**CWE** CHAT WITH EDITOR  
 By Louis C. Stas

Way to go, **GINGER NELSON & CHAD DUNHAM!** These young people will represent Wheeler at the state track meet on May 14-15. Ginger will throw the discus and shot, and Dunham will throw the shot. Bring home the gold!

—CWE—  
**ROCHELL, KRISTIN & AMANDA,** think win! These young ladies will be representing Wheeler at the state interscholastic competition this weekend in Literary Criticism. Bring home the gold!

—CWE—  
 The grades came back from the E.C.A. testing and instructor, Mary K. Christner, says, "Much to everyone's relief, we will not need to charter a bus to Canyon to retest. The class average was 88. Way to go class!"

—CWE—  
 Of course, I still have to test; shouldn't have bragged about the average yet, Mary K.

—CWE—  
 As usual, when we start picking on someone, we keep continue. Last week on the Regional page, we omitted an individual picture of **JAKE SWIGART** of Ft. Elliott. This young man competed at Regional in the 400M dash. And yes, his picture was omitted when we ran the All-District basketball pictures.

—CWE—  
 Sounds like everyone likes the hamburgers the Chamber was cooking Saturday. I was afraid the garage sales were rained, but I was told it waited until around 2 to start raining.

—CWE—  
 At the Chamber meeting Tuesday, it was reported that the recent Turkey Hunt sponsored by the Chamber brought in \$3,340 to the Chamber and landowners. And, people came from all over the U.S. We need to recognize **Van Balze**, this is his project and he works hard each year to make it a success.

—CWE—  
 The letters to the ex-students are in the mail—the second printing. They would have been in the mail a few days earlier, except for our failing to print the mailing permit and the return address on the back.

—CWE—  
 A copy of the letter is in this edition of the *Times*, should you fail to get a copy of the letter. Let's get those forms returned, that date is rolling around pretty fast. **Remind everyone you know!**

—CWE—  
 We had quite a time getting the pictures for the All-Sports Banquet. **Thanks, Everyone,** for your cooperation. I had taken pictures the first part of the day with not a problem one; that should have been the first indication. Four perfect pictures into the evening, problems began. Then the batteries in the camera went dead. Where is the guy, who was going to take batteries the next time?

—CWE—  
 Congratulations, to the students receiving awards.

—CWE—  
 We had a pretty good turnout for the school elections. There are still a lot of voters, who stay home on election day.

—CWE—  
**Happy Mother's Day, Mother Stas, Mother Porter and Barbara.**

—CWE—  
 We spent the weekend in Oklahoma at Mother Porter's; it certainly was not the same with her not there. She is in the City recovering from an ear infection. Ear problems seem to be the 'in thing' these days. We expect her home for Mother's Day.

—CWE—  
 More bragging. **Jessica**, the granddaughter participated in another dance contest in Arlington over the weekend. Her trio won first in their division, first overall trio and duet and first for 12 and under. I knew those judges in OKC just did not recognize talent.

### Care Center Comments

By Cathy

I would like to welcome several residents back to the home who were in the hospital. They are Jack Garrison, Marie Wood, C.P. Cook, Lona Williams, and Ethel McWhorter. We still have 2 residents in the hospital they are Mary Vanzandt and Edith McLaughlin. We wish these 2 residents a speedy recovery.

The residents have been working on painting some small pins. Maria and I mixed some plaster of paris up and poured the mixture into molds of tulips, roses, hearts and butterflies. The residents have been painting these and they are really pretty.

On Tuesday Kerry Moore did services for Mr. Hyatt. I was unable to attend, but Maria said that Kerry really did a good job. The residents really enjoyed the services.

Thursday, Fern Young, Rozena Zybach and Ila Collins, lead in singing and devotional time. These ladies always do a super job.

Sunday, the First Baptist Church had services with the residents. I'm always thankful for our churches that come out each week and minister to the residents.

Wednesday is our big bingo day. We only had 18 residents to play and we had 3 blackout winners. They were Gertie Cornell, Evelyn Garrison and Joe Richardson.

Katherine Holt came out to pop and serve popcorn to the residents.

June Blakemore ombudsman for the Wheeler Care Center was invited to Resident Council. She went over the Residents Rights and answered any questions that the residents had. During the meeting they held election and Harold Jones was elected president, Ruth Hoggard vice-president and Joe Richardson secretary.

I would like to thank my volunteers for helping in bingo, popping popcorn and serving juice. They were Frances Hefley, Opal Hefley, Doraeen Owens, Katherine Holt and Vida Brown and Mae Nash.

