THE COUNTY SEAT NEWSPAPER

Sign-up For Ration Book IV Is Under Way Over County

Schools Are Taking Care Of Registration

Registration in Wheeler county for War Ration Book IV got under way today (Thursday) and will continue through Saturday. Registration for the books is being held at the following school houses:

Shamrock, Wheeler, Mobeetie, Lela, Twitty, Allison, Kellerville, and Kelton. School teachers are again handling the applications.

These in Wheeler the registration started at 9 o'clock this morning at the high school building and superintendent Dyer states that applications will be received until 8:30 o'clock each evening.

Consumers were advised today by Chairman R. D. Holt of the Wheeler County War Price and Rationing Board to take their War Ration Book III with them when they go October 21 to 23 to register for the new War Ration Book IV.

"No new ration books are to be issued consumers who don't produce the No. 3 book," Chairman Holt declared. "Housewives, or any other member of the family, may sign up for the entire family group at this registration as they did at registrations for Nos. 1 and 2 books."

The No. 3 book was issued last summer by mail, but the new one will be issued at school houses by teachers and other volunteer workers "who have proved their ability to do the job quickly and efficiently," the chairman said.

"I know the public appreciates the willingness of teachers and other volunteers to undertake the tremendous responsibility involved in the distribution of ration books, and speaking on behalf of the board, I know we do," Chairman Holt added.

Teachers and other workers, receiving instructions on the issuance, have been advised that consumers are to apply for the books at their nearest school house. The book will be distributed to all persons except members of the armed forces who are subsisted or who are members of officers' messes, persons confined to institutions and persons who have resided less than 60 days in the United States. The registration will be held Oct. 21, 22 and 23 in Texas; Oct. 25, 26 and 27 in Oklahoma and Louisiana.

War Ration Book IV, which will last approximately two years, combines point and unit stamps. It has eight pages containing a total of 384 stamps, printed on safety paper in blue, red, green and black inks. The green stamps probably will be used as supplementary stamps. There are 96 unit stamps printed in black ink. The word "spare" appears on 72 of these stamps, which can be used in the case additional ration currency is needed for any of the programs. Twelve of the stamps have the word "sugar" printed on them and an equal number is designated for coffee, which no longer is rationed. Now that coffee rationing has been suspended and ration stamps are not required to buy it, these stamps will also be used as "spares."

CANNED FOODS IN ANY QUANTITIES OR SIZE CONTAINERS ACCEPTABLE FOR CRIPPLED CHILDREN

A. B. Crump, Potentiate's Aide of Khiva Temple A. A. O. N. M. S., for Wheeler county, states that the Shriner's Hospital for crippled children will accept canned fruits, vegetables, jellies and jams in any size containers or quantity. Local persons are asked to bring their contributions to either Mr. Crump or the Southwestern Public Service Co., office.

Since Shrine Hospitals for crippled children were built, more than 86,000 patients have been treated. Today many of these boys and girls have grown up to be normal men and women. They may be found in every branch of the military service and in various useful civilian occupations.

This year, Khiva Temple is a leader in crippled children's work. Khiva Temple has contributed more than \$15,000 to the million dollars required annually to operate Shrine hospitals.

The 183 new Shriners created last spring are making a survey of the forty Panhandle counties comprising Khiva Temple's jurisdiction with the hope that they can offer the services of the Shrine hospitals to the parents of all of these children.

MASONS ENTERTAIN WITH CHILLI SUPPER

The Wheeler Masonic Lodge entertained Monday night with a chilli supper. 35 members and 30 guests attended. Pampa, Mobeetie and McLean lodges were represented.

Percy Farmer made a business trip to Oklahoma City, Sunday.

DRAFT DELINQUENTS TO BE RECLASSIFIED FIRST OF NOVEMBER

Moving to close in on "draft dodgers," Selective Service regulations have been amended to provide for the immediate induction or prosecution of men 18 through 44 who become or remain delinquent on or after November 1st, it was announced today by State Director, General J. Watt Page.

"The continuing manpower demands of the armed forces and the manpower needs of war production and agriculture, plus fairness to men already serving in the armed forces and to men, including fathers, who will soon be inducted, make it imperative that every man acceptable to the armed forces, who knowingly becomes delinquent, should be promptly made available for service in the armed forces or prosecuted under the terms of the law," General Page said.

The new regulations provide (1) for the prompt classification into Class I-A, Class I-A-O, or Class IV-E, without reference to sequence of order numbers or dependency groups, of all delinquent registrants 18 through 44; (2) that all delinquent registrants 18 through 37 so classified shall be immediately ordered to report for induction or for work of national importance, as the case may be, by ANY local board to which he reports or before which he is brought after apprehension; (3) for the registration of a non-registrant delinquent and his classification and induction by ANY local board before which he is brought or to which he voluntarily reports; and (4) for the correlation of actions concerning delinquents among all Selective Service agencies and United States Attorneys.

General Page pointed out that no man is relieved from complying with the Selective Service law during the time he is in custody, confinement or imprisonment, and that immediately upon his release from such confinement he must advise his local board of the fact and perform the duties and be accorded the rights of all registrants. This obligation, he said, applies equally to a man confined for any other cause.

In a great many instances, General Page said, cases of delinquency investigated by the Department of Justice have been due to carelessness of registrants concerning their duty to keep their local boards advised of changes of address. If a registrant has failed in this obligation, then he is suspected of delinquency and has been or will be classified as a delinquent. He warned that any registrant who is not absolutely certain that his current address is on record with his local board, or that his whereabouts are known to the "person who will always know," as shown on his Registration Card, should immediately communicate with his own local board and keep that board advised of all future changes of address.

General Page also cautioned every person required to register under the Selective Service Act to have in his personal possession at all times both his Registration Card and his current Notice of Classification. If a registrant has lost his Classification Notice, he should immediately make application to his local board for the issuance of a duplicate.

Recent Subscribers To Times Are Listed

The Times management is quite proud of the continued loyal patronage of its subscribers. During the past month a goodly number have sent in or brought in renewals to their home town paper or have been placed on the mailing list as new subscribers.

Below we list those who have subscribed during the past few weeks. To each and every one we say, "Thanks a lot."

Damaris Holt, Pampa; J. Z. Baird, Wheeler; Floyd Morris, Wheeler; Jess Swink, Wheeler; Ed Watson, Wheeler; H. E. Wicker, Live Oak, Calif.; Pfc. Roy M. Bradstreet, Camp Gruber, Okla.; Harold Hill, Wheeler; Burl A. Hill, Wheeler; T. W. Owen, Roscoe, Calif.; I. C. Thurmond, Jr., Elk City, Okla.; J. F. Cook, Mobeetie; Ira Passons, Wheeler; S. H. Hooker, Mobeetie; Cpl. T. L. Hurst, Redondo Beach, Calif.; Mrs. H. T. Carman, Wheeler; R. P. Grayson, Allison; J. H. Mason, Briscoe; Farmer Hefley, Mobeetie; J. M. Plans Made For War Fund Drive

WOMEN INVITED TO TAKE AUTO MECHANIC COURSE

Jack Spence, Vocational Agriculture instructor of the local school system, announces that due to the fact that several women want to take the auto mechanic's course and that they are also needed more and more to do that kind of work in the war effort, they will be invited to take the course now being taught by Otis Reid in the Agriculture building.

