## CWE CHAT WITH EDITOR

By Louis C. Stas

Ft. Elliott and Allison schools had students on the District 10-1A Basketballs teams. Congratulations to Deidre Dukes, Lindsey Fillingim, Andrea Dukes, Travis Goad, Jimmy Nelson, Scott Dyer, Dusty Walker, Travis Goad and Greg Boydston.

The talents of two other of our young people was recognized also. Rocky Mendiola and Stacy Miller. These two really make the ivories bounce. Congratulations!

We were lucky this week and missed the snow and ice that was predicted over the weekend. Actually it was a little cool, but the rain wasn't bad. The amount measured was 2.8.

Interscholastic League practice gets under way this weekend with the local students going to Canadian. Good Luck!

We still have not managed to get the subscriptions and the bookkeeping on the new computers. We have been running into one setback after another, but Kenneth is still determined to make that printer work.

I found some scribbling by Flipian Patterson on the envelope with her grandson's picture in it. She mentions Potato Ice Cream and Ex-Student Stuff.

Now I can remind you that the Ex-Student-Teacher Reunion is rolling around pretty fast, Saturday, June 13. If you haven't scheduled your vacation yet, you better do so. We want you there.

But, the Potato Ice Cream subject will have to be discussed. She brought in this envelope and left it with Patricia and failed to explain about the ice cream on the back. Mother used to make potato donuts.

A rare event occurred Tuesday afternoon. Doyle Hanks came to town.

**PANCAKE RACE PARTICIPANT:** Zack Patterson was in the Elementary 1 Boys group that ran in the Pancake Race at Liberal, Kansas, Feb. 22: He came in third place, winning a trophy. He is the son of Tim and Terrie Patterson of Liberal. Grandson of Flipian Patterson and the late W.J. Patterson; Tyler and Ila Collins and great grandson of Agnes Lott all of Wheeler.

## LOCAL PIANO STUDENTS WIN TOP HONORS AT U.I.L.

Three piano students of Ben Karnes were awarded first place metals and ribbons at the 1993 U.I.L. Play-off February 20 at West Texas State University. Dr. Dale Roller executive Region 1 assistant stated that over 3,000 instrumentalist and 2,000 vocalist and pianists participated this year.

"Not enough can be said to thank Dr. Roller for his part in making this event run smoothly for the past 13 years," stated Karnes. "And the repertoire list that student can choose from do a great part in developing young Texas musicians," added Karnes. "Keep company with this music assures participants that they are in touch with some of the greatest musical creations."

Rocky Mendiola repertoire choice was the first movement of Clementi Sona Tina Op 36 #1, and Stacy Miller chose two Hungarian Peasant Dances by Bartok. These two students played Class 3 and Class 2 respectively which does not have state competition.

Wellington's Heather Wilson entered with J. S. Bach's Fantasy in C minor. Wilson's class 1 selection will permit her to participate in the June State Play-off scheduled at Austin at the University of Texas. Karnes teaches in Wellington, Shamrock and Wheeler.

## PROJECT GRADUATION "CHEMICAL FREE" PARTY

It's time once again for our Project Graduation "Chemical Free" party. It's our fifth!

The Wheeler, Kelton, Allison and Fort Elliott seniors are having a project graduation celebration on May 21st, 1993. This celebration is a "Chemical Free" project for graduating seniors and their guests.

Participation in this project requires the students and their guests to come tobacco free, alcohol free and drug free and remain so throughout the party.

We are seeking donations for door prizes and sponsorship for this party. We are soliciting all the businesses throughout our community. A generous donation will be greatly appreciated.

Please make donations payable to: Project Graduation First National Bank in Wheeler.

Going to high school is a time for growth, decision making and celebration for young people. Unfortunately, many students decide to celebrate by drinking alcohol or using other mind-altering chemicals. Too often, this produces disastrous results.

With help and encouragement, young people can break this "tradition."

Project Celebration was initially developed in Maine, under the title "Project Graduation", as a way to stem the deaths and disabilities associated with drinking, taking drugs and driving. In 1985, 95% of the high schools in Maine hosted successful chemical-free parties.

### Congregational Concerns:

On this coming Sunday, March 7th, a fellowship luncheon will be held in the multi-purpose building at the conclusion of the morning worship service. The staff and personnel of the Wheeler Care Center will be honored at this luncheon.

The men's monthly business meeting that is scheduled to be held on Monday night, March 8th, has been postponed until Monday night, March 15th.

Doodie Phillips has been released from the local hospital. Bob Frankenberg's mother is hospitalized in Wichita, Kansas, her condition is serious.

