

Cross Country Girls Ranked Sixth

The Wheeler Cross Country teams traveled to Dumas last week to participate in the Cow Patty Classic Cross Country Meet. The meet lives up to its name, as it is held on the Taylor Ranch

in the middle of a cow pasture. Conditions were extremely dusty and affected a number of the participants. The varsity girls entered this week's race ranked number six in the state in

class 1A. The start of the race required survival tactics, as approximately 200 girls ran into, over, and around one another on a short starting line and straight away. The meet organizers did not figure team scores for all teams but the Wheeler girls produced their best overall team effort of the year. Dena Compton finished the two mile course in 14:34, Cassi Wallace 15:00, Angie Thomas 15:01, Jesse Wallace 15:17, Ember Bradstreet 15:19 and Kindra Jolly 15:38.

In the varsity boys race, Cecil Pinder finished in a time of 22:01 and Greg Bryant in 22:42.

In the J.V. girls race Mika Goad ran the two miles in 16:19, Corby Chick 16:34, Sally Smith 16:36, Kasey McCasland 17:19, Michelle Andris 17:29, Ashley Ware 17:36, and Stacy McWhorter 19:15.

MUSTANGS LOSE TO STRATFORD, 29-14

Pre-Game Meal To Be Served Oct. 7th

There will be a barbecue rib meal before the first district football game with Sunray on October 7th. The meal will be sponsored by the Wheeler Golf Teams and the Wheeler High School Cheerleaders. Prices will be \$5 for adults and \$3 for children 12 and under. The meal will be served at the Legion building (behind the scoreboard) beginning at 5:30 p.m. If the weather does not cooperate it will be moved inside to the school cafeteria. All are invited to come and have a good time.

The Wheeler Mustangs were hosted by the Stratford Elks last Friday night at Stratford and played a good game regardless of the score.

The Mustangs wound up on the wrong end of the scoreboard again, 29-14, but the game was a lot closer than the score indicated. Also, the Mustangs may have played one of their better games against the Elks. After what was a rather embarrassing performance against Memphis, the Mustangs had to play well for the upcoming district schedule. Granted a loss is still a loss, but the Mustangs played a great deal better.

The game began with the Mustangs being halted on their first drive and the Elks looking impressive against the Mustang secondary. The Elks drove the ball down to the Mustang 3 yard line, where the defense locked the

goal line up tight only allowing a field goal by the Elks. On the next possession by the Mustangs, Keith rose came up with a nifty catch and a great run afterwards that set up the first Mustang score. On the next few plays, Dusty Case caught Philip Wiggins out in the flat with a pass and due to Wiggins' second effort, he was able to lunge across the goal line as the Mustangs took the lead 7-3. The game remained close, but the Elks were able to score again twice before half-time, leaving the score at 16-7 at half.

During the third quarter, the Mustangs looked sluggish but after the injury to Keith Rose (he's okay now and may be able to play Friday!) the Mustangs put Andy Francis' cast and all back at fullback. Francis provided the offensive spurt needed and ran in the other Mustang score taking the score to 16-14. It looked like the Mustangs could have been on track to provide an upset but could not get into the end zone again—to a weakened defense Stratford added two more TD's leaving the final score at 29-14. It appeared to this observer that the Mustangs were about to comeback when a broken play by the Elks put an end to a super defensive effort by the Stangs. For those that were there, the Elks tried a middle screen to their star running back, Vincent, but he was completely covered. Now, this is the

CWE CHAT WITH EDITOR By Louis C. Stas

We had to keep the computers going Tuesday as the lightning was flashing and the thunder roaring. We just 'saved' a little more often, so if there was a power loss, we would not lose everything.

Yes, I know there was a mistake in the headlines last week. It was a situation where an effort to correct an error ended up worse. District play begins Friday evening with the game against Sunray.

The W.H.S. Cheerleaders and Golf Team will benefit from the Rib and Bean Supper being served before the game Friday evening by the First State Bank of Canadian. The cost is \$5.00 and \$3.00; serving will begin at 5:30 and continue until game time at the north end of the football field.

