

The Wheeler Times

WHEELER BOYS, GIRLS TEAMS TO BE BUSY

The tournament season is still full swing for the Wheeler basketball teams since they are to play in the Shamrock Invitational Tourney this weekend. The boys will be playing in the district tournament which is held at Lakeview on February 7 and 8 and 14 and 15. The girls team will participate in the county tournament which is held at Briscoe next week.

The Shamrock affair the Wheeler boys engage the Clearwater (Thursday) and if they win they will play again at 8 p. m. Friday night if they lose they will play again at 2 p. m. Friday.

The Wheeler girls team is pitted against the Wellington girls at 1 p. m. today and should they win they will perform again at 8 p. m. Friday while in the event they lose they will play at 1 p. m. Saturday.

Boys teams which will participate in the district tournament will include Wellington, Memphis, Clarendon, Shamrock, Briscoe, Wheeler and McLean. The course of the four teams of the tourney each team will play every other team in the district and the one winding up with the best percentage will be declared the winner.

Friday, February 7 the Wheelers are matched against the Wellington lads in the opening game of the district tournament. The opening game is to be held at 1 p. m. Then on Saturday the Wheeler lads will vie with Shamrock quintet at 1 p. m. Then they will tangle with Memphis at 8 p. m.

The following weekend February 14 the Wheeler five will meet McLean boys at 9 p. m., then Saturday they will play Lakeview at 3 p. m. and Clarendon at 1 p. m.

Teams entered in the girls district tournament which is to be held at Lakeview (Continued on Last Page)

Contributions Needed For March of Dimes Campaign In County

Your help is needed in the March of Dimes campaign now underway in Wheeler county to finance the treatment of persons who may be afflicted with infantile paralysis. Harry Wofford, county director of the March of Dimes, this week urged committee members to complete their canvasses as early as possible. He suggested school teachers, ministers and other citizens take it on themselves to launch campaigns in their communities to raise funds for the worthy cause.

Although there were no serious cases reported in this county during 1946, the polio epidemic was worst last year than ever before in history. Wofford said. There have been several cases, some of which proved fatal, in Wheeler county in the past.

The county director pointed out that local funds will be used in providing treatment to local persons who may become afflicted. and a part of the funds goes to the National Infantile Paralysis Foundation for financing research and educational work.

Outside of a canvass now under way in Shamrock, Director Wofford said only \$17492 had been reported. The Kelton community of which Gordon Stiles is chairman reported \$27. The Myrtle Home Demonstration club assisting in the canvass. Vernon Brown, chairman of the committee on the south side of the square in Wheeler, collected \$80.50; Buford Conwell collected \$44.37 in the block south of the square, and the Court House committee reported \$14.

Persons wishing to contribute, either in towns or rural communities, who have not been solicited by committees may mail their checks to Harry Wofford at Wheeler, and proper credit will be given their communities.

It is hoped all rural communities will have reports by next week.

GRADE OF MILK SOLD IS SHOWN

Recent grading of all milk and milk products sold in Wheeler reveals only two firms serving this territory qualified as "Grade A" and both of them are Wheeler dairies.

Chapman's Dairy and Templeton's Dairy are the only two firms whose products met "Grade A" specifications, according to a notice appearing in this week's Times over the signatures of Dr. H. E. Nicholson, Wheeler county health officer, and W. R. Ritter, county sanitarian.

The 1939 Milk Ordinance and Code require that "at least every six months the health officer shall announce the grades of all milk and milk products delivered by all producers or distributors and ultimately consumed within the City of Wheeler, Texas, or its police jurisdiction," said the announcement.

The notice by Dr. Nicholson and Mr. Ritter said, "The county health authorities are receiving the fullest cooperation in raising the standard of milk distributed in Wheeler and in complying with state ordinances and regulations."

Only one dairy in Shamrock was listed as selling "Grade A" products.

CARE OF ROSES PLANTS STUDIED

The girls of the Wheeler County 4-H club have been discussing and studying landscaping and yard improvement this past month, according to announcement from the office of the county home demonstration agent.

Several of the girls are making definite plans to improve their yards. Some of the projects being undertaken by the girls are: building walks and drives, planning and setting out evergreens, roses and shrubs, providing for proper water drainage in the yard and sanitary garbage disposal.

This is also the best season for pruning. In the Panhandle where plants remain dormant until March, pruning may be done when the weather is warmer. According to Miss Sadie Hatfield, Landscaping specialist from A. and M. College, the only plants which should not be pruned at this time are those which bloom very early, spirea, flowering quince, redbud, pyracantha, etc. Prune these immediately after blooming.

According to date of gathering at the Tyler Experiment Station roses need little pruning. However, if roses need cutting back, January and February are good times for trimming them. All general rules for pruning, such as removal of dead limbs, diseased limbs, limbs that rub each other and limbs that are in the way, can be applied to pruning roses.

In buying roses, always buy No. 1 or 1 1/2 roses, regardless of age. Some roses are still No. 3 at four years of age. Another important point in buying roses is always buy from a reliable dealer. The following roses are among the hardiest: Red Poinsettia, Radiance Yellow Lady Hillington, Pink Radiance, and shell pink Radiance.

The Radiance roses are the most adaptable of all.

Mr. and Mrs. Hester Dodson and Lavelle, Wandell and Dora Jean Davis of Mayfield, Okla. attended a singing convention at Dallas Saturday night.

LEGION GOES TO ACTION

AUSTIN, Official declaration of first traffic murder was made last week by the American Legion in a statewide radio address its State Commander Bertram Giesecke of Austin.

The Executive Committee of the Legion officially approved a plan for an action program to be carried out in every Legion. "The American Legion for one, has declared war against this traffic murder."

Too many of our veterans have returned from the hell of war to live on our peaceful streets and highways. The Legion believes that the enactment of the six-point legislative program of the Traffic Safety Association is essential to safer communities.

The Legion believes that the action of 200 men for the Texas Highway Patrol is necessary. At present, high speed motorists and drink drivers are making death riders of rural communities open highways. So long as Texas has only 250 patrolmen to cover over 26,000 miles of state roads, these death corridors continue to exact their ghostly toll.

The Legion believes that the enactment of a Model Traffic Code uniform traffic regulations is essential to safe travel.

The Legion believes that more penalty of punishment is needed for the trial of the drunk driver, hit-and-run driver and the traffic violator.

