Care Center Comments

By Cathy

This has been a busy week here at the Care Center. Monday started off with lots of errands for supplies in activities. We also took some residents to Thriftway to look over the store. Some of the residents couldn't believe that there could be so much food in one place.

Some of the residents that went hadn't been to a grocery store in a long time.

We have been playing some new games to change up our routine a little. One of the games is People bingo, it's played like regular bingo but you use people instead. Icy Littrell was our winner and she won the \$5 prize. 10 residents participated in this game. Another new game we played was Fill the bottle. You take 2 pop bottles a hand full of toothpicks, pick 2 teams and give each team member a bunch of toothpicks. The team members take turns passing the bottle to each other so they can put their toothpicks in the bottle. The team who gets all their toothpicks in first wins. We have several more games to try out this week.

The March Birthday party was given by the Church of Christ. Those helping were Katie Finsterwald, Ruby Jones,

Doraen Owen, Opal Hefley, Mary Ann Maxwell and Bea Smothermon. Cake and punch was served and birthday balloons was presented to each birthday resident. The birthday residents were Della Jenkins 3-9-04 (89) years old; Noel Bowen 3-20-07 (86) years old; Bessie Robertson 3-30-98 (95) years old and Ruth Zeigler 3-31-09 (84) years old.

Mr. Hyatt had family Alter on Tuesday. He had several residents to show up. Mr. Hyatt is talking about famous men and women of the Bible. This past Tuesday, it was about Noah. The residents really do enjoy this alot.

Wed. Janice Sparlin came out to have Sunday School with the residents. The residents really look forward to seeing Janice each Wed.

On Thursday we had a special treat. The Christian Center Ladies were unable to make, So I called Mrs. Hyatt to see if she would come and play the piano and lead in singing. As Mrs. Hyatt was playing in walked M.B. Smith. Bro. Smith joined in and sang with us and played his harmonica for us afterwards he preached and then we sang some more. The residents really enjoyed this and so did I. Thank you Bro. Smith for filling in for us.

Weds. bingo crowd was small we only had 15 residents to play and our blackout winner was Vena Richardson. On Sat. they had 18 residents to play and 4 visitors. The blackout winners were Icy Littrell and Zinnie Bailey.

On Thursday night we had a sandwich shop for supper. Maria and I decorated the dining room up with flowers and balloons. Then Frankie Miller, Maria and I served sandwiches a la cart. We all had a good time doing this.

On Sunday the United Methodist church had afternoon services with the residents. They sang songs and read from John 10:11.

Our sympathy goes to the family of Doyle Johnson.

little fella getting their nourishment the God given way. To me that is about a foolish thing for our lawmakers to do is make laws not to allow such things and then for the governor to have to repeal or recapitulate or whatever he or she does to make such things legal.

I bet there are places they have outlawed them Birds-eye cotton reusable diapers too. I can remember when you went by our house you would think we wuz having some sort of

gatherin by all the diapers on the clothes line. We had three little ones in diapers at one time and if we would have had to get them disposable diapers we would have to have give away a couple of them little fella. Shucks we hardly had the money to afford the P&G soap to wash the ones we had. Wow wouldn't that have been sumthin to have to buy enough trash barrels to handle such a bunch of diapers. I know our garbage man would have just passed us by on his route. He only came by ever two weeks.

Noticed where the Federal Government has caught a few of them birds that tried to blow up them towers in the Big Apple. Seems like they have let a few dozen of them get away though. Recon we had a leak in communications somehow. I wondered about that when it happened if we mite not have that trouble with 1400 T.V. and radio folks in all the meetings. I can remember one time back in the Panhandle we would be gettin ready to raid some of our bootleggers and while we wuz gettin out the search warrants one of the officers would have to leave the meetin and go see about his wife. One time this officer happened not to be at our meetin and we caught durm near ever bootlegger in town. After that we sort of seen to it that this officer wuz absent when we were gettin ready for a search. We durm near run out of bootleggers there in the county and had to change our methods.

