## CWE CHAT WITH EDITOR

By Louis C. Stas

Summer has arrived and it feels like summer. The temperature, according to the bank thermometer, on Monday at 1:15 was 90°; at 5:00 it was 94°

— cwe —

I am not sure what the temperature is going to be on July 3, but a little cooler would be nice; however we'll have lots of shade at the park.

— cwe —

The 4th of July Celebration is going to be here in just a week and a few days. Work is under way for the celebration. We hope

## STORM REPORT

As Reported by...  
**Stormie Meriwether,**  
First Grade Student

Dear Friends, Finally, it was the day to ride Cupcake and do the cattle! We got up in the middle of the night. We had breakfast with the cowboys and 'wahlah' the sun came up.

All the cowboys got on the horses. We had to ride to find the cows. I was riding along, looking for cows, when suddenly a rabbit jumped up right by my horse. Cupcake yanked his head back and jumped. I fell off, BOOM, right to the ground. I was about to say, "Bad Horse!". Cupcake just stood still beside me and said, "whooooommmmm". I think that means I'm sorry. Mr. Ben jumped off his horse to save me. I said, "Mr. Ben, I am not riding that horse again!". Mr. Ben said, "Oh, yes you are. It's too far to walk." He put me back on Cupcake and we got the cows in.

It is so fun to work with the cowboys. They rope the calves. The calves say, "Burr, murr, murr". First I was just the bucket carrier. Now I am the "sprayer girl" forever. Shantell and Di can give shots. Someday I want to give shots too.

I love my cowboys 'cause they are funny. I love Shantell and Di 'cause they are nice to me.

It is sooo great to be a country kid! That's it.

### Activities Kick-off Friday Evening

# Twenty-fifth Annual 4th of July Celebration Is Set For Saturday, July 3 At Wheeler

**STREET DANCE:** Vance Guthrie and Junction 84 is scheduled to play for the Street Dance Saturday night on the square, to close the 4th of July Celebration in Wheeler. The group is a West Texas-based band with roots in Lubbock and Amarillo. Their first album is currently in the works. The band recognizes some of their most memorable influences as Reckless Kelly, Travis Tritt, Kenny Wayne Shepherd, Stoney Larue, Waylon Jennings, and George Strait; just to name a few. The band admits the longer fans are around and listening, there is no telling what music they may hear. Vance notes each member of the band has been heavily influenced by their fathers who "started us on our twisted trail of musicianship". "There is never a straight path in life but making music is a path I'm not willing to leave, regardless of the outcome. Hope to see you on our path and keep your eyes open for the Album—due out mid fall." The dance will begin immediately following the fireworks display at the park and continue until 1:00 A.M.

