THE COUNTY SEAT NEWSPAPER

Lee Roy Eggleston Guilty of Robbery

"Little Oscar" Gets Sentence of Five Years in Trial Held Here Early this Week

Brought to trial before a jury in district court here Monday morning, Lee Roy (Little Oscar) Eggleston, alleged Fort Worth gangster whose operations had expanded to Oklahoma City in recent months, was given a sentence of five years in prison on a charge of robbing Ivan Stanley, Pampa, of about \$70 one night early last January.

The hijacking occurred a short distance west of Mobeetie as Stanley, accompanied by his wife and an unidentified man, claimed to be on their way to Shamrock.

While the indictment charged that only money was taken by Eggleston and two or three companions, alleged to be more or less implicated, evidence at the trial showed about 50 cases of whiskey, valued at some \$1,200, was also removed from the Stanley car. This statement had appeared in different stories of the robbery heretofore.

Evidence tends to connect Ed Mitchell, Lester Roach and J. D. Roach with the crime. Trial of these men may be held later.

Testimony introduced at the trial showed Eggleston and accomplices overhauled the Stanley car, forcing it to halt after several shots had been fired by some member or members of the hijacking party. Stanley was taken from the car, struck several times with a pistol and his hands bound and eyes taped. Mrs. Stanley's eyes were also taped.

After removing his money, Stanley and companions together with the car, were driven to the intersection of a McLean road with Highway 152, where the whiskey was transferred to a car driven by the robbers. Air was let out of two tires on the Stanley car, wiring torn loose from the distributor and the party abandoned. Help was summoned from a nearby farm house to get them back to Pampa.

Eggleston's sentence here will run concurrently, it is said, with a six-year term at Huntsville which he must serve since his parole was recently revoked as the result of an alleged robbery in El Paso. The added penalty here, however, forestalls further paroles. The verdict was returned late Monday evening.

Bud Martin, district attorney; Homer Moss, county attorney, and Sheriff Jess Swink's force did commendable work in apprehending Eggleston and then getting him to trial.

No court business on Tuesday. Wednesday brought on for hearing the case of G. E. Meathenia, McLean farmer, on a charge of murder without malice. This trial was the result of a truck and car crash at Shamrock on Jan. 5, last, when C. O. Stone of Texola, Okla., was killed. It was alleged that Meathenia was drunk while driving his truck, which cut directly into the path of Stone's approaching car.

Receiving the case late Wednesday evening, the jury returned its verdict early Thursday morning, assessing Meathenia a five-year suspended sentence.

In the absence of jurors, who had been excused on expectations of the last-named case running longer than it did, court was quiet today. Presiding Judge W. R. Ewing said with the jury's return tomorrow morning, some civil actions would probably come to trial.

Jury List, Fifth Week

Bill Owen, Ira Neeley, H. Briley, Floyd Carver, E. E. Farmer, E. R. Blocker, Claude Cox, F. A. Mooney, J. E. Williamson, J. R. Pennington, A. H. Finley, Robert Terry, W. L. Hill, John Bennett, H. F. Leake, J. Wade Duncan, Willard Godwin, Jim Selby, W. H. McAvoy, J. O. Sims, Warren Williams.

I. T. Goodnight, Travis Patterson, G. E. Haralson, Ross Hooser, O. L. Hudson, L. R. Barry, J. G. Haralson, Bennett Davis, B. F. Meadows, Jr., G. E. Shaffer, Raymond Moore, J. R. Henry, M. A. Pillers, C. T. Brittain, Walter Sorensen, Geo. Topper, J. F. Daberry, F. A. Kromer, J. A. Bessire.

SEEK STATE DESIGNATION FOR NORTH COUNTY ROUTE

Representatives from a string of towns along the proposed route, numbering about 36, met yesterday at the Allison gym to further plans asking for state designation of a highway from Mobeetie through Briscoe and Allison into Oklahoma, with its principal destination at Tulsa.

Delegations were present from Pampa, Mobeetie, Briscoe, Allison and Wheeler, and Reydin and Cheyenne, Okla. Two men went from here to the meeting, which is said to have generated considerable enthusiasm.

OLD CITY WATER TOWER YIELDS TO PROGRESS

The old city water tower, which stood as a landmark for nearly 10 years just west of the Cicero Smith Lumber Co. yard, is no more. This week it yielded to progress. Clarence Holt and a crew of men toppled the 11,000-gallon tank to the ground yesterday and today pulled down the home-fabricated 100-foot tower. Holt removed the old contraption for the material in it, paying only the necessary legal sum to safeguard himself and the city.

Ed Strentz, who moved to South Texas several years ago, built the tower early in 1932 when he established the water system here. Use of it was discontinued in April, 1939, when the present municipal system was put into operation.

The city had previously advertised the structure for sale, but owing to difficulty of removal except by men experienced in handling oil field equipment, like Holt, and its small salvage value, no offers were received.

Fruit Crop Prospects Continue Very Bright

County Agent Suggests Thinning and Spraying for Yield of Best Grade Products

Prospects continue bright for a good fruit crop this year, and little fear of damage from frost or freeze remains at this advanced date, states Jake Tarter, county agent, who offers suggestions regarding thinning of the crop and spraying of trees to encourage a yield of best grade products.

Fruit growers are urged to inspect their trees regularly and when a branch appears weakened to pick off the fruit to an amount which it can support safely. By actual count on many branches there has been found an average of 95 blossoms or young fruits, where only five units of these should be permitted to remain.

The usual practice is to wait until June 10 and if trees and vines have not shed back to reasonable capacity, pick off about 50 per cent. Then again on June 20, provided winds and other natural causes have not reduced the quantity sufficiently, to complete the job of thinning. The correct number of units on a tree, says Tarter, will make as many bushels of fruit and the quality will be much higher; therefore, producers should watch their fruit as closely as any other important crop.

A good formula for spraying apples, peaches, plums and cherries is the following: Three-fourths of a pound of lead arsenate and four pounds of commercial lime and sulphur, the latter being a commercially prepared product.

Spraying will be of little benefit unless applied at least three days before a hard, beating rain. But this spray, if gotten on properly before peaches or other fruits are larger than a cotton seed, will eliminate all wax on fruits (not on trees) and improve the quality of fruit greatly. The cost is a mere trifle where spraying equipment is available.

Aged Father Wheeler Druggist Dies Today

T. W. McDowell, 69, of Dodson in southeastern Collingsworth county, suffered a heart attack at 11:15 today while working in his field and passed away a short time before his son, Ansel McDowell, Wheeler druggist, who was immediately notified could reach his bedside. The local man was accompanied to the parental home by Bill Horchem. Mrs. McDowell and children were in Wellington at the time.

The deceased was a resident of Collingsworth county 47 years and had a host of friends in that region. He also had many acquaintances in Wheeler county.

Besides his wife, Mr. McDowell is survived by one daughter, Mrs. Beth Owens, of Dodson and his son here.

Funeral services, according to present plans, will be held at 2:30 Friday afternoon in Dodson, unless it is learned that relatives from a distance expect to attend the rites.

BADLEYS HERE ON VISIT

Mr. and Mrs. Jack Badley and daughter, Delaine, of Levelland came Friday and spent the night with Mr. and Mrs. Loyd Lee and children, Harold Loyd and Nancy.

The Badleys went to Granite, Okla., Saturday and visited her parents, Mr. and Mrs. Tom Wilson, returning Sunday to Levelland, where he is building a duplex and doing other carpenter work.

Worley Gets Promise Area Defense Survey

Wheeler County Congressman Says Panhandle Well Qualified as Other Sections

Congressman Eugene Worley of this county, representing the 18th congressional district of Texas at Washington, has transmitted to The Times a letter containing information of vital interest to citizens of this region. The message, dated May 2, reads as follows:

"A few days ago Senator Tom Connally, Judge Marvin Jones, Messrs. Simpson, Hinton, Boyce and myself contacted officials of the war department and urged that a careful survey be made of the entire Panhandle in an effort to determine if this area, or any part of it, could possibly be utilized for any kind of defense location. It was pointed out and pressed by the delegation that we were interested in such a survey from the viewpoint of the entire area and not for any particular section or individual project or location.

"The officials finally consented to make a fair and impartial survey of the entire Panhandle to determine if our section of the country could fit in with their plans. In an effort to be helpful, I submitted to department officials the names and locations of at least one town in each of the 28 counties in the 18th congressional district. I have no assurance whatever how long such a survey will require, nor at what point the survey parties will begin or end, but I did want you to have this information for yourself and other citizens of your city who are interested in this matter.

"According to my information from the officials of the war department, the location of any particular unit, whether it be cantonments, air schools, industrial plants, etc., depends on many factors, but it is my belief that the Panhandle, with all its resources, can qualify as well as many other sections of the country. We might not get anything at all, but I personally feel a great deal better in making the strongest efforts possible than I would if we did not take any interest at all.

"So far as I am personally concerned, I would like to see the representatives of each section of the entire Panhandle co-operate with the officials of the war department and with one another, and point out every single one of the advantages from all sections of the Panhandle area.

"I shall continue my efforts at this end and will be glad to comply with any suggestions or requests that I can in an effort to be as helpful as possible."

Local Band Completes Very Successful Year

The Wheeler school band completed a very successful year's work with termination of the current school term, according to Raymond Raillard, director. The organization also achieved substantial growth during the year, both in the number of instruments and interest, the director added.

Raillard had made an effort in recent weeks to arouse sufficient interest to continue band work during the summer vacation period, but said that support of the plan was insufficient to justify the undertaking.

The director stated in conclusion that he expects to return some time during the summer and resume rehearsals, and hopes that parents will keep their children "tooting" until the date of his return.

WHEELER, MOBEETIE CONOCO DEALERS AT SHAMROCK MEET

H. J. Garrison and John Lewis of Wheeler and Jack Miller of Mobeetie, Conoco station operators in their respective towns, attended the annual North Texas District Conoco Dealers meeting at the U-Drop Inn at Shamrock Wednesday night. More than 100 Conoco retailers from all over the Panhandle were present for the banquet and business session.

P. R. Erdwinn, Fort Worth, Continental Oil Co. division manager, and Bill Doty, Shamrock, district superintendent, presided at the business session, explaining and demonstrating superiority of the new "Nth" Motor Oil recent development by their company.

Interesting pictures and facts concerning the "Death Valley Destruction Test," and suggestions for increasing sales and improving service by local Conoco dealers were stressed in the meeting.

Postmaster and Mrs. Chester Lewis and children and Mr. and Mrs. Jess Crowder and daughter, Marion Janelle, motored Sunday to Pampa and visited with Mr. and Mrs. Bill Lewis and son, Harold Lee. The latter is recovering nicely from pneumonia.

Lyndon Johnson Into Campaign for Senate

Congressman from 10th District of Texas Seeks Toga of Late Morris Sheppard

Ex-students of all the teachers colleges of Texas have formulated a Lyndon B. Johnson for Senate club in the interest of Johnson's campaign for the senatorial position formerly occupied by the late Senator Morris Sheppard. Raymond M. Cavness, president of the San Marcos academy, was chosen as chairman of a large committee of members from all seven teachers colleges.

Johnson, a 1930 graduate of Southwestern Texas State Teachers college, has served as congressman of the 10th district of Texas for the past

LYNDON B. JOHNSON

four years. Prior to that time he was state administrator of the National Youth administration of Texas.

Johnson opened his campaign at his alma mater in San Marcos Saturday night, May 3.

"This is the first opportunity that has come to teachers college exes to unite behind one of their number for the high office of United States senator," Chairman Cavness wrote in a letter mailed out to a large number of teachers college ex-students.

"The teachers colleges have long been furnishing recognized and able leadership in educational affairs; this is their opportunity to establish that same kind of leadership in the affairs of state."

Johnson taught school for three years after graduation from the San Marcos college.

Cavness stated further: "Johnson has a record of full co-operation with our present administration — and what is more important than that, we should elect a well-informed, co-operative senator in these days of grave national danger. In Washington he has come to be known as a man of action; he gets results as few congressmen have been able to."