That feller down in Waco, Texas, is sure causin problems ain't he? If you didn't know better you would think he wuz the only one in the U.S. of A. that wuz doin this sort of thing but these flim flams have been goin on for ever. Seems like Amie Simple McFerson in L.A. had thousands of folks sendin her a buck a month until she passed away. That bird out in Oregon took over a town and county with his scam till he got run out. Shucks, I bet you know of a few that are doin this and gettin along purty good at it, but you know what when the Good Lord gets ahold of them all their wealth and finery ain't goin to mean much to Him. He really don't cotton to that sort of nonsense and when He lays it on em won't they squeal and holler.

Gettin back to them Birds-eye diapers, I don't know how Mama (that's the little fat wife) could have kept house without them diapers after the kids were older. Mama used them for dryin towels in the kitchen, course that wuz after she boiled them in the old wash pot a time or two and hung them on the line to dry.

Guess I better shut this thing off for now and see if Mama has got some of them diapers to hang on the line.

**Can I Be Healed? How?**

Does God heal today? If He does, is it for just a few select, lucky ones? If He does heal and doesn't just select certain ones, how can I receive? Do I have to go to a wild, noisy church service and roll around in the aisle? Do I have to find a "faith-healer"?

The answer to the first question is found in Psalm 103:1-3 (and many other Scriptures). In the Scripture referred to, God said that we are not to forget His benefits among which is "who healeth all thy diseases". God said in Exodus 15:26 that He is "the Lord that healeth thee". He also said that He never changes. If He ever was a Healer, He still is. If He ever healed people, He still does. The Bible is very clear that He did and He does.

The answer to the next question concerning the ones who can be healed is found in James 5:14-15 (and many other Scriptures). There, the Lord said that if any Christian is sick that He should call for the elders of the church and that they should anoint him with oil and pray over him in the name of the Lord. God said that person would be healed.

The next question concerning how to receive it is found in Proverbs 4:20-22. God said there that if one would (1) attend to His words, (2) listen to His sayings, (3) keep the Word before his eyes, and (4) keep the Word of God in the heart that healing for the flesh would happen. Does that mean going to a certain church? Well, it is possible that some people would need to change churches if the one they are going to is not teaching people the Word of God. If He said that giving the priority described in the four steps listed above would produce healing, and the church one is going to is teaching that healing won't come (or might not come) when the steps God gave for healing are followed, that could be deadly. To teach the opposite of what the Bible says will produce the wrong results. You must go where the truth is taught. The label over the church door is not the important thing. The teaching is. Is the truth taught there? Some teaching and preaching contradicts the Word. Jesus said that some people make the Word of God ineffective in their case because of their commitment to tradition rather than the actual Word of God. 1 Thessalonians 2:13 says the Word of God will work for them that believe it. Psalm 107:20 says that God sent His Word and healed people. There is healing in His Word. **BUT** you must incline your ears to it, you must keep it in front of your eyes (quit reading books that say healing has passed away), give continuous attention to the Word, and keep it in the heart. Healing is absolutely promised, but people must cooperate and do what He said. You can't omit your part and expect that He will still do what He indicated that He wanted to do.

Most Christians ignore these Scriptures and decide that God just does what He wants to do and that if they aren't healed, that proves it wasn't God's will. He already revealed His will clearly. If folks won't pay attention or won't follow the rules, He isn't to blame for healing not coming. He has told us what His will is. He has told us what to do to have it in our lives. If we don't believe it, don't accept it, refuse it, and disregard the instructions, then it isn't a matter of His Sovereignty. God said in Hosea 4:6 that His people are destroyed because of a lack of knowledge, not because He decided it would be best in their case to kill them.

The healing Scriptures we have typed onto three pages are still available to you for the asking. Also, we stand ready to pray for you if you want someone to pray that believes it is God's will for you to be well.

**SWEETWATER  
NEWS**  
By Mrs. Joe Flowers

Nice snow but we are thankful that it didn't stay. This dry weather has been conducive to prairie fires. Our Volunteer Firemen have made several runs lately. One down south of Erick to Margaret Hiller's farm where a welders sparkignited a fire that burned 400 acres. Heard there were two others. One on the T. Boone Pickens ranch and one on Ronnie York.

