THE COUNTY SEAT NEWSPAPER

## April Term County Court Opens Monday

### Eighteen Petit Jurors Summoned to Appear

Next Monday, April 6, is the opening date of the April term of Wheeler county court in which a fairly light docket is seen, according to Judge D. A. Hunt.

Seven cases of drunken driving are pending on the docket and two for giving worthless checks are pending.

County attorney Homer L. Moss states that it is possible that some of the cases will not go to jury because of dismissals, continuance and lack of gilt in some cases. Moss said that few cases were carried over from the January term of court when most all cases of a heavy docket were disposed of.

The petit jury list for county court released this week by Harry Wofford, county clerk, is as follows:

G. C. Wright, R. G. Lancaster, Fred Harris, Claud Parker, Tom Laman, Mobeetic; C. B. Witt, R. D. Holt, S. D. Conwell, S. B. (Bronson) Green, Claude Cox, Wheeler; H. C. Bentley, Magic City; W. D. Douthit, Arnold Sonntag, Briscoe; H. N. Roach, Jasper Burcham, B. V. Stewart, Shamrock; A. F. Forbes, Allison; Theo. Scott, Lela.

## May 4 to 7 Days to Ration Nation's Sugar

Individual or family sugar consumers will register for their rationing books on May 4, 5, 6 and 7 at public elementary schools, and wholesalers, retailers, bakers, confectioners and other industrial users will register April 28 and 29 at high schools it was announced by Frank Bane, field chief of the OPA Saturday.

All sugar sales in the United States will be halted at midnight April 27 for approximately one week. The ban was ordered as a step preparatory to sales under rationing, which will go into effect as soon as the moratorium on sales ends.

Bane reported that it had not been determined finally whether the weekly individual ration would be a half pound or three-quarters of a pound.

Individual consumers will go to designated public schools in their neighborhoods at hours to be fixed locally on any of the May dates. Teachers will serve as registrars.

One member of a family can register the entire household. He or she will fill out and sign an application giving the name, age, and address of each applicant, and the amount of sugar on hand. Each person will receive a war ration book containing 28 stamps. Each stamp represents a two-week sugar allotment. If the stamp is not used in the buying period, it will not be good thereafter.

The registrar will tear out of the book a sufficient number of stamps to cover the amount of sugar in excess of two pounds per person on hand at the time of registration. Consumers will give stamps to store keepers when purchases are made and the storekeepers in turn will use the accumulated stamps when they buy fresh supplies.

## Men 45-64 Years Old to Register April 27

"The fighting men have been called," exclaimed veterans of World War I, when it was announced that the fourth registration would be held on April 27. This will call men 45 years of age inclusive.

The third registration in February took men up to 44 years, and now all men up to 65 years will be registered. However, it is unlikely that many men in the 45-64 age bracket will be called into military service.

Boys 18 and 19 years of age were not called to register on April 27, but it is expected that a day will be set soon for the registration of this group.

The first registration of men came on Oct. 16, 1940 when men 21 to 35 were enrolled. The second registration was held on July 1, 1941, which included men who had reached 21 since the first registration. The third registration was held on Feb. 16, taking all men 20 to 44 years of age who had not registered on the first two calls.

It is intimated that in the coming registration, men will be sought for defense jobs rather than for military purposes. This bracket includes practically all of the veterans who went through World War I.

No information has been received by the local Selective Service Board regarding the fourth registration. It is likely that the same plan will be followed as in the last registration.

Dr. V. N. Hall is again in his office in Wheeler after spending a few days in Shamrock.

### Visiting Methodist Team

REV. J. EDMUND KIRBY

JOHN FORBIS

## April 6-10 Date Set For Special Services

"Making Use of Religion in These Days" will be the general theme for a series of five messages at the Wheeler Methodist church, April 6-10. The messages will be brought at the evening hour, 8:15, of the above days, Monday through Friday, by Rev. J. Edmund Kirby of Wellington. These messages will be based primarily on Mr. Kirby's experiences and study this past summer in Boston university and the Massachusetts General hospital of that city. Brother Kirby's messages are made to measure for the needs of these days. The topics for the series follows:

Monday, April 6: "Religion and Your Work."  
 Tuesday, April 7: "A Sense of Guilt Robs You of Life."  
 Wednesday, April 8: "Forgiveness Necessary to Normal Living."  
 Thursday, April 9: "Religion For the Crisis Hour."  
 Friday, April 10: "God and Your Future."

Rev. Kirby is a former pastor of the Wheeler Methodist church, and he will be heard with interest and appreciation by the people of the Wheeler community.

John Forbis, also of Wellington, will make up the lay member of the team, working with the local church during the above dates. Mr. Forbis has had unusual success in visitation work among the homes of the people in his community. He will direct the Home Visitation part of the work for these special services of the church. Mr. Forbis is well known in Wheeler having been a lay-speaker on several occasions. He is one of the lay-leaders of the Clarendon district.

The people of the Wheeler community are urged to "red-letters" the above dates on their calendars, and plan to attend and avail themselves of the help and encouragement they will offer.

## LOCAL LEGIONNAIRES TO LISTEN TO NATIONAL COMMANDER SUNDAY EVE

A special meeting of local members of the American Legion is being called for Sunday evening, 7:00 o'clock, Central War Time at the Legion hut.

The group will listen to a special message on "Truth in War" by National Commander Lynn U. Stambaugh. The address will last for half an hour and is said to be most appropriate for Easter Sunday in this war year.

All Legion members are urged to attend and guests are invited.

## BOX SUPPER AND CANDIDATE SPEAKING AT BETHEL SCHOOL

There will be a box supper and candidate speaking at Bethel schoolhouse, Friday, April 10, at 8:30 p. m. The Girls 4-H Club of that community is sponsoring the political rally. Everyone is invited to attend.  
 W. B. Wofford

## TWO SCHOOL BOARD MEMBERS WILL BE ELECTED SATURDAY

Five names have been filed for a place on the ballot in the Wheeler Independent School District election to be held Saturday, April 4. The names of Cecil Denson, J. E. Risner, Henry Miller, Bob Rodgers, and Lloyd Anglin will be listed on the ballot and two are to be elected. The terms of Mr. Risner and Levi Reed expire this April. Carry over members are F. B. Craig, president; Olin Pendleton, Vernie Hardcastle, Emit Heard and Maurice Burgess.

Voters in the Wheeler Independent School District will go to the high school for balloting.

## April Quota Is Only 14 Passenger Tires

Wheeler county residents will be allowed fourteen passenger tires, thirty-two passenger tubes, forty-six truck, bus and farm equipment tires, forty-four tubes and forty-one retreads under that classification, according to quota figures released to the local rationing board. The board is making a request that fifty tires be added to the farm list to help meet the requests of farmers in equipping their tractors.

In March, Wheeler residents used eleven passenger tires out of a quota of fifteen, ten passenger tubes out of a total of fourteen, fifty truck tires, which was five more than the March quota, sixteen truck tubes and eight retreads.

## FUNERAL SERVICES ARE HELD FOR MRS. M. G. PEEPLES

Funeral services were held Sunday at the Central Baptist church in Pampa for Mrs. M. G. Peeples, 74, who passed away late Wednesday, March 25, at the home of her daughter, Mrs. J. G. Haralson of Briscoe.

Mrs. Peeples, who had been living at Houston, had been in ill health for several months. A son, Herbert Peeples, of Lefors, had just brought his mother from that city a few hours before her death.

Rev. Sumral, pastor of the Pampa Central Baptist church, officiated at the last rites. Burial was in the Pampa cemetery.

Survivors besides Mrs. Haralson and Mr. Herbert Peeples, include two other daughters, Mrs. J. S. Anderson and Mrs. J. C. Tarpley of Abbott, N. Mex.; six other sons, Hugh of Pampa, Elbert and Mark of Albuquerque, N. Mex., O. W. of Wellington and Bob and Ervin of Houston.

Mr. M. McIlhany, who is at home suffering with the flu is reported as slowly recovering.

## Schedule for League Meet to Be Held Friday and Saturday

The Wheeler County Interscholastic League meet will get under way Friday morning in Shamrock and continue through Friday and Saturday. Below is printed a schedule for both literary and athletic contests announced by Jesse J. Dyer, county superintendent of schools.

The entire track squad consists of some fifteen boys, making a well balanced team as there are some good boys in nearly all events. These boys are pointing toward the county meet Saturday when they expect to fight it out for Class A championship against the highly touted Shamrock Irish. In the past several years, Shamrock has been winning, but this Wheeler Mustang squad has different ideas for this year. As a result of recent dual meets between the two schools, Saturday's competition will be keen down to the last event—the mile relay probably deciding the winner.

The following boys who compose the Wheeler Senior team to be entered in Saturday's county meet are: O. Burton, B. Cosper, F. B. Craig, C. Farmer, H. Garrison, W. A. Goad, G. Hale, O. Hooker, J. Johnson, L. Pendleton, D. Red, C. R. Riley, G. Robertson, W. Shattenberg, and H. Whitener.

## PROGRAM

LITERARY EVENTS  
 FRIDAY APRIL 3, 1942, SHAMROCK, TEXAS

9:00—9:45	Spelling and plain writing	
	Grades IV and V	Room 6, Junior High School
	Grades VI and VII	Room 7, Junior High School
	Grades VIII and above	Room 8, Junior High School
9:45—11:15	Extemporaneous Speech	Clark Auditorium
	Music Memory	Room 4, Junior High School

Continued on Page 3

## NO NAMES FILED ON BALLOT FOR CITY ELECTION

City officials will be elected by the "write-in" method Tuesday, April 7, when a mayor and two aldermen are to be elected. No names have been filed to appear on the ballot.

Present aldermen are: J. M. Lawrence, John Lewis, Harold Nash, H. E. Young and Tony Puckett. The terms of Mr. Lawrence and Mr. Lewis expire this April and the other three mentioned men's terms extend through the coming year.

Tony Puckett, alderman, has been acting mayor for the past few months.

The election will be held in the tire rationing office just south of the bank building.

## Change In Schedule for Issuing Driver Licence

W. C. Fowler, patrolman with the Department of Public Safety, has announced that he will be at the Commissioner's Court Room in the Court House from 2 until 4:30 on Saturday afternoons instead of Tuesdays for issuing driver's licenses.

Mr. Fowler advised that persons carrying licenses numbered below the 900,000 series should have them renewed before March 31. Otherwise the driver will be required to take a test. Persons having licenses numbered between 900,000 and 1,350,000 must apply for renewals before June 30.

## SOIL CONSERVATION CHECKS AMOUNT TO \$18,441.56

Soil conservation checks in the number of 173 and amounting to \$18,441.56, have been received by the ACA here since The Times went to press last week and have been distributed to farmers over the county.