It believes that driver license should be used for driver administration and for the Highway Patrol—not for purposes totally unrelated to traffic control.

The Legion believes that a Controlled Access Highway Law is necessary to permit safer entry and departure from heavily traveled highways.

The Legion believes that driver education and driver training classes should be adopted in the curricula of our schools.

Texas can control traffic under if the majority of law-abiding citizens will make their voices heard, and their actions in this cause of a Safer

LOCAL BAPTIST CHURCHES WILL HOLD REVIVALS

Baptist churches of Wheeler and vicinity are asked to participate in simultaneous revival meetings to be held through the North Fork Baptist Association from April 6 through April 20, Rev. Oliver Riley, chairman of the publicity committee of the movement, announced this week.

The 114 associations comprising the Baptist General Convention of Texas are to hold simultaneous meetings during the summer. The date of April 6 through April 20, for the North Fork Association, was decided upon at a recent Workers Conference held at the First Baptist Church in Mobettie.

Rev. Riley, chosen to publicize a unique plan, issued the following statement:

"A spiritual awakening is coming to the hearts of God's people. It is coming for several reasons: because there is need for one; because many people are praying for one; because God wants to send and will send one when we are ready to receive it; and because we are making plans for one.

"There is evidence on every hand that there is a definite need for a spiritual upheaval in the hearts of the people called Christians. Sin is too manifest in the lives of too many of our church people and indifference is crushing the life out of too many of our churches. There needs to be a revival that will set Christians on fire for God and righteousness.

"Many of our people have recognized the need for such a revival and have covenanted with God to pray daily for it to come until it has come. Throughout the state of Texas there are tens of thousands who have made such a covenant. Prayer changes things.

"God is ready and anxious to send a revival. He told Solomon, 'If my people, which are called My name, shall humble themselves, and pray and seek My face, and turn from their wicked ways; then will I hear from Heaven, and will forgive their sin, and will heal their land.' 2 Chron. 7:14. Thus we see that when we are ready to receive a revival, God will send it."

W. L. MARIOTT SERVICES HERE

Funeral services were held at the Wheeler Baptist church last Saturday afternoon for William Lee Mariott, 68-year-old county resident who passed away on Thursday, January 23, in the Wheeler Hospital. Burial was made in the Wheeler cemetery.

Mr. Mariott had been a resident of Wheeler county since 1922. Born at Wiley, Texas, he was the son of Charles I. Mariott. He was married to Viola Alexander of Blair, Okla., on December 26, 1907. He was retired and resided at Shamrock at the time of his death.

Funeral services were conducted by Rev. A. C. Wood. Bearers were: Richman Davis, Preston Davis, Dean Richardson, Glen Richardson, Floyd Vandeventer and Ofas Mariott.

Mr. Mariott is survived by his widow and six children: William J. Mariott of Twitty, Ermal Mariott and Donald Mariott of Shamrock, Vitula Davis of Wheeler, Gladys Richardson of Twitty and Ethyl Loftis of Albany.

He is also survived by three brothers and one sister, Frank J. Mariott of Elk City, C. H. Mariott of Sayre, R. A. Mariott of South Gate, Calif., and Cynthia Calloway of Sayre.

Auxiliary Initiates New Members At Meet

The Ladies Auxiliary met Tuesday night at the American Legion Hall for a regular business meeting and for the purpose of having new members to take the oath of membership. Members sworn in were: Mesdames Harrison Hall, J. C. Howell, Nick Steadman, Shelia C. Howell, Misses Marie Mullins by Pettit, Misses Marie Mullins and Virginia Lowrie. Miss Margie Mullins was also elected treasurer following the resignation of Mrs. Matthew Cantrell. Mrs. Harrison Hall was elected Secretary at Arms and Mrs. J. C. Howell publicity chairman.

Plans were made for a forty-two tournament to be held at the American Legion Hall Friday night, February 14. The tournament being for any one who wishes to come, a small fee being charged at the entrance for each player.

The next regular meeting of the Auxiliary will be Tuesday night, February 24.

Two County Men Join Army For Three Years

Two Wheeler county young men who recently enlisted in the regular army for a period of three years, are now stationed at Fort Sam Houston, under going basic training. They are: Cleo Tommie McDaniel, son of Mr. and Mrs. Andrew McDaniel, route 1, Wheeler, and James Daniel Crabtree, son of Mr. and Mrs. A. B. Crabtree of Briscoe.

There are openings for veterans to get their grade or a part of their grade back that they held at the time of their discharge, the recruiting office announced. The recruiting officer is at the local selective service office in Wheeler.

Mobettie Seniors To Sponsor Box Supper

Attention, everybody living in the Mobettie vicinity. There will be a box supper at the Mobettie gym Thursday night, February 6, sponsored by the Mobettie Senior class and proceeds will be used in financing the annual trip to be taken by the class. Every one is cordially invited.

HANDLERS OF FOOD INVITED 5-DAY SCHOOL

W. R. Ritter, Wheeler county sanitarian, urges all persons handling food for public consumption to attend a Foodhandlers' School to be held at Clark Auditorium, Shamrock, starting Monday, February 3 and lasting five days.

The school will be conducted by Ritter in cooperation with the Texas State Department of Health and will include five topics, one to be discussed each day.

Sessions will be held twice daily, 9 to 10:30 a. m., and from 3:30 to 5 p. m. The same lessons will be studied at morning and afternoon classes each day so it will be necessary to attend only one session daily, whichever is most convenient.

Films and slides will be shown with each lesson, the county sanitarian said. Persons who successfully complete the course will be awarded a certificate on sanitary food handling, and these certificates may be posted in the places of business to inform the public of the business firm's cooperation in the health program.

Housewives are cordially invited to attend, there being no admission charge.

The lesson on Monday, the opening day, will be "Bacteriology and the Food Establishment." Tuesday's topic will be, "Food Contamination and Prevention" and Wednesday, "Sanitation of Dishes and Utensils." Thursday, "Three Enemies of the Food Establishment," and Friday, "Personal Hygiene and Sanitation."

Wheeler County H. D. Council In Meeting

The Wheeler County Council met Saturday, January 25, with the new officers presiding: Mrs. Clarence Zybach, chairman, Mrs. Bill Owen, vice-chairman, and Mrs. J. M. Finsterwald, secretary-treasurer. There were 21 members and four visitors present.