All women, as well as men, who are interested in the course are asked to come to the building on Tuesday and Thursday nights to attend the course being held from 8 o'clock until 11 o'clock.

Mr. Spence states that the short course is still going along fine but more students are needed and with women being allowed to attend the course it is hoped that there will be enough students enrolled to meet all government requirements for attendance.

Restrictions On Gas Stations Are Lifted

The county rationing board has received a bulletin that junkies the six-day-a-week, 72-hour, weekly limit imposed nearly a year ago. No reason was given for lifting the ban, just as no definite reason was set out for imposing it. The bulletin giving the information on the removal of the hours of sale of gasoline restriction was dated Oct. 13.

Filling station operators are asked to get together and come to some agreement upon the hours to be observed even though it is understood that no special restrictions are imposed.

Irishmen Defeat Local Mustangs In Hard Battle

The Wheeler Mustangs lost a conference game to the stalwart Shamrock Irishmen last Friday night, 21-0. The game was played in Shamrock.

The battle was a hard fought one as is the case every year when the two teams meet. Prior to the game both teams had played two conference games and had won both. Now the Shamrock lads are one up over the local squadmen.

Outstanding points of the behavior of the Mustangs were enthusiasm, spirit, determination and good sportsmanship sifted in with some of the hardest tackling seen by local fans this year.

Far from being a "push-over" or horse race the Irishmen had to extend themselves throughout the contest. Shamrock scored once in the initial period and again in the third and fourth quarters.

The shortage of reserve strength is a severe handicap to the local squad and showed up during the fray Friday when three of Wheeler's men went out of the game because of injuries.

The Mustangs do not have a game scheduled for this week but will play Lefors here October 29. Other games include McLean there Nov. 12 and Wellington here Nov. 25.

Adjustment Payments To Be Made On Whole Milk And Cream

The county AAA office has been advised that the dairy feed payment will be made direct to producers upon submission to County AAA Committee of satisfactory evidence of quantity of whole milk or butterfat sold. For whole milk, sales records must show pounds of milk delivered and the butterfat content is not necessary. Butterfat sales evidence must be on butter fat basis. Payment will be made at 80 per cent of the butterfat rate for butter sold as such. Payment will be made at 20 per cent of the butterfat rate for cream sold for consumption as such.

It is expected that first payments will cover October sales. Time of payments depends upon availability of forms. The county office expects to receive program instructions and payment procedure soon.

Payment rate for milk will be 50 cents per hundred-weight and the payment rate for butterfat will be 6 cents per pound in Wheeler county. All producers are urged to keep records of all whole milk and butterfat in order to receive benefit of these adjustment payments.

A/C Donald W. Carmen, son of Mr. and Mrs. H. T. Carmen, has entered pre-flight school at the Army Air Force Cadet Center, San Antonio, for a nine weeks course in academic and military training before going to primary training school.

District Court Jury List Is Released

Artie Lee Hunt, court clerk, has released the names drawn for grand and petit jury duty in district court. From the list of 16 persons named 12 will be chosen for grand jury service. Petit jury duty will depend, of course, upon the number and nature of cases brought to trial.

The panels are as follows:

Grand Jurors
H. O. Lane, Douglas Baird, W. A. Finsterwald, Austin G. Caldwell, Mobeetie; Fred Ashley, J. A. Bryant, Ebb Farmer, Lee Guthrie, Wheeler; L. W. Davidson, Claude D. Davis, Bailey Whiteley, Texola; Jno Lister, Kelton; Ode Cain, B. F. Holmes, W. O. Morrow, Harry Vermillion, Shamrock.

Petit Jurors, Second Week Nov. 15.

F. A. Mooney, Robert Lane, A. B. Lancaster, Albert Scribner, L. D. Smith, H. S. Hogue, I. E. Barker, A. D. Alexander, Mobeetie; Jim Puett Dan Briggs, Harvey Close, Nathan Lummus, Harris Tilley, J. O. Stribling, Bob Roach, John Porter, John Booker, G. L. Darrow, Cecil Cardwell, Claud Montgomery, Ben A. Skidmore, B. F. Kersh, J. F. Rathjen, A. H. Finley, Shamrock; Edison Sorenson, H. E. Young, Bronson Green, J. N. Porter, Wheeler; L. S. Aderholt, L. R. Barry, S. B. Davis, Briscoe; C. L. Keelin, Kelton; Leonard Mills, Texola; A. C. Reeves, C. C. Carver, Raymond Moore, M. E. Gierhart, L. C. Beaty, T. J. Daugherty, Twitty; and L. L. Hagerman, Sweetwater, Okla.

The public in reading over the jury list for the coming term of District Court may notice the following difference from former printing of the lists. In the past such a list included lists of five panels of jurors naming the particular weeks in which each group was to serve. Now only a list for one particular week is printed. Some may also have noticed that occasionally court is being held at times different from formerly.

These changes came about as a result of the recent legislative enactments passed for the purpose of simplifying court procedure.

In Wheeler County, District Court terms commence in April and November of each year. Formerly, these terms could only remain in session for seven weeks. Jurors were drawn by the Jury Commission at one term for use in the next. Jurors were drawn for five weeks of each term

Mr. and Mrs. Alexander Hear From Prisoner Son

Mr. and Mrs. L. R. Alexander last week received a letter from their son, 2nd Lt. Kenneth W. Alexander, who is a prisoner of war in Germany. Lt. Alexander was reported missing July 30. The letter, dated August 25, is as follows:

Dear Folks:
I never dreamed that I would be writing you from a place like this. As you probably know by now I am a prisoner of war of the German government. I am uninjured and I receive good treatment. We have plenty to eat with the Red Cross parcels and German rations. We are allowed to write three letters and four cards each month, but there is no limit to the number of letters we may receive. You can check with the Red Cross on things to send me.

They have a very good school here, so I think I will take several courses. Of course it is not like a regular school, but it will help pass the time and help me also.

Please don't worry as I am O. K. Love,
Kenneth

Miami Chiefs Beat Mobeetie Hornet 13-6

The Mobeetie Hornets were defeated by the Miami Chiefs in their first football game of the season by a score of 13-6. The game was the first of a two game series between the two teams, and Miami is to return the game on Mobeetie territory soon; however, a definite date has not been set.

The entire team played good ball. Hoyt Dunn, Captain, was injured, thus having to stay out of the game. Bill Bailey, right half back, carried the ball over for Mobeetie's score.

The starting line-up included: L. E. Leroy Patton; L. T. Joe Eubanks; Cen. L. D. Smith; R. G. Jack Roberts; R. T. Carl Carter; R. E. Orvel Brewer; Q. B. Jesse Ray Leonard; L. H. Johnnie Reed; R. H. Bill Bailey; F. B. Hoyt Dunn; and L. G. Paul Byrne. Wallace Corse substituted for Hoyt Dunn.

Every Individual Asked To Help Raise Wheeler County's \$4,641 Quota

Wheeler county is getting its organization completed for the campaign to raise \$4,641 for its quota of the Nation's United War Chest Drive from October 25 to November 5, 1943.

Dr. H. E. Nicholson, co-county chairman, at the Lions club luncheon Tuesday announced plans for the drive and committeemen for the various sections of north Wheeler county that is asked to raise \$1,200 of the quota.

