## CWE CHAT WITH EDITOR

By Louis C. Stas  
The past week has been spent 'digging out'. As I wrote the column last week, we had an accumulation of 4" of snow and more was falling. The total measurement was 8". Fortunately the wind did not blow and there was no drifting of the 'dry powder'—moisture received was 0.76 inches. School was dismissed early Wednesday and 'called off' Thursday.

A number of people are in line for "Thank You's". Those with backhoes, graders, front-end loaders and other snow removal instruments were at work. Some good samaritans graded several of the residential streets and helped to make them passable. Kenneth Childress made it to the middle of our parking area removing the snow in front of Christian Academy. And, in addition to clearing the streets Frank Clymer and Wesley Bradstreet, city employees, were out Tuesday loading the large piles of snow on the square and hauling the snow "closer to the creek" to melt and improve visibility. Gena Mendiola called to have us "Thank" the individual responsible for the shoveling of their drive. Zola Chapman extends a "Thank You" to the individual or individuals responsible for the shoveling of her drive.

And, yes Lee we did stay home this weekend; difficult as it is for you to believe.

Inez Mercer is back at work at Thriftway after a 2-month "rest" while her broken foot mended. Her first day back was Tuesday and her comments were: "You don't know how good you guys look. All the walls in my house are slick from my having climbed them." Good to have you back Inez.

O.L. Rankin took a fall during one of our snows. He said he wasn't hurt, because he was lucky enough to have hit his head first.

The Wheeler Ambulance Service published their annual report last week and from the way the year is starting out, we intend to have more runs this year. We made four 'night time' runs Thursday through Saturday—two Amarillo transfers. (This is only the runs I have made.) We are indeed grateful to Gary Davis and K. D. Ford for their help with the "run" to Kelton. The men accompanied us in a 4-wheel drive and then helped with the loading of the patient. You are appreciated.

It was 'party time' Saturday evening for the 'Times Crew'; we had our 'Christmas party', which we couldn't find a time for earlier. All twenty-three of us had a great time at the Coin and Copper Room of the First National Bank in Wheeler. I will stop here and assume the affair will be covered more completely in "Here and There".

Kenneth Nelson reported an unusual sighting on Sunday. A big flock of geese was seen flying south Sunday afternoon. If this was a forecast of the forthcoming winter, we had better 'watch out'. Does anyone have any forecasts based on this event?

James 3-17 & 18:  
But the wisdom that is from above is first pure, then peaceable, gentle, and easy to be entreated, full of mercy and good fruits, without partiality, and without hypocrisy.  
And the fruit of righteousness is sown in peace of them that make peace.  
We have still got a lot of snow in our little part of the world. It just doesn't warm up long enough in the day for any of it to melt. The sunshine last Sunday afternoon sure was nice.  
Sure appreciate Eddie Walker and his little snow moving tractor. He came Thursday evening and moved the snow out of my drive. It would have taken me a long time to have moved that much snow with a shovel. Would have probably had another snow before I got it all moved out. I am sure there was some other widow women that appreciated him cleaning the snow from their driveways too. He

got Wilma Gilmer's, Doris Newsom's, Ruby Craig and Bessie Giddens that I know about, and also moved the snow off of the parking lot at the United Penecostal Church. Thank you so much Eddie for all your good deeds.  
I need to make a correction on Wilma's visitors, a week ago last Sunday, Jan. 3rd, Little Ryan Farmer the son of Calvin and Lisa from Pampa, his name was left out by mistake for some reason on the list of visitors but he was there, sorry about that.  
Wilma's visitors for Sunday dinner this past Sunday was Rhonda McWhorter, Tanner and Tyler and Ruby Craig.  
Garland and Charlene Dukes and children got moved into their new home on Christmas eve.

Bruce Harrison had surgery last Friday, Jan. 8th, and is doing very well. Hoping to come home today (Monday).

Shot Childress from the ranch and Barbara Rodgers from Pampa visited Jake and May Bell Childress last Sunday.