This makes approximately forty thousands of dollars in payments that have been received by Wheeler county residents in soil payments during the past two weeks.

## SON OF MR. AND MRS. BUCK BRITT IN PAINFUL ACCIDENT

Sam Britt, eleven year old son of Mr. and Mrs. Buck Britt, living twelve miles east of Wheeler is in the local hospital suffering from a serious accident, which he received Sunday by losing control of his bicycle, while going down a steep hill. The bicycle crashed into a large steel post and fence, and was demolished. Sam is suffering a fractured pelvis and severe cuts on the face. He is reported to be resting fairly well.

Mrs. G. W. Porter has been ill this week with the flu.

### BRING YOUR OLD TUBE IN

Ansel McDowell, manager of the McDowell Drug Co., and Lonnie Lee, manager of the City Drug Store, wish to call to the attention of their customers the new War Production board ruling prohibiting retail merchants from selling toothpaste or shaving cream in tubes to any customer who fails to turn in some type of used collapsible tube for each new one purchased.

The provision, first of its kind, and effective immediately, makes retailers responsible for the trade-in transaction and directs that the used tube thus collected be held subject to WPB orders.

At the same time, the board placed drastic restrictions on future use and production of collapsible tin tubes and prohibited their use entirely for foods, cosmetics and most toilet preparations.

Purchasers will not be required to exchange a used tube of the same type as the tube being purchased.

## April 5 to April 11 Is 4-H Club Week

The week of April 5 to 11 has been designated as 4-H Club Week throughout the United States. This observance replaces the National 4-H Club Encampment held in normal years in June at Washington, D. C.

According to L. L. Johnson and Onah Jacks, state 4-H Club agents of the A. and M. College Extension Service, more than 80,000 Texas farm boys and girls enrolled in 4-H Club work are expected to participate. The activities will be conducted by the Extension Service through county extension agents and voluntary local club leaders and sponsors.

During 4-H Club Week effort will be made to remind adults and youth that the work to be done concerns every individual, and that boys and girls must do their part in a full-sized job, the state agents said. "Effort also will be made to stimulate family and community work to the end that every individual may make his best contribution toward victory."

Farm boys and girls through their 4-H Club work have carried on a seven-point national defense program for the last year and a half. The state agents said that the club members have concentrated especially on club demonstrations which produce needed foods, care of farm machinery (Continued on Last Page)

## ARMY DAY PROGRAM PLANNED MONDAY IN AMARILLO

The Panhandle of Texas is nationally famous for parades, celebrations and festivities they hold each year, but the Panhandle-wide Army Day program in Amarillo Monday, April 6, has already gained the nation's spotlight in the leading attraction of the day.

Hardly had the President proclaimed Army Day and requested more parades, more bands, martial music and patriotic demonstrations throughout America than the Hanson Post of the American Legion in Amarillo announced they would stage such an event. It grew Panhandle-wide overnight as everyone wished to make it not only the first announced parade but the most colorful.

Governor Coke Stevenson told parade officials it was his intention not only to be in Amarillo to "ride a horse in that parade" but would serve citations on behalf of Texas to each of the distinguished mothers.

Mark McGee, State head of the Rubber & Tire Allotment board, has approved the use of school buses to transport bands to such patriotic celebrations as the one in Amarillo, declaring it was the opinion of the Board that such celebrations were a vital defense measure.

### HOSPITAL NEWS

John Lewis is still improving.

Mrs. J. G. Davidson has returned to her home and is improving nicely.

Mr. L. D. Smith of Mobeetic has returned to his home.

James Hill of Allison returned home last week.

Jim Porter has been in the hospital for two days with a case of the flu.

Morris Henderson has entered the hospital for treatment.

The two-year-old son of Mr. and Mrs. W. R. Green of Gageby is in the hospital suffering from the flu.

Mrs. Josiah Smith entered the hospital March 31 for general treatment.

Mrs. L. R. Berry of Briscoe entered the hospital March 31 for special treatment.

## Work on Highway Hard Surfacing to Start First of June

### HIGHWAY DEPARTMENT ASKS FOR BIDS ON RESECTIONING AND DOUBLE ASPHALT TREAT

P. S. Bailey, district engineer of the Texas Highway Department, was in Wheeler Friday and announced that actual construction work on paving the remaining gap of Highway 152 east of here to the state line would probably begin around June 1. Sealed proposals for constructing the 5.2 miles of paving will be received at the Highway Department in Austin until April 10, and contractors are allowed a maximum of 60 days to start construction, Mr. Bailey said.

Work will consist of regrading, sand-oil stabilized base and asphalt surface similar to the now existing pavement from Wheeler to the gap.

Contracts will be based on the wage scale prevailing in this locality and contractors will be required to pay a minimum wage scale as follows: Carpenter \$8; Shovel or Crane Operator \$8; Mechanic \$8; Le Tourneau Operator \$8; Roller Operator \$4; Distributor Driver \$4; Tractor or Blade Operator \$4; Truck Drivers \$4 and \$3.20; Air Hammer Operator \$4; Blacksmith \$4; Fireman (Asphalt Plant) \$4; Compressor Operator \$4; Pump Operator \$4; Weigher \$4; Flagman \$3.20; Unskilled Laborer \$3.20; Watchman \$2.80; and Water Boy \$2.40.

An appropriation of \$45,000 for the project by the state highway department was announced early this month.

## Wheeler County Asked Plant 500 Acres Peanuts

Peanuts went to war right after Pearl Harbor, according to Clarence Zybach, chairman, Wheeler county USDA War Board.

New goal for Wheeler county in the Food for Freedom program this year is 500 acres while Texas' goal is 1,056,000 acres, or approximately 300 percent increase over the 1941 crop.

"Peanuts are in the war for the duration because we need fats and oils we formerly imported from the Far East where the Japs are now", Zybach said.

At the same time farmers are being asked to increase peanuts, they are not being asked to produce them at a financial loss, the War Board chairman said in explaining that farmers would receive a fair price for the peanuts produced.

Secretary of Agriculture, Claude R. Wickard has announced that the price of U. S. No. 1 White Spanish type peanuts will be supported at not less than \$82 per ton with differentials for grades and location.

"This doesn't mean all peanut farmers will receive a flat \$82 per ton, but it does mean they'll receive a fair price for what they raise," he said.

Peanut seed are available to county farmers on a cash or loan basis and may be obtained by making application at the AAA office.

## Cotton Farmers Urged Plant Full Allotments

An extra half million bales of cotton will be grown by Texas farmers this year if they answer the call to plant all of their cotton allotments.

War with the Axis powers emphasizes the need for additional vegetable oils and cotton with staple lengths of one inch or better for manufacture of balloon and parachute cloth, pontoons for seaplanes, and other items which require a strong, light fabric. B. F. Vance, chairman, Texas USDA War Board said.

"This doesn't mean allotments are being increased or that farmers are being asked to exceed their allotments," Vance said in explaining that AAA regulations remain intact and that marketing quotas and allotments still stand.

Difference in the 1942 allotment of 9,864,569 acres and last year's 8,083,585 planted acres at the 1936-40 average yield of 161 pounds will obtain the increase asked for by Secretary of Agriculture Claude R. Wickard, the war Board chairman said. National production of from 12,100,000 to 13,500,000 bales is expected if the national allotment of 27,400,000 acres is planted, he added.

The percentage of the acreage allotment planted to cotton in Texas has declined sharply since 1938, Vance said. 1941 planted acres averaged only 82 percent of the state allotment while farmers last year underplanted the national allotment by some four million acres.

## Wheeler Folks Are Swell

We've been in Wheeler only about a week now but we've been here long enough to find out that we've landed in just about the biggest hearted, most friendly group of people that it has been our privilege of living among. All has been evidenced by the scores of persons who have come by The Times office and our home and extended us a welcome. Most all have asked us to call on them for what ever accommodation we might need. We especially want to extend a personal note of appreciation to Mr. and Mrs. C. G. Miller who have been so helpful in acquainting us around the shop and the various business places. Also, to the many, many persons who have volunteered bits of information making up this, our second issue of The Times. It isn't hard to put out a newsy newspaper when its readers are so liberal with news items.

## Hats Off to 4-H Clubbers

Next week, April 5th to 11th, boys and girls 4-H clubs over the nation will observe 4-H Club Week. During the week attention will be called to the efforts members are putting forth in our country's cause. "Now as never before you should strive to live up to your motto, 'To Make the Best Better.' Your pledge that has to do with the head, hand, heart and health should have a deeper meaning than ever before," state club agent L. L. Johnson has told the boys of the state in a special message.

"As 4-H Club members on the home front you should produce more and better crops and livestock in order to do your part to supply ourselves and our allies with the necessities of life," Mr. Johnson stated.

Wheeler county parents of 4-H boys and girls should be proud of the remarkable work being carried on in the county by the youngsters under the most capable direction of assistant county agents Miss Evelyn Plummer and James Eiland. There is no better way in the world to teach the boy and girl to take pride in their undertakings than to encourage them with their 4-H work.

## DON'T TELL MAC ARTHUR

"So live that you can look MacArthur in the eye." Leaders of the United Auto Workers have just won an arbitration decision in Detroit. It gives them double time in all General Motors plants when the men work on Sundays or holidays, even though this work is merely part of a 40-hour week.

The world-wide enthusiasms which followed the announcement of General MacArthur's dramatic transfer

Nolan gives the best performance of his career assisted by a notable cast and an excellent story.  
Wednesday April 8-9 Thursday

to Australia, and his assumption of supreme command of all United Nations' air, army and naval forces in the Pacific theatre, is easily understood. He is the war's number one hero. His achievement in the Philippines alone makes him one of the great commanders of history.

But we must not make the mistake of thinking that General MacArthur, brilliant and daring as he is, will immediately turn the scales. He cannot produce miracles. He made that very clear on his arrival in Melbourne when he said: "Success in modern war requires something more than courage and willingness to die. It requires careful preparation. This means furnishing sufficient troops and sufficient materials to meet the known strength of the potential enemy. No general can make something from nothing. My success or failure will depend primarily upon the resources which our respective governments place at my disposal."

There is a challenge in that to every industry, every worker, every government official in this country. For the great bulk of the supplies of war must come from here. Australia is a vast continent, but it has only 7,000,000 people and relatively little industry. We must become the "arsenal of democracy" in fact, not in theory.

The art of generalship is to do the most with what one has, to gain maximum result at minimum cost. General MacArthur has shown that he masters that art completely. But all his knowledge and competence will be useless if he lacks the tools.