Kervin Davis is the fire chief. Members are Pat Amerson, Leroy Hagerman, Tommy Calverley, Laquese McArthur, Chris Dillie, Greg Henson, Chad Blevins, Mike Sites, James Keathley, Charles Hagerman, and Jack Brown are board members. Benje Olson is treasurer. The community is very proud of these folks. Don't forget March is the month to pay your dues. Box 57, SW, OK. These prairie fires are serious things. I'd have been a Texican if one hadn't burned my ancestors out up by Zybach some 90 years ago and they all moved back to OK.

Irene Burckhalter and Fern York visited Pete Aubert at the Sayre Hospital Tuesday. Freda Harden and Dale Robison are patients there. Cliff Abla and Fern McAden are recovering from open heart surgery. Brenda Smulcer is home from an OKC hospital. Elma Henson, Iva Thompson, and Betty Sites have been on the puny list.

Judy and Gerald Tipton joined Buddy and Nell Benton for a 12 day vacation in Texas. Spent several days with Tammy and Randy. Have Jan's boys, Eric and Vince Franks visiting them now.

Mandy Carlson, Sandie Hagerman, and Danny Reed were chosen to be on the State All tournament teams. The Mandy only played in two games, she was second high scorer in the tournament.

Ray and Doris Smith went to Weatherford to see her doctor and on to Thomas to see Edward and family. Water standing everywhere!

Funeral services were at Memorial Chapel in Brownfield for Glen Rutherford, 83. Who died at Lubbock. Graveside rites were at the Mulberry Cemetery here on Monday. Pat and Gladys McCord came for the services. Pauline Roberts and Clarence Blevins had lunch with them at Cals.

Services were in Sacramento, CA for James (Hi) Goodwin. He was a cousin of Wilma Fowler. Raised in this community.

Bobby Daniels of Erick tell me her son Nathaniel Eugene Daniels has received a humanitarian award from the government. He is in the Coast Guard at Miami, Texas and will soon be retiring after 20 years service. He did a lot during the recent hurricane.

Pauline Roberts, OK and Elma Henson attended the Retired Teachers luncheon at K Bobs. Annette met them for lunch. They were privileged to hear a number of legislators discuss the problems facing the state and nation.

I admit I'm dense but why did we go down to Waco and start killing those folks? Perhaps, they are a cult but quite a few religions consider all others cults. That still is no reason to try to kill them off. As far as I've read or heard, they had done nothing but live apart and had guns. It seems the problem could have been settled in a more legal manner. Don't you know the rest of the world is laughing at us.

Margaret Hiller took us to Clinton Wednesday for Joe's appointment with his heart doctor. Got a good report. Had a 2 p.m. appointment and at noon they called to not come until 3. We got in at 4:30. The Jerry Locke's were there to see the doctor too. We met them in OKC.

Mr. and Mrs. Fred Riley and Bro. Bussey were out to visit Hortense Madden. Fred is the pastor of the Erick Church of Christ.

Hear Johnny Reed is out of the hospital after a 3 weeks stay. He and Jewel are now residents of the Wheeler Care Center.

Tonya Hargrove visited Wednesday with her grandparents Albert and Lorene Bryan.

The Erick Kitchen Band went to Grand Place Tuesday. It was the 91st birthday of Margaret Boney who strums a mean washboard. They sang Happy Birthday to her. A granddaugh-

ter Mary Wells took Margaret and Lillian Foshee to the Stardust for a birthday dinner. Band members were Jack Criswell, Betty Brothers, Rose Abla, Raymond Snider, Basil and Billie Doss, Iona Miller, Margaret Hiller, Hazel Francis, Roy Swagger, Richard Crawford, Mabel Holland, Lillian Foshee, Murray Orgain, Margaret Boney. The Band will be at Fairview Village, and Elk Home, 3rd Tuesday Hensley home 4th Tuesday and Wheeler Care Center 5th Tuesday.

Bonnie and Arnold Rice were among the Sweetwater folks who attended the supper Tuesday night at Cheyenne for the exhibitors and parents at the stock show. SW had 17 entries in the Bonus auction and they did well.

Vas amused at Hardee's the other day. Some little ladies came in and got coffee. I happened to notice them get some biscuits out of their purses and start eating. I thought maybe they were hard up but they drove off in a brand new car. Maybe they were hard up!