### Donations Being Accepted

# City of Wheeler Seeks \$500,000 Grant For New Municipal Pool

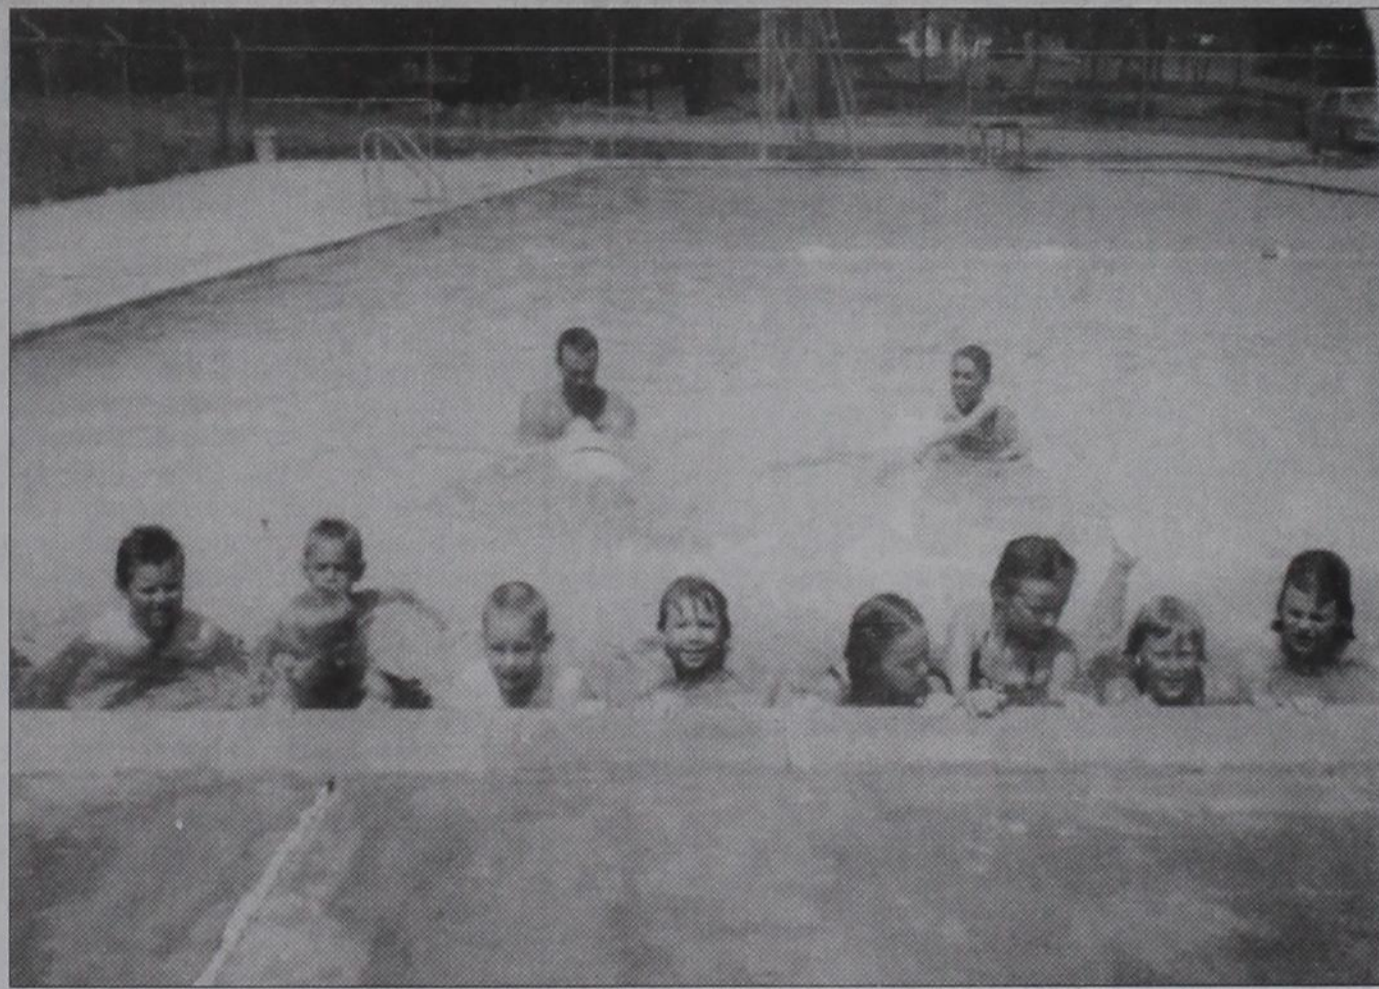

The City of Wheeler is in the process of applying for a \$500,000.00 matching grant from the Texas Parks and Wildlife for a new swimming pool. However, the cost of a new pool will be approximately \$1.5 million.

Our present pool was built around 1959 with our own Thomas Helton being the first pool manager. Unfortunately, time has eroded the present pool. It is filled with many cracks and the groundwater level has risen to the extent that it is almost impossible to drain.

The pool is one of the favorite places for our youngsters today. Just drive by and see the great numbers still using our pool. As you can see from the picture, many youngsters from the past have already enjoyed this cool spot on a summer day. Our own Chief Appraiser, Kimberly Hathaway Morgan is pictured here; right in the middle grinning at the camera while she practices her kicks. Roberta Adams is the assistant instructor, back left.

We are asking people of the community who are willing to donate to the project come by the city office or call us at 806/826-3222 with any questions. You can also mail donations or letter of intentions to donate to PO Box 98, Wheeler, Texas.