In that connection, some of the best recent news is that telling of the production of big bombers on the assembly-line principle. The increase this has made possible in bomber output is a military secret, but it is said that it is great. Ford will shortly go into mass production of pursuit planes on an unprecedented scale. We must have unquestioned supremacy in the skies if our other fighting forces are to gain victories.

## LABOR ON THE FARM

The farm labor problem grows steadily more severe. High industrial wages have attracted a great proportion of the men who used to do farm work. And the farmer must pay big money even to incompetents.

As a result, the increase that has taken place in farm prices has been largely offset by the higher cost of labor—plus the higher cost of taxation, supplies, and everything else.

The cooperative marketing organizations are doing a good job in presenting these facts to the public. They are facts that must be taken into consideration when farm price ceilings are applied. The public must realize that a higher price for farm-produced goods does not necessarily mean a larger—or as large—a return to the farmer.

## JAPS' LOSSES HIGH

The first step which must be taken in carrying the war to Japan is an obvious one—to disrupt and to break the long-extended Nipponese supply lines. Hundreds and in some cases thousands of miles of water lie between Japanese bases and areas she has conquered. Her life consists of her merchant fleet and naval convoys. So long as she has enough protected tonnage to carry the immense quantities of supplies needed by her expeditionary forces, she will hold the upper hand. Once substantial inroads are made into her transport and fighting fleets, she will have to battle against steadily mounting odds. And the farther she goes across the wide Pacific, the more shipping she will require.

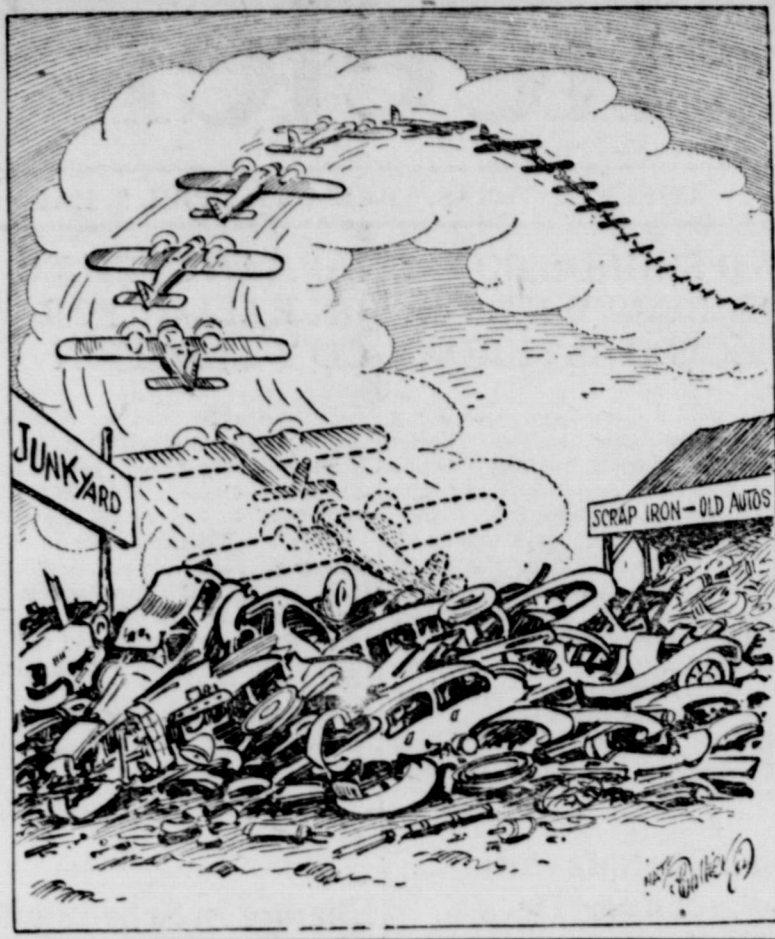

Therefore, there is encouragement in the casualties our military forces and those of other United Nations have been inflicting on Japanese shipping. Much of this news has never made the headlines, which have been largely occupied by accounts of Japan's success in taking and mopping up Pacific positions. But it is the kind of news that, in the long run, will do much to determine the outcome of the war. As Paul Mallon puts it, "Day by day, in every way, our navy and army have been pecking away, mainly at the indispensable but unspectacular phase of the Jap attack—the transport, supply and tanker ships and their convoy protection."

The toll of Japanese losses is impressive. Up to March 19, the United Nations officially reported the sinking of 110 supply ships and damaging of 54, or a total of 164, put out of action. That, according to the most reliable estimates, is in excess of 20 per cent of all Japanese shipping which can be used for supply purposes.

The United Nations further reported the destruction of 17 Jap cruisers, along with 27 damaged, and the sinking of 22 destroyers plus 12 damaged. Two Jap battleships have been sent to the bottom. And so have three aircraft carriers.

The United Nations' ship losses have, of course, also been great. But the military importance of such losses can only be judged in the light of replacement capacity. According to Mr. Mallon, Japan's merchant shipbuilding capacity is 300,000 to 400,000 gross tons per year. We will build in the neighborhood of 5,000,000 gross tons this year and almost twice as much next year. In addition to that, our Allies will produce

## SPRING FLIGHT

## Pertinent Paragraphs from Panhandle Press

Items of interest culled from newspapers on The Times' exchange list.

Constructive criticism (if there is any) is all right and proper in normal times, and it may be that some is needed even in war times, but just plain griping must stop if we are to do our best in war efforts. Many personal feelings must be submerged in the general all-out effort to win the war. This is no time to settle personal grudges, or in any way disrupt the unity of the people as a whole.—McLean News.

It is refreshing to hear a common sense expression from a swivel chair czar in a key position when our beloved nation is imperiled. The best news in a long time is that there will be no restrictions on the sales of tin cans for home canning, but the War Production Board urges the home canner to double the output of last season. As a matter of fact tin cans contain only about two per cent of tin. They are simply sheet iron. That is why tin cans are not gathered up to reduce the shortage of tin for national war use.—Donley County Leader.

Ere long our government is going

a considerable tonnage.

This does not mean we should run the danger of minimizing Japan's existing fighting fleet and merchant navy. Her main battle fleet has not yet been in evidence in this war, and is perhaps being held in reserve for a major engagement. It is likely that she has more fighting craft than used to be generally believed—there is certainly no reason for thinking that she carried out her part of the naval limitation agreements which she and all other naval powers signed back in the '20s, what this does mean is that, unless all authorities are wrong, Japan does not possess a ship replacement capacity in any way comparable to ours. Japan probably spent twenty years preparing for this war, and she had a big edge at the start. Our job is to overcome that edge.

## CONSUMERS' PRICE CONTROL

The upward trend in the price indicators continues. While the increases are taking place at a slower tempo than in World War I, it is expected that before the end of this year the official cost-of-living index will climb ten to twelve points.

That this constitutes a very serious problem for the consumer, goes without saying. And it also imposes some very definite obligations on the consumer, which he must discharge in the interest of the country as well as himself.

First, don't hoard. Stores have been urging consumers to buy normally, and that advice is 100 per cent right. Hoarding can only produce abnormal price increases. And, if it goes far enough, the government will expropriate excessive stocks in the hands of either consumers or dealers.

Second, take full advantage of the information concerning commodities, which is being issued by retailing organizations. Adequate substitutes exist for most products which are either scarce or excessively costly. This applies to all foods, clothing and household supplies.

Third, don't waste. Make everything you buy or own, from a can of beans to a set of tires, do maximum duty. Waste creates needless shortages and needless price increases.

Manufacturers and retailers are doing their best to protect your standard of living under extremely difficult conditions. And you, in your role of consumer, must help.

to call on us to fill out sugar rationing cards. No doubt this will be followed with other restrictions from time to time. If you love your country as you should you will not try to "cheat" in any way. We draft the choicest manhood of America into the army. Why should we not be drafted to do our part? Do it willingly, with a smile, and a determination to put the dictators of the world forever out of business.—Paducah Post.

The birds may sing and the bushes bud,  
And perfume may fill the air,  
But we don't know that it's really spring  
Till the dust gets in our hair.  
(With apologies to practically all poets.)—Hereford Brand.

Personally, we're getting just a trifle tired of all the talk about this and that being necessary to keep up the public "morale." Our idea is that it's about time to start developing more of that quality known to Texans by the somewhat inelegant term, "guts."—Memphis Democrat.

In a special release from Washington our Senior Senator Tom Connally says: "For the duration of the war, I favor the suspension of the 40-hour week." Okey, Senator, let's go back to the normal 24-hour schedule, "Eight hours for work, eight hours for recreation and eight hours for sleep."—Higgins News.

The traffic toll in the United States last year totaled 40,000. Traffic accident deaths in each of nine months of 1941 exceeded the total casualties in the Pearl Harbor attack. The record for traffic accident deaths in 1941 was an all time high exceeding by 16 per cent the total of 34,501 in 1940 and 357 above the previous high of 39,643 in 1937. Traffic accidents in 1941 resulted in 1,400,000 nonfatal injuries about 110,000 of which resulted in permanent disability. The economic loss resulting from these accidents is estimated at \$1,800,000,000.—Tulia Herald.

## WHY INVESTIGATIONS IN PUBLIC ASSISTANCE ARE NECESSARY

By: FIELD WORKER

When a citizen applies for public assistance—which in Texas includes old age assistance, aid to the needy blind and aid to dependent children—the State Department of Public Welfare is then required by law to investigate his eligibility and determine the amount of his entitlement. Many wonder, "Why does the law require investigations?"

The federal government puts up half the money on condition that the state set up certain qualifications for eligibility. Within the framework of these federal requirements, the state defines who is eligible to receive assistance. Sound public policy requires that the government not only secure the facts which support or disprove eligibility but that these facts be placed on record. Then field workers may change without endangering the aid being given. Federal and state auditors can verify by inspection of the records that eligibility has been established and public funds are being paid out in accordance with the law.

Actually the investigation is simply a study of the needs, resources, and other information about the person applying for assistance. Many people have a mistaken idea that an investigation is an unnecessary inquiry into an applicant's personal affairs. The public welfare department has to commission to probe into any facts not directly related to establishing eligibility and determining the amount needed for purchase of necessities. Investigations are confined strictly to the purpose of finding out, first, whether an applicant meets the laws, requirements and, second, the extent of his need.

In an investigation, the first source

## RAZOR BLADE CUT

Whiskers way come into fashion again as a result of the WPB action ordering the production of safety razors restricted to 70 per cent of the 1940 average monthly output, and the output of safety razor blades held to 100 per cent of the average monthly production of 1940. This is expected to allow most men only one safety razor blade per week.

Another WPB order prohibits the use of aluminum, crude rubber or nickel in the production of flashlight cases and batteries. Tin may be used in solder, and brass and copper only for electrical contact fittings.