Johnson's confidence in and patronage of the press in presenting his candidacy merits a cordial reception by the Texas newspaper fraternity. His paid advertisement appeared in last week's issue of The Times, along with 25 or 30 exchange publications reaching the editorial desk, and will be found in The Times again this week.

Wheeler Girl's Hair Dress Trophy Winner

Miss Rutha Mae Conner of Wheeler, a senior at Arlene's School of Beauty Culture in Lubbock, was the model for the hair dresser who won a \$30 trophy in a contest sponsored by the Russell Morrison Supply Co. The contest was part of the tenth annual trade show and convention of Texas and New Mexico Beauticians at the Hilton Hotel.

Miss Conner, daughter of Mr. and Mrs. John Conner, residing northeast of Wheeler, was attired in a gown of black taffeta and wore white gardenias in her hair.

Miss Jennie Lou Harper of Floydada, also a senior in the same school, was awarded the prize as the best student hairdresser.

MOBEETIE YOUTH HURT IN CAR WRECK AT FT. BLISS

Sergeant Wilbur Sims of Mobeetie, who is in the army at Ft. Bliss, was critically injured in a car wreck near the fort last Sunday morning. Sims is about 24 years old and a son of Mr. and Mrs. R. A. Sims, Mobeetie. He would have completed two years service with the army on Wednesday of this week.

Sims suffered concussion of the brain and severe lacerations of the face and was unconscious for nearly two days and nights. Word received yesterday was to the effect that he had become rational; chances of recovery were not mentioned. Upon receipt of word of the accident, Mr. and Mrs. Sims rushed to their son's bedside.

WHERE FOOD STAMPS MAY BE PURCHASED

To all persons eligible to participate in the Food Stamp Plan:

The selling unit for food stamps, announces Robert M. Moss, area supervisor, will be in Shamrock at the commodity store room on Friday and Saturday, May 16 and 17. Those desiring food stamps should come to the above address on those days.

On Monday and Tuesday, May 19 and 20, they will sell stamps at the issuing office in the basement of the court house at Wheeler.

On Wednesday morning, from 9:00 a. m. to 12:00 noon, at the First State Bank building in Mobeetie. On Wednesday afternoon, from 1:00 to 4:00 p. m. at Mason grocery, Briscoe.

Those desiring to participate should do so at one of the above locations. On all other days during May, other than those scheduled above, persons can secure their stamps at the issuing office in the court house, Wheeler.

Large Membership 4-H Club Boys for County

Among Highest in Texas According to Population—Many Have Begun Demonstrations

Wheeler county has 14 boys' 4-H clubs, with a membership of 334 which is one of the largest memberships of any county in Texas, according to population, reports Charles V. Griffin, assistant county agent.

Most of these club members have already begun their 1941 demonstrations. Their activities embrace a range of subjects, including cattle, hogs, sheep, poultry and crops.

Up to date there are around 30 club calves on feed. Most of these are choice individuals from different herds in the county and were old enough when purchased to put on dry feed. The boys are encouraged to feed home-grown products and, at the same time, feed them a well-balanced ration supplemented with the minerals usually needed in this section of the state.

The extension service is more interested in seeing boys learn something about feeding livestock and making money out of them, rather than feeding high-priced feed for show purposes only.

More than 60 club boys have chosen swine as a 1941 demonstration. Some have purchased registered gilts and expect to raise registered hogs, while other boys are feeding barrows for market.

Approximately 45 boys have decided to raise chickens. The number of chickens each boy has runs from 200 down to one dozen. Most all of the boys are starting out with baby chicks, and some will save the best birds for laying hens while others will sell them all as fryers.

Very few boys are choosing dairy stock for their project or demonstration, and this is something the extension service contemplates working on. Everyone realizes there are not as many "high producing" milk cows in the county as there should be. Whether these "high producers" are registered or not, 4-H club boys will be encouraged to participate in this demonstration.

Some means of financing the purchase of heifers from high producing dams and sires will be brought before the Land Use Planning committee for a solution.

A rising interest is seen among 4-H club members of this county in sheep. In the past, very few lambs were fed by club members, but this year more than 50 boys plan to demonstrate lamb feeding practices.

A large per cent of the membership will have various crops as 1941 demonstrations. Cotton, maize and corn constitute the major crops planted by club boys. This project at the present time looks very promising, due to the fine moisture.

With all the enumerated demonstrations being undertaken by youths of different communities, it is hoped by the extension service that some of the purposes of 4-H club work will be achieved, which is to teach boys better methods of farming and the handling of livestock.

TEACHER AND STUDENTS TO FUTURE HOMEMAKERS RALLY

Mrs. Max Wiley, home economics instructor in the Wheeler schools, and three pupils, Miss Dorothy Lamb, Miss Glenda Schattenberg and Miss Virginia Lowrie, motored Tuesday of last week to San Antonio and attended the Future Homemakers of Texas rally.

Miss Celeste Wiley accompanied her sister-in-law and the group. They all returned Saturday evening, except Miss Schattenberg, who remained for a longer visit with relatives.

Booze Outlawed in Election Saturday

County-Wide Referendum Results in Rejection of Beer and Alcoholic Beverages

In a county-wide referendum last Saturday on the question of prohibiting the sale of all alcoholic beverages in Wheeler county, unofficial returns supplied by Harry Wolford, county clerk, reveal that booze was outlawed by 29 votes in a total of 1,171 ballots cast. Of the counters, 600 registered dry preference and 571 wet.

Only seven (one-third) of the county's 22 polling places voted wet. All seven were in or adjacent to the south side, with Shamrock showing up strong in its customary manner regarding liquor.

Three boxes, McBee, Porter and Corn Valley, failed to return a wet ballot. Mobeetie voted dry, 6 to 1; Briscoe 2 to 1; Wheeler 2 1/2 to 1; Allison 3 to 1; Stanley 6 to 1; Kelton 3 to 1, and Heald 5 to 1.

Tabulation by boxes shows:

	Dry	Wet
1—Mobeetie	54	9
2—Briscoe	22	11
3—Wheeler	58	22
4—Allison	30	10
5—Stanley	71	12
6—McBee	35	0
7—Porter	12	0
8—Gracey	7	15
9—Heald	20	4
10—Lela	50	23
11—Center	17	7
12—Shamrock	71	208
13—Benonine	7	13
14—Ramsdell	4	5
15—Locust Grove	4	19
16—Kelton	24	7
17—Twitty	20	15
18—Magic City	14	27
19—Corn Valley	13	0
20—Pakan	14	20
21—Shamrock	42	135
22—Bethel	11	9

Totals ----- 600 571

According to this vote, barring other developments, Wheeler county will become legally dry 30 days from this Saturday, the date on which the commissioners court will make official canvass of last Saturday's votes.

Another Election Looms

However, another liquor election—sponsored by the wets—is a possibility in the near future. It was learned yesterday that a petition is being circulated and may be presented to the county commissioners next Monday. Proposal of this county-wide referendum is to legalize the sale of 4 per cent malt beverages, which of course would be beer.

An inquiry, states County Attorney Homer Moss, has been addressed to the State Liquor Control board on the status of various phases of the liquor situation as it applies to Wheeler county. Some doubt exists as to the legality of another election, at least now, on the new proposition.

Another question raised is that the entire county would become wet should the new proposal be submitted and prevail. In other words, some contend, the two north county precincts which were already dry previous to the recent election, would become wet if the 4 per cent proposal carried.

Ruling on these issues properly comes within the province of the Liquor Control board or the attorney general (or both) and have thus been rightly referred to those authorities by local officials.

Purebred Dairy Stock Bought by County Men

Wheeler county benefited substantially this week through the purchase or contract to purchase of several head of purebred dairy cattle. Introduction of the new stock resulted partly from the attendance of six farmers and the county agent at the Plainview Dairy show on Wednesday.

At Plainview, A. O. Krug of the Davis community bought Spot Sybil Gamboge, 2-year-old heifer, whose breeding is top-notch. She comes from two generations which have shown a 501-pound official production test in butterfat. This individual is said to have the highest quality dairy breeding yet brought to the county.

R. T. Watts, also of the Davis community, contracted for a full sister to the Krug heifer and also another heifer by the same sire and granddam and a half-sister of the immediate dam.

Those animals were obtained at only slightly higher than market prices because of contacting H. H. Graham, who is dispersing his herd.

Those making the trip to Plainview were C. A. Dysart, Mobeetie; A. O. Krug, H. F. Krug and R. T. Watts, Davis; J. Z. Baird and J. F. Rathjen, Wheeler, and Jake Tarter.

CIGARETS AND CITIZENSHIP

A wise man said, "Tell me what you eat and I will tell you what you are." He might also have said, "Tell me what you do with your cigarette stubs and I will tell you what kind of a citizen you are."

When driving your car, do you throw your stub out of the window? If so, you aren't a good citizen. Your stub may land in some leaves or rubbish by the roadside and start a fire. The place for such stubs is the ash tray provided in your car.

When you are smoking in the house and you leave your stub in an ashtray, do you make sure it is actually out before you leave it? Women are said to be among the worst offenders in this respect. Cigarette stubs smolder on the edge of an ashtray, and sometimes drop off. That is how many house fires begin.

When you drop your stub in any public place, do you step on it, hard? You should. It might set fire to the clothing of some passer-by. The best plan is never to drop your stub on any floor at any time, but use the receptacles provided for smokers.

Good citizenship is simply intelligent consideration for your fellow men. According to the National Board of Fire Underwriters, now celebrating its 75th anniversary, one test of a good citizen is whether he puts cigarette stubs only in a safe receptacle and, even then, makes sure they are completely extinguished.

BANKING IS HARD JOB

Banking is often thought of as a dull, unchanging business; the banker as a smug individual blessed with a degree of economic stability unknown to most of us. And yet, about the only thing that hasn't changed in banking during the last quarter-century is the traditional marble and bronze atmosphere.

No longer is the local banker a provincial "homebody." He has, of necessity, become an internationalist. Modern transportation and communication bring the effects of ever-changing economic conditions over the entire world, to the smallest community almost immediately, sometimes with devastating results.

The banker must anticipate these changes. He must advise borrowers against contingencies that 25 years ago were undreamed of. He must protect depositors against eventualities that may occur thousands of miles from his and their community.

Local business men today more than ever turn to the local banker for advice. Happenings completely outside their fields of endeavor often spell success or failure. A tariff adjustment, drought, transport facilities, war, a new scientific development, a slight change in production technique, are a few of the countless possibilities that may hit worker and employer alike, though they occur a continent or a hemisphere away.

The local banker, no matter how small his institution, must keep competently abreast of the times. In many cases, upon his judgment rests the fate of a taxpaying, employing enterprise. The task of the modern banker is enough to turn the hair gray. And all too often it is a thankless, misunderstood task.

HOW TO RISE IN THE WORLD

WARWICK SPEAKS UP

Clyde W. Warwick, publisher of the Canyon News, published an article in his paper last week that many individuals will doubtless concur in and which various publishers less gifted than the Canyon writer would have put in words long before this. The News article follows:

Lindbergh vs. Perkins

The News has sent the following letter to President Roosevelt: April 28, 1941. President Franklin D. Roosevelt, Washington, D. C.

Dear Mr. President: I note with interest that you have dubbed Charles Lindbergh a Copperhead because he does not agree with millions of people of this nation in thinking that England will finally win the war.

While I agree with you that Lindbergh and others are doing considerable damage to the thinking of the people of the United States, yet Lindbergh is a free American citizen who has the right to speak his thoughts, right or wrong. So far, he cannot be charged with using an official position to undermine the confidence of the American people.

On the other hand, Mr. President, you have within your official family high administrators who are most certainly undermining the confidence of the people of these United States in both your administration and the Democratic way of life.

Secretary Perkins has muffed every opportunity to handle labor situations in a statesman-like manner. She has toyed with CIO leadership until millions of Americans are completely disgusted with the entire labor department, and wonder just how much longer you are going to tolerate her vacillating attitude.

Secretary Perkins is doing more to handicap progress in the defense program and to undermine confidence of sane, sober, patriotic citizens than all the balance of your cabinet can do to strengthen this confidence.

It is reported, Mr. President, that Secretary Perkins holds office because of your great personal friendship toward her. That is a splendid trait. Sticking by friends is an admirable quality.

