had received during the hight. I measured 0.25. I could hardly believe the sound of rain drops on the skylights at the office about 12 Tuesday night. I also think there was a few hail stones. -cwe-

Congratulations to all the students listed on the fourth six weeks honor roll. Sorry it took so long to get these names in the paper, but I wanted to make sure they were on the front

The banquet speaker comes highly recommended, and you wouldn't want to be the last to know who gets recognized this year.

Note the story on Page 1 concerning Mobeetie's effort to select a drawing for the stamp cancellation. Melba Corcoran says they have several excellent entries. Remember to keep the drawings simple; they have to be reduced. The cancellation will mark the 119 birthday of Ft. Elliott. -cwe-

**NUTRITION CLAIMS IN WOMEN'S MAGAZINES** 

What types of nutrition messages

are the readers of women's magazines receiving? One recent study showed an over-

all increase in nutrition claims referring to the absence of specific dietary substances such as fat, sugar or cholesterol from food and beverage products. Many of the nutritional claims reflected topics related to the dietary guidelines recommendations. All advertisements were used to appeal to consumer concerns about taste, convenience and quality. Nutrition claims varied by product type advertised.

Why are these women's magazines sofull of nutrition information? Women tend to be especially interested in nutrition information. They read this more from magazines and other forms of print media.

Some of the leading women's magazines have nutritionists, dietitians or home economists responsible for their nutrition articles or food/recipe sections. This increases the reliability when research-based information is used. These articles may make weight loss claims or claims for use of certain nutrient supplements seem too good to be true. One example is the hype for chromium picolinate touted for weight loss. Chromium picolinate has not been approved for weight loss by the Food and Drug Administration. Consumers need to realize that weight loss comes only by changing lifestyle habits, including exercise and low-fat eating. No "magic bullets" for weight loss exist.

## Care Center Comments By Cathy

Here at WCC the residents haven't minded the weather too much. They are busy with crafts and comments on how good everyone looks. Of course Amy Hunt has a lot to do with that she has been doing hair as often as possible and does a good job.

The juice servers for the week Mary Margaret Dodd, Mary Mitchell, Evelyn Meek, Vida Brown and Mae Nash. Thank you. Also the Bingo helpers lla Byers, Erma Riley, Katherine Holt, Ruth Kenney. Our residents enjoy visiting with our Volunteers.

Tuesday morning we had our monthly Auxiliary Ladies meeting. This is a good time for all of us to get together and visit and at the same time plan for future meetings. Min the afternoon the First Baptist Church hosted the January Birthday Party. Cake and punch was served. Rod Frizzell played guitar and sang some beautiful songs. Everyone's attention was on him. We sang happy birthday to Geneva (Ruth) Hoggard, Sam Bowers, Bob Bedwell, Winnie Kiker, Irma Lanhan. Congratulations to them and a very special thanks to the host and hostesses. Dorothy Risner, Beverly Bryant, Velda Miller, Wynema Stewart, Irene Lester, Pat Helsley, Cindy Bradstreet, Jackie Cummings, Alysa Frizzell and of course, Rod Frizell.

Mrs. Hyatt held Family Alter in the morning. We had a pretty busy Tuesday don't you think? Janice Sparlin was here for Bible Study Wednesday morning. She had a room full. Bingo was played in the afternoon. Mr. Willie Knoll and Mrs. Edith McLaughlin were the Blackout winners. Crafts were worked on in the afternoon.

Fern Young, Rozena Zybach and lla Collins held Inspirational services Thursday morning: These ladies are a beautiful part in our Residents lives. I popped and served popcorn. We have set our machine on a rolling cart so this week I got to pop popcorn in the lobby. Let me tell you I was busy. The machine was working too slow for our hungry residents, visitors and employees. If you ever have time on you hands come out Thursdays at 3 p.m. and smell the popcorn. Friday was another busy day. Dept. Heads voted on the Employee of the Month for February and they decided on Maria E. Gonzalez. Congratulation. Employees had in service in afternoon concerning Dignity with the Residents. After we worked on crafts we had a large turnout for Activities. Everyone enjoyed the paper being read on Saturday morning. I had a large number of Residents gather to hear the latest about the bad weather. Ice Cream was served at the early afternoon and Bingo played with the blackout winners. Mrs. Irene Dunnam and Mrs.

Marie Baker. Sunday Services were held by the Trinity Church from Sham-

I would like to wish a get well to Molly Selby Milan Mertel Evelyn Young, Olive Harris Charles (Pop) Spencer, Margaret Oldham. We miss you all and a welcome back to Sam Bowers, Elsie Wagner, Dub Mason.

Remember the Erik Kitchen Band will be here at WCC Friday January 28 at 2 p.m. Since our Lobby has been expanded there is plenty of room. Also a big Thank You to everyone who has donated towards our T.V. Fund. We are getting closer to our goal, but more is needed.

Till next week.