Alton Nations, who recently graduated from an aircraft training school at Wichita, Kansas, arrived Saturday night to spend a few days with his parents, Mr. and Mrs. O. Nations. He will return to Wichita Wednesday morning and expects to work in an airplane factory.

of information is the person who is asking for help. He is in possession of the greatest amount of information about himself and a local welfare office does not get in touch with any persons or agencies until after full information has been obtained from the applicant. When he first comes to a welfare office to file an application for assistance, the field worker explains the eligibility requirements and discusses how he may get the information or papers needed to complete his application, and how the agency can help in establishing eligibility.

The war situation has already created special needs for financial assistance and service to civilians, some of which will be met through existing programs. Public assistance agencies throughout the country are attempting to simplify their procedures so that investigations may be made with a minimum of delay, and necessary assistance and services may be made available promptly as needed, and without confusion or waste of funds.

I'M ON MY WAY to that new Purina Dealer's for some good Omolene, the famous horse and mule feed for every feeding need. It helps keep both fine horses and work animals in good form all the time.

# Why America Needs More Cotton Production

Secretary of Agriculture Wickard has called upon cotton growers to plant their Full Cotton Acreage Allotment—4,000,000 acres more than we planted last season—because the United States vitally needs more of the products of cotton and cottonseed. These needs include:

**MORE COTTONSEED OIL** to supply the nation's need for food and industrial fats, and to replace oil formerly imported from Pacific areas.

**MORE COTTON LINTERS** to supply the increasing needs of the munitions industry for this essential raw material.

**MORE COTTONSEED MEAL** to supply feeds needed by livestock producers for the efficient production of "Food for Victory."

**MORE LINT COTTON** of certain qualities and grades, especially longer staple cotton, to meet increasing needs of the United Nations in their war efforts.

**COTTON IS THE ONLY CROP THAT SUPPLIES ALL OF THESE PRODUCTS.**

## How You Can Help Grow More Cotton

In order to produce this cotton, it is highly essential that every cotton grower throughout the South follow these sound practices:

**PLANT THE FULL COTTON ALLOTMENT:** BE sure that you plant every acre of cotton which the AAA legal allotment permits. Replant as often as necessary to insure a full stand on all of this acreage.

**PLANT GOOD SEED:** By using quality planting seed, with a high germination test, you will help to insure maximum yields.

**KEEP IT CLEAN AND PICK IT CLEAN:** Keeping fields free of weeds and grass, and picking all of the cotton this fall, moving it promptly to the gin, are important to insure maximum production.

**THE ROUNDUP**

**WHEELER SCHOOL NEWS**

**Staff**  
Reporters—LaRue Cole, Jim Johnson, Katherine Tinney, Artie Lee Mullins, Billie Jean Pendleton, Billie Jean Anglin, Sammie May.  
Sponsor — Miss Adams

**Juniors Sponsor Show**  
The juniors will sponsor a show April 2, 1942 at 2:30 at the Rogue theatre. This will be a school matinee entitled "Underground."

**No School Friday**  
There will be no school Friday because of the county meet.

**Ag. III Boys Wood Work**  
For the last five weeks the Ag. boys that are taking their third year of agriculture have been engaged in wood work. Their instructor, Mr. W. C. Zirkle, announces that many useful and well-built articles have been made.

These articles include: self-feeders, book shelf, bed, table, milk stool, bicycle trailer, hurdles, jumping and vaulting uprights, and victory pins. The project will end next week.

**Boxing Bouts to Be Held Soon**  
Coach Gordon Phillips announces that in the very near future plenty of action and excitement will be displayed in the Wheeler school boxing tournament. The bouts will be between both grade and high school boys. Both sections are ready and eager to show all of you fans that they can really take it.

The boxing program, giving the names and weights of the boys, and also a definite date for this event, will be given next week.

**Volleyball Girls Compete**  
The Wheeler high school volleyball girls are to compete in the county meet Saturday. Their first game will be played against Kelton. Those who will play are Inetta Maxwell, Louise Tillman, Gene Mitchell, Kathryn Tinney, Wanda Megee, Caroline Warren, Mary Lee Reid and Marie Warren.

These girls met the Briscoe girls team at the Wheeler gym Monday winning six games.

**Tennis**  
Tennis will be played April 2, at Shamrock. Those going to the county meet in tennis are: SeniorBoys Singles—Harry Garrison.  
SeniorBoys Doubles—Bill Cosper and F. B. Craig.  
Senior Girls Singles—Louise Tillman.  
Senior Girls Doubles—Gene Mitchell and Celeste Wiley.  
Junior Boys Singles—Gene Hall.  
Junior Boys Doubles—Lewis Craig and R. J. Holt.  
Junior Girls Singles—Marie Warren.

**Wheeler Girls Win**  
The high school girls' baseball team went to Shamrock Saturday and played Shamrock girls. They were defeated by one point. The score was 11-12.

Those who went were: Marie Warren, Naomi Merritt, Louise Whitener, Billie Jean Pendleton, Wanda Sewell, Wilma Jean Cox, Virginia Marrs, Mary Lee Reid, Alice Mullins, Eloyce Sandifer, Mary Frances George and LaRue Cole.

The high school boys were beaten by the Shamrock team. Wheeler boys playing were: Carrol Pettit, Henry Risner, Kenneth Crowder, Don Farmer, Junior Pendleton, Tommy Ford, W. J. Patterson, Gwynn Crossland, Eddy B. Witt.

**Girl Scouts Meet**  
The local Girl Scouts met last Thursday afternoon at the Methodist church to continue to pass their tenderfoot test. Georgie Gay Porter, Billie Jean Pond, Patsy June Williams, Yreva Carter and Margaret Ann Holt were selected to plan an Easter egg hunt which is to be held Friday.

Those attending the meeting were: Billie Jean Pond, Eloyce and Yvonne Sandifer, Georgie Gay Porter, Gerdine Oglesby, Josephine and Patsy Noah, Patsy Williams, Patsy Welty, Margie Esslinger, Edna Farmer, Coene and Yreva Sue Carter, Margaret Ann Holt, Dolores Ahler, Peggy Jo Rodgers, Joline Witt and their sponsor, Miss Bonnie Adams.

**Speech Club Officers Elected**  
The speech club officers are elected to serve one week. Those serving this week are:

Peggy Manney, president; Alice Mullins, vice president; Mary Frances George, secretary; Junior Ahler, assistant secretary; Tommy Hyatt, treasurer, Garland Weeks, chairman of the program committee; Wilma Jean Dalton, chairman of the library committee.

Members of the club are wearing tags reading "I Belong, Do You." Those who talk too much during speech club are wearing tags "Black Sheep of the Speech Club."

Officers of the club last week were Odous Hooker, Bill Hix, Peggy Manney, Garland Foosee, Mary Frances George and Alice Mullins.

Mr. and Mrs. Ott Eckert, Amarillo and daughter, Mrs. Frank Redder and son, Jerry, Duncan, Okla., came today to spend the week end with their daughter and sister, Mrs. Stina Cain and family. Mr. Redder will meet his family in Wheeler and spend Easter at the Cain home and they will accompany him home Sunday night.

Mr. and Mrs. C. G. Miller motored Saturday to Elk City, Okla., and spent the night with his mother and sister, Mrs. H. E. Miller and Mr. and Mrs. R. H. Cailloutte were Sunday dinner guests of Mrs. C. G. Miller's brother and wife, Mr. and Mrs. Glen Miller near Elk City, returning home that night.

**How's Your Subscription?**

The average reader's reaction to this question might be: "How should I know, that's the publisher's business; I have no means of determining when my subscription is out!"

This is not correct, however.

Every subscriber can easily tell just when his or her subscription is out. As a part of the address on each paper are certain figures. These mean more than just a record for the convenience of this office; they enable subscribers to check their expiration date and renew for the paper when the time for which they subscribe is out.

For instance: an address may read John Jones 4-1-42. This shows John's subscription expires April 1, 1942.

Won't you, dear reader, look at YOUR expiration date, as shown by the figures following your name on the address of this paper and—if in arrears—remit promptly?

It should be pointed out that acceptance of the paper through the mail places liability for payment upon the person so receiving it. There is not now nor never has been a disposition to force the paper upon anyone—yet every effort is made to accommodate anyone who may be temporarily short of funds. Therefore, those who accept delivery of the paper are expected to pay for it in the usual course of events.

If not in position to meet the obligation at the moment, please advise the office and let us adjust the matter satisfactorily and thereby avoid embarrassment to all concerned.

# BRISCOE BRONCO

News of Briscoe school activities, community happenings and other matters of interest and information, compiled for The Wheeler Times by the student body and faculty members of the Briscoe schools.

### Americanism

Americanism is something that most citizens have, yet never stop to figure out what it really is or should be.

Americanism is an undying faith in America. This part of Americanism cannot be carried too far. An American should keep tract of his government works and keep well enough read to be an intelligent voter. In times of emergency, a true American should co-operate to his fullest ability, for the defense of the country.

Americanism contains four types of freedom which are: Freedom of speech, freedom of press, freedom of religion and being free of fear.

Americanism is being free to do what ever you please, so long as you do not disturb any one else. A true American will always say, "Give me liberty or give me death."

—By Melvin Helton.

### How About Quitting School?

Think twice students, before you take that final step of discontinuing your high school career! Perhaps you may think the outside world has more opportunities in store for you, but then think of all the advantages a high school career offers you.

Classified among them could be the ability to think, contact with people, and the experience in developing your character and personality. Remember, once your school days are over those fun-loving days, are forever lost to you.

True enough, some students haven't the means to remain in school. Some may have to work at home, on occasions when they are needed. But generally do they make the most of their opportunities? Many quit school, get jobs and spend their money for their own unnecessary luxuries, never thinking what their parents have sacrificed for them.

They show themselves up as selfish individuals, intent only upon their own desires.

Then there are students who think they are showing patriotism in leaving school to join the armed forces. They may be of direct service to their country, but to finish high school and to keep up the education standards of our people is just as necessary.

The war has to be fought in both places, but let's give it a second thought before we give up the privilege of education.

—Anita O'Brien.

### Homemakers Sponsor Nutrition Week

The week of March 23-27 was "Good Nutrition Week" at our school. The homemaking class carried out a full week's program of

making posters, preparing speeches, an assembly program and preparing food to actually show of what a good diet consists.

Marie Finsterwald, Alice Cowan and Estelle Aderholt made large posters of The Texas Food Standard and put them in the lunch room and the building.

Clara Helen Seedig and Zetha Dickerson prepared the actual foods and placed them on a serving tray and went into each room and explained the importance of each food.

They stressed along with their talks the importance of eating foods, and especially fruits, vegetables and milk, that are put on our plates. They also mentioned the fact, that unless a certain food causes us to be ill if we eat it, that we can learn to like any food. There is no such thing as a natural distaste for food.

