## BAPTISTS TO HOLD REVIVAL

Rev. M. B. Smith, pastor of the Wheeler Baptist Church, announced this week that there will be a week's revival meeting at the local church beginning Sunday, March 2, and lasting through Sunday, March 9. Services will be held twice daily throughout the week with the morning services beginning at 10:00 a.m. and the evening services starting at 7:30 p.m.

Dr. Orville Yeager, pastor of the First Baptist Church at Blanchard, Oklahoma, has been selected to do the preaching in the services. Singing for the meeting will be under the direction of local song leaders.

Dr. Yeager is an instructor in Mississippi State College, but, at the present, he is on leave of absence from that position and is doing work on his Doctor of Philosophy Degree at the University of Oklahoma and pastoring the church at Blanchard, Okla.

Pastor Smith stated that Dr. Yeager will be in the pulpit from Monday through Friday and that he will do the preaching at the other services throughout the meeting.

Rev. Smith extended a cordial invitation to all the people of the Wheeler area to attend the services.

## Wheeler Co. H. Demo Council in Meet, Date of Dress Revue Is Set

The Wheeler County Home Demonstration Council held its regular meeting at the courthouse in Wheeler Saturday afternoon with nine of the ten clubs in the council represented. Four council officers were present.

There were eight club presidents present, five delegates, one alternate delegate, one 4-H club chairman and one visitor present; as well as the THDA Chairman and the County Home Demonstration Agent, Mrs. Frances B. Stanton.

Committee reports were read and other business attended to. Delegates for the district meeting which is to be held at Pampa, May 8 are to be selected at the next meeting of the Wheeler County Council which was set for April 19.

The Council decided to change the date of the Wheeler County 4-H Dress Revue from Saturday, April 19, to Saturday, April 26. The revue is to be held at the Wheeler Grade School Auditorium.

The Wheeler County Veteran's School which has been operated by the Wheeler County School Board with George S. Gandy as coordinator has served many to good advantage during the past five years. The following is a short resume of the work which has been and is being carried on by the school.

The Wheeler County Vocational School started operation June, 1947 under joint contract of the State Board for Vocational Education and the Veterans Administration with Geo. S. Gandy as County Coordinator.

The organization has grown from the one agriculture class at Kelton and Mobettie to 8 Agriculture Classes, 7 Trade classes, 2 Distributive Education classes located throughout Wheeler and Hemphill Counties. Hemphill County was added to the jurisdiction of the Vocational School in November, 1950.

Since the Vocational School commenced there has been approximately 450 veterans that have received training for some length of time that are now in an inactive status. There have been approximately 60 veterans receiving certificates for courses completed; with approximately 220 veterans in training at the present time.

Locations and instructors of the classes are as follows:

## FOOD HANDLING SCHOOL BE HELD IN WHEELER

A food handling school that was first inaugurated by the State Health Department of Texas in 1939 and has since been adopted in other states throughout our nation, will be brought to Wheeler for three days, beginning on March 17 through March 19. This school will be held at the Grade School Auditorium, and for the benefit of the larger cafes which have two shifts of employees, both morning and afternoon classes will be conducted each day. The morning classes will be from 9:30 a.m. until 11:00 a.m. and the afternoon sessions from 4:00 p.m. until 5:30 p.m. Both classes each day will cover the same material.

W. R. Ritter, Wheeler County Sanitarian, has completed arrangements with the State Health Department for this school to be held here and following are the subjects which will be taught in the school: "Foodhandling and Bacteria"; "Preventing Food Contamination and Spoilage"; "Three enemies of the Food Establishment"; "Sanitization, Storage, Handling of Dishes and Utensils"; "Food Establishment Sanitation"; "You and Your Job"; "Personal Hygiene and Salesmanship".

These courses aren't merely instructions as to how a waitress should wear a hairnet but involved dozens of other categories such as cafeteria personnel, grocers, butchers, dairymen, locker-plant personnel, drug store personnel, housewives, P-TA members and home economics students. In other words, anyone involved in food production, processing, shipping, selling, or consumption is definitely the individual that should be in attendance to this school. To further clarify these basic health courses the three following paragraphs will be of interest:

1. Over 25 communicable diseases can be transmitted by careless, indifferent foodhandling.

2. Four out of five cases of all reported communicable diseases occur due to disease germs entering the body through the mouth and nose.