We do appreciate any help.  
Thanks,  
Wanda Herd, Mayor

Nice to have a call from Herman Lowrie who used to live in Texas. He and his wife have been married 63 years. She has more health problems. Remember them in your prayers. His wife is named Norma. They still have relatives and friends in Wheeler area and many fond memories of the Wheeler area.

Thanks, Abby Bond, for the beautiful chocolate cake. (I didn't know that I had been that good!) You are sweet!

They had a wonderful time at Wheeler Baptist Church Bible School. Think they said about 80 kids from many places and churches and about 40 workers helping. Thanks to each who

came! God bless you!

Some enjoying the good food and fellowship at Wheeler Baptist Church Fellowship Hall Thursday noon were Ray and Mae Brazeal, Joe and Anne Ellison, Joyce Perkins, Martha Meek, Leona Coates, Ed and Laurel Hershman, Roy and Nell Bradstreet, Debbie Glazner, Verna Fillingim, Buddy and Dianne Sparks, Shelby Hanson, Betty Spward and Leo and Sylvia Shuler. Preparing the delicious meal were Dolores Simmons, Artie Tidwell, Debbie Glazner and others. Thank you!

About 90 people registered at the Central Baptist Church in Pampa Sunday, June 13, to celebrate Augusta and Leon Brown's 65th wedding anniversary. The

party was planned and hosted by their daughters. Hope you have many happy years in the future.

Quilting at Totty School Thursday for a good time together were Betty Rogers, Carol Scribner, Jimmae Hinds and Augusta Brown. God bless you!

"It is easy enough to be pleasant when life goes by like a song; but the one worthwhile is the one with a smile when everything goes dead wrong."

I felt honored to go out to eat lunch at Maxey's Saturday with Ed and Laurel Hershman to celebrate their 45th wedding anniversary. Ed was raised in Indiana and was in the service in Colorado. Laurel was raised in Texas and went to Colorado to take training in flower arranging. They just happened to go to the same church, the way I heard it. Some time later, they came to Texas and were married at Gageby Church, with the wedding reception at our new house. Special people. They went back and lived in Indiana for maybe 30 years. So nice they are back in Texas and have been for several years. . . a better climate for Ed and Laurel. We've enjoyed having them here. They are "family" and always helpful! Willa Fillingim was Laurel's mom.

Sorry to hear that Joey Sabbe got bit near his eye by a Brown Recluse spider and will be going to a doctor at Amarillo this week. Pray for Joey! Still causes lots of pain. Hope Joey will soon be much better. Keep praying.

Pray for Chelsea Selby, 17, who has been having serious health problems. She is the daughter of Dwayne and Lori Selby of Mobeetie. The fund has been created to help with ongoing medical expenses. All donations greatly appreciated and can be made at either Mobeetie or Wheeler branch of the bank. Pray for Chelsea. God is in control.

### Sayre Theatre Set For July Staging

Play dates are July 14-18 at the Sayre Methodist Church.

Nine characters populate the third smallest town in Texas. Among other things that confuse the townspeople in the popular comedy is confusion about their gender identification.

Most of the residents portray multiple roles: Ben Perkins, Bertha Bumiller, Vera Carp, and Yippy, half-rat terrier and half-chihuahua; Mike Taylor, Aunt Pearl Burras and Chad Hartford; Gail Stallings, Didi Snively and Sherrif Givens; DeLayne Campbell, Petey Fisk and Rev. Spikes. Colleen Taylor, Elmer Watkins and Harold Dean Lattimer; Jamey Campbell, twins Stanley and Charlene Bumiller; Gabrielle Taylor, Little Jody Bumiller, and the disc jockeys for OKKK TUNA, Mike Mathews and Patti Macumber.

Meagan Mathews is the Greater Tuna stage manager. Tech assistance is provided by Denver Foreman.

"Although Tuna, Texas. Has a small population, its personalities are big," guest director Patt Ward Curtin, said. "Join Thurston and Arles on OKKK Radio as they bring you the daily happenings, complete with UFOs, Smut Snatchers, and Puppy Pushers." Call Sayre Floral 928-3355 for reservations.

