THE COUNTY SEAT NEWSPAPER

Wheeler County War Loan Drive Declared Success

Net purchases (not maturity values) amounted to \$223,620.75 in Wheeler county during the Second War Loan Drive, Jack Montgomery of Shamrock, chairman of the U. S. Treasury Victory Fund committee, and R. J. Holt of Wheeler, county chairman of War Bond sales, announced yesterday. The drive began April 12 and ended last Saturday. The quota for this county was \$210,000. It has not been learned whether the quota was based on maturity values of the bonds or on net purchase cost. The maturity value of total purchases amounted to some \$275,000, the exact amount of the maturity values depending on the bond series.

Amount of bonds purchased in the Shamrock area amounted to \$141,310.25; Mobeetie, \$27,025.00 and Wheeler, \$55,285.50.

Montgomery and Holt expressed their appreciation to all persons who have purchased bonds during the special drive and to committee members who worked tirelessly making the campaign a success.

Times Readers Asked To Check Name, Address And Expiration Date

With many new subscribers being added to the already big family of Times readers and the frequency of change of address of a large number of readers, both new and old, the editor asks that each reader check his address, name, initials, and expiration date and let the editor know if there is any error. The Times enjoys one of the largest paid up circulations of any paper in a town of this size anywhere in the country and naturally is anxious to avoid all errors possible. It was recently brought to the attention of the editor that he had listed a deceased person in a group of renewals. This was because the family had renewed the paper but a failure in changing the address to some other member of the family resulted. Instances like this could be corrected upon proper notification.

The editor gratefully acknowledges several additional subscriptions since last Thursday. They are: T. J. Cole, Wheeler; R. H. Hutchison, Mobeetie; J. P. Keeton, Mobeetie; A-c Jim Creekmore, Santa Anna, Calif.

J. B. Johnston, Wheeler; Dr. Glen Walker, Wheeler; E. J. Morgan, Mobeetie; J. H. Scribner, Mobeetie; H. Briley, Twitty; Canadian Valley Production Assn., Canadian; H. R. Prater, Mobeetie; C. W. Hampton, Wheeler; J. M. Herring, Wheeler; A. J. Brown, Paso Robles, Calif.

Jury To Be Called For Possible Service

With one divorce granted and a few other minor matters attended to, Judge W. R. Ewing reports that this week, the fourth of a seven week's term of district court, has been very quiet. No men were called for petit jury service this week but next week's session which is scheduled to include two jury-civil cases and one criminal case, will require a panel.

The criminal case involves a Shamrock negro woman, Louise Simmons, who is indicted for murder without malice in connection with the death of another Shamrock negro in Shamrock July 16, 1942.

Men who will be called for possible jury service are:

FIFTH WEEK—Roy Berten, H. F. Leake, Richard Harvey, D. C. Wood, R. D. Midgley, Herschel Glass, B. F. Kersh, O. C. Haggard, Shamrock; Sam Begert, Glenn Elmore, Ray Brown, M. Ball, Mason Hassell, Allison; W. L. Williams, George Lamb, Levi Reid, Floyd Pennington, Domer Reed, Ernest Dyer, Jess Moore, Otis Ford, A. B. Pond, Reed Stone, T. J. Cole, C. A. Worley, C. O. Killingsworth, Clifford Mason, Gordon Roper, Wheeler; H. L. Trimble, Clarence Smith, A. D. Alexander, Fay Bearden, L. V. Sivage, J. L. Smith, Jim Bradley, O. T. Churchman, Richard Lancaster, Mobeetie; F. J. Bailey, McLean; J. E. Clay and J. M. Jeter, Twitty.

Ruth Mae Conner of Lubbock visited in Wheeler the first of the week, with her parents, Mr. and Mrs. J. A. Conner, and her sister Iris and brother, Sgt. Norville T. Conner.

T-SGT. GRADY W. ANGLIN, son of Mr. and Mrs. J. T. Anglin, who was killed in action April 15th, 1943, "somewhere on the North American continent."

The telegram received by T-Sgt. Anglin's wife on April 20th was confirmed by letter, a few days later. No further information regarding his death has been received by his parents to date.

Memorial services for T-Sgt. Anglin were held at the Baptist Church in Wheeler, Wednesday afternoon at 2 p. m. on April 21.

City Announces Summer Water Rate

Mayor R. H. Forrester announces this week that the city council has attempted to obtain lower rates for Victory gardens, but their proposition has been refused by the Reconstruction Finance Corporation. The local water system was built and revenue bonds are held by the RFC and the city's contract with them will not allow a reduction in water rates beyond their limits.

There is, however, a summer rate now in effect and those using several thousands of gallons of water monthly may gain considerable saving over the old rate.

Until September 20, users may take advantage of a flat rate of \$3.00 for the first 7,000 gallons of water used and all over this amount at a rate of 20c per 1,000.

Regular rates in effect are 3,000 gallons for \$2.00, next 2,000 gallons for 40c per thousand and 25c per thousand for all above 6,000 gallons used.

Those desiring to take advantage of the summer rate are asked to contact the city secretary or water superintendent.

Notes From The County Agents Office

—Jake Tarter, County Agent—

One should use poisons according to insects or parasites they are trying to eradicate, so the following precautions should be observed:

1. Always use soap or some other activator with nicotine sulphate spray.
2. Use a good grade of hydrated lime with nicotine sulphate when used as a dust.
3. Nicotine sulphate dusts are more effective if applied on wet, dry, still days. Never use on wet plants.
4. Rotenone dusts are more effective if applied when plants are moist.
5. Pyrethrum or Pyrocyde dust should be applied in late afternoon. They deteriorate too fast in the sunlight.
6. Poison baits should be put out early in the morning or late afternoon in flakes and not in lumps.
7. Never use sulphur or any sulphur mixture on cucurbits such as squash, cucumbers, melons, etc.
8. Never use lime with Cryolite or rotenone, or combine cryolite or rotenone with any other insecticide that has lime in it.
9. To remove arsenical residue from fruits and vegetables wash in acid solution. To remove fluorine residue wash in alkaline solution.
10. Never use lead arsenate or any other arsenical on stoney fruit such as pecan, plum, etc., without adding lime.
11. Never apply dormant spray just before a freeze.
12. Three teaspoonful equal 1 table-spoonful; two table-spoonful equal 1 fluid ounce.

Through April 10, the Commodity Credit Corporation had made 1,564,972 loans on 2,979,003 bales of the 1942 cotton crop, it was announced by the Department of Agriculture.

A lot of people have built brooder houses, but have not made room for chicks in poultry houses, they will grow up. As soon as chicks out grow their brooder houses, they will begin to die back to fit the room, so provide room for hens when they are grown.

Times Wantads—5c a line.

Farmers To Help Each Other With Crop Pre-Measurement Program

V. B. Hardcastle, local administrative officer of the Agricultural Conservation Association, announced this week that the pre-measurement program is getting under way over the county and advises how and why this new system of measuring crop acreage is being adopted.

In the past years farmers have been responsible for planting their crops within the allotment and the crop lands measured later in the year. There was a probability of the farmer being either under planted or over planted and had to plow up certain crops. This year the ACA is trying to get the correct acreage before crops are planted. Farmers won't be allowed to plow up cotton as in previous years after it is checked by the reporter.

Due to the need for conserving travel and manpower and to insure that farmers will receive proper credit for acreages planted to various crops and credit for production practices carried out in 1943, the responsibility of reporting performance this year is being placed on the farm operator. All farm operators in the county are being requested to report the performance on their farms.

If one has planted his crop and desires to make measurement before attending a scheduled meeting in his community it will not be necessary for him to make measurements of permanent fields when planted to only one crop.