The Mustangs are reported to have several injuries and sick. These things happen. Give it your best, Mustangs; we know you are capable.

Remember, Alpha Mu Alpha is holding their blood drive Monday. Make your way to the school Monday; your blood is needed. There is absolutely no danger involved and very little pain.

Wheeler received some much needed moisture Tuesday, Tuesday night and Wednesday. The measurement for Wednesday, 7:00 A.M. was 0.4 inches.

You will find the Honor Rolls for the first six weeks. And, yes I will keep you informed on the progress of the grandchildren. Jessica made the All-A honor roll and Ronal Jr., had A's and B's.

Acc. Reading Program Is Showing Good Results

The first six weeks of the Accelerated Reading has been completed at Wheeler Jr. High. Much enthusiasm has been shown by the junior high students. The teachers have noticed an increased number of students using free time to read. Many students read more than one book during the six weeks.

We have had positive feedback from parents regarding the program. Also, we have had responses from businesses who wish to donate prizes for our readers. We want to thank these concerned reading supporters for their encouragement and donations of prizes. We could still use more prizes if anyone wishes to join our efforts.

The students listed below are our top scorers for the first six weeks of accelerated reading. Congratulations to the students and their parents.

Sixth Grade Top Readers: 1. Tina McWhorter, 2. Caleb Finsterwald, 3. Mechelle Marshall and Jacina Watson

Seventh Grade Top Readers: 1. Kimberly Beers, 2. Brooke Verden, 3. Jennifer Haning and Kenzie Chick

Eighth Grade Top Readers: 1. Matt Hampton, 2. Ben Britt and 3. Rebecca Gentry

SWEETWATER NEWS

By Lois Flowers

This has been one of the saddest two weeks of our life. We lost our youngest son David. On Sunday, Sept. 18, David suddenly fell from his chair to the floor. The last words he ever said were "Mama, please call the ambulance". They took him to the emergency room at Elk. After several tests and etc., we were sent on to OKC. There they told us that he was in such a deep coma from the leakage of blood on his brain, that they could not offer us any hope. And on Tuesday, he passed quietly away.

I never knew such an outpouring of love as we have received. Our many thanks to all who came to see us, the many prayers, the calls, cards, letters, flowers, food, and the many donations that have been made to various organizations in memory of David. And most of all for loving David. He touched many hearts.

He did so many things for us. Set the VCR, wound the 8 day clocks, made the coffee, set the microwave, helped with the housework, could help with the cooking, went to the mailbox. Had several friends that he called often to be sure they were OK. Yes, we miss him in a thousand ways.

Folks from afar who came to be with us were Tony and Carleene from Florida, Joe Dale and Esther from Missouri, Ken and Ginger DeMarquis of Albuquerque, NM, Arlie from Bristow, Anita and Sheri from Sayre, Paul and Rosa from Norman, Wesley and Elsie of Arkansas, John and Wanda Haag of Edmond, Jean and Lynn Foster of Lubbock, Andrew and Margie McCathern, Cleo and W. L. Ferguson, Lorene Whiteley, Teba Pfiels, and John Haag, all of Pampa, Carol Ann Hunter of Amarillo, Jim Haag of Cabot, AR., Verna and Walter Ford of Wanelle, Sharon and Bob Shoffner of Wash., D.C., Mel and Linda Kelley of Clinton who went with us to Oklahoma City.

At the recent Pampa Tri-State Rodeo, Leann Keathley won her third saddle, and was named all around cowgirl. She won the barrel racing, placed 5th in break away roping, 6th in goat tying. She won the saddle by a half point.

Sweetwater cowboy Darren York was on the team of Eichelberg Farms, Hydro who placed 2nd in team mugging at the Sayre Rodeo. The Wild Bunch Ranch from Reydon won 2nd on Team penning. Members are Dick Parka, Bob Richey, Gary Cobb, and Todd Atha.