# OLD TIMES NOT FORGOTTEN

By Roland Miles

## FORAGING EXPEDITIONS

Back in the old days, before armies had big trucks and planes to carry supplies for them, everything had to be hauled by horses and wagons. It wasn't unusual to run out of food before they could get new supplies. In these cases, they would go on what was called "foraging expeditions." I think this amounted to taking just about anything they could find to eat. I had been guilty more than once, of doing something very similar.

Just "snooping around for food," sounded a little plain and low-classed, so I preferred to think of it as a "foraging expedition," too. This seemed to put a little class to my snooping; sort of gave it a military flair.

Whether I was at home, at Grandma's, or Aunt Vera's, the routine always started out pretty much the same. First, I'd saunter through the kitchen, looking for a cold biscuit, or just something to eat. If there wasn't anything out on the cabinet or table, a quick look in the icebox was next. Normally, there wasn't any ice cream...just mostly cold meat and I didn't like cold meat, unless I was really coyote-hungry.

The pantry wasn't hardly worth the effort, because it had mostly canned stuff in it. My folks and Grandma, both had cellars. There was almost always something to eat in the cellar. The problem was, I wasn't at either of their houses. Almost forgot, here at Aunt Vera's, she had a "deep freeze." Knowing that she froze fresh fruit some-

times, (I really liked fruit) I opened the lid up. Everything, in there had a coat of frost on it, but I could see some bright red juice on one of the packages. I had hit the "jack-pot." No doubt, this was probably cherries or strawberries! Just the thought of it, made my mouth start watering as I raked my finger through the red frost, then took a lick. What? It didn't hardly have any taste! Disappointed in my foraging find, I wiped off the red frost, so I could read the label. "Mountain Oysters," it read. Yuck! I didn't want any more of that!

Not surprisingly, I kind of lost interest in the deep-freeze. Maybe, Darrell and I could go down to the basement and eat pickles. I never got any bad surprises, out of pickles....

When I am in someone's home, I'm able to do and teach and **take care of all of their needs right there.** One patient has eight physicians, and one of the greatest things that home care can do is help him and his family coordinate everything with all of their specialists. To be able to offer home care needs in the home setting...it's a privilege and an honor to be able to do that.

**Parkview Hospital Water and Your Body**  
Water. Your Body is made up of mostly of water. Approximately 85% of your brain, 80% of your blood and 70% of your muscle is water. Every cell in your body needs water to live. You can see how important water is to you.  
Water helps remove the dangerous toxins that your body takes in from the air you breathe, the food you eat and the chemicals used in the various products you use on your skin and hair. Other things water does for your body is to cushion your joints. Water carries oxygen and nutrients into all your cells. Water also helps regulate your body temperature.  
You need water to keep your metabolism working properly. In order for this to happen, there is a certain level of water in each of our bodies that we need to maintain. If we don't keep that amount, our bodies will start to dehydrate. An easy way to think of it is to think of your car's need for oil. If your oil level gets too low, your engine will start to run rough. If you totally deplete your oil supply in your car, your engine will stop running. Same with your body. Therefore it is easy to see why it is very important to drink six to eight glasses of water a day.  
Some of the things that may happen to your body if you do not have enough water are that your blood pressure can fall to dangerously low levels. Blood clots may form. Your normal kidney function is impaired. You may get terrible constipation.  
Some of the signals your body gives you of a low water level are constipation, terribly dry skin, and increased incidence of urinary tract infections and reoccurring headaches.  
So take care of yourself. Drink Up, and keep that body in check.  
I believe that water is the only drink for a wise man.

**Murder, Suicide Is Being Investigated**

At approximately 3:45 PM on June 19th, the Wheeler County Sheriff's Office received a call in reference to a possible homicide at a rural residence northeast of Shamrock, TX.

Because initial information suggested that a suspect was barricaded in his house, the Sheriff's Office called the Amarillo Police SWAT team, the Texas Rangers, and the Texas Highway Patrol for assistance.

After the house was cleared by the Amarillo SWAT team, the scene was turned over to the Rangers for further investigation.

The investigation indicated that 54 year old Raphael Johnson shot his wife, 48 year old Martha Johnson, and then fled on foot. Raphael Johnson was found about a half mile away at another location where he had shot himself.

The Texas Rangers and the Wheeler County Sheriff's Office are continuing the investigation.