Where only a part of a permanent field is planted to a crop, of which must be measured, it will be necessary that measurements be made of the length and width of the plot planted to such crop. If the plot extends of the entire length of the field it will not be necessary to measure the length but measurements should be made at both ends of the plot. If the plot is not located in one of the corners of the field, an additional measurement must be made to the nearest corner of the field in order that the plot may be properly located on the office map.

Measurements may be reported in feet, yards, or chains (66 feet.) Farmers are asked to make their measurements as accurate as possible since the measurements on each farm are subject to a spot check. It will be permissible to secure the assistance of one's neighbors in making the measurements; however, the turning in of accurate measurements is the farmer's individual responsibility. After necessary measurements have been made and estimates obtained, farmers are asked to attend one of the seven meetings to be held over the county and will be expected to attend the meeting in his community. Schedule for the meetings is as follows:

Bethel, May 10; Mobeetie, May 11 and 12; Briscoe, May 13; Kelton, May 14 and 15; Allison, May 17; Twitty, May 18; Wheeler, May 19 and 20.

Maps of farms and all other necessary material will be available to assist in determining acreages one intends to plant in different crops. It will be necessary that one have in mind what crops he is going to plant and where he is going to plant them. If one then follows the plans as set out, the acreages will be frozen and no changes in acreages will be made. Farmers will be given a copy of their farms at these meetings as a guide to assist them in determining acreages of different crops that they intend to plant.

Singing At Davis School House Sunday Evening

There will be another old time singing convention held at the Davis school house next Sunday evening. The community is also planning a Mother's Day program. All are invited.

EDWARD CLEPPER HELPS NTSTC WIN CONFERENCE

Denton, Texas, May 5—Edward Clepper of Briscoe had a share in the point-making when the North Texas State Teachers College Eagles recently garnered 92½ points to take first place in the 12th annual Lone Star conference track and field meet.

Placing in the pole-vault and high jump by tying for second in the pole-vault and tying for third in the high jump, Clepper contributed 4 points to put a bright finish on the '43 season with the Denton tracksters. Clepper was with the Eagle squad in their highly successful 1943 schedule, which saw the North Texans take first in the conference meet, first in three dual meets, second in the Texas Relays, and sixth in the early-season Laredo Border Olympics.

Clepper, a freshman student at the Denton school is the son of P. A. Clepper of Mobeetie, Texas.

MY MOM

—BY FLORENCE MERRIMAN—

Her life has not been like the scented rose That requires long hours of care, In a garden that's well protected Before it will blossom there.

Oh, no, she was the cactus That sought out the barren place And grew to rest a traveler's eye, Who marveled at her grace.

Her life was to face the burning sand, She was thankful for scanty rain; She lifted her head thru storm and wind —Never to complain.

So, patiently, she wore her thorns, And struggled with the earth, Until her exquisite flowering One day, repaid for her dearth.

My mother was one with the heart of a rose, Who chose a more suitable dress In order to seek out a lonely place, And fill it with happiness.

CANADIAN VALLEY PROD. CREDIT ASS'N. INVESTS \$50,000 IN DEFENSE BONDS

Production Credit Associations in Texas, in the thirteen billion war financing drive have invested \$700,000.00 of their earnings and paid-in capital in bonds.

Cooperating with this program, the Canadian Valley Production Association, serving Ochiltree, Lipscomb, Hemphill, Roberts, Gray and Wheeler Counties, invested \$50,000 of their earnings and capital. This investment was divided equally on the quotas of the several counties.

On the basis of stockholders in the Association, this equals over \$150.00 invested by each stockholder in addition to their regular purchases.

Members are encouraged to produce their maximum of food and feed, and to put every possible dollar they can into war bonds.

NEWS FROM THE BOYS IN SERVICE

Dear editor and all Times readers, I have just been reading some of the home papers and the letters the boys have written, and decided I might try writing one. As you people might know we still have a little fun here occasionally. Some of you may know where I am. Sorry I can't tell you. It is now a very enjoyable place to be. I had a day off duty yesterday and naturally, with these beautiful streams and rivers, thought it would be safe and democratic to go fishing. So, myself and one of my buddies gathered up a few of the precious and few hooks that we could get and took off through the jungles for the river.

We quickly assembled our clothes lines and hooks and the task was on. After about 2 hours of fighting mosquitoes and spiders and pulling fish out we decided we had done a day's work. We walked into camp with about 30 pounds of fish. Nothing weighed less than 3 pounds and the largest weighed 8 pounds.

I never had so much fun since the _____s tried to visit us. After making a catch like that we decided it would be appropriate to have a fish fry. So, very sneakily slipped into the galley and stole what necessities we needed and headed for the jungles. We had as guests about 50 of the best Sea Bees you can find anywhere. Some boys from good old Wheeler county were included in the group. I might mention their names. Loose Top Wallace, as you all know him, James Allen Tucker, formerly of Kelton, and myself represented Wheeler county.

Everyone seemed to forget there was a war on. Oh Yes, I might add that there were no ladies present. So much for that.

I have been getting lots of mail lately and somebody always mentions sand storms. Well, just to be plain, I would like to see one after being here as long as I have. We know the old town "ain't" what she used to be," but she is still very dear to us, and we are looking forward to the day that we can loaf, work and enjoy ourselves as before.

We are doing some awful nice work and lots of it. I don't know how much more we will do here. Loose Top and Tucker work on the morning shift and I work on the afternoon shift, but we always have our town gossip every night. We hear the news and programs nearly every night. Keep all of your good work up and I assure you we will be coming home some of these days.

Best wishes, Bailey O. Burgess MM 1-c

Dear editor, I am enclosing one dollar for payment of subscription to the Wheeler Times. Send it as long as that a (Continued on Last Page)

MRS. TEXAS (MILLER) JUDY, recreation worker for the American Red Cross, has arrived safely in Australia it has been announced. Mrs. Judy, 2514 Spring Lane, Austin, Texas, is the daughter of Mr. and Mrs. W. O. Miller, formerly of Wheeler, and attended the Wheeler High School. She is a graduate of Central State College Edmond, Okla., where she received her B. S. degree. She taught physical education in Edmond, Okla.; Quebec City, Canada and Dallas, Texas.

It will be remembered by friends of Mrs. Judy that her husband, Captain Hoyt R. Judy, was one of seven American pilots killed in a plane crash in England in August 1941. Captain Judy had joined the Royal Air Force and was engaged in ferrying bombers to Britain. It was during his fifth trip to England that the crash took his life.

Negros Leave For Induction Monday

Wilburn Clifford Brigham, Abner Sproles, Frank Donnell, Joe Hill, Charlie Long and Willie Thomas, all colored, left Wheeler Monday via bus for Lubbock where they were to undergo their final physical check preparatory to entering military service.

All of the men with the exception of Brigham and Sproles, were transferred from other boards.

Leroy Halibuton, Ernest Allen and Elbert Kennon, three Wheeler negro registrants, were transferred to other boards for induction.

BRO. J. LLOYD RICE and Mrs. Rice moved to Shamrock, where they will make their home, last Saturday. Bro. Rice has been minister of the Wheeler Church of Christ since January 1942, and is to take over similar duties with the Shamrock Church of Christ. They will reside at 107 West Laville St., C. C. Bender has purchased the Rice home in Wheeler.

Local Red Cross Unit Makes 3,380 Garments

The Wheeler Chapter of the Red Cross, to and including April 21, 1943, has completed a total of 3,380 garments, since the opening of the Red Cross Sewing Room in the basement of the Court House.