A number of young folks met Around the Flag Pole. They had prayer, Brendon Atkinson, read Joel Ch. 2. After a minute of silent prayer, he said a prayer, and they were dismissed to meet at the church for refreshments. Adults were Ed and Jeanie Wrather,

Arnold and Bonnie Rice, and Jan Henson.

Ed Logan is home from the OKC hospital and improving. Iva Thompson is with Peggy and Leroy Dunlap, Bertha Coffey is home and Juanita Coffey is staying with her. Ray Smith has been to OKC where he had a pacemaker implanted. Wynona Heflin has been in Sayre Hospital. Dana Shultz is at OKC for tests.

There will be a 65th year Anniversary Homecoming at the Assembly of God Church. On Saturday night Oct. 8 there will be singing and Sunday services and fellowship dinner. Everyone is invited.

Betty and Hersel Anderson have been to Oregon where they visited cousins Bob and Jane Carnes.

The 60 days after the first norther and the frost flowers said frost in Sept. And they were right. There was frost seen in several places and it got to low 30s last week. Hard to believe with it a 100 today.

On September 9, the Sweetwater Kindergarten, First, and Second grades with the help of their teachers, Wanda Spurlock, and Charlene Carey, honored their grandparents. On this day, the Special guests were Edith

Our most recent visitors were Johnny Martin, Judy Tipton, Clifford and Helen Jones and some politicians.

Wheeler FHA Organizes, Meets September 26

The Wheeler Chapter of FHA met on September 26 with 26 members present.

Kim Bates a representative from the March of Dimes presented a program on Fetal Alcohol Syndrome. A video was presented on the effect of alcohol, drugs, and smoking to unborn babies. Following the program Stacey Miller read the minutes of the last meeting and Stacy Maddux gave the treasurers report. FHA president Teresa Martinez previewed the yearbook with the members. The yearbook was designed and made by Misty Helton, Julie Hampton, and Kate Woollard. Door prizes were won by the following members Amanda Rives, Charla Carr, and Stacy Maddux. Sue Ratliff passed her test to get her LVN license at Amarillo. Think all the class passed so that speaks well for the school. Congratulations, Sue.

Dusty Walker was home to see Bill and Kyla Walker and Misty over the weekend. He goes to college at WTA&M and works in Amarillo.

Terry Tipps and Adam were weekend visitors to Dean and Georgia Tipps. It was the first day of bow season for deer and turkey. Terry hunted but didn't get anything. Adam helped Dean check cows, etc. Other Sunday dinner guests were Lona May, Tammy Maddox and Amber and Jennifer, and Dwight Tipps. Zachray had a football game Saturday afternoon, so Becky and Casey stayed in Fritch with him. So glad Lona is doing well.

Willa Fillingim was taking a coyote pup and some other animals to Boys Ranch Monday and was hoping they would keep several animals.

Really lifts my spirits to see all the beautiful golden leaves beginning to turn, especially on the road to Lefors: Chinaberries, locust, cottonwood and others. A lovely time of year. Get out and drive around.

We enjoyed visiting with grandson Dallas at the volleyball games. He has been driving a school bus night and morning in Canyon. Has to get up early, but enjoys the little kids. Still has his R.A. job, too, and goes to college.

Nice to see Rev. Bill Guenther from Brownfield visiting E. O. and Alice Kelley at Pampa Hospital. Keep praying for E. O. Now in extended care. Not doing very well.

So nice to have Ma Mary Hudson out to Gageby Church Sunday. Then

Monday night, Sharon Granstaff, Lois Hudson and Mary Hudson went to the Senior Citizen supper at Wheeler. Sharon was taking Ma Mary back to Amarillo Tuesday. Keep praying for them. Mary's eyes won't let her play 88 any more. Sharon has had some kidney problems.

Willis and I had a refreshing swim at Pampa Wednesday. Then we met Don and Cindy Zumstein and Daniel for lunch at the Sirlin Stockade and a good visit. Don has been very busy spraying with a ground rig all summer.

