Quarter-Final Games Will Be Broadcast

Three Texas radio networks, with a combined total of 31 stations, will broadcast the quarter-final games in the playoff for the Texas high school football championship. This year three quarter-final games will be played on Saturday afternoon. Outstanding sports announcers and color men have been employed to handle the broadcasts.

Amarillo meets San Angelo in Butler stadium at Amarillo. Start of the game is set for 2:30 p. m. Vex Box is slated to handle the play-by-play reporting with Dave Chapman handling the color broadcast, starting at 2:20 p. m. The following stations will carry this game: KFDA Amarillo, 1230 kc.; KGNC Amarillo, 1440 kc.; KGKL San Angelo, 1400 kc.; KFYO Lubbock, 1240 kc.; KEST Big Spring, 1490 kc.; KRLH Midland, 1230 kc.; KKXX Sweetwater, 1240 kc.; KRBC Abilene, 1450 kc.; KWFT Wichita Falls, 620 kc.; KVWC Vernon, 1490 kc.

In an all-Dallas game to be played at Dal-Hi field, Dallas, Sunset High will tackle Highland Park at 2:30 p. m. Saturday. Chas. Jordan will do the play-by-play reporting while Al Godwin handles the color. Six stations will broadcast this game, as follows: KRLD Dallas, 1080 kc.; WRR Dallas, 1310 kc.; KPJZ Fort Worth, 1270 kc.; KRRV, Sherman, 910 kc.; KPLT Paris, 1490 kc.; KCMC Texarkana, 1490 kc. The broadcast will start at 2:20 p. m.

Lufkin High will tackle Breckenridge High at Buckaroo stadium, Breckenridge at 2 p. m. Saturday, with the broadcast scheduled to start ten minutes earlier at 1:50, over a network of 15 stations, as follows: KGGK Fort Worth, 570 kc.; KAND Corsicana, 1340 kc.; WACO Waco, 1480 kc.; KTEM Temple, 1400 kc.; KNET Palestine, 1480 kc.; KRBA Lufkin, 1340 kc.; KGKB Tyler, 1490 kc.; KFRO Longview, 1370 kc.; KNOW, Austin, 1490 kc.; KTRH Houston, 1320 kc.; KXYZ Houston, 1470 kc.; KTSB San Antonio, 590 kc.; KRIS Corpus Christi, 1380 kc.; KRGV Waco, 1290 kc.; KFDM Beaumont, 590 kc. Announcing the play-by-play broadcast will be Dave Russell with George Harding beside him to handle color.

Semifinalists Will Emerge This Week

By HAROLD V. RATLIFF
Associated Press Sports Editor

Austin's Maroons, who took a beating and profited to the extent of galloping into the Texas school-boy quarter-finals, meet another team that did an about-face in early season when they tackle John Reagan's mighty Bulldogs tonight.

It's the first of four games that will trim the championship field to the penultimate round. When Austin lost to Temple 7-0 in the second game of the season most of the critics said that was that. But two weeks later Stan Lambert's boys bounded back into the spotlight by downing the Waco Tigers.

Since then no team has come close to stopping them. John Reagan started off with unsatisfactory ties to Breckenridge (San Antonio) and Classen of Oklahoma City. Then Coach Lamar Camp switched from a double wingback to a single wingback shifting from T formation and like Austin the Bulldogs couldn't be stopped after that.

While Reagan probably will be favored to beat the Maroons with their great back, the 190-pound ten-second man, Wilton Ferrell, in high fettle, the critics expect this to be one of the season's thrillers. Even the betting odds are as short as a burr-head haircut.

The three other games are all scheduled Saturday with Amarillo's powerhouse Sandies meeting San Angelo, Lufkin battling Breckenridge and Sunset and Highland Park mixing up in a family squabble at Dallas.

The Dallas tilt is the only one matching undefeated teams. Highland Park was tied last week by Denison but won with a penetrating Sunst. Sunst had only one close game—a 7-6 decision over Pampas.

While Sunset generally will be favored because of its weight and power, Highland Park is marked down as a very dangerous contender indeed. It has speed to burn and a line that gets misperly when the chips are down.

The top scoring battle is expected to be the Breckenridge-Lufkin affair at Breckenridge. Here are teams of opposite type that have been rolling up the points with reckless abandon. Lufkin appears to be meeting its greatest test of the season. No other team has come closer than three touchdowns to the surging Panthers.

Breckenridge relies on a terrific ground game with Jack Ray and Norman Carey leading the way. Lufkin has a good running attack but shines in the air with Jitter McKinney, one of the truly great backs of the season, as the spark. You can get quite a few points on Amarillo over San Angelo. The general attitude is that the Sandies would have too much power for the Bobcats even if they were not playing at home. Comparative scores, if you believe in them, do not carry out this idea. Amarillo is undefeated and untried but against similar opposition showed little better than the Bobcats.