Today our army would be 150,000 men stronger if more men had eaten the correct food. We can be an asset to our country if we eat correctly, where now we may be liabilities. Which are you?

Don't dig your grave with your own teeth, but eat right and help bury a Jap.

### Assembly

The week's program was ended with an assembly program Friday morning. During the program stress was given to some important food facts. The program was in the form of a radio broadcast and was humorous in nature as well as instructive.

The broadcast consisted of the following: Master of Ceremonies—Joyce Sorensen; Food for Defense—Lottie Marie Zybach; What Shall We Eat?—Mabel Alice Smith; Advertisements—Billie Jean Baird; A Quiz on Foods—Joyce Sorensen; Song, Texas Food Standard—Led by Mr. Mohr.

### Fish News

The freshman class is proud to welcome Weldon Temple back from his visit at Commerce, Texas.

We are making notebooks on the classic, Treasure Island. We took a classic test for our three weeks' test.

The freshman girls are making dresses in home economics.

Mary Ruth Evans has had visitors since Wednesday.

Alva Lee visited Mary Ruth Evans Sunday.

Bessie Davis and Hazel Harvey are the freshman representatives on the volleyball team.

### Defense Stamp Sales

Weekly defense stamp day is Wednesday. The following sales are reported:

First Grade	\$ 1.65
Second and Third Grades	5.40
Fourth and Fifth Grades	4.40
Sixth and Seventh Grades	11.20
Freshmen	24.25
Sophomores	2.20
Juniors	24.40
Seniors	.90
Total	\$74.40

### Honor Roll

In last week's paper one omission from the sophomore honor roll was made. We are very happy to list R. H. Dyson as on the A and B honor roll. Sorry the omission occurred.

### Snooper

Dear Snooper—We wonder why Zetha D. was so disappointed Monday? Just Wondering.

Dear J. W.—Could it be because of her not seeing a certain Wheeler boy who was at the show Friday night?

Dear Snooper—We wonder why Moden's feet were so sore Friday? Just Wondering.

Dear J. W.—I heard she walked around the house too many times at the party.

Dear Snooper—We wonder why Mr. Caldwell likes T-Bone steaks so well? Could it be he eats it to keep his girlish figure? Just Wondering.

Dear J. W.—The home ec. girls can answer that.

### Seen and Heard

Both Mr. Barry and Mr. Mohr's second growth of hair is appearing now that spring is just around the corner. Thanks to the influence of the home ec. girls for finding, or creating, such an efficient, effective, exclusive, streamlined, super-duper hair restorer. (This is merely gossip, I will confirm the statement when I see).

Anita happy Monday! (Was it because she saw L. J.?)

The band students whispering something about a party. (Watch closely and I'll give you the full particulars next week).

Alton typing speech for debate students.

Mary Evelyn planning a farm with sheep, chickens, cows and all the trimmings. She got the idea in agriculture. (I have a hunch it will be a poultry farm).

Thelma disappointed Monday evening. (Maybe it's because she didn't see a blond boy at Wheeler).

Mary Alice so happy with a freshman girl, maybe this girl has a nice brother close by.

That a new fence is to be put up around the Baptist parsonage.

### What If—

Tommy were a Baker instead of a Cook?

Mary Evelyn were a Stick instead of a Wood?

Edd were a Slipper instead of a Clepper?

Warren were a Nit instead of a Witt?

Mr. Mohr were Less instead of Mohr?

Dollie Joe were a Yellowhouse instead of a Greenhouse?

Billy were a Chandler instead of a Candler?

Zetha were a Helton instead of a Dickenson?

Wayne were a Bold instead of a Meek?

Kenneth were a Dipper instead of a Clepper?

Marion were a Stewardess instead of a Stewart?

Billy Jean were a Duck instead of a Baird?

Marion were a Parasol instead of a Purcell?

Wayne were a Stompwell instead of a Treadwell?

Laverne were a Ellsdaughter instead of an Ellison?

### Davis News

(By Mrs. Zura Bullock)

Mr. and Mrs. Gene Anderson are the proud parents of a son, Larry Gene. The young man arrived Sunday, March 29.

Mr. and Mrs. D. R. Gordon and children and Mr. and Mrs. Doc Whitely spent the week end in Pampa with their daughters and sisters, Mrs. Lawrence Homesley and Mrs. Morris Cooper and families.

Willard Ingram of Locust Grove was a Monday caller in the community.

Sunday school was organized at Davis Sunday. Come and be with us Sunday if you do not go elsewhere for Sunday worship.

Mrs. Harvey Jones is visiting her daughter, Mrs. Ruby Rusch of Canute, this week.

Mr. and Mrs. Claud Gipson and children were business visitors in Erick Saturday afternoon.

Mr. and Mrs. Geo. A. Weems and the ball teams attended the track meet at Shamrock Saturday.

Mr. and Mrs. Ray Aderholt and son of Mobeetie and Mrs. Jess Williams and Jessie Royce of Myrtle, were Monday afternoon callers in the Luther Bullock home.

### Local News Items

Mrs. Neva Sampson and Mrs. R. J. Holt were in Pampa Tuesday afternoon on business.

J. G. Horalson and son, Elmer, of Briscoe, were in Wheeler Tuesday attending to business.

Mr. and Mrs. Ernest Lee motored to Amarillo last Sunday and were accompanied by Mrs. G. O. McCrohan.

Miss Brayant, teacher in the Wheeler schools, is at her place of duty since suffering last week with the flu.

Dr. Wayne Hall of New Jersey and Mrs. O. C. Harbour of Birmingham, Ala., visited their brother Dr. V. N. Hall of Wheeler this week.

Mr. and Mrs. Frank McDonald, who live the other side of Briscoe in Hemphill county, were in Wheeler Tuesday.

Mrs. Mary Redding and daughter, Miss Nan, of Mobeetie were in Pampa Tuesday afternoon purchasing repairs for their well.

Miss Wanda Hyatt, who is attending Draughon's Business university in Oklahoma City, came Wednesday to spend the Easter vacation with her parents, Mr. and Mrs. Frank Hyatt, and family.

Mr. and Mrs. Marshall Adams and children, Robert and David of Shamrock came Sunday and visited his parents, Mr. and Mrs. W. W. Adams, and daughter, Miss Bonnie, and other relatives.

Mr. and Mrs. Roy Esslinger motored Wednesday of last week to Mineral Wells, where they visited Mr. and Mrs. Frank Krung. They also visited friends in Fort Worth during the week end, returning home Monday.

### Receives Letter From Reeses

Mrs. Newman Riley reports that she has received a letter from Mr. and Mrs. John Reese who formerly lived at Kelton. They now live at Walnut Springs, Texas. Curtis Reese is at Camp Bowie at Brownwood. Caralyn was a crew chief of an airplane in the Panama district. Clainan is going to school at Tell, Texas in Childress county. Mr. and Mrs. Charlie Reese and Mr. and Mrs. Chester Reese are at Houston.

### Mountain View News

(By Times Correspondent)

Mrs. Melvin Roberts of Colteco visited the Quilting club Tuesday and helped to start a Red Cross center. Other visitors at the club were Mesdames Joe Rendles, Jack Barton and Ritchie, Mobeetie.

Mrs. Douglas Baird and children are visiting her sister, Mrs. Hazel Eubanks, at Sylene this week.

Mrs. Sherman Smith visited with Mrs. Tom Hathaway Friday.

Mrs. Eula Trimble and children, Mrs. Alma Seitz and Mr. and Mrs. Frank Totty ate Sunday dinner with Mr. and Mrs. R. H. Williams of Glazier and then visited Mrs. Doc Trimble, who is in the hospital at Shattuck. She is getting along fine.

Mr. and Mrs. Joe B. Williams of Pampa visited Monday with Mr. and Mrs. L. W. Williams.

Mr. and Mrs. Pierce Walker and children and Mr. and Mrs. Douglas Baird visited Mrs. Eula Trimble Sunday night.

Mr. and Mrs. Alvis Burke are keeping the A. H. Burke store this week.

Mr. and Mrs. L. W. Williams visited Mr. and Mrs. E. V. Herd Wednesday.

Miss Imogene Herd spent Sunday with Miss Lanell Scribner.

Several of the children of this community are out of school because of the mumps.

Times Wantads—5c a line.

**MRS. O. NATIONS HONORED WITH SURPRISE PARTY**

Mrs. O. Nations was honored on her 52nd birthday Wednesday evening of last week when a number of her friends surprised her by calling at her home.

Refreshments of ice cream and cake were enjoyed by the honoree, Mr. and Mrs. Clayton Kelley and daughter Zonelle, Mr. and Mrs. Olin Pendleton and Jr., Mrs. Charlie Sandifer, Mrs. Orman Sandifer, Elois and Evon, Caroline McBea, Mr. and Mrs. R. G. Russ and daughter, Janet, and Elder and Mrs. J. Loy Rice.

**PINK AND BLUE SHOWER GIVEN IN BRISCOE HOME**

Mesdames Bill Green, Sy Mason and Lee Barry honored Mrs. W. F. Rodgers with a pink and blue shower last Monday afternoon at the latter's home in Briscoe.

The refrain of that beautiful song "That's What God Made Mother's For" was sung and dedicated to Mrs. Rodgers. After a very delightful hour together, refreshments of punch and cake were served to Mesdames Weaver Barnett, Bertie Jones, Doyle Standler, E. L. Naugle, J. P. King, S. L. Price, B. F. Meadows, Jr., W. F. Rodgers, Lester Johnson, Bob Ramsey, Oden Hudson and the hostesses.

During the course of the afternoon gifts were left by the following ladies: Mesdames Haralson, M. Tipps, Fred Waters, C. P. Waters, Roy Waters, W. D. Douthit, Tom Helton, Floy Atherton, Floyd Morris, King, J. H. Mason, Bill Mason, E. Meek, Clarence Zybach, Farmer Hefley, E. Steen, S. B. Davis, A. D. Barry and Betty June, Jack Meek, John Francis and Elmer Simpson of Briscoe; Brady Meadows, and Aleta Meek of Gageby, Charlie Candler and W. A. Finsterwald, Mobeetie.

**STITCH-CHATTER CLUB MEETS WITH MRS. RODGERS**

The Stitch and Chatter club met Tuesday afternoon in the home of Mrs. Bob Rodgers. Roll call was answered with gardening hints. Mrs. Green distributed her surplus canna bulbs to all members who wanted them. The afternoon was spent in needlework and visiting.