Bill and Kay Donaldson are the proud grandparents of a new little granddaughter. She was born at Amarillo on Dec. 21st. Her name is Ashley A'Lyn. She weighed 7 lbs. 9 ozs., was 20 inches long. Red and Anna Dukes went to Paradise, Texas last Monday, Jan. 4th to attend a wedding shower for a grandson Joe Richardson and his fiance Tamera Bennett. It was held at the home of Jim and Shirley Pewitt. Red and Anna on their way home came through Ryan, Oklahoma and attended the funeral of a aunt of Anna's. Then on to Clinton, Oklahoma and spent Thursday night with Vernon and Edith Hall and come on home Friday. Anna said Allison sure looks good to them. They travel some very bad highways in Oklahoma.  
Last Sunday Clyde and Minnie Bell Vinson was dinner guest at Red and Anna's.  
Red and Anna want to say a big "Thank You" to Eddie Walker for moving the snow from their drive way and also from the Church of Christ parking lot.

Those there to help him celebrate was Jeanette and Nathan Rainey, Les and Shrona Seamster, Mike and Teresa Dyer, Danette, Scott and Amber and Hiram and Darendra Begert and Bret. Keith and Ann Boydston, Natalie and Jessica, gave Jeanie Gilmer a birthday dinner last Saturday at their home. Margaret Gilmer helped with bringing some of the food. Others besides the host and hostess were Pete and Margaret Gilmer, Becky and Jeanie Gilmer and Linda Ingersoll and Andrew all from Amarillo.

Edith Donaldson and Doris Newsom went to Sayre, Okla. last Monday, Jan. 4th to the doctor and did some shopping while there.  
Allen and Sheryl Lane, Laurie and Jimmy Allen went to Elk City last Sunday and did some shopping. Wanda Love, Sheryl's sister had knee surgery last Thursday at Lubbock and is doing okay.

## Briscoe News

By Vetola Parker

Wednesday morning January 6, the school was closed at Briscoe this morning. Looks like we have 6 inches piled up on a ladder out south of our house, snow on top of snow. This you seldom see and rain on top of snow. Like we had before Christmas, you sure seldom see. At 8 a.m. it is still coming down, it's fine. I can see way south west out in the field a half of a mile.

Heard on TV last night it was costing U.S.A. 20 million dollars a day to keep their ships in the Persian Gulf, 18 in Gulf, ships now.

11 degrees in Amarillo this morning Wednesday at 8 a.m.

10 thousand have identification dot placed on their tooth. A good way to find children, missing ones.

If we could only forget our troubles as easily as we forget our blessings.

Thursday morning 7 a.m. I don't think we got snow or much last night but it snowed all day yesterday, Wednesday. It really piled up I would say a foot. No school at Briscoe today, road grader ran yesterday morning.

## Ain't It The Truth

By Ab Gunter

WHEELER MUSTANGS win State so the papers say. That is determination and deluxe at that. Who would think a small town like Wheeler would have such a team. Apparently a heck of a lot of fans believed it. We have told folks about the Mustangs here at the Store and when I get our issue of the News I will hang it down there and let folks see what we got at Wheeler, Texas.

Many of the young Men I wouldn't know but have known your Fathers, Grandfathers and maybe your Great Grandfathers and Grandmothers and you will have to excuse us for this failing. I remember that I had come home from World War 2 and my Mother had sent me down to Mr. Adams Grocery about where the laundry is. Mama wanted a few things and told me to ask Mr. Adams to put it on her bill. I told Mr. Adams this and he looked at me and said son who are you? I nearly cried, I had known the Adams Family all my life, had eaten at their table and Winona was my teacher and Carol and Bonnie were bout my age. Mr. Adams didn't know me and I had given up nearly six years of my life for my Country. Couldn't believe it. You know what, now I can believe it as I am now bout the age Mr. Adams was then and my memory has done jumped up and run off, if you think I'm kiddin just ask Mr. Harrison Hall er maybe Hiram Whitener er them Roy Coy Bradstreets. Yep a fellers memory can be a bit tricky when a few gray hairs start showing up. So if you see me one of these days and I don't member that you had won the; State Championship, don't think hard of me cause time has a way of playing havoc with things but we are thrilled that you kids, all of you are the State Champs. Wish we could have seen all the games, we enjoyed reading of them.