This corner hit seven out of eight last week (the loss was the major game when Wichita Falls failed to beat Amarillo). Here's how they look this time (anticipated attendances in parentheses): Friday: John Reagan (Houston) at Austin, 8 p. m. (8,000) — we'll take Austin by a whisker. Saturday: San Angelo at Amarillo, 2:30 p. m. (8,000)—Amarillo by several whiskers; Highland Park vs. Sunset at Dallas, 2:30 p. m. (10,000)—Sunset in a tight one; Lufkin at Breckenridge, 3 p. m. (8,000)—a meek vote for Lufkin.

Manpower Rules Will Change The Baseball Lineups

NEW YORK, Dec. 11 (AP)—Doubt that baseball players who have taken defense jobs this winter will all be back with their clubs next spring was expressed today by Branch Rickey, president of the Brooklyn Dodgers.

Discussing baseball's place in the war effort at a press conference, Rickey said, "I think the government wants to see the sport continued, but I think we must do it with men the government doesn't want—men who would be idle otherwise. A very radical thing has been done in the last ten days. The government now can tell people where to work and where not to work."

"As for its concern with baseball personnel, I don't see it now as a problem of calls by the army, navy, etc., but the problem of shifting men from non-essential to essential industry."

"I know a number of ball players have taken up various kinds of other work this winter. Some of their jobs may be of great importance to the war effort and others may not. But it is conceivable that many of those now working will be held in essential industry. We'll just have to get along with what we have."

Rickey disclosed that one of the Dodgers' brightest stars has just about crossed the threshold of the army. Pete Reiser, the flashy young centerfielder, took his physical examination last week and was re-classified J-A. His draft board in Brooklyn said he probably would be inducted about January 1. He married last spring but previously had been classified 3-A for helping support his family.

S'west Loop Due To Play Freshmen

DALLAS, Dec. 11 (AP)—Today's schoolboy athletes will be tomorrow's college varsity performers—and you can take that literally in the Southwest conference. Faculty representatives of the conference, arriving today for their fall meeting, conceded that freshmen not only would be playing varsity football next season but would be made eligible for spring sports in view of the draft situation.

Those sports are likely to be sharply curtailed, but there are high hopes that the football campaign could be conducted next fall although it was felt intersectional games would be ruled out.

Coach Leo Meyer of Texas Christian advocated a round-robin home-and-home schedule inside the conference and James H. Stewart, Southern Methodist mentor, thinks if there are non-conference games they should be with the smaller colleges of the state. The state-supported schools are not greatly bothered by curtailed crowds and reduced revenue but for the others it's quite a problem in view of an anticipated decrease in enrollment when the teen-age draft hits in full force.

Meeting at the same time tomorrow as the faculty representatives who are headed by conference President J. S. Waterman of Arkansas will be the athletic directors, business managers and coaches.

UCLA Confident Of Win Saturday

LOS ANGELES, Dec. 11 (AP)—All set for the game of their lives, the UCLA Bruins are fully confident they can overcome an eight-year hoodoo and crash the Rose Bowl by beating Southern California tomorrow.

"If we are ever going to do it, this is the year," Coach Babe Horrell has confided to intimates.

Center Steve Bianchi and Norm Verry, 235-pound tackle, although listed as Trojan starters, may not be able to last because of injuries suffered in the Notre Dame imbroglio.

The Bruin camp is confident. The players say that Trojan "luck" is running out.

Alexander Of Georgia Tech No. 1 Coach

NEW YORK, Dec. 11 (AP)—William A. (Bill) Alexander of Georgia Tech was named "Football Coach of the Year" today by the New York World Telegram as the result of its annual poll of head coaches of the nation's colleges and universities.

The Atlanta veteran, head coach at Georgia Tech since 1929, received 73 first-place votes out of the 180 ballots cast.

Paul Brown of Ohio State was second with 38 first-place votes, followed by Harry Stuhldreher of Wisconsin with 14 and Henry Franks of Tulsa with 11. Only first-place ballots count in the newspaper's poll.

Alexander is the eighth coach to be honored in the World Telegram's annual football feature. Previous winners were Lynn Waldorf, 1935; Dick Harlow, 1936; Hooks Mylin, 1937; Bill Kern, 1938; Dr. Eddie Anderson, 1939; Clark D. Shaugnessy, 1940, and Frank Leahy, 1941.

Although Alexander was forced to leave the Georgia Tech team in mid-season because of illness, coaches recognized it was his masterful touch that enabled the Engineers to win nine of their ten scheduled games, the newspaper said.