The garments completed are as follows: Bathrobes, 178; Lap robes, 8; Helmets, 3; Mufflers, 24; Refugee Sweaters, 129; Navy Sweaters, 53; Army Sweaters, 36; Socks, 61 pairs; Kits, 400; Bed Quilts, 3; Hospital gowns, 100; Children's pajamas, all sizes, 929; Pajama pants, 4; Bed jackets, all sizes, 548; Small overalls, 259; Shirts, 268; Women's night gowns, 220; Blankets, 2; Baby garments, 152; Wristlets, 2 pr and Gloves, 1 pr, making a total of 3,380.

A number of articles are on hand now to be made and help is needed for the hospital gowns and boys overalls. The local chairman expresses her appreciation to all those who have helped in meeting these quotas, and with this continued cooperation, future quotas can be met on schedule.

Interest in Rural Health Programs Grows over Nation

Growing interest in health programs over the nation seems to parallel that of the Wheeler County Rural Health Service, J. B. Johnston, treasurer-manager for the local organization, announced this week.

Since the medical programs were started in 1935 by the Farm Security Administration they have grown until 1074 counties over the nation now enjoy the privileges of the health plans with 615,000 families participating in them. During 1936 there were 8 counties in three states with a membership of less than 1000 families taking part. Now the plan has been adopted in 40 of the nation's 48 states.

The above mentioned programs are somewhat different from the Wheeler county program and the five sister programs in Cass County, Texas; Nevada county, Arkansas; Newton County, Mississippi; Walton County, Georgia and Hamilton county, Nebraska.

These six programs are experimental to include all medical care that a family may need.

The five other programs have their annual starting dates as of September first and Wheeler county has been asked by the United States Department of Agriculture to get their program on the same basis. It has been suggested that the local group organize for a period of two months on the same basis they now operate. That would mean that each participating family would make a contribution of one sixth of his last year's payment. There will be no income schedules to make out for the months of July and August. Any family who is now a member of the Wheeler County Rural Health Program may make his contribution any time he wishes for the two above mentioned months by going to the local Health Service office.

The present program will expire June 30, so members are asked to not wait too long if they are interested in continuing to participate in the program and are asked to drop out of the program for July and August if they want in the program which is planned to start September 1, as it may be limited to the July and August membership.

In explaining the motive for this two months extension of the local program Mr. Johnston stated that, "Because the funds that subsidize this association come through the Farm Security Administration, Congress will not make the appropriations until about the first of July. They have offered to help us through these two months and by that time we will know how much help we are going to get and can set our program accordingly to start September 1. There are five other programs such as the one we have and they start their year on September 1 and the administration has asked that we get our program on this basis."

The amount of one sixth the annual payment may be made direct or mailed to the Wheeler County Rural Health office. Post cards stating the amount each family will pay for this two months continuation of the program have been mailed out by the local office.

The organization is unable to take new members now and during the two-month extension period but it is hoped that when the new program is organized to start Sept. 1, that the organization will be allowed to increase their membership. Information regarding this should be released soon after July 1.

The management of the local program asks that each family not neglect going to their doctor if they need medical attention, but it should be taken into consideration that many doctors, like other people, have gone to war, and those left are rushed and should not be disturbed if it is at all possible for the patient to get to the office during office hours. Doctors will appreciate this.

During a recent survey of questionnaires circulated among Wheeler County Rural Health members not a single person stated that they did not want the program to continue operation.

MRS. A. B. GRIFFIN HONORED ON FIFTY-EIGHT BIRTHDAY

Mrs. A. B. Griffin and sons, Bogan and Al motored to Durham, Oklahoma, Tuesday, May 4th, where Mrs. Griffin celebrated her 58th birthday by having dinner with her nephew and wife, Mr. and Mrs. Boyd Fair.

Mrs. Griffin is a long time resident of Wheeler County, and has five boys in the Armed Forces, an honor of which she has a right to be very proud.

THURSDAY, MAY 6, 1943

The mining industry of the United States is so gigantic that it dwarfs imagination. Production of a ton of steel requires two tons of coal. In 1942, it required the coking of 75,000,000 tons of coal to smelt 60,000,000 tons of pig iron. An out put of 70,000,000 tons of pig iron and 97,000,000 tons of steel ingots is expected in 1943.

It takes 7 tons of copper for one minute combat by 50 fighter planes, and this means from 200 to 700 tons of copper ore. Other metals are used in proportion.

But coal is required to produce the heat to make most of them usable. It is the major source of energy in the United States. The railroads used 110,000,000 tons of coal in 1942; public utilities, 68,000,000 tons; and 135,000,000, tons went for necessary heating comfort.

There is no excuse for continuous labor warfare in our coal mines. Neither the public nor the majority of employers want to exploit the coal miners. The vice that has caused wars for centuries, namely, the greed of a few leaders for unreasonable power, is causing trouble in our coal mines. The few who would exploit a government, a mine or a group of workers for selfish purposes, are the ones who cause the millions of ordinary citizens, including the miners themselves, unnecessary loss, grief and suffering.

It is time that the dictatorship in either labor, industry, or government be ended.

The pay-as-you-go tax plan just naturally doesn't die. Apparently the backfire from taxpayers over the country has been terrific since the bill was shelved by the House.

A letter to the Chairman of the Ways and Means Committee has just been published and expresses ideas that seem to be general over the country. In part, it says:

"Sentiment throughout the country, beyond doubt, is behind such a plan and Congress must eventually so recognize . . . I can speak somewhat feelingly on this subject because I am chairman of the War Savings Committee of my town. I have a splendid group of fellow workers and we are already organized to do our best . . . But it is mighty hard to do that best when the Treasury Department, at the same time when it launches the greatest bond campaign in human history, opposes the one method of taxation which will do the most to make such a campaign a success."

Commenting, the Wall Street Journal says: "This country wants to pay its Federal taxes as it goes, and will do that sooner or later. Until the issue is settled, 40,000,000 citizens will be harassed by uncertainty about their tax obligations, since the rate of withholding as well as the date of its beginning, both remain to be fixed by law."

ROAD CLOSED

Texas has many large and medium size cities—but there was a time when the third best "one-night show town" in the State was a place with only 6,000 inhabitants—Eastland.

C. W. Connelley, founder of the town, used some of his oil wealth along in 1919 to build what was perhaps the biggest and finest theater between Ft. Worth and El Paso. After the boom, the showhouse came under the management of A. C. Stalcup, an alert showman, who capitalized on the seating capacity and the network of good roads that linked Eastland to many nearby towns: Cisco and Ranger were only 10 miles and Brenkridge, Brownwood and Abilene were not more than 80 minutes away.

The first big show to play at the Connelley was "Up in the Clouds"—and your columnist saw the attraction from the very top row in the gallery—that was almost being "up in the clouds!"

Stars whose names were famous a generation ago trod the boards of the Eastland playhouse, Margaret Anglin appeared in "The Woman of Bronze," Willie and Eugene Howard—they're still Broadway favorites—headed a big musical revue. Raymond Hitchcock, one of the great comedians of all time, brought "Hitch-Koo."

He had attended the Rotary luncheon at noon, and then that night he stood in front of the stage as the audience was filing in and greeted the mayor and other leading citizens by name. They were flattered, of course, and the crowd applauded. Afterward, it was learned that the secretary of the club was seated a foot from Hitchy and murmured the names as the celebrities entered!

The biggest rival of Ziegfeld's Follies came to town—the New York Winter Garden's Passing Show, and that afternoon the bankers and oil men loaded the 50 lovely chorus girls in automobiles and took them for a tour of the oil field.

Capacity audiences thrilled to the melodies of "Blossom Time," laughed at Lassie White's minstrel and chattered at such mysteries as "The Bat" and "The Cat and the Canary."

