Winners Announced In **Season's First Drawing**

Saturday's 64 degree weather was quite a contrast to the weather last year on the date the first drawing was scheduled. With the sun shining down and the winds still, a large crowd gathered to see who would share the \$300 given by the progressive Wheeler Merchants.

Only two people were not present when their names were drawn. Clay Hubbard did not claim his \$10 envelope. Carl Scales name was the ninth drawn and he did not step forward for his \$10 envelope.

The envelope containing \$100 in 'Cash' was handed to Mitchell Todd Hawley, who came forward in his mother's arms.

SANTA LETTERS to be published

Hey Kids! Christmas is just around the corner and Santa Claus is so busy at the North Pole in his toy shop that he has asked the "Times" to help him out with his Christmas mail.

All you little boys and girls through the third grade are asked to help Santa also by sending your letters to Santa Claus to "The Wheeler Times" to be published.

Teachers, if you would like to help the children with their letters as a class project, please see that the letters are clearly printed and that they reach the "Times" office on time.

Ole Santa will read all the letters in one issue, thus cutting down on the mail. Also you won't be taking a chance of your letter getting lost in the snow.

Kids, read these instructions carefully. Write your letter, using 30 words or less, mail it to The Wheeler, Times, P.O. Box 1080, Wheeler, TX. 79096, or drop it by the The Wheeler Times Office so that the "Times" will receive it by December 15.

Sittin here on Thanksgiving Day morn peckin at this Jap writer. Its a bit early for dinner, matter of fact it is a bit early for the first meal of the day. Got to thinkin back on where I wuz this day back then. Goodness I recon one of the first was in Wheeler, Tex., with my whole family. Two sisters, three brothers, my mother and likely my mothers father and mother, but after that there were fewer of the family and fewer, but I enjoyed them. We have scattered all over the country, many have passed on to the great divide.

I had Thanksgiving in F. MacArthur in '40, in Anchorage, Alaska, in '41. Wasnt a big thing through we were out in the boonies waitin on the Japs or maybeit wuz'42 but in '43 I think it wuz Los Angeles and then in the Fillipines (that wuz the way I spelled it) and then Okinawa and then back to the Panhandle of Tex. I believe the next Turkey I et wuz in Valperisso, Ind., with the Fishers and then Texas, New Mexico, California, the Pudget Sound and back to Texas and then back to Indv

Over the years we have had some memorial meals many with out own family with the daughters and son and then with our grandchildren and loved ones, but a few of these celebrations are very fond memories. One time in Calif., just across from the Golden Gate Bridge Mama wuz trying to-figer out what the three of us would have for the meal. It wuz sort of Slim Pickens as the durn cubboard wuz nearly bare when all of a sudden out onery neighbor knocked at the kitchen door wanting to speak to the Missus as he called

Mama. Mr. Waller and Mama got a wonderful meal together. He had a chicken and eggs, we had a few things but we all wound up with punkin pie, dressin and all. What a wonderful day we asked the Good Lord to bless.

Many times I think we sort of overlook the fact we are blessed just by being here and the privilege of being together, what more to ask. I knew a family in the Texas Panhandle that by no means were rich in wealth, but in thankfuliness thay were extremely rich. This family had many children but at every meal the father, Lucky, he honestly thanked the Provider for the food on the table. Through these many years I still can see those smiling faces sittin waitin for their father to say the blessings.

Mama and I had our Thanksgiving with our granddaughter's other grandparents and their grandchildren. We enjoyed the visit with all of them and we shared the Dallas Cowboy & Dolphin game. Mama does not like the Cowboys and all the kids kept teasin her about it an hopin the Cowboys would win. The little fellers got quite a kick out of the teasin which Mama took very well, but at the end the Cowboys lost and Mama came home winnin.

When we sat down for the meal I wuz asked to say the blessing and when I had ! looked to the other end of the table and sort of felt that the senior grandmother should say Ladies and Gentlemen start your engines. She has said this over the past several years at the Indy 500 and it would have been sort of cute for her to say it at this festival gatherin.

We had to have a large tree removed just behind the house and very early I moved our car out of the driveway to the street so the big truck could be in the driveway to get the many limbs. I had come back in the house gettin ready for a big day and happened to look out the front window and there wuz our little Chevy sittin rite where it had been. I mentioned to Mama about it and she jumped up an got the car back on the street. When she came back in she said she felt she had failed to put the car in the drive the night before an didnt want me to scold her for the misdeed. It wuz quite funny but I know better than to scold that little feller.