Tech, which lost only to an aroused Georgia team in the final game of the campaign, now is preparing to go to the Cotton Bowl where it will meet Texas in the annual New Year's day feature.

Tulsa Will Hurl Plenty Passes At Tennessee

KNOXVILLE, Tenn., Dec. 11 (AP)—The New Year's Sugar Bowl classic may develop into an all-out passing offensive by Tulsa's Hurricane against a Tennessee team which is tops on defense.

Tulsa's passing perhaps is the best in the nation, outstripping by far anything Tennessee has offered along the sidelines this year. The Volunteers' major weapon against aerial bombs is rushing and blocking, designed to convert would-be bombs into duds.

In ten games this season opponents tried 147 passes against Tennessee, connecting with 63 for a net gain of 724 yards—but 21 or more yards were intercepted by alert Vol backs and linemen.

Tennessee isn't any slouch when it comes to this passing game, as Tulsa mayhap will learn at New Orleans. The Vols have attempted but 127 passes this year for 62 completions and 1,028 yards gained thereby. Only nine aerials were intercepted by opponents.

Houston Bowler Favored For Title

CHICAGO, Dec. 11 (AP)—Buddy Bomar, the Houston, Texas, bowling wizard who has rolled 25 perfect games in his spectacular career, was the favorite today to win the national match game championship of Chicago's all-star tournament.

After a 30-game grind through an elimination field of 100, Bomar emerged last night with a 6328 total—an average of 210.93.

The slender Texan headed a list of 12 competitors who today will enter round robin matches totaling 72 games with the champion being determined Sunday.

Pro Football May Suspend For Duration

NEW YORK, Dec. 11 (AP)—After a session of listening to some of the National Football League's "smart guys," who can see the handwriting on the wall, you were left with the idea today that the gridiron's top professional loop probably will close up for the duration.

The chief reasons for suspension of the circuit—as now appears likely—are (1) the fact that playing material next fall is going to be a lot scarcer than it was in '42—which was bad enough, the coaches tell you—and (2) the fact that the loop's moguls don't need a crystal ball to figure out fans aren't going to force anyone to hang out the S.R.O. sign next fall, what with a lot of players gone to war, plus the extra difficulties of transportation.

Even the boss-man of the highly-successful Chicago Bears, George Halas—who is now teaching the Navy's V-5 fellows at Oklahoma—has been heard to tell you that pro ball, at best, would be operating under trying conditions next season, "as may be expected." So, George figures, it would be extremely difficult for the league to go through with a 1943 campaign.

This is not to say that the circuit's ten club-owners are going to announce any decision to suspend at their important meeting in Washington Monday, even though Danny Reeves, the Cleveland club owner, has indicated he'd be all for that. At this moment, the magnates are split up about 50-50 over playing next season.

The Canadian potato crop in 1942 was the largest in recent years, amounting to 43,047,000 hundredweight.

Steers Will Meet Forsan Tonight On Opponents' Floor

Boasting some valuable experience and good success since they met the Forsan Buffaloes here a week ago, the Big Spring Steers go on the road for the first time tonight for a return engagement at Forsan. The game is at 8 o'clock.

However, Coach John Dibrall was far from over-confident about the outcome, for the Buffs will be playing at home and on a court that is somewhat smaller than the local playing surface. This is no alibi in advance, said the coach, for Forsan was at as much disadvantage in acousticing itself up here as the Steers will be down there.

One thing the Steers know is that they will have to keep their eyes on a young man named Bob by Cowley. Against Big Spring last Friday he scored more than half of his team's total points and was a constant threat. Long, Buff center, failed to hit his stride and was limited to five points. Whether he can be held in check on his own court is another proposition.

The fact that they have played two games with service teams since last week ought to help the Steers a lot. They absorbed a lesson from the 812th Squadron Monday night and proved they could learn by coming from behind Wednesday night in a dramatic finish to ease out a crack officers' team, 32-30. Besides breaking even in the two games, John Dibrall's boys are better cagers for the experience.

John Urey and Red Cagle will start tonight at forwards, Peppy Blount at center, and Ernest Beckley and Dewey Stevenson at guards; for Forsan it will be Lujan and Holt, forwards, Long center, and Grant and Cowley, guards.

Convict Converted, Returns To Prison

HUNTSVILLE, Dec. 11 (AP)—An evangelist's trust in a convict was rewarded late yesterday when Carl Fulton Byars, placed on a bus at Nacogdoches, returned unaccompanied to state prison here.

Byars surrendered Wednesday to Sheriff Clint Eddings at Nacogdoches, who consented to Byars' ride without official escort after the convict had affirmed his conversion in a conference with the Rev. B. D. Clifford, an evangelist holding services in Nacogdoches.