The following committees were announced for 1947: Finance: Mrs. R. L. Ramsey, Mrs. Allie Minor and Mrs. W. Leake. Exhibit: Mrs. Bill Owen, Mrs. Sy Mason and Mrs. C. D. Evans. Yearbook: Mrs. H. Finsterwald, Mrs. G. Burkhalter and Mrs. Verl Tinker.

Education Expansion: Mrs. W. L. Morrison, Mrs. A. O. Krug and Mrs. Troy Miller.

Recreation: Mrs. H. Dodson, Mrs. R. W. Oldham and Mrs. L. Johnson.

Sponsors: Mrs. Ernest Zybach. Marketing: Mrs. Tommie O'Gorman, Mrs. Paul Macina and Mrs. Elmer Miller.

Reporter: Mrs. Don Snyder.

Reporter of Official Organ: Miss Louise Risian.

Reports were given by chairmen of the T. S. D. A. finance, education and expansion, yearbook, marketing and sponsor committees. The standing rules of the council were revised after which the meeting adjourned and a short recreation period was enjoyed.

Atkins & Ruff Offer Mobettie New Service

The progressive grocery firm of Atkins and Ruff of Mobettie has again evidenced its faith in the future of the rich area it serves by installing frozen food locker service. The popular IGA food store announces an Iceberg frozen food unit of 60 locker capacity.

The frozen food lockers freezing unit was built by General Electric, and the equipment is the very finest obtainable. Atkins and Ruff invite the public to come in and inspect the new department. The Mobettie store has a large advertisement in this week's Times, listing many food bargains for the weekend.

Here Is Chance For Fred Waters To Show Off His Trustee Team

Since improvement of the Wheeler football field is one of the conditions under which the Mustangs were re-instated in District 3-A recently, football fans and progressive citizens generally have been discussing ways and means of raising the needed funds.

Some one has suggested a benefit basketball games as a good way to start the fund, the idea having occurred to him when he overheard a chance remark by Fred Waters, president of the Wheeler school board, about what kind of a basketball team he could select from the Wheeler school board.

The man who overheard Mr. Waters' remark agreed the trustees "might be able to get up a fairly good team", but has the idea the Wheeler faculty could get up a team that could wallop the school board. And he authorized The Times (providing we did not use his name) to issue a challenge to the school board on behalf of the Wheeler faculty.

The faculty spokesman said the school teachers would meet the trustees in a regular length basketball game on any Wednesday or Thursday night of the trustees' choosing, the entire proceeds to go to improving the football field.

And furthermore the more he thought about it, the faculty representative said, the more convinced he was that the lady members of the Wheeler faculty could beat any selected group of Parent-Teachers association in a volley ball game on the same night.

If this suggestion meets with the approval of the school board and the P. T. A., all they have to do is notify The Wheeler Times and we will pass it on to the teachers.

The double-header game should prove both enjoyable and profitable. The Wheeler Mustangs have been re-instated in District 3-A for the coming season and need repairs are necessary to keep them on an equal footing with other member teams.

FARMERS ASKED STUDY BOOKLET ON ELECTRICITY

Families soon to have electricity on their farms for the first time will find U. S. D. A. publication, "Planning Your Farmstead Wiring and Lighting", very helpful. This publication may be obtained from the home demonstration office, Mrs. Emma Hastings said.

Since there has been cases of farms having to be rewired as many as three times in ten years as additional equipment and appliances were employed wiring adequate for all future needs should be installed.

A wall switch in every room is desirable for safety and convenience. Every room in the house should have at least one wall plug or convenience outlet. The living room and kitchen will need two or more.

In selecting electrical equipment and appliances choose a well-known make and buy from a dealer who will stand behind it and who handles parts for it and is in a position to give service should the equipment need it.

All electrical equipment should have a tag by the Underwriters Laboratory which means it has been tested and is safe. Read the guarantee and save it.

Check the manufacturer's directions for use and care of the appliance, for example some items come filled for life, others require oiling by the user.

Most companies that make both large and small equipment have been using their materials for large equipment first.

The demand is likely to exceed the supply for electrical appliances throughout the present year. Most companies are making pre-war models, but some improvements have been added; for example more appliances with automatic control.

MUSTANGS FATE UP TO STATE

Logan Cummings of McLean, formerly of Wellington, who is chairman of District 3-A, has sent The Times a copy of a letter he has written R. J. Kidd of Austin, of the State Interscholastic League, recommending that the Wheeler Mustangs be re-instated as a conference member.

Mr. Cummings' letter, dated January 23, follows:

"I called a meeting last night of the Executive Committee of District 3-A to consider the application of Wheeler for membership in District 3-A for another year. After Supt. W. O. Carrick, and others from Wheeler, had appeared before the committee, and had agreed to correct all irregularities that existed, the Executive Committee unanimously voted to recommend to you that Wheeler High School be admitted into District 3-A for the 1947-48 school year.

"The Executive Committee of District 3-A is composed of Supt. W. C. Davis of Memphis, Supt. Elmer J. Moore of Shamrock, and myself.

"Thanking you in advance for your favorable action on this matter, I am

Sincerely,
Logan Cummings
Chairman, District 3-A"

GRADE SCHOOLS IN CAGE MEET

Seventh and eighth grade basketball teams from Wheeler and Kelton are among those that will take part in Shamrock's invitation tournament to be held next Saturday.

Play will start at 10 o'clock Saturday morning and will continue throughout the day with the finals starting at 9 o'clock Saturday night.

Boys and girls teams from the following schools have entered: Wheeler, McLean, Kellerville, Kelton and Shamrock. Brackets have been drawn and it is possible that other teams will take part, Irish Coach Scott McCall who is in charge, said.

Small trophies will be presented first and second place winners and consolation winners in both boys and girls divisions.

Roscoe Allen Buys Radio Shop At Nash

Roscoe Allen who has been employed as radio mechanic at Nash Appliance & Supply for the past several years with the exception of the time he spent in the armed service, announced this week he has purchased the radio repair department and re-lacement parts stock. He will operate his own shop which will be continued in the Nash Appliance & Supply building.

Allen invites people needing radio parts or service to come and see him. He particularly calls attention that he can change battery sets to electricity. He has an extra large stock of replacement parts for radios of all makes.