Chester Lewis, R. H. Forrester and R. D. Holt were named executive committeemen. Other workers include: Lions club, Dr. Nicholson; American Legion, Jess Swink and Jim Risner; Ladies clubs, Clara Finsterwald; Court house, Homer Moss and Terrell Gunter; South side square, C. J. Meek and R. J. Dixon; Bank to Post Office, H. M. Wiley, Fred Ashley, Chester Lewis; West side, A. B. Crump; Industries, Dr. V. N. Hall; School, Jesse Dyer, Jno. English and Jack Spence; Churches, Jake Tarter and Harry Wofford; Street collections, R. D. Holt, D. A. Hunt and Jim Risner; Mobeetie, Jack Miller; Briscoe, Lee Barry; Allison, Prof. Bergert and R. L. Pugh; Kelton, Henry Hink, and C. L. Bledsoe; Jewett, Floyd Adams and Charlie Candler; Contact committee, Harry Wofford, Jake Tarter and Chester Lewis; Special gifts, H. M. Wiley; Publicity, Bill Dixon.

Benefit Concert and Dance
The 385th Air Force Band of Pampa, who won so much praise for their appearance here in interest of the 3rd War Loan Drive a few weeks ago, have agreed to return to Wheeler next Tuesday night, October 26, and put on a benefit concert at the school gymnasium. Admission to the band concert is only 25 cents for adults and 10 cents for children and with these low prices it is expected that the gym will be packed to capacity. No further contribution will be asked during the program. An advance sale of tickets will be made beginning Saturday, and the chairman is anxious that a ticket be bought for every member of practically every family in the entire area because the total proceeds will go to the relief cause.

Just following the concert the band will play for a benefit dance to be held at the skating rink just east of the town square: \$1.50 will be charged each male attending and with splendid music in store and the large hardwood floor to accommodate the crowd, it is expected that the net proceeds, which all go to the War Drive, will be a large sum.

In the past money has been raised for many worthy causes through individual campaigns. This year one

Annual Hallowe'en Carnival At Mobeetie

The annual Hallowe'en carnival will be held at the Mobeetie High School gym, October 29. Everyone is invited to attend and be prepared to have a good time. Bingo, fishing pond, fortune telling and many other attractions have been scheduled for your entertainment.

Singing At Briscoe Sunday Afternoon
A "Fellowship" singing has been announced for the Briscoe community next Sunday afternoon at 3:00 o'clock. The singing will be sponsored by the churches and will be held in the high school auditorium.

Everyone is cordially invited to be present and take part in the singing.

(Continued on Last Page)

Restrictions Placed On Feeding Wheat

B. F. Vance, State AAA Administrative officer has notified all county AAA officers of the following telegram from Washington, quote: "Effective immediately all sales of wheat for feed to all buyers should be with understanding the wheat is not to be used for feeding hogs for market weighing over 200 pounds or to beef cattle beyond fair to good finish. All wheat sold direct to feed mixers and to other for resale to feed mixers shall be used only for feeds for dairy cows and laying hens."

50% TRANSPORTATION PAYMENT RECEIVED

The county school superintendent's office announced this week that a 50 per cent payment due schools over the county for transportation had been received this week from Austin and checks are being mailed out. The funds will go to bus drivers and for bus repairs.

THURSDAY, OCTOBER 21, 1943

I have no liking for rattlesnakes—but I can see their point-of-view.

One thing that could be rationed without any inconvenience to me is alleged "news" about the frequent divorces and marriages of that millionaire no-good, Manville. In fact, all his doings could be left out of the public prints entirely, and no loss. We have things more important to think about. Besides, there's a paper shortage.

After seeing all the front page space devoted in some of the metropolitan dailies to the domestic difficulties of the former heavyweight champion, it is refreshing to pick up a typical home town newspaper, such as this, and read the wholesome news about worthwhile, Texas people who are doing clean, worthy things. One city editor tried to defend himself by saying that it wasn't he but the Dempseys who did the things chronicled. Maybe so, but he didn't have to print the stuff.

A story from the other World War:

About to serve as sentry for the first time, a colored soldier was being instructed by his lieutenant: "If you see anything move, you challenge and then you shoot; do you understand?" Sam replied, "Yes, suh, and vice versa." The officer asked, "What do you mean by vice versa?" The darkey answered, "If something moves, I shoots; if something shoots, I moves."

For some time, I've been intending to express my opinion of that so-called news commentator in the North who wrote a slur on the young ladies belonging to the WAC. He reflected upon their honor and the result was that enlistments slowed down. That is what Hitler likes to see. The rat who wrote the slander on American womanhood had already been handed an Iron Cross by the President in recognition of previous service that he had rendered against the United States and for the Axis.

Bootblack: Shine your shoes?
Man: No.
Bootblack: Shine 'em so you can see your face."
Man: No.
Bootblack: I don't blame you.

What Say You?
Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord;
And he shall send Jesus Christ, which before was preached unto you;
Whom the heaven must receive until the time of restitution of all things, which God hath spoken by the mouth of all his holy prophets since the world began.
—Acts 3:19-20-21
—W. J. Brumley

Pertinent Paragraphs from Panhandle Press

Items of interest culled from newspapers on the Times' exchange list.

Carson county folks are rejoicing today over the verdict of Judge James C. Wilson in federal court at Amarillo this week, granting substantial increases to farmers for land condemned for the Pantex Ordnance Plant.

More than 15,000 acres were taken without notice to Carson county farmers. These farmers had lived on their property many years and they had made substantial improvements.

It is pitiful that the mills of justice runs so smoothly — that the farmers had to miss two crops because of the delay in working out the condemnation prices.

Judge Wilson has attempted to right this injustice as far as he could. He will be remembered long and favorably in this section for trying to dispense justice to the farmers for the loss of their property.
—Panhandle Herald

Those who give to the war fund may designate just how their gift may be apportioned among the 17 different items in the fund, leaving out any that they do not wish to contribute to. The question might be raised that this will make no difference in the total amount apportioned, but the committee is pledged to observe every contributor's wishes, and only undesignated funds will go into the pot for proportionate distribution. Designated funds will be kept separate and added only after the apportionment of other funds are allotted.
—McLean News

An unmistakable destination in life has been reached when an otherwise sincere and honest man resorts to the fakement of combing his hair differently to cover a bald spot.
—Matador Tribune

After a show recently a woman plunked down \$375 for a \$500 war bond and told Lou Cohen, theatre manager at Hartford, Conn., she had been saving the money to get a divorce but that she hated Hitler more than she did her husband. Even so, the money will go to buy freedom, if not of the variety of her first intent, and of course, she can begin saving again for that.
—Claude News

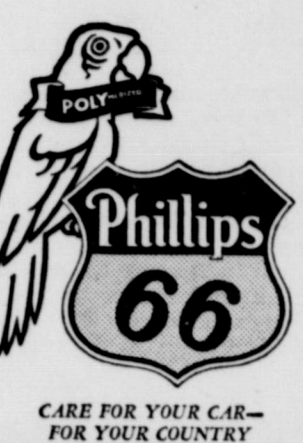

A man in Tullia said the other day that the difference in appearing before the tire board and the draft board, is that in one instance one is afraid they won't act and the other he fears that they will.
—Tullia Herald

It is good news when we hear that religion is on a new basis in Russia. Millions of Russians are flocking into the churches, and the government is encouraging this movement. Anti-religious publications have been banned. Stalin has proved to be as great a domestic leader to reunite a torn nation as he has proved to be a military leader in driving out the Germans.