Primo Carnera Saves Lady In Distress

MADRID, Dec. 11 (AP)—Primo Carnera, former world heavyweight champion, is credited with saving a lady in distress.

A dispatch from Rome says that he leaped to the stage and tore a constricting boa from the form of Eugide Cecchini, an actress, who was attempting to dance wrapped in the live reptile during a role in a film production.

The boa began to crush the actress, the story said. Carnera, who was among the audience, came to her rescue.

Suburbanite Knows Possess

GARDEN CITY, N. Y. — The neighbors of John E. Cahill, architect, smiled tolerantly when he told of seeing an opossum squatting on his front lawn in the moonlight. "Must have been a big rabbit or a cat—or moonshine," they said. "Opossums don't live in the suburbs." But today Cahill knew his eyes hadn't deceived him. He found the opossum—a 10-pounder—dead by the side of the road not far from his house. It probably had been struck by a car.

Cotton Farmers Vote Tomorrow On Market Quotas

Here Are Answers To Rent Questions

(This the second of a series of three articles explaining some of the provisions of Rent Control, under which Big Spring is now operating. The concluding article will appear in Sunday's Herald.—Editor's Note.)

Among the many questions asked at the Rent Control office on the sixth floor of the Petroleum building is the question concerning houses vacant March 1, 1942. The information sent from government headquarters notes that if the house was vacant March 1st, then the last rent charge in the two months prior to March 1st is the maximum rent.

Other questions are listed below with answers for aid to rental property owners and tenants. Suppose the house was vacant during the two months prior to March 1st, what happens then? And what happens if the owner occupied the house and did not rent it until some time after March 1st? In either case the rent cannot exceed the first rent charged for the quarters after March 1st.

What sort of alterations to a house or an apartment or a tenement will justify a change in the maximum rent? The regulations will permit an increase in maximum rent only if the alterations bring about a substantial change in the housing accommodations by a major capital improvement as distinguished from ordinary repair and maintenance.

Suppose the landlord is unwilling or unable to make normal repairs and keep the property up and as a result it has deteriorated substantially since the maximum-rent date? In that case, if the deterioration is more than ordinary wear and tear, the rent administrator may reduce the maximum rent.

What happens to the maximum rent when the landlord removes some or all of the furniture of a furnished apartment other than that of the tenant's request? If the maximum rent was for a furnished apartment, then the rent must be reduced.

All services provided by the landlord are controlled by the federal rent regulations. Reductions in services call for a comparable reduction in rent. Maintenance of the appearance of housing accommodations such as painting, decoration, screens, are generally considered as chief items of service provided by landlords.

With regard to evictions; it is unlawful for any person to remove or attempt to remove from any defense-area housing accommodations the tenant or occupant. The question is asked, if a tenant doesn't have a written lease, do the same restrictions against eviction hold? Yes, an agreement to rent does not have to be in written form for a tenant to enjoy all the benefits and protection of federal rent control.

If a tenant does have a lease, can he be evicted merely because his lease has expired? No, the tenant can continue occupying the quarters as long as he continues to pay his rent. Are there any conditions under which a landlord can regain possession of his property by evicting the tenant? Yes, failure to pay his rent as established by regulations; if the tenant has violated a substantial obligation of his rental agreement, such as maintaining a fire hazard on the premises; committing a nuisance or using the dwelling unit for immoral or illegal purposes; when the landlord in good faith wants to get his house or dwelling unit back for his own occupancy; or when the landlord wants to get his property back for extensive remodeling or alteration.

Thompson Cites Discrimination Against Westex Program Must Have Approval By Two-Thirds

AUSTIN, Dec. 11. (AP)—Chairman Ernest O. Thompson of the Texas Railroad Commission today complained in a statement that west Texas crude oil was being discriminated against by major purchasers who take similar type crude from New Mexico fields.

"Our objection would be met fairly by purchasers taking from Texas fields on the same basis as the do in New Mexico on like crudes comingled in the same pipe lines," he declared. Producers in the Texas portion of the Permian basin, Thompson added, were suffering from low allowances due to nominations by purchasers who dedicate demand on a contention sulphur bearing crudes of west Texas are not desirable for war needs.

"These same purchasers, however, are taking the full allowable from New Mexico on a 30-day basis," he said. It was his contention that discrimination was caused by term leases on federal lands in New Mexico where buyers desired to obtain as much oil as rapidly as possible before expiration of leases.