Assembly of God To Meet Mobettie Feb. 6

Bonita Hudson, pastor of the Assembly of God church of New Mobettie, extends an invitation to the public to attend the Fellowship meeting which was postponed from January 2 to February 6.

Mr. and Mrs. Ben Parks and Joy Beth and Connie Lewis of Shamrock, Mr. and Mrs. Sam Bowman of Hollis, Okla., Mr. and Mrs. Charles Byrd of Childress and Mrs. Juanita Levitt and children of Allison visited in the T. M. Bowman home Sunday.

LEGAL NOTICE

CITATION BY PUBLICATION
THE STATE OF TEXAS

To: D. S. Blair; D. L. C. Kinard and J. C. Williams, if living, their unknown heirs and legal representatives, if dead. GREETINGS:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of this issuance of this Citation, the same being Monday the 10 day of March, A. D., 1947, at or before 10 o'clock A. M., before the hereinafter named commissioners, at the Court House in Wheeler County, Texas, at the office of the County Judge thereof. Said plaintiff's petition was filed on the 23 day of January, 1947. The file number of said suit being No. 2-A, with said judge. The names of the parties in said suit are:

The State of Texas, acting by and through the Commissioners Court of Wheeler County, Texas as plaintiff and D. S. Blair; D. L. C. Kinard and J. C. Williams, if living and if not living, their unknown heirs and legal representatives, as defendants, the nature said cause being substantially as follows:

That the defendants own separate interests in fee in portions of Lot 5, Blk. B; Lot 13, Blk. 21; Lots 5 and 4, Blk. A in the town of Lela, Wheeler County, Texas, according to the plat thereof in the office of the county clerk said county, which interests are being affected by the cause stated herein, the nature of said cause being as follows:

The State of Texas is widening U. S. Hwy. No. 66 through Wheeler County, and in so doing has surveyed and must utilize certain portions of the lots heretofore described, the field notes of such needs being fully described in the petition filed in this cause and to which reference is hereby made. Unable to locate and thus agree with said owners above named, the Commissioners Court of said Wheeler County in behalf of the State of Texas has caused to be filed its petition of condemnation against such defendants and in pursuance to the statutes in such cases made and provided the county judge has nominated three appraisers or commissioners whose names are

FARM FACTS
WORTH KNOWING

Q. Do you know what would cause our doe to become very thin?
A. Thinness may be a symptom of disease, of improper feeding, or of poor care, although in itself it doesn't indicate much. Does often become thin, even though in the best of health, because of heavy milking, as the strain of producing large quantities of milk drains the body's reserves. It is a good idea to check all conditions of health and care when any goat starts to lose flesh, particularly because the trouble may be caused by an infection of parasites.

Q. Is it all right to substitute soybean oil meal for corn in feeding hogs?
A. Work on this at the Research Farm of the Ralston Purina Company showed that soybean oil meal can replace only a limited amount of corn or other cereal grains in swine rations. Even when supplemented with minerals and vitamins, it can satisfactorily make up only about 20% of a swine growing ration. The following table shows the results obtained at the end of 180 days when soybean oil meal was used in the ration:

	Pen 1	Pen 2	Pen 3	Pen 4
Oil meal	20%	40%	60%	75%
Final weight	211	193	164	151

Q. In feeding lambs, is there any advantage to grinding sorghum grains and roughages instead of chopping them?
A. Trials at the Kansas Experiment Station showed that it pays to grind sorghum roughages but not sorghum grains. Whole grain apparently is utilized more efficiently. Ground sorghum roughage, however, was found to be more palatable and produced larger gains than the same kind of roughage chopped.

Q. Some of my growing chicks have been losing their feathers. What is the cause of this?
A. There are several causes. First, all chicks molt during the growing period. Second, there is an inherited factor, which is often found in the general purpose or heavy breeds which causes a tendency to slow feathering. Third, overcrowding and other poor management factors cause a loss of feathers in growing stock.

Send your questions about livestock or poultry problems to FARM FACTS, 623 South Eighth Street, St. Louis 2, Missouri. Questions will be answered without charge, either by mail or in this column, as a service of this newspaper.

signed hereto, who will at the time and place above designated, assess the value of the above described land sought herein, the amount of damage, if any to be allowed the defendants for his respective acreage, said decision to be reported to the court, and recorded in the minutes as provided by law.

Issued this 23 day of January, 1947, at Wheeler, Texas, this the 23 day of January, A. D., 1947.

Cotton Ed... Says

A MAN'S GOTTA FIDDLE AND WHITTLE

Ain't no doubt 'bout it... Man's gotta FIDDLE AN WHITTLE a little in order to enjoy hisself as he goes along makin' a livin'.

After I got my last crop all out I got to WHITTLE and figurin' and found out I had made more money out of cotton last year than any other crop. Yep. In spite of labor costs... shortages... bad weather... and my kinfolks.

What's more... I aim to plant more Cotton this year than I did last. There's a'goin' to be a big Demand for Cotton... an I aim to give 'em a big Supply. First off... folks need the Cotton... and another First off... Cotton Ed needs the money... makes sense... don't it?

Why when they perfect them machine gadgets for Choppin' and Pickin' Cotton I can save up to \$40.00 a bale on cost of making cotton... and think of the time I'll have to PIDDLE AN WHITTLE. With that kind of savin' you can't tell... I might invite my kinfolks down fer a spell. Then again... I might go a'visitin' myself... See ya.

Sincerely,
Cotton Ed.

SENIOR GOSSIP
Nelda is wishing for a pleasant weekend. Meaning, of course, the weather.
Clyde is still having trouble with his car. How do you and Pat like Bill's pick-up, kids?
Sure June's happy. This is to whom it may concern.

Peggy says that certain weekends are too short.
Ida likes to have glamour shots made of herself and she has made first string guard on a football team. Ask her which team.
Joy was heard demanding her paycheck. Didn't get fired, did you, Joy?

It is rumored around Wheeler high that one of our seniors, Anna Z, has been buying the junior sponsor, Mr. Osborne, cokes.
Floy has a giggling good time in Biology looking at Bill Robertson.

Glenn has been seen driving his bud's car. Couldn't be that "Our Glenn has a steady girl friend, nowadays?"
Wayne and LaVerne are still steadiest twosomes.
Vondell is having a hard time getting the Annual all together.
Peggy did you ever have anyone whip you for locking the car doors?