3. 65 million people eat out every day, and millions more trade at markets, groceries, bakeries, and other food establishments day in and day out.

Therefore, according to Dr. George W. Cox, State Health Officer of Texas, "It can be readily seen why the foodhandlers role is an important one. He can check the spread of such diseases as trench mouth, diphtheria, septic sore throat, scarlet fever, common colds, measles, mumps, and many other contagious diseases including polio; by observing the sanitary principles taught in these food schools."

This school has the unanimous backing of Dr. Glenn R. Walker, City Health Officer and the entire Wheeler City Council and it is hoped by all concerned that all owners and managers will not only encourage their employees to attend, and make it possible for them to attend the classes but to set the example by regular attendance themselves.

Instructor for this school will be Tom Warren, of the Texas State Health Department out of Austin who is highly recommended as being well versed and qualified.

## NEWS FROM— County Agent's Office

By R. D. Siegmund

About the best news in Wheeler County is the snow that fell over the past weekend. Most parts reported from 1/4 to 1/2 inch of moisture and this will really be helpful to all growing crops and also to build up the moisture content of land that will go into row crops.

Sure wish that more of you orchard growers could have been at the Black orchard north of Wheeler last Saturday afternoon to hear and see the timely information that was given out by Dr. Adriance, head of the Horticulture Department of Texas A & M College and Blueford G. Hancock, Extension Horticulturist. They discussed problems of fruit varieties, fruit diseases, insects, pruning, planting, and other problems that were brought up at the meeting. Mrs. Black, our most gracious hostess, served us with some wonderful tasting cake and hot coffee, which really hit the spot that cold afternoon. We really appreciated that a lot.

Jimmie Clark and Jimmie Harris will take their fat calves to the Amarillo Fat Stock Show this weekend as the show will start on March 3 and last through March 7. Troy Dean Jones of Allison will take his commercial calves to this show.

## 4-H CLUB BAKE SALE

The 4-H club girls of Wheeler are having a bake sale Saturday, March 1, at the Clay Food Store. This sale is to help raise money for the club treasury and will later be used to buy club jackets.

The girls will appreciate your buying your baked goods from them Saturday.

## McILHANY IS CANDIDATE FOR RE-ELECTION

Grainger McIlhany announced this week he will be a candidate for re-election as State Representative of the 87th legislative district comprising Collingsworth, Gray, and Wheeler counties.

McIlhany has represented his district in the house of representatives for two terms and, as a member of the conservative bloc, has a record of supporting measures aimed at economy in government at all levels.

A young man holding degrees in law and business administration from the University of Texas, the Panhandle legislator surprised many voters and colleagues when he joined the ranks of farmers, stockmen, and conservative business men during his freshman days in the legislature. He has continued to go down the line for these interests, fulfilling the promise of home-town supporters who were responsible for getting him into the race four years ago.

In his first legislative term, McIlhany's attention centered on measures aimed at modernizing the state prison system, improving rural and small town school administration, and over-hauling of state hospitals and mental institutions. He was also active in soil conservation legislation.

During the past session, Rep. McIlhany successfully sponsored several important bills, one of which authorized Texas A & M College to make agricultural experiments designed to prevent wind erosion in the eastern Panhandle region. Another bill set up regulations for juvenile automobile drivers. Previously teenage-age drivers under 17 years of age were not subject to any traffic laws of the state.

Rep. McIlhany also wrote the (Continued on Last Page)

## Local Schools To Observe National Education Week

### J. M. GLOVER RITES HELD HERE MONDAY

Jasper Marion Glover, one of the beloved older residents of Wheeler, passed away last Monday morning at 12:25 in a Shamrock hospital after an illness of only a few weeks. Mr. Glover had been active despite his age until he suffered a stroke only a short time back.

Mr. Glover was born February 10, 1868 in Dalton, Georgia, and passed away at Shamrock, Feb. 25, 1952, at the age of 84 years and 15 days.

Until about eight years ago Mr. and Mrs. Glover made their home at Bethany, Okla. Since that time they have resided in Wheeler.