WAR changes a famous slogan

FOR THE DURATION, a famous and friendly slogan goes into retirement. With gasoline being rationed to lengthen the calendar life of your tires and thus conserve the Nation's wartime stock-pile of rubber, we no longer invite you to Phillips with Phillips. But you are still as welcome as ever at any Phillips 66 Service Station. The Phillips man is anxious to get and hold your business, even though your gasoline purchases are greatly reduced. If anything, he is more anxious than ever to give you those pleasant, friendly services which make your car and your tires last longer and go farther. That is his way of showing his appreciation for your business. And more, he has pledged himself to "Keep 'em Rolling", as a patriotic duty. In the meantime, hundreds of Phillips research workers and many thousands of production employees are speeding up their good work for victory. With Phillips vast resources of raw materials, their efforts have made the company one of the largest suppliers of 100 octane aviation gasoline to the Army Air Corps, the Navy, and the United Nations' air forces; have made the company an important participant in the U. S. synthetic rubber program. Remember these facts, and drive in where you see the Orange and Black 66 Shield. That's where you get Phillips 66 Poly Gas and Phillips 66 Motor Oil... two famous products which are everything you can expect in times like these, when the needs of Uncle Sam's fighting forces naturally come first. Fire Extension Ladder Used To Rethread Flag
 City firemen got to use their 35-foot extension ladder Thursday in performing a good deed.
 Noticing that Postmaster Nat Shick needed a volunteer to rethread the postoffice flag pole, Fire Chief Ollis Cordill and Fireman A. D. Meador and R. T. Hale rolled one of the trucks to the office.
 Meador climbed the remaining 10 or 12 feet to insert the new rope and the flag was flying again. It was the first time firemen had ever had occasion to use all the ladder except in practice.

State Merit System Council Leads In Applications
 AUSTIN, Dec. 10 (AP)—Ranking first in the nation in number of applications received and in number of persons applying for examinations, the Texas Merit System Council today celebrated its second anniversary.
 During the last 24 months, 55,002

applications have been received and 44,187 examinations administered, reported Administrative Supervisor J. U. Yarbrough.
 The Texas system ranks fourth in the nation in cost per application and second in cost per person applying. Dr. Yarbrough said, adding that 8,400 names are ready for certification to the state departments that receive employees through the council.

NIGHT ATTACK!

If you feel this way after reading or working awhile, perhaps you need your eyes examined or perhaps the bulb you're using is the wrong size for safe seeing. A lot of people on the home front are using their eyes as much as one-third more. That's why it's so important to guard your eyes from unnecessary strain... keep them fit to do today's vital war work.

TASK FORCE! Your eyes need all the help they can get. Don't handicap them with too little light. Clean reflector bowls and bulbs frequently. You'll get from 25% to 30% more light.

STRATEGIC MANEUVER!
 Arrange your furniture and lamps so that you can, if necessary, make each lamp provide good light for more than one person. Be sure you're close enough to the lamp; a difference of 12 inches may cut your light in half.

REINFORCEMENTS! You'll get more help for your eyes when you read, play games or sew, if your lamp shades are light-colored or have white linings. Clean or brush them regularly; or if they are too bad, replace with fresh shades.

Delivered To Your Door In Big Spring For A Full Year

This Offer Will Be In Effect for Only A Short Time

Downtown Stroller

Unless you go out Christmas shopping, you can't find anybody you know to talk to these days. The Christmas buying spirit seems to have hit Big Springers all at the same time.

Caught a glimpse of Mrs. TED GROEBEL and Mrs. CECIL SNODGRASS out shopping for gifts the other day. Mrs. WILLIAM CURRIE was also downtown with what might have been a shopping list in her hand. Mrs. H. A. STEGNER was teasing us about writing down things to buy, too, but that's the only way we've ever been able to remember what we wanted.

Remember, it used to be a girl was looking for a man tall, dark and handsome? Then it was a man with a high draft number and flat feet. Next process in the evolution was a man with a sugar card and four good tires. Now, we guess it's a man with a C sticker and five good tires.

Paid a visit to the doctor's office and got in some good visiting with JEWEL JOHNSON, Mrs. WORTH PRELLER, Mrs. FRANCES STAMPER, and MADELINE TREES. Decided we ought to get sick more often so we could see some of our chums like these ladies that we never get to visit with anymore.

Among the volunteer helpers at the ration board the other evening were HORACE REAGAN, J. W. BURRELL and O. F. PRIEST. They along with five soldiers from the bombardier school really put out the work, so ration clerks told us the next day. We think they ought to be given due recognition for their free assistance.

Mrs. Tom Tarwater Speaks To Group At Baptist Church

Mrs. Tom Tarwater, nationally famed Bible teacher, spoke to members of the Community Bible Class at the First Baptist church Thursday afternoon, using as her subject, "Victorious Living." Her talk was based on the eighth chapter of Romans.

The speaker, introduced by the Rev. Dick O'Brien, is owner of one of the largest hosiery mills in the country and travels about the United States giving lectures in Bible study.

Around 45 persons attended the meeting.