Scenery, costumes and companies of these road shows were the same as were seen in such metropolises as St. Louis, New Orleans and San Francisco. The size of the stage and its equipment were such that elaborate lighting effects were possible. Broadway was brought into the land of derricks and mesquite.

All of this was many years ago. Memories cling about the old stage and perhaps it has ghosts of light-footed dancers, glorious-voiced singers and gay, glamorous women.

Shine Phillips of Big Spring, druggist-author of the humorous and successful book, "Big Spring", sends one of the letterheads of George McIntire of Sterling City. It reads:

"U Ranch—established in 1876 by D. H. Earnest and W. J. Holland.

"Weather Forecast by Uncle Billy Kellis:

"Today, Fair, dry and windy.
"Tomorrow, Fair, windy and drier.
"Sunday will be a clear, dry day.
"All the rest of the week will be like Sunday, only a little drier, dustier, sandier, windier. There won't be any rain to speak of during the entire week."

And the ranch motto is: "Thankful for rain or a calf any time."

Wheeler Times Wantads are result getters and cost only 5c a line.

Pertinent Paragraphs from Panhandle Press

Items of interest culled from newspapers on the Times' exchange list.

We have one wish: Just to put John L. Lewis and his gang of labor racketeers in the front line trench of Tunisia! Naturally this gang of saboteurs feel safe and know that they will not be called upon to face enemy bullets. The Roosevelt administration has finally come face to face with Lewis and his outlaws, and can no longer evade the labor question. The President and Madame Perkins have sidestepped an open fight with labor until Lewis believes that he is invincible. The time for a showdown is here, and the President must act, or see the labor racketeers run away with the show. If Lewis gets his way, the administration had, as well repeal all of the social reforms and New Deal policies which have been enacted. The people of America are not mad at labor, but want to see every man paid a fair and just wage; likewise, most laboring men are fair and want to earn their wages; but the labor racketeer, like Lewis, wants higher wages so he can collect more dues to add to the slush fund which he individually controls.—Canyon News

In planning a post war economy, too many people are thinking of public spending and this will lead to failure for we cannot eat our fat and expect healthy prosperity. We must learn to take care of ourselves without the dole if we are to prosper as a nation.—McLan News

Words that Thomas Jefferson uttered when the United States was young are truer now than when he spoke them:

"During the greatest of all wars . . . Our country will require the union of all its friends to resist its enemies within and without . . . The only contest between divided friends should be who will dare farthest into the ranks of the common enemy." —Higgins News

During the days before rationing began, when a customer came up to the store the merchant came up to meet him and asked him what he would have; now the customer hunts up the merchant and asks him, "What can I get?"—Tulia Herald.

The wick of day burned low and stained the sky chimney with golden smoke. Time paused for an instant and held back a curtain of purple shadows while stars burned little holes in the gossamer twilight. All the beauty of countless ages swelled the crowded moment with a strange and sorrowful rapture, like the kiss of lovers parting forever.—Matador Tribune.

Take the case of the two hardware dealers who wanted more horseshoes and contacted three government agencies finally getting a reply to the demand. They received official instructions regarding ways to reduce wear and tear on those horseshoes at hand, which mentioned resets as practical.

Now resets, to those who drive cars, means to switch tires and on horses this means switching shoes from front to foot, since evidently the horse doesn't tread the same on either. Another suggestion was to go without unessential styles of horseshoes. To some folks this will come as a surprise, since they didn't know there was style trends in horseshoes. It was also recommended, to save shoes, they should be removed immediately after a period of necessary road work which indicates that some horses won't have to sleep in their shoes at night.

How much easier for the farmer if he could have a buttoned or zipper

YOU'RE MEAN, DADDY!
WHY CAN'T WE GO RIDING?

It's Patriotic . . . and it's plain common sense . . . to keep your driving at minimum until victory comes.

Rubber, which can be used against the enemy in every battle area, is too precious to be used for anything but essential driving . . . for going to work . . . for necessary shopping . . . for travel to and from places without other transportation facilities.

Remember, the rubber-saving, gasoline-saving, legal speed-limit is 35 miles an hour. Remember, too, that a tire worn beyond the danger point cannot be re-capped.

So be sure to get the help of the Phillips 66 Service Man.

See him at least once a week. He will check the air pressure in your tires, inspect them for cuts and bruises, criss-cross them with the spare every 3000 miles, tell you when re-capping is advisable. He will check your radiator, battery, and air filter. Will lubricate your car from fan-drive to stop-light. Then, with Phillips 66 Poly Gas and Phillips 66 Motor Oil . . . your money, your car, and your tires will all go farther.

Millions of drivers know from experience that Phillips 66 Poly Gas is famous for pep and mileage. So next time you are ready to use a coupon or two, stop at the Orange and Black 66 Shield, and find out just how good today's Phillips 66 Poly Gas is.

A POEM "TO HITLER"

Hitler, it was you
Who caused so much destruction,
And caused so many tears,
Though you had been preparing
For more than twenty years.

But, nevertheless you big old devil,
You'd better hunt a hole,
For we are going to get you—
We're marching to that goal.
You caused the fathers and mothers
To weep and cry and mourn
To see their precious loved ones
Go off and leave their homes.

We are sorry for your people,
For they don't know you are wrong
But I think they see you're failing,
So Hitler, you'd better be gone.

If it were possible you could feel
that spirit,
The one that comes from God;
And you could have salvation,
You would not dread the sod.

The people who are righteous
Don't like to cripple and kill;
But they are forced to do this,
We are going over the hill.

We think we are doing our duty,
We feel a mighty thrill;
That you're going down, Hitler,
Just like old Kaiser Bill.

—Clipped
Meek Voice: "Doctor, this is Mr. Henpeck. My wife has just dislocated her jaw. If you're out this way next week or the week after, you might drop in."

horseshoe that could be removed at the end of each day.

If farmers who work horses follow these recommendations because they cannot secure horseshoes, they will undoubtedly get along on fewer horseshoes, but all their time will be spent "taking them off and putting them on!" Wonder how many members of these agencies ever worked on a farm?—Paducah Post.

Keep Them Healthy

Every year American farmers from one end of the country to the other are robbed of profits from their production of poultry and livestock—robbed by disease, insects and parasites! Every year, poultry diseases take a tremendous toll of poultry profits because houses, feeders, waterers are not kept clean and disinfected regularly—because large roundworms (Ascarids) are allowed to cut down egg production of infested birds.

It's the same story in the hog lot—unsanitary pens and farrowing houses breed disease; growth and gains are reduced by infestation of worms. High bacteria count cuts thousands of dollars from the milk checks of dairymen each year; flies cut down milk production during warm weather.

But it's not such a dark picture—because there's a solution—a production program which includes a program of strict, careful SANITATION. It pays to keep poultry and livestock clean and healthy . . . so stop in and see your Purina dealer.

HE HAS A REMEDY

Make him a weekly visit and bring your eggs, cream and poultry and other produce. You are always assured of the highest market prices.