But when the safety of the nation is at stake; when destructive, foreign ideals are at work to undermine public confidence; when situations must be met promptly and fairly; when labor must work hand in hand with capital; when every person must place patriotism above honor or gain—then it is time to think of 133,000,000 American citizens rather than the friendship of one person who in the minds of millions of Americans, believe her to be a complete misfit in her public office.

If defending Democratic ideals means anything, it certainly is a job for every citizen, and must have the strongest leadership that the nation produces. A two-fisted man is needed in the labor department today—not a radical who leans either way—but a fair and patriotic American.

If you listen to public sentiment, I believe that you will find millions of American citizens who believe every word of this letter and would tell you so if the opportunity presented itself.

Yours very truly,
CLYDE W. WARWICK,
Publisher of The Canyon News.

"ONLY MADE A START"

In New York City today (May 8) a body of people will gather at city hall. In the beautiful board of estimate room, practically unchanged for a century and a quarter, they will celebrate the 125th anniversary of the founding of one of America's well-known organizations—the American Bible society. Born in these same walls—facing the expansion of the then-young country to the West—the society accepted the challenge

of supplying Scriptures to the thousands of new homes springing up in the great trek to the coast.

In 1836, just 20 years later, the society opened its first foreign agency in Turkey.

Scriptures in more than 200 different languages are needed by the society's workers who, today, are found distributing the Word in 40 foreign countries.

Remembering the word of the Psalmist, "He sent His word, and healed them, and delivered them from their destructions," the American Bible society has bestirred itself anew to wrestle with the world-wide urgency of greatly increased distribution of the Holy Scriptures, that more multitudes might learn therefrom that "perfect love casteth out fear."

Its distribution since 1816 has approximated 305,555,700 Bibles, Testaments and Portions—a large figure, but very small in proportion to the number of human hearts who should have been and still need to be reached with God's Word.

The Bible society is growing steadily and vigorously, its very responsibilities preventing it from resting on its years or its laurels. It is facing up to the grave situations created by the war emergencies, in other countries, and in the words of the society's president, John T. Manson, "We have only made a start."

LABOR LEADERSHIP

Expulsion of two Baltimore officials of the C. I. O. Industrial Union of Marine and Shipbuilding Workers for "Communist activities" may be only the brushing down of a single cobweb. Until it becomes evident that it is the first sign of a general spring housecleaning of radical elements in labor leadership, it may be premature to do too much cheering.

But there can be no doubt that action of the Marine and Shipbuilding Workers' executive council in kicking out the president of the Baltimore local and his business agent because they "reflected the attitude of the Communist party in criticizing national defense" is highly significant. It is the first action of its kind in a union with 70,000 members, a union, incidentally, charged frequently with being shot through with Communist influence.

Just how deeply Communist, Fascist and Nazi elements have penetrated union leadership in this country is still uncertain. Chairman Dies of the house committee on un-American activities has inserted in the Congressional Record names of scores of labor leaders alleged to be dangerous radicals.

Many have denied the charges. Nearly everyone agrees that there is some degree of radical infiltration in the top ranks of labor. There is some disagreement on how serious that infiltration has become, and on how much damage it could cause in sabotaging the defense effort.

In these times, when as much loyalty is needed among workers in defense industries as in the army and navy, labor leadership, like Caesar's wife, should be above suspicion. It is its patriotic duty to purge itself, not only of out-and-out radicals and bomb-throwers, but of all leaders whose loyalty to this country and whose belief in its institutions is questionable.

The fact that a C. I. O. waterfront union, whose members are the principal targets of radical agitators, should launch the housecleaning, even in a small way at first, is an encouraging development.

It indicates that along the waterfront, as in other strata of American life, the rank and file of men who work and their more responsible leaders are getting tired of professional agitators who misuse the hospitality of a tolerant democracy.

May that attitude spread, and may the housecleaning be thorough. —Houston Post.

Times Wantads—5c a line.

Pertinent Paragraphs from Panhandle Press

Items of interest culled from newspapers on The Times' exchange list.

This business of trying to be a mother to my daughter, trying to run the paper, trying to keep the dogs off my lawn and out of my flower bed has about got me down. What every woman needs to do is to leave her husband in charge of the children and the house once in a while. Don't take the children with you. Leave them for him to look after. You will find a very respectful and admiring husband when you get back.—Deck Wells in Wellington Leader.

It takes so many things to make a good town that it would be hard to enumerate them all. But, one thing is certain, where there is co-operation all obstacles can be overcome, and the job CAN be done. — Higgins News.

"This stuff you sold me might be all right for some things," said the baldheaded man, "but it hasn't brung back my hair. Look at them bumps on my head."

The druggist looked at the customer's head and then the label on the bottle. "Great Scott," he gasped. "I've made a terrible mistake. This is bust developer." —Donley County Leader.

Miami's fine high school 40-piece Class B band again showed its superiority in talent last Friday at Spearman when the organization was awarded first prize in the marching contest against a field of some fourteen other Class B bands from various towns and cities from over the Panhandle. A \$15.00 "Fire Flash" electric twirling baton was the trophy awarded the winning Miami band.—Miami Chief.

Sometimes, when the sand starts blowing you get to wondering how men like George Muse and Alex Thompson put up with it for all of these years, then along comes a few days like we have had this week—and you couldn't drive folks away. Yes sir, this is a great country. The wind will always blow, just as God intended it should in the beginning. If the sand and dirt blow sometimes, that's our fault—but surely, this is one of the best all-around countries in the whole world.—Hereford Brand.

J. Frank Norfleet, author, noted peace officer and old-time Texas cowman, was a guest of friends in Canadian last Friday night and Saturday morning. Norfleet's home is at Hale Center. He spent Friday night visiting in the George B. (Snooks) Mathers home, and visited Mrs. John Isaacs, E. H. Brainard and others while stopping over in this city. Norfleet's daughter, who is now in the U. S. secret service, was a roommate of the late Miss Anna Isaacs at college.—Canadian Record.

Orrin J. Brown, 50, alias Robert E. Lawrence, was arrested last week at Chicago in connection with the murder of Mrs. Leota Frances Murphy, whose body was found on a lonely country road in Hansford county, near Gruver. The man was identified after arrest as Brown, who gave his address as Lookout, Calif. At the time of his arrest in an apartment house he was returning to his home from a visit in New York City. Advice received in Spearman were to the effect that Brown was in Chicago on March 22nd, just two days after Mrs. Leota Frances Murphy was found dead on the Gruver-Stratford highway, early in the morning of March 20th.—Spearman Reporter.

On last Thursday, shoplifters took several pairs of silk hose from Brooks Dry Goods, Stubblefield's Department store, and the Ben Franklin store. There seems to have been two men and two women in the group, the men talking to the clerks while the women took the stuff. The same group took hose at Penney's at Shamrock the same day. Local officers traced the car to Sayre, Okla., but found only the two men suspects with no goods on them.—McLean News.

J. C. McCollough and Harry Vance attended a meeting of the various representatives of chambers of commerce over the Panhandle in Amarillo Monday afternoon when an effort was made to gather information pertaining to defense work. The data will be forwarded to government officials with the hope that this section will get some portion of the defense work.—Panhandle Herald.

Continued rainfall during the past six days gave Memphis another 2.52 inches of moisture to run the total amount received this year to 6.77 inches—the most rainfall in the four months since 1926. With the exception of Wednesday, Memphis and Hall county has had rain every day in the week from Friday of last week through Tuesday.—Memphis Democrat.

Eighty-five seniors, the largest class in the history of the Perryton high school, will receive their di-

plomas on the evening of May 23 from Superintendent C. Wedgeworth. Dr. R. P. Jarrett, head of the department of education and Dean of the West Texas State college at Canyon, will deliver the commencement address. The exercises will be held in the school auditorium at 8 o'clock.—Ochiltree County Herald.

PURPOSE, OBJECTIVES AND METHOD OF FOOD STAMP PLAN IN WHEELER COUNTY

Food stamps bridge the gap between farm surpluses and under-consumption and strengthen our national defenses.

THREE MAJOR OBJECTIVES:

- 1. Aid to American Farmers** through the creation of larger markets for domestic farm products.
- 2. Aid to the Underprivileged** through increasing their food purchasing power so that they may buy more food and have a wider variety of the necessary wholesome foods essential to good health.
- 3. Aid to Business** by utilizing normal trade channels for the distribution of food products to families certified for public assistance.

More Food for Your Family
THE FOOD STAMP PLAN will be operated by the Surplus Marketing administration of the United States Department of Agriculture, in co-operation with local officials, welfare agencies, food merchants and banks. The former method of distributing surplus food to individuals will be discontinued. Families taking part in the Food Stamp plan may purchase such food products as they need from their food merchants in the same manner as if they were using cash. The merchant will obtain all food products through normal trade channels.

FOOD STAMPS are issued in two colors: ORANGE AND BLUE. Each stamp is worth 25 cents. The United States government gives Blue Stamps free with each purchase of Orange Stamps. Food stamps may be exchanged for food articles at any participating retail food store.

ORANGE STAMPS may be used to buy any food product taken home for human consumption. Food stamps CANNOT be used to purchase alcoholic beverages or tobacco, in any form, or for the purchase of household articles, such as soap, starch, fuels, matches, mops, brooms and other non-food items, nor feed for livestock. Stamps cannot be used to pay for food eaten at the store.

BLUE STAMPS can be used only to purchase farm products which the secretary of agriculture has designated as surplus. A list of the surplus commodities available with Blue Stamps will be mailed to participating retail food stores. The latest list of items must always be posted in participating retail food stores.

Information for Eligibles

1. Who is eligible to participate in the Food Stamp plan?
Answer: Any householder living in Wheeler county who has been certified as receiving or eligible to receive public assistance by the Wheeler County Department of Public Welfare. These families include cases certified for: (1) Old Age Assistance, (2) WPA (employed workers on a WPA project receiving security wages), (3) WPA-AA (awaiting assignment to a project), (4) Commodity Only (cases previously receiving surplus commodities only), (5) General Relief.

2. Question: How will a person know if he is eligible?
Answer: Each eligible person will receive a letter from the Surplus Marketing administration. This letter (with the envelope) is to be brought to the stamp issuing office by the eligible person. An identification card will be issued to the client at that time.

3. Question: Is each eligible person required to participate?
Answer: No. Participation in the Stamp Plan is entirely voluntary.

4. Question: What are the advantages of taking part in the Stamp Plan?

Answer: You will be able to buy considerably more food by investing the money you are now spending for food in Orange Stamps. This will enable you to furnish your family more food and will give the advantage of better balanced diets for good health.

5. Question: Are certified clients required to get their own stamps?
Answer: Yes. It is necessary that the person certified sign certain records before the first stamps can be issued.

6. Will it be possible to authorize another person to get stamps after the first purchase is made?
Answer: Certified clients may designate a member of the family or a friend to act as agent, if absolutely necessary. The identification card must be signed by the person to whom it is issued and must be presented by the agent designated. **RETAIL FOOD MERCHANTS, THEIR EMPLOYEES, OR EMPLOYEES OF THE ISSUING OFFICE CANNOT ACT AS AGENTS.** Authorization of agent forms can be secured at the Food Stamp issuing office.

7. Question: What is necessary in order to get stamps?
Answer: Bring your notification letter to the stamp issuing office and enough cash to buy your Orange Stamps.

8. Question: Where can stamps be obtained?
Answer: You may buy stamps on certain days at the Stamp Issuing Office, Court House, Wheeler, Texas, 113 West Third Street, Shamrock, Texas, or The First State Bank of Mobeetie Building.

9. How are stamps used?
Answer: Take the stamp book to your retail food merchant, purchase

the products desired and give the merchant the correct number and color Food Stamps. Orange Stamps can be used only to purchase food articles for human consumption in the home and Blue Stamps can be used only to purchase articles on the surplus commodity list. Stamps must be removed from the book in the presence of the food merchant at the time the food is delivered. Stamps must be kept and used by the family to whom they were issued.