Refreshments of ice cream and cake were served to the following members:

Mesdames J. N. Green, H. H. Walser, S. P. Hodnett, D. O. Beene, W. E. Bowen, Bill Black, Jud Johnson, A. G. Pettit, W. F. Witt, Percy Farmer and J. I. Maloy and three guests, Mrs. Fred Smith, Amarillo; Mrs. Fred Wright and Mrs. Floyd Pennington. Mrs. Walser will be the next hostess.

**PORTER DEMONSTRATION CLUB MEETS WITH MRS. SHAFER**

"No matter what your grandmother may have been taught, all posture experts, as well as dramatics and athletic directors, agree that the inside borders of your feet should be

parallel," Lucile Chance, County Home Demonstration agent, told members of the Porter Home Demonstration Club Thursday. The meeting was held at the home of Mrs. C. W. Shaffer.

Each member of the club practiced standing and sitting correctly.

Mrs. Thurston Young was appointed recreation chairman and Mrs. C. W. Shaffer was appointed educational director.

Those present were: Mesdames John Porter, Jim Scott, George Dotson and Kay, R. F. Wofford, Margaret Jane and Eddie Ray, Leonard Coleman, Thurston Young, R. V. Smith, Altha Mae and Rita Carole, Mrs. Howard Caswell and Carole Jean, Mrs. W. H. Murray, the hostesses and Miss Chance.

The next meeting of the club will be at the home of Mrs. John Scott. All members are urged to be present and bring a prospective member.

**KENT CONWELL HONORED ON SIXTH BIRTHDAY**

Mrs. Holt Green honored Kent Conwell on his sixth birthday with a party on the afternoon of March 29. Those present were:

Jerry, Bobby and Freddie Wright, Sue Giles, Eddie and James Walker, Jerry Lewis, Patsy and Kathryn Tiney, Janet Russ, Lillian and Ray Denham, Alwilda and Arlene Red, Donald Oglesby, Betty Cantrell, Janice Jaco, Gary Hall, Harold Loyd Lee, Sue Williamson, Larry Don Zirkle, Alvin Denham, Sharon and Pricilla Green, Patsy and Waneta Burgess, Jeanette and Betty Inman, Kenneth Weeks of Pampa; Yvonne, Cecil and Sue Reynolds, Mobeetie, and Mesdames Lester Leynolds, Mobeetie; Maurine Burgess and Roe Green. Those sending gifts were:

Donald and Joan Hardcastle and Barbara Cook. Each child received a favor and all were served with punch and cake.

**DAUGHTER HONORED ON HER 10TH BIRTH ANNIVERSARY**

Mrs. Bob Rodgers gave a party, April 1, in honor of her daughter Peggie Jo, this being her 10th birthday. Entertainment consisted of indoor and outdoor games and an Easter egg hunt.

Peggie Jo was the recipient of many useful and beautiful gifts. Refreshments were served to the following:

Francis Andrews, Billie V. Brown, Reva Sue Carter, Francis Porter, Sue Giles, Henry Pond, Georgia Gay Porter, Patsy Ruth Noah, Billie Jean Pond, Margaret Ann Holt, Billie Robinson, Bonnie Ray Tillie, Barbara May, Jonette Hood, Duane Bradford, Patsy June Williams, Bobbie Rodgers and the little hostess, Peggie Jo Rodgers.

**BAPTIST MISSIONARY SOCIETY MEETS MONDAY AFTERNOON**

The Baptist Women's Missionary Society met Monday at the home of Mrs. Bob Rodgers. The following members were present to hear Rev.

Fuquay instruct the group in a Bible study lesson:

Mesdames Fannie Wofford, J. N. Green, Murray Fuquay, W. K. Williams, Floyd Pennington, A. C. Wood, Cliff Weatherly, Fred Wright, John E. Cooke and Mrs. Rodgers.

Next meeting of the W. M. S. will be at the Red Cross Sewing room.

In keeping with the Easter Season the society will sponsor a collection of eggs for The Buckner's Orphan Home. Those wishing to donate eggs may leave them at the Pennington store.

**COACH PHILLIPS ENTERTAINS SOPHOMORES WITH PARTY**

Coach G. T. Phillips entertained a number of the freshman and sophomore classes Wednesday evening with an out door party. Weiners and marshmallows well toasted over a big open fire satisfied their good youthful appetites.

A group of lively games were enjoyed by all until 10 p. m.

This party was promised to all those who would help prevent "hookies" from school on "April Fools' Day." It is reliably reported there were no "hookies" whatever throughout the entire school.

Those attending the party were Misses Ada Dell Goad, Mary Francis George, Billy Jean Anglin, Alice Mullins, Virginia Marrs, Wilma Jean Cox, Tula Walker, Billy Jean Pendleton and Eloise Sandifer. Messrs. John A. Noah, jr., Abler, Lloyd Johnson, Bailey Jolley, Tommy Ford, T. J. Patterson, Junior Richerson, "Cotton" Farmer, Lewis Craig, R. J. Holt, Glenn Robertson and Chas. Hubbard.

**Local News Items**

W. R. Childers of Lockney visited briefly in Wheeler Wednesday.

Mrs. M. A. Miller of Butler, Okla., came Sunday evening to make a visit with her daughter and husband, Mr. and Mrs. C. G. Miller and granddaughter, Mrs. D. H. Porter and husband at Magic City.

Adrain Risner, who is attending Draughon's Business university in Oklahoma City is spending the Easter holidays with his parents, Mr. and Mrs. Jim Risner, and family and friends.

W. E. Pennington, a student at Draughon's Business university at Oklahoma City, came home Wednesday to spend the Easter vacation with his parents, Mr. and Mrs. Floyd Pennington, and grandfather, W. E. Pennington, and friends.

Mr. and Mrs. Henry Carmon of Kelton were Sunday afternoon guests of Mr. and Mrs. Lee McBea.

Mrs. F. M. Robison has returned from an extended visit with her brothers and sisters, who live in the various places: Grandview, Waco, Burlington, Rosebud and Cameron.

Mr. and Mrs. Joe Shearer and son, David, arrived Sunday from Texarkana, Ark., to visit her parents, Mr. and Mrs. Cliff Weatherly, for several weeks. Mr. Shearer will do some remodeling on the Weatherly home while here.

**MRS. H. E. NICHOLSON HONORS DAUGHTER-IN-LAW**

Honoring her daughter-in-law, Mrs. H. E. Nicholson, Jr., of Dallas, Mrs. H. E. Nicholson, Sr. entertained with two tables of bridge, Thursday afternoon. Guests included, Mmes. Glenn Porter, Ansel McDowell, Roe Green, T. S. Puckett, Frank Wofford, Inez Garrison, Miss Reba Wofford, the honor guest, and the hostess. Easter decorations and favors adorned the plates. Miss Reba Wofford received high score and prizes were given to Mmes. McDowell and Wofford. A gift was presented to the honoree.

**Club Notes**

Happenings of Interest by and for Home Demonstration Club Women of the County.

**Myrtle H. D. Club Meets**

The Myrtle Home Demonstration club met at the home of Mrs. Foster Whiteley on Thursday afternoon of last week. A demonstration on Posture, which proved quite interesting, was given by Miss Lucile Chance, home demonstration agent.

Mrs. Hazel Callan was elected secretary-treasurer of the club and Mrs. Troy Miller was named council delegate.

Committee appointments were announced as follows:

Recreation—Mesdames Foster Whiteley, Walter Sorensen and Troy Miller; education—Mesdames Elmer Miller, J. E. Prescott and E. A. McRae; expansion—Mesdames Earl Miller, Domer Reed and Elvold Callan; yearbook—Mesdames G. B. Anderson, Zack Miller and George Topper; finance—Mesdames Walter Sorensen, Elmer Miller and Troy Miller; exhibit—Domer Reed, Riley Richardson and Troy Miller.

Those attending the meeting were Mesdames Troy Miller, Earl Miller, Zack Miller, Elmer Miller, Walter Sorensen, Hazel Callan, G. B. Anderson, Albert Anderson, Domer Reed and J. E. Prescott, Miss Lucile Chance and the hostess, Mrs. Foster Whiteley.—Club Reporter.

**Country Neighbors Meet With Mrs. Hester Dodson**

"Probably all your life you've been getting stray bits of advice about posture and carriage. Then hold

back your shoulders, or pull in your chin, or keep your back straight, or walk on the balls of your feet for correct posture," said Miss Lucile Chance, county home demonstration agent, to the Country Neighbors Home Demonstration club which met in the home of Mrs. Hester Dodson, Friday, March 27. The purpose of the all-day meeting was to sew and knit for the Red Cross.

A covered dish lunch was enjoyed at noon by Mesdames Gus Wagner, M. A. Pillers, Barry Strange, Luther Ledbetter, Johnnie O'Gorman, Tommie Henderson, W. A. Nelson, H. H. Liles, Thomas Todd, Forest Carver, H. M. Carver and hostesses, Mrs. Dodson and Miss Cecilia O'Gorman. Members were Mesdames Troy Welty, Hester Dodson, Morris Allen Pillers, Philis O'Gorman, Gloria Henderson and Miss Lucile Chance. The next meeting will be with Mrs. Glenn King April 10, at 2:30 p. m. Every member should be present and visitors are welcome.

**Allison Homemakers Club Met With Mrs. J. L. Davidson**

The Allison Homemakers club met March 24 in the home of Mrs. J. L. Davidson. A business meeting was held with Mrs. Blanche Begert in charge.

A plan for co-operative buying of fresh pineapples was voted upon. Anyone wishing to take advantage of this, please see Mrs. Begert.

Miss Lucile Chance gave an interesting and instructive demonstration on Streamlining the Figure Through Proper Posture, Exercise and Diet. Our next meeting will be held in the home of Mrs. A. Dillon. Miss Chance will give another interesting demonstration. All club members are urged to attend and as many others as will join. Everyone needs to take advantage of the helpful ideas presented at these meetings.

Those present at the meeting were: Miss Chance, Mrs. Jim Trout of Wheeler and members: Mesdames W. S. McCoy, Bob Taylor and daughter, Avis Parker, Archie Dillon, Ruth Waldrup, Blanche Begert, Ruby McCoy and daughter, Evelyn Curley and daughter and the hostess, Mrs. Davidson.—Reporter.

**Briscoe H. D. Club Meets**

The Briscoe Home Demonstration club met March 3 in the Methodist church, with Mrs. Bessie Johnson as hostess, for a regular session.

Owing to muddy roads, Miss Lucile Chance, county home demonstration agent, was unable to attend. The afternoon was spent in visiting and knitting for the Red Cross.

Refreshments were served to Aunt Salie Meadows, Lucile Tipps, Inez Higgins, Bessie Barry, Gladys Price, Ruby Zybach, Bernice Ramsey, Katherine Zybach, Annie Zybach, Irene Zybach, Odessa Newman, Maurine Barnett, Mrs. J. G. Newman, Mrs. Eugene L. Naugle and the hostess, Bessie Johnson.