Funeral services were conducted Monday afternoon at 5:00 o'clock at the Wheeler Methodist Church with Rev. Gene Hudnall, pastor of the Wheeler Nazarene Church, in charge. Graveside services were held at 2:00 p.m. Tuesday at the cemetery at Bethany, Okla. where his remains were laid to rest. Richardson Funeral Home of Shamrock was in charge of arrangements.

Survivors include the wife, Mrs. Susie A. Glover of Wheeler; three sons, W. M. of Spearman, C. L. of Hamilton, and M. L. of Pampa; one daughter, Mrs. H. G. Smith of Shamrock; two brothers, A. L. Glover of Wooster, Ark. and Steve Glover of Guy, Ark.; 7 grandchildren and 8 great grandchildren.

Serving as pall bearers were: W. L. Erwin, Ira Pearson of Spearman, C. J. Meek, Watson Burgess, Henry Risner and Lawrence Dosssett of Spearman.

Named as honorary pall bearers were: John R. Reed, E. T. Cosper, E. E. Farmer, Ed Grimes and Jim Risner.

### Methodists To Hold Fellowship Nite Mar. 5

The Family Night Fellowship will meet at the Methodist Church Wednesday night, March 5th. A covered dish supper will be served at 7:00. Following this a brief devotional will be given. After the devotional two films will be shown: "Washington-Shrine of American Patriotism." This film is narrated by Lowell Thomas, showing the historical and scenic points around Washington. Such scenes as Washington's Monument, Mount Vernon and Lincoln Memorial will be pictured. A comedy for the children will be shown after the Washington film. This comedy will be a Terry Toon titled "Robinson Crusoe".

This is a family affair. The children are welcome and urged to come. The entire community is invited to share the fellowship at this meeting.

Relatives of Mrs. H. A. Whitener celebrated her 87th birthday Sunday at her home.

## Proclamation

As we take inventory of our blessings and our accomplishments in this, our 105th year of Statehood, we view with satisfaction the progress that has been made in education, the basis of which is our public school system.

The little red schoolhouse which was the symbol of public education a century ago expanded into a network of elementary and high schools, junior colleges and state colleges.

It has been a great cooperative venture. Both state and local governments have made their contributions. We like to believe that through their joint efforts the opportunities afforded our children for a sound, basic education are not excelled anywhere. If we are justified in this conclusion it is only because our citizens have shown a personal interest in education and because public-spirited men and women have been willing to devote their lives to the teaching of our youth.

It is of paramount importance that this civic interest be strengthened and that those in the teaching profession be supported and encouraged in their efforts. One of the best ways of accomplishing these results is for each citizen to know the public school system. The best way to know it is to keep in constant touch with it.

And whereas the Parent-Teacher Associations, the Kiwanis Clubs, the Masonic Lodges, and other civic and community-minded organizations have seen fit to place their collective influences behind a movement to publicize the American way of education.

Now therefore I, R. H. Forrester, do hereby designate the week of March 2nd to 8th, 1952, as Public Schools Week and urge every citizen of Wheeler and vicinity to visit a public school during this period to become personally acquainted with the programs and accomplishments of our educational system.

Done at Wheeler, Texas, this 28th day of February, 1952.  
R. H. FORRESTER, Mayor  
City of Wheeler

## Wheeler County Vocational School Has Served Many Veterans

The Wheeler County Veteran's School which has been operated by the Wheeler County School Board with George S. Gandy as coordinator has served many to good advantage during the past five years. The following is a short resume of the work which has been and is being carried on by the school.

The Wheeler County Vocational School started operation June, 1947 under joint contract of the State Board for Vocational Education and the Veterans Administration with Geo. S. Gandy as County Coordinator.

The organization has grown from the one agriculture class at Kelton and Mobettie to 8 Agriculture Classes, 7 Trade classes, 2 Distributive Education classes located throughout Wheeler and Hemphill Counties. Hemphill County was added to the jurisdiction of the Vocational School in November, 1950.

Since the Vocational School commenced there has been approximately 450 veterans that have received training for some length of time that are now in an inactive status. There have been approximately 60 veterans receiving certificates for courses completed; with approximately 220 veterans in training at the present time.

Locations and instructors of the classes are as follows:

Auto Mechanic—104 weeks course:—Nile Patterson and Argus E. Poole.