### From the Minister's Desk:

One of the most interesting personalities in the Old Testament was Josiah. He became king of Judah when he was eight years old, reigning for thirty-one years. Throughout this reign, King Josiah continually urged Judah to faithfully obey God.

For example, during the eighteenth year of his reign, Josiah purged the land of the heathen altars and began to restore the Temple. During this restoration of the Temple, an old scroll was found which contained the laws of God as they were given to Moses. When this scroll was read to Josiah, he ripped his clothing in despair and said: "Go, inquire of the Lord for me and those who are left in Israel and in Judah, concerning the words of the book which has been found; for great is the wrath of the Lord which is poured out on us because our fathers have not observed the Word of the Lord, to do according to all that is written in this book." (II Chronicles 34:21)

Could these words also be an indictment of twentieth century America? For the last several years, some thoughtful Americans have been warning about the decline of twentieth century America, suggesting that the most powerful nation in the world may be destined for destruction. To prevent this destruction, twentieth century America must be willing to find the "lost" book, the Bible, and to "do according to all that is written in this book." But how does twentieth century America begin to do "do all that is written" in the Bible? Since the bulwark of twentieth century America is its families, it is imperative that the families of America read and study the Bible. Think about the strength and high resolve that would characterize this nation if more American families read and studied the Bible. For example, think about the strength against the illness or the death of a loved one that would come from the study of Job. Think about the help that troubled families could receive from the study of Ruth. Think about the preventive advice that fathers could learn from the study of David, Eli, and Samuel. The Bible is filled with stories, admonitions and principles that through study and application could strengthen the families of twentieth century America. And when the families of twentieth century America are strengthened, the results will be a stronger America. May the families of twentieth century America find the "lost book", the Bible. May they "do according to all that is written in this book."

**A CHRISTIAN WORLDVIEW**

Psalms 24:1 says, "The earth is the Lord's, and the fulness thereof; the world, and they that dwell therein." Many people who claim to be born again Christians are in the dark about what Christianity is. There are a lot of people who don't have to turn out the lights to be in the dark. Some people who consider themselves to be very dedicated to God view the world as if the Bible and God have little or nothing to do with it.  
Researchers recently found that only 56 percent of evangelical Republicans were solidly against legalized abortion. Almost one in three of them, in fact, supported the idea of allowing abortion for any reason. One in five of these "strongly religious" people were even hard-line "pro-choice". The numbers are even worse than this when one looks at evangelical Democrats and non-evangelical church people.  
What this shows is that a very large number of "Christians" do not have a Christian worldview. They think they know God, but they believe that it is extremely personal. Therefore, they really are serious about God in church. However, they do not include God or the Bible in other things such as morality or politics. Our President is perhaps the most prominent example of this. He says he believes in God. He chose a specific Scripture to place his hand on during his swearing in as Chief Executive. Until he moved to Washington, he sang in the choir at a Baptist Church. He said that he prays virtually every day and reads the Bible. Sometimes, he even quotes something from the Bible. However, in the context of his life, his positions on many issues is radically anti-biblical. It is a classic example of a Christian with a non-Christian worldview.  
As Christians, we are suppose to let Jesus Christ be Lord of all, not just Lord of certain "spiritual" aspects. The whole world is the Lord's. If the Bible is really the Word of God and Jesus is really Lord, then that should relate to everything we do and every position or opinion we hold about any subject or issue including history, science, art, music, or morality. If you don't look to the Bible for your worldview, you may profess to be a Christian, but you still act like a pagan.

tal were Wanda Childress, Cathy Hunt, Mary Jane Dukes and Stacie. Grandparents include Kenneth and Brenda Childress.  
Wanda Childress visited Travis and

Rosalie Keelin Friday.  
Sorry to hear that Rev. Bill and Wanda Guenther will be moving soon to Sudan to pastor and Assembly of God church there. Will have one more Sunday at the

Briscoe church. We wish you God speed and God bless you all!  
Fort Elliott High School boys will be starting baseball this week. Always enjoy watching.

We missed James and Alesha Moffett and John at church Sunday. They visited with daughter Diane in Amarillo and went to a bridal shower for her and fiance, Jamie Brice Saturday night.

Chuck and Phoebe Hartline and Aaron and Tamera visited relatives at Chickasha, Oklahoma over the weekend. Missed them at church.

Shane Everett of Shamrock visited grandparents J.P. and Martha Meek Sunday afternoon.

Remember Larry Porton in your prayers. He had to have four by-passes at Amarillo.