JUNIOR NEWS
What in the world was wrong with about four of the junior girls Thursday night in the drug store? Could it have been that Joyce Bowerman's boyfriend from Maryland came in?

Betty we see you are doing plenty OK. He's cute.

Ruby isn't Canadian a long way off just to go to a basketball tournament? Sounds okay to us, though.

It seems that Wheeler isn't big enough for some of these Wheeler kids nowadays, is it Betty and Jo Rean?

Georgia Gaye and Jimmie and Betty and R. H. sure had some swell pictures made, Sunday, or were they?

Jody who is that we have been seeing you around with lately? Dolores we hear you and Carroll really had a good time Sunday. You were riding with Clyde and Pat weren't you?

Vaneta we could hear you all over the gym down at the tournament hollering for Jimmy to stay in there.

Johnny, Happy, and Robert are pretty good at teasing Jody and Betty in Cecil's on Saturday nights. Now boys, what if they started teasing you?

Joyce Brown, how does it feel to you not to have to work? Just study and go to school.

It seems that on Sunday nights all of the Wheeler kids run over to Shamrock for the show.

P-T. A. NEWS

Parents-Teachers Association met in its regular session, Thursday night, January 23.

A musical program for entertainment was presented by the second grade.

After the enjoyable program, a short business meeting was held. It was decided by a unanimous vote that funds now in the treasury is to be divided between the cafeteria and the library. Committees were appointed to disburse with the fund.

After all business was discussed, refreshments were served to those present. It was suggested by the president that a membership drive be staged and that the next meeting be a social affair.

Everyone is invited to come and bring a covered dish and dominoes. The meeting will be Feb. 6.

SOCIETY

Good Neighbors Club Has Meet January 23

The Good Neighbors Club met in the home of Mrs. R. R. McCleskey, Jan. 23.

After a short business meeting and three lovely gifts were presented to Mrs. James Williamson from the club, Mrs. Emma Hastings gave a demonstration on "Buying and Care of Electrical Appliances".

Refreshments were served to Mesdames Bob Ramsey, Milton Finsterwald, Clarence Dyson, A. R. Meek, T. A. Treadwell, Herbert Finsterwald, Weaver Barnett, Bill Finsterwald, Ralph Oldham, James Williamson, Vernon Sivage, Cash Walker, Odell Uchurch, C. H. Chandler, Albert Newman, Emma Hastings, J. W. Williamson, Minor and the hostess, Mrs. R. R. McCleskey.

The next meeting will be a Valentine party for the club members and their husbands in the home of Mrs. C. H. Chandler, Thursday night, Feb. 13.

Mrs. Hagerman Hostess To Myrtle H. D. Club

Mrs. Leonard Hagerman was hostess to the members of the Myrtle Club and their husbands at her home Thursday evening for a regular business meeting and miscellaneous shower for Mrs. Walter Sorenson, who is resigning from the club.

Mrs. Emma Hastings, Home Demonstration Agent, gave a very interesting talk on electricity, after which games of forty-two were enjoyed.

Refreshments were served to Mr. and Mrs. Elmer Miller, Mr. and Mrs. Walter Sorenson, Mr. and Mrs. Orville Hagerman, Mrs. Zack Miller, Mrs. Rex Miller, Mrs. Emma Hastings, Miss Louise Hicks and the host and hostess, Mr. and Mrs. Leonard Hagerman.

Bethel 4-H Club Girls In Meeting January 21

The meeting was called to order by the president, Janice Chandler, Tuesday, January 21.

The Bethel 4-H Club girls met and the club motto, pledge and prayer was given by all the members. Miss Louise Hicks, assistant county home demonstration agent, gave a very interesting talk on yards, showing pictures of lawns and telling the kind of flowers and trees to plant now.

Games provided entertainment after which the meeting was adjourned.

Allison School News

The sophomore class was honored with a party at the home of their class parents, Mr. and Mrs. Bob Taylor, Wednesday night. Many games were played and then group singing was enjoyed. Refreshments of apples, popcorn and cokes were served. Everyone had a very nice time.

Since some of the juniors and seniors officers and class parents are gone, we met recently and elected Myrtis Hill, president, Virginia Winders, vice-president and Mr. and Mrs. Peterman as class parents.

David Waldrip checked in his books Friday. We are sorry to see you go, David.

Myrtis, Helen Marie, Evelyn,

Bonita, Charlene, Jerold, Llyn, and Billy Bob were having a good time in Reydon Saturday night. Wonder why?

Gynelle seems to be doing pretty good typing for our annual. Wonder why Bobbie likes to tease one of his teachers? We would like to know.

Everyone seems to be very excited about the tournament that has been taking place this week and last.

Wonder why Louana is always so quiet?

It seems like Roy and Shirley are still making it O. K. (Is that right Shirley?)

Wonder who Billy Bob wanted to take home from the party Wednesday night?

Wonder who Parilee and Evelyn are getting so many letters from? Could they be from New Mexico?

Millions Missing

Mrs. Mary Gallagher heeds the call for milk and beverage bottles by clearing the empties from her cupboard at Scarsdale, N.Y. She is returning a few of the 35,000,000 bottles that have gone "stray" in American homes. If these are not returned, the bottle shortage will curtail the nation's milk and soft-drink supplies.

ALLISON NEWS

Mrs. Lester Levitt

Mr. and Mrs. Ross Waldrip were dinner guests Sunday in the H. R. Warren home.

Those attending the birthday dinner for Clyde Dukes Sunday at his home were: Mr. and Mrs. J. R. Hall, Rayburn, James, Vernon Hall and families, Mr. and Mrs. Donald McMillan of Pantex, Ice and George Dukes and families, Jim Dukes and family of Amarillo, Mrs. Ernest Wallace

and sons, Mr. and Mrs. Relum Hughes of Reydon and Evelyn Levitt.

Woodrow Waggoner and R. C. Pugh, who are attending school in Amarillo and Boyd Huff and Clifton Taylor, who are in school at Canyon, spent the weekend here with relatives.

A fellowship meeting was held here Monday evening and night at the Penecostal Church and a large crowd attended. A number of out of town people were present to enjoy the meeting.

Cecil Markham and family of Amarillo visited in the C. L. Markham home over the week-

end.

Clem Herd and family motored to Pampa Saturday.

Ernest Wallace was in Amarillo from Friday until Sunday taking treatment for an eye infection.