Love to all,  
 Ab and Benita

## Care Center Comments

By Lois  
 I'm sure it would be O.K. with everyone at the Care Center if all this pretty white stuff would just melt away for a few days. For everyone from staff to delivery trucks it presents problems. Just a short break would be most welcome.

On Monday morning Rev. and Mrs. Robert Helsley came to teach our Bible Study class. Mildred Porter is on vacation, so Robert and Pat have been filling in for her. We have enjoyed having them.

Monday afternoon I took Dewey and Lorena Adams, Irma Wiebe, and Reda Turner to the doctor for a check-up. We hope we made progress.

Monday night the Shamrock singers came to sing for the residents. They always enjoy them so. Thank you folks.

Tuesday morning Mr. and Mrs. Hyatt held their Family Alter service. It is always very nice to be a part of. I held exercise class after the service in the dining room. You might say I had a captive audience. Our activity room was being borrowed so we held class in the dining room.

Mrs. Hyatt stayed all afternoon and helped take down Christmas Decorations. The Auxiliary Ladies haven't been able to come because of all the ice and snow. You laides just take care we don't want anyone falling on the ice, just come see us when you can.

Wednesday Donna and Icyl helped

Talked to Mary Hudson Saturday. She was staying in, could not get our for ice and snow. Ray got her mail and groceries.

Mable and Claude are doing fair. Bea Ogle said she is going over there in day time and Dorothy is staying all time.

Rebecca Blackburn visited last Monday with a friend Robby Andes in Wheeler. They shopped in Wheeler Friday and visited her sister Bessie Scales.

Pat and Amanda Childress stayed in Wheeler all week. So Pat could get to her work and Amanda to school.

Briscoe played Allison last night Mrs. Reynolds said, she said Briscoe beat both games Friday night. Tonight they are to play Kelton there are some games they missed last week.

Janice Stephens fell on the ice was unconscious. But she was able to be out to the ballgame Friday night.

Talked Willene Waters, Roy got out to mail box, the lady mail carrier from Pampa got stuck there on road north of Waters. Pat called them she stayed in town close to her job. Jeffrey called, he was in Santa Fe, N.M.. It was pretty there and raining.

Sunday afternoon Terry Daughtry, Dewayne and Darrel Mathis from Liberal came down to hunt, I don't see how they did, with snow up to their knees.

Monday morning wind flew out South all night, everything is frosted over a big frost on the pickup, and is collecting on the trees. Hope the electricity lines don't break.

Clarence and Irene Zybach go to their mailbox Sunday morning going to church. Their car slid around so they went back home. Don't blame them could slid in ditch.

Clarence and Irene went to R.L. and Rozena Zybach's Sunday afternoon to help celebrate Shane Goads birthday. Others there were Mike and Melody Goad, Shane, Travis and Ja'Nae, Mac and Gaye Purcell, Lori, Joshua, April, Royce and Deedy and Julia Zybach.

Briscoe was saddened by the death of Ardell George passing away Saturday in Abraham Rest Home. Her funeral is tomorrow, Tuesday, at 2 p.m. in Church of Christ, Canadian. She will be buried in Wheeler Cemetery. Our sympathy goes out to Eddie George and family, Ruby Zybach and family and all the relatives and friends. It is such bad weather for a funeral.

Doc Wilhelm went to church Sunday, got back South of Cliff Walkers his pickup quit on him. W.D. Mitchell came along, took him home. He got his tractor was pulling it home. Cliff and Dorothy was following behind a wheel fell off his pickup. So pickup is over on hi-way south of Cliff and Dorothy. He needs feed ground for his hogs today, etc. This is bad weather for to get out and do anything.

Doc had 22 degrees this Monday morning.

Essie Finsterwald and boys got to church Sunday. But they did not have any last night Sunday night.

Addie Swift had for dinner guest Sunday. Shawn Hunt, Dancy Dukes, Susie Luttrell.

Visitors in the K.D. and Lou Dean Douthit home this past week were Bob and Deb Kinnaman and family.

or should I say handled Bingo all by themselves. Gail and I had to work in the laundry and let Barbara Williams and Barbera Lewis get back to their housekeeping. We were all trying to keep the laundry caught up for Ruth since Norma couldn't make it to work because of the snow. I think we all pulled together pretty good.