Inez Coffey, Bea Boyd, and Larry Conway attended funeral services at Ponca City for Carabel Thompson last Saturday.

Joie Soloan and family have moved into the Tucker house over by the TV tower. They have two small children.

Iona Miller and Margaret Hiller came by Monday to visit. Brought a card signed by all the Band. At present, Joe is much better. Ole Five String is waiting.

ANDY KING RECEIVES 5 AWARDS AT HOUSTON LIVESTOCK SHOW

Andy King, FFA student from Wheeler proudly accepted 5 awards at the 1993 Houston Livestock Show and Rodeo calf scramble banquet on March 5.

Andy was presented with the following awards marking a year of outstanding achievement: Champion Maine-Anjou Award donated by KILT/James River Corp.;

Champion Maine-Anjou Award donated by KILT/James River Corp.; Champion Maine-Anjou Highest Placing Heifer donated by Ed Stone;

3rd Place-Best groomed exhibitor and heifers in the Beef Scramble Show donated by Dan Mozisek; Breed Champion Maine-Anjou donated by Smallwood's Taxidermists;

1st place-Ring Showmanship Awards — Beef donated by Ed Clover and Barry Smotherman.

These awards are the results of 12 months of dedicated care and grooming for a registered beef or dairy heifer which was purchased with a calf purchase certificate donated by The Kroger Company.

This certificate was earned at the 1992 Show at one of three events; the dairy judging contest, livestock judging contest or calf scramble.

Each calf purchase certificate winner is required to keep detailed reports on the animal's monthly progress with special attention to monetary records, pictorial composites showing progress of the project and a 500-word essay documenting the experience.

Each winner must submit monthly progress reports to Houston Show officials and to his/her donor.

Supervising the project with encouragement and enthusiasm was Terry McCasland, Andy's agricultural science teacher.

The 1993 Calf Scramble Banquet was sponsored by Justin Boot Company. This annual event honors the previous calf scramble certificate winners and awards others who have excelled during the year.

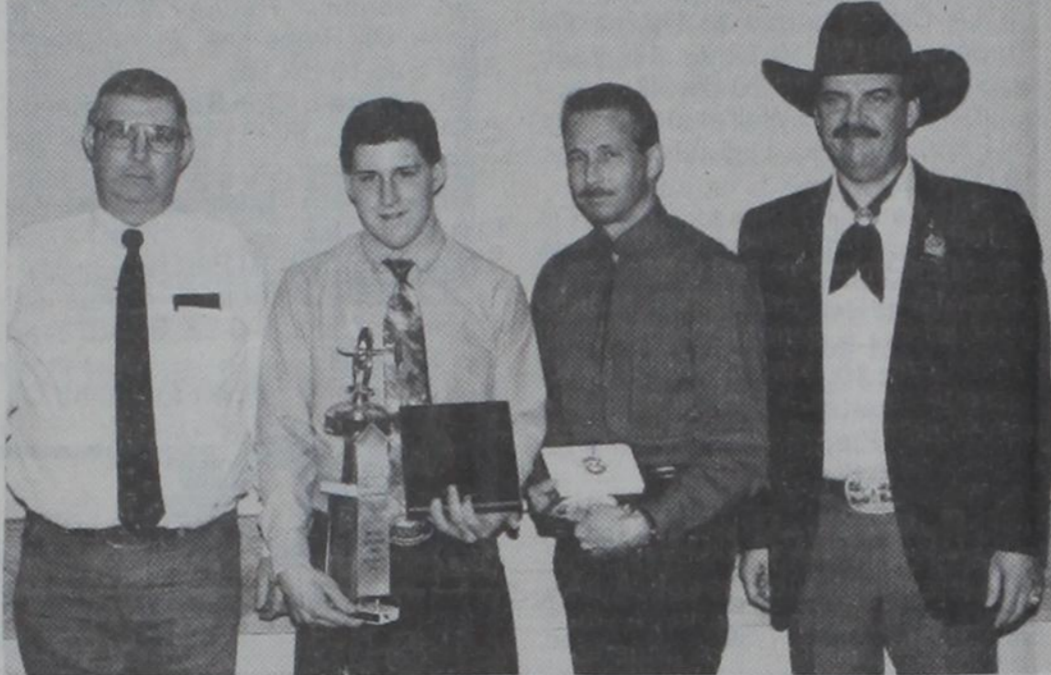

"This banquet is truly a once in a lifetime event for these Texas youngsters," said Dan Mozisek, chairman of the Calf Scramble Donors Committee

He also emphasized the importance of acknowledging the efforts of these youngsters.