Well the great Family is moved and now from the way things are shaping up here Wednesday evening it looks like you will have a paper. It might be a shade late but I am

100 OCTANE GASOLINE

Adds 5th engine to every 4-engine bomber

ROUND-THE-CLOCK AIR RAIDS over Germany and South Pacific . . . Every time you read this headline in your newspaper, remember that United Nations war planes because their tanks are filled with 100 octane gasoline from the United States.

To say that this super-fuel is equivalent to a fifth engine in every four-engine bomber is actually understating the facts! Compared with German aviation fuel of 87 octane, it improves performance more than 25 per cent.

Long peacetime research for new and better things from petroleum gases, as well as from petroleum, prepared Phillips for an important role in wartime production. Phillips Petroleum

Company was among the first to take 100 octane gasoline . . . as well as butadiene for synthetic rubber . . . out of the laboratory and into mass production.

Twenty-four hours a day, our best efforts are devoted to the production of these and other synthetic chemicals which will bring closer that great day when once again you can say "Fill 'er up" . . . and the service man will crank into your tank a new and improved Phillips gasoline.

Until then, every time you see the Phillips 66 Shield, let it remind you that Phillips refineries in addition to producing gasolines, lubricants, fuel oils, are also gigantic chemical plants pouring out weapons for victory.

PHILLIPS PETROLEUM CO., Bartlesville, Okla.

FOR VICTORY... Buy U.S. War Bonds and Stamps

in no humor to argue about it. I really think though that we are going to have a pretty keen little printing establishment . . . yeah, I meant to use that word. It used to be just a print shop, but now by gosh, it's going to be an establishment. I am even going to sweep the place out once in a while.
—Briscoe County News

Have you heard this one? A sailor maneuvered his new-found blonde into a dark corner of a cafe and said to her: "Honey, I'm a man of few words. How about a little kiss?"

And she said: "Well, I'm not that kind of a girl . . . but you've talked me into it."
—Higgins News

Recent events in the war have youngsters who are in training camps worried for fear it will be all over before they get their chance. Fact is — we really believe this — these lads will have their chance. Even should there be a peace of sorts with Germany and Japan within the next six months or a year there will be plenty of dangerous policing to do, plenty of chance for adventure and travel into the far places and

things to do when these places are reached. A global war is not settled in a few weeks or a few months, not this 'unconditionally surrender' kind. While people of our type hope and pray for peace and carry on organized efforts to bring it about even during a life and death struggle such as we have now, there are peoples who thrive on war, who make it their business and the business of those families it has been for centuries.
—Homer Steen in the Floyd County Hesperian.

A Wheeler man says that in learning to manage other countries, some of our men may come home with some ideas we might use.

One Job Well Done Begets Another

THERE'S no satisfaction in all the world like the feeling of having done a job well—of being able to see the results of your work. This is one thing that all producers of useful things have in common.

And those of us whose job is production—whether of goods on farms and in factories, or of services in stores and banks and utilities—can best see the results of our work in the high standard of living which we have helped to create in America. For this standard is built on our ability to produce more per person than any other nation on earth. And the people of every country, who are looking hopefully to us for food and weapons, can count on America because it has this great productive might.

After the war is over? Many people are talking about a richer life for all of us then. And they're right! For that richer life will be brought about, not by promises, but by hard work on the part of America's producers. And they—those who grow and make and do things—can do this post-war job better if they work together and understand each other. General Electric Co., Schenectady, N. Y.

**Tax Assessor and Collector
Wheeler County, Texas**

Wheeler County Is Called On For \$4,641.00

National Goal, \$125,000,000 - Texas Quota, \$5,000,000

You are asked to take a Texan's share in the United War Chest. This fund covers solicitations for all war funds except Red Cross to Oct. 1, 1944. Your contribution is fully deductible on your income tax return, and you may pay all in cash now or spread it out over the year in partial payments. You may, if you prefer, designate that your entire contribution go to any particular agency or agencies.

Here Is How and Where Your Money Will Be Spent

I. Service to the Forces

Per Cent
Of Budget

USO. The "home away from home" for America's own fighting men, throughout the United States and from Alaska to Brazil, from Newfoundland to Hawaii, with "Camp Shows" everywhere.

49%

United Seamen's Service. Similar aid, including rest homes and convalescent centers, for merchant sailors carrying men and munitions through U-boat lanes to forces overseas.

3%

War Prisoners Aid. Educational, spiritual and recreational service in foreign prison camps, to relieve the monotony of stagnant idleness, by War Prisoners' Aid Committees.

2%

(And through other agencies, packages of food and medical supplies for Greek, Yugoslav, French, Polish, Czechoslovak and Belgian prisoners of war.)

II. United Nations Relief

AID FOR UNOCCUPIED AREAS

Our three major Allies, with great armies in the field, and with their people backing those armies with everything they have, need aid in these ways:

Russian War Relief. Chiefly medical supplies and clothing

8%

United China Relief. The money we send to China tells the Chinese people in a practical way that generous Americans are their friends.

8%

British War Relief Society. Support for hospitals, nurseries, children's homes, ambulance units, etc.

4%

RELIEF FOR OCCUPIED COUNTRIES

Food and medical supplies, so far as distribution permits, for

Greek War Relief Association
Polish War Relief
United Yugoslav Relief Fund
French Relief Fund
Belgian War Relief Society
United Czechoslovak Relief
Queen Wilhelmina Fund
Norwegian Relief
Friends of Luxembourg

12%

III. Refugee Relief

Refugee Relief Trustees. Only governments can handle the total problem of war refugees. This organization, however, can assure us of experienced and skillful aid for special groups of refugees requiring private relief.

3%

U. S. Committee for the Care of European Children. Safe refuge here for homeless children.

IV. National War Fund Campaign and Administrative Expenses

.5%

V. Contingent Fund

To meet needs which are certain to arise because of military operations, particularly as a result of reoccupation of Allied countries that are now under Axis domination.

BENEFIT BAND CONCERT

Wheeler School Gymnasium - - Tuesday Night, October 26, 8:00 o'clock

The 385th Air Force Band of Pampa will be in Wheeler to present a benefit band concert in interest of the United War Chest Drive. Admission will be 25 cents for adults and 10 cents for children. No other contributions will be asked during the program.

After the concert the band will play for a benefit dance sponsored by the local post of the American Legion. The dance will be held at the skating rink just east of the town square and all profits will be given to the United War Chest Fund. Admission to the dance will be \$1.50 for each male attending.

Book Reports Due

Students from all the English classes have been quite busy reading this week. All outside reading reports for this six weeks were due on Friday, October 22. Due to the fact that school was dismissed on Friday, the time was extended to Monday, October 25.

The student gets approximately one point for each 100 pages. The Freshmen and Sophomores are required to have twenty points for the year. The Juniors and Seniors must have thirty points, six of which must be biography and six points in the classics.

English Notes

The Senior Class has just completed its first unit in Literature, the study of the Short Story. They are now beginning the study of Biography.

The Junior class will complete the unit on the Short Story by the end of the week.

The Freshmen and Sophomore classes are still struggling with the parts of speech and subjects and predicates in grammar.

F. F. A. News

The F. F. A. boys have been putting on a new head on one of the buses this week. They also are grinding the valves to be put in the new head. This kind of work is new to most of the boys. They are getting some good experience.