A supper and pounding was given Friday night honoring the new Methodist pastor, Rev. Mote, who lives at Eriscoe. He will preach the first and third Sundays at the local church.

Mr. and Mrs. Harman Barry and sons of Amarillo visited the last of this week in the home of his father, Lawrence Barry.

LOCAL NEWS ITEMS

Mrs. Nick Steadman and daughter visited with relatives Canadian last week.

Mrs. J. I. Ma'oy left Tuesday to visit her daughter, Mrs. T. Puckett and family of Chickasha, Okla.

Mrs. W. D. Douthit of the Eriscoe community returned Wednesday from near Little Rock, Ark. where she attended the funeral her sister-in-law.

From where I sit... by Joe Marsh
Sam Hackney Reports on the U.S.A.

Sam Hackney and the missus just returned from a trailer trip around the country. They're tired, and glad to be home, but mighty impressed with what they saw.

As Sam reports—every section has something different; a different way of talking; different tastes in food and drink; different laws and customs. But bigger than all these differences is the American spirit of tolerance that lets us live together in united peace.

"Of course," says Sam, "you run into intolerance from time to

time. Individuals who criticize another's right to speak his mind; enjoy a glass of beer; or work at any trade he chooses. But these are the exceptions—and we're even tolerant of them!"

From where I sit, more of us ought to make a trip like the Hackneys—to realize firsthand how America is bigger than its many differences... how tolerance of those differences is the very thing that makes us strong.

HORNETS' BUZZIN'

Everyone will be glad to see C. E. out of that bad mood he has been in all weekend. (Maybe Peggy can help him.)
 Irvine, you had better quit hiding in the book cases. You may even hurt yourself when Rev. Cooksey opens the door.
 Jack Hefley and Pernice Carter seem to be making a habit of sitting together on the bus.
 Charles Waters was a good little boy Sunday night. Maybe

it was Mary Matthews' influence that made him go to church.
 Peg, what caused your nose to be so sore.

Delton, did you miss Joan over the weekend?

Beverly and Charlotte are beginning to look a little weak, those rings are a bit heavy for such small girls.

Flicky-Dickie really gets around. He took Mary Louise home from the games Thursday night.

We heard that Beverly, Drew, Joyce and Preacher had a nice time Sunday afternoon.

The students of Mobeetie Hi appreciate Mr. Cooksey's teaching during the absence of Mr. Bales.

TYPING CERTIFICATES AWARDED

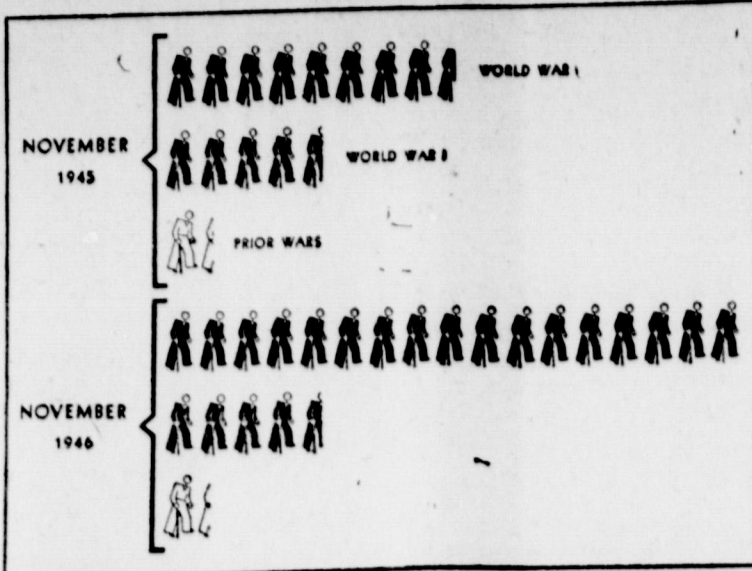

Misses Joyce McCauley, Nancy Ware, Doris Barton, and Tom Laman were awarded Gregg Typing Certificates in Assembly Tuesday morning. To be eligible for these certificates a typist must write at the rate of 30 words per minute for at least 10 minutes with 5 errors or less. These certificates were awarded for work done in December. These same pupils, of course, write faster now than they did then.

McCann, if they be living and if deceased to their unknown heirs and legal representatives of each, to all persons claiming any title or interest in land given under deed heretofore given unto Matt Lewis as grantee, and to all unknown stockholders of The Oklahoma and Texas Investment Co., a corporation, if alive and if deceased to their unknown heirs and legal representatives. GREETINGS: You are hereby commanded to

WORLD WAR II PENSION ROLL DOUBLES IN YEAR

The number of World War II veterans drawing disability compensation has doubled during the past year, statistics recently released by the Veterans Administration reveal. While the World War I roll remained stationary, and deaths cut those from prior wars by 8,000, the list from pensionable disabilities incurred during the last war climbed from 859,762 to 1,682,216 between December 1, 1945 and the same date this year. Each figure in above drawing represents 100,000 active cases.

appear before the Honorable District Court of Wheeler County, Texas, at the Court House thereof in the City of Wheeler, Wheeler County, Texas, at 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 10th day of March, 1947, in this cause numbered 3770 on the docket of said court, in which suit Matt Lewis is plaintiff and Mrs. J. H. McCann, the unknown husband of Mrs. J. H. McCann if they be living and if deceased their unknown heirs and legal representatives of each, all persons claiming any interest or title in land given under deed heretofore given unto Matt Lewis as grantee and all unknown stockholders of The Oklahoma and Texas Investment Company, a corporation, if alive and if deceased, their unknown heirs and legal representatives, are defendants.

title and in addition thereto plaintiff claims title to said land under the ten year statute of limitation, all of which is more fully shown in plaintiffs petition on file in this suit.

The officers executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and seal of said court at office in the city of Wheeler, Wheeler County, Texas, this 20th day of January, 1947.

PEOPLE ARE ASKING THESE QUESTIONS ABOUT ARMY ENLISTMENT

Q. What educational benefits do I get under the GI Bill of Rights?

A. If you serve honorably on active duty for a period of 90 days, one day of which is served between September 16, 1940, and the date of termination of the present war, or you are discharged because of an actual service-incurred injury or disability incurred within that first 90-day period of service, you are, upon discharge, entitled to one year of education in the college, trade or business school of your choice for which you can qualify. In addition, each month of active duty, including the first three, prior to the termination of the war, entitles you to another month of post-service education, up to 48 months.