April is moving out with more storms. We had 7 inch rain last time. Made us a total of 1.5 from four showers. Heard about the big rain at Carnegie so called the Dosses to see if they were still floating. They missed the 6 inches. Had less than three. Nearby, they had 6 inches.

Called our brother S.T. at Tulsa to see how they fared. The tornado was north of them and the Maurice Coffeys. Faye Allen said Junior Ray's boy, Kelly Maddoux lived on 166th St. Had a big hole in the top of his house and windows blown out. No injuries. His sister and family lived at Inola. Has their windows blown out. Juniors were in Arkansas helping her mother celebrate her birthday. Their property was unharmed.

Margaret Hiller was surprised with a birthday party in the home of Sylvia and Harold Hamman. The evening was spent playing games and, of course, eating ice cream and cake. Guests were Margaret, Hazel Francis, Martha Speak, Mabel Holland, Loyd Addis, Fern and Ralph McAden, and Dick West.

Gene Kuykendall a Sweetwater graduate of San Antonio was one of three honored at Stillwater for out-

standing achievement in Animal Husbandry. All of his family was present for the occasion down to the latest grandchild. His mother Blanche Kuykendall, Erick, Lynn, Annett and Janet Wingfield, Merritt, Pauline Roberts, SW, Dale and Sue Roberts of KA. were also there for the occasion. We sort of claim shirt tail kin with Gene and Wanda since her dad was our uncle France for over 20 years.

Senator Bob Kerr was also one of the honorees. His family was there too sharing the happy event. The third was from a foreign country and I didn't get his name.

We nearly got a free meal the other day. Went in, ordered, and set down at the table. It dawned on me that we were supposed to pay first. I went over to give them the money. They could hardly believe it and checked carefully. Sure enough it hadn't been rung up. Really thanked us for being so honest.

The locust trees are blooming at last. I always wondered if they ate the locust beans or the locust insects when they were starving in Biblical times. The foxhounds woke me up baying the other night. Maybe they were coonhounds. Sure were hot on the trail.

Melanie Allen is the salutatorian Junior High at Hammond. She is Rick and Sherri's girl. Saw were Stacy Miller, daughter of cousin Dudley and Velda Miller, received an award at Wheeler. It's always fun to see pictures of

those you know in the paper. Last week, the Oklahoman had a picture of Howard Metcalf under the Hamburg tree that is nearly 100 years old. One of Dr. Mel Robison telling why he is a rural doctor. And one of John Casady who was nominated to the Oklahoma Journalism Hall of fame. He was editor of the Cheyenne Star many long years.

A thank-you note has been received from the Curley Nelson family. This note is posted on the bulletin board in the lobby.

The latest mission report from India is posted on the bulletin board in the lobby.

Kenneth Frankenberry has been released from the hospital in Amarillo and resting in the home of his parents.

**From The Minister's Desk:**  
Charles Hodge, minister of the Duncanville Church of Christ, recently wrote a very thought-provoking bulletin article. This article was entitled, "Church and Politics", and it read:

"The world is crazy, violent, and sinful. Christians are frustrated. Where is God? What can we do? The first, knee-jerk response is politics. Get the right group in and throw the wrong group out. Real power is neither in the bayonet nor the ballot box. Politics fail. A preacher's power is in the pulpit not politics. We tend to forget that. Politics fail. When one marries a political group, it loses when they lose. "Those who live by the sword die by the sword." This is why a Religious right will always fail. There is more to reform than changing leaders and laws. Society, paradoxically, does not change from the top to the bottom—it changes from the bottom to the top."

"This is how Luther reformed Europe, how Wesley reformed England. Real, permanent reformation comes from hearts not politics.

Terraces have played a very important role to conservation. A terrace is defined as a series of ridges constructed across the slope to prevent excess water erosion. Terraces have been around Wheeler County for a very long time. Terraces are somewhat like a monument to conservation.

Types of terraces are: Level, Ridge and Graded. The level terrace is primary used in Wheeler County.

A level terrace is used primary on sandy soils. This terrace is built on a level grade. The ridge terrace is similar to the level terrace.

A grade terrace is used primary on the clay soils. This terrace is built on a grade. Grade terrace are not use much around this area.

Most terraces can be built with a bulldozer, motor grader or carryall. Many of the contractors used a combination of the three.

**TO ALL PARENTS**

"I'll lend you for a little time a child of mine," He said,  
"For you to love while he lives and mourn for when he's dead."