Some who visited Evelyn Meek since her accident are Sandra Meek, Mark and Annette Meek and Jocelyn, John C. and Rosemary Vise, Kathy Meek, Lisa Helton, Karen and Grant Meek, Lois Meadows, Martha Meek, Wayne Meek, Vickey Nelson, Doris Finsterwald, Rev. Aaron Laverty, Tom and Alice Bell Helton, Caleb Meek.

Evelyn was going back to Dr. Edwards at Pampa Monday. She has Shepherd's Crook Nurses to come three days a week to help out with baths, etc. She has a phone by her bed, if you want to call and chat. She can't be up long yet.

Pray for Kenneth Ogle, brother of Clifton Ogle. Dorothy and Clifton have been very good to take care of him in his illness.

Mable Parker has planted lots of flower seeds and some cabbage and pepper seeds to get ready for spring. Mable has beautiful flowers blooming in her greenhouse. She enjoys her flowers so much.

Bob Puryear still in Oklahoma City last we heard. Keep praying.

Glad to hear that Iona May was able to go home by herself and so happy to be able to go Saturday. She has come a long way with the help of the Lord since her accident.

We are looking forward to having LaJuana McElroy come Saturday March 6 to stay several days, hopefully. She goes to college at Baylor. She has been doing her practice teaching.

Monday Bob and Gena Zybach went to Amarillo and shopped and spent the night. They saw a movie and got a transmission repaired. On Tuesday they shopped and came back by Borger to see Fort Elliott girls play Groomgirls and lose.

Shirley Jolly and Keri Nelson went to Elk City Saturday and shopped and visited DeAnn and Gary Nagle and Tanner, Ashton and Mackenzie.

Weekend visitors to K.D. and Lou Dean Douthit were Peggy and Don North of Tolar. Saturday Lou Dan, Peggy, Debbie and Kirby went to Canadian and visited Billie Stuckey.

It makes me feel good to see how people from all around come to encourage and support our kids. Whether it's near or far. Big crowd at Stinnett Thursday night. Our boys played really well and worked very hard, but lost to a tall Hartley team. By quarters: 13-17, 27-38, 39-59 and 62-77. Dusty Walker 19, Travis Goad 18, Jimmy Nelson 13, Jake Swigart 7, Josh Purcell 5. Also playing John Moffett, David Helton, Bobby Blackburn and Collin McCurley.

Last basketball game for seniors Dusty and Travis. We will miss them, but feel our other boys will improve. Hope to get David Hale and Corey Kinnaman back on the team and Steven May will be going into high school. You've done a great job, Travis and Dusty.

Follett and Channing were playing for bi-district after our game. Nice to see Gabby and Bonnie Hays out to the games.

Senior Deidre Dukes played her last game. We will miss her. Have several gritty eight graders going into high school: April Purcell, Catrina Wash, Tiffany Gonzales, Stacie Dukes and Dana Trimble. And have Missy Laverty, Shelly Hunt, Lindsey, Andrea Dukes, Misty Walker, Misty Hallett, Brandi Luttrell and Caaron Laverty.

Our Fort Elliott Lady Cougars lost to Groom in Area play off at Borger Tuesday night, but held Groom down to 48 points in spite of their height. By quarters 3-14, 11-21, 20-31 and 33-48. Deidre Dukes 15 (3-3 pointers) Andrea 8 (2-3 pointers) Lindsey 8 (2-3 pointers). So Groom got a big basketball trophy and will go to Levelland this weekend. We are proud of our girls. You've had a great season and we are already looking forward to next year. Large crowd of fans there to watch and cheer our girls on. Danny Fillingim came up from Elk City to watch Lindsey play Friday night at Stinnett and Tuesday night at Borger. Lady Cougars are 21-6 for the season. Follett girls were defeated by Valley at Area. Groom lost out to Happy 39-49 at Levelland.

So nice to have Tom and Michelle Bible and Savannah, 14 months, meet us for supper at the Dairy Queen in Borger and go to the game with us Tuesday night. Tom's mother, Wilma Bible taught school at Briscoe several years and Tom and Carla attended school at Briscoe, and visited in our home frequently. Wilma and daughter Nancy Weatherly live in Amarillo Carla in Borger. Walter and LeRoy died.

The last year or two or so have been really shaky for our Equity County Line Co-op, never knowing how long it might be open. But now it is definitely staying, and plans are underway to make it a better, more useful facility. The Co-op with its key pumps, feed and fertilizer sales is really helpful to (Page 2)

Happy Anniversary to Sybil and Iva Alexander and Bob and Debbie Kinnaman on March 12.