Every year, generous donors award almost 300 calf purchase certificates during the livestock and dairy judging contest and calf scramble.

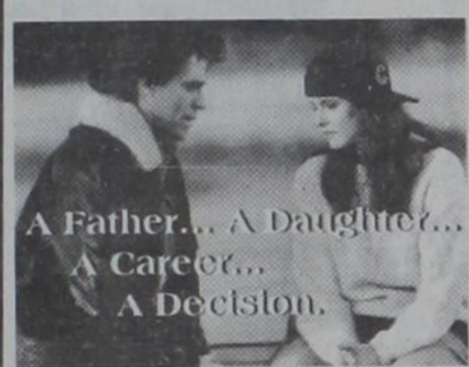

Since the program's inception in 1942, more than 12,400 animals worth \$3.27 million have been given to the youth of Texas.

Each year, the Houston Livestock Show and Rodeo benefits the youth of Texas through such educational programs as well as through individual scholarships, research funding and endowments to Texas colleges and universities.

AWARDS: Andy King receives 5 awards for "Job Well Done" at the Calf Scramble Banquet held at the Houston Livestock Show and Rodeo, March 5. Pictured (l to r) Don King — father; Andy King — winner; Gary Bloom — Kroger; Dan Mozisek — Donor.

DENTAL PROS WITH A HEART Dentist Ray Martin, a 1975 Wheeler graduate, with his son Tyler, demonstrates his chairside manner in anticipation of helping needy people obtain basic dental care on Friday, Feb. 12.

Dentist Ray Martin and his staff will be donating their services to the needy on Fri., Feb. 12 from 8 a.m. to 5 p.m. Anyone who is unable to afford dental care like cleanings, fillings, or other basic dental procedures (which can be done in one visit) can come to 200 Chauncy Street, Suite 210 and receive courteous and caring service.

Services are being provided on a first-come, first-served, no-questions-asked basis.

This is the fourth year (around Valentine's Day) that Dr. Martin and his employees have participated in this giving gesture. They are among thousands of doctors, assistants and hygienists nationwide known collectively as "Doctors With A Heart."

In 1986, an Iowa dentist wanted to give some time for charity dental service in a Third World Country, yet nothing matched his schedule. So he proposed the idea of service right in his own community, and the concept of Doctors With A Heart began.

All kinds of medical professionals, from physicians to chiropractors to nurses to dental assistants, participate. Their numbers grow across the country every year.

Those volunteering their time to help Dr. Martin are office manager Joanne Howard, dental hygienist Cathleen Crickard, and dental assistants Shelly Ahear and Patti Davis.

For further information on services available, call Dr. Martin's office at 337-8555.

ONE YEAR LEFT TO FULLY IMPLIMENT FARM PLAN

Producers who are participating in the Farm Programs should have a plan develop on everything which is lease, owned or operated by the producer.

The 1993 year will be a very busy year for a lot of farmers. These are some of the practices which are scheduled such as: Pasture Planting, Terrace Systems, Critical Area Planting, Diversions and Waterways.

All scheduled practices must be completed by December 31, 1994.

There are farm producers who have completed their entire plan and there are producers who have yet to complete a plan. If the producer refuses to comply with the Food Security Act 1985 he or she could lose all government payments.

Wheeler County Soil Conservation Service has over 800 Farm Plans with which to administer. About 5 percent of the 800 plans will be spot-checked this year. Please don't think you will not be spot-checked! If you don't get spot-checked this year, you may be the lucky one next year.

You will be notified prior to our visit to your farm. Producers who have completed a plan will be in compliance and producers who have yet to complete or start a plan will fall under the noncompliance status. Your local Soil Conservation Service urges all producers to do their very best to stay in compliance.

Your local Soil Conservation Service encourages farmers to come by the office to discuss their conservation plan. The Soil Conservation Service crew is looking forward in working with you and to visit with you.