It may be six or seven years, or twenty-two or three,  
But will you, till I call him back, take care of him for Me?

He'll bring his charms to gladden you, and should his stay be brief,  
You'll have his lovely memories as solace for your grief.

I cannot promise he will stay; since all from earth return,  
But there are lessons taught down there I want this child to learn.

I've looked the wide world over in My search for teachers true  
And from the throngs that crowd life's lanes I have selected you.

Now will you give him all your love, nor think the labor vain.  
Nor hat Me when I come to call to take him back again?"

I fancied that I heard them say,  
"Dear Lord, Thy will be done!  
For all the joy Thy child shall bring, the risk of grief we'll run.

We'll shelter him with tenderness, we'll love him while we may,  
And for the happiness we've known, forever grateful stay;

But should the angels call him much sooner than we've planned,  
We'll brave the bitter grief that comes and try to understand."

**Staying on Target in the Age of Deception**

In 2 Timothy 3:1-15, God admonished us that in the last days perilous times would come. He said that those who live godly will suffer persecution. That is happening in our country. Attacks on our Christian heritage and people freely exercising their religion are increasing. God said in that chapter of the Bible that evil men and seducers would become worse and worse, deceiving and being deceived.

In both the government and in the church, people are deceiving and being deceived. There aren't very many things that our political leaders tell us and do to us that are not covered over with deception. Taxes are called contributions. Excessive spending is called investment. Support for political pork is called patriotism. Murder of unborn babies is called the right to reproductive choice. Homosexuals are called gay. All of this is deception.

When a man runs for office and gets elected because he promises to reduce the deficit and won't raise taxes on anybody making less than \$200,000 a year, and then within a month after taking office says that he tried and couldn't do it and that now taxes must be raised on everybody making as much as \$30,000 a year because the deficit is bigger than he thought (though he acknowledged what it was in July of 1992), that is deception. When they decide that they are going to increase the spending at a little less amount than they had originally intended to, and therefore call that "reducing" spending, that is deception. How can you propose to increase spending and call it reduction just because you might make it a smaller increase? How can a man who is President say that he is there to reduce the deficit when he also produces figures that his programs will increase the deficit at more than \$200 billion annually during his term, thereby raising the national debt by almost \$1 trillion during that period of time? Deception.

But deception is also widespread in the church. I am not even referring to false teachers or teachings. A number of highly respected ministries that are really doing a wonderful job of reaching out to people engage in deceptive practices sometimes. If a preacher says God told him something to tell you when in reality he is just trying to coerce you to respond by using this idea to make himself sound more authoritative, that is deception. When a preacher uses "hot" issues of the day such as abortion or homosexuality for the purpose of fund-raising instead of focusing in on actually accomplishing something, isn't that deceptive? If a ministry comes up with a different emergency every month to try to keep people giving, isn't that deceptive if the fact is there isn't an emergency every month? When the minister sends a form letter to 5 million people and says he is thinking about and praying for them personally and hearing from God about their needs, is that deceptive?

I'm not throwing stones at anybody in particular. I am just stating that many things are happening that are not truthful in our world today inside and outside the church, inside and outside the government. I believe it could accurately be called "the age of deception." What should we do? Can we take some action that will assure ourselves that we will not be one who is deceived?

In the same chapter of the Bible (2 Timothy 3), God says that evil men will go from bad to worse, but CONTINUE THOU IN THE THINGS THAT THOU HAST LEARNED. Stay with the truth. Hold fast to Bible teachings, and teach the children. Notice if you will that verses 14 and 15 indicate that Timothy had been taught the truth and had been trained in the Scriptures since he was a child and that if he would continue in those Scriptural truths, he would be wise to salvation and would stay on target.

Read your Bible. Teach it to the children. Stay with in, and you can stay away from deception.

Bob and Gena Zybach shopped in Pampa Thursday. Saw Agnes Hall and Elizabeth (Kelley) Meers and Janice (Kelley) Johnson shopping together.

Nice to have Charlie Phillis come eat lunch with us Wednesday and visit. He was working on compressors for Halliburton.

Charlie's Dump Cake Recipe:  
One yellow cake mix dry  
One can pineapple, undrained  
One can cherry pie filling  
Dump fruit in a greased 9x13 pan. Add dry cake mix and stir lightly and bake 350 degrees, 25 minutes or so.