10. What is done with empty book covers?
Answer: The covers must be returned to the food stamp issuing office where they were purchased before additional books can be obtained. This will be true of all book covers except those received the last time. For example, your stamp book cover for the first period must be returned before you can obtain stamps for the third period. Your book cover for the second period must be returned before you can obtain stamps for the fourth period. The stamp issuing office when obtaining additional stamps.

INFORMATION FOR RETAILERS

1. What merchants may accept stamps?
Answer: All retail food merchants in Wheeler county, including bakeries and dairies with established trade routes, that have been approved by the Surplus Marketing administration.

2. Question: How does a retail food merchant become approved to participate?

Answer: Retail food merchants must study and understand the rules and regulations of the Food Stamp Plan. They will then complete and sign three copies of the "Retailers Statement Form No. 480." These copies will be sent to the office of the Surplus Marketing administration, 102 Masonic Temple building, Amarillo, Texas. One copy will then be returned to the food retailer as the merchant's authority to accept stamps.

3. Question: How does a merchant exchange food products for food stamps?

Answer: The food items selected are to be separated into 3 groups, (1) Surplus commodities, for which the merchant accepts the correct amount of Blue or Orange Stamps, (2) other food products, for which the correct amount of Orange Stamps are accepted, and (3) non-food items, for which no food stamp may be accepted in payment. The approved merchant is expected to sell to stamp customers the same quality and quantity of approved food products at the same price and with the same service given to cash customers.

4. Question: Can retail food merchants give cash change to customers using food stamps?

Answer: No. The merchant may give the purchaser a due bill or credit slip representing the difference between the purchase price and the value of the stamps given. For example, suppose the purchase is 60c; the customer could give three food stamps to the retail food merchant representing 75c, and receive from the food merchant a credit slip representing 15c to be used for future purchases at the same store. Credit slips must be made out in indelible pencil or ink. Each slip must show whether it is for an Orange Stamp credit or a Blue Stamp credit. Single credit slips must not be in excess of 24c. Of course, the customer may make up the difference in cash if he wishes to do so, or he may buy in even multiples of 25c.

5. Question: Can stamps be used to pay a bill or account already owed a food store?

Answer: No. Stamps CANNOT be used to pay old bill or accounts. Food must be delivered at the time stamps are removed from the stamp book.

6. Question: Can anyone beside the person to whom the stamps were issued use them?

Answer: Yes. The person to whom the stamps were issued can have a member of his family use them to purchase food for the family. If the merchant does not know the holder of the stamps, he must require the person to identify himself by the use of the identification card.

7. Question: Can stamp books be left with the food retailer?
Answer: No. They must be retained by the owner at all times.

8. Question: Can food stamps be traded or sold?
Answer: No. They can be used only to purchase approved food products and only by the families to whom they have been issued. They cannot be exchanged for cash or unapproved articles.

9. Can household articles, such as soap, starch, matches and the like be purchased with Orange Stamps?
Answer: No. Orange stamps are good only in exchange for food for human consumption, other than food that is consumed on the premises of a retail store.

10. Question: Can ice cream, candy or carbonated beverages be purchased with Orange Stamps?

Answer: Yes, when in the normal course of business these food items are not sold for consumption on the premises. However, deposit for bottles or containers must be paid in cash, not with Orange Stamps.

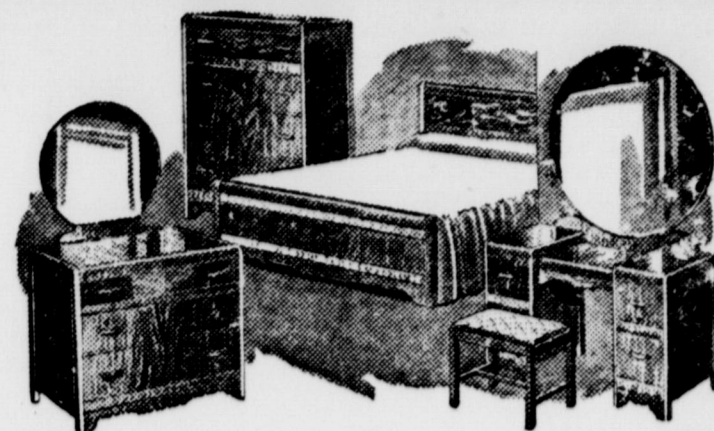

For the Home!

Floor Treatment Special!

Johnson's Glo-Coat

Full quart and Free Applicator 98c

Our complete stock includes Bedroom Suites, Dining Room Suites, Living Room Suites, Studio Couch Sets, Novelty Tables, New Card Tables, Occasional Chairs, Kitchen Cabinets, Dinettes and many other items.

Ernest Lee Hardware

FURNITURE RUGS RADIOS HARDWARE

11. How does a retail food merchant redeem the stamps which he receives from his customers?

Answer: The retailer will paste the stamps on cards furnished by the Surplus Marketing administration. These cards, properly certified, may be turned over to the food wholesaler for collection or in payment on the retailer's account, or they may be turned over to any bank for collection. They may also be mailed directly to the District Audit Office, Surplus Marketing administration, 556 Terminal Annex Building, Dallas, Texas.

RETAILERS ATTENTION!

1. Familiarize yourself with all rules and regulations of the stamp plan.
2. Be certain that all of your employees thoroughly understand the plan.
3. Educate your customers as to the benefits of the plan.
4. Orange Stamps may be used to buy food for human consumption in the home.
5. Blue Stamps may be used to buy food items designated by the Secretary of Agriculture as surplus commodities.
6. It is your responsibility to post conspicuously the latest Surplus Commodities bulletin.
7. Stamps cannot be sold or traded for anything except food.
8. The proper foods must be delivered at the time the stamps are detached from the book.
9. Stamps cannot be accepted in payment of an account or to pay for future purchases.
10. Remember the stamp plan helps the American farmer, the consumer, your business and the community.

Regulations under which the Food Stamp plan operates must be strictly observed. They will be rigidly enforced. Any person or firm violating any regulation will be subject to the penalties provided in the United States criminal code. The store will also be denied the right to accept food stamps in the future.

Mr. and Mrs. H. E. Tolliver and children, Elmer and Wanda, left Saturday for Morton to make their home. Mrs. Hazel Crowder and daughter, Jackie, of Dallas who had spent last week here with her mother, Mrs. Tolliver, accompanied her parents to Morton for a longer visit.

Amasa Flynt, who has been working in Ogden, Utah, came Sunday and moved his family to that place. Mrs. Flynt and the children spent two weeks here at the Chas. Flynt home while Mr. Flynt found a suitable location.

CO-OPERATION BY TEXAS FARM AND RANCH FOLK CITED AS DEFENSE AID

COLLEGE STATION.—Texas farm and ranch families can profit materially and also contribute to national defense by co-operating in several movements announced recently by the department of agriculture, says Director H. H. Williamson of the Texas A. and M. College Extension service, who advises farmers to keep posted on fast-moving plans for making ever-normal granary supplies into food supplies.

Among the defense programs announced recently by the secretary of agriculture are: A plan for making purchases in the open market to support long-term prices of hogs, dairy products, chickens and eggs; a program to expand the production of tomatoes for canning and a nationwide drive to increase egg production this spring and summer from present laying flocks.

Director Williamson points out that the ever-normal food supply program is intended to stimulate sufficient increases in production to insure food supplies adequate to all needs here and abroad. Should unwarranted speculation drive prices up to unduly high levels at any time, the supplies in the hands of the government will be released to stabilize prices and maintain them at reasonable levels.

This means consumers will be protected and farmers will benefit by selling more products at fairer prices than those which have prevailed in the past few years.

A 50 per cent increase in production of mash, either home-mixed or commercial, and all the grain the hens will clean up at night," he says. "Keep fresh, clean water where the hens can get to it easily at all times. Wet mash is an excellent appetizer. It should be fed in a crumbly state, and once started, must be kept up. Extra eggs will pay for the additional work."

Both specialists explain that eggs are an ideal means of turning ever-normal reserves of feed into defense foods, and that increased production can be maintained by better feeding. Their advice is: "Give the hens all they'll eat this spring. Don't make them rustle for their feed."

Mobeettie Happenings

Baccalaureate Sunday Morning
Rev. Ted Ewing, pastor of the local Baptist church, will deliver the baccalaureate sermon for the high school graduates of 1941 Sunday morning at 11 o'clock in the high school auditorium. He will be assisted by Rev. G. W. McLean, pastor of the Methodist church of Mobeettie.

A special choir for the occasion is being directed by Mrs. O. W. Elliott, who will also furnish the music for the professional and recreational. A duet will be sung by Mrs. H. L. Flanagan and Mrs. Willard Godwin. Members of the Mobeettie senior class of '41 are Misses Mary Ruth Bartram, Wanda Bearden, Dortha Bradley, Juanita Brewster, Clara Corcoran, Maurita Dunn, Glenna Beryl Haynes, Annie Faye Newman, Iweta Patton and Wanda Sims; Messrs. Thurman Creekmore, Glynn Lane, Wilbur Moore, J. B. Oswalt, R. C. Parker, Leroy Robison, Lawrence St. John, Mac Thomas and Drummond B. Thomas.

Commencement by Class of '41
A different type of program will be presented by the seniors of Mobeettie high school in their graduation exercises on Thursday evening, May 15, at 8:15. This program, being given entirely by the members of the class will be in the form of a brief court trial in which they endeavor to prove to their community that they are capable of entering adult American life as active, intelligent citizens.

The valedictorian of the class, Drummond B. Thomas, serves in the capacity of prosecuting attorney in the trial and the salutatorian, Maurita Dunn, serves as the class attorney. Personnel of the trial includes all members of the class. Following this court procedure and after the jury has turned in its verdict to the judge, Superintendent M. D. Blankinship will present diplomas to the 10 girls and nine boys who compose the graduating class.

Junior-Senior Banquet
Thursday evening at 8 o'clock the junior class of Mobeettie high school honored the seniors at the annual junior-senior banquet. This year's entertainment featured a patriotic theme, with decorations and menu in red, white and blue. The school colors, maroon and white, and "Old Glory" were placed at intervals down the center of the table to help stress the American and school spirits.

The program opened with a song, "God Bless America," sung by the entire group with piano accompaniment by Miss Mary Kathryn Miller. The invocation was given by Supt. Blankinship and the welcome by the junior class president, Junior Barton. The remainder of the program was as follows: toast to seniors, Bernard Lowrey; senior response, Mac Thomas; toast to faculty, Doris Goodnight; faculty response, Mrs. Si Marchbanks; accordion solo, Mary

Kathryn Miller; reading, Geraldine Sims; class prophecy, W. T. Seitz, and a talk by Supt. M. D. Blankinship.

Those present at the banquet were J. B. Oswalt, Maurita Dunn, Mac Thomas, Wanda Sims, R. C. Parker, Clara Corcoran, Leroy Robison, Mary Ruth Bartram, Glynn Lane, Wanda Bearden, Wilbur Moore, Fern Smith, Annie Faye Newman, Drummond B. Thomas, Glenna Haynes, Thurman Creekmore, Iweta Patton, Juanita Brewster, Estelle Seitz, Cliferene Savage and Dortha Bradley.

Junior Barton, Audrey Brewer, Jack Bearden, Arletta Jeffus, Denzil Leonard, Gearldine Sims, Johnny Murrel, Nadine Dunlap, Jack Robison, Mary Kathryn Miller, W. T. Seitz, Winifred Lowrey, Doris Goodnight, Bernard Lowrey, Wanda Creekmore and Glen D. Hodges.

Mr. and Mrs. M. D. Blankinship, Mr. and Mrs. J. H. Scribner, Mr. and Mrs. Nolan Satterwhite, J. N. Plaster, Mrs. Si Marchbanks and Miss Virginia Crowell.

Mrs. L. D. Bryant of Tahlequah, Okla., spent Tuesday visiting Mr. and Mrs. John Dunn and family and Mr. and Mrs. George B. Dunn.

Janoise Ridgway, a CCC enrollee stationed at Perryton, spent last week end visiting his parents, Mr. and Mrs. E. P. Ridgway, and brother, Art.

Mr. and Mrs. O. W. Elliott and Mr. and Mrs. H. L. Flanagan motored Sunday to Amarillo to visit friends.