Thursday morning when I got to work I found four beds in the Sun Room. Marie Fulks said it was just like a dormitory. It seems some of our nurses spent the night, from what I've heard they had a real slumber party. You should have seen all the empty potato chip bags and coke cans. I'll bet the residents didn't get any sleep. Let's don't make a habit of this. O.K. Ha! Ha! Really, thank you girls for staying over and working again.

We would also like to give a special Thank You to Jimmy Adams for grading the snow off the parking lot and making it a little easier for us to get to work and Jon Sullivan who delivered some of our staff to work. We are most grateful to both of you and anyone else who helped out at the Care Center.

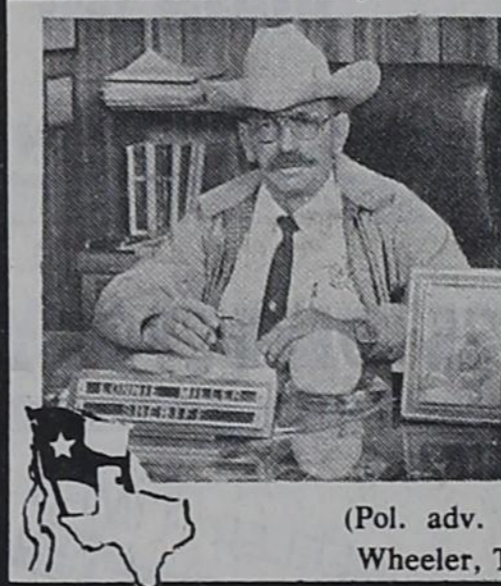

We held a staff meeting on Thursday and Gail read our written report from state, it stated "Excellent care is being provided throughout the facility." I think everyone should be commended.

Ralph Hill celebrated his birthday on the 9th and Toy Cox celebrated hers on the 10th. Happy Birthday to both of you.

Until Next Week!

**JERUSALEM**  
Events are adding up to start World War 3. The dangerous Persian Gulf, and tensions are building up in Jerusalem and the nation of Israel between the Jewish people and the Palestinians and all the Abab nations, and to make things worse in the near future the Pope has made a Roman Catholic to be the bishop of Jerusalem. This bishop and his flock in and around Jerusalem will support the Pope and the soon coming world dictator during World War 3 and will be deadly enemies of the Jewish people all over the world and also a time of trouble for the church. In Luke Chapter 21 verse 35 Christ speaking of the last World War that would end with his second coming said that it would come as a snare to all that dwell on the face of the whole earth so better be watching Jerusalem, much of what happens in the nation of Israel during World War 3 will happen here in America, a lot of Jewish people in America.

Bo Keys 25, brother to Patty Shields, Teresa Powledge, Cindy Grayson and Dean Keys had some spells with his heart and is in the hospital at Cheyenne, OK. for tests. Pray for him.

Nice to see Janet Stevens out to the ball games looking "good as new" and feeling better. Big crowds out to the ballgames Friday and Saturday nights. Everyone glad to get out and visit and watch.

There was a pipe came loose at Gageby Church under the kitchen sink and flooded part of the church. Rev. Laverty was able to use his carpet cleaning machine to suck up nearly 90 gallons of water and carpets had to be taken up. The water was not discovered till Saturday afternoon so we were unable to have church at Gageby Sunday.

Willis and I enjoyed going to the Assembly of God church in Briscoe Sunday and worshipping with our friends there. Rev. Gene Russell preached challenging sermons and lots of good singing.

Ronnie and Sue Wheeler and Tina, Rheann and Leesa visited the Lee Browns family in White Deer last Sunday. Rheann visited Jamie Trimble Sunday.

Kenneth and Peggy Chandler have had lots of visitors at the hospital, especially relatives. Some I remember are Mr. and Mrs. D.C. Chandler, Jack Chandler, Jennie and Ed Walker, Eddie and Wanda Walker.

Good to see Eldon Van Hooser out to the ballgames Monday night. He is visiting the Tim Bennetts and friends until college starts at Clarendon about the 18th.