#### Here & There By Laura Guthrie

Patricia and Ed Forrester are with their regular routine today, (Tues.) after being away from jobs, home, and town most of last week. Patricia's mother was critically ill for several days in Pampa and of course her daughters Patricia and sister Janette of White Deer scarcely left her side. Then when she passed away, the women wrapped in grief and feeling the great loss, they had to stay in Pampa a few days for services for their mother, console their father, thank the attending friends and pull ends together. Mr. Cosper, the father of Patricia and Janette spent Saturday night and Sunday here in Wheeler with Patricia and Ed Forrester. On Monday Patricia took her dad back to Pampa to do some household chores for him and get him settled in his apartment where he continues to live.

This was one Friday the sun didn't make it out. Been a COLD week. Five low on Tuesday and the Kitchen Band chickened out again. Just too old and fat to get out when the wind chill is way below zero. But we really did miss seeing everyone.

We always buy groceries on Tuesday when the Band goes. Made us off 10 days instead of seven. Took \$76 to buy the gallon of milk instead of \$41. Heard on TV how to save on the grocery gill. Add water to the milk and orange juice and rinse the coffee filers for more use!

Visited with Helen and H. E. Smith. They are proud great grandparents. Daniel and Tina Smith, OKC, have a little girl. Named her Taylor Rachelle. Donny was out from Erick to see them Sunday.

Been an awful lot of sick folks around. Ruthie Atkinson is in Baptist Hospital at OKC. Jewel Wilcox and Rollie Ray Howell at Elk. Lillian Foshee has been a patient at Sayre. LaQuentis Ginger DeMarquis had flu and pneumonia. OK now.

Funeral services were Thursday at the Erick Baptist Church for Lelan Daniels. Lelan played a bass guitar and used to come to our house to musicals. Played with the Erick Kitchen Band for many years. Was with them when they got a standing ovation at the Myriad when they appeared on a program with Gov.. Boren. Burial was in the Erick Cemetery.

Had a nice call for Eunice Gambel thanking me for keeping her out of jail. Seems when she read my mention of the 4th quarter income estimate being due, she realized they hadn't mailed theirs. Always glad to help a friend.

Saw many burnt acres on the way to town. Everything is so dry. Just a spark, a cast off cigarette, or unwatched trashfire is enough to start a holocaust, the Sweetwater Volunteer Firemen have gone several times lately to help put out blazed.

Joe, Charlene Wilson and Blanche Kuykendall had birthdays on the 18th. Just missed the national holiday for Martin Luther. Still getting cards. I carefully mailed Banche one on Saturday to get there Tuesday. Wouldn't you know. On Tuesday it was back in my box with Returned for Stamp on it.

As if no mail on Monday wasn't ban enough, on Wednesday the Oklahomans for Sweetwater got on the wrong pony and wound up on Taloga! Came Thursday, we had an Elk paper, 2 OKC dailies, and five weeklies. Brighten that dreary day.

Odd weather! The sky has been laced with jet stream trails. Heard a train whistle two days in a row.

Something needs to be done to teach responsibility. Some teenagers near Tulsa dropped a big rock off an over pass, killing a young mother. It's a wonder it didn't cause an accident that killed a dozen. As part of their punishment those kids and their parents ought to have to support her children until they are grown.

Pauline Roberts took her sister Blanche out for lunch on her birthday. We gave Joe a steak dinner at home and took him out today.

This has been a hard week for America. California had this terrible earthquake on top of all the fires, riots and onslaught of illegal aliens. They are saying there may be \$30 billion of damage. The east and north have nearly froze up completely. Several feet of snow, warming up to zero wouldn't be very warm. Just now getting the freeways open again.

I can remember once in 1930 when it got to 19 below here and several people living in a tent on Sweetwater Creek died. They were picking cotton for a living. The South wasn't prepared for such cold. Billy Doss tells me their daughter in Alabama reported it was cold enough there to freeze and burst their water pipes. Folks here are in the beginning of a drough if things don't get better. Just last week, the dirt was blowing like dust bowl days.

Lisa Tucker and Monte Tucker were on the Honor Roll at OSU. Their parents are the Tommy Tuckers.

Heard from our boys. Tony and Carleene and their Homespun group were going to do some songs at church. Joe Dale and Esther had been to Padre Island and the valley. Brought home some tree ripened fruit.

Sweetwater Baptist church brought the devotional Sunday to the Erick Nursing Home. Those going were Eileen Logan, Greg, Jan, Kristina and Jeremy Henson. O. D. and Elma Henson, J. E. and Clara Lou McGuire. Ed Wrather and Raymond Pickering

were on the puny list. Elma and O. K. Henson, Pauline Roberts attended the Retired Teachers meet Friday at K-Bobs in Elk.

week.

But today both Ed and Patricia are back at home with their jobs and routine chores. I've sorely missed Patricia. and it was so nice to have her stop by for coffee this morning.

individual alone can do to relive it except: depend on Divine help, God and the Holy Spirit to deliver. With that and the loving kindness of friends and relatives, there can, and will be relief. Thank God for his infinite love and

Early next week we will start the second month of 1994. February

Ed missed work most of the days last lyzes the brain. There is little that an brings Birthdays of many people, famous people of history, and loving kind hearted friends. I think of my father first. His day was the 14th. He always bragged that other great people were also born in Feb. Then we have St. Valentine, Abe Lincoln, George Washington, and our own Editor Louis Stas. Ah! I would not diminish the importance of my granddaughter Melinda who claims Feb. 3 and my late sister's was Feb. 4. I have multiple friends who have Feb. Birthdays. Thanks for this unusually short month.