**Briscoe H. D. Club Studies English**

The Briscoe H. D. club met March 17, with Mrs. Lee Barry, president,

Mr. and Mrs. R. J. Dison and sons of Wheeler were visitors here Sunday afternoon.

**Methodist Revival Begins**

The community and nearby communities will be glad to learn that the spring revival of the Methodist church will begin Sunday, April 5.

The visiting pastor will be Rev. D. D. Dinson of Albany. The people feel honored in securing such a grand person. As for the length of the revival, a definite time has not been set.

Local talent will be used for the singing and piano. Rev. Denison will not be present for the Sunday services but will be here for the ones on Monday. Rev. Barvin Brotherton will deliver the Sunday sermons.

The revival will begin on the first anniversary of the meeting in the church building. The officials of the church wish to have a larger crowd than the one a year ago. On that day there were 113 present.

Church school will begin at eleven and preaching at twelve. Come out and worship if you do not attend services elsewhere, is the invitation

extended to all.

**Baptist Church Has Visitors**

The Kelton Baptist church was honored Sunday to have two services with visiting ministers present. At the morning hour Rev. Olie Brown of Fort Worth was in charge.

The sermon was indeed an interesting one. The subject being "Blood of the Cross." Rev. Brown is a brother of Mr. C. C. Brown, local superintendent. At the present Rev. Brown is attending school at Fort Worth.

The ministers present for the service were Rev. L. T. Davis, Rev. Charles Torrance and Rev. V. M. Lollar.

The pulpit was occupied by Rev. Charles Torrance. He makes his home here, but has two churches near Aspermont. Rev. Torrance indeed gave a wonderful sermon. A large crowd attended both services.

(Intended for last week)

Troy Lee Curlee visited in the home of his sister, Mr. and Mrs. Morgan Pride and family, of Briscoe Saturday.

Mesdames Lawrence Davis, Marvin Mathis and R. B. Smith spent the week end in San Antonio with friends and relatives.

Mr. and Mrs. C. C. Brown, Mrs. Buster Walser, Mrs. Charles Torrance, Mrs. V. M. Lollar, Miss Benie Purnell and Mr. George S. Gandy attended the teachers meeting in Amarillo Friday and Saturday.

Mr. and Mrs. Morgan Pride and children of Briscoe spent Saturday night here in the home of Mr. and Mrs. L. F. Forrest.

Mr. and Mrs. Albert Holcomb and children and Miss Rena Johnson were business visitors in Shamrock Friday afternoon.

Mr. and Mrs. Clive Splawn spent the week end at Aledo, Okla., with friends and relatives.

Mr. and Mrs. Earl Billingsly and children of Stonewall, Okla., spent the week here in the home of Mr. and Mrs. E. P. Joiner and son, Thomas.

Mrs. Leslie Tucker and children, L. H. and Beverly, of Amarillo are visiting here in the home of Mrs. R. O. Johnson.

Mr. and Mrs. Lewis Bledsoe and daughters attended the dedication of the Baptist church in Shamrock Sunday.

Miss Almetia Forrest and Ray Keelin are on the sick list with the measles. Their friends wish them a speedy recovery.

Miss Nadine Kinkaid of Aledo, Okla., is spending the week here in the home of her sister, Mr. and Mrs. Clive Splawn.

Mr. and Mrs. J. F. Rathjin spent Sunday with relatives at Canadian.

Mr. and Mrs. Albert Holcomb and children, Gary Don and Glenda Ann, were Sunday dinner guests of Mr. and Mrs. George Davidson and daughter, Georgiana.

Mr. Harold Hink spent the week end in Amarillo with friends.

**Movie Chatter**

(By a Rogue)

**Mountain Moonlight**  
For Friday and Saturday, April 3-4, we bring you the Weaver Brothers and Elviry in Mountain Moonlight. If you have ever seen a Weaver picture you will be there along with Mr. Gilmore who never misses one. He says that when he goes to a show that he wants to laugh and forget everything else, and that the Weavers are about the best when it comes to good old home spun comedy.

**Hellzapoppin'**  
Have you ever heard of the New York stage play called Hellzapoppin'? Well, you are going to hear about it now because it is now a motion picture with the original cast of Olsen and Johnson plus Martha Raye. As a play it has been running on Broadway for more than three years. It has been presented in most of the key cities. It is said to be the king of screw ball comedies. So we know you are going to have one Hellzapoppin' time at the Rogue Preview, Sunday, Monday, April 4-5-6. If you cannot stand old fashioned belly-laughs you had better bring along someone to do your laughing for you, because really you will know why it is called Hellzapoppin' after you see it.

**Blue, White and Perfect**  
If you like a good detective story you will thoroughly enjoy Lloyd Nolan in his newest pictures, Blue, White and Perfect which comes to the Rogue Wednesday and Thursday, April 8-9. Those who have seen Lloyd in his newer pictures have decided that he really has something on the ball that the producers failed to uncover until recently. We believe that you will like Blue, White and Perfect.

Mrs. Stina Cain and daughter, Carolyn, returned home Wednesday of last week from Amarillo where they were guests of their parents and grandparents, Mr. and Mrs. Ott Eckert and other relatives there for a couple of days.

for BABY CHICKS MEANS EVERYTHING

WHY YOU SHOULD FEED LAWRENCE'S All Mash Chick Starter

It is a complete feed—chicks need nothing else except water and grit. It is easily fed . . . saving time and labor over less efficient methods. It gives high value at low cost. Only 2 pounds feeds a baby chick the first 6 weeks. It supplies proteins, minerals, vitamins and other food values to nourish each chick completely. Its mineral content is up to full standard.

WHY NEEDLESS COST?

Why buy your feed where you pay retailer's profit, when you can get it at wholesale prices direct from the mill? Our feed is fresh ground, with full vitality and nutrition unimpaired by storage or delay before feeding. Visit our mill and see for yourself.

CUSTOM HATCHING

Bring your eggs (both turkey and hen eggs) on Thursday of each week. We are still accepting bookings for baby chicks for delivery until June 1. Book your chicks three weeks in advance and save \$1.00 per 100.

Mr. and Mrs. J. D. Swan and daughter, Shirley Mae and Helen Warren of Klamath, Ore., recently motored to Sheppard Field to see Joe Swan who has been sent there from Klamath Falls.

**"Smells like something cooking"**

IT'S NO FUN riding behind a car that is laying a smoke screen, enveloping you in clouds of evil-smelling fumes.

And it's no fun for the owner of the car which is doing the smoking. Every mile he drives is wasting his money and shortening the life of his motor. Any mechanic will tell him that he needs new rings or new pistons.

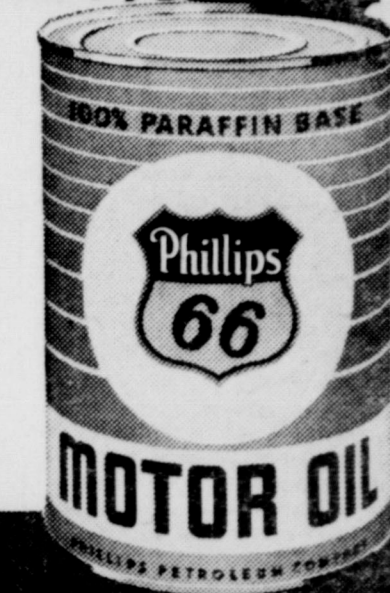

Chances are the trouble started long ago with imperfect motor lubrication. Good oil would definitely have lengthened the life of the motor.

That is more important than ever in these days of completely curtailed auto production. So keep the following facts always in mind, when deciding which oil to use:

If you want our best oil, you don't have to choose blindly from the many lubricants which Phillips makes, because we frankly point out that Phillips 66 Motor Oil is our finest quality... the highest grade and greatest value... among all the oils we offer.

Whether you are replacing winter-worn oil with fresh summer grade, or making the regular 1,000-mile change, be sure to ask for Phillips 66 Motor Oil.

**Home-Making Hints**

By MISS VERA MARTIN  
Home Supervisor, F. S. A.

**Take Care of Rubber**

Enemy No. 1 of household rubber is heat. The higher the temperature—the more quickly rubber gets weak, cracks, becomes sticky. Cold does not harm rubber.

Enemy No. 2 is light. Sunlight—because it combines the harmful action of light and heat—is hard on the kind of rubber used in most household articles—especially if the rubber is partly stretched when the sun hits it. Garden hose and other rubber goods made for use outdoors are made from compositions especially designed to resist sunlight.

Enemy No. 3 are oils and greases. Always remove all trace of oil or grease from rubber as soon as possible.

You can keep most rubber goods clean with water or with warm water and soap. You can use soap of any kind on articles made solely of rubber. But if you are washing a garment that is part rubber, part fabric, use a mild soap for the fabric's sake.

Wash sheet rubber or rubber-coated cloth by spreading the sheet, or apron, or raincoat, or whatever article you want to clean on a table or bench. Scrub with a soft brush with mild soap and warm water. Dry with a cloth or hang to dry.

Best place to store rubber is some place where it is cool and dark. The attic is usually the poorest spot—the basement the best. Other poor storage places for rubber are closets on a south wall—those near steam or hot water pipes—or those near hot air ducts.

Put rubber away clean and dry. If the spot in which you are storing the rubber is not dark, wrap the rubber in thick paper or put it in a covered box. Try to store the article in as natural a position as possible. If you must fold or crease it—dust the surfaces that come in contact with each other with talcum powder or cornstarch. Hot water bottles may be put away in the boxes in which they came. Boots and goloshes may be stuffed loosely with paper.

**Get the Good From Vegetables**

The biggest share of the vegetables you serve will be cooked. So learn to cook so you'll lose as little food value as possible. Here are some of the important things to remember.

Leave vegetables in nature's covering as long as you can—even during cooking. If it isn't practical to cook the vegetables in its jacket, make peelings as thin as possible. Don't cook the vegetables any longer than you have to. For instance, don't stew vegetables when some other method is practical.

Have water boiling when you put vegetables in to cook, use as little water as possible, and cook rapidly. Use the cooking water served on the vegetables, or in soups, sauces, and gravies. When you pour out this pot liquor you are wasting the very food values for which you grew or bought the vegetables in the first place. Never use the vitamin B-or vitamin C destroyer soda when you cook any vegetables.

Try not to stir vegetables while they are cooking. Never put them through a sieve while they are still hot. Air hastens the destruction of some vitamins.

Canned vegetables should also be cooked quickly as possible. And use all the juice that comes with the canned vegetables. Like pot liquor, it is full of unseen food values.