Mr. and Mrs. Ernest Lee of Wheeler visited relatives here Sunday afternoon.

Ralph Martin made a business trip to Eldorado, Okla., Sunday.

Billy Robinson and Ed Johnson, who are in the army and stationed at El Paso, came Sunday to spend a 10-day furlough with their respective parents, Mr. and Mrs. F. E.

Robinson and Mr. and Mrs. G. W. Johnson.

Mr. and Mrs. Charles Stockton and daughter and Mrs. Virgil Cook of Fort Worth are visiting Mr. and Mrs. Bill Martin and other relatives.

Mr. and Mrs. Fred Harris and Mrs. Ralph Martin shopped and attended to business in Pampa Monday afternoon.

Mr. and Mrs. George B. Dunn, Mr. and Mrs. John Dunn and Mrs. L. D. Bryant visited Mr. and Mrs. Ernest Lee in Wheeler Tuesday afternoon.

Miss Delora Ferguson came Sunday to make a short visit with her mother, Mrs. Pearl Ferguson, and

brothers, Orvel and Alvin. She has just returned from a business trip to Austin.

Mrs. Artie Lee Hunt of Wheeler visited Sunday afternoon with Mrs. John Dunn.

WOMEN'S CLUBS AND SOCIAL EVENTS

BIRTHDAY SURPRISE DINNER GIVEN FOR LONNIE LEE

Mrs. Lonnie Lee gave a surprise dinner Wednesday evening, May 7, in honor of Mr. Lee's birthday anniversary.

A delicious dinner, including barbecue ribs and chocolate cake, was served to Fred Ashley, Ernest Lee, Walter P. Anglin, Olen Maxwell, Bill Miller, Loyd Lee and the honoree, Lonnie Lee.

GROUP FROM WHEELER TO MOBEETIE O. E. S. MEET

Mr. and Mrs. C. J. Meek, and Mesdames Fred Ashley, D. O. Beene, J. I. Maloy, Chester Lewis, Glenn R. Walker, Fred Farmer, Artie Lee Hunt and Miss Gladys Gunter went to Mobeetie Tuesday evening and attended a regular meeting of the Eastern Star lodge, followed by a social hour, with the Wheeler ladies serving refreshments to about 30 members with Mrs. Ashley as chairman.

MRS. BILL PERRIN HOSTESS TO JOLLY DOZEN CLUB

Mrs. Bill Perrin was hostess to the Jolly Dozen club Wednesday afternoon at her home on South Main street. During the business meeting names were drawn to select pals.

Lovely refreshments were served to Mesdames H. B. Guynes, Choice Bridges, Marlow Dill, Bill Owen, Jack Guynes, Creed Petree, Herbert Whitener and the hostess, Mrs. Perrin.

METHODIST LADIES MEET MONDAY AFTERNOON

The Methodist Women's Society for Christian Service met Monday afternoon at the church with Mrs. J. A. Bryant, president, conducting the business meeting while Mrs. H. M. Wiley led a year book program assisted by Mrs. Ansel McDowell, Mrs. J. M. Porter and Mrs. G. L. Wren.

The society will meet next Monday afternoon at the home of Mrs. R. J. Holt, with Mrs. Albert Hayter leading a Mother's Day program.

STITCH AND CHATTER CLUB GIVES FAREWELL SHOWER

Mrs. E. D. Guynes was hostess to the Stitch and Chatter club Thursday afternoon at her home in the west part of town, when a farewell shower was given in honor of Mrs. W. L. Gaines, who is moving to Cleburne to live, but could not attend the shower because her daughter, Billie Ruth, was quite ill.

Delicious refreshments were served to Mesdames T. P. Morton, C. R. Weatherly, C. B. Witt, Frank Noah, Bill Owen, E. G. Pettit, Percy Farmer, W. E. Bowen, Jack Guynes, J. D. Beatty and the hostess, Mrs. Guynes.

MRS. BOLTON HOSTESS TO FRIENDLY SEWING CIRCLE

The Friendly Sewing Circle met Tuesday afternoon with Mrs. Lloyd Bolton as hostess and observed Mother's Day with readings and poems. Mrs. Cliff Bradstreet will entertain the circle on May 20 with school day memories, and requests members to dress in the prevailing mode of their school days.

Delicious refreshments were served to Mesdames Elmer Lowrie, W. L. Gaines, Cliff Bradstreet, Lee McCasland, W. E. Gaines, H. H. Greenhouse, Dudley Callan, C. M. Hampton, Ben Westmoreland, H. E. Greenhouse, Dorsie Hutchison, members, and Mrs. Addie Fletcher, Canadian, and the hostess, Mrs. Bolton.

MRS. MASON HOSTESS TO SUNSHINE CLUB

Mrs. G. W. Mason was hostess to members of the Sunshine Sewing club Thursday afternoon of last week at her home east of Wheeler. The afternoon was spent doing needlework and visiting.

Delicious refreshments of pie and iced fruit punch were served to Mesdames Weldon Weatherly, Clarence Anglin, J. G. Davidson, Jess Moore, Tom Bradstreet, Floyd Davidson, Cliff Mason, Arnold Waldo, Harold Hill, J. C. Martin, Myrel Green, Fay Patterson, Loubet Moore, and Misses LaVerne Cox, Iva Davidson, Alpha Gaines, and the hostess, Mrs. Mason. The club will meet with Mrs. Jess Moore May 15.

PROCLAMATION NATIONAL MUSIC WEEK

WHEREAS, throughout the nation the week of May 4 to 11, 1941, is being observed as National Music Week; and

WHEREAS, the encouragement of culture and advancement of the musical art is worthy of the support of our government and all our people; and

WHEREAS, music is something that even this period of anxiety cannot rid of its soothing charms and elevating influence; and

WHEREAS, the Wednesday Study club is sponsoring a special series of programs in observance of this special event, with cooperation of our schools and other civic organizations,

NOW, THEREFORE, I, R. H. Forrester, Mayor of the City of Wheeler, do hereby proclaim the week of May Fourth to Eleventh as MUSIC WEEK in Wheeler and I urge and call upon our people to attend the functions to be held during this "Week of Music."

R. H. FORRESTER, Mayor.

Two Definitions

Woman: "A person who can hurry through an aisle 18 inches wide without knocking down piled-up tinware, then drive home and knock the doors off a 12-foot garage."

Man: "A guy who can see an ankle three blocks away while driving a car down a busy street, but won't notice in wide open country a locomotive the size of a school house."—Santa Fe Magazine.

Mrs. Morea Pendleton of Pampa attended the seventh grade graduation play in Wheeler Friday night. She was accompanied home that night by her son, Chester.

Oil lease and royalty payments to Texas farmers and ranchers amounted to 22 cents extra cash bonus for every dollar they received last year from their crops and livestock including U. S. government benefit payments.

**1000
EXTRA
MILES
OF TRAVEL
PER TIRE**

Too good to be true? Not at all. In the famous 5-million mile Florida Road Test, first-line Lee DeLuxe Tires, pitted against other leading brands, showed 6 per cent slower tread-wear than the average.

Think of it... 106 miles for Lee, for every 100 miles averaged by the other tires. This means you ought to get at least 1000 extra miles out of top quality, guaranteed Lee Tires... even though they cost no more than other leading makes. Actually, they cost less than you guess!

Besides, the test proved Lee's extra cord-strength, and greater resistance to bruises and to ply-separation.

Drive in for new low prices, trade-in offer, and easy-pay plan.

P. L. Meadows of near Briscoe was in Wheeler Saturday visiting his daughter, Mrs. Cordie Gill, and daughters and attending to business.

Ebb Farmer of Corn Valley is carrying the mail on Wheeler route one while the regular carrier, E. D. Guynes, is away on a week's vacation.

Mr. and Mrs. C. G. Miller spent Sunday in Elk City, Okla., visiting his mother, Mrs. H. E. Miller, and sister and husband, Mr. and Mrs. R. H. Cailloutte.

Lee Guthrie and son, Marion Lee, went to Tipton, Okla., Tuesday to make some repairs at the Rague theatre and visit Mr. and Mrs. A. S. Edmondson for a couple of days.

Mrs. George Cox, Canyon, and son, Tyson Cox, a teacher in the Claude schools, were in Wheeler Saturday of last week visiting Dr. and Mrs. C. C. Merritt and daughter, Miss Naomi.

Mr. and Mrs. Bill Cooper and son, Billie Ed, of Lefors were in Wheeler Saturday driving their new Chevrolet car and visiting with friends. Mr. Cooper was a dinner guest at the Tobe Giles home.

Willard Rogers, who is in the army training school at Camp Bowie, near Brownwood, came Saturday and visited with his parents, Mr. and Mrs. Frank Rogers, and children until Sunday afternoon.

Mr. and Mrs. Buster Black and daughter, Mary Elizabeth, of Pampa came Sunday to bring home his mother, Mrs. W. H. Black, who had spent the week with them and her parents, Mr. and Mrs. W. H. Patton.

Mrs. Inez Tillman of Lefors came Tuesday to take home her son, Wayne, who had been visiting his father, Clifford Tillman, and grandparents, Mr. and Mrs. Eb Tillman, since Sunday. Mrs. Tillman and son returned Tuesday night.

Mr. and Mrs. Walter J. Atwood and daughter, Lanell, of Notla came Saturday and spent the week end with her parents, Mr. and Mrs. Frank Rogers, and children. Julia Belle Rogers accompanied the Atwood family home for an extended visit.

Mrs. Orville Ford and children, Jo Ann and Johnny, Los Angeles, and Mrs. E. C. Livermore, Coalinga, Calif., returned to their homes Tuesday after spending a month with the latter's mother, Mrs. C. F. Ford, and children and Mr. and Mrs. P. L. Meadows of Briscoe and other relatives.

Mr. and Mrs. E. D. Guynes and sons, Robert and Clyde, left Thursday of last week on a brief vacation trip to Corpus Christi to visit their daughters and sisters, Miss Presley Guynes and Mrs. R. Beauchamp, and family. I. N. Bowers who had been visiting his brother, Dave Bowers, in Shamrock returned with them to his home near Corpus Christi.

BRISCOE BRONCO

News of Briscoe school activities, community happenings and other matters of interest and information, compiled for The Wheeler Times by the student body and faculty members of the Briscoe schools.

Faculty Advisor—Miss Erma Jane Pate

Assembly Notes
The program presented last Friday, May 2, by the senior class was based on the trip they were planning at that time. After the flag salute, led by Susie Strawbridge, Mr. Hawkins outlined the trip they planned to make, using a large map of Texas.

R. H. Williams presented an interesting discussion of the missions they expected to see. San Jose, La Concepcion, San Juan and the Alamo are among those they intend to visit. Pete Luttrell gave a description and brief history of the Alamo.

Other topics discussed were Important Forts, Bernice Williams; The State Capitol, Alma Waters; Colleges We Expect to See, Lola Meek; Airports, Bud McCarroll.

At the close of the program the group sang "The Eyes of Texas." Other musical numbers were presented by Miss Florence McMurray, Lola Meek and Alma Waters.

The fourth grade, under direction of Mr. Mohr, will present the program Friday, May 9.

Primary Department Operetta
The primary department has been working industriously preparatory to presenting its operetta, "Over the Garden Wall," Thursday night. This promises to be one of the outstanding productions of the year. Directors are Misses Bessie Osborne and Florence McMurray.

The cast is as follows:
Mistress Mary—Betty Ruth Dickinson.
Boy Blue—James (Buddy) Wilson.
Mr. Sun—Thurman Horn.
Sunbeams—Eddie Bristow, Thomas Roy Helton, Bobby Dale Newman, Truman Zybach, Doyle Waters, L. R. Barry, Vendall Treadwell, Bobbie Moore.

Butterflies—Wanda Jean Dixon, Joan Childress.
The Dawn—Betty Jane Barry.
The Bluebird—Martha Lois Barnett.
The Gnome—George De Merritt.
Jonquils—Jonell Aderholt, Dorothy Brotherton.
Sunflowers—Verneal Prater, Richard Higgins.
Daisies—Rosemary Finsterwald, Jeddie Mae Bristow.
Poppies—Joyzelle Daughtry, Betty Jo Standlee.
Lilies—Melba Strawbridge, Betty Temple.
Roses—Margaret Kite, Helen Childress.
Flower Fairies—Armenda Aderholt, Roylean and Lavada Hunt, Tolene Parker, Mary Jo McNeill, Shirley Fulks, Laveta Moore, Doris Fay Brotherton, Imogene Pannell, Juanell Helton, Wynola Childress, Patsy Ann Temple.