We finally got to watch Fort Elliott Junior High play Hedley Thursday night at Briscoe in Baseball and we won 13-4. On our team are Steven May, pitcher; Michael Hilburn, hindcatcher; Ty Wood, first base; Tanner Smith,

second base; Sam Wash, third base. Also doing a good job were Donnie Barr, Michael May, Matt McCurley, Jimmy Bennett and Ryan Parsley.

Jodie, Londa and Terri Crownover were weekend visitors to grandparents Frank and Bess Crownover at Canyon and got to go shopping. Charles and Lajo and Boyce came for them Saturday afternoon.

"Raised voices low esteem. Hot tempers cool friendships. Loose tongues stretch truth. Swelled heads shrink influence. Sharp words dull respect."

My sister Polly and I enjoyed having lunch at Maxey's Tuesday and shopping a little at Shamrock for material. Nice to see Veda Brown, Reba and Mary Wofford there. It was their card playing day at Vedas with five others joining them later.

So nice to see Dean and Georgia Tipps with granddaughter Amber Maddox and Georgia's mom, Iona May. So thankful that Iona is doing so well after so many months recuperating from the accident in July.

Jean Meadows' sister, Leona Miller and Dean and Shannon Meadows and Michelle and Megan were eating together at Maxey's Saturday night. Good to see Leonard Powledge Sr able to be out and about with his family at Maxey's Saturday night. Somewhere were Nova Powledge, Leonard Jr. and Teresa Powledge, Charlie and Margaret Ann Hall and Margaret Garrett, Leonard Sr's sister, who has been staying with them. Also there was Eupha Mae Sorensen with Lawrence Lancaster and his beautiful granddaughter. Lawrence has been in the hospital. Pray for him.

Verneal and Juanita Prater took Jeanette Jahnel back to Shattuck for her check-up Monday. Doing fine. Maybe another week or so before the baby comes.

New Methodist Pastor at Mobeetie will be Gary Jahnel of Gem City. His wife is Lena (Possum) and children are Lisa and Kyle.

Mae Welch and Mary Lou Carter and Jeanette Jahnel went to the eye doctor in Pampa Tuesday and shopped some. Mattie visited Alice and E.O. Kelley.

Bill and Kyla Walker and Dr. and Mrs. Tim Youree from Sayre went to Clarendon over the weekend to play in a golf tournament, but it got rained out. Misty Walker visited Michelle Selby. The Walkers also saw Charles and Nancy Davis while there at Clarendon.

Kyla Walker has been working the Pizza in Canadian for about 2 weeks.

William and Elton Fillingim's son Jay Dee answered an ad a few months ago for husbands to write a letter telling why their wives deserved a "Dream Vacation". Oprah Winfrey started the contest. Jay Dee and wife Shelly didn't get to be on the panel at Oprah's show, but they did get to meet and visit with Oprah, stay in a swank hotel in Chicago, toured the city in a limousine and ate in posh restaurants and got free tickets to a musical show "Miss Saigon" and also to Oprah's show. Jay and Shelley have two young daughters, Farren Rae and Amber Jae.

We enjoyed going to Senior Citizens and visiting with all the sweet people there Monday night at Wheeler. Good crowd of 24, I think. Hestell Killingsworth and Edna May got the door prizes. Three tables of 88 and one of 42. Delicious food. Nice to have J.P. and Martha and Ma Mary go with us.

Marie Gudgel got to fly down to visit her daughter and family at Sugarland recently near Houston and had a good visit.

Sunday dinner guests of Mae Welch in Briscoe were Mattie Jackson and Mary Lou Carter.

Briscoe Volunteer Fire Department and other area depts. were called out to watch the storm Wednesday night for dangerous conditions. Many thanks to our faithful, fearless firemen who watch for us or go to fight dangerous fires. Let's hear it for the firemen. Yeal We can sleep a lot better knowing you are out there taking care of things.

Willis and I ate supper at the home of Don and Cindy Zumstein and Carrie and William Friday night. Also there was Betty Farnsworth, Cindy's mom. Then we all went to White Deer to Linda Germany's dance recital. Carrie participated in several numbers. Also there in time for the program were Don's family from Washington State: Don's parents Don Sr. and Jo, Don's grandmother, Carrie Zumstein and Cristen and Mike Zumstein, children of Don's brother. They planned to spend a few days and then all go to Eureka Springs to the Passion Play before going home.

Ted and Pauline Parker brought Vetola Parker down and spent a few days at the Parker home place. Doc and Iolene Wilhelm went over and had a good visit with them. Mable Parker also visited Vetola.