Mobaetie XYZ will meet at the Baptist church Friday night March 5 for a covered dish supper. All senior citizens welcome at 6:30. Blood pressure and blood sugar taken earlier.

Evelyn Meek visited Juanita Prater and Jeanette Jahnel Wednesday. Juanita is doing really well now.

Several people from our community went to Levelland to the Regional Tournament over the weekend to watch the games. Some going were Brenda Hefley and Tera and Nathan, Deidre and Andrea Dukes, April Purcell, Curtis Smith and Curt, Rita Pearson, Lindsey and Dallas Fillingim and Dusty Walker. They saw Lucy Barnett Kent from Sudan there.

Nice to have Beverly Smith and Neal, Rachel and Sally meet us for lunch at the Dairy Queen Sunday. Neal starts Chemo Monday, everyday at Amarillo for six weeks. N.D. Ware will also be taking Chemo. Remember both of them in your prayers.

Glenn and Lucille Lester have been at their home here for awhile. They went to church at Briscoe Sunday. Mattie Jackson and Mary Lou Carter ate lunch with them Sunday.

E.O. Kelley has been at home for awhile from the hospital and is improving some. Keep praying for them.

Next Sunday night March 7 at 6:30 will be singing night at Gageby church. You'll come!

Dale and Lisa Helton took Grandparents Tom and Alice Bell Helton out to lunch Friday to celebrate Tom's 84th birthday. Thomas and Martha Helton took them out to supper Friday night. Happy Birthday, Tom! and many more! Then they had cake and ice cream at Gayle and Terry Lewallen and girls home at night.

Sorry to hear that Tolene (Parker) Clark in Coal Creek, Colorado had a bad asthma attack and they were blocked in from snow. A helicopter lifted her out, but it came too late. Her heart had stopped. They took her to a hospital and put her on machines, but her brain was dead. Sincere sympathy to all the family. Tolene was a sweet person, but always had poor health. She was in my room the first year I taught at Briscoe, but had to miss quite a bit. She was 59. Heaven is a better place.

Danny and Mary Nelson came lunch Sunday with Larry and Vickey and Jimmy and Keri. Later Vickey visited Evelyn Meek.

Nice to have Don and Cindy Zumstein visit us Tuesday and go eat with us at Maxey's for lunch. We were celebrating their 39th birthdays, really! Nice to see Glenn Williams there.

We've gotten weary of snow and bad roads this year. But when we hear about tornados and mudslides and flood waters washing away homes, we are thankful for what we have.

Nice to see Lewis and Inez Wright and daughter-in-law Sharon Wright and Lewis' sister Aline Cox who lives in Amarillo and married Inez brother. The Wrights spent Sunday night with Aline to be there for doctors appointments Monday at Diagnostic Clinic.

Nice to have Martha and J.P. Meek come over Wednesday night and visit and play 72 with us. She brought some yummy cookies.

Caaron Laverty got an early vacation from school with the chicken pox. Hope you are soon o.k., Caaron.

Nice to have Brad and Sue Chandler and Jana and Bridgett meet us for supper at Maxey's Friday night. We went out to their house to see their first to hatch baby emu and played some 88. They have several eggs incubating.

Nice to have George and Dixie Cook and Kim, Christy and Greg meet us for supper at the Pizza Hut to celebrate Dixie's birthday. Saturday night. We also visited Homer Sanders at the Canadian Hospital. He is improving. Keep praying.

Remember Evelyn Meek in your prayers. She had the misfortune to fall and break an arm and shoulder Thursday. She came home Friday night. Sandra and Kathy are staying some with her to help.

Congratulations to Sweetwater, Oklahoma High School girls and boys. They won district, area, regional and will be playing in the State Tournament near Oklahoma City Thursday, March 4, one of 8 teams. Isn't that exciting? Alicia and Dustin Yowell are playing on the teams. Go for it!

Friday supper guests at the home of Verneal and Juanita Prater and Jeanette Jahnel were Mary Lou Carter and Mattie Jackson. Think Mattie turned 90 on Feb. 16.

Juanita Prater and Jeanette went to Shattuck for Jeanette's Doctor's appointment. Baby doing ok.

Wanda Childress visited with Larry and Jerry Henderson and wives at their brother Bobby's funeral. They helped Fat with hay and bailing etc. and lived with Fat and Wanda for awhile when they were first married.

Congratulations to Shawn and Tami Jo (Childress) Thompson on the birth of their new baby girl Wednesday at the Pampa hospital. Not sure of the spelling, but named her Shalie Nicole. Visiting her Wednesday afternoon at the hospi-