Your tuition, laboratory fees, etc., up to \$500 per ordinary school year will be paid by the government. Also, you will receive \$65 a month living allowance; \$90 a month if you have dependents.

Q. What about family allowances?

A. For men enlisting or reenlisting now, family allowances will continue until six months after the war is officially ended.

Q. What are my chances of going overseas?

A. If you enlist for 3 years, you may select to serve in any overseas theater which has openings, especially Japan or Korea.

Q. Can I still choose the branch of service I want to serve in?

A. Yes. You can pick any branch which has quotas to be filled, if you enlist for 3 years.

Q. Is there any way I can reenlist in my old grade?

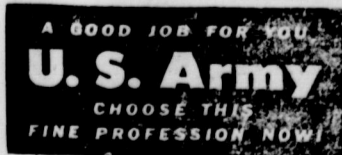

A. Yes, you can, if you reenlist for a 3-year term within 20 days after your honorable discharge.

Q. Is there any other way I can reenlist in grade?

A. Yes, if you held one of certain military occupational specialties, and were discharged on or after May 12, 1945, you can reenlist in a grade depending on the length of time you held the desired M. O. S.

Visit your nearest U. S. Army Recruiting Station for answers to any other questions you may have, or for further details on the above questions.

Help Some Child Walk Again

DIMES MARCH ONWARD

Once again it is the privilege of every American to join actively in one of the great peace-time battles waged by man in his ceaseless struggle to make his world a better place in which to live.

This is the relentless battle against infantile paralysis—common enemy of all, regardless of age or accident of birth—spearheaded by the annual March of Dimes, held this year from January 15-30.

Coming as it does, in the wake of the second worst epidemic of the disease ever to ravage our nation, the 1947 March of Dimes deserves—and will undoubtedly receive—the fullest support of every American who not only wants to help those unable to help themselves, but to insure for himself and his family the best available care if and when the dreadedcrippler strikes.

The National Foundation for Infantile Paralysis, which sponsors the March of Dimes, is unique in the annals of public welfare organizations. It is literally the property of the American people who support it with their dimes. It has no other means for obtaining funds, such as endowments, bequests or grants. What it gets, it gets through the March of Dimes and through the March of Dimes only.

Not only is the National Foundation pledged to do its utmost when epidemic—or even individual cases—breaks out, but its ceaseless research into the cause of the disease is the only promise we have that some day that cause will be discovered and rendered harmless.

There are three things we know with certainty. Polio will strike again—where or when we do not know. When it does strike the community will be ready—the National Foundation guarantees that. And the National Foundation will be ready because the March of Dimes will see to that!

Give generously, give proudly, give thankfully—to the 1947 March of Dimes!

Wheeler, Texas

LEGAL NOTICE

NOTICE BY PUBLICATION
 STATE OF TEXAS
 Willie Gaines, and Loyd
 the unknown heirs, de-
 and legal representatives of

each of the above named defend-
 ants, who may be deceased; and
 To: First Texas Chemical Manu-
 facturing Company, a defunct
 Corporation, and its unknown
 stockholders, GREETINGS:
 You are commanded to appear
 and answer plaintiff's petition at
 or before 10 o'clock A. M. on the
 first Monday after the expiration

of 42 days from date of the issu-
 ance of this Citation, the same
 being Monday the 24th day of
 February 1947, before the Honorable
 District Court of Wheeler
 County, Texas, at the Court house
 in Wheeler, Texas.
 Said plaintiff's petition was
 filed on the 6 day of January
 1947, and is numbered 3768 on the

Docket of said Court:

The name of plaintiff is D. A.
 Hunt, and the names of the de-
 fendants are:

McKesson & Robbins, Incorporated;
 First Texas Chemical Manu-
 facturing Company, a corporation;
 Willie Gaines, Loyd Gaines, Homer
 Gaines, Morris Gaines, W. L.
 Gaines, Jr., Estelle Linebarger,
 and her husband, Elmo Linebarger,
 Mrs. Ida Gaines Heath, and
 her husband, Clifford Heath, and
 Billie Ruth Gaines, a minor, and
 the unknown heirs, devisees and
 legal representatives of each of
 said defendants who may be de-
 ceased, and the unknown stock-
 holders of said First Texas Chemi-
 cal Manufacturing Company, a
 defunct corporation.

The nature of plaintiff's suit is
 in trespass to try title to the fol-
 lowing described tract of land
 situated in Wheeler County, Tex-
 as:

Being all of the SOUTH 1/3
 OF BLOCK 30 of the original
 townsite of Wheeler, Texas, ac-
 cording to the recorded plat of
 said townsite.

Plaintiff pleads his title to said
 land and premises, as against all
 said defendants, and each of them,
 their unknown heirs devisees and
 legal representatives, and in sup-
 port of his title, to said land,
 pleads as against all said defend-
 ants, the THREE, FIVE, AND
 TEN YEAR statutes of limitations.

Prayer is for title and possession
 of said lands as against all
 said defendants, and that the title
 to said land and premises be quiet-
 ed in the name of plaintiff.

Issued this 6 day of January
 1947.

Given under my hand and seal
 of said court, at office, in the City
 of Wheeler, Texas, this 6 day of
 January 1947.

CHRISTOPHER S. McCLAIN
 Clerk of the District Court,
 of Wheeler County, Texas.

By Anne Goode

They say it's likely that Philip-
 pine sugar production may never
 completely recover from the rav-
 ages of war. In addition to war
 damages authorities say that some
 sugar land will be shifted to the
 growth of corn and other food crops.

If you'd like to get the main part
 of your dinner prepared before
 company arrives, take my advice
 and treat your guests to this de-
 licious casserole. Just brown pork
 chops in vitaminized margarine.
 Then make brown gravy using
 part of pork fat. Place chops in
 casserole, top with well seasoned
 gravy and sliced mushrooms. Cook
 in slow oven for about an hour.

When buying new suits and
 dresses do check to see that hem-
 ers are ample so they can be lowered.
 For skirt length is going down.

With cocoa and chocolate prices
 skyrocketing 189% in the past few
 months in the New York spot
 market it is possible they will be-
 come luxury items in the near
 future.

Just a little reminder that some
 wax shoe polishes come in colors
 that match most woods. They can
 be easily blended in to help cover
 up scratches and other blemishes.