P-T. A. Session
The Briscoe Parent-Teachers association met in the last regular session of the year on Wednesday night, April 30. Two educational films were presented.

With Lee Barry presiding, those present discussed several problems which have been under consideration. Plans were made for the summer health roundup to be started Wednesday, May 7, as a part of the Parent-Teacher work.

Especially pleasing was the announcement that our stage curtains have been ordered, paid for and are on their way. Such an announcement comes as a fitting climax for a highly pleasing and successful year's work in which the organization has developed along many lines.

Junior-Senior Trip
The juniors and seniors have been very excited the past week, and who wouldn't with a nice trip in mind? They plan to leave at noon Friday and spend that night at Mineral Wells. They will arrive in Austin some time Saturday. While there they expect to see many points of interest before going on to San Antonio.

They plan to return Tuesday, and wish to express their gratitude to each one who helped make the trip possible.

Briscoe 4-H Girls Meet
The Briscoe 4-H club girls met May 6 in the senior home room, with Miss Sybil Gidden, assistant county home demonstration agent, present. First on the program was a discussion of food people should eat to be strong, keep the teeth sound and protect the eyes. Miss Gidden states that a Texas Standard of Foods should be hung in the kitchen so a daily check can be made.

Personalities of the Week
Name—Marjory Bruton.
Classification—Sophomore.
Favorite Actor—Tyrone Power.
Favorite Actress—Alice Faye.
Favorite Study—Home Ec.
Favorite Teacher—Miss Wilson.
Favorite Food—Ice cream.
Favorite Flower—Rose.
Best Friend—Lola Meek.
Hobby—Playing volleyball.
Likes—Good-looking boys.
Dislikes—Advertising on the radio.
Pet Expression—"Good grief!"

Name—Clara Helen Seedig.
Classification—Freshman.
Favorite Actor—Robert Taylor.
Favorite Actress—Ginger Rogers.
Favorite Study—Home Ec.
Favorite Teacher—None.
Favorite Food—Chocolate ice cream.
Favorite Flower—Rose.
Best Friend—Alice Cowan.
Hobby—Playing volleyball.
Likes—Red-headed boys.
Dislikes—Catty people.
Pet Expression—"Good land!"

Senior Roll Call
Kenneth Walker is a medium sized senior. He has blue eyes and brown hair. He has many friends. He has played important parts in both the junior and senior plays.

Kenneth has always been an outstanding member of his class and is a very dependable person. He has marked musical ability and has assisted greatly with this talent.

Honor Roll
First Grade—Armenda Aderholt, Eddie Bristow, Jackie Daughtry, Patricia Reeves, Vendall Treadwell, James Wilson, Bobby Dale Newman, S. W. Daugherty.
Second Grade—Joyzelle Daughtry, Richard Ledbetter, Lavada Hunt, Mary Jo McNeill, Shirley Fulks.
Third Grade—Troy Treadwell, Jeddie Mae Bristow, Helen Ruth Childress.
Fourth Grade—Janell Aderholt, Rosemary Finsterwald, Betty Jo Standlee, Betty Jane Barry, Thurman Horn.

Fifth Grade—Iris Clepper, Juanita Clepper, Beatrice Rowe, Bobby Rex Zybach, Viva Lee Hogue.
Sixth Grade—Nelda Bess Barry, Rozena Helton, Ladell Atherton, Jackie McCandless, Kirk Kite, Eddie George.
Seventh Grade—Lottie Marie Zybach, Mary Ruth Evans, Sammie Lee Daugherty.
Eighth Grade—Doyle Ramsey, R. L. Zybach, Joyce Sorensen.
Ninth Grade—Thelma Hefley, Billy Candler, Kenneth Clepper, Vernell Hogue, Melvin Helton.
Tenth Grade—Valoree Riley.
Eleventh Grade—Pete Luttrell, Bud McCarroll.

Seen and Heard
Kenneth W. with a sore finger. (His excuse was a chicken, but it surely looks suspicious).
Pete L. taking the home economics trip seriously. (Which one is he interested in?)
Delma Lee S. taking a certain senior boy seriously. (Here's news for Oklahoma).
Tommy C. expecting a letter Wednesday afternoon. (I believe her interest has developed around Gem City).
Marion J. recovering from a case of measles.
Juniors and seniors planning an exciting trip.
Sophomores earnestly and anxiously waiting and working to be juniors. I wonder why!

Kelton News
(By Rena Johnson)

Mr. and Mrs. Jimmie Payne from Oklahoma spent the week end here in the home of her parents, Mr. and Mrs. Jabe Darnell.

Miss Imogene Beaty, who is attending school at Canyon, spent the week end here with friends and relatives.

Mrs. R. O. Johnson and Mary Emma spent the week end in Wheeler with Mr. and Mrs. Gordon White-ner and son.

Clarence Billingsly of Perryton spent the week end here in the home of Mr. and Mrs. E. P. Joiner and family.

Miss Janie Lee Traweck spent Sunday in the home of Mr. and Mrs. Henry Hink and family.

Mr. and Mrs. Albert Holcomb were business visitors in Shamrock Thursday afternoon.

R. J. Rives, who is in training at San Antonio, spent the week end here visiting relatives.

Glen Hardy Brotherton spent Sunday with C. L. Pitcock.

Mr. and Mrs. James Allen Tucker of Amarillo spent Saturday night in the home of his parents, Mr. and Mrs. J. A. Tucker.

Mr. and Mrs. E. P. Joiner and

family spent Sunday with Mr. and Mrs. Lee Billingsly and family of Lela.

A. C. Johnson attended church at Lela Sunday night.

Mr. and Mrs. George Henderson and Mr. and Mrs. Don Rives of Twitty spent Sunday afternoon here with friends.

Ray Webster, who is in training at Brownwood, was a visitor here Sunday.

Miss Janie Lee Traweck spent the week end in Shamrock with friends.

Rev. Marvin Brotherton filled his regular appointment at the Methodist church Sunday. There were large crowds at the morning and evening services. He was accompanied by Mrs. Brotherton and sons, Glenn Hardy and M. G.

Mr. and Mrs. Ansel McDowell and Mr. and Mrs. Buck Britt motored Tuesday to Amarillo on a business trip. Mr. McDowell is manager of the McDowell Drug store here.

GOVERNOR W. LEE O'DANIEL STAY OUT OF THE SENATE RACE!

This Appeal is Paid for by Men Who Voted for Governor W. Lee O'Daniel.

Never in the history of Texas has a governor been so tempted to step aside from his sworn duty to our citizenry and reap the rewards of his labor. Jim Hogg overcame this temptation, and his memory is revered by Texans for the things he did for our state, when he could have been our senator for the asking.

For the following reasons we ask of our governor that he weigh not lightly this temptation:

1. He has taken a solemn oath to perform his duties as governor of this state for a term of two years; his two year term has only started; his work is as yet unfinished.
2. He has spent two years building up the various departments of our state to carry out the promises he made the people. To leave these men now, unaided by his strong personality, would be paramount to desertion.
3. The provisions for old age, widows and orphans pensions, while apparently real, will need the strong hand of a friendly governor to see it firmly set going as a part of our way of life.
4. As governor, he is the only governor in the best and biggest state of the union. As senator, he would be only one of 96 men trying to accomplish something; it would be several years before he could receive the recognition due him. He can do something in Texas now.
5. We have many men available who can occupy the senator's seat with credit. But Mr. O'Daniel is the only man who, during the past 10 to 20 years, has been able to break through the bulwark of special interests at Austin and accomplish worthwhile things for the plain people of Texas.

This is a time when precedent is being overturned. A noted jurist has said: "The law would be a strange science indeed, if it were decided only on precedent. Precedent serves only to illustrate principle, but law depends upon principles."

Time and again the special interests have tried to pass laws limiting a Texas governor to four years. But as a matter of principle the legislators of Texas have refused to pass such laws. However, these same interests have seen to it that few men have been elected in the past who merited a third term.

The governor's program has only begun. Our school books should be made in Texas, our road machinery should be made in Texas, our state should assist our counties in buying road machinery at a fair price, collectively.

We should have no such thing as a renter, tenant farmer or share cropper in Texas. The ownership of the farm and ranch land of Texas should be placed in those who occupy and use it.

Farms and ranches should not be money-making machines for some man in town, but-homes for folks who want to live on the land, love and care for it.

Our state is as big as the old German empire. We should have factories in Texas to supply our needs; our state should assist private capital in building these factories. Let us tell the governor now that we are behind him in his "Industrialize Texas" program.

New York state spends 40c per capita for public health, Texas spends 3c, yet Texas spends 10c per capita for cattle tick eradication; can you imagine such an upside-down condition?

We need a sure enough governor at Austin, and we need him there long enough to accomplish something. Two years is too long for a sorry governor, but four years is not sufficient time to carry out a worthwhile program in a state as far behind as Texas now is.

The special interests at Austin do not want a man on the governor's job long enough to find out what it is all about. They are now trying to kick our governor upstairs to get rid of him. Now is the time to tell the governor we are behind him and what he stands for. That we want a bigger and better Texas.

Mothers' Day at A. & M. College May 10-11

Texas A. & M. college will be a co-educational institution for the week end of May 10-11, but it will be the mothers of the Aggies who occupy the campus dormitories and reign supreme on the campus. Fathers also are included in the festivities.

The festivities really will begin Friday evening, May 9, when the Senior Ring banquet and ball is held. Many parents of graduating seniors will be on the campus for this event, one of the most colorful of all A. & M. ceremonies.

The mothers of Aggies will be royally entertained Sunday, May 11, along with the fathers, by a complete program of events especially for parents which will include a military review, special program at Kyle Field, a picnic lunch and band concert and Ross Volunteers' exhibition drill.

Saturday, May 10, will be Engineers' Day at A. & M. sponsored jointly by the school of engineering headed by Dean Gibb Gilchrist and the student engineering council, headed by Benton H. Elliott of Dallas. With national defense as its theme the engineers' day program, under general chairmanship of Joe F. Bourn of Dallas, will open up all seven branches of engineering at A. & M. to public gaze, and special exhibits will be manned throughout the day by students.

The state meeting of mothers representing all A. & M. Mothers clubs in Texas will be held at 10 a. m. Saturday. This will be followed by a tea honoring all visiting parents in the Y. M. C. A. lobby, under auspices of the Brazos County A. & M. Mothers club.

The engineers will present a musical show at 6:30 p. m. and President and Mrs. T. O. Walton will honor the visitors at a reception at their home at 8 p. m. The Engineers Ball will follow the reception.

Sunday's program will start at 8:30 a. m. when each A. & M. cadet captain and his mother or sweet-heart pin sweet peas on each Aggie in the officer's company—red for those boys whose mothers are living and white for those who have lost their mothers. The captains also present medals to the best drilled sophomore in each company. The first lieutenant then presents each company commander with a watch as a token of the company's esteem.

The military review honoring parents will begin at 10 a. m. Sunday and during the review all honors won by students during the year are presented by representatives of organizations sponsoring the awards.

Following the review the parents will be escorted to Kyle Field football stadium where a special program will be given by students in honor of their parents. The Singing Cadets and the Aggie band will furnish the musical part of this program.

The picnic lunch will include fried chicken and trimmings and admission will be by ticket only. Students will provide parents with the necessary credentials to be served.

There will be 9,000 pounds of fried chicken, 250 gallons of potato salad, 150 gallons of olives, 10,000 fruit bars and 1,250 loaves of bread available for the students and parents.

All dormitories on the campus will be open for parents' inspection during the afternoon. Band concerts and exhibition drill by the Ross Volunteers will complete the days program.

Preston M. Bolton of College Station is chairman of the Mothers' Day committee. Others assisting are Tom B. Richey, president of the senior class, L. L. Appelt and T. E. Duce.