Coordinator Geo. S. Gandy has served as a Director of the "Texas Coordinators Vocational Association" for 4 years and is the present president of the organization. He is also very active in local agricultural organizations which provides better opportunities for these organizations and farmer veterans to cooperate. He has secured several lecturers and demonstrations which have been especially beneficial to the veterans and also provides a way of publicity for such agencies as SCS, County Agent, P.M.A.; F.H.A.; and different commercial companies. Mr. Gandy has also aided several veterans in purchasing land from the Veteran's Land Board, doing this in addition to his required activities as coordinator, and lead teacher.

Supt. W. O. Carrick announced this week that the local school system is joining in the national celebration of National Education week which has been proclaimed as next week. The local schools are making a special effort to get as many parents and patrons of the school as possible to visit in the schools next week.

Mr. Carrick states that there will be no special effort made by the faculty of the local school to put on a show for the patrons who visit next week but that teachers will conduct classes as usual in order that parents may actually see the processes used in teaching their children in the Wheeler schools.

Patrons are urged to visit classes of the schools the first three days of next week if they possibly can due to the fact that students will be engaged in six weeks examinations the last two days of the week.

All patrons who visit the school during the week will be conducted to the school cafeteria where they will be served coffee and doughnuts.

The teachers have divided into two groups and the groups are working against each other in an effort to see which can induce the most parents to visit the school next week. The winning team is to be the recipient of a feed of some sort at the expense of the losers. Each room will receive points for each visitor with ladies counting one point and men two points.

## NOTICE!

There will be a meeting of the Wheeler Chamber of Commerce at Nora's Cafe Friday evening beginning at 7:30 p.m. All business and professional men of this area are urged to be on hand for the meeting.

The Chamber has been somewhat inactive for the past several months but it is hoped that it can be revived because any town needs the services of a Chamber of Commerce.

Business which will be attended to will include the election of officers. Several other items are also on tap for discussion. Pie and coffee will be served to those attending.

**THE RED CROSS**

Once again, this year the Red Cross is asking you for funds, blood and, in some cases for your time in the work of solicitation. The President has appealed to the nation to raise a minimum of \$85,000,000, which would enable the Red Cross to meet its "unprecedented peace-time demands."

The Red Cross is directly responsible for the saving of many lives in Korea through its liberal donations of blood plasma which were, in some cases, obtained in an-

nual drives such as the March drive now approaching. Although the supply of plasma has dwindled to a dangerously low point at times, the Red Cross and other sources have managed to keep a sufficient supply on hand to meet emergency demands in Korea.

To meet such emergency commitments and to be able to respond immediately to disasters such as the great flood in the Midwest last year, the Red Cross needs funds and appeals to you for a generous donation. The organization spent \$14,000,000 of its funds in the flood last year and without generous contributions from all sections of the country, emergency aid, which is so welcome and helpful in times of disasters, could not be extended.

The Wheeler Times endorses the Red Cross drive this year and asks its readers to meet the needs of 1952 with a generous response. Your contribution or your blood donation might one day save a life which might otherwise be lost.

**BUSINESSMEN OF THE FUTURE**

Two young men, Tommy and George Thompson, of Greenwich, Conn., have learned the lesson of what it takes to be a successful businessman in America. Though only 12 and 9 years old, the Thompson brothers run a service company which netted \$750 last year.

Incidentally, the boys have an office in their bedroom. Their father, a penny-a-year man, is the treasurer, and their mother is the secretary with a salary of 20 cents a week.

The President and Vice-President, Tommy and George, run all the errands themselves. They baby sit, walk dogs, mail letters, shine shoes, sell greeting cards and wreaths, wash cars, shovel snow, and run various other kinds of errands.

These two young men are getting an education in getting ahead in the business world. Their success indicates they have already learned there is no substitute for hard work and that the American public wants courteous service.

There are young men in Wheeler who could be classed as young businessmen. And, while we are not advocating the repeal of child labor laws, a reasonable amount of work while young people are in school will contribute substantially to their education and to their future adjustment to the realities of their environment.

The fellow with the loudest mouth is usually the one with the smallest brain, and seldom fails to advertise the fact, for some strange reason.

One of the safest places to be, in case of sudden atonic attack, is on a fishing trip, and we know some people who take elaborate precautions on this score.