Last week the F. F. A. boys initiated the following boys into the F. F. A. organization: Corky Guthrie, Bobby Rodgers, Wayne Jolly, and Johnnie Barr. Luther Etier was to be initiated, but was unable to be present. The organization is glad to have these new boys and looks forward to their going on up the ladder in their F. F. A. work.

Junior Ahler and Corky Guthrie bought some lambs last week to fatten out for their F. F. A. project. Most all of the boys have their animals and have started keeping their record on them.

Homemaking News

The Homemaking classes have been studying good grooming. These are the standards that they have set for a well-groomed girl:

1. Personal cleanliness and daintiness are the first requirements for good grooming. To be sure that she measures up to these standards every girl should begin the day with a cleansing bath and the application of a deodorant.
2. She should brush her teeth at least twice daily.
3. She should keep her hands and nails clean; nails should be well shaped, polish not chipped. To keep nails in good condition, try filing a little every day.
4. She should shampoo her hair weekly; hair style simple, and suitable for school; brush 100 strokes daily and keep it combed.
5. She should wear a very small amount of make-up, properly applied.
6. She should watch her posture, head up, chin in, shoulders back, chest out, tummy in, hips down, knees relaxed, and feet straight ahead.
7. She should see that her clothing is clean and well pressed, in good condition, suitable for the girl. Also her shoes should be polished. Each girl of the homemaking class has resolved to these standards.

The following girls were chosen by both classes as girls who practice good grooming: La Rue Cole, Mary Lee Reid, Peggy Weatherly; Barbara Ashley, Noi Lou Bolin and Nell Garner.

We Wonder

Why that Kenneth Crowder has a new heart throb? Could he be a Freshman? If the Junior class would like to have a sponsor? Do we hear any volunteers? We wonder why the

students couldn't study Friday? Could it be that they were excited over the football game that was to take place between Wheeler and Shamrock, Friday night? Why Mary Francis George was absent two days of this week? Why Wilma Jean seems so lonely every afternoon? Could it be because Donnie isn't at school? Why Harold Lee Whitner answered all the questions Friday in Literature? Could it be he studied his lesson or are love stories his favorite literature? Why all the commotion the first period after noon Monday, and why everyone was laughing? Could it have been the senior proofs? Why Guynn Edward has been absent from school lately? Why the football boys in English IV class had to bring up their English Monday? (Ask them.) Why Mr. Dyer doesn't like his pictures? I heard they looked too much like him. Why Dorothy Pond and Jr. Pendleton were standing in the hall Monday? We wonder, ask B. A. Why Neva Jane was so happy Tuesday? Could it be because the telephone operator is leaving Wheeler? How Bobby secured the pep squad that was yelling for Wheeler Friday night? Who taught Benny Westmoreland how to skate? Who Patsy thinks Delbert McWhorter looks like?

Senior Personality
Neva Jane Weatherly, treasurer of Senior class; age, 15; favorite teacher, Mrs. Brown; favorite subject, English; hobby, kodaking; favorite song, "Pistol Packing Mama"; likes, Ma's hamburgers; dislikes, hateful people; ambition, stenographer; years in W. H. S., 3.

Ideal Sophomore Boy
Hair like Bailey Jolly; height like Benny Westmoreland; face like Furman Maxwell; eyes like Delbert McWhorter; personality like Leon Weatherly and dress like Corky Guthrie, and physique like Donald Reeves.

Hobo Party
A Hobo Party was given Tuesday evening at 9:00 for the Senior class at the home of Louise Tillman. Various games and a scavenger hunt were enjoyed. Refreshments were served to the Seniors and their sponsor. After the party the hobos went skating.

Sgt. and Mrs. H. A. Whitner, the former Mary E. Marrs, visited school Monday. Hiram is stationed at Las Vegas, N. M. She is going to school at Canyon.

Mrs. C. S. Dison of Amarillo is visiting her son, R. J. Dison, and family this week. Mr. and Mrs. Dison's small son, Jerry Mac, has been ill the past few days but is better.

Freshman News
The Freshman Class met Oct. 15, 1943 and elected Mr. English for their class sponsor. They also elected Clyde Revious as their vice-president. President Patricia Adams appointed Peggy Weatherly, Charlene Bradshaw, Florene Jackson, and Clyde Revious, as a social committee to arrange a Halloween party.

The Sophomore News
The Sophomores had a party Wednesday night to which all football boys were invited. It was given by Edna Helen Farmer. Later they had a skating session at the rink.

Ideal Sophomore Girl
Hair like Edna Farmer; face like Patsy Wiley; figure like Coene Carter; personality like Mary Alice Waters; eyes like Dolly Douglas and dress like Iris Conner.

Overweight Oil makes Old Cars Older—Fast

Note how Light a grade of oil can make good, with your engine Winter OIL-PLATED

You can change to an OIL-PLATED engine by changing to any grade of Conoco Nth motor oil—from lightest to heaviest—and you can change to any grade of Conoco Nth at the same popular price. But the lightest possible grade of oil that's fit for the Winter change your car needs now will help to save your battery—your gasoline—your engine. The more the oil is overweight the greater the wear, and when that makes you try still heavier oil you get still more wear—still more oil and gasoline consumption—worse and worse and worse. Short-circuit this ruinous process by having your engine OIL-PLATED.

OIL-PLATING is distinct from the familiar liquid type of high-strength oil film also provided by Conoco Nth oil. Both oil film and OIL-PLATING are paired against wear every mile. Every time your engine rests, however, any liquid film drains down to the crankcase. But OIL-PLATING doesn't all drain down. It tends to stay wherever attached by Conoco Nth oil's "magnet-like" action—achieved synthetically. Often now you don't use your car for days. Yet when you start, the OIL-PLATED surfaces are still ready-lubricated... "faster than instantly." That's how the former fierce wear of cold starting is reduced by OIL-PLATING your engine. All other wear, too, meets its match in your OIL-PLATED engine. Change at Your Mileage Merchant's Conoco station—today. He knows the lightest grade of Nth for you. Continental Oil Co.

Dread Engine Acid is Fought by OIL-PLATING

Normal combustion always leaves acids inside of your engine when it stops.

Formerly it seldom stood idle long. Soon mileage and speed heated your engine enough to oust acids.

But nowadays rationing may force long rests, while corrosive acids gnaw. To combat corrosion, metals are plated. You combat acid corrosion with your engine OIL-PLATED.

Mrs. J. M. Lawrence was a business visitor in Fort Worth, Saturday. Her sister, Mrs. C. C. Tuttle, accompanied her home Monday for a week's visit.

Mr. and Mrs. Robert Wright of Beeville are guests in the home of her parents, Mr. and Mrs. P. H. Schaub, this week. Mr. Wright will go to Lubbock Sunday for induction

in the armed forces. Mrs. Wright will stay with her parents for the present.

MRS. J. M. PORTER HOSTESS TO THE PENHANDLERS CLUB

The Penhandlers club met in the home of Mrs. J. M. Porter Friday, Oct. 15, with a covered dish luncheon, and the regular club program was given.

At 2:30 p. m. open house was held in honor of Miss Laura V. Hamner. Mrs. Wm. F. Locke of Miami, Texas gave outlines and highlights of "Short Grass and Longhorns," Miss Hamner's latest book.

Several musical selections and a solo were rendered by Miss Alice Porch.