October Birth Rate Highest In 18 Years

WASHINGTON, Dec. 11 (AP)—The census bureau reported today that the birth rate in October—23.8 per 1,000—was the highest recorded since February 1924.

This high rate continues an upward trend which began eight years ago, the bureau said, and has been markedly accelerated since 1930, when the recorded rate was 17.3 per 1,000.

U. S. O Hostesses Convene

Representatives from thirty social and study clubs met at the Settles Hotel Thursday evening for a business meeting and program in connection with U.S.O. activities and hostess duties.

Ross Clarke, director expressed appreciation for cooperation in making the soldier center a success and pointed out that the center served a twofold purpose. "First, it serves as a home away from home," Clarke stated, and secondly, "it is a place where boys can enjoy wholesome entertainment and recreation."

Clarke pointed out that the Big Spring center was one of 1,000 club units of U.S.O. centers in the United States.

Helen Duley and Mrs. Mable Carter were appointed to the board of management, and the report was made that over 1,000 boys had visited the Center since it had opened. An average of 250 soldiers visit the U.S.O. each day.

Former Coloradoan Dies In California

COLORADO CITY, Dec. 11.—Funeral services were conducted at Kiker chapel Thursday for Carl Henry Adams, 52, who died in Pasadena, Calif., Saturday, December 8. Adams, formerly of Colorado City, had been making his home in California for the past six years.

He was born in Comanche county, February 7, 1910, and was married in 1930 to Pearl Garner in Lovington, N. M. His wife and four children, Girene, Bobby, Jean and Joan, his mother, Mrs. W. J. Adams of Midland, and the following brothers and sisters survive him: Clyde Adams, de Leon; John Adams, Colorado City; Bill Adams, Colorado City; Kelo Adams, Midland; Sam Adams, Midland; Mrs. Tom MacGuire, Midland; Mrs. Jim Jones, Mrs. D. L. Lowe and Mrs. E. L. Lowe of Colorado City.

The Rev. A. E. Travis, pastor of the First Baptist church, conducted the services. Burial was in the Colorado City cemetery.

Medical Case Is Before High Court

WASHINGTON, Dec. 11 (AP)—Validity of the American Medical association's conviction on a charge of violating the Sherman anti-trust law by alleged activities against a group-health organization in the District of Columbia was at issue today in arguments before the supreme court.

One of the disputed points was whether practicing medicine is a trade or a profession. The Sherman act prohibits combinations in "restraint of trade."

Firemen Busy Again Repairing Toys For The Underprivileged

To happen in the fire station by surprise, one might suspect the firemen of "staying going-on," for there will be one big, husky fellow lugging a baby doll around while another is toying with a mechanical truck or train and still another may be engrossed in a collection of stuffed rabbits, dogs, cats and sheepskins.

But the firemen mean business, and the scene is really an auxiliary Santa Claus workshop, for the toys are undergoing a process of repair and rejuvenation to make

Capitalist Of Shreveport Dies

SHREVEPORT, La., Dec. 11 (AP)—Funeral services were to be held here today for Samuel G. Wiener, 78, Shreveport capitalist and banker, who died yesterday after an illness of several months.

Wiener, who began his career as a telegrapher and station agent for the Illinois Central railway at his boyhood home of Vaden, Miss., was one of the organizers and founders of the Angelina County Lumber company and the Lufkin foundry, both at Lufkin, Tex.

He was a member of the board of directors of two Shreveport banks and had extensive real estate holdings in Shreveport and Jackson, Miss.

Survivors include two sisters, Mrs. Emil Eger, Chicago, and Mrs. Ansel Harris, Orlando, Fla., and a brother, Bill Wiener, Dallas, Tex.

Editorial -- No Short Cut In War Of Attrition

It is clear to everyone by now that American and British soldiers are fighting one of the biggest battles of the war on the approaches to vital Tunis and Bizerte. Certainly, it's one of the war's most important conflicts.

strong defensive positions prepared by the French. It's only slightly more than 100 miles from heavily-armed Sicily to the tip of Tunisia, giving the axis an extremely short supply line and strongly-defended airbases. On the other hand, the Allies to date lack advance supply bases and airfields.

Torn-Out Gas Coupons Are Not Legal

Trafficking in gasoline coupons can be dangerous business in the warning that the War Price and Ration board gasoline panel issued Friday morning through Sam Goldman, chairman.

This statement came from the board after a box of torn out coupons was missing Wednesday morning from the courthouse.

In servicing car owners' supplemental applications, Goldman said, the amount of mileage is issued in coupon books, B, and C. Extra coupons above granted mileage are then torn from the booklet and are no longer usable.

Since no gasoline station operator is allowed to accept torn out coupons and since no car owner is allowed to offer coupons not attached in a book, the missing coupons cannot be legally used.