WOMEN'S CLUBS AND SOCIAL EVENTS

Miss Spurlock, Joe Meek United In Morning Rites Easter Sunday

Miss Maxine Elliott Spurlock, daughter of Mr. and Mrs. Charles Stewart Spurlock of Hillister, and Joe Field Meek, son of Mr. and Mrs. C. J. Meek of Wheeler, were married in an impressive morning rites Easter Sunday at Baytown Baptist church, with the Rev. E. R. Couch officiating. The altar was decorated with tall baskets of white gladioli, larkspur, candytuft, and fern. Tall white tapers in wrought iron floor standards gave soft illumination to the setting. Keith Dutton sang the bridal solo, "Because," Mrs. Russell Pryor, played traditional nuptial selections. The bride, given in marriage by her father, was modestly attired in a dressmaker suit of aqua Forstmann sheer wool with pink organza and lace jabot. Her hat was of aqua straw trimmed with matching veiling and pink flowers. Her accessories were of pink doeskin and brown patent, and she carried gardenias tied with narrow satin streamers and placed on a white Bible. Miss Marguerite Spurlock, who attended her sister as maid of honor, wore light gold Eisenberg crepe with matching accessories and a corsage of purple larkspur and yellow iris. Miss Ida Mae Spurlock, her sister's bridesmaid, was attired in pink Eisenberg crepe with a corsage of blue iris. J. L. Lucas of Houston was best man, and ushers were Sam Hastings, Roger Edens and Jack Staples. The bride's mother chose a navy sheer dressmaker suit with matching complements and a corsage of pink carnations. Mr. and Mrs. Meek left immediately following the ceremony for a wedding trip. They will be at home after April 29 at 226½ Iowa, Baytown, Texas. The bride is a graduate of Woodville High school and Houston Business college and is employed in the

field department of Baytown Ordnance Works. Mr. Meek was graduated from McMurray college in Abilene and is employed in the Humble time office at E. R. Badger and Sons Co. at Baytown.

MRS. BOYCE FARRIS HONORED WITH SHOWER

Mrs. Darwin Trayler gave a Pink and Blue shower in honor of Mrs. Boyce Farris, Wednesday afternoon, at her home. Those bringing gifts were Mesdames U. B. Trayler, Leonard Reid, John Carralins, W. J. Brunley, Loubet Moore, Otis Ford, W. E. Burke and the hostess, Mrs. Trayler.

MRS. J. M. PORTER HAS CHARGE OF WSCS PROGRAM

The W. S. C. S. met in the church parlor Monday afternoon with Mrs. J. M. Porter in charge of the program. Mrs. Elizabeth Wren gave the devotional, Mrs. John A. English a short reading and Mrs. Clarence Robison gave a part on "Child Labor Safe Guard in War Time."

Those present were Mesdames Elizabeth Wren, Clarence Robison, J. M. Porter, Albert Hayter, John A. English, J. D. Merriman and Ralph Griffiths.

Beginning Monday the group will enjoy a six weeks Bible Study on the Life of Christ. This study will be under the direction of Mrs. Griffiths and will be in the church parlor. During the time, the society will meet each Thursday in the afternoon at the Red Cross Room to sew.

MUSIC WEEK IS OBSERVED WITH SEVERAL PROGRAMS

Sunday afternoon marked the beginning of the observance of the 20th National Music Week, when Mrs. Bert Kennedy presented her piano pupils in a recital at the Methodist Church at 5 o'clock. Those on the program were Melba May, Johnette Hood, Frances Porter, Billie V. Brown, Peggy Jo Rodgers, Georgia

Beth Ford, Marilyn Carol Swink, Richard Brown, Jack Tarter and Roy Ford.

Following the recital, at 7:45, Mrs. May Foreman Carr of Pampa, presented an organ recital with the following program: "Bouree in a minor," Bach; Gavotte, Gluck, Brahms; "Nocturne in E flat," Chopin; "Andante" (from the fifth symphony) Beethoven; "Military Polonaise," Chopin; "Kol Nidri," Roberts; "Clair de Lune," Debussy; Andante Cantabile, (string quartet no 11), Tschai-kowsky.

"Fantasy for the organ", May Foreman Carr; "May Night", Palm-japs; "Andante" (from Concerto No. 1) Tschai-kowsky; "Medley of War Tunes," from World War I and II. The program ended with the playing of the "Star Spangled Banner." Thursday night (tonight) has been designated as "Home Night" and a musical program will be presented in the homes of Mr. and Mrs. H. M. Wiley and Mrs. J. M. Porter

KAPPA BETAS GIVE MOTHER'S DAY PROGRAM

Monday evening the Kappa Betas gave a Mother's Day program in the home of Mrs. H. E. Nicholson, sponsor. The members invited their mothers or another guest.

Upon arrival, each person was presented a lovely corsage by the hostess.

A very interesting and enjoyable program was presented. The first number being a hymn, "Love Divine" sung by all. The devotional was given by Mrs. Nickolson and Mrs. Max Wiley gave a talk on the Great Mother Mary, the Mother of Jesus. Miss LaVerne Savage read the poem, "The White Carnation" while Miss Evonne Hubbard accompanied on the piano by Mrs. John A. English, sang a solo, "Mother". Miss Murle Scales gave a talk and poem—"I cannot Hate a Mother," and Miss Betty Sue Bownds concluded the program with the poem, "A Mother Love."

Misses Ina Faye Robison and LaVerne Savage were the ones receiving birthday gifts this meeting. Ina Faye's birthday was May 2nd and LaVerne's will not be until August 19, but since she will soon leave for Scarritt College for Christian Workers, Nashville, Tennessee, the group presented her gifts early.

A delicious salad course was served by the hostess to the following guests, Mesdames I. B. Lee, J. M. Porter, John A. English, Frank Noah, John Dill, Ollie V. Hubbard and the following members, Misses Ina Faye Robison, Mary Eunice Noah, Leona Crossland, LaVerne Savage, Murle Scales, Goldie Harris, Betty Sue Bownds, Helen Green, Evonne Hubbard and Max Wiley.

The next meeting will be May 18 in the home of Mary Eunice Noah with Miss Ina Faye Robison as leader.

DAVIS H. D. GROUP LEARNS OF POULTRY RAISING HINTS

"No where does cleanliness pay better dividends than in the poultry house," said Miss Murle Scales, Wheeler County Home Demonstration Agent, to the Davis Home Demonstration Club, Tuesday afternoon, April 27th, in the home of Mrs. E. J. Cooper.

Miss Scales emphasized that more chick diseases were spread by dirty water containers than from any other source. Containers should be washed and scalded once a day.

One new member, Mrs. Emma Matlock, enrolled, and Mrs. Hester Dodson was a guest of the club.

Those enjoying the meeting were Mesdames H. F. Krug, A. O. Krug, Evans, Roger Smith, Luther Bullock, Emma Matlock, Layla Kenney, Mrs. Hester Dodson, Miss Juanita Cooper, Miss Murle Scales, Verla Jean Kenney, Jerry Lee Kenney and the hostess.

On May 24, the club will meet with Mrs. A. O. Krug for an all day meeting, and the demonstration will be on foundation patterns.

W. M. U. MET MONDAY TO SEW FOR RED CROSS

The W. M. U. met Monday afternoon in the Red Cross Room to sew. The devotional was given by Mrs. Floyd Pennington and the following were present.

Mesdames George Porter, J. W. Williams, C. N. Wofford, M. L. Gunter, Floyd Pennington, Chester Hampton and Dorsey Hutchinson.

The next meeting of the W. M. U. will be a Bible Study at the church.

THE METHODIST CHURCH JOHN A. ENGLISH, Pastor

Church School—10 a. m. Morning Service—11 a. m.

A special Mother's Day program and sermon have been arranged. You are invited to attend.

Youth Fellowship—7:45 p. m. Prayer Service—8:00 p. m. Evening Service—8:30 p. m.

CARD OF THANKS

We wish to express our thanks to each one that was present and listed our farm for us. The following helped: Leonard Reed, Loubet Moore, Harvey Patterson, T. T. Patterson, Marvin Pearce, Martin Callan, Shelby Pettit, Elvoid Callan and Ben Trout.

Mr. and Mrs. Darwin Trayler.

MOVIE CHATTER

(By a Rogue)

Manila Calling

Friday and Saturday, May 7 and 8, brings a different type of picture to the screen at the Rogue Theatre. This time it is Manila Calling which stars Lloyd Nolan and Carol Landis and of course the background is in Manila in the Philippine Islands during the time that the Americans were trying to hold it against the Japs. This will be a very exciting picture and one that will interest you from the very beginning to the end.