We had a big crowd at Briscoe Monday night to watch Wheeler play Briscoe. Most of Briscoe and Wheeler people plus all of the Kelton and Allison basketball teams and many adults. Briscoe girls got beat about 36 to 66 by a very rough, aggressive Wheeler team, but also very good. In boys play it was a very close game with Briscoe winning about 56 to 53. Our boys were hitting really good.

Leesa Watson visited the Cecil Reynolds family Sunday afternoon. Tonya Gilmer and Darren Hefley will be going back to W.T. soon. Lisa Hickman plans to return to Clarendon College. Hope all do well.

**BRISCOE—WHEELER JR. HI. GAME**

The Briscoe Jr. High went to Wheeler to play the Wheeler Colts last Monday night. These two games were exactly very close through the games. The Briscoe Jr. High girls were on their best ever team hustle. The Wheeler girls were ahead through most of the game. At the half Briscoe led by 1 point, 8 to 9, Briscoe's favor. Briscoe came out playing hot, till the last few minutes in the game, as Wheeler took the lead for good and won, 23-15. Lead scorers for Briscoe were amy Van Vranken, Lindsey Fillingim, and Nikki Scott.

The boys game was hot all the way to the end!!! Briscoe led throughout this contest. At the half Briscoe led by

a few points. Both teams came out the second half just as the first half went but much faster. In the last quarter, Wheeler started to take the lead, but Briscoe came right back as Dallas Fillingim hit a three-pointer to bring Briscoe right back into game. With thirty seconds left, Briscoe took a time out, soon after a foul had been called. Dallas Fillingim shot the free-throws, he made 1-2 to bring Briscoe closer to winning. Wheeler led 44-43 with fifteen seconds left in the ball game. Shortly after a time out, Fillingim through an intentional foul, then Wheeler shot and their free throws went in. The score then was 46-43, Wheeler's favor. With ten seconds left, Wheeler got the ball, and kept it till time ran out. Wheeler won 46-43 in final seconds. High scorers for Briscoe were Dallas Fillingim, Danny Nelson.

Briscoe would like to play Wheeler in the Kelton Tourney just to have another hot game.

**Here & There**

By Laura Guthrie

Well, this weather is keeping a lot of us in. Wouldn't be surprised at a few cases of cabin fever. But so far I'm doing fine. Believe it or not I went to a dinner party Saturday night. It was informal and we wore our boots and jeans, but we had a great time. I'm speaking of the Times Annual Party. I was so fortunate, because the Editor drove up to my door with his coach-and-six and escorted me right into his front-wheel-drive. For our benefit (am I being egotistical) the parking lot at the bank was cleared of snow. When time came to come home the gallant, strong man, Jimmy Adams practically carried me to the car. I didn't have a glass slipper but if we had been 15 minutes later I would have had to fashion one out of ice - which was plentiful.

After a big dinner of delicious food, we played 42, Skipbo and Pictionary and had lots of fun. Those attending were Ed and Patricia Forrester, Jane and Delbert Thomas, Kathleen and Mark Frankenbery, Kenneth and Francis Nelson, Ramona, Ginger, Jason and Mark, Jimmy and Marie Adams, Stacy, Stephanie and Jason, Monty Kinnard, Mechelle Coate, Jennifer Stas, myself, and the hosts Barbara and Louis Stas. Thanks everybody for a wonderful evening.

This weather has delayed or canceled a lot of travel. Lavelle Stephens had a trip planned to California. First it was delayed by a stay in the hospital. Then we had snow! If she doesn't get to go soon she will just wait and go in the spring. Now would be a good time for "sunny" Calif. I made a 3 day June trip to Los Angeles one time and didn't see the sun. It was too cold to go to the Beach, oh, well. All states have unusual weather sometimes.

Roy and Dana Devers and wee son Ryan Curtis of Canadian visited with us on Monday night. Dana's mother, Mrs. Warren was demonstrating Tupperware here in town.

Something I read the other day is worth a thought: "Fret not at small beginnings. The oak began as an acorn. The massive oil industry began with a little shallow well. A cent is a beginning of a dollar—ninety-nine more to go; it's little and cheap, but is very religious—goes to church oftener than the dollar."

Amy, graduated from Mobeetie High School, and is currently attending Southwestern Oklahoma State University in Weatherford, OK.