Mrs. Clyde A. Whittle presided over the punch bowl. A variety of cookies and mints also were served. The famous Oscar Nicholson dahlias, gathered especially for the honoree, graced the center of the lace covered table.

Miss Hamner, in her gracious manner, gave a few pointers to the writers, including the business transactions and mileage covered in securing her materials, giving Oklahoma Press credit for the widely published edition.

Over 50 guests were received by the hostess who was assisted by Mesdames Porch, Fleener, Harvey, Trostle and Caperton.

Out of town guests were: Mesdames Milo W. O'Laughlin, Wm. F. Locke, Ocie B. Wilson, Miami; Garland Keys, Jno. Dunn, Jack Davis, Emmett Tabor, Mobeetie; Homer Mathews, Jowett; T. E. Trostle, M. M. Baxter, Jim Caperton, O. T. Nicholson, G. H. Aldous, A. R. Huggs, George Porch, Margie Fleener, John B. Harvey, Frank Debose, S. P. Britt, C. A. Whittle and daughter, Annette, and Miss Alice Porch, Shamrock.

MARY ELIZABETH MARRS IS BRIDE OF SGT. WHITENER

Miss Mary Elizabeth Marrs and Sgt. Hiram Whitener were united in marriage Tuesday evening, October 19, in the home of her parents, Mr. and Mrs. L. C. Laffin, with the immediate families of the couple attending. Rev. O. O. Holladay, local Baptist minister performed the ceremony. Mrs. Whitener was a member of the '43 class graduating from Wheeler High School and is at present attending W. T. S. C., Canyon, Texas.

Sgt. Whitener, youngest son of Mr. and Mrs. C. A. Whitener was also a member of the '43 class, but volunteered his services in the armed forces 14 months ago.

After the wedding ceremonials a delicious dinner was served. The couple will have a brief honeymoon after which the bride will resume her studies at Canyon, and the groom will go to Salt Lake City, Utah, for further training in the U. S. Army.

Mr. and Mrs. John Gilliam and baby of Shamrock, were visiting relatives and friends in Wheeler, Tuesday.

Mrs. Mary Redding of Mobeetie was a business visitor in Wheeler Tuesday afternoon.

MOVIE CHATTER

(By a Rogue)

The Ox-Bow Incident

Friday-Saturday, October 22-23, brings an old favorite to the screen in The Ox-Bow Incident. It is none other than your friend and mine, Henry Fonda who will be remembered for the part he played in the Jesse James pictures. Henry Fonda played the part of Frank James in both of these pictures, and we believe that he will have just what you are looking for in Ox-Bow Incident which has an early American, pioneer type, background.

My Friend Flicka

Prevue-Sunday-Monday, October 23-24-25, brings another Technicolor picture to the screen. This time it is My Friend Flicka and it is all about a boy and his horse, Flicka. And

Mr. and Mrs. Pierce Walker visited with Mrs. Eula Trimble, Sunday afternoon.

Mr. and Mrs. Tom Hathaway visited in the Wayne Roper home Sunday evening.

Cpl. Ramon Puckett, who is stationed at Dalhart, and Mrs. Puckett are visiting relatives and friends here this week.

Mrs. Webb Taylor and Laura Belle of Quitaque are spending this week in the parental, W. H. Roberts, home.

LOCAL NEWS ITEMS

Mr. and Mrs. Ansel McDowell and sons visited her parents, Mr. and Mrs. S. K. Parsons, Sr., in Wellington Sunday.

Mr. and Mrs. Grant Beck of Dumas visited their parents, Mr. and Mrs. D. C. Sims and Mr. and Mrs. Ernest Beck, last week end.

Lt. Anderson left for camp Sunday.

again we repeat the oft made remark: "If it's in Technicolor, it's gotta be good." We can personally guarantee this one to you because the boy might be just anybody's boy, and who does not like a horse? The stars are Roddy McDowell, Preston Foster and Rita Johnson and prevue tickets go on sale at 10:00 p. m. Saturday.

The Youngest Profession

Something new has been created in the form of a motion picture, and that something will be found in The Youngest Profession which comes to the Rogue Theatre Wednesday-Thursday, October 27-28. The stars are Virginia Weidler, Edward Arnold and John Carroll. The guest stars are Greer Garson, Walter Pidgeon, Robert Taylor and Lana Turner. Now do not ask us what we mean by guest stars. You will have to come out and see the picture, and we guarantee that you will be well pleased. It is really a NEW type picture.

day. Mr. and Mrs. Clyde Bullock took Pfc. Bullock to Childress Sunday afternoon and Mr. and Mrs. Luther Bullock and son, Stanley, took Pfc. Shinn to Shamrock Sunday night.

Agnes Reynolds was a Wheeler caller Monday.

PAKAN HOME DEMONSTRATION CLUB MAKE CHRISTMAS GIFTS

Empty spools from thread, tin cans clothes pins and paint were some of the articles used to demonstrate the making of toys for home use as Christmas gifts when the Pakan Home Demonstration Club met Thursday night, Oct. 14, at the home of Louise Risian.

Empty spools were strung on heavy cord and made in the shape of a doll which could be used for a small child's toy.

Feed sacks were mentioned to be used for making cuptowels, lunch cloths, and pillowslips. Protectors for suits, and woolen clothes which are kept on hangers which can be used as gifts were demonstrated.

The following officers were elected for 1944: president, Mrs. Ruby Johnston; vice-president, Mrs. W. A. Allen; secretary - treasurer, Miss Louise Risian; council delegate, Mrs. Cecil Seago.

The next meeting will be the afternoon of October 22 at the home of Mrs. J. W. Stauffer and May Ruth. Miss Scales, County Home Demonstration Agent, will be with the group and give demonstrations on set-in pockets, plackets and sleeves.

All members are asked to be present and visitors are always welcome.

Those present at Thursday night's meeting were: Mrs. W. A. Allen, Mrs. W. L. Walker, Mrs. Ruby Johnston, Mrs. Cecil Seago, Mrs. Joe Kilman, Mrs. J. W. Stuffer and May Ruth and Louise Risian, hostess, members; and Mrs. R. A. Salsar, a visitor.

BILLIE CANDLER NAMED ATHLETIC TEAM CAPTAIN

Billie Candler of Mobeetie, freshman student in North Texas State Teachers College, has been named one of the eight team captains in the wartime intramural athletic program at the Denton college.

The program is designed to take the place of intercollegiate athletics, which have been abandoned for the duration at NTSTC. Eight teams have been organized and will compete against each other for championships in various sports. Contests are staged each Monday, Wednesday, and Friday afternoons on the college athletic fields from 4 to 6 o'clock.

Candler is working toward a bachelor of science degree with a major in engineering and is the son of C. H. Candler of Mobeetie.

S 1/c Ollie (Pete) Burton has returned to Norman, Okla., after a seven-day leave with his mother, Mrs. George Lamb, and family and other relatives. Mrs. J. E. Willard went as far as Britton, Okla., with Pete to visit her sister, Mrs. Tom Wilson. Junior Naise, who has spent the summer with his grandfather Willard, also returned with them to his home in Oklahoma City.

Mr. and Mrs. J. E. Willard and Elva had as their week end guest, Pfc. Victor Sterndel, Pfc. Bill Ser-ville and Pfc. and Mrs. Shirley Teasley. Mrs. Teasley is a niece of Mr. Willard and a granddaughter of G. O. Willard. They also visited other relatives. The men are stationed at Fort Sill, Okla. All returned to Fort Sill Sunday night.