Link Is The Truth

By Ab Gunter

Just received what I figured wuz a get well card from Babbs Super Market at Spencer, I opened the card an out fell a little dun for a few pieces uv Double Bubble gum I had borrowed a couple uv years ago. Granddad Babber that Bill Johnson wouldn't embarrass a feller like me fer such an oversight but that younger bunch there at the store don't let a sleepin dog lie. Recon I will have to go by there next time we are in town an pay that 27 cent bill.

maybe some uv you folks don't know where Crawfordsville Rd is but it's one uv the main roads into Speedway. Most everybody knows there is a Dunkin Doughtnut shop on the south side uv Crawfordsville Rd but we have been there many times in the past an yesterday we snuck in there an ordered a doughnut twist an a cup uv their coffee an a lady mentioned there wuz an apple tree out front that wuz loaded with apples. I got to thinkin a few uv them beautiful red apples would make a fresh apple pie, an since we had a little plastic sack in the trunk maybe I ought to gather a couple apples fer a pie. As we left the shop we went by that tree an got some dandies off the ground neath the tree. I can't wait till Mama builds one uv them fresh apple pies. Let you know next week if it wuz cookin pie apples er not.

Many years ago I worked as a deputy for George Vernon Dorman, a new sheriff in Wheeler Co., Texas. As I mentioned he wuz a new sheriff an wanted to impress the tax payers that he wuz capable an so forth an he mentioned to me, we wuz goin to round up all the criminal element in the county an namely the gambelers he had heard about. I suddenly realized he was talkin about buddies uv mine that played poker durn near every weekend at one house an the other on one week one would win an the next week someone else would win an it would always be the same bunch. These poker players wives would be with their crowd at one uv the ladies homes playin what they called Bridge but on the side them gals would sort uv gamble a bit too. I'd heard Bonnie er Madge mention they had won a meal off uv Vida er Reba on a game an I got to figuerin if we throwed them hairy legged cowboys in jail we ought to throw their wives in the next cell, cause litterly they too were breakin the same law as their husbands. Me an the sheriff never did raid them fellers an "Bus" that sheriff, after many, many years has retired on the farm south uv Wheeler. Funny thing is I've heard fum Dub an that Chevy dealer there in town that on occasions Mr. Dorman an the boys had a little bet on one uv them Golf games he learned to play in his later years. I hear Bonnie an some uv the gals in Amarillo are still at the game up there, wonder if them city cops have raided any uv their gatharin.

On that Haiti doins I heard one uv the big shots say our folks would only be there a few days, who do them birds think they are kiddin, I've heard that song "I'll be back in a year an a day, Little Darling" an it ook us some few years to get back to the little Darlings, didn't it? My Mother used to say, "There's a many a slip twween the cup an the lip."

One more thing bout that Babbs Grocery card an the 27 cents I owe them, that durn card wuz signed by about 25 folks that work at that place an now ever time I go in that business place they are goin to eye me like a sneathief ain't they?

We want to thank all our friends that sent us a get well card an their condolences. Got a few more trips to make fer this test an exam is workin but havin so much fun a livin an havin friends like YOU, I aim to be a good

We want to thank all our friends that sent us a get well card an their condolences. Got a few more trips to make fer this test an exam is workin but havin so much fun a livin an havin friends like YOU, I aim to be a good boy an do like the Dock says.

Me an Mama love all uv you an appreciate your thoughts.

Now 5-0; Memphis Next foe
Wheeler Mustang J.V. remains undefeated as a result of an 8-0 win over Highland Park. It was the 5th win in junior varsity. "I thought we did really well such as our passing secondary coverages. However, we had four times which was very impressive," said Coach Read. "Highland has a good squad and we gained victory by being in a close game."