Goldman warned that filling station operators should not accept the torn out coupons if offered to them.

Work at the gas panel has lightened somewhat, members said and all applications for supplemental gasoline now on hand have been processed and applicants should call for them at the ration office.

Several who applied for gasoline for non-highway vehicles have not returned to be issued their books and are asked to do so.

Here 'n There

Several Big Spring men were among those receiving stripes, in the promotions granted at the AAF Bombardier school. In the list of new corporals are:

Lloyd E. Murphy, son of Mr. and Mrs. W. F. Murphy; Eldon L. Hull, son of Mr. and Mrs. Earl Hull; Aubrey L. Arnold, son of Mr. and Mrs. J. W. Arnold; Norman Charles Johnson, son of Mr. and Mrs. Edgar Johnson; and Walter E. Buckner, son of Mr. and Mrs. T. E. Buckner.

Floyd F. Phillips, son of Mr. and Mrs. J. Phillips of Elbow has just been inducted into the service at Fort Bliss.

A. D. Bryan, who has been employed as a fireman at the bombardier school, returned last week to his old job on the police force.

Bill Hurst of Springfield, Ill., Vance Williams of Chicago and Hall Williamson of Dallas were business visitors here Wednesday and Thursday and were guests of Mr. and Mrs. Douglas Orme.

M. Weaver, county AAA administrative officer, was in Lamesa today to attend a one day district meeting of the AAA to discuss grain sorghum loans.

City police hit the jackpot about 7 p. m. last night when they walked into the midst of a crap game and arrested 14 negroes for gaming.

Fire department was called at 9 o'clock last night to the residence of Harvey Wooten, 2001 Runnels street, where smoke of an unknown origin was exciting the household. Firemen discovered a smoldering fountain pen which had been dropped into the reflector bowl of a table lamp, probably by the baby, members of the family said.

Mr. and Mrs. Walter Grice returned home Wednesday evening from a 12 day trip to California where they visited their son, Doyle Grice, who is stationed with the U.S. Marines in San Diego, Calif. The Grices visited in Los Angeles, Long Beach and Inglewood before returning home.

Miss Anne Martin left Wednesday for El Paso where she will attend the wedding of Gertrude Martin, daughter of Rube Martin of Big Spring.

Mrs. Elva Lou Johnson of Fort Worth arrived here yesterday to assume her duties as interviewer with the United States Employment Service, Manager O. R. Roden announced today.

Sgt. Norman F. Priest of Big Spring has entered the officer candidate school at Fort Riley, Kas. Upon successful completion of the three-month course of instruction, he will be commissioned a second lieutenant in the U. S. Cavalry.

Mrs. Alberta I. Smith has been informed that one of her sons, J. H. Smith, has received his commission as second lieutenant in the air corps at Miami Beach, Fla. and has been assigned to duty with the air forces headquarters at Tampa, Fla.

Forsan Woman's Mother Succumbs

FORSAN, Dec. 11.—Mr. and Mrs. R. M. Brown of Forsan were in Dewey, Okla., Thursday to attend funeral services for Mrs. Brown's mother, Mrs. Ida Payne. They were accompanied by G. W. Payne of Royalty, Mrs. Brown's brother.

Mrs. Payne, 74, died at Tulsa Tuesday following a long illness. She had visited in Forsan several times and was well known here. The Browns left here Tuesday night upon receipt of the death message.

ORANGE PRODUCTION

WASHINGTON, Dec. 11. (AP)—The agriculture department reported today that the production of oranges during the 1942-43 season as indicated at \$4,144,000 boxes. Production last season totaled \$4,864,000 boxes.

Soldiers Lend A Hand In Rationing Board's Work

The army, as usual, can be counted on to help out in times of emergency—and the ration board clerks were gaining fondly this morning on the volunteer assistants from the Big Spring Bombardier school who are helping with the mountain of work of filing, mailing and typing.

The office worked Thursday night, although was not open to the public, and Privates Kenneth L. Corner, Charles P. Mills, George Kennedy, Ernest J. Coverdill and Douglas K. Counsellor assisted. These men with Pvt. Jack E. Marchbanks and with the exception of Coverdill were on hand again Friday morning.

Other volunteer workers are Fay Simms, Mrs. J. B. Wood, Jr., Mrs. Pauline Jones and Mrs. Lillian Ellason.

County Erecting 'Roll Of Honor'

The county's Roll of Honor was erected today on the west side of the courthouse lawn and when completed, the names of all Howard county men now in the service of their country will be placed on the board.

The roll is 78 feet long and five feet high and will probably contain some 1800 men's names when it is completed. Special designation is to be made for those men who have died in the service. The names will carry no rank or location.

In order that all Howard county men's names be obtained, residents of the county are asked to send or call in names of members of their family in the armed forces to the county judge's office.