Cook frozen vegetables in the smallest possible amount of boiling water. Never let them thaw before

you drop them in the cooking water. You lose vitamins if you do.

Mr. and Mrs. Lawrence Lancaster, returned to Wheeler Saturday from Cement, Okla., where he has been employed for some time.

**CITATION BY PUBLICATION THE STATE OF TEXAS**

To B. A. White and J. B. White, if living, whose residences are unknown; and if not living, to the unknown heirs, legatees, executors, administrators and trustees of the said B. A. White and J. B. White, Greeting:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock a. m. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 27th day of April, A. D. 1942, at or before 10 o'clock a. m., before the Honorable District Court of Wheeler County, at the Court House in Wheeler, Texas.

Said Plaintiff's petition was filed on the 12th day of March, 1942. The file number of said suit being No. 3368. The names of the parties in said

suit are: D. E. Holt as plaintiff, and B. A. White and J. B. White, if living, and if not living, their unknown heirs, legatees, executors, administrators and trustees as defendants.

The nature of said suit being substantially as follows, to-wit:

Plaintiff sues and prays judgment for title and possession of the NE¼ of Sec. 3, Block A-4, H&GN RR. Co. surveys, Wheeler County, Texas, containing 160 acres of land, and in connection with his claim for said land alleges as follows:

1. Action in trespass to try title;
2. That the plaintiff has, claiming same under a deed duly registered, had peaceable, continuous and adverse possession of said land, cultivating, using and enjoying the same, and paying all taxes as same became due thereon for a period of more than five years after plaintiff's cause of action accrued and more than five years before the commencement of this suit.

Issued this the 12th day of March, 1942.

Given under my hand and seal of said Court, at office in Wheeler, Texas, this the 12th day of March, A. D. 1942.

(SEAL) ARTIE LEE HUNT, Clerk District Court, Wheeler County, Texas.

**ANSWERS to J. C. Wooldridge Co. True or False QUIZ**

1. ANSWER: (Statement is False) Always start at the bottom. If you start at the top the dirty water will run down over the unwashed portion of the walls, causing streaks which cannot be removed. When starting at the bottom it is true that dirty water may run down over the washed portion of the wall, but this will not cause streaks that cannot be removed.

2. ANSWER: (Statement is False). Soap and water is not a solvent for wax. A good solvent such as turpentine or benzine should be used.

3. ANSWER: (Statement is False). This is not good painting practice because the priming coat will attain a degree of hardness that will not allow proper adhesion of the finishing coat when applied. Peeling is very probable under such procedure. The priming coat of a paint such as Lincoln's House Paint, should be allowed to dry not less than three or more than ten days before applying the finishing coat.

4. ANSWER: (Statement is False). This is an indication that the surface wasn't clean and free from oil or grease before paint was applied and would have nothing to do with the thinning of the paint. On the portion of a screen door frame where the hand is used to open the door, a considerable deposit of body grease accumulates over a period of time. If this is not thoroughly cleaned the paint applied will remain tacky.

5. ANSWER: (Statement is True). Light colors are receding colors and rooms painted with light colors will appear larger than they actually are.

**CLEAN-UP AND PAINT-UP QUIZ QUESTIONS**

(TRUE or FALSE)

1. **Statement:** When washing painted walls always start at the top.
2. **Statement:** A good scrubbing with soap and water will clean a waxed surface thoroughly enough to varnish.
3. **Statement:** For best results, give a house a priming coat in the Fall.
4. **Statement:** If the paint on a screen door frame remains tacky (sticky) in spots it is an indication of improper thinning of the paint.
5. **Statement:** A light wall color tends to increase the apparent size of a room.

Before painting try answering these questions. For the answers, see opposite this page.

**HISTORY OF LOCAL 4-H WORK**  
By J. L. Tarter, County Agent

Boys' 4-H Club work began in Wheeler County in 1931 with seven boys with 188 enrolled during the year. One hundred used pigs, 70 used crops, and 18 used poultry. One hundred and sixty-one finished the year's work with a profit over all projects of \$8,920. The year of 1931 being very successful caused others to want to get in and work and 1932 there was 202 boys enrolled in 4-H Club work with a profit of only \$3,212 for the 176 finishing the year's work as prices for both crops and livestock was so low that they had a hard time paying expenses. Three boys made the gold star list out of 100 boys in the state.

There were 283 boys enrolled in 1933. They were somewhat encouraged because of awards put up because of good work and there were 271 finishing the year's work with a profit of \$11,966 due to the fact that cotton was plowed up that year and cotton prices advanced. We had five gold star boys out of a list of 100 in the state.

The year 1934 was the worst year for boy's clubs, the drouth curtailed production of feeds to the extent that their livestock suffered as there was no feed available for purchase even though they had had the money with which to purchase feed. So, profits were lower according to the amount of production of any other year. Profits of all boys being a total of \$1,993 and in the meantime AAA took a lot of time to the extent that the boys were not given the attention they should have had. Six boys made the gold star list out of 100 in the state.

In 1935 there were 351 boys enrolled with 267 finishing the year's work with the most pleasant year we had up to that time making good crops and enjoying good profits from livestock with a total profit of \$11,990 for the group of boys. There were five making the gold star list out of 100 in the state. In November an assistant county agent employed in the person of John Wenmohs which added lots of interest and much success to the 4-H club movement in the county because of the fact he was able to devote the necessary time to the work.

Wenmohs served through the year 1936 with 344 boys enrolled at that time. Another drouth was experienced and only 271 boys finished the year's work with a net profit of \$5,982 with five boys making the gold star list.

In the fall of 1936 Wenmohs was transferred to the AAA and Mr. Goule came to the county, and in 1937 there were 303 boys enrolled with 282 finishing the work and 7 boys making the gold star list. The boys majored mainly in animal hus-

bandry and during that year won the state livestock judging contest. The boys made a net profit in 1937 of \$12,880.

In 1938 we had 323 boys enrolled with the highest number finishing of any year with 302 and with a profit of \$8,820. During the past such few counties were getting all the gold stars and a rule was passed that no county could get more than one. We would have had seven in the county if it had not been for this rule, but had only one. Wheeler county won a \$500 premium with the West Texas Chamber of Commerce. During this year the 4-H club boys with the assistance of our local leaders did a great amount of soil-conservation work.

In 1939 there were 392 boys enrolled with a profit of \$7,980 and with one gold star boy and one trip to the national encampment at Chicago.

In 1940 there were 311 enrolled with 282 finishing the year's work with a profit of \$7,800 profit and one gold star boy.

In 1941 there were 320 boys enrolled with 302 finishing the year's work with a profit of \$12,995 and one gold star boy and one gold medal being won and the most profitable year we had had. During these ten years we have had much experience with boys and they have grown and are very successful farmers as they learned different lines of agriculture by carrying out these lines in their club work.

Texas 4-H Club work is on a wartime basis. The 75,000 club boys and girls in the state, like the one and a half million 4-H members in the United States, are finding their organization and their training helpful in this time of national emergency.

Food production has always been a major activity of 4-H Club members, and now, with the USDA War Board calling for increased food supplies, the members are using their 1941 projects as a springboard for even larger production.

On the home front, Texas 4-H girls were busy protecting the health of their families. They planned meals in accordance with the Texas Food Standard and before that, they produced much of the food to make up these meals.

Collection of farm scrap iron, scarce metals and waste paper will be continued through the organization, while reports from the 2,010 4-H girls' and 1,971 boys' clubs indicate that purchases of Victory bonds and stamps are being made in such volume as to suggest that many boys and girls are giving up pleasure and recreational activities.

Donald and Eugene Levitt of Allison are spending the week at the home of their grandparents, Mr. and Mrs. Charles Bradstreet.

Marvin Hefley of Camp Roberts, Calif., arrived Tuesday to visit his parents, Mr. and Mrs. J. L. Hefley of Briscoe.

Bernice Sorensen is visiting with his parents, Mr. and Mrs. W. A. Sorensen on his way to San Diego, Calif., where he will be employed in an airplane assembly plant.

**Texas Farmers Sign Insurance Applications**

Nearly 50,000 Texas cotton farmers will make a cotton crop this fall, according to Donald L. Cothran, state crop insurance supervisor.

Already, 25,639 all-risk cotton insurance applications for 34,300 cotton farms have been received in the state AAA office of which approximately 27,000 have been sent to the regional Federal Crop Insurance Corporation office, Dallas, for approval.

Fourth and final closing date in Texas is March 31 in the north and northwest sections with the total number of applications for the state expected to reach the 50,000 mark. Other closing dates were January 31, for four Rio Grande valley counties, March 2 and March 16, in other counties of Texas where planting time is later, Cothran explained.

Every person who has or expects to have an interest in a 1942 crop is eligible for cotton crop insurance provided applications are signed before closing date or planting time, whichever date is earlier, the insurance supervisor explained.

Either 50 or 75 percent of the average yield may be insured against losses caused by unavoidable hazards such as boll weevils and other cotton insects, frost, wind, rain, hail, drouth and plant diseases.

Farmers who take insurance may pay cash or sign a commodity note, which is a part of the application, and provides payment will be made in the fall, either in cash or cotton of the same staple length insured. Premiums also may be deducted from indemnity payments, if losses are paid, cotton loans, if available, or 1942 AAA payments.

**APRIL BLUE STAMP FOOD LIST TO REMAIN THE SAME**

Participants of the Department of Agriculture's food stamp program will be able to purchase the same Blue Stamp Foods during April as they did in March Wynn S. Goode, area supervisor, Agricultural Marketing Administration, Distribution Branch, said today.

The complete list of blue stamp foods, as issued by the Agricultural Marketing Administration for the period of April 1 through April 30 in all stamp program areas, is as follows: butter, shell eggs, fresh grapefruit, pears, apples, oranges, and fresh vegetables (including potatoes), corn meal, dried prunes, hominy (corn) grits, dry edible beans, wheat flour, enriched wheat flour, self-rising flour, enriched self-rising flour, and whole wheat (graham) flour.

Wynn S. Goode, commenting on the various programs of the AMA, said the agency is materially helping farmers of this area and the entire nation, by creating and maintaining local and national food markets which assure him a fair return on his investment for food and fiber grown under the Food for Freedom program. AMA buys all food for Lend-Lease, Red Cross, School Lunch and Direct Distribution. Distribution of food to needy school children and American families who do not have an adequate diet is serving the dual purpose of helping the American farmer and building a stronger, healthier nation, he said.

Noah Geyer spent Saturday night and Sunday in the home of Mr. and Mrs. Zack Miller in the Myrtle community.

Mr. and Mrs. W. M. Sanders and Mr. and Mrs. Clarence Anglin were in Pampa and Lefors Tuesday, attending to business and visiting relatives.