Deanna Durbin

Preview, Sunday, and Monday, May 8, 9 and 10, brings Deanna Durbin in her newest picture, The Amazing Mrs. Holliday, with Edmond O'Brien Barry Fitzgerald, and Arthur Treacher. Movie fans who know Deanna Durbin will not want to miss this picture because she always brings a good performance, and is especially appealing to the young folks. So be on hand when the curtain goes up for the preview, and we believe you will thoroughly enjoy the picture.

Gone With The Wind

And here it is folks! It is the full length, original picture, running three hours and forty minutes. Not one foot nor one scene is missing. We are talking about Gone With The Wind which we are bringing back to the Rogue Theatre for Wednesday and Thursday, May 12 and 13. Just to refresh your minds we will name part of the cast which includes Clark Gable, Vivien Leigh, Olivia DeHavilland, Leslie Howard and Ann Rutherford. The picture is in Technicolor, and due to its length there will, of course, be only one show each night, with an intermission at the half. Make your plans to come early in order to obtain choice seats. The box office will open promptly at 8:00 p. m. and the show will start not later than 9:00 p. m. or at such time as the house is full. Admission will be 20 cents for children under 12 years of age and 50 cents for adults, tax included in both prices. Now don't fool around thinking you can get a seat at a late hour. We are warning you that the picture is still doing phenomenal business. It is showing to full houses everywhere in, this, its fourth year. Pete Forrester will be down on row 13 this time. He mis-

sed it before.

At The Front

Watch for At The Front which was made in North Africa. It is authentic. Filmed by our government. Actual Fighting. The date is May 14-15 at the Rogue.

Mr. and Mrs. Albert Hayter were guests Sunday in the home of their son and wife, Mr. and Mrs. Clarence Hayter and daughter Beverly in McLean, Texas.

Mrs. Dorothy Lee Kreps is a new employee of the McDowell Drug.

KELTON NEWS

(By Rena Johnson)

Sgt. Claude Henderson of Amarillo and Lt. J. D. Henderson of Orlando, Florida visited their parents, Mr. and Mrs. J. L. Henderson over the week end.

Mr. and Mrs. L. W. Davidson spent the week in Dallas and Ft. Worth with their daughter, Mrs. A. F. Washam and their son, L. W. Jr.

Little Jerry Killingsworth spent Saturday night with Mr. and Mrs. T. B. Killingsworth.

Mr. and Mrs. Morgan Pride of Center spent Sunday here with Mrs. L. F. Forrest and family.

Laura V. Drew and Faye Voyles spent the week end in Canyon.

Mr. and Mrs. Tommy Henderson and daughter were Sunday dinner guests of Mr. and Mrs. Geo Davidson.

Mr. and Mrs. Clive Spawn spent the week in Aledo. Miss Nadine Kincaid returned home with them after a two weeks visit here.

Mr. and Mrs. Jess Woods and daughter of Belview, N. M., spent the week end here with Mrs. H. A. Whitener.

Mr. and Mrs. J. A. Beatty spent Sunday in Pampa with Mr. and Mrs. J. D. Beatty and daughter.

Mrs. Johnnie Howell spent two weeks here in the home of her parents, Mr. and Mrs. Tom Clay. She left Tuesday to join her husband in Colorado.

WHAT SAY YOU?

And that repentance and remission of sins should be preached in his name among all nations, beginning at Jerusalem. And ye are witnesses of these things. And, behold, I send the promise of my Father upon you; but tarry ye in the city of Jerusalem, until ye be endued with power from on high.—St. Luke 24: 47-49.

—W. J. BRUMLEY

THE LION'S ECHO
(KELTON SCHOOL NEWS)

Junior News

The play which we presented last Tuesday night, along with a bond drive and box supper, was a great success. The box supper along brought \$33.75, while the contest for the ugliest man and the prettiest girl contributed the remaining amount of the total, \$57.73.

The ugliest man we found to be Mr. Bledsoe and the prettiest girl was Miss Willard. They were each awarded a box of chocolates for their success in the races.

The bond drive was also a success. The total amount was \$3,275.00. The amount would have been greater had not so many people bought bonds elsewhere, prior to this.

The Junior-Senior Banquet will be next Friday night. We are expecting forty guests.

Sophomore News

Everyone seems to have a slight relief. At least six weeks tests are over and we have gotten our report cards. How about the grades? English class is really interesting. We really like to study verbs! (Am I kidding?) How is World History coming along? Miss Drew seems to have plenty of outlines lying around everywhere.

Former Graduates of 1938

Trueman Henderson, instructor for Army Air Corps. Genevieve Britt, working at the Pantex Ordinance Plant near Amarillo. Barnie Lee Davidson, in Washington serving in the Army. Imogene (Beaty) Clay, is married to a soldier, she lives in Abilene, Texas. Ray Webster, serving overseas, he is married. Lorene (Clay) Geasscock, married and living at Abilene, Texas. Merl Kuykendall, married and living at Sweetwater, Okla. Thurman Richardson, serving overseas. Maxine (Garner) Gaines, married and living at Mobeetie, Texas. Morene (Clay) Howell, married and living in Denver, Colo.,

Mobeetie Hi-Life

The following program was presented by the Grade School pupils Friday night, April 30.

- May Day Festival**
Mobeetie Grade School
1. Crowning the Queen of the May.
 2. The May Pole.
 3. A Bit of Frontier Social Lige. Alice Blue Gown—Virginia Reel Drill.
 4. The Progress of American Indians, Scotch, American Colonial, Russian, Negro, Cowboy and Armed Forces.
 5. The Flag of our Nation—Drill.
 6. Grade School Chorus.

Musical Recital, May 14

Mrs. Jack Davis will present her voice and music pupils in a Musical Recital Friday evening, May 14 in the Grade School Auditorium. The public is invited to attend.

F. F. A. News

The Mobeetie F. F. A. boys went to Lake McClellan last Friday and returned Saturday night. Those that went were: Carl Carter, Talmadge Moore, J. T. Jeffus, Harold Hanning, George B. Dunn, Stacy Arnold, Dewayne Williams, Ray Jones, Jr., arley Beck, Bud C. Scribner, Wallace Corse, Quintis Godwin, Louis Key, Benny Barton, Kenneth Sha-

with her soldier husband.

Freshman News

There are not very many at school today. Could it be because it is Saturday? We have lost one member of the class. It is Hazel Sanderson. We sure will miss her. Some of the Home Ec. girls are having a time finishing their sewing the seventh period when the Juniors are having play practice. The High School girls and boys are going to have a game of base ball this afternoon. We hope the girls beat! Maybe they will.

Boy Scout News.

The bond drive Friday, April 30 was a success. \$3,275.00 was raised in this drive. Since it was late in the month many people from Kelton had already bought their bonds at the drive at Wheeler.

The Boy Scouts had been helping in this drive. Each patrol was trying to secure more applications for bonds than any other patrol.

Patrol No. 2 led by Bud Harris raised \$1,043.58 and came out first.

Patrol No. 3 led by David Britt came out second with a total of \$777.33.

Patrol No. 1 led by Neal Austin received applications for \$618.75.

Honor Roll

Fifth Grade (A's & B's)—Charlie Ebevins, Corky Robertson, Lindon Sanders, Alma Cain, and Barbara Frye.

Seniors (A's & B's)—Benita Armstrong, Imogene Burrell, Floyd Norrid, Ray Wright, and Millard Sanders.

