I have been married for 20 years to Marie Holloway Adams. We have 3 children, Stacy, a freshman at West Texas State University, Stephanie, a freshman at Wheeler High School and Jason, a sixth grader at Wheeler Junior High. Since returning to Wheeler five years ago, I have been involved in Cub Scouts, Boy Scouts, Lions Club and Band Boosters. Our children have been active in band, U.I.L. competitions and scouting. Wheeler County is a great place to raise children and is a great place to have been raised. I returned to Wheeler to help my family with the family businesses. Since my father's death, I have operated the rental business for my mother. I am currently a self-employed general contractor.

I was an Amarillo police officer for nine years, an adult probation officer for one year and a private security manager for Sears Roebuck for three years. I have a Law Enforcement Degree from WTSU. I have taught law enforcement classes at WTSU, Amarillo College and Clarendon College. I taught the Potter County reserve deputies in the first pilot program. I have received 13 departmental commendations and was selected officer of the month 1976 and a personal commendation from Director of the F.B.I., Clarence Kelley.

I was trained to use my five senses to determine if a crime was being committed or had been committed in my presence. Many times within 10 seconds, a decision had to be made to determine if a crime was being committed, not once did I have a case refused or reversed because of improper conduct or procedure. Years of experience and education have given me the ability to apprehend the offender, while protecting the innocent.

There is no law enforcement officer, who is more dedicated to the elimination of Drug Abuse, than I am. I made hundreds of Marijuana arrests for dealers and users, while in Amarillo, the first arrest I made in 1970 was for marijuana, bomb possession and contributing to a minor. The last was for possession of 26 baggies (I pound of MJ), currying a prohibited weapon and assault on a police officer. In nine years the use of drugs still prevailed and the dangers are always present.

The young people of our county are important to me as well as all citizens. We must not forget our senior citizens and those people who would take advantage of them. I intend to serve and protect ALL citizens of Wheeler County.

If you want a Sheriff that has a proven law enforcement track record, then look at me. If you want a

sheriff that is firm but compassionate, then consider me. I believe that good enforcement tempered with common sense is the only way a Sheriff in Wheeler County

can ever expect the people to elect him or return him to office every four years.

I would appreciate your vote. もといいいし

CARD OF THANKS

God bless you all.

By Laura Guthrie

I have just finished reading a book which is an up-to-date account of a trip to the North Pole by dog sleds. The title of the book is North To The Pole, by Will Steger and Paul Schureke. Of course there have been a lot of trips to the pole by plane that were quick and comfortable. But what makes this 1986 trip different is that seven men and one woman made the trip "unsupported". That is they were not helped by food, or any thing else, after they left the states. It's a good story and the book is in the local Library. Check it out and see what goes on.

People still have Birthdays, our Editor was a Valentine baby. I wonder if his mama still thinks so. His wife and daughters evidently do, because they gave a nice party for him. On Saturday night a group of friends, mostly Wheeler Times personnel, were invited to the Coin and Copper Room to celebrate with food and games. Such an array of buffet food one seldom sees. Barbara had the help of their daughter Cathi from Houston. Guests brought covered dishes but that was just a fraction of what we had to eat. Games of SkipBo, Uno, and Pictionary were enjoyed. Guests of the Stas family were son. Kenneth and Frances Nelson and children, Jimmy and Marie Adams and family, Mark and Kathlene Frankenbery, Mechelle Coate, Ed and

Patricia Forrester and myself. On Sunday afternoon Dorothy Risner invited friends in for tea and to wish Zinnie Bailey a Happy Birthday. Computer Teams Participate In Contest

The Wheeler computer teams took part in the area computer contest at Caprock High School on February 6th. The team of Bryan Kenney, that. David Jones, Kelli Sabbe and Shonda Miller took sixth place out of 26 teams including all of the larger Amarillo teams. The team of Chris Bedowitz, Mindy Hardcastle, Shane Whiteley, and Chad Bentley scored twenty-two points to be one of only a few teams that broke the twenty point barrier. The team placed fourth which was not quite high enough to qualify to state, but was very respectable considering that Tascosa and Caprock took first and second.

"I think we approached it (the contest) with the wrong strategy," stated Shane Whiteley, a member of team #1.

Chris Bedowitz, the captain of team #1 said "Even though we did not win, I am happy that we placed so high among all of the smaller 1A and 2A schools. I think that next year the ordered to reduce retail hours by 10 to teams will do even better since we are learning more and more each year afternoon a week as many areas are about the strategy that is involved. doing, we have chosen this daily We try to learn from our mistakes and not make the same ones again.