Mrs. M. McIlhane visited relatives in Shamrock, Sunday.

Mr. and Mrs. Ben Wofford and family visited relatives in Wheeler Sunday.

Mr. and Mrs. Raymond Waters and sons, Paul and Bill, and daughter, Mrs. T. C. Davis, of Lubbock spent Sunday in the home of Mr. and Mrs. Ernest Dyer.

Pfc. Alvan Hampton has returned to Orlando, Fla., after a short visit with his wife and son, and parents and other relatives.

J. P. Meek of Childress is visiting his daughter, Mrs. Fred Farmer, and family and other relatives this week. S 2/c Ollie Burton of Norman, Okla., is visiting Mrs. Geo. Lamb and family this week.

Sgt. Hiram Whitener of Las Vegas, New Mexico, is visiting his parents, Mr. and Mrs. Arthur Whitener. He will go to Salt Lake City from here for further training.

Mr. and Mrs. Tobe Giles of Borger were in town Saturday. They were enroute to Hollis.

S. S. McColgin of Reydon visited Mr. and Mrs. Fred Ashley Saturday.

Pfc. Nordo and wife of Pampa left Friday for Philadelphia, Penn., to visit his parents and other relatives. Mrs. Nordo is the former Gene Anglin of Wheeler.

Mr. and Mrs. Robert McCain and son of Pampa were Sunday dinner guests of her parents, Mr. and Mrs. Loyd Anglin.

Mr. and Mrs. T. T. Patterson received word that their son, Pfc. Clifton Patterson, is seriously ill with pneumonia at Camp Callan, San Diego, Calif.

Mr. and Mrs. Weaver Barnett were business visitors in Wheeler Monday. Mr. and Mrs. Luther Parks made a business trip to Pampa Friday.

Sgt. May O. Mitchell of Portland, Oregon, is visiting her parents, Mr. and Mrs. C. D. Mitchell, this week. Sgt. Mitchell enrolled January 30th in the Women's Army Auxiliary Corps.

Lt. John Q. Anderson of Ft. Jackson, S. C., Pfc. Clayton Shinn of Amarillo and Pfc. Clyde Bullock of Camp Barkeley spent the week end with relatives and friends in Texola and the Davis community.

D. A. Johnston, Abe Johnston and Mrs. Batten of Electra are visiting Mr. and Mrs. Floyd Pennington and son, Sgt. William E. Pennington, this week.

Mr. and Mrs. H. B. Guynes and daughter, Karmen, were week end guests of their parents, Mr. and Mrs. H. B. Guynes, and Mrs. Vera Jamison.

Mr. and Mrs. Ralph Griffiths went to Amarillo Tuesday on business. The Baptist WMU met Monday afternoon in the Red Cross room. Those attending were Mesdames George Porter, Mrs. A. C. Wood and Mrs. C. N. Wofford.

The Methodist WSCS met in the church parlor Monday afternoon for their second study on peace with

Mrs. H. E. Nicholson as leader. Those attending were Mesdames H. E. Nicholson, Loyd Davidson, D. A. Hunt, J. M. Porter, Luther Parks, Ralph Griffiths, Clarence Robison, J. A. Bryant, Albert Hayter, J. A. English, Pete Mayfield, H. M. Wiley, and Miss Evonne Hubbard.

Ernest Lee was a business visitor in Elk City, Okla., Tuesday.

NEWS IN THE WORLD OF RELIGION By W.W. REID

A blood-typing registry has been opened in the parish house of the Episcopal Church of the Incarnation, Atlanta, Ga. It is operated by the Woman's Auxiliary of the Fulton County Medical Society, and will secure persons for blood typing for emergency transfusions. Everyone of the city is invited to call and be typed. One receives a card to keep on his person so that in case he is injured and needs blood it can be determined from his card just what type to call for; or he may be called upon to give blood to another.

"One of the tasks of the rural church is to bring about proper relationships between the seen and the unseen, the material and the spiritual," says Dr. A. H. Rapping, rural authority of the Methodist Church. "Man cannot live by bread alone, but he cannot live without bread. As we no longer plant potatoes by the moon, we need to develop a church that parallels in efficiency that progress made by scientific agriculture and that relates itself to the needs of men."

War and defense efforts in Detroit and vicinity have augmented the population of that city by more than 370,000 people, according to Dr. Frederick G. Poole, a leader in religious education. Of this total, more than 60 per cent are of the Protestant faith. This means, he computes, that the equivalent of more than 300 churches (averaging 700 members per church) have been added to the population. "Where are they and who is caring for them?" he asks, pointing out that the four major denominations serving the city have opened a few new small churches, and a few church schools, reaching less than one-tenth of these people.

One of the most decorated of American missionaries, Sam Higginbottom, Philan. D. L.L.D., L.H.D., principal and founder of Allahabad Agricultural Institute, India, has been awarded a gold bar to the Gold Kaiser-I-Hind medal given him by the British Crown in 1924. Dr. Higginbottom, a missionary in India of the Presbyterian Church, received also the King George Silver Jubilee Medal in 1935, and the Coronation Medal in 1937 — all for his service to agricultural development and education in India. He retires this year after forty years of service in Allahabad.

"The friendly, democratic spirit of the American troops in India has created a very favorable attitude toward America and things American," says Dr. Marvin H. Harper, of Washington, Ga., Methodist missionary-educator in Jubulpore, India, recently returned to America on furlough. "We certainly hope the Christian church in America will recognize this as creating an unusual opportunity for a more extensive missionary program in India than we have ever carried on before. The visit of Christian Generalissimo and

National 4-H Week Set For November 6-14

Texas' 103,000 4-H Club members will join a million and a half fellow members in the observance of National 4-H Club Achievement Week scheduled Nov. 6-14. Club boys and girls, local leaders and sponsors, and county Extension workers now are making their plans for the observance with the assistance of the three 4-H club agents of the A. and M. College Extension Service, L. L. Johnson, Onah Jacks and J. W. Potts.

Purpose of the national week is to help 4-H members evaluate their war-time achievements, develop their plans for a greater year in 1944, and to give recognition to outstanding individuals and groups. Appropriate awards of honor are being provided by the Texas Extension Service for distribution during the week.

In Texas, thousands of 4-H members are meeting their pledge to "feed a fighter and myself in '43." They have helped produce and conserve food and feed. They buy war stamps and bonds and sell them to others. They have made outstanding contributions to the collection of scrap, state reports show. In addition to training for good citizenship, 4-H members help interpret the nation's war program to the community, practice democratic procedures, and help guard their own health and welfare and that of the community. Extension workers agree one of the greatest 4-H war-time contributions has been in helping solve the farm labor shortage.

One example of this was revealed when members of the Center Girls' 4-H Club in Wheeler county "surveyed themselves." There are 11 members and all had raised a garden or helped with the family garden. Nine had helped with home canning, four cared for a poultry flock, six had hoed and four had driven teams regularly, while one took her brother's place on a tractor. Four kept house and prepared meals while their mothers worked in the fields.

Madame Chiang Kai-shek to India also helped the Christian cause, for Indian nationals saw in them the highest embodiment of Oriental Christianity. If the Allies can take a Christian stand during the days of peace-making, the open doors should be even more numerous.