C Books Issued To Salesmen Recalled

The Texas OPA director Mark McGee requested all county war price and rationing boards in Texas as Thursday to recall immediately any "C" books for preferred mileage which already might have been issued to traveling salesmen.

"The A and B ration books these salesmen now hold or which are available to them should provide them with ample mileage for the month of December," McGee said.

The local war price and rationing board gasoline panel chairman, Sam Goldman, said today that the Howard county board had not issued any C cards to traveling salesmen. Only B cards had been issued from this board.

RAPE CHARGE

Judge Walter Grice set bond at \$1,000 Thursday for Francisco Martinez, Mexican, charged with rape of a 13-year-old Mexican girl.

Recruit Detachment

Things are really popping out at the Recruit Detachment these days. What with the largest outfit on the grounds and the greatest from the army standpoint Commanding Officer Captain James F. Hall really has his work cut out for him. Captain Hall is the successor to Lt. John A. Lynch, who has left to assume the duties of another assignment in the camp. Lt. Lynch made many friends, particularly the boys from Chicago's great West Side, Cicero and Berwyn, from where he hails. He easily handled such names as: Lrazewski, Krucynski, Kozlowski, Kramenski, Krajewski, Krstanski, Krawczykowski, Kalinowski, Kowalski, Kuzminski, Krzimanic, and others, which more or less tongue-tied the original Dixieland non-coms. Sgt. "Eck" Morrow from Statesville, N. C.; Cpl. Frank "Pretty Boy" Bourland, the blond adonis of Eastland, Texas; and Sgt. "Pat" Patterson of Milledgeville, Ga. whose calisthenics drill in the dark of the dawn leaves the boys breathless.

Staff Sgt. Bob Donahay, who originates at Bismarck, N. D., has come up from squadron to take over the post vacated by Staff Sgt. S. V. Johnson, the soft-spoken, fair-haired favorite son of Springfield, Mo.

Plans for improvement and progress in the recruit outfit are shaping up rapidly. In the offing is a wide and varied sports program which includes basketball, baseball, volley-ball and boxing, plus a thorough-going series of courses in mechanical, administrative, supply and radio subjects, which will prepare the men to take up jobs on the line here or at one of the new fields opening soon. Several experienced instructors have been selected to handle the school.

The day room will be fixed up soon with ping-pong tables, radio and phonograph to help pass the leisure time between detail and drill, chow and sleep.

Recruits seem to wind up in Big Spring from almost everywhere. There is, for example, Pvt. Frank Summers, recently of San Francisco, who spent eight months with the RAF in England, as a ground crew section leader; George Ricciardelli of Atlantic Highlands, N. J.; Joe Mongano, from out Inglewood, California way; Fred H. Burtzloff, who calls Salt Lake City, Utah his home; Farley Walton, Cat driver and bulldozer from KallsPELL, Montana; and Edward J. LaBarre, of St. Paul, Minnesota, who used to drive a city snow-plow. Now we are prepared for any emergency.

Hereford Sales Show High Prices

FORT WORTH, Dec. 11. (AP)—Two outstanding registered Hereford cattle sales this week demonstrated that it takes more than cold weather, bad roads and gasoline rationing to keep cattlemen from going to auction sales and paying prices that were appreciably higher than prevailed a year earlier.

White Hat ranch near Blackwell sold on Dec. 7, 40 of its registered Herefords for an average of \$519, or more than \$150 a head higher than similarly bred cattle from the same ranch sold one year earlier.

On Dec. 8, Largent & Stevens, Merkel, made an average of \$721 on 58 Herefords with the top 50 animals selling for an average of \$855. This was approximately \$150 each above the price received last year by this firm in its sale.

E. W. Moutray of Abilene sold 40 Herefords and none of them were highly fitted for an average of \$300 each and aged ranged from calves to 13-year-old cows. This was his first auction sale.

A check of all available figures shows that all registered Herefords sold at auction in the United States during the month of November made an average of a little more than \$400.

THE OLD JUDGE SAYS...

"Judge, there's been quite a bit of talk going around about prohibiting liquor in various spots around the country... around the Army camps for one thing. What do you make of it?"

"Well, Henry, I size it up about like this. It looks to me like the folks who are doing the talking are shooting a little bit higher than most people seem to realize. Sort of like the salesman who gets his foot in the door and before you know it he's sold you a bill of goods. Wouldn't surprise me a bit if what they're really aiming for is to take in the whole country again. We all know it didn't work the last time. All we got was bootleg liquor instead of legal liquor... plus racketeers, gangsters and the worst crime wave the country ever saw."

"Seems to me we've all got our hands full to win this war without starting up an argument we just got through settling a few years back."