If money were the only goal in life we know some rich people who would be mighty happy.

**LEGAL NOTICE**

THE STATE OF TEXAS  
COUNTY OF WHEELER  
SHERIFF'S SALE

WHEREAS, on the 30 day of January, 1952, in Cause No. 4226, in the District Court of Wheeler County, Texas, wherein The State of Texas, plaintiff and The City of Shamrock and Shamrock Independent School District, Impleaded Party Defendants, recovered judgment against C. A. Morgan, Defendants, for taxes, penalties, interest, and cost against the hereinafter described property;

WHEREAS, on the 22 day of February, 1952, by virtue of said judgment and the mandates thereof of the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form required by law the herein after described property;

Scrub-a-dub-dub, work in the tub... that was the old way of clothes washing with the steaming kettles of hot water on the old kitchen wood stove. Water in the tub was either too hot or too cold, cleansing of the really dirty garments meant backbreaking scrubbing on the old corrugated scrub board and usually the kitchen floor got its share of messy, slopped-over yellow soap suds. Today, thanks to electric service, and modern electric appliances, wash day is almost completely automatic. Your clothes are washed automatically with correct water temperatures and modern improved soaps or detergents replace the old scrub board.

MRS. GEORGE MILLARD WYATT

**Miss Shirley Tacker And G. M. Wyatt Marry Here**

The First Methodist Church was the scene Friday evening, February 22, for the marriage of Shirley Tacker, daughter of Mrs. W. A. Tacker, to George Millard Wyatt, son of Mr. and Mrs. G. L. Wyatt of St. Maurice, La.

Dr. J. S. Ranken of Amherst read the double-ring service before the altar, which was draped with ferns and bouquets of gardenias. Candelabra completed the decorative setting and the bridal table was marked with ribbon ropes and tapers.

Miss Juanita Haynes of Miami, organist, played "Liebestraum," "Cher de Lune," and "Poeme" as

a nuptial prelude. Mrs. M. B. Smith sang "Because" and the traditional wedding marches were used for the processional and recessional.

Miss Loyce Renfrow attended the bride as maid-of-honor. She wore an azure blue gown of tissue faille with matching mitts. Her bouquet was of American beauty

roses and she wore roses in her hair. John Sewell of Phillips was best man. Ushers were John Haws and Harold Hilliard of Phillips. Given in marriage by E. W. Voss of Pampa, the bride was attired in a gown of ivory lace and satin, styled with a fitted lace bodice, Parisian collar and long sleeves pointed at the wrists. Floor length lace panels fell over the beffant satin skirt, which terminated in a cathedral length train. Her finger-tip veil of illusion was caught to a seed pearl circlet. She carried a cascade of white carnations.

Mrs. Tacker, mother of the bride, wore a dress of dusty lace accented with a blue hat. Mrs. Wyatt, mother of the bridegroom, chose a navy suit with navy accessories. Both had orchid corsages.

Following the wedding, a reception was held at Nora's Cafe. Draped in azure blue, the table was centered with an arrangement of American beauty roses. Mary Beckus of Borger served the tiered wedding cake. Mrs. Lee Guthrie presided at the punch bowl and Mrs. E. W. Voss registered the guests. Mrs. Patrick Baddy played piano selections during the receiving hours.

For the wedding trip to New Orleans, La., the bride traveled in a white suit with navy accessories and a corsage of American beauty roses. They will be at home at 1406 West Sixth, Borger, after March 2. Both work at Phillips Petroleum Co. in Borger.

Out-of-town guests included Mr. and Mrs. Bob Stockton of Wichita, Kan.; Mrs. Frank Matchett of Seagraves; Miss Mildred Lewis, Frances Findley, Mr. and Mrs. Opal Townsend, Mr. and Mrs. E. Burroughs, Mr. and Mrs. Lee Robison, Dave George, Mr. and Mrs. M. M. Farreaux and Luther Fruit, all of Borger.

**Mrs. John Vise Hostess At H. Demo Club Meet**

The Pleasant Valley Home Demonstration Club met February 19th in the home of Mrs. John C. Vise substituting for Mrs. Gaddy Vise.