When removing buttons from a
 garment, slide a comb under the
 button and cut the thread with a
 razor blade. It'll prevent many a
 nick to the fabric.

BROTHER,
This Is News!
 THERE IS NOW A NEW
RADIO SHOP
 IN WHEELER

I have purchased the radio repair equipment and replacement parts stock of the Nash Appliance And Supply, where I have been doing their service work for several years with the exception of what time I spent in the armed forces during the war.

I am now in a position to take care of any radio servicing problem which you may have because of the practical experience I have gained from several years of service work and the fact that I now have in stock what is probably the largest supply of REPLACEMENT PARTS that anyone has been able to get together in a town the size of Wheeler since before the late war.

We invite you to give us a trial the next time your radio or radio phonograph fails to work properly.

LET US CHANGE YOUR BATTERY SET TO ELECTRICITY

Many of you Farmers who have already got electricity to your home or who plan to have it installed within a short time have nice radios, and the only thing wrong with them is the fact that they work off a battery. We can change these over to electricity very economically and many people say they give better performance after being changed over than one that was made to operate on electricity in the first place.

SOCIETY

Mrs. Wofford Hostess To Baptist W. M. U.

The Baptist W. M. U. met in the home of Mrs. Harry Wofford, Monday, January 27, for a Royal Service Program.

Mrs. P. D. Fullingim was in charge of the program and those taking part were Mrs. C. N. Wofford, Mrs. Chas. Flynt, Mrs. Jack Thomas, and Mrs. Bob Rodgers.

Those present were: Mesdames I. M. Burgess, Lillian Wright, Marie Farmer, A. C. Wood, Tom Bradstreet, Jack Guynes, Booker Tamm, Frank Wofford, Williams, E. N. Wofford, Bob Rodgers, Chas. Flynt, Gordon Whitener, P. D. Fullingim and the hostess, Mrs. Harry Wofford.

Miss Barton Honored With Birthday Party

Mrs. J. A. Barton honored her daughter, Nadine, with a birthday party at her home Sunday afternoon.

Refreshments were served to the following guests: Jean Terry, Kay Rodgers, Esther Maye Rodgers, Sue Williamson, Claudine Johnston, Marilyn Swink, Syble Tamm, Buddy Tamm and the honoree, Nadine Barton.

Wheeler Boys

Competed at Briscoe Friday night and Saturday, February 7 and 8 at Briscoe, Keltion, Mobeetie and Wheeler. The tournament is to be a round robin affair. Admission for the Briscoe affair will be 20c and 40c per session.

The Wheeler boys and girls teams will meet corresponding teams from Higgins at the Wheeler gymnasium Tuesday night beginning promptly at 7:30. This will be a return engagement and there should be plenty of action since the Wheeler girls won by a small margin and the boys lost by a slight majority in their last contest.

Homemakers Should Render Big Supply Lard Again This Year

COLLEGE STATION—Since fats are still a big shortage item, homemakers shouldn't pass up the chance to render a supply of lard at home this year, says Miss Gwendolyn Jones, food preservation specialist of the Texas A. and M. College Extension Service.

The biggest problem in making lard at home is how to keep it from becoming rancid, says Miss Jones. The selection of a vessel in which the lard is to be rendered has much to do with rancidity. A large kettle of aluminum, stainless steel or enamel should be used. Scientists have found that copper, zinc and iron containers cause fats to become rancid. Too much heat, air, light and moisture are other causes of rancidity.

'Truant Bottles' Hit Milk Supply; Beverage Drought Threatened

Jackie Lamb does his little bit for the bottle roundup drive by helping his mother collect empties for prompt return to the store.

"Truant bottles" are threatening the supply of milk and soft drinks, and industry spokesmen say that American housewives can solve the problem.

With glass container manufacturers unable to increase output because of raw material shortages, the need for bottles is so serious that a nationwide campaign to drive "truants" from kitchens, attics, basements and garages began this week.

The goal is the 25,000,000 empty milk and 10,000,000 empty beverage bottles believed to have accumulated in American homes. Some industry spokesmen believe these figures are too conservative. Representatives of both industries agree that the complete cooperation of the housewife is

needed to get "truant" bottles back into use. They point out that for every bottle of milk delivered, the dairy must have eight bottles in the process of washing, filling and in storage. The beverage bottlers, likewise, must maintain four bottles for every one delivered.

Cooperation of retailers handling milk and beverages is being sought by the three industries. Driver-salesmen and other employees of bottling plants are being enlisted in the drive. This campaign, it was pointed out, should make it easier for housewives who are anxious to do their part in maintaining the flow of milk and such typically American products as beer and soft drinks.

Leaf fats make the best lard, the specialist says, but back fat and trimmings are also good. Fat from the internal organs should be cleaned, chilled and then rendered separately from other fats. These fats sometimes give a darker product with a slightly "off" odor and flavor, which is why they are rendered separately.

If it is necessary to let fat stand several days before making lard, it should be kept cold in a tight container. The sooner it can be rendered the better, says Miss Jones.

Homemakers who want detailed procedures on making lard can call at their county home demon-

Blackeyed Peas Are Popular As Food Now

The common blackeyed pea originated in India some 3,000 years ago. It came to America from England in 1734, when it was first planted in Georgia in the Oglethorpe Colonies.

No one knows for certain when the pea first came to Texas, but it had been grown for food throughout the southern states for the past 50 years and it is probable that the first settlers brought the seed with them.

Peas belong to the family of Vigna Catjang and are closely related to both English peas and the various beans. The popular name for the blackeyed pea is "cowpea" but now that the canners have shown an interest in the crop and it is being introduced on a large scale to the nation's consumers, an effort is being made to disown the "cowpea" name as lacking in consumer appeal. In the same way, "mutton" has replaced "sheep meat", although producers and handlers have been less successful in substituting "chevon" for "goat".

Blackeyed, cream and purple hull varieties have become increasingly popular as a food during the past five years. Texas canners have contracts with Eastern jobbers for as many cases of canned peas as can be produced, and it appears to be an outstanding cash crop in the sandy areas of East and South Texas.

Mrs. Johnnie Red and mother-in-law, Mrs. Minnie Red, visited relatives in Correll, Okla., Wednesday.

Benny Westmoreland returned to Texas A. and M. Sunday after spending the mid-term holidays with his parents.