"The sympathy and practical assistance given so generously by the American Catholics to your fine missionaries who are succoring my people in war-torn China are deeply appreciated," Madame Chiang Kai-shek recently wrote to Bishop Paul Yulin, Vicar Apostolic of Nanking, China, now on a visit to the United States. "All of us who have come into contact with your missionaries are impressed with their selfless devotion to the alleviation of human suffering and the elevation of man's spiritual potentialities."

A correspondent of the International Missionary Council, reporting from New Caledonia, former French penal colony in the South Pacific, says: "For some time there has been no appeal for funds from this field. One reason is the generosity of the native Christians who not only sup-

Have a "Coke" = Auld Lang Syne

... or how to welcome a returning hero

He'll be looking for the old familiar things—the gang at the corner store, his old room, the family radio. That's why Coca-Cola makes such a perfect welcome. He learned to like its ice-cold refreshment in his boyhood. In camp and overseas it helps him make new friends. On his return it says to him, Son, you're home again. In all the world there's no better way to say Auld Lang Syne than that simple American phrase—Have a "Coke".

"Coke" = Coca-Cola
It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY

District Court

(Continued from First Page)
and the week in which each group was to serve had to be designated. Generally speaking, court could only be held during the allotted seven weeks and jurors drawn for a particular week could only be used for that week.

Now court remains in session from one term to the next, that is in continuous session. That does not mean that court is actually being held in Wheeler County every day but that it may sit at any time that the business of the court may require. It is expected that most of the cases on the docket still must be tried during the early weeks of each term as formerly, but it may be, and already has been convened at other times during the continuous term.

As to jurors, the commission now select a suitable number of lists of jurors will serve. The same is true weeks that jurors will be required for the coming term but do not designate when or what week these jurors will serve. The same is true of the grand jurors. At any time, when the court sees from the docket that a jury will be needed for a particular week, the Clerk on such advice will open the next unused list of jurors, and give same to the sheriff for summoning. Under this procedure only one list of jurors will be opened at a time.

Every one connected with or having business in the court has already appreciated the improvement in the new procedure, which will no doubt save valuable time of litigants and jurors as well.

The court has instructed the clerk to have the Grand Jurors summoned for the first week, and the Petit Jurors for the second week of the coming term, which will convene on the 8th day of November. Business pending before the court requires a selection for these particular weeks. The grand jury may re-convene at any time during the lengthened time that business requires their use.

STITCH AND CHATTER CLUB WORKS ON RED CROSS QUILTS

The Stitch and Chatter club met Thursday of last week in the home of Mrs. Bill Black. Those attending were Mesdames Frank Noah, D. O. Beene, S. P. Hodnett, Annie Savage, Mrs. Ayers, and the hostess, Mrs. Bill Black. One quilt was pieced and one hemmed for the Red Cross. The next meeting will be held at the home of Mrs. H. H. Walser.

Plans Made

(Continued from First Page)
campaign will raise money for 17 participating agencies.

It is the first time that the national program has been worked out on a strictly business-like basis so that there will be no waste of money or manpower, no duplication of effort, and that every person may know his money is being used as it was intended.

These are the participating organizations:

- U. S. O.
 - United Seaman's Service
 - War Prisoner Aid
 - Belgium War Relief Society
 - British War Relief Society
 - Dutch War Relief
 - French War Relief
 - Friends of Luxembourg
 - Greek War Relief Association
 - Norwegian Relief
 - Polish War Relief
 - Russian War Relief
 - United China Relief
 - United Czechoslovak Relief Fund
 - United Yugoslav Relief Fund
 - Refugee Trustees
 - United States Committee for the care of European Children
- Some of these are less well known here than others. All are worthy. Each was carefully studied and approved before it was included on this list.

Not included is the Red Cross, which will conduct its separate campaign next spring.

Hospital News

Mr. and Mrs. Jim Helton of Briscoe are the parents of a son born October 10. He has been named Jimmie Carroll.

Mr. and Mrs. Frank Risner of Allison are the parents of a son born October 12.

Zora Jackson of Lela entered the hospital for treatment October 12.

J. W. Hooker entered the hospital for treatment October 12.

Mrs. J. M. Turner and daughter, Joyce, and Esther June Mullinax of Pampa, spent Saturday night and Sunday with Mrs. Turner's parents, Mr. and Mrs. J. D. Merriman. Other Sunday visitors in the Merriman home were Wayland Merriman, James D. Merriman, and Marie Hall of Lubbock, Herman Ray Van Sickle, Kenneth Van Sickle of Pampa and P. F. Dunkle of Alanreed.

News From The County Agent's Office

BY J. L. TARTER

Wheeler County a Drought County

The War Food Administration has designated Wheeler County as part of the North Texas section known as the "Drought Area." This designation will be of some value in securing shipments of corn, feed wheat, and protein feeds. The Commodity Credit Corporation will distribute the supplies available under the program. The area will secure some additional soybean meal from outside areas, feed wheat sales will be continued.

A nation-wide protein program is expected at any time now, it is hoped that the situation will be somewhat improved.

Poultry Conservation For Fall and Winter

The poultry numbers on farms is about one third above the number on farms last year. At the same time the available feed supply is considerably below last year. Unless some adjustments are made, we are faced with a serious problem of trying to make some feed go a long way with too many birds.

The annual loss of poultry feed in Texas amounts to about 20 per cent. This can be reduced by following the suggestion of good management:

1. Space 1 inch per chick, 2 inches for growing birds, 3 inches for laying hens.
2. Do not fill feeders too full. Fill often.
3. Provide feeders with one-half inch lip on edge to prevent billing feed out.
4. Protect feed and feeders from wind and rain.
5. Prevent crowding by filling houses to capacity only.
6. Provide green feed to replace some of the other grains and proteins needed and to supplement vitamin in mash.
7. Control rats. Heavy losses occur from this pest.
8. Cull all non-producers and sick birds as they appear in the flocks. This can save 100,000,000 pounds of feed annually in Texas.
9. A 5 per cent reduction in chick and growing stock losses can save 5,000 tons of feed annually in Texas.
10. A 5 per cent reduction in laying-house mortality will save 30,000,000 pounds of feed annually in Texas.

LEGAL NOTICE

(First Published in The Wheeler Times September 30, 1943) 4t

CITATION BY PUBLICATION

THE STATE OF TEXAS TO:

T. W. Turner, GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 15th day of November, A. D., 1943, at or before 10 o'clock A. M., before the Honorable District Court of Wheeler County, at the Court House in Wheeler, Texas.

Said plaintiff's petition was filed on the 30th day of September, 1943. The file number of said suit being No. 3476.

PRESCRIPTIONS
FILLED WITH
PROFESSIONAL
ACCURACY

Safeguard your family's health . . . be sure that every prescription that your physician gives you is skillfully filled by an expert, professional pharmacist. Our long reputation for absolute reliability is your best guarantee of safety. And the accuracy of your prescription . . . and the freshness and purity of the drugs and medicines which are used is just as important as the skill and knowledge of your physician. Consult your doctor at the first sign of illness . . . and then bring us his prescription to be accurately filled.

MORE FUN FOR A PARTY

The party's more fun, of course, if everything's a bit "wacky." Silly hats and caps, crazy games, funny faces, noisy horns.

Come in today and make your selection.