Singing of "The Open Country" was led by Mrs. Roy Meadows. Roll call was answered with jokes, Emily Post sayings, and tips that save time, temper and money. "Just for today" was the timely topic explaining what a woman should resolve to do for one day. The lesson was a combination of talks on Civil Defense and the New Meat Bird.

Program leader, Mrs. Roy Meadows, appointed Mrs. Florence Dodd to give First Aid instructions.

Mrs. Tom Delashaw gave a talk on the new meat bird and showed pictures of a pheasant and carnish. Mrs. W. A. Powledge gave a reading on Bacteria Warfare, stressing a strong civil defense program is a "must."

Mrs. I. G. Fillingim gave a short talk on "Six survival secrets for atomic attacks."

Recreation was led by Mr. Roy Meadows and Mrs. Tom Delashaw.

Refreshments were served by the hostess, Mrs. John C. Meadows, George Braddock, A. Powledge, Forrest Meadows, Florence Delashaw, I. G. Fillingim, Bill Finsterwald of M... M. Rose and E. G. Fillingim. The next meeting, March 11th, will be a demonstration of roast buying, cooking and at the covered dish luncheon.

**Stitch And Chatter Club Holds Meeting**

Tuesday, February 26th, the home of Mrs. C. H. C... The evening was spent on quilts which are being for the Girl's Ranch at Face.

Refreshments were served following members: Henry Walsler, John Wags Burks, E. D. Guynes, Fred W. E. Bowen, Bill Black Clark, Mrs. Lane and the home of Mrs. Boyd B... 11th.

**GOSSIP**  
From Glenda Porter to Janice Jaco — song dedication "Never Been Kissed."  
In the hall this past week this Toon wanted a kiss from Margie. I wonder if he got it. Huh, Margie.  
This morning in English class we had a boxing match. What about this Maxey and Cathead.  
Well, Saturday night all the girls got in practice for the TWIRP Season. Because Saturday night Glenda Porter had a Leap Year Party.  
Last week's guess who boy and girl were Beverly (Mama) Bradshaw, and J. E. Rodgers.

**FRESHMAN NEWS**  
The freshman had a Leap Year Party Tuesday night. I'm sure the girls were all perfect gentlemen.  
We are very proud of Katie and Janice. Although basketball season is over, they have been very active during the season. Janice was all-tournament forward at Shamrock and should have been here at Wheeler. (according to everyone but her.)  
Janice, what does Kelton have that Wheeler doesn't?  
Jaunita, wasn't Sukey's car sort of crowded Saturday night?  
Betty Ruth, how far is it to Canadian?  
Pat, why don't you like big towns? Twitty indeed!  
Jimmie Don, who is taking you to our party?  
Tony, how far out of town do you live anyway?  
Red, what is a dominecker?  
Joyce, who is the tallest person in the world?

The junior girls went to Keller-ville Thursday and won their game with McLean 7th graders. The score was 20 to 7. Friday, they went again and lost 17 to 21.  
The junior boys went to Keller-ville too and lost their second game to Lela 27 to 17.

**SPORTS NEWS**  
Tuesday, February 12, we played McLean. The girls lost 34 to 33. Our boys won 59 to 45. We played Briscoe Friday the 15th and finished the season winning both games. The girls' scores were 27 to 22 and the boys' were 43 to 42. Teedie was high point man with 27 points.  
The boys are starting spring football training February 21. They will train until March 21.  
The girls are playing volleyball now. We hope to have a better volleyball team than basketball.

**UNITED INVESTS MANY MILLIONS TO PROVIDE GAS SERVICE**

Anything that helps build the Gulf South . . . helps YOU

Every time you light a burner on your gas range, remember that dependable natural gas service doesn't "just happen." Our company alone has invested some 290 millions of dollars in wells, pipe lines and other equipment in the last ten years to provide dependable, low-cost natural gas service. That is three times the amount we invested for this purpose in the ten preceding years.

But we have more than money invested in the Gulf South. We have our faith in the future . . . our hopes for finer and greater accomplishments . . . our desire to share in the progress of this area.

Our interests are the same as those of all good citizens, and our rewards are the same as yours.