Deer Falls Thurs. To Junior High 40-12
Wheeler Colts finally played a Class 1A game last week at Nicholson and they defeated the visitors from Deer Falls 40-12. After a weak start and White Deer to score first, the Mustangs scored three times in the second quarter runs by Casey Childress and Dummam. A great offensive line kept the backs and opened huge holes in the middle. One of the second half scores was provided by a suburb play Dummam that was recovered by the Colts. Apparently the Colts finally had enough confidence in their offense to play as a team. Nick Ware was the hero of getting the team on track with a 35 yard rushing for 35 yards. A great job of blocking. The second half was all Wheeler as Brooks and Dummam around the right end for an 11 yard run as well as Aaron Dummam rushing for a 35 yard run. The game continued to be strong and the Colts were made by Will Woollard, and Tucker Long. Coach Read stated, "This was a super win and the kids deserved this win. We worked hard the last 6 weeks and we did it all together."

Wheeler wise, Aaron Dummam rushed for 95 yards, Childress for 95, Masters 35, Brooks 33, and Bass 22 yards. The game took on Bushland Eagles at 5:00 on Thursday at 5:00.

nets to 68 yards, but more importantly stopped their opponents twice inside the Wheeler 20 yard line. Davis, Judd and Jorge Salas each had five solo tackles to lead the stingy Stang defense. Meraz once again intercepted an opponent's pass and Davis and Josh Lee recovered fumbles. One of those fumbles was caused by Bradstreet. Coach Phil Bailey stated, "We had black shirts around the ball all night. I really like to see gang-tackling the way we did it tonight." Barring injury or illness, the junior varsity will attempt to make Memphis their sixth consecutive win. Game time will be in Wheeler at 6 P.M. It is the only game scheduled in town on Thursday as the junior high will travel to Amarillo to avenge an earlier loss to Bushland.

Mart in Lefors Tuesday night. Nice to see Iva and Sybil Alexander, Debbie Hall, Susan Nelson and San Thompson out to the games, and many other fans.

Psalms 84:11-12: "For the Lord God is a sun and shield; the Lord will give grace and glory; no good thing will be withheld from them that walk uprightly—blessed is the man that trusts in Thee."

We enjoyed going to Wheeler Senior Citizens Monday night for the first time since April. Big crowd of 31 there and lots of good eating. We missed Elva Wood and Helen Sabbe, who are always so faithful. They've been on a trip. We missed Helen's delicious hot rolls; she always makes, too.

There was a nice write-up in the Amarillo paper Monday about Lefors. Karla Murray and Bruce Mize were pictured at school with others.

David Hefley is doing well after his heart surgery, so long as he doesn't over do. Darren was home from

Nazareth over the weekend to visit and help out. Keith and Kristi are home many weekend to help. Keith did a Bellamey show sound system in Texas over the weekend. I think.

With cooler days on the way, you might like to try Faye Sell's delicious, different

Bacon-Potato Soup
8 Slices finely chopped bacon, 1 cup chopped celery, 1 cup chopped onion, 3 or 4 potatoes, 1 can chicken broth, 1 bouillon (chicken) cube, 1/4 cup fresh or one tablespoon dried parsley, 1 can cream of mushroom soup, 1 1/2 cups milk, 1/2 cup sour cream (optional). Pepper to taste, but no salt for bacon is salty.

In large soup pot, fry bacon, stirring till brown and drain all but a tablespoon or so of grease off. Add finely chopped celery and onion and saute till tender. (Remove bacon). First peel potatoes and cut in bite size pieces, add to soup pot with one can chicken broth and one bouillon cube. When potatoes are tender, add other ingredients and bacon and simmer till heated well.

Wanda Childress, Addie Swift and Jackie Dukes went to Shannon Friday and visited Addie's brother and wife, Hap and Sorghum Castle. Saturday they went to a wedding at Buffalo Springs for Charlena Powell to Michael Labrie. Charlena is Addie's great niece. Wanda and Addie and Jackie spent Saturday night with Fred and Edith Castle, another brother of Addie's. When they got back to Briscoe Sunday afternoon, Fat Childress had a delicious pot of stew ready, yea.