Officials of the college are preparing to accommodate 10,000 visitors to the campus during the week end. Adequate parking facilities will be provided and comfortable quarters furnished for all who attend.

Research Program to Aid Limited Budgets

Texas families on limited budgets who want to get the most for their food dollars will soon be benefiting from an exhaustive research by scientist members of the Texas State Nutrition committee.

Mobeetic Scout News

By BERNARD LOWREY, Scribe
Troop No. 44

Due to rainy weather the week end trip to Palo Duro Canyon, scheduled for May 2 to 4, has been postponed until a later date.

Last Monday, April 28, a program was given at the Mobeetic gym as an entertainment for the Scouts' parents, but due to rainy weather only a few attended.

As a program for our visitors we presented a model Scout meeting. After the program an investiture service was held.

The following is a poem from a Scout certificate:

"The Scouting Trail"
This is the trail that the Scout shall know
Where knightly qualities thrive and grow;
The trail of honor and truth and worth

And the strength that springs from the good brown earth;
The trail that Scouts, in their seeking, blaze
Through the toughest tangle, the deepest maze,
Till out of Boyhood the Scout comes straight

To Manhood's splendid and high estate!

10 to 35 cents per person per day are being developed by a sub-committee and will be distributed through the various nutrition-minded groups represented on the Texas State Nutrition committee, according to Mildred Horton of the A. and M. College Extension service, who is chairman of the state committee.

Not only menus, but recipes and necessary grocery shopping lists as well, have been compiled by the sub-committee which is composed of Dr. Jet Winters of the University of Texas, Dr. Erceel Eppright of the Texas State College for Women, Dr. Florence Scouler of the North Texas State Teachers college, Dr. Jessie Whitacre of the Texas Agricultural Experiment Station and Mina Wolfe of Texas Technological college.

At a meeting of the committee held in Denton last week, Bess Hefflin, University of Texas professor, who is president of the Texas Home Economics association, reported that county units of home economists are being organized in 224 counties in an effort to help Texas families become better fed.

In co-operation with the State Nutrition committee these county units will present a series of educational radio programs during the next few weeks. The nutrition series will be called "Eat the Right Food."

State and federal agencies, organizations and educational institutions represented at the Denton meeting included more than a dozen organizations.

The picnic lunch will include fried chicken and trimmings and admission will be by ticket only. Students will provide parents with the necessary credentials to be served.

There will be 9,000 pounds of fried chicken, 250 gallons of potato salad, 150 gallons of olives, 10,000 fruit bars and 1,250 loaves of bread available for the students and parents.

All dormitories on the campus will be open for parents' inspection during the afternoon. Band concerts and exhibition drill by the Ross Volunteers will complete the days program.

Preston M. Bolton of College Station is chairman of the Mothers' Day committee. Others assisting are Tom B. Richey, president of the senior class, L. L. Appelt and T. E. Duce.

Officials of the college are preparing to accommodate 10,000 visitors to the campus during the week end. Adequate parking facilities will be provided and comfortable quarters furnished for all who attend.

Home-Making Hints

By MISS VERA MARTIN
Home Supervisor, F. S. A.

Farm families who have little money can't afford to buy all the food they need for a good diet but they can afford to grow it, Vera R. Martin, home management supervisor for the Farm Security administration, said yesterday in discussing the part farm families have to play in the nationwide drive to assure ample food supplies for the United States and other countries resisting aggression.

"Fact is," Miss Martin said, "they can't afford not to maintain cows to furnish a year-round supply of milk, cream and butter; to raise enough chickens to provide meat and eggs all year, instead of just a few months in the spring, and to produce a variety of animals for other kinds of meat, including pork, beef and lamb."

"Farm families in Wheeler county being assisted in their farm and home operations by this agency are learning that they can have more food and better food for less money by raising bigger gardens, increasing their poultry flocks and feeding some livestock for home consumption."

While borrowers of the FSA have always followed a live-at-home plan and grown most of their food and feed on the farm, a majority of them are planning to produce more than ever this year. They expect to take full advantage of the opportunity to reduce their own living expenses and at the same time produce additional quantities to meet the national needs for greater supplies.

The home supervisor believes that FSA borrowers in this county are in full accord with a recent statement by Secretary of Agriculture Claude R. Wickard, in which he announced a nationwide drive to produce every possible egg from present laying flocks this spring and summer.

This effort is a part of the nation's determination to assure ample food supplies for this and other countries during the present emergency. It should, according to department officials, increase egg production for the whole country in the next 15 months by about six per cent.

A large number of families in Wheeler county have increased their poultry flocks and facilities for handling additional numbers of layers this summer and next fall.

(By Mary Ella Westmoreland)

Mr. and Mrs. C. Westmoreland, Mr. and Mrs. Loren See, Mrs. Thomas Todd and Mary Ella Westmoreland attended the baccalaureate sermon at Wheeler Sunday.

Mrs. Hollie Ellis of Hollis, Okla., visited her parents, Mr. and Mrs. Clarence Westmoreland and attended the commencement exercise at Wheeler Tuesday night.

Mr. Kavanagh of Shamrock was a caller in this community Tuesday afternoon.

Mr. and Mrs. Milt Williams, Mr. and Mrs. Tommy Henderson and Mr. and Mrs. C. Westmoreland attended the funeral of C. H. Clay at Wheeler on Tuesday last week.

People in this community are busy farming since the sun is again shining brightly.

Mrs. W. A. Jolly and Mrs. E. L. Mitchell were Wheeler visitors Monday.

Mr. and Mrs. W. A. Jolly accompanied Mr. and Mrs. W. L. Jolly to Oklahoma City the first of the week.

Club Notes

Happenings of Interest by and for Home Demonstration Club Women of the County.

Briscoe H. D. Club Meets
"All foods are presented from the left of the guest. Beverages are placed from the left," Lucile Chance, home demonstration agent, told members of the Briscoe H. D. club at a meeting in the home of Mrs. Clarence Zybach, Monday.

A mock table service was given at the beginning of the demonstration. During the noon hour members of the club and guests had lunch using the family style service, each member of the club representing members of a family.

Mrs. E. A. Zybach, Mrs. John Zybach and Mrs. Clint Higgins were appointed to plan refreshments for the recreation party on May 26.

A demonstration on the use of foundation patterns was given in the afternoon.

Those present were: Mesdames P. L. Meadows, Clarence Zybach, Mount Tipps, Bob Ramsey, Ernest Zybach, John Zybach, Clint Higgins, Elbert Zybach and Miss Chance.—MRS. CLINT HIGGINS, Reporter.

Davis Club Studies Foods
"That 30 per cent of our boys in the draft age have been found undernourished is an appalling thing and one that should wake Texas people up," was the opening statement made by Miss Lucile Chance, Wheeler county home demonstration agent, at a meeting of the Davis H. D. club in the home of Mrs. Luther Bullock on Tuesday, April 22.

She continued with demonstrations of a healthy, well-fed body, asserting "it is not that we do not have plenty to eat, but that some of us do not eat the right kind of food. One should follow the Texas Food Standard in preparing their family's food as closely as possible."

An interesting demonstration on types of collars, using different members as models, was presented under the agent's direction.

Those present were Mesdames E. J. Cooper, Roger Smith, Bud Sanderson and H. F. Krug, Miss Chance and the hostess.

Club will meet next with Mrs. Oscar Kenney as hostess on Tuesday, May 13.—MRS. LUTHER BULLOCK, Reporter.

(By a Rogue)

Friday and Saturday
Marshall of Mesa City
For your very good entertainment this week end we have one of our favorites playing in a story with its setting in the very wildest town in the West—Mesa City—with all its gunning, its fight against evil, and all that sort of thing. George O'Brien is our hero—none better. See a good show and also take part in our Silver Quiz on Saturday night.

Preview, Sunday and Monday
Footsteps in the Dark
Here is a comedy of amateur detectives using brilliancy in ferreting out criminals in comparison to the regular police force, portrayed as slow witted and heavy footed. After a sequences of various comic interludes the climax is reached in solving a murder mystery. This is a combination of "Thin Man," "Charlie Chan," "Mr. Moto" and "Nick Carter," with Errol Flynn playing a light comedy role. Supporting him are Brenda Marshall, Ralph Bellamy, Allen Hale, Allen Jenkins and others of good repute.

Wednesday and Thursday
Virginia
If you ask anybody who has seen "Virginia" they will tell you that it is the best picture they ever saw. Without an exception that has been the Chatterer's experience. "Virginia" is a presentation in technicolor of life as lived in the Virginia of 1940. It reveals the fact that some Virginians still hold to the traditions of the Old South. Your emotions are pulled this way and

that for they are inspired both by tradition and life today. Madeleine Carroll and Fred MacMurray are the principal characters, but the supporting cast is excellent.

NOTICE OF SALE OF REAL ESTATE UNDER EXECUTION STATE OF TEXAS, COUNTY OF WHEELER.

By virtue of an execution issued out of the County Court of Wheeler County, Texas, on a judgment entered in said court on the 14th day of January, 1933, in favor of A. B. Crump and against J. A. Hammer, No. 855 in said court, I did on the 14th day of April, 1941, at 3:00 o'clock P. M., levy upon all the undivided right, title, and interest of J. A. Hammer in and to the following described property, situated in Wheeler County, Texas:

Being a part of Survey No. 33, in Block A-9, located by virtue of certificate No. 14-3063 and more fully described as follows:

Beginning at an iron pipe 3' x 1 1/2" mkd B. A. 9, 33, 22, 28, 29, in center of earth mound & 4 pits; thence north 614 varas to a point in east line of said Section 33; thence west 1900 varas to point in west line of said section 33; thence south 614 varas to southwest corner of said section; thence east 1900 varas to place of beginning to contain 204 acres more or less.

And on the 3rd day of June, 1941, being the first Tuesday of said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M., on said day, at the court house door of said county, I will offer for sale and sell at public auction for cash all of the right, title, and interest of the said J. A. Hammer in and to said property.

Dated at Wheeler, Texas, this 1st day of May, 1941.

JESS SWINK,
Sheriff Wheeler County, Texas.

(First published in The Wheeler Times May 8, 1941) 3t

SHERIFF'S NOTICE OF SALE THE STATE OF TEXAS, COUNTY OF WHEELER.

Whereas, by virtue of a certain order of sale issued out of the District Court of Wheeler County, Texas, on the 22nd day of April, A. D. 1941, wherein Acme Lumber Company of Oklahoma, a private corporation is Plaintiff, and Cub Oil Company, a private corporation, is Defendant, on a judgment rendered in said court against said Defendant and in favor of the said Plaintiff, for the sum of seventeen hundred (\$1,700.00) and no-100 dollars, with interest thereon at the rate of 6 per cent per annum, from date of judgment, together with all costs of suit; I have levied upon and will on the 3rd day of June, A. D. 1941, between the hours of 10 o'clock A. M. and 4 o'clock P. M. at the court house door of said County, proceed to sell

for cash to the highest bidder, all the right, title and interest of Cub Oil Company, a private corporation, in and to the following described property, levied upon, to-wit:

All of the Seven-eighths (7-8) working interest of the oil, gas and mineral and leasehold estate to and covering:

The Southeast (SE 1/4) Quarter and the Northwest (NW 1/4) Quarter of Section Eight (8), and the Northeast Quarter (NE 1/4) of Section Thirty-Eight (38), all in Block (24) Twenty-Four, H. & G. N. R. Co. surveys in Wheeler County, Texas, and all of the oil and/or gas wells located upon said leases and lands, together with pipe lines and appurtenances thereto.

The above sale to be made by me to satisfy the above described judgment for \$1,700.00 in favor of Plaintiff, together with all costs of suit and sale, and the proceeds to be applied to the satisfaction thereof.

JESS SWINK,
Sheriff, Wheeler County, Texas.

(First published in The Wheeler Times May 8, 1941) It

NOTICE OF FINAL ACCOUNT STATE OF TEXAS, COUNTY OF WHEELER.