NO ROOM

When Jesus came into the world as a little baby, there was no room in the inn. So, He was born in a stable. That occurrence is symbolic of how so many people make room for all kinds of things and have no room for the most important person. People find room for just about anything and everything that they really want. There's room for houses, cars, land and pleasure. There's room for football and vacations and movies and games, but no time for the most important matters.

Many years ago, I worked at a radio station at Christmastime. The other people there were not Christians, and it was not a Christian radio station. One of their salesmen said to me as we came into the holiday season, "You're going to find what Christmas is all about." In his opinion, I had lived a very sheltered life detached from the "real world", and I was about to learn a lesson. That lesson was that Christmas is all about commercialism and making money if you have merchandise or a product to sell. Those people loaded the programs on the radio station with many commercials. Money was the only name of the game. The truth is that I was the only one there that really knew the truth about what the real world was about and what Christmas should mean. When all the tinsel and toys are put away, when all the lights of decorations are turned off, and when the trees have been taken down, if Christ is left out, you really have nothing that matters. The peace and the joy that the Christ child came to bring into our lives is something that money and parties cannot give. Make room for Him in your life this year, and learn what it is really all about.

No school at Fort Elliott Monday. Kirbie Kinnaman and Rachel and Ryan May were visiting Kenneth and Lou Dean Douthit and having fun on the trampoline. Joe Bob Kinnaman was Glory, Chuck and Phoebe Hartline off work for the day, so he was helping K.D. with some things. Kenneth was making a pot of chili. I asked about his recipe. He started with special coarse ground chili meat and added onions, canned tomatoes, Williams Chili seasoning and cayenne pepper (not too much).

> Fat and Wanda Childress and Kenneth and Lou Dean took cattle to the Sayre sale Friday and were pleased with the way they sold. Saturday they shopped in Pampa as did Bob and Deb Kinnaman. The Kinnamans visited Douthits Sunday. Sam Meadows visited one day.

There was a nice Christmas party for the XYZ group at Mobeetie Friday night. Delicious food. Devotional by Mary Hovey. You might like to try Edith Cross' unusual but very delicious nutritious pecan fudge. (uncooked). 1 and 1/4 cups cooked pinto beans, well-drained and mashed. (She used a food processor) 3/4 cup oleo or butter 1 tbsp. vanilla, 2 lbs. powdered sugar, 2 cups chopped pecans, and one cup unsweetened cocoa. Cream together oleo and cocoa and gradually add powdered sugar, alternately with beans. Add vanilla and nuts. Spread in buttered cookie sheet. Note: chop nuts in processor first before beans while it's clean. Very good. Doesn't taste like beans at all,

have about a cup of mashed beans from 1 1/4 cups. Refrigerate till firm.

Nice to visit a little with Isabelle and Raymond Moore at the Wheeler Hospital Friday. She was looking good and ready to go home. They were expecting all their kids and grandkids for a Christmas Celebration the weekend of Dec. 11. Also visiting Isablelle and Raymond were Jesse and Curtis Moore and Karen Meek and others.

We had several visitors at Gageby Church singing Sunday. Always enjoy that. We had some very nice music by Andy Copeland on his alto-sax (Think he said that was what it was.) Andy and his dad left before we got to tell him how much we enjoyed it. Hope he'll come back and play longer. Also nice to have Jim and Terri Turvaville and Andrea, Amanda and Alan. Jim plays the piano so beautifully. Also Cindy Hartsfield and Hayden and Glory were there with Martha. Glory sang "Away In the Manger" with her grandma. Also singing were Ray Forbes, Shelia Touchstone (always nice to have Billy and Shelia there) and Evelyn Meek, Lois Meadows and Martha Meek sang. Reading by Willa and Martha and harmonica by Willis.

Charles and LaJo Crownover and Jodie and Terri went to Borger after church Sunday to watch "Up with the People", an international music group. Pray for Fat and Wanda Childress. Test looked good. Will have surgery

Glad to hear that Mack Shields got a good report at Oklahoma City Friday on his eye. It was stable-no pressure built up. Won't go back till Dec. 29 if all goes well. Keep praying for Mack's eye.