The Wilhelms are expecting her daughter, Betty Wood, down for a visit soon. Looking forward to having Rusty

and Belinda Cole and Jarrod, 14, Melody, 12, and Marcus, 7 come down when school is out. Rusty runs a tire store in Longmont, Colorado. Belinda works in the office there and also teaches Marcus' classes on Fridays.

Sharon Grandstaff brought Ma Mary Hudson to Pampa Saturday to meet Oden and Lois Hudson. Ma Mary spent the weekend with them. Good to have them all out to church again and Ma Mary go to Senior Citizens at Wheeler with us. Mae Welch visited Mary and Lois Monday.

Job 33: 26 And when he prays to God, God will hear and answer and receive him with joy, and return him to his duties.

"God be with you till we meet again."

**A'n't It The Truth**  
By Ab Gunter

It's funny how quick we can forgive some of our so called geniuses that have lead us on the wrong path with some of their guaranteed cures. I've listened to some of these birds that assure you if you quit using salt, sugar, red meat and this and that you can be sure of eternal life and curly hair. You can get implanted teeth that have a two hundred year guarantee. Hawg wash, ain't no such thing. We have bought light bulbs that had a ten year guarantee and maybe they would last a week or two. We had lost or misplaced this ten year guarantee and by the time we found it we found this company had gone out of business.

Not many years ago one of the leading automobile companies had their cars at the Indy 500 and the pace car was out of this world, honest it was sumthing. I would watch the boys in the pace car garage do this and do that and somehow couldn't get this beauty to function as it wuz supposed to. As I remember they had to swap cars before the race so they could lead the pack around the track on race day.

Member when we had the perfect coffee maker that would be sure and have the coffee ready for you early in the morning and sugared and blown? Well, many of them dudes would sort of short out and would cause fires rite there on your kitchen cabinet. I understand that all of them wuz recalled by the maker. Shucks we had got disgusted with ours and had already thrown it in the trash.

This good ole boy that had his flock there near Waco and had all the available sort of serigate wives handy, I sort of wonder about him. I'm afraid if our preacher wanted to borrow by wife for a few weeks or months he would have a problem not only with me but my wife. We jest ain't that kind of people. I also don't go along with the need of a million rounds of live ammo and all the guns stashed away just for trading for sustenance. don't quite sound rite. I never seen a preacher that had a supply of pocket knives or such to swap or trade for sustenance. Many a time I have seen folks supply eggs or maybe a side of bacon or maybe some home canned vegetables for the minister, but never any such swappin specially and AKA 47 or a machine gun with tripod.

Recon many folks have made up their mind that we should send our own troops and machinery over into the war torn country where thousands of folks are being slaughtered by the enemy. I ain't figured out who is the enemy. Some of them are allies that have been their neighbors but decided they wanted the land their allies have and to heck with being a neighbor. Accodin to history these folks have been fighting for thousands of years and don't intend to quit no matter what. Honest, you find that is the situation nearly everywhere there is war. When we were trying to liberate the Philippines from the Japs we had others that wuz tryin to run us off cause they didn't like the Filipinos we wuz liberating.

When we first moved into Owen County we had a neighbor that had some fine layin hens and he had more eggs than he needed and one nite I wuz checkin out his hen house and turned if that skalewag neighbor hadn't out a varmit trap rite there in the hens nest. I can't believe a neighbor havin no more trust than that. Heck he had more eggs than he could use and sides all that that durn thing still hurts ya bein snapped by that durn trap.

**Here & There**  
 By Laura Guthrie

Since the Davidian Branch of humanity, which has caused so much worry and heartbreak at Waco, TX., has come to a terrifying end, maybe we should be recognizing another Branch of David which we read about in God's Book: Jeremiah 23:5 "Behold, the days are coming", declares our Lord, "When I shall raise up for David a righteous Branch, and He will reign as king, and act wisely, and do justice and righteousness in the land." (Joe Laughlin, McGregor, TX.)

This "Branch of David" is no other than Jesus Christ. The comparison of the two branches could not be wider apart. Guess we'd betted think on that a bit.

A lot of people had a holiday last Saturday. I know the ones producing the entertainment didn't get the idea of a holiday — the Chamber's workers, the sale's managers, etc., but a lot of people had a big time. I'm judging by my own family. of course Tim had to be at his job, but Melinda had 2 guests from Canadian, Mrs. Caroline Warren and her daughter Dana Koch, also Melinda's mother Lydia Guthrie of Fairview, Ok. They made every sale in Wheeler, ate C of C. hamburgers (brought me one, too) came home with their "loot", took a brief rest and drove to Erick, Ok., and took in their garage sales. It was a day! They got home in time for Tim and me to cast our votes. By that time of day it was raining. Hope those tired sales people had time to get the remains of their stock back to storage. I hope also that all projects realized a profit.