TO THE CREDITORS, HEIRS, DEVISEES, LEGATEES, AND TO ALL OTHERS INTERESTED IN THE ESTATE OF E. G. PETTIT, DECEASED:

YOU ARE HEREBY NOTIFIED that in the matter of the estate of E. G. Pettit, deceased, No. 722, pending in the County Probate Court of Wheeler County, Texas, Shelby Pettit, administrator of such estate, has on this, the 2nd day of May, 1941, filed his final report and exhibit under oath as required by law, and asks that he be discharged as administrator of said estate, and that the residue thereof be delivered to the heirs of said deceased. Such final report and exhibit will be examined by the Judge of said court at the next regular term thereof, opening on the 4th Monday of May, to-wit, the 26th day of May, 1941, and enter his order discharging said administrator if found to be correct.

Witness, Harry Wofford, Clerk of the County Court of Wheeler County, Texas.

GIVEN UNDER MY HAND AND SEAL OF OFFICE, at Wheeler, Texas, this 5th day of May, 1941.

(SEAL) HARRY WOFFORD,
Clerk of the County Court of Wheeler County, Texas.

Issued, this the 5th day of May, 1941.

HARRY WOFFORD,
Clerk, County Court, Wheeler County, Texas.

MORE COTTON GROWERS
"BETTING ON CERESAN" FOR BETTER STANDS HIGHER YIELDS

Last year's yield increases—last year's high praise by State Colleges—mean more acres planted to CERESAN-treated cotton seed this season! Be among the growers to profit! Texas Bulletin 531 says, "For College Station the average increase in yield for Ceresan-treated seed was 64 pounds of lint per acre." Temple, Texas, tells of "doubled" germination. Oklahoma A. & M. Experiment Station Circular 89 says, "Dusting the seed with Ceresan is in more general use than any other cotton seed treatment..." CERESAN costs little; reduces seed rotting and sore-shin; generally improves stands and yields. Treat your own seed, or look for the Ceresan Treatment Tag on seed you buy!

MONEY in the ground

Billions of barrels of Texas oil reserves mean money in the bank for you as a Texan.

On constant deposit in underground vaults, they assure continued wages for Texas workers, lease and royalty payments for Texas farmers and ranchers, and tax revenues for our State and local governments.

Nearly 11 billion barrels of known oil reserves are on tap in 161 counties of our State. Texas oil men are now searching for new fields in 90 additional counties. They discovered last year almost three times as much oil as they produced.

These oil reserves can be cashed only through their production and processing by Texas workers.

As a means of safeguarding this backlog of economic security, you as a Texas citizen can and should expect:

- (a) Sound conservation practices, (b) A reasonable taxing policy by State and local governments to permit healthy development without loss of employment through abandonment of properties, (c) Increased use of this great fuel source through creation of new Texas industries.

These oil reserves provide security for you and every other Texan

FLANAGANS RETURN HOME FROM VISIT IN NEW MEXICO

Mrs. H. Flanagan and daughter, Miss Delpha, came home Thursday from Roswell, N. Mex., where they had been visiting Mr. and Mrs. S. P. Hannifin and children. Mrs. Flanagan spent three weeks there while Miss Flanagan had been there for some time.

Mrs. Hannifin and daughters, Catheryn and Marguerite, brought the lady's mother and sister home and visited until Saturday.

New Driver's License Regulations Released

Motorists Must Get Permit Under Change in Traffic Law Effective Last of April

With few exceptions, every person who operates a motor vehicle in Texas must have a license under the new driver's license law which became effective the last of April.

Wheeler county motorists can obtain their driver's license at Wheeler. Amarillo State Highway patrolmen will be at the court house every Wednesday morning between the hours of 9 and 11 o'clock.

There are three types of licenses for private operators, commercial operators and chauffeurs. A person holding a chauffeurs' license may drive any commercial or private vehicle without holding any other license.

A person holding a commercial license may operate under this license either as a commercial or private operator, but not as a chauffeur.

Persons in the service of the United States, when operating vehicles in that capacity, are exempt, as are operators of road machinery or farm implements on the highway.

A non-resident of Texas, if he is at least 16 years old and has a valid license from his own state, is entitled to drive a private vehicle in Texas. A non-resident may drive as a chauffeur in Texas if he is at least 18 years old and has a valid chauffeurs' license from his own state. However, if he is driving for a Texas person or firm, he must be licensed in this state.

A non-resident who is 18 years old and comes from a state which does not require drivers' licenses may operate a private vehicle in Texas for 90 days before he is required to obtain a Texas license.

Cultivation Is Urged of Shelterbelt Trees

There are numerous ways of cultivating the shelterbelt, according to A. G. Schattenberg of the local Forest Service office. A trip over the county reveals various implements are being used to give the trees their initial cultivation of the season.

Listing is being practiced in a big majority of the belts. The lister is the handiest tool on the farm and one in common use at this time of year. But it has several drawbacks as a tool for the cultivation of trees.

Among these is the danger of damaging root systems of larger trees by listing too deep. Also in listed sandy soil it is sometimes hard to follow up with a tractor or even horse-drawn cultivator because of difficulty in keeping on the ridges.

However, S. M. Shelton, northwest of Mobeetie, solved the problem last year by attaching a go-devil behind the lister and doing both operations at the same time. He also got the weeds.

W. A. Finsterwald used a tractor cultivator with good success on his first cultivation this year. C. W. Crafton, on the D. F. Jones place, is using a one-row horse drawn cultivator to advantage. Large sweeps on a cultivator will do a fine job where there is not too much trash on the ground.

The disc harrow is another implement frequently used. Ordinary operation of a disc has a tendency to pile the soil to the trees until they are eventually on a high ridge. A. Finsterwald solved this difficulty by altering his disc to make it reversible. Thus he can throw the soil to or from the trees at will.

A tandem disc will do a good job, as shown by results J. Wade Duncan is getting on his shelterbelts. He is supplementing the disc with a one-row cultivator, using large sweeps to get the weeds in the tree rows.

There are several other ways in which to get the tree cultivation job done, and if someone has a successful "pet" method, the Forest Service office would like to know about it and pass the word on to shelterbelt workers.

DISTRICT OFFICER VISITS LIONS CLUB LAST TUESDAY

F. V. Wallace of Stinnett, district 2-T governor of Lions clubs, was present at Tuesday's luncheon of the Wheeler club. This was an official visit for the officer.

Other guests attending the luncheon were Clarence Holt of Stinnett and W. S. Bennett, county agent of Hutchinson county.

During a brief business session, Lion Secretary Homer Moss was designated to look after finances in connection with the mattress room, furnished by the club as a place in which to make mattresses under the federal program for under-privileged families.

Boy Scout Meeting

A regular Boy Scout meeting will be held next Tuesday night at the Methodist church, at which time a board of review for first and second class Scouts is scheduled. All members of the troop please be present.

On the same night the central board of review on merit badges meets at Shamrock. Some local Scouts expect to attend that session.

Ginnings BY COTTON JOE

I see they're makin' roofin' out of cotton now. Well that seems fair to me. Cotton on the roof ought to help keep the price of cotton out of the basement.

BRISCOE F. H. T. MEMBERS ATTEND SAN ANTONIO RALLY

The Briscoe chapter of Future Homemakers of Texas was represented by four of its members and their sponsor at a Homemakers rally in San Antonio from April 30 to May 3. The party left Tuesday of last week and returned Sunday. They were Misses Joyce Sorensen, Valoree Riley, Thelma Hefley and Modene Wilson, students, and Miss Faye Wilson, instructor.

Three of the girls entered the contests for first, second and third year classes. The fourth member went as a delegate from the chapter.

Contests entered were: First year, Being Satisfactory Friends with Children; second year, Providing Food for Safety; third year, Feeding the Family. Modene Wilson attended one session in which she was a nominee for a state officer of the F. H. T.

The girls report the rally instructive and inspirational as well as enjoyable. The trip proved quite attractive with so many places of beauty and historic interest to see in San Antonio. Some of those visited were the Alamo, the old Buckhorn saloon, Randolph Field, municipal auditorium, the Gunter Hotel, largest in San Antonio, and Brackenridge Park.

The various places were found so fascinating and widely different, the girls can't say which they thought was the most interesting.

WILEMANS ENTERTAIN GROUP WITH SUNDAY DINNER PARTY

Mr. and Mrs. W. B. Wileman had as Sunday dinner guests their neighbors, Mr. and Mrs. R. Wm. Brown and children, Billie V. and Richard, and a daughter and husband, Mr. and Mrs. Lee George, and daughter, Gayle, Allison; a daughter and husband, Mr. and Mrs. Milton A. Webb, and children, Jerry and Jane, 2505 Taylor street, Amarillo, and a son and wife, Mr. and Mrs. Ben C. Wileman, and children, Anne and Bennie Mack, 3404 N. W. 18th street, Oklahoma City.

The Webb and the Wileman families were also week end guests of the hosts, Mr. and Mrs. Wileman, at their home on South Canadian street.

REV. STROTHERS AND FAMILY DINNER GUESTS AT HAYTERS

Rev. and Mrs. Joe Strothers and children, Bill and Martha Lou, of Elk City, Okla., were Monday evening dinner guests of Mr. and Mrs. Albert Hayter, who were members of the Methodist congregation at Miami while Rev. Strothers was pastor there some time ago. He is now pastor of the Elk City Methodist church.

Rev. Strothers gave a musical concert Monday night at the local Methodist church as a number of Music Week observance here, sponsored by the Wednesday Study club.

KINFOLKS VISIT THE OWEN FAMILIES IN THIS COUNTY

Mrs. C. E. Laws and children of Wichita Falls and her brother, Luther Owen, of Belleville, Ill., where he is in training at Scott Field, came Monday to visit Mr. and Mrs. Bill Owen and children. Bill Owen is a brother of Mrs. Laws and Luther Owen.

They also visited with another brother, Ab Owen, and family in Shamrock, returning to their homes Wednesday.

RYE (VEGETABLE VARIETY) COMES HIGH HERE

Another proof of the luxuriant growth of vegetation in this region is shown by a bundle of green field rye from the S. T. Morgan farm north of town, which was brought to The Times office Saturday afternoon by Pete Morgan. The sample measured 5 feet 2 inches tall, with large well-formed heads which, of course, are not yet filled out.

WHAT SAY YOU?

What and What Not to Seek

Behold the fowls of the air, that they sow not, neither do they reap, nor gather into barns; yet your heavenly father feedeth them. Are ye not much better than they? Which of you, by taking thought, can add one cubit to his stature?—Matt. 6:26-27.

And seek not ye what ye shall eat, and what ye shall drink, neither be ye of doubtful mind. For all these things do the nations of the world seek after; but your Father knoweth that ye have need of these things. But rather seek ye the Kingdom of God, and all these things shall be added unto you.—Luke 12:28-30-31. —W. J. BRUMLEY.

Mineral Wells Plans for C. C. Convention

West Texas Civic Organization in Rousing Two-Day Conference on May 15 and 16

One of the largest downtown crowds in Mineral Wells' history is promised for Friday afternoon, May 16, closing day of the West Texas chamber of commerce convention. The occasion will be the parade of bands, starting at 5 p. m.

Parade plans were worked out Monday night by local committees in conference with Brig. Gen. W. H. Simpson, commander of the Camp Wolters infantry replacement training center, and Lt. Col. Otto F. Lange, plans and training officer at the center. Col. Lange accepted the director general post of both parade and the patriotic mass meeting to be held Thursday night, May 15, in Mineral Wells' downtown convention hall.

The parade will be a composite of both military and civilian bands. Leading off will be the Camp Wolters band, and in the military section a whole battalion of troops four companies, 1,000 men, will march. The honor spot in the civilian band section will go to the 80-piece Odessa high school band directed by G. Ward Moody. This is the 1941 WTCC official band. Other civilian band units will include the famed Cowboy band of Hardin-Simmons university, with their six horses; a Fort Worth high school ROTC band, the Weatherford high school band, the host band from Mineral Wells high school and others.

The Odessa official band is also expected to play in Thursday night's patriotic mass meeting. During this event, as an offering by the Mineral Wells chamber of commerce, girl sponsors from the territory—West Texas beauties—will be presented to the big audience. There will be no contest feature in this event. Following the sponsor's presentation a patriotic oration will be delivered by an outstanding speaker, and this probably will be broadcast.