Eighth Grade (A's & B's)—Troy Lee Curlee, Vernon Garner, Doris Bell, and Nella Jo Hill.

Seventh Grade (A's & B's)—Sam Britt and Elwanda Simmons.

Sixth Grade (A's & B's)—Dortha Nell Mason and Finis Harris.

Eighth Grade (All A's)—Neta Joyce Gipson and Paula Bledsoe.

Seniors All A's)—Carol Killingsworth and Stella Mae Lister.

Junior (A's & B's)—Joyce Killingsworth and Mary Lois Bledsoe.

han, Delmer Thomas, James Orr, and the Ag. teacher, Leo Meier.

They entered in the following contests: Chapter conducting, horse-shoe pitching, washer pitching, soft ball, and news writing. They won third place in chapter conducting, and second place in News writing.

Part of the boys fished, some rode in boats and others found other ways of entertainment. None of the boys slept any Friday night, due to the disturbances raised by the music makers: J. Jeffus, H. Hanning, and T. Moore.

There were ten chapters and over 200 boys there. All entered in different contests.

Happenings Around School

The seniors received their caps and gowns Monday, May 3. There are thirteen seniors.

The seniors are planning to spend the week end at Lake McCellan, May 7.

Several Wheeler students were seen and heard around school Monday.

LOCAL NEWS ITEMS

Miss Birdella Genthe has returned from Quitaque where she has been employed by the Telephone Company the past several months. She will be employed at the local exchange.

Mr. and Mrs. Bill Ford have moved from the Wiley apartments to the Glen Render property on South Main street.

TO THE WATER CUSTOMERS IN WHEELER

Your City Council has attempted to obtain lower water rates for Victory gardens, but our proposition has been refused by the Reconstruction Finance Corporation. You will doubtlessly remember that the water system was built on revenue bonds now held by the Reconstruction Finance Corporation, and our contract with them will not allow a reduction beyond their limits, but they have authorized some reduction, and here are the new rates effective until Sept. 20, 1943.

First 7,000 Gallons-----\$3.00

Excess at 20c per 1,000 Gallons

If you desire to take advantage of these lower rates, signify such desire by contacting the City Secretary or the Water Superintendent.

WHEELER

The Legislative Grapevine
BY GRADY HAZELWOOD
(Senator 31st District)

The Senate having adjourned I spent Friday morning visiting the House in session. Here is a truly representative group of democracy in action. The three youngest members are each 23 years of age. Five oldest members are between the ages of 72 and 76 years. The membership is deadly serious and no punches are pulled. If humor is thought necessary to kill a bill then out it comes. Up for consideration and debate was a bill to paint all school buses red, white and blue. Many members thought this very impractical in view of the paint shortage. Finally, Rep. Celaya, in order to express his disapproval of such legislation at this time, sent up an amendment, later withdrawn, which provided that all members of the legislature must wear uniforms of red, white and blue bunting not more than 4 feet in length or 24 inches wide in order to exhibit their patriotism and to distinguish them from the general public. One member humorously observed that the public could already distinguish them from everyone else. The hard-working membership continued until Saturday noon and passed some of the most important legislation of the session.

Finally passed by the Senate was the House curfew bill which has now gone to the governor's desk. Specifically this bill does the following: prohibits the sale of liquor between the hours of 10 p. m. and 9 a. m. on every day, and of course, all day Sunday; makes it unlawful for any person—which includes patrons and visitors—to drink or consume, or, to have in their possession for the purpose of consumption, any whiskey or beer after the hour of 12:15 a. m. on week night and the hour of 1:15 a. m. on Saturday nights, and before the hours of 7 a. m. on week days and 1 p. m. on Sundays. In other words, this bill makes it a criminal offense for the guest or visitor at a honky-tonk or other public place to drink, or, to have in his possession for the purpose of drinking, any beer or liquor after the hours above mentioned. This bill has one important provision that enforcement officers so much complained about not being in the old prohibition laws—it makes the purchaser or consumer equally guilty with the seller.

RUPTURED?

Experimenting with questionable trusses at the expense of your health will prove costly. See your Physician at once for the proper diagnosis and we will fill his prescription to his entire satisfaction. If your condition has already been determined and you are not securing the proper comfort or relief, pay us a visit at once and be convinced that under competent hands, truss fitting has been reduced to a science eliminating all guess work.

We feature the famous line of Non-Skid Spot Pad Trusses which hold the rupture with a fraction of the pressure required by other appliances. We also have a complete assortment of Abdominal Supporters, Elastic Suspenders, Shoulder Braces, etc.

LOCAL NEWS ITEMS

Mr. and Mrs. J. D. Johnson and family were Shamrock visitors, Saturday.

Joe Weatherly and Donald Hunt left Monday for Lefors where they will be employed for the summer by the Southwestern Public Service Co.

Mr. and Mrs. Roy Esslinger and family were Shamrock visitors Saturday.

Floyd Atherton and Mount Tipps of Briscoe transacted business in Wheeler Monday.

Mrs. C. B. Witt is visiting in Texoma this week with relatives.

Mrs. Jimmie Mitchener returned Thursday afternoon from Amarillo where she had been visiting friends several days.

Eddie Pannell of Briscoe was a Wheeler visitor Monday night.

Mr. and Mrs. Bronson Green and son, Jimmie Bronson, visited in Amarillo Monday.

Mr. and Mrs. C. R. Weatherly spent Sunday in Amarillo as the guests of her sisters, Mrs. Lester Black and Mrs. J. A. Wilson. They also attended the lecture of Dr. Arthur I. Brown.

Mr. and Mrs. H. E. Young transacted business in Shamrock Monday afternoon.

T-Sgt. and Mrs. Frank Wofford went to Drumright, Okla., Saturday to visit her parents. They expect to return Wednesday and the latter part of the week they will leave for Camp Adair, Oregon, where Sgt. Wofford is stationed.

W. B. Wofford left Monday for Houston where he will visit in the home of his son and family, Mr. and Mrs. W. B. Wofford, Jr.

Mr. and Mrs. W. E. Bowen and Mr. and Mrs. Jess Crowder returned Sunday from California where they visited their sons in the service there.

Young Bowen is stationed at Fort Huenema and Young Crowder is in Oakland. En route to Wheeler they visited in Amarillo with Mr. and Mrs. Bill May and in Pampa they visited in the Garland Pearce home.

Mrs. Levi Reid spent the week end in Shamrock as the guest of her daughter and family, Mr. and Mrs. W. L. Jolly, Jr. Mr. Reid visited them Sunday afternoon and Mrs. Reid returned to Wheeler with him.

Fred Ashley transacted business in Lefors, Monday afternoon.

C. A. Mason and Elbert Zybach of Briscoe transacted business in Wheeler Monday.

Seaman Bill Cosper who is stationed on the West Coast is visiting his father, E. T. Cosper and other relatives and friends.

Ruth Barr who is employed by the Texas Power & Light Company, Dallas, is on leave of absence and is visiting her parents, Mr. and Mrs. J. W. Barr.

week and now on the governor's desk is a bill by the writer permitting recipients of old age pensions to earn up to \$250.00 per year without having any fear of being cut off the rolls, or, of having pensions reduced. Heretofore, the Department of Public Welfare has followed the policy of reducing pensions or removing from the rolls altogether those who sought to help themselves. The legislature thought that during the present great manpower shortage these people should be encouraged to work rather than discouraged, and that no harm could come from holding out some reward and incentive to those who may be physically able to perform much needed labor—that to encourage industry is a sound public policy. However, because of Federal regulations, this bill has no application to any person not already on the rolls. The grapevine is that a new executive director of Old Age Assistance will be appointed during the coming week.