Ft. Elliott Junior High, JV and Varsity volleyball went to Lefors Tuesday with many fans. Junior High won 15-2, 2-15 and 15-9. Girls playing were Reagan Meadows, JaNae Goad, Susie Luttrell, Devin Debil, Michelle Shorter, Carissa Dukes, Amber Estes, Kirby Kinnaman, Jennifer Maddox, Candy Hilburn, Julie Zybach, Carolan Aycock, Ashley Estes, Terri Crownover and Tera Red.

JV won 2 out of three. Girls playing were Amanda Shields, Stacie Dukes, Sarah Hale, Misty Walker, Jodie Crownover, Michelle Selby, Tracy Densberger, Tera Hefley, Lana and Becky Richman.

Varsity girls won 15-3, 15-2. Girls playing were Keri Nelson, Andrea Dukes, Lindsey Fillingim, April Purcell,

Ft. E. Cross (from Page 1)

beating Petersburg 25 to 38. Leading the way for the Cougars was Ty Wood with a 12:39 for 1st place, next was Tanner Smith in 2nd with a 12:47. Doug Helton finished 6th with a 13:23, Curt Smith was 7th with a 13:37, Clay Zybach 9th with 14:27, Matt McCurley 12th with a 15:08, Travis May 16th in 15:23. We had our 5 in the top 9 and all 5 received medals.

Running for the Lady Cougars were Amanda Shields who finished 13th with a 14:59 and Tera Hefley who finished 18th with a 15:17. Both ran well and received medals. The other girls were playing Volleyball and won the Lefors Tourney.

Both the Cougars and Lady Cougars ran well as the course had been lengthened so times were slower than last year. The boys ran against teams from the South Plains area and the girls ran against Petersburg who has an excellent team. The Jr. High Cougars ran extremely well winning easily. Again the biggest question was, "Where is Ft. Elliott?" As our athletes won 2 team championships, 2 first place and 2 second place finishes. Next meet is Saturday in Wheeler.

I just received results from an early meet so here they are; Amarillo Varsity boys finished in 7th with David 11th in 18:14, Jonathan 21st in 18:51, Jake in 66th in 20:35. Johnny ran a 21:01, Donnie a 21:19, and Josh Purcell 21:27. For the girls Amanda ran a 14:35, Tera 14:50, Jamey James 16:30, Stacie Dukes 16:35, Andrea Dukes 16:40, Misty Morgan 19:23. We didn't do well as far as times, but we finished 2nd in our district behind Hefley.

Church Plans Work Day

Ministers and laymen from the North Plains Section of the Assemblies of God will gather in Wheeler on Saturday, October eighth to finish up work on the temporary building of Berean Assembly at 704 Alan L. Bean in Wheeler.

This work day should finish up phase one in establishing the new church in Wheeler. The remodeling of a former residence has been in process for over a year and is now serviceable for a small congregation. As the Church grows plans for phase two will be to build a fellowship hall behind the present facility. The fellowship hall will then be used for meetings and church services while the temporary quarters is torn down and the church building is built where the temporary building now stands.

Sunday October 9th will be a milestone day for Berean Assembly with dedication services being conducted by Rev. Glen R. Beaver, Secretary, Treasures of the West Texas Assemblies of God, Rev. Beaver will minister in the Sunday morning service beginning at 10:30 AM and again in the evening service at 6:00 PM.

Misty Mergan, Jamie James, Dana Trimble and Misty Hallett Young.

Nice to have Homer Sanders, Edna May, Leonard and Bertha Hollis join us for supper at Maxeys Thursday night. We had a good visit and went out to the Hollis home and played 88.

Dear Neighbor:

We at Dr. Shrader's would like to thank you for being great neighbors to us in western Oklahoma. Many of you are not only neighbors, but also trusted patients. The friendly, honest folks of West Texas are the type of patients that help make our Western Oklahoma Dental Center so productive and enjoyable.

We are writing to let the good people of West Texas know that your expectations for high quality, dental care can be met in our office.

We offer individual care for all members of your family. Our Western Oklahoma Dental Center provides comprehensive services including braces, dental implants, porcelain crowns, and tooth colored fillings. We have the most modern equipment, offer emergency services and are accepting new patients.