Lindsey Fillingim was sick Saturday but went ahead and played. Was feeling better by Monday afternoon. That girls game with McLean Tuesday night will be rough. We each have won one for girls.

Ft. Elliott played Groom Thursday in the Miami Tournament. Our boys got a slow start, but came on to win 44-41 in a hard-fought game. Our girls weren't so lucky. We lost 27-42, but all played well, boys, too. They were taller, quick and very aggressive, and few things were called against them. But they do have a good team.

Friday in hard-fought games at Mi-ami, Fort Elliott High School girls won 40-32 over Woodward J.V. Our boys won 58-51 over Pampa J.V. in a close game. Saturday our girls had a hard game at 9:00 with Wellington. We were tied 59 to 59 at final buzzer and went on to win 62-59 in overtime. At 4:00 p.m. Fort Elliott girls played, McLean in a very hard game and won 46-41 to win consolation. Our boys played Wellington at 12:00 and won 78-63. They played Spearman at 8:30 p.m. and lost by 49 to 55 to win second in the tournament. Congrats to our fine teams and coach Smith. "God be with you till we meet again."

Visiting Margaret Hiller last week were her daughter and husband Faye and Ralph Bagby, and Alexandria Becker of Dallas, Tommy and Belinda Hiller, and Billy Joe of Amarillo.

If there ever was a vendetta against someone, it has been the Oklahoma and Gaylors after our governor. I guess the main thing they didn't like was that Western Oklahoma managed to get a governor elected. To my mind, his being toll-road happy has been his worst fault. We should have good roads, but not toll roads. Oklahoma will never prosper like it should till people can travel on free roads. Funeral services for Ozelle Wright

First Baptist (From Page 1) Choir of First Baptist will present the Christmas musical "Joyful and Triumphant." This musical is a beautiful collage of contemporary and traditional Christmas music that tells of the promise, the birth, the proclamation and the incarnation of our Lord and Savior Jesus Christ. Though provoking narrations skillfully woven throughout the music allows the listener to reminisce of the world's first encounter with Christ as a child, reminding all that Jesus' coming was a promise of God foretold in the Old Testament.

Come and worship with us through the memory of the Christ child and the knowledge and faith of a redeeming Savior.

wheeler Church of Christ Congregational Concerns:

On this coming Monday night, December 13th, the men's monthly business meeting will be held in the multi-purpose building. A fellowship meal will be served before this business meeting is held. This fellowship meal will be served at 7:00 P.M.

A letter has been received which gives an update upon the proposed retirement center in Wheeler. This letter is posted on the bulletin board in the lobby.

A thank-you note was recently received from Mr. and Mrs. Gary Overby. This couple and their children were some of the people who were stranded in the multi-purpose building by a snowstorm during the Thanksgiving holidays of 1992. As their note clearly states, they are still grateful for the help that this congregation gave to them. If you would like to read this note, it is posted on the bulletin board in the lobby.

Edgar Dodson, the father of Mary Edwards, has been hospitalized in Dallas.

Ben Griffin has been released from the local hospital and is resting at home.

Vergia Reagan is hospitalized in the Coronado hospital in Pampa.

From the Minister's Desk:

One of the largest churches of Christ is the Golf Course Road church of Christ in Midland. The minister of this large congregation is Mr. Randy Fenter.

While I do not personally know Mr. Fenter, I am very impressed by some articles that he writes for the bulletin of the golf Course road congregation. For example, he recently wrote an article that was entitled, "Saying Thank You." This article said:---

In John Kennedy's 1952 Senate race, his workers collected 262,324 nominating signatures. It was the largest number of nominating signatures ever collected in Massachusetts. The law only required 2500.

as.

Kennedy, shook his hand warmly, and pulled out the personal thankyou letter that he was carrying in the pocket of his denim work shirt.

"I've been signing nomination papers for politicians around here for the last 20 years," the dockworker said. "You're the first guy who ever wrote, me a letter thanking me for it." As they left, Kennedy leaned over and said, "David, maybe we'd better keep on sending out those thank-you letters.'

Despite a nationwide Republican landslide in 1952, Kennedy upset Henry Cabot Lodge by 70,000 votes for the Senate seat.

If you're like me, you're probably about 262,324 thank-you's behind about now. So far behind, in fact,