GENE LOUDER, Pastor

Pull! Pull! Pull! But what for? Children at play and young people at track meets may well have a test of strength. It is a good thing to match strength with strength in contests where youth is making ready for the serious business of living. They are exercising the muscles in playful competition. Thank God for power which increases with effort and endeavor! How we enjoy watching these feats of endurance and of determination; for as much depends upon the will to do as upon the ability to accomplish! Opposition in trials of strength tones up the life of all who are engaged in it. Wholesome rivalry makes the better men of us all; we gain strength and the power to do as we meet vigorous opponents; we serve each other in the contests of skill as illustrated above.

But all rivalries must eventually give way to cooperation. No one of us can profitably allow himself to be a confirmed puller against others. We need each other for the achieving of the major goods of personal and of social life. How unfortunate if a man becomes known as the foe of his fellows, if he has never learned how to get on with others! Family and community and nation suffer when a man lives only for himself and has his hand against rather than for every other man. Are you a booster or a buster? Do you help pull the load wherever you go; or do you insist on riding while the rest do the pulling; do you even sit on the brakes when others are trying to do the good things for the common life? Do you break up the meeting when the majority votes against you?

A great teacher in the long ago reminded men that they ought to be workers together for God. In some wonderful fashion the invisible Spirit is ever at the side of men who are willing to use their strength for helping good causes. It is equally marvelous that extra resources of strength seem available when men undertake together more than they seem able to do. God is the unseen Worker who joins the eternal and the unlimited power of the universe to those who will pull together in high service. To join your fellows in prayer and in worship is to discover a fellowship in which human and divine powers are pooled for the good of all and for the glory of God. Don't be a chronic buster nor a puller in the wrong direction. Rather be a booster and a factor in a progressive cooperation.

Laymens Day was observed in the Methodist Church Sunday with Wendell Christian from the Amarillo District filling the Mobeetie pulpit. Mr. Christian spoke on how we as laymen and laywomen can work in our respective churches and community. L. D. McCauley was leader for the program. The choir sang "Lead Me Gently Home Father." W. D. Wheatley sang for the morning solo. "Always Morning Somewhere." This was a very

inspiring service.

We are indeed happy to report that the Mobeetie girls won the district tournament at Miami last weekend, and your reporter is very happy also that the Briscoe boys go to the regional. Our son graduated from Briscoe, so I always feel interested in the Briscoe School.

Mr. and Mrs. Wendell Christian and daughters of Farwell spent Saturday night and Sunday as guests of the Rev. and Mrs. A. D. Moore.

Mr. and Mrs. I. T. Goodnight had as their weekend guests four of their children and families. Mr. and Mrs. Wallace and children, Continental Divide, N. M. Mr. and Mrs. Raymond Hooker and Marty, Farmington, N. M. Mr. and Mrs. McBroom and Mr. and Mrs. I. T. Goodnight, Jr. and family of Pampa.

Thursday night a group of Mobeetie folk went to Pampa to hear the International Choir from Wayland College. Those who attended were Mr. and Mrs. Jess Patterson, and Marcella, Mr. and Mrs. Boyd Beck, Mrs. Willard Godwin, Katie Roby and Mr. and Mrs. C. A. Dysart. Madge Patterson, daughter of Mr. and Mrs. Jess Patterson and Courtland Savage, grandson son of Mr. and Mrs. C. A. Dysart sang in the choir.

Wednesday Mr. and Mrs. Jack Miller attended the showing of the new International Harvester's Refrigerators at the Herring Hotel in Amarillo.

We noticed Drew Godwin and David Abbott in town over the weekend. We are always happy to see our boys in service home on furlough.

Word came to me that Billy Joe Alexander, son of Mr. and Mrs. A. D. Alexander, stationed at Memphis, Tenn., underwent an appendectomy recently. Billy Joe, who is serving in the Navy, is still hospitalized.

Mr. and Mrs. Jim Hathaway attended a Mail Carrier's banquet

at Wellington Saturday night. Business of the Mail Carrier's Association was the only program of the evening.

Miss Nannette Tyson, Dallas, spent the weekend with her parents, Mr. and Mrs. R. J. Tyson.

Miss Joan McCleary, Borger, was a weekend visitor in the

Homer Matthews home. We are happy Mrs. Matthews is home from the hospital to be in town again.

Mrs. Jack Miller and Hathaway attended the Council meeting of the Demonstration Clubs in Wheeler.

**FARMERS AND RANCHERS!**