February is known as the Love month, and we have the special occasion of Valentines' Day. But I drop this note for meditation:

Don't wait for a perfect season to give your love away.

Don't wait for the ideal reason your thankfulness to pay . . . .

Tamara Hartline's ninth birthday were Tamara, Melissa Kephart, Jackie Dukes, Chuck and Phoebe Hartline and Aaron. They ate supper at the Sonic in Sayre. Mellisa and Jackie spent Friday night with Tamera.

Willis and I went to Amarillo Tuesday for check-up on my knee surgery. Good report. We visited some with Ma Mary Hudson. She's had flu and still not feeling too well, mostly stays in her room. Pray for her. We went by St . Anthonys to visit with Sybil and Iva Alexander. He is doing pretty well after knee surgery Friday and expecting to go home soon. Nice to have Bernice Tapp meet us for lunch at Lubys. Saw Elda and Hamil Wilson from Pampa there. Bernie works for Bank One. They are sending her to Houston for two weeks of schooling in February. Wilma Bible came to Dr. Stafords office and visited. Good to see her.

Joshua 1:9 "Have I not commanded you? Be strong and courageous. Do not be terrified; do not be discouraged, for the Lord your God will be with you whenever you go."

Many Fort Elliott fans went to Follett Friday night for High School basketball games. A very strong, fast, aggressive girls team defeated our girls 36 to 69. Fort Elliott boys won 77 to 52 over Follett. District games.

Justin Brown was playing with the White Deer Bucks in the J.V. tournament at Shamrock Saturday. They played a very close game with Childress to lose in the last seconds. They then played Wheeler J.V. and won to win third in the tourney. Justin made 3 three pointers in a row at the beginning of the Wheeler game. Congratulations. We enjoyed visiting with Lee and Ester Brown and Joan and Jessica and eating lunch with them at Hasty's. Enjoyed watching Justin play. He's a good ball handler.

"God be with you till we meet again."

Been noticin this privacy of information and seems like it is goin to be abolished so you can know it your next door neighbor is democrat or republican. Honest that will be nice as cause if you are tryin to enflagerate someone you wont have to waste bunch of time on them if you honestly know he or she is of the opposite party.

Over the years I have tried bootleggin, car sales, insurance business and any thing that would make a buck and there is drawbacks in ever durn one of them professions, specially politics. One time i wuz runnin for reelection out in New Mexico (it wuz councilman in a small village) and durned if some of my opponents did'nt bring out the fact that I had no formal education, only had three pair of sox and an ole worn our Sunday suit. Now I did'nt mind the stuff bout the lack of education or the three pair of sox, but I know durn well that Sunday suit was'nt worn out. The feller I had got from had lebenteen suits and this one wuz chartreuse and did'nt go with his ties so honest it wuz durn like bran

What I'm tryin to get at is this. After I got reelected we, as a council, were Colorado, last Sunday supper guest tryin to hire some new hands in the with Dick, Cletus and Jamie were village and needed some info on a gent that we were lookin at for a job We needed to know his habits and such and when we got a return on the letter we found it wuz illegal to ask for such things and we could be in big trouble if we attempted any further attempt on the subject. The feller sort of took advantage of us after we hired him. We found he wuz a Crapper Snapper. He stole two outdoor privies we had for public use. OSHA came in to the deal an required that we put in new facilities in the village that would accommodate 20 occupants of mixed gender. It nearly emptied our caufers doin this and we council person had to go without pay for sometime refillin the couffers. What I'm tryin to say we durn near went broke over the deal. I found out later it wuz my little fat wife that had told of my sox, and education so I really had nobody to sue for enflageration of rights.

Don't know if you have noticed it or not but I'm typin on a machine. The old one wore out and Mama traded for this durn thing. It is made here in the US of A but assembled someplace else. It is one of them things that tell you what time it is and how many mistakes you are makin and how many lies you have wrote and all that junk. Wish that ole Jap job had been worth fixin but the outfit I bought it fum in sunny Arizona went out of business 20 years ago. Wish I had me one of them computer educations and could just push a button and write this junk. Mama says there anint a computer that would handle my kind of junk.

See where Hillery and hubby are over across the pond doin their thing with the Bolshevics. Hope they can straighten them folks out and we can have peace with them and get their missles pointed in the other direction. I kinder figered them folks wuz pointin their missles at us cause I noticed my backache wuz back and one of my big toes sort of had an asatiac twitch. I have trouble with my thinkin. I can't

imagine how we can solve them Russians problems so easy and can't solve our own. Honestly, I don't understand why we don't have someone to come by ever morning and sweep off the snow fum the drive and them in the summer do the lawn and then rake the leaves in the fall. Recon I'm askin too much? Look around all of us are lookin for more. I'm afraid we forgot the outdoor privie, carryin water, doin the chores and bringin a load of wood or coal and oh, yes, the ashes from the stove. I'm afraid we are gettin too civilized, what do you think? Ab and Mama