We feel that you should be able to talk to a dentist in person, to find out if his is the practice that your family would feel comfortable with. Ideally, the conversation should also include an examination to determine what work, if any, should be done to keep your dental health.

With this in mind, we would like to offer you an initial examination and cleaning, together with any necessary x-rays, for \$15.00 for each adult and \$10.00 for each child under 18. In this way you may, at little cost to you, decide whether this is the practice for you.

Would you like more information? Please call 405/497-2458, and we will be happy to schedule an appointment.

Make sure you bring your coupon with you, and we look forward to hearing from you. We accept most dental insurance, Master Card and Visa.

On this coming Sunday night, October 9th, an "Evening With Friends" will be held at the conclusion of the evening worship service. Following a sandwich supper in the multi-purpose building, a musical program will be presented by the Heaven Bound Singers, a singing group from the Gardner Street Church of Christ in Borger.

The men's monthly business will be held in the multi-purpose building on Monday night, October 10th. A fellowship meal will be served before this business meeting is held. This meal will be served at 7:00 P.M.

From Sunday, October 16th through Wednesday, October 19th, this congregation will host a gospel meeting. The preacher for this gospel meeting will be Charles Hodge.

Bill Owen remains hospitalized in St. Anthony's Hospital in Amarillo. His condition is slowly improving and he may be released this coming weekend.

Gene White continues to take treatments at the Cancer Treatment Center in Tulsa, Oklahoma.
Sympathy must be expressed to Ben Westmoreland upon the recent death of his uncle, Frank Slater. The funeral was held last Monday in Pampa.
Sympathy must be expressed to Doug Rives upon the recent death of his cousin, Skipper Youngblood. The funeral was held last Saturday in Pampa.

From the Minister's Desk:
Gene Shelburne, the minister of the Anna Street Church of Christ in Amarillo, writes a weekly article for the Amarillo Globe News. This article, which is carried in the Saturday issue of the Amarillo Globe News, usually teaches an important lesson for people who want to be disciples of Jesus.

For example, Mr. Shelburne recently wrote an article that taught a lesson that many preachers need to learn. The title of this article was "Best preachers know when to Scold Them, When To Hold Them" and it said:--
"What kind of person do you want standing in your pulpit? I remember with shame the earliest days of my ministry. Back then, whenever I stood up behind a pulpit, I became an angry young man."
"One dear gray-haired lady, having endured months of preacher abuse, wrote to me and asked plaintively, 'Don't we ever do anything right?' I needed to hear that."
"Master pulpiteer Haddon Robinson is right. Much of what passes as prophetic preaching," he says, "is just anger—cloaked in a sermon." Don't take me wrong. I personally would not want a minister who had forgotten how to be angry about injustice. Like Jesus

was, when he saw the house of God being used to rip-off people. Like he was when religious leaders made their rules more important than God's people."
"R. C. Sproul probably catches the right distinction when he describes pioneer preacher Jonathan Edwards' restraint in the pulpit. 'Edwards preached the wrath of God,' Sproul says, 'but he refused to preach the wrath of Edwards. God help the congregation whose minister reverses that order.'"
"Margaret George, in her superb novelized biography of Mary, Queen of Scots, put a memorable line into the mouth of Mary's French secretary, Claud Nau. Commenting on the cruel sternness of those early John Knox days, Nau said to the imprisoned queen, 'This world of the elect of God makes tyrants out of little men. So does ordination sometimes.'"
"Some of us who dare to preach are like Sir Francis Drake. Historian Will Durant said, 'His egotism was the wind of his sails.' I must confess, along with the Apostle Paul, that in my youthful zeal I persecuted the church of my Lord—every Sunday."

"Having stood beside many a grave and waited late with frightened families in hospital corridors, I know now that my people come to God's house not to be whipped but to be healed. Not to receive blame but to find grace. My best reaction to their sins is not a tirade. If I want to touch the hearts of those who have gone astray, they need to see my tears."