BRISCOE BRONCO

Last P. T. A. Program

The first three grades, under the direction of Mrs. Brown and Mrs. Fillingim, will present a patriotic pageant, "America the Beautiful." This is the final program for the Primary grades and will be given at the last meeting of the Parent-Teachers Association for this school year. The program will be presented on Friday evening, May 21, at 8:45 p. m.

Girls Sport News

There are not many girls coming out for the regular gym period. Those that do report they really enjoy themselves. The girls play base ball, volley ball and various other games. . . If you are about the gym the fourth period you will probably hear some Junior girl yell, "Where can I put my senior ring?"

Junior Scribbings

The junior students are proud of their new rings which came in Monday.

We Wonder—

Why Doyle was absent from school last Friday? Why Mable Alice likes big rings? Where Inez got her blue hair ribbon? Why Wayne Meek dislikes girls? Who is Zetha's boy friend? Where R. L. got all those pretty new shirts? Who receives all those letters which Alice has been writing? If Carl still has the same girl friend? Why all the juniors have spring fever?

Sophomores

The sophomores are studying "As You Like It" in English and seem to be enjoying it a great deal.

The class has missed Margaret the last few days.

Sophomore Favorite Songs—Lottie Marie Zybach, "Coming in on a Wing and a Prayer." Bessie Davis, "Old Gray Mare." Margaret Anglin, "The Great Speckled Bird." Hazel Hawey, "Rose O'Day" Sammie Lee Daugherty, "Marines Hymn." Mary Ruth Evans, "As Time Goes By." Cecil Francis, "The Sweetest Gal." Wayne McDonald, "Aint Got Ev'n." Jack Swetnam, "Army Air Corps." Ewing Barnett, "Where, Oh Where Has My Little Dog Gone." Bobbie Candler, "The Strip Polka."

Snooper

Dear Snooper—What are the chances with Bill Candler? Is he going with any girls at the time being, and if so, who?—Three C. H. S. Girls.

Dear Snooper—What is the latest game played in Briscoe?—Allison Tourist. Dear A. T.—It seems to be a game played by the men of the town with marbles. I heard two men fussing over their marbles the other day. Since marbles are not played at school the men are making quite a pastime of the game and some are teaching the little boys. I am told that some of these men are practicing up preparatory to going to war, but I am afraid most of them have passed the age limit and imagine they are shooting at Japs.

Dear Snooper—I heard that the Seniors were financially worried Monday. What is their trouble?—Junior Girls. Dear J. G.—Perhaps they wanted to use their class fund to take in a movie and the money is in the bank.

The aggressive wife of a meek little man was hauling her husband over the coals for having made a fool of himself at a party. He sat in dejected silence.

"And don't be sitting there," She shouted, "making fists at me in your pockets, either!"

Mrs. J. A. Shearer and son, David, of Pampa, spent Monday night with her parents, Mr. and Mrs. C. R. Weatherly.

Mr. and Mrs. Creed Petrie and family of Canadian visited Sunday evening with her parents, Mr. and Mrs. W. E. Bowen.

Miss Ovilla Wood has returned from Lefors where she spent several days visiting in the home of her sister and husband, Mr. and Mrs. Joe Clarke.

"Don't you love old ruins?" "Yes if they have plenty of money."

The young bride was asked what she thought of married life. "Oh there is not much difference," she replied. "I used to wait half the night for George to go, and now I wait up half the night for him to come home."

NEWS FROM BOYS IN SERVICE
(Continued from First Page)

mount pays for.
I was classified as pilot April 16, and am now attending pre-flight school learning the fundamentals of air crew training. I enjoy this training very much and to make it more enjoyable I am in a squadron composed largely of Texas boys.
My fondest hope is to visit friends in Wheeler in about 8 months after graduation.
In the meantime, I want to follow the important happenings of home through the column of the paper.

Yours truly,
A-C James T. Creekmore

Mrs. A. B. Griffin has received a letter from her son Jeff, dated April 30, and below are excerpts from the letter:

Dear Mom and All:
Just a few lines tonight in answer to your letter I got this noon. I was glad as usual to hear from you. How's everything at home? It's sure hot here.

Well Mama, I know now we won't be here over three more weeks. The Colonel told us yesterday that this would be the last pay day in Fort Bliss and told everyone that had their wives here, to send them home, so when we leave here I am sure we will go right across and you won't hear from me as often. We are turning in our lockers tomorrow, and have been packing up all this week. A lot of guys are scared half to death

Mr. and Mrs. Bill Pettin and daughters, Rita and Jeanette, spent Sunday in Elk City as the guests of her sister and family, Mr. and Mrs. J. A. Green.
Mrs. Fred Ashley and son, Oscar, and Mrs. Geo. H. Adams visited in Pampa, Tuesday, in the home of Mr. and Mrs. Robert Jennings.
Mrs. W. H. Black returned Saturday from Pampa where she visited her parents, Mr. and Mrs. H. W. Patton and her son and family, Mr. and Mrs. S. D. Black.
Mr. and Mrs. O. Nations were Shamrock visitors, Monday.
Mr. and Mrs. H. E. Tolliver and

because they have to go across, but I can say one thing, when we get there I am sure going to get my part of the Japs and Germans. I am an expert with the Tommie sub machine gun Tuesday. I got 94 out of a possible 100. Mama, when I go across and if I don't happen to come back, remember this: I was fighting for you, Al, Bogal and all of my sisters. I can't bear to even think of us losing this war and I will fight the Axis to the end.
Answer Soon,
Your son,
Jeff

Earl Barnes, who has been home on a furlough because of illness returned to his post Friday night. He is stationed at the U. S. Naval Training Station at San Diego, California.

Mrs. C. N. Wofford is in receipt of a letter from her son, Earl M. Wofford who has been in England the past eight months. He states in the letter that he recently enjoyed an eight day furlough in London and that he had been promoted from private first class to Technical Sergeant.

T-Sgt. Wofford entered the Armed forces April 28, 1942.

FRANKLIN

BACTERINS

McDOWELL DRUG CO.

"YOU'VE DONE YOUR BIT NOW DO YOUR BEST!"

DURING the first year of our toughest war, we—
Trained a lot of men—made a lot of fighting tools—built a lot of shipping.
And to help pay for it all, we bought War Bonds. Altogether, 50 millions of us bought War Bonds. And nearly 30 millions of us started putting, on the average, 10 percent of our pay into War Bonds every payday through the Payroll Savings Plan.
That was a good start. But, it was only a start. What we did in '42 is not enough for '43!
We've got to do more fighting this year. We've got to do more building, more training, more shipping—and more saving.
We've got to buy more War Bonds.

Is that too much to ask? Many of us are making more money than we have made for years. The things we'd like to buy with that money have either disappeared or are as "scarce as hen's teeth." So, why not put that money into War Bonds at good interest—\$4 for every \$3 when the Bonds mature? Money to help pay for the war—keep prices down—provide peacetime jobs and peacetime goods and a generally decent world for all of us when the war is won.
Chances are, you're already in the Payroll Savings Plan—buying War Bonds—doing your bit. But don't stop there. See if you can't boost your ante! Do your best!

YOU'VE DONE YOUR BIT --- NOW DO YOUR BEST!

BOOST YOUR BOND BUYING THROUGH THE PAYROLL SAVINGS PLAN

MORE MILK
From Quiet Cows

Cows free from flies give down full milk flow. Unless protected, production drops. That's something to think about under present war conditions when every milk producer is called on to increase production.
Use Watkin's clean, taintless, AA Fly Spray to protect your cows and keep them quiet. Light oil base, doesn't gum up hair or hide. Goes further. Can be used in milk house barn or home. Kills flies—doesn't merely knock them down. Order now and be sure of your season's supply. Bring your container.