Patricia Forrester, who is Election Judge, tells me that more than the average number of voters came to the poles on Saturday and some came a bit too late. The doors were already closed to business.

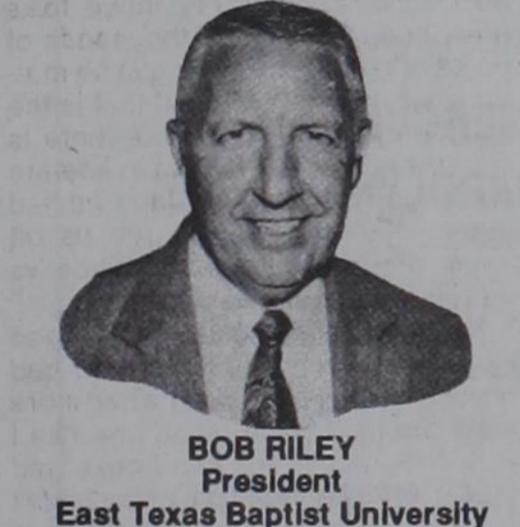

Melinda and Tim Whorton and Lydia Guthrie went to Amarillo on Sunday to visit with Bobby Guthrie and family. Melinda took Lydia home on Monday.

Dr. Larry Barbour and his wife Fredricka recently had a week away from work. They drove to South Texas to visit with daughter Jill and family, which includes one grandchild. Then they visited in Austin where the other children live. There are 2 grandchildren in Austin. That makes three grandchildren. Oh, well! most grandfathers are proud.

Stan Errington of Amarillo was Elva Wood's luncheon guest on Sunday.

I noticed in the Baptist Standard, a whole page, of publicity about Bob Riley, who is president of East Texas Baptist University of Marshall, TX. Bob is the son of Ed and Erma Riley of our community. He is a graduate of Wheeler High School. Another home town boy makes good!

Dorothy Risner came by for a visit today. I always enjoy Dorothy's visit because there is always questions to ask her about people I never get to see. She told me today that Mrs. Sechrist if improving and will soon be living next door to Mary Wofford. that's good news.

### BASEBALL

The Ft. Elliott Jr. High Baseball team is 2-3. Playing are 8th: Steve May; 7th: Donnie Barr, Ryan Parsley; 6th: Jimmy Bennett, Mike May, Matthew McCurley, Tanner Smith, Sam Wash, Ty Wood and Michael Hilburn. This is a new game to these kids as they are used to little league, we use high school rules so they have had to learn quite a bit. They have improved and should be much improved next year. Continue to work and improve. This is a great group of athletes to work with.

The Ft. Elliott High School Baseball team is 6-2. Playing are seniors: Donnie Bell, Randy Finsterwald, Travis Goad, Dusty Walker; Juniors: David Hale, Jimmy Nelson; Sophomores: John Moffett, Josh Purcell, Jake Swigart; Freshmen: Bobby Blackburn, David Helton and Collin McCurley. Leading hitters are Jake, .481; Donnie, .464; Travis, .450; David Helton, .381; John, .368; and Jimmy, .333. Homeruns have been hit by Donnie, Jake, David Hale and Randy. He has struck out 58 in 28 innings. In 8 games we have scored 105 runs, giving up 37 and only 8 are earned. We have a good hitting team with 3 good pitchers. We run the bases well but need to field better. We commit to many errors. We play Samnorwood on the 7th, the Allison on the 11th and 17th and then go to the playoffs.

### GOLF

Dusty, Travis and John competed in golf this year. Dusty and Travis competed in three tournaments. John is the only one to compete on the District level. All three did their best but were unable to place at the meets.

This has been a very successful year for Ft. Elliott Athletics. All High School teams have been in the playoffs. Volleyball went to Area. Basketball, both made the playoffs; Cross country to Regional; Track to Regional and Baseball is in the playoffs. All students are to be congratulated on a good year. To the Seniors who lead through example, we appreciate you and you will be missed with only one girl senior and two boy seniors in basketball next year looks a lot brighter for the Cougars.

Thanks to all athletes, parents, students, grandparents and friends, who supported the Ft. Elliott schools. Without your support we would not achieve our goals. With the experience coming back, 93-94 should be a Great Year for Ft. Elliott.
